RAYMOND GREENWOOD

My feathers are still getting ruffed up a bit as I continue to see where the "big wheels" keep saying that almost everything we do is unconstitutional or they try to re-balance everything.

I understand there has been a suit filed in the U.S. District Court in Wichita, Kansas against the Gas Service Co. seeking to prevent termination of service to those who can't pay their bills.

The suit, filed in behalf of three Wichita, Kansas residents who said they couldn't pay their gas bill, seeks to have the gas company continue to furnish these people gas. The suit wants to end the gas rate schedule now in effect. It wants a new system established that sets up a sliding scale based on the individual's ability to pay.

The poorer the person, the less he pays for his gas. The more money a person has, the more he would be expected to pay for the same amount of gas.

The suit, filed by the Wichita, Kansas Legal Aid Society, says that a gas company that cuts off the gas simply because a customer doesn't pay his bill has violated his rights under the 5th and 14th amendments to the U.S. Constitution. To quote another editor's comments concerning the case, "There seems to be some sort of overwhelming obsession to level out everything, to redistribute the wealth, to put everybody on the same standard of living, to restructure the whole of American society through judicial edict."

If my feeble mind serves me right, then I recall some history teacher (back in my school days) telling me that was what Communism was all about—taking from the wealthy and giving to the poor until all were equal. I for one am old fashioned enough to get real unhappy when someone tells me exactly what I must charge someone—or be charged—and for the charges to be more for one man than for another for the same merchandise or services!

Let's think about that this election year. Don't be hesitant about speaking to our lawmakers about these and similar things. They'll probably at least listen this year, though they may not act on your suggestion next year.

Speaking of politics, the Democratic precinct chairman over Wichita County held a Straw Ballot at their Monday meeting and the results were quite interesting. For first place picks for the Democratic nomination for Presidency, Mr. Muskie was way out in front by a three times margin. He polled 17 votes, followed by Humphrey 5, Jackson 4, McGovern 2, Lindsey 0, McCarthy 0, and Wallace 0.

I wonder how true this would be nation wide?

With a few spring like days creeping in occasionally, talk around some of the coffee shops tends to turn toward fishing.

As you all know I'm about the biggest minnow dunker in these here parts. That is I drown more minnows. Trouble is, they tell me that really isn't the object of fishing. How would I know, the only fish I've ever seen was in a super market or in the back of somebody's else's pickup. How am I supposed to know where they come from???

Anyway, here's some wise tips that I ran across and thought I'd pass on to the area fishermen. There are some

TEACHER OF THE YEAR--Miss Suzanne Hardeman is presented the Teacher of the Year Award by Bill Darland, high school principal, during Saturday night's activities.

New Teacher Presented Special Award Sat.

Steve Cremeens and Vicki Littlejohn were named Mr. and Miss Burk Burnett High School, respectively, Saturday night when the Derrick Staff of the school held its annual presentation of honors in the Burk Burnett Community Center.

This year's theme for the 50-year-old event was "Make Your Own Kind Of Music" and was carried throughout the evening by local entertainers including High Flight, Thomas and Robert Sturges, Monica Hubbard, Jan Green, Connie Mullins, Debbie Brookman, Roby Brown, Lori Goddard and Suzanne Bowers. As an added highlight to the evening's schedule, Miss Suzanne Hardeman was named "Teacher of the Year". She is a newcomer to BHS, this being her first year as a physical education and English teacher. She graduated last spring from Midwestern University.

The "Mr. and Miss BHS" and "Teacher of the Year" titles and all other honors were voted on by the student body only. The new "Miss BHS", Miss Littlejohn, is a senior and the daughter of Mr. and Mrs. Bobby Littlejohn. She is a member of Pep Club, president of the Student Council,

1971 Football queen, and serves on the yearbook staff. "Mr. BHS", Cremeens, also a senior, serves as president of his class, is a member of the National Honor Society, Bulldog Basketball team, Spanish Club, and the Student Council. He is the son of Mr. and Mrs. Steven Cremeens.

Named first runners-up to "Mr. and Miss BHS" were seniors Mike Howard and Laura Allison. Howard's parents are Mr. and Mrs. B. R. Davis and Miss Allison is the daughter of Mr. and Mrs. Thurman B. Allison.

Pat Zimmerman and Tim Steele were named second runners-up. "All School Beauty and Handsome" were sophomore Shirley Blair, daughter of Mr. and Mrs. John Blair, and junior Sam Hancock, son of Mrs. Robbie Hancock.

First runners-up in the "All School Beauty and Handsome" contest were seniors Linda Johnson, daughters of Mr. and Mrs. S. L. Johnson and Tim Steele, who is the son of Mr. and Mrs. Kenneth Steele.

Terri Taylor, daughter of Mr. and Mrs. Finis Taylor, and Jody Southerland, son of Mr. and Mrs. Johnny Southerland, were named second runners-up in the same category.

Miss Taylor is classified as a junior while Southerland is a senior student.

Debbie Brookman and Chris Strayhorn were announced as the "All School Favorites". Debbie, the daughter of Mr. and Mrs. Donald Brookman is a senior and Chris, who is the son of Mr. and Mrs. John Strayhorn, is a sophomore student.

Seniors Pat Zimmerman, daughter of Mr. and Mrs. W. T. Zimmerman, and Sam Hancock were first runners-up to the favorite couple with Laura Allison and Mike Howard in the third place.

Sophomores Shelly Moore and Chris Strayhorn took the See TEACHER, Pg. 14

ROYALTY AT HIGH SCHOOL--Steve Cremeens and Vicki Littlejohn were named as Mr. and Miss BHS during the All School Honors program held Saturday night in the Burk Burnett Civic Center.

Incumbents First To File For Places On City Council

All four incumbents for the Burk Burnett City Council filed for re-election this past week for the four vacant posts. The men, Albert Dillard, T.M. Cornelius, J. L. Caffee and Bill J. Smith, were the only persons in the running for the four places as of 5:00 Tuesday afternoon. Filing deadline is March 3.

J. L. Caffee of 303 Ellis lists the longest tenure of any present councilman with a total of six years service on the Burk Burnett City Council. Caffee, now retired, is a long-time resident of Burk Burnett. He served as a clerk in the local post office for a period of 20 years and as assistant postmaster for another 20 year period. He is active in the Methodist Church and in the Lions Club which he has served as president.

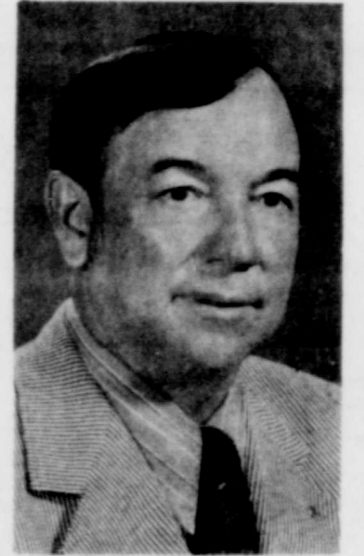

In his statement to the Informer/Star Caffee noted, "It has been my privilege to serve as a councilman for six years. Burk Burnett is a progressive city and I will strive to keep it that way. If re-elected another term I will continue to serve the citizens of Burk Burnett to the best of my ability."

Billy J. Smith, who is currently serving as the Mayor of Burk Burnett, will also be seeking his old seat on the council. He is a veteran of two terms (four years) on the City Council. Smith came to Burk Burnett seven years ago from Oklahoma and is now a partner and the treasurer of Texas Re-inforced Plastics, an industrial firm here.

In Oklahoma Smith served as the superintendent of Okla. See ELECTION, Pg. 14

Saturday Last Day For LL Sign-Up

The last call for Little League registration will be Saturday from 12:00 to 4:00 p.m. at Hayes Field. According to J. E. Larson, player agent, the number of boys that have registered in the past two Saturdays is disappointingly small, and every boy interested in being involved in the baseball program is urged to attend this last registration.

Special emphasis has been placed on the new league in Burk Burnett for boys 16 to 18 years old. The Optimist Club is sponsoring one of this league's teams and it is hoped that a sponsor for the other team can be found soon.

Sponsors for the Senior League are Wolfe Ford, Lippard Insurance, Optimist Club and Texas Electric.

The Major League is sponsored by Burk Burnett Bank, First National Bank, Carpenters Union, American Legion and Home Builders.

The Optimist Club, Piggy-Wiggly, Preston Dairy, and

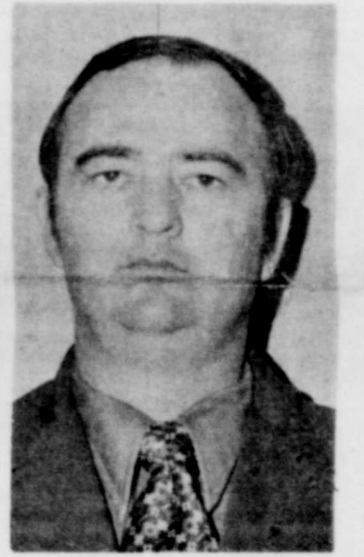

White Auto Store will sponsor the Minor League teams, while the Pee Wee teams are backed by Mathis Chevrolet, United Grocery, Corner Drug, and Famous Department Store.

From Saturday throughout the summer, the calendar is full for the men and boys that help make the baseball program the great success that it has proved to be for the last few years.

Beginning April 10 in Waco, there will be a three-day school for any of the teams' coaches that are interested See LL, Pg. 14

Livestock Show Barn Plans Get Underway

Finalizing of plans for the upcoming Jr. Livestock show and the approval for the beginning of construction plans for a new show barn were the main topics of discussion at the Monday night meeting of the Burk Burnett Jr. Livestock Assn. meeting.

The directors present voted to start the proposed 120' x 60' building according to current plans; and gave the president and secretary of the association the authorization to borrow the money needed to construct the building.

The proposed building will be a pipe structure covered with sheet iron and will contain two dozen skylights. The Association currently has approximately one - half the

needed funds to raise the building.

The Association has leased tract of land near the rail road track on the truck route west of town for the building site. The site was leased for 99 years from Wichita County.

The annual Jr. Livestock Assn. show is set for Saturday, February 26 with a large number of animals expected.

James Easter and Jake Fite, local Ag teachers, reported that plans call for the show to have one gilt class, four barrow classes, at least two sheep classes and one steer class. In addition to this there will be a foods class which will be divided into meats, vegetables and desserts.

The show will be held in the new Vo-Ag building at the high school or just outside the building if weather per-

mitted. Livestock will be judged by Benny Clark who is the new vocational agricultural teacher at Wichita Falls.

The show is open to all FFA and 4-H members who are students in the Burk Burnett Independent School System.

All entries will have to be made on an entry card and turned into the High School Ag Dept. by Monday, according to Jake Fite. The entry fee must accompany the entry card. Fees were set at \$1.00 for sheep and hogs per entry and \$2.00 for cattle. Students may enter as many animals as they wish.

The foods division of the show will be under the direction of Mrs. Bobby Klinkerman and Mrs. Clark. Contestants may enter only two foods in the contest.

Local Police Need Help

Police Chief Buck Abbott of the Burk Burnett Police Department asked Tuesday that Burk Burnett residents be on the lookout for a small black German Dog.

The dog bit Andrew Dunn of 910 Preston as the Dunn youth delivered newspapers on his route. The incident occurred at the corners of Peach, Holly and Laurel Lane. Neither the local police nor the boy have been able to find the dog.

Police want to find the dog and hold it in the City Pound or at least have its owner pen it up for a rabie check. If the dog can be located and checks out to non-rabied then the youth will not have to undergo the painful rabie vaccinations.

Anyone seeing the animal or knowing its whereabouts is urged to contact the Burk Burnett Police, Pg. 2

Miss Hardin 1972 Pageant Coming

Fifteen beautiful young "ladies" will compete Friday night, February 25, for the coveted title of Miss Hardin 1972.

This is the first contest of its kind in Burk Burnett since 1963 when the vivacious Briney Bee Saltwater, better known in social circles as Lloyd Bloodworth, was crowned and bestowed with the dubious honor.

The Hardin PTA has taken this means, which is an all-male satire on the Miss America Pageant, as a last resort to raise money for their ever-present goal of air conditioning the Hardin School. Dale Lewis will emcee the affair and Jerry McClure,

Jack Aaron, and other highly-qualified professionals of the glamour world will judge the contestants. As stated before, all proceeds will go to Air Conditioning Fund of the Hardin PTA.

The winner of this contest will not be allowed to win by just dazzling the judges with her beauty, charm, and poise, the young lady must also present a short, but dynamic display of true talent.

The girls that have entered the pageant are Prunell Pruneface (John Gill), Tiny Tipka Toensaler (Joe Gillespie), Greta Girdelstuffer (C. J. Lippard), Bernice Bustleworth (Brack Preston), Ger See PAGEANT, Pg. 2

Work Starts On New PD Building

The construction of a new Police Department for Burk Burnett is underway. The old Town Hall has been cleared and a new sub flooring has already been laid as the plans for the station progress rapidly.

Gary Bean, local city manager, stated last week that he has made a trip to Austin to talk with officials of the Criminal Justice Council. The Council has refused the City of Burk Burnett matching funds to help with renovation of the Town Hall and the siting up of a Police Station in it. The City was notified of this action several weeks ago.

Bean stated that he has heard that the new Criminal Justice Council will meet in March and that there might be hope that they would change their by-laws "where they would help people not head over heels in debt." Bean was informed by officials that

there would be no way that the by-laws would be changed.

In the letter from the Council to the City of Burk Burnett denying the matching funds it revealed that the City of Burk Burnett did not owe enough money to be eligible for the matching fund grant. The City of Burk Burnett sends a set amount of each fine collected by the local Corporation Court to the Criminal Justice Council to help with the updating of the police facilities over the state.

According to Bean, some of the city employees will help with the construction of the police station with the assistance of a carpenter or two. "We'll just 'poor boy' it along," stated Bean, "We'll build it on as limited a budget as possible using all of the resources as far as labor etc. that we have in our own organization."

Question of the Week :

"What Do You Want To Be When You Grow Up?"

Special thanks to Morris Simonson, principal at Hardin Elementary, and the six fifth grade teachers who cooperated with the Informer/Star on this Question and Answer.

MATT MILAM

I want to be a pilot in the Air Force because that is what my father is doing and I think it's interesting. Matt is the son of Mr. and Mrs. Leland Milam.

TONI PUGLIESI

I want to be a singer. A rock and roll singer. I like to sing. But I think I'd like to be a singer because of all the boys you could meet. Toni is the daughter of Mr. and Mrs. Joe Pugliese.

JAMES BROWN

I want to be a doctor. I want to help fight disease and help save peoples lives. James is the son of Mr. and Mrs. Joe Allen Brown.

BRENDA BEARD

I want to be a playwright. I don't like to read books and all that junk, but I think a playwright would be interesting. I want to write for movies and be the director. I wouldn't want to be a mystery writer. I would write gangster movies. Brenda is the daughter of Mr. and Mrs. Wes Beard.

BRIAN ROARK

I want to be a postman. It's interesting and you make fairly good money. And I want to be like my Dad. Brian is the son of Mr. and Mrs. Dwight (Rosy) Roark.

DONNA WRIGHT

I want to be a teacher, a kindergarten teacher. I think being a kindergarten teacher would be easier than yelling at the Big Kids. Donna is the daughter of Mrs. Kathy Wright.

Circle II Meets Mon.

Mrs. G. D. Scruggs hosted WSCS Circle II of the Methodist Church in her home when they met Monday. Mrs. A. R. Bunstine opened the meeting with prayer and Mrs. Opal Henderson presided during the business session. A course of study taken from the book, "The Visitors From the Lost" and covering the second chapter of Matthew was presented to the group by Mrs. Begeman. At the close of the meeting the hostess and the co-hostess, Mrs. Lowry served refreshments to Mrs. Begeman, Chambers, Lowry, Bunstine, Henderson, Glibow, Brady, Scruggs, and two guests, Mary Jo and Linda Scruggs.

Sr. Citizens Hold Reg. Meeting

The Senior Citizens Club had their regular meeting and luncheon Thursday in the new Civic Center. Mrs. W. X. Trevena presided. Mrs. A. C. Houser, program chairman, introduced Joel Graves who is the music and youth director of the First Baptist Church. He sang several appropriate songs for Valentine's Day and concluded with several religious songs. During the business session the club voted to add a corresponding secretary and Miss Toni Weaver was elected. It was also voted to have the birthday cake once a month. The next meeting of the Senior Citizens will be Thursday, February 24.

WINS \$100 BILL--Patricia Klunkerman, employee of City Pharmacy, is shown as she accepts a \$100 bill from F. M. Coker, general manager for Southwestern Drug Corp. Looking on is Jack Lebow, left, territorial manager, and Ken Hastings, right, owner of City Pharmacy. Mrs. Klunkerman won the \$100 in a MVP Vitamin contest sponsored by Southwestern Drug Corp.

Circle I Meets In Church For Feb. Meet

Circle One of the Women's Society of Christian Service of the Methodist Church met in the church parlor Feb. 14 with Mrs. Bertha Mitchell as hostess. After the song, "What a Friend", Mrs. R. G. Gragg led in prayer. Mrs. B.N. Cauthorn, circle leader, conducted the business session. Mrs. Mitchell gave the program "The Invitation - A Teacher Not Like Others", by Hans-Rueder Weber. The devotional was Matthew 51-52. During the social hour, delicious refreshments were served to Mrs. Gragg, Cauthorn, Rigby, Browning, Hardaway, Harmon, Harsh, Mallett, Caffee and Mitchell.

TEEN TALK

By Laura Allison

The Future Farmers of America are really on the go! In a little over a month's time, the FFA will have attended or hosted four livestock shows. The first one was February 3, 4, and 5 in Fort Worth. Fourteen boys attending this stock show including six prize winners. Those attending were David Weatherred, Tim Mullins, Bobby Dilbeck, Jerry Reynolds, Danny Allen, Dickie Shaw, Ronald Huffman, Robert Gill, Mike Dodson, David Watson, Mark Adams, Gary Unger, David Wilson, and Alan Hatcher. Five member's barrows placed in the show. Alan Hatcher placed 2nd; David Watson, 5th; Dickie Shaw, 6th; Mark Adams, 7th; and Robert Gill, 13th. Mr. Fite and Mr. Easter, FFA sponsors, also explained that Danny Allen's lamb placed 19th out of 200. "This is really good," stated Mr. Fite, "we are all proud of Danny and all of the other boys also."

Mr. Fite also revealed plans for the Burk FFA's own stock show to be held Saturday, February 26. All of the 4-H and FFA clubs in the Burkburnett school system (Clairview, Friberg, etc.) will be participating. The following Monday, February 28, the club will leave for Houston for the stock show there, and they will then participate in the County show at the 4-H Barn in Wichita Falls on March 13, 14 after returning. Congratulations to these winners and good luck in these future shows.

The Youth Choir at the First Baptist Church, which boasts approximately 100 members, will be going on a choir trip this Sunday. The choir will be traveling to Hilton, Oklahoma to present the folk musical "Life." Saturday, March 4, the group will perform at an area wide all-day youth rally at Midwestern University. It will start at 10:00 a.m. and continue throughout the day. You won't want to miss this group's performance!

Don't forget the all-school production this Friday and Saturday nights. The show will be at the new Community Center.

All School Production Fri. - Sat.

Yes, "We've got a lot to give." One hundred-sixty-four students will prove their theme on February 18 and 19. On that Friday and Saturday evening at 7:30 the all school production of the music, speech and drama departments will be presented in the Burkburnett Civic Center. 108 students are involved in the cast, and another 56 will be "behind the scenes" as crew. The production is under the direction of Mr. David Yeary, Mrs. Ferne Bloodworth, Mrs. Sandy Hamilton, and Mr. Jimmy McClain. The one-hour show is divided into 3 parts: I, School Spirit; II, Love; and III, Home-town-Home. There are thirty-three individual numbers in the fast-moving, hour-packed show. Emcees Teri Garland and Chris Amburn will be quite busy throughout the performance. Tickets go on sale this week. Fifty cents for students and \$1.00 for adults.

Police

burket Police Department. The Police only investigated one incident this week with that one occurring at Mathis Chevrolet. Someone stole the hub caps from two new pickups at the dealership. The hub caps were valued at approximately \$135. Small damage occurred from a traffic accident occurring last Thursday involving Mary L. Schmitt of 209 Linden driving a 1969 Dodge and Charlotte A. Humphrey of 113 Ruby. The Schmitt vehicle was parked behind the Humphrey vehicle at the Elementary School of N. Ave F, letting out school students when the Humphrey vehicle backed into it.

good ideas, but it still won't prevent you from losing some one else's rod and reel, will it Fred H.??

Fingernail polish is finding its way from the cosmetic case to the tackle box. The brightly-colored stuff has dozens of uses appreciated by the outdoorsman, according to the Texas Parks and Wildlife Department.

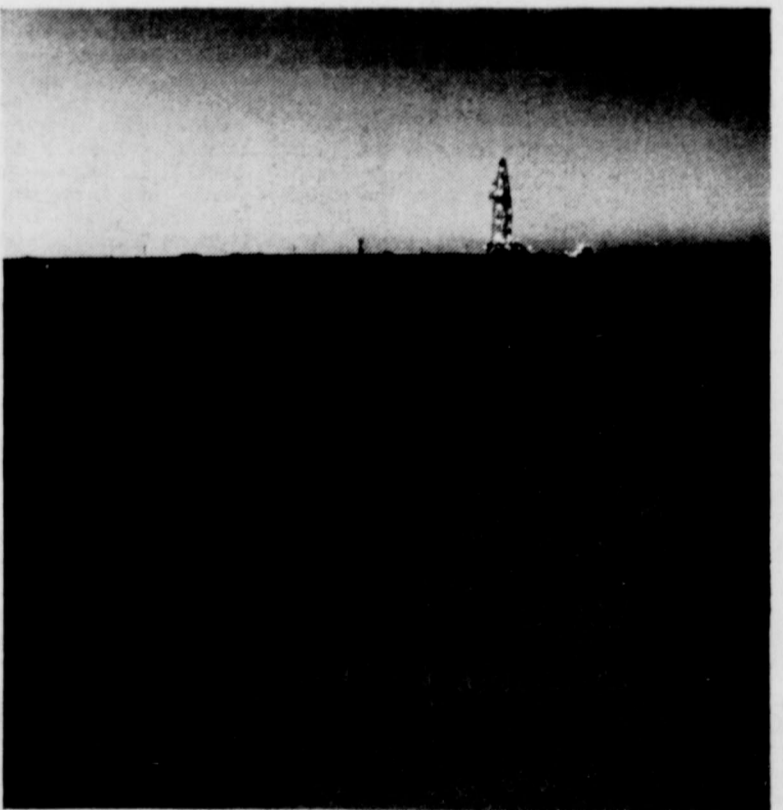

The dark red polish can be used to touch up chipped fishing lures, or to add color or patterns to dull-colored lures. If the silk or nylon winding on a rod begins to unwind, a few drops of either colored or clear polish will stop the damage. Even braided line can be protected by dipping it in polish.

Nail polish also is an excellent sealer for bolts and screws in reels, guns or scopes. Just coat the threads and tighten them down. It will also waterproof the heads of matches and will burn readily when the match is struck.

This event may not come to Burkburnett again for another nine years, so everyone is urged to buy their tickets early at various businesses around town or from the PTA members. Prices are 75¢ for children and \$1.00 for adult admission.

Our incredible journey
5 1/2 miles beneath the surface of the earth.

We're going deep, deep, deep into the earth. 28,000 feet beneath the surface. We're drilling a 5 1/2-mile-deep well at the Anadarko Basin in Oklahoma. We are pioneers in drilling for gas at this great depth.

This well is just part of our continuing search for natural gas. We're continuing our search even though we already have an adequate supply to meet our customers' needs. We know we have a responsibility to look after the needs of the next generation.

What does this mean to you?

It means you'll have adequate gas energy for all your needs. It means we'll be able to operate at peak efficiency and keep your gas service reasonable. And we'll be able to support the growth of our service area. This will mean more jobs and more money. And a better life for all of us.

You might say we're going to great depths to stretch your dollar.

Profitable Pastures Require Planning

COLLEGE STATION - Profitable pastures don't "just happen", they have to be planned in advance.

"The foundation for profitable pastures is adequate, good quality forage," contends Dr. Neal Pratt, Extension agronomist at Texas A&M University. "This requires certain management practices."

A major step in producing abundant, high quality forage is proper fertilization according to soil test recommendations. Adequate plant nutrients improve quality and yield and stretch rainfall.

"In most pasture areas of Texas, at least 60 to 80 pounds of nitrogen should be applied two or three times during the summer growing season," recommends Pratt.

Forage quality declines rapidly as plants being grazed reach maturity, notes the agronomist. He suggests cross-fencing as an effective pasture management tool to im-

prove production.

Chemical weed control is another important practice in many Texas pastures. Weed control on large acreages can boost grazing during the summer months.

"A major step to profitable forage production is the use of grass species and varieties adapted to the area," Pratt points out. "Plant breeders at Texas A&M are developing new species which provide higher quality forage and longer growing seasons than are now available."

Overall, the most important aspect of forage production is record keeping, believes the agronomist. This means accurate records on investments and returns per acre. Records should also show weaning weights, calving percentages and other specific details on the beef cow.

Forms for use in keeping accurate forage production records are available at county Extension offices, adds Pratt.

"NO TILLAGE PLANTING"--Forage sorghum is being planted into standing wheat stubble. Elimination of plowing operations conserves soil and water and reduces farming expense. (USDA-SOIL CONSERVATION SERVICE)

No Tillage Planting Cuts Farming Cost

Reduced air pollution, better wildlife habitat--these are some of the environmental benefits of a new practice being used by Texas conservation farmers.

The measure, called minimum tillage, also cuts farming costs by reducing tractor trips required to produce a crop.

"With minimum tillage, farmers plant crops without prior land preparation," Gary Batte, district conservationist for the Soil Conservation Ser-

vice at Iowa Park, said. "Using a coultter and other special equipment, they plant directly into a mulch of residues left undisturbed from the previous crop. Herbicides are used to control weeds, so costly and time consuming cultural operations are reduced or eliminated."

Stalks, leaves and stems from the previous crop are left on the surface yearlong with minimum tillage. The protective cover is highly effective in preventing wind

erosion and air pollution from blowing dust.

Batte said the cover is equally effective in preventing water erosion.

"Scattered seed and cover left on the soil surface by minimum tillage is also extremely valuable to wildlife," Batte said. "Pheasants in the Texas Panhandle are almost entirely dependent on crop residues for survival during the winter months. Quail, geese, turkey, dove, songbirds, deer, antelope, rabbits, and other wildlife also benefit from the food and cover."

Batte said SCS has published a new booklet "Minimum Tillage in Texas" which describes the new farming system in detail. To get a free copy, contact the SCS office at Iowa Park, telephone number 592-4176.

FARM REVIEW

Twenty Local Members To Show At Houston

Twenty members of the Burk Burnett FFA Chapter will show entries in the Junior Division of the Houston Livestock Show and Rodeo. Gregg Eastman has entered one steer and Rick Beard has entered and will show a pen of steers. Danny Stubblefield, Vernon Smith, Rodney Roberts, Jacky Simmons, Ricky Brady, Griff Klunkerman, Ron Welter, Charles Lindenborn, Randy Walker, Jay McCluskey, Terry Thompson, Donald Guinn, Craig Crumpler, Steve Kinnard, Mike Howard, John Bentley, Zac Henderson, and Keith Easter will show barrows in the Swine Show. The Swine Show will be highlighted by the addition of the All-Breed Purebred Swine Sale this year, the first time ever to have a breeding swine sale.

A record number of entries and premium money will make this year's Houston show the largest livestock show in the world. Classes are provided for 10 beef breeds, 4 dairy breeds, 6 swine breeds, 11 sheep breeds, 6 horse breeds, 5 rabbit breeds, 22 poultry breeds and Angora goats.

Among other programs benefiting youth on a statewide basis are the Scholarship and Research Programs. The Houston Livestock Show and Rodeo annually presents scholarships to outstanding FFA and 4-H Club members in the amount of \$4,000 each.

Fifty students are currently attending college on scholar-

ships provided by the Houston Livestock Show and Rodeo. Twenty-four scholarships of \$1,000 each will be awarded to winners in each of 24 counties participating in the show's GO-TEXAN program.

The Research Program, established in 1970 by the show, is being carried on in twelve Texas agricultural colleges. Much of the work is done by students, thus providing jobs for those college students who need to work.

The knowledge shared through this \$200,000 Research Program directly benefits Texas agribusiness.

Dates for the 1972 Houston Show are February 23 through March 5, with the first two days set aside solely for livestock judging and sales.

A spectacular rodeo is planned this year to celebrate the 40th anniversary of this great civic event. Every day will bring different stars to the Astrodome. On Friday, February 25, Roy Rogers and Dale

Evans will star in matinee and evening performances. Saturday, Feb. 26, Jim Nabors will headline the matinee and evening shows. Charley Pride will come in on Sunday, Feb. 27, for the two scheduled times that day.

Monday, February 28 through Friday, March 3, there will be evening performances only. Roger Miller will appear on Monday, Lynn Anderson and Jerry Reed are scheduled Tuesday, Wednesday evening will bring the 5th Dimension, Wayne Newton is featured Thursday, and Friday Eddy Arnold will present his talents.

Saturday and Sunday, March 4 and 5, there will again be two shows daily. Glen Campbell will appear on Saturday and David Cassidy will close the show on Sunday.

Tickets may be obtained by writing the Houston Livestock Show and Rodeo, P.O. Box 20070, Houston, Texas. 77025.

Cecil Jarvis's New Members Of FCCO

The Friberg Cooper Community Organization met Feb. 7 at 7 p.m. for their regular meeting in the community center.

Mr. W. T. Jenne, president, presided over the meeting and welcomed Mr. and Mrs. Cecil Jarvis as new members.

Mrs. Leroy Barfield gave the secretary's report and read communications.

The organization pledged \$20.00 for the 4-H and FFA Junior Beef Show. Mr. Jenne urged each member to go see the Wichita Falls District Beef Show, which will be Feb. 9, 10, and 11 at the 4-H Barn on Midwestern Parkway.

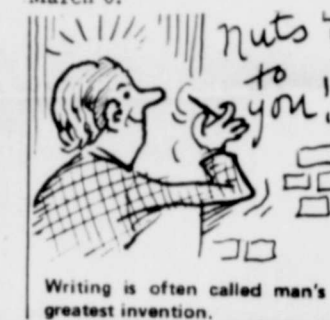

The election of new officers was held. Mr. J. W. Tole was elected president; Mr. Leroy Barfield, vice-president; Mrs. W. T. Jenne, secretary; Mrs. L. Vollmer, treasurer; and Mrs. Bee Bryant, reporter.

The group played 42 and

dominoes. High prize was won by Mrs. Cecil Jarvis and low prize by Mrs. Glen Bailey.

Delicious refreshments were served to Mesdames and Messrs. J. W. Tole, W. T. Jenne, W. P. Rogers, D. B. Clar, Glen Bailey, Cecil Jarvis, Leroy Barfield, also Mesdames L. Vollmer, Ella Gill, Mae Katch, Anna Mae Emmert; Miss Janith Clark and Rev. A. O. Ackenbom.

The next meeting will be March 6.

A seminar on all "Sources of Credit for Livestock and Agriculture" will be held on Tuesday, February 22, 7:30 P.M. in the ASCS Agriculture Room in Iowa Park. The program will take the form of a panel discussion. Those on the panel will include: Bob Hillery, Don Moser, and Joe McDonald, representing Wichita Falls banks; Harry Forbes, representing the Federal Land Bank; Charles McGilvray, representing Farmers Home Administration; and Jim Schur, representing Production Credit Association. If you are interested in financing agriculture or want to know more about it, you are urged to attend this meeting. It should be an excellent program and one you will not want to miss.

Farmers, ranchers and business men need to take a close look at the seven percent investment tax credit when filing their 1971 income tax returns. To qualify, property must have been ordered and acquired after March 31, 1971, or acquired after August 15, regardless of when ordered. Investment credit also applies to property where construction or reconstruction was begun after March 31 or was completed after August 15, regardless of when begun. For construction prior to April 1, only costs attributed to the period after August 15 apply.

The outlook for forage production in Texas is bright. The state is blessed with favorable soil and climatic conditions and a long growing season. High quality with high producing grasses are available for producing top quality forage. As beef consumption continues to increase, the profit potential for forage production will likewise increase.

Eliminate costly rats and mice from your premises during the winter when biological conditions make a control program more effective. The reproductive rate of rats is

slower in winter, and a shortage of food makes them more likely to take bait. Starving rats also die from diseases and hungry predators prey on them during colder periods. Cold weather drives rats indoors.

Every rat getting room and board on farm's and home throughout the state is eating valuable food and causing damage. Rats also carry dangerous diseases which may infect both animals and man.

The primary species of harmful rats and mice in the state are the Norway rat, Alexandrian rat (commonly called the roof rat) and the house mouse. To permanently remove the threat of rats and mice from buildings remove their food, shelter, and water.

The rat's sources of food are spilled grain, livestock feed and pet food. Placing grain and feed sacks at least six inches off the floor to discourage rats from nesting in them is a good idea. Keep garbage and refuse in tightly covered metal containers. All food stored should be kept in rat-proofed buildings, room or containers.

Rats and mice seek shelter in implement storage areas and places that have dense weed growth. They like wood and trash piles and old sheds that aren't used too often. Such places should be either cleaned or destroyed. Buildings that are used for storage of feed or grain should be rat-proofed by sealing all entrances except doors and windows with hardware cloth or metal flashing.

Do you really save when you shop out of town?

Do so-called "big city discounts" really cover the cost of getting there?

Next time you consider an out-of-town shopping trip take a minute to estimate the cost of gasoline, oil, tire depreciation and parking.

Consider out-of-town service, misfit exchanges, no-fit returns and warranty repairs.

And don't forget that money spent out of town keeps traveling while money spent at home returns in community improvements.

Add it all up.

When you face the facts don't be afraid to change your mind and shop at home.

Miss Linda Ann Maida and Jackie L. Cornelius

Maida-Cornelius Engagement Told

Mr. and Mrs. Peter Wilson Maida, 185 Central Caldwell Drive, Beaumont, announce the engagement of their daughter, Linda Ann, to Jackie L. Cornelius, son of Mr. and Mrs. T.M. Cornelius of Burkburnett.

The wedding has been set for 7:30 P.M., Saturday, May 27 at St. Anne's Catholic Church.

Miss Maida is a student at Texas Christian University where she is a member of Delta Delta Delta Sorority. She was a princess in the Neches River Festival, made her debut at the Viennese Ball, and also represented Beaumont at the Cav-Ol-Cade in Port Arthur and the Cotton Ball at College Station, Texas.

Her fiancé graduated from Burkburnett High School in 1964. He was active in football, basketball and track. He attended Jr. College at Cameron College in Lawton, Okla., where he played in the Jr. Rosebowl game in California. He is a graduate from Texas Christian University with a business degree and he is a member of Sigma Chi Fraternity. He is now a field representative for General Motors in the Dallas-Ft. Worth area.

Mrs. Darrell Nichols, Director, announced today that the Wichita County Our Little Miss and Ideal Miss Pageant will be presented March 3 and 4 at the Burkburnett High School Auditorium.

The World's Our Little Miss Pageant is the world's oldest, largest and only nationally televised children's event of its kind.

The local preliminary will have three divisions. There will be competition for the tiny tots between 3 and 6 in the LaPetite division; Little Miss division, ages 7-12 and for big sisters, the Ideal Miss division, for teens between 13 and 17.

The little LaPetites compete in party dresses and sportswear while the Little Miss and Ideal Miss compete in party dress, sportswear, and a three minute talent presentation.

The winner of the LaPetite and Little Miss divisions in the local pageant will compete in June for the Texas State

title in Waco, Texas, while the Ideal Miss will go directly to the international competition to be held in July at Baylor University in Waco, Texas also.

Any girl wishing to participate in the local pageant on March 3 and 4 is urged to contact Mrs. Nichols at 569-1017 after 5:00 a.m. or Mrs. Lynda Wheeler, 569-2013 anytime for entry blanks or information.

Michelle Nixon will be relinquishing her crown to the 1972 LaPetite winner, Lolly Hatcher will be crowning the Little Miss and Connie Dolan will be relinquishing her title

to the new winner. These young ladies represented Burkburnett and Wichita County well at the State level. Lolly Hatcher won 1st alternate to the Texas State Little Miss and was invited to the World Little Miss Pageant in Miami, Florida where she won the World Tap Dance Trophy.

Janlee Baptist Church Begins Campaign Sun.

This Sunday morning the JanLee Baptist Church is entering a six week Sunday School Attendance Campaign. The theme of the Campaign is "JESUS CHRIST IS LORD". Those entering the campaign will be attempting to show others that Jesus Christ is Lord in worship, in witnessing, in stewardship, in prayer, in the home, in Bible study, and in all of life.

The goal of the Sunday School is to average 150 in Sunday School for the next six weeks. Those attending this Sunday will sign a covenant card saying they will do their best to show others that Jesus Christ is Lord by their faithful attendance. Everyone is invited to attend and be a part of showing others that "Jesus Christ is Lord" in their life. Mr. Glen Smith is Sunday School Superintendent.

Jim Lemley

Presented Plaque

The Jim Lemley home was the meeting place for Theta Epsilon Sorority's annual Valentine social Monday night. The party rooms were decorated with red and white hearts and refreshments of sandwiches, chips, and dips were served from a table centered with a crystal punch bowl of red punch.

Glen Drake was named "good actor" when the group enjoyed a lively game of charades.

As the climax of the evening, Jim Lemley was presented the Sweetheart Plaque, an honor voted by the members at an earlier meeting.

Seven members and their husbands attended the social and Mr. and Mrs. Cloyd Adams were special guests.

At your service: Enough electricity for today and tomorrow.

Dependable electric power in ample supply helps make good living possible today—and is essential for tomorrow's growth and progress—throughout the area served by Texas Electric.

Providing enough electricity to meet these needs will require over \$165 million in new construction in the next two years. That's a lot of money. And about \$100 million of this will have to be raised in a competitive market at a time when interest rates are much higher than they were just a few years ago.

This, added to other higher costs of doing business, makes the job of planning and building ahead an even bigger task. At Texas Electric, providing enough electricity is a commitment and a continuing effort that keeps us at your service.

Farm Bureau Week Set For Feb. 14-18

The week of Feb. 14-18 has been designated "Farm Bureau Week" in Wichita County by County Judge Calvin Ashely.

During this period the Wichita County Farm Bureau will have a special enrollment drive as a part of a statewide effort to exceed last year's total of 127,402 member families. Wichita County ended its 1971 year with 795 members.

Ed Foster, Jr. of Electra is president of the local county Farm Bureau. President Foster's slogan for 1972 is "1002-4-72" or 1002 farm families for 1972. Membership Chairman is Carl Moeller of Electra. Membership campaigns who will be working on the drive include: Lois D. Barbour, J. W. Tole and Norman Roberts. Other volunteer workers will be assisting in the special drive. Chairman Moeller has set a kick-off breakfast for Monday morning, Feb. 14 in Iowa Park for all workers. Prizes will be offered and a large trophy will be given in the county in District III for securing the most members. A report meeting will be held Feb. 24 in Wichita Falls.

The county president said farmers and ranchers need an organization more than ever before.

"We producers need a stronger organization to help

solve problems in marketing, agricultural public relations, taxation, as well as other matters affecting our net incomes, President Foster said.

The text of the proclamation issued by Judge Ashley reads:

"Agriculture is vital to the economy of Wichita County, our State and Nation. A large percentage of our citizens is dependent directly or in-

directly upon agriculture for their livelihood. All of our people benefit from the productive efficiency of modern agriculture.

"Farmers and ranchers have learned to promote their industry through organization. Four out of five agriculture producers in this Nation belonging to a general farm organization are members of Farm Bureau.

Kite Flyers Told To Follow Rules

Young kite flyers are urged to follow a few simple rules for their own safety, according to B. J. Vincent, company manager for Texas Electric Service Company.

Vincent warns them of the danger of flying kites in the vicinity of electric power lines.

"If your kite should get caught in electric wires, call Texas Electric Service Company," Vincent says. "Someone will be sent to get it down for you."

Vincent recommends the following safety rules for kite flying: Always use dry string, not wire or anything metallic;

always use wood and paper in your kite, not wire or metal; always fly your kite on days when there is no rain; always avoid busy streets and highways while flying your kite.

Don't pull on the string or climb a power pole to loosen a snagged line; always fly your kite far from electric or power lines; always fly your kite away from TV and radio aerials.

"Posters containing these safety rules have been distributed by the company to all schools," Vincent said, "so youngsters will get more fun out of flying kites and at the same time keep from getting hurt or losing their kites."

Guidelines of Life

By Max Dowling, Pastor
Central Baptist Church

A REWARDING CHALLENGE

BE CAREFUL!!! If you are a born-again child of God, you may be sure that the enemy of your soul, the Devil, is seeking daily by every devious means of this evil world to confuse your mind and undermine your faith.

For this reason, it is absolutely essential for you to apply yourself faithfully to the study of the Bible as it will enable you to stand up against all the attacks of Satan and to live triumphantly for Christ.

Luke reminds us in Acts 20:32, "And now, brethren, I commend you to God, and to the Word of His grace, which is able to build you up, and to give you an inheritance among all them which are sanctified."

I challenge you not only to study but to MEMORIZE THE WORD OF GOD!!! Plan some time each day for this rewarding Christian experience. Previous scriptures I have given you this month are Joshua 1:8 and Matthew 6:24.

Members of Central Baptist Church are working to memorize Psalms 19:9-11 this week. It's lengthy, but your interest and effort will produce spiritual strength and vigor.

Psalms 19:9-11 says, "The fear of the Lord is clean, enduring for ever: the judgments of the Lord are true and righteous altogether. More to be desired are they than gold, yea, than much fine gold: sweeter also than honey and the honeycomb. Moreover by them is thy servant warned: and in keeping of them there is great reward."

Young Farmers Will Meet
The meeting of Grandfield Young Farmers will be held Feb. 21st at 7 p.m. in the agriculture room of the high school.

Ace Reporter
And now a few words from this ace reporter as I like to call myself. About the people of Grandfield, they are all so friendly and nice. Most of them ask me more questions than I ask them. They all want to know how Lamoin Champ and Charlie Hofack are. These two men are from Grandfield and well remembered there. Both are wonderful men as the people of Burkburnett know.

Devol Doings

By Ethel McCasland

The news in Devol this week seems to be about sick folks, Floyd Utte is now able to be home after spending two weeks in a Henrietta hospital and undergoing surgery two times. He is said to be improving satisfactorily.

The flu bug has been with us doing his thing, Mr. and Mrs. George Warren are both sick at home with the flu. Mr. and Mrs. Donnie McGill are just recovering from the bug.

Mrs. Dollie Hardin has returned home from General Hospital after spending two weeks there recovering from a severe case of the flu. Mrs. Elbert Zink, her daughter, is spending a few days here with her mother.

Mrs. C. C. Hawhee is still

on the sick list recovering from a bad case of flu.

Seems that the chicken pox is raging in our town also. Marty and Craig McCasland, sons of Mr. and Mrs. Don McCasland, have both been suffering a bad case of the chicken pox.

Other children in the community who have had the chicken pox are Scott, son of Mr. and Mrs. John Powell; Jeff, son of Mr. and Mrs. Glen Powell; Deena and Donnie, children of Mr. and Mrs. Donnie McGill; and Craig, son of Mr. and Mrs. Jerry Wilkinson.

Mr. and Mrs. C. D. Wooten left Sunday to return to their home in Clute, Texas after spending a few days last week visiting their daughter and family, Mr. and Mrs. Don McCasland.

Miss Jisite Hamill of Dallas was recent company of Mr. and Mrs. Frank McClendon and Gillis.

Mr. and Mrs. O. G. Weaver of Lawton visited friends in Devol last Monday.

Two Awarded Plaques

Pete Negri and John Crater were presented with life-time memberships to the Red River Rifle and Pistol Club at the club's Tuesday night meeting.

W. K. Clayton, president of the club, stated that both men are long time members of the club and that Negri is a charter member. The men were presented plaques by the club.

The group attending the meeting were shown a movie on the fascinating old trails of the United States.

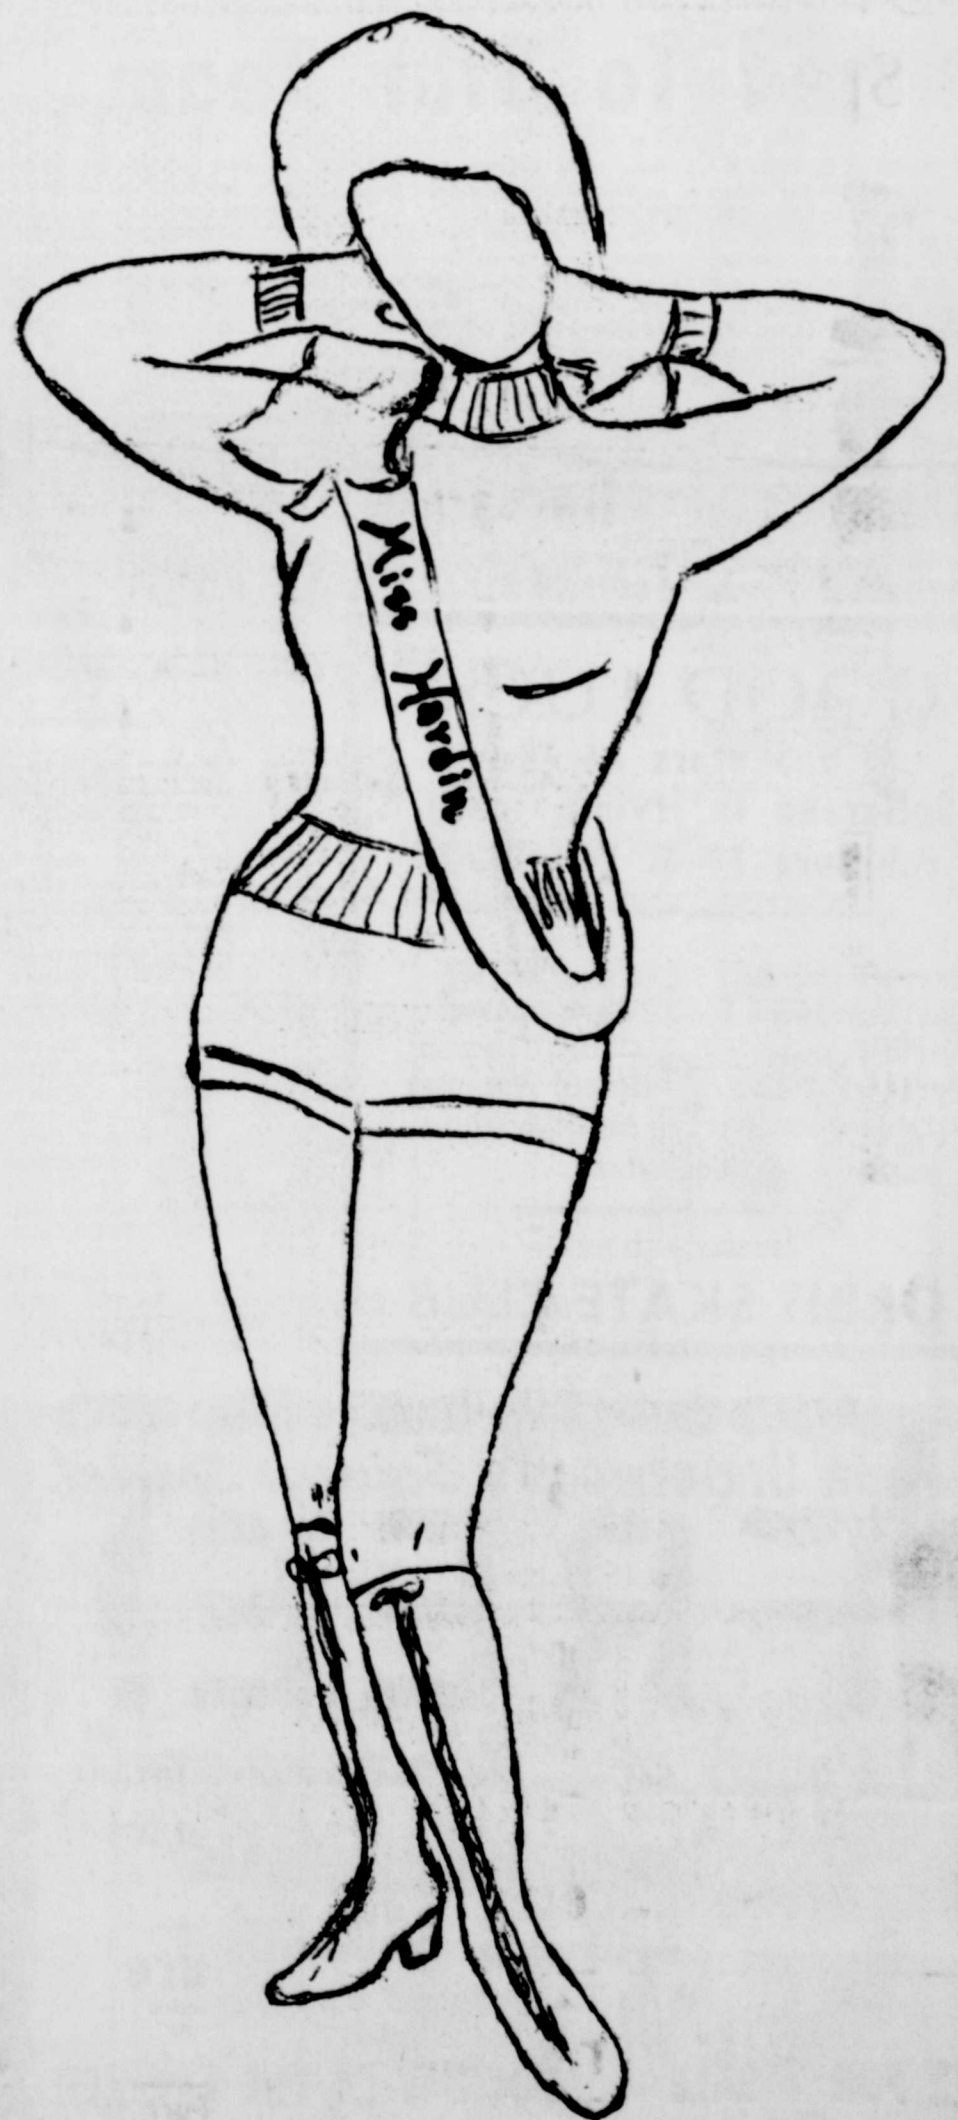

R.L. Clemmer On Dean's Honor Roll

LUBBOCK, Texas--A total of 897 students, including Richard L. Clemmer of 705 Forest, in the College of Business Administration at Texas Tech University qualified for the dean's honor list for the fall semester, according to Dean Jack D. Steele.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 point grading system.

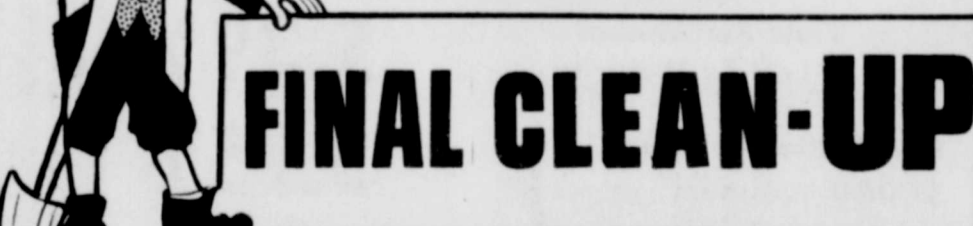

The College of Business Administration is one of six colleges and two schools at Texas Tech University, with a total fall enrollment of more than 21,000 students. The others are the colleges of Arts and Sciences, Agricultural Sciences, Education, Engineering and Home Economics and the Graduate School and the School of Law.

SHEPPARD AFB, TEXAS--CIVILIAN AWARD--Former Sheppard Fire Chief, William M. Beck, is presented a citation for meritorious civilian service by Col. S. D. Berman, base commander, Sheppard AFB. This award is given by the Department of the Air Force to civilians for particularly outstanding service to the government. Mr. Beck retired in December 1971, after serving 22 years as fire chief at Sheppard. (OFFICIAL USAF PHOTO)

Physicians' Assistants Signified By Patch

SHEPPARD AFB, TEXAS--"Who is he--the one wearing the blue patch on the white coat?" It's a typical question at USAF Regional Hospital Sheppard. "And who is he?" He's a student Physician Assistant, the newest member of the Air Force medical team. The first Physician Assistant class began at the school of Health Care Sciences, USAF, at Sheppard AFB 6 July 1971. Right now the students of the first class are seeing patients at the USAF Regional Hospital at Sheppard in conjunction with the clinical medicine and patient diagnosis phase of didactic training.

"We've begun to take patient histories and physicals," TSgt. Gene A. Cook, a member of the first Physician Assistant Class stated. "It's important work," he continued. "And there is a real art to it...to ask questions which will bring honest responses." Kenneth S. Shepard, Col., USAF, MC Director of the Physician Assistant Program, SHCS, said, "This aspect of the Physician Assistant's education prepares the student to know the boundaries of normal. His skill in communication will help him make accurate judgements regarding the patient's condition." During the course of his two year, 1,276 hour program of education the student Physician will spend the initial year at the School studying basic sciences, clinical medicine and patient diagnosis. The second year will be spent in various Air Force Regional Hospitals throughout the country where the student will work with specialists on a supervised one-to-one basis in special internship programs.

After completion of the two-year medical curriculum the Physician Assistant will be the assistant to the General Therapy Physician helping with the important challenges of primary patient care. And to prepare for this job he is spending long hours learning anatomy, physiology, microbiology, chemistry, psychology, public health pharmacology, clinical psychiatry and principles of surgery. The physical diagnosis and clinical medicine portions of the curriculum are primarily taught at the Sheppard Hospital. Beginning late in October of 1971, working with specialists two mornings each week, the students started studying clinical medicine and patient diagnosis by observing the clinics and performing examinations on one another. But now they have become much more involved in actual patient care. "Students meet for an hour for a lecture session related to a certain speciality and then break into small groups of about five or six for observation," Dr. Shepard said. Involved in this phase is study of diseases of the skin, ear, nose and throat, the nerves, the heart, lungs and eyes. "This is just one aspect of a curriculum which I immediately consider the most outstanding program for education of the Physician Assistant in the nation," Col. Shepard said.

Maj. Gen. Jerry Page Honored In Absentia

SHEPPARD AFB, TEXAS--Maj. Gen. Jerry D. Page, commander of Sheppard Technical Training Center, was honored in absentia as the Outstanding Salesman of the Year at the third annual Distinguished Salesman's Award Banquet Tuesday night at Midwestern University Clark Student Center. The banquet was held by the Sales and Marketing Executives of Wichita Falls. Outstanding sales personnel from Wichita Falls' leading firms were also recognized.

Announcement of the award to General Page was made by Dean Stewart of White Stores. Colonel Anderson W. Atkinson, acting Sheppard Technical Training Center commander, accepted the award on behalf of General Page who is recuperating in the U. S. Air Force Regional Hospital. A taped message of appreciation from General Page was played during the ceremonies.

This award is presented annually to a local citizen who through the years had demonstrated top civic leadership and whose personal services have enhanced the social-economic development of Wichita Falls.

NCO Wives Now Taking Applications

SHEPPARD AFB, TEXAS--Applications are being accepted by the Sheppard Noncommissioned Officers Wives Club for the two \$500 scholarships being awarded to graduating seniors by the club. Deadline for submitting applications is March 6 and the judging will be March 11. Dependents of the NCO Wives Club members who are graduating this spring are eligible to participate in the program. Applications may be obtained from Mrs. J. C. Lester or Mrs. James McPartlan.

SHEPPARD AIR FORCE BASE

Four Sheppard Men Named To Star Team

SHEPPARD AFB, TEXAS--Four members of the Sheppard AFB Senators basketball team were named to the 13-man all star team Monday along with tournament most valuable player Terry McCammon from the Laredo AFB team and Randolph AFB's high scoring Larry Soliday. The All Stars will lead ATC in the Air Force World Wide Basketball Tournament that opens at Sheppard Monday morning. Clarence Hightower, Cornelius McPherson, Larry Borum and Freddie Grays are the Senators on the ATC squad

that will defend its title against the challengers from around the globe. ATC champion Laredo two other players on the squad, forward Jon Canada and guard Pat Kavanaugh. From the Lackland AFB, Tex. team are Jim Dawson and Don English while Mary Schmitt from Lowry returns from last year's team. Bill Roundtree of Laughlin AFB, Tex. and Allan Wallace out of Keesler AFB, Miss., round out the all star selections. Laredo mentor Chris Georgis will coach the potent

ATC entry assisted by Lackland's Joe Hall and Sheppard boss Don Berg. In a conversation with Georgis, he said that "It's easy to work with these people because they've got the talent and a fine attitude. They learn quickly and adjust to each other easily and I think we've got a sound, well balanced team." Georgis added that "we've got some exceptionally fine shooters and some big guys who can hit from outside. We're working from three different offenses as well as zone press regular zone and a man-to-man defense. ATC and Military Airlift Command have dominated Air Force cage competition the last six years but ATC has taken the championship trophy only in 1968 and 1971. Mary Schmitt hit a last second shot last year to give ATC the championship with a 91-89 triumph over MAC. Two years ago, at Sheppard, the bitter rivals battled through four overtimes before MAC landed a 123-122 win. This year's tourney could well be a repeat of the last two title tilts, but Pacific Air Forces and the United States Air Forces in Europe are also expected to field strong contenders. Also competing in the tourney are Air Defense Command, U.S. Air Force Southern Command, Air Force Communication Service and the Air Force Logistics Command. First game gets under way Monday at 9 a.m., with games following every two hours until 9 p.m.

US AF Hospital Re-Accredited

SHEPPARD AFB, TEXAS--The U. S. Air Force Regional Hospital at Sheppard Air Force Base has been approved for continued accreditation by the Joint Commission on Accreditation of Hospitals. It was accredited for two full years which is the maximum length of time that is permissible under the current Joint Commission on Accreditation of Hospitals. The word came from the Board of Commissioners of the organization following a survey of the Sheppard hospital Nov. 1-2. The accreditation standards used by the organization is the best single nationwide yardstick of measuring and evaluating the overall operation of the hospital. The overall philosophy of the program is to look at the hospital from the most important viewpoint of all--the patient. The full accreditation of the hospital is the symbol of a well run, well organized well equipped and well staffed health care institution.

Training Put Into Practice By Sheppard Men

SHEPPARD AFB, TEXAS--Three men at the School of Health Care Sciences at Sheppard Air Force Base had a chance recently to put into practice what they had learned in giving first aid. Airmen Sparky B. Schwartz and Jeffrey W. Baker, students in the Medical Service Specialist course who are assigned to the 3790th Student Squadron, gave first aid to a man who collapsed during the Pancake Festival sponsored by the University Kiwanis Club, Jan. 29. TSgt. Edwin A. Gartland, an 18-year Air Force veteran, administered first aid and rescued a man from an automobile which had left the road and struck a telephone pole on the Red River Expressway. In speaking of the incident at the Pancake Festival, Airmen Baker said, "It was automatic. We reacted quickly. We treated the man for shock and checked to make sure the airways were open. The two continued to provide emergency first aid to the stricken man until a doctor arrived on the scene. "Their instant response in that moment of emergency shows the quality of training they have, and are receiving at the school," said M. C. Porter, president of the club. In a separate incident, on the evening of February 2, Sergeant Gartland was following a car that left the road and struck a telephone pole on the Red River Expressway. He stopped to help. After taking the victim's pulse, Sergeant Gartland, noticed that he was having difficulty breathing. The sergeant opened the victim's mouth and pulled his tongue out, allowing proper breathing. Due to a ruptured gas tank, there also existed the danger of the car bursting into flames. Sergeant Gartland provided emergency treatment until the police arrived to extinguish the fire, and an ambulance arrived to carry the victim to the hospital. Sergeant Gartland is a medical photographer with the medical service school at Sheppard.

On A Great Season

Bulldogs End Season With 21-7 Record

The Bulldog Varsity wrapped up its winning season with a 88 to 69 victory over Weatherford here Tuesday night. The game was highlighted by the crowning of Debbie Brookman as 1972 Basketball Queen. Debbie was escorted by Johnny Gill. Other nominees included Terry Taylor and Benay Barnes. Terry was escorted by Donald Patty and Rodney Roberts escorted Benay.

The Junior Varsity finished its season last week in fine style against Graham, since Weatherford did not bring its J.V. to Burk. The "B" team which boasts an undefeated regular season record, was on the low end of a 52-41 score at halftime of the Graham game.

The 'Dogs fought back however and outscored the Steers 27-13 in third quarter action, and 25-9 in the final period to take the victory by a score of 93-74.

Junior Mike Miller was the big name for the J.V. as he tossed in 26 points while Danny Nix hit for 18 to help the Burk cause. Alex Koulovatos and Bill Snowden added 16 apiece, with Larry McMahlil rounding out the scoring with 15.

In Varsity action the Bulldogs revenged a 2-point loss to Graham in the first half of district play by walloping them this half 77-54.

In district play, the previous week, both the J. V. and Varsity came away with

victories from Vernon. The Junior Varsity kept a distant lead throughout its game to win 64-48.

The Varsity had a tougher time with the Lions but walked away with a 64-62 victory. Scoring was distributed among the team, but Skip Dean stood out with 6 offensive rebounds and 14 defensive rebounds.

This ends the 1972 basketball season for the Bulldogs. Although the 'Dogs did not advance to the playoffs, they certainly have nothing to be ashamed of. They fought to win, and win they did. They finish with an 11-3 district record, and are second place behind Brownwood. Congratulations on a fine basketball season.

Election Short Course On Pasture Begins Here

State Parks at Lake Murray and Lake Texoma for 12 years. He attended Oklahoma University, and Veterinary School after World War II in which he served four years with the Seabees.

"I believe in Burkburnett. I am working with a fine group of men on our council and they also believe in the betterment of Burkburnett," stated Smith.

Albert Dillard, who has also served two 2-year terms will be seeking his old post.

A father of three, Dillard is active in the Southside PTA where he serves as president. He is a past president of the Chamber of Commerce, has served on the Tax Equalization Board and been the chairman for fund raising drives for the Boy Scouts and Heart Fund. Last year he was nominated to membership on the "President's Council" by the directors and officers of the American Institute of Management.

A ten-year resident of Burkburnett, Dillard is the president of First Savings and Loan Assn. here.

In speaking of his decision to run for re-election Dillard stated, "I feel that the City Government is the lifeblood of the community.

"Realizing that we have room for improvements and that we have uncompleted tasks before us, I think our people should be proud of the sound economic condition of our city government.

"I am especially proud of the job that our City Manager and city employees are doing."

T.M. Cornelius, the fourth incumbent running for re-election this year, is a 15 year resident of Burkburnett.

During his past years he has served as the president of the Chamber of Commerce, on the finance committee of the Methodist Church, the present candidate for District Governor for the local Rotary Club, Director of the West Texas Chamber of Commerce and is serving as chairman of the military affairs committee on the chamber.

Cornelius stated, "I am vitally interested in the growth and development of the City of Burkburnett. I will do everything in my power to see that we continue to grow and prosper."

Any eligible voter who has lived in the City of Burkburnett for at least two years may seek a position on the City Council. Candidates may file until March 3 in the Burkburnett City Hall.

Farmers interested in attending the short course should write or call the superintendent of schools, James Pearson, or the teachers of vocational agriculture, James Easter or Jake Fite. An entry fee of \$2.00 will be charged. Pasture Short Course Certificates are to be presented to each enrollee who attends all the training sessions.

A pasture short course for adult farmers will be held February 21-24, under the sponsorship of the Burkburnett High School Vocational Agriculture Department, according to James Pearson, Superintendent, and James Easter and Jake Fite, teachers of vocational agriculture.

Phillip Nix, pasture specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Soil and Crop Sciences at Texas A&M University, will do the instructing in the course. He is headquartered at Texas A&M University.

Nix holds B.S. and M.S. degrees in Agricultural Education from Texas A&M University, and has also done work in Agronomy at Texas A&M. He has had nineteen years of field experience as a vocational agriculture teacher and as a county agricultural agent, where much of the emphasis was on pasture production.

"Many pasture short courses in various parts of the state have been taught by Nix and all have met with outstanding success", according to Ralph Moser, area supervisor of vocational agriculture, Stephenville, Texas.

Arrangements for adult education short courses in pasture and in other fields are made through Moser's office.

The short course at Burkburnett is scheduled to begin Feb. 21 at 7:00 p.m. in the vocational agriculture building. Other meetings in this series of four will be held Feb. 22, 23, and 24. During the dates the short course is in progress, Nix will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to James Easter.

Farmers interested in attending the short course should write or call the superintendent of schools, James Pearson, or the teachers of vocational agriculture, James Easter or Jake Fite. An entry fee of \$2.00 will be charged. Pasture Short Course Certificates are to be presented to each enrollee who attends all the training sessions.

in attending. Morris Cheney and George West have already begun work on the various baseball parks around town and appreciate all volunteers.

Of course, following the final registration Saturday, much time will be devoted to arranging the boys in age groups and getting them ready for draft try-outs, stated Larson. All teams are expected to be ready for practice the last week in March.

Specific questions regarding registration and the baseball program may be answered by Larson, 569-2500 or Dink Hudson, 569-3954.

Weekly Health Tip
from Joe Gillespie

In an injury emergency -- call a doctor if possible, if not, get a trained first-aid. Keep the injured person lying down -- cover to keep him warm. Don't move the injured person unless necessary to remove him from further danger. Moving can aggravate the injury -- it is better for the untrained person to leave the injured alone.
