

Six More Candidates Jump Into Political Ring

The old political pot began to simmer last week... but this week it began to get hot, with the first primary not until May of 1966. The political pot is bubbling, way before the snow flies.

It may be true as the song goes... "It's a long, long time from May to December"... but politics in Haskell County is already hot.

Since last week's edition of the Free Press, six more Haskell County candidates have pitched their hats into the political ring, making a total of 13 to date, which are seeking county offices.

Those who announced this week include the following: E. C. Collins and Edward J. (Sam) Neinst, for Commissioner Precinct 4.

Halle Chapman and incumbent Jim Alvis, for County Judge. Carrie McNulty for District Clerk.

Jessie Vick for County School Superintendent.

A look at the political calendar on the back page of today's Free Press, reveals that three candidates are in the race for Commissioner Precinct 2, and three for Commissioner Precinct 4. Two candidates are seeking the County Judge's spot.

Paint Creek FFA Present Lions Program

FFA members from Paint Creek, sponsored by Lee Medford, presented a very interesting and touching program on "Agriculture, Our American Heritage," at the Tuesday noon day luncheon meeting of Lions at Felker's Restaurant.

Those appearing on the program were Curtis Bittner, President of the Chapter; Danny Ivy, first vice-president of Area II, FFA; Ricky Perry, Everett Sanders, Allen Schmidt and Steve Livengood.

The Paint Creekers in their talks, with background music played by Steve Livengood, emphasized that the strength of America lies in its agriculture.

Rev. J. V. Patterson, pastor of the First Methodist Church, was program chairman for the day.

Guests noted at Tuesday's meeting were Bob Greenroy and Glen Crosby.

Do-Nut Sale

Residents are asked to keep in mind that the Lions Annual Do-Nut Sale is slated next weekend, Friday and Saturday, Nov. 19, 20. Funds subscribed from the sale will go into the "Good-fellows" fund to help less fortunate families here at Christmastime.

Business Development Center Is Dedicated At Aspermont

Jetty Clare, Felix Mullino and County Judge Jim Alvis were in Aspermont Wednesday afternoon of last week for the dedication ceremonies of the Small Business Development Center... the first office approved in Texas and the first rural project in the nation.

Congressman Graham Purcell of Wichita Falls in his address to some 300 civic leaders representing 14 West Texas counties, lauded the efforts of the SBDC officials in "looking ahead toward doing for our children and their children what others have done for us."

Unless we're going to continue to see our rural areas degenerate, we've got to have more aggressive programs like this one we're dedicating today.

Loans will be made to "the unemployed and under-employed and those who hire the unemployed and under-employed," Hall T. Martin, an official with the regional SBA office in Lubbock, said.

The center, which received its grant of \$29,890 from the Office of Economic Opportunity October 26, is the result of more than six months of work by Public Accountant Afton Willingham, of Paducah, and Stonewall county officials headed by Oscar Dickerson.

The center will approve loans up to \$25,000 to private or small businesses, with an interest rate of between 4 and 5 1/2 per cent.

Official Opening Christmas Seal Campaign Is Set November 15th

Launching of the Christmas Seal Campaign in Haskell County began Monday evening, November 8, with a "letter-stuffing" session in the Community Room, Haskell National Bank, at 6:30 p. m. with Miss Nettie McCollum and Mrs. W. P. Trice, supervising.

The official opening of the campaign is set for Monday, Nov. 15. At that time volunteer workers will deliver the letters to the local post office. This year about 1500 families will be receiving sheets of these bright yellow, blue, red and green 1965 Christmas Seals, along with an appeal letter. The Haskell County Tuberculosis Association hopes these letters will generate a large generous response.

"Give Health and Hope With Christmas Seals."

Volunteer workers present were: Mrs. Buddy Bishop, Mrs. E. T. Fouts, Mrs. Dan Wadzeck, Mrs. M. H. Hicks, Mrs. R. A. Shaver Jr., Mrs. P. F. Weiner, Mrs. M. W. Phemister, Miss Nettie McCollum, Mrs. W. P. Trice, Mr. and Mrs. R. C. Couch, Mrs. Gene Overton and Mrs. Jetty V. Clare.

Also helping with the "letter stuffing" were two Boy Scouts, Leslie Huss, Troop 36 and J. F. Cadenhead III, Paint Creek Troop 48.

Alvis Appointed Registrar For Area Draft Board

Judge James C. Alvis, of Haskell, has been appointed a registrar for the Haskell-Jones-Shackelford county draft board in the Haskell area.

Young men who reach the age of 18 can register in Haskell by calling on Judge Alvis on the second floor of the Courthouse, from 8:00 to 5:00 p. m., Monday through Friday, and from 8:00 a. m. until noon on Saturday.

A registrar is maintained in the area so that men will not have to travel to the draft board at Anson.

Colonel Morris S. Schwartz, state director of the draft system, expressed public appreciation of the services of Judge Alvis.

"People of the Haskell area should appreciate the service he renders them," Col. Schwartz said, "as he is doing the work without pay as a public service to his country."

David Huss Is Injured When Struck By Car

David Huss, age 5, son of Mr. and Mrs. W. E. Huss, Jr., North Avenue F, suffered a fractured right leg, around 4:30 p. m., Saturday, when struck by a car driven by Willie Peoples of Rule.

David was attempting to cross the street when struck by the 1958 Edsel, driven by Peoples.

The youngster was taken to Hendrick Memorial Hospital, Abilene, in a Holden Funeral Home Ambulance.

350 Haskell County Aged Face "Action Date On Medicare"

Working round the clock since September 1, Social Security Headquarters in Baltimore has now completed the mailing of medicare information kits to all of the 15 1/2 million persons 65 and over on the social security and railroad retirement benefit rolls, including most of the 1366 persons over 65 in this county.

By now, all elderly social security or railroad retirement beneficiaries in the 14-county Abilene area should have received their kits and the enclosed application for the supplementary medical insurance part of medicare, R. R. Tuley, Jr., Abilene social security district manager, stated.

About 600 other persons—not on the social security or railroad retirement benefit rolls—have already been in touch with the social security district office in Abilene, he reported. But some 6,000 (350 in Haskell County) still need to take action to protect their medicare rights.

Over 15 million of the aged persons will be reached through the mass mailings, he noted. About one-third of those who will not be reached this way are receiving Old Age Assist-

Four Persons Injured; 2 Cars Demolished Here

A 1957 Ford and a 1962 Oldsmobile were demolished and four persons received treatment in the emergency room at the Haskell County Hospital, Saturday night.

Around 9:45 p. m., Saturday, Robert Lewis, 38, driving the '57 Ford, rammed into a 1962 Oldsmobile which was parked in front of the Pet Shop, South Avenue E. The Oldsmobile belonged to James Turner of Sweetwater.

In the car with Lewis were Bertha and Ben Lewis, and owner of the vehicle, Luther Odeums, of Midland.

Chief of Police T. P. Barnett, and highway patrolmen, Jesse Priest and Jim Terrell, investigated the mishap. The fire truck was called to the scene to "hose down" the pavement and to stand-by until a wrecker could separate the vehicles.

Barnett said that a DWI was filed against Robert Lewis.

Luther Newsom Final Rites Held Tuesday

Luther Newsom, 83, a retired ginner and carpenter, was found dead at his home Monday morning, Virgil Brown, Justice of the Peace, ruled that death was from natural causes.

Funeral was held at 3 p. m. Tuesday in Holden Funeral Home Chapel with the Rev. J. V. Patterson, pastor of First Methodist Church here, officiating. Burial was in Willow Cemetery.

Mr. Newsom was born at Dadeville, Alabama, November 20th in 1881 with his family.

Surviving are two brothers, Fletcher H. of Wichita Falls and Sam of Haskell, and several nieces and nephews.

Palbearers were Richard Bischofhausen, Willie Davis, Buster Gholson, Jim Alvis, Bill Reeves and Leslie Jones.

American Legion Barbecue, Program Tonight, Thursday

All Veterans of World War I, II and the Korean War, including their families, are invited to a big, free barbecue and program, tonight, Thursday, November 11, at the American Legion Hall.

The program and barbecue is under the sponsorship of American Legion Post 221, Fred Boon, Commander, announced.

Tonight's activities will get underway at 7:00 o'clock, with representatives of Girls' and Boys' State to appear on the program.

Representatives of Boys' and Girls' State to speak at tonight's program include: Mike Felker, Ronnie Jossett, Steve Harper, Bobby Watson, Perry Turnbow, Dennis Rueffer, Ronald Hilliard, Diane Cadenhead, Gerre Colbert.

Following the program and meal, various games will furnish diversion.

Indians To Meet The Ballinger Bearcats Here Friday Night

Tomorrow night, Friday, November 12, the Haskell Indians meet the high-flying Ballinger Bearcats in the final game of the 1965 season here on Indian Field at 7:30 o'clock.

The Ballinger Bearcat roster looks something like this: Johnny Keel, QB, 140; Tommy Seiby, QB, 135; David Prince, HB, 165; Ed Brown, HB, 170; Sammy McLarty, HB, 140; Philip Mata, HB, 140; Lynn Walden, HB, 150; Willis Washington, HB, 149; Milford Wiley, FB, 168; James Baker, FB, 160; Tommy New, FB, 195; Dale Haygood, C, 179; James Whorwick, C, 142; John Dankworth, G, 147; Mike Lippe, G, 145; Steve Baird, G, 183; Bobo Gray, G, 147; Dickie Redman, T, 170; Leland Hamner, T, 182; Aaron Hinsley, T, 180; Buddy Harris, T, 185; Royce Drennan, E, 160; Jerry Hallmark, E, 170; Charles Simpson, E, 132; Joe Don Murman, E, 135; Lynn Pariah, E, 143; Robert McGarvey, E, 140.

The rampaging Bearcats are on top of the heap in District 5-AA, but the much improved Indians who topped Stamford and Anson on their last two outings, will be fighting "all-the-way," and since they are playing at home, will give the visitors a "run for their money."

The Indians had an open date last weekend and with two weeks of rest, should be in good shape for Friday night's game. Haskell has a 3-2 record in conference play and will be out to add another scalp to their belt.

Thanksgiving Service Plans Are Shaping

At a recent meeting of the Haskell Ministerial Alliance, plans were formulated for the Union Thanksgiving Services to be held at the Methodist Church, Wednesday, Nov. 24th, at 7:30 o'clock.

Royce Wood, minister of the First Christian Church, will bring the message. Members of the various churches will make up the choir, with Mr. and Mrs. Hubert Bell in charge of music.

Other ministers of churches in Haskell will participate in various phases of the service. Contributions placed in collection plates at this service are traditionally used to support a joint fund for member churches of the Haskell Ministerial Alliance to help needy transients obtain food, clothing, shelter, transportation or medication. Also some of the collection will be used to help local needy families. Rev. J. V. Patterson, spokesman for the Ministerial Alliance, said.

Presiding over the Ministerial Alliance meeting was President Ray Nobles, pastor of the First Baptist Church. Other ministers present for the meeting were Royce Wood, minister of the First Christian Church; Rev. Douglas Finch, pastor of the First Presbyterian Church; Rev. J. V. Patterson, First Methodist Church pastor, and Rev. Allen Johannes, pastor of Trinity Lutheran Church.

Two Injured In Accident Near Weinert

W. S. Benton, 72, of O'Brien, and Odell Dunlap, of Rochester, were brought to the Haskell County Hospital in a Holden Funeral Home Ambulance around 5:30 p. m., Wednesday of last week, for treatment of injuries received when they fell from a 1954 Ford pickup, headed west, driven by Billy Benton, Jr., 41, son of W. S. Benton, Sr.

The accident occurred 3 miles west of Weinert on the Rochester-Farm-to-Market road on a curve, when the right hand door of the pick-up came open and W. S. Benton, Sr., and Odell Dunlap fell from the vehicle onto the FM road.

The driver, Billy Benton, Jr., failed to stop when he lost his passengers, and was charged with DWI, second offense, investigating highway patrolman, Jesse Priest, said.

Dunlap and Benton, Sr., suffered multiple lacerations about the face and body.

Ray Resigns As County Service Officer

Herbert Ray, Haskell County Service Officer since 1955, has resigned that position, effective as of December 1, 1965.

Ray has accepted a position as Department Service Officer for the American Legion, as Field Representative. On December 1, he will report to the Regional Office in Houston for a two-weeks' interrogation course.

After January 1, 1966, Ray will be stationed at Waco and plans to move his family to that city soon after the first of the year.

7/100 OF INCH RAIN FELL HERE MONDAY

According to Sam Herren, "The Weatherman," 7/100 of an inch of moisture fell here Monday.

As the figures reveal, not much moisture was received from the drizzle-fizzle, but it halted the harvesting of cotton.

PESTICIDES AND OUR FOODS

Some little time ago, a report on a study of pesticide residues in foods made by the National Academy of Science-National Research Council was released by the Secretaries of Agriculture and Health, Education and Welfare. Its purpose is to clarify questions that have been given a vast amount of public notice... and to deal scientifically with problems which, in many instances, have been greatly exaggerated.

The report consists of 11 recommendations. One of the most important, from the public's point of view, is that a pesticide should be registered on the basis of either "negligible residue" or "permissible residue," depending on whether its use results in the intake of a negligible or permissible fraction of the maximum acceptable daily intake as determined by appropriate safety studies. It is further recommended that where the use of pesticide may reasonably be expected to result in residue in or on food, registration by the U. S. Department of Agriculture should not be granted unless (a) it is established that the residue is a negligible residue or (b) such residue is not more than a permissible residue established by the Food and Drug Administration.

These and the other recommendations will be of great service to growers, government agencies and the chemical industry with respect to extremely minute quantities of pesticide residues found in or on foods. And they provide full protection to the consumer.

New and extremely sophisticated analytical methods make possible the detection of pesticide residues in quantities so small as to present absolutely no danger to health. Properly employed, the pesticides are as safe as they are essential to agriculture production. The public need have no fear...our foods are not contaminated.

STERN ACTION IS NEEDED

The war in Viet Nam has completely altered this nation's budget situation. We are committed to a major effort, which is being escalated, at an unpredictable cost. It will run far into the billions, and there is no end in sight.

Reports from Washington say that orders have gone out to the federal agencies to cut costs in every possible way. But administrative cuts, desirable as they are, will not be enough. There must be a basic change in policy as well. That needed change can be expressed in a short sentence: It is essential that government do nothing, and pay for nothing, that can be provided by taxpaying private enterprise using private capital and savings.

This means, above all, that government should not engage in commercial business.

Numbers of examples could be cited. Electric power is among the best. It is a proven fact that the investor-owned industry is able and eager to meet any demand for power that exists now or will exist in the future. It will use the most advanced technology in doing this, providing the ultimate in service standards at the most modest feasible cost. It will make the most of all sources of electric energy...coal, oil, falling water, the atom.

If industry is permitted to do the job, the government will be spared the huge expenditures that are proposed for tax-exempt socialized power systems. On top of that, it will gain in the heavy taxes the investor-owned utilities will pay.

What is left of the dollar's value is at stake... Stern action must be taken... and taken now.

JOB FOR THE "LOCALISTS"

An excellent suggestion comes from Robert P. Gerholz, president of the Chamber of Commerce of the United States. He says that renewing the nation's cities is a job for "localists" who mobilize their own resources, help themselves and leave Washington as free as possible to concentrate on areas of high decision.

To quote him directly, "...in an age such as this... in a warlike time on our own planet and at the dawn of the astounding era of space exploration... it is rather ridiculous to expect the federal government with all its vast responsibilities to keep on shouldering more and more of our community housekeeping."

In other words, the central government simply isn't capable of doing everything and can't afford to do everything. Beyond such hard practicalities as these lies the fact that when government assumes the responsibility for local problems, it takes something vital out of the American character. It saps the initiative, pride and independence of spirit which constitute the back-bone of the nation.

The cities certainly have their troubles. But to dump them in the lap of Washington is to create more and greater troubles.

Corporal Barrett Laudes Student Letter Writers

American troops in Viet Nam reportedly were swamped with an avalanche of morale-building mail in the wake of a mid-October wave of anti-war demonstrations that swept across the nation.

However, in the case of a group of seventh grade students at Alderson Junior High School at Lubbock, the protest demonstrations accelerated rather than decreased, their correspondence with U. S. troops in the beleaguered S. E. Asia country.

The Alderson students have written approximately 30 personal letters to Marines of the 3rd Expeditionary Force... stationed near Da Nang... and have received seven replies. The letter writing was the brainchild of Mrs. Rebecca Pardue, history teacher at Alderson.

Linda, the daughter of Mr. and Mrs. Marion Burkett, of 2704 E. 2nd St., Lubbock, started the ball to rolling in late September, writing Mrs. Pardue's friend, Cpl. Jimmie Barrett, a native of Haskell.

Barrett, son of Ina Mae Allen, of Haskell, answered Linda's letter on October 2, and enclosed the names of 11 other Marines, who had expressed interest in the correspondence project at Alderson.

Linda's classmates followed suit, and the project blossomed into an immediate success.

Cpl. Barrett, in one of his letters lauded the Lubbock students' quest for knowledge about other countries and implored them to write again.

Court of Civil Appeals Affirms Judgement of 39th District Court

The 11th District Court of Civil Appeals, of Eastland, affirmed the judgement of the 39th District Court of Throckmorton County, Texas, whereby a jury had awarded Mrs. Ella Ingram and children damages for the sum of \$6,360.00 against Curry-Brown Oil Company of Dallas.

Mrs. Ingram and children had complained of salt water damages to their farm as a result of escaping salt water from pits and a disposal well on the lease operated by Curry-Brown Oil Company; the case was tried before Judge B. C. Chapman's Court in May, 1964, and the jury found that the oil company was

careless and negligent and had damaged the land, and sheep crop of Mrs. Ingram, and her son-in-law, Richard Mitchell. Justice Cecil Collins, writing for the Eastland Court of Civil Appeals, rendered their decision Nov. 5, 1965, affirming the verdict and judgement of the 39th District Court and found no errors in said cause.

The Ingrams and Mitchells were represented by Attorneys Jack G. Banner and Jimmy F. Horany of Wichita Falls and Archer City; and the defendants Curry-Brown Oil Company was represented by Attorney Elton Montgomery, Graham, Texas.

TAX MAN SAM SIZ:

Most of us have our tax bills out of our pay checks, but it is in business for themselves and pay on an estimated tax return. Taxpayers who operate a business usually know that they have to file an estimated tax return. However, wage earners don't understand that they have to file an estimate. The Internal Revenue Service has to tax payers every year, because they don't file an estimated tax return. It is a good idea to file an estimated tax return; you owe more tax than employer withholdings.

Now! '66 Chevelle Malibu by Chevrolet

'66 Chevelle Malibu Sport Coupe (foreground) and new 4-door Malibu Sport Sedan.

Two racy new hardtops

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevilles in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

Progressive Study Club, Guests, HHS Civic Class Hear Speaker On Viet Nam

The Progressive Study Club presented Steve Mittelstete, Borger, Texas, Sr., McMurry student, last Thursday, 7:30 p. m. in the Community Room, Haskell National Bank.

Each member answered roll call by—"What I would like to know about Viet Nam?" Mrs. Gerald McCoy, president, welcomed members and guests, along with the special guest, the HHS Civic Class and teacher, Mrs. Wendell Gideon.

Mrs. Frank Martin led the group in singing. Mrs. Garvin Foote introduced the speaker, Steve Mittelstete, who majors in English and French and is president of the Student Assn. at McMurry College. He was selected from McMurry to fly to Washington D. C. to represent them. 1500 estimated to attend conference but only 500 went to participate in this Symposium on U. S. Policy in South Viet Nam, Saturday, Oct. 23.

Steve told that in 1920 the U. S. was an isolationist country—soon found we could not continue to be...changed foreign policy...aggression could not go unprotected. The U. S. set up alliances. Viet Nam was split into forming North and South Viet Nam. They did not feel they had to be faithful to any country. The communists began infiltration.

Economic warfare: Many of the homes have been gone into and heads chopped off, or even fingers, one at a time until they could bring them to their way.

1952: U. S. gave aid, which was against Geneva Compact. 1964: U. S. began bombing, to keep North Viet Nam from infiltrating into S. Viet Nam. We shall continue these bombings until S. Viet Nam agrees to talk peace policy.

Why are we in Viet Nam? We were invited...our security is involved. He stated the three ways in which war may be ended: 1. Withdraw; 2. Coalition government; 3. Win war, retain and maintain South Viet Nam borders where they are.

He asked the question and gave three reasons why the U. S. must win: 1. Military reasons...would be admitting defeat; 2. Cannot let S. E. Asia go communist; 3. Political...cannot let the rest of the world lose faith in us.

He also said that it was hard for S. E. Asian people to have much feeling for anyone thing or nation, and they change attitudes easily. U. S. has gained ground and some Indonesians have been coming out of their shell. Rural construction has been sponsored by U. S. and some of these boys worked with the S.V.N. and have made gains with them. They have confidence in us and feel we will keep them from losing their heads as had been done before. Even the first foods sent to South Viet Nam were grabbed by the North Vietnamese and in order to get them from those who had them, they chopped off their heads. They even came into homes where the husband was out and chopped off a finger of the woman's hand. Each day he stayed away they chopped off another finger. They even punched eyeballs out and put them on poles

and carried them through the streets. His closing thought was a challenge to each... "Keep up with the news and magazines—no excuse for the man on the street to be ignorant of the facts in Viet Nam—read them."

Since the food of the country consists of a low grade of fish and chicken, the hostess, in keeping with their culinary habits, served plates with deviled egg boats, fish sticks served as mast, coconut macaroons and hot spiced tea. The clever plate favors were pipe cleaner men wearing coolie hats, with a pole across shoulders carrying nut cups on each end filled with nuts, representing their water bags.

The club had planned the next meeting, Nov. 18, as their money making project, a musical talent show depicting the different areas of music America. Since the illness of Mrs. Lee Barnett the club voted to turn the proceeds from this show into a "love offering" in appreciation to her and for her, to help her recover as soon as possible.

Luncheon Honors Ladies At Farmers Union Convention

A special highlight for the ladies who attended the Texas Farmer's Union Convention in Abilene last weekend was a luncheon at the Sands Hotel, on Nov. 5th.

Mr. Garland Boles, one of the 10 most famous hair-stylists, spoke on "Wigs and Their Origin."

Sosha Kurda was commentator for a lovely style show, "Wigs and Fashions from Dawn to Dark." A special feature of this program was an Audei worn by the petite, Tukiki Foster (a beautiful model from Hawaii). The Audei is the official dress of the women from Viet Nam and was sent to Tukiki by her husband, who is stationed there. Chairman for the ladies activities was Mrs. Max Carricker, of Roby.

Mrs. Durward Campbell, of Haskell, was the recipient of the door prize (a wiglet). Approximately 200 women attended the show.

Wigs were from "The Fair Lady" and fashions were from "Lady Ann." Attending were Mrs. Allen Davis, of Rule; Mrs. Oliver Cunningham and Mrs. Durward Campbell, Haskell.

Rule's Velvettes sang at the 11:00 a. m. program Friday and then attended the style. The Velvettes were sponsored by Mrs. Don Davis.

Haskell's talented Nine-Teens, under the direction of Mr. and Mrs. Hubert Bell, sang at Friday night's Farmers Union program.

VISIT IN HASKELL. Leroy Hix and Gary of Odessa, were in Haskell on business Wednesday and also visited his parents, Mr. and Mrs. Coyt Hix of O'Brien.

MOTHER OF BRIDE PRESENT FOR GOLDEN WEDDING FETE

Mrs. J. W. Cameron of Haskell, Texas, was in Selma recently to attend the golden wedding anniversary celebration of her son-in-law and daughter, Mr. and Mrs. Herbert G. Barnett. Mrs. Cameron is 85 years old. Five generations were represented at the event.

The celebration was held at the home of Mr. and Mrs. Leo Yarbrough on Olive Street, son-in-law and daughter of the honored couple. Assisting in the reception were the other sons-in-law and daughters, Mr. and Mrs. Lowell Patton and Mr. and Mrs. Frank Meyers, all of Selma.

The serving table was covered with a white lace cloth and centered with an arrangement of gold chrysanthemums and flanked by white candles.

Shades of gold color were carried out in the punch which had floating ice in the shape of a large wedding ring.

Mrs. Raymond Carlson of Fresno, a granddaughter, cut the three-tiered anniversary cake assisted by Mrs. Marie Grumbles. Mrs. Leo Yarbrough, Jr., served punch and Mrs. Jerry Menefee, another granddaughter, presided at the coffee service. Mrs. Marie Harris assisted in serving the guests.

Miss Raynae Carlson, a great granddaughter, was in charge of the guest book with Miss Juanita Brown.

Mrs. Barnett wore a navy blue dress for the occasion and a white orchid corsage. A touch of gold was added to her husband's white carnation boutonniere.

Mr. and Mrs. Barnett were married September 25, 1915, in Haskell, Texas. They lived here until 1937, when they moved to Selma. He was employed by J. A. McHenry and retired last year.

The couple has three daughters, six grandchildren. Mrs. Betty Carlson, Fresno; Bill Cox, Leo Yarbrough Jr., Mrs. Nancy Menefee, Dwayne and Jerry Meyers, all of Selma, and six great grandchildren, Raynae

Rainbow Club Meeting Held In Rogers Home

"Harvest Moon" was the opening song the group sang at the Rainbow Club meeting held Tuesday, October 2, in the home of Mrs. Walter Rogers.

"Thought for the Day" was given by Mrs. Josselet. Mrs. C. A. Thomas gave the business report. Monthly dues were paid and the standing committees gave the menu for the Thanksgiving Family Night Supper held annually in the dining room of the Methodist Church.

Mrs. J. B. Edwards was the recipient of the honor of having done the most sewing and Mrs. Tony Patterson received the hostess gift. Mrs. Dick Andrews led the group in song, with Mrs. J. H. Reding at the piano. The recreation leader provided entertainment by opening the program with a reading, "The Saints," by Mrs. Pearsey. Various games furnished diversion. Present were Mmes. W. E.

Mary SS Class Monthly Meeting Held November 4

The ladies of the Mary Sunday School Class met in the "Fellowship Hall" of the First Baptist Church, Thursday, Nov. 4, at 3:00 p. m., for their monthly social and business meeting, with Mrs. John McMullins, presiding.

The meeting was opened with the group singing, "Tis So Sweet To Trust In Jesus," with Mrs. Charley Quattlebaum at the piano and Mrs. John McMullin, leading.

Mrs. J. R. Fouts brought the message for the afternoon, taking as her theme, "Faith." Mrs. J. H. Reding led in prayer.

Mrs. Quattlebaum opened the business session by reading the minutes for the entire year. Excellent reports were given by group leaders, Mmes. J. H. Reding, Addie Middleton and Ally Ford. Mrs. D. A. Jones, card and flower chairman, gave a very fine report on her year's work. All officers also gave good reports.

The new vice-president, Mrs. S. G. Cobb, led in a discussion and exchange of household hints, ideas and recipes, at the social hour.

Hostesses were Mmes. McMullin and Jones. Frosted drinks were served to Mmes. Fouts, Cobb, Quattlebaum, Reding, McMullins, Moore, Middleton, Jones, Ford and Adkins.

Mrs. Addie Middleton dismissed the group with prayer.

Johnson, Tony Patterson, C. A. Thomas, Eva Pearsey, Walter Rogers, J. H. Reding, John Larned, Dick Andrews, J. B. Edwards and Ann Taylor. The next meeting will be held in the home of Mrs. Ann Taylor.

"Home Life" Is Theme of Weinert Matrons Club

The Weinert Matrons Club assembled Thursday of last week in the home of Mrs. M. W. Phemister for a meeting on "Home-Life."

Mrs. Henry Smith directed the program. Roll call was answered with "An Inexpensive Gift I Have Made." Mrs. Smith read the scripture and Mrs. Phemister spoke on, "What Are You Doing With Your Life?" Mrs. W. C. Wincheste, talked about arthritis and the latest treatments. Mrs. Henry Vojtkuka told of the importance of eye care.

A refreshment plate of coffee, tea, lemon pie, and mints in pink paper cups were served to 12 members.

Mrs. C. T. Jones dismissed the meeting with prayer. The next meeting will be, "The Love Feast," in the home of Mrs. P. F. Weinert on November 17.

Newly Organized Mattson H.D. Club Holds Meeting

Ladies of the Mattson Home Demonstration Club met for their first regular meeting on Tuesday, Nov. 2, since being newly organized. Members met at the school cafeteria.

Joyce Davis presided over the business meeting. Mrs. Barbara Elliott, the Home Demonstration Agent, met with the group and gave some very helpful information on foods and nutrition, and also gave pointers on the different cuts of meat and ways to prepare it.

Present for the meeting were Mmes. Sarah Guess, Mattie Struck, Alice McGuire, Frances Weise, Betty Weise, Lydia Moeller, Brooksie Holt, Eureka Campbell, Joy Chapman, Joyce Davis, Barbara Elliott, Janice Stewart and the hostesses, Mrs. Hazel Smith and Ruth Ann Klose.

Cookies, coffee and punch were served from a beautiful table of fall flower arrangements.

Next meeting of the club will be at 2:30 p. m., Tuesday, Dec. 7, at the school cafeteria. A welcome is extended all ladies not in club work to attend.

Reverend Finch Speaks To Young Homemakers

At the regular meeting Tuesday, Nov. 9, the Haskell Chapter of Young Homemakers voted to "adopt" a needy family and help them have a brighter Christmas. Last year the Young Homemakers bought toys and clothing for a child and will undertake the same project this year for a whole family.

Mrs. Jon Jameson, chairman of the club and community service committee, reported that in addition to the "adopted" family project, the Young Homemakers will hold a workshop Monday, Nov. 22, to mend used clothing to be donated to the PTA, to be distributed to needy families.

Mrs. Henry Vojtkuka, chairman of the club and community service committee, reported that in addition to the "adopted" family project, the Young Homemakers will hold a workshop Monday, Nov. 22, to mend used clothing to be donated to the PTA, to be distributed to needy families.

Mrs. Jimmy Browning, president, reported that the Young Homemakers will participate in the Christmas Parade, downtown Haskell, Saturday, December 4. A chili supper and work night on the float for the parade will be held Monday, Nov. 29, at 6:00 p. m.

Mmes. Browning, Jameson and Bob Greenroy attended an area Publicity Workshop in Merkel, Tuesday, Nov. 9, and

reported to the club meeting. Inspiration for the project was brought by Mrs. Klose.

Douglas Finch, pastor of First Presbyterian brought the program. Finch spoke to the club "Importance of God's Home."

Mrs. Durward Campbell, Mrs. Ronnie Booker, and Mrs. M. W. Phemister, reported that the next meeting of the Young Homemakers will be on Monday, Nov. 22, at 7:10 p. m. to be a Christmas Cooking demonstration by a Lane School representative. The project will be a joint session of the club's "little sisters."

MATTSON TOPPLES LUEDERS 76-70

The Mattson Mustangs a 76-70 basketball victory over the Lueders Pirates at Tuesday night.

Galen Peiser scored 20 and Harold Kruttschmer for Mattson, James Creek 29 for Lueders.

Since 1947, CROP has community channel churches for a person-to-person program of continuing a star relief, self-help and community development.

Our Flag," Theme B&PW Meeting Tuesday Night

"Our Flag" was the theme of the Business and Professional Men's Club meeting Tuesday night in the community room of the Haskell National Bank. Johnny Mathews gave a very interesting history of the flag.

Ed Smart, Scoutmaster of Troop 36, along with four of his scouts, Jim Smith, Bill Cox, Ray and Larry Harts, gave a flag demonstration, folding the flag and how the flag should be displayed. The boys were dressed in scout uniforms, and Mr. Smart explained the different badges of scouting.

Mr. Smart has been a Scoutmaster for 15 years... six years for Troop 36. He is the only Scoutmaster of the Chisholm Trail to hold the Silver Beaver Award, the highest award in scouting. Under Smart's leadership, 21 boys here have earned their Eagle Award, with more to receive the coveted award in December.

Mrs. Frank Scott, chairman of the project committee, introduced the speakers. Mrs. Myron Biard, Charlie Biard and Johnny Mathews were co-hostesses.

Following the program, a business session was held. The Telephone Committee, Mrs. Byron Frazier and Miss Montgomery, served a delicious refreshment plate.

Mr. Frank Scott was a guest Tuesday night's meeting.

Magazine Club continues Study About Money

The Magazine Club met Friday, Nov. 5, with the president, Virgil Bailey, presiding. Following a brief business meeting, members continued their study, "All About Money," under the direction of Mrs. Roy Noble, who presented "Money How It's Made."

Mrs. Mart Clifton led the members in a "Collect for Club Men," followed by a look at the American Wage Earner, seen through the eyes of Elmer Turner. Mrs. R. C. Sch. Sr., gave a history of Women In Business and Professions, noting the ever-increasing opportunities open to women.

An offering was made to Art and Music funds sponsored by the Texas Federation of Women's Clubs.

The next club meeting on November 19th will pursue the subject of "Money... Its Investment." Coffee, cake and sandwiches were served to 16 members by hostesses, Mrs. Jack Pippin and Mrs. Kenneth Thornton.

PTA To Meet Next Wednesday, Nov. 10th, 3:00 P. M.

Developing A Community Home For Education" will be the theme of this month's PTA meeting to be held next Wednesday, Nov. 17, 3:00 p. m., at Haskell Elementary Cafeteria.

There will be a Thanksgiving National and Discussion by Mrs. Couch. Baby sitters are provided at the meeting for pre-school children. All members are urged to be present.

Mrs. Claude Thompson Jr., is city chairman.

Shaping And Seeding A Waterway To Permanent Grass Proves Asset

"Shaping and seeding a waterway to permanent grass has been an asset to my farm," said Frank Moeller of the Irby Community. Grading and shaping of Moeller's waterway was done in 1963 with the seeding following in 1964. Western Wheatgrass, a winter-growing grass, was used.

Moeller, a cooperater with the California Creek Soil Conservation District, stated that since the waterway was constructed and a new terrace system completed, he has had no trouble with terrace breaking. Prior to building the waterway, terrace maintenance was a constant problem. Moeller further added that before the waterway was established, two-thirds of the land at times could not be cropped because of excess water in the field.

His waterway now provides for the disposal of outside water and provides a safe outlet for the terraces. Moeller has cut several hundred bales of good quality hay from the waterway, and says that it will also furnish good

Regular Weekly Meeting Booster Club Held Monday

The regular weekly meeting of the Indian Booster Club was held Monday night, 7:30 o'clock at the high school lunchroom, with President Harold Spain, presiding. Secretary Bill Ratliff read the minutes of the last meeting.

Mrs. Howard Perry, chairman of the "Dad's Night" program, at the Ballinger game, slated here Friday night, reported that all arrangements had been made. Dad's were again reminded to be at the main gate at 7:00 p. m.

Mrs. Trav Everett reported that she would not be able to serve on the all-sports banquet decorations committee and President Spain appointed Louise Josselot to take her place on the committee.

Coach Everett announced that date for the all-sports banquet had been set for February 25, 1966. Coach Bridger, of Baylor University, will be invited to be the speaker at the banquet.

The pep rally for the Ballinger game will be held at 3:00 p. m., Friday, Everett announced.

Christian Church Missionary Society Meeting Held

The Ladies Missionary Society of the Haskell Christian Church met Monday in the home of Mrs. Virgil Meadors.

The meeting was opened by all the ladies singing the hymn "Sweet Hour of Prayer," followed with prayer by Mrs. George Fouts.

The devotional on "Peace" was presented by Mrs. Luther Burkett. The ladies were then favored by an organ solo "Softly and Tenderly" by Miss Martha Meadors. The mission lesson, "Peace To Fill the Empty Heart of the Orient," on Korea and Japan was presented by Mrs. George Fouts.

The business meeting was conducted by the President, Mrs. Travis Clopton. Plans were discussed for the forthcoming Christmas Dinner at the church. A nominating committee was selected and a report is to be made at the next meeting.

The meeting was closed by the praying of the missionary benediction.

Appreciation Dinner To Honor State Representative Roy Arledge

Three high state officials, plus Cong. Omar Burleson of the 17th District have accepted invitations to attend an appreciation dinner for State Representative Roy Arledge which will be held in Stamford, Wednesday, Nov. 24.

C. C. Westfall, general chairman for the dinner, said that Lieut. Gov. Preston Smith, Attorney General Waggoner Carr and Speaker of the House Ben Barnes will be present at the dinner which will be held at the National Guard Armory starting at 7:30 p. m.

At a meeting of the steering committee for the dinner, Westfall named committees to handle details and announced that tickets at \$1.50 per plate will be available in all counties of the district.

Charles Brownfield Jr. will be in charge of sales in Anson and Hawley; Wade Watts will set up an organization in Haskell County; Dave and Gene Prewitt in Hamlin; John Webb will do likewise in Knox County and chairmen for Baylor and Throckmorton counties will be named later.

In Stamford, the sales will be under the direction of service clubs. Representative Arledge has served the 83rd District for two terms. As pointed out at the meeting Monday, he never missed a roll call or a committee meeting.

ALL DAY THANKSGIVING EVENT AT RHINELAND, NOVEMBER 25TH

Remember the good ol' sausage Grandad used to make out on the farm, and the turkey baking in the oven all Thanksgiving morning? Then there was a dishpan full of scrumptious dressing, and blood-red cranberries on the side... Well, this is the treat that is in store for you if you are planning to attend the Rhineland Thanksgiving Festival.

Entertainment for young and old alike will be provided in the school gymnasium all afternoon. Night time brings around a dance held in the former Parish Hall from 8:30 to 12:30. Linda

Remember the date, November 25th, at Rhineland for a full day of fun.

November Is "Turkey" Month

November in the United States traditionally has been "Turkey Month."

Turkey Month, 1965, will be just that, for turkeys are plentiful, says the Texas Agricultural Extension Service.

Also termed plentiful this month are onions, cabbage, rice, split peas and sweet potatoes, as well as apples, prunes and frozen concentrated orange juice.

Potatoes, onions and rice all are scheduled to be on hand in abundance, reflecting record crops. The fall potato crop is estimated at 20.9 billion pounds, 22 per cent above last fall, according to the U. S. Department of Agriculture. Production of late summer onions for storage is set at over 20 billion lbs.

Better than average split pea supplies this November should make excellent low-cost food buys, while cabbage is expected to be in better supply than last year—about 8 per cent more. Apple production this year is expected to rank second largest since 1949, with a total commercial crop estimated at 133.2 million bushels.

And with USDA's Consumer and Marketing Service adding prunes and frozen orange juice to the list of plentiful foods, lots of good fruit and fruit juice buys should be in the offing.

Food shoppers also will find sweet potato stocks well above last year. In fact this year's crop is expected to run about 200 million pounds more than in 1964.

So for wise November shopping, shop plentiful foods.

Last Rites Are Held For W. G. Wienke

W. G. Wienke, 89, longtime Old Glory resident, died at 8:31 p. m. Sunday in a Lubbock convalescent home after an illness of about two years.

Funeral was held at 3:00 p. m. Tuesday from the Kinney Funeral Home Chapel. Burial was in Old Glory Cemetery.

Officiating at the funeral was the Rev. Gary Bruns, pastor of St. Paul's Lutheran Church at Sagerton.

Born April 8, 1876, near Berlin, Germany, Mr. Wienke came to the United States in 1882. On April 25, 1898, he married Lottie Klump.

Mr. Wienke, a retired farmer and cotton gin operator, moved to Old Glory from Austin County in 1906. He was formerly an Old Glory school board member and a member of the Sons of Hermann lodge and of St. Paul Lutheran Church at Sagerton.

Survivors are his wife, Lottie, of Old Glory; two sons, L. R. and L. L. Wienke, both of Lubbock; three daughters, Mrs. J. G. Pope of Hempstead, Mrs. Jack Doty of Denver, Colo., and Mrs. G. F. Spitzer of Old Glory; one sister, Mrs. Mary Ludeke of Sealy, Texas; seven grandchildren and six great-grandchildren.

Haskell County Republicans Adopt Resolutions

A group of Haskell County Republicans met in the home of Mr. and Mrs. R. L. Foote on the night of October 28th, and adopted the following Resolutions:

Resolution I. Right-to-Work. Whereas, Sen. John Tower has been in the forefront on the battle to preserve the Texas right-to-work law; and

Whereas, the U. S. Senator has postponed the repeal of Section 14-B of the Taft-Hartley Act; now, therefore

Be It Resolved that the Republican Party of Haskell County congratulates Senator Tower for his effective representation of the Texas position on this vital issue; and

Be It Further Resolved that the Committee urge Republicans, Democrats and Independents to continue their support of Sen. Tower so that the right-to-work may be preserved through the next session of congress and thereafter.

Resolution II. Whereas, it is the duty of the minority party to oppose the Administration when we disagree and the responsibility of the minority party to support the administration when we agree; now, therefore

Be It Resolved that the Republicans of Haskell County reaffirm its support for President Johnson in his announced intention to defend Southeast Asia against communist imperialism, and we shall continue our support so long as the United States pursues a course aimed for a decisive and early victory; and

Be It Further Resolved, that we deplore and condemn the irresponsible tactics of extreme left wing groups such as a no-win policy and which are undermining the morale of American fighting men who are giving their lives to preserve freedom, not only for Americans, but throughout the world.

PAINT CREEK . . . COMMUNITY NEWS

BY MRS. GENE OVERTON

Paint Creek, or right here in our part, there have been two light showers this Monday morning. Mrs. Martin Coleman said it was only foggy and cloudy over by the lake where they live. This kind of weather will bring cotton stripping to an abrupt halt, although most farmers have had to wait until noon to start stripping because of the heavy dews we had all last week. Two weeks of beautiful weather as we have had are rare this time of year. The farmers are still sowing wheat.

The Scouts of Troop 48 journeyed to Oak Creek Lake near Bronte this past weekend for the Chisholm Trail Council Fall Jamboree. Over 500 boys participated in the competitive events. Immediately after camp was set up, the events began. Paint Creek had only the Mighty Mites' Patrol. Patrols were rated in three groups. Paint Creek was in the second group and won a red ribbon. The three highest were taken from the top third and were all Abilene patrols. Paint Creek Troop 48 did some of the hard events well and then fell down on such easy events as knot tying. But they all had fun, met new scouts from other towns and entered every event, which was the reason for the jamboree.

After church Sunday morning the scouts hiked to the power plant on Oak Creek. They cooked and ate their dinner and left for home about 2:00.

Boys enjoying the jamboree were Buddy Morrison, Ricky Brazzel, Bill Lane, Dale Casselberry, Jim Bob Miekler, Glen Casselberry, Joe Miekler, Patrol leader Mike Brazzel and Scoutmaster Waller Overton.

Members of the FFA Chapter of Paint Creek High School were invited to furnish part of the program at the Texas Farmers' Union Convention which met in Abilene last week. The boys presented "Our American Heritage in Agriculture," which they had prepared for an assembly program at school last month. Mr. W. L. Medford is their vocational agriculture instructor and chapter advisor. Boys giving the program were Curtis Bittner, president of the chapter; Danny Ivy, 1st vice president of area 2 FFA; Ricky Perry, Allen Schmidt, Robert Warner, Everett Sanders and Steve Livengood, pianist.

Mr. and Mrs. Boyd Cathey of Grand Prairie spent the weekend at their home here. They were met by their daughter, Miss Elizabeth Cathey, who teaches in the Lubbock school system.

Mrs. Marie Kahout recently had as guests, Mr. and Mrs. O. U. Connelly of Levelland. Mr. Connelly is Mrs. Kahout's brother.

Howard Montgomery is at home from his two-day stay in the hospital and was at church Sunday.

Marie Kahout had her sons and families for Sunday dinner week before last. Sgt. and Mrs. David Gene Kahout and children of Tampa, Fla., were here on a two-weeks' leave, and Mr.

and Mrs. Theodore Kahout and children of Graham, Mr. and Mrs. Howard Kahout and children of Stamford and Raymond Kahout were all here for the day.

Mr. and Mrs. Ira Coleman received word that they were the grandparents of a baby girl, born October 31st in Fort Sumner, N. M., to Mr. and Mrs. Sonny Coleman. The young lady has been named Sonya Jane.

Mrs. Gene Overton and Mr. and Mrs. Herman Henry and Jimmy Smith were in College Station over the weekend. Mr. Henry attended the class reunion of the class of 1925 and they visited their son, Patrick, and his wife. Their daughter, Kay, of Houston, met them there. Mrs. Overton visited son, Mike.

Fall Openers--- Ducks Nov. 24, Geese Oct. 30

The Texas Parks and Wildlife Commission set the annual duck season for 40 consecutive days beginning Wednesday, November 24, and ending January 2nd, and the goose season for 70 consecutive days from Saturday, Oct. 30, to January 12. Shooting hours will be from sunrise to sunset, including the opening day.

The daily bag limit on ducks will be four, not to include more than one mallard and one pintail, and the possession limit eight, not to include more than two mallards and two pintails. However, for the first time in several years the previously rigid protection on redheads was lifted and hunters permitted to fill their legal limits.

Goose limits are the same as previously, with a bag limit of five per day and five in possession. The one white front limit was retained as well as the limit of two Canadas, with alternate permission to have one white front and one Canada.

Working with a date framework prescribed by the U. S. Department of the Interior, the Commission timed the duck season to include both Thanksgiving Day and the Christmas and New Year holidays. The goose shoot, of course, will also include that period.

Here is the official text covering the duck limits:

"The daily bag limits of ducks may not include more of the following species than: (a) 2 wood ducks; (b) 2 canvasbacks; (c) 1 mallard; and (d) 1 pintail. The possession limit may not include more of the following species than: (a) 2 wood ducks; (b) 2 canvasbacks; (c) 2 mallards; and (d) 2 pintails." Hunters thus will be privileged to take their legal limits of those species of ducks not included in the above noted restrictions.

The official proclamation on geese provides: "The daily bag and possession limit of five may not include more of the following species than: (a) 1 Ross' goose; (b) in the alternative, 2 Canada geese or subspecies; 1 Canada goose or subspecies and 1 white-fronted goose; or 1 white-fronted goose."

A season was set on the little brown cranes in the same far West Texas area as formerly. The bag limit is two and the possession limit is four. Hereafter it was two per day and two in possession.

COMPLETES TRAINING

Pvt. Elton L. Moore Jr., son of Mrs. Jewel J. Moore, 714 W. Bunkley, Stamford, Texas, completed advanced training as a cannoner under the Reserve Enlistment Program at the Army Artillery and Missile Center, Fort Sill, Okla., Nov. 4. Moore was trained in the preparation, loading and firing of field artillery guns and howitzers.

The 19-year-old soldier is scheduled to complete the remainder of his military obligation with an Army National Guard unit in Stamford. He attended Booker T. Washington High School.

Haskell "B" Team Upsets Abilene 20-16

By BRIAN DULANEY

The never-say-die Haskell Indian "B" team romped to a 20-16 victory over the class AAAA Abilene Eagle "B" team last Thursday night, to end their 1965 season with a record of six wins and three losses. Haskell, fired up over a 20-14 loss to Olney last week, scored in the last seconds of the game, to overcome Abilene's 2-point lead.

The Indians took the opening kick-off, and drove 66 yards in only six plays, for their first touchdown of the night. Quarterbacking Riley Couch passed to halfback Keith Chapman for the final 15 yards and the tally. Chapman then added the extra points to give the Indians an early 8-0 lead.

Abilene evened the score in the second period with a touchdown and two extra points. Then, early in the third period, the Eagles pulled into the lead, with another TD and 2 extra points.

The Indians came right back, as Chapman returned the Abilene kick-off 74 yards for another Haskell tally. Walter Felker tried for the extra points but failed.

Haskell came up with their greatest play of the night with only 56 seconds left in the fourth quarter. Couch lofted a 28-yard pass to halfback John Martinez for the Haskell touchdown. The try for extra points failed.

With only seconds left, the Eagles took to the air, but only to have one of their passes intercepted by Chapman. Haskell ran out the clock, downing the Abilene High School Eagle "B" team by a score of 20-16.

Outstanding on defense for Haskell were Walter Felker, Sam Stone, Ken Blair, Tommy Perry and Chapman.

RECEIVES PROMOTION

Frank De La Rosa, son of Manuel De La Rosa, Haskell, and Mrs. Dora H. De La Rosa of Raymondville, Texas, was promoted October 28 to specialist five in Germany, where he is serving with the 37th artillery.

Specialist De La Rosa, a fire direction center chart operator in Headquarters Battery of the artillery's 3d Battalion, entered the Army in May, 1963, and completed basic training at Fort Polk, La., before arriving overseas the following October.

Supervision of paroled prisoners in Texas was taken over Alford. This duty was continued by the Salvation Army in 1935 until 1967 when the state legislature provided funds to handle the program.

Has popularity spoiled Chrysler for 1966? Obviously not.

We're easier to deal with than ever.

AUTHORIZED DEALER CHRYSLER MOTORS CORPORATION

Success like last year's could make some people complacent. Not Chrysler. The '66 is more beautiful, more powerful, more tempting than ever. And our entire Newport series is priced just a few dollars a month more than the most popular smaller cars, comparably equipped. So stop in. Move up to Chrysler. It's easy. **CHRYSLER '66**

Uncommonly good cooks use cool, modern gas

When you turn on a modern gas range it starts cooking—instantly. There's no warm-up period. When you turn off a gas range it stops cooking—instantly. There's no hangover heat to heat your kitchen or burn your food. And when you broil with gas you can keep the door closed because the gas flame consumes the smoke. You and your kitchen stay cooler, cleaner. Uncommonly good suggestion: see the modern gas ranges now on sale at Gas Appliance Dealers—or Lone Star Gas.

Boys And Girls, It's Time To Write Santa!

Attention, Children of Haskell and Haskell County... it's that time of year again, so better get out your pencil and paper and write that important letter to Santa Claus.

A look at the calendar reveals that Santa will soon be loading up toys and gifts, getting ready for that all-important trip on Christmas Eve.

Santa Claus will appreciate it if all the good little boys and girls will write him and tell him what gifts they want most this year.

Cooperating with Santa, The Free Press will publish these letters in the annual Christmas edition of the newspaper.

Letters should be sent in as soon as possible, so we suggest you write Santa today. Just address it to Santa Claus, in care of the Haskell Free Press.

The Free Press is already assembling copy for the big, annual Christmas edition, so be sure to write your letter to Santa!

Living The High Life—In Style

One of the best-dressed women to ever appear on the screen is Julie Christie in the title role on the new Joseph E. Levine film, "Darling," an Embassy Pictures release.

For her role as an ambitious young lady whose circumstances change her from an off-beat model into a poised, elegantly-attired Italian princess, Miss Christie wears over 50 different fashions. The lush wardrobe, designed by London's Julie Harris, is valued at over \$45,000.

For a yachting party, Miss Christie wears a white bikini topped with a matching sleeveless jacket. The long, flowing brocade housecoat she dons for an at-home dinner—an A-line robe with a flat beaded collar—looks luxurious on the screen and gives the immediate impression of a girl who has all the wealth she can handle.

Miss Christie looks just as fetching in a simple long-sleeved black cotton shift with huge patch pockets—the type of off-beat style she wears before climbing on the High Life carousel.

For an early sequence in the film, in which she is co-starred with Laurence Harvey and Dirk Bogarde, Miss Christie is attired in a brown tweed skirt,

a matching sweater with unusual knit sleeves and a light-toned brown leather belt.

Generally, most of her "Darling" wardrobe is classic in feeling. As designer Harris says, "fashion fads would be dead by the time a film is shown, so gimmicks are to be avoided."

These four outfits, part of the biggest screen wardrobe of the year, may well land Miss Julie Christie on Filmdom's Best-Dressed list.

O'Brien Volunteer Fire Department To Hold Turkey Shoot November 20

O'Brien's Volunteer Fire Department will hold its second annual Thanksgiving Turkey Shoot on Saturday, Nov. 20, it was announced this week by Fire Chief John Lippard.

Encouraged by the outstanding success of the first shoot, which was conducted last November, the O'Brien Volunteers have planned a "bigger and better" competition for 1965. Shooting will begin at 8:00 a. m. and continue throughout the day.

This year's shoot will be conducted in the Theater building, adding an element of comfort for the competitors which was badly needed last year when cold winds threatened to drive the crowd away.

While several innovations will be added to this year's Turkey Shoot, the 1964 rules will remain in effect, with the exception that no peep-sights will be allowed for the regular competition.

While telescopic sights were outlawed last year, shooters were permitted to use peep-sights, Lippard said he had received reports that shooters felt the peep-sights gave an advantage and for that reason only open-sights will be used this year. However, scope or peep-sight shooters may fire against each other, if they so desire.

"We want to emphasize that under the rules being used, the rank amateur has as much chance of winning as does the professional marksman," Lippard pointed out. "As a matter of fact, 4-year-old Ken Herring won a turkey last year without even hitting the target. There are many good shooters, however, who will want some stiff competition and for these folks we will have special matches. We're hoping the professional and the amateur, men, women and children, will come out and support the Department in this endeavor and that all will have a fine time."

In staging the shoot this year, the Fire Department hopes to raise money to purchase additional hose which is badly needed. Using proceeds accumulated as a result of last year's fundraising activities, the Department purchased 300 feet of water hose for the truck.

"We have been fortunate all of the fires we were called to fight this year were reasonably close to a fire hydrant," assistant Fire Chief Joe Don Barnard warned. "If one of our residences a long way from a fire plug should catch fire, it would be next to impossible to save it with the amount of hose now available," Barnard said.

CHRISTIAN SCIENCE SUNDAY SERVICES

Jacob's struggle at Peniel and the conversion of Paul will be included in the Bible Lesson at Christian Science churches this Sunday to illustrate spiritual transformation.

A verse from Paul's message to the Romans will underscore the theme: "And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good and acceptable and perfect will of God" (Romans 12:2).

Related passages from the Christian Science textbook will include these lines: "Mortals must gravitate Godward, their affections and aims grow spiritual... they must near the broader interpretations of being, and gain some proper sense of the infinite—in order that sin and mortality may be put off" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 265).

The Lesson-Sermon is on the subject of "Mortals and Immortals."

Texas Motorists Are Driving A Bit Faster Than Last Year

Texas motorists are driving a bit faster than they did last year, the Texas Highway Department's 1965 Speed Survey indicates.

The survey, conducted by the Department's Planning Survey Division to determine traffic needs, was made public today.

Another report comparing average daytime speeds with average speeds at night was released at the same time. It makes it clear that darkness does not necessarily bring a slow-up in driving speeds.

In Texas, the speed limit for passenger vehicles, pickup trucks and buses is 70 miles an hour during the day and 65 at night. For large trucks the daytime limit is 60 miles an hour and 55 at night.

For buses, there was a decided drop in the per cent exceeding 70 miles an hour. The 1965 survey found only 0.6 per cent of the buses exceeding 70, compared to 5.7 per cent in 1964.

There was an increase, however, for trucks with 1.1 per cent exceeding 70, compared to 0.4 per cent last year.

The average speed for all vehicles was 58.5 miles an hour. This compares to 56.6 miles an hour in 1964. The average speed for passenger cars was 61.2 miles an hour, compared to 58.8 miles an hour last year.

The average speed for trucks was 53.1 miles an hour, compared to 51.8 in 1964. For buses, the average speed was 63.3 miles an hour, compared to 62.4 in 1965.

For the day and night report, more than 7,800 vehicles were surveyed—5,381 during the day and 2,454 at night at five locations.

Although the average day speed was 59.8 miles an hour, compared to a slight drop to 58.2 at night, 16.5 per cent of the night drivers were exceeding the posted speed limit, 65 miles an hour.

Mr. and Mrs. Lester Brian, of Munday, visited his sister, Mrs. N. M. Stewart, Sunday.

Mr. and Mrs. Archie Lee Jenkins and girls, of Seymour, spent Sunday with his mother, Mrs. Jimmy Jenkins.

Mr. Bob Edwards spent last week with his sons and families, Bruce and Arnold Edwards, of Dallas.

Mr. and Mrs. H. G. (Hoot) Edwards and family of Lockney visited relatives in Weinert over the weekend.

Mr. and Mrs. Floy McGuire went to Lubbock Saturday where Mrs. McGuire's six sisters had a "sister reunion."

Mrs. James Horan went to Dallas Monday of last week to meet her husband, James Horan, Jr., who had been stationed in Greenland for the past two years. They will be leaving for North Dakota soon where he is to report for further duty in the Armed Forces. They have two children.

There were nine boys and two counselors (Rev. Ross Anderson and R. W. Anderson), going to Abilene Saturday to Regional Royal Ambassador Rally, held at H-SU. All reported a very interesting day.

Visitors in the home of Mr. and Mrs. Ab Henderson Sunday were her brother, W. P. Fraser and mother, Mrs. Mary Fraser of Anson. Her mother remained for a week's visit. She is 94 years of age.

Rev. and Mrs. Ross Anderson attended funeral services for Mrs. T. H. Murrain at Seymour Calvary Baptist Church, Monday of last week. Bro. Anderson helped conduct the services.

Cotton Classing Report

The U.S.D.A. Cotton Division's Office in Munday reported 13-114 samples classed for the week ending November 5, according to A. D. Peebles in charge. This more than doubles last week's total of 6,357 samples and brings the season's classing to 29,176.

Grade percentages showed little change. Six per cent was classed in the white grades, 88 per cent light spotted and 6 per cent spotted. Strict low middling white amounted to 4 per cent, strict middling light spotted 2 per cent, middling light spotted 53 per cent, strict low middling light spotted 31 per cent, and middling spotted 5 per cent.

Staple lengths ran 25 per cent 29/32, 24 per cent 15/16, 4 per cent 31/32, 7 per cent one inch and longer.

Micronaire readings continued good with 92 per cent in the 3.6 through 4.8 range, 3.5 and below 6 per cent, 4.9 and higher 2 per cent.

Market prices range from slightly over the loan for middling light spotted to 60 points over on strict low middling light spotted and lower grades.
