Editor's Viewpoint

RAYMOND GREENWOOD

I've always heard that when your golf game is up and going good that your business must be in bad shape...

I found out last Thursday night why our city is in good financial condition--I watched City Manager Gary Bean on our local course...

Then someone told me that Bean, claiming that he was a "C" player, won the gold tournament held Sunday at Boomtown Golf course...

The Editor of a small newspaper retired with a fortune. When asked the secret of his success, he replied, "I attribute my ability to retire with a \$100,000 bank balance after 30 years in the newspaper field to close application to duty, pursuing policy of strict honesty, always practicing rigorous rules of economy, and to the recent death of my uncle who left me \$98,500."

Posted on the bulletin board of the school administration office is the following wording which I'm sure has a significant meaning--somewhere.

WHY WORRY? There are only two things to worry about: Either you are well, or you are sick. If you are well then there is nothing to worry about. If you are sick there are two things to worry about. Either you get well or you die. If you get well there is nothing to worry about. If you die there are only two things to worry about. Either you go to Heaven or Hell. If you go to Heaven there is nothing to worry about. If you go to Hell, you'll be so darned shaking hands with your friends, you won't have time to worry.

People from different parts of the country amaze me with the names they give to things. Take for instance one of the Australian Rotarians, he told me he was a grazer. I thought for a minute and then had to ask him what that was and he told me he grazed cattle and sheep on his 3,000 acre ranch. Grazer really is probably a more appropriate name for his business than rancher, since he does graze livestock.

Another also asked me about these "Tanks" that he hears of people fishing in. How much fun could it be fishing in a

Janice Harris, Bill Page Outstanding Scholars

Janice Harris and Bill Page of Burk Burnett High School have been selected as Outstanding West Texas Scholars by the West Texas Chamber of Commerce...

Wichita Falls. Buck St. John, Chairman of the BCI Education Action Group, stated that, "We are fortunate indeed to be in an area where we can point with pride to the young people who attend our schools, and these selected students have particularly distinguished themselves."

Janice and Bill will be recognized and presented with an Award Certificate at an Awards Ceremony sponsored by the Education Action Group of the Wichita Falls Board of Commerce and Industry...

Bill is the son of Mrs. John Page of 701 Sycamore Rd. His long list of honors includes academic awards in physical science, algebra I and German I his freshman year...

Two Arrested On Drug Charges

Burk Burnett Police Officers served three warrants each on two Burk Burnett residents this past week for narcotic drugs or dangerous drugs. The warrants had been issued by the Wichita Falls Police Department.

Arrested were Linda Stenberg of 709 Ave. D, Apt. 4; 18-years-of-age; and Don Wayne Armstrong of 215 N. Harwell Street, also 18-years-of-age. The two were arrested at Armstrong's residence last Thursday.

They were turned over to

the Wichita Falls Police Department.

The Burk Burnett Jr. High was broken into over the weekend. Vandals gained entry to the school through an unlocked window. One desk was damaged by a felt marking pen and three eggs were broken inside that same room. Approximately \$3 was taken from the teachers lounge Coke fund.

Subscriptions Rolling In; Prizes Galore In Contest

Michael Cray, the 11-year-old son of Mr. and Mrs. Wendell Cray of 1211 Bishop Road, is the most recent winner in the Informer/Star Subscription Sweepstakes.

Michael brought in three subscriptions Monday and claimed his snare action baseball glove. A host of other youngsters are sending in reports that they are nearing the goal of a mini-bike, portable television set or a combination of other prizes.

Currently there are 78 youngsters in the Burk Burnett area that are entered in the Sweepstakes. To date, over 250 NEW subscribers have been added to the Informer/Star subscription lists. The NEW subscribers have come from Wichita, Cotton or Tillman counties; in other words, Burk Burnett trade territory. Only youngsters in these three counties may enter the Sweepstakes and they are restricted to selling only NEW subscriptions in these three counties.

As reported in previous stories, any youngster selling 20 NEW subscriptions may receive a Trailblazer Mini-bike or a portable television set. If he sells as many as 12 NEW subscriptions he will receive a bicycle, 8 NEW subscriptions a portable recorder/player, 5 NEW subscriptions a transistor radio and 3 NEW subscriptions a snare action baseball glove.

The parents of the youngster that sells the most NEW subscriptions will be the proud recipients of a seven day and six night trip to beautiful Hawaii, or \$500 in cash.

Stanley Zachary is currently leading the long list of 78 youngsters entered in the contest. Closing in on his heels however is Becky Reed, who

was the first winner of a mini-bike. Several other youngsters are right behind Becky and all 78 entered in the Sweepstakes seem to be

working toward winning the Grand Prize trip to Hawaii for their parents. The GRAND PRIZE winners SEE SWEEPSTAKES, PAGE 2

Chamber Group To Hear State Travel Specialist

Leslie W. Baker, Travel Development Specialist, will be the guest speaker for the monthly Chamber of Commerce Luncheon to be held Monday at the Community Center.

The Tourist Promotion Committee, with Walt Doerre as chairman, is responsible for the program. Baker joined the travel development staff of the Highway Department's Travel and Information Division in 1967, following an Air Force Career since 1959.

Within that Division, he is directly responsible for the Calendar of Texas Events,

and with the staff of journalists and travel promotion specialists, produces the state's family of colorful travel literature and motion pictures. Materials are distributed by mail and through the state's eleven Tourist Bureaus operated by the Highway Department. Promotional liaison is maintained with world-wide travel publishers, editors and touring organizations.

Current examples of the Highway Department's Texas travel literature include the Official State Highway Map, the prize-winning 208 page Texas-Land of Contrast book,

10 Texas Trail folders, Calendar of Texas Events, State Capitol Guide, colorful posters and convention pieces, and three foreign language folders. Texas travel films have been produced in English, Spanish, French and German.

During his Air Force career, Baker attended the University of the Philippines, and universities in Omaha and Oklahoma City. In addition to flying during World War II as a B-24 and P-51 pilot, he also flew on the Berlin Airlift and served as an instructor.

Duties outside the flying field included radio and television station manager, newspaper editor, editor of the Strategic Air Command press service and chief of the editorial branch of the U.S.A.F. Hometown News Center.

Absentee Voting Deadline Tues. For Primaries

Although the political scene is becoming increasingly hot as the May 6 primaries approach, only minor interest has been shown in the absentee balloting. Only four Democratic and two Republican absentee ballots had been cast Tuesday at the Tax Office, located in the Burk Burnett Chamber of Commerce office. Persons interested in voting absentee in either the Democratic or Republican Primaries may do so at the tax office located in the local Chamber of Commerce office. Deadline for absentee balloting in both elections is Tuesday.

**TEEN TALK**  
By Laura Allison

The junior class has been working on its biggest project of the year these past few weeks -- Junior - Senior Banquet. Each year's junior class sponsors this annual banquet that is a tradition at Burk High. This year's banquet will be Friday night, April 28, at the new civic center. The junior have really put a lot of work into it by the decorations and program planned. The theme is "Springtime," and the room will be decorated in yellow and white. The tables will have yellow and white daisies with white candles. Bees and butterflies will accent the walls. The carefully planned program will include the reading of the senior will by senior class president, Steve Cremeens, and entertainment by singer, Monica Hubbard. Special guests will include members of the school board, administration, and junior and senior sponsors. Approximately 185 people are expected to attend. After the banquet, a dance for all juniors, seniors, and their dates will be held at the Youth Center. Sweet smoke will be playing, and there will be no charge. However no one else will be admitted.

Junior varsity and varsity cheerleader tryouts were held Wednesday, April 19, at the high school. The tryouts were conducted completely different from previous years. For once the student body was able to vote on the cheerleaders of its choice. The junior varsity cheerleaders must be upcoming sophomores, and seven girls tried out for the six positions. Kim Aaron, Tracy Marten, Barb Rogers, Debbie Dempsey, Gay Blackney, and Gay Meaders were the girls selected to serve next school year. Debbie Toft was alternate. The new rules also state that three seniors and three juniors must be on the varsity squad. Because there were only three senior girls trying out, these girls were automatically chosen. These girls are Donna Bankhead, Judy Frye, and Stephanie Anderson. The juniors had much more competition with ten girls vying for the three places. The girls picked were Marilyn Koller, Teresa Sossaman, and Connie Dolan. Judy Lemley will be first alternate.

**Rev. Stout To Move**

Rev. David Stout, pastor of the First Christian Church here, announced this week that he and his family will be moving to Shenandoah, Iowa in June where he will become pastor of a church there.

The Stouts came to Burk Burnett three years ago from North English, Iowa. While living in Burk Burnett, Rev. Stout has attended the Britte Divinity School at Texas Christian University in Fort Worth.

He has been active in Red Cross, member of the Burk Burnett Chamber of Commerce, and is currently serving as president of the local Ministerial Alliance, and president of District 19 Christian Churches.

He and his wife Carolyn and their two children, Bryan and Brenda, will be leaving Burk Burnett June 25.

from his Coke machine. Damage to the machine was estimated at \$40.

Jerry Lynn Wren, 22-month old son of Mr. and Mrs. Jimmy Wren of 710-B Glendale, escaped serious injury Wednesday afternoon when he ran into the front fender of a 1969 Ford driven by Betty Worley of 612 Magnolia. It was reported that Mrs. Worley was headed west on Glendale and traveling approximately 20 mph, while the Wren youth was running south from the north curb of Glendale Street. The youth ran into the right front fender of the vehicle. He was rushed by private vehicle to Wichita General hospital where he was treated and released.

Thursday at the intersection of Sycamore Street and South Berry, a 1965 Mustang driven by Elliott W. Warner of 317-B, S.A.F.B., was in collision with a 1967 GMC driven by Edward Michna of 702 Sycamore.

Warner failed to yield the right of way to the Michna vehicle.

The Burk Burnett Police Department has two 1972 vehicle license plates that have been found and turned into them. One is a truck tag -- 2W 4784 and the other is a tag for a motor cycle, # 453986. Owners of these license plates may pick them up at the dispatcher's desk.

**Aderan Dunn Gets Special Jaycee Award**

The Burk Burnett Jaycees held their annual installation and awards banquet Saturday night at the American Legion Hall.

Aderan Dunn, a resident of Burk Burnett, was awarded the Jaycees distinguished service award. Aderan was recognized for his activities in civic club work in Burk Burnett.

Dunn has served on the youth center board of directors, is equipment manager for the Burk Burnett boys little league softball program, past president of the community service council.

The award is given annually to an individual the Jaycees select for outstanding service to the Burk Burnett community.

Officers installed were Gary Mooney, president; Vincent Lam, vice - president; Brian O'Hair, secretary; and Paul Loveless, director.

**Sweepstakes**

will fly from Dallas, via Braniff International's 747, non-stop to Honolulu where they will spend seven days and six nights at the world famous Hilton Hawaiian Village Hotel on Waikiki Beach.

With this fantastic Hawaiian trip as the GRAND PRIZE and the many, many valuable prizes that are within reach of each of the youngsters, it is no wonder that all 78 youngsters are coming every house in town and in the country to reach this goal in the Sweepstakes.

Remember kids, there is still plenty of time to enter and win your share of the valuable prizes. Just come by the INFORMER/STAR office at 417 Ave. C and pick up your Sweepstakes Identification Card and your Sweepstakes Receipt Book.

**Annual L.L. Burger Feed Saturday**

The Burk Burnett Little League will have their annual hamburger feed Saturday at Hayes Field.

The feed is a real bargain with a big, delicious, charcoal hamburger, potato chips, and a Coke for the total price of 50¢... a really good chance to take the whole family out to eat without stretching the family's purse strings.

The feed will begin at 11:00 a.m. and continue until everyone is fed. Last year, between 1200 and 1300 persons attended the cookout and more are expected this year.

Tickets are available from leaguers or at the field Saturday. All proceeds will be used to buy Little League equipment.

A meeting will be held tonight at 7:30 in the Reddy Room to discuss and organize volunteers for Saturday's feed. F. T. Felty, Jr. stressed the importance of this meeting because workers are greatly needed.

TYPING CONTENDERS included sponsor Judy Smiley, Debbie Bryan, Rhonda Thomas, Becky Tate, Carolyn McDonald and Edwena Wood.

**Campers Set Stop-Swap**

The Boomtowners Camping Club Chapter of National Camping and Hikers Assn. will hold its first annual Campers Stop and Swap, Saturday and Sunday at Red River K.O.A. Kampground.

All campers are invited to the event.

Campers will be allowed enough space to accommodate one card table. Bring your own card table and extra camping or sports equipment for sale, trade or swap. To be eligible for trade space you must be a registered guest of K.O.A. Kampground. The sale is limited to camping, hiking or recreational sports equipment.

Free gifts to be given away include one Kelsey Automatic brake controller, donated by Lillard Trailer Sales, Wichita Falls; one Tamarack trailer level donated by Otis Thomas Trailer Sales, Wichita Falls; and one set of Leggett eagle grip fender mount mirrors donated by Ralph Morgan Camper City, Wichita Falls.

A campfire program for Saturday night, with Church Service at 10 a.m. Sunday Morning at the campground are planned for the special gathering.

small metal tank? When I began explaining about farm tanks, he said, "oh, you mean 'Dams'". It seems that where he was raised, farm tanks as we know them were actually called dams. This too might be a more appropriate name since almost all stock tanks do have a dam at someplace, yet not all are used for watering stock.

## AAA Rates Inn Of Six Flags

The Inn of the Six Flags in Arlington, Texas has received an "Excellent" rating from the American Automobile Association, making it one of only 6.5% of the Texas hotels listed to be so honored in the AAA Tour Book.

"We are very proud of achieving the Excellent rating," explains John W. Lauer, general manager of the Inn. "In my opinion, there is no more respected guide to the automobile traveling public than the AAA listings."

The AAA rates the hotels they list as Good, Very Good, Excellent, and Outstanding. To be listed at all is an accomplishment, since for every establishment that makes it into the Tour Books, six are inspected and found lacking.

In Texas, 474 hotels are listed: 213-Good; 230-Very Good; 31 - Excellent; 0-Outstanding.

A 308-room family resort and convention complex, the Inn of the Six Flags is one of ten Flagship Hotels. The others are Condesa del Mar and El Presidente in Acapulco; Fiesta Palace in Mexico City; Ala Moana in Honolulu; Flagship Beachcomber in Fiji; Chosun in Seoul, Korea; Flagship Inn-Barkley House in Cincinnati and Flagship Rochester and Towne House in Rochester, New York. Flagship Hotels is an international subsidiary of American Airlines.

RECEIVES 20 YEAR PIN--Evelyn Farris, right, receives a 20-year pin from Mrs. Bruce Shepard during Monday night's meeting of Theta Epsilon.

## Clara-Fairview Hosts Texas Electric Tour

The Clara-Fairview Organized Community was host Monday afternoon to a group of local business people, school officials, news media, Home Demonstration and County Agents, representatives of Texas Electric Service Utilities and judges for the Texas Electric Community Improvement Tour as the members of the community told the group of their accomplishments for the past year.

A report of the Community Improvements was given by Mrs. E.W. Roderick; Mrs. Norman Roberts reported on the Improvements in Family Living; Mrs. Newt. Crane reported on Community Services and Facilities and Long Range Community Planning. A re-

port on the Social Participation by the community members was given by Norman Roberts and E.J. Simon reported on the progress of Agriculture and Management.

A slide presentation of the improvements made and some of the community activities was presented, narrated by Norman Roberts.

Following the program, the group toured the community by bus, returning to the community building for homemade cake, coffee and ice tea, served by the ladies of the community.

Judges for this year's tour were Curly Hays of Texas Electric Utilities, Abilene and Joy Riley, Wilbarger County Home Demonstration Agent, Vernon.

## County Red Cross Begins Vietnam Christmas Project

There are still some 200 shopping days before Christmas, but Red Cross volunteers in the Wichita County Chapter aren't waiting. They are already embarked on the seventh annual "Shop Early Vietnam" project to help provide gift bags for every U.S. serviceman and servicewoman in Vietnam at Christmas time 1972.

Mrs. Ikard Smith, Chairman of Volunteers of the Wichita County Chapter, said that local business firms, church groups, and civic, patriotic, and fraternal organizations cooperate with the Red Cross chapter in procuring the bags and contents for them. She said that we fell a little short of our goal last year and this year we would like to go over the top.

Mrs. Joe Fitts, Production Chairman in the Office of Volunteers Committee, who is in charge of the Ditty Bag Program, says that the Wichita County Chapter has been provided by Red Cross national

headquarters with specifications for making the bags and with lists of suggested contents. While volunteers are sewing the bags, cooperating businesses and organizations will be asked to contribute articles to be placed in them by other volunteers and to pay the freight to ship the bags overseas. The bags will be made, in various colors, of cotton material sturdy enough to withstand the tropical heat of Vietnam and remain usable for their owners' personal effects after the original contents are used.

A Christmas greeting card is placed in each bag giving

the names of the chapter and cooperating organizations. They have been asked also to place in each bag at least one article of lasting usefulness, such as a pocketknife, wallet, flashlight and batteries, pen and pencil set, or cigarette lighter with package of flints. It costs approximately \$2.50 per bag to purchase the contents and to pay shipping charges. The Wichita County Chapter's quota for this year is 400 gift bags.

Mrs. Smith said the gift bag program is intended to be a tangible way for Americans to say, "We care about our troops in Vietnam".

## Policewoman Speaker At ABWA Meeting

Kay Peterson, a Wichita Falls Policewoman, spoke to several members of Boomtown Chapter of American Business Women's Association Monday evening. The chapter held its regular monthly dinner meeting in the Burk Burnett Civic Center.

Miss Peterson enjoys her work and has been with the department for 23 years. She is one of three women employed by the department to work as peace officers and who assume the same responsibilities as the men. Her experiences, she related, are varied, interesting and challenging. Women policewomen now undergo the same program of training as the men, and their salaries now compare favorably with that of the men. She feels that the number of policewomen will be increased.

A vocational talk was given by Virginia Ilie who works as a civil service supply clerk at Ft. Sill Army Base. Chapter president, Virginia Spolin, presented a past president's pin to Nita McNish.

Chapter members voted to attend a stage production, "Lovers and Other Strangers", at the Gaslight Dinner Theatre in Oklahoma City in June.

An installation service was conducted for new members Pat Dunn, sales manager for Tupperware, and Ann Dariland, who is a teacher's aid.

Katherine Crane gave the invocation and Carrol Glibow the benediction.

Witnesses Assembly Ends

A three-day circuit assembly of Jehovah's Witnesses was closed Sunday, in the Will Rogers Auditorium, when J.P. Southerland spoke to 1,946 persons on the subject, "Are You Marked for Survival." Daniel 2:44, Southerland said, warns of a collision between the kingdoms of the world and God's kingdom.

"Conscious of Our Spiritual Needs" was the theme chosen for the 1,124 ministerial workers in the 20 congregation circuit, from Breckenridge to Red River and Vernon to a portion of Fort Worth.

Joan Walker Installed

Joan Walker has been installed as treasurer of the Women's Physical Education Professional Club at North Texas State University for 1972-73.

She was initiated at the club's annual banquet April 6, where the guest speaker was Dr. Janet MacLean, professor of recreation at Indiana University.

Miss Walker is the daughter of Mrs. Betty D. Walker, Burk Burnett.

## Local Woman Graduates In NTSU Course

Lahoma Wood, local city secretary, was one of thirty city clerks and secretaries from throughout Texas who became the first graduates Thursday evening of North Texas State University's institute for executive development for municipal employees.

Sponsored by the NTSU Center for Community Services in cooperation with the Association of City Clerks and Secretaries of Texas, the four year continuing education program is designed to equip municipal clerks and secretaries to more effectively perform their jobs.

Began in 1968, the program is the first of its kind in the nation, providing seminar and independent study opportunities for the participants.

The first graduates receive their certificates at a dinner and ceremony at the Denton Country Club as part of a two-day seminar entitled "The Challenge for Efficiency: Controlling the Paper Bureaucracy in Local Government."

Neighborhood Group To Meet

The regular monthly meeting of the Neighborhood Group will be held Monday, May 8 at 7:30 p.m. in the community center on west 7th St.

Mrs. Willie Mae Jones, Chairman of the Group stated the program will be given by Mrs. Barney Glickman, President of the Wichita County League of Women Voters.

All interested citizens should attend this meeting.

Legion Plans Game Night

The American Legion, Post #264, will sponsor a benefit game night, Friday, April 28, at 7:30 p.m. at the American Legion Hall. All proceeds will go to the Hardin PTA Air Conditioning Fund.

The public is cordially invited to attend this game night; prizes will be awarded.

The youth of the First Assembly of God Church will observe National Christ Ambassador week by presenting a special youth service, Sunday, April 30, at 2 p.m. Arvie Knight, an 18-year-old high school senior from Ardmore, Okla., will be guest speaker. Arvie is an Oklahoma Teen Talent winner in voice and keyboard. He has been active in the ministry for two years. He will also be speaking in the 11 a.m. and 7:15 p.m. service. The youth of the church cordially invite you to come and enjoy an afternoon of special singing and preaching.

## Mrs. Matteson Hosts Friendly Homemakers

The Friendly Home makers Home Demonstration Club met recently in the home of Mrs. Mary Matteson.

After the meeting was called to order, roll call was answered with "A pest I find hard to control".

Seven members were present. Mrs. Jane Latour gave a report on the county-wide council meeting.

It was reported that the projects at the Electra and Burk Burnett special education classes were completed.

Arrangements for the upcoming luncheon were finalized.

Mrs. Mattie Cheney gave a safety hint on drug abuse. The program for the day was "Where Do You Place Your Values", presented by the new HD agent, Mrs. Joyce Smith.

## Grace Lutheran To Celebrate Foundation Day

At the Sunday morning service of the Grace Lutheran Church, the Rev. Albert H. Lindeman will speak on the topic "How to Sing A New Song To The Lord", and the local church, together with 6,000 sister congregations throughout America, will celebrate the 125th anniversary of the founding of the Lutheran Church - Missouri Synod on April 26, 1847 in Chicago, Illinois.

The Lutheran Church - Missouri Synod operates two seminaries and 14 colleges to train pastors and teachers and other professional workers. In 1,200 of the church's elementary schools, 151,000 pupils are taught by more than 2,600 men teachers and about 4,000 women teachers. This church operates one of the largest religious publishing houses in the country, Concordia in St. Louis, Missouri, and sponsor both The Lutheran Hour on radio and "This Is The Life" on television.

The Anniversary will extend throughout the year under the general theme "Rejoicing In Mercy" and will provide the impetus for an evangelistic outreach to the unchurched in local communities.

## Awards Presented At Meeting Of Local Sorority Chapter

Members of Theta Epsilon and their guests met in the National Room Monday night.

Dolls representing the "lovely lady of E.S.A." decorated the tables for the salad supper and an arrangement of blue and yellow carnations and an open Bible were on the installation table.

Helen Eaton, vice-president, introduced the guests for the evening, Evelyn Farris, Pat Adams, Bobbie Kline, Kerman who are charter members, and La Donna Sheperd and Marilyn Howard who are past presidents.

Kathleen Brammer and Mrs. Eaton held the jewel pin ceremony for pledges Karen Drake and Lou Glover. Mrs. Brammer named Cordella Bridges the girl of the year for her work in the organization during the year. Mrs. Brammer also presented Ramona Vaughn with a plaque from the chapter for being named the outstanding first year member in District VI.

Mrs. Sheperd presented Evelyn Farris with her 20-year pin in a separate ceremony.

Mrs. Eaton gave perfect attendance awards and a charm from the president to Shirley Spinks, Mrs. Drake, and Mrs. Brammer.

Mrs. Farris installed officers for the coming year using yellow lighted candles and concluded the ceremony by reading a poem, "Drop of Water."

Mrs. Bridges turned over to the outgoing president the scrapbook entitled "Lovely Lady of E.S.A." and presented her with an engraved plaque commemorating her year as president. Mrs. Brammer concluded her term with a short speech and passed the gavel on to the new president, Mrs. Eaton.

Mrs. Eaton gave an acceptance speech and explained to the new members their duties for next year. She also announced the theme for the new year, "The Key is We".

The chaplain, Mrs. Glover, gave the invocation and the benediction.

# "Let's Hold the Line on Taxes and Spending"

"No, I don't support a state income tax. There are too many ways to save money in government available to us. We can get more for our money than we're getting now, and do more with the tax dollar than we're doing now, so it's not necessary to place additional tax burdens on our people yet. We just have to stop the waste."

## The cooler the home, the warmer the marriage.

Marriages may be made in heaven, but it's hard to keep them heavenly when it's hotter than blazes.

That's where central gas air conditioning comes in. It can bring you together. All summer long. As close as you want. All summer long.

And it won't cost you much either. In fact, if you have gas heating in your home, you could easily have half a central air conditioning system already. Because you may be able to use the duct work and furnace blower you already have. That saves about fifty percent on installation costs.

That's just part of the savings. Gas costs less to operate than electricity. And you get special low rates during the long hot summer months.

But you'll save more than money with gas. You'll save time and energy, too. Because with central gas air conditioning there are fewer moving parts. Fewer breakdowns. Fewer repairs.

This summer, have central gas air conditioning installed. For loves sake.

See Your Gas Air Conditioning Dealer.

## STTC Receives ATC Award For Outstanding Center

The 3' tall trophy for the Air Training Command Outstanding Center Award received by Sheppard Technical Training Center for its outstanding accomplishments in 1971 was displayed for members of the Center staff to highlight a special meeting Friday morning at Center Headquarters.

Maj. Gen. Robert L. Pettit, commander of Sheppard Technical Training Center, exhibited the award and presented three other ATC awards to organizations at Sheppard during the special awards presentation.

In making the Center Award which was earned during the tenure of Maj. Gen. Jerry D. Page, General Pettit expressed appreciation to the military and civilian employees at Sheppard for their work which resulted in the selection of Sheppard as the outstanding center. He also extended congratulations to the other three organizations which won awards.

The Ground Safety office gained permanent possession of a large cup-like trophy for the TOPS (To Promote Safety) Award which has been rotating annually for five years among the safest bases in ATC. Sheppard had the best safety record for the five year "Mission Safety-70" period.

Accepting this award was Lt. Col. Roland P. Langenbach, center safety officer. Maj. E. F. Ticknor, chief of information, received the

plaque for the Sheppard Information Office which was selected for having the outstanding information program of the year in 1971 among the technical training centers in ATC. This was the sixth consecutive year that the Sheppard office has received this award.

The Airmen's Club garnered

tops in the Airmen's Club category. Presentation of the plaque for this honor was made by MSgt. Walter Kitson, Airmen's Club manager. This award also has a \$1,000 cash benefit for the club.

General Pettit received all four awards at the Commander's Conference held at Randolph AFB, Texas.

## Horizon Girls Provide Program For Banquet

SHEPPARD AFB, TEXAS--A program on camping by the Horizon Girls highlighted the Blue Bird Dad and Daughter Supper, held at the Sheppard Elementary School at Sheppard AFB Thursday evening.

The event was a box supper with Blue Birds from Sheppard, Kate Haynes, City View and Lamar Elementary School attending. The majority of the girls are military dependents.

Guests included Chaplain (Capt.) Lewis E. Dawson of Sheppard AFB, Marcus Anderson, the principal of Sheppard Elementary School, Charles W. Hampton, principal of Kate Haynes Elementary School, and four Horizon Girls.

Tsgt. Bill Jenkins, of the Television and Training Film Production Branch, 3750th

Technical School at Sheppard, served as master of ceremonies.

The Blue Birds made the imitations, place mats, place cards and table decorations used at the event, in addition to decorating their supper boxes.

Leaders of the groups are Mesdames Garth Phillips, Sheppard; James Steinmark, Kate Haynes; Kenneth Thompson and Andy Garcia, City View; and J. L. Webb and James Watson, Lamar. Mrs. Roger McMannis acted as the program chairman for the supper.

## Air Force Sergeants Married At Hospital

SHEPPARD AFB, TEXAS--When Ssgt. Larry Kirtley learned that his fiancée, Sgt. Sally Dawn Speta, was in the hospital at Sheppard, he decided to surprise her with an unannounced visit. The surprise worked both ways though because Sergeant Kirtley became a married man sooner than he had expected.

The couple had planned a May 7 wedding until the earlier opportunity arose. With the strong moral support of her roommate, Mrs. Edward Anderson, who was also her matron of honor, the WAF sergeant consulted her doctor and permission was granted for the ceremony to go on. Saturday afternoon, the nurse assisted Sergeant Speta with her wedding gown, placed her in a wheelchair and rolled her to the hospital chapel.

There, Chaplain (Maj.) Meredith J. Thomas performed the ceremony and pronounced the couple man and wife.

After a reception in the Red Cross lounge, Mrs. Kirtley went back to her hospital room where she will have to remain for at least another week. Upon her dismissal, Sergeant Kirtley will complete her training in the Accounting and Finance class of the Department of Comptroller Training in the 3750th Technical School. Upon completion of the course, Sergeant Kirtley will be assigned to Eglin AFB, Fla. Staff Sergeant Kirtley will return to his duty station Sunday at the Duluth International Airport where he is assigned to the Security Police Squadron. On his return, he will apply for transfer to Eglin AFB.

GEORGE ANDERSON FOR 89TH DISTRICT JUDGE  
Campaign Headquarters  
4202 York Street  
Wichita Falls, Texas 76309  
April 25, 1972

Dear Friends:

In making this campaign for 89th District Judge, I regret that it is next to impossible to get around and visit with everyone in person. Please excuse this way of saying hello and asking you to consider my candidacy.

A noticeable political trend is underway in 1972. PEOPLE EVERYWHERE ARE FED UP WITH ELECTED PUBLIC OFFICIALS WHO ARE NOT GETTING THE JOB DONE, and when they discover such an official who is not giving a day's work for a day's pay, THEY ARE GETTING PREPARED TO VOTE FOR A CHANGE.

With over 2900 civil and criminal cases pending on the docket of the district courts, YOU ARE NOT GETTING YOUR MONEY'S WORTH from an 89th District Judge who can try only 18 jury cases in 1971 while the 78th District Judge was able to try 32 jury cases in 1971. And for 1972, through April 15, the 78th Judge tried 12 jury cases, while the 89th Judge tried only 5 (five).

On April 7, 1972, the Lawyers of the Wichita County Bar Association took a ballot on this race for 89th Judge, and made the results public:

Candidate GEORGE ANDERSON	32 votes (57%)
89th Judge Temple Driver	17 votes (30%)
Candidate Jimmy Castledine	7 votes (13%)

Lawyers know the qualifications of the candidates. Their vote clearly indicates their dissatisfaction with the performance of the present Judge, and a two-to-one preference for George Anderson as ready, willing and able to handle the job. I gratefully submit their recommendation to you in asking you to hire me as your full-time 89th Judge.

Sincerely yours,  
*George Anderson*

## MU Students Recognized At Honors Day

Midwestern University's outstanding students were recognized during Honors Day ceremony Wednesday. Classes were dismissed during the 11 a.m. program in Hardin Auditorium.

Among those honored were three students from Burkburnett. Robert Bruehrig was named the outstanding student in history. Rebecca Kennedy was named to receive the Dickinson Foundation scholarship and Janice Fields will receive a scholarship provided by the Optimisses Club of Wichita Falls.

The honorees were formally recognized by University administrators, faculty and friends, and a reception followed the ceremony at 12:30 p.m. in Clark Student Center formal lounge.

## Post Office Now Accepting Bids

Postmaster W. T. Zimmerman is requesting bids for furnishing the local post office with three new, four-door identical station wagon type vehicles.

These units will be used approximately five hours per day, each on "as needed" basis during the hours of 6:00 a.m. and 5:30 p.m., except Sunday, within the city delivery limits of the Burkburnett Post Office.

The mileage used will be approximately twenty miles per day for each vehicle. The successful bidder will furnish gas, oil, and all expenses on such vehicles.

Bid forms are now available at the Burkburnett Post Office and bids will be opened Wednesday, May 17, 1972 at 9:00 a.m. in the Postmaster's office.

# ROUND THE TOWN

by Sylvia Lohoefer

Kent Cauthorn, a student at Abilene Christian College in Abilene, visited his grandparents, Mr. and Mrs. Bill Cauthorn, this past weekend. Also their son, J.C. Cauthorn, from Wichita Falls, was a visitor at that time.

Lt. Jeffery Latin spent Friday night here with the following relatives: Mrs. Katie Clemens and Mr. and Mrs. Jim Pirtle.

Elmer Jeffers of Arthesia, N.M. and sister, Mrs. Barney (Nell) Lorang of Hobbs, N.M., flew here for a visit with their brother, F. G. Jeffers, and family. They are former residents of this city.

Mrs. J. T. (Elizabeth) Brady returned home from Ft. Worth last week, having spent the past month with her daughter. She had ear surgery while there, which has been quite successful. Her son, James T. Brady, flew in from a two-year tour in Germany. He and his son, James II, who has been with his father overseas, accompanied James' mother to Burk. James received his discharge and will make his home here. James II has enrolled in the Burk school and is getting along fine.

Word was received here of

the death of Mrs. Y.C. Paschall. She died in Brownwood after a long illness. Burial was in Terrell, Tex. The Paschalls were connected with the school system at Fairview in the Thrift Community for many years. The Paschalls had many friends in Burk Burnett and had made several visits here since they left.

Mrs. Bill Parr of Monahans, Tex. spent several days here last week visiting her parents, Mr. and Mrs. Cliff Cannon and other relatives.

Mr. and Mrs. Jim Morris attended the funeral services of his brother Elbert Morris, held Monday in Drumright, Okla.

Mr. and Mrs. Lee Clifton of Austin were in the city a couple of days last week visiting his sister and husband, Mr. and Mrs. Neal Hall. They were enroute home from a trip to California.

Mrs. Walter (Velma) Bohner entered the Bethania Hospital Sunday for treatment and observation.

Mrs. Charles (Carol) White of Abilene visited her parents here Saturday night and Sunday.

Mr. and Mrs. D.G. Salines

and family and a friend, Paul Herrington, of Union Gap, Wash., visited here several days last week with her mother Mrs. W.J. Tyler, and family. They were enroute home from Fayetteville, Ark.

Miss Paula Gore underwent emergency appendectomy in the Wichita General hospital, Saturday p.m. She is recovering nicely. Paula is the daughter of Jack and Mary Gore and the granddaughter of Mr. and Mrs. Preston Johnson of this city.

C. Fred Bohner is in the Wichita General hospital receiving tests and treatment for a throat ailment.

Mrs. Bertha Johnson accompanied Mrs. Artie Whiteside and her son Ed, to Snyder, Okla. Tuesday. They attended the funeral services of Mrs. Whiteside's sister-in-law, Mrs. Lorena Ford.

Mrs. Sid (Opal) Gamblin left Wednesday for a ten day visit in Kilgore, Tex. with her daughter and husband, Mr. and Mrs. Jack Northcott and granddaughter, Mrs. Nancy Arden.

Casey Logan was honored over the weekend with happy gathering of his sisters, brothers and families, celebrating his 80th birthday. His daughter, Marcella Elliott, baked and decorated the beautiful, huge cake, topped with the traditional candles. Those attending were his two sisters, Mrs. Sam Thomas of Dallas and Mrs. Thomas McGill of Tyler; his brother and wife, Mr. and Mrs. Josh Logan of Gatesville; a son and grandson, Jack and Ronnie Logan of Houston and a granddaughter, Susie Elliott of Denton. Mrs. Harry (Marcella) Elliott and her daughter-in-law, Mrs. Terry (Sue) Elliott, assisted Mrs. Logan in the arrangements and serving.

A granddaughter, Murr Ann (Elliott) Lawson of Falls Church, Va., called and talked to Casey on the phone. Seventeen relatives were present. Casey enjoyed the celebration.

The Garden Clubs of this city, under the guidance of Mrs. Ralph White and Mrs. Thelma Gilbow, chartered a bus for a Pilgrimage Tour, Tuesday, April 18. They visited the Japanese Garden in Ft. Worth. Each club schedules an annual tour and the combined trip was the culmination. After a tour of the garden grounds, the ladies of the Ft. Worth Garden Club, dressed in Japanese attire, served tea to the visitors. The group was taken to Jettons Cafeteria for lunch and then to Seminary South Shopping Center for a shopping spree. Lots of chatter and gaiety was enjoyed on the trip. The following were on the tour, Mesdames Ralph White, R.C. Gilbow, D.C. Didson, Marjorie Kauer, Arnold Holtzen, Walter Riley, Fred Thompson, Sid Gamblin, Leo J. Foster, J. T. Brady, Carl Morrison, Ray Mills, C. R. Chambers, Floyd Landes, R.P. TWIRLING CHAMPS--Saturday, Cindy Rutledge, 7, and Debbie Rutledge, 5, attended the NBTA twirling competition in Poteau, Okla., where they captured 12 trophies, 7 of which were first place. Contestants attending the meet were from Oklahoma, Texas, Arkansas, Missouri, and Tennessee. Cindy and Debbie's instructor is Mrs. Sharon Lemons Arber of Fort Worth. Their parents are Mr. and Mrs. Charles Rutledge, 616 Gayle.

REP. VERNON STEWART chats with ladies following the coffee they held for him Friday night.

## Stewart Discusses Campaign Issue

Rep. Vernon Stewart, in speaking to a group of young couples Friday evening, stated that the big issue of the upcoming campaign for the Representative of the 52nd District is "Who can best represent Wichita County--who is the best qualified to represent Wichita County."

Stewart told the group that the qualifications of each candidate must be looked over and that their records must be studied.

Stewart, who has been in the House of Representatives for 20 years, states that his seniority is a major asset. "Seniority is the name of the game in Washington and now in Austin," stated Stewart. "A man with the longest tenure can ask for almost any committee appointment and almost always be assured of that appointment and be able to stay there as long as he wants."

Stewart has asked for a seat on the powerful Appropriations Committee of the House and was assured last week by Speaker Rayford Price a place on that committee, due to Stewart's seniority in the House.

The Appropriation Committee provides the money for all state agencies and services. Stewart stated that he felt it to be real important that someone of this area serve on this committee where Midwestern will be assured of its equal share of state funds for continued growth of higher education in this area. He further stated that the Wichita Falls State Hospital was also dependent upon these funds and that he would go to bat to keep the hospital in Wichita County and to help improve the facility if possible. Stewart further pointed out the

FIRST PLACE WINNERS--David Brown and Cathy Thomas took first place in the Open Dance competition at the Cotton Bowl Invitational Skating meet Saturday in Dallas. They also placed second at the Easter Invitational Skating meet in Oklahoma City. They are presently preparing to compete in the Regional Competition to be held in Dallas in June. David and Cathy, both 13-year-olds, skate with the Orbit Competitive Skating Club under the direction of Toni Savage.

Flameless electric heat is clean. There's nothing about it to blacken pan bottoms. So there's less need for scouring.

Curtains, walls and woodwork stay clean and fresh-looking longer when you cook the modern flameless electric way.

And, since an electric oven is insulated on all sides, top and bottom, electric cooking puts less heat into the kitchen air.

## Congressman Price To Be Honored May 4

Paul Eggers, former Wichita Falls civic leader and GOP candidate for governor will emcee a 'Salute to Agriculture' honoring U.S. Congressman Bob Price on Thursday, May 4.

Eggers, the GOP's top vote getter in the state of Texas now practices law in Dallas following the 1968 election. He was named General Counsel for the Treasury Department by the Nixon administration in 1969.

The Salute keynote by Secretary of Agriculture Earl Butz marks the first visit by a Secretary of Agriculture to this district.

Prior to his appointment to the cabinet in 1971 Secretary Butz served as Assistant Secretary of Agriculture and was a member of the Board of Directors of the Commodity Credit Corporation. He has traveled extensively in the interest of agriculture serving as chairman of the U.S. dele-

gation to the Food and Agriculture Organization meeting in Rome, Italy, in 1955 and 1956.

Congressman Price is a member of the House Agriculture Committee and holds membership on the sub-committee on Cotton, and Livestock and Grain. He has served as a member of the Congressional Task Force on Agriculture and Rural Affairs.

Price said, "It is indeed an honor to have leaders like Paul Eggers and the nation's number one man in agriculture on hand for this occasion."

"Secretary Butz has already gone to bat for the people of this district with his staunch defense of the American farmer. His recent effort to throw light on the true culprits and the high cost of beef being purchased by the American housewife are greatly appreciated by the farming and ranching people of Texas."

Dinner will be served at 7:30 p.m. at the Wichita Falls Country Club and will be preceded by a reception at 6:30. Butz's speech is slated for 7:45 p.m.

Tickets are priced at \$50.00 and may be purchased from George Graham, 3000 Harrison in Wichita Falls, or from your local county chairman.

## Wheat Harvest Prospects Cause Producers' Concern

Concern over declining wheat harvest prospects coupled with almost record low prices for existing supplies was voiced by the nine-man TEXAS WHEAT Producers Board at their quarterly meeting Thursday, April 13, in the State Capitol in Austin. Mr. Ken Kendrick of Stratford, farmer elected chairman of the group said "We must do more about the wheat income situation than just talk." He was unanimously supported in this attitude by the entire Board as they drafted research, market development and insect control projects that when implemented during the coming year will exceed \$25,000, in an effort to raise the price of wheat and bolster farm income.

Projects drafted by the Board include export expansion, insect control demonstration, wheat food nutrition education, feed wheat nutrition research and education, and transportation services.

"Since 80% of Texas wheat is normally exported," Kendrick said, "the biggest downward pressure on local prices is from losses this year in the export market from the dock strikes and competition from other wheat exporting countries." In an effort to regain these markets and strengthen prices the Board will request membership in Great Plains Wheat, Inc. which will give Texas producers access to professional market development staff in several foreign wheat purchasing countries in Asia, Europe, South America and the Caribbean. GPW is a marketing development organization supported by producer wheat commissions in the Great Plains wheat belt and headquartered in Washington, D.C. Under the GPW program a team of government and wheat buyer officials from Peru will be in Texas April 30-May 1 to study wheat export facilities at the Gulf ports and to learn more about types, grades and quality of hard red winter wheat available at the gulf.

A wheat feeding nutrition and service program designed to increase the level of wheat utilized in local feed lots was authorized by the Board. Kendrick pointed out that "The aim of every wheat grower, including every member of this Board, is to work toward prices so high relative to other grains that none will ever be fed. In spite of these lofty and worthwhile aims, 218 million bushels of wheat was fed to livestock in the United States this past marketing year--40% of the total used in this country--and the amount of wheat used for livestock feed is trending upward." The Board will engage a professional animal nutritionist on a staff consultant basis to implement the new wheat feed nutrition program.

A food nutrition program directed by a staff consultant home economist will be implemented in an effort to reverse the per capita decline in wheat consumption. It is expected that this program will allow Texas to join producers in other states in promoting wheat foods use through the "Day of Bread" and "National Sandwich Month" activities which have successfully increased wheat utilization, as well as implement local programs.

Insects have done about as much damage to dryland wheat especially in the Rolling Plains area -- the last two years as has the drought", according to W.R. Moore, Jr., TEXAS WHEAT Board member from Munday. In an effort to step up use of improved and efficient insect control methods, plans were

developed to establish insect control demonstrations in principal damage area counties in the Rolling Plains for the 1972 fall seeded wheat crop. Practices in keeping with new consideration for ecological, environmental, and air pollution guide lines which farmers are increasingly facing will be used and demonstrated.

"One of the major cost factors influencing net returns to the wheat producer is the cost of transporting his grain from the farm gate to the terminal market place," N.F. Renner, TEXAS WHEAT Producer Board member from Spearman told the group. The cost of transporting High Plains wheat to export points has risen 25% since 1967-- while the price of wheat paid to the farmer has decreased about the percentage, according to the National Association of Wheat Growers recent newsletter. Since increases in freight rates and/or service charges are reflected in lower prices to the producer, TEXAS WHEAT must place high priority on constant surveillance of developments concerning transportation and implement programs to reverse present trends of income eroding practices. Approval was voiced for establishing a transportation program which will include monitoring of transportation developments, liaison with regulatory agencies, carriers and other transportation divisions in government, bureau and organizations.

The Federal Trade Commission has issued a trade regulation rule requiring all articles of clothing leaving a manufacturer after July 3, 1972, to have a permanent label giving instructions for care and maintenance. The rule also applies to fabric sold for the purpose of making wearing apparel. Fabrics must have care labels which home sewers can affix permanently to the finished garment.

The only items of wearing apparel that may be exempt are those sold for \$5.00 or less (retail) and which are completely washable under all normal conditions. Care labeling applies to both imported and American made clothes.

The care labeling instructions must:

1. Fully inform purchaser how to launder or clean the

garment for normal care.

2. Warn the consumer of any regular care and maintenance that might be harmful to this particular garment.

3. Be legible for the life of the garment.

4. Be readily accessible to the user (not hidden in a seam, etc.)

The new labels will be of value to consumers if she reads it and follows the instructions. It can save much money and frustration if it is used as it is intended. This responsibility will be that of the consumer, and after all, she has paid for this service.

The troublesome mesquite trees that dot Texas range land have at least one point in their favor; they provide the most palatable forage for livestock. Many ranchers have noticed through the years that cattle often prefer the grass that grows under herbicide-treated mesquite to the grass in open areas. Brush research at Texas A&M University has come up with some interesting results of tests.

Better forage is not the only advantage to the shaded grass. It also serves as a source of reseeding the open areas after droughts or periods of close grazing. Generally the grass under trees seems to be better because animals cannot trample it as easily and also because a better microclimate exists under the mesquite canopy.

The better grass response is probably due to more favorable soil-water relationships under the trees. Conclusions centered around the results of soil samples taken from under mesquite trees and also from open areas. The soil texture was the same and there was only a slight difference in soil nutrients. Soil from under the trees was more porous in the top six inches, but the same at lower depths. The big difference came in water infiltration rates. Soil from under the trees took water four times as fast as soil from open areas.

####

The possibility of a vaccine or vaccines to control calf scours may soon be a reality. Scours, an intestinal ailment characterized by severe diarrhea, is a costly problem in the cattle industry as it causes high death losses in calves. Many infected calves which do not die suffer retarded gains in weight and often weigh as much as 100 pounds less than normal at weaning time.

Research on a vaccine was done at a university in Nebraska. During the past two years, some 13,000 calves on 30 Nebraska ranches with a history of severe scouring were checked. Orally administered scour vaccines were given to pregnant cows 60 to 90 days before calving. Later research proved that only one vaccination was needed. The vaccination program gave 75 per cent effective control. A herd with scour infections reaching a 90 to 100 per cent incidence reported only 10 per cent after treatment.

### Farmers Guarding Natural Resources

Texas farmers and ranchers are the real custodians of our wealth of natural resources. How they use these resources, and the leadership and opportunities offered them will determine the future of our environment, Agriculture Commissioner John C. White said recently.

"A quality environment--clean air, pure water and good land--should be our number one commitment in Texas," Commissioner White declared. "The Texas Department of Agriculture is working on this commitment through its Environmental Sciences Division."

White noted that farmers and ranchers were the original environmentalists, "before most people knew what it meant." They are also the main support of our state economy which is still largely dependent upon agriculture, despite our rapid urbanization, he said.

Good soil practices, water conservation, pasture control and forest preservation have become a standard practice of our rural people, Commissioner White said. However, industrial development, automobiles and city sanitation practices pose a grave threat to the environment that rural people are striving to preserve.

## Mrs. Walter L. Frye

Mrs. Walter L. Frye, 82, died Thursday at her home in Randlett. Services were held Friday at the United Methodist Church. Rev. Jerry Fost officiated with burial in Devol Cemetery under the direction of Owens & Brumley Funeral Home.

Mrs. Frye was born Dec. 4, 1890, in Dallas. The Fryes moved to Randlett from Devol several years ago.

Survivors include her husband of Randlett; 6 sons, Hugh of Randlett, Jim of Burkburnett, Tiny and Rex of Duncan, Tom of Lakewood, Calif., and W.L., Jr. of Joshua, Tex.; and 12 grandchildren and 5 great grandchildren.

## Allred Speaker At Burk Rotary

Rep. Dave Allred presented the Burkburnett Rotary Club with a program on the recent Special Session of the Texas Legislature at the April 17 meeting of the club.

Allred stated that the main activity of the Special Session centered around the election of a new Speaker. Rayford Price of Palestine was elected over DeWitt Hale.

Allred told the group that, "I did not vote for him (Price) because we just got rid of one dictator (referring to Speaker Oas Mutscher)." Allred told the group that Mutscher named all the committees in the House and in this way he controlled all bills that tried to go through the House of Representatives.

He further stated that the reforms initiated by Speaker Price were only window dressing and smoke screens. According to Allred, Price

only passed one reform (conference amendment) that was good and that one had been proposed by the Dirty 30 earlier.

Allred reported he had opposed the billboard law which passed. "It's like they want billboards moved back over three football fields away from the roadways therefore only big business will be able to put up a billboard. It has been estimated that it will take \$23 million in state money to finance the project."

He related to the Rotary members that he voted against the Primary Election Bill since in his opinion, it was poorly drawn, and voted for the Women's Rights Bill "cause I think all should have equal rights."

Allred opened the floor to any questions Rotary members might have concerning happenings in Austin.

if the bill becomes law. Enthusiasm of some city officials for the revenue-sharing plan was dampened by an apparent proviso that states participating would have to adopt state income taxes or receive a lesser amount than those which do levy taxes on income.

**DROUGHT GETTING WORSE-** A Texas climatologist reported spring drought conditions are getting worse over most of Texas.

Agriculture Commissioner John White said the drought already has cost agriculture producers hundreds of thousands of dollars.

There was little rain anywhere except in North Central Texas.

Climatologist Robert Orton said there is a moderate drought in the High Plains, North Central Texas, East Texas, Trans-Pecos, and the Edwards Plateau.

The Low Plains and the Upper Coast still are listed in a state of mild drought.

South Central Texas, Southern Texas and the Lower Rio Grande Valley have not entered the mild drought category.

**ALLOWABLE STAYS UP--** The Texas oil production allowable for May will stay at 100 per cent due to increasing demands.

A Railroad Commission order last week retained the April maximum after major buyers of crude asked for an increase in output of 83,312 barrels a day or a total for next month of more than 3.6 million barrels.

Ten of the 16 big buyers requested the same amount as April. Five asked an increase, and only one said less oil is needed.

The April 100 per cent fig-

ure was the first wide-open allowable since 1948.

Careful study will be continued to prevent waste, Commission Chairman Bryon Tunnell said.

**NEW DEADLINE FIXED--** April 30 is a new tax deadline for about 72,000 Texas employers.

Wage reports must be filed by then with Texas Employment Commission for purposes of unemployment taxes during the first quarter of 1972.

Employers have been notified by mail and sent forms and instructions.

Reports must include wages paid and names of employees, along with taxes due. Employers brought under coverage of the Texas Unemployment Compensation Act are mainly those who have one to four employees. Now employers receive a tax rate of one per cent, which may scale downward after two years depending on unemployment experience. Some non-profit, charitable and educational organizations are subject only if they have four or more workers.

**COURTS SPEAK--**The U.S. Supreme Court upheld a Massachusetts law requiring the state's public employees to take a "loyalty oath" that they oppose overthrow of the government by illegal force.

The State Supreme Court in a Tarrant County case upheld minimum filing fee and petition requirements for getting on the Texas primary election ballot as set by Secretary of State Bob Bullock.

The High Court also found the legislature cannot exempt non-profit water supply corporations from property taxation. A corporation in Williamson County sought exemption from Leander school district taxes.

Third Court of Civil Appeals held Southwestern Bell Telephone Company owes all the taxes on telephone pole rental payments which it paid under protest -- plus more.

**AG OPINIONS --** A prohibition against a person who holds any state or local office of profit or trust from serving as chairman or a member of any political party executive committee is unconstitutional, Attorney General Martin held. In other recent opinions, Martin concluded:

- \* County party executive committee or primary com-

mittee members are not entitled to compensation for expenses of attending their official meeting.

\* The filing deadline for independent school district trustee is midnight of the 31st day preceding the election, not counting the day of the election.

\* A justice of the peace may order removal of a finger from a dead body for identification purposes, but only the county health officer or a duly

licensed and practicing physician trained in pathology can do the amputation.

Health department officials urge inoculation of horses against Venezuelan equine encephalomyelitis (VEE). Another outbreak is expected.

TEXAS PRESS ASSOCIATION

AUSTIN, TEX.--Att. Gen. Crawford C. Martin jarred legislators with an opinion that they are prohibited from hiring not only their own relatives but those of other lawmakers.

The opinion, requested by new House Speaker Rayford Price, thus declared illegal a long-standing practice which, only within the last few weeks, has attracted widespread critical attention.

Meanwhile, State Sen. David Ratliff of Stamford, whose family hiring practices and son-and-daughter job swapping with another legislator triggered a threatened investigation, said he may resign.

More than 40 legislators freely admit relatives were on the state payroll (usually in the Senate for House members' kinfolk) during the last five years. Many of the cases involved nothing more than legislators' children working as pages, but combined salaries of the improperly-hired totalled more than \$120,000 since 1967.

Martin said an article of the penal code forbids a member of one house of the legislature from hiring a relative (within restricted degrees by both blood and marriage) of a member of either house when the employee is paid from public funds.

Lt. Gov. Ben Barnes issued prompt orders that any Senate employee related to a legislator will be dropped from the payroll immediately.

House Speaker Rayford Price said he also plans full cooperation.

With one state representative indicted for allegedly using state postage stamps to buy a pickup truck and another known to have leased furniture for his state office from his own firm, the House administration committee also proposed new limitations on lawmakers' expense accounts.

**NO NEW TAXES:** Smith--Gov. Preston Smith, in a statewide campaign speech via television, threatened to veto any tax bill passed by the legislature in special session this summer.

"I will present a budget that will require no new taxes, and I will use every available authority of the governor's office to insure that such a budget is enacted by the Legislature," said Smith.

Smith claimed he is the only candidate for governor who "can and will insure that taxes will not be higher in 1973."

Financial observers are waiting to see how the governor is going to shave the 1973 budget by an estimated \$150 million to avoid another tax bill. He may rely on increased federal revenue-sharing or an increasingly improved revenue picture.

**REVENUE-SHARING AIDS CITIES, COUNTIES--** A federal revenue-sharing bill approved by the U.S. House Ways and Means Committee last week would provide \$202 million a year to Texas cities and counties.

Allocation of the funds would be retroactive to Jan. 1, 1972,

Ed Newhouse Pastor, Cashion Baptist Church</p> <p>In this the fourth and final of our studies for believers, it would be well to consider our relationship to those who are not followers of Christ and how this affects our relationship with our Lord.</p> <p>In the gospel of Matthew, chapter 8, verses 19-20, we read a commandment given by Jesus to all of His disciples including us: "Go ye, therefore, and teach all nations, baptizing them in the name of the Father and of the Son and of the Holy Ghost. Teaching them to observe all things whatsoever I have commanded you; and, lo I am with you always, even unto the end of the world."</p> <p>Jesus seems to be outlining the primary function of the New Testament Church. The New Testament church is, of course, made up of individual believers. If we believe that Jesus meant this commandment, we must agree that the primary duty of each born again believer is to teach people about Jesus.</p> <p>I think the best gauge of this can be found in our relationship with those who belong, not to Christ, but to the world. Does the world love you or hate you? How well do you get along with your lost neighbor? In John 3:13 we find these words: "Marvel not, my brethren, if the world hate you." The implication here seems to be that the world hates those who are identified with Christ. The best way to be identified with Christ is to be a witness for him. It is unreasonable then to say that if you tell your neighbor about Jesus, that he will either get saved or no longer have anything to do with you. To go just one step further and say, if your neighbor is lost and still loves you then you have disobeyed your Lord and done your neighbor a terrible dis-service.</p>	<p><b>First Christian Church</b> Second &amp; Avenue D Rev. Complete Professional Service

## Biskup Plumbing And Heating

In the past years, you've heard a lot of jokes about plumbers, but when you want a complete, professional job, call Biskup Plumbing and Heating at 322-5061.

professional way, with the highest quality workmanship, call Biskup. They don't lag behind in their work, but get the job done in the quickest time they can.

Mr. Biskup is an experienced, skilled, licensed plumber and well trained in his work. If you have a job to be done, call anytime and let him assist you in any of your needs. They'll be able to give you an analysis of the cost of your job. For work done in a neat,

You don't need to worry about being 'taken' because Biskup Plumbing and Heating is well known in the community and well thought of. Call us any time at 322-5061 or come and see us on Charlie Road. We give free estimates, and fast courteous service.

Complete Transmission Service

## Reid's AAPCO Transmission

Did you ever let the clutch out on your car, or slip it into 'Drive' position and you just sat there? If this has happened to you, you'd better push the old buggy down to Reid's AAPCO Transmission at 2204 Jacksboro Highway. Automatic transmissions are a complicated mechanism so don't trust it to a 'shade

tree mechanic'. Take it to an expert, one who has been highly trained and has the proper equipment to service automatic transmissions. We're also experts on manual transmissions too. We can repair, rebuild, or replace your transmission for you. If you need a rebuilt transmission, we also have a complete stock on hand, and

you can exchange your old one for a rebuilt one. Our prices are the most competitive in town and our work is fully guaranteed. So, if your transmission starts slipping, grabbing, or giving you fits, bring it on in to Charlie. He can give you reliable work at a reasonable low price.

For All Your Floor Covering Needs

## Remnant Carpet Company

Take a look at your floor covering. No, not later, do it now. OK, now does it look lifeless, tired, worn out? If it does, you should visit the Remnant Carpet Co. at 1100 Scott. We have a wonderful selection of carpeting with designs and colors that will suit every need. You'll enjoy a new level of living when you choose the style and color you need for your home.

All of our personnel are highly trained and can be of great assistance in every carpeting or floor covering problem you may encounter. We feature distinctive quality products at down to earth prices, with budget terms available. Since we've opened, Remnant Carpet Co. has become known as the One Stop Carpet Center. We'll be more than

glad to make estimates for you without obligation, and when you've made your selection, you can rely on expert installation. Our highly trained installers will do such a fine job, you'll want to recommend us to your friends and neighbors. For all your floor covering needs, call us at 766-4681 or come in and see us at 1100 Scott.

Join The Fun At The Friendly New

## Falls Bowl

Bowling is fun, but it is really a "ball" at the new Falls Bowl. We're completely remodeled, with carpeting throughout, underground ball returns, new ball lifts and a counter bar. We offer a pro shop with all your bowling needs including ball drilling. We also have a free nursery available during ladies leagues, and feature free instruction for lady beginners, on Thursdays

at 9:30 a.m. So gals, don't let the baby sitter problem bother you, because we'll babysit while you bowl. Bowling has become very popular, and men, women, and children are all finding this a relaxing pastime. If you've never bowled before, don't be embarrassed because many people are learning and you'll find it fun and easy to do. We have open bowling and

leagues, but if you need to practice, just give us a call at 766-2525 or drop by and see us at 511 Mississippi. You'll like our atmosphere, and our friendliness. Once you get hooked on bowling, it's hard to give up the habit. Why not get a group together and come on out and just have a "ball". Believe us, you'll enjoy every minute of it.

For The Finest In Pizza

## The Pizza Hut

We know you've gotten the urge for Pizza during those TV commercials, so you can just phone your order in and pick it up real quick. For the best pizza in town, drop by the Pizza Hut at 4603 Southwest Parkway or the one at 504 Kell, or phone 692-0811 or 766-3212. We guard our recipes and use the finest quality ingredients that anyone could buy.

Pizza Hut offers authentic old world Pizza in many delicious flavors that you can eat here or take with you. The management has made it a point to hire people they can trust to give friendly, courteous service. When you have pizza, you can also get your favorite soft drink or dark beer. Be sure to try our new Submarine and Salad.

There are many Pizza places in business, but we feel that Pizza Hut makes the best pizza around. Before you make judgement, come and see us and try our pizza. We know you'll like our atmosphere, our courteous employees and especially our pizza. Come and see us, and we know you'll return again and again.

Expert Electrical Specialists

## Pettyjohn Electric Co.

Need a specialist in electricity? Call Pettyjohn Electric at 766-1301, and located at 1942 Hines in Wichita Falls. Specializing in house wiring, commercial wiring contracts and lighting fixtures, no job is too small or too big. If you have a wiring problem, call on us because we know how to contend with any electrical problem which you

may run across. We have proven ability in the community and deal fairly with everyone. We're fair with price and we don't sacrifice quality. We know you want a good job, done correctly, so you can depend on us. You know you're receiving the best that's offered when you have us do an electrical

job for you. The next time you decide to remodel, redecorate, build, or whatever you may need an electrician for, you may as well go first class and call us. Our work is guaranteed, the quality of workmanship is high and the low, low price may shock you. Give us a call today at 766-1301.

The Finest In Vacuum Cleaners

## Kirby Co. Of Wichita Falls

When your vacuum cleaner gets too old to cut the mustard, it's time to see the new Kirby in action. Kirby vacuum cleaners have built a worthy reputation for dependable service and are well noted for a fantastic cleaning job. Housewives choose a Kirby vacuum cleaner over any other brand every year and you'll find that if your wife gets one, she'll never let go.

We have a full line of replacement parts for your machine, in case anything does go wrong. We also offer a complete repair service on most makes of vacuum cleaners. The next time you decide to come to Wichita Falls, bring your cleaner, no matter what make, with you and have it adjusted and cleaned. Most cleaners can be adjusted and

repaired in the same day. Glen Snyder, manager of the Kirby Co. in Wichita Falls, cordially invites you to come in and see the fine line of cleaners they have available. We are located at 5014 Jacksboro Highway and the phone number is 766-1901. We feel so confident that once you try a Kirby, you'll buy one, and be completely satisfied with it.

#### In Loving Memory

Of Our Dear Beloved Mother Mrs. Maggie Paris, who departed This Life April 27, 1971 LOVING MEMORIES

#### Your gentle face and patient

smile With sadness we recall You had a kindly word for each

And died, beloved by all. The voice is mute and still, The heart that loved us well and true,

Oh, bitter was the trial to part From one so good as you. You are not forgotten, loved one

Nor will you ever be As long as life and memory last

#### We will remember thee

We miss you now, our hearts are sore; As time goes by, we miss you more.

Your lovin' g smile, your gentle face; No one can take your vacant place. Loretta (Rita) Paris & Family

#### Legal Notices

THE STATE OF TEXAS, COUNTY OF WICHITA In the Name and by the Authority of the State of Texas To: Charles Morris, whose residence is unknown, V.C. Hensley, whose residence is unknown, and the respective unknown heirs and legal representatives of all the above named parties, the unknown owners or owners of the hereinafter described property and their heirs and legal representatives, whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff herein for taxes. YOU ARE HEREBY NOTIFIED THAT suit has been brought and is now pending in the Honorable District Court, 78th Judicial District, Wichita County, Texas, wherein THE CITY OF BURKBURNETT is plaintiff; THE BURKBUR-

NETT INDEPENDENT SCHOOL DISTRICT AND THE STATE OF TEXAS AND COUNTY OF WICHITA are intervenors; and CHARLES MORRIS AND V.C. HENSLEY are defendants, by the filing by said plaintiff of a petition on the 12 day of April, 1972 and the file number of said suit being No. 35,017-B and the nature of which is a suit to collect delinquent and valorem taxes on the following described property, to wit: Lot 3, Block 1, Cannon Addition of the City of Burkburnett, together with interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon. 22T

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:

The City of Burkburnett, \$800.10; Burkburnett Independent School District, \$649.86; The State of Texas and the County of Wichita, \$229.04; TOTAL, \$1,679.00.

The names of all taxing units which assess and collect taxes on said property not made party to this suit are none.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to including the day of judgment herein, and the establishment and foreclosure of liens, if any securing the payment of same, as provided by law. All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date

of issuance hereof, the same being the 29 day of May, A.D. 1972, (which is the return day of such citation), before the honorable District Court of Wichita County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issue and given under my hand and seal of said court in the City of Wichita Falls, Wichita County, Texas, this 14 day of April, A.D. 1972. WAYNE WIGGINS Clerk of the District Courts Wichita County, Texas 78th Judicial District. By Jo Ware, Deputy

Weekly Health Tip from Joe Gillespie

To your children, never call medicine candy. If deceived in this way, children may search out the bottle and eat or drink its contents. This can cause serious illness or poisoning. Also avoid taking medication in the presence of children, as they tend to imitate their elders.
