## LONE STAR GAS SEES '69 BOOST

DALLAS — L. T. Potter, chairman of the Lone Star Gas Companies, projected a "modest increase" in net income for 1969 at the annual shareholders meeting Tuesday.

Potter cited a two-phase projected increase despite the probable extension of the surcharge on federal income taxes and "average" heating weather through the first quarter of 1969.

"Our first concern is strengthening our existing business by profitably increasing revenues and by containing expenses," Potter said.

Potter said the second main thrust is concerned with adding to the pattern of Lone Star's existing business.

The possibility of increasing revenues is strengthened by Lone Star's proposed application to the Texas Railroad Commission for an increase in the intracounty gate charges for gas delivered.

## LOCAL INITIATIVE ESSENTIAL

As the cost of government mounts to bewildering heights and the burden of taxation grows proportionately, more and more of us are beginning to realize that astronomical governmental appropriations and the spending of tax dollars are no sure-cure for alleged social and economic ills any more than are mountains of new laws. We are learning there are some things money alone can't buy. Among these are clean air, water and land. We are finding that a wholesome environment is the product of tireless research, cooperation between many governmental and private groups and most important of all, a lot of local initiative.

An official of a leading oil company that has been a leader for years in pollution abatement programs was speaking from experience when he said: "... we feel regulations and controls should be applied at that governmental level closest geographically to a given problem... the problem will never be brought under control by a huge appropriations of money alone... In a country where more than 70 per cent of the people live on less than 10 percent of the land area, contamination will continue to be a costly and complex problem with no easy solution. But through research and the cooperation of individuals, institutions, governments, industries and businesses, pollution of our natural resources can and will be controlled." Gradual recognition of the truth of views such as those held by this oil company official is the solid foundation on which all environmental improvement programs must eventually rest.

## GRASSROOTS OPINION

**Loyalton, Calif., Booster:** "Welfare costs to taxpayers could be drastically reduced, some quarters claim, if names of those who receive public charity were made public. The thought behind that is that some would be ashamed to have it known they were feeding at the public trough at the expense of their neighbors."

**Sterling, Ill., Gazette:** "Our democratic system does indeed seek to safeguard and dignify the individual, but its protections are in no way intended to provide a shield for behaviour which transgresses the law and tramples the rights of others."

**Bound Brook, N.J., Chronicle:** "We are so impressed with governmental budgets that we intend to conduct our own finances in a similar manner. First, we'll figure out how much money we need for the year, then ask the boss for that amount. Why didn't we think of this before?"

**Eden, N.C., News:** "There's only one thing left that will give you more for your money than it did 10 years ago—the penny scale at the corner drugstore."

### Chinese Cook Quickly

The Chinese, from the dawn of civilization, have known that the real fun with food is in the eating, not in hours spent at cooking. The Oriental cook spends her time creatively conceiving delicate delights for the family, and then quick-cooking all of her foods.

Oriental cooking is so appropriate to our fast, modern life that more than 60% of American families now eat Chinese food. The creative American cook carefully selects canned Oriental ingredients for the Chinese dishes she plans to prepare, then adds her own personal touches with pretty garnishes and tasty sideshishes.

Families with children may want to add extra fun to a Chinese meal at home by providing chopsticks for all to try.

### Dishes in Divider-Paks

The divider-pak can, a concept developed by Chun King Foods, keeps Chinese vegetables crisp in one can and a subtly spiced meat, seafood or poultry sauce separate in another can. Both are simply combined and heated at serving time. Five basic recipes—Chicken Chow Mein, Shrimp Chow Mein, Mushroom Chow Mein and Beef Chop Suey—are available in small and family-size divider-paks. Use these as a basis for a Chinese meal, or mix and match them with American dishes.

"Queen of the Road" Helen Hall

## 'Queen Of Road' Visits Burk

Helen Hall, 'Queen of the Road' was a recent visitor to Burkburnett, having stayed in the home of Mrs. Stanley Bohenek. Mrs. Hall stated that she has walked over 16,000 miles, twice crossing the United States. Her first walk was from Philadelphia, Pa., to Washington, D.C. in May of 1965 to protest to President Lyndon Johnson, who refused to see her. Her protest involved a demand from the welfare agency that she refund payments she had received from it after collecting a large sum of money from a firm following a fall on the ice in front of their building and breaking an arm. She was a practical nurse

at the time and payments from welfare were not enough to buy coal for heat. She has no family and her income is \$44.70 per month from Social Security. She has around 400 badges and patches from various police and sheriff departments throughout the U.S., plus several hundred keys to the city, and various mementoes bestowed upon her. She receives lodging and food gratis in the stopover towns in exchange for a story for news media. Claiming to be "nationally and internationally known," Mrs. Hall said she is having a book written about her excursions and it will be titled, "The Highway is My Home." Quite a girl, that Helen Hall!

## Cub Scout Blue And Gold Banquet Is Held Here In Hardin Cafeteria

Cub Pack 155 held their Annual Blue and Gold Banquet recently, in the cafeteria of Hardin Grade School. More than 150 parents and Cubs attended. Cubmaster, Larry DiMarzio opened the festivities by announcing the Flag Ceremony which was given by the Webelos Den 1. This was followed by the prayer given by Roy Mahaffey, former Webelos leader. Larry then introduced committee chairman, Bill Boardman, who in turn introduced the invited guests. They were, Mr. and Mrs. Paul McMahon, Mr. and Mrs. Delmar Ebert, Mr. and Mrs. Larson Reeves, Mr. and Mrs. Russell Duvall, Scoutmaster, Arthur Markowitz from Troop 154 in Burkburnett, and five Boy Scout representatives.

A catered dinner by Underwoods followed. Menu included, fried chicken, red beans, cole slaw, potato salad, gravy, coffee, iced tea, brown and white bread and cherry and apple cobbler for dessert. The food was delicious and the service was great. Pack 155 would like to thank Underwoods for such a fine dinner. We all really enjoyed it.

After dinner there was a ceremony for a new Bobcat, Matt Milam, who will be in Den 1. Mrs. Lee Milam is his mother and Den Mother. Helping her are: Mrs. Pat Smith and Mrs. Key Ellis. In fact the Milam family is very much involved in the Scouting Program. Another brother, Mike Milam, was welcomed into Webelos Den 1 by Webelos Leader, Everett Glazier and his assistant, Mr. Ray Ellis. Also going into the Webelos was Wayne Chambers from Den 3. To top this another brother, the oldest, graduated from Webelos into Boy Scouts. On hand to greet Mark Milam were the Scoutmaster of Troop 154, Arthur Markowitz and his scout representatives. Troop 154 is sponsored by the American Legion of Burkburnett. Congratulations to Wayne Chambers and to all the Milam boys for a job well done, and good luck along the rest of the scouting trail.

Den Mothers were presented corsages of yellow carnations by the Pack. Those receiving them were: Mrs. Lee Milam, Mrs. Pat Smith, Mrs. Key Ellis, Mrs. Dolores Valenti, Mrs. Nancy Boardman, Mrs. Mary Dixon, Mrs. Glazier, Mrs. Barbara Hamilton and Mrs. Yvonne McKinley. This is the Pack's way of saying "THANKS" to such fine Den Mothers. We really do appreciate all your hard work, mothers. Two other hard workers who deserve a vote of thanks are: Webelos Leader, Mr. Everett Glazier, and his assistant, Mr. Ray Ellis. These men have more

By Marjorie Marsh

I was on a family visit to England a few weeks ago and took some time off to play "visiting firelady" at the annual Carpep exhibition. That's the English version of our semi-annual home furnishings market in Chicago where all the carpet companies show their new wares to retailers. My, was I surprised! I think we Americans tend to laugh a little and look down our noses at English carpets. Many of them, with their dark colors and patterns, seem downright old-fashioned and dowdy to us. The kind of thing my grandmother had in her parlor! But I'm happy to report that our English cousins are right in step. Although most companies don't bring out as many colors in each line as American companies do, the shades are soft and clear. One new broadloom that looks like England's very first shag is aimed at the "country manor" market and all the colors are muted... mullied wine, willow, mushroom... like the painted woods of French provincial furniture. I spoke to one manufacturer who only makes tufted wool carpets and he told me that his best selling color in every line was white.

**Woolmark Carpet of the Year**  
The facts about white being such a best seller was confirmed by the wool people in England. They give a Woolmark Carpet of the Year award annually and the winner is chosen by 500 English retailers. Yup, last year's prize went to a white carpet and the sales have tripled since the winner was announced! I guess English housewives don't have trouble keeping their wool carpets white.

## WATER BAPTISM IS ESSENTIAL TO SALVATION

In Acts 2:38 the Bible teaches, "Repent, and be baptized every one of you in the name of Jesus Christ For the remission of sins . . ." The purpose of Repentance and Baptism is For the remission of sins.

The question has been raised whether For in Acts 2:38 means "because of" or "in order to." Is one baptized Because he is already saved or In Order To be saved? In Acts 2:38 For is translated from the Greek word "EIS" (the N.T. was written in Greek). This Greek word EIS is found 1488 times in the Greek N.T. Thayer's lexicon says about this word, EIS, "a Prep. governing the Accusative, and denoting entrance into, or direction and limit: into, to, towards, for, among . . ." The word EIS always looks Forward, never backward. It is never translated Because of (looking backward) even though it is found 1448 times. No, not once! If For in Acts 2:38 looked backward, it would have to be translated from Another Greek word, not eis.

Following are some examples of where the word Eis (translated For in Acts 2:38) is found in the Bible. See if you can determine whether the word means Because Of or In Order To.

- Acts 11:18—"Repentance unto (eis) life." Does one repent because he already has life (salvation) or in order to obtain it?
- Rom. 10:10—"Confession is made unto (eis) salvation." Does one confess because he is already saved or in order to be saved?
- Rom. 10:10—"man believeth unto (eis) righteousness." Does man believe because he is already righteous or in order to become righteous?
- Mt. 26:28—"Jesus shed His blood for the remission of sins." (Greek: eis aphesin amartion) Did Jesus die Because man was already saved or In Order To save man?
- Acts 2:38—"Be baptized . . . For the remission of sins." (Greek: eis aphesin amartion—exactly the same as in Mt. 26:28) If Jesus died In Order That We might be saved then we are baptized in order that we might be saved. Does anyone believe Jesus died Because the world was saved before he died?

Let us notice some translations of Acts 2:38.

- ASV—"Be baptized . . . unto the remission of your sins."
- Goodspeed: "Be baptized . . . in order to have your sins forgiven."
- GNFMM: "Be baptized . . . so that your sins will be forgiven."
- Living Oracles: "Be each of you immersed . . . in order to the remission of sins."

## LIBRARY CORNER

The week of April 20-26 is being celebrated by readers all over the nation. It's National Library Week. Here in Burkburnett the Friends of the Library will have a book sale. And we are looking forward to having our patrons and all the people of Burkburnett visit the Library.

The library is the recipient of a new book, TEXAS LIONS 1917-1967. This book, presented to the library by the Burkburnett Lions Club, is a history of Lionism in Texas. It begins with the first convention held in Texas during World War I and carries the reader to the same room in the Adolphus Hotel in Dallas fifty years later where Lions International had its beginning.

New books appear on our shelves almost daily. A true story of a British spy, who at the same time was a Communist agent, is told in THE PHILBY CONSPIRACY by Bruce Page, David Leitch and Phillip Knightley. In EXPLORING THE OCEAN DEPTHS by Edward H. Shelton, we read of a research diving submersible, the Cousteau Diving Saucer. Junior readers may learn answers to many of the ocean's mysteries in THE WORLD OF THE OCEAN DEPTHS by Robert Silverberg.

Two books to help you "save or spend," depending on your need, are THE HANDBOOK OF REAL ESTATE INVESTMENT by Don G. Campbell; and THE MORTALITY MERCHANTS by G. Scott Reynolds. This latter book tells all you need to know about the right kind of life insurance.

Looking for something creative to do? DESIGNING WITH STRING provides many possibilities of producing objects of surprising beauty with fibers. For a real variety of craftwork look in the new COMPLETE BOOK OF HANDCRAFTS by Ruth Zechlin. Some projects found here are sewing, knotting, weaving, basketry, pottery, woodwork, lampshades, and dolls. 101 MASKS by Richard Cummings is a storehouse of information on false faces and makeup for all occasions. Then, so that you may use your handiwork, we have plays for all ages: POPULAR PLAYS FOR TEEN AGERS by Anne Coulter Martens; 7 PLAYS by Mayme Rice Smith; ROSENCRANTZ AND GUILDENSTERN ARE DEAD, by Tom Stoppard; WE BOMBED IN NEW HAVEN, by Joseph Heller; and PLAYS FROM FAMOUS STORIES AND FAIRY TALES — for children, by Adele Thane.

There are many new books for juniors: THE FANTASTIC BREED, SIMOR BOLIVER, WE ELECT A PRESIDENT, BOTH ENDS OF THE LEASH — selecting and training your dog, THE BEARS OF BIG STREAM VALLEY, THE PRANCING PONY—rhymes from Japan, WHITE IN THE MOON by Gretchen Sprague.

"Found" in the library: Vietnam hat, white sweater, plaid jacket, green stocking cap, and red plaid scarf.

**WORKERS WERE** scarce at the Burkburnett Oil Park workday Friday, but James Sullivan, Gene Allen and Bill Vincent were working hard enough for ten men. The front of the building is taking on a new look, and with as much progress as these three made Friday, it won't be long in completion.

## Wait 10 Weeks Before Inquiring On Tax Refund

DALLAS, Texas — Ten weeks from the date a Federal income tax return calling for a refund is mailed, the taxpayer either has his check or a letter explaining why it is held up, Ellis Campbell, Jr., District Director of Internal Revenue for Northern Texas, said today.

For this reason, a taxpayer who has not heard about his refund should wait ten weeks before writing IRS. By waiting this length of time, most taxpayers will find their inquiry unnecessary, Mr. Campbell said.

If it becomes necessary to write, the taxpayer should indicate where and when he filed his return and give his name, address and social security number, Mr. Campbell said.

Millions of tax returns are handled every filing season at the Austin Service Center which serves Northern Texas taxpayers. The volume of processing operations there makes it practically impossible for IRS to locate a particular return and to answer any question about it until processing is complete.

## ELEPHANT-SIZED FUN FOR KIDS

Most mothers dread the thought of giving a children's party—and small wonder, when you think of how easily a small-fry shindig can turn into bedlam.

One way to make these events easier on yourself and more fun for the kids is to plan a party around a theme that's popular with youngsters, perhaps a children's story, or a TV character. Then tie your decorations in with the theme, plan one or two activities around it—and you've worked out a fun event that's easy to control.

Try a Babar Happiness Party, for example, based on Babar the Elephant, the lovable cartoon character children know from the story books and television. It's particularly timely, since the kids will all be watching the half-hour Babar TV Special on April 21st over NBC-TV network.

To help you with all the fun things you can work into this theme, there's a free Babar party kit available that includes a pin-the-trunk-on-Babar game, ten paper elephant helmets, decals for decoration, a Babar story/coloring book to award as a prize, and a charming oversized Babar poster. There's also a page full of additional ideas on how to make an elephant the life of the party.

The free party kit is being offered by Viking Carpets, sponsor of the Babar show on television. Kits are obtainable from Viking carpet dealers; there's a special no-charge national phone number you can call (800-243-1890) to get the address of the dealer nearest you.

"Let us hold fast the profession of our faith without wavering; (for he is faithful that promised.)"

Have faith in God. He will lead us in the right paths. He will never fail.

As the highways are clearly marked and numbered so that we might easily find our way from city to city and across the nation, God's word clearly marks life's paths.

Attend church regularly and exercise your faith in God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
