The men in this area may be hard to find come Saturday morning. It so happens that both quail and deer seasons open that day and you can bet your boots that a large percentage of the male population in Texas will be hunting one of the two -- or wishing they were.

As for me, I think I'll try to slip off and try my luck at deer hunting. About the only threat I pose for the deer population is that of fright -- not the fright of getting too close with a bullet -- the fright of the noise I make falling out of a tree! I sound like a miniature tank going through a thick forest when I hunt and the noise is even louder when I try to perch myself in one of those skinny post oak trees.

But one thing for sure, if it has horns it should be a buck and if its head is slick it should be a doe, this I know. It's not quite that way when I go after duck though. All ducks look alike to me, especially when they are flying. The only way I can tell much difference in ducks is by the colors on the wing feathers on the back side. This poses a big problem -- how do you get a duck to fly on its back while you look at the color of its wings where you can find out whether you should shoot it or not? If I can ever find a place where I can hunt that has ducks on it, I think I'll go out there and shoot at one anyway. The most I'll get with the one shot would be a 90 pointer, but with my marksmanship the most I could get with a whole box of shells would probably be only one 90 point duck -- and that's on my good days!

If you get a chance go by and catch a show at the Palace Theatre this weekend. The Palace is completely remodeled, inside and out, and they are having their Grand Opening this Friday, Saturday, Sunday and Monday. Go by and visit and take advantage of the 2 for 1 special offered during the Grand Opening.

BURKBURNETT HIGH SCHOOL BAND PERFORMING AT CONTEST

Bulldog Band Wins A I In U.I.L. Marching Contest

Dynamic, flamboyant, and marching 106 strong, the Bulldog Marching Band took U.I.L. Marching Contest by storm on November 3 at Memorial Stadium in

Wichita Falls. Beginning with the first whistle from the very capable drum major, Sandra Allen, to the last blaring fanfare, it was evident to the crowd that the band had a first division. The tension mounted as the ratings for Class AAA were announced. "May I have your attention please," the announcer said. "The results for Class AAA are in-- Vernon, II, Hirschi, II, Graham, II, Burk Burnett--!!!"

Joyce Lambert received a first division with her solo routine. A trio consisting of Suzie Pickett, Debbie Bryan, and Martha Morris received a first division. Joyce Lambert, Laura Allison, and Marilyn Schmitker also received a first division on their trio. "We feel that our majorettes are a great asset to the band," stated Patti Perry, reporter of the Bulldog Band.

The Burk Burnett Bulldog Band wishes to thank the various bands who backed them while they were on the field. These include the following: Vernon, Graham, Iowa Park, Wichita Falls, and Rider High Schools. Their spirit and enthusiasm were felt and appreciated.

The band would also like to thank the many people who have backed them through the year and at the contest. The administration, the faculty, the student body, the cheerleaders, and the public have contributed greatly to their success as an organization.

Mixed emotions were felt. There were sighs of relief, shouts of joy, and tears from Seniors who realized that this was their last chance for Sweepstakes and their last marching contest.

None of this would have been possible without the leadership of Mr. McClain. "Daddy Jim" gave long hours of patience, work, and understanding. He helped the band overcome the many problems which could have brought them humiliation.

The band is also proud of the majorettes who walked away with top honors at the U.I.L. Twirling Contest which was held at Barwise Junior High School.

Chamber Of Commerce Directors Elected

The 1971 officers of the Burk Burnett Chamber of Commerce were announced at the board of directors luncheon Monday.

Jerry McClure was named president; Dick Johnston, first vice-president; Dan Schafner, second vice-president; Mrs. Marjorie Kauer, treasurer and F.R. McCandless, assistant treasurer.

The new directors for the three year term beginning in January were elected in an unusually heavy election by the members of the organization last Friday. The results of that election were announced at the board luncheon. The directors for the 1971-1973 term are: F.R. McCandless, J.B. Riley, Jr.,

E. N. Miracle Brings In First Oklahoma Cotton Bale

E.N. Miracle of Devol, Okla., brought the first bale of Oklahoma cotton to the local gin last Thursday. Miracle, whose farm is approximately two miles east of Devol, brought in two bales from his 15 acre cotton field.

The biggest of the bales weighed 510 lbs. The entire load that he brought in that day weighed 5,140 lbs.

Miracle was the recipient of several bonus checks which included a \$5 check from North Texas Compress and Warehouse, a \$25 check from Farmers Cotton

Co., and a \$25 check from the Burk Burnett Chamber of Commerce Agri-Business committee. Also, the Farmers Co-op Gin provided free ginning of the bales.

Although this is the first bale of Oklahoma cotton to be received by the FARMERS Co-op Gin, it definitely is not the first bale of cotton this year. The gin has ginned a total of 285 bales of cotton to date, as compared to only 27 bales this time last year.

Burk School Board Adopts Dress Code

The Burk Burnett School Board, in their regular meeting Monday night, passed a revision of the school dress code that will allow girls in the Burk Burnett school system to wear slacks and pantsuits to classes. This new code went into effect Wednesday.

The dress code, which is scheduled for another review by the school board in January, was drawn up in conference between school authorities and the high school student council.

The new dress code is as follows: The girls will wear dresses, skirts and blouses, or slacks. If slacks are worn, the following rules will apply: 1. No hip-huggers, 2. No denims, 3. No see-through material, 4. No tight slacks, 5. No men's clothing, 6. No tie dies. Only full length slacks may be worn. Slacks may be worn with co-ordinating

jacket, cape, vest, or sweater. If outer garment (cape, vest or sweater) is removed, below the waist blouses or sweaters with no shirt tails must be worn.

Boys will wear full length slacks or jeans at all times. Boys will wear shirts tucked in with the exception of sport shirts and have shirts buttoned up to the top button below the collar.

Students of the Burk Burnett Independent School District should dress with good taste. They should avoid fads which reflect unfavorable appearance or comments.

Grooming: Each student attending school in the Burk Burnett Independent School District will be clean and neat and will avoid extremes of any grooming fad. Boys will maintain hair lengths above the shirt collar with maximum

Burkburnett Bulldogs In Do-Or-Die Position Friday Night

One of the biggest and toughest games of the football season faces the Burk Burnett Bulldogs tomorrow night in Bulldog Stadium. The Bulldogs will take on the vicious Hirschi Huskies.

The rivalry between these two teams dates back a long way, to the beginning of competition between the two schools. These two teams have been battling it out for the past eight years with the Huskies coming out on top in every con-

test. This is said to be the game where all past record performances can be thrown out the window. Regardless of the apparent strength of either team over the other, it never turns out as expected. There is always a fierce battle on as soon as the opening whistle is sounded.

Although the Huskies have been defeated by Vernon, Stephenville and Brownwood, they were able to score on each of these teams as well as run up a large score on their wins. They scored 40 points against Graham, 29 points against Weatherford, and 20 plus points against Vernon.

The Huskies are reported to run mostly using each of their three backs. All of their running backs rate in the good category, with David Gardner in the excellent column. Gardner is a large boy who can do the 100 yd. dash in the sub-10 second mark.

This will be the last football game of the season for the Huskies, who would like nothing better than to close it out with a win. They have some 20 plus seniors on their ball team who will definitely be trying to win their last high school football game.

The game, which will have no significance as far as district standings go for Hirschi, is a mighty big one for the Bulldogs. If the Bulldogs can beat the Huskies they have a chance at the district crown if Brownwood defeats Stephenville tomorrow night. The district championship would then be settled next Friday night when the Burk Burnett Bulldogs battle the Brownwood Lions at Brownwood.

The Bulldogs have run up some impressive statistics for the season thus far. They have a total of 1838 yards rushing for a game average of 229.8 and a per rush average of 4.93. They have a total of 307 yards passing with a per game average of 37.9, a per pass completion average of 17.8 yards and a per pass attempt average of 6.06 yards.

Some of the individual statistics for the offensive team are: Joe Karstetter, 121 carries for 675 yds., 5.58 yds. per rush, 84.4 yds. per game; Bill O'Rourke, 114 carries for 517 yds., 4.54 yds. per rush, 64.6 yds. per game; Lawrence Washington, 59 carries for 380 yds., 6.44 yds. per rush, 47.5 yds. per game; Troy Slayden, 38 carries for 85 yds.,

2.24 yds. per rush, 10.6 yds. per game; Max Ludeke, 33 carries for 127 yds.,

The BULLDOG MASCOT will be cheering the Bulldogs on to a very important victory Friday night. Inside the costume is Karen Gylov, a senior student who puts a lot of effort and enthusiasm in every football game. Karen is a member of the Future Teachers of America, Derrick Staff, and the High school representative of the D.A.R.

Charges Filed With Police

Burkburnett Police Dept. reports all quiet this past week with the exception of four traffic accidents and two other occurrences.

Charges of aggravated assault with intent to murder were filed against Jesse E. King of W. 3rd St. King reportedly took a pistol out of his house and began firing it at one of his close by neighbors following an argument between the two men. The argument arose over disturbances caused by King's dog, reported sources, King's bond was set at \$2,500.

Police investigated a report on a stolen automobile from 904 Preston Thursday. The auto, belonging to Mr. Boehm, was recovered in New Orleans, La. Sunday. James M. Boehm, 17 year-old son of Mr. Boehm, was being held by the New Orleans police in connection with the theft.

A 1970 Ford LTD owned by Cecil Thurman of 3604 Yellowstone, Arlington, Tex., received approximately \$125 in damages in a parking lot accident involving a 1968 GMC van driven by Lonnie L. Taylor of 530 Rosewood. The accident occurred at Ruth's Coffee Shop.

Police investigated an accident involving a 1962 Ford driven by Linda A. Landers of 512 Harriett and a 1963 Ford driven by Stephen L. Kinnard of 646 Pecan Wednesday, Nov. 4. The accident which produced only \$10 in damages to the Landers vehicle and estimated \$150 to the Kinnard vehicle occurred at the intersection of Kramer Rd. and Davey Dr.

1969 Cadillac driven by Ruby L. Presles this time last year.

Guidelines Of Life

Temptation, like the weather, has ever been a concern of men. To understand it is to comprehend the issues of human freedom and moral law. Adam was stricken by it, and Jesus Christ struggled against it, and every normal person has to do battle with it.

But unlike the weather, we cannot escape from it by going to some air-conditioned retreat, or lovely vacation spot. At no time are we permitted to relax our vigilance, for it is always there, even in the most sacred places. How can we win over it? I am reminded of the words of Paul, as he tells us in II Corinthians 10:3, "No temptation has overtaken you that is not common to man. God is faithful, and he will not let you be tempted beyond your strength, but with temptation will also provide the way of escape, that you may be able to endure."

The first weapon against temptation is to believe that you can win over it. We need to take Paul's words seriously, and know that there is as much strength to overcome our temptations, as there is weakness to succumb to it. When you come right down to it, most of our bent to sinning is the lack of moral fiber. Evil actually is often following the path of least resistance. One of the great advances of man has been to rise above his savagery, and to push out of the jungle into a more abundant life. We are not surprised when we read of cruel and sinful acts by primitive peoples. But we who live in the knowledge of the saving grace of Christ Jesus our Lord, know that man is not just another animal, but a child of God, and there are more noble wonders of life than just the law of the jungle. God has made us with the power to live above sin and wrong, and as we walk with him, the more we grow in grace, wisdom, and power.

Rotary Foundation
Week Nov. 15-21

The Rotary Club of Burkburnett will join the international service organization's 14,372 other clubs in 145 countries in observing Rotary Foundation Week, November 15-21.

Rotary International provides educational and vocational study programs throughout the world for qualified young people. The objective of the voluntarily supported Foundation is to foster world understanding and friendship through people-to-people contact.

Since 1947, more than 4,000 young men and women have gone abroad, at a cost of more than \$10 million dollars, for a year of study and a "tour" as a good will ambassador. This

3.84 yds per rush, 18.2 yds. per game; Dandy Holland, 1 carry for 6 yds.; Sam Hancock, 4 carries for 11 yards, 2.9 yds. per rush; Darrell Nickolas, 2 carries for 2 yds.; and Rodney Roberts, 5 carries for 16 yds., 3.2 yds. per rush. In passing, Slayden has completed 16 of 48 attempts, total 303 yds., 33% completions. Southerland completed 1 of 3 attempts for 1 yd., and Karstetter completed his only attempt for 5 yds. In pass receiving, Sims has caught 12 for 241 yds., and average of 20.1 yds.; Karstetter has caught 4 for 38 yds., averaging 9.5 yds.; and Reasoner has caught 1 for 25 yds. One of the backbones of any ball club is the senior players because of their age, experience and abilities. There are 18 seniors on the Bulldog football team, with each putting forth all of his talents to make this, his last football season, a winning season and emerging with at least the District 4-AAA crown.

Heading the Burkburnett Bulldogs this season are seniors: Rick Reasoner, end, 180 lbs., 80; Jim Sims, end, 150, 33; Frank Bohuslav, end, 160, 82; Tom Bloodworth, end, 145, 21; David Norwood, tackle, 195, 74; Jerry Patton, tackle, 200, 70; Steve Petty, guard, 180, 76; Cliff Whit, guard, 200, 63; Doug Locke, guard, 175, 51; Bob Bean, guard, 175, 61; Steve Lax, guard, 165, 60; Wayne Darter, center, 155, 50; Gary Parkoy, center, 155, 66; Troy Slayden, QB, 165, 11; Bill O'Rourke, FB, 215, 42; Joe Karstetter, HB, 170, 20; Mike Hale, HB, 165, 44; Randy Holland, 155, 23.

This is the last home game for the Bulldogs this season as well as possibly the biggest home game on this year's schedule. Come out and show your support for one of the finest football clubs ever fielded by Burkburnett. They will give you a fine show Friday night. According to the Bulldogs this is the year that the Burkburnett Bulldogs will defeat the Hirschi Huskies. They are not alone in their thinking however, for there are hundreds of Bulldog fans that believe that just as strongly as do the Bulldogs themselves.

I OF Holds Skate

All the spooks, goblins and witches came out of their dens to attend the Independent Order of Foresters family fraternity Skating Rink in Burk Burnett.

After 175 members were assembled, the members and their families put on skates and attempted to roll around the rink without colliding with each other. However, there were many good skaters. After the exercise and fun, members were invited into the "Witches Den" for heard, frog and dragon cookies. Prizes were given for the best costumes as follows: 0-1st Grade, Debbie Smith, Rusty Allen; 1st-5th, Celinda Latour, Gene Stehob; 6th-8th, Rita Green, Kevin Sykes; Adult, Donna Estrada, Les Hungford.

Mission Group Meet In Raymond Smart Home

The Florence Pinkston study group of the First Baptist Church met in the home of Mrs. Smart Monday evening, Nov. 9 for Bible study. Mrs. R.P. Thaxton, chairman, brought the meeting to order and called on Mrs. Clifford Willmon to read the prayer list. Mrs. Willmon read from the book of Matthew 5:28-48 and stressed the importance of treating our enemies with love instead of a revengeful heart. She offered prayer for the Baptist congregation in Ghana.

Minutes of the last meeting were read by Mrs. Hal D. Mabry and the treasurer's report was given by Mrs. H.S. Butts. Mrs. Jack Robinson, Bible teacher, read from the book of Mark 4:26-29 and very ably analyzed "The Parable of the Growing Seed". The meeting was closed with a prayer by Mrs. Ola Quattlebaum.

Grace Lutheran Missionary Society Meet

The Grace Lutheran Missionary Society met for the regular business meeting. Rev. Dan Piel opened the meeting with prayer. The group then sang "My Faith Looks Up To Thee." The president, Mrs. James Kinder, Jr., welcomed guests and Mrs. Mary Matteson was accepted as a new member.

Modern Ceramic Club

Thirteen members of the Modern Ceramic Club met Tuesday at the Youth Center in an all day session. Mrs. Jean Chauncey was hostess. During the morning work shop members worked on Christmas ideas.

The afternoon meeting was called to order by the president, Mrs. Ray Anderson. It was decided the spring show, will be April 20, at the Youth Center and the club's Christmas party and luncheon will be December 15.

A nominating committee for new officers was appointed. Thirteen members answered roll call.

Barbra Streisand, 'Funny Girl' Award Winner

Just a few short years ago, Barbra Streisand was an ambitious young woman in a fever to become an actress, who daily "made the rounds" on Broadway. Meeting only callous rebuffs from casting agents oblivious to her talent, Barbra "gave up" the theatre. She determined "they" would come to her; she would make it on her own.

Now America's leading female singer and a major star of Broadway and television, Miss Streisand marked her motion picture debut by winning the Academy Award as Best Actress of the Year. She stars with Omar Sharif in the film version of her Broadway hit, "Funny Girl," the William Wyler-Ray Stark production, a Columbia Pictures and Raster Productions presentation in Technicolor and Panavision.

"Funny Girl" is now in general release, at the Theatre.

Barbra's undeniable talent as a performer originally surfaced in a Greenwich Village nightclub when she won an amateur talent contest which led to a nearby night club booking, the Bon Soir. Barbra sang her heart out there and, within days, hitherto indifferent agents and producers were dropping in to hear this remarkable young Brooklyn girl.

Barbra's first stage appearance was in an off-Broadway re-

lease. It lasted exactly one evening, but it was followed by night spot bookings and the role of Miss Marmelstein, in the musical comedy, "I Can Get It For You Wholesale." Her performance won Barbra the Best Supporting Actress award from the New York Drama Critics, and a Tony nomination.

Barbra's albums for Columbia Records invariably became Gold Albums and her specials on the CBS-TV Network became show business legends. She repeated her spectacular "Funny Girl" success on Broadway in London and, now, she is proving to the world, in the screen version of "Funny Girl," that she is truly a star. By Barbra's definition, "being a star is being a movie star."

Miss Streisand will be soon in "The Owl and The Pussycat," a romantic comedy produced by Ray Stark, producer of "Funny Girl."

Mat 2A: Still No. 7 Barbra Streisand, winner of the Academy Award as Best Actress of the Year, stars with Omar Sharif in "Funny Girl," which is now in general release. In Panavision and Technicolor. "Funny Girl" is the Columbia Pictures and Raster Productions presentation based on Miss Streisand's Broadway and London musical stage success. Key Medford, Anne Francis and Walter Pidgeon as Florenz Ziegfeld co-star in "Funny Girl," which was directed by William Wyler and produced by Ray Stark.

Miss Darla Rushing Crowned

League Football Queen

Miss Darla Rushing was crowned Little League Football queen Saturday at the inter-city play off game which saw the American Eagles take the Bulldogs 30-0 and the National Eagles and Bulldogs fight to a 6-6 tie.

Miss Rushing was escorted by Mark Wiker who presented her with a crown and a bouquet of flowers compliments of the Burk Burnett Florists. Other prizes included a stuffed cat from Pepsi-Cola Bottling Co., a \$10 gift certificate from the Famous Department Store, a \$5 gift certificate from Corner Drug and a \$3 gift certificate from Triple D Discount. She was nominated by the American Eagle football team whose sponsors are First Savings and Loan and Monaghan's Mobile Homes.

The first runner-up was Becky Baker, escorted by Sammy Javes. She received a second place prize a \$5 gift certificate from the Famous Department Store. Becky was nominated by the National Eagles Football team whose sponsor is Morris Plumbing Co.

The other two girls nominated this year were Christine Smith escorted by Kirk Wolfe and nominated by the American Bulldogs whose sponsor is the First National Bank and Trave Young escorted by Kenny Walker and nominated by the National Bulldogs who are sponsored by the Burk Burnett Bank.

Each of the girls received a corsage and a gift from her respective team.

The league wishes to express their appreciation to all the parents who attended and help make this game a success. It is hoped that this game will be

Made an annual affair as it is one of the major money-making projects of the year. The funds are used to support the operation of the playing field. It is also used to purchase trophies for the boys at the end of the year.

Another very hearty thanks goes to the sponsors and contributors who have supported the teams this year in providing prizes for the queen, concessions for refreshment stands, and other monetary supports.

Livestock Reporting Service

Some 40,000 Texas farmers and ranchers will receive a questionnaire this month from the Texas Crop and Livestock Reporting Service in Austin, asking for information on livestock numbers. Those receiving the questionnaire should fill it out completely and return it at once in the envelope which will be enclosed.

Football Footnotes

by Robert Sturges

There comes a time in every football season when a team must win a game or it will be out of the running for any top spot in the district. Such is the case in the upcoming game against our long time rivals, the Hirschi Huskies.

"Must" seems a strong term, but unfortunately it is a true one. Brownwood, who ranks number one at the moment, has remained undefeated in District 4-AAA play this year. We have a 3-1 record. That means we have to beat Hirschi and Brownwood in order to take the north zone title of the district. Since we play Hirschi this week, they are our prime concern.

I wanted to see how the players thought about the game so I asked them what their tactic would be against Hirschi. Mike Hale, a tail back, said, "I don't know. It kind of depends on the fans. If they cheer on (the team) and we have a good pep rally, we will do OK. We'll have to hit 'em hard at the very beginning."

Doug Locke, a guard, said, "I'm going to get mad at the first of the game at the guy on the other side of the line and just stay that way for the whole game."

David Norwood, a tackle, had just one comment. "It's a four letter word---KILL!"

So I came to the concluding statement by Joe Karstetter, who has been responsible for several pass interceptions for Burk.

"Just beat 'em" was all he said.

It seems the team is ready to play. They have been working on offense and defense this past week because of the OPEN date we had Friday. Coach Froman has been working them hard.

His ideas behind this are to work out the little kinks which cannot be worked on with a Friday after Friday game schedule.

Now let's look at our opponent. The head coach for the Huskies is Glen Johnson. Earlier this year Johnson said the main problem for his team was lack of depth even though the team has had a lot of experience. The quarterback for the Hirschi team is Joe Goodman, who

runs many types of plays. Their offensive varies from game to game. Sometimes it consists of more running plays than passing. With such a varied type of game this should prove to be a very interesting contest.

I need not say that this game will be the most important game we have played this year. The circumstances surrounding the game will prove as though by fate, if a team can win against a team that has been a jinx for years. The game will be played here, of course, and the date will be FRIDAY 13th. COULD THAT BE BAD LUCK FOR HIRSCHI?

WIVES CLUB MEETS

At a recent meeting of the Overseas Wives Club, the members voted to work at the North Texas Rehabilitation Center as a monthly project. The first visit to the center was on Tuesday, November 10th. Other activities scheduled for the month of November are the Pot Luck Supper on November 14th, a demonstration by Lone Star Gas Company on November 17th and a welcome-farewell party on November 24th.

Women whose husbands are serving overseas with any branch of the service are invited to join the Overseas Wives Club. The day group meets every Tuesday morning in Chapel 5 at 10:00. The night group for those who work or attend school during the day meets twice a month on Saturday at the home of a member. For more information about either club contact Family Services 851-2300.

Explorers Win Car-Crew At Road Rally

Explorers Gerald Harrell and David Martin of Post 155 teamed up with Dickie Schnell of Wichita Falls to be the winning car and crew at a Road Rally Sunday. The winners were 2 miles off with a total of 41.5 miles driven. These young men won a large engraved silver plate for their trophy case. The rally was sponsored by C. O. Morgan Mercury dealer and the course was set up and judged by the Wichita Falls Sport Car Assn.

Another car manned by Kreidler, Dempsey, and Lippard placed 4th, out of the silver plate division. Each car entered had a driver, navigator, and observer and the course was marked by Road Rally specifications. The mileage covered in the Rally varied from 28.7 to 41.3 and sharp eyes had to be alert for markers to stay on the difficult course.

O. C. Hurst, the post's advisor and another adult advisor from Wichita Falls turned in a mileage of 31.8. Another driving event is scheduled for December 19. Explorer Post 155 is sponsored by the First Methodist Church and meets on Tuesday at 7:00 p.m. Their activities include canoeing, splunking, mountain climbing, and staging variety shows. Membership is open to high school students.

Burk Riding Club Elect Officers At Thursday Meeting

The Burk Burnett Riding Club met Thursday in the Community Room of the Burk Burnett Bank to elect officers for 1971. The officer elected were president, Jerry Douglas; vice-president, Elmer Klinkerman; secretary, Pam Baber; Treasurer, Dorenda Goins; Sweetheart, Deana Master; Board of Directors, Stanley Cornstubble, Terry Baber, Terrel Goins, Buddy Masters, and Frank Smith; parade marshalls, Wendell Goins, Terry Baber; and reporter, Wendolyn Cornstubble.

The annual Christmas supper will be Saturday, December 5, at 7:30 p.m. in the Community Room of the Burk Burnett Bank. Belt buckles will be presented to the first place winners in each event of the Play Day Finals with trophies given through the fifth place. Every member of this organization is urged to attend.

Peach Breeding

DEVELOPMENTS IN PEACH BREEDING--New low chilling requirements of peach varieties now being released by peach breeders should make peach production possible deep in South Texas and other southern areas of the country, says Dr. Hollis H. Bowen, a Texas A&M University horticulturist. New varieties will be released during the next five years which will equal the outstanding temperate region varieties, he predicts.

NOV. 15-27 Nat. Children's Book Week

Next week, November 15-21, is National Children's Book Week. New juvenile books appear on the shelves daily for help with school assignments, and many "just for fun".

Drawing on a diary he kept while imprisoned, Frances Gary Powers has written OPERATION OVERFLIGHT, the story of the U-2 incident over Russia in 1960. It is an exciting suspense story.

BANNER FORWARD, by Eva Rappaport, related the development of a golden retriever from birth to maturity as a competent guide dog for the blind.

Charles Johnson, and Victor H. Cahalane have edited a fascinating, informative book which is an invaluable guide to sportsmen and conservationists alike. ALIVE IN THE WILD contains life-like illustrations as well as life history facts and the wonders of animal activity.

IF IT DOESN'T WORK, READ THE INSTRUCTIONS, by Charles Klamkin, provides help in purchasing and maintaining costly home appliances.

The Galloping Gourmet proves that preparing food can be easy, economical, and most of all, fun. THE GRAHAM KEER COOKBOOK is on our shelves to make your success almost automatic.

On the other hand, GOURMET COOKING FOR FREE, by Bradford Angier, is for anyone who savors new taste sensations from the abundance of nature. Hunter-chefs may find new ways to prepare rabbit, squirrel, porcupine, beaver, and cougar!

And for the "other members" of your family, Richard de Rochemont has written THE PETS' COOKBOOK. He sees to it that you are equipped to feed not only the common pets such as poodles and cats, but also, the uncommon such as racoons, crickets, or hamsters.

Pearl Buck has written a woman's view of a proud and powerful family in, THE KENNEDY WOMEN.

If you think it's time you make your money work as hard for you as you've worked for it, read "how" in THE TIME-LIFE BOOK OF FAMILY FINANCE.

On the fiction shelves we have Mary Stewart's new novel, THE CRYSTAL CAVE - a story about Merlin, man of magic. Also, new is, THE HOUSE ON BATTERNESS STREET, a story of a woman in the Mexican Revolution, by Elizabeth Borton de Trevino.

On October 1, last, Texas cattle on feed numbered 1.4 million head, said the Texas Crop and Livestock Reporting Service. This was 6 percent more than a year ago. Nationally, the number was only 3 percent in the 22 major feeding states. Ed Uvacek, Extension livestock marketing specialist, said the report showed that cattle feeding continues to show the most growth in the northern part of the Panhandle with declines now developing in northeastern and Gulf Coast areas of the state.

ASRN to Hold 20th Annual Meeting

The Texas Section of the American Society of Range Management will hold its 20th annual meeting in San Angelo, Dec. 4-5. Extension Range Specialist E.J. Raggsdale is the Section president. He says the theme for the meeting is "Multiple Uses of Rangelands--All the Resources" and that the keynote speaker will be Robt. E. Williams, chief of the range division, Soil Conservation Service, Washington, D.C.

ROUND THE TOWN

by Sylvia Lohofner

Mrs. Joe Majors has received word that her daughter-in-law, Mrs. Jean Majors, wife of the late Truett Majors, is in a hospital in Corpus Christi, receiving treatment and tests.

Mrs. J.L. Pearson, who has been hospitalized in Electra, is now staying with her daughter and husband, Mr. and Mrs. Delmer England, here in Burkburnett while recuperating from a heart attack.

Mr. and Mrs. Frank Buell, of Denton, spent Thursday visiting her mother, Mrs. W. A. Minick, who is in the Bethania Hospital suffering from a heart attack.

Mrs. Ray Anderson left Saturday for Abilene to be with her daughter, Mrs. Don (Peggy) Kennedy, for a few weeks. Don Kennedy returned to Viet Nam Friday to enter on his second tour of duty with the Armed Forces.

Mrs. Dan Culbert, of 203 W. Fourth St., received word last week of the death of her mother, Mrs. L.C. Broussard, in La Fayette, La. She had fallen and fractured her hip a few weeks ago. Mrs. Culbert's brother, who had made his home with his mother, died from a heart attack in October. Mrs. Culbert was unable to attend either funeral.

Miss Marjorie Clemmer flew to Lubbock last Friday to visit her brother, Rickey, who is a sophomore student in Texas Tech. They attended the Texas Tech-T.C.U. football game Saturday. Marjorie returned home on Sunday.

Mr. and Mrs. Charles Johnson visited their son, Mr. and Mrs. Jesse Johnson and little daughters in Houston, Texas, a few days this week.

Mr. and Mrs. Joe Richie Jr. of Burk, and friends, Mr. and Mrs. Eugene Stephens and Alan Sundal of Wichita Falls, flew on a chartered National

Home Incorporated Plane to Austin, Texas, Saturday and toured a new Loga Vista Development project. They also greatly enjoyed a boat excursion down the Colorado River, seeing many deer and other wild game. Mrs. Richie is the former Betty Taylor, of this city.

Mr. and Mrs. D.R. Taylor, of this city, celebrated their 27th wedding anniversary recently. Their daughter and husband, Mr. and Mrs. Joe Richie Jr. honored them with a dinner at the El Gordo in Wichita Falls and entertained at the "Guys and Dolls" affair afterward. They were presented with a beautiful Spanish Dinetto set from their son and wife, Mr. and Mrs. Randal Taylor, of Davidson, Okla., as an anniversary gift.

Mrs. Mabel Miller and Mrs. G.O. Price, of Lake Creek, Texas, visited their aunt, Mrs. C.C. Taylor, last week.

Mr. James Mason, who has been hospitalized in Oklahoma City for the past several weeks, returned to his home here last week. James is reported to be greatly improved.

Mrs. R.L. Winchester, of Honey Grove, Texas, is visiting her daughter and husband, Mr. and Mrs. John F. Parrish Sr. here for a few days.

Mr. and Mrs. V.L. Lindsay, of Tulsa, Okla., spent the weekend here with their aunt and uncle, Mr. and Mrs. Leo Foster, on Williams Drive.

Mr. and Mrs. J.C. Hinkle returned Sunday night from a trip to West Texas. They visited their son, Howard, who is a student at Texas Tech, in Lubbock. They were his guests at "Dads Day" festivities and attended the Texas Tech-T.C.U. football game, during which Miss Treva Ladd, daughter of Mr. and Mrs. Glen Ladd of this city, and a student at T.C.U., presented an outstanding sword and baton twirling act at half-

time. She was given a tremendous ovation for her performance. Miss Ladd, a member of the T.C.U. band and twirling group, will be remembered by many for her outstanding work while a student at B.H.S. The Hinkles also visited Mr. and Mrs. Jesse Johnson at Slaton, Texas. Mr. Johnson was a former teacher in Burk. They also called on the Woodrow Fleming family in Friona, Tex. They will be remembered as former residents and business people here. Mr. Fleming was associated with Harlan Mills in business enterprises in Burk, J.C. and Marie were caught in an old-time sandstorm on the way home and had to drive with their car lights on most of the way.

Sunday P. M. fire destroyed another of Burk's early landmarks. The former home of the late Mr. and Mrs. C.O. Walling at 214 W. 2nd St. was almost a total loss from the blaze that seemed to have started in the second floor of the building. All of Burk fire apparatus was called to the scene and fought the blaze until it was under control.

The two story house, which was built by F.E. Engelman about 1910 or 1911, and was occupied by the family for a number of years. Mr. Engelman was engaged in the harness and saddlery business on Main Street. One member of the Engelman family, Mrs. Walter (Olga) Kaspar still lives in the Clara area and another

Mr. and Mrs. Neal Hill attended the Oklahoma Philatelic Convention in Lawton Friday and Saturday.

Warning System

W.S. Allen, Extension agricultural engineer, reminds farmers who raise poultry and swine under present-day confinement methods that a warning system to alert them to power failures is a good investment. Such a system, he adds, could easily mean the difference between success and failure of the farm enterprise. An emergency system has been developed and is operated from a 6-volt fence controller battery, he says.

Miss Garland Presents Program To The Contemporary Study Club

Mrs. Gad Garland, teacher at Southside Elementary School, gave a program on "Education of the Future" for members of the Contemporary Study Club. She stated that there are different approaches to education being tried which may make the process of learning more effective in the future.

The regular meeting was held in the National Room with the president, Mrs. Dan White, hostess and Mrs. Lee Soper, co-hostess. Roll call was answered with each member giving her favorite subject in school and the grade level of her children.

In the business session, Mrs. Joe Boucher reported on the final plans for the bazaar being held November 13 and 14 in

the Old Gill Grocery building from 9:00 to 5:00. Home-made items will be featured with a doll and her complete wardrobe being given away in a drawing.

It was also decided to donate groceries to a needy family on Thanksgiving.

The next meeting is a husbands' night and will be held in the Redy Room, November 23. Mrs. Harold Thomas of Wichita Falls, will give the program on "Americanism."

Those present were Mmes. Jack Rupard, Harry Elliot, Soper, Frank Miller, Tom Evans, Boucher, Mary Barnes, and Cliff Wampler.

Miss Wirges Gives Program For Clara-Fairview Club

Miss Thelma Wirges, county home demonstration agent, gave the program during a recent meeting of the Clara-Fairview club.

She discussed "designer's touches in sewing," saying that polyester was the leading fabric and that purple, orange, and dusty pastels were the most popular colors for this season.

Mrs. Ray Stimpson, President, presided over the business session in which it was decided that a basket of food for Thanksgiving will be given to the Faith Village Mission located on Lamar Street.

The next meeting will be held in the home of Mrs. Ida Beckham.

Leslie Kemp, 17 year old Distributive Education student is employed at Gill's Grocery under the supervision of Mr. John B. Gill. Labeled for PROTECTION

Some medicines may be taken internally; others are for external use only; therefore labels caution us as to their proper use. These precautions are for our own protection and good.

All things in life are not so clearly marked as to their proper use. The Bible is our source and guide, our label.

Thy word is a lamp unto my feet, and a light unto my path.

Psalm 119, 105

ATTEND CHURCH, STUDY GOD'S WORD

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Farm Review & Forecast

Windbreaks Work Well In The City, Too

A wind break planting can be a real asset to suburban homeowners as well as to rural farm families.

"For years, farm families have enjoyed the benefits of large shelter belts and windbreaks," Everett E. Janne, Extension landscape horticulturist says. "Even though suburbanites have less land on which to plant than do their farm neighbors, they can still benefit through the use of smaller windbreak plantings."

According to Janne, the winter months are ideal for planting windbreaks so that the trees will be ready to grow next spring.

Trees for windbreak plantings are available from the Texas Forest Service and the local Extension office can provide information on ordering trees from this source.

"A well-designed windbreak will aid in reducing wind speed, prevent drifting snow and lower heating bills while protecting gardens, ornamentals and wildlife," Janne said. "Even a small windbreak will make outdoor living and working conditions more enjoyable during winter months."

Locate the planting in relation to prevailing winds and for ideal winter protection, place the windbreak to the north and west of the area to be protected. Provide five or six row plantings for maximum winter protection for farmsteads and dense one or two row plantings for suburban sites. Where

space is limited, small tree and large shrub varieties can be planted fairly close to buildings or roads without causing snow to drift into them.

However, large trees should be located 100 to 150 feet from the north or west side of buildings and roads, the horticulturist said.

"Large shrubs should be spaced 5 to 6 feet apart in the row, and a spacing of 6 to 18 feet can be allowed between the rows where space permits a planting of two or three rows," Janne said. "Small dense growing trees can be spaced from 6 to 12 feet in the row."

For maximum protection, it is best to locate a shrub planting to the north or west side of the tree row when small trees are used, Janne added.

The annual Tri-County Community Improvement Banquet will be held at Valley Farms Community House on Tuesday, November 24 beginning at 6:30 p.m. The banquet is sponsored annually by the Texas Electric Service Company. Mr. Reagan Brown, Rural Sociologist, Texas A&M University, will be the principal speaker. Outstanding farmers, homemakers and youth will be recognized. Members of the organized communities that have entered the Texas Community Improvement Program are invited to attend.

The Wichita Falls Area Pecan Show will be held in Wichita Falls on Saturday, December 5. The pecan show will be held at Sears, Virgil Woodfin, Iowa Park Experiment Station, will be general superintendent of the show. We would like to encourage all pecan producers to plan to show entries in the show. One quart of pecans make an entry. Ribbons and trophies will be awarded.

The ninth annual Horse Short Course will be held November 20-21 at Texas A&M University. The program is designed to help both the experienced and novice horseman. Registration will begin at College Station's Ramada Inn at 1 p.m., November 20 with the first session set for 7 p.m. 4-H horse leaders and others interested in horses are invited to attend.

Conditions this fall haven't been anywhere near ideal for storing grain on the farm. Grain which has been placed in storage should be checked at regular intervals to make sure all is well, reminds County Agent B. T. Haws. Wet spots can develop in grain even though it was dry when placed in storage. This can happen due to a condition known as "moisture migration."

The county agent explains the condition this way: "Air currents are set up inside the grain

storage area when the weather gets cold, causing warm moist air to rise to the top of the grain. When this air meets the cold layer of air and grain at the top, it releases its moisture and wets the grain."

This moisture migration can be controlled by equalizing the temperature throughout the grain. It is done with a small circulating fan and a perforated floor or air duct. In cold weather, the fan is used to force air through the grain to equalize temperature, thus preventing the moisture migration conditions.

There is a difference between grain drying and grain aerating, points out the county agent. A grain drying system utilizes large amounts of heated or unheated air. Aeration systems use a small air flow in the range of one-twentieth to one-tenth of a cubic foot of air per minute. An aeration system should not be expected to do a satisfactory job of drying grain.

"Contours of Change" is the title of the recently released 1970 Yearbook of Agriculture. It is a book which every American should find both interesting and full of information they can appreciate. Copies are available from the Superintendent of Documents, Government Printing Office, Washington, D. C. for \$2.50 each.

Marketing Tips

Best beef values this week include arm and blade potroasts and steaks, ground beef, short ribs and round steaks and roasts, reports Gwendolyn Clyatt, Extension Consumer Marketing specialist.

Pork values include hams, picnics, shoulder roasts and steaks and end cut loin roasts and chops.

Fryers continue to be the number one bargain in most retail meat departments, and grade A large size eggs now offer the best combination of quality and economy for the consumer's egg money.

Look for special features on homogenized milk, half and half and low fat milks. Milk, one of the basic four food groups, provides calcium, protein and vitamins with daily consumption.

Fresh fruit and vegetable items in ample supply and at the most economical prices include apples, bananas, oranges, cranberries, grapefruit, hard shell squash, potatoes, celery, cabbage, sweet potatoes, carrots, rutabagas and locally grown mustard, collard and turnip greens.

hem should be attached to the underlining. Pay special attention to avoid stitching through the top side of the garment. Transparent and sheer fabrics look best when attached to the underlining.

Miss Wirges reminds that regardless of the fabric, a good hem should always be an even distance from the floor all the way around. It should not be noticeable on the right side of the garment. The hem should be uniform in width, and wide or narrow enough to give the right weight to the skirt. A good hem is one that is durable, neat, well-pressed, and lies flat and smooth.

Now is the time for homemakers to enroll as demonstrators. Thelma Wirges, County Home Demonstration Agent, works individually with demonstrators to help them establish a project in their own homes, for their own families. These demonstrators may work on any phase of homemaking: home improvement, yard im-

provement, foods and nutrition, clothing, etc. Demonstrators are accepted on a first come basis. The County Home Demonstration Agent accepts as many as time will permit to work with. If interested, contact Thelma Wirges, 305 Federal Building, Wichita Falls.

The Wichita County Home Demonstration Council will meet Tuesday, November 10, at 1:30 p.m. in the Wichita County Commissioner's Courtroom. Mrs. R. A. Gilbert is chairman of the council. This is the last meeting of the year and annual reports will be given by officers and committees.

The District III 4-H Adult Leader Banquet will be held in Seymour on Saturday, November 14. Any leader may attend and should contact one of the assistant agents.

Homemakers interested in learning more about commodity foods are invited to participate in a class November 24 at 1:30 p.m. in the Presbyterian Mission in Wichita. Homemakers out of Wichita Falls can contact Thelma Wirges, 305 Federal Building for recipes.

Wrinkles are a vicious cycle.

In some dryers the heat that dries your clothes also bakes wrinkles into permanent press.

But you can buy a new gas dryer with a permanent press cool-down cycle that turns off the heat and cools off your clothes.

That means modern gas dryers won't add wrinkles to your wash and extra ironing to your work load. Because they have a cycle that keeps wrinkles from becoming vicious.

The word spin can be applied in many occupations and amusement situations. In aviation the word is no-no to many students pilots, and several years ago a number of student pilots dropped flying instructions rather than practice spin recovery which was then a requirement students must pass before an examiner would issue a pilot license.

Opposition to practicing spins and the fact plane designers started designing planes that are so stable an accidental spin is almost the thing of the past, spin practice was lessened by the CAA.

I have not kept up with required flight maneuvers a student must do for private and commercial ratings, but I am sure spin recovery is no longer required in the flight tests for these two ratings. I am equally sure a pilot taking a check ride for a flight instructor's ticket must still make a three-turn spin to the left and right and recovering within 10 degrees of the direction the plane was headed when the spin was started.

Readers, who do not know how to enter and recover from a spin nor know the reasons for practicing spin recovery, will have to be patient until they get a flight manual to study or until I get around to writing what I know about the various things involved in an airplane spin.

This week I will write about an experience a 16 year old boy and myself had one Sunday morning in 1947 at Cordell, Oklahoma.

This lad was ready to solo, but I had not given him any song and dance and training on spin recovery. Our discussion, before takeoff involved much explaining why a plane, spins, how it spins, how long it will spin, the various kind of spins and ways a pilot can make a plane quit spinning.

This student had flown with his father many hours before his father's death and

SHEPPARD AFB, TEXAS--ATC MERITORIOUS RECREATION AWARD-- Mr. C.D. Landrum is presented with a plaque for being named Air Training Command Meritorious Recreation Award (civilian) recipient for the period Sept. 1, 1969 to Aug. 31, 1970. The presentation is made by Maj. Gen. Jerry D. Page, commander of Sheppard Technical Training Center. Mr. Landrum will represent ATC in the U.S. Air Force Competition. He lives at 518 Sycamore Road in Burk Burnett.

Four Sheppardites Honored At SFAB

Four Sheppardites were recently honored by their respective organizations for outstanding performance of their jobs at Sheppard Air Force Base.

TSGt. Santiago Black was named Noncommissioned Officer of the quarter of October for the 205th Communications Squadron at Sheppard.

A1C Kenneth J. Mach, an assignment clerk with the Consolidated Base Personnel Office was named Airman of the Month for that organization.

Department Instructor of the Month for the Department of Aircraft Maintenance Training of the 3750th Technical School is Adrean L. Dunn, a civilian. He is an instructor in the Jet Aircraft One and Two Engine Course.

Ann. Glen E. Griffin, a Student in the Jet Aircraft One and Two Engine course of the Department of Aircraft Maintenance Training, was honored as Department Student of the Month for October.

SFAB Leading Contributor For W.F. United Fund

Sheppard AFB, Texas became the leading contributor to the Wichita Falls United Fund for the first time in 15 years with a 108.7 per cent donation. The amount totaled \$54,343.87.

The gifts were released at the victory luncheon Friday at the First Methodist Church of Wichita Falls.

As a result of being the top division in the drive, Sheppard's princess, A1C Judy Heckelively, was named the United Fund Queen for 1970.

Maj. Gen. Jerry D. Page, commander of Sheppard Technical Training Center, presented a check for Sheppard's contribution to E.M. (Duck) St. John, general chairman for Wichita Falls' United Fund Drive at the luncheon.

The affair was attended by a number of base officials. Among them were General Page, who served as the base chairman; Col. John S. Sparks Jr., base vice chairman; and Joe Keese, assistant to the vice chairman.

General Page expressed his sincere appreciation to all those at Sheppard who gave so generously and those who worked so hard to make this the most successful United Fund campaign ever.

"The real beneficiaries of this year's success will be the youth, the handicapped, the aged, and all others helped by the 24 agencies which United Fund supports in the community," the general observed.

"This was a great way to bow out of participation in the Fund Drive," said Colonel Sparks, "It's always nice to go out on top."

John Volpe, Transportation Secretary: "In the final analysis, the way we want to beat this thing is by keeping hijackers off planes."

Surplus Equipment Offered on Seal Bid Sale

Surplus power and distribution equipment at Sheppard Air Force Base is offered on a sealed bid sale according to Maj. Ronald B. Stepp, chief of Services Division at Sheppard AFB.

The property may be inspected from now through Nov. 16 excluding Saturdays, Sundays and holidays from 8:30 a.m. to 3 p.m. Persons interested are asked to contact Pete W. Hogan, redistribution and marketing officer at Building 2135 or telephone 851-2712 at Sheppard.

Bids should be mailed to Defense Surplus Sales Office, P.O. Box 6297, Fort Worth, Texas, 76115, where they will be opened at 9 a.m. Nov. 17.

Col. Jack January Jr. To Leave Sheppard

Col. Jack January Jr., chief of Plans Division of Plans and Operations, is leaving Sheppard AFB this week for an assignment as commander of 36-50th Air Base Group at Columbus AFB, Miss.

He came to Sheppard in April of this year from Korat Royal Thai Air Force Base, Thailand, where he had served one year as deputy chief of operations for the 553rd Reconnaissance Wing.

Succeeding Colonel January will be Lt. Col. John D. Reitz, colonel selectee, who has been serving as assistant chief of Plans.

Colonel Reitz also came to Sheppard in April of this year. He came from Tan Son Nhut AB, Republic of Vietnam, where he served with the 360th Tactical Electronic Warfare Squadron.

From Alleyton, Texas, Colonel Reitz was graduated from Columbus High School and received a bachelor of science degree in business from Texas A&M University in 1949.

Col. Thomas B. Miller Assumes Duties SAFB

Col. Thomas B. Miller assumed duties as commander of 3750th Technical School at Sheppard AFB, Texas, Nov. 1, succeeding Col. George S. Arbutnot who retired Saturday after almost 29 years of military service.

Colonel Arbutnot retired in San Antonio.

Colonel Miller has been the Technical School's deputy commander for five months. He came to Sheppard in June 1970 from Maxwell AFB, Ala., where he served as chief of the Department of Doctrine and Strategy at the Air War College for three years.

Col. Amos H. Ross, chief of the Department of Communications and Missile Training of the School, will also serve as the deputy commander now.

Also mentioned were tentative dates for the suspension of flying training for the holiday period. The plans now call for the training to conclude with the end of the duty day Dec. 18 and resume at 6 a.m. Jan. 4.

Medical Service School Hosting 55 Reps of USAF

The 17th annual Health Services Administration Medical Supply Symposium began Monday at Sheppard's Medical Service School.

The school is hosting 55 representatives from Headquarters United States Air Force, Defense Medical Material Board, Defense Personnel Support Center, Air Force Medical Material Field Office, major air commands and medical treatment facilities.

The symposium brings to the conferees the latest techniques and procedures in financial planning, procurement, and inventory and equipment Burroughs 3500 computerized materiel management system.

Maj. Gen. Jerry D. Page, commander of Sheppard Technical Training Center, and Col. Jarrod L. Wheaton, MSS commander, welcomed the conferees.

Keynote address was given by Col. William H. Bines, chief Materiel Division, Office of the Surgeon General, Headquarters USAF.

Workshop and discussion sessions gave conferees opportunities to exchange ideas, improve working techniques and facilitates communications and understanding among the Department of Defense, Air Force and using agencies. Career development, training and personnel programs were also highlighted.

Brig. Gen. Roger Hombs To Visit Sheppard SAFB

Brig. Gen. Roger Hombs, U. S. Air Force Assistant Surgeon General for Dental Services, will visit Sheppard Oct. 29 and 30 for tours of the Medical Service School (MSS) and the U.S. Air Force Regional Hospital at Sheppard.

The general will arrive Thursday afternoon and will be met by Col. James B. Cole, base dental surgeon; Col. Edward T. Dehan, chief of Dentistry at MSS; and Col. William H. Behrens Jr., chief of the Department of Medical Training.

That afternoon he will be briefed on MSS by Colonel Behrens and will visit with Maj. Gen. Jerry D. Page, Sheppard commander. He will also visit the hospital for a talk with Col. John J. Kavanagh, hospital commander.

Friday morning General Hombs will visit the Department of Dentistry and the Dental Staff Officer Symposium being held at Sheppard this week.

In the afternoon he will speak to the graduates and award certificates of training to the attendees of the symposium.

The general will depart Sheppard Friday afternoon for his return to Washington, D.C.

Conduct Letter**

Mr. and Mrs. L. K. Jackson 521 Tidal, recently received the following letter commending on their son's fine conduct.
Dear Mr. and Mrs. Jackson: Your son, Private David A. Moser, . . . has been selected as a Distinguished Trainee in his company. The selection was made by the officers and non-commissioned officers of his company and was based on his soldierly attributes, personal conduct, and his ability to assi-

milate the training presented. As his parents, you may feel justifiable pride in you son's military accomplishments. His excellent spirit of cooperation combined with an obvious desire to excel, are the principal personal characteristics which produced the outstanding results that he achieved. These personal attributes characterize not only good soldier, but also good citizens, I am proud to have been your son's commander.

Sincerely yours,

**Brownie Troop 40
Hold Investiture
Ceremony**

Brownie Troop 40 held an Investiture Ceremony recently. The setting was a "mirror pond" decorated with ivy. Brownies portrayed scenery around the pond. During the ceremony nine new Brownies received the Brownie Pin and the Brownie Friendship Pin. Games were played and re-

freshments were served to 20 girls and 9 guests. The Troop held a birthday party for Juliet Low recently, and made a contribution to the Juliet Low World Friendship Fund.
Brownie Troop 87 held an Investiture ceremony for eight girls this week while Jr. Troop 94 is working on the Troop Dramatics Badge. Jr. Troop 45 discussed making tray favors for the rest home at Thanksgiving and final plans were made for the mobilization campout Friday 13 at 4:00 p.m. The girls are working hard to be ready for this.
Jr. Troop 25 is working on My

Trefoll Badge.

Jr. Troop 59 held an Investiture Ceremony at the last meeting for two girls. In training received through the council, they were shown ways to improve the ceremony.

Senior Troop 70 is planning to assist with the Muscular Sympathy Drive on November 16.

The quality of cottonseed for planting purposes next year could become a problem due to fall weather conditions. Therefore, points out Fred C. Elliott, Extension cotton specialist, careful attention should be given to harvesting, ginning and seed handling to insure quality seed.

**Demonstration
Given At High
School By SMSS**

Airmen First Class Mike Tillmans and Dick Frawirth of the Sheppard Medical Service School gave a demonstration of the methods of mouth-to-mouth resuscitation to the high school Biology class of Mrs. Audrey Tillmans on Wednesday and Thursday of last week.

On Tuesday the students were shown a film on the symptoms and causes of suffocation and blocked breathing. Then the stu-

dents were shown the proper techniques of artificial respiration on special mannekins which simulated the human trachea and lungs system.

On Wednesday the students practiced the methods which they had learned. There were five steps: clearing the air passage, tilting the head, closing the nostrils, placing mouth on subject to form air tight seal, and finally the breathing itself. The students were instructed that a rate of 15 to 20 breaths a minute is the best rate for adults and 20-30 for small children. The demonstration ended with a question - answer period.

**Burkburnett 8th
Grade Team Ends
Perfect Season**

The 8th grade team of the Burkburnett Junior High rounded out a perfect season last Thursday night by defeating the Electra Cubs 30-8. Scoring for the Bulldogs were Doug Garrison, Jimmy Brownie, and Robert Pate. The Bulldogs played their entire eight game regular season without suffering

a single defeat. This is the first time since its beginning that a Burkburnett Junior High team has gone a full season without a defeat. An undefeated season is not the only honor this bunch of scrappy boys have taken this year. They have intercepted at least one pass per game except during one contest, and that game the opposing team was never able to get off a pass. During the entire season only one pass was completed against the outstanding first string Bulldog defense. To top this off, there has been only one touchdown scored against the main defensive team. The opponents of the Bulldogs were only able to score a total of 54 points during the season, with 48 of these points coming against the regular punting and kick-off teams, the

offense and against the second and third string defensive teams. The mighty offense of the Bulldogs has scored a total of 202 points during the season as compared to only 54 for the opposing teams. Coach Tex Yeager reported that although this was the largest number of boys out for football (50) in a number of years, the boys were smaller in size than usual. Coach Don Humphrey stated that the boys forgot how to lose; "They started winning and the boys said they were going to keep it that way." The perfect record of the eighth grade began when they defeated the Wichita Falls city champion Hirschi in a scrimmage. They followed this by defeating Iowa Park 36-12, Lawton Thomas 12-6, Duncan 32-12, Vernon 32-12, Lawton Thomas 6-0, Bowie 22-0, Graham

32-6 and Electra 30-6. The seventh grade of the Junior High also compiled an impressive record this season. These youngsters lost only one game out of their regular season. They swamped the Electra Cubs last Thursday by the score of 30-14. Each of the backs of the team supplied one of the hard won touchdowns.
