

BURKBURNETT

INFORMER STAR

MORE THAN A NEWSPAPER . . . A WICHITA COUNTY LEGEND SINCE 1908 . . .

VOLUME 65 BURKBURNETT, WICHITA COUNTY, TEXAS 76354 THURSDAY, FEBRUARY 1st, 1973 NUMBER 22

Editor's Viewpoint

MONTE WILLIAMS

This Saturday night's Chamber banquet should be a dandy. Chamber officers, directors, and members have been working quite hard preparing for the expected large crowd. I don't know the exact number of tickets sold but from what I do understand, already more tickets have been sold than for any banquet in the past.

I do know that the chamber is shooting for 500 attendants and it looks as though it will be pretty close to that number.

If you haven't made plans yet, do so. It's going to be an enjoyable event.

Last week's Bloodmobile visit was a success but it could have been even more successful. Sixty-four pints of blood were donated and several persons were recorded as being multiple gallon donors. If you can, spare a pint on the next bloodmobile visit. One day you might need to borrow it back.

The Burk Bulldogs are really rolling along in basketball. The 'Dogs are a well rounded ball club and produce plenty of hustle. Back 'em whenever you can. Good support can do wonders for any ball club.

Last Thursday night, a few of the local guys got together for a round of basketball at the Junior High Gym and I appreciate the fact that they invited me.

Bob Carpenter, Mickey Cornelius, Gary Owen, Jim Phillips, Stan Owen, Cecil McCoy, Ben Martin, Jim Stanley, Randy Clement, Joe Nemecek and myself played several games to the count of 20 in an effort to express our physical shape.

You can believe that mine was expressed more than enough at the end of the first game.

We didn't do half bad for a group of old men, though. I myself, shot right around 6% from the field and made 7 unassisted tackles.

CHAMBER BANQUET SLATED FOR SATURDAY NIGHT

The 1973 Burk Burnett Chamber of Commerce Banquet will be held this Saturday night at 7:00 P.M. in the Burk Burnett Community Center located on Davey Drive and Kramer Road.

Long hours of planning and hardwork have been put together by the Burk Chamber officers, directors and members to make this banquet the most enjoyable

and largest ever held in Burk Burnett.

If you haven't purchased your chamber banquet tickets yet, there is still plenty of time. Tickets will be on sale at the door and everyone is welcome. Come along and bring a friend to the best Chamber of Commerce Banquet ever in Burk Burnett. Tickets, costing \$2.50 each,

can be purchased also at the following locations: First National Bank, Burk Burnett Bank, Corner Drug Store, First Savings and Loan Assn., Texas Electric Service Co., Lone Star Gas Co., The Chamber of Commerce office or from any officer or director of the Chamber.

New officers for 1973 will be

installed at the Banquet. They are Lester Yates, President; J.B. Riley, Jr., Vice-President; Dale Lewis, 2nd Vice-President; Dick Johnston, Treasurer; and Mickey Cornelius, Assistant Treasurer.

New Directors for 1973 will include Clark Gresham, Vernon Duncan, Mickey Cornelius, Weldon Nix and Bill Darland.

And of course Special Awards will be given to the outstanding man, outstanding woman, and outstanding employee during the banquet activities.

This year, no long tables will be set for the banquet but individual tables of 8 will be available. These tables may be reserved for those wishing to treat special customers, friends or employees to the banquet. Of course, individuals or couples will be welcome to sit at any of the non-reserved tables.

One of the most talked about items on the Banquet program will be a change from the usual after-dinner speaker type program to a program of music presented by our own local talent. The program will consist of a variety of local acts for the enjoyment of banquet attendants.

One of the acts will consist of Little Janet Lax, 12-year-old daughter of Mr. and Mrs. Wayne Lax of 619 Oak Street. She is a 7th grade student at Burk Burnett Jr. High. She will perform a variety of popular songs.

One of the largest and most exciting places she has performed, according to Janet, was for the Texas Municipal League Convention in the Tarrant County Convention Center in Fort Worth, before several thousands of people. In addition to this, she has provided entertainment for numerous parties throughout Texas. She was also crowned Wichita Falls, Our Little Miss in 1968.

Another will be Mrs. Annie Bell Harris, who has been an active leader of the Providence Baptist Church Choir for a number of years. She will present a selection of spiritual songs. Mrs. Harris has performed for numerous civic organizations in Burk Burnett as well as a large number of the special church activities held in the community throughout the year. She will be accompanied by Linda Nelson on the piano and the Providence Baptist Church Jr. Choir.

For even further enjoyment there will be a Country & Western Comedy Show, headed by Country & Western show artist, Bozo Darnell, who now resides in Burk Burnett. This promises to be a very humorous and entertaining portion of the program.

Darnell will be joined by Pat Patterson and Fred Hayes, also both local men. This group has performed for several local organizations, but, Darnell's singing, playing and comedy skills go much further back.

Darnell worked off the Grand Ole Opry for some eight years. During that time he wrote and recorded, "Your Steppin' Stone" was also recorded by several other artists and the combined sales of the artists went over the four million mark, making it the number one country and western record during 1965. Darnell has played with such stars as Ray Price, Ernest Tubb, George Jones and numerous others in the country and western field.

The 1973 Chamber of Commerce Banquet in Burk Burnett promises nothing more than good food, plenty of good entertainment, and fellowship for all. If you haven't made plans to attend, do so as soon as possible and be with your Chamber of Commerce Saturday night, February 3rd, 7:00 p.m. in the Burk Burnett Community Center.

Gene Stallings

Stallings Announced As Sports Banquet Speaker

The Burk Burnett Booster Club announced today the speaker for the upcoming all-Sports Banquet on March 2nd. The speaker will be Gene Stallings, Defensive Backfield coach of the Cowboys.

Gene is the latest addition to the Cowboys' on-field coaching staff taking over defensive backfield responsibilities after seven seasons as head coach at Texas A&M.

The 37-year-old Stallings grew up in Paris, Texas and was an All-Southwest Conference end at Texas A&M. He was tri-captain of Bear Bryants undefeated 1956 team.

Gene served one season as a

student assistant at A&M, then moved with Bryant to Alabama where he was assistant head coach before returning to his Alma mater in 1965.

Gene and his wife Ruth Ann have four daughters and one son.

The banquet will be held in the Civic Center in Burk Burnett and all yearly sports awards will be awarded to outstanding athletes in the Burk School System.

The public is cordially invited to attend this banquet, honoring Burk Burnett athletes. Tickets will go on sale in the near future.

Al Lohofener Installed As New Senior Citizen President

More than 70 senior citizens of Burk Burnett were present last Thursday noon for the installation of new officers of the organization. The officer installation ceremonies were held in the Burk Burnett Civic Center during the regular monthly meeting of the senior citizens.

Al Lohofener, a long-time resident of Burk Burnett was installed as new president of the Burk Senior Citizens. Mr. Lohofener is a former mayor and postmaster of Burk Burnett and is very active in civic and church activities. He is a member of the Burk Chamber of Commerce and a member of the board of Burk Burnett's United Methodist Church since 1927.

Other new officers installed by the Rev. John White, pastor of the First Christian Church include W.R. "Ray" Stimpson, vice-president; Mr. R. W. Henry, corresponding secretary; Mrs. S.E. Askins, recording secretary; and Henry

Hall, treasurer.

President Lohofener stated, "It is a real honor to be president of such a fine group of people. I hope to provide a fruitful year during 1973."

Mr. Lohofener also said that the primary goal of the senior citizens in 1973 is to enlist as many elderly people into the club as possible and build up membership. He said, "We are also in the progress of obtaining a new building for the use of our organization. We hope to install crafts such as painting, woodwork, and any other thing we can get into the facility."

The newly installed president told the group of senior citizens that a building from Sheppard AFB has been donated to the club and will be available in March or April of this year. The building will be located on East Fifth across the alley from the Burk Burnett Library.

"It will be a day of celebration when we get a new home. It will give us a real

feeling of independence," stated Lohofener.

Outgoing officers of the club include Mrs. Florence Trevena, president; Henry Hall, vice-president; C.T. Magill, recording secretary; Mrs. Toinette Weaver, corresponding secretary, and Mrs. Charles Boyd, treasurer.

Mrs. Trevena was presented a gift on behalf of the club for her dedicated service to the organization. Mrs. Trevena expressed her appreciation to the Club and outgoing officers for their cooperation during the year.

Rev. John White pointed out to the club that it served a need in the community and that it was a wonderful gift that persons like them could contribute to others in the community through the club.

Several reports were made during the meeting and president Lohofener made several committee appointments before adjournment.

WARNING - To Residents

Local Texas Electric Service Company manager Bill Vincent warned local residents Tuesday of reports of men claiming to be TESCO employees offering to check the wiring of a homeowner.

Two cases were reported this past week where men claiming to be from the "electric company" contacted local homeowners about checking for a short or some other electrical problem.

Vincent pointed out that TESCO does not send people to canvas the town or the rural areas. "Our responsibility goes only to the meter. As far as the inside wiring, that is the responsibility of the people who own the home."

The City code does not permit TESCO to do any wiring inside the home. It is recommended that the owner seek a competent electrician if repairs are needed.

Residents should ask for a TESCO identification card if a person or persons should come to their home saying that they represent the electric company.

Readers Hotline

Dear Hotline,

I have a question for you. As a newcomer to Burk Burnett, we appreciate the friendly community and are beginning to feel at home here.

One thing, however, causes me concern and that is the flushing out of milk trucks in the downtown area causing milky water to run down the curbs not only in that area but also around the Post Office where everyone checking their morning mail either has to jump over or wade through. It seems to me this sort of thing should not be allowed, considering everyone's concern for pollution. Is there anything being done about this?

ANSWER

The Reader's Hotline contacted Buddy Preston, owner of Preston Dairy and directed the question to him. Mr. Preston stated that a new milk plant has been built and that Preston Dairy will move into the new plant in approximately one month. This move will completely eliminate the problem relating to the above question.

NEWLY ELECTED OFFICERS of the Burk Burnett Senior Citizens (L to R): Al Lohofener, President; Henry Hall, Treasurer; Mrs. S.E. Askins, Secretary; and Mrs. R.H. Henry, Corresponding Secretary. Vice President Ray Stimpson is not pictured.

District Conference To Be Held In Burk

District and local officials of the 13th school district met in the home of Mrs. Pat Norris last Monday morning to initiate planning for the Texas Congress of Parents and Teachers Conference to be held in Burk Burnett's Civic Center on April 26th and 27th. The 13th district conference will mark the 45th annual meeting of the organization.

Though planning is now underway, final plans will not be completed until sometime in the near future.

Bozo Darnell

Obituaries

Vera Ellis

Vera Ellis died recently in Evergreen Manor Nursing Home. She was 72 years old.

Funeral services were held at the Central Baptist Church with the Rev. Max Dowling, pastor officiating. Burial was in the Burk Burnett Cemetery under the direction of Owens & Brumley Funeral Home.

She was born June 1, 1900 in Gainesville, Texas. A long-time resident of the Devol and Randlett community, she moved to Burk Burnett in 1955.

She is survived by two sons, Sam Ellis, Jr. of Burk Burnett and Wendell Ellis of Kingfisher, Okla.; one daughter, Mrs. Mildred Lamb of Sparks, Oklahoma; three brothers, four sisters, ten grandchildren and nine great-grandchildren.

John D. Cook

Services were held Wednesday afternoon in First Baptist Church for John D. Cook, 72, a retired Civil Service worker and long-time resident of Burk Burnett who died early Monday in a nursing home here.

The Rev. Lamoin Champ, pastor, officiated. Burial was in Burk Burnett Cemetery under the direction of Owens & Brumley Funeral Home.

A native of Gainesville, Tex., Cook had lived in Burk Burnett since boyhood and formerly was employed at Sheppard AFB. He was a member of First Baptist Church.

Survivors include his wife, Emma; a son, Jerry of Houston; two brothers, Herbert of Burk Burnett and Erice of Seagraves, Texas; four sisters, including Mrs. W.F. Palmer of Wichita Falls and five grandchildren.

New Directories To Be Delivered This Week

Delivery of the 1973 Burk Burnett and Wichita Falls Telephone Directories will begin this week, announced C. A. Deuschle, manager for Southwestern Bell.

The colorful cover features the towering steel derricks of a Texas oil field, a sight Burk Burnett residents are very familiar with. Texas oil wells produce 35.5% of the nation's oil and gas.

Since Lyne T. Barrett drilled the first well at Melrose in 1866, oil fields have become a part of every Texan's heritage.

On January 10, 1901, the Spindletop well, near Beaumont, made Texas petroleum history. The great gusher produced 94% of the states oil in 1902 and oil prices dropped to an all-time low of 3¢ a barrel.

Many Burk Burnett citizens remember the opening of the Burk Burnett Oil Field in 1918, just eight years after a water-well drilling outfit on the W.T. Waggoner Ranch in Wichita Co. hit oil. Since 1910 Wichita County oil wells have produced 675 million barrels of oil.

The new directory contains 3,740 alphabetical listings and 48 pages of classified or "yellow page" listings, as well as listings for Devol and Randlett customers.

Deuschle encouraged Burk Burnett telephone users to use the new directory to find unknown numbers.

"Looking up numbers in the directory is faster than dialing directory assistance and it helps us keep down operating costs," he pointed out.

"Many people abuse the directory assistance service," Deuschle said. "Instead of using the directory, they call directory assistance for numbers that are correctly listed in the book."

"We are trying to discourage this habit before the expense gets out of hand," he added.

The new directory should make the 67,010 telephones in Wichita Falls more accessible to telephone users.

Deuschle recommended that telephone users read the call guide at the front of the directory to gain the utmost benefit from their telephone and the directory.

MR. F. C. ROYE of 510 W. 3rd Street, Burk Burnett, was the first to hit the table last Thursday when the Red Cross Bloodmobile visited Burk. Mr. Roye recorded his second gallon of blood donated to the bloodmobile here in Burk but stated that he had given on several other occasions for emergencies. The friendliness and concern of the Red Cross Nurses makes donating blood a pleasurable experience.

Bloodmobile Has Successful Day

by Mrs. Alvin Hill

Despite the bad weather last Thursday, the Bloodmobile was successful due to the faithful work of so many volunteers. The Current Literature Club and the Sr. Citizens Club were the hostess clubs. There were 64 donors.

I wish to express my sincere appreciation to the volunteers: Mesdames Irv Smith, Evelyn Smith, Ralph White, George Counter, P.A. Carpenter, Her-tis Baber, B.L. Turner, John Hattaway, Seth Brown, Earl Brown, E. E. Roderick, Roy Majors, Leo Foster, Fred Hunt, J.S. Vanderburg, H.R. Jeffers, Jack Robinson, Marjorie Metzys, Mae Weltorn, Dale Mortland, Reid McCandless, Betty Walker, Lena Houser, Bob Carter, Bill Morse, Ralph Story, Wes Beard, Buddy Preston, Ed Skelton and Joe Gillespie.

The Volunteer nurses were: Mesdames Lela Mallett, LVN; Estelle Ellis, RN; Fannie Baker, LVN; Pat Kraff, RN; Letha Moore, RN; Flora Pittard, RN; and Dorothy Hinote, RN.

Special congratulations go to the multiple gallon donors: Mrs. Don Holtzyen, 2 gallons, Mr. Jack Reed, 2 gallons, Mr. Frank Mallory, 2 gallons, Mrs. Alvin Hill, 2 gallons; Mr. Joseph Wooten, 3 gallons, Mr. John Brown, 3 gallons and Mr. Francis Beavers, 4 gallons.

We appreciate the publicity we received in the Burk Burnett Informer/Star, from radio station K.T.R.N. and television station channel 3.

Midget Football Plans Made

The Midget Football Board met in the Reddy Room at Texas Electric for discussions of various plans for the coming year.

The newly elected officers that attended were: President, Bill Pittard; secretary-treasurer, Barbara Myers; Ways and Means, Sandra Wise; Publicity Chairman, Betty Sanders. Other new officers unable to attend were vice-president, Lonnie Padron; parks chairman, De Wayne McKinnis.

Also present at the meeting were Coaches Glenn Drake, Jim Sullivan, Dan Fields, Bob Gant, and Hubert Smith.

One of the items on the agenda was the possibility of sponsoring a basketball tournament for fund raising. More information concerning this will be given at a later date.

All eyes point to the imminent return of Jesus Christ. He is coming personally and visibly. His return will be sudden and unexpected. He will come in glory to bring judgment to those who are not ready for his coming. The most important question is:

ARE YOU READY?

You are ready only if you are in God's FAMILY and if you are FAITHFULLY growing and producing FRUIT in His Kingdom's work.

We preach Christ-His virgin birth, sinless life, substitutionary death, triumphant resurrection, glorious ascension and imminent return.

ARE YOU READY?

LET US HELP YOU MAKE PREPARATION

Welcomed To New Clubbers Cub Pack 155

Cub Scout Pack 155 held its monthly meeting in the Methodist Church Fellowship Hall Tuesday, January 23rd with Bobbie Gant presiding over the meeting in the absence of Cub Master Lonnie Padron.

Stephan Clark, Brent Hoskins, Thomas Phillips and Tony Young were introduced as new clubbers.

Den 2 presented a skit entitled "Hobo's and Music Makers." The boys made instruments and dressed as Hobo's.

The Webelos boys were busy during the months of December and January working on the Outdoorsman Award. Those receiving the Achievement Award were Charles Rooney, Eddie Gant, Wesley Hutchinson, Perry Thomas and Sharon Guthrie. Eddie Gant also received the Scholar and Charles Rooney the Citizenship Award.

Glen Sutton received the Webelos scarf and slide after crossing the bridge over into the Webelos den. Kevin Kiene and Robert Hogan received the Wolf Badge. Mickey Padron, Mike Holbrook and Glen Sutton received the Bear Badge. Those receiving Arrow Points were Sutton and David Lawrence.

Den 4 closed the meeting with "What Is Happiness?"

The pack extends a welcome to anyone who wishes to visit and join in the scouting program. The pack is also looking for more leaders. For information about Cub Scouting in Pack 155, you may call 569-0348 or 569-1050.

Thom Bloodworth Named To Fall Pres. Honor Roll

Thom Bloodworth, son of Mrs. Fernie Bloodworth, 806 Easy Street, has been named to the President's Honor Roll at Phillips University for the fall semester, according to Dr. Norman E. Jacobs, acting university president.

Only 59 students on the Phillips campus qualified for the President's list by maintaining a straight "A" overall average for the semester's studies. Another 98 were named to the Dean's Honor Roll by achieving at least a 3.6 grade point average for the semester.

"Being named to the President's Honor Roll is one of the highest academic honors available to college students," Dr. Jacobs said.

Phillips University is a four-year liberal arts institution supported by the Christian Church (Disciples of Christ). Bloodworth is a sophomore majoring in political science and pre-law.

Study Club To Participate In Tree Planting Project

The Contemporary Study Club is participating in a tree planting project. They have ordered 250 trees in a "Wildlife Bundle". This will consist of 50 species each of Autumn Olive, Red Cedar, Mulberry, Black Locust and Multiflora Rose. These trees will provide food and shelter for wildlife.

Mrs. Chomer Lewis, Scout Ranger at Perkins Scout Reservation where the trees will be planted has designated an area to be used. Boy Scouts from Troop 155 will be responsible for the actual planting of the trees under the direction of their Scout Master Roger Rooney and Assistant Scout Master Frank Miller. These boys are working on conservation and forestry merit badges.

The Burkburnett Lions Club was entertained at their weekly meeting Tuesday, Jan. 16 by the Brotherhood of Honor Campers, an organization of the North Texas Boy Scout Council. This entertainment group is known as "Order of the Arrow Dance Team" and performed vivid Indian ceremonial dances in full bright colored Indian regalia.

Mrs. Bryant Hosts Cooper HD Club

Cooper Home Demonstration Club held its first meeting of 1973 in the home of Mrs. Bee Bryant, club president. She recited the club prayer.

Roll call was conducted by Mrs. Sam Spencer and each member answered by telling "an absent minded stunt I've done".

Minutes of the last meeting were read and new projects were discussed.

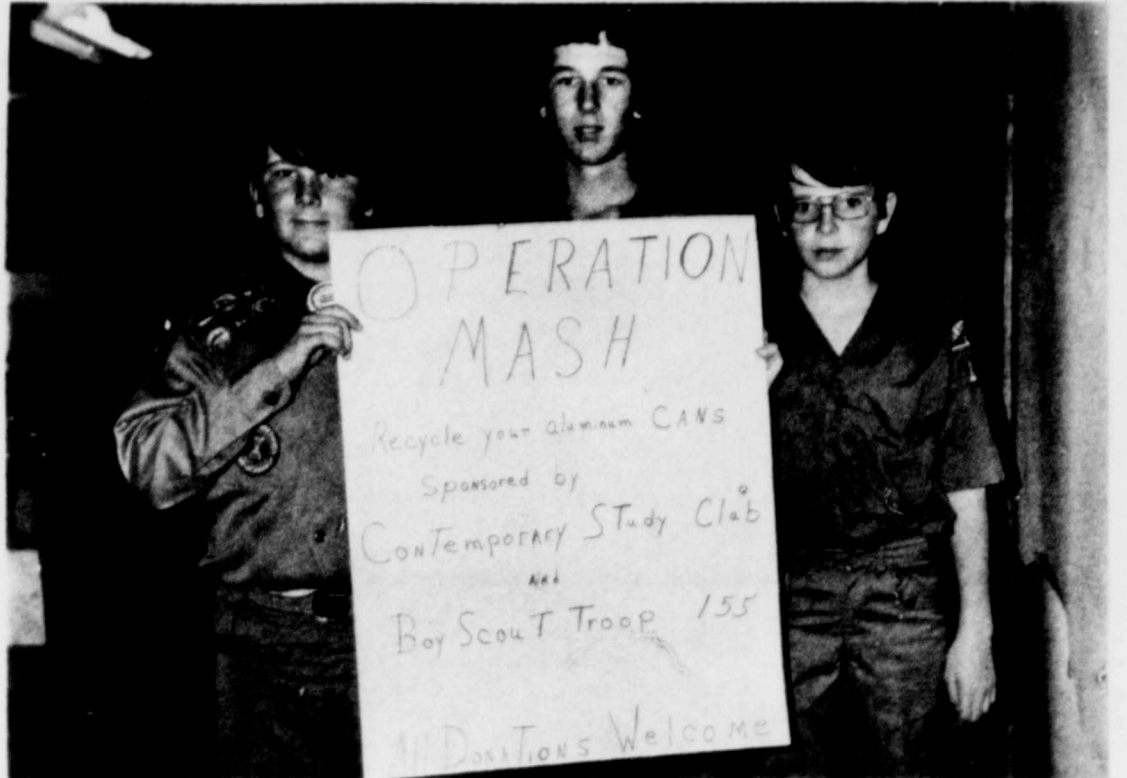

Mrs. Loma Vollner, project chairman, gave a report. Mrs. Reb Higgins gave a demonstration on how to make and fit dress patterns.

Mrs. Ella Gill, vice president, introduced the speaker, Mrs. Ralph Swinford who presented the program on "Window Treatments". She told what type and kind of shade and drapes that will correspond with any room decor.

Mrs. Sam Spencer gave a report on correspondence received and Mrs. Anna Mae Emmert gave a council report.

Mrs. Herbert Miller conducted the games. Mrs. Lena Vollner and Mrs. James Creger won the prizes. Refreshments were served to 20 members and one guest, Mrs. Lee Williams.

The club will meet on Feb. 2nd in the home of Herbert Miller on Thornberry Road. Mrs. Joyce Smith, County Extension Agent, will present the program on "New Fabrics for the Home."

Boy Scouts Michael Richter, David Miller and Mark Miller display a poster which advertises Operation Mash, which is now in effect in Burkburnett. Boy Scout Troop 155 and the Contemporary Study Club of Burkburnett are sponsoring an aluminum can drive in the city. All proceeds will go to the scout troop. The Boy Scouts will provide the trailer and the study club will buy the license and do any repair work needed on the trailer. A trailer will be placed at the Boy Scout Hut behind the Methodist Church and everyone is asked to save their aluminum cans and deposit them in the trailer. When the trailer is full, the cans will be taken to Wichita Falls and sold.

Mrs. Howland Presented Garden Club Program

Mrs. Glen Bear was hostess to the Burkburnett Garden Club Wednesday, Jan. 24th. Mrs. B.N. Cauthorn, president, conducted the business session. Reports were given. Mrs. Crane reported on the community service meeting. Cards were signed to be mailed to Mrs. J.C. Adams and Mrs. J.M. Pogue, who are ill.

The elected officers for 1973-74 are Mrs. Virgil Mills, president; Mrs. Walter Riley, vice-president; Mrs. Arnold Holtzen,

treasurer; and Mrs. Sam Shrum, secretary.

Mrs. A.T. Nice introduced the guest speaker, Mrs. Lila Howland of Wichita Falls, secretary - treasurer for the Humane Society of Wichita County. She made an informative and interesting talk.

Fourteen members and one guest, Mrs. Lila Howland, enjoyed refreshments.

The club will meet with Mrs. Mills in February.

Mrs. Smith Hosts Alma Jackson Circle

The Alma Jackson Circle of the First Baptist Church met with Mrs. Howard Smith Monday night, Jan. 22 with 20 members and one visitor, Mae Welborn, present. Valentines were signed to be mailed to the shut-ins, former members and the absentees.

Minutes and treasurer reports were read. The Community Mission for Feb. is to supply the church kitchen with pot holders, tea towels and other needed articles. Hazel Wagoner gave the meditation and read the Missionaries Birthday Calendar for the week.

Loretta Hunt led in prayer. Jewel Reed gave the Bible lesson from Mark 4, 1-23 followed by a beautiful interpretation of the Lord's Prayer. Mrs. Artie Whiteside will be hostess for the Feb. 26 meeting. Mrs. Beldon, chairman, dismissed with prayer.

BULLDOG BASKETBALL

★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★

In The Spotlight

Player of the Week

Greg Mayes

★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★

Mayes Amazes Fans

by Sedelta Verble

Greg Mayes, who is one of the Burkburnett returning lettermen on the Varsity Basketball team this year, has displayed a well-rounded talent for roundball action. Greg is 6'1" and weighs 170 pounds and has been playing basketball since fifth grade. Greg is consistent in his point average each week usually getting into the two digit category.

Basketball is not his only sport though. Tennis, football, and track are also favorites of his which may contribute to his well rounded efforts.

Greg stated that even though the Bulldogs lack the supposedly necessary height, they make up for it with speed.

"All the team members are about the same height and I feel this is a factor in winning," he said.

"We are the number one team, so during the second half everyone will be trying to knock us off the spot," he explained.

"I would say Hirschi is our biggest rival because they are undefeated, too. Brownwood will probably be tough also because we have to travel all the way down there."

Greg Mayes is a member of DECA and works part time in addition to being a senior at Burkburnett High School and playing basketball. He works at Piggly Wiggly Supermarket.

Bulldogs Take Undisputed Win 70-64

In what had to be one of the most exciting, action packed games of the season, the Burkburnett Bulldogs defeated the Hirschi Huskies Tuesday night in Burk by a score of 70-64. A packed gymnasium of fans watched the Bulldogs take the undisputed lead in the second half of the District 4-AAA Basketball tilt.

Both teams fought basket for basket up to the end of the 3rd quarter. The final 3rd quarter score stood at 49-48 in favor of the Bulldogs.

The beginning of the fourth quarter brought unbelievable action from both teams. It was a desperate battle to place points on the scoreboard for the end of the game both teams knew was coming soon. In the fourth period the Bulldogs and Huskies switched leads 4 times before the Bulldogs finally broke the ice with two straight baskets putting the dogs 4 points in the lead. With 18 seconds left on the clock a double technical foul was called on both teams. This allowed Hirschi a 1-1 free shot scoring opportunity with the attempt falling short. Then Burks Mike Miliar, 21, stepped to the line and dropped in two big points for the final two Burkburnett scores.

Already first half winners, this win places the Burk Bulldogs in excellent position for the district championship. They now control the second half lead to go along with the first half win. If the dogs win or tie the second half of Basketball competition, they will be the 1973 District 4-AAA Champs. As of now, if no other team matches or beats Burks second half record between now and the end of the season, it looks as though Burk can start talking and celebrating all over again.

BURK'S GREG MAYES, #41, demonstrates the art of going over an opponent during last Tuesday night's battle with the Hirschi Huskies for the 2nd half lead of District 4-AAA. The "Dogs took the game by a score of 70-64.

OPEN HOUSE
Feb. 1st
9:30am - 5:30pm

Congratulations

Mrs. Ina Gilbert

On this day, February 1st, some 40 years ago, Ina Marie Gilbert opened the doors of the Elite Dress Shop, downtown Burkburnett, for business. Remembering that day long ago, Mrs. Gilbert thought it a nice coincidence that she could open her business on her birthday as she did. That way she could celebrate her business anniversary and her birthday at the same time.

Today is 40 years later and Ina Gilbert is still celebrating anniversaries and birthdays together. Ina admits that back in 1933, when she opened her dress shop in Burkburnett, that business didn't thrive as it does today but it did carry on.

Ina and the Elite Dress Shop have seen the bad times as well as the good. First it was the depression and now current inflation. Even so, times are good because Ina still has every bit of what it takes to handle the fight, a friendly smile and the ability to endure good hard work.

The Elite Dress Shop, to this day, still carries two of the same lines of clothing that it carried when the doors opened 40 years ago, today. Those, then, Frilly fashions of the thirties are now evolved into the top fashion looks of the 70's. These plus many more top lines are now available at the Elite Dress Shop, Downtown Burkburnett.

Ina Gilbert loves her work. She told this reporter, "I love this type of work, if I didn't, I wouldn't have been able to keep it up all these years. Because I love this work, I will continue it as long as I can."

Open house is being held at the Elite Dress Shop today to celebrate the 40th Anniversary of the Elite Dress Shop. Everyone is invited. And to the Lucky first 40 women, a free pair of hose will be given to each. Ina, from all of us, your neighbors in business, we congratulate you and wish you a very happy birthday. Your long association with this community will not be forgotten.

Congratulations

To the
Elite Dress Shop
and
Happy Birthday

Engagement Announced

Mr. and Mrs. Lorin G. Raleigh announce the engagement of their daughter, Katherine Lynn, to John James Allen, son of Mr. and Mrs. Darwin E. Allen, all of Burkburnett.

Both are graduates of Burkburnett High School. Miss Raleigh is attending Carters Beauty School in Wichita Falls. Allen is employed by Compact of Wichita (I.E.C.).

The wedding date has been set for March 2.

Katherine Raleigh

Homecoming Plans Finalized For Feb. 8-11

Midwestern University's homecoming plans for Feb. 8 through 11 have been finalized to offer a variety of interesting activities for alumni and students alike.

The opening event is the MU Indian-Bethany Nazarene basketball game in the coliseum Thursday at 7:30 p.m. The following evening is the John Denver concert in the coliseum, and it should appeal to both the "now" and "then" crowds.

Winter Theme For TOPS Awards Night

TOPS Club 636 held their monthly awards night at the Central Baptist Church.

Twenty-four ladies weighed in with Georgie Turney as "Queen of the Week".

Geraldine Cook was given the "Smarty Cat Award" and Mary Chastain was "Best Loser of the Month".

Everyone enjoyed a low calorie supper prepared by the ladies. "Winter" was the theme used for the decorations with snowmen holding Tops verses as center pieces.

Mrs. Miller Presides For Service Council Meeting

The Community Service Council met Jan. 29 in the Reddy Room.

Mrs. Frank Miller, president conducted the business meeting. A report was given on the highway beautification project. The landscape architect from Austin has been in Burkburnett surveying the area and will send his recommendations back as soon as they are completed.

Chris Strayhorn gave a report on the Christmas Lighting Contest which was a success due to the merchants of Burkburnett who donated the prizes.

Larry Killgo, a representative with Texas A&M Extension Service, presented an informative program on rodent control. Any club, organization or individual that would be interested in providing money for rat poison can make their contribution to Mrs. Carol

Blankenship at the Community Service Center.

Mrs. E.S. Richter announced that the Contemporary Study Club with the cooperation of Scout Troop 155 will initiate an aluminum can recycling program.

Mrs. Bob Carter, a representative of the Forum Study Club, would like a poll of the clubs to see if there is enough interest to obtain some furniture for the lobby of the Community Center. They would also like to encourage other clubs to donate paintings to be hung in the lobby and large meeting room. The results of the poll will be given at the March meeting.

All Clubs in Burkburnett who have made pledges to the Educational T.V. are asked to have them in by March 1.

The next regular meeting will be March 12.

Sedelta Verble

The second semester has begun at BHS and with this new re-establishment of work several currents are surging underneath the main flow of school assignments. The Thespians are traveling to Dallas Saturday to see the extravagant musical Maim at the Country Dinner Playhouse. This type of theatre offers Broadway entertainment mixed with an unusual dinner and gives Thespians a glimpse of theatre in the round. The state is set in the center of the restaurant and is viewed from every side. This is especially important for Thespians as they plan to present their own dinner theatre. Currently under rehearsal, two one-act plays are being readied by the Thespian Troupe for a salad theatre which will be presented in the Civic Center the 22nd and 23rd of February.

Also underway at BHS is the Distributive Educations preparation for area contest at Amarillo. The DECA organization which is sponsored by Bob Carpenter will enter such events as Public Speaking, Advertising, Sales Demonstration, Job Interview and other divisions which deal with Distributive Education. The Amarillo contest is set for the 16th and 17th.

Clubs and organizations are electing beaus and sweethearts to represent them. The Future

Homemakers have chosen Ted Neible as beau for FTA and Office Education members have selected Mike Myers. The Pep Club picked Allan Fourrier as their beau and the Vocational Industrial Club has chosen Debbie Simpson as their sweetheart. These beaus and sweethearts receive plaques or sweaters from their clubs and are distinguished in the annual for this honor.

Preparations are now underway by the annual, Derrick to present awards for students who were nominated by their classmates for such honors as Mr. and Miss BHS, Handsome, Beauty, Most Likely to Succeed and numerous class honors. The formal event consists of the presentation of nominees and the announcement of the winner. It also serves as an annual glamorous occasion for BHS students and combination fund raising project for the Derrick.

State Hospital Holds Workshop

An informative and stimulating workshop orientation that will deal with the treatment program at the Wichita Falls State Hospital and the significant role that volunteers can play in the treatment approach will be held Tuesday, Feb. 13 through Thursday, Feb. 15.

Staff members from several departments of the hospital will explain the milieu therapy approach that has been adopted by the Texas Department of Mental Health and Mental Retardation, and will guide those attending the sessions toward an understanding of emotional illness. The workshop orientation will include opportunities to interact with patients, both on a one-to-one basis and in group situations. Following a tour of the hospital and a film on institutions, participants will discuss dehumanizing aspects of the large institution and the ways the Wichita Falls State Hospital is combating this problem. The final session will highlight volunteer opportunities available to individuals and groups will explain the part that volunteers play in the total treatment program. Keep in mind that to attend this three day session does not obligate you to join the volunteer program. Everyone - past volunteer, current volunteer, or

Elections Made By Hardin Club

The Friendly Hardin Club met Jan. 24 in the home of Mrs. S.E. Askins.

Mrs. E.E. Bangs presided during the absence of the president.

The opening exercises were presented by the hostess, Mrs. E.W. Roderick was elected as a nominee to the district home demonstration meeting in Feb. Mesdames Haskel Draper, W.E. Goins and Vada Bolin were appointed to the budget committee for 1973.

Seven members attended the meeting.

The club will meet Feb. 7th with Mrs. E. E. Bangs.

Introducing ...

KARI LIN LAY, 8-week-old daughter of Mr. and Mrs. Tony R. Lay. Grandparents are Mr. and Mrs. J.L. Bills, Jr., and Mr. and Mrs. Odis Lay, all of Burkburnett.

F.L. Pilkenton fell in the home of his daughter, Mrs. Truman Garland Thursday, and broke a hip joint. He is under treatment in Wichita General Hospital and doing fairly well.

Mrs. Don (Peggy) Kennedy of Dallas arrived here last

week to be with her mother, Mrs. Ray (Gladys) Anderson, while she is recovering from major surgery which she underwent Thursday. Mrs. Anderson is reported recovering nicely.

Dinner guests in the home of

Mrs. Lena Hinkle for Saturday dinner were Mr. and Mrs. J.C. Hinkle of Burk, Mr. and Mrs. Horace Hinkle of Wakita, Okla., Mr. and Mrs. Robert Hinkle of Wichita Falls and Mr. and Mrs. Art Roper and grandson, Keith Gresham, of this city. The Horace Hinkles, who spent a

couple of days here, also visited Mrs. Hinkles' brothers, Mr. and Mrs. Jobie Dunn and Mr. and Mrs. Robert Dunn of this area. Mrs. Lena Hinkle stated this gathering of the family was the first time they had all been together in a long time and was thoroughly enjoyed by all.

Mrs. Willett Pace of Sherman, Texas visited her sister, Mrs. Grace Anderson here this past week.

Mrs. W.E. Goins of West 4th Street had the misfortune

of slipping on the ice during the recent storm and suffered a number of severe bruises and a bad shake-up. She was unable to get about her home for several days.

Mrs. Frances O'Keefe and sister, Mrs. Jessie Schmelzer of Fort Worth, visited their mother, Mrs. Elizabeth Brady, and their brother, James, and his son here Sunday.

Gerald Goins of Wichita Falls had major surgery Thursday and is now reported recovering nicely. His mother, Mrs. W.E.

Goins, and an aunt, Mrs. Vada Bolln, have been able to visit him in the hospital during this past weekend.

Capt. and Mrs. William Tyson and children, Jack and Stacy, of Lawton and Mr. and Mrs. Harold McDonnell of Wichita Falls spent Sunday in the home of Mr. and Mrs. A.C. Houser.

Kent Cauthorn, a student at Abilene Christian College, accompanied his room mate who was enroute to Oklahoma City, Sunday, as far as Bartlett, Kent visited his grandparents,

Mr. and Mrs. B.N. Cauthorn.

Mrs. R.C. Gilbow (Thelma) who underwent major surgery Wednesday in the Wichita General Hospital is resting well at this writing.

Mrs. Agnes Woods, who is in Medcenter in Wichita Falls recovering from a heart condition, is expected home in a few days, according to her sister, Mrs. Ada Lewis.

Neal Hall, Sr. is in the Wichita General Hospital receiving treatment and care. Mrs. Polly

Carrithers of Detroit, a daughter, spent a few days here with her father last week.

Mr. and Mrs. W.T. Zimmerman visited in Ft. Worth and Houston a few days last week. They visited their son, Bill, and wife in Houston and also Mrs. Zimmermans' parents, Mr. and Mrs. C.G. Gibson, in that city. Mrs. Zimmerman attended school in the early thirties in Houston and was a Public Speech student of the late Lyndon Johnson. She relates that his death grieved them deeply.

B. T. HAWS

Soil tests are now available for certain micronutrients. Soil samples can be tested for zinc, iron and manganese at laboratories operated by the Texas Agricultural Extension Service at Texas A&M University and at the A&M Agricultural Research and Extension Center at Lubbock.

In micronutrient tests, soils are rated as low, medium, or high for each nutrient. If a deficiency is detected, suggested corrective measures will vary with the soil, crop and production potentials. For example, zinc fertilizers can be put in the soil while iron is generally added by foliar applications. On the other hand, most soils test high in manganese and few problems are encountered.

Although considerable variations exist, most soils generally have adequate supplies of zinc, iron and manganese. Yet a confirmation on the status of micronutrients through a soil test will relieve the uncertainty a producer may have about the need for these plant nutrients.

To have special micronutrient test, special tests must be conducted in addition to the regular soil fertility tests. Thus the fee is \$5 per sample rather than \$2 for regular soil fertility tests.

Information sheets and instructions for collecting and

submitting soil samples are available at the County Agent's Office.

Beef prices continue steady across the nation despite increased production and increased livestock marketings. The main reason is the increased demand for beef due to the continued growth in the United States population and rising per capita disposable income.

The United States population increased by 2.2 million from July 1, 1970 to July 1, 1971. There is also a corresponding increase in the number of people who are currently not being involved in the program. Rita started to work on January 22 and will work on a part-time basis.

She will be concerned with recruiting and training volunteer 4-H leaders, assisting with the organization of new 4-H clubs or groups, and supporting the overall 4-H expansion effort, points out Haws.

FARM REVIEW

4-H Program Assistant Added To Extension Service Staff

by B. T. Haws

A new 4-H program assistant has been added to the Wichita County Extension Service Staff. She is Rita Howell of Iowa Park, and is a graduate of the Knox City High School.

In the newly designated position, Rita will be working through volunteer 4-H leaders in the county to extend the 4-H and youth program to boys and girls between the ages of 9 and 19 who are currently not being involved in the program.

A total of 666 boys and girls are enrolled in 4-H in Wichita County out of a potential of 16,000. So there is room for continued expansion in 4-H and for the development of programs and activities that will provide youth with information, guidance and challenges to make life more meaningful and worthwhile.

Overall, the 4-H program is designed to help youth grow and develop and to stimulate various interests that may be beneficial in later life, adds Haws.

the need for assistance in conducting more effective 4-H and youth programs.

A major 4-H expansion effort is underway in Texas. There are more than 2,500,000 youth in the state eligible for enrollment in 4-H and youth programs. With about 125,000 boys and girls enrolled in 4-H in Texas at present, the statewide goal is to double this number by 1980.

A total of 666 boys and girls are enrolled in 4-H in Wichita

Price Spread Questions Answered

Confused about price spread? There's no mystery to it, according to Gwendolyn Clyatt, consumer marketing specialist for the Texas Agriculture Extension Service.

"Price spread is simply the difference between prices farmers receive for their raw agricultural products and costs consumers pay for food at the grocery store."

Mrs. Clyatt explained that price spread pays for essential processes and services that con-

vert raw farm commodities into edible food items. It pays for safe packaging of these food items as well as their distribution to local markets.

"Recent studies show that direct costs of three factors have caused more than two-thirds of the increase in price spread since 1946--an increase of more than 70 per cent when adding indirect costs," the Texas A&M University specialist reported.

The three factors are higher wages, taxes and transportation.

Market Report

Oranges head the market list this month as citrus season opens.

With 195.4 million boxes total production forecast, producers will come close to the record-large crop of 1970-71, according to Mrs. Gwendolyn Clyatt, consumer marketing specialist with the Texas Agricultural Extension Service, Texas A&M University.

"Ample supplies of fresh oranges are available at prices about the same as last year. Look for fruit firm and heavy for its size with a fine-textured skin."

"Grapefruit supplies are on the increase, and quality is good."

Other fruit choices available include apples, bananas, cranberries, tangerines, avocados and pineapple.

Economical buys at vegetable counters are cabbage and celery, both featuring attractive prices and good quality.

"Hardshell squash, including Hubbard, acorn and butternut varieties, are economical vegetable choices now, and they can be served in many ways."

Potatoes, dry yellow onions, sweet potatoes, bulk turnips, carrots and rutabagas also top vegetable lists.

"In general, best beef values appear on chuck roasts and steaks, round steaks, ground beef, calf and beef liver."

Fryer chickens are a bargain, although prices are edging up a bit, Mrs. Clyatt concluded.

County Extension Agent

JOYCE SMITH

Mobile homes may surprise those shopping for a place to live. Mobile home manufacturers have done a tremendous job of making mobile home interiors roomy in appearance, attractive and livable.

Because of shape and space limits, shoppers should study several areas with their own family needs in mind. In the dining area, check seating capacity. Pull chairs back from the table, and sit down. Check possibilities of serving the table with all chairs in use. Notice confining raised floor levels or railing. Space should be flexible enough to allow moving out into kitchen or living room areas when a need arises.

Bedrooms are another area to consider; a tape measure comes in handy here. Families might want to use standard size beds if space is available for them. Measuring built-in dressers and drawers can determine whether they're deep enough to serve well. Also check them for construction features such as dove-tail joints on the drawers.

Lighting also merits a good check. It should be ample and flexible in the living room, kitchen, bedrooms and bathroom.

Electrical circuits should be checked to be sure that the kitchen is not on one circuit.

Studying a home with a family in mind is a must. Factors to consider include activities the family will perform in the home, furniture needs, space for adding more pieces if necessary, a place for such items as the television set or the sewing machine, and enough storage space.

Interior furnishings help make the unit livable. Shoppers should exercise all the care they would use in building or renting a home or apartment.

Coming Events

FEBRUARY 6-9--The District 3 Jr. Beef Show is scheduled for February 6 through 9 in the 4-H Club Bldg. in Wichita Falls, according to district Ext. agents, J. G. Simmons and Thelma Wirges.

FEBRUARY 8--The District 3 4-H Livestock Judging Elimination Contest and District Jr. Beef Show Livestock Judging Contest is to be held in the 4-H Club Bldg. in Wichita Falls at 1:30 p.m., according to J.G. Simmons and Thelma Wirges, district Ext. agents.

U.S. RODENT CONTROL SPECIALIST

LARRY KILGO

In previous articles we discussed rats and mice, their economic and social importance and the proper use of anticoagulants for effective control of these pests.

This week we will continue with instructions on how to use traps for good results in commensal rodent control. The traps referred to are the standard wooden spring traps available in most supermarkets and discount stores. These traps are inexpensive and a large number should be used.

Proper placement of the trap is more important than selection of a bait. Rats and mice prefer to run along walls and behind stacked materials rather than crossing a room in the open. The best baited trap will rarely entice a rat into the middle of a room. On the other hand, a rat will frequently pass over a trap placed along a wall rather than detour wide into the open.

Use signs as a guide for placing traps. Place them near a gnawed hole; under the sink or behind the refrigerator where droppings are seen; along a wall with a dark smear or in the attic along the walls where rats have been heard at night. Always place traps in the areas rats and mice are known to frequent.

Clean fresh bait should be used on your traps. Contrary to popular belief, cheese is not the best bait. For rats use bacon strips, a piece of fresh fish or rolled oats mixed with peanut butter. Mice will take many baits such as a gum drop, a piece of bread, peanut butter or a small ball of cotton if nesting materials are in short supply.

It is not always necessary to bait traps. When using unbaited traps, the trigger surface should be enlarged using a square of cardboard with the trigger pushed between the layers. The square should be about one-third the size of the trap. The trap should then be placed so that the rats will be forced over it (as by blocking a runway behind a box or against the wall at one side of the refrigerator or along a beam or ledge). Traps may be fitted to a pipe using a hose clamp or may be nailed to vertical walls where rats climb to holes or runways.

Once the rodent population is eliminated, a clean-up campaign must follow for effective control. If done before the rodents are eliminated, they will just go elsewhere.

In next week's article we will deal with ratproofing as a preventive means of rat and mouse control.

by John B. White, Minister, First Christian Church

Burkburnett has many fine churches. I am grateful to our city weekly newspaper for its generous coverage of our Building Fund Campaign at First Christian Church. Many people have as a result of our newspaper releases phoned or drawn me aside to make comments or in the midst of conversation say some nice things about our bold venture.

Have you ever thought what it would be like not to have the presence of these various churches we have in Burkburnett? Jackie Robinson, the first black to enter professional baseball was buried recently from one of the finest American churches-- Riverside Church in Manhattan. One of the famous pastors of that Church of the Rockefellers was the late Harry Emerson Fosdick who related how an American businessman once tried to build a town or "dream city" without a Church.

That it was a progressive thought must have been the man's motive. He brought into that so called progressive city some of the typical concerns you would find in any American town, but no Church.

Women of the right kind resisted moving into that city; however there were the other kind; so children were scarce in that town. It was projected to be a city of five thousand; however it wasn't making this goal in growth.

When the venture was seemingly going to fail the American progressive businessman printed up notices that they were going out and build a church and hunt for a minister to come and fill the pulpit.

The question in America is not are we going to have churches, but what kind of Churches will they be. I am thankful to God for the Churches of Burkburnett. Freedom of religion in America was not meant by our founding fathers to mean like some that have influenced the Supreme Court to be freedom from religion. While this freedom gives us that choice the greatness of America in the past was the former emphasis, and the greatness of America in the present and future will come from the former emphasis in our life in this country or run the reality that we may perish as others have done.

Worship in the Church of your choice this Sunday - - - And take the Family

Call Out For Band Parents

by Jo Ann Gibson
President, Band Parents

Our band students are still bringing home the honors. In November, both the High School and Junior High School marching bands made I ratings (superior) at Marching Contest held at Memorial Stadium. In January, our students are still bringing home honors. Recently, several High School students competed in Regional and Area contests. Duncan Brown (cornet) swept into a berth in the All State Band to be held in San Antonio.

Eleven Junior High band students placed in the All Region Band tryouts held at Vernon January 20. These eleven talented musicians are: Kevin Sykes (bass); Steve Hamilton (baritone); Chris Thomas (trombone); Dana James, Betty Ballis, Becky Rine and Sherri Gorham (clarinet); Janet Slusher, Marta Gibson, Sandra Hastings and Sheri Grass (bass clarinet). These students were among the 129 band students from 21 schools in this region who presented a concert in Wilberger Auditorium Saturday night.

The monthly meeting of the Burk Burnett Band Parents Club was held January 22 in the High School Band Hall. Those in attendance were FEW -- were you there, Band Parent? -- Our organization is only as good as our support.

MARINE CORPS AWARD--Mark Allen McLean of Burk Burnett, a junior at Texas A&M University, receives a citation for outstanding performance during summer training in the Marine Corps' Platoon Leaders Class (PLC) program for future officers. The award was made by Col. C.E. Hogan, commander of TAMU's Naval ROTC unit.

McLean Gets Citation For Outstanding Performance

Mark A. McLean of Burk Burnett was one of three Texas A&M University students cited by the Marine Corps for outstanding performance during summer training at Quantico, Va. A citation was formally presented to McLean by Col. C.E. Hogan, head of TAMU's Naval ROTC unit, for excelling in training offered through the Platoon Leaders Class (PLC)

one of the programs leading to award of commissions in the Marine Corps.

McLean, son of Mr. and Mrs. W.H. McLean of Route 1, is a junior marketing major.

Similar citations also were presented to Michael R. Gibson of Dallas and Harold T. Pruesner Jr. of Houston. All three students are members of the TAMU Corps of Cadets.

Library Corner

Burkburnett Public Library

In his new book THE LAST CAPTIVE, A. C. Greene retells the true story of Herman Lehmann, an eleven-year old boy captured by Indians. He lived with the Apaches for several years, and finally became the adopted grandson of the great Comanche chief, Quannah Parker.

THE CROWN OF MEXICO, by Joan Haslip, is the historical story of Maximilian and his Empress Carlota. He has been presented as artistic and liberal on one hand, autocratic and traditional on the other. Joan Haslip presents him sympathetically and at full length.

Padre Island is probably not equaled by any other place in the world for stories of lost treasure and shipwrecks. In PADRE ISLAND, TREASURE KINGDOM OF THE WORLD, William Mahan has written an account of the history of Padre's past. It also serves as a handbook for anyone visiting Padre today.

Emily Kimbrough has written another amusing and engaging book, NOW AND THEN. This is a book of recollection and anecdote - the happenings of today and those of the yesterday of her childhood.

A NATION OF STRANGERS, by Vance Packard, deals with the "Massive uprooting and fragmentation of our society." In the last section, he outlines steps that can be taken to help us rediscover our sense of community.

Tales of bad old days or good old times in such places as Goldfield, Goldroad, Goldflat, or Tombstone, Tiger Tip, and Total Wreck are found in GHOST TOWNS OF ARIZONA, by James E. and Barbara H. Sherman. They have included specially drawn maps and towns' correct locations. While facts and dates are given, space is allotted, also, to local tales and legends.

Other non-fiction: NATURAL FOODS COOKBOOK, by Anna Lee; ENCOUNTERS WITH STRAVINSKY, by Paul Horgan; "IF I HAD IT TO DO OVER AGAIN" - America's adult

dropouts, by Robert S. Gallagher; AMERICA'S DESERTS, by Julie Findley; SIX YEARS WITH THE TEXAS RANGERS, by James B. Gillett; BEYOND THE VICARGE, by Noel Streatfield; and ALL COLOR BOOK OF GREEK MYTHOLOGY, by Richard Patrick.

Fiction: MARGANNE AND THE MASKED PRINCE, by Juliette Benzoni; THE FLOWER-ING, by Agnes Sligh Turnbull; THE ODESSA FILE, by Frederick Forsyth; and mystery by John Creasey, Wana Woods, and Hugh Pentecost.

Orbit Skate Club Completes Plans For Coming Activities

The Orbit Skate Club met Sunday, Jan. 28 at the Orbit #2 in Wichita Falls.

President Frank Miller conducted the business meeting. John Elam gave a report on the purchasing of a skate club flag for the rink in Wichita Falls. He will be in charge of making arrangements for the flag to be made.

A monthly bake sale will be held starting in March and continuing through June. The Ways and Means Committee will announce the dates and places for these to be held. The money

from these sales will go toward the yearly award presented to the competitive skaters.

Miss Tomi Savage announced a figure practice will be held on Fridays from 6:30-7:30 at the Orbit #1 in Burk Burnett and a dance practice on Saturday from 5:00-5:30 at Orbit #2 in Wichita Falls.

A good luck party will be held Thursday, Feb. 8 at 6:30 p.m. for all competitive skaters entering the meet to be held in Oklahoma City Feb. 10-11. The next regular meeting will be Feb. 18, 1973.

BURKBURNETT INFORMER STAR

As a Burkburnett resident sits drinking coffee and reading the Informer/Star, he is little aware of the busy days and nights spent preparing the sheets of printed copy he is reading. Upon first glance the task of recording news may seem simple, but the process one news story receives proves this impression to be false.

The news story may be turned in by some club or organization reporter in Burkburnett or an Informer/Star reporter may turn in a story which concerns the Burkburnett reading audience. The news story must then be edited and possibly rewritten in order to emphasize the most important aspect or to delete unimportant information.

After the article is typed by Marsha Warf on the justwriter it is turned over to Kathleen Jinkins who is in charge of the composition department. Kathy by this time has already made several decisions concerning the number of pages necessary and has the advertising lay-out ready. Now that Kathy knows exactly how much space is available after the ads are on the lay-out sheets, she waxes the back side of the typed article and places the story on the page. Since she has used hot wax, she can place the story another place if it is necessary.

This is an improvement over the old method which called for choosing the stories position and remaining with that spot regardless.

When all of the articles have been typed and placed in an attractive make-up, headlines must be written and added to the stories. The newspaper is then completely proofed for errors and taken to Nortex Offset Printing Plant in Wichita Falls. Here a camera takes a picture of the paper and plates are burned from the negatives. The Informer/Star is now ready to print.

"Offset printing is completely different from the letterpress that the Informer/Star used to use. In 1968 we changed to Offset printing methods because you can do a lot more with this sort of process in regard to pictures, color, and make-up," Mrs. Jinkins commented.

The process of putting a newspaper together is difficult, but there is much room for creativity either in writing or in make-up. Anyone who is interested in watching a newspaper being readied for printing is welcome to come by the Informer/Star at any time.

11 Jr. High Band Members Chosen For All-Region

On Saturday, January 20, thirty-three Burk Burnett Junior High School band members journeyed to Vernon, Texas to try out for possible selection into the Region Two All-Region Junior High School Band. Over 300 students were present from the Region Two (North Zone) area. Out of the 33 from Burk Burnett, 11 band members were selected to the 100 piece band. 7th, 8th, and 9th grade students were allowed to participate.

The students from the Burk Burnett Junior High School Band who were selected to the All-Region Band are:

- CLARINETS**
 Becky Rine (8th grade), 5th Chair; Betty Ballis (8th grade), 10th chair; Dana James (9th grade), 11th chair; Sherri Gorham (8th grade), 15th chair.
- BASS CLARINETS**
 Janet Slusher (8th grade), 1st chair; Marta Gibson (8th grade), 2nd chair; Sandra Hastings (8th grade), 3rd chair; Sherry Grass (8th grade), alternate.
- TROMBONE**
 Chris Thomas (8th grade), 7th chair.
- BARTONE**
 Steve Hamilton (8th grade), 3rd chair.
- BASS (TUBA)**
 Kevin Sykes (8th grade), 3rd chair.

Mrs. Melvin Peters
 Hosts Garden Club

The Meadow Lane Garden Club held its monthly meeting at the Burk Burnett Community Room Thursday evening with Mrs. Melvin Peters as hostess. Nine members answered roll call by naming their states "State Tree". Three visitors, Mrs. Mary Smith, Miss Lea Ann Smith and Miss Lynn Ann Smith, were present.

During the business session it was decided to donate funds to purchase a sink for the Day Care Center in Burk Burnett. This is a state required item for the center. Installation of the sink is still a necessity and anyone who would be willing to install the sink should contact the Day Care Center.

The members also voted to pledge a donation for the funding of the education T.V. program which is still in need of financial help.

March Of Dimes Campaign Termed Great Success

The annual March of Dimes campaign has been termed successful in Burk Burnett according to Mrs. B.H. Alexander, local chairman and Mrs. Lyle Eaton, president of Theta Epsilon Chapter of Epsilon Sigma Alpha who sponsored the drive.

Members of Theta Epsilon wish to extend sincere appreciation to all who contributed a combined amount of \$786.92, and to everyone who volunteered their service in making the door to door calls.

Through generous and meaningful support the National Foundation is able to continue its efforts in a research program to prevent birth defects which effects some 250,000 children in the United States every year.

Revival Slated For Feb. 4-18
 The Randlett Assembly of God Church will hold a revival Feb. 4-Feb. 18. Services will begin at 7:30 nightly.

Burk Student Chosen For All-State Band Honors

by Sedelta Verble
The Burkburnett High School Band has many honors to its credit, but the most recent achievement was attained by Duncan Brown who is a sophomore. Duncan plays the coronet in the Bulldog Band and has been chosen to play in the All-State Band of Texas. In order to qualify for this

honor a participant must first compete on the zone, region and area levels.
Greg Swain who is also a sophomore and who plays the trombone in the Bulldog Band reached the area level in UIL competition. This in itself is admirable because the contention grows more difficult with each advancement.

Now that Duncan has succeeded in obtaining the All-State title he will be playing in the All-State Band which ranges in selection from concert to orchestra. In each division there are first place spots and Duncan will be competing February 8th to place for the number one seat in the number one band organization in the state.

Army Capt. Edwin L. Draper recently completed the 7-week transportation officer familiarization course at the transportation center, Ft. Eustis, Va. Capt. Draper entered the army in 1955 and was last stationed in Germany. The Capt. is a 1951 graduate of Burkburnett High School, and a graduate of Midwestern University in Wichita Falls. His parents, Mr. and Mrs. William H. Draper, live at 702 Reagan.

Allen D. Martin, Airman Apprentice USN, son of Mr. and Mrs. Edward C. Martin of 413 Peach Dr., Burkburnett, was graduated Dec. 7th from Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn. The two-week course covers aircraft types and designations, safety, survival procedures, and fire fighting.

Mr. and Mrs. John Cox of Wichita Falls are the parents of a baby girl, Charlotte Elaine born Jan. 15. Mrs. Cox is the former Naomi Broyles of Burkburnett. Grandparents are Mr. and Mrs. G.D. Broyles of the Valley Farms community.

The owners of Parker's Food Stores, Inc., Bob Parker and Garnett Parker, Tuesday announced the merger of the 14 Parker's Stores, located in Wichita Falls, Lawton, Okla. area, with the Shop-Rite Foods, Inc. Garnett Parker will join the board of directors of the corporation which operates stores in Texas, New Mexico, and now Oklahoma. The addition of Parker's chain to Shop-Rite Inc. will increase the number of stores operated by the corporation to 71.

Mr. and Mrs. Jake Lasley of Leveland, Okla. and Mr. and Mrs. Tom Lasley of Burk returned home Sunday from a very enjoyable deep sea fishing excursion at Corpus Christi. Mrs. Tom Lasley was the first one on the boat to catch a large fish, an 8 pound drum. Many other large drum and trout were caught during the day.

A stepped up construction schedule, calling for an addition of 3,500,000 for development of the Red River Valley Expressway, has been ordered by the Texas Highway Commission. The action taken Monday in Austin was announced Wednesday. It involved the 12 mile stretch of the expressway from Wichita Falls to the Oklahoma line.

Bob Eaton, a junior foreign language major at Texas Tech. College has been chosen by Professor Oscar Fernandez of New York University as one of several American College students to spend a year studying in Brazil. Eaton, who carries a perfect four point grade average in Spanish and Portuguese and a year perfect average in German, will fly to Sao Paulo, Brazil, Jan. 28 to begin a program of study taught only in Spanish or Portuguese. Bob is the son of Mr. and Mrs. Lytle Eaton, 516 Dot Ave.

In & Around
Temple

Friday night's District 34 Masonic meeting in Temple's lodge was deemed a success by Worshipful Master Jack Ryland, who welcomed 107 Masons, 24 non-member visitors and 15 local Eastern Star members, who assisted with the supper. The after-dinner speaker, Jim Jackson and wife were introduced by Ryland along with Billie Sullivan, Jr., Grand Warden, his wife and daughter of Kokchito plus Bill Kerr, Deputy Grand Master.

The speaker outlined his likes and dislikes concerning various duties expected of modern-day law enforcement personnel.

"Law enforcement cannot be any better than the assistance they receive from those seeking protection," the police sergeant told his listeners.

He further outlined expected duties that he does not consider part of a policeman's job and gave examples of time consuming chores that prevent officers from carrying out their real responsibilities.

Oklahoma's Jr. Grand Warden and the district Deputy Grand Master teamed to present 50-year pins to Sparlin Witt, Temple, and Frank Henderson, Broken Bow.

Robert Yielding and Eddie Laxson, both of Temple, were elected to serve as district president and secretary for the ensuing year.

Eastern Star members were introduced and given a standing ovation for their efforts and quality and quantity of their prepared meal.

*International Antique Show
Slated In Dallas Feb. 9-10-11*

A feast for lovers of antiques from as far away as Indiana, California, Florida and Arizona will open Feb. 9-10-11 as the greater Dallas International antique show and sale begins a three day run. The show is staged for the benefit of The Society for the Preservation of Antiquities. Antique dealers

These range from prime oriental figurines and plates to relics of Victorian homes. Articles for sale include everything from the fine primitive items, to the fabulous exotic jewelry collections of Helena Rubinstein. Other exhibits will offer brilliant period cut glass, dolls, carnival glass, sterling silver, and table after table of fabulous colored art glass. There is something for everyone in this great show. You can spend \$1000.00 for a cut glass vase or 5¢ for an old postal card, whatever your fancy might be you will find it at the greater Dallas International Antique Show and sale at the beautiful Royal Coach Motor Hotel, 3800 West Northwest Highway, Feb. 9-10-11. Hours for the show will be Friday and Saturday 12 noon to 10 p.m., Sunday 1 p.m. to 6 p.m. The public is invited to attend.

Weekly Health Tip

from Joe Gillespie

Heartburn or acid stomach is nature's warning that something has gone wrong in the digestive system. It could mean: 1) Some kind of food you have eaten doesn't agree with you. 2) You have eaten too much or too many varieties of food so that the digestive juices are confused (the kind that digests one type of food may interfere with the digestion of another food). 3) Emotional upset, at which time it is better not to eat at all, or simply a glass of milk or fresh vegetable juice. Pills are not the answer - determine the cause of stomach upset and correct the cause.

Coming Year One Of Growth

By Blake T. Newton, Jr.

President, Institute of Life Insurance

The coming year, from the signs as they now appear, will be one of economic growth, with all segments of society becoming more confident of the ability of industry to match capacity to need.

This rising "index of confidence", as one might call it, is expressed in the country's improving economy --and it will increasingly encourage two of today's seeming antagonists, business on the one hand, and consumerists and environmentalists on the other, to accommodate to each other through cooperation on common problems. We can hope that this may lead to a decline of the anti-business attitudes held by many people.

A RECOGNITION OF NEEDS

One senses more willingness to seek an accommodation. We are beginning to recognize that needs are shared, and that conflicting claims have a legitimate basis. More importantly, a spirit of negotiation is in the air. We are seeing a return of a spirit which could result in greater understanding between sectors in our society which up to now have seemed irreconcilable.

Frank discussion on all sides concerning the demand for services and the impact of such a demand on the environment, can only lead to a new level of national sophistication. What this should mean is an economy that is geared to meet the legitimate needs of the community, and at the same time one that will respect our natural resources--the land, the water, the atmosphere.

Seen at the end of 1972, the coming year should be characterized by an increase in the Gross National Product of almost 10 per cent in current dollars which compares with 1972's estimated rate of 9.7 per cent.

GROWTH AND SOME PROBLEMS

Although the rate of inflation has somewhat abated, it is possible that we could see a somewhat higher rate of increase by the end of 1973. Many union wage contracts are up for renegotiation, and I would not be surprised if Congress were to accede to the President's request for economic controls to continue through the year, even though we may see some of them lifted later on. Another economic factor to consider in the coming year is the President's vow to hold the Federal budget to the \$250 billion level that he has set as a ceiling.

In spite of the problems of inflation, of upward pressures on wages and of the difficulty of maintaining national spending restraints, growth across the board in most sectors of the economy can be foreseen, with the possible exception of housing and in the defense industry sector, where some "settling" likely will take place.

The American householder will do his share to help the economy in 1973. His rising expectations are being buttressed by several upbeat trends: his income is rising (half of all families are now earning over \$10,000); more and more jobs are available to him (the life insurance business in the past five years alone has added over 200,000 jobs to the national figures); and the marriage rate remains near the highest level of the last two decades, resulting in a substantial increase in the formation of new households.

What is significant here is that between 1971 and 1976, the number of persons aged 18 to 54 will increase at a substantially greater rate than the other segments of the general population. The greatest expansion is taking place in the 25-to-29 and the 30-to-34 age

groups--about 30 per cent and 20 per cent respectively.

Summing up, I believe that the economy in general and business in particular, will enjoy a good growth year in 1973. With inflation in restraint, and the "confidence index" in both the consumer and industrial sector running high, I look for the last-half upswing of 1972 to carry all the way through 1973.

JACK AARON

Burkburnett Future Bright

By Jack Aaron, Industrial Committee Chairman

The year of 1972 was a very good year for Burkburnett in general.

In the past seven or eight years, we have seen many changes in Burkburnett.

Aggressive City management has brought many changes for the betterment of our community such as new library, new City Hall, new Civic Center, better streets and many other improvements without raising our taxes.

I feel one of the most important decisions that has been made is

the decision of the City Council to bring water from Wichita Falls. This will have a tremendous effect on our future.

Industrial development is a very competitive business. We have seen three industries in the past five or six years.

We are presently working with a very good prospect in which we are very optimistic. We are expecting great things in 1973 and I think the future of Burkburnett is very bright.

Coming Year One Of Growth

By Blake T. Newton, Jr.

President, Institute of Life Insurance

The coming year, from the signs as they now appear, will be one of economic growth, with all segments of society becoming more confident of the ability of industry to match capacity to need.

This rising "index of confidence", as one might call it, is expressed in the country's improving economy --and it will increasingly encourage two of today's seeming antagonists, business on the one hand, and consumerists and environmentalists on the other, to accommodate to each other through cooperation on common problems. We can hope that this may lead to a decline of the anti-business attitudes held by many people.

A RECOGNITION OF NEEDS

One senses more willingness to seek an accommodation. We are beginning to recognize that needs are shared, and that conflicting claims have a legitimate basis. More importantly, a spirit of negotiation is in the air. We are seeing a return of a spirit which could result in greater understanding between sectors in our society which up to now have seemed irreconcilable.

Frank discussion on all sides concerning the demand for services and the impact of such a demand on the environment, can only lead to a new level of national sophistication. What this should mean is an economy that is geared to meet the legitimate needs of the community, and at the same time one that will respect our natural resources--the land, the water, the atmosphere.

Seen at the end of 1972, the coming year should be characterized by an increase in the Gross National Product of almost 10 per cent in current dollars which compares with 1972's estimated rate of 9.7 per cent.

GROWTH AND SOME PROBLEMS

REID McCANDLESS

Past President Speaks

by Reid McCandless

The 1972 Chamber year has been a year of change including a change in chamber management. Gene Allen was promoted to a better job and Raymond Greenwood hired to fill his position. Raymond's enthusiasm, experience, and drive will lead the Burkburnett Chamber of Commerce to the best years it has ever known.

The advancement of Dorothy Bryant and the hiring of Irma Johnson as Chamber Secretary provide other interesting changes in our chamber. Irma's smile and good nature can do no less than to advance Burk Chamber relations in every way.

A change was made from the summer Rodeo to a program in the Civic Center, the Glen Ash Show. It wasn't our biggest success and we admittedly made some mistakes. But at the same time a foundation was laid on which future programs can be built.

The local Christmas celebration activities saw pleasant changes in 1972. Instead of the regular ticket-give away drawing type program, the chamber organized and presented choral singing groups in the downtown area to go along with the community Christmas tree. These various groups of Christmas carolers spread the Christmas spirit through song to the many hustling shoppers and businesses in Burk. We hope that interest in this type program will grow even more in the future.

Change saw the beginning of the Downtown Merchants Auction, a program that can be a real financial and promotional boost to the chamber.

We had hoped for a change in the looks of the downtown area with the beginning of a Downtown Decoration Program but we didn't get this program rolling.

A change in the Chamber of Commerce Banquet for 1973 is noted. This year the banquet features a variety of local talent performing for all attending rather than the regular speaker-type program as we have seen in the past. Our 1973 banquet promises to be the most enjoyable and entertaining ever.

I have received the finest cooperation from the committee chairmen, directors and the downtown community in the past year. I am truly thankful for the privilege of being your 1972 Chamber of Commerce President.

Sheppard Plans Expansion In 1973

SHEPPARD AFB, TEXAS -- More than \$155 million was added to the economy of the surrounding area by the operation of Sheppard Air Force Base in calendar year 1972 according to figures from the base comptroller.

The largest single expenditure was \$111,404,000 for the military payroll. The civilian payroll was \$26,508,000 to make the combined payroll in excess of \$137,900,000.

Material costs were more than \$8,700,000. This consisted of supplies, equipment, and subsistence. Contract services including rentals, printing, facility projects, civil engineering services, educational training and maintenance of equipment amounted to \$5,800,000.

Travel expenditures was approximately \$1,350,000 while monies spent for communication

and utilities amounted to approximately \$1,500,000.

In addition to these costs, construction at Sheppard amounted to approximately \$3 million. This included military construction, operation and maintenance projects.

Of that amount approximately \$1,200,000 was spent for three military construction projects--non-destruct inspection laboratory, a 1,000-man theater and a

corrosion control facility.

Seven major construction projects are slated for calendar year 1973. They include two additional 1,000-man dormitories, a consolidated base personnel office, officers quarters, technical training building, base exchange and commissary. This will bring the total of large dormitory complexes at Sheppard to six. Two were completed and dedicated in 1972.

AT THE

OUR CHAMBER OF COMMERCE

EXPRESSWAY AT SHEPPARD DRIVE BURKBURNETT 569-3381

Lester Yates, 1973 Chamber of Commerce President

From Your President

By Lester Yates

The Burk Burnett Chamber of Commerce is supported by a large majority of the citizens, firms and businesses in Burk Burnett concerned with the general economic welfare of Burk Burnett and Wichita County. The basic goal in 1973 is to unite all concerned individuals in a common effort to accomplish the needs of our city and its contiguous territory. In this organized

effort these needs can be met in a way that could not be accomplished by any one individual.

The activities will need to be correlated in a manner to fulfill the greatest needs and at the same time make the chamber attractive to others and give us growth and the strong leadership it needs to carry out the programs of work.

Churches Work For A Better Community

There are seventeen churches in the Burk Burnett Community. These churches are active in their own ministries but also in doing the things that can better be done together.

Things the churches do together include: a welcome to new residents through the Greeter Service, sharing a Christian message through the Informer/Star, working for a good moral climate in which parents can rear their children, providing for welfare needs, and conducting worship services for residents of Evergreen Manor

and Hickory Elm.

Most of the emphasis and programs in which the churches participate together are directed by or coordinated through the Ministerial Alliance. The ministers meet monthly for fellowship and planning. The Alliance conducts two community worship services a year - at Thanksgiving and Easter.

Through the monthly meeting of the ministers and the twice a year worship services, a great cooperative spirit is engendered among the churches of this community.

From the Chamber of Commerce Manager

by Raymond Greenwood
 With the new year about to get underway for the Burk Burnett Chamber of Commerce it is hoped by the manager that the year will be as productive as it now appears.

The annual banquet this Saturday will break all records of attendance for previous chamber banquets if ticket sales continue as they have in the past few weeks. In addition to this, several new members have been acquired for the chamber this past month with more expected. Also a very promising industrial prospect has taken a very close look at Burk Burnett to make it its home. Results of this encounter will be known in the near future.

As you can see from this beginning, great things are expected this year.

One of the bigger undertakings of special activities by the Chamber this year will be hosting the first annual Boomtown Relays. Numerous track and field teams from all over the area are expected to come to Burk Burnett in March to compete with the local team in the first track meet ever held in Burk Burnett.

Later on in the year it is hoped that the Community Center can be put to good use for a good entertainment show by a well known artist or a similar type show can be sponsored by the Chamber.

As the constitution of the Chamber points out, this organization shall have as its purpose to promote the civic, commercial, industrial, and other interests of Burk Burnett, and to correlate the efforts of the citizens of Burk and the members of the Chamber to make Burk Burnett a better place to live.

The key to this purpose seems to be the word correlate. Perhaps a better word would be unite. For if the citizens of Burk Burnett and especially the members of the Chamber are united in their efforts then the cliché "the sky is the limit" would definitely apply here.

For anything to be successful it takes total commitment from each of those involved. Such is the case with our Chamber. It will take every member doing whatever he can for this to be a real successful year. Too, it will also

take the efforts of the citizens of Burk Burnett - - in the form of response to the various programs - for not only the Chamber to grow but for Burk Burnett to grow.

As pointed out in the second paragraph of this article the new year is just beginning for the Chamber and yet it has already started in good fashion. Let's support Burk Burnett, not just for the Chamber's sake, but rather for Burk Burnett's sake which is really for each of us that live here.

RAYMOND GREENWOOD, Chamber Manager
