RAYMOND GREENWOOD

Women --gosh I guess I'll never be able to understand them. What they say isn't what they mean and you're not supposed to listen to what they say but do what they mean or do what they say and forget what they mean. I can never seem to get it straight.

Take my wife for instance. She was complaining the other day about not having anything to wear for a certain occasion. "Everything I've got is so old, I just can't wear any of it to that," she says. Then what happens. She digs around in the back of the closet and comes up with a dress that she had when she was in high school.

She tries it on, and low and behold it still fits, perfectly. She is so excited about still being the same size as she was in her school girl days that she tells me that the dress will be perfect for the party!

It's great to be the same size as you were when you were a junior in high school -- a short three years ago, relates my wife. The way you count it dear, may only be three years, but how come you had to cut over a foot off the hem of the dress in order to get the hem to hit you just above the knee??"

I never heard her reply--my heart was beating too loudly to hear anything as I ran out the front door and to safety.

As soon as she reads this column (if she bothers this week) she'll probably have a whole army of Women Libbers down here picketing this place!

We men aren't much better these days when it comes to clothes. When I was a kid if you had one pair of undershorts that had the seat in them and one had a couple of pair of Levis then you were in high cotton. Not so today.

According to one of the latest commercials on TV, you can be a Mr. Jones on the outside, but be a real tiger underneath. The commercial is advertising some brightly colored and designed underwear. It seems that for one to be completely in style these days he must wear a matching set of undershirt and shorts in the many brilliant colors and designs available.

I really never knew that that part of your clothing was for show anyway!

Years ago the girls all wore bobby socks and shoes that I called saddle oxfords. A little over a year ago the men dropped the bobby socks, but they began wearing the saddle oxfords.

This year what happens? The girls go back to wearing the oxfords, or what ever they call them and the boys and men begin wearing patent leather boots and shoes with heels on them the height that at one time belonged only on women's shoes.

Oh well, what ever one likes he should wear. It's certainly not up to me to set the fashions or to ridicule those who wear the latest. But, I just can't see me running around town telling everybody how great I feel wearing bright red and blue undershorts.

On the more serious side, an important issue will come before the citizens of Burk Burnett Tuesday in the form of a bond election.

All qualified voters are urged to go out to the polls and mark the box of their choice on both the water and sewer bond proposals.

I'll not try to tell you which way to vote, but I will go on record as stating that I'll check the FOR box on both proposals.

My water bill will probably increase about \$2 a month due to the anticipated increase needed to retire the bonds. I

See EDITOR, Page Two

City Seeks Solution To Shallow Wells And Water Scheduling

Citizens To Polls Tues. On Bond Issue

Citizens of Burk Burnett will go to the polls Tuesday to decide the fate of the proposed water and sewer bond proposals.

The polling place, City Hall, will be open from 7 a.m. until 7 p.m. with F.T. Felty acting as presiding election judge.

All registered citizens are eligible to vote in the bond election, both property and non-property owners. There will be two ballots at the polls, however, one for the property owners and one for non-owners. But both may vote in the election.

A qualified registered voter is described as one who resides within the city limits of Burk Burnett and who registers to vote prior to August 26. According to state law, voters must register at least 30 days prior to an election before they will be eligible to vote in that election.

Two separate proposals will appear on the ballot. Proposition Number 1 will call for the issuance of \$700,000 revenue bonds for waterworks system improvements and extensions. Proposition Number 2 will call for the issuance of \$125,000 revenue bonds for sanitary sewer system improvements and extensions.

The water improvement project will include a transmission line to Wichita Falls, a loop of the water system from Kramer Rd. to West Third and the construction of at least a one million gallon storage.

The sewer system improvements provide for the renovation of the present sewer facility and the construction of a new sewer facility where the city can conform to the rigid state laws now being enforced by the Texas Water Quality Board.

It should be noted that both bond proposals are Revenue Bonds and therefore they have NO effect on property taxes, revenue derived from water and sewer service sales will be used to retire these bonds.

Thus, an increase for most citizens in both sewer service

and water rates are a must, if the bond issues pass.

How much of an increase? Persons using the minimum amount of 2,000 gallons of water per month won't receive any increase in their rates. "We will keep the minimum rates the same as they are now for the benefit of our older citizens and fixed income citizens," stated Bean.

Others using over this minimum amount can expect an increase of 6% based on 3,000 gallons and up to 38% based on the consumption of one million gallons per month. This figure represents an average of 25% increase in the gross monthly revenue in water sales which will go toward the retirement of the revenue bonds. An example of the proposed increase would be an increase from \$4.50 per month to \$5.00 which is a 10% increase for a person that uses 4,000 gallons of water. A person using as much as 10,000 gallons of water would see his monthly \$7.25 water bill rise

to \$9.50 which is a 23% increase. An anticipated rate increase of 25% is expected on the sewer rates.

Local citizens should be informed that the City of Burk Burnett is NOT planning on scrapping the existing water system. They, however, are looking for a permanent water supply that will help Burk Burnett with its peaking (maximum usage days), thus eliminating the water rationing that citizens of Burk Burnett have experienced almost everyday through out the history of the town.

The only permanent water supply in existence at this present time that would be available to Burk Burnett is from Wichita Falls, according to Bean. The proposed permanent water supplies of the Cookie-

town Reservoir project and the Waurika Lake haven't even begun constructing yet. The distance to the Waurika Lake, upon its construction, would be approximately 35 miles compared with the eight miles of line we will have to lay to tie on with the Wichita Falls supply, stated Bean. Also, with a transmission line to either Cookietown or Waurika Lake the line would

have to cross the Red River and the cost there would be astronomical.

In addition to this, a filtering plant would have to be constructed by the City of Burk Burnett if they ever purchased water from either of those two sources. At present Burk Burnett chloridates its water, but does not have to filter it since

Thunderbirds To Perform At Sheppard Wednesday

SHEPPARD AFB, TEXAS--The Thunderbirds, famed Air Force Air Demonstration team, will present a show at Sheppard Air Force Base Wednesday at 3 p.m., as one of the events honoring the Air Force's 25th Anniversary.

The show will climax an "open house" to be held that day from 11 a.m. to 4 p.m. The public is invited to attend.

The air will be saturated with the roar of four supersonic jet aircraft as the Thunderbirds begin their demonstration. A sudden crack and then a thundering roar from four F-4E Phantom II aircraft that appear to be touching wings and only a few feet off the ground will greet visitors to the open house.

The Air Force Air Demonstration team opens the show with the diamond formation. The wings of the planes overlap six feet. In front of the viewing stand, the entire formation rolls over, the planes never moving out of alignment. The task of the pilots is to demonstrate the capabilities of modern fighter aircraft and the ultimate in precision formation flying.

Next comes the fifth Thunderbird, the solo pilot, at minimum altitude. He performs vertical rolls, aileron rolls and reverse half-Cuban eights, to display the high performance and maximum capabilities of the aircraft.

Lt. Col. Tom Swalm is commander and leader of the famed air demonstration team. Other pilots are Maj. Nels Running, the left wing; Capt. Rip Blaisdell, the right wing; Capt. Jerry Bolt, the slot; and Capt. Steve Duelle, the solo.

The Thunderbird arrival show will be at 11 a.m. Flybys of T-37 and T-38 aircraft from

the 3630th Flying Training Wing is slated for 12:45 p.m.

Several events are scheduled from 12:50 to 2:30 p.m. These will include a radio controlled model airplane demonstration; performances by a parachute demonstration team from Ft. Sill, Okla., and the drill team, drum and bugle corps and the 761st Air Force Band from Sheppard. The drill team will perform at 1 p.m.; the drum and bugle corps, at 1:30 p.m. and the band, at 2 p.m.

The formal inspection for the Thunderbirds will begin at 2:35 p.m. and the 30-minute air show, at 3 p.m.

The model airplane demonstration will be on the School of Applied Aerospace Sciences ramp as will be the static displays. The other events will be in front of base operations.

Aircraft static displays will be F-100, F-101, F-102, F-111, T-28, H-43, H-19, CH-53, UH-1F, T-29, C-123, KC-97, C-130, C-118, HU-16, F-84F, A-37, T-38 and RF-4C. There will also be jet engine cutaways.

The other training departments of the technical school will feature exhibits. These will be Titan missile, communications, transportation and television.

Continuous showings of "Air Force Now," a film on the Air Force's 25th Anniversary will be held from 11:30 a.m. to 1:50 p.m., in building 1360.

Private Firm Interested In Taxi Service

A private firm is interested in providing a taxi cab service for the residents of Burk Burnett. At present there are no cab facilities here. This poses a great problem, according to some who aren't able to drive an automobile or to those who don't have a car or a second automobile.

The INFORMER/STAR has agreed to take a random survey to see how many people would like to see such service available in Burk Burnett.

Call the INFORMER/STAR office at 569-2191 and tell the girl that answers your name and Yes or No according to whether you would like to see a taxi cab service begin in Burk Burnett.

You may also write your views on the subject to the INFORMER/STAR, P.O. Box 906, Burk Burnett, Texas 76354.

THUNDERBIRDS to be at Sheppard Wednesday at 3 p.m. in observance of the Air Force's 25th Anniversary.

ALL SMILES AT AUTOGRAPH PARTY--Mrs. Minnie Benton, seated, was all smiles at the success of the autograph party held Sunday for her new book BOOMTOWN: A Portrait of Burk Burnett. Over 100 guests came by during the afternoon for her special autograph. Shown with Mrs. Benton is her daughter, Mrs. Bill Richardson from Wichita Kansas, right, and Mrs. James Sewel and Mrs. Jim Morris standing in line to have their books autographed. Reserved books as well as additional copies of the book may be purchased at the INFORMER/STAR office. (Boomtown Photo).

Bulldogs To Take On Powerful Duncan In Friday Night Tilt

"It will be another down to the wire game," stated Bulldog Coach Bill Froman describing the upcoming game between the Burk Burnett Bulldogs as they take on the strong Duncan, Oklahoma team.

The Duncan team, according to Froman, is a much improved ball club over last year's team. They have real quality players in several positions. Froman singled out their two offensive ends who have a lot of speed and have good size. One of the ends, Richard Minter, stands 6'5" and weighs 190 pounds. Their tailback, Terry Drain, who can run the 100 yd. dash in 9.8, is also a constant threat.

They list a returning quarterback from last years team that likes to scramble with the football.

Defensively we expect them to be a lot stronger than the team we played last week, says Froman.

All these facts seem to add up to what Froman described as a Down to The Wire Football Game.

The Bulldogs will field the same personnel as they did last week, according to the Coach. Ben Wilkinson will continue to replace Terry Waller in the Bulldog defensive secondary. Waller is nursing an injury acquired in the pre-season scrimmages, but is expected to see action in the near future.

Another defensive secondary regular, David Todd, is also missing from the starting unit as he has been recovering from a knee injury since the early

part of the season. He is expected to be able to see some action within the next two or three weeks.

Robert Chaney, a capable reserve for the Bulldog secondary, is also out at present with an injury.

"Our offensive is farther along than what our defensive team is," stated Froman. "This has been evident in both of our preceding games, but the boys are working hard and are progressing rapidly."

Both units of the Bulldog Football team are expected to show more poise and polish as the season progresses. They, therefore, should become an even tougher ball club to defeat.

City Council Discusses Tues. Bond Election

The Burk Burnett City Council in their regular meeting Monday night discussed the upcoming bond election and the water purchase contract with Wichita Falls in particular.

The proposed contract from Wichita Falls has not been received to date, but City manager Gary Bean stated he anticipated the same contract provisions as in effect between Iowa Park and Wichita Falls.

Proposed consumer rates based on the cost of water purchased from Wichita Falls were filed with the council but no action was taken.

Under these rates the first 2,000 gallons of water would remain the same.

Local citizens will cast ballots Tuesday on the issuance of \$700,000 in water revenue bonds for the general improvement of Burk Burnett's water system. The largest expense in the proposal will be the construction of a water transmission line from Wichita Falls to Burk Burnett.

A.E. Probst Jr. was named city engineer by the council and empowered to sign the city's application for federal aid on a proposed sewer plant expansion.

Local Women Top Of 70 Entries In Football Contest

Who said women didn't know anything about football? Last week the Informer/Star Football Contest had approximately three dozen entries and two men took the first and second prizes. This week twice that amount of entries were taken and two women took first and second prizes, and with better percentages than the men did last week.

Bobbie Kemp of 725 West Third won the first prize of \$15 and Vickie Young of West First Street won the second prize of \$10.

Bobbie had a clean cut victory with fifteen correct games while Vickie was tied with several individuals with thirteen correct. She won the second prize, though, due to the fact that she had the

closest prediction of the tie breaker game.

It's interesting to note that the closest contender to Vickie was T.M. Cornelius, her employer. Although Cornelius helped her with her predictions, according to him, she wouldn't listen to him on the tie-breaker game. She was one point closer to the correct score on that game than what he was, thus winning the \$10 second prize.

Bobbie, the first place winner, had a little help from her teenage son, Leslie. It seems that Leslie wanted to enter a set of predictions in his mother's name. "I told him to go ahead," said Mrs. Kemp, "but I also told him to put down just the opposite of everything he put on his

entry!" This he did and along with her prediction of the tie-breaker, came up with the winning entry.

Which raises the question, "Who will be asking who advice on the coming week's contest around the Kemp house?"

To enter the contest just make your prediction of the winning teams listed on the Football Contest pages in this issue of the INFORMER/STAR. Predict the exact score on the tie-breaker game, on all other games just pick the winning team, however.

Bring your entry to the INFORMER/STAR office at 417 Ave. C no later than 5:00 p.m. Friday. You may also mail your entry to P.O. Box

**Woods &
Waters**

By
Mike Gaines

Well, with dove season under-
way and the temperature drop-
ping slightly, some people are
beginning to turn their thoughts
to deer hunting.

The dates and regulations for
72-73 have just been re-
leased and the first is archery
season. It opens October 1st
and runs through the 31st in
most counties. Many people
who have never hunted can't
see some of the advantages of
the sport. I'll agree it's much
harder to bag a deer with a bow
than with a gun, but there are
advantages to it. Hunters who
already have a lease for this
fall, for instance, plan on gun
hunting and hope to know where
the deer are on opening day.
As you know, just because they
are used a certain trail or feeding
area last year doesn't neces-
sarily mean they will be there
this year.

Using the basics of bowhunt-
ing a month in the field prior
to gun season will allow you
to know where the deer are and
learn more about their habits.
All will be helpful in putting
that big buck on the wall come
November. Try it, you'll like it.

With the number of shooting
accidents recently it must bring
thoughts to mind about the rules
of gun safety. Certainly all
accidents are not easily pre-
vented, but the informed hunter
could help to eliminate some of
them. A firearm of any kind
can be totally safe, but with
misuse you can also be totally
dead.

Please remember the basics of
gun safety and your families
will have a happier hunting
season too.

The initial phase of develop-

ment of Lake Arrowhead State
Park begins Oct. 3rd when the
Texas Parks & Wildlife Dept.
opens bids for \$400,000 to \$500,
000, in park facilities.

The department acquired the
325 acre tract from Wichita
Falls in 1970, but only limited
facilities have been available.
Construction plans for the park
includes a headquarters building,
two residences, a concession
building, two comfort sta-
tions, a marina, water and sewer
treatment plants and road-
ways and parking areas.

Parks and Wildlife Dept. of-
ficials estimate the project
should be finished a year after
construction begins.

When you think of big game
hunters you sometimes feel they
are a rare breed of humans
with unlimited funds and end-
less hunting opportunities. This
is not always the case as this
picture shows. These men all
from Wichita County are shown
with a black bear taken in Colo-
rado by B.H. Alexander, Jr.
He and Gad Garland also in the
picture, fill their elk and deer
tags every year on their hunting
lease in Colorado. So when
you think of big game hunters
you don't have to look quite so
far.

**Putting Tourney
Tonight 7:30**

The Boomtown Golf Center will
conduct its first Putting
Tournament tonight at the
course.

The center recently installed
a 9-hole putting green that com-
pares with the greens on any
other golf course in this area.

The 54-hole putting tourna-
ment will start at 7:00 p.m.
tonight with all golfers invited.

School Menu

- September 25-29
- MONDAY** - Fish fillet with
tarter sauce, buttered corn,
cole slaw, bread, butter, milk,
yellow cake with chocolate
icing.
- TUESDAY** - Hamburger, bun,
onion, pickle and mustard, milk,
french fries, baked beans, but-
ter, peanut butter cookies.
- WEDNESDAY** - Roast beef
with gravy, steamed rice,
carrot sticks, hot rolls, butter,
milk, chilled fruit.
- THURSDAY** - Sausage pizza,
pickle circle, seasoned black-
eye peas, buttered spinach, but-
ter, bread, milk, jello with
whipped topping.
- FRIDAY** - Fried chicken,
gravy, whipped potatoes, but-
tered peas, hot rolls, butter,
milk, ice cream.

Hall).

BOND ISSUE

it comes from wells rather
than a lake.

Water purchased from the
City of Wichita Falls is already
filtered and ready to go straight
to the consumer.

When asked about Burkbur-
nett obtaining water from a-
round the Byers area Be-
repled, the distance to that point
is about the same as to Wichita
Falls (eight miles) and in ad-
dition to that we would be tying
on to a non-permanent water
system. The wells in the Byers
area are the same depth as those
of Burk Burnett and in the same
type water table, which too could
drop just as the one that Burk-
burnett has been tapping for its
water supply. In other words,
stated Bean, Burk Burnett would
have to spend the same amount
of money to lay a line to Byers
and then it couldn't be sure of
the dependability of the water
supply there, especially if the
general drought of this area
continued.

It has been estimated by water
officials that the City of
Wichita Falls currently has a
five year supply of water in its
lakes if the lakes never re-
ceive another inch of rainfall
during that period.

Although Burk Burnett had a
water shortage for a number
of years, the City has been
working on the problem. "We
drilled enough wells last year
to add an additional 425,000
gallons of water a day to our
supply" stated Bean. This
figure should have been more
than enough with the previous
production capabilities to sup-
ply Burk Burnett with the 2.5
million gallons of water it uses
daily, but it wasn't.

"We've run out of places to
drill wells and we're running
into diminishing returns with
the wells we have drilled,"
stated Bean. "Tests show now
that when we drill a new well
it only draws from another well
and further diminishes re-
turns."

At present Burk Burnett's en-
tire water supply depends on
some 120 shallow water wells.

Last year the citizens of
Burk Burnett extracted some 394
million gallons of water from
these shallow wells. For the
past two years the water table
in that well field has continued
to drop and has failed to rise
any during the fall and winter--
normally rainy months and
months of low water consump-
tion for Burk Burnett.

Council members agree with
Bean that the only feasible way
to eliminate the water shortage
for Burk Burnett is to tie on
with a permanent water supply
and that the most logical one
at this time is definitely Wichita
Falls.

How will the project be fi-
nanced and how much is it
going to cost Mr. Average Cit-
izen?

The total water improve-
ment project which included
the transmission line to Wich-
ita Falls, a loop of the water
system from Kramer Rd. to
West Third and the construc-
tion of a one million ground
storage is expected to cost
the City an estimated \$700,000.

The loop, mentioned above,
will provide water feeding lines
into the West Third area from
both ends. At present the
water supply in that area comes
only from the downtown storage
tank and due to the under size
of the line down West Third,
the pressure in that area has
dropped more than other areas
of town. The loop of the water
supply there should eliminate
the low pressure and provide
the citizens there with ample
water.

The money will come from
the sale of Revenue Bonds.
The money needed to retire
these bonds will come from
water and sewer revenue and
NOT taxes. The money needed
to pay out the \$125,000 sewer
bonds for the proposed sewer
improvement project will also
come from the water and sewer
revenue and NOT taxes.

Bean pointed out the fact that
the City had applied for a fed-
eral grant that he was hopeful
would pay one-half of the total
\$700,000 cost of the water pro-
ject. If the City receives the
grant then only one-half of the
total amount of the revenue
bonds will be issued and that
the rate increase on water ser-
vice would also be lower than
the above estimated increase.

The sewer improvements
bonds for \$125,000 are for the
construction of a new sewer
plant adjacent to the present
facility and the updating of the
present plant. This \$125,000
figure represents the city's 45%
share of the total project. The
Texas Water Quality Board
through a state grant is paying
the remaining 55% of the total
project.

The present sewer plant is
not able to meet the rules
and regulations that have been
raised and strengthened by the
Texas Water Quality Board
through the past few years.
The City of Burk Burnett is
therefore being forced by this
board to construct a new sewer
plant where by the City's sewer
can meet all the proper require-
ments of the new clean water
regulations, etc.

"If we don't construct such
a plant," reported Bean, "the
TWQB can come in and fine
us as much as \$1,000 a day un-
til we build a plant that will

WINS PORTABLE TV FROM MALLORY EXXON--H.R. Jeffers
of 203 S. Avenue B, right, stands with Frank Mallory and the
portable TV that Jeffers won in the recent Exxon promotion held
at Mallory Enco. Other winners in the promotion included Kenneth
Benson of 800 E. College and Lenor Goode of 312 W. 2nd, who
each won a portable radio. Mallory Exxon was one of four Exxon
Service Stations in this district that was able to sponsor the pro-
motion due to the station's excellent service record.

WINS PORTABLE TV FROM MANNER EXXON--Diana Richard
of Iowa Park was the lucky winner on the portable television in the
recent Exxon promotion held at Manner Exxon. Standing with
Diana is Bob Manne, station owner, right, and Juan Jones, left,
employee of the station. Other winners in the contest included
Vince Hledsoe of 103 Carolyn Lane and Charles Fletcher of R.
1, both of Burk Burnett and who were awarded portable radios.
Manner Exxon was one of four Exxon service stations in this
district, because of their outstanding service record, was able
to sponsor the promotion.

Obituaries

SSgt Jackie D. Posey

Military funeral services were held Saturday in McKinney for
SSgt. Jackie D. Posey, 27, of Austin who died September 10 as a
result of an automobile accident. He was in the 5th Army, Fort
Sam Houston, assigned to Austin as an Army Recruiter.

SSgt. Posey was a resident of Elk City, Oklahoma for 17 years
and graduated from Merritt High School, Elk City. He entered
military service in January 1964 and was a veteran of two tours
of duty in Viet Nam for a total of 31 months.

Survivors include his mother, Nathalie C. Posey, Burk Burnett;
a daughter, Tracy Lynn of Austin, four brothers and five sisters,
and an aunt, Mrs. Wanda Blackwell of Burk Burnett.

J.H. Hayes

(RANDLETT--Special)--Funeral services for J.H. Hayes, a
long-time resident of Randlett were conducted at the Assembly
of God Church Wednesday afternoon. Rev. Kenneth Benson and
Rev. Carl Turner officiated with burial in the Randlett Cemetery
under the direction of Wyatt Funeral Home.

Mr. Hayes was born Jan. 3, 1920 at Whitesboro. He died in a
nursing home in Burk Burnett September 11. He was a veteran of
World War II and served with the Army in France. Hayes was
a member of the Assembly of God Church and the American
Legion.

Survivors include his wife of the home; two sons, Jerry of
Spearman and Timmy of the home; three daughters, Junt Gent
of Hillcrest Heights, Maryland, Mrs. Linda Zwiack of Devol,
Okla. and Vickie Hayes of the home; his parents, Mr. and Mrs.
Henry M. Hayes of Randlett; one sister, Mrs. Mabel Merchant
of Corpus Christi; three brothers, Paul of Midland, Texas; Landon
of Midfield, Alabama and Gene of New Orleans, La., and six
grandchildren.

**LETTERS
to the
EDITOR**

Letter to Editor
Dear Raymond,
You do not know my wife or
myself but I assure you that
there was a time that wife and
I were well known in Burkbur-
nett and we feel we are still
a part of the town, though it
has, like the town we live in
now, grown to where they are
hardly recognizable consider-
ing their past when we lived
there. Burk Burnett, when my
wife and I lived there, was
mighty good to us and we had
many dear friends there then.
In view of the fact, wife and I
want to help Elizabeth and
Clarisa with their fund raising
effort for the Girl Scouts of
Troop 40. You will find our
check made out to troop Num-
ber 40, care of Mrs. Edward
Richter to the credit of Troop
#40. Raymond, I am mailing
this check to you so that it will
not interfere with their fund
raising effort. So you use it
as to turning it over to the troop
as you see best. There was a
time when wife and I took part
in Burk Burnett's civic activities
but father time has thrown a

few road blocks into our path
now. Regards to all who still
remember us in Good Old Burk-
burnett.
Mr. & Mrs. Henry Prinzing
Kerrville, Texas 78028

Letter to Editor
Dear Sir:
After spending a year station-
ed at Sheppard AFB and during
that time living in Burk Burnett,
we are moving to another state.
I would like to take this oppor-
tunity, through your newspaper,
to thank the people of Burkbur-
nett for making this past year
a very pleasant one. Every
military family has come
across the situations where a
community appreciates the ad-
vantages of a military payroll,
but resents the actual presence
of military personnel. What a
delightful change Burk Burnett
is. I have met nothing but
friendliness and courtesy here
this past year. Thank you, we
appreciate it, and I hope you
never change.
Sincerely,
Mrs. Ronald D. Weidenbach

Editor

figure I can blow \$2 a month
real easily at the local coffee
shop. It seems foolish for me,
then, not to be willing to pay
the increase to assure me that
I'd have enough water to make
the coffee with.

You go to the polls and vote
the way you want to. But, I
studied this thing for months
and it seems that this is the
best proposal that we can hope
for to assure us with a perma-
nent water supply that we
can depend on.

We have tried to bring the
facts to you as clearly and as
accurately as we know how
and they are reprinted in an
article in today's paper. Study
the facts and then decide what
you want to do.

*Tl next week, Thanks for read-
ing the INFORMER/STAR.

Council

At the election of Sept. 26,
voters will also pass on a pro-
posed \$125,000 revenue bond
issue for construction of a new
sewer plant and updating of the
present plant.

Preliminary applications for
federal aid on both the water
improvement project and the
sewer plant project have been
made by the City of Burkbur-
nett.

Delinquent tax collections of
\$627 and corporation court fines
of \$685 were reported to the
council which also approved
payment of current accounts of
\$10,373.

Contest

906, but be sure that your
entry will carry a Friday
postmark or earlier or it
will be disqualified in the
contest.

The Football Contest
pages may be taken from the
paper and used as an entry
blank if you wish. Remem-
ber to get your entry in by
5:00 p.m. Friday or mail it
in time that it will carry
a post mark of no later than
Friday.

Bulldogs Edged Out 22-15, To Face Duncan

HANCOCK ON THE LOOSE--Bulldog quarterback Sam Hancock flies by the Eagle cornerback as Hancock picks up good yardage in Friday night's game.

by Sedelta Verbie

Bulldog fans never gave up hope that the passing attack of Burkburnett wouldn't fail to score the vital touchdown in the final seconds of the Burk-Lawton game. But at the final gun, the score was a disappointing 22-15. Burkburnett stuck to the ground and didn't start their air attack until late in the game; but they failed to connect for much needed yardage.

Lawton Eagles scored 58 seconds into the first quarter with a 65-yard gallop. The kick was good-- opening up the game with a 7-0 tally.

It took the Bulldogs five first downs to even the score as Rick Bradley bulldozed across the line for a touchdown. Playing both linebacker and fullback, Bradley put the squeeze on Eagle offense and defense.

The Dogs punted deep in Lawton territory and the Eagles resumed their aerial attack which moved them into field goal position. But the punt was in vain and the ball returned to Bulldog hands. The Dogs launched their first aerial attack with Hancock passing to several favorite runners. This time Burk attempted a field goal but failed to capture the three elusive points.

With 2:50 left in the half, Lawton scored again but the

extra point was blocked by Burk leaving the 13-7. Defensive end Bill Snowden broke several Lawton offensive plays during the heated battles. The Bulldogs fought back but a fumble turned the ball back to the Eagles.

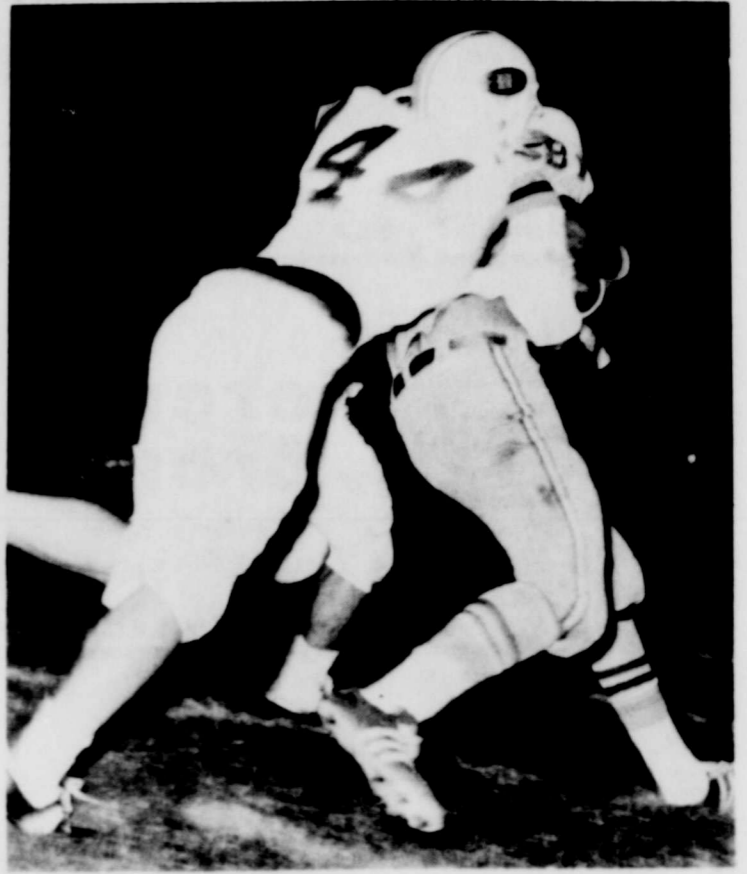

Before the final bell in the first half, Lawton again crossed the goal for a TD. Again the Bulldogs blocked the attempted kick.

Second half brightened Bulldog hopes as they began another aerial bombardment, but Law-

PICKS UP NEEDED YARDS--Bulldog back Mark Bulla (29) is shown as he picks up the needed yardage to gain a first down and keep alive a Bulldog drive.

BURKBURNETT INFORMER STAR SPORTS

WHOA THERE!--Says Bulldog's Rick Bradley (44) as he stops a Eisenhower Eagle from going all the way for six points.

Buffaloes Could Take Big 8 Crown Despite Most Fans Thinking

Despite the insistence of many that Colorado will reign as the national college football champ in 1972, there is a strong feeling among several who have been close to the scene that the Buffaloes will never make it all the way to the top.

"It will," former Nebraska

All-American Larry Jacobson says in the current issue of Chris Schenkel's Football SPORTSCENE, "boil down to the Thanksgiving Day game when Nebraska and Oklahoma play. Colorado lacks the unity necessary to win it all," Jerry Tagge, who quarterbacked the

Cornhuskers to the national title last year, says, "There are three teams in the Big 8 with almost equal talent--Nebraska, Oklahoma and Colorado -- but I can't see Colorado making a run at it." And Jack Mildren,

LYNN POSTELWAIT and KIRBY ADAMS are shown holding an Apaloosa Catfish caught recently at Lake Diversion.

Midget Footballers Win W.F. Coyotes Outscore Fresh.

Tommy Darland returned a punt of 43 yards for the first score of the game. The point after touch-down failed. The second score came on a 49 yard run by Mark Mallett on an intercepted pass. The final score came on a 21 yard run from scrimmage by Tommy Darland. The point after was scored on a run by Jeff Baber.

Iowa Park scored its only touchdown with two minutes left in the game for a final score of American Oilers 20, Iowa Park Hawks, 8.

Total offensive yardage by the

Oilers was 221 yards. A good defensive game was played by both teams. The only score was made during the second quarter when Iowa Park scored a touch down. Final Score-National Oilers, 0, Iowa Park 6.

The next opponents for the American and National Oilers will be the Warriors from Wichita Falls. The game will be at the Central Boys Club in Wichita Falls tonight. American Oilers game will start at 6:00 p.m. and National Oilers game starts at 7:30 p.m.

Bulldog Freshmen tried to make it two in a row for the season, but luck would not have it so as Wichita Falls Coyotes outscored them 20-0. David Pay, Mark Milam, and Randy Burke kept the Bulldog defensive going strong to scramble Coyote offensive plays.

Last week was a contrast to the preceding week, when the Dogs harassed Hirschi 28-26. Tim Kormos, quarterback; David Ray, fullback; and Rustie Clampitt had a field day, each using ground action for chalking up enough points to open the season with a bang.

This Thursday the Freshmen travel to Vernon to take on the Lions at 6:00.

Grade Beats Iowa Park

Junior Cox, tailback for the 8th grade Bulldogs scored the first touchdown against the Iowa Park Hawks last week. The Bulldogs bombed Iowa Park with mighty passing plays to cut down the Hawks 18-0. Jimmy Edwards, Bulldog quarterback launched a 40-yard pass to Richard Lamp in the second quarter. Cox chalked up another TD in the last quarter to shut out the Hawks.

Bulldogs relaxed this week in an open night but will resume play next Tuesday as they again face the Hawks in Iowa Park at 7:30.

Your Recovery---Is Our Reward

569-1466

Loy Gulley, Jr., Administrator

From the desk of LOY GULLEY:

The Hickory Elm Convalescent Center would like to offer the Citizens of Burkburnett a new service. We will care for the one you love while you work on a day to day basis. You can leave them with us during the day and then return for them and take them home with you at night.

Mrs. J. W. Hickerson, 75, mother of Mrs. Nelson (Estelina) Boyles, died Friday in an Olney hospital. Funeral services were held Sunday in Loving, Texas.

Mr. and Mrs. R.H. Henry returned home Sunday night from a three day visit with their daughter and husband, Charles and Helen Awalt, in Ft. Worth. They were also observing Mr. Henry's 93rd birthday on Sunday.

Relatives from out of town attending the funeral services for Rufus Redman Thursday were Mr. and Mrs. Russell Haley, Mrs. Gene McLendon, Mrs. Willie Hoffman, Mrs. N.E. Preston, Mrs. Dora M. Briscoe, and Donald McClaren, all from Ft. Worth; Mrs. Kate Jacobs, Long Beach, Calif.; Mr. and Mrs. Guy Combes, Clyde Combes, Mr. and Mrs. Haskell Combes and children, all of Tishomingo, Okla.; John Mullins of Electra; Mrs. Bob Cooper and girls, Chicago, Ill.; Mrs. C.E. Huff, Roanoke, Texas; Mr. and Mrs. Mart Fry, Alvord, Tex.; Mrs. Addie Anderson and Rex Anderson of Forestburg, Tex.; Mr. and Mrs. Albert Frey, Corsicana, Tex.; and Mrs. Faye Redman of Bowie, Texas.

Mr. Paul Thurman Watson of 3502 Grant Street, Wichita

Falls, a former resident of this city and an employee of the Texas Company, was in a car wreck last week which sent him to the hospital for several days with bruises and shock. He was dismissed from Bethania Hospital Saturday afternoon.

Mr. and Mrs. F.T. Felty Sr. of this city met Mrs. Felty's brother and wife, Mr. and Mrs. Bob Conely, in Amarillo and they all flew to Lynwood, California last week to attend the funeral services of their father, C.C. Conely, 86. The services were held in Rosehill Chapel Memorial Park with interment in Memorial Park in Lynwood. Mr. Conely had been ill since July. Mr. and Mrs. Conely celebrated their 65th wedding anniversary on June 16th. Survivors are his wife; a son, Robert of Berger, Tex.; two daughters, Mrs. Evelyn Felty of Burk and Mary Elizabeth Lindmark of Lynwood. The Felty's returned home Sunday, Sept. 10th.

Charles Wayne Counter of Portland, Texas was here for several days last week visiting his father, George Counter, who is in Wichita General Hospital slowly recovering from a coronary attack three weeks ago.

Mr. and Mrs. J.B. Dilbeck, Mrs. W.E. Goins, and Mrs.

Vada Bolin attended the funeral services of their cousin, Clarence Wright, in Seymour Thursday afternoon. Mr. Wright was killed in a car wreck.

Mr. and Mrs. Dow Estes and Mrs. W.E. Goins attended the golden wedding celebration of their cousins, Mr. and Mrs. M.T. Goins, in Oklahoma City, Sunday afternoon.

Mr. and Mrs. Al Lohoefer returned Monday evening from a ten day holiday trip to Kansas and Nebraska. They visited Al's three brothers and families in Oberlin, Kansas and Sylvias cousins, Mr. and Mrs. Clarence Brooks, in Kearney, Nebraska.

Mrs. Cordie Lawrence of Daingerfield, Texas visited friends here last week. Mrs. Lawrence was a former resident of Burk and also lived in Grandfield, Okla. for several years.

Miss Debbie Vincent, a student in Texas Tech University in Lubbock, spent the weekend here with her parents, Mr. and Mrs. Bill Vincent, and also attended the Golden Wedding Reception for her grandparents, Mr. and Mrs. J.L. Caffee, Sunday afternoon.

Mr. and Mrs. Blake Brown-

ing returned home Sunday from a weeks vacation trip to Albuquerque, N.M. where they visited a nephew, Harold Browning and family. They also did some sight-seeing.

Mr. and Mrs. C.J. Minick of Fairland, Okla. visited Mr. and Mrs. W.A. Minick in this city for several days this past week.

Paul Burk underwent major surgery in the Wichita General Hospital last week. He is reported improving satisfactorily.

Mrs. F.C. (Opal) Royce has returned home from a three week stay in the Wichita General Hospital. She suffered a heart attack and also was treated for gall stones.

Mrs. A.R. Bunstine returned home this past week from a ten day trip with her daughter and husband, Raymond and Maxine Holland. They visited Mr. and Mrs. Tommy Rush and family in Collinsville, Mo. several days. Mrs. Rush will be remembered as the former Bobetta Holland. They also visited Mr. and Mrs. Jack Bunstine in Oklahoma City. Jack is the son of the late Raymond Bunstine and a grandson of Mrs. A.R. Bunstine.

V.L. Lindsay of Tulsa, Okla. visited his aunt and uncle, Mr. and Mrs. Leo J. Foster, one day last week.

Ray Mills and T.A. Banning attended the funeral of a former co-worker, Mr. R.E. Dunham, in Electra, Thursday. Mr. Dunham was a former employee of the Texas Company of which Mills was superintendent. Mr. Banning was also connected with the same company.

Mrs. Alma Miller of Graham and Mrs. Lillian Watson of Onroe were victims of a car wreck at Lamesa last week. They had been to Burk visiting their sister and husband, Zella and Ray Mills and were enroute to Seminole to visit with their mother, Mrs. H.R. Garrett. They were in collision with another car heavily. Both women received bruises and shock and were under a physicians care for several days.

Mr. and Mrs. Oscar Lobers of Bakersfield, Calif. visited her sister and husband, Mr. and Mrs. Earl Dodson, and also the Ted Randalis, all of this city, last week.

A former resident of Burk, Mr. George Cearley, 71, died last Saturday in a Wichita Falls hospital. Burial was in the Burkburnett Cemetery on Tuesday. The Cearley families lived in Burk for a number of years following the Boom period.

Mr. and Mrs. Robert Butts of Plantation, Fla. and Danny and Jaunita Kinnert and daughters Kathryn and Diane of Carthage, Texas spent the past weekend here with their parents, Mr. and Mrs. S.M. Butts. They also attended the wedding of their niece, Miss Deborah Jean Short of Wichita Falls and Steven R. Keady of Waurika, Saturday night in Wichita Falls.

Mrs. Wayne Jones of Dallas visited her aunt, Mrs. C.A. Moreman here last week.

Mr. and Mrs. Stanley Henson and daughter and husband and their three children, all of Baytown, Texas visited Stanley's mother, Mrs. G.C. Henson, here last weekend.

Mrs. Nellie McKinnis, a former resident of this community who now resides at the Monterey Manor Nursing Home in Wichita Falls, greatly enjoyed the following visitors recently, Mrs. Roberta Smith of San Antonio, Mrs. Thelma Hawkins of Houston, Mrs. Lula Mae Wigham and daughter and husband Wilma and George Wellborn of Vacaville, Calif. and Mr. and Mrs. A.C. Wigham, Jr. of Anaheim, Calif. Mrs. McKinnis is always delighted to have company and also enjoys getting cards and letters from her many friends.

Mrs. Mae L. Bonnot of 511 E. College had as her visitors this past week her son, Cpl. Cecil E. Bonnot of the Marine Air Base, Yuma, Ariz., and Mr. and Mrs. Kenneth Hartley and children Renee and Roger of Jefferson City, Mo. They also visited their sister and husband, Mr. and Mrs. Stewart Temelcoff and brother, Eugene C. Bonnot, both of Wichita Falls. They all attended the wedding of Mrs. Bonnot's granddaughter, Laura Gene Temelcoff and Joe Darden of Wichita Falls. The beautiful wedding rites were performed Friday night at the S.A.F.B. Hospital Chapel. The reception was given in the NCO Club. The Hartleys returned to their home Saturday night. Cpl. Bonnot will return to his base at Yuma in about ten days, where he has been stationed since May 16, 1971.

News of Yesteryear 20 Years Ago

Mr. and Mrs. Jack Lippard and two daughters of Lamesa, Texas and Mr. and Mrs. Harold Lippard and daughter of Oklahoma City and C.J. Lippard of this city spend Sunday in the home of their sister and husband, Mr. and Mrs. A.A. McKinnis, and family here.

The Rotary Club met Tuesday, Sept. 2nd at Town Hall. Caesar Gilbert was program chairman and introduced Carl Morrison who gave a short talk on their European trip.

Mrs. F.G. Jeffers is progressing nicely after surgery in the Wichita General Hospital last week.

Mr. and Mrs. M.E. Bean are the proud parents of a baby boy, born Sept. 3rd at the Wichita General Hospital.

Mr. and Mrs. Gene Robertson and daughters and Mr. and Mrs. Howard Clement and family spent ten days in Red River, New Mexico. Good luck fishing was reported by all.

Mrs. Ray Mills of Electra and daughter, Mrs. Joe Anthony of Vernon attended Mrs. Hal Mabrey's shower and visited friends in the city Thursday night.

Don Short, former football coach of Burk has accepted a position as coach at Commerce, Tex.

Mr. and Mrs. Bob McMurtry of Norman, Okla. visited in the home of their parents, Mr. and Mrs. F.M. McMurtry, here over the weekend.

Mr. and Mrs. Dale Cropper and son, Tommy of Ft. Worth spent Monday in the home of Mr. and Mrs. Al Lohoefer.

Bill and James Johnson of Rule, Texas visited their grandparents, Mr. and Mrs. J.A. Johnson the last few days. They returned home Friday with their parents.

Mr. and Mrs. Troy Salvino and son of Wier, Kansas visited Mr. and Mrs. H.D. Smith

here last week. Mrs. Salvino is a niece of Mrs. Smith.

Mr. and Mrs. Ralph Winkles and sons of Velma, Okla. spent the weekend here in the home of Mr. and Mrs. Ralph White. David returned home with his parents, after having spent several weeks with his grandparents.

Enrollment at the Burkburnett schools for the Sept. 2nd opening was 14 pupils more than the opening last year. This year enrollment is 1,035 against 1,021 for 1951-52.

Willis Bartley, Jr. employed by Consolidated of Ft. Worth was injured at work last week. He is reported to be improving and is back on the job.

Miss Barbara Spivey visited her sister, Mrs. R.E. Friend, in Abilene last week.

Mrs. Jodie Metz has returned to her home after spending a four week vacation with her daughter, Mr. and Mrs. R.D. Laney and with her son and wife, Mr. and Mrs. Robert Hickey at Houston.

Mr. and Mrs. Guy Joe Roberts and baby of Dallas visited his parents, Mr. and Mrs. G. T. Roberts here over the weekend.

Mr. and Mrs. Bill Wood of Houston were here last week for a visit with Mr. and Mrs. J.R. Wood and friends.

J.B. Riley, Jr. left this week for College Station, Texas, to enroll for his sophomore year at A&M College there.

Mrs. Sam Wood and Charlie Martin and wife were visitors in Old Mexico this week.

Guidelines of Life

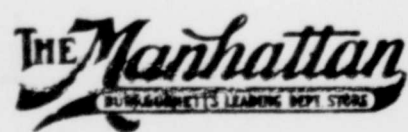

A committed Christian has many fine characteristics in his life. If he is growing in Christlikeness, these characteristics are the same good things that were evident in Christ's life. When one opens his life to Jesus Christ, the Holy Spirit comes to abide in the heart of the believer. We read in Romans 8:9, "Now if any man have not the Spirit of Christ, he is none of his." The Spirit who indwells is the Comforter, Teacher and Guide. The Spirit produces the characteristics of Christ in the life of a Christian.

In Galatians 5:22-25, TEV translation, we read: "The Spirit produces love, joy, peace, patience, kindness, goodness, faithfulness, humility, and self-control. There is no law against such things as these. And those who belong to Christ Jesus have put to death their human nature, with all its passions and desires. The Spirit has given us life; he must also control our lives." Every person needs to ask himself some questions. First, is Christ by His Spirit abiding in your life? If one can v. th assurance answer this question in the affirmative, he needs to ask himself a second question. Are the characteristics of Christ evident in my life? Or another way of asking this question is: Have I put to death the passions and desires of my human nature and am I letting the Spirit of Christ control my life?

SHEPPARD AFB, TEXAS--GIFTS FOR MENTAL HEALTH WING--At the request of the new mental health wing at the USAF Regional Hospital at Sheppard, the Sheppard NCO Wives Club present several items to make the ward more pleasant. Included are hobby kits, an iron, and pictures. Presenting the items, are, left to right, Mesdames William Barkely, James McPartian, and Anthony Smith. Accepting the gifts is 1st Lt. Diana M. Steranko, charge nurse of the mental health ward. (OFFICIAL USAF PHOTO)

Evaluation Of Quality Of Training SACS Main Purpose

SHEPPARD AFB, TEXAS--"Our job here is to evaluate the quality of training," explained Dr. Bob E. Childers of the Southern Association of Colleges and Schools (SACS) of the 12-member team's visit to the School of Health Care Sciences at Sheppard Air Force Base this week.

Dr. Childers is executive secretary of the SACS Commission on Occupational Education Institutions and the team chief is Robert A. Ferguson, director of the Atlanta Area Technical School in Georgia. Ben Hirst, a SACS staff member also accompanied the team. The School of Health Care Sciences at Sheppard is the last of five Air Force schools being evaluated for accreditation this year by the Commission on Occupational Education Institutions. Teams have visited 40 institutions this year.

The first visit to an Air Force installation was to the School of Applied Aerospace Sciences at Sheppard. Others have been to the schools at Lackland Military Training Center. Keester Technical

Training Center and Goodfellow AFB.

Dr. Childers explained that the evaluation was of the school against the 12 standards set forth by SACS. He pointed out that the school had made a self-study of how its organization, facilities, operations and training measured up to the standards. The team is now double-checking and evaluating the self-study. It will make a written report to the commission following the visit.

"The evaluation, whether accreditation is achieved or not, will improve the quality of training. It gives the school an opportunity to take a critical look at the training and correct any deficiencies notes," he said.

Accredited status infers that an institution has modern facilities, observes professional practices, is staffed with well-qualified persons and provides a high quality of service.

Accreditation provides visible evidence to parents, students and potential employers that a high quality of education is being provided. It also facil-

itates the transfer of credits from one institution to another.

Dr. Childers also pointed out that the students will benefit most from the improved quality of training. According to national statistics, only 20 percent of students complete a degree program, therefore the granting of college credit affects a minority of those involved.

Scout Pack 232 Holds Derby

SHEPPARD AFB, TEXAS--Cub Scout Pack 232 sponsored by the School of Health Care Sciences, Sheppard AFB, recently held its monthly meeting at the Perkins Scout Reservation.

A space derby was held, and the winners were, for Den 1, Glenn Cochran, first place, Chris Brown, second, and Scott Williams, third; Den 2, Russell Parker, first place, Dick Sossaman, second, and Bruce Robertson, third place; Den 4, Steve Creesey, first, Monty Johnson, second, and Jim Harvey, third; Den 5, Ricky Thielke, first place, William Brooks, second,

Steranko Student AT SAFB Not Comic Author

SHEPPARD AFB, TEXAS--Steranko, to most comic book fans, is an artist and editor, a man who has drawn Spymen, Captain America, and Nick Fury. And, more recently, he is the author of a history of comic books.

To the Air Force, Steranko is an airman recently arrived from Lackland and now a student in the medical laboratory course at the School of Health Care Sciences at Sheppard.

The construction is that both Sterankos are brothers, James the artist and Ted the neophyte medical lab technician.

James is some 17 years older than his younger brother and is remembered as a man, "who stays pretty much to himself." He is, on the other hand, a fanatic about comic books and always has been. "His apartment in Reading (Pennsylvania) is a vast collection of comic books, covering all eras and types."

Ted was "discovered" by Chaplain Meredith Thomas at a chapel rap session. Chaplain Thomas, something of a comics fan himself, saw "Steranko" on the nametag, asked if there was any connection, and was delighted to find there was one.

Airman Steranko also has a comic collection himself although not nearly as extensive. He has left that field almost exclusively to his brother.

The "Steranko History of Comics," the first volume of what will become a complete series, is a serious attempt to trace the history of comic

books from their beginnings through to World War II. The oversized book, with cover by Steranko, discusses pulps and the development of many comics from their inception in the thirties to the late forties. Included are Superman, Tarzan, Terry and the Pirates, and the popular pulps such as Doc Savage and the Shadow.

More recently, the second volume has appeared, and it has continued in the same vein, chronicling the development of what Steranko calls "One of the most popular mediums for sheer entertainment ever conceived." It covers the comics of World War II and focuses on the "Golden Age of Heroes."

But more than just the comics themselves, Steranko attempts to trace the historical and social development of comics. His purpose, he explains, in his "Reviews," is "to reveal and amplify the off-beat, the on-beat, and the heartbeat of the comic chronology."

For those interested in comics, Steranko's first column and other similar books are in the Great Pumpkin located on Avenue I. They provide an insight into a form of communication that has served not only to entertain, but also to train and inform.

Mrs. Tom Evans Named Volunteer Of The Month

SHEPPARD AFB, TEXAS--Mrs. Tom Evans became the first Red Cross volunteer at the U.S. Air Force Regional Hospital at Sheppard AFB to be named volunteer of the month two times.

She was selected for the month of September and had previously been chosen for the honor in July 1970.

Mrs. Evans works as a volunteer in the hospital laboratory Wednesday and Thursday mornings. She has been a volunteer for the past three years.

She resides in Burkburnett, and has two married sons, and one daughter. The daughter attends Midwestern University.

SHEPPARD AIR FORCE BASE

SHEPPARD AFB, TEXAS--ZAP!! POW!!--Caught up in the second volume of the "Steranko History of Comics" is Ann. Ted Steranko, a student at Sheppard and the brother of the author. The series, written by a man who is himself a comic book illustrator, is a serious attempt to trace the history of comic books. (OFFICIAL USAF PHOTO)

WHY NOT SURPRISE HER

"You've Got a Surprise Coming!"

The 1973 Autos Make Their Debut This Week-- Why Not Take One Home To Your Wife

SAVINGS & LOAN ASSOCIATION

"Where you SAVE - - DOES Make a Difference"

314 E. 3rd. St.

569-2206

Burkburnett, Tex.

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?

We're happy to report that's us for 1973. But since everything must begin somewhere...

Isn't it romantic?

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting?

This year's are something to get

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo

New Malibu Colonade Hardtop Coupe.

New Nova Hatchback Coupe.

Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

Building a better way to see the U.S.A.

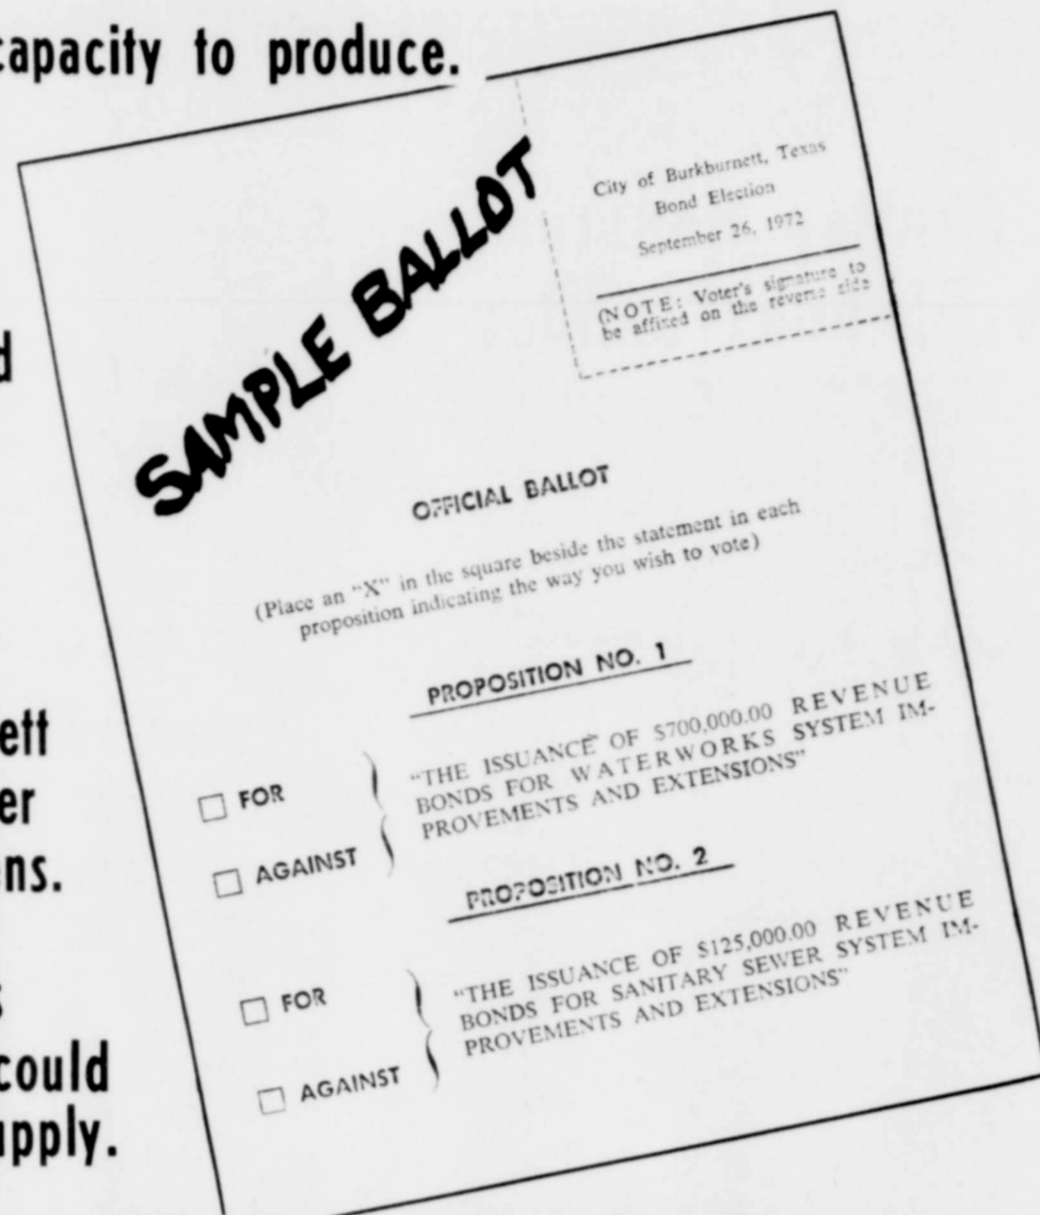

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy.

(below) Monte Carlo S Coupe, America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.

Why We Support The REVENUE BOND ISSUES

For The City Of Burkburnett

1. Shallow water wells provide Burkburnett with its only water source.
2. The water table is continuing to drop.
3. The current demand exceeds the water field's capacity to produce.
4. There is no other feasible water field to drill for additional water.
5. The construction of a surface lake is prohibited due to the fact that there is not a water shed available that would fill a land reservoir and also because the salt content of any such lake in this area would be too high.
6. Without additional water the City of Burkburnett can't keep up with the yearly increase of water consumption to meet the demands of its citizens.
7. With salt water breaking into fresh water wells over the country it is a possibility the same could happen to us - - - ruining our entire water supply.
8. A city's water supply is a big factor in determining the Fire Insurance Key Rate for both businesses and residential areas.
9. The proposed bonds are revenue Bonds therefore they will have NO effect on property taxes.
10. No water rate increase will be enacted on minimum users of 2,000 gal. per month, which includes almost all elderly and fixed income groups.
11. Since new sewer facilities will be located on city property adjacent to the present plant , no purchase of extra land is required.
12. Due to the strict regulations of the Texas Water Quality Board our present sewer facility is inadequate.
13. This Bond issue will include all cost of the proposed projects .
14. We believe that the study and the report from the Mayor, City Manager, and City Commissioners after months of careful consideration reveals that this is the most feasible plan to eliminate Burkburnett's Water and Sewer problems.

An unusual and interesting sidelight of the Bentley Birthday Reception on Sunday was the reunion of five old schoolmates of Mrs. J.H. Bentley, Sr. The five are, left to right, Mrs. Eunice M. Hughes, Wichita Falls; Mrs. Lottie Kilpatrick, Nocona; Mrs. Tennessee, the honoree, of Burkburnett; Mrs. Iris W. Weaver, Wichita Falls; and Mrs. Eula Erwin, Wichita Falls. All five ranging in age from 87 to 93 attended school together in Wichita Falls. Mrs. Bentley graduated from Wichita Falls High School in 1904.

Mrs. James Bentley Honored On Her 90th Birthday Sunday

Mrs. James Bentley

A reception was held Sunday honoring Mrs. James Bentley, Sr. (the former Tennessee Waller) in the National Room. The special occasion was Mrs. Bentley's 90th birthday. Mrs. Bentley's parents came from Tennessee following the Civil War. Her parents named her for their home state. Mrs. Bentley was born in Wichita Falls on the day that Wichita Falls was named, September 18, 1882. Her father was a farmer, rancher and tradesman in the Wichita Falls area. She graduated from high school in Wichita Falls in 1904. In 1912 the family moved to New Mexico and homesteaded land in the Fort Sumner area. In 1918 she was married in Fort Sumner to James H. Bentley from the Thornberry, Texas community. They settled 3 miles south of Burkburnett on a farm where she is still residing. She has one son, James H. Bentley, Jr., and one sister, Sallie Waller and 6 grandchildren.

Look Who's New

Mr. and Mrs. Don Coats of Tahoka, Texas are the proud parents of a baby boy, Christopher Don, born August 23. Chris has a sister, Amy, who is 3. Mrs. Coats is the former Franky Eldson. Grandparents are Mr. and Mrs. Frank Eldson, who have recently moved to 702 Glen-dale St. in Burkburnett and Mr. and Mrs. Henry Coats of Kamay.

League To Form Here

Mrs. Barney Glickman, president of the Wichita Falls League of Women Voters will help organize a group in Burkburnett at the next Neighborhood Group meeting of the Burkburnett Community Service Center. This meeting will be held in the Center at 7:30 September 28. Mrs. Willie M. Jones, chairman of the group, stated anyone interested in joining should attend.

Theta Epsilon Holds Rush

Theta Epsilon Burkburnett Chapter of E.S.A. held a Texas Fandango rush party Saturday night at the home of Mr. and Mrs. Jim Lemley. Members and guests were served Texas barbecue, potato salad, ranch style beans, cold slaw and other Texas food. Ten members and their husbands and three guests, Mrs. Joan Higgins, and Mr. and Mrs. Scott Newton, attended. Clarence Bridges was given the Zeus Award which is the highest E.S.A. award for men by Theta Epsilon chapter. It was presented by chapter president, Mrs. Lyle Eaton, for his outstanding contributions to E.S.A. and to our local chapter. The plaque was personally inscribed on a brass plate. It proclaimed him as a "Man with 40 thousand Sweethearts" (the overall membership of Epsilon Sigma Alpha International).

Fall Hand Of Friendship Tea Gets Good Turnout Sunday

Pictured enrolling as new members of ABWA are from left to right: Nancy Richter, Zonell Swain, Jo Evelyn Beaver, Arlene S. Burdette, Addie Raines, Evelyn O'Dell and Lou Jane Park. Not pictured are Elaine Hubbard, Betty Pruitt and Jimmie Sue Antwine. The Boomtown Chapter of the American Business Women's Association held its Fall Hand of Friendship Tea Sunday in the Texas Electric Reddy Room. There were 25 members and 15 guests present. President Valree Matherly introduced the officers and welcomed guests. Barbara Hamilton, tea chairman, assisted by Hazel McCullough and their committee, were in charge of the decorations. With the theme being "Campaign Capers", decorations were done in red, white and blue. Dixon, boss of the year for 1972, furnished a beautiful center piece of red, white and blue carnations. Mrs. Nila Braden introduced the program, consisting of local youth talent. The Young Horizons, featuring Monica Hubbard, Chris Amburn and Steve Hodges presented several musical numbers with Chris playing the guitar. Lolly Hatcher did a medley of songs and a tap dance routine. Julie Hamilton performed a twirling routine. A history of ABWA was presented by Virginia Sjolin, past president of Boomtown Chapter for 1971-72.

Books Needed By Friends

Books are needed for Book-Fair, held annually in April by The Friends of the Library. Books will be picked up by Mrs. John Strayhorn, Mrs. Raymond Schroeder or Mrs. Frank Miller by calling 569-2991 or 569-3426. Books may also be taken to the library.

Locals Hold Family Reunion

Mrs. Alice Goodwin, formerly of Burkburnett, with brothers, sisters and their families held a family reunion in Longview, September 9th and 10th. The family met at the Greggot Community Center Saturday night with dinner served on Sunday at the R&W Barbecue. This is the first time all the eight brothers and sisters have been together in seven years.

Coffee Opens New Club Year

The Unity Garden Club opened a new year with a coffee in the home of Mrs. Ray Anderson. The theme for the year is "Beauty at Home". The program included a poem by president, Mrs. Ray Anderson on planting a garden, a resume of the yearbook by Mrs. Jesse Roebuck, a panel discussion on bulbs with Mrs. Lee Beckham as moderator and Mimes. Ray Stimpson, G.E. Benton, D. M. Kelley, and Roy Magers as panelist, horticulture hints by Mrs. Herman Miller, and a report from Mrs. Carl Sutherland, representative to the Burkburnett Community Service Council. The club voted to donate items to the council to be sold at the community auction in November. Two new members, Mrs. O.M. Kelley and Mrs. W.E. Goins, were welcomed. The club decided to sell gift wrap as a project.

News From Evergreen Manor

Mrs. Crocker has returned from the General Hospital and is doing fine. Mrs. Speer of Vernon, Tex. visited her mother, Mrs. Gilley Sunday. Mrs. Jones visited her daughter in Vernon two days last week. Mrs. Coles daughter has returned to her home in California after two weeks visit with her mother. Mrs. Vera Davis of Fort Worth is here visiting her mother, Mrs. Hurst. Wendell Ellis from Kingfisher, Okla. visited his mother, Mrs. Vera Ellis. Also visiting with Mrs. Ellis were Mr. and Mrs. Jim Mills of Ft. Worth. Mrs. Pannell returned from the hospital and is doing fine. Visiting with the C.D. Mullins during the week were their daughter and husband, Mr. and Mrs. R.W. Germany; his brother, John Mullins of Electra, Mrs. Betty Huff of Dallas and Mr. and Mrs. Leonard Hurta of Fox, Okla. Sunday School is held each Sunday morning. Mr. Worthmen teaches and is assisted by Mr. Cotton. Also, church services are held each afternoon by different churches of town.

ORIENTATION MEETING SET--Mrs. Donnie Parks, left, and Mrs. Betty Ricks, executive director of North Central Texas Camp Fire Council are shown with part of those attending the meeting last Wednesday for the purpose of beginning a Camp Fire Girls in Burkburnett.

Orientation Dates Set For Local Blue Birds

There was a great response of the citizens of Burkburnett Thursday evening at a meeting of the North Central Texas Area Council of Camp Fire Girls. The meeting was held in the National Room. The Board of Directors attending the meeting were Mrs. Lilly Bond, secretary; Mrs. Kay Mascari, Horizon Club advisor; Mrs. Nancy Padgett, district director; Mrs. Betty Ricks, executive director, Earl Baldon, camp chairman, and Mrs. Donnie Parks, membership chairman. Mrs. Ricks showed a film, "Take Me to Tomorrow", which showed how the Camp Fire program helps girls grow and discover themselves through character building experiences. Nancy Padgett showed the Camp Fire and Blue Bird uniforms and books which are available at McClurkans in Parker Square in Wichita Falls. Miss Kay Mascari sang a song about Camp Fire that was written at Resident Camp Letohi this summer. Dates for orientation sessions are Tuesday, Sept. 26 or Wednesday, Oct. 4th for Blue Bird leaders and Wednesday, Sept. 27 or Tuesday, Oct. 3 for Camp Fire Guardians from 10:00 a.m. to 11:30 a.m. at Harrell Park Lodge. The training program will be October 24th, 25th at Floral Heights Methodist Church and October 26th at Harrell Park. If you are interested in the Camp Fire program, please contact Mrs. Donnie Parks at 569-1085.

Group Hears Program On Landscaping

The Friberg Cooper Community Organization met Monday night at Friberg Community house. The meeting was opened with prayer led by Bro. Auther Ackenhorn. Leroy Barfield, vice president, held the business session. Mrs. Cecil Jarvis presented the program on home improvement and Curtis Smith brought an interesting program on landscape. He also handed out bulletins on how to improve your environment and lawns. Refreshments were served to 24 members and one visitor, Curtis Smith, from Garden Town in Wichita Falls.

Temple Reunion Held Recently

Forty-one members of the Les Temple family gathered recently for a family reunion at the home of a daughter, Mrs. Clyde Slusher. It was also a birthday celebration for Mr. and Mrs. Temple. Mrs. Temple's sister, Mr. and Mrs. Gary Halcomb of Bogalusa, Louisiana, also attended the reunion. Others in attendance from Burkburnett were Mr. and Mrs. Clyde Slusher, Steve, Jack and Janet. Mr. and Mrs. Temple, who celebrated their 72nd birthdays, also celebrated their 55th wedding anniversary September 16. They have six children, sixteen grandchildren and 12 great-grandchildren.

Deborah Short-Steven Kegley Exchange Wedding Vows In Saturday Services

Miss Deborah Jean Short became the bride of Steven Rush Kegley Saturday evening in the Tenth and Broad Street Church of Christ. Parents of the couple are Mr. and Mrs. Donald E. Short, Wichita Falls, and Mr. and Mrs. George L. Kegley, Waurika, Oklahoma.

The bride was graduated from Wichita Falls High School with honors and is a junior at Midwestern University in the honors program. The groom was graduated from Southwestern State College School of Pharmacy at Weatherford, Oklahoma and is employed by City Drug in Waurika and is staff pharmacist at Waurika Hospital. He was salutatorian when he was graduated from Waurika High School and was in Rho Chi, honorary pharmacy fraternity, in college.

Tommy Palmer, director of Church of Christ Bible Chair at MU, officiated in a setting created by baskets of white gladioli and vases of greenery flanking an archway of stephanotis, smilax and pittisporum.

The bride wore a gown of organza and Chantilly lace made with A-line silhouette with attached chapel train. She carried a nosegay of roses, baby's breath, feathered carnations, and ivy.

Mrs. Doyle Boyd was matron of honor. She wore a formal gown of floral chiffon over yellow. Her headpiece was a moss green velvet Dior bow and she carried a nosegay of daisy pom-poms and ivy.

Miss Vickie Dennis, dressed like the honor attendant, was bridesmaid.

Steve Oleksuk of Roby was best man and Meri Winslett of Ryan, Okla. was groomsmen. Ushers were Doyle Boyd and Larry and Clint Short, brothers of the bride.

The bride's parents were hosts for a reception at the church. Assisting were Misses Nikki Bell, Joyce Jensen and Kathryn and Diane Kinnett. Miss Kathy Miller, cousin of the bride, passed out rice bags. The groom's parents gave a rehearsal dinner at Luby's Cafeteria.

Deborah Jean Short (Mrs. Kegley)

ABWA Has 34 Members At Regular Meet Monday

The Boontown Chapter of American Business Women's Association met Monday, September 18 for a regular dinner meeting at the Burk Burnett Community Center. There were 34 members and 11 guests present. The invocation was given by Mrs. Rita Hudson.

Mrs. Donald Larson, immediate past president of the League of Women Voters was guest speaker for the evening. Her topic was Women in Politics, "effect of" and the "effectiveness".

Mrs. Margaret Saindon, employee at Robbies' House of Hallmark gave the vocational talk. She told of gifts for all occasions that can be purchased at the store and her duties as a sales clerk.

Mrs. Valree Matherly, president conducted the business session and heard committee and officer's reports. The chapter voted to send Mrs. Ruth Larson as their delegate to the

ABWA National Convention to be held in October at Miami Beach, Florida.

Nine new members, Zonell C. Swains, Jo Evelyn Beaver, Arlene Burdette, Addie Raines, Evelyn O'Dell, Lou Jane Park, Elaine Hubbard, Betty Pruitt and Jimmie Sue Antwine, were installed.

Out-of-town guests included Mr. and Mrs. James D. Burdette Sr., of Waco, paternal grandparents of the bride; Mr. and Mrs. Alfred R. Ragsdale, aunt and uncle of the groom, and daughter, Cynthia Ragsdale.

The September meeting of the Huebonnet Garden Club was held Tuesday morning in the home of Mrs. R.C. Gilbow with Mmes. J.T. Brady and James D. Taylor as co-hostesses. Coffee and cake were served by the hostesses to 19 members. Mrs. Ray Mills, president of the club, presided over the meeting and called for the minutes and treasurer's report.

Miss Burdette Becomes Bride Of R.J. Friedls

Miss Sandra Kathrin Burdette became the bride of Ronald Jarrell Friedls recently at the North Hill Estates home of her parents in Houston.

Mrs. Friedls is the daughter of Mr. and Mrs. William Alfred Burdette, Sr. and Mr. Friedls is the son of Mr. and Mrs. R.J. Friedls of Burkburnett.

The ceremony was performed before a background of yellow gladioli by the Rev. Douglas B. Finch, minister of the Timber Ridge Presbyterian Church.

The bride wore a dress of white knit accented with pearls. She carried a bouquet of white roses and carnations centered with a white orchid.

Miss Patricia Wiseman, maid of honor, was attired in yellow and her flowers were white carnations.

The groom was attended by William Alfred Burdette, Jr., brother of the bride.

A small reception for the immediate family and close friends was held after the ceremony. A linen cloth covered the brides table, which was centered with a two-tiered wedding cake decorated with daisies. Silver candelabra and crystal completed the table setting. After the bride and groom cut the first slice of cake, Miss Pat Wiseman and Miss Cynthia Ragsdale served the guests. The bride and groom exchanged the traditional champagne toast.

For traveling the bride wore a blue and white pants-suit with a white orchid.

After a wedding trip to Burkburnett, for a visit with the grooms parents, the couple is now residing in the La Plage Apartments in Houston.

Out-of-town guests included Mr. and Mrs. James D. Burdette Sr., of Waco, paternal grandparents of the bride; Mr. and Mrs. Alfred R. Ragsdale, aunt and uncle of the groom, and daughter, Cynthia Ragsdale.

Vows Solemnized Friday Evening For Marilyn Jeanne Schnitker-Jerry E. Patton

The marriage of Miss Marilyn Jeanne Schnitker and Jerry E. Patton was solemnized Friday evening in Grace Lutheran Church by Rev. Albert H. Lindemann, pastor.

Multi-colored pink carnations and greenery held by brass vases and two seven-branched candelabra formed the decorations, with candle stands lining the aisle.

The bride is the daughter of Mr. and Mrs. Wilbert T. Schnitker and Mr. and Mrs. James E. Metz, all of Burkburnett.

A formal gown of dacron organza was chosen by the bride

for her wedding, designed with high rise waist, short puffed sleeves and stand up neckline. Verticle bands of be-ribboned lace trimmed the bodice. Schiffli embroidery enhanced the long skirt and a caplet held her mantilla of English illusion which swept into a chapel train. She carried a cascade of pink roses, carnations, and baby's breath.

Miss Valerie Schnitker, sister of the bride was maid of honor. She wore a formal gown of hot pink crepe, an Empire waistline with floral organza skirt and her headpiece also was of floral organza and pink

net. She carried a long-stemmed white carnation.

Monty Patton, brother of the groom was best man and Gary Metz and Jimmy Simms were ushers.

The bride's parents gave a reception in Parish Hall following the ceremony.

The groom's parents were hosts for a rehearsal dinner in the Parish Hall Thursday evening.

After a trip to Dallas, the couple will live at 1506 14th Street, Apt. 3 in Wichita Falls. The bride and groom are graduates of Burkburnett High School. She was band majorette, band sweetheart and in FTA, FHA and was on the Derrick yearbook staff.

He was a three-year letterman in football and a four-year letterman in baseball. He was football captain and received all-district honorable mention offensive tackle and was junior favorite. He was selected to Who's Who his senior year.

Both have attended Midwestern University and Texas Tech. She is employed by White's Stores, Inc. and he works for Hodges Tire and White Truck Company.

Following the report of Mrs. C.M. Archer, representative to the Burk Burnett Community Service Council, the club voted to donate items to the Council to be sold at the community auction in November.

Miss Wampler Skates Finals

Robin Wampler traveled to Irving to attend the Labor Day Skate Meet. She competed in figures, solo dance, freestyle and dance with her partner.

Robin skates out of the Orbit Skate Club. She skated the finals in freestyle competition.

Robin said, "I enjoy skating very much. It takes practice, I especially like freestyle."

Local Club Meets In Foster Home

The Current Literature Club opened their golden anniversary year with an afternoon meeting at the home of Mrs. L.J. Foster with Mrs. John Brookman as co-hostess.

Yearbooks were presented by Mmes. F.G. Jeffers and J.L. Caffee and Mmes. Roy Magers showed the theme for the 1972-73 year to be "Christ The Past-Challenge The Future."

The program included an original poem dedicated to the golden anniversary of the club by Mrs. Jeffers; a discussion of individual responsibilities by Mrs. Ralph White, club president; parliamentary hints by Mrs. E.C. Mallett; and the counselor's report by Mrs. Carl Hardaway. The program was concluded with the group singing of the NFWC theme song, led by Mrs. H.R. Jeffers.

In the business session, a letter of appreciation was read from Midwestern University for the donation of \$150 from the club to the nursing scholarship fund of the school.

Following the report of Mrs. C.M. Archer, representative to the Burk Burnett Community Service Council, the club voted to donate items to the Council to be sold at the community auction in November.

He's working now on your 1982 electric service.

He's one of the engineers at Texas Electric who is charged with the job of making sure this area continues to have enough electricity.

Developing our power system is a complex assignment. It requires teamwork, training, knowledge and experience. It continuously involves weighing alternatives.

tives in the selection and arrangement of facilities that will keep our power system reliable and efficient, and environmentally sound.

Ten years ahead may seem a long time, but in our business that's the normal planning cycle.

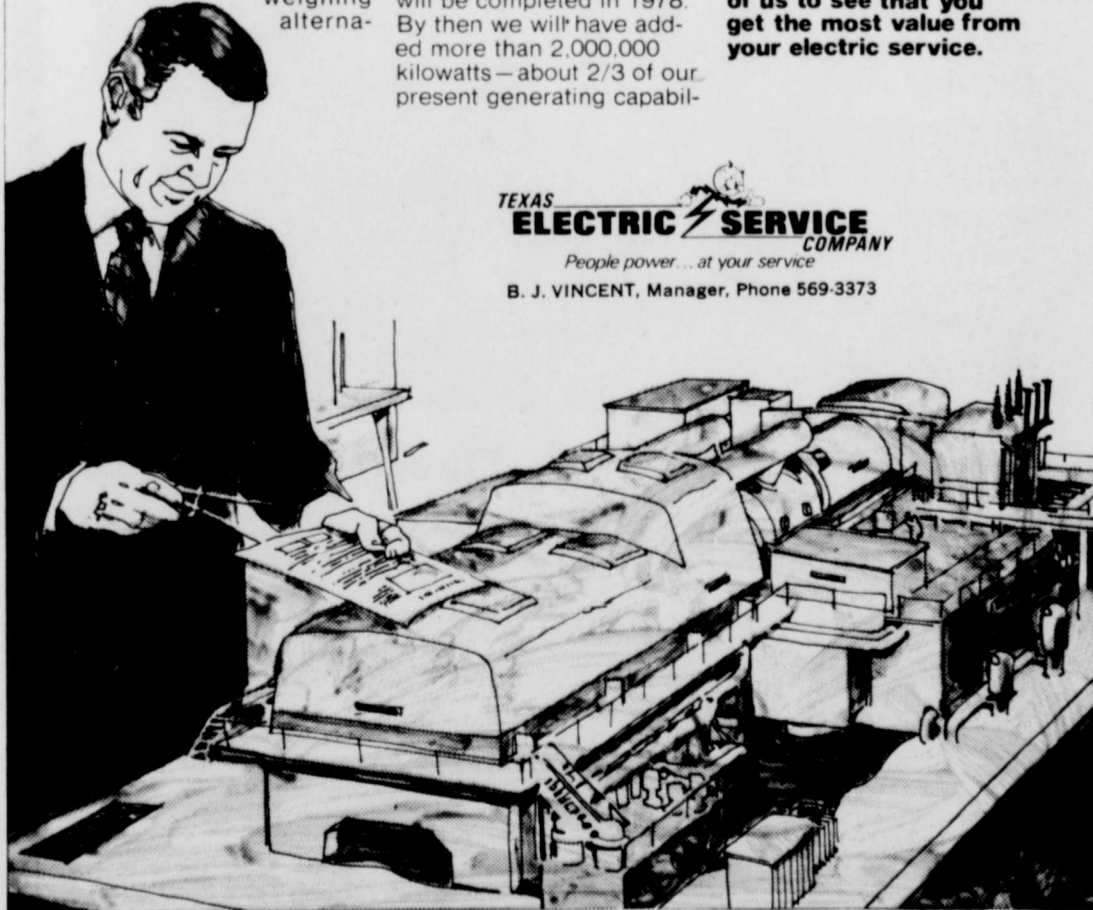

We're already at work on construction projects that will be completed in 1978. By then we will have added more than 2,000,000 kilowatts—about 2/3 of our present generating capability—

as well as related transmission and distribution facilities. And we're now planning into the 1980's.

Being able to meet the electric service requirements of our customers tomorrow depends on sound planning today by the people at Texas Electric.

It's the job of every one of us to see that you get the most value from your electric service.

Mary Brown Best Loser

TOPS TX 636 met September 18 in a regular session. Mary Brown was named "Best Loser of the Week" and Dorothy Smith was runner up, with 20 members attending.

The date for the Christmas Party was set for December 19 with husbands invited.

Members were reminded that Awards Night and Low Calorie Dinner will be held September 25. Secret pals will be revealed at the meeting and the new contest for October will be discussed.

Dorothy Smith, leader, gave an informative talk on how to deal with weight problems.

Roberta Crawford will be in charge of the "mail box" each week. Members are urged to bring cards or gifts to their secret pals each week.

Information concerning TOPS may be obtained by calling 569-2741 after 2:00 p.m.

Southside PTA Holds Meeting

Southside PTA met last Tuesday night for its first meeting of the school year. The meeting was called to order by Mrs. Wilda Wood, president. It was decided that Southside's Fun night will be held Saturday, October 28. It was announced that Skate-day will be the first Saturday of each month, the first one being October 7.

Mrs. Anthony Campese gave the program for the meeting. It was announced that the school board agreed to pay for the electrical wiring necessary if Southside PTA decides to go ahead with the air-conditioning project, subject to Board approval.

The next meeting will be October 10 at 2:45 p.m.

FARM REVIEW

Job Research Helping Shape Future Of Texas High Plains Area

LUBBOCK, (Special) - Agricultural research is helping shape the future of the Texas High Plains area, and more than 1,000 farmers and agribusinessmen made a close study of that research here this week.

The occasion was the 63rd annual Field Day and Open House of the Texas A&M University Agricultural Research and Extension Center at Lubbock.

Research--designed to improve the agricultural economy of the entire area - drew visitors to field locations to observe work with narrow row cotton, drip and subsurface irrigation systems, cotton diseases, vegetable variety trails,

soil fertility, oilseed crops, cotton varieties, and sorghum breeding and insect control work.

Weed control and weather, two other subjects of wide interest to the agricultural industry, were discussed in special sessions in the TAMU Center headquarters area.

Displays and exhibits relating to soil testing, plant diseases, plant physiology and latest developments in farm equipment were other Field Day highlights.

Dr. Jack Gibson, --Field Day chairman and research scientist in plant physiology with the Texas Agricultural Experiment Station at the Center, and Dr. George McBee, resident

director of research, termed the activity "one of the most successful ever staged."

"Persons interested in specific phases of agricultural research took a shuttle service from headquarters to the discussion sites, disembarked and remained at the site of their major interest as long as they chose. They took a later shuttle service when they were ready to move to another location. This arrangement was inaugurated for the first time this year at the request of farmers," McBee explained.

Gentle breezes and bright West Texas sunshine warmly greeted visitors making the tour of the 310-acre Agricultural Experiment Station.

Candidate To Speak To R-PEP

MUNDAY (Special) --Dolph Briscoe Jr., Democratic nominee for governor, will speak here Oct. 3 to members of the Rolling Plains Economic Program (R-PEP).

His speech will be part of the fifth annual R-PEP meeting, to include also the election of officers and reports on the group's 1971-72 education activities.

The day's events begin with a noon meal catered (at \$2 a ticket) at the Texas A&M University Vegetable Research Station here. Activities after noon will be in Munday High School auditorium.

Current RPEP officers are Chairman H.H. Partridge of Munday, Vice Chairman Bob Hillery of Wichita Falls, and Secretary Norman W. Brints of Vernon.

Big goal of R-PEP is the material increase of agricultural income in the 29 counties of the Texas Rolling Plains, where the long-range educational programs of R-PEP are implemented by task forces consisting of area leaders and personnel of the Texas Agricultural Experiment Station and the Texas Agricultural Extension Service.

County HD Agent

Joyce Smith,
Wichita County Home
Demonstration Agent

4-H training in Dallas was enjoyable and beneficial for the County Extension staff. There were guests on the programs from New York, Virginia and Washington, D.C. who shared with Texas agents the success they have had in expanding the 4-H program to reach more young people.

The Extension agent will present a program on "Consumer Know-How" at the Electra Senior Citizens Center on September 22, at 2 p.m. Any interested persons may attend.

Try pork at your next backyard cookout. It's ideal for barbecuing over charcoal because it's basically tender and responds well to dry heat cooking. Pork will cook thoroughly outdoors. Heat from the outdoor grill can be just as hot as that from a kitchen range. However, allow plenty of cooking time. Long, slow cooking will result in a tender juicy cut of meat. When there is no hint of pink in the center, pork chops or steaks are well done. For roasts, a meat thermometer will indicate when the meat is completely cooked.

To prepare a roast, first place it on a rotisserie rod. Then insert the thermometer so it will rotate with the meat and yet clear the hot coals at the bottom of the turn. Position the thermometer with the tip resting in the center of the thickest part of the roast. But make sure the tip doesn't rest on the rotisserie rod, in a fat seam or on a bone. Such locations give false readings. Cook fresh pork to an internal temperature of 170 degrees for the juiciest, tastiest results. Old thermometer guides may state pork should be cooked to 185 degrees, but recent research has shown internal temperatures of 170 degrees to be thoroughly done and safe to eat. In addition, the meat will be juicier and more palatable at the lower temperature.

Hair has always been in style; regardless of fashion trends. Today's look is natural. Fall fashions feature a return of the classics, true colors and body-hugging clothes. But the total look depends on the natural

beauty of the hair itself. There are five points to remember in utilizing the most valuable accessory; your hair.

The first has to do with the cut. Hair with a good cut holds its set longer and looks thicker. A trim every few months to catch split ends is necessary. It's important to catch them early because split ends travel up the hair shaft much the same way a run does on a stocking.

Whenever hair loses its body and bounce, it's time to wash it. In general, you should wash your hair at least once a week, but if it's extra oily, even daily shampooing will not damage it. Work up the lather well, massage the scalp and rinse completely. Any residue left from improper rinsing can dull the hair.

Texas Crops Exceed \$3 Billion In 1971

Sales of Texas crops and livestock during 1971 exceeded \$3 billion, Texas Agriculture Commissioner John C. White said today. This is the third year in a row that cash receipts have exceeded the \$3 billion mark. Only California and Iowa have higher cash receipts. Texas total cash receipts were \$3,254,000,000.

Hidalgo County in the Lower Rio Grande Valley had the highest cash receipts of all counties with \$17,305,000. Only one other county--Deaf Smith--was

above the \$100,000,000 mark with \$103,364,000. The other top 10 counties in cash receipts were Parmer, Castro, Hale, Swisher, Cameron, Lubbock, Hansford, and Lamb.

Livestock products amounted to almost two-thirds of the total cash receipts with 62.5 percent.

The major agriculture production area of the state is in the irrigated High Plains. That crop reporting district had cash receipts of crops and livestock of \$668,169,000.

COUNTY AGENT NEWS

infestations should be treated as soon as they are detected.

Numerous materials are available for use in controlling ticks. These include carbaryl (Sevin) Co-Ral, Deltamethrin, malathion, ronnel and toxaphene.

All producers should follow the manufacturers recommendations on the label of the particular insecticide. Special attention should be given to the waiting period, or number of days required from time of application to time of slaughter.

Plans have been made for a Part-time Farming Seminar to be held in the ASCS Agriculture Room in Iowa Park on September 28 and October 5. Each meeting will begin at 7:30 p.m.

We do have a number of part-time farmers in our area. This is the first time for such a seminar to be conducted. Both men and women are invited to attend. Topics included in the

WINS PIGGLY WIGGLY JACKPOT OF \$100--Ruel Lassater of 711 1/2 Park Street, right, is presented the \$100 check by Piggly Wiggly employee Phillip Butcher.

seminar will be on both planning the part-time operating farm, financing for part-time farmers, and assistance to the part-time farmer through the ASCS and SCS Office. The general public is invited to attend.

Now is a good time to send in a soil sample for your small grain land, if you have not already done so. Soil sample boxes and information sheets may be picked up at the County Agent's office.

A fun 4-H horse club playday will be held at the Mounted Patrol Arena in Wichita Falls on Saturday, September 23. This will not only be open to the kids, but to their parents also. All 4-H horse club members and their parents are invited to enter their animal in the playday. The playday will start at 1 p.m.

Devol Doings

Recent company of Mr. and Mrs. Robert Boston included Mrs. Marie Jones of Asher, Okla., Mrs. Roxie Sorensen of Quanah, Texas, Mr. and Mrs. Tommy Dowdy and baby Chris of Bedford, Texas, Mr. and Mrs. Ernest Wood of Lubbock, Tex., Mr. and Mrs. Kenneth Rupe and family of Lawton, and Mr. and Mrs. Jim Booher and children Lisa and Mary of Lawton, Okla.

Mr. and Mrs. Len Harms have had as house guests since Wednesday of last week Mr. and Mrs. Fred Volverding and Mr. and Mrs. Shub Saba, both of Spokane, Washington. They returned home on Tuesday of this week.

Mr. and Mrs. Lin Harms,

Mr. and Mrs. Lou Harms of Tuskahoma, Mr. and Mrs. Pearl Harms of Chickasha, Mr. and Mrs. Ben (Freda) Lane of Wichita Falls, Mr. and Mrs. Richard Schewer of Fletcher, and Mr. and Mrs. Fred Volverding and Mr. and Mrs. Shub Saba of Spokane, Washington were all Sunday dinner guests of Sophie Schewer in Fletcher, Okla.

Mr. and Mrs. L.H. Baumhardt of Ft. Worth were Saturday company of his sister and family, Mr. and Mrs. Frank McClendon. The McClendons were supper guests of Mr. and Mrs. Roy Baumhardt in Burkburnett Saturday evening.

Mr. and Mrs. O.D. Nalls have had these children visiting them recently: Mr. and Mrs. John Nalls of Fresno, Calif., Mr. and Mrs. Jimmy Nalls and baby of Fresno, Calif., Mr. and Mrs. Royce Nalls and children Joyce Ann, Sharran, and David John of Pleasanton, Calif., Mr. and Mrs. Russell Nalls of Burkburnett, Mrs. Dutch Edwards and her daughter, Mrs. Lane Hill and daughter, KayKay of Willis Point and Mr. and Mrs. Arnold Nalls and daughter, Melinda of Dallas, Texas.

Mr. and Mrs. F.J. Uthe spent Sunday visiting their daughter and family, Mr. and Mrs. C.R. Shinnbaugh in Henrietta.

Bob Price Announces Oil Group

Congressman Bob Price announced today a Small Businessman's Conference to be held in Wichita Falls on Friday, September 29, at the Women's Forum Building.

The Conference which is open to the public is to be attended by representatives of government and major industry. The Conference is to show the small businessman how he can sell his merchandise or service to the government and to large government prime contractors. The Conference's purpose is to provide business opportunities for local firms and to create additional jobs for Northwest Texas residents.

Congressman Price said that Richard Keegan, Deputy Assistant Secretary of the Air Force for Procurement and Millard Neptune, Regional Director of the Economic Development Administration will be in attendance in addition to representatives of the various federal agencies. Price also said that invitations have been issued to such large companies as Texas Instruments, Litton Industries, Ling-Temco-Vought, Inc., McDonald-Douglas, and Collins Radio.

The one-day conference will begin at 8:20 a.m.; advance registration forms and additional information is available from Price's office in the Post Office Building in Wichita Falls.

Mrs. Frank Bohac and daughter

CARD OF THANKS
Thank you for your many expressions of sympathy in the death of our father and grandfather. The memorials, the cards, and flowers are deeply appreciated.
Francis & Evelyn Felty
F.T. Jr. & Peggy Felty

ters of Ft. Worth visited her parents, Mr. and Mrs. R.H. Rhoads and sister, Mr. and Mrs. Bill Harrison and children Friday until Sunday. Mrs. L.E. Ellis and children of Burk Burnett were Saturday afternoon visitors of Mr. and Mrs. R.H. Rhoads.

Mrs. A.S. Nason accompanied by Mr. and Mrs. Wayne Boles of Wichita Falls attended the Nursing Graduation at Great Plains A.V.T.C. Friday night. The Nason's granddaughter, Mrs. Tom Gregston, was one of the 19 graduating. While there in Lawton, they visited Emmett Boles. The Nason's then spent Friday night with Mr. and Mrs. Wayne Boles of Wichita Falls and attended to business in Wichita Saturday.

Last Weeks' News

The Daisy Club met Tuesday, Sept. 5th at the Community Hall with Mrs. A.L. Patterson as hostess. The president called the meeting to order at usual time and the hostess read the devotional from Corinthians.

The Lord's Prayer was repeated in unison. Roll call was read and answered by telling "A Saving Trick I Use". The white elephant sale was won by Mrs. Herman McAdoo.

The program, "Leak In Spending" was read and discussed by all.

The club adjourned to meet September 19th with Mrs. J.M. Butler.

Delicious refreshments were served by the hostess to Meses. Lavoy Bentley, Raymond Underwood, D.F. Baber, Jess Butler, Nomie Wilkinson, C. H. Thompson, N.R. Kirkpatrick, J.M. Butler, Herman McAdoo, Rose Griffin, B.L. Ressel, B.B. Menz, W. R. Baldwin, G. A. Lewis and Sarah, and C.O. Wilson.

Mr. and Mrs. Neal Manley and daughter are spending a week's vacation with her father, Mr. Joe Roper, of Bowie.

Mrs. Dorothy Gaskill of Wichita Falls visited her aunt, Mrs. Mary Sells on Wednesday of last week.

Mrs. Louise Waggoner of Pottosboro is visiting her sister, Mrs. O.D. Bales, and Mr. Bales.

Mr. and Mrs. L.M. Hutchens and daughter of Erick, Okla. visited her sister, Mr. and Mrs. Fred Spoon, a few days this week.

Weekly Health Tip

from Joe Gillespie

At night, pedestrians and bicyclists should definitely wear white or light-colored clothing which can be seen by an approaching motorist. You can see his headlights, but the driver often cannot see you in time to avoid a collision. Light colored trousers or skirts are especially important for night pedestrians as headlights are aimed rather low.

CARDS OF THANKS

CARD OF THANKS
"Thank You" to our Burk Burnett friends for your cards, gifts and telephone calls, during Fred's recent surgery and convalescence, but even more for your prayers.
In His name, we are so thankful for our Christian Friends down through the years.
Garland & Fred Fedin
Sedgewick, Kansas

CARD OF THANKS
I want to thank the neighbors and the Dorcas Sunday School Class for the flowers, food and cards. A special thanks to Helen Tisdale, Dorothy Duke, Brother Champ and Owen McKinney during the death of our Mother.
Marie Brashears and Hawhee Families

CARD OF THANKS
Thank you for your many expressions of sympathy in the death of our father and grandfather. The memorials, the cards, and flowers are deeply appreciated.
Francis & Evelyn Felty
F.T. Jr. & Peggy Felty
