corrected as soon as it is brought to the attention of the  
publisher.

**Bulldogs**

From the description of some  
of the Yellowjacket personnel  
one can see why Froman is  
telling the Bulldogs that they  
can't overlook this game.  
The Bulldogs offense and de-  
fense should be strengthened  
this week with the returning  
of senior Bill Snowden. Snow-  
den missed last week's game  
due to an ankle injury. An-  
other senior regular, Mike  
Myers is suffering some from  
a muscle injury but is expected  
to be ready to go when Friday  
night arrives.  
In other games around the  
4-AAA district, Brownwood  
hosts Weatherford, Hirschi  
travels to Vernon and Graham  
takes on Iowa Park.

**Parade**

on tap for that day.  
The window decorating con-  
test will be for home room stu-  
dents grades six through eight,  
with prizes awarded to the home  
room for first, second and third  
places. The windows must be  
decorated by Monday, Oct. 30.  
Clean newspaper that may be  
used for the decorations may  
be obtained from the INFOR-  
MER/STAR office at no charge.  
The poster contest for indi-  
vidual students, grades one  
through five will have three win-  
ners picked from each of the  
Burk Burnett grade schools  
(Southside, Hardin and Shep-  
ard-Burk). First, second and  
third place prizes will be  
awarded in this event.  
Posters for the contest should

**Larry Henderson Wins  
Paper Football Contest**

A fifteen year old sophomore  
student at Burk Burnett High  
School, Larry Henderson of 215  
Walnut, topped all other entries  
to win the \$15 first prize money  
in the INFORMER/STAR foot-  
ball contest this past week.  
Larry, along with four other  
persons picked a total of 18  
correct games. He was award-  
ed first prize, however, due  
to his tie breaker prediction  
of Burk 14-Vernon 13.  
Clay Norris of 909 Preston  
was the second place winner  
due to his tie-breaker predic-  
tion of Burk -16, Vernon 14.  
Others tied for the first place  
money were Warren Cobble,  
Sr., Jason Martin and Pearlina  
Italian. Cobble and Mrs. Italian  
have both previously been win-  
ners in the contest.  
Of special interest is the tie-  
breaker prediction of two per-  
sons. Karen Brightman and  
Robert Ramsey both predicted  
the tie-breaker as Burk 13-

**Lone Star  
Hits Well**

LST Australia, Inc., a sub-  
sidiary of Lone Star Gas Com-  
pany, announced today that it  
has encountered gas in the Pre-  
cincte Formation at near 4,000  
feet in its Rockwood No. 1  
Well in Queensland, Australia,  
some 150 miles west of Bris-  
bane. On an open hole drill  
stem test, the well flowed at  
a rate of approximately 840,000  
cubic feet per day. LSG Aus-  
tralia, Inc. is preparing to run  
logs and casing for further  
evaluation.

**Burglars**

extinguishers of several of the  
buses upon the interior of the  
signal lights, busted one wind-  
shield, stole several fares and  
seven first aid kits from the  
buses.  
Local police also report that  
two fire extinguishers were  
stolen from the Farmer Cor-  
op Can building sometime Sat-  
urday night.

**SHOWS DISPLAY--Mrs. Claude Travis, right, special education teacher in room six of Hardin  
Jr. High explains some of the displays in her room to Ronald Brown, left, and Leslie Bryan  
during open house at the local schools Monday night.**

**News From Texas State Capitol**

By Bill Boykin  
Texas Press Association  
AUSTIN, TEX.--Competitive  
auto and homeowners insurance  
rating legislation failed to clear  
the special session, but Gov.  
Preston Smith claimed the gath-  
ering served a purpose.

Smith, disappointed at a log-  
jam in conference committee on  
the session's windup night, de-  
clined to call lawmakers back  
to work as he had hinted he  
might. He said he and legis-  
lative leaders decided another  
session now would be fruitless.

The Governor announced he  
will make recommendations for  
"thorough reform" of the in-  
surance regulatory system be-  
fore he leaves office in January.  
"I am hopeful," he said,  
"that, because of the exposure  
and public attention that this  
issue has received during the  
past 30 days, competitive rates  
and other insurance reforms  
can and will be approved."  
He cited these accomplish-  
ments of the session in addition  
to those which had been wrap-  
ped up earlier:

- \* Establishment of a Texas  
Offshore Terminal Commission  
to define the role and respon-  
sibility of State government in  
developing a deep draft off-  
shore port for supertankers.
- \* Relaxing of trailer and  
brake lighting requirements for  
trailers.
- \* An increase in funds by  
\$1 million for the Anderson  
County junior college occupa-  
tional extension center.
- \* Defining the legal age at  
which both male and female  
youth offenders can be tried  
as adults.
- \* Appropriation of \$211,372  
for a citrus and vegetable train-  
ing center and improved beef  
production programs at Texas  
A&I University.
- The Legislature also passed  
a bill to lower rates in the  
hurricane windstorm insurance  
pool for coastal areas. It peti-  
tioned Congress for a con-  
stitutional convention on an  
anti-busing amendment.
- ALLOWABLE MAINTAINED**  
-- For the eighth straight month  
the statewide oil allowable will  
be retained at 100 per cent for  
November.
- Production is expected to be  
slightly more than 3,500,000  
barrels a day.
- Major oil buyers requested  
3,753,055 barrels of crude daily  
next month, a decrease of 23,  
538 from the October record.
- The East Texas field, where  
an 86 per cent production figure  
was set, is an exception to the  
100 per cent allowable. So is  
Kelly-Snyder at 76 per cent,  
Tom O'Conner at 70 per cent,  
and Big Wells at 80 per cent.
- Only one of the 15 major  
crude buyers requested more  
oil next month than this month,  
while 11 asked the same amount  
and three asked less.

**Obituaries**

**O.R. Otto Wood**

O.R. (Otto) Wood, an old timer from Burk Burnett, died at his  
home at 149 North Cutt Street in Marietta, Georgia Friday, Oct. 13.  
Funeral services were conducted Saturday in the Albert M.  
Dobbins Funeral Home Chapel by the Rev. Earl Stallings.  
Burial was in the Mountain View Cemetery.  
Mr. Wood was born in Scio, Ohio and worked for the Texas  
Oil Company until his retirement in Burk Burnett twenty-five  
years ago, when he moved to Marietta. He was a member of  
the United Methodist Church.  
Survivors include his wife, Mrs. Kathleen Kirley Wood of  
Marietta; a daughter, Mrs. Truman Fletcher of Marietta; three  
sons, Roy E. Wood of Titusville, Fla., Lon W. Wood of Borger,  
Texas and Glen L. Wood of Houston; eleven grandchildren and  
seventeen great-grandchildren.

**John Almond Gratton**

John Almond Gratton, born May 6, 1911 in Castle, Oklahoma died  
October 17, 1972 in Bryan Memorial Hospital in Lincoln, Nebraska.  
Gratton was retired and previously owned a restaurant in Bur-  
k Burnett and farmed in Blackwell, Oklahoma.  
He is survived by his wife, Thelma of York; one son, Johnie of  
Duncan, Okla.; one daughter, Mrs. Lester Batterton of York; 2  
granddaughters; his mother, Elva of Modesto, California; 2 sis-  
ters, Mrs. Blair and Mrs. Waggoner, both of Modesto, Calif.; two  
brothers, Bob of Modesto and Joe of Red Bluff California.  
Funeral services were held Thursday in the First Presbyterian  
Church in York with Rev. Stevens and Rev. Roy Collins of Houston,  
Texas officiating. Burial was in Greenwood Cemetery in York,  
Nebraska.

**Laura Michelle Bucy**

Graveside rites were held recently in the Burk Burnett Cemetery  
for Laura Michelle Bucy who died shortly after birth in a Florida  
hospital. She is survived by her parents, Mr. and Mrs. Lonnie  
Bucy of Fort Walton Beach, Florida. Mrs. Bucy is the former  
Brenda Ivy of Burk Burnett. Maternal grandmother is Mrs. Betty  
Ivy of Burk Burnett, paternal grandparents are Mr. and Mrs.  
Howard Bucy of Wellsboro, West Virginia.

**THE  
INFORMED  
CONSUMER**

By Crawford C. Martin  
Attorney General of Texas

Nearly everyone has at some  
time pondered the value dif-  
ference between the three-pound  
economy size of "whats-it"  
for \$1.08 and the 33 1/2 ounce  
Jumbo size of the same prod-  
uct that sells for 61c. To add  
to the confusion even more you  
may find a 20 ounce regular  
size box available for 43c. Most  
people can figure out the size  
that offers the best cost per  
ounce value, but it takes time.  
The unit pricing system aids  
in solving this type of problem  
for consumers. Unit pricing  
is a subject which has been  
written and talked about a lot.  
Several state legislatures have  
introduced unit pricing laws.  
New York City supermarkets  
are now required to comply  
with unit pricing regulations.  
Some Texas stores have adopt-  
ed unit pricing systems. But  
many consumers still ask "what  
is it?"  
Unit pricing is simply a plan  
in which the price of the mer-  
chandise is shown on the pack-  
age in two ways. The total price  
of the item is shown, but in ad-  
dition there is a price per unit  
shown. For example if a one  
pound package of shelled pecans  
sells for \$1.60, this price would  
be shown on the package. Addi-  
tionally the unit price of 10c  
per ounce would be shown on  
the package. If a ten ounce  
package of pecans sold for \$1.00  
the package would show the total  
price of \$1.00 and it would also  
disclose the unit price of 10c  
an ounce. You could see at a  
glance that the pecans in the  
one pound package cost one cent  
less per ounce than the pecans  
in the ten ounce package. The  
unit pricing information gives  
shoppers a chance to quickly  
and easily compare the relative  
unit cost of different size pack-  
ages.  
Of course the price per unit  
does not take quantity needs  
into account. If you need only  
ten ounces of pecans and the  
other six ounces would spoil  
before you could use them, the  
smaller size would be the prop-  
er one for you to purchase even  
though it costs more per ounce.  
Neither does unit pricing con-  
sider brand or quality differenc-  
es. Assume that a box of  
Brand X contains 12 ounces of  
a product at a unit price of 3.5c  
per ounce and a box of Brand B  
contains 14 ounces of a like  
product at a unit price of 3.8c  
per ounce. If your family likes  
the taste of Brand B better you  
might still prefer to buy that  
product in spite of its higher  
unit price.  
But if you simply want to  
get the most economical price,  
unit pricing makes your task  
much easier. You aren't faced  
with a series of mathematical  
problems everytime you enter  
the supermarket.  
Over the years, the public

**Congressman Bob Price  
Returns To Washington**

Congressman Bob Price re-  
turned to Washington to vote  
for Social Security amendments  
which will increase from \$1,680  
to \$2,100 the amount which an  
elderly person can earn without  
losing any Social Security ben-  
efits.  
Price said, "This is a step  
toward legislation which I have  
introduced which would com-  
pletely remove the limitation  
on earnings for the elderly."  
"It is a disgrace that meas-  
ures of this importance, H.R.1,  
the very first piece of legisla-  
tion introduced, has finally been  
considered in the last few min-  
utes of this session. This bill  
contained the first shreds of  
welfare reform we have seen  
and these reforms were mer-  
cilessly hacked from the bill.  
Now it is too late in the day.  
There is no time to consider  
an alternate reform plan."  
"The majority leadership of  
the House has swept welfare  
reform under the rug for this  
session and the taxpayers are  
going to be forced to foot the  
bill for the welfare mess that  
seems to cost more millions ev-  
ery day."  
"The Congress has been  
avoiding the responsibility for  
this mess and this was illustrat-  
ed graphically today when over  
125 members of the House fail-  
ed to even show up to vote on  
this measure.  
"This was just the first of  
several important measures  
that were rushed through at the  
last minute. Also passed was  
the \$250 billion debt limit which  
was sent to the Senate where  
this measure is expected to  
be killed. Another last minute  
debate centered around the for-  
eign aid bill which failed to  
reach agreement in conference,  
and now we are faced with vot-  
ing an extension of the old for-  
eign aid bill which I have always  
opposed. The entire foreign  
policy of this country has been  
treated like a step-child by the  
liveral House leadership with  
its lack of concern for seeing  
that the best interests of the  
American taxpayer are protect-  
ed. It is my view that measures  
of this scope deserve adequate  
time for consideration, revision  
and approval."  
Price concluded, "It is inter-  
esting to note that my oppon-  
ent was absent again from his job."

Today's newspaper is a friend  
of the family, guide and per-  
sonal counselor, employment  
service, marketplace of ideas  
and commodities, source of news  
and information, stimulator of  
thought and opinion, and a great  
deal more.

**You're looking  
at one of the  
nice things  
about an  
electric dryer.**

Drying a wet teddy bear,  
or other stuffed toys  
labeled "washable" is just  
one of many things you  
can do with a flameless  
electric dryer.

There are plenty of others  
Like dusting draperies  
Airing bed covers  
Fluffing pillows.  
And many,  
many more.

Your instruction booklet  
is your best guide to the  
many unique capabilities  
of your electric dryer.  
Read it carefully and file  
it for ready reference.

One of the big advantages  
of electric dryers is that  
you can get control fea-

tures which automatically  
determine the temperature  
and drying time needed  
for various fabrics.

This fabric selector is  
particularly helpful in this  
modern age of care-free  
polyesters and other per-  
manent press fabrics.

Versatility is just one  
more reason why flameless  
electric dryers are  
America's favorite.

## Woods & Waters

By Mike Gaines

Many people in and around Burk will be interested to hear that Otto ("Titanic") Johnson is now living in the Van Dean Nursing Home, Room 104, at Woodward, Okla. His only relative is a nephew, Vernon Johnson, of that city. Titanic would enjoy hearing from some of his Burkburnett friends. He was a long time resident of this city.

### McLean Accepted To A&M Honor Unit

Mark A. McLean of Burkburnett has been selected for membership in the Ross Volunteers, Texas A&M University's elite honor military unit.

The Ross Volunteers Company was formed in 1887, 11 years after the university enrolled its first class, making it the oldest student organization in Texas. Juniors in TAMU's Cadet Corps are selected on the basis of character, military achievement, disciplinary and academic records and extracurricular activities.

Ninety cadets were selected from several hundred applications.

RVs form the honor guard at the inauguration of the Governor of Texas, serve as honor guard for King Rex during the annual Mardi Gras Parade in New Orleans, escort distinguished guests at TAMU and represent the university at a variety of special functions.

McLean, son of Mr. and Mrs. Bill McLean, Route 1, is a 1970 graduate of Burkburnett High School. He is currently enrolled in marketing studies.

McLean also is a member of Phi Eta Sigma, SCONA and Semper Fidelis Society. He is the outstanding sophomore in Squadron 5 and received the Recognition Award in Marketing.

Mr. and Mrs. Harold VanLoh and Dr. and Mrs. P.A. Carpenter returned home last week from a three week trip to the Orient. They visited Japan, Singapore, Thailand and Honolulu. They report a fantastic trip though it was a bit trying on the Van Lohs to stay even that long as they left a pretty little baby granddaughter, Paige Ann VanLoh in Ft. Worth. Mr. and Mrs. Jerry VanLoh are the happy parents of the little lady.

Mr. and Mrs. Bill Vincent drove to Lubbock Friday where their daughter, Debbie, who is a sophomore at Texas Tech. University, was pledged to the Alpha Chi Omega Sorority.

### Library Corner

Kathleen Trautman has written the story of her family's adventures in a diplomatic "hardship" post - Afghanistan in SPIES BEHIND THE PILARS, BANDITS AT THE PASS. It is the story of their encounters with CIA, Peace Corps volunteers, and Soviet operatives. Also, of the hopes and heartaches of a poor, developing nation.

In a book to delight the nature lover and the conservationist, Lyn Hancock wrote THERE'S A SEAL IN MY SLEEPING BAG. It is a funny, informative account of her expeditions with her wildlife biologist husband, observing and photographing imperiled wildlife in the Canad-

ian Northwest. Harold Krents, inspiration for the blind hero of the movie, "Butterflies Are Free", tells the story of his life in TORACE THE WIND.

The Burkburnett Library now has copies of both Joseph Lash's book about Eleanor Roosevelt. The first is ELEANOR AND FRANKLIN, and the second, a sequel, ELEANOR: THE YEARS ALONE.

Here at the close of the World Series and a summer of basketball, Roger Angell's new book THE SUMMER GAME, appears to tell it all with humor and thoughtful appreciation. The pieces cover a span of ten years, and Angell is a writer and "nonprofessional baseball watcher".

New fiction: JONATHAN LIVINGSTON SEAGULL, by Richard Bach; THE SUNDAY HEROES, a novel of what happens off the playing field - by Noel B. Gerson; Catherine Gaslin's new gothic novel, A FALCON FOR A QUEEN; and THE QUIET END OF EVENING, by Honor Tracy.

Our STOP AND SWAP paperback bookstand needs books. If you want to get yours out of the way, please bring them to us - or call 569-2991 and someone will pick them up.

### Insurance Discounts 1973 Autos

Owners of 1973 automobiles sold in the U.S. will now receive 10%, 15%, or 20% discounts on collision insurance from the MFA Insurance Companies, according to an announcement by MFA Insurance Agent Chuck Lindenberg.

Bumpers on 1973 cars have been stronger and safer and MFA Insurance offers the discounts in accordance with the quality of the bumper. "The stronger the bumper, the better the discount," Agent Lindenberg said.

## Girl Scout Camp Out Held At Lake Pauline

The 10th annual NorCentex Girl Scout Council's "Do-It-Yourself" campout was held October 14 and 15 at Lake Pauline near Quanah, Texas.

Twelve hundred and eighty-one people attended the two-day event. Their major activities included displays by each troop depicting the "Storybook Land" theme, a crafts and learning event (Mound of Knowledge), Indian dancing by members of the Order of the Arrow, Scouts' Own, films and a special guest appearance by Winnie the Pooh.

Members of the Texhoma React, Gene Stevens, President, provided the camp first aid, communications and security.

The 1972 camp awards in the Junior Division were presented to Troop 82 of Sheppard Air Force Base, Mrs. Dwaln Etheridge, Leader, for best campsite.

Troop 66, Mrs. Gary Emery, Leader, also of SAFB, was second in this category. The first and second place campsite awards in the Cadette division went to Troop 50, Mrs. George Grizzle, Leader, and Troop 49, Mrs. Allan Brookshire, Leader, respectively, both of Wichita Falls. Best campsites in the Senior Division were judged to be Troop 58, Mrs. C.W. Chastain, Leader, of Wichita Falls, and Troop 57 of Munday, Mrs. Maurayse Scott, Leader.

Best Display awards in the Junior division were as follows: 1st place, Troop 27, Quanah, Mrs. Bob Moore, Leader; 2nd, Troop 30, Wichita Falls, Mrs. Paul Ogan, Leader; 3rd, Troop 99, Sheppard Air Force Base, Mrs. Harvey Long and Mrs. Robert Ellis, Leaders. Cadette winners were: 1st, Troop 63 of Quanah, Mrs. William Cato, Leader; 2nd, Troop 81 of Wichita Falls, Mrs. Ronald Latimer, Leader; and 3rd, Troop 110 of Childress, Mrs. Weldon Teague, Leader.

Winners in the Senior group were Troop 36, SAFB, 1st place, Mrs. Lee Stegismund, Leader; Troop 60, Iowa Park, 2nd place, Mrs. Harold Higgins, Leader; and Troop 58, Wichita Falls, 3rd place, Mrs. C.W. Chastain, Leader.

### Look Who's New

Mr. and Mrs. Thomas Wickie of Windom, Minnesota, former teachers in Burkburnett, announce the birth of a daughter, Susanne Kay, on October 17 in Windom.

Suzanne was born on her brother Michael Jon's fourth birthday.

Special staff for the campout included Miss Judith Henderson, Director, Mrs. Stanley Smith, Earl Martin, Mr. and Mrs. Robert Pendleton, Miss Debbie Witt, Mr. and Mrs. Joe Gaines, Jr., Mrs. Deryl Brooks, Mrs. Dorwin Thomas, Sgt. and Mrs. James Mullins, Mrs. Lloyd Bloodworth, Mrs. Jerry Hassell, Mrs. Clint Crawford, Mrs. Frank Houmel, Mrs. Paul Bellare, Mrs. E.W. McRae and Chaplain Paul Regier.

A special secret patch to commemorate the event was designed and presented by Mrs. Danny Jones of Wichita Falls.

### PTA "Fun Night" Sat.

Final plans are being made by the Southside P.T.A. for their annual Halloween "Fun Night" to be held Saturday, Oct. 28 from 6:00 to 9:00 p.m. Class rooms will be turned into carnival booths such as balloon dart games, grab bags, cane toss, bingo, magic walking cane, spook house, white elephant sale, engraving booth, cake and pie walks, homemade

ice cream, sweet and pastry shops, dart games, emergency room, pull-a-string, yellow brick road, country store and a hay ride.

For those wanting to eat, the food booth will open at 5:00 p.m. There will be plenty of hamburgers, corny dogs, bur-

ritos, and chili pies. Potato chips, fritos, cokes, orange drinks and coffee will be available to go along with your meal. Parents and teachers have worked hard to make this another successful year. Everyone is urged to come out and join in the fun.

The frost is on the pumpkin and deer season is just around the corner.

Everyone has their unforgettable story about deer hunting, but here's one I thought you might find interesting.

It was told by Tom Pinto, 89, at a recent scout meeting in Brownwood.

When he was the age of the Scouts in the audience, Pinto said, he went hunting, swiped a couple of peaches, ate them and absentmindedly put the seeds in his pocket.

"I looked up," he said, "and there was a big buck. So I poured powder in my muzzle loader, put in the wadding and realized I'd forgotten the shot. So I just tapped in one of those peach seeds."

Pinto shot the deer, but not fatally. It ran off.

"Four years later," he said, "I was hunting in that same spot. I passed that same old peach tree, looked up and there

was a big buck with a peach tree growing out the middle of his back, loaded with peaches.

"After I shot that deer and ate some of his peaches, I planted those seeds and up came a lot of little deer."

Hunters under 17 years old who wish to hunt on one of the Texas Parks and Wildlife Department's wildlife management areas must be supervised by adults on a one-to-one basis, according to department officials.

The officials say there obviously has been a misunderstanding of this policy since many of the applications they have received have been for one adult and two or three juveniles.

Each adult can sponsor only one hunter under 17 years old. Failure of the sponsor to supervise the minor will be considered cause for forfeiture of permits of both sponsor and minor.

## News From In And Around Temple

If recent records can be considered a true sample of Temple and area citizens the large majority can be considered a positive lot.

The 72 people whose blood was checked during the Blood Mobile unit visit in Temple 27 tested A positive, 30 showed up with 0 positive, 3 B positive, 4 typed 0 negative, 1 B negative and 1 AB positive.

One other outstanding factor showed up in the chapter blood donor list returned to local officials by Red Cross officers in Wichita Falls--35 donors were first time givers and ages averaged less than 30 years.

### NEW PIANOS AND ORGANS

Wholesale Cost + 10%

Hammond, Lowry, Wurilizer, Kimball, & other major brands.

### A B E MUSIC

211 E. 3rd 569-8136

FIRST TIMERS Temple Red Cross volunteer workers are proud of the fact that 35 first time donors were 50 percent of the total donors. Each donor received a bumper sticker with the message, "Be Nice to Me, I'm A Blood Donor."

### WATER SHORTAGE

In spite of the near 3 1/2 inch rain during Friday and Saturday, Temple's water supply is still on the critical list. All residents are asked to continue water rationing. Mayor, Woody Wilson, believes if it would rain three or four more days, the earth would have a chance to permit some of the precipitation to start flowing toward the city lake that has been lowering three to five inches per day prior to the rain.

"If Cache Creek would start rising, then water could be pumped from that source," Wilson said.

Last week Carlton Lawrence, water superintendent, reported the city wells had failed, adding to the already bad water supply situation.

## Devol Doings

A birthday celebration for Gregg Wilkinson, 9, was held Saturday night at the Community building. Refreshments of cake and ice cream and hot chocolate were served to the honoree and these guests, Mike Powell, Scott Harvey, Mike Wilkinson, Robert Head, Marty and Craig McCasland. Also out of town guests were La Dona Wilkinson of Iowa Park, Scott Davis of Mesquite, and Roger, Dale, Jerry and Christy Green of Burk.

Rev. and Mrs. O.M. McKenny of Dallas called on friends here last week while passing through on their way to Davidson to visit a brother.

Weekend company of Mr. and Mrs. J.W. Wilkinson were Mr. and Mrs. Irvin Davis and son, Scotty of Mesquite, Mr. and Mrs. Dennis Keck of Dallas, and Mr. and Mrs. Jerry Boles of Walters.

Mrs. Jimmy Bryan and daughter, Connie of Iowa Park, spent Sunday with her mother, Mrs. Lillian Hutson.

Mrs. Maggie Nelson has returned to her home in Burkburnett after spending several weeks with her sister, Mrs. Dollie Hardin while recovering from eye surgery. Other weekend company of Mrs. Hardin were daughters, Mrs. Bobby Gaston and Jewell Hardin, both of Dallas, Mrs. George Fincher of Amarillo and Mr. and Mrs. Frank Germany of Midland.

Sgt. and Mrs. James Earls and son arrived Wednesday of last week for a few days visit with her parents, Mr. and Mrs. O.D. Nalls, before going to

Cleveland, Tenn. for a visit with his parents. Sergeant Earls and his family have spent the past 3 years in Japan and the Philippines and will now be stationed at Chamite AFB, Ill. Mrs. Earls will be remembered here as Peggy Nalls.

Recent company of Mr. and Mrs. A.J. Adams were Mr. and Mrs. H. B. Adams of Rush Springs, Mr. and Mrs. L.P. Adams of Iowa Park, and Mr. and Mrs. Roy Givins of Wichita Falls.

Donald Sweeney visited his grandparents, Mr. and Mrs. Bill Halcomb, this past weekend. He is receiving his basic training in the army at Ft. Leonard, Missouri.

Mr. and Mrs. Frank McClelland visited their daughter and son-in-law, Mr. and Mrs. Bob Carroll at Weatherford, Okla. Sunday.

## Wooten-Sullivan Vows Exchanged Saturday Evening At Church Of Christ

Wedding vows were exchanged Saturday evening in the Burk Burnett Church of Christ by Miss Sharon Dawn Wooten and John Joseph Sullivan. Parents of the couple are Mr. and Mrs. Reavis Wooten and John R. Sullivan and the late Mrs. Agnes Sullivan, all of Burk Burnett.

Ed Morris, minister, officiated at the traditional wedding rites based on Ruth 1:6. Candle trees and arrangements of white spider mums provided the backdrop for the ceremony.

Vocalists Debra Lovelace and Don Elzite provided the nuptial music. The bride wore a gown designed by herself and her mother. It was fashioned of angelskin peau de sole with empire waistline, Gibson girl sleeves, and A-line skirt, trimmed in scalloped lace. The trim was repeated in the chapel length train. Her veil was held to lace pedals with auro borealis. She carried a cascade of French carnations centered with a cymbidium orchid.

Miss Deby Freeman of Irving was maid of honor. She wore a gown of emerald green velvet with an empire waistline. Her headpiece was a

matching velvet bow with tulle and she carried a single long-stemmed carnation.

Bridesmaids, dressed like the honor attendant, were Misses Kathy Raleigh and Janice Cornell of New Braunfels. Flower girl, Debbie Gibson, was dressed in emerald velvet and she carried a basket of baby carnations. The ring bearer, Curtis Gibson, was dressed in a white weskit suit with an emerald green shirt.

Max Fowler of Houston served as best man and groomsmen were Keith Welch of Ft. Sill, Okla. and Mike Lafitte. Ushers were Allen Dooley and Chriss Swaim. Nan and Suzie Sullivan, sisters of the bridegroom, distributed rice bags to the guests.

The bride's parents gave a reception in the National Room. They were assisted by Misses Carolyn Hillis and Rebecca Dark, Misses Russell Nalls, Paul Avritt, R.M. Sims, Jay Swaim, Walter Dooley, Carl Amidon and Gene Bingham.

After a trip to Arlington, Dallas and San Antonio, the couple will live in Darmstadt, Germany where the bridegroom is stationed with the U.S. Army. Both are graduates of Burk Burnett High School where she was in the band and Future Homemakers. She is presently employed by SAFB Officers Club.

The groom entertained with a rehearsal dinner Friday evening Oct. 9 in the home of Mrs. Buster Pruett. Hostesses for the October meeting were Mrs. Glen Veach and Mrs. Buster Pruett.

Nineteen members were present for the meeting. Each of them answered the roll by giving the presidential candidate of their choice.

After roll call, Donny Hardey presented a special program on politics. He emphasized that it is the duty of

every citizen to get themselves informed in political matters. He also spoke of the advantages of voting for the party of your choice rather than the candidate.

The business of the meeting consisted of the club setting a date for a bean supper in the Community Center for December 2. The proceeds will be used for community services and projects.

The meeting was then adjourned and refreshments served.

## Study Club Talks Politics

The Modern Study Club met for their regular monthly meeting Oct. 9 in the home of Mrs. Buster Pruett. Hostesses for the October meeting were Mrs. Glen Veach and Mrs. Buster Pruett.

Nineteen members were present for the meeting. Each of them answered the roll by giving the presidential candidate of their choice.

After roll call, Donny Hardey presented a special program on politics. He emphasized that it is the duty of

## Public Meeting To Be Called For Amendment Study Oct. 30

Burk Burnett Voters, with the November election only days away, will be given a chance to familiarize themselves with the fourteen constitutional amendments on the ballot at a Community wide public meeting at 7:45 on October 30 in the National Room.

### Missionary Society Held At Beldon Home

The Federated Missionary Society met in the home of Ruth Beldon with Bess Shrum as co-hostess.

The president, Mrs. Mallett called the meeting to order. Mrs. Haley gave the opening prayer. Mrs. Gragg presented the devotional from Psalms 23. She said, "Life may never be dull, show that you are happy, rejoicing and praising."

Roll call was read and answered by each member repeating a favorite scripture.

Mrs. Dan Larson, members of the Wichita Falls League of Women Voters, will discuss the amendments.

Voters Guides will be available. These are a League publication which provides non-partisan information on the candidates as well as the amendments.

### Missionary Society Held At Beldon Home

The secretary read the minutes and a card of appreciation from the volunteer coordinator at the State Hospital for the clothing items taken to the hospital.

The group sang "My Jesus I Love Thee" with Mrs. Beldon at the piano.

The lesson, "Would You Know Jesus If He Came to Your Door?" was presented by Mrs. Beldon.

Lovely Halloween refreshments were served to 13 members and 1 visitor, Beatrice Burrows.

## Business Womens Association Discusses Upcoming Elections

The Boombtown Chapter of American Business Womens Association met Oct. 16 at the Burk Burnett Community Center. There were 46 members and 2 guests present.

The invocation was given by Anita Pat.

Mrs. Peggy McCullough, city councilwoman of Wichita Falls, was guest speaker for the evening. Her topic was "The Process of Election". She explained the "running for" and "being elected" to office. The moral was "Victory is Sweet and there is no second prize!"

A question and answer period followed the presentation.

Pat Dunn, local Tupperware Dealer gave the vocational talk.

Mrs. Valree Matherly, president conducted the business session and heard committee and officer's reports.

Benediction was given by Sharon Brookman. The white elephant drawing was won by Marion Bentley and the Cake Box is now in the hands of Margaret Williams.

Guests for the evening other than the speaker were Mrs. Betty Pettit and Janet Anderson.

## Riding Club To Sponsor Open Playday

The Electra Riding Club is sponsoring an Open Playday, Sunday, Oct. 29. Registration will be at 1:30 and riding will begin at 2:00 p.m.

First, second and third place ribbons will be awarded in each event. In addition, there will be a drawing for a \$10.00 gift certificate. In order to be eligible for the drawing, an individual must enter all events. The entry fee will be 40¢ per event.

The high point winner in each division will also receive tack.

## Draftees May Join Reserve

Young men who have already received draft notices are now permitted to enlist in the Army Reserve, according to current Selective Service regulations.

This type of enlistment, however, must be accomplished 10 days or more prior to an individual's reporting date for induction into military service.

Headquarters Company 980th Engr Bn (Const) in Wichita Falls and commanded by CPT Roy R. Moore is seeking young men and women for enlistment.

Young men and women desiring more information about Army Reserve enlistment should contact recruiting officer Robert Atchavit at the Army Reserve Center at 3315 9th Street or call 723-6421.

## News From Evergreen Manor

Mrs. Spears from Vernon visited her mother, Maude Gilley.

Mrs. Curtis Cook from Wichita Falls visited her mother, Mrs. Ivey.

Rev. Morrow from Calvary Baptist Church held services here Sunday afternoon.

Norma Wilson of Tulsa, Okla. visited her mother, Rosa Penn, on her mother's 95th birthday.

Mr. and Mrs. C.B. Ressel of Randlett, Okla. and Mrs. John Mays of Wichita Falls visited Fay Postelwait Sunday.

Mr. and Mrs. Spain from Skelleytown, Texas visited Mr. and Mrs. C.D. Mullins Sunday.

We want to thank Corner Drug Store for the INFORMER/STAR and Wichita papers. It is such a nice thing to do.

Visiting Mrs. Quinn were her sons, Mr. and Mrs. Glen Quinn, of Odessa and Mr. and Mrs. Clovis Quinn of Goldsmith; a grandson, Mr. and Mrs. Glen Quinn, Jr. of Lubbock. Also Mr. and Mrs. Stephens of Odessa, Calif. and Unas Berry of Montague, Tex.

Mrs. Ray Williams showed some slides here in the home. They were enjoyed by the patients. Thanks, Mrs. Williams!

We had a good attendance at Sunday school. There were 32 present. Ode Worthem has been teaching here for 7 years and is assisted by Cotton Kinard. They have done a great work and the home is very proud of them.

Wiley Hixon from Electra visited with friends this week.

## Local NCHA Chapter Visits Okla. Mountains

Several members of the Boombtown Chapter of NCHA spent a wet but full-filled weekend in the colorful Eastern Oklahoma mountains, camping for a night near the Broken Bow Reservoir and seeing Beaver's Bend State Park.

The Tallmena Skyline Drive was fantastically beautiful and is the only National Scenic Drive in this part of the nation. It begins on State 1 and winds east for fifty five miles to Mena, Arkansas. On Tallmena Drive you ride the crest of Winding Stair Mountain as it climbs

to the clouds and dips through purplish valleys cradling occasional silvery blue lake.

Also included in the tour was a night spent in Arrowhead State Park located on the southern rim of enormous Lake Eufaula. After a drive across the 3,200 foot dam, a part of the master plan for the Arkansas River Basin, a lunch stop was made in the Fountainhead State Park on the northern rim of the Eufaula Lake.

Members making the foliage tour were Messrs. and Misses. Bo Montgomery, Nelson Boyle, Bill Halsey, Herman Miller, Burk Burnett, Jack Hall, George Woods, Wichita Falls; Mr. S.T. Corder, Kingston, Okla.

## Garden Club Held Thurs. Meeting

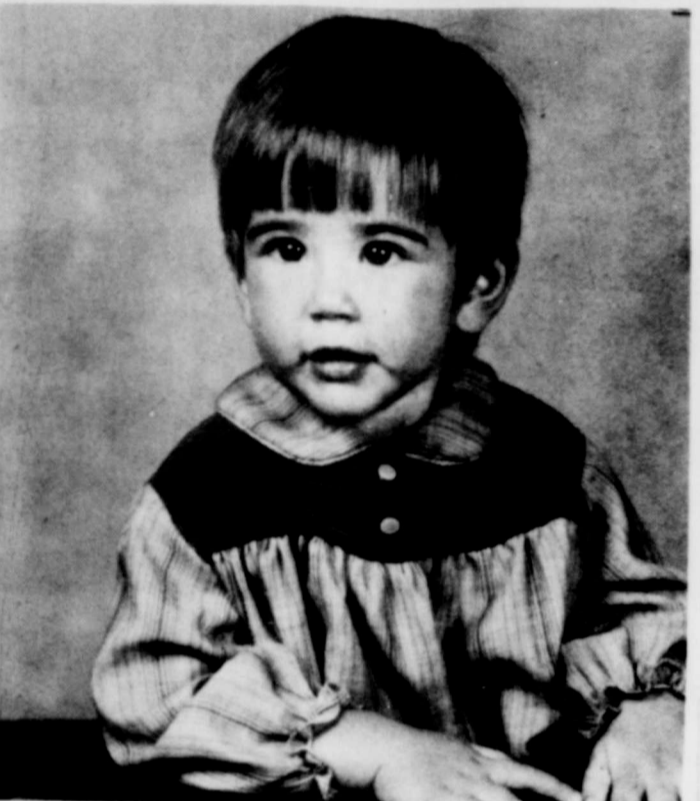

The Meadow Lane Garden Club held its monthly meeting Thursday night at the Community Center with seven members present.

The business meeting was conducted by the president, Mrs. Nancy Richter. Projects for the coming year were discussed and many interesting projects were decided upon.

A "mini" program was presented by Mrs. Katie Miller on the Frugipant tree.  
Hostess, Mrs. Betty Mills, served refreshments.

Rev. Lamoin Champ

INTRODUCING . . . .  
JULIE ANN HOLLAND, daughter of Mr. and Mrs. Mike Holland of 1008 Jan Drive, Burkburnett.  
Maternal grandmother is Mrs. Betty Stewart of Charleston, South Carolina and paternal grandparents are Mr. and Mrs. Bill Holland of Burkburnett.  
Julie is 14 1/2 months old.

# Baptist Church Revival

The First Baptist Church of Burkburnett is busy preparing for its fall revival to be held Nov. 12-19, according to Rev. Lamoin Champ, pastor.

The revival will be held by Rev. Nathan Bussey as evangelist and the music will be led by Joel Graves, minister of music at the local church.

Rev. Bussey has written two booklets: "Studies in Soul Winning" and "The Revival Plan Booklet." He has preached revivals in 13 states and has also done youth camp work in New Hampshire under the sponsorship of the New England Fellowship of Evangelicals. Rev. Bussey has recently returned from the Orient where he preached a crusade in the Fuzisawa Baptist Church, Fuzisawa City, Japan. He has also conducted city-wide crusades in Texas and Louisiana. Adding to his opportunities, he has preached at the evangelism Conference of Southern Baptist Convention and was a keynote speaker at the Oklahoma Evangelism Conference in 1970.

"We are so thankful to have the opportunity to have this wonderful evangelist to come and lead our revival," stated a spokesman for the church. The local church recently went over the 1,000 mark in residence memberships for the first time since 1962. The First Baptist Church had the largest net gain in residence memberships this last year than he had in the past nine years.

The first night of the seven day revival will be designated as every member night, while

Wednesday night (Nov. 15) will be the youth night and Saturday night (Nov. 18) will be Junior night. Lunch and a noon service will be held both Monday and Friday of that week. A nursery will be provided for all services during the revival. Services begin at 10:40 a.m. and 6:30 p.m. on Sunday. Monday through Saturday.

DOWNTOWN BURKBURNETT

# Oct. 16th Best Loser Of Week Betty Toalson

TOPS # Tx 636 held their regular meeting October 16 with 27 weighing, then going to Lee Milam's home for the meeting.

Two new members, Billie Hromas and Dorothy Wasserzieder, were welcomed into the club.

Betty Toalson was named the "Best Loser of the Week".

Zora Nieto and Dorothy Smith reported on the planning session for the 1973 TOPS State Recognition Days which will be held in Ft. Worth May 4 and 5. The theme will be "The Eyes of Texas TOPS Are On You" and colors for the affair will

be red, white, and blue. TOPS Tx 636 will be in charge of the Queen's Parade.

Plans are being made for a Christmas Bazaar to be held Saturday, December 2. Programs have been planned with Christmas gifts in mind. Last week, Jean Chaney demonstrated making pictures using "Crackle - It" and Geraldine Cook, who was in charge of this week's program, made a beautiful soap corsage. A table was set up displaying various ideas for Christmas decorations and gifts.

# Home Demo Met At Roebuck Home

The Clara Fairview Home Demonstration Club met in the home of Mrs. Jesse Roebuck. The president, Mrs. Jesse Roebuck, called the meeting to order.

The program leader, Mrs. E.J. Simons, gave a program on pie making. Mrs. Clara Palmer won the door prize.

Eight members and three guests, Mrs. Johnnie Yates, Mrs. Amy Lewis, and Miss Christi Soper, granddaughter of Mrs. Ray Stimpson, were present.

The next meeting will be in the home of Mrs. E.J. Simons. The HD agent, Joyce Smith, will be present.

# Garden Club Meeting

The Fall Meeting of District II, Texas Garden Clubs, Inc., will be held November 7-8 at Green Oaks Inn, in Ft. Worth, with Avant Gardeners as hostesses.

Registration will begin Tuesday (November 7) at 1:00 p.m. Mrs. Hubert Fleming, Dallas, will preside with a zone and council meeting at 1:30 p.m., and an executive meeting at 2:00 p.m., followed by a Board meeting at 2:30 p.m. A workshop will be conducted at 3:30 p.m. by three district chairmen: Mmes. Russell Vernon, Denton ELP; Lee Bushman, Richardson; PATE; and John Young, III, Ft. Worth, Youth Communication. The dinner program at 7:00 p.m. on "Hats in History" will be given by Mrs. Young.

Mrs. J. Elmer Weaver, Cedar Hill, teacher, writer, lecturer, will be the main speaker for Wednesday's (Nov. 8) luncheon program. Mrs. Weaver, a flower show instructor, is a National Council chairman and committeewoman. She has been active in garden club work over twenty years; has filled many district and state offices and is presently a state trustee and chairman. She is a board member of the Dallas Garden Center and was named 1968 "Garden

Club Woman of the Year". An Ikebana teacher and master flower show judge, her program will be "Sharing a Hobby".

Registration on Wednesday (November 8) will be at 9:00 a.m., followed by a general assembly meeting at 10:00 a.m., and adjournment at 3:30 p.m.

LION BERNARD BUCK, general chairman, and Debbie Bryan, club sweetheart, prepare to distribute fruit cakes to members. Lion Dean Eggen presented a film on drugs from the SAFB Library. It depicted the drug scene in the state of California. This film is also available for use by other service organizations. The board set Dec. 5 for their clubs' 50th anniversary banquet. # COUNTY AGENT NEWS

B.T. Haws  
Wichita County  
Agricultural  
Agent

The date for the Fort Worth Fat Show has been set for January 26 through February 4. The new 1973 Catalogue was mailed last week. We will have a number of 4-H and FFA members from the Wichita Falls area who will be showing animals. \*\*\*\*\*  
The early maturity of cotton in Wichita County gives pro-

ducers an opportunity to harvest early and at the same time reduce the number of boll weevils that will overwinter and attack next year's crop. The addition of 0.5 lb. methyl parathion or 0.25 lb. Guthion to phosphate type defoliants or arsenic acid will kill boll weevils present in the field and the harvest-aid chemicals will destroy the weevils' food source. Care should be taken when using methyl parathion or Guthion in combination with phosphate type defoliants since the combination may pose a greater toxicity hazard to humans than

either compound used alone. The combination of these insecticides with sodium chlorate type defoliants creates an extreme fire hazard. \*\*\*\*\*  
Start your 1973 crop now. Give careful attention to present field conditions and crop residues as these will have a big influence on your crop yields next year. A high percentage of our annual rainfall comes during the fall and winter months so it is important to begin refilling the soil's water storage capacity. Proper residue management aids this process. Some of the

deep fine-textured soils will hold two or more inches of available water per foot of depth. This deep moisture is what sustains the crop when the going gets rough next July and August. Good crop residue management requires that stubble be shredded right behind the harvester while it still has a high moisture content. Root systems should be destroyed to prevent regrowth and subsequent drain upon soil moisture. Sometimes the temptation is strong to use crop residues for grazing, baling or turning.

Think carefully before turning residues to such use! In the final analysis residues will be of greatest value when used in a sound soil management program to prevent soil erosion to improve moisture intake and storage and to enhance the fertility status. Get your land ready to take the water when it comes. An inch of moisture stored deep in the root zone this fall will go much farther toward high yields than an inch of moisture in the form of short summer showers next July or August. Remember! What doesn't

# Legion Masquerade Ball

The local American Legion members are making plans for their annual Halloween Masquerade Ball which will be held Saturday night at the American Legion Hall located on the Red River Expressway. All citizens are invited to the affair which will begin at 9:00 p.m. Special door prizes will be offered as well as prizes for the best costume. Admission to the event will be \$2.00 per person. run in runs off! And run-off carries soil and plant nutrients with it. This is a matter of much public concern today in the battle against pollution. Hold the maximum amount of water where it falls and make the excess walk to the bottom of the slope.

**News From Hickory Elm**

Convalescent Center  
The daughter of Mrs. Ella Adair presented to the Nursing Home a beautiful electric clock and initiated a Patient Cash Fund to be used for special occasions. Mrs. Bentley also planted Mrs. Adair's favorite flower, Pansies, by the front entranceway and Mrs. Matthews

baked the most delicious strawberry cake for the employees and patients. Words will not express our gratitude to Mrs. Jessie Coburn, Opal Matthews, and Jackie Bentley.

Our Wednesday afternoon parties are an immense success and this past week the patients were entertained by Mrs. Ralph White, Mr. and Mrs. Charlie Morris, and the Theta Epsilon Sorority represented by Mmes. James Spinks, Raymond W. Brammer, Clodella Bridges,

Helen Eaton, and Frankie McClurkin. \*\*\*\*\* The Thursday afternoon mid-week service was held by James C. Ezzell of the Assembly of God Church, assisted by Rev. John Hocker leading the singing and Mrs. Hocker at the piano. The Young People's Choir consisted of Carolyn King, Jimmy Ezzell, Jim Watson, Marilyn Hocker, Barbara Mathis, Nancy Ezzell, and Brenda Mathis. This afternoon's services at 5:45 p.m. will be held by the Church

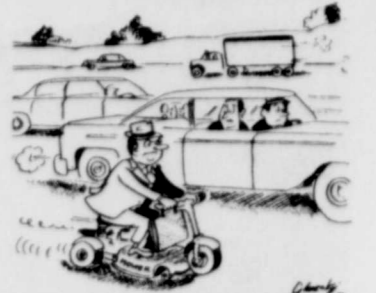

of God, Rev. J.E. Dement, pastor. \*\*\*\*\* We need a piano player for our Sunday School Class which is held at 9:30 a.m. If you are interested, please call the Administrator or contact Frank Mallory. Mrs. Hanks has been wonderful at the piano, but it does put a terrific strain on her eyes to read the music, so if you would like to participate, in this service please let us hear from you. \*\*\*\*\*

We were blessed Sunday afternoon at 3:30 p.m. by a newly formed High School Non-denominational Group sponsored by Jean White. There was singing, visiting, and gifts for each patient by the "Youth For Christ" which was represented by George Shukird, Mike Merkel, Pam Cooper, Cindy Atwood, Sue Atwood, from Wichita Falls and Becky Tate, Mike Tugman, Lori Goddard, and James Spurlock from Burkburnett.

**Honey Expected Here**

Honey Sanders, 20-year-old daughter of Barefoot Sanders has scheduled a visit to Burkburnett Monday and Tuesday. She will be at Ruth's Cafe for dinner at 6:15 p.m. An informal open house reception is being hosted by seven local women Monday evening at 7:30 p.m. at the home of Mrs. Melvin Peters, 705 Pecan.

Parents are encouraged to bring their children to meet Miss Sanders. Tuesday morning she will be at the High School from 8 a.m. to 9:15 a.m. talking and getting acquainted with the students. Everyone is invited to a coffee in her honor from 9:30 to 10:30 in the National Room of the First National Bank.

"It was all that his family left for his use today, I'll bet!"

# Orange The Color For Hunters

The best color for hunters to wear in the field is red, right? Wrong! Extensive scientific research shows that daylight fluorescent orange is the safest color for hunter to wear. Commonly known as "hunter orange", it sends a glowing signal to other hunters, but doesn't hamper the sportsman stalking a deer. A hunter's chances of bagging a deer are just as good in fluorescent or blaze orange clothing as any other color, since the skittish white-tail is color blind and will only be alarmed when it distinguishes motion, sound, or scent.

After reviewing research and literature on the subject, the Texas Medical Association endorsed the use of hunter orange clothing. The medical association urges all hunters to wear

some article of visible clothing that is fluorescent orange colored.

The eye-catching qualities of hunter orange were well-established in 1959 during a three-month color study conducted at Fort Devens, Mass., by the Massachusetts Division of Fisheries and Game, the American Optical Company and the U.S. Strategic Army Command.

Working with a test group of 300 soldiers, the research proved that fluorescent orange was the color most likely to insure safety for a deer hunter. The exhaustive tests showed that hunter orange was the only color easily detected by persons with normal vision and by those with varying degrees of color deficiency; that fluorescent orange is so completely

out of place in nature that it is both immediately apparent and most unlikely to be mistaken for any color in the natural scheme, and that the fluorescents appear most brilliant during the accident-prone hours of dawn and dusk or when heavy shadows destroy much of the available light.

The color study made a major contribution in a campaign for passage of "color" legislation in Massachusetts and starting in 1962 deer hunters were required to wear at least 200 square inches of daylight fluorescent orange while afield. Following passage of the law, Massachusetts enjoyed four straight deer seasons without a single hunter being mistaken for game or injured in the line of another hunter's fire. No previous shooting season on record in the state had been able to boast a comparable safety record.

Hunting is established as a safe sport. Nevertheless, men are mistaken for deer and are shot. Before this year's hunting season, the wise Texas hunter will be wearing a hunter orange vest, or at the very least, a cap made in the glowing bright fluorescent color.

Boombtown Lions Club program was presented last week by the Burkburnett High School Choir, under the direction of Ted James.

## 150 Out Of Town Guests To Attend Legion Convention

The annual 13th District American Legion convention will be held here Nov. 4 and 5 for some 150 out of town guests plus a large number of local Legionnaires, according to an announcement from Jim Lemley, post commander.

Noon Saturday (Nov. 4) will mark the beginning of the convention with registration being held at that time. Dinner and a cocktail hour will be held that evening with a dance starting at 9:00 p.m. Memorial services and a business meeting will be held Sunday morning.

John E. McCreary, past Dept. Commander of Texas will be the after dinner speaker. Local Mayor Irv Smith and Gary Bean, city manager, will give the welcoming address to those present.

Frank Slaven, 13th District Commander, will conduct the meeting jointly with Legion Auxiliary president Irma Stayton.

FRESHMAN CLASS OFFICERS from left to right are President David Schroeder, Vice President Laura Bloodworth, Secretary & Treasurer Cherry Balls, and Reporter Tracy Martin.

## WF Area Readers Meeting

The Wichita Falls Area Reading Association fall meeting will be held at Fain Elementary School, 1562 Norman, Wichita Falls, today at 5:30. The meeting, an exchange of teaching ideas, innovations, and techniques of individualization, will be preceded by a sack supper with drinks to be furnished by the Association. Dr. Clarence Darter will give a brief introductory talk to the group. Following this talk, the participants will break into level groups and follow the interesting topic of this meeting - Explo - 72. They will explore, expound, expose, and expand ideas developed by the teachers attending. Groups will be formed on all grade levels from Kindergarten through High School. All interested teachers are invited to attend, with registration to be from 5 to 5:15 p.m. followed by the general meeting. The sectionals will conclude at 7:30 p.m. Area teachers are especially invited to attend this meeting and exchange ideas with teachers from Wichita Falls.

STUDENT COUNCIL OFFICERS for 1972-73 from left to right are President Chris Strayhorn, Vice President Dwight Caldwell, Secretary Cindy Long, and Treasurer Sherry Key.

SHEPPARD AFB, TEXAS--BRACELET SALE--Colonel Robert G. Liotta, commander of the 3630th Flying Training Wing at Sheppard, shows Prisoner of War/Missing in Action bracelets to Airmen Daniel Birch, left, and Stan Bingle, right, at the bracelet sale Saturday at Sheppard. (OFFICIAL USAF PHOTO BY TSGT. ROBERT PAGE)

## POW/MIA Bracelets Sold

SHEPPARD AFB, TEXAS--Wichita Falls fireman Bob Hale and his raccoon drew a crowd at the Sheppard-Burk Burnett Elementary School. The Wichita Falls Fire Department and the Sheppard fire protection branch teamed up to demonstrate fire fighting equipment to the school children. Equipment included a snorkle truck from the Wichita Falls department. They demonstrated at both the Sheppard-Burk school and the Sheppard Elementary School. (OFFICIAL USAF PHOTO BY TSGT. ROBERT T. PAGE)

SHEPPARD AFB, TEXAS--The 800 Prisoner of War/Missing in Action bracelets offered for sale by the Order of Daedalus and 3630th Flying Training Wing were sold by 2 p.m. Saturday.

These bracelets from Voices in Vital America, a non-profit organization, are inscribed with names of the men who are prisoners of war or missing in action in Southeast Asia. "We have ordered 1,000 more bracelets and when they arrive, we will sponsor another bracelet sale," stated Captain David R. Lloyd, who holds membership in both sponsoring organizations.

Colonel Robert G. Liotta, commander of the 3630th Flying Training Wing, assisted with the sale.

## Sheppard AFB Promotion List Released Recently

SHEPPARD AFB, TEXAS--Three new promotion lists were released recently at Sheppard AFB, including temporary promotions to colonel and lieutenant colonel in the Medical and Dental Corps and permanent promotions to major and captain.

Lieutenant Colonel Robert W. Goodnow of the U.S. Air Force Regional Hospital at Sheppard will advance to the grade of colonel Jan. 1, 1973.

Sheppard majors who will move up to lieutenant colonel during 1973 are Majors Theodore E. Depew Jr., Jack Edwards, George Molnar, and Leonard J. Spencer of the Sheppard hospital; and Majors Ronald B. Morley, John M. Colletti Jr., John T. Cooper and Anderson Kizzile, of the School of Health Care Sciences.

Sheppardites receiving permanent grade of major are Lieutenant Colonel David L.

Michaels, Hospital; and Majors Gary H. Parker, 3630th Flying Training Wing; Keith K. Ritter, School of Applied Aerospace Sciences; George E. Weaver, 3750th Air Base Group.

Also Majors Theodore E. Depew Jr., Hospital; Jack E. McKissick, James E. McWilliams, and Fred L. Witzgall, all of the School of Health Care Sciences.

Permanent promotions to captain went to Captains William M. Bridge, William F. Butterfield, Michael T. Fagan, Richard A. Keylor, William F. Leydorf Jr., David R. Lloyd, John W. McAnespie, Stephen E. Metteer, Robert E. Muench, Jimmy L. Ray, Kenneth L. Schweitzer and Richard B. Watson, all of the 3630th Flying Training Wing.

Captains David L. Reed and Wayne L. Wallace of the School of Applied Aerospace Sciences were also listed.

# SHEPPARD AIR FORCE BASE

SHEPPARD AFB, TEXAS--ENJOYING BIVOUC BREAK--Enjoying a relaxed break during bivouac are from left, on log, medical fundamentals students Airmen Basic Gari Haines and Linda Cole, and Airman Carolyn Reese, and below, Ann. Rosemary Rolinder. The class spends the last three days of the course, which is under Sheppard's School of Health Care Sciences, on bivouac. (OFFICIAL USAF PHOTO BY TSGT. ROBERT T. PAGE)

## Sheppard AFB Med. Students Practice Disaster Preparedness At Bivouac

"I never knew Sheppard had such a thing!" is the astonished reaction Air Force instructor Technical Sergeant Stanley D. Love frequently receives when he tells someone he works at the bivouac area.

Set amid a tree and shrub-filled rolling country near the bed of the Red River, the 104-acre bivouac area at Sheppard Medical Training Annex Burk Burnett (SMTAB) is about 10 miles north of Sheppard AFB. Primarily because of the area's isolation, it is little-known except to Sheppard's medical students and others of the School of Health Care Sciences. The school's three-week medical fundamentals course concludes with three days of bivouac training.

An important factor concerning the bivouac is that it provides the eight to ten thousand students who train here each year, an opportunity to experience field conditions. It also is a welcome break from the pencil and paper of the classroom.

This disaster preparedness training points the student toward care of injured patients under field conditions. They deal with emergency situations they could actually encounter from a real disaster.

A simulated plane crash is an exercise students on bivouac must face. Involved in this "disaster" situation is an actual search for "patients", by the students who use a grid map. Although this may seem in essence hard work, because a patient can be difficult to find

in dark woods. Once the patient is found, the students have to use whatever is available to treat the victim's injuries. First aid treatment may include removing one or more patients from an insecure area near the simulated burning aircraft. It also entails sorting the victims as to the seriousness of their injuries prior to treating and evacuating them from the scene.

Bivouac training includes a demonstration by the men from Sheppard's small arms training unit, who use a carbine and an M-16 rifle. Various materials are fired on at close range to give the students an idea of the effects of high and low velocity projectile missiles on different parts of the human body. Effects of the shots are noted on blocks of gelatin, simulating human tissue; sealed aluminum cans, representing a closed cavity such as the chest and abdomen; and a steer leg bone, similar to any large bone. This exercise is to help students visualize actual treatment they may have to perform.

The living conditions of the students on bivouac are realistic, compared to actual field conditions. They sleep in large screened tents on canvas bunks. Drinking water is available in green canvas-covered containers which are strung hanging between two trees.

One of the most important aspects of bivouac, which gives the students a very real "taste" of field conditions, is the C-rations they must subsist on. Mixed reactions were perceived as the formation of students,

eagerly and not so eagerly, filed by the airman handing out the boxes of rations. One student was heard to lament, "Oh, no! Chicken noodle AGAIN!" "Although many of the airman on bivouac find reason, at one point or another, to complain about the rigorous routine or rough living conditions, very few can deny the value of the training. Even fewer will argue that their three-day experience was not a memorable one," explained Sergeant Love, one of the 14 instructor medics who train 150 students each week.

## First WAF Honor

SHEPPARD AFB, TEXAS--Airman Sandra K. Henke recently became the first woman in the Air Force (WAF) honor graduate from the Computer Technology Branch, under the Department of Comptroller Training School of Applied Aerospace Sciences, at Sheppard AFB.

She graduated first in her class in computer operations, with a final grade of 97. A native of Cincinnati, Airman Henke is currently assigned as a computer operator at Buckley Air National Guard (ANG) Base, Colo.

## Dr. David Aspy Featured Speaker For TSTA District Convention

Area teachers from 12 counties will convene in Vernon November 2-3 for the District IX Convention of Texas State Teachers Association, according to Irl Holt, Greenbelt District President.

Featured speaker at the Friday morning session will be Dr. David Aspy, Associate Dean of Teachers Education at Bishop College in Dallas.

District President Holt will open the convention Thursday with a 6:30 p.m. meeting of the 98-member House of Delegates for which Dr. Bedford Furr of Wichita Falls will serve as parliamentarian. At this time District Officers for 1973-74 will be elected, and reports from standing committees will be heard and delegates to the March State House of Delegates Meeting in Houston will be certified.

Preceding Dr. Aspy, who formerly was principal investigator of the National Consortium for Humanizing Education, teachers at the 10 a.m. general session will hear selections by the Vernon High School A Cappella Choir under the direction of Al Carnine.

Following a welcome by Host Superintendent Harold Beam, E.L. Galyean, Associate Executive Secretary, Texas State Teachers Association, will bring greetings from T.S.T.A. Luncheons will be combined with 27 sectional meetings to conclude the convention on Friday afternoon.

Other Greenbelt District officers include Mrs. Mary Porter, Wichita Falls, president-elect; Mrs. Helen Jeffries, Bowie, secretary; Mrs. Jerry Woods, Wichita Falls, treasurer.

Convening at 9 a.m. November 3, District IX Classroom Teachers Association will meet in the Western Room, Wilbarger Auditorium with Charles Sanderson, State Executive Secretary, as principal speaker.

RECEIVES CERTIFICATE--Ruel Lassater, left, is presented his Texas Commission on Law Enforcement Officer Standards and Education Certificate by Chief of Police Buck Abbott. Lassater recently received the basic certificate for having fulfilled the requirements for certification as provided for in the laws of the state. He completed 140 hours of classroom instruction covering all phases of law enforcement.

## District Convention Held For Epsilon Sigma Alpha Recently

Epsilon Sigma Alpha International held its District VI meeting at the Ramada Inn in Arlington, October 21-22. A seminar was conducted by the District VI President, Jan Repentine, Saturday afternoon with a reception afterwards.

One of the guest speakers for the business session Sunday was Mrs. Betty Tinney, State Workshop Coordinator. Her speech entitled "Getting Off The Beaten Path" was about the new ESA World Center Headquarters being built in Colorado.

The other speaker was Mrs. June Bunch, head of Green Acres in Ft. Worth, one of the District VI welfare projects for the year. Green Acres is a rehabilitation school for the State of Texas. On behalf of the school she accepted a gift and several loads of clothes donated by ESA.

Theta Epsilon, Burk Burnett Chapter won the first place award of excellence for outstanding educational program reporting in September and the Attendance Award for this District VI meeting.

The next District VI meeting will be held January 14, 1973 at the Burk Burnett Community Center with Theta Epsilon as hostess.

## Annual Flower Show Saturday

The Wichita Falls Florarama Council of Garden Clubs is presenting its Annual Flower Show Saturday from 3 p.m. to 8 p.m. and Sunday from 1 p.m. to 6 p.m. at the Barwise Junior High School Cafeteria located at 3807 Grant Street in Wichita Falls. Admission is 75¢ for adults, 35¢ for students and children under 12 years of age are admitted free.

## Twenty-six Attend Local TOPS Meeting

TOPS #Tx 636 met Monday evening, October 23, at the Central Baptist Church with 26 weighing in.

Susan Weitzel, new member, and Thelma Wilson, visitor were introduced by Dorothy Smith, leader.

Dorothy Wasserzieher was named "Best Loser of the Week".

TEXAS TOPS have been asked to make individual donations so that a foreign royalty queen might be able to attend the International Royalty Days next year. This would be someone very deserving from a foreign country who would not be able to come to the "states" otherwise.

Dorothy Smith, leader, stressed that it not only takes will power to lose weight, but a real desire from within.

Connie Waddell, who will be moving to Durant, Oklahoma, was presented a going away present from the chapter.

Several members stayed after the meeting to work on items for the Christmas Bazaar which will be held December 9.

## Mrs. McCandless Hosts 23 Club Members

The Jr. University Study Club met Oct. 12 in the home of Mrs. Reed McCandless. Twenty three members present responded to roll call with the titles of recent books they had read. Two new members, Mrs. Stanley Owens and Mrs. John Dennis were welcomed into the club.

Delicious refreshments were served members by Mrs. Ray Hatcher.

Following the nostalgic theme for the year, Mrs. Bill McCandless, a charter member, gave an interesting and colorful history of the club which was organized in October, 1946.

Members voted to cooperate with the Community Service Council on its current projects and made a donation toward the retirement of the depot project.

## Contemporary Study Club Meets In Reddy Room

The Contemporary Study Club met in the Reddy Room with Mrs. Joe Boucher as hostess and Mrs. M.D. Cheney as co-hostess.

Mrs. Edgar Fulcher, president, called the meeting to order with the club collect. Roll call was answered by giving the name of an Indian tribe. During the business session, Mrs. Boucher gave a report on the Santa Rosa District TFWC. Workshop.

## School Menu

SCHOOL MENU  
Oct. 20-Nov. 2

MONDAY - Turkey Tetrazzini, buttered peas, carrot sticks, hot rolls, butter, milk, chilled apple sauce.

TUESDAY - Hamburger, bun, onion, pickle & mustard, french fries, seasoned spinach, butter, milk, cookies.

WEDNESDAY - Corn dog, mustard & relish, tater tots, cheese wedge, green beans, bread, butter, milk, peanut butter brownies.

THURSDAY - Fried chicken, whipped potatoes, buttered peas, hot rolls, butter, milk, ice cream.

FRIDAY - NO SCHOOL.

Masses, 7:00 p.m. Saturday, 10:00 a.m. Sunday

## Guidelines of Life

by William W. Penn, First United Methodist Church

Paul's letters to Timothy were written to the seasoned leaders of the early church, and to a new minister, Timothy, who is just learning what his duties and responsibilities are. By this time the church was well organized, and the new has worn off. The congregation and minister are beginning to know something of the problems they face. By this time other groups were coming into the Christian church, bringing their old beliefs with them. The Gnostics and Marcions, as well as Jews and pseudo-Christians were presenting problems as they tried to maintain true Christian beliefs, and I am sure that by then there were strivings and jealousies among the membership. Paul exhorts Timothy, his son in the gospel, to avoid the pitfalls and to live above every sin, whether great or small, and to live a life "consecrated and useful to the master of the house, ready for any good work." (I Timothy 2:21.)

Paul's admonition to Timothy is one that every Christian can well take as a personal responsibility. What good is man unless he builds a better life and better world. The chemist tells us that the elements in the average human body are worth only a few dollars. About enough iron for a 16 penny nail, enough phosphorus for one match, enough lime to white wash home place on a baseball diamond. When Adolph Hitler was murdering Jews in the gas chambers, the Nazi tried to make soap out of their bodies, but they were not even good for that. Yes, man is of little value unless he is useful in building God's Kingdom.

Thank God, we are more than just animals. Through Christ we are son and daughters of the Living Lord. Though we are bent to sinning and naturally are lazy, by choosing God and the good, our lives can become things of value among those we live with, and in establishing the Kingdom of God upon the earth.

# FARM REVIEW

**Allen Keller Named  
1972 Steer Roper  
Champ Sunday**

Coloradan Allen Keller was named 1972 world champion steer roper Sunday at the conclusion of the 14th National Finals Steer Roping, the Rodeo Cowboys Association said.

Keller, of Olathe, set a wining record in the event of \$7,593. The 29-year-old former all American wrestler placed at five of nine steer roping contests this season, plus the Finals in Pawhuska, Okla., which ran Saturday and Sunday.

The season's top 15 steer ropers competed for \$5,500 during the contest, and Joe Snively, Sedan, Kan., was the big winner.

Snively emerged first in the "average" payoff for an overall total of \$1,098. He finished ninth for the year with \$3,999. By the sixth and last go-round the only cowboys who had a chance of beating Snively for the average payoff were Keller and Olin Young, last year's event champion from Peralta, N.M.

Young missed the steer with his first loop, and quickly threw a second. But his time of 33.8 seconds was too slow, and he finished third.

Keller, trying for a time of 13.3 seconds or less to beat Snively, "hurried too much" and missed both loops, falling out of the average payoff.

Snively's total time on six steers was 131.7 seconds. The 1972 title is Keller's first, although he has been a regular Finals qualifier in both steer roping and steer wrestling.

Clyde Vamvoras of Devol, Okla. has won \$14,466 in bareback bronc riding. Ted Smalley of Burk Burnett, Tex., has won \$9,235 in calf roping, and Kay Vamvoras of Devol, Okla., has won \$4,961 in GRA Barrel Racing.

**County  
HD Agent**

Joyce Smith,  
Wichita County Home  
Demonstration Agent

Children can be very creative - so why not let them help in the decoration of their room and in making Christmas gifts.

A child has very definite ideas and opinions about such things as his room. So by all means, let him express those ideas--about the room in which he sleeps, plays, studies, "entertains" friends and thinks about childhood problems. After all, no one knows a child's world better than a child.

At least let him have some say in the decoration scheme, she continued. For example, give him a choice between two or three well-constructed pieces of furniture.

"Let him help in color selection --children aren't afraid of color and enjoy having it around."

For a finishing touch to a child's room, add a bulletin board. It is inexpensive and provides a place where the child can proudly display drawings and art work completed in school or at home.

A bulletin board also helps convey the thought the room belongs to the child and he has had a part in designing it. Children can help with the bed-

spread and curtains too--by working at small-scale projects.

Blocks of inexpensive, firmly woven fabric are used in these projects.

Children can tie-dye, block print, stencil, spatter paint or paint numerous designs in various ways on the fabric pieces.

Fabric blocks, in turn, then can be stitched together into bedspreads, curtains, wall-hangings, or other furnishings.

In addition, such items made from the child's own designs are unique and welcome Christmas gifts.

However, since these projects do take time, the agent advised starting on them as soon as possible --to insure completion for Christmas.

There are several projects a child can do in the home to make small changes and help him feel it's his home too. 4-H home improvement projects provide suggestions and instructions for these.

Involving children in such projects encourages them to take a more active part in forming their own world.

## Early Cotton Harvest

The USDA Cotton Division Classing Office at Altus issued its first classing report of the season, showing 17,100 samples graded for the week ending Oct. 20, and a season total of 28,400 samples graded. This indicates the cotton harvest is at least two weeks earlier than any season in recent years, according to C.E. Cox, Officer in Charge at Altus. Last year this level of total classed was not reached until December 24, and two years ago not until November 13.

Texas counties this year stood at 2,600, compared with only 31 samples last year at this date, and 96 samples two years ago.

Grades on North Texas cotton classed during the week were 40 per cent White and 59 per cent Light Spotted. Predominant grades were Middling

**Farm Bureau Asks Gov't To Buy Cotton**

The Texas Farm Bureau is requesting the government to purchase cotton to relieve "critically depressed" prices for cotton.

In a telegram sent Oct. 20 to Senator John Tower, Texas Farm Bureau President J.T. (Red) Woodson said, "Texas Farm Bureau cotton producers respectfully request your personal assistance in expediting USDA purchases of cotton for current and future export sales."

The leader of the 135,000-member Texas Farm Bureau said export sales in volume are "urgently needed to relieve critically depressed prices for all grades and staples, and particularly for the shorter staples which predominate in Texas."

"Your positive response to this request," Woodson continued, "should prove extremely beneficial to Texas cotton producers and will be deeply appreciated."

Light Spotted (32) and Strict Low Middling Light Spotted (42). These two grades accounted for 28 and 27 per cent respectively. Staples were predominantly 30, 31, and 32. Twenty-eight per cent was staple 30, 35 per cent staple 31, and 24 per cent staple 32. Micronaire readings were in the 3.5 to 4.9 range on 48 per cent of the samples. Forty per cent was 5.0 to 4.2, and twelve per cent 5.3 and above.

Micronaire readings above 4.9 are generally discounted when the cotton is marketed. The unusual amount of high nuke cotton this year may be attributed to drought stress during the crucial period of fiber development, according to Cox.

Pressley readings showed fiber strength mostly in the range 75,000 to 94,000 pounds per square inch, with the average being 84 thousand pounds.

The Agricultural Marketing Service reported only a small amount of cotton went into trade channels, and most of this was delivered on contracts. A few bales have been reported sold for 200 to 300 points above government loan rates. Cottonseed was reported at \$47.00 per ton.

## Greenbug-Resistant Sorghums Released By Texas A&M Ag. Station

Two greenbug-resistant sorghum breeding stocks --TAM Bk-41 and TAM Bk-42--have been released by the Texas Agricultural Experiment Station.

The stocks are agronomically improved sources of resistance to the greenbug but are not yet suitable for commercial production.

They were developed at the **Consumption Of Meat Has Risen In The Last 30 Years**

"People today have an almost unquenchable hunger for meat and other high protein foods."

The average American consumes 634 pounds of meat a year, according to Marshall M. Miller, poultry marketing specialist with the Texas Agricultural Extension Service, Texas A&M University.

Yet, per capita food consumption as a whole is declining in the United States. In 1940, per capita consumption was 1,548 pounds of food --today it is 100 pounds less. Per capita consumption of crop products has dropped from 948 pounds in 1940 to 814 pounds today.

Most of the overall drop in consumption has come in flour, cereal, potatoes and even eggs.

Texas A&M University Agricultural Research and Extension Center at Lubbock by Dr. J.W. Johnson, sorghum breeder, and Dr. G.L. Teetes, entomologist. A grant in aid for the project was provided by the Texas Grain Sorghum Producers Board.

Johnson said TAM Bk-41 and 42 are being released to expedite development of a wide range of commercially acceptable greenbug-resistant sorghum hybrids.

"Greenhouse and field trials have shown the sorghums to be highly tolerant to greenbugs in both the seedling and adult plant stages of growth," Johnson said. "Preliminary studies indicate that insecticides would not be required to prevent greenbug damage to sorghum plants possessing the resistance found in TAM Bk-41 and TAM Bk-42."

Greenbug-resistant sorghum research was begun by Johnson in 1969. The pest was costing Texas sorghum producers an estimated 10 million dollars annually in yield losses and chemical costs.

Breeding progress has been more rapid than expected, the agronomist pointed out.

When resistant types were found, they were poor agronomically, and nothing was known about inheritance of resistance. But studies the past three years show resistance to be an incompletely dominant characteristic that can be transferred to good types.

"TAM Bk-41 and 42 are good enough agronomically that one more cross with good commercial varieties should provide excellent greenbug-resistant varieties that will need no insecticide application," Johnson said.

Commercially acceptable greenbug resistant hybrids should be available to sorghum producers in 1976, he added.

One of the reasons for this is that more housewives are returning to work and are making use of timesaving convenience foods. However, egg consumption is now back at the 1940 level--319.

"Even as per capita food consumption has declined, the rate at which we are eating animal products has risen," says Miller. Beef and veal consumption has nearly doubled (16 pounds today) while broiler consumption went from two pounds in 1940 to 37 pounds today.

The amount of turkey eaten nearly tripled in the same period and now stands at eight pounds per capita.

What are people going to eat in the future? "That's anybody's guess," contends Miller.

## Halloween Costumes Are Fire Hazards

To a child, a Halloween costume is a ball of fun--but it shouldn't turn into a ball of fire.

Clothing Specialist Roxanne Schnorr with the Texas Agricultural Extension Service of Texas A&M University reminded parents that while "trick or treating", children can be exposed to many direct sources of fire which could easily ignite a costume coverup.

Lighted pumpkins, colorful candles and open fires for roasting wieners or toasting marshmallows are examples of this hazard.

"Since most costumes are made for temporary use, inexpensive and often highly flammable materials are used in their construction," she explained.

"Because of this, the parent should read all labels on the box and garment before selecting a costume with a child," the Texas A&M University specialist continued. The fabric's flame resistance should be described in the labels--the safest stating the materials meet the Department of Commerce Standards for flammability safety.

In addition, Miss Schnorr pointed out that some flame retardants are only temporary--washing the costume will remove them. So, consider the warnings--especially if the garment is to be used again and will be washed between uses.

"Careful selection of costumes should provide a safe and happy 'trick or treat' Halloween," she concluded.

expensive and often highly flammable materials are used in their construction," she explained.

A Weekly Report Of Agri-Business News

Compiled From Sources Of The Texas Department of Agriculture  
John C. White, Commissioner

**Higher Crop Production Than 1971... Pecan Estimate Declines... Citrus Crop Now Expected Higher Than 1970... Fed Cattle Down Slightly... Fall Wheat Furnishes Limited Grazing...**

Texas farmers are again making records in crop production. Cotton, peanuts, soybeans and grain sorghum will exceed 1971 levels. The latest cotton estimate for the state is 3,900,000 bales. Last year's harvest was 2,579,000 bales. Yield this year should average 365 pounds per acre.

Grain sorghum production is set at 341,600,000 bushels with a record yield of 61 bushels per acre anticipated. Texas produces nearly half the nation's supply of grain sorghum.

Peanut production this year is estimated at 434,720,000 pounds compared with 366,795,000 pounds in 1971. Harvest is now more than 50 percent complete.

Soybean production will be 5,670,000 bushels, or about twice the production of 1971.

Corn production is not expected to be above last year. A 35,000,000 bushel crop is forecast for the state now as compared with 43,056,000 bushels in 1971.

**PECAN** production based on October 1 prospects is now forecast at 65,000,000 pounds, down from the previous estimate of 71,000,000 pounds. The 65,000,000 pound crop would be 171 percent more than the 24,000,000 pounds produced in 1971. It will be the second largest crop of record. Texas accounts for about 35 percent of the nation's total pecan production.

**CITRUS** in the state this year will exceed the 1971 production by about 15 percent, based on current conditions. The Texas citrus crop is forecast at 17,200,000 boxes.

Grapefruit production is expected to total 10,400,000 boxes, 13 percent above 1971. Early and mid-season oranges are forecast at 4,500,000 boxes, 19 percent above a year ago. Valencia oranges are forecast at 2,300,000 boxes, up 15 percent from last year.

**CATTLE** on feed being fed for slaughter in Texas total 2,091,000 head, which is 30 percent above the numbers on feed a year ago, but slightly below the 2,095,000 head on feed a month ago.

Feedlot operators intend to market 1,235,000 between now and December 31. This would be 59 percent of the number on feed and would be 30 percent more than marketed during the October 1 to December 1 period last year.

Texas continues to be number one cattle feeding state in the nation. In the major six-state feeding area--Texas, Arizona, California, Colorado, Iowa, Nebraska--there were 7,630,000 head on feed; this compared with 5,701,000 head a year ago.

**WHEAT** seeding throughout the state is more than two-thirds complete. However, only limited grazing was available. As of October 1, about 10 percent of the 1973 wheat crops showed sufficient growth to provide pasture. Last year, more than 20 percent of the crop was available for pasture.

Range and non-irrigated pasture conditions over the state was set at 77 percent normal.

**MILK** production in Texas during September was up five percent from a year ago but three percent below the previous month's production. Total production for September was 270,000,000 pounds. Milk production per cow averaged 760 pounds which is 40 pounds above a year ago.

Ben Wilkerson #11, scampers across the goal line after snatching an interception to break the 7-7 tie and win the game.

## Gunshot Wounds Responsible For Every Fatal Accident In 1971

Every hunter believes he is capable of handling his firearm properly, yet gunshot wounds were responsible for every one of the fatal hunting accidents in Texas in 1971.

"There is no excuse for carelessness in gun handling," said Lloyd Palmer, General Manager, Texas Safety Association. "Hunting accidents due to firearms can be virtually eliminated if every gunner will acquaint himself with the fundamentals of gun handling and practice these fundamentals consistently."

These are ten of the handling

safety rules recommended by the Texas Safety Association:

1. Treat every gun as though it were loaded and ready to shoot.
2. Guns carried into the home or camp should always be unloaded, taken down, or have the actions open.
3. Be sure that the barrel and action are clear of obstructions.
4. Carry your gun so that you can control the direction of the muzzle at all times--even if you stumble. Keep the safety on until you are ready to shoot.
5. Don't pull the trigger

until you are sure of your target.

6. Never point a gun at anything you don't want to shoot.
7. A gun should be unloaded when it is not being used--guns and ammunition should be stored safely beyond reach of children and careless adults.
8. Never climb a tree or fence with a loaded gun.
9. Never shoot at a flat, hard surface, or the surface of water.
10. Do not drink alcoholic beverages of any type when handling firearms.

Along with these fundamentals use common sense in the field. Always be sure of your target before pulling the trigger. Examine your safety frequently; sudden jars and brushing against twigs or brush can release the safety catch without you knowing it. When you are in the woods or close cover wear some article of bright color. NEVER shoot at a sound, to do so is an act of foolish irresponsibility. Don't take chances.

A good hunter knows his responsibilities and filling these responsibilities is the most important thing about hunting. Insist that your fellow hunters follow the safety rules too. Even a near accident can ruin the pleasure of a day's hunt.

## Bulldogs Take Lions 14-7

by Sedelta Verble  
The Harris poll predicted a toss-up when the powerful tied-for-district Bulldogs took on the high ranked Vernon Lions but as rain soaked 'Dogs fans can testify, Burk toppled Vernon 14-7 Friday night.

Defense was the name of the game as foul fumble footed weather dictated mistakes for both teams.

The 'Dogs knocked on the Vernon door several times but were unable to run one in until late in the first quarter.

Zac Henderson put the 'Dogs on the board in the first quarter with a 20-yard run and captured the first interception of the game and set the pace for the things to come. Vernon QB

Ed Pruitt impressed the exceptionally large crowd with his passing which tied the 'Dogs and Lions 7-7 but Hancock foiled Lion attempts to break the tie as he batted down a Pruitt pass to the end zone in fourth down play.

Second half found the Bulldogs again on the defense ending with a scoreless third quarter. All the while the 'Dog offense headed by QB Sam Hancock was crashing against a strong Vernon line. Mark Bulla, Henderson and Koulovatos dazzled the fans with amazing catches and helped gain first downs and even though the 'Dogs pulled within pay dirt five times, the tie stood.

Ricky Barrett attempted field goals in two of those five attempts but failed to meet the distance needed in the rainy weather. Ted Neible recovered a fumble at the Vernon 15, but once again the rain spoiled Burk chances as Alex Koulovatos was unable to hold the ball on an end zone pass.

Rick Bradley, and Alan Fournier helped the 'Dogs continue the cold defensive war until out the dark night Ben Wilkerson snatched the second interception of the game and literally flying to the endzone late in the fourth quarter. The interception pulled the excited Burk fans to their feet and the Bulldogs to a 14-7 lead. Ecstasy ran rampant in the stands and

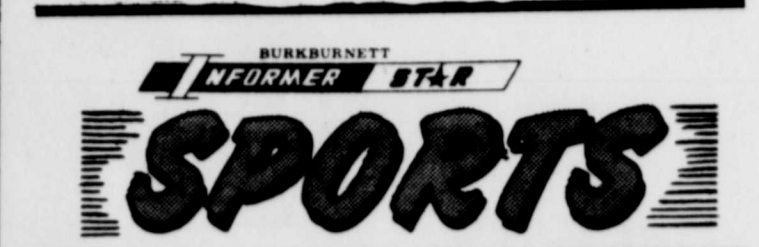

on the field, but the Lions were still dangerous with over a minute left to score. Rick Bradley finished off the wounded Lions, intercepting a Pruitt pass, the third for Burk.

All in all the grueling battle was a defensive one with the determined 'Dog offense firing up and fumbles, recoveries and interceptions during the long wet night.

Zac Henderson, #23, picks up much needed first down in a crucial third period for the 'Dogs.

## Rockets Win The Century Division Championship

In a very tough game which decided the Century Division Championship the Rockets came out on the winning end. The Rockets scored first, then the Oilers Tommy Darland, behind some very fine blocking, ran 67 yards and a touchdown. The Rockets scored again and the half ended with the score 12-6. The second half saw the Oilers defensive unit rise to the occasion and keep the Rockets

from moving the ball for the entire second half. The Oiler offensive unit went to work and Tommy Darland went 40 yards for another Oiler score. Jeff Baber then threw to Tony Young for a two point conversion. The score was 14-12 Oilers. This was the score until less than two minutes to go. On a fourth down play the snap from center deep in Oiler Territory could not be handled by the Oiler back and a fumble was recovered by the Rockets in the Oiler end zone. The extra point was good and the game ended with the Rockets winning 20-14.

The Oiler coaches wish the Rockets the best of luck and hope that they represent our division in the Toy Bowl, and come out with the championship.

The Oilers next game is against the Longhorns at Kiwanis Park. This is the Oilers last game of the season.

## Rowdies Defeat BHS 15-0

by Sedelta Verble  
Battling two foes, the rain and the Wichita Falls Rowdies, the BHS Junior Varsity was defeated 15-0 Saturday in Memorial Stadium.

The strong Burk defense held the Rowdies scoreless until the third quarter, when WF tallied a safety, a TD and a kick-off return into the fourth during a rain-soaked slippery afternoon.

## W.F. Frosh Take Burk Frosh 26-8

by Sedelta Verble  
Using a strong running attack the Wichita Falls Froshman defeated the Burk Freshman 26-8. The 'Dogs were not without their moments though as Randy Burk launched a 60-yard pass captured by Mike Shallenberger to put the 'Dogs on the board. Outstanding players for the Bulldogs were Glen Varner, Mark Langenback, Randy Burk and Mark Milam.

The Burk Freshman take on the Vernon Frosh next Thursday here at 6:00.

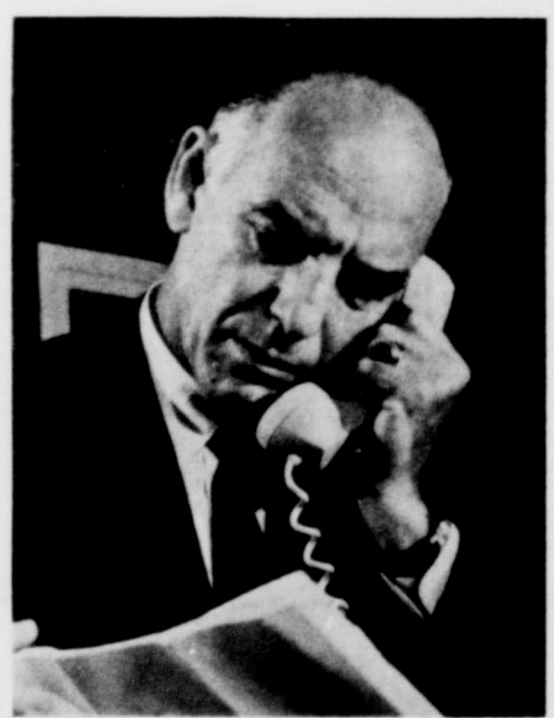

It's a struggle, as Mark Bulla, #29, clutches the pigskin and Lion #77 lands first to wrestle the Bulldog down.

\*\*\*\*\*  
GOOD LUCK 'DOGS

Frank Gibson, Chairman

## Burk Shutout Victory 26-0

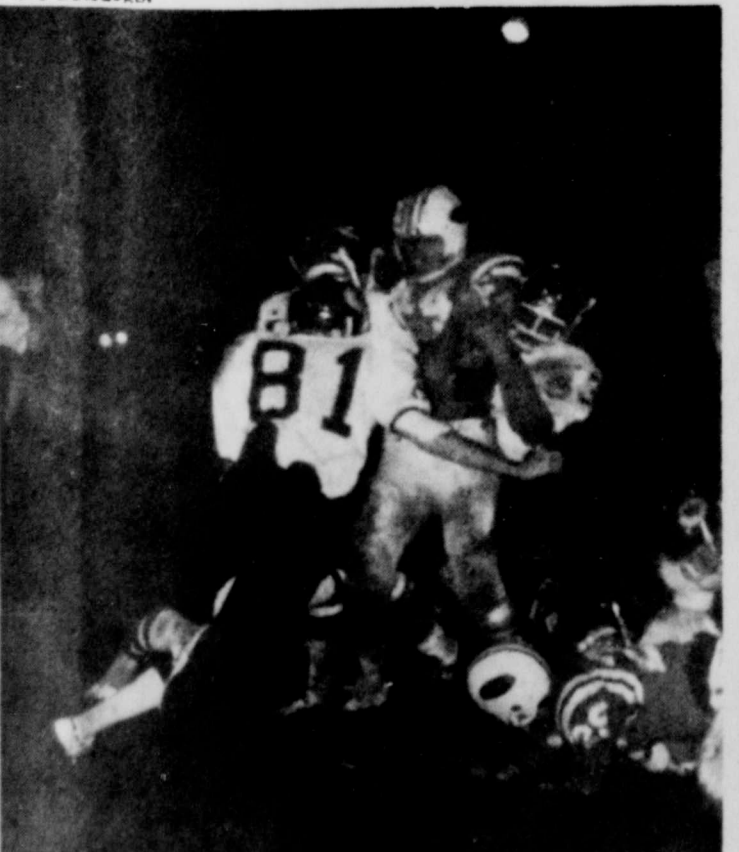

by Sedelta Verble  
Junior Cox was his usual self last week, battling for the Bulldog 8th grade and leading them to a 26-0 victory over City View 8th. Jimmy Edwards, Harold Rich, Mike Doyle, Chris Neible, Keith Doland, Mark Tory and Simon Zavala were outstanding players for the eighth grade last week.

## Double Goose Eggs

by Sedelta Verble  
The Burk seventh grade tied Lawton McArthur with double goose eggs in a strictly defensive game. Bill Patty, Steve Steward, and Herbert Wall did an outstanding job for Burk. Graham is the next contest for the Bulldogs.

The Referee watches closely as Sam Hancock #17, plunges through Lion land for vital yardage, while in the corner #73 busts up Lion defenders to make way for 'Dog offense.

Rick Bradley, #44, is still standing as three Lion defenders try to pull him down and stop the powerful Dog offensive machine.

## Accent On Health

They're here--those crisp, cool days which mean only one thing to almost a million people in Texas: it's hunting season. Dove season brought a gleam to the eyes of hunters, but it is November which puts that extra bounce in their step, sends them into the hills and valleys and into marshes and timbered country for deer, javelina, duck, geese, quail and turkey.

Previews of the season have already been obtained by bow hunters, who took advantage of the special archery season which began in October.

In addition to the hunting season, most real fishermen are keeping their gear in shape for the excellent fishing which continues through the fall and winter in Texas.

What you have in Texas now in addition to the exhilarating thrill of being out in the open hunting, camping and fishing is the chance for accidents. Good health and hunting safety go together, says the Texas State Department of Health.

While most hunters look on themselves as Daniel Boones, far too many should never leave their television sets and comfortable arm chairs. They are the people who are out of shape, out of practice in handling their rifles and shotguns, and out of touch with good safety habits.

Safety in the field is a vital part of any hunting trip, and it takes some thought and planning to make sure that your trip doesn't end in tragedy. How many people do you know who carry loaded guns in their cars, climb into their deer blinds with guns loaded . . . walk around with the safety of their rifles or shotguns off and a shell in the chamber . . . point their weapons at others . . . bring their loaded guns into the campfire.

Caution is something which all persons should exercise throughout every day of the year, but extra precautions a-

gainst injury -- and perhaps death--should be taken when you're outside of your natural element.

Safety authorities strongly recommend the use of blaze orange clothing as a safeguard against becoming a statistic. Too many hunters are mistaken for game by over-anxious, careless hunters.

You can follow the following safety rules:  
When handling and demonstrating a gun, treat it as if it were loaded. Keep the muzzle pointed in a safe direction. Remove the clip if there is one. Open the action and leave it open.

If you're practicing with an empty gun, be sure it is actually empty. Check every gun you pick up. Even with empty guns, aim at a safe backstop.

When cleaning a firearm, the same safe handling rules apply. Keep others away when you're cleaning a gun.

In transporting guns, break them down whenever possible. Keep guns in a case or securely wrapped. Carry all ammunition separately. Always transport guns unloaded.

In practicing, know the potential of your gun. Make sure you have an adequate backstop. Keep the firing line and shooting area restricted.

Always store guns out of reach of children, unloaded and uncocked. Store ammunition separate from firearms and also out of sight.

Keep the gun safety on until ready to shoot.

Agree beforehand on the area each hunter will cover.

Unload gun before crossing a fence and pass gun under first. Never climb into a stand, tree or over obstacles with a loaded gun.

When duck hunting from a boat, two hunters should face in opposite directions. Never lay a loaded gun in the boat.

Fall is a wonderful time of the year in Texas. And you can make it a productive one and a happy one by thinking safety--first, last and foremost.

Have you ever dreamed about having one of those all-porcelain Super Modern bathrooms -- with built-ins and rounded edges and a drain in the floor so you could hose it down, ceiling, walls and all, every time the kids finish with it?

Well of course you don't have such a bathroom yet but you do have kids and they'll never change. So you have soggy towels, melting soap bars, greasy greasy streaks on the walls, floor and sink, toys in the bottom of the bathtub, etc. etc. Not exactly the scene for a lovely, luxurious bath when it's your turn.

Weekly Health Tip  
from Joe Gillespie

Varicose veins may be retarded by avoiding prolonged standing. A moderate amount of walking should be helpful, as the muscular contractions help to move blood thru the veins. Rest the legs periodically by lying down and elevating the legs. Wearing of elastic hose to support the veins is recommended.

**CARDS OF THANKS**  
CARD OF THANKS  
In behalf of Mr. Fowler (Buddie) we wish to thank our pastor, church, family and friends for their prayers and concern for him during his recent stay in the hospital. He has returned to the Wood Convalescent Center in Wichita Falls and we covet your continued prayers.  
May God bless each of you is our prayer.  
Buddie & Thelma Fowler

**CARDS OF THANKS**  
I am sincerely grateful to my friends and neighbors for their prayers, cards, visits and flowers during my recent stay in the hospital.  
My appreciation cannot be adequately expressed.  
J. L. (Roy) Mitchell

**CARDS OF THANKS**  
We would like to take this opportunity to sincerely thank all the friends who were so kind and considerate during the recent loss of our loved one. We are grateful for the flowers, food, prayers and many acts of kindness shown. A special thanks to Rev. Lamoin Champ and Rev. Wayne Glazener for their visits, prayers and wonderful words of comfort.  
May God bless each and everyone of you.  
The Paul Fields Family
