INFORMER STAR

VOLUME 63

BURKBURNETT, WICHITA COUNTY, TEXAS (76354)

THURSDAY, OCTOBER 29, 1970

NUMBER 8

Editor's Viewpoint

Raymond Greenwood

Burkburnett was really buzzing with political candidates this week. Joe Staley dropped by the office Tuesday to say Hello. He then made brief stops in several places in town. No more had Mr. Staley left than who should walk in, Rep. Graham Purcell accompanied by Rep. Charles Finnell. Not to be over-looked also are Rep. Dave Allred and his opponent Phil Grace who have both been campaigning extensively in Burkburnett. Each of these men, along with Gov. Preston Smith and Paul Eggers and a dozen other candidates or so have really been working these past few days.

Along with the election of the political candidates Tuesday, we must vote on seven proposed constitutional amendments. A detailed discussion of the first three was printed in last week's Informer and the remainder will be in this issue. If you are not familiar with the issues take a few minutes and read over the amendments before you go to the polls to vote.

School spirit is running at a record high at the Burkburnett High School this week. Everything is "Go, Bulldogs!" and "We're No. 1!" Rightly so, too. The way the Bulldogs played football last Friday night I doubt if there could have been anyone in the state that could have dealt them a defeat. Make plans to travel to Stephenville tomorrow night to support the Bulldogs. We must win this game to be assured a chance at the district championship.

I send a big "Congrats" to John Page this week for his winning his third consecutive travel contest. I think it's remarkable that he competes with 4,000 other dealers in five states in these contests and has won four with three of them being these past three years. John says much of the credit should go to just living in a good town like Burkburnett and to its fine people. This is true, I'm sure, but also I think a lot of the credit is due to John just being the good honest businessman that he is.

DEADLINE
Tuesdays
Noon

John Page Wins Contest

John and Dorothy Page, owners of the local Western Auto Store, left Saturday for their third consecutive contest trip. These contests, sponsored by Western Auto, are based on the store owner's increase in sales. John has the distinction of being the tenth dealer in Western Auto's 10-year travel contest history to win three consecutive contests. He competed against the 4,000 Western Auto dealers in the South Western Region in the contest. This region is composed of dealers in Texas, Oklahoma, Arkansas, Louisiana, and New Mexico.

John and Dorothy left Municipal Airport in Wichita Falls Saturday and flew to Miami, Fla., where they boarded the SS Stalwart, a Norwegian cruiser. They will spend seven days and nights on ship. They are scheduled to visit Nassau, the Bahamas, San Juan, Puerto Rico, St. Thomas and the Virgin Islands. They are scheduled to arrive back in Burkburnett late Saturday night.

This is the fourth win for John, therefore their fourth fabulous trip. In 1962, they went on a Caribbean Cruise. In 1968, they went on a Bermuda Cruise. In 1969, they were guests on the Key Biscayne trip and then again this year they are again on a Caribbean Cruise.

"We'd like to take this opportunity to thank our many good customers who have made these trips possible for us," said John.

Lester Yates Local Gas Manager

Lone Star Gas Company has announced the appointment of Lester Yates as manager of the local Lone Star Gas office and the promotion of W. T. (Bill) Donnell, former manager here to manager of their office in Denison, Texas.

Yates comes to Burkburnett from Quanah where he has been manager of the Lone Star Gas Company office there for the past 13 years. In Quanah, Yates was active in the Rotary Club, was director of the chamber of commerce, director of Four Winds Industrial Foundation, active in the United Fund and in the First Christian Church where he served as board chairman.

Yates and his wife, Annette, have two sons, Ronnie, 8 years of age, and Brian, 12 years old. They will reside at 217 Walnut.

"We are looking forward to getting settled where we can fit right into the community," stated Yates.

Donnell has been the manager of the local office for the past 12 years. He has been active in the Rotary Club, chamber of commerce, is a member of the Industrial Team, vice-chairman of the American Red Cross of Wichita County and is active in the Church of Christ where he was a deacon.

"Although we regret leaving our many friends we have made here in Burkburnett these past 12 years, we are looking forward to this promotion," stated Donnell.

The change in managers will become effective Monday.

Mrs. Glen Sutton, her daughter Sherri, and her son Glen III look over displays in Sherri's speech room. Beth Baron, Sherri's teacher, teaches 7th grade speech and 8th grade English in this room. The Suttons were just three of the hundreds of parents and children that visited the Burkburnett Public Schools during open house Monday and Tuesday night.

Burkburnett Trounces Vernon, Remains Number One In District

"We're No. 1," was the chant of the Bulldogs fans after only a few minutes of Friday night's game had elapsed. The Bulldogs immediately jumped out in front of the Vernon Lions and then never looked back (see complete story page 4) as they trounced the Lions 30-0.

The Dogs are leading the district with a solid 3-0-0 won - lost record. They are followed by Brownwood with a 2-0-0, Hirschi 2-1-1, Stephenville 1-1-0, Vernon

Vote On Directors

By 10: a.m. Friday

The Chamber of Commerce newsletter which went out today contains the names of the ten men that are running for a seat on the Board of Directors for the chamber. These ten men were recommended by the nominating committee to serve the next three years as directors of the chamber.

All members of the Burkburnett Chamber of Commerce are urged to mark off five of the men on the ballot contained in the newsletter and place the ballot in the Ballot Box located on the counter in the Chamber office on or before 10:00 a.m. Friday, November 6.

Those men that are running are Jerry Cash, Raymond Smart, C. J. Lippard, Mickey Cornelius, Raymond Greenwood, Reid McCandless, J. B. Riley, Jr., Dale Lewis, Francis Beaver, and John Gill.

Only members in good standing are eligible to vote in the election.

1-1-0, Graham 0-3-0, and Weatherford 0-3-0. With the above combination of wins and losses a possible five way tie for the district championship is mathematically possible, but not very likely. At least if the Bulldogs keep playing the type football they have played in the last three contests, it very, very, unlikely.

Not only do the Bulldogs have a perfect 3-0-0 record, but they have not been scored on in district play. They defeated Graham 39-0, Weatherford 14-0, and the Vernon last week 30-0. If the Bulldogs come out on top in to district clash Friday night they are assured a chance at the district championship, which would be decided by either the Hirschi or Brownwood game.

Anyway, as the coaches, football players, and supporters look at it, the Bulldogs MUST WIN tomorrow night at Stephenville in order to be assured a chance at the district championship. The Bulldogs will take on the Stephenville

Vote On Candidates, Amendments Tuesday

Opinions and enthusiasm are running at a high key in the upcoming general election with eleven Republican opposing Democratic candidates and with the seven constitutional amendments coming up for vote.

Top priority on the ballot will be the race for the U.S. Senator with Lloyd Bentsen vs George Bush. Next, will be the race for the U.S. Representative 13th Congressional district with both Graham Purcell and Joe J. Staley, Jr. vying for that office. Third on the ballot is the race for the governorship of Texas, Preston Smith and Paul Eggers. This is followed by Lieutenant Governor with Ben Barnes and Byron Fullerton; Attorney General with Crawford C. Martin and Edward M. Yturri; Comptroller of Public Accounts, with Robert C. Calvert and S. L. Abbott; State Treasurer with Jesse James and Robert F. Koennecke; Commissioner, of General Land Office with Bob Armstrong and Harry Trippett; Commissioner of Agriculture with John C. White and Daniel C. Heath. The next contest race on the ballot is that of state representative, District 60. Place 2 with

David Allred and Phil Grace. The last contested race is for Justice of the Peace, Precinct No. 2 between Eldon Morris and B.O. Gordon.

There will be three election boxes in Burkburnett. Precinct No. 27 box will be at the Burkburnett Junior High building, Precinct No. 28 box will be at the Town Hall and the Precinct No. 29 box will be at 200 W. Third St. in the former Shamburger Lumber Company location.

Persons living in Wichita County who want to mark a Texas ballot by absentee may go to the Burkburnett Chamber of Commerce office or the Wichita County Courthouse in Wichita Falls, explain their reason for voting absentee and vote on the spot.

Deadline for absentee voting is Friday. Ballots may be mailed by the clerk's office through Friday with the deadline for returning them by mail set at 1 p.m. on election day. Absentee votes are counted that day.

Many Sheppard AFB military personnel, who are from other states, are eligible to vote absentee and to register absentee, according to Jerry Padgett, deputy county clerk.

Through a special process, part of the Federal Voting Assistance Act, a person in the service need only send in a Federal Postcard Application form to his home of residence and even though he is not registered to vote, he may vote absentee, Padgett said.

Regardless of your party affiliation or which amendments you are for or against, be sure to cast the ballot of your choice Tuesday.

Brooks, Raynes Buy Local Texaco Station

The sale of Sonny's Eastside Texaco to John Brooks and O. C. (Butch) Raynes was announced Saturday. The service station which is located at U.S. 277 and Sheppard Road has been named B&R Texaco.

"We'll carry a good stock of good-year tires and will also provide any size B. F. Goodrich, Firestone, or Uniroyal tire that a customer might want," stated Raynes. Each of these four brands can be purchased with a Texaco credit card," he continued.

Store hours have been set at 6:00 a.m. to 10:00 p.m. Monday through Saturday, and 8:00 a.m. to 6:00 p.m. on Sundays.

James Easter To Bring Program To Luncheon

The monthly Burkburnett Chamber of Commerce Luncheon will be held Monday, November 2, at Town Hall with the Agriculture Committee in charge of the program.

James Easter, local vocational agriculture teacher, will introduce his assistant Jake Fike. Fike is in charge of the Future Farmers that make up the parliamentary procedure team. These boys will attempt to show the adults present at the meeting the proper way to carry on a business meeting in accordance with parliamentary law. They feel that this is a very important art that has been lost in many organizations.

The team is comprised of Greg Eastman, Pat Green, Ken Schroeder, Guy Froman, Randy Albow, Ronald Welter, and Jay McCluskey.

A firm invitation has been extended to every member of the Chamber to come see these boys' demonstration.

Thursday, Friday, Sat. Dollar Days In Burk

This Thursday, Friday, and Saturday will again mark another of Burkburnett's Dollar Days. Local Merchants are offering fantastic bargains throughout their stores. They take this special time of the month to advertise their extra specials. Be sure to read the Shopper in the edition of the Burkburnett Informer/Star for the many, many bargains.

In addition to the many bargains to be found all over town, a special Lucky Dollar will be circulating. Be sure to look at the serial number of any one dollar bill that you might get as change when you shop with the Build Burk merchants. There will be one dollar bill in town that will be worth \$100.00 to its owner. If you find that you have the Lucky Dollar, then take it to the Burkburnett Chamber of Commerce before noon Monday November 2.

The Lucky Dollar has the following serial number - J 11791602 A. As stated earlier, the Lucky Dollar will be worth \$100 to its owner if he turns it in before the deadline. If no one wins the Lucky Dollar this month then the Lucky Dollar will be worth \$125 during the December Dollar Days.

In addition to taking advantage of the great bargains in the Burk merchants' businesses and finding the Lucky Dollar, shoppers may register for the Christmas drawing in which a color television and console stereo will be given away.

No purchase is required to register and you do not have to be present to win. Your Build Burk merchant offers all

of these bargains just to prove that you can't get a better deal anywhere than in Burkburnett.

LUCKY DOLLAR

Booster Club Urges Fans To Travel To Stephenville

"I feel the game was won more defensively, other than offensively," reported Coach Froman to the Monday night meeting of the Bulldog Booster Club as he talked of the 30-0 victory over Vernon. There were five big defensive plays in the first that set up scoring plays he told the group. Froman was referring to racking tackles which produced Lion fumbles, pass interceptions and an outstanding punt return. Vernon only received two first downs in the second half, according to the coach, and one of them came as the direct result of a penalty on the Bulldogs.

"This is not to take away from our offense, they were great, too," stated

Coach Froman. The high score of the ballgame helped ease some of the pressure from our defensive team. Our blocking has greatly improved stated the coach which was very evident Friday night.

Froman stresses the importance of tomorrow night's game. He stated, "If we can win this one, then we know we will play for the district championship."

A large crowd from Burkburnett is expected to travel to Stephenville to support the Bulldogs. A chartered bus will leave the Burkburnett High School at 4:00 p.m. The cost is \$6.50 per person for the round trip. Anyone interested in going to the game on the bus should contact Randy Clement.

W. T. (Bill) Donnell hands the keys to the Lone Star Gas Office to Lester Yates, the new manager here.

Guidelines Of Life

By LAMON CHAMP, Pastor
... First Baptist Church

Last week, when the problems of drugs were discussed, it was stated that our youth are being suckered and used by people who don't really care about them.

Those of us who care about individuals, about people in general, and youth in particular, want to find ways to be helpful. These concerned people include parents, church groups, many adults and youth themselves.

Parents should do several things for their own: spend time with them, keep their confidence, encourage them in good friendships, help them become self-reliant, love them and let them know it.

All of us can: be genuinely interested in at least one person who needs us, realizing that many need a warm heart and good ear; support the organizations seeking to combat drug addiction with preventative, educational and remedial ministries; cooperate with law enforcement and school officials; encourage better drug control laws; and give youth reasons for not participating by teaching through example that value and joy in life are found in Christ.

John Earhart On Duty In Vietnam

U.S. Air Force Master Sergeant John D. Earhart, son of Mr. and Mrs. Howard Earhart of 1105 N. Grand Ave., Stuttgart, Ark., is on duty at Tan Son Nhut AB, Vietnam.

Sergeant Earhart is an aircraft accessories repairman in a unit of the Pacific Air Force. Before his arrival in Southeast Asia, he served at Sheppard AFB, Texas.

The sergeant is a 1955 graduate of Stuttgart High School. His wife, Barbara, is the daughter of Mrs. Juanita Huff of 204 Mimosa St., Burkburnett, Tex.

"Welk Stars" Sets To Appear In Abilene

MYRON FLOREN, accordionist and "right-hand" man to LAWRENCE WELK will be heading the "STARS OF THE LAWRENCE WELK SHOW" when they appear for one appearance only at the Taylor County Coliseum in Abilene at 8 p.m. on Saturday, November 21, 1970.

When LAWRENCE WELK first heard Myron play the accordion, he knew that, potentially, Myron was one of the greatest accordionists he would ever hear. No one knew better than Welk how an accordion lends to a band, and Myron was hired on the spot. That was in 1950 and Welk's many friends thought he had made a grievous mistake in bringing a second more capable accordionist into his Champagne Music group.

Other featured artists to be spotlighted on this fast-moving 2 1/2 hour show are BURGESS & KING, nationally renowned dancers; singing duo SANDY & SALLI, husband and wife team GUY & RALNA, Irish tenor JOE FEENEY, JACK IMEL, ART DUNCAN, CHARLOTTE HARRIS, DICK DALE, CLAY HART, and others.

All seats are reserved and complete ticket information can be obtained from the Coliseum Box Office.

Revival Crusade Begin At First Baptist Church

Sunday marks the beginning of the Revival Crusade of the First Baptist Church in Burkburnett. The various committees have been working extremely hard to make this the best revival ever for the church, according to Rev. Lamon Champ, pastor.

The Baker Brothers are the unique team in charge of the revival services. They bring a refreshing and dignified approach to evangelism, according to Rev. Champ. The Baker Brothers Crusades have led them to Europe, the Near East, Central and South America, Cuba, the Bahamas, Singapore, and throughout the Orient.

Bo Baker brings to the pulpit a rich background of pastoral experience which has especially fitted him for the work of an evangelist. He has been a featured speaker for conventions, conferences, and college and university groups across America.

He has represented Southern Baptist at the Baptist World Alliance and has conducted evangelistic meetings in Japan at the request of United States military personnel stationed there. He was invited by the Foreign Mission Board to plan and conduct the first conference on evangelism in the Bahamas and was asked by pastors and missionaries to lead the first area-wide Baptist evangelistic campaign in Guatemala and Singapore. These many invitations have come because of a strong presentation of Christ-centered messages and faithful adherence to the Bible as the final work or authority.

Dick Baker, gifted composer, vocalist, and pianist, is recognized as one of the outstanding gospel singers of our day. He served as a member of the Billy Graham team during the Greater New York City Crusade. He was chosen to direct the music for the first nationwide General Jubilee Conference.

Brownie Troop 40 Holding Meeting

Seventeen members of Brownie Troop 40 enjoyed a fantasy trip to Japan at their meeting this week. They saw a Japanese display and located the country on the globe. A few Japanese words were learned and the girls dressed the Brownie paperdoll in the uniform of that country.

"Fortune cupcakes" were served. Brownie Troop 52 hiked to the park and picked up leaves. Later, decorations were made from them for the Brownies' investiture. They talked about the party with their sister troop and made plans to celebrate the Girl Scout Founder's birthday at the next meeting. There were 14 girls attending the meeting.

Junior Troop 45 held a party Monday night honoring the founder of Girl Scouting and invited Brownie Troop 52 as guests. Halloween decorations made by the girls were used. Songs and games entertained the girls. A birthday cake, cookies, cupcakes, and punch were served by the Daisy Patrol assisted by two parents. A birthday card and dues from both troops will

be sent to the Juliet Low World Friendship Fund. Flag ceremony was given by the Red Rose Patrol and the Bluebonnet Patrol served as the clean-up committee. The troop will be attending the Halloween Party Thursday night at the Youth Center, sponsored by the Cadette Troop.

Jamer Long Enrolls In TSTI In Waco

WACO, TEXAS--James W. Long has enrolled at the James Connally Campus of the Texas State Technical Institute in Waco, Texas.

His major course of study is

Dental Laboratory Technology. TSTI opened its fifth year this fall with a total of 57 different courses of study. It is the state's first technical institute.

The multi-campus technical institute also includes the Mid-Continent Campus at Amarillo, the Rio Grande Campus at Harlingen, and the Sweetwater facility at Sweetwater.

GENERAL ELECTION Wichita County, Texas November 3, 1970

BALLOT

INSTRUCTION NOTE: Vote for the candidate of your choice in each race by placing an X in the square beside the candidate's name.

You may vote a straight ticket (that is, vote for all the candidates of a certain party, and for no candidates outside that party's column) by placing an X in the square beside the name of the party of your choice at the head of the party column. If you use this straight-ticket method of marking, do not mark squares beside the names of individual candidates.

Table with columns: Candidates for, DEMOCRATIC PARTY, REPUBLICAN PARTY, WRITE-IN. Rows include U.S. Senator, U.S. Representative, Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, State Treasurer, Commissioner of General Land Office, Commissioner of Agriculture, Railroad Commissioner, Associate Justice, Supreme Court, Presiding Judge, Court of Criminal Appeals, Judge, Court of Criminal Appeals, State Senator, State Representative, Court of Civil Appeals, Court of Civil Appeals, District Judge, County Judge, District Clerk, County Clerk, County Treasurer, County Surveyor, County Commissioner, Precinct No. 2, Justice of the Peace, Precinct No. 2.

PROPOSED CONSTITUTIONAL AMENDMENTS

Instruction Note: Place an X in the square beside the statement indicating the way you wish to vote.

Table with columns: No., FOR, AGAINST. Rows include 1. The constitutional amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances. 2. Repeal of the prohibition against open saloons found in Section 20, Article XVI of the Constitution of the State of Texas. 3. The constitutional amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops. 4. The constitutional amendment reconstituting the State Building Commission as a three-member appointive commission. 5. The constitutional amendment authorizing any county, on the vote of a majority of its qualified property taxpaying electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county. 6. The constitutional amendment increasing the value of the homestead which is exempt from forced sale. 7. The constitutional amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county.

TOGETHER, WE CAN GET THE JOB DONE!

There are a lot of things to be done in Washington. Things that directly affect all of us in the 13th District.

Unfortunately, our present Democratic representative seems more concerned about his political well-being than he does about the safety and well-being of the people in the 13th District.

President Nixon has drawn up and sent to the Democratic Congress a whole series of bills and programs aimed at solving problems from unemployment to Vietnam, from crime to interest rates, from the farm crisis to education.

Our Democratic Congressman, along with his Democratic colleagues in the House of Representatives, has played politics with these important issues to the point that all of us have been short-changed.

The crime rate keeps going up, but the Democrats in Congress won't move on the President's programs. Do you call that having your safety uppermost in their minds?

The President is fighting inflation but the Democrats continue to support big money bills, fighting a balanced budget with their theory of spend, spend, tax, tax.

A recitation of the foot-dragging and road-blocking efforts of the present Democratic Congress could fill up this entire page. And then some.

Now, what can we do about it? I support President Nixon and will work to get his programs, which benefit our District, through Congress.

I will work for all the people of the 13th District.

I will work to stop inflation and bring down interest rates. I will work for a sensible farm program instead of advocating "more-of-the-same" programs that don't work.

I support the President on Vietnam and I want full employment based on a sound economy.

Where the safety of our families and our homes is concerned, I will vigorously support proposed legislation and will do everything in my power to make sure that Democratic politicians stop playing games with our lives.

Yes, there's a lot to be done in Washington. A lot that directly affects all of us in the 13th.

It's a big undertaking, but together, we can get the job done.

STALEY ELECT JOE STALEY TO UNITED STATES CONGRESS 13th DISTRICT OF TEXAS

Painted by Staley for Congress Committee, Newton Stead, Chairman.

Women's Status
Topic Of
Club Meeting

The University Study Club met Wednesday in the home of Mrs. Bill Cauthorn with Mrs. Eunice assisting the hostess. Mrs. Brocker, president, opened the meeting with the members repeating the club collect. Reports were given and the club voted to give one book of stamps for a television spot against drug abuse.

Mrs. Browning made the motion and Mrs. Majors was appointed to see that the club's scrapbooks be preserved in the library. It was also agreed, the club's banquet will be November 16 in the school cafeteria.

Mrs. Felty, guest speaker, gave an interesting talk on the status of women and Mrs. Cauthorn, the federated counselor, furnished a program about history and its repetitions.

The meeting adjourned with the hostesses serving refreshments to Mmes. Rigby, Browning, Mathis, Harwell, Baber, Brocker, Shrum, Barnes, Young, Morris, Corsley, Majors, Pogue, and Felty.

Clara Fairview Community Meets Recently

The Clara Fairview Community had its monthly meeting with twelve members and one guest present.

In the business session, it was agreed that baskets of fruit will be prepared for needy families Christmas. The community will combine its achievement banquet and the Christmas party into a "Dutch feed" at Luby's Cafeteria. Elmer Klinkerman, commissioner of agriculture for the community, is chairman for the banquet. Officers for the year were approved.

The guest, Gad Garland, gave the group a pictorial tour of Mexico with a group of men who flew to and toured the country by bus. Slides of excellent crops and good irrigation systems were viewed with interest. It was explained that there is excellent government-owned cattle while individuals' livestock starve. Ninety-five per cent of the Mexican farmers live in corn stalk shacks with dirt floors and are barely able to exist.

Members of the group expressed their appreciation to Garland for the fine program.

Budget conscious girls are keeping their minds to wear over longer skirts or pants.

Joy Stockstill To Wed James Allbritton

Mr. and Mrs. Arthur Clyde Stockstill of 203 Beech Drive announce the engagement of their daughter, Joy Elaine, to PFC James Allbritton, son of Mr. and Mrs. Clyde Olen Allbritton of Hollywood, Florida. Miss Stockstill, a graduate of Burkburnett High School, is a junior at Texas Women's University. Mr. Allbritton graduated from Miami Central High School and attended Miami Dade Junior College North. He is now serving with the Army in Vietnam. The wedding date is set for December 28.

Friberg - Cooper 4-H Club Hears Harold Drew

The Friberg-Cooper 4-H Club met Tuesday, October 13, in the Friberg Methodist Church.

Clint Swinford, the president brought the meeting to order. Charles Morton led the pledge and prayer. Lyn Annette Morton, the secretary, called the roll and read the minutes from September's meeting.

Mrs. Clark then gave a report on the trip to Six Flags Over Texas taken by the club October 3.

It was decided by the club members to buy thank-you notes and get-well cards for Lyn Annette to send to leaders and other people in the community when they are ill. The members decided to take the money for the get well cards out of the money earned on the trip.

The members also decided to put ten dollars for a refreshment fund in which would be used to buy refreshments for each month's meeting.

Clint gave a report on the livestock tour held September

19 in the community. Twenty members attended the tour.

Lyn Annette gave a report on the community livestock show held October 10 at the 4-H barn on Hampstead Lane. Four members attended this show.

Mr. Harold Drew was the guest speaker. Mr. Drew talked about the care of dogs and cats. He told the members the kinds of foods that should be fed to their dogs and cats. Mr. Drew also talked to the members about the care of their pets' skins.

Mr. Drew asked the members a few questions about their dogs, and then there was a question and answer period when the members asked Mr. Drew various questions about the care of their pets.

Mrs. Clark gave reports and announcements on upcoming events.

Susan Barritt made the motion to adjourn, and the motion was seconded by Gary Davis. There were 16 present at the meeting.

Burk Optimist District Board Attend Meeting

President and Mrs. Charles Horsley of the Burkburnett Optimist Club attended the first quarter board meeting in Pampa last week-end.

Over three hundred Optimist from the North Texas district attended the two day meeting at the Coronado Motel in Pampa. District Governor Charles Taylor of Waxahachie outlined the goals in boys work, youth appreciation, respect for law, and boys oratorical contest. In addition a new program of community involvement was introduced this year by the new Optimist International President.

New officers and district chairmen for the coming year were introduced. Woddy Allen of Wichita Falls is Lt-Governor for Zone 1 which includes clubs in Gainesville, Vernon, Burkburnett, and Wichita Falls.

Sidewalk Art Show To Be In Jacksboro

The fourth annual Sidewalk Art Show sponsored by the Jacksboro Junior Library Club will be held Saturday, November 7, from 9 a.m. to 3 p.m. Registration will be between 9 and 11 a.m. in front of the First National Bank. Paintings will be exhibited around the square in the downtown area.

All local and area artists of all ages are invited to enter as many paintings as they wish at an entry fee of \$1.00 for every three entries. All mediums will be judged as well as a crafts division. The entries will be divided into an adult division (anyone over 16 years of age) and a children's division (anyone under 16 years of age). Each artist is responsible for exhibiting his own works, and a small commission will be charged on any paintings that are sold.

Co-chairman of the event are Mrs. Sandra Brister and Mrs. Blanche Fox.

Birth Announcement

Jenee Laurelle McDonnell arrived on Sunday, October 11th at the Baptist Hospital in Oklahoma City. She weighed 6 lbs 7 oz and is the baby daughter of Gary & Dianne McDonnell who reside at 5112 N.W. 27th St.

Her Grandparents are Mr. and Mrs. Henry McDonnell of Burkburnett and Mr. and Mrs. Frank Dunn of Bertram, Texas.

Contemporary Study Club Met Recently

The President, Mrs. Dan White, presided over the business discussions of the Contemporary Study Club which met in the home of Mrs. Harry Elliott. Mrs. Elliott reported that the club will handle reservations for the Federated Council Banquet to be held November 16th.

Several money making projects were discussed and it was decided that a doll and it's wardrobe will be made by the club members and given away at the bazaar which will be held in the vacant building next to the M & N Variety Store, November 13th and 14th.

Skate Club Meets Recently

The Orbit Skate Club held its regular monthly meeting October 18 with President Bill Crosley presiding.

Further plans were made for the Christmas Bazaar to be held December 4 and 5th. Dolls, stuffed animals, and other items will be made by the members for this bazaar.

The Bake Sale to be held November 7 was discussed as was the Late Skate to be held October 31 from 10:00 until 12:00 p.m. The deadline date on the Booster Card Drive was set for November 13th.

The next meeting will be held November 15th.

Deborah Roth (above) was recently elected Sweetheart of the Noon Lions Club in Burkburnett. Deborah who is the daughter of Mrs. Birnie Roth, is a junior at Burkburnett High School. She is secretary of FHA, has received awards in math and history and is a member of the student council.

Mrs. Lyle Eaton Host To Theta Epsilon Chapter

The Theta Epsilon chapter of Epsilon Sigma Alpha met at the home of Mrs. Lyle Eaton, Monday evening, October 26th. In keeping with the flower theme selected for this year's programs, Mrs. Jim Lemley presented a program entitled, "Let the ESA Lamp of Learning Flame as the Phlox". After an interesting talk about the phlox, Mrs. Lemley introduced Mrs. Betty Wages from the North Texas Rehabilitation Center in Wichita Falls. Mrs. Wages showed a film, "Suzie's Small World" which depicted cerebral palsy rehabilitation, and then spoke about Learning Disabilities.

Plans were made to attend the ESA Workshop in Iowa Park on October 31st and the ESA District Meeting in Wichita Falls on November 1st.

Information was given to members on how to write effective letters to assist the Prisoners of War in Viet Nam. The letters will be collected at the next meeting, and mailed.

Members attending were Lena Curtis, Kathleen Bramer, Ethel Taylor, Molly Walturn, Clodella Bridges, Shirley Spinks, Jimmie Briscoe, Helen Eaton, Ramona Vaughn, La Donna Shepherd, Dana Goff, Nona Lemley, and Billie D'Entremont.

Drinking drivers will kill over 1700 people in Texas this year. Liquor-by-the-drink means more drinking drivers.

I SAW WHISKEY IN ACTION

Let us take a look at the proposed constitutional amendment No. 2 appearing on the Nov. 3 general election ballot. It concerns turning our communities into an open saloon type atmosphere. It is the liquor by the question confronting the electorate. God knows it is bad enough now with this deadly evil causing more than half of our deaths in auto accidents. THINK SERIOUSLY ON THE FOLLOWING TRUTH:

I saw a baby - its tender white skin bruised and bloody, its golden curls matted with dirt and blood - one tiny jaw crushed to a pulp. A wee hand hanging limp - just a ball of flesh with broken bones protruding against a pair of pink rompers soiled with great splashes of muddy blood.

White-robed hospital attendants picked up the little mangled form and gently placed it on a stretcher. As it quivered a low moan of anguish came from those baby lips once perfectly shaped and now bruised and disfigured. Again they lifted a form from the ground - a sort of huddled shapeless bundle. It was the baby's mother, broken mangled, crumpled, no sign of life here. The card on the bosom read, "Morgue."

Many feet away lay the father, still alive and screaming with pain. His face all cut by windshield glass, one eye completely out of the socket and hanging on a string. His legs were a shapeless mass, and blood was gushing from his mouth. He stopped screaming and called out in agony, "My wife!" "My children!" Then he fell back into merciful unconsciousness. In the crowd of people, held back by kindly hands, a small boy sobbed and cried, "Daddy! Mamma!"

Two state policemen held between them a wobbly, drunken wretch, reeking with fumes. "What happen?" he blubbered. "Only had a couple of drinks."

Sirens screamed and the crowd made way to the hospital and morgue. Policemen placed the four-year old, hysterical boy in a car and drove off with him still plaintively calling for his parents. A wrecking crew with a huge crane began preparation for removal of two badly smashed automobiles. On the pavement lay bits of broken glass, a broken whiskey bottle and some lottery tickets - here and there a pool of blood.

A child was an orphan. Three graves were dug. A drunken driver would receive a light fine; liquor stores would continue to sell their hellish brew. And voters would continue to vote license the business that is staining the highways with innocent blood - blood shed by fiendish, drunken drivers.

WELCOME TO THE CHURCH OF CHRIST
MEETING AT 1st & Ave. C.

Bulldogs Nip Vernon Lions 30-0

The favored Vernon Lions took a surprising 30-0 defeat under the aerial attack and tough defense of the Burkburnett Bulldogs in the crucial District 4-AAA conference game here Friday night.

The Bulldogs got off to a spectacular start with a 20 yard pass to end Jim Sims by quarterback Troy Slayden. Sims quickly cut ran his defenders for 65 yards and the first Burk touchdown. Bill O'Rourke kicked the extra point to make it 7-0 with only twenty seconds elapsed from the clock.

Vernon then made its deepest penetration of the game after the kick off with several carries by Lawrence Gaines. On a 4th and one play Vernon quarterback Eddie Pruitt was swarmed by the Burk defense and lost control of the ball and stopped the Vernon drive cold on the Burk 20 yard line.

The team of Slayden and Sims again connected late in the first quarter to make another Burk

TD with a 25 yard pass. O'Rourke's kick made it 14-0 at the end of the period.

The pass was again effective for another Burk score but this time it was Joe Karstetter who threw the ball 11 yards to the end zone. The kick was good and 21-0 showed on the board as the half time horn sounded.

Max Ludsko ran for 5 in the third quarter for the fourth Burk TD. This was the last Burkburnett touchdown as it was a 18 yard field goal by Bill O'Rourke that made the final points for the Bulldogs.

The Vernon Lions tried desperately to score in the second and third quarters with passes but Joe Karstetter was there to pick off two of the attempts. Robby Roberts also snatched a pass in the fourth quarter.

With the victory over the Vernon team, Burkburnett took a firm lead in the District 4-AAA ratings. They will next meet the Stephenville Yellow Jackets there Friday night.

Football Footnotes

by Robert Sturges

WOW! The game Friday night is one Burk and Vernon fans will not forget for sometime. We had been considered the underdog in the game by all area predictions but soon shattered the hopes of Vernon in the first twenty seconds of the game.

The pass has been the main weapon used against us this year even though it has not resulted in any scores for our opponents. Troy Slayden put this tactic to use quite effectively Friday night.

Of course the true man of the hour is end Jim Sims. He truly was magnificent and is worthy of our praise.

As I said earlier, the victory placed us high on the district charts and showed the area sports writers and coaches that Burkburnett is truly a team

to recognized as a definite contender for the district title. Of course we Burk fans have known that ever since the Iowa Park game.

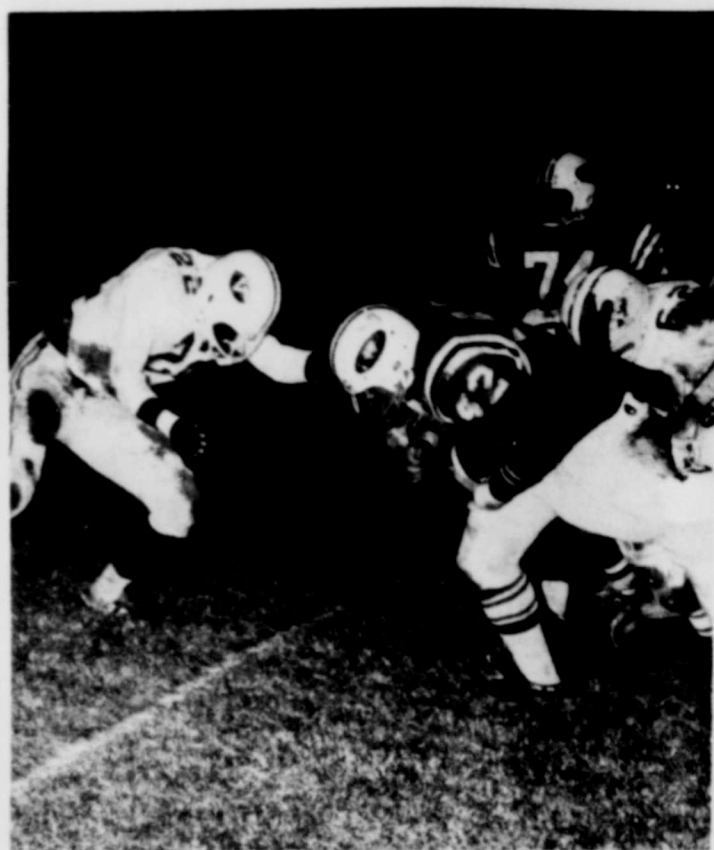

At any rate, we have another important game coming up Friday night against Stephenville. The Yellow Jackets are not considered a tough team but can be a threat when the going is rough. They can not be underestimated. This game will decide the second place teams for the district. Do plan to attend if at all possible.

Our offense is working now to score. We have the best defense in the district and many fine players. Our coaches are well experienced but our team's performance was best summarized by another coach from Brownwood. He said, "They don't do very much but they sure do it well!"

	Vernon	Burk
First Downs	7	11
Yards Rushing	47	202
Yards Passing	20	109
Passes	2 - 15	4 - 7
Passes Intercepted By	1	3

Randlett News

Graveside funeral rites were conducted Friday afternoon at the Randlett cemetery for Mrs. Juanita Morris Vaden, 59 years of age, who passed away Wednesday night in a Stillwater, Oklahoma nursing home after a long illness. Fred Willhoite of Bethany, Okla., conducted the services and interment was under the direction of Strood funeral home of Oklahoma City. Mrs. Vaden was born at Randlett and lived here many years. She is survived by three daughters, Mrs. Thelma Ann Northcutt and Mrs. Kathy Parr of Oklahoma City, and Mrs. Shirley Weeks of Stillwater, Oklahoma and one son, Jerry, of Dallas; her mother, Mrs. C.M. Morris of Randlett, one brother, M.B. Morris, of Dallas and one sister, Mrs. Marella Bowers, of Oklahoma City.

Funeral services were conducted Monday at the Randlett Church of Christ for Arnold Jesse Turner, 89, who passed away Friday in a Lawton hospital after a long illness. Joe Crawford of Elfin conducted the services and interment was in the Randlett cemetery under the direction of Pearsons funeral home of Walters. Mr. Turner and family moved to Randlett in 1927 and had resided here until last year when he went to near Lawton. He is survived by six daughters, Mrs. Beulah Riley, of Walters, Mrs. Ted Fowler, of Randlett, Mrs. Irvin Dilbeck and Mrs. Arthur Lee Dilbeck, of Maderia Calif., Mrs. Glen Pennington of Lawton and Mrs. Lewis Rackley of Mussel Shoals Ala. Two sons, Cecil,

of Springfield Ga., and Garland of Walters, and one sister, Mrs. Alta Ritchey, of Kingston Pkla. and 35 grand-children and 51 great-grand-children.

Charlie Gordon and Mrs. Robert Gordon of Siloam Springs, Ark., visited friends in Randlett Wednesday of last week.

Mr. and Mrs. Fred Spoon spent from Friday of last week to Monday visiting their son, Willard, and family of Springtown, Texas.

Jerry, little son of Mrs. Nelda Davis, returned home Saturday from a Lawton hospital where he underwent a tonsillectomy. He entered the hospital Wednesday of last week.

Mr. and Mrs. B.B. Menz and Mr. and Mrs. J.M. Braden attended the Texas State Fair at Dallas, Saturday.

Mr. and Mrs. Walker Hatcher of Bochita, Oklahoma arrived Saturday for a few days visit with relatives here.

Mr. and Mrs. Carl Newell of Lawton spent Saturday and Sunday with her parents, Mr. and Mrs. Hugh Frye.

Jessie Kemp of Oklahoma City, spent the weekend with his mother, Mrs. Jodie Lambert, and Mr. Lambert.

Mr. and Mrs. Brian Hooper and children of Muskogee, Oklahoma, spent Saturday and Sunday with his parents, Mr. and Mrs. David Hooper, and Sunday Brian filled the pulpit at the Randlett Methodist Church it being Layman's day.

The Daisy club met Tuesday October 20, at the community with no hostess as it was an all days meeting to quilt and a covered dish luncheon was served at noon. The meeting was called to order at the usual time by the president. Mrs. F.A. Wilkinson read the 23rd Psalm as the devotional and the Lord's Prayer was repeated in unison. The minutes of the previous meeting were read and a financial report given. Roll call was answered by Telling something I have learned today. The white elephant prize was drawn by Mrs. W.R. Baldwin. Club adjourned to meet Nov. 3rd in the home of Mrs. C.H. Thompson. Those present included mesdames; R.C. Brown, C.H. Thompson, Jess Butler, C.O. Wilson, N.R. Kirkpatrick, Walton Manley, G.A. Lewis and Sarah, B.B. Menz, F.A. Wilkinson, Joe McCluskey, B.L. Ressel and W.R. Baldwin.

Mr. and Mrs. Eldon Elier of Ballanger, Texas, Mrs. Marie Floyd of Ballanger and Miss

Mildren Elier of Ft. Worth spent the weekend visiting relatives here and at Burkburnett.

Henry Tompkins of Oklahoma City attended funeral rites here Friday for Mrs. Juanita Vaden and spent the night with his sister, Mrs. Vera Fults.

Bobby Fisher underwent knee surgery in a Wichita Falls hospital Friday of last week.

Mrs. Mary Kelley of Pampa Texas, returned home last week after a five weeks visit with her daughter, Mrs. Noble Williams, and Mr. Williams.

Mr. and Mrs. C.H. Thompson returned home Monday of last week after a weekend spent with their daughter, Mrs. Oneal Weaver, and Mr. Weaver and daughters of Canton, Texas.

Mr. and Mrs. L.E. Ellis of Burkburnett visited Mr. and Mrs. R.H. Rhoads, Saturday.

C.F. Postelwait underwent surgery in a Wichita Falls hospital Tuesday of last week and was in ICU for a few days but is reported improving.

Mr. and Mrs. Hershel Walker of Wichita Falls visited Mrs. Lanelle Little and children, Tuesday night of last week.

Mr. and Mrs. W.J. Hardesty and Mr. Burio Bennett of Amarillo Texas returned home Monday of last week after spending the weekend with their sister, Mrs. R.A. Martin, and Mr. Martin and family.

Greg and Mark Ressel of Apache, Oklahoma spent from Wednesday to Sunday with their grandparents, Mr. and Mrs. C.B. Ressel, and Sunday their parents, Mr. and Mrs. Gene Fikes, came and returned them home.

Raymond Underwood entered a Wichita Falls hospital Wednesday of last week for treatment and was returned home Saturday.

Mr. and Mrs. C.B. Ressel visited Mr. and Mrs. Dennis Ledford of Cement, Okla., Wednesday of last week.

Mr. and Mrs. A.L. Patterson visited their daughter, Mrs. Al Stoab, and Mr. Stoab and children of Oklahoma City, Wednesday of last week and returned home Thursday. Mrs. Stoab and children came home with them and remained until Sunday, Mr. Stoab came Saturday and returned them home Sunday.

Miss Melissa Brown of Ardmore, Oklahoma spent from Wednesday to Sunday with her grandparents, Mr. and Mrs. R.C. Brown.

Mr. and Mrs. Oliver Matthew of Lawton spent Sunday with Mr. and Mrs. C.H. Thompson.

Sunday guests of Mr. and Mrs. A.S. Nason included Fins Smith of Maderia Calif., and Mr. and Mrs. Guy Smith and Bill and Susie and Mr. and Mrs. Wayne Boles of Wichita Falls and Mrs. Flora Hatcher.

Mr. and Mrs. Clifford Rhoads and daughters of Ardmore, Oklahoma visited his parents, Mr. and Mrs. R.H. Rhoads, Sunday.

Mr. and Mrs. Dwain Cornstubble of Euless, Texas, Mr. and Mrs. Tommy Cornstubble of Velma Oklahoma, Mr. and Mrs. C.C. Watkins of Henrietta and Mrs. Zadia Bryant were Sunday guests of Mr. and Mrs. D.A. Cornstubble.

Mr. and Mrs. R.H. Rhoads and Mrs. Bill Harrison visited Mrs. Orville Weaver in a Lawton hospital Friday.

A female dragon fly, such as the one that sits on the tip of your rod, will lay up to 100,000 eggs and there are 412 known species of the dragon fly in the United States.

Air Force ROTC Offers Scholarship

HIGH SCHOOL SENIORS-- Within the next few months you will be giving very serious thought to your future, and in particular the first step - a college education. For many of you, finances may be a factor in your selection of schools. Perhaps the United States Air Force ROTC program can assist you. The Air Force offers a four year scholarship program for selected freshmen. The scholarship provides full tuition, laboratory and associated fees, an allowance for books, plus a cash allowance of \$50 a month.

If the college of your choice has the four-year AFROTC program, you may want to consider applying for the scholarship. The training you will receive while in AFROTC cannot be matched. It will help you develop your leadership potential create a disciplined personality and generally prepare you for entrance into the Air Force Officer Profession upon completion of your college work. The deadline for applying for a scholarship beginning in school year 1971-72 is November 14, 1970.

For further details, see your high school counselor. If he doesn't have the detailed information concerning the program, ask him to write or you write to Air Force ROTC, Officer of Information, Maxwell AFB, Alabama. Ask for the

bulletin on the Air Force ROTC Scholarship Program. You may also contact the Professor of Aerospace Studies at the following schools in Texas for information: Texas A&M University, University of Texas at Austin, East Texas State University, North Texas State University, Southwest Texas State University, and Texas Christian University.

PERSONALS

Mrs. A.W. Coles attended the funeral of her cousin, Juanita Morris, Friday in Randlett, Oklahoma.

Visitors in the home of Mr. and Mrs. Jim Johnson last week end were Jim's sister, Mr. and Mrs. Carey Baird of Capestrano Beach, California and Mrs. Blanch Cole of Clinton, Oklahoma. Also visiting were their daughter, Mrs. K.B. Ray and her daughters, Daann and Susan, all of Dallas.

Mr. and Mrs. Ron Adams visited in Oklahoma City with her sister and family, Mr. and Mrs. Garland Pelzel. Also visiting were her parents, Mr. and Mrs. Charles D. Looper from Tulsa, Oklahoma. They were celebrating the birthdays of Miss Penny and Miss Lisa Pelzel who are now 8 and 6 years old.

Ed Vernon Recently Honored At Dinner

Mr. E.R. (Ed) Vernon was honored recently by Burk Royalty Company at a retirement dinner held in Graham, Texas. He was presented with a gold watch in appreciation.

Mr. Vernon had been associated with Burk Royalty for 27 years as a pumper. Eighteen years of this service was in Burkburnett, Texas and the remaining nine years in the Wichita Falls area.

Mr. and Mrs. Vernon recently purchased a home in Electra and plan to spend their retirement there.

Boomtoun Jaycees Attend State Board Meeting

The Boomtoun Jaycees joined over 650 Jaycees from across Texas in Irving for their combined State Board Meeting, and the Five Outstanding Young Texans (FOYT) Program, October 23, 24, and 25.

The Texas Jaycees evaluated their programming and organization to provide better community development and leadership training in each Jaycee community in Texas.

The highlight of the weekend was the recognition of the 1970 Five Outstanding Young Texans: Robert V. Buck, owner of a San Antonio Architectural firm; James D. Dannenbaum, consulting Engineer and Civic Leader of Houston; Walter J. Humann,

corporate executive of LTV Aerospace of Dallas; Morgan Maxfield, President of Morgan Optics and a Dallas Realtor; and Garry A. Weber, Chairman of the Board of a Dallas Brokerage firm and a member of the Dallas City Council.

These young men (all 36 or younger) exemplify the Jaycee goal of becoming personally involved and using their leadership abilities in causing change within the established processes of society.

The following members of the Boomtoun Jaycees attended this function and brought back a wealth of ideas and inspiration to contribute to the Jaycees and our city.

As Friends Of Our Congressman

GRAHAM PURCELL

We Would Like To Remind You Of His Truly Distinguished Record Of

- ★ EXPERIENCE
- ★ HONESTY
- ★ INTEGRITY
- ★ DEDICATION

LOOK AT THE RECORD

LAW AND ORDER has become a major issue with Johnny-come-lately politicians only in recent months.

- Graham Purcell established a solid reputation as a dedicated crime fighter many years ago while serving as District Judge here in Texas. He established a particularly notable record in dealing with juvenile offenders, exercising firmness tempered by understanding. Such a depth of knowledge of the crime problem is needed more urgently than ever today.

VIETNAM and the end of the war is a big issue today.

- Graham Purcell has been intensely at work on this complex crucial national problem for nearly a decade. He has made four personal inspection trips to the war zone, gathering first-hand knowledge to enable him to deal more effectively with defense issues in Congress.

AGRICULTURE and the plight of the farmer is a perennial political issue.

- Graham Purcell is a recognized authority on American farm legislation. Agricultural leaders from all over the nation respect his leadership as a friend of the farmer and author of beneficial farm legislation. A top-ranking member of the House Agriculture Committee, he is chairman of the important Livestock and Grains Subcommittee.

POSTAL REFORM and better postal service has drawn a lot of attention recently.

- Graham Purcell has worked unceasingly for many years to improve the efficiency of the postal service. Only a few weeks ago Congressman Purcell, as a member of the House Post Office and Civil Service Committee, undertook an exhaustive investigation into mail service cutbacks in North Texas. A report on the probe is expected soon. In the meantime, there already have been noticeable improvements in mail service in many areas.

SHEPPARD AIR FORCE BASE is important to North Texas.

- Graham Purcell has been an effective force for many years in preserving the vital contribution that Sheppard makes to our defense effort. He has resisted reductions in size and manpower at Sheppard, and been instrumental in bringing new programs, construction and personnel to this important base.

CONSUMER PROTECTION is one of today's big issues.

- Graham Purcell hasn't just talked about consumer protection—he's done something about it. Under his leadership, Congress enacted legislation to tighten inspection on such products as eggs, poultry and meat, thus safeguarding the health and safety of American families. Additionally, Congressman Graham Purcell has made notable contributions to the work of the National Commission on Food Marketing.

Christmas Schedule To Allow Many Home For Holidays

SHEPPARD AFB, TEXAS-- Operations at Sheppard's 3750th Technical School will shut down between Dec. 24 and Jan. 3 to give students the opportunity to spend Christmas with their families.

According to the schedule released by Technical School officials, students attending classes during "A" shift will attend classes Dec. 24 from 6 to 8 a.m. and will return to classes 6 a.m. Jan. 4.

"B" shift students will go to school from 8 to 10 a.m. Dec. 24, and will return to classes at noon, Jan. 4. Students assigned to "C" shift will attend classes from 10 a.m. to noon Dec. 24 and will return to classes at 6 p.m. Jan. 4.

Students assigned to the Medical Service School (MSS) will follow the same schedule as Technical School students, according to Capt. Anthony Dervena, chief MSS operations branch.

Both schools emphasized that students who elect to remain at Sheppard will not attend school during the holiday period. Students remaining here will adhere to the normal off-duty schedules and policies.

"For all practical purposes, the holiday period will be treated as a long week-end for this purpose," one Tech School spokesman explained.

Students who have not actually been entered into a class by Dec. 24 are also affected by the schedule.

"Students who fall into this category will be given every opportunity to take leave during the Christmas holiday period, it was explained.

"However, whether leaves for these airmen will be approved will depend on the requirements of the base at that time," the spokesman added. He said that the durations of such approved leaves may also be affected.

Due to the holiday schedule some classes may graduate ahead of schedule.

Persons enrolled in classes with graduation dates between Dec. 24 and Jan. 3, will undergo accelerated training and will graduate before they depart for leave Dec. 24.

Students who would normally attend classes during the holiday period but who would graduate after Jan. 3 will also attend accelerated training to make up for the time lost during the holiday period.

In this way, it was explained these classes will be able to graduate on schedule.

We Salute SHEPPARD AIR FORCE BASE

Drum And Bugle Corps A Tribute To Sheppard AFB

By Lt. Col. Joe Calvit USAF Reserve

SHEPPARD AFB, TEXAS-- There's no doubt about it. Sheppard AFB's drum and bugle corps and drill teams really know how to win friends--and to keep them.

Their rhythmic beat, fancy stepping and rifling twirling plus some of the sharpest uniforms in the Air Force have made both units big favorites with thousands of persons in North Texas and Southern Oklahoma.

Both are in heavy demand for public functions throughout a 75-mile radius of Sheppard and are frequently seen in rodeo and fair parades, charity events and in special exhibitions. What many people don't realize when they see the precision groups is that every member is performing on a voluntary basis in addition to regular duties. All are student airmen.

Standards are tough and the work is hard but they guys love it. Otherwise, they wouldn't give two hours a day through the week and four hours on Saturdays to practicing.

"It's a matter of pride," said TSgt. Gerald D. Norwood, who rides herd on the drum and bugle corps. "They feel they're the best airmen on the base and they're willing to devote much of their spare time to proving it."

Said SSgt. Keith V. Nylander, a military training instructor who heads the drill team, "I guess it's the challenge of making the team and putting on a good show that brings them in. I don't know what else, because there's a lot of hard work involved in staying on the team."

And in order to stay on, members must maintain high academic averages in the technical schools, must keep their behavioral record unblemished and must perform well both individually and as a team, Nylander explained.

Both groups have prestige on the base and young airmen who can qualify for membership in either usually seek out Nylander and Norwood. They are usually in the 18 to 20 year old range, most are single and most have either band or marching backgrounds.

When accepted, those with the drill team are transferred into the 3775th Student Squadron and into the same barracks. It's the same setup for drum and bugle corps members, except they transfer into the 3758th Student Squadron. Both squadrons are assigned to 3750th Technical School.

Their home towns are from Maine to California and their backgrounds are equally varied. The arranger for the corps is Airman Roger W. Garbers, a five-year college man with a major in music.

Thanks to Garbers, the group is doing popular songs to Latin beats, old favorites to jazz and is getting some favorable nods from Sheppard's commander, Maj. Gen. Jerry Page. When the group broke out in a jazz arrangement of "Jada," at a noon review last week, there were more than a few toes tapping.

Discipline is strict for both groups. Nylander patterned drill team rules closely after those at the Air Force Academy. Members have an honor code the same as cadets and if they bog down in their studies they are excused from team duties until they improve their marks, and if the grades drop too low, out they go. Like Nylander, Norwood emphasizes grades.

"Academics come first. That is what they're here for," he said. Both groups must turn down many invitations for appearances because the performances interfere with the classes.

Both leaders have a constant training program. The average stay in either group is about 13 weeks--as long as it takes to complete airmen's technical training.

Norwood sends his drum and bugle boys to meet new arrivals from basic training at Lackland AFB seeking recruits for the corps. They come up with some highly qualified men, too.

For Nylander, it's a little more difficult. He has plenty of volunteers but to train them to perform difficult maneuvers

and to handle a nine-pound 1903 Springfield rifle as they march. He usually fields 21 men but the team has had up to 35 members at a time. The men compete for opportunities to perform.

One of the biggest events of the year for either is coming Nov. 20-22 when they participate in an armed forces celebration at Nellis AFB, Nev. The event will be a fund-raiser for the Air Force Museum at Dayton, Ohio.

But equally as important to each group is a scheduled October appearance at at Boys Club football game in Wichita Falls. They particularly remember the Oil Bowl game in which both appeared.

"That one was for charity," Nylander emphasized.

John Meyers Receives 30-Year Service Pin

SHEPPARD AFB, TEXAS-- John S. Meyers, training instructor at Sheppard's 3750th Technical School, Department of Aircraft Maintenance Training, received a gold 30-year Length of Service pin Friday for his continuous service with the United States government.

Meyers received the pin during ceremonies conducted by Maj. Gen. Jerry D. Page, commander of Sheppard Technical Training Center.

Meyers retired from the United States Air Force in January 1961 and has been assigned to Sheppard and the Aircraft Department of Tech School since February 1961.

He and his wife, Anne, reside at 4655 University in Wichita Falls.

Mr. and Mrs. Richard Haley are announcing the arrival of their daughter, Trina Michelle, who was born in Tulsa September 21. The little miss' mother is the former Kathy Sikes.

She is blessed with maternal grandparents, Mr. and Mrs. D. L. Sikes of Burk Burnett, and paternal grandparents, Mr. and Mrs. H. H. Haley of Tulsa.

UP, UP, UP & AWAY

Much of this column involves hearsay. There seems to be a tendency for stories to grow when handed down from father to son.

A blond haired flyer lives near Corn, Okla. He may still belong to the Flying Farmers. I have ridden in the same with this "do-it-yourself" flyer. I have competed against him in spot landing contests and assimilated bombing contest in air shows and dedications for new airport openings. Give him a Piper J3 and me a few dollars to water, and I will give good odds he flies away with first money or prizes offered for any event he chooses to enter.

Crawl in the front cockpit of a Ryan PT22 so he can fly from the rear seat, and I'll guarantee you if you want an acrobatic ride you will not be disappointed.

Maybe my good friend has given up flying. The reason I mention this is because I have a faint recollection of reading about a plane accident several years ago, but I do not know how lucky or unlucky he was.

I wish I had a dollar for each coyote this man has killed from the air and tied to fence posts. If I remember correctly he was chasing a coyote when he had the accident (if he had the crackup).

The rest of this week's writing is hearsay, but it makes for interesting reading whether or not it is all true.

Maybe near the years 1926-7-8 or 1929 or somewhere along in there this 'self made pilot' taught himself to fly in a biplane he built using a model T engine for power.

There are endless stories of incidents involving accidents he had with this crate. Listen to this one. Back when farmers did not buy eggs, butter milk or much meat from stores it was a Saturday afternoon ritual to take things to town to sell or trade them for what they could not raise on their farms. Mrs.--either did not have much confidence in her husband's flying ability or his planes condition for each time he would take off she would get in their jalopey and follow to bring him in when the plane became disabled.

This particular Saturday he loaded a case of eggs, cranked the flying machine and took off. You guessed the rest. Someone could have had scrambled eggs for supper as he didn't make it to town. His faithful wife, the story goes, arrived and brought her aggroor husband home. For the umpteenth time he spent several months getting the machine back in flying condition.

Another story has it that he never had flying lesson one. Then when the CAA was organized and started asking that pilots get a license to fly my friend was in a cramp. The reports are CAA officials knew of his flying but couldn't locate any evidence other than hearsay. If the story I heard is true they found the biplane in a barn after moving the hay that was used to hide the crate.

If you are interested in flying and colorful flying talk and happen to be southwest of Weatherford, Oklahoma, in the Corn community area look him up, (you won't regret it.)

Women's Group To Hear Mrs. Nancy Barker

SHEPPARD AFB, TEXAS-- Sheppard's Protestant Women of the Chapel will meet Tuesday, Oct. 27 at Chapel 2 Annex to hear Mrs. Nancy Barker, director of Volunteer Services at the Wichita Falls State Hospital.

A special feature at this meeting will be the presentation of a program of religious music by the 15-voice State Hospital Choir, under the direction of Chaplain Mather Owen.

Members are urged to bring clean, usable, adult size clothing for donation to the hospital at this meeting.

Each year the football season succeeds in making fools out of adults on several Saturday afternoons.

(Paid political adv. by "Paul Eggers for Governor Committee," Bill Ferguson, Chairman.)

SAFB Slogan 10 Years Old This Month

SHEPPARD AFB, TEXAS-- "Prepare the Man" as the slogan for Air Training Command is 10 years old this month and Sheppard Air Force Base has a special reason for observing this event this year.

Mrs. Connie G. Bellah, originator of the slogan, is here with her husband, who is a controller with Detachment 1, 2nd Bomb Wing of the Strategic Air Command.

During this decade Sheppard has graduated more than 368,000 students preparing them for their Air Force careers. Of this number, 274,576 were graduated by the departments in the 3750th Technical School; 91,410 from the Medical Service School after its move here in 1966, and 2,125 by 3630th Flying Training Wing which was organized here in 1966. Of those in the wing, 1,598 were graduated in the helicopter school and 527 by the fixed wing program.

Mrs. Bellah entered the slogan in the contest sponsored by Air Training Command when her husband was in Undergraduate Pilot Training Course at Greenville AFB, Miss., in 1960. Her original entry was "Preparing the Man", but this was edited to "Prepare the Man" and she was presented a \$500 U.S. Savings Bond. This was chosen from more than 2,000 entries submitted in the ATC Motto Contest. She conceived the idea while attending a wives orientation tour at the base. She said that the whole idea of the indoctrination seemed to be that of the preparation of the students for their future jobs in the Air Force.

Announcement of her winning the contest was made after her husband received his pilot wings and before they went to Wurtsmith AFB, Mich., for his first SAC assignment. His successive assignments have been at Barksdale AFB, La., Carswell AFB, Texas and Wurtsmith for a second assignment. They came to Sheppard in June 1969.

PROPOSED Amendments

PROPOSITION 4 RECONSTITUTING STATE BUILDING COMMISSION

At the election you will be asked to vote FOR or AGAINST: "The Constitutional Amendment reconstituting the State Building Commission as a three-member appointive commission."

This is a proposal to change the membership of the State Building Commission from state officials, ex-officio, to three citizens appointed by the Governor with the advice and consent of the Senate. At present the Constitution requires that the Commission be composed of the Governor, the Attorney General and either the Chairman of the State Board of Control or another official designated by the Legislature.

If adopted, the first appointment will be a member named for a two-year term, one for four years and one for six years. Thereafter the Governor will appoint a new member every two years, for a six-year term. He will designate one member as Chairman and also fill the vacancy of any unexpired term.

This section of the Constitution creating a State Building Commission was adopted in November 1954. The Commission was authorized to acquire property and construct and equip buildings for state purposes. The first structure was required to be the State Supreme Court Building. Land has been acquired and several buildings constructed in the development of a capitol complex stretching northward from the main capitol building.

The Commission has had available the revenue remaining and unused each year from a two-cent ad valorem tax for confederate pensions. A 1968 Constitutional Amendment prohibits levy of this tax after 1976. The proposed amendment would not change the financing provisions. After 1976 the Commission would have available to it only the money the Legislature appropriates from the General Revenue Fund. The Amendment would be self-enacting.

PROPOSITION 5 COUNTY ROAD BONDS ON MAJORITY VOTE

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment authorizing any county, on the vote of a majority of its qualified property tax paying electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county."

Section 52, Article III of our Constitution allows counties, cities and other political subdivisions of the State to issue bonds for roads and turnpikes, and certain other public improvements, when authorized by two-thirds majority vote of the resident property taxpayers voting thereon who are qualified electors. The total bonds issued may not exceed one-fourth of the assessed value of real property of the issuing authority.

The proposed amendment would rewrite this section to allow any county in the State to issue bonds for roads and turnpikes on the approval of a simple majority of those voting in an election, rather than

the two-thirds majority presently required. The election would still be restricted to qualified electors who are resident property taxpayers.

In 1968 a new Section 52e applying only to Dallas County was adopted. It will not be affected by this proposed amendment. The '68 amendment allows road bonds to be issued by Dallas County without being subject to the debt limit prescribed in Section 52, and on the approval of a simple majority of the qualified voters taking part in the election.

The proposal to be voted on in November does not go this far. It would make only the one change, allowing county bonds for construction, maintenance and operation of macadamized, graveled or paved roads or turnpikes to be adopted by a vote of a simple majority, rather than the two-thirds now required. The amendment would be self-enacting.

PROPOSITION 6 RAISING HOMESTEAD EXEMPTION FROM \$5000 TO \$10,000

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment increasing the value of the homestead which is exempt from forced sale."

This is a proposal to increase the maximum value of a town or city block or lot which may be claimed as a homestead from \$5000 to \$10,000. This limit applies to the value of the real property without reference to any improvements on it. It applies to value at the time the property was designated a homestead, regardless of later increases in value. A homestead must be used for the purposes of a home, or as a place to exercise the calling or business of the head of the family. The rural homestead not in a town or city would remain at 200 acres of land, which may be in one or more parcels, and includes the improvements on the land.

The homestead exemption originated in Texas. While governed by a Spanish Colonial law, Texas became familiar with exemptions for family clothing, a minimum amount of furniture and the implements of the breadwinner, none of which could be taken for forced payment of debts. In an agricultural community it was natural that this concept should be extended to the family home and land.

The earliest homestead exemption law was adopted by the Republic of Texas in 1839. It was written into the Constitution when Texas became a State in 1845. Originally, the dollar value exemption for urban lots was \$2000. It was increased to \$5000 in the Constitution of 1869. The Constitution of 1876, which is our present Constitution, continued the same exemption in its Article XVI, Sec. 51, which this proposal would amend.

The increase in the dollar amount of the exemption is urged as recognition of changing economic conditions and increased land costs. Without going back to 1876, the lot which could be bought several years ago for \$5000 and which may be still exempt as a homestead, could not in most instances be purchased today for the \$10,000 proposed as the new maximum. However, the exemption operates only as a floor under the welfare and

fortunes of a family, and the question is whether the floor should be raised.

PROPOSITION 7 CONSOLIDATING SOME FUNCTIONS OF LOCAL GOVERNMENT

You will be asked to vote FOR or AGAINST: "The Constitutional Amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county."

This proposal would authorize the Legislature to provide by special statute for consolidation of government offices and functions of government within any county in the State. It would allow a special law to be tailored to the requests and desires of the people of any one county.

It would also allow a county government, or any political subdivision within the county, to contract one with another for performance of any governmental functions either required or authorized by the Constitution or laws of Texas under such terms and conditions which the Legislature may prescribe. The term "governmental functions" is defined to include all duties activities, or operations of statewide importance in which the county acts for the State, as well as functions of local importance.

An amendment was adopted in 1933 providing for county home rule charters. It is long and detailed and has never been used. In 1966 a constitutional provision very similar to this proposal was approved, applicable only to Harris County. In 1968 an amendment applicable to El Paso and Tarrant Counties was adopted. Neither of these has been used, but the last one is the basis of the present proposal which would make its procedures available to all counties.

The impact of this amendment, if adopted, would in a large part depend on the extent to which the Legislature implemented it with legislation. Should the implementation be broad, it might produce economies in some counties that would set a statewide pattern for the combining of many of the functions of local government either by contract or by actual consolidations. It is a fertile field for experiment.

DAVE ALLRED GUEST SPEAKER

Dave Allred, state representative, was guest speaker when the Senior Citizens Club met Thursday. In the regular meeting at Town Hall, he spoke about aging and the available data that had been compiled by other clubs in the area. He also explained the two requirements (a fire-proof building and adherence to the Civil Rights) made of a Senior Citizens group that decides to accept financial aid from the government.

Ray Stimpson, president, presided over the meeting and Al Lohoefer introduced the speaker.

PRUSSIC ACID -- Hybrid sorghum-sudan pastures, fast growing and excellent forage, can also be deadly especially during the late summer and fall. Dr. John C. Reagar, toxicologist for the Texas Veterinary Medical Diagnostic Laboratory, says prussic acid poisoning can be fatal to live-

stock and occurs after frost and when plants 'perk up' and begin fast growth after a very drouthy period.

Why Preston Smith?

Preston Smith believes in working hard. For you. And that's why he's doing such a good job as Governor of Texas.

When Preston Smith entered public service, he didn't start by asking Texans to elect him Governor. That would have been foolish, because being Governor carries great responsibilities. And it demands the clear, steady judgement that comes only from experience.

Preston Smith had the good common sense to work his way up—gaining insight into how our state government functions.

He served six years each—as State Representative... as State Senator... and as Lieutenant Governor. Only then, when he felt fully qualified, did he seek the Office of Governor.

Now, after two years he has expanded the duties of the Governor's Office to better serve all the people of our State.

Yes, Preston Smith believes in hard work. For 20 years, he's been working for Texas—doing a good job. You can help keep him as Governor. Vote. Vote for Preston Smith on Tuesday, Nov. 3.

Preston Smith
is doing a good job. Let's keep him working for Texas.

Farm Review & Forecast

Texas Farm Bureau To Hold 37th Annual Convention

Some 2,000 persons, including more than 800 voting delegates from 203 organized county Farm Bureaus are expected to attend the 37th annual convention of the Texas Farm Bureau in Fort Worth Nov. 8-11, according to Sidney Dean of Victoria TFB president.

Headquarters for the convention will be the Sheraton-Fort Worth Hotel with some convention activities scheduled to be held in the Tarrant County Convention Center Theater.

Policies to guide the state's largest farm organization next year will be adopted by the voting delegates on the two final

days of the meeting. They will also approve recommendations on national issues which will be forwarded to the annual meeting of the American Farm Bureau Federation slated for Dec. 6-10 in Houston.

Farm Bureau's policy development process begins on the county level with the adoption of county policies and recommendations on state and national issues which are submitted for consideration at the state convention. A 41-member TFB resolutions committee will meet in Fort Worth the week prior to the convention to draft tentative resolutions from among the hundreds of recommendations sent in from the counties.

Registration for the state convention will get under way at 2 p.m. Sunday, Nov. 8, in the foyer of the Convention Center Theater. A Discussion Meet competition for young people in Farm Bureau will be held that afternoon. Vesper services and a Talent Find competition are scheduled for that evening.

The Monday morning program includes the annual address by President Dean, and an administrative report by O. R. Long, Waco, TFB executive director.

Special conferences on women in Farm Bureau, young farmers and ranchers, farm

labor, natural resources, dairy, research and education, community services, livestock, field crops, poultry, and services will be Monday afternoon. District caucuses are also slated that afternoon.

Thirteen district queen candidates will compete in the finals of the TFB Queen Contest that evening.

The Tuesday morning program will feature a recognition and awards program, honoring county Farm Bureaus with outstanding achievements in membership acquisition, public relations, and safety. Also scheduled that morning is an address by Dolph Briscoe Jr. of Uvalde, prominent farmer-rancher, civic and political leader.

The business session gets underway Tuesday afternoon with voting on resolutions sent in by county Farm Bureaus. The session will continue Wednesday until all recommendations have either been amended, adopted, or rejected. Voting delegates will elect the TFB president for the coming year and board members for two-year terms from six districts as the last order of business.

TEXAS COMMUNITY IMPROVEMENT ENTRY LIST GROWS--Reagan Brown, Extension sociologist, reports that 252 Texas Communities are now enrolled in the statewide Community Improvement Program and that many of them already are busy with plans and activities which they hope to complete before judging time next spring.

U.S. FARM EXPORTS--In the past fiscal year, commercial exports of U.S. Farm products reached a new record, contributing \$5.7 billion to the surplus of international trade balance. In total, exports of farm products amounted to \$6.6 billion and accounted for the production from almost 60 million acres of cropland.

COUNTY AGENT NEWS

B. T. Haws
Wichita County
Agricultural
Agent

Control of mesquite is a real problem for livestock operators located in the cotton producing areas of the High, South and Rolling Plains Areas of Texas. Cotton is very sensitive to currently recommended herbicides. Mesquite generally develops and is ready to spray around June 1 and in many areas cotton is already planted. As a result there is extreme risk involved in aerial applications of herbicide to mesquite. Herbicide drift is an ever-present possibility. The purchase of a neighbor's cotton crop can make spraying an expensive proposition.

As a result of this "risk factor" many operators are limited to using either mechanical treatment of chemical treatment or an individual plant basis. Highly effective control of mesquite may be obtained by treating individual plants with a solution of eight pounds of 2,4,5-T in 100 gallons of diesel oil or kerosene. To obtain satisfactory results the lower 12 inches of the tree trunk should be saturated with the solution until some run-off is obtained. Treatment of this type can be applied any time during the year provided the soil is dry and not fused to the trunk.

Although somewhat expensive when compared to large scale broadcast applications, individual plant treatment has some distinct advantages. There is almost no possibility of drift. The solution stays where you put it. Secondly, the effectiveness is not dependent on a particular stage of plant development and treatment can be applied at any time during the year when the soil is dry. These two factors combined permit ranch operators to make effective use of labor at slow seasons of the year.

County farmers and ranchers should spray their cattle for lice in the fall instead of waiting until the cattle are noticeable infested. Treating cattle for lice now is effective because of mild weather, shorter hair on cattle, and the lice population is small. The low population found now is the source of this winter's population.

Louse control should not be put off until cattle are infested. By winter the cattle have suffered greatly and a heavy population of lice is more

difficult to control than a light one. Here are pointers for effective lice control:

Make thorough applications. If one animal or even a part of an animal is not treated, the lice could be a source of reinfestation for the herd.

Dipping is the most thorough way to treat cattle, but sprays are effective if applied with special attention to the brisket and flanks. The entire body should be wet to the skin. High water pressure and a coarse stream is best for penetrating the hair. Spray at close range and only a few cattle at a time.

Before buying insecticide for spraying cattle, read the label on the container completely. Pay particular attention to warnings and restrictions listed on the label, check on waiting periods, especially if some treated cattle may go to slaughter.

Wichita County farmers and ranchers should begin watching their cattle for winter tick population build-ups. These blood-sucking parasites can cause tremendous losses to cattle through loss of blood, weakened condition, reduced feed conversion efficiency and increased susceptibility to diseases and nutritional disorders. Many of the troublesome ticks attack primarily during the winter months when the animals are in their poorest nutritional state creating an extra burden on the animals.

Effective tick control can be accomplished economically through the use of modern spray and dip materials. Thorough coverage with the insecticidal material is necessary for best control. Dipping assures thorough coverage, but sprays can be effectively used if careful attention is given to thoroughly wetting the hair coat to the skin.

Any Better Answer?
"I've never heard a man talk so fast in my life!"
"Why shouldn't he? His father was a tobacco auctioneer and his mother was a woman."

County H D Agent

County Home
Demo Agent

are soft and pliable enough to sew set in sleeves. The pattern should be altered to fit before the garment is cut. Seams cannot be let out without damage to the fabric.

When fastening the pattern to the fabric, place pins in seam allowances only or tape the pattern to the fabric. Cut with sharp shears.

Mark darts, seamlines and other construction details with chalk or a pencil on the wrong side of the fabric. Use a grease pencil when making markings on the right side. These can easily be wiped off.

A medium-sized machine needle and 10 to 12 stitches per inch are satisfactory for top stitching on crushed patents. A piece of tissue paper placed between the shiny or right side of the fabric and the feed-dog of the machine prevents damage to the fabric when stitching. The tissue paper can easily be torn away when stitching is completed.

Finger press seams and darts unless the label on the bolt or roll of crushed patents states that the fabric can be pressed with steam or a warm iron. Both zippers and buttonholes

can be used on crushed patents. The centered applications makes a flat zipper closing. Hems can be top stitched or slip stitched in place to the backing of the fabric. Follow the fabric manufacturer's care recommendations for cleaning. Some vinyl-like fabrics can be hand washed, while others need to be wiped clean with a damp cloth. If linings are used in the garment, they should require the same care as the outer fabric.

Designer Touches in Sewing will be presented in method demonstrations to home demonstrations clubs and other organizations in November. Thelma Wirges, county home demonstration agent, will give the demonstrations. Visitors are welcome to attend club meetings.

NOVEMBER PLENTIFUL FOODS--Rice and turkeys head the USDA's plentiful foods list for November. In addition potatoes, onions, fresh apples, canned applesauce, apple juice, fresh cranberries, cranberry sauce, fruit cocktail, walnuts, dry split peas, pork, and broiler-fryers are included. Holiday season food shoppers should have no trouble finding the turkey and trimmings needed for Thanksgiving.

There's More in Moore's for 1971
There's an exciting year ahead, says *Old Moore's Almanack*. And if its predictions are as accurate as they've been in past years, it will be 1971's most significant book.
Just issued for the 274th consecutive year, this oldest continuously published almanac annually confounds the skeptics with its uncanny pinpointing of critical events to come.
Here's a sampler of *Old Moore's* 1971 predictions:

- The stock market trend is up this winter, with tight money easing up by spring.
- Widespread dissent will reach dangerous proportions in the year's first half, but a happier warm weather mood will prevail next summer.
- Record transportation accidents will make winter and spring headlines, with the death of an important government figure.
- Although war dangers will persist throughout the year, an optimistic outlook will be America's Christmas bonus.
- *Old Moore's* highly respected long-range weather predictions indicate a stormy beginning for 1971. In January, cold prevails over most of the country, and severe ice storms may impede traffic and communications. February is marked by blizzards and some unusual climatic conditions, while March brings some of winter's worst weather during the first half, with the country's midsections getting the brunt of it. Spring is late.
- Farmers especially will appreciate *Old Moore's* detailed region-by-region weather prognostications, with planting guides particularly useful during a turbulent meteorological year.
- *Old Moore's Almanack*, which Dell has just released in a 50¢ paperback, is crammed with useful information to enhance day-to-day life behind the headlines. For the housewife, there are recipes, household tips and medical advice, stories and jokes for leisure-hour fun. There's a guide to wines to give elegance to special meals, and a chart for the proper use of herbs to give cooking that gourmet flavor.
- Outdoorsmen will find the fishing and hunting guides invaluable, and amateur astronomers can plot the stars with *Old Moore's* in hand.
- Astrological tables and forecasts abound throughout, with numerical methods of determining lucky numbers and even a lesson in palmistry. There are even predictions on the year's seven top jockeys.
- All in all, it's safe to predict that *Old Moore's Almanack* for 1971 will be the book of the year, worn out and dog-eared from use, and altogether indispensable.

NEARLY BLONDE? MERELY BLONDE? OR REALLY BLONDE?
There is much more to being a blonde than having fair hair. Many women who consider themselves blondes actually have nondescript hair that, while fair, is completely lacking in character and color value. After all, the predominant color of her clothes. Even dull, light brown hair—a shade that can drain every vestige of color from the face—can quickly and easily be transformed into a beautiful flattering shade of blonde.

To solve the problem of the "nearly blondes", Clairol has designed Midnight Sun, a gentle shampoo lightener with toning action, for the kind of blondeness that makes Scandinavian women famous. Women can go in the "light" direction by simply shampooing in the shade of lightness that is just right for them.

The six shades range from Ice Lights, a cool, pale blonde to Sparkling Lights, a beautiful ash blonde, and special conditioning ingredients leave the hair soft and lustrous.

Now every nearly blonde can be really blonde making it more fun than ever to be somebody's fair-haired girl.

Barbara Press, the young actress who, with Woody Allen, makes "Play It Again, Sam" a Broadway hit, went from "merely blonde" to "really blonde!"

Barbara's whole face looks more alive. Her eyes seem brighter and her hair gleams with color, and luster. Haircolor has added a new dimension to Barbara's beauty.

Barbara Press, the young actress who, with Woody Allen, makes "Play It Again, Sam" a Broadway hit, went from "merely blonde" to "really blonde!"

Barbara's whole face looks more alive. Her eyes seem brighter and her hair gleams with color, and luster. Haircolor has added a new dimension to Barbara's beauty.

How About A Real Haunted House

This year area youths will have an opportunity to view witches, mad scientists and even man-eating plants at the Junior League sponsored Haunted House in Wichita Falls. The scene of the spooky haunting is located at Kell and Harrison in the basement of the Old Weeks Manston. Dates for the event run from October 21-31 -- Halloween Night. The hours are: Monday-Friday -- 3:30 - 8:30; Saturday -- 10:00 - 8:30; and Sunday -- 1:00 - 8:30. The cost is 50¢ per person. The tour of the House starts in the kitchen where witches cook their brew amid displays of horrifying proportions; then down the hall to the living room, where a Gypsy unfolds your fortune; into the bedroom where corpses can frighten you into the arms of the man-eating plants; through an anti-gravity,

psychic room complete with ghouls, weird lighting and sound effects to curdle the blood of the bravest; through a tunnel (where it's every man for him-

self) into the laboratory of the mad scientist and hunchbacked helper, Igor. By this time -- if you're not scared half out of your wits, you might be able

to take advantage of the hot dogs and soft drinks at the Concession Stand. There is also a room nearby where photographs of your memorable experience

can be made. Mrs. Larry Cooke is Chairman of the event which "really is SO scary that it is NOT recommended for pre-school

children." It's a great way to have a party! -- and help the community too, since all proceeds from this fund-raising affair

will go to the Junior League Community Trust Fund for return to the community. If more information is desired, you may call Mrs. Cooke at 767-5033.

I need the Answers to some SERIOUS QUESTIONS

Why am I here? What shall I do with my life? Where am I going? This young man is at the threshold of his adult life and needs the answer to some serious questions. Perhaps you find yourself pausing to take stock of your life and groping for direction. The Church of the Living God tells the truth about man's life, death, and destiny. The truths learned there will set you free to live a more abundant, meaningful, and creative life. "And ye shall know the truth and the truth shall make you free." John 8:32.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
