The Dallas Cowboys win, Texas stomps Oklahoma and the Burk Burnett Bulldogs run all over the Graham Steers. What could be a better week in the sports life of the citizens of Burk Burnett?

Having just moved up here from Graham last March, I couldn't help but rub in the final score to some of my old friends from Graham last Friday night. Maybe I should say former friends because of the way I kidded them they may not let me be friends any longer.

For all of you that like good old fashion entertainment take note of this. Four Burk Burnett men, Arnold Oliver, C.J. Lippard, Larry Stringfield and Joe Gillespie will be helping stage a benefit show for the Notre Dame Booster Club Friday and Saturday night. What can these men do? From the reports I get they are one of the best Barber Shop Quartet groups in this entire area. But, I'll not say which of these four men reported that!

Seriously though, they are good, and are helping stage a benefit show in Wichita Falls, along with a championship Barber Shop Quartet. The event will be held Friday and Saturday night at the Notre Dame High School auditorium. It will begin at 8:00. Advanced tickets are on sale for \$2.00 for adults and \$1.00 for children.

The local group is a member of the SPEBSQSA, which stands for the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America. With a name that long they have to be good! Make plans to attend.

I received word from Mykel Hodges the other day. Mykel who was formerly with the Famous Dept. Store here is now associated with Lentz's Department Store in Ballinger, Texas. "Tell the people of Burk Burnett that I appreciated their patronage while I was in business there and I hope they will continue to shop at the Famous. Burk Burnett is a fine town and I enjoyed living there, but I just couldn't turn down this opportunity. I'm looking forward to coming back and visiting soon," stated Mykel.

Vo-Ag teachers James Easter and Jake Fyke report they will be taking 12 FFA boys and 33 of the finest twos in Texas to the State Fair in Dallas next Monday. Good Luck boys.

Absentee voting for the upcoming Nov. 3 election began yesterday. It will continue through Friday, Oct. 30. If you expect to be absent from your county on Nov. 3 rush over and cast your absentee ballot.

First Cotton Bale Ginned

Wayne Horton started the cotton ginning season Thursday with the first bale of cotton to be ginned this year, by Farmers Coop Gin of Burk Burnett.

A.G. Earp, gin manager, stated that the first bale weighed 430 pounds and contained 1,960 pounds of lint.

Bonds for being the first consisted of \$25.00 from Farmers Cotton Company, \$5.00 from North Texas Compress, \$25 from the Agricultural Dept. of the Burk Chamber of Commerce, presented by James Easter, local Vo-Ag Teacher.

The bale was ginned Free by Farmers Corp. Gin.

New Owner At Farmers Feed & Seed

The Farmers Feed and Supply is now under new ownership. Tom (Rusty) Noel and his wife, Norma Jean, purchased the store recently from Bob McClough.

The Noels, though not always Burkites, were almost so. Tom stated he was born and raised near Grandfield, Okla., and farmed there for over 20 years.

In August of 1969 they sold their farm and moved to Buffalo, Missouri where Tom went to work at a steel plant. Tom couldn't get the farm business out of his blood though. Shortly after moving to Missouri Tom bought a small farm and also began working for Triple F. Feeds.

Tom and his family moved to Burk Burnett in later August and purchased the local store. Tom manages his own store, replacing Jerry Brown who began farming again. Tom plans to add more hardware to the store, as well as increase his lawn and garden supplies and to add to his ferretome line. Another addition to the business has been a complete line of Triple F feeds. Tom states they will still continue to carry a complete line of Purina feed also.

The Noels have two sons, Craig, 15-years-old, and Ronald Keith, 12-years-old, and one daughter, Teresa Gay, 4 months-old. They reside at 714 Meadow Drive.

Reginald N. Whitman, railroad president, praises the Burk Burnett Study Club for saving the depot as part of Burk's history for future generations.

Mrs. Helen Reasoner, president of the Burk Study Club, expresses her thanks to those who have contributed their time or money to the preservation of the old depot.

\$\$ Days

The Burk Burnett Dollar Days normally held the first Thursday, Friday and Saturday during each month will be moved up one week this next month. Instead of being Nov. 5, 6, and 7, the next Dollar Days will be Oct. 29, 30, and 31.

Make plans to shop in Burk Burnett during those three days. Bargains will be plentiful and good deals will abound.

LARGE CROWD ATTENDS CEREMONIES

Study Club Purchases Depot

A dollar might not be worth what it used to be, but you can't convince the Burk Burnett Study Club of that. They acquired the 67 year-old Burk Burnett MKT depot with a one dollar check last Thursday.

Approximately 400 people braved bitter winds and a 48 degree temperature to view the ceremonies held on the old platform where freight used to be unloaded.

Reginald N. Whitman, railroad presi-

dent, presented a brief speech spotting the highlight's of Burk Burnett's Boomtown history. He expressed the need for the past to be restored as in a museum as planned by the study club. In his closing remarks Whitman stated, "I want to assure you people you haven't seen the end of the Katy Railroad in Burk Burnett, however."

After his address, Whitman presented Mrs. Helen Reasoner, president of the Burk Burnett Study Club, with the deed to the old depot. He then reached for a portable telegraph sender that he had brought with him and began sending the last official message from the Burk depot. "That was a 30 from the Burk Burnett depot. Thirty is a telegrapher's term meaning the end," stated Whitman referring to the telegraph message.

The telegraph sender and a personal check for \$100 was also given Mrs. Reasoner by Whitman.

Mrs. Reasoner upon her acceptance of the deed, spoke of the club's and the city's gratitude for a building in which the past can be preserved. She pledged to restore the building and fill it with exhibits.

The depot, which is proposed to be moved to one of the city parks or to the Boomtown Oil Park, will be cut in half to make the move easier. The building was first constructed in 1907 with remodeling in 1944. Basically it is the same wooden structure designed by the Missouri-Kansas-Texas railroad.

Band music by the Burk Burnett High School band and hundreds of cheering school students greeted the officials who arrived by high-rail automobile from Wichita Falls. After the arriving of the

vehicle the crowd huddled as close to the platform as possible. Some of the spectators stayed inside the depot for the ceremonies but the dignitaries sat on an outdoor platform smiling despite the chill wind that blew steadily on them.

T.M. Cornelius, president of the Burk Chamber of Commerce, was master of ceremonies. F.R. McCandless, mayor, introduced a number of guests, including Col. and Mrs. E.J. Doran of Sheppard AFB, Mr. and Mrs. Gary Bean, city manager of Burk Burnett; Mrs. Cornelius, Dr. Kenneth Neighbors, president of the Wichita County Historical and Survey Committee; County Commissioner and Mrs. Clark Gresham; Mr. and Mrs. Hugh Preston Jr., general chairman of the restoration of the depot, Mr. and Mrs. Harold Van Loh, Mr. and Mrs. Glen Bear, Mr. and Mrs. Alvin Hill, committee members.

State Rep. Vernon Stewart introduced the railroad officials. They were B.R. Bishop, vice president of operations and John H. Hughes, chief of engineers, both of Denison; M.R. Crine, vice president of public relations, St. Louis, Mo.; Tom Connally, assistant director of public relations, Austin; Mr. and Mrs. Albert Dowdy, general agent and trainmaster, and W.D. Dennis, sales manager, both of Wichita Falls.

Two retired railroad men who attended from Wichita Falls were C.W. Robbins, former assistant superintendent, and E. L. Luckett, former sales representative.

The Rev. Lamont Champ, pastor of the First Baptist Church, gave the invocation and Gary Bean closed the ceremonies with an invitation to all the visitors to come back to see the depot in its new role.

The "Old Depot Fund" is still growing with the latest contributors being B.O. Willis, Anna Freeman and Mrs. J.W. Allen and Dr. and Mrs. Phillip Carpenter, all of Burk Burnett; Tom Connally of Austin, MKT Railroad of Dallas, and James King of Wichita Falls. Anyone interested in donating to the fund may send in their contributions to the Old Depot Fund in care of the Burk Burnett Chamber of Commerce.

Decorations Purchased

A committee representing the businessmen of Burk Burnett elected to buy new Christmas decorations for the coming Christmas season. The existing street decorations were damaged too heavily last year by the ice storm to be re-used this year, according to the committee.

To eliminate the costly damage done to decorations that extend from one side of the street to the other because of trucks and tall trailers, the committee elected to purchase only pole decorations. Placed on order was a shipment of lighted canes and lighted candles.

The committee, which is composed of local businessmen working through the chamber of commerce, held the meeting in the National Room at the First National Bank Monday.

BURKBURNETT BULLDOGS TAKE DISTRICT OPENER, 39-0

The Burk Burnett Bulldogs pulled off their biggest win of the season last Friday night by defeating the Graham Steers 39-0. This was perhaps the most important game so far for the Bulldogs since it was the beginning of district competition.

Burk Burnett drove 72 yards in fifteen plays on its first possession of the ball for their first six points. All of the yardage was made on the ground. Further information concerning the game and pictures of the wound up Bulldogs in action can be seen on page 4 of this weeks paper.

The Bulldogs will travel to Weatherford Friday night for their second conference clash. A chartered bus will leave the Burk Burnett High School at 4:45 p.m. Friday for Weatherford. Anyone interested in taking the chartered bus to the game should contact Randy Clement prior to that time. The fare for the trip is \$5.35.

According to coach Froman, Weatherford has the same season standing as the Bulldogs, 2-3. Speed is their main asset according to the coach and it will be a big job for the Bulldogs to contain them. Weatherford is reported hungry for a win, since they lost their conference opener to Stephenville last week 40-12. They have boys with fair size and good speed. To utilize their speed, they play an open type game with a split end on one side and a flanker on the other.

First Aid Course Set

An eight week advanced First Aid course has been scheduled to be held in the Community Room of the Burk Burnett Bank beginning tomorrow night at 7:00.

Bill Milner, president of REACT and a medical instructor at Sheppard AFB will be the instructor for the course. Those interested in taking the advanced course are urged to contact Mrs. Louise Newton at 569-1621 for further information.

Their quarterback is a fair passer and an excellent runner. He likes to scramble with the ball, reported the coaches, and he can do an excellent job at it, they stated.

In a report to the Burk Burnett Booster Club, Coach Bill Froman stated that although the game last Friday turned out considerably different than they had expected, they were well pleased with the score. He said they had expected a harder time moving the ball than what they had. Froman praised the interior linemen made up of Doug Locke, Cliff Whit, Gary Parkey, David Norwood and Jerry Patton for their outstanding blocking throughout the game.

The Graham team wasn't able to score

LOCAL GROUP TO TRY FOR CHARTER

A large group of Burk Burnett camping trailer owners are expected to attend a special meeting Saturday for the purpose of forming a local chapter of the National Campers and Hikers Association (NCHA).

Special guest for the meeting, which will be held at 6:00 p.m. in the Texas Electric Reddy Room, will be William Hour of Richardson who is the assistant director of NCHA.

The NCHA is the oldest, largest and fastest growing international family camping organization in North America. Its aim is to educate the public for the necessity of conservation of our natural resources. NCHA is a non-profit, volunteer educational organization dedicated to those hardy, modern pioneers who trek the highways of these great nations and whose campfires at night blazon the glory of the great outdoors, in quest of fun and fellowship, according to a recent bulletin published by the association.

Invitations have been sent out to all of the local camper trailer owners, but if you did not receive an invitation and are interested in joining the organization you are invited to attend the meeting.

even though the Bulldog defense seemed down some. The coaches predict that both the offense and the defense will be mentally up and physically able to hand Weatherford its second defeat in district play Friday night.

As far as praising the Bulldogs for last Friday's contest goes, the leading newspaper in Graham may have extended the highest praise when it printed, "It was the fifth loss in a row for the Steers, who may have left the playing field with the impression that they had been tangling with UTB (University of Texas at Burk Burnett).

"Maybe the resemblance between the Bulldogs and a certain group of Longhorns is only coincidental. Perhaps Steve Worster and Jim Bertelson were not really in the Burk backfield, and possibly Darrell Royal wasn't somewhere on the sidelines directing the affair. But, then there were those orange-clad ball carriers who scampered for 382 rushing yards behind orange-clad blockers who put so many white jerseys on the grass they should have been penalized for litter-bugging."

The Bulldog fans extend a big "thank you" to the Graham Leader-Reporter for its kind remarks.

Code Of Ethics Told Organization

A code of ethics for the teaching profession is being developed under a bill passed by the Texas legislature, State Rep. Dave Allred told a teachers organization here Tuesday night.

Speaking to the Burk Burnett chapter of the Texas State Teachers Association, Allred said he had opposed the bill until a provision was added to allow teachers to vote on their own code of ethics.

When this change was made, he said, he voted for the bill. Allred also commented on other legislative actions to help education, including help with vocational-technical training. In addition, the representative said

Guidelines Of Life

By LAMON CHAMP, Pastor
... First Baptist Church

Many times it is stated in the Bible about people or by individuals that they have paid or will pay their vows to God. All of us owe many vows to God. This is true, first, because He created us. He made us to be like Him, to be in fellowship with Him and to serve His purposes.

Next, we owe vows to God because He provides for us. Every single breath of air we breathe is by God's mercy. The rain falls on the just and the unjust. Every good thing is from God. All of us owe everything to God.

Then we owe vows to God because on many occasions we have made them and haven't kept them. When we have had sickness or sorrow or some great need, we have told God what we would do if He would just provide for us. He has provided but we promptly forgot our vows.

We better remember our vows and say with the Psalmist: "I will pay thee my vows, which my lips have uttered, and my mouth hath spoken, when I was in trouble."

Baker Brothers Hold Revival At First Baptist Church Nov. 1 & 8

The internationally known team of the Baker Brothers have been scheduled to hold revival services at the First Baptist Church in Burkburnett according to Rev. Lamon Champ, pastor. The revival dates have been set for Nov. 1-8.

The Baker Brothers have been synonymous with evangelism for a score of years. A unique team noted for personal magnetism and dependence upon the leadership of God, they bring a refreshing and dignified approach to evangelism in our day, stated Rev. Champ.

God has blessed them with a ministry that has extended literally around the world. Crusades which have led them to Europe, the Near East, Central and South America, Cuba,

the Bahamas, and most recently to Singapore and throughout the Orient have given them a world vision and informed concern for these crisis days, Rev. Champ continued.

Savings Bonds Total \$142,172, For August

United States Savings Bonds sales in Wichita County during the month of August totaled \$142,172, according to County Savings Bond Chairman J.W. Martin. Sales for the eight month period were \$1,056,406 which is 53 per cent of the 1970 goal of \$2,000,000.

Texas sales during August amounted to \$15,063,651 while the year-to-date sales totaled \$121,269,825 for 67 per cent of the 1970 goal of \$179 million. Series E sales alone during August 1970 were \$14,841,344 compared to 1969 sales of \$14,036,564 -- an increase of 5.7 per cent. The January-August sales for Series E Bonds totaled \$114,763,654 in comparison with \$108,578,640 during the same period of 1969.

Over the nation, Series E and H Savings Bond sales amounting to \$388 million were purchased during August -- a 12 per cent increase over August 1969 sales of \$348 million. The eight month sales totaled \$3,149 million compared to \$3,048 million -- 3.3 per cent above a year earlier.

Mary Fields, Burk Resident Dies Wednesday

Mrs. Mary E. Fields, 84, long time Burkburnett resident, died Wednesday in a Wichita Falls nursing home.

Services are pending at Owens & Brumley in Burkburnett.

Mrs. Fields was born April 27, 1886, in Marmaduke, Ark., and came to Burkburnett in 1919. She was a member of the Methodist Church.

Survivors include a daughter, Mrs. Euda Magee of Burkburnett; four sons, Avon and R.J., both of Burkburnett, Paul of Wichita Falls, and Ivon of Eunice, N.M.; eight grandchildren and six great-grandchildren.

Federated Missionary Society Hosted By Mrs. Bunstine

The Federated Missionary Society met Friday in the home of Mrs. Bunstine with Mrs. Cauthorn, co-hostess. The president opened the meeting by leading the group in singing "What a Friend." The prayer was led by Mrs. Ady.

After a short business meeting, Mrs. Mallet brought the devotional reading which was one of Peter Marshall's sermons from the book "Mr. Jones, Meet

the Master." She also read a closing prayer.

Mrs. Vann recited a poem that a nurse had read to her in the hospital.

Fourteen answered roll call by repeating a scripture verse. The group will meet in November in the home of Mrs. Mary Jo Scruggs with Mrs. Haley and Mrs. Hall as hostesses.

Texas Bankers Providing Help For Farmers & Ranchers

Texas banks were providing farmers and ranchers with more credit and other financial services than any other lenders at the beginning of this year, according to Tom Frost, Jr., of San Antonio, President of the Texas Bankers Association. During 1969, the banks maintained their leadership in agricultural credit services.

Based on the 29th annual Farm Lending summary of the Agricultural and Rural Affairs Committee of The American Bankers Association, Mr. Frost reported that at the beginning of the year, Texas banks were helping farmers and ranchers with over one billion dollars in loans, 13 percent more than a year previous. This total included \$807 million in production loans and \$196 million in farm mortgages. At the same time, \$614 million in farm loans was held by life insurance companies; \$502 million by the Federal Land Banks; \$301 million by Production Credit Associations; and \$79 million in non-real estate loans, plus \$13 million in real estate loans by the Farmers Home Administration. About 68 percent of the non-real estate credit extended by lending institutions to Texas farmers and ranchers came from banks.

The increased use of credit by farmers, according to Mr. Frost, has been accompanied by a substantial gain in the total assets of farm families. Nationally, farm families have \$249 billion of their own funds, representing 81 percent of their total capital requirements, invested in agriculture.

Mr. Frost said that the TBA 38-member agriculture committee, currently headed by G.R. Crawley of Lamesa, is an important adjunct to the statewide farmer-rancher-banker team in working to improve farm and ranch financial arrangements. He reported that nine out of ten insured banks throughout the country had agricultural loans outstanding with nearly 87 percent of the banks in Texas extending credit to farm and ranch people.

Theta Epsilon Sorority Has First Program Of Year

The first program of "Let Our Work in ESA Bloom Forth Like A Lovely Bouquet" was presented by Mrs. Raymond Brammer who gave an informative talk on "Make Your ESA Garden Grow with Official Flowers", which is the Jonquil, when the Theta Epsilon Chapter of ESA met for their regular meeting October 12 in the home of Mrs. James Spinks.

The Jonquil has always been symbolic of Spring and of hope. Preceding the program, President, Mrs. Cecil Curtis, conducted a business meeting, with opening thought from Billie D'Entremont.

Members were asked to bring their food donations for the

Thanksgiving Basket, an annual project for the chapter, which will be given to a needy family. The District ways and means project was presented. The chapter will sell tickets for "Christmas Ham of the Hoff" which is a registered Duroc weighing at least 250 pounds to be delivered to the winner. Refreshments were individual cakes decorated with a Jonquil. They were served to the following members: Kathleen Brammer, Clodella Bridges, Jimmie Briscoe, Lena Curtis, Billie D'Entremont, Helen Eaton, Dana Goff, Sammie Landrum, Nona Lemley, LaDonna Sheperd, Shirley Spinks, Ethel Taylor, Mollie Walburn, and Romona Vaughan.

Various Activities Keep Burk Scouts Troops Busy

Lake Pauline in Quanah was the setting Saturday for the eighth annual Girl Scout "Do It Yourself." An eleven county area was represented with eleven hundred girls participating. Burk Burnett was well represented with three junior troops, a cadette troop, a senior troop, and two brownie troops attending with a total of well over 100 girls.

Saturday afternoon activities on the "Mound of Knowledge" included paper art from Mexico, flag demonstrations, first aid discussions, crafts, and games. Food and story telling from south of the border were also on the agenda.

Movies on camping and girl

scouting were shown on schedule. Saturday night, there was a parade of flags and a program of skits representing countries south of the border. The girls working in groups, were responsible for setting up their own camp, keeping it clean, and cooking their own meals.

Each troop constructed their own latrine with an award being given for the best construction and adaptability. The special award plaque went to a troop in Wichita Falls, who built their latrine in the shape of a teepee. Campground awards were given to the troops in each age level. Cadette troop 48 won first place in the cadette division and received a special award banner.

Junior troop 25 took second place in the campground and awards for their division. They cooked on buddy burners and hobo stoves.

Junior troop 59 had a joint devotional with a Wichita Falls troop Sunday morning and played games afterwards.

Junior troop 45 participated in the Saturday night activities by giving a skit on Chili.

The Brownie troops visited the activities and enjoyed lunch with the Junior sister troops.

Junior troop 45 is planning a birthday party for Juliette Low and are inviting their Brownie sisters troop 52 to the festivities.

Reception Held For Mrs. Golden

A reception was held in the home of Mr. and Mrs. C.A. Smith on Friday, October 9th following the wedding of their daughter Sherri Lynn Powell to David Lee Golden, son of Mrs. Etta Golden of Wichita Falls, Texas.

The table was covered with an orchid lace tablecloth and centerpiece with orchid and burgandy which are the bride's favorite colors. Champagne punch and cake was served to approximately 35 friends and relatives of the bride and groom.

Among the relatives was the bride's grand-mother, Mrs. Mary Powell, Wichita Falls, Texas, and Mrs. Pansy Anderson Holland, Michigan, and the groom's mother and sisters of Wichita Falls.

The newly-wed couple will make their home here in Burk Burnett.

Senior Citizens Meeting Attracts Large Crowd

Approximately sixty-five people attended the Senior Citizens Club meeting at Town Hall Thursday, Oct. 8.

A period of fellowship, visiting and games were enjoyed before the delicious luncheon.

After the meal Janet Lax sang a melody of popular songs that she will sing at a convention in Ft. Worth. Mrs. Carolyn Gray played the piano for her. Her number was well received.

Mrs. Clark Gresham, a Burk poetess was presented. She read a number of her poems representing the serious, the patriotic and gay sides of life. Her jingles were full of wit and humor. Other poems portrayed religious and families.

New members were Mrs. D. F. Bryan and Mr. and Mrs. Leo Dudley. Visitors in addition to the performers were Mrs. Vivian Goodnight, Commissioner Clark Gresham, Mrs. Smith, and Mrs. C.E. Hagstrom, assistant chief of police Newton, and Mr. Brumblow.

Jr. University Study Club Held Business Meeting

The Junior University Study Club's first regular business meeting was held Thursday in the home of Mrs. Max Carlwell with Mrs. Howard Clement assisting as co-hostess.

The president, Mrs. Gary D. Moore, called the meeting to order with a joint recitation of "The Clubwoman's Creed". Standing committees submitted their reports. Mrs. F.R. McCandless and Mrs. Irving Smith gave a report on the presentation ceremonies of the old M-K-T depot building. More discussion was held on the club's planned rummage sale to be held in the building formerly occupied by Gill's Grocery on Saturday, October 10 and again on October 17.

Refreshments were served to twenty members including Mmes B.H. Alexander, Jr., J.

R. Cummings, E.H. Hancock, Zac Henderson, W.C. Koller, C.D. Landrum, Wayne Lax, Floyd Marten, McCandless, Bill McLean, Moore, James Pearson, B.H. Preston, Jr., Gene Robertson, Billy Smith, Finis Taylor, Bill Vincent, Smith, the hostess, and the co-hostess.

Christmas Gifts Theme For Literature Club

Suggestions for making inexpensive Christmas gifts featured the program of the Current Literature Club, Thursday afternoon at the National Room.

Included in the slide program, which was narrated by Mrs. Roy Magers, fine art chairman, were plans for tree decorations, wreaths, rain caps, candles, tablecloths and centerpieces.

As a sequel to this meeting, the December club program

will include a display of articles that members have made following the patterns given.

Also included on the program were hints on safety in the home and on the street given by Mrs. E.K. Kennedy.

In giving the counselor's report, Mrs. F.M. McMurtry urged all clubwomen to vote in the general election.

Mmes. W.W. Chambers, J.L. Caffee, E.W. Roderick, John Brookman and Sid Gambila were appointed doorkeepers for the Santa Rosa District Workshop, Oct. 15.

Roll call was based on the favorite Bibleverse of each member.

Hostesses for the meeting were Mmes John Brookman and F.G. Jeffers.

Ceramic Club Met Recently

The Modern Ceramic Club met Tuesday, October 6, at the Youth Center, with Mrs. Guy Raglan as hostess.

Members spent the morning working on Various Crafts. In the afternoon, Mrs. Roy Magers presided over the business meeting in the absence of the President, Mrs. Hubert Krummark reported on a ceramic show she had attended in Tulsa, Oklahoma. Motiroir was made and carried to have a craft show in the early spring. Eight members from Wichita Falls and eight from Burk Burnett answered roll call.

Save money on Long Distance this easy way!

Just call station-to-station instead of person-to-person—it's about one-third cheaper on most calls.

It's a lot faster, too. You can dial station-to-station calls yourself. Just dial 1, then

the area code (if different from yours), and then the number... that's all. Your call zips through in a jiffy!

Remember: call station-to-station. Treat yourself to a bargain every time you call!

Study Club Sees Films On Ecology

Mary Barnes was in charge of the program for the regular meeting of the Contemporary Study Club, and presented Mrs. Gad Garland, who showed two films on Ecology. "The Litterbug" was a cartoon showing the types of people who strew litter and "Water for the City" showed the manner in which our cities secure clean water.

Mrs. Dan White, president, presided over the business session. The members voted to give a book of green stamps to the Santa Rosa District of the General Federation of Women's Clubs in cooperation with all other clubs, to purchase 8400 television spot announcements on drug use and abuse.

Mrs. Joe Boucher, chairman of the Bazaar committee reported that the bazaar will be held November 13th and 14th in the vacant building next to the M&N Variety Store.

The hostess, Mrs. Frank Miller and co-hostess, Mrs. Garland, served refreshments to the following Mmes: Edna Fulcher, F.T. Felty, Jr., Boucher, M.D. Cheney, Donald Brookman, Jack Ruppard, Tom Evans, Harry Elliott, Cliff Wampler, Robert Norriss and White.

Hardin P.T.A. To Meet In Regular Session

Hardin PTA will hold its regular meeting, October 20, 2:30 p.m. in the school auditorium. Coffee will be served and a free nursery will be provided.

Mrs. Moore, school nurse, will give a report on the recent eye, ear, and weight checks that were made in the school. Mr. Simonson will report on what the school is doing about drug abuse and drug education.

The PTA membership drive is coming to a fast close. Those parents joining now will be able to help their children win the room award for having the highest percentage of parents to join the association.

Skate night will be held October 15 from 7 p.m. to 9:30 p.m. at the Orbit Skating Rink. Plans are being made for this to be a Halloween Party. Parents and children can skate for 50 cents including skate rental with a pass. Passes can be obtained in the school room or at the door of the rink. The PTA will receive 50 percent of the gate.

Bulldogs Stomp Steers 39-0

The Burkburnett Bulldogs opened their district play with a smashing 39-0 victory over the Graham Steers at Friday night's game in Bulldog Stadium.

The Bulldogs began their drive to victory with a one yard sprint by Bill O'Rourke after a 65 yard march down the playing field. O'Rourke kicked the extra point to make it 7-0 at the end of the first period.

The second period saw Joe Karstetter score two touchdowns for the Bulldogs. The first was a 16 yard dash after carries by Karstetter had placed the ball on the 15. A 57 yard run from midfield by Karstetter made it 20-0 for Burk.

Jim Sims snatched a 35 yard pass from quarterback Troy Slayden and carried the ball 15 yards for the final Burk TD in the first half.

The third period was scoreless. Burkburnett came alive again late in the fourth when Joe Karstetter carried the ball for Burk's fifth touchdown. Bill O'Rourke built up a head of steam as he bulldozed down the field for 43 yards and the final Bulldog TD.

The Steers only attempt for scoring came in the second quarter but a key tackle by Frank Bohuslav stopped the Graham offense cold.

Football Footnotes

by Robert Sturges

"And Karstetter crosses the goal for the touchdown!" the announcer proclaims to the fans as Burk tacks another six on the board.

The offensive players come off the field as the special kicking unit takes the field for the extra point. This is a common scene on the grid iron but not always is it fully examined. Why did Karstetter score? Who made the blocks for the TD? It takes the efforts of guards such as Doug Locke and Max Ludeke, and other players to work as part of the team effort to score the all important touchdown which, after all, is the true reflection of a team's ability to play the game.

Many times I have praised our team because of the fine work they do on the playing

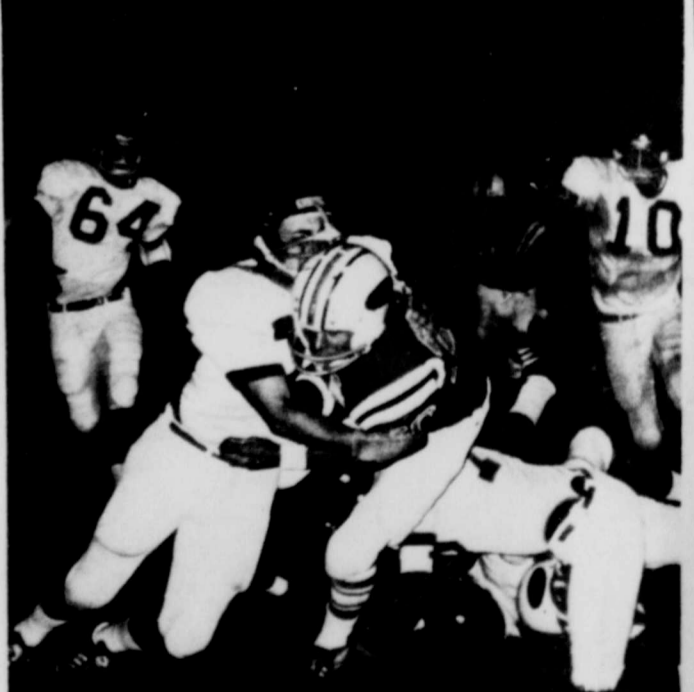

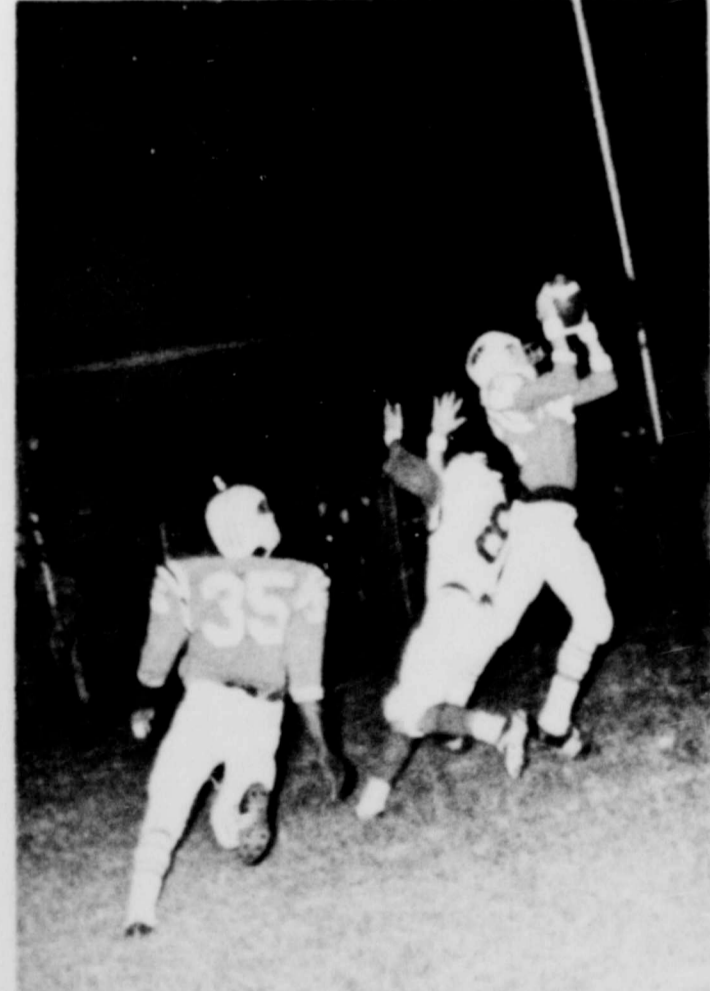

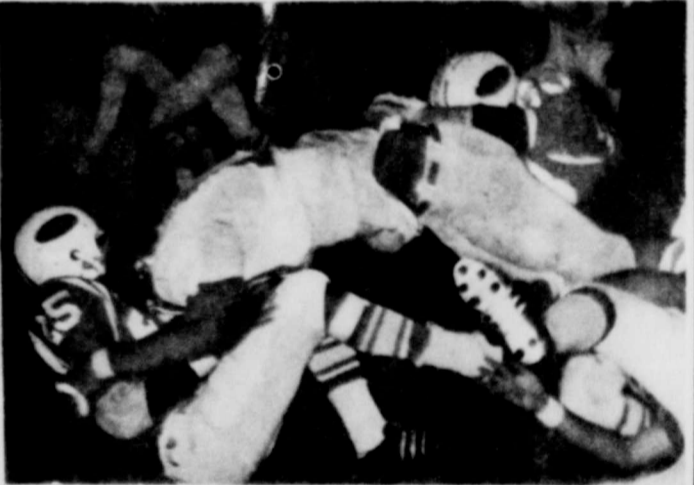

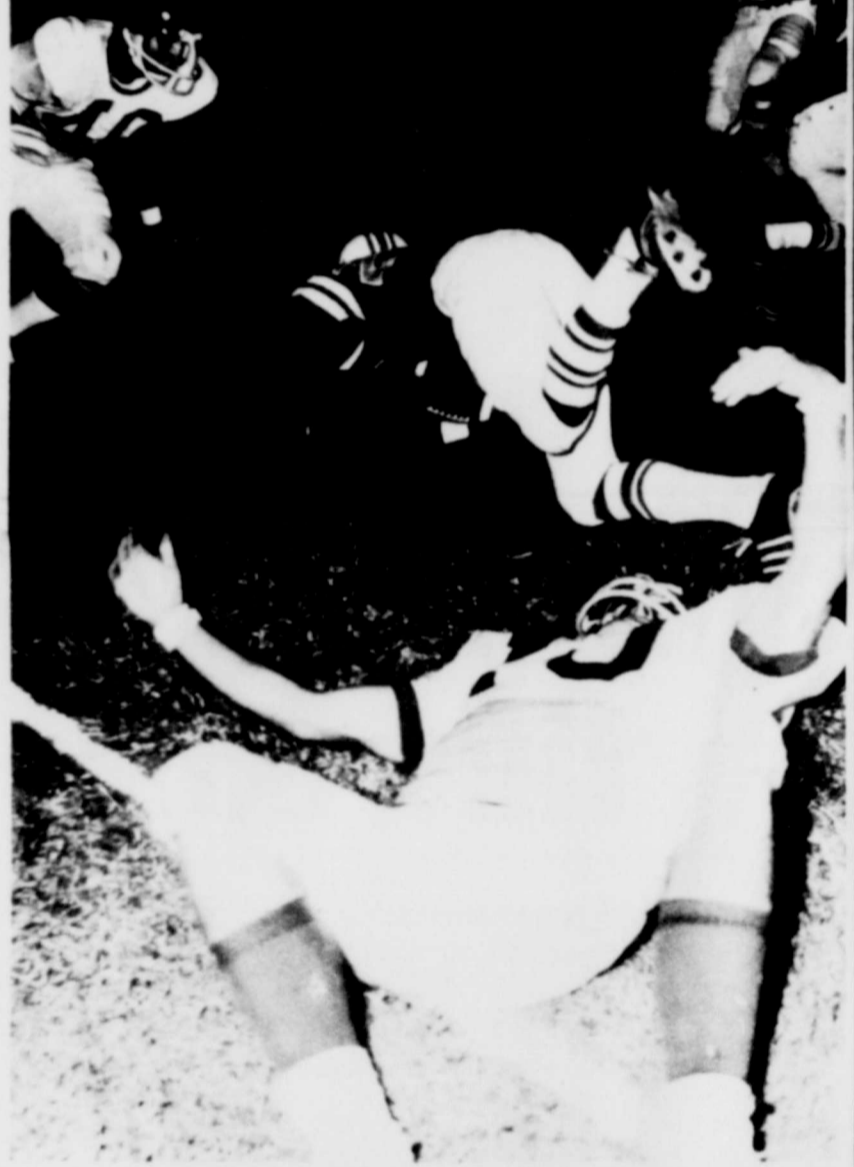

field. This praise is not unjustified. In nearly all of our games we have lead our opponents in most of the vital figures of the game such as yards rushing. We have received no major injuries this year and have few players out for other reasons.

The team is composed of individuals which have combined their abilities to form a unit. This unit, under the experienced coaching of Bill Froman, and his staff, is striving to achieve the prime goal of all high schools: the district and state title.

After the game Friday, Coach Froman was asked what he thought about this happening for Burk. He said, "It's a still for Burk. He said, "It's still a long way to go."

Bulldogs See Action

The Burkburnett Junior Varsity and Freshman teams played the respective teams of Rider Thursday night. A cold north wind made both games a test of endurance as well as skill in playing the game. The final score for the Freshman game was 18-18. Rider's Junior Varsity took a thin lead over Burk with a 7-2 win. Next week the Freshman will play Vernon.

"Round The Town"

By Sylvia Lohoefer

Lewis Todd was the happy participant in a Birthday party in his honor Saturday in the City Park in Burkburnett. A picnic dinner with a beautiful birthday cake was enjoyed by Mr. and Mrs. O.H. Cantrell, Mr. and Mrs. Donald Cantrell and family, Mr. and Mrs. C.C. Davis and son, of Wichita Falls, Mr. and Mrs. Bill Tucker and two daughters from Bridgeport, Mr. and Mrs. A.C. Todd and daughter of Pampa, and a son, Bob Todd of this city.

Mr. and Mrs. W.T. Bracken are leaving Thursday by bus for a several weeks visit with their son, Mr. and Mrs. Lowell Bracken and family, in Flagstaff, Arizona. They will also visit a daughter, Mr. and Mrs. George Mason and family in Fresno, Calif., and another son, Mr. and Mrs. Carl Bracken and family in Sultana, Calif.

Mrs. Morris Simonson of Burkburnett and daughter, Mrs. Billy Anderson, and the Simonson grand-daughters, Barbara, Cindy, and Sandra Anderson, of Pumpkin Center, enjoyed a shopping trip to Dallas Saturday.

registration desk. Coffee, hot fruit punch, and cakes were served the guests by Mrs. Evelyn Felty and Mrs. C.M. Archer.

A special guest was a sister of Mrs. Clack, Miss Mattie Young of Edna, Texas.

Everyone reported a very enjoyable hour in the spacious Clack living room, which was warmed by a roaring log fire in the fireplace.

Mrs. Opal Gambin of this city left Monday morning for a few days visit with her daughter and family, Mr. and Mrs. Billy Earl Askins in Lubbock.

Mr. and Mrs. Joe Anthony, Dick and Sarah Jane of Tulsa, Oklahoma, visited her parents, Mr. and Mrs. Ray Mills over this past weekend.

S/N. Ronald J. Fields, of SS, Rigel, Norfolk, Va., son of Mr. and Mrs. R.J. Fields, arrived here Friday at 4:00 p.m. He was delayed two hours enroute and missed attending his grandmother's funeral which was held at 2:00 p.m.

Mr. and Mrs. Ivan Fields of Eunice, N.M., were in Burk last week to attend the funeral of his mother, Mrs. Mary Fields.

WORLDS TO Conquer!

Coleman Adv. Ser.

Many Young People have just recently stepped out of the world of training and study, and now look to make their spot in the world. These words of encouragement are written for you.

New frontiers are still there to be conquered, there is a place of service for you. Do not be afraid, for in the strength of your youth, you can accomplish much, however, do not shun the advice and help of others. Above all, seek the knowledge of the Lord. "Thou shalt guide me with thy counsel." Psalm 73:24

ATTEND CHURCH REGULARLY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

WORSHIP IN THE CHURCH OF YOUR CHOICE THIS SUNDAY — AND TAKE THE FAMILY.

*Burk J.S.J.A. Held
Its First General Meeting*

The first general meeting of the Burkburnett Local Association of the Texas State Teachers Association was held Monday, Oct. 12 in the Junior High School auditorium. The guest speaker was State Representative Dave Allred. Mr. Allred presented highlights of bills presented during the last Legislative Session. He stated that this will be called the "Session of Education" since 116 bills dealing with education were introduced. Mr. Allred presented some of the possible fields in which bills will be presented in the next session. A business session was held to decide on a sum to be accessed for local TSTA dues. After a discussion it was agreed upon the sum of \$4.00 yearly to be collected by the faculty representatives. The officers of the newly organized local TSTA unit for the 1970-71 school term are: Pres., Jerry Boren; Pres. Elect Donald Pate; Sec. Mrs. Irene Frey; Tres. Mrs. Marsha Hays. In the past the Burkburnett Schools were affiliated with Iowa Park, Electra, Valley View and City View schools. With almost 200 certified personnel, the Burkburnett School System is large enough to have a local unit of TSTA. Refreshments made by Mrs. Doris Hutchison's Vocational Homemaking class at Burkburnett High School were served. Those tumbling tumble weeds also have a poetic name. They are identified as the "roses of Jericho."

SHEPPARD AIR FORCE BASE

Col. Layhee Named Boss Of The Year

SHEPPARD AFB, TEXAS-- Col. Harold F. Layhee, vice commander of Sheppard Technical Training Center, was introduced as Boss of the Year to members of the Tumbleweed Chapter, American Business Women's Association and their bosses at the annual banquet Friday night. The 10th Annual Boss Night Banquet was held in the Colonial Room of the NCO Open Mess at Sheppard AFB. It was preceded by a social hour in the Starlight Room of the NCO Open Mess.

OWC Recently Elects Officers

The Overseas Wives Club of Sheppard Air Force Base recently elected officers for the coming six months. Those elected were Mrs. Ralph E. Hamm, President; Mrs. Johnny Lockhart, Vice President; Mrs. Kenneth Balsley, Secretary-Treasurer; Mrs. Glenn Johnson, Publicity; Mrs. Larry Ederer, Program Chairman; Mrs. Curt Beyer, Hospitality; and Mrs. Dennis Willert, Hostess. All women whose husbands are serving overseas with any branch of the military are invited to attend the meetings of the Overseas Wives Club. The day group meets every Tuesday at 10 a.m. and the newly organized night group (for wives who work or attend school during the day) meets 2 Saturdays a month. For more information call Family Services 851-2300.

Maybe you are one who has flown a plane while looking for coyotes in western Oklahoma or larger areas in Texas. If not, maybe you have ridden shotgun for such a hunt. This type of sport is very exciting and can be very dangerous. There seems to be a ratio -- the greater the excitement the greater chances for an accident. If the pilot gets so interested in watching the animal that he forgets to fly his plane-things can get complicated in a hurry. I don't know all the rules involved, but I do know that there is a rule concerning how high a pilot must fly above the ground unless in the act of taking off or landing. One needs a permit to fly lower than the prescribed figures if delivering papers or crop dusting, and I believe it would be a good idea to get permission from CAA to hunt coyotes. However, I haven't had such a permit nor have I known or flown with anyone who has received such a permit. I know of two ways to hunt these varmints from the air. Around Temple, Okla., and on west around Grandfield, Altus, and further north near Weatherford, Butler and Leedey is where I experienced both types of hunting.

When the breed of dogs, Grayhounds, are used the hunters take their dogs to an area where a coyote has been seen. The dogs are in special prepared cages in the back of pickup trucks. These pickups are parked on the roads surrounding the section of land where the coyote was last seen. A pilot is notified, and he will fly low over the section trying to spot the animal or animals. When the pilot sees the coyote he will circle the animal and the dogs are released and the race and fight is on. One learns to admire the cunningness these animals possess and use trying to save their lives. The fight a coyote can put up when caught is usually more than one dog wishes to experience.

This type of hunting from the air is not very dangerous to a pilot. The second method is hunting coyotes without dogs. This is dangerous because a second person in the plane carries a gun--usually a shotgun-- and the pilot must get the prey out in the open and maneuver his plane over the animal in proper position for the marksman to shoot the animal. If you have ever hunted in this manner then you have experienced scenes where the coyote can't find cover and turns to fight the plane and will try to snap the tire as it passes over him. The pilot must worry about his passenger and the gun, but he dare not neglect flying the plane to the extent he gets in a predicament he can not successfully fly out of. I have never hunted from any other make and model plane than a Piper J3, and the passenger always rode in the back seat. I have never shot a gun from a plane. It has been my experience that regardless how well I know a person I can't help having anxious moments wondering if my gunner is all there on this particular hunt. Next week I'll describe a particular hunt one mile west of Cordell in 1947.

Class 72-02 Honored

SHEPPARD AFB, TEXAS-- Students of Class 72-02 of the Undergraduate Pilot Training program at Sheppard Air Force Base in the 3630th Student Squadron were honored with a luncheon held Friday at the Wichita Club. The 12 United States Air Force students just beginning the flying training program at Sheppard were hosted by Mathis Chevrolet Pontiac and Oldsmobile Company in Burkburnett Texas. Jack Mathis, owner and four others from his company attended as did eight permanent party persons from the squadron.

Mini-Museum Presented By 3750th Tech School At SAFB

SHEPPARD AFB, TEXAS-- A mini-museum has been set up by the Telephone Branch of the Department of Communications and Missile Training of 3750th Technical School at Sheppard AFB. This interesting exhibit of old telephones is displayed in building 876 and it is open to Sheppardites between 1 and 4 p.m. Monday through Friday. Civic groups wishing to view the display, may do so by setting up a tour with 2nd Lt. Claire Newton of the Information Office, phone 851-4107. The collection was started in 1966 by TSgt. Roger D. Weigelt and it has gained momentum since that time. Instructors in the Telephone Installers course and other interested people have acquired this interesting display.

Casey Assumes New Duties

SHEPPARD AFB, TEXAS-- Col. Robert W. Casey, commander of 3630th Flying Training Wing at Sheppard Air Force Base, will assume duties as vice commander of Chanute AFB, Ill., November 16. He is being succeeded by Col. Robert W. Cunningham, deputy commander for Operations (German Air Force), 3630th Flying Training Wing. Colonel Cunningham is to assume command of the wing Oct. 15. Colonel Casey has served as the Wing Commander at Sheppard since Feb. 18, 1969. He came to Sheppard from Webb AFB, Texas, where he served as deputy commander for Operations, 3560th Pilot Training Wing.

COTTON HARVESTING HINT
Dry, high quality cotton at harvest time is more than luck. B.G. Reeves, Extension agricultural engineer, says the moisture content of cotton should be no more than eight percent at the time of harvest if you want to get the best quality in every bale. He suggests that farmers use a hygrometer for determining when open cotton reaches the right moisture content for harvesting. The hygrometer measures humidity and this will usually correlate directly with the moisture content of open cotton.

A&M To Hold Brush Control Field Day

A Brush Control Research Field Day will be conducted by Texas A&M University personnel on Thursday, October 22, from 9 a.m. to 4 p.m. at the Pitchfork Ranch located 17 miles east of Dickens on U.S. 82. Tours will be conducted from 9 to 11:30 a.m. and will also include the neighboring Four 6's Ranch.

Ranchmen, farmers, landowners, aerial and mechanical contractors and representatives of commercial companies interested in the latest developments in the fight against brush are urged to attend, announces Charles E. Fisher of Lubbock, professor in charge of brush control field research for Texas A&M. Runways are available at both ranches for visitors who plan to fly in.

On the morning tours, visitors will be able to view and hear discussions on the latest developments in field tested chemicals and mechanical control of mesquite and associated shrubs on field research plots. Discussions will include the most effective and economical rates of 2,4-D, 2,4,5-T, picloram, dicamba and promising combinations of these chemicals for control of mesquite, sand shiner, lotelush, prickly pear and other associated shrubs and weeds. Also to be discussed will be the effectiveness of ultra low, low, medium and high volume aerial applications of herbicides and the effect of growth stage, soil moisture, plant condition and different growth forms of brush on the degree of control obtained.

Information will also be presented on root plowing and re-seeding, methods of seedbed preparation and seeding equipment; tree dozing, combinations of aerial spraying and chaining; and factors that influence the choice of brush control methods and benefits to be derived. Field day visitors will also have an opportunity to see different types of chemical and mechanical equipment, both commercial and experimental, that is being used in brush control.

The afternoon program will begin at 1:30 p.m. following a catered lunch at the Pitchfork Ranch Headquarters, adds Fisher. Dr. L.S. Pope, associate dean of agriculture at Texas A&M will discuss "The Future of the Range Livestock Industry Depends on a Strong Brush Control and Range Improvement Association (BCRIA) in Promoting a Sound Brush Control Program in Texas." Fisher will talk on "The Scope, Major Developments and Needs of Brush Control Field Research" while Dr. C.L. Leinweber, head of Texas A&M's Department of Range Science, and Dr. Rod Bovey, with the

USDA Agricultural Research Service at Texas A&M, will jointly discuss "Basic and Fundamental Research in Brush Control." Carolyn Hoffman, brush and weed control specialist with the Texas Agricultural Extension Service, will round out the program with a discussion on "Demonstration Results in South and West Texas."

Brush control studies have been conducted at the Pitchfork and Four 6's Ranches since 1949, points out Fisher. These studies as well as others at 20 locations in the state are conducted by Texas A&M's Agricultural Experiment Station and Extension Service in cooperation with ranchmen, the USDA Agricultural Research Service and Soil Conservation Service, BCRIA, chemical companies, aerial and mechanical contractors and others.

Agent

Sixteen leaders are participating in a furniture workshop. The leaders have received their pre-workshop instructions and are preparing furniture for the workshop.

Wichita County Home Demonstration Clubs will have demonstrations in October on Home Storage; a number one problem in most homes. Visitors are welcome to visit the club in their community.

October 6 - Tumbleweed, and Village Floras; October 7, Park

Area; October 9, Ray; October 12, Cooper; October 14, Friendly Homemakers and Hardin; October 15, Merry Makers and Clara; October 16, South Electra; October 20, Sey Vista; October 21, Wichita Gardens; October 22, Pioneers, October 23, Barwise, October 27, East Side; October 28, Enterprise; October 30, City View.

Thelma Wirges, County Home Demonstration Agent, will give the demonstration.

The Wichita County Home Demonstration Council will meet Tuesday, October 13 at 1:30 p.m. in the Wichita County Commissioner's Court Room.

Mrs. R.A. Gilbert is council chairman. Delegates to the state meeting will give their reports. Delegates were Mrs. D.D. Mendenhall, Mrs. George Emmert, and Mrs. Claude McIlroy.

Wichita County Home Demonstration Club leaders will give demonstrations on "The New in Foods" in October. These leaders are: Mrs. Butch Gilbert, Mrs. D.C. Murdock, Mrs. Lee Beckham, Mrs. R.A. Gilbert, Mrs. Eunice Coken-dolphier, Mrs. S.E. Askins, Mrs. Leonard Krottinger, Mrs. Charles Winfrey, Mrs. Doyle McAda, Mrs. Kenneth Lewis, Mrs. Raymond Schroeder, and Mrs. Ella Gill.

The annual Wichita County Home Demonstration Achievement Tour will be held in October. Visits will be made to individual homes where home improvements will be displayed.

WHEAT REFERENDUM--A mail referendum on 1971 crop wheat marketing quotas is scheduled for the Oct. 12-15 period, announces Secretary of Agriculture C.M. Hardin. A two-thirds favorable vote will be required to make quotas effective.

SCREWORM ALERT----There is still time for fall season screwworm cases. Livestock producers should continue on the alert for possible cases.

County H D Agent

Thelma Wirges
County Home
Demo Agent

Only 110 confirmed screwworm cases were reported in the United States during the first eight months of 1970; the lowest since the Eradication Program began in 1962. But, program officials warn that the weather over areas has been favorable for fly development and urge livestock producers to continue to check and submit samples to the Mission Laboratory whenever worms are found in animal wounds.

Wichita County has been selected to participate in a statewide survey which will begin in early October to collect data on the effect of extending federal unemployment insurance coverage to farm workers.

According to County Agricultural Agent B.T. Haws, Texas A&M University's Department of Agricultural Economics and Rural Sociology will direct the survey through the Agricultural Experiment Station and the Agricultural Extension Service.

He points out that Texas A&M is neutral on the program and is cooperating with the study at the request of the U.S. Department of Labor. The information must be collected and submitted to the Department of Labor so that any proposed changes in federal law will come only after all the consequences for both agricultural employers and workers are understood.

According to Mr. Haws, Key agricultural leaders throughout the state were contacted prior to the initiation of the survey. These leaders concluded that if such a survey was to be conducted, they desired that the land-grant university undertake the survey.

Mechanical stripping and spindle picking makes for a faster cotton harvester than when it was done with hand labor. One advantage of this faster harvest is lost, however, unless a complete stalk destruction program immediately follows the completion of harvest.

Shredding and plowing under all refuse left after harvest will deprive insects of a source of food and hibernation quarters. Too, soil moisture storage will be more efficient. An important piece of equipment is a good stalk destruction program is the type of shredder used.

Cotton left on the ground, resulting from improper adjustment of picking machinery, can mean the difference between a loss or profit on the crop. A properly adjusted and operated machine can pick 95 percent or better of the open bolls, and the machine operator is a mighty important factor.

Approaching the row so the plants enter the center of the picking unit, entering and leaving the row at full speed, staying on the rows during travel and keeping the machine clean are vital factors. One boll missed per plant can result in up to 400 pounds of lost seed cotton per acre.

Adjustment of the machine to fit conditions of the individual field is the responsibility of the operator, and it is his job and machine, very little cotton will be left on the ground or plant.

Public Hunts Give Added Opportunities

AUSTIN--Annual public hunts on Texas Parks and Wildlife Department wildlife management areas give several thousand Texas hunters an opportunity for good hunting.

Several species of game, including deer and turkey, are hunted on the various areas located in varied sections of the state.

Some of the hunts require prior registration and a drawing for permits. Others require only that the hunters check in with Department officials on the area on the day of the hunt.

All of the hunts are used for wildlife management research, as biologists examine much of the game harvested for vital data.

Greatest Supply Means Best Buys

The best way to save money when doing the family food shopping is to check for the items in heaviest supply, reports Gwendolyn Clyatt, Extension consumer marketing specialist. Best beef values at retail meat counters include chuck roasts and steaks, ground beef and round steaks and roasts. Pork values include hams, picnic, shoulder steaks, Boston butt or roasts, and end cut loin roasts and chops.

Fryers remain an excellent bargain in most retail meat departments, and Grade A large size eggs offer the best combination of quality and economy for the consumer's egg money. Fresh fruit and vegetable items in good supply and at the most economical prices include apples, bananas, bartlett pears, Tokay and Thompson seedless grapes, oranges, sweet potatoes, rutabags, potatoes, celery, cabbage, carrots, hard shell squash, tomatoes and dry yellow onions. Bell peppers, corn, cauliflower and broccoli are moderately priced vegetables.

Price and supply should improve for grapefruit as the new crop comes to the market. Also, the first of the cranberries are appearing.

4-H Dress Revue Set For State Fair

COLLEGE STATION -- Top Texas 4-H Clothing girls will vie here October 17 for honors in the annual State 4-H Dress Revue announced Kay Elmore, Extension clothing specialist and revue chairman.

Forty-six teenage seamstresses will model their outfits as a highlight of the State Fair of Texas. Judging will be at the Sheraton-Dallas Hotel, Friday preceding a noon press luncheon to announce the winners. All contestants will be presented in two public fashion shows at the Women's Building Auditorium at Fair Park, 10 and 1:00 a.m. Saturday, October 17, Miss Elmore said.

Miss Linda Gaylor, group fashion advisor for J.C. Penney Company, Inc., will commentate the show.

The winner receives a trip to National 4-H Club Congress in Chicago in late November. An alternate winner will also be selected. Highest ranking winners, she said, in all-cotton and all-wool divisions will receive awards from the Texas Cotton-

seed Crushers' Association and Texas Sheep and Goat Raisers' Association, respectively. Finalists in the 4-H clothing activity represent about 17,000 Texas 4-H girls enrolled in clothing work this year, Miss Elmore said. Each of the finalists was first a county then a district winner.

ENGINEER WARNS ON FARM MACHINERY ACCIDENTS--B.G. Reeves, Extension agricultural engineer-machinery, says that every fall many farmers lose a hand or arm or even a life due to harvesting machine accidents. Complex harvesting machinery is conducive, he says, to crippling accidents. Most, he emphasizes, can be prevented if machine operators will only follow the rules of safety. Keep protective shields in place; never work on a machine until it is out of gear or the power source is cut off; be careful of footing when mounting or dismounting from a machine and don't wear loose fitting clothing. Never take chances, you are needed in agriculture.

Basic Four in a Pie Shell

Planning nutritionally sound meals is easy! All you have to keep in mind are these four basic food groups: 1) meat, fish and poultry; 2) breads and cereals; 3) dairy products; 4) fruits and vegetables. You should include a sampling from each of these food groups daily for a balanced, nutritious diet. This Tun-Au-Gratin Pie developed in Crisco's test kitchens includes ingredients from all the basic four food groups in one casserole and makes a fine main dish for supper.

TUN-AU-GRATIN PIE
(Makes 6 to 8 servings)

1-1/3 cups sifted flour	1/3 cup chopped onion
1/2 teaspoon salt	1 package (10 ounces) frozen peas, thawed
1/2 cup all-vegetable Crisco	2 cans (6-1/2 ounces each) tuna, drained
3 tablespoons water	2 tablespoons chopped canned pimiento
1/4 cup milk	1 cup shredded cheese
1 can (10-1/2 ounces) mushroom soup	
2 tablespoons flour	

Combine 1-1/3 cups flour and salt in mixing bowl. Cut in Crisco until uniform but coarse. Sprinkle with water, toss with a fork and shape into a ball. Roll out pastry 1 1/2 inches larger than inverted 9-inch pie plate. Trim 1/2 inch beyond edge of pie plate and place trimmed scraps on baking sheet. Fold under edge of pastry and flute. Prick pie shell with fork and bake with pastry scraps in 425° oven 12 minutes. Crumble pastry scraps when cool.

In medium saucepan, combine milk, soup, 2 tablespoons flour and onion. Stir over medium heat until mixture boils 2 minutes. Remove from heat, add peas, tuna and pimiento. Spoon into baked pie shell. Sprinkle with cheese and crumbled pastry. Bake in 425° oven 12 to 15 minutes, or until cheese melts.
