MORE THAN A NEWSPAPER . . . A WICHITA COUNTY LEGEND SINCE 1908 . . .

VOLUME 65

BURKBURNETT, WICHITA COUNTY, TEXAS 76354

THURSDAY, AUGUST 30, 1973

NUMBER 52

Welcome To New Adults

18-YEAR-OLDS NOW ADULTS

August 28, 1973, a date to be remembered by all 18, 19 and 20-year-olds. Burk Burnett, as well as the rest of Texas, welcomed a new group of adults to her population.

The "18-year-old Majority Rights Bill" bestowed on 18, 19 and 20-year old Texans the full rights and privileges of those 21 and older.

This means that they can now purchase liquor, serve on juries, consent to abortions, enter into legal and binding contracts, borrow money, and in general, enjoy the full legal rights of citizens who are 21 and older.

The greatest change as far as law enforcement is concerned will be seen in the area of liquor violations. Instead of being treated as juveniles, they will be treated as adults.

Those persons 18, 19, and 20 can now be public notaries and it will mean that parents won't have to sign for a male 18 years of age. It had been recently moved to 19. Now it is the same for both males and females.

There is a change in the marriage laws. That is, that a girl under 16 can't be married in Texas. Until August 27, a 15-year-old girl could

be married.

In welcoming these new citizens, let us hope that they also realize the great deal of responsibility that goes along with being an adult.

The new law brings mixed feelings about the financial aspects. These new citizens will now have much more freedom in determining their personal and financial destinies and at the same time assume a greater responsibility for their behavior. The 18-year-old expects to be able to obtain credit because he is now more responsible. However, it will still be up to the bank or fi-

nance company to make the final decision on the loan.

Parents will no longer be under any legal obligation to support or educate a child after he or she reaches 18.

The strongest controversy in Texas, as well as across the country, has been centered on drinking. In comparisons made in other accidents, accidents involving drinking drivers between 18 and 21 rose shockingly. This has caused much concern for law officials.

The new adult group will have new medical decisions put into their hands, also. They can commit themselves to an

institution for the treatment of drug addiction or to a psychiatric hospital, as examples, without any parental consent.

With these young persons now eligible to serve on juries from the Federal level on down to the municipal courts, attendance at school on a full-time basis will probably become a valid excuse for getting off jury duty.

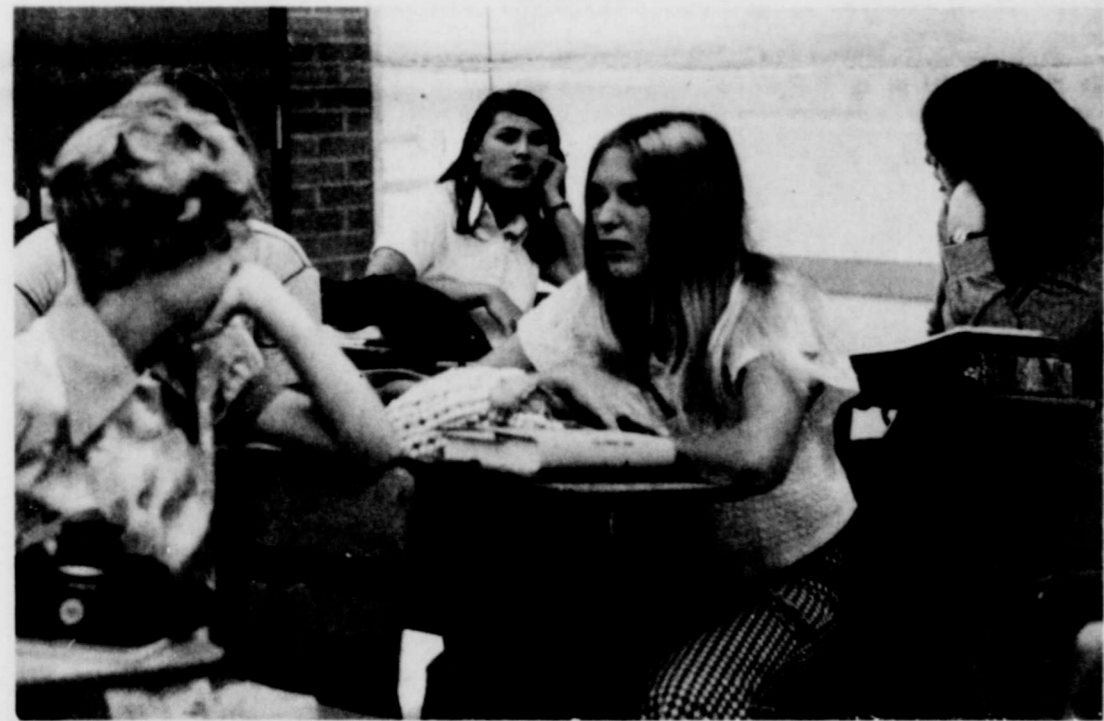

Let us hope that these new adults do realize the great privilege and responsibility given them and that they use it in their best interest.

Burk School Enrollment Up

Student enrollment in the Burk Burnett Independent School District showed an increase over last year. As of Monday, the total stood at 3,732 students presently attending the system.

Much of the increase in students is credited to the addition of Kindergarten classes to the Elementary Schools.

Present enrollment figures stand at: High School, 1,164; Junior High School, 916; Hardin Elementary, 359; Primary Building, 268; Sheppard - Burk, 591; and Southside Elementary, 434.

BURK "DOGS" LOOK TO WINNING SEASON

The Burk Burnett Bulldogs went to Altus, Oklahoma Friday night to scrimmage the Altus Bulldogs. Burk's first team scored two touchdowns while the second string scored four, to beat Altus 6 touchdowns to 2.

Outstanding players in the game were David Todd at Tight End; Larry Martin, Center; Zac Henderson, Halfback; Benny Wilkinson, Quarterback; and Charley Sladen, Fullback.

"Altus was big, but they didn't pack much of a punch," says Chris Strayhorn. "It was a good game".

The Orange Crushers have set a goal for the year, "Win District!" and it looks as if they have a good chance too! Even though there are only 6 returning starters, there are 14 returning lettermen this year that know what it takes to win.

Burk Burnett had a good season last year, and will have a better one this time around. Brownwood, for many years,

always had a good season up until last year, the last game, when the "Big Orange Blur" blurred into the "tough" city to beat them 32-0. You just can't beat Brownwood in Brownwood can you "Dogs"? Well, ole' Gordon Wood found out quick that that old tune had been changed to "Romp Brownwood in Brownwood".

The Bulldogs went to semifinals last year, in a real good season. But they're looking for an even better Gridiron season in '73.

Robinson, Wilkinson, and Henderson are the three returning defensive starters from last year, and Barrett, LaBrie, and Henderson will be returning offensive starters. The starting offensive backfield is O. B. Wilkinson, Sladen, Henderson, and Rushing. The offensive line consists of Larry Martin at center; David Robinson and Robert Chaney at guard positions and Rusty Barrett, Phil January in the tackle spots.

Mike LaBrie and David Todd are at both ends of the line.

In past go rounds, Burk has had excellent defenses and this time is no exception with linebackers Robinson, Chaney, and Ladd. Backs are Henderson and Wilkinson.

Many clubs and organizations will back the Bulldogs this year. Two of them especially, The Pep Club and the Band. The Band with the "second" fight song, "The Horse" and their "Kick 'em in the liver, stomp 'em in the mud, tear their hairy arms off, Blood, Blood, Blood" cheer will be heard all year at the games.

Bulldog fans will have a lot to look forward to this year, with most of the district games being played in Burk and close surrounding areas.

The Bulldogs are proud and are waiting to bite the opponents legs again. So let them bite away. Go Dogs!

Susan Nichols

COL. WAGNER TO ASSUME EXECUTIVE OFFICER DUTIES

SHEPPARD AFB, Texas -- Colonel Donald B. Wagner assumed duties as executive officer of the School of Health Care Sciences at Sheppard Air Force Base this month succeeding Colonel Jack C. McPhee who was transferred to Denver, Colo.

Colonel Wagner came to Sheppard from Randolph AFB, Tex., where he was chief of Medical Corps assignments for four years.

A veteran of 21 years service, Colonel Wagner entered military service as a physical therapist in 1952 and served initially at the USAF Hospital at Randolph AFB which was the thoracic surgical center for the Air Force at that time. At the conclusion of the Korean Conflict the Medical Service Corps which included dietitians, physical and occupational therapists, reverted to an all women corps.

Colonel Wagner then entered the Health Administration field and in 1955 went to the USAF Hospital at South Ruislip, England, as adjutant at the 125-bed hospital. He transferred to RAF Bentwaters England as administrator for the 25-bed dispensary.

In 1958 he returned to the States and Attended Baylor University receiving a master degree in health administration

in 1960. After two years at Wilford Hall Medical Center as associate administrator he went to the surgeon general's office at the Pentagon.

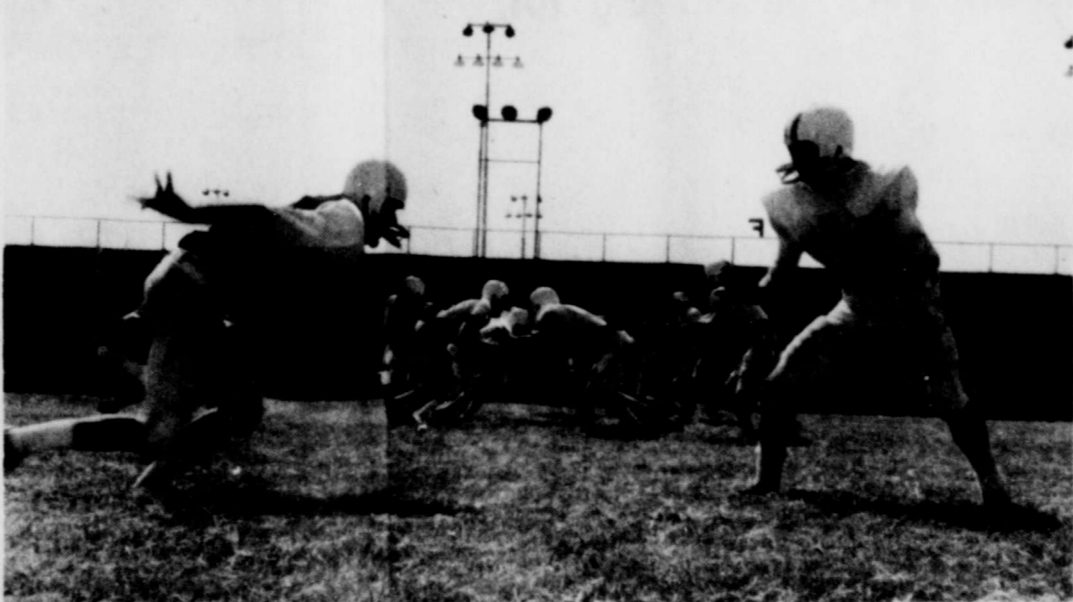

From 1962 to 1966 he was there in the consultant's division. He then went with the Office of the Surgeon at Headquarters United States Air Forces in Europe in Wiesbaden, Germany, where he was chief of facilities and financial program.

A native of York, Pa., Colonel Wagner received his bachelor of science degree from Co-

lumbia University College of Physicians and Surgeons in New York City.

Among his decorations are the Air Force Commendation Medal with two Oak Leaf Clusters.

Colonel Wagner and his wife, Jan, have four children, Kim who will be a freshman at Southwestern State College in San Marcos, Texas; Susan, David and John, who will be students at Burk Burnett. They reside at 201 Falcon Street in Capehart Housing.

Still much practice is going on to prepare for the real Gridiron '73 season. As they say 'practice makes perfect', and that's what these boys are working to achieve.

Susan Nichols Wins At Talent Olympics

Burk Burnett's own Miss Susan Nichols really did herself and her home town proud this past weekend in Dallas. She was a participant in the Texas Talent Olympics held at the Western Hills Inn.

Susan brought home the Texas Olympics Medal for her version of "Delta Dawn" in the vocal competition. Her entry in the "novelty act" category brought her a second place medal.

Those taking part in the Olympics were from every corner of Texas.

Miss Nichols, 13, is in the eighth grade at Burk Burnett Junior High School and is a majorette for the Junior High Band. In 1971, she was first runner-up in the Burk Burnett Our Little Miss Competition.

Susan is the daughter of Mr. and Mrs. Darrell Nichols of 407 Peach Drive.

YWCA To Begin New Fall Activities This Week

The Wichita Falls YWCA will be starting new fall classes soon and invite all interested persons to make inquiries on these programs.

Orientation for the parents of children who will be enrolled in the Scissors and Paste program will be held Friday, August 31. This program is designed for 3, 4 and 5-year old children.

Children are invited to attend the meeting along with their parents to get acquainted with the instructor, Mrs. Joan Martin. They will also be given

the chance to become familiar with the YWCA building.

The fall learn-to-swim classes will also begin Friday. No classes will be held on Labor Day when the YWCA will be closed.

American Red Cross lessons are available for children nine months of age through adult classes. Sessions are in 10 lessons and reservations should be made in advance.

A new class in slimnastics will be taken up September 5 at 9:30 a.m. This one-hour Continued On Pg. 2

Bell Files For Higher Rates

Southwestern Bell filed an application for an increase in basic telephone rates today with the Wichita Falls City Council.

In speaking with city officials, Lynn Morrison, district manager for the telephone company, reported that Southwestern Bell faces "continued inadequate earnings on our operations in Wichita Falls. This lower rate of return on our

investment in the face of today's higher cost of providing telephone service leaves us no choice but to seek this increase in local rates."

The new basic rates sought by the telephone company include a monthly increase in business one-party service from \$15.00 to \$17.25; residence one-party from \$6.25 to \$7.00; and residence two-p-

ty from \$4.80 to \$5.36.

"Present telephone rates in Wichita Falls were established in 1970, based on statistics gathered in 1968," Morrison explained.

"Since then, taxes, wages, and the company's investment in facilities in Wichita Falls have all increased to the point where the company cannot pru-

supervised period of exercise will be held each Monday, Wednesday and Friday with Mrs. Dale Morford of Burkburnett as instructor. Contact the YWCA, 801 Barnett or 723-2124, for information on enrolling in these classes.

The Vernon Johnson family lost their home and possessions in a recent fire. Anyone wishing to donate clothing or household articles may do so by calling 569-2076.

The family is presently residing with Mrs. Johnson's parents, Mr. and Mrs. J.E. (Doc) Gentry. Questions as to their needs may be answered by calling the above mentioned number.

Continued From Pg. 1

Bell...

dently operate under the present rates."

Morrison stressed that Southwestern Bell has been able to hold the line on basic rates over the last three years with more effective operating cost controls and the use of technological advances in equipment and facilities.

"The company has done all it can to keep operating expenses here as low as possible," Morrison said, "but the only fair solution is this request for a reasonable increase in rates in line with today's higher costs. We hope this request will receive prompt and favorable action."

In Dallas this week, Southwestern Bell announced an adjustment of telephone rates for long distance calls within Texas which will produce an after-tax revenue gain of less than \$12 million (\$23 million before taxes) to the company. This amounts to a little less than 2% of the company's total operating revenues in Texas.

T.O. Gravit, vice president for Southwestern Bell operations in Texas, said the new rate schedule will increase the cost of most three-minute interstate calls from a few cents to a dime. The change is effective September 24.

Obituaries

Claude E. McDonnell

Funeral services were held last Thursday at 2:30 p.m. for Claude E. McDonnell, 56, who died Tuesday in a Wichita Falls hospital.

The Rev. Max Dowling, minister of Central Baptist Church, officiated at the services held in the Owens & Brumley Funeral Home Chapel.

Interment was in the Burkburnett Cemetery under the direction of Owens & Brumley Funeral Home.

McDonnell was born in Temple, Oklahoma, August 13, 1917.

Survivors include his wife, Geneva; two daughters, Mrs. Nancy Quillet of Arlington, Texas and Mrs. Bobbie Hale of Munster, Texas; a brother, Henry of Burkburnett; four sisters, Mrs. Eva Ross of Burkburnett, Mrs. Ann Groves of Odessa, Texas; Mrs. Lois Johnson of Walters, Okla. and Mrs. Nellie Caver of Fort Worth; and eight grandchildren.

Mrs. Marie J. Ifland

A long-time resident of Burkburnett, Mrs. Marie J. Ifland, 77, died in a nursing home here last Friday.

Services were held at 2 p.m. Sunday in the First Christian Church. The Rev. John White, pastor, officiated.

Burial was in the Burkburnett Cemetery under the direction of Owens and Brumley Funeral Home.

Born October 14, 1895 in Finley, Ohio, Mrs. Ifland had resided in Burkburnett since 1922. She was a member of the Christian Church and Order of Eastern Star. She is survived by four cousins.

Marriage Nuptials Recited By Miss Pace, McElroy

Miss Judy Jean Pace, Denver, Colorado, daughter of Mr. and Mrs. Kenneth L. Pace, Burkburnett, and William R. McElroy, Denver, Colo., son of Mr. and Mrs. Lawrence McElroy, Grosse Pointe Woods, Michigan, were married Saturday afternoon in the First Baptist Church Chapel.

An archway of candles and baskets holding gladioli decorated the chapel. The Rev. A.D. Campbell, Jr., Sherman, Texas, Minister of United Methodist Church, Denison, Texas, a life-long friend of Mr. Pace, read the vows. The couple plan to live in Denver, Colorado after a wedding trip to New Orleans, La. and Los Angeles, California.

She is a graduate of Burkburnett High School and the University of Texas at Austin. The groom is a graduate of Western State College, Gunnison, Colo. He is Director of Date Processing for the Martin Marietta Corporation in Denver.

The bride, given in marriage by her father, wore a gown of white Spanish lace and chiffon, trimmed with a crepe ruffled skirt and a short train. She carried white carnations and gladioli.

Miss Lou Ann Watts of Austin, Texas, was maid of honor and Mrs. Donna Norris, Cheyenne, Wyo. was bridesmaid. Miss Watts was dressed in an orange flowered violet made Empire style gown. She carried a nosegay of blue carnations. Mrs. Norris wore an Empire style blue dress and carried orange carnations in her nosegay.

Best man was Larry McElroy, Warren, Mich., brother of the groom. Dean Pace, brother of the bride, was groomsmen. Ushers were Lee Norris, Cheyenne, Wyo. and Charles Lawson, Burkburnett.

A reception was given in Fellowship Hall by the bride's parents. Miss Cathy Curtis, Wichita Falls, greeted the guests at the reception desk. Serving at the reception were Miss Carol Baker, Austin, Tex., Miss Delana Sue Lawson, Ft. Worth and Mrs. Sandra Lawson, Burkburnett. Assisting at the reception were Mrs. Goldie Gilbert, Mrs. Herman Miller, Mrs. Zelma Sutherland, and Mrs. Sue Vaughn.

Out-of-town friends and relatives were: Mrs. Carl Law, Schertz, Texas; Mrs. Max Cole and children, Kenneth and Melissa; Mr. and Mrs. Edwin O. Pace, Breckenridge, Texas; Mr. and Mrs. Wayne Pace and grandchildren, Cobble and Ian, Ft. Worth; Mr. and Mrs. Buford Lawson and Delana Sue, Ft. Worth, and Mr. and Mrs. Glen Pace, Dallas.

INTRODUCING CORY EDWARD LEONARD, 27-month-old son of Mr. and Mrs. Randy Leonard of 601 Glendale. Grandparents are Mr. and Mrs. W.C. Leonard and Mr. and Mrs. Charles E. Skelton, all of Burkburnett. Great-grandmothers are Mrs. Jack Hatcher of Burkburnett and Mrs. J. Earl Kunta of Wichita Falls.

INTRODUCING MISS REBECCA ANN LOONEY, two-month-old daughter of Mr. and Mrs. Randal Looney of 615 West Third. Grandparents are Mr. and Mrs. Jean Looney and Mr. and Mrs. Hubbert Provence, all of Burkburnett.

Ag. Dept. Sets Meetings On Food Stamps

The United States Department of Agriculture, Food and Nutrition Service will conduct meetings with all retail and wholesale grocery firms in Wichita County according to Carl Speegle, Officer in Charge of the Abilene and Wichita Falls Field Offices. The purpose of the retail-wholesale grocery meeting is to familiarize the business owner-managers with the procedures and public laws which they will be expected to abide by once they are authorized by the United States Department of Agriculture to accept USDA Food Stamps. Mr. Speegle encourages all retail grocers, bank representatives and Department of Texas Welfare personnel to attend this meeting. Retail information kits have been mailed to retailers. All retailers who have received the kits are encouraged to bring them to the meeting. The meetings will be held Friday, August 31 in the Wichita County Court House, 4th Floor, First Aid Instruction Room at 7:30 p.m. It is important that all retailers and wholesalers in Wichita Co. attend this meeting.

Mrs. Gregory Robert Shy (Miss Claudia Nell Hayes)

Hayes, Shy Vows Solemnized In Poplar Bluff, Missouri

Miss Claudia Nell Hayes and Gregory Robert Shy were united in marriage Sunday, August 19 in their church in Poplar Bluff, Missouri.

The bride is the daughter of Mr. and Mrs. Claude D. Hayes of Poplar Bluff. Mrs. Hayes will be remembered in Burkburnett as Frankie Nell Kennedy, daughter of Mrs. J.D.

Kennedy and the late Mr. Kennedy.

Parents of the groom are Mr. and Mrs. R.D. Shy of Skeston, Mo.

After a honeymoon trip, the couple will be returning to Southeastern University at Skeston to continue their studies.

Theta Epsilon Plan Third Rush Activity

Rushes and their families honored at a hot dog jamoree on August 25th in Lamar Park were Mr. and Mrs. Floyd Wilson, Mr. and Mrs. O.D. Smith, Mrs. Van Hinoe, Mrs. Jean Carr, and Mrs. Carl Woodall. Mrs. Henry Vaughn and Mrs. Clarence Bridges were hosted and welcomed and served about 60 members, families and guests for food and fun. Special guests were families of the members of Theta Epsilon, Mr. and Mrs. Bruce Sheperd, and Mrs. Royse Brown of Wichita Falls.

The third rush activity will be a continental breakfast on September 8th.

Dempsey Serves At Summer Baptist Assembly

GLORIETA, N. M.-- Robert Dempsey, 510 Harriett, Burkburnett, has been employed this summer by Glorieta Baptist Conference Center, a year-round Baptist assembly, owned and operated by the Sunday School Board of the Southern Baptist Convention. Dempsey, 19-year-old student at Midwestern University, Wichita Falls, is a member of First Baptist Church, Burkburnett.

Bartow Teague Family Holds Reunion At Olney

The Bartow B. Teague Family Reunion was recently held in Olney, Texas at the town's Senior Citizens Building.

A short devotional service was conducted by James Vernon Teague of Olney. The reading of Psalm 1 was done as a memorial to the Christian influence of Mr. and Mrs. Bartow B. Teague.

A delicious meal was served and shared by the following attending members of the family: Mrs. G. R. Sloan and Kenneth, Mr. and Mrs. J. Norman Cantwell, Mr. and Mrs. C. E. Knight and Mr. and Mrs. E. O. Mullins, all of Burkburnett; J. C. Whitworth of Durant, Okla.; and Mr. and Mrs. Floyd H. Teague of Jerymn, Texas.

Mr. and Mrs. Waymon Lee, Darlene and Donetta, Mr. and Mrs. Emmitt Reynolds all of Newcastle; Mr. and Mrs. Tim

Robison of Archer City; and Mr. and Mrs. Robert Teague of Wichita Falls.

From Olney were Mr. and Mrs. Jackie Harris, Mrs. Jeanie McAnally and Christi, Mr. and Mrs. J. V. Teague and Mrs. Thelma Lee.

Also, Jim and Nancy (Teague) Newsom and Erica and Mrs. Mary Della Teague of Graham; Mr. and Mrs. Eugene Oatman, Wilson and Elizabeth, from Loving, Texas; and Stella (Teague) Hardin of Dallas.

Mrs. J. V. Teague brought to the gathering a reading of the Teague family history.

Recreation for the afternoon included games and hymn singing.

News & Notes
By ...
Raymond Greenwood
Chamber Manager

As many of you know, and are finding out, the Chamber will soon be without its number one man. Our president Lester Yates is being promoted to a district manager for Lone Star Gas and will soon be moving to Seymour to take over a large district in that area. We at the Chamber are going to greatly miss Lester, not to mention the many other places he has left his mark of success--like his church and this community as a whole.

It makes one feel good to know that the leaders of this town are the type individuals that are wanted by others for higher, more responsible positions. But, at the same time it hurts a little to lose them and have to begin to find someone who can fill their places. Good luck Lester.

Chamber members and local businessmen are urged to be at The Galley (printing and office supply business) Thursday morning at 10:30 for coffee and donuts.

Carl Sjolin, owner, and his staff have recently moved into a larger building at 224 E. 3rd. He has expanded his office supply stock as well as his printing services in order to keep pace with growing Burkburnett.

Another businessman, Joe Pugliesi, who owns J & L Electronics has also enlarged his facilities as he moved next door to the building vacated by The Galley. Joe has a remarkable success story behind his business. He started only a few years ago in an exceptionally small one room building. Now through a series of moves he is in a much larger building, a must case again in order to keep up with his ever growing business.

Burk can be proud of its expanding business district, especially of the efforts made by local business people in the last year or so.

One way local citizens can insure even more growth and a better selection of goods and services in Burkburnett is to do what the Chamber has been urging for years--Shop Burk First.

Mother to the little boy: "I don't care if the living room walls are cracked. Stop telling everyone you come from a broken home."

"Please remember," said the irate female, "that I am a lady!"
"Madam," replied the male companion, "your secret is safe with me."

55 Present At
Senior Citizens
Meet Recently

The Senior Citizens met at the Civic Center August 22. Fifty-five were present. President Al Lohofener presided.

Mr. Lohofener introduced the speaker, Rev. John White, of First Christian Church. Rev. White talked about love and friendship.

Mrs. Raymond Scruggs sang several songs, which were enjoyed by all members.

One visitor was present, Mrs. Ethel Parrack and the club gained two new members, Mrs. Bertha Lynch and Mrs. Katherine McKinnis.

The T.A. Bannings and Mrs. Magill were welcomed back.

Free from care...

at least for awhile. But if you provide them with Life Insurance now, they'll have one less worry in the years to come.

Devol Doings

Miss Linda Hagstrom and Ronnie Dorton were honored with a pre-wedding shower Thursday, August 23rd in the Devol Community Building. The couple will be married September 7th in the Burkburnett Church of Christ with Rev. Ed Morris, Minister officiating. White set over purple covered the reception table which featured an arrangement of spring flowers displayed in the horn of plenty. Punch was served from a crystal service. Sherri Hagstrom, sister of the bride-to-be, registered guests at a table decorated with a lace table cloth.

Special guests were Mr. and Mrs. J.W. Dorton, parents of the groom; Mrs. Joy Hagstrom of Burkburnett, mother of the bride; Mrs. Clark Gresham, grandmother of the bride, and Mr. and Mrs. C.J. Thomas, grandparents of the groom of

Walters. *****
Sunday company of Mr. and Mrs. Jimmy Fox were Mrs. Fox's parents, Mr. and Mrs. Ray Adams and her grandmother, Mrs. Grace Adams, all of Snyder, Oklahoma. *****

Mr. and Mrs. S.H. Turner, Jr. and Mrs. Nevada Turner attended the funeral services Monday in Temple for W. L. Taylor, only brother of Mrs. Nevada Turner, who died Sunday at his home.

Services were held in the First Baptist Church with the Rev. Jack Stanley and Rev. Wilford Wiesel officiating. Burial was in the Masonic Cemetery under the direction of Wyatt Funeral Home. *****

Kenny Garvin and Terry Taylor exchanged wedding vows in a double ring ceremony Saturday evening in Burkburnett at the home of Rev. Kenneth Benson, pastor of the Assembly of God Church, who officiated. Parents of the couple are Mr. and Mrs. Ray Garvin and Mr. and Mrs. Gene Taylor. *****

A lace trimmed green double knit street-length dress was chosen by the bride for her wedding and she carried a bouquet of split chrysanthemums. *****

Miss Judy Tinsley was maid of honor and Robert Gayl Hopkins served as best man. Stepney Garvin was ringbearer and Judy Garvin registered guests. Rev. and Mrs. J. W. Elliott were honored guests. The couple plan to make their home in Devol.

Kenny plans to finish his senior year of high school work this year and Terry is a 1972 graduate of Big Pasture High School. At present Kenny is employed at the Glass Craft Company in Grandfield and Terry is working at Sprague Electric Company in Wichita Falls. *****

At the reception following the wedding punch was served by Debbie and Janet Garvin and Karen Taylor, sisters of the bride and groom. *****

the bride and groom. *****
Mrs. Jimmy Bryan and daughter, Connie, of Iowa Park spent Sunday with her mother, Mrs. Lillian Hutson. *****

ROUND THE TOWN

By Sylvia Lohofener

Mrs. E.L. Neal, the proprietor of the House of Beauty Salon, has returned from a trip to California. She, with her son Allen Neal of Wichita Falls, flew to Los Angeles. Allen's wife, Peggy and son Kevin and Peggy's mother, Mrs. Dorothy Groat and her brother Bill and family were already in Calif. having gone a week earlier for a longer visit. Allen Neal joined them in L.A. They spent two days in Disneyland, then visited the Queen Mary in Long Beach. From there they spent three days in Pismo Beach. They visited Mrs. Allen Neal's relatives and friends in Hanford, Calif. While there,

Mrs. E.L. Neal visited several hours with Mr. and Mrs. Ralph Brookshier, who are former residents of Burkburnett. They all returned to Texas Sunday. Mrs. Neal had a glorious experience, this being her first plane trip and first visit to California, all of which she thoroughly enjoyed.

Mr. and Mrs. Wesley Harris of College Station visited her mother, Mrs. Weida Wilkinson and other relatives here last week.

Mr. Charlie Morris is in Bowie receiving tests and treatment from a doctor friend in

the Bowie Nursing Home.

Mrs. A.W. Coles was taken to the Wichita General Hospital Saturday night for treatment and tests.

Mr. and Mrs. S.E. Askins visited relatives at Lakewood, Texas over last weekend.

The cousins of Mrs. Marie Ifland, who attended her funeral services Saturday afternoon were: Helen Ernt of Tahlequah, Okla.; Florence Harold and daughter, Mooyleen, of Albuquerque, N. Mexico; Mrs. Earl (June) Dixler of Bentonville, Ark.; and Mr. and Mrs.

J.T. Dixler of Duncan, Okla. Mrs. Ifland, 77, was a resident of Burkburnett since 1922. She had been ill for several months in the Wichita General Hospital following surgery, then in Medcenter for several weeks before moving to the Evergreen Manor Nursing Home where she lived only a few days. Her only survivors were the four cousins.

Charles Perry of Birmingham, Ala. spent a few days last week visiting his aunt, Mrs. Roy Anderson, and his uncle and aunt, Mr. and Mrs. Ralph England, in this city.

Mrs. Myrtle Hatch fell from her bed Saturday of last week, breaking some ribs. The accident is proving quite painful.

Mrs. Marie Horak and daughter, Ann Marie, left by plane Tuesday for their home in Schuyler, Neb. after a two weeks visit here with her mother, Mrs. H.J. Tyler, and family.

Roberta and Carl Martin returned home here by plane last week after spending the summer in Chicago, Ill. with their father, James H. Martin.

Mrs. Walter Riley underwent surgery Wednesday in Wichita

General Hospital. She returned to her home Monday and was feeling fine. Her sister, Mrs. Ida Babby, of Oil City, La. has been with her for the last couple weeks.

Back Hunt made a trip to the Alpine area and on into South Texas and brought home a load of cacti plants and nursery supplies to add to their nursery stock, located on Sheppard Road.

Mrs. Ruby Plemons has returned from a three weeks visit to Corpus Christi. She visited her brother, Raymond Hunt and wife, and was with him while he had knee surgery and a pace-maker heart operation. He is slowly recovering at this writing. She also visited Lt. Com. Jimmy Hunt, Raymond's son, who is stationed at Brownsville, Texas.

Mr. and Mrs. J.R. Reagan visited their son, Kenneth, and family in Oklahoma City. Mr. and Mrs. J.L. Caffee, who went with them, visited Mrs. Caffee's sister and husband, Mr. and Mrs. G.W. Evinger. They all returned home Sunday night.

Bill and Janice Eskut and children of Baltimore, Maryland spent several days last week with her father and wife, Mr. and Mrs. Henry Hall, of this city.

Mr. and Mrs. Clarence Harvey of Oklahoma City visited her sister, Mr. and Mrs. B.N. Cauthorn, Sunday.

Al and Sylvia Lohofener spent Saturday night and Sunday in Abilene with their daughter, Mr. and Mrs. Charles White, and family.

Miss Lena Patton is in Medcenter in Wichita Falls receiving treatment and tests.

A.C. Houser, a patient in Medcenter, and who has been ill for many weeks, is much improved and is able to use a walker and take a few steps.

Mrs. A.C. Houser (Lena) is expecting her cousins, Mrs. Lila Smith of Corpus Christi, and Mrs. Neely Brown of Dallas, to arrive Wednesday or Thursday for a few days visit.

Mrs. Marvin (Octavia) Henderson underwent major surgery Friday in the Wichita General Hospital. She is recovering nicely. Her sister, Mrs. Johnnie M. Grundy from Tyler, Texas has been here with her for several days and will remain here for some time.

Rev. and Mrs. J. Dean Stout and children of Deer Park, Wash. visited her aunt, Mrs. Nornie Wilkinson here Thursday.

Mrs. Nornie Wilkinson and son Bobbie Wilkinson visited Mr. and Mrs. Henry Marchbanks and other relatives in Levelland, Texas from Saturday until Monday of this week.

Alden Smith is spending several days at home enroute to Hillsboro following a three-month trip to Europe. While there, he spent time with former Burk residents, Dr. and Mrs. Jim Davey in Limbach, Germany and Miss Sheila Davey in Heidelberg, Germany. He reports that Czechoslovakia still holds his greatest interest as he spent one month visiting Prague and the eastern provinces.

Jim Barcus, a former Wichitan whose late father, the Rev. Ed Barcus was one-time district superintendent of United Methodist Church in Wichita Falls, died Sunday in a Dallas hospital.

Services were held at 9 a.m. Tuesday at the White Rock United Methodist Church in Dallas with burial in Dallas. Barcus resided in Dallas with a sister, Mrs. Herb Minga, whose husband, Dr. Minga, formerly was pastor of Burkburnett First Methodist Church.

Airman Martin B. Neher

Martin Neher Stationed At Sheppard AFB

SAN ANTONIO - Airman Martin B. Neher, son of Mr. and Mrs. Martin D. Neher of 900 Artee, Burkburnett, Texas, has been assigned to Sheppard AFB, Texas, after completing Air Force basic training. During his six weeks at the Air Training Command's Lackland AFB, Texas, he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Sheppard for specialized training as a dental assistant. Airman Neher is a 1973 graduate of Burkburnett High School. His wife, Linda, is the daughter of Mr. and Mrs. Buford Woods, 1029 Janlee Drive, Burkburnett.

MSgt. Hugh Halpain of 207 West First Street proudly displays a 16 pound cantaloupe that he grew in comparison with a 10 pound. Halpain and his family moved to Burkburnett in May, 1972 from Charleston, N.C. He is presently stationed at Sheppard AFB and plans to retire in Burk. The Halpain's have one son, Hugh III.

by JIM HILL

Well, I guess this will serve as a kind of "introduction" column! The name's Jim Hill, the boss of "Hill Country" on KLUR radio. "Hill Country" is heard on KLUR from 10 a.m. 'til 2 p.m. Monday thru Friday.

A couple of things to mention now would be that this is going to be an entertainment-type column, reporting on things that are happening around Burkburnett, North Texas-Southern Oklahoma and the world! Whew, talk about territory!

I'm going to need YOUR help, tho. Since various performers write to me about their activities so that I can keep up with them, I want YOU, the people of Burkburnett to contact me and let me know about plays, church activities, shows, rodeos, well, anything that fits into the category of entertainment! Of course country music is going to be a prominent subject, since I play about a thousand country records a week on KLUR!!! And love every minute of it! . . .

So, if you have any items on entertainment, news topics, give me a call at the radio station, 322-3127, after 2 p.m. or before 10 a.m. I really want to talk to you!

Lets you and I get together on this and let everyone know what's happening, entertainment-wise, in beautiful Burkburnett!!!

COUNTRY MUSIC CLIPS: Hey, how about that fantastic weekend of August 17th and 18th!! Country music was "King"!! Friday night Tony Douglas, Charlie Walker, Leona Williams plus newcomer Mark Scott entertained at Memorial Auditorium in Wichita Falls. Saturday night the best jamboree show around, the Boom Country Jamboree in Burkburnett took place at the cool, comfortable Civic Center. Bozo Darnell, young talented Greg Roberts, the Finleys really know how to put on a show!! How about little Michele Nixon, Miss Talent, indeed!! She's gotta be the cutest kid anywhere!!!

A sidelight: Michele and I were standing off stage waiting to go on when she wrapped her arms around me and just looked up! Oh, fluttering eyelashes!! Talk about a gal who could break your heart!! Burkburnett has every right to be proud of her!!

Also happening on Saturday, August 18th, Johnny Rodriguez came to Wichita Falls and sang

up a storm!! We had a ball with Tony and gang, the Boom Country bunch and Johnny R.!!

HITS AND PIECES: Any vacation left? Oh, ya?! Well make haste to Nashville (by train, car, plane, or boat, Hmmm, with wheels of course) and help 'em celebrate the 48th Grand Ole Opry birthday, October 19th-20th. Gonna be lots of fun.

A QUICK HO: KLUR's Jim O'Keefe, New York City born country DJ!! "Broadway Jim" is on the air from 2 p.m. til 6 p.m. and fills the area with more jokes and offbeat stories than anyone else around! He's going to Midwestern University, likes country music and has the world's biggest nose!! We kid him about it a lot but he "nose" it's all in fun!! "Broadway Jim" is a good guy and you can see him at the Boom Country Jamboree every so often and, Hey, O'Keefe and I will be carrying the KLUR banner in the Clay County parade on September 13th at 4p.m. in Henrietta, come out and join us!!!

Well, for sure I'm going to dose now.

PIECES: I want to again remind you to call me, 322-3127, weekdays and let me know what's happening with the folks in Burkburnett. I hope you "hear from me" in Hill Country from 10 a.m. - 2 p.m. on KLUR. So long everybody!

Skaters Prepare For Party

The Orbit Skate Club met Tuesday, August 21 at the Orbit Skating Rink in Wichita Falls. President Frank Miller was in charge of the business meeting.

John Elam, chairman of the nominating committee presented a slate of officers for the new year. Officers elected are President, John Elam; vice-president, John Robinson; secretary-treasurer, Doris Calways and means chairman, Ann Thomas; reporter, Judy

Long and membership chairman, Marian Rice.

Frank Miller will report at the next meeting on a patch that competitive skaters can buy.

Mickey Spreitzer was appointed chairman for the Good Luck Party. It will be held Wednesday, August 28 at the home of Mr. and Mrs. Jerry Robinson and is for competitive skaters attending the meet in Grande Prairie over Labor Day. The next regular meeting will be September 18.

Farmcast

Compiled From Sources Of The Texas Department Of Agriculture
John C. White, Commissioner

Add Another Three Million . . . It's One Hundred Million Above 1972 . . . Fifty-four Per Cent More.

Crop production records in Texas continue to climb. For example, you can add another 3,000,000 bushels or so to the 1973 Texas wheat crop; add 100,000,000 bushels more to the grain sorghum crop; the corn crop in Texas is up 54 per cent this year from a year ago.

Latest estimate now on the wheat crop in Texas is 98,600,000 bushels. This is the second highest ever. Back in 1947-26 years ago—the Texas wheat crop totaled 116,960,000 bushels. Yield this year will be a new all-time record high of 29 bushels per acre.

Texas, the leader in the nation in grain sorghum, is out-doing itself this year in that commodity. Expected production now is forecast at 414,800,000 bushels. This compared with 319,780,000 bushels in 1972.

This year's estimate (it could even go higher) is the largest ever. Yield this year will average 61 bushels per acre, another record high. That means an average of 3,416 pounds per acre. Several reports indicate 5,000 to 6,000 pounds grain sorghum on dryland in Texas this year.

ADD 54 per cent on to the 1973 corn crop compared to 1972, says the Texas Crop and Livestock Reporting Service.

Corn production in the state this year is forecast at 60,800,000 bushels. A record per acre average of 95 bushels per acre is expected for Texas this year, the highest ever.

COTTON crop for Texas this year is expected to reach 4,500,000 bales, which would be the largest crop since 1965. Acres for harvest are estimated at 5,500,000 compared with 5,000,000 acres in 1972. Yield is expected to average 400 pounds per acre, which is only the third time in history when Texas produced that much on a per acre basis.

TEXAS also continues to be ahead of the rest of the nation in cattle on feed. The latest report shows that there are 2,302,000 head of cattle and calves on feed in Texas. This is nine per cent above a year ago but one per cent below the number on feed a month ago.

Marketings of fat cattle during July totaled 389,000 head, which is five per cent above July of last year and three per cent above June, which again proves that Texas cattle producers are not holding cattle in spite of the price freeze.

Texas had almost 700,000 more cattle on feed as of August 1 than the second-ranking state, Iowa.

Nationwide, the number of cattle and calves on feed in the seven major cattle feeding states totaled 9,122,000 head. This is four per cent less than a month ago but two per cent more than a year ago at this time.

JULY milk production in Texas is up by only one per cent from a year ago, and is one per cent below the previous month, which continues to bear out predictions of lower milk production.

Nationwide, milk production during July is 3.3 per cent less than a year ago. The number of milk cows is also down 2.5 per cent from a year ago.

Pasture and range conditions over most of Texas are rated good to excellent. However, a large portion of West Texas is rated as poor to fair.

NEW regulations regarding brucellosis control are now being studied throughout the state. A public hearing on them will be held in Austin September 18 by the Texas Animal Health Commission.

Ken W. Youngblood

Ken Youngblood Receives B.B.A. From McMurry

Ken W. Youngblood, 21-year-old son of Rev. and Mrs. Don S. Youngblood graduated Friday night, August 17, from McMurry College in Abilene. After completing the required schedule in three years time, Ken received his B.B.A. (Bachelor of Business Administration) with concentration in management.

As a freshman at McMurry, Ken was a Student Association Government Representative. He was vice-president of his Sophomore class. For 2 1/2 years, he has been a member of KIVA social club. He was taltwister for the club last year.

During his senior year, Ken acted as Assistant Dorm Counselor.

Marlboro Model Is Local Man, Dean Myers

Dean Myers, model for the Marlboro Cigarette commercials, recently flew to Great Falls, Montana for the shooting of more pictures to be used for advertising. Ranches in the Great Falls area will be used for the shoot.

The current billboard ad using a cowboy's hands resting on a saddle horn, is in fact Dean himself. He is also the cowboy featured with the horses in the silhouette pictures, seen on many of the country's billboards.

Other pictures of Dean are seen in the August 20 issue of U.S. News, Time and some sports magazines.

Sports Afield

By Ted Kesting

To unkink the memory coils in monofilament, unwind about 100 to 150 feet of the working line and soak it in warm (not hot) water. The mono will absorb water and soften.

By midsummer, the almost endless variety of caterpillars have grown big, fat and lazy, with many dropping from tree limbs and leaves into streams and ponds. This is your cue to use big woolly-worm ties which imitate juicy caterpillars.

Over one-million rural acres have disappeared every year for the last decade, says the Economic Research Service. Urban development has gobbled up 750,000 acres annually. Roads and airports take 130,000. Reservoirs inundate 300,000 acres a year. By the year 2000, the Service forecasts 34-million acres of prime wildlife habitat will no longer exist.

The Utah Division of Wildlife Resources has been informed by the Bureau of Sport Fisheries that three pintails tagged in Utah have been shot in Russia. One yearling pintail was tagged at the Public Shooting Grounds August 18, 1970, and bagged in Russia June 4, 1971. A mature hen, tagged at Ogden Bay September 4, 1967, was shot in Russia on September 1, 1970. And a drake, tagged at Ogden Bay on August 29, 1968, was brought down by the Soviets in August 1971.

Tips for using electricity efficiently:

Resist the temptation to set your thermostat lower than you need to.

Air conditioning engineers recommend that thermostats be set at 76 to 78 degrees for comfort and economy. Every degree below this requires units to work harder and use more electricity.

However, if you plan to be away all day, you can economize by raising the setting five degrees. Turn off the unit when you go on vacation, unless there are items that might be damaged by the heat. If so, leave the unit on, but raise the setting at least five degrees.

Here are some other things you can do to keep your costs as low as possible:

Enjoy cleaner air and lower costs by keeping the filters clean. A dirty filter causes the unit to work harder. Check them at least once a month. If it's a permanent-type filter, clean it according to the manufacturer's directions. Disposable filters should be replaced at least every 90 days, or earlier if necessary.

Also, keep out direct sunlight with awnings, blinds or draperies. Weather-strip doors and windows, and properly insulate walls and ceilings. Be sure the fireplace damper is closed. And, when possible, bathe, cook and do the laundry during cooler parts of the day to prevent heat buildup.

It's our job at Texas Electric to help you get the most value from your electric service. When you have questions about electric air conditioning, or any other use of electricity, please call us. For our free booklet, "Tips to help you use electricity more efficiently throughout your home," call or come by our office, or request one on the comment portion of your electric service bill.

BUILDING STRUCTURE-- Airman Kim Farlin and Airman Basic Patty Willis work on a structure in their carpentry course at Sheppard's School of Applied Aerospace Sciences. Working with them is Airman Basic Charles A. Holden. Airman Farlin and Willis were the first enlisted women to enter the carpentry career field in the Air Force. (OFFICIAL USAF PHOTO BY AIRMAN FIRST CLASS LARRY ORR)

Airman Patty Williams First Woman Carpenter In Air Force

SHEPPARD AFB, TEXAS--For Airman Basic Patty Willis to be a carpenter is not unusual since she comes from a family who have traditionally been involved in that trade; but for her to become a carpenter in the United States Air Force is out of the ordinary.

There were no enlisted women in the carpentry career

field before she and Airman Kim Farlin graduated last week from the Carpentry Specialist course at Sheppard AFB, Airman Willis went to Eglin AFB, Fla., and Airman Farlin, to Tyndall AFB, Fla.

Airman Willis has nine uncles who work as builders in her hometown of Springfield, Ore. She helped her parents build two

homes and thought she knew much about carpentry.

But, she reports that it took only about 20 minutes of the first day for the instructor to cover what she knew about woodworking. From then on, she was on an equal with the other students. Her advantage was gone.

A former bookkeeper for a civilian concern, Airman Willis chose this eight-week course at Sheppard so that she could work with her hands and be outside.

"I absolutely loved it," the Oregonian said in summing up her training at Sheppard in the Department of Civil Engineering Training of the School of Applied Aerospace Sciences. The course included a study of hand tools, cabinetmaking and framing a 12' x 12' structure, finishing and installing the interior and exterior siding.

Airman Willis completed high school in 1967 and worked for five years before she entered the Air Force. She chose to learn a new trade.

A native of Pekin, Ill., Airman Farlin chose carpentry because she likes to work with her hands too. She graduated from high school in 1971.

Both finished basic training at Lackland AFB, Texas, prior to coming to Sheppard, and are assigned to the School of Applied Aerospace Sciences.

SHEPPARD AFB, TEXAS--FILMING--Filming a scene for a Sheppard Air Force Base training aid are cameramen Sergeant Tim Standridge, left, and Sergeant Steve Jungers, with the Audio-Visual Branch of Sheppard's Training Services Division. At the desk waiting to begin action is Sergeant Arthur Harrington, also with the Training Services Division. (USAF PHOTO BY AIC LARRY ORR)

MARS Program Aid To Service

SHEPPARD AFB, Texas -- MARS is calling! Are you on the line? The Military Affiliate Radio System, (MARS), operated by the 2054th Communications Squadron at Sheppard Air Force Base, is offering to send messages and make radio-telephone patches for active duty people, retired military and civil service employees in the Sheppard area.

The base MARS station provides radio-telephone patches into a 13-state area as long as there is a base located in the local area which one calls. Another service available is

message traffic, 25 words or less, which can be sent worldwide with no limit of the messages sent.

A primary purpose of MARS is to perform emergency communications in case of local or national disaster, and provide a secondary communication system for the base. The MARS station at Sheppard is located in bldg. 245 on 3rd street.

Morale traffic is a free service. It keeps the radio operators proficient in their job and able to meet the demands placed on them in an emergency.

Beef Still Served At SAFB

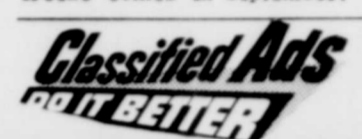

SHEPPARD AFB, TEXAS--No, beef will not disappear from Sheppard's dining halls anytime in the foreseeable future.

But, diners may find they will be eating more fish, turkey, ham and pork than they are used to.

Such was the word from Captain Cyrene Whalen, food service officer, after Air Force dining halls were notified that they should try to conserve their supplies of beef and substitute other meats whenever possible.

Captain Whalen, however, re-

ports that he anticipates a return to normal beef supply when the expected lift on the price freeze comes in September.

Sheppard AFB To Sell Its Surplus Properties

SHEPPARD AFB, TEXAS--Surplus government property located at Sheppard AFB will be sold in two separate sealed-bid sales on Sept. 10 and 12. Surplus furniture, baking and roasting ovens, and food warming cabinets will be sold Sept. 10, while laundry and dry cleaning equipment will be sold Sept. 12.

The property may be inspected from now through the dates of the sales by contacting

James Crossland, Sheppard redistribution and marketing officer, at 851-2712.

His office is open from 8 a.m. to 3 p.m., excluding Saturdays, Sundays, and legal holidays.

Bids should be mailed to the Defense Property Disposal Region, Memphis, P. O. Box 14716, Memphis, Tenn., 38114. They will be opened on the date of the sale.

MAD AS AN OLD WET HEN!

This may sound rather "country," but have you ever been flogged by an old wet hen? Don't! When I was a boy visiting Grandma one of the most awesome sights a boy could lay his eyes on was the bold strutting rooster . . . But the old rooster would seem slightly subdued compared to the anger that can be generated by an old wet hen . . .

I am sorry to say, there are some folk who rival the proverbial hen when it comes to anger. One fitful explosion follows another until you are convinced that it must be the war in Viet Nam all back in force again.

ANYTHING WILL TRIGGER THEIR RAGE:
... he's got to have his way,
... success of others,
... criticism,
... tied up traffic
... baby's cry, etc.

The man who is mad as an old wet hen is a fool. Solomon said: "Be not hasty in thy spirit to be angry; for anger resteth in the bosom of fools." (Ecclesiastes 7:9)

INTRODUCING
MISS KIMBERLY LYNN DOYLE, 6-month-old daughter of Mr. and Mrs. Richard Doyle of Holton City. The couple were former residents of Burkburnett. Mrs. Doyle is the former Jerri Brown. Grandparents are Mr. and Mrs. George Brown and Mr. and Mrs. Thomas Doyle, all of Burkburnett.

Weekend Death Predictions Warned To Be Near 42

AUSTIN--Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today warned that 42 persons may lose their lives in Texas traffic during the long Labor Day weekend.

The holiday officially begins at 6 p.m. Friday, August 31 and runs through midnight Monday, September 3.

Speir said the DPS is making preparations to cope with increased holiday travel. "Every available Department of Public Safety patrolman will be on duty during this three day weekend, utilizing all resources we can put our hands on to prevent accidents," he added.

The DPS director noted that special attention will be paid to hazardous traffic violations normally associated with a high holiday death toll. Patrolmen will be especially watchful for

such offenses as speeding, driving while drinking, improper passing and driving on the wrong side of the road.

In addition to stepped-up enforcement activities, the DPS will also work with local law enforcement agencies and the news media of Texas to conduct an accident prevention program called "Operation Motorcide."

During "Operation Motorcide", tabulations and pertinent facts about all fatal holiday traffic crashes will be compiled three times daily and released to the news media. Notation will be made as to where and why accidents are happening.

Speir called the holiday program "a life and death struggle for the lives of our citizens," and he urged every motorist to cooperate in the effort.

JOHN CHAMBERS, 10-year-old son of Mr. and Mrs. Clyde Farr of Burkburnett was recently presented a brand new 10-speed HCYCLE. The presentation was made at the Preston Milk Store. John was the 10th weekly winner in an ICEE Contest sponsored by Texoma Icee, Inc., located in Abilene, Texas.

Airman William E. Horn

Six Flags To Begin Fall Weekend Hours

ARLINGTON, TEXAS -- SIX FLAGS Over Texas is in its final week of daily operation for the 1973 season.

After Labor Day SIX FLAGS will be open Saturdays and Sundays from 10 a.m. to 8 p.m. The weekend schedule will be in effect through December 2.

All the more than 95 rides, shows and attractions at SIX FLAGS will be in full operation for the weekend openings. Marked changes in landscape will give SIX FLAGS a new look for fall. As cool weather approaches, the addition of more than 7,000 chrysanthemum plants will add a blaze of autumn color to the Park.

Vamvoras' Doing Well In Competition

Plenty of cowboys, lots of rodeos and stiff competition spread out the prize money in pro-rodeos this year.

From the Burkburnett area we see a couple doing quite well in the standings for this season.

Clyde and Kay Vamvoras of DeVol, Okla. have been constantly adding to their winnings.

In bareback bronc riding competition, Clyde is placed at #12. His winnings so far total \$8,333.

Kay is placed at #7 in GRA barrel racing. She has totaled \$8,498.

Airman Horn Assigned To Sheppard AFB

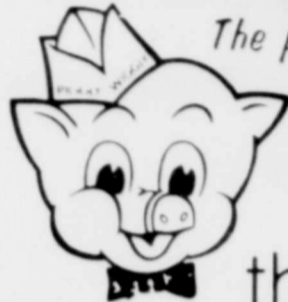

SAN ANTONIO -- Airman William E. Horn, son of Mr. and Mrs. Leeman W. Horn of 303 Magnolia, Burkburnett, Texas, has been assigned to Sheppard AFB, Texas, after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Texas, he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Sheppard for specialized training as a dental specialist.

Airman Horn is a 1973 graduate of Burkburnett High School. His wife, Peggy, is the daughter of Mr. and Mrs. M.F. Lewis of 904 Cropper Road, Burkburnett.

Bonus Piece 10 1/2" Griddle \$3.79 Available Each Week with each \$3.00 purchase

You'll enjoy cooking with utensils that are dependable, easy to handle and lovely to look at. Bounty cookware by Wear-Ever brings all three benefits to your kitchen. Super-Chef is dependable. The Alcoa aluminum used in its construction provides even heat distribution and control. Teflon II coating inside and thick porcelain coating outside offer quick — easy clean-up. And it's dishwasher proof! Super-Chef is easy to handle. All pieces are designed and engineered to give balance. The handles are tapered to fit your fingers. Handles are heat resistant, with wraparound flame guards and hang-up features. Super-Chef is lovely to look at. Genuine porcelain coating on aluminum makes it decorative. The colors blend beautifully with today's kitchen schemes. Ebony colored handles and knobs provide sharp accents.

Labor Day
September 3, 1973

Labor Day is a unique holiday, observed as a national holiday only in the United States. The day was established by national law as a salute to the working person, and to Americans the holiday heralds a change in life style as it usually marks the end of vacation season, the start of another school year, and a seasonal change. These words from The Living Bible refer to work.

"What does one really get from hard work? I have thought about this in connection with all the various kinds of work God has given to mankind. Everything is appropriate in its own time. But though God has planted eternity in the hearts of men, even so, man cannot see the whole scope of God's work from beginning to end. So I conclude that, first, there is nothing better for a man than to be happy and to enjoy himself as long as he can; and second, that he should eat and drink and enjoy the fruits of his labors, for these are gifts from God. . . .

The man who works hard sleeps well whether he eats little or much, but the rich must worry and suffer insomnia. . . .

A lazy man is brother to the saboteur. . . . Remember to observe the Sabbath as a holy day. Six days a week are for your daily duties and your regular work, but the seventh day is a day of Sabbath rest before the Lord your God."

*Ecclesiastes 3:13 and 3:18
Proverbs 15:19 and Ecclesiastes 3:13-18* from The Living Bible
Religious Heritage of America
Washington, D.C.

**Give blood.
And give life.**

THIS IS WHAT THE AMERICAN FAMILY LOOKED LIKE IN 1921 when PTA was founded. PTA was working for the family then, and it continues to work for the family today. Millions of PTA members are working in your community, in your state, and across the nation to help strengthen family life. PTA members know about continuing education for parents . . . improving reading skills . . . the dangers of smoking . . . and alcohol and drug misuse . . . the importance of securing legislation favorable to education. PTA members just plain know how to get things done. Call your nearest school and join the millions of PTA "People Taking Action" for the welfare of the families of today and the future.

OPPORTUNITY SAVINGS PROFITS RESULTS THEY'RE ALL IN CLASSIFIED

AN ORDINANCE FIXING AND DETERMINING THE GENERAL SERVICE RATE TO BE CHARGED FOR SALES OF NATURAL GAS TO RESIDENTIAL AND COMMERCIAL CONSUMERS WITHIN THE CITY LIMITS OF BURKBURNETT, WICHITA COUNTY, TEXAS, AND PROVIDING FOR THE MANNER IN WHICH SUCH RATE MAY BE CHANGED, ADJUSTED AND AMENDED.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF BURKBURNETT:

SECTION 1. Effective with the first gas bills rendered from and after thirty (30) days from the date of final passage of this ordinance, the maximum general service rate for sales of natural gas rendered to residential and commercial consumers within the city limits of Burk Burnett by Lone Star Gas Company, a Texas corporation, its successors and assigns, is hereby fixed and determined as follows:

First 1,000 cu. ft. or fraction thereof \$2.0133 Gross; \$1.812 Net
Next 3,000 cu. ft. @ \$1.0244 per Mcf Gross; \$.922 per Mcf Net
Next 6,000 cu. ft. @ .9578 per Mcf Gross; .862 per Mcf Net
Next 15,000 cu. ft. @ .8800 per Mcf Gross; .792 per Mcf Net
Next 75,000 cu. ft. @ .8022 per Mcf Gross; .722 per Mcf Net
All over 100,000 cu. ft. @ .7689 per Mcf Gross; .692 per Mcf Net

No gas bill will be rendered to any residential or commercial consumer served under the above rate not consuming any gas during any monthly billing period.

ADJUSTMENT
The amount of each net monthly bill computed at the above-

stated rates shall be subject to the following adjustment: Plus an amount equivalent to the proportionate part of any new tax, or increased tax, or any other governmental imposition, rental, fee or charge (except state, county, city and special district ad valorem taxes and taxes on net income) levied, assessed or imposed subsequent to April 1, 1972, upon or allocable to the Company's distribution operations, by any new or amended law, ordinance or contract. Each gross monthly bill shall be adjusted proportionately. Company, at its option, may forego the application of this adjustment if such adjustment would result in an increase in the monthly bill; however, failure of Company to apply such adjustment shall not constitute a waiver of Company's right from time to time, or at any time, to make such adjustment, in whole or in part, in any subsequent current monthly bill that may be applicable to such bill.

Net rate shall apply to all bills paid within ten days from monthly billing date; gross rate shall be applicable thereafter.

The above rate is applicable to each residential and commercial consumer per meter per month or for any part of a month for which gas is used at the same location.

In addition to the aforesaid rates, Company shall have the right to collect such reasonable charges as are necessary to conduct its business and to carry out its reasonable rules and regulations in effect.

SECTION 2. The rate set forth in Section 1 may be changed and amended by either the City or Company furnishing gas in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and

Regulations currently on file in the Company's office.

SECTION 3. It is hereby found and determined that the ordinance at which this ordinance was passed were open to the public, as required by Texas law, and that advance public notice of the time, place and purpose of said meetings was given.

PASSED AND APPROVED ON first reading on this the 21 day of May, A.D. 1973.

PASSED AND APPROVED ON second reading on this the 16 day of July, A.D. 1973.

FINALLY PASSED AND APPROVED ON third reading on this the 20 day of August, A.D. 1973.

Boom Country Report

KLUR DJ's Jim Hill, Jim O'Keefe and Bob Wilde were the trio seen last Saturday night emceeding the BOOM COUNTRY JAMBOREE. Old hands, Hill and O'Keefe really broke newcomer, Wilde, in on how to keep the laughs rolling. By the by, who finally ended up with that particular hat? You know, the one with the tail?

Fabulous as ever were the Finley Brothers, Clint, Ronnie and Tommy. Their powerful performance really put the show on the road. Ronnie's "fast-talker songs" can get anybody else's tongue tied in knots in a big hurry.

Pat Patterson, local performer, on hand with the old favorites everyone enjoys hearing over and over. His "Shoes Keep Walking Back" brought back many a memory to many who were courting at the time of its release.

Fairly new to the JAMBOREE is Jim Barnes, who appeared week before last as a guitarist for Greg Roberts. He was on his own this week, and held it right well.

Of course you all realized Bozo was absent last week, along with Greg Roberts. Well, they will be back this Saturday

night in all their glory and full of tales from Greg's first recording session.

With Bozo gone, it was necessary to fill in on some musical instruments, and it was our pleasure to welcome Paul Douglas from Parnell, Okla. to do a little "fiddling around." The twang of a banjo also was heard from the stage, as we greeted Wade Moon to BOOM COUNTRY.

Don Bowers aided Darrell Nichols in the back up, with his fine guitar picking. They did a well-performed twin guitar number.

BOOM COUNTRY JAMBOREE again had as its guests the "Gospel Masters". Tenor C.J. Lippard was featured in one of their many fine gospel hymns. They do a medley centered around "The Old Country Church" that brought back fond recollections to many.

"Our Little Miss" Michele Nixon gave a note worthy performance of "Help Me Make It Through the Night" and "The Games People Play".

Appearing on JAMBOREE for the first time was Ray Wilburn. We will be seeing him on several JAMBOREE sessions in

the very near future. He will be moving to the area, while stationed at Sheppard Air Force Base.

Robert Bradford was given a hearty welcome back after a two week absence from BOOM COUNTRY. He led off with an instrumental, performed with his brothers' assistance. He also did the song he had written and performed once before on JAMBOREE, "I Got The Blues".

Talent competition is still going on. Making their talent presentations this past week were Miss Kathy Nixon and the team of "Bill and Terry". The judges will really have a tough time trying to decide the winner.

Something for JAMBOREE goes to be looking forward to in the very near future is a visit from recording and radio personality Bill Mack. Anyone who is familiar with WBAP radio will certainly want to be on hand to welcome Bill to BOOM COUNTRY JAMBOREE.

Let's see you all Saturday night at the Burk Burnett Civic Center at 8 p.m. We want to give Bozo and Greg a hearty "WELCOME BACK".

PD, ADV.

GOSPEL MASTERS performing at BOOM COUNTRY JAMBOREE.

Weekly Health Tip

from JOE GILLESPIE

Stress is part of our daily lives. An excess of frustrating tensions is unhealthy to the heart and other life processes. Exercise is one way to melt away tensions. Take a brisk walk, until you feel your tensions subsiding. Stepping back from a table or desk and doing push-ups is good therapy. Any exercise that relaxes tense muscles will help to relieve stress and tensions.

HOLCOMB MASONRY

Jack Holcomb - Owner

Holcomb Masonry is a brick and stone contractor who has won an outstanding reputation for his ability in masonry construction. He has had many years of experience in the brick and stone construction field. This, coupled with the fact that he uses only the very best of materials and also that his workmen are thoroughly experienced, has to a large degree accounted for his success in this highly competitive field. By close and careful supervision at all times this contractor manages to maintain an outstanding record of efficiency. This is responsible for his ability to provide the maximum in quality masonry construction at the absolute minimum cost.

Holcomb Masonry is located at 2003 Collins in Wichita Falls, phone 767-0911 or 767-9927. The writers of this 1973 Review are pleased to refer our readers to this competent masonry contractor.

BENT HOOKS, MISSED SHOTS and OTHER TALES

This past weekend, my family and I spent at Possum Kingdom Lake near Graham, Texas. Mr. and Mrs. Herman Scheer were our hosts, and I can't remember spending a better weekend anywhere. Saturday afternoon was devoted to visiting and playing pool, and we loved every minute of it. Ole Herman minded his manners and slept late Sunday morning. He slept until 5:30 a.m. (If you can call that late), and then rolled little Jim Alexander and myself out of the sack at a little before seven a.m.

After a famous Mama Scheer breakfast of bacon and eggs, hot biscuits, jelly and milk and coffee, little Jim and I were ready to hit the lake to see if we could catch "Ole Blue". With the clock showing 7:45 a.m., Jim and I crawled into our lifetime floaters, and stayed there until almost noon time. The final count showed that little Jim had strung 2 Bass, and I had strung 4 Bass. I felt pretty good, knowing that I had caught twice as many fish as my name sake, but it sure did burn me up when Herman began to tell everyone in the compound that little Jim's 2 fish weighed more than my 4 fish. I knew that was true, but still Herman didn't have to tell the whole world. After all, little Jim is only 7 years old, and I was just as proud of his 2 1/2 pound Black Bass as he was. So with that statement please don't rub it in too much. By this time next week the Mourning Dove season will be open in Texas, and many hunters will have been out, some will come in with bag limits, others will be telling tales about how there just weren't any birds, and still others will be cussing the game warden because he gave them a ticket for not having their hunting licenses. Many will simply forget it, while others will try and get by without spending that

money. I hope every one that tries the latter gets caught. From all reports that we have been receiving, there is a good bird crop, but it will be spotty. The shooting hours for Mourning Dove will start at 12:00 noon September 1, and the bag limit will be ten per day, so boy's don't overdo it.

Tracy Wood, one of the top Bass fishermen in the state will be appearing at the downtown Holiday Inn in Wichita Falls, on Saturday morning from 9:30 a.m. to 12:00 noon, September 15. Tracy represents Creams Worm Co., and this appearance will be very informal, and you may come by and talk with Tracy about your fishing problems, how to fish a certain lake, water temperature, boat rigs, rods and reels, or any other subject that you desire. There will be no charge; in fact no program to speak of, just some fancy casting, and a lot of fishing facts. Appearing with Tracy (schedule permitting) will be Bob Weir. Bob is also one of the top lure testers in Texas. When this area is fortunate enough to have 2 fishermen of this caliber visiting Wichita Falls, then you can rest assured that there is more than one Bass Fisherman in this vicinity. When the Holiday Inn program is over, Tracy will be presenting a complete program on worms at the Sheppard Recreation Center at Sheppard Air Force Base. The program will be presented from 2:30 p.m. to 4:30 p.m. All base personnel are invited to attend. I feel that after attending a program of this type, fishermen go fishing with more confidence than ever before. This program will present two different outlooks and views on worm fishing. I know that if a seven-year-old boy can catch a bass on a plastic worm, surely with a little advice and professional coaching

you can too. Both programs will be free of charge, and we are looking forward to seeing you there. All fishing reports have been rather slow this past week, with a few crappie being taken at the rigs in deep water at Lake Arrowhead. A few fishermen have been doing fair drift fishing in Arrowhead and Lake Wichita with white shrimp. Most bass fishermen go early in the morning or late in the afternoon hoping that they might find a feeding school of fish. Overall the fishing just hasn't been what it's cracked up to be.

JOYCE SMITH

County Extension Agent

The State THDA meeting will be held in Waco on September 19 and 20.

For "hurry-up" fashions to sew and wear, home sewers take short cuts with patterns, fabrics and techniques. Look for a pattern with few design details and pattern pieces. Many pattern books contain special sections with easy-to-sew patterns labeled as time savers. These patterns feature details that involve less actual construction time. Some details that are faster include styles with facings rather than bindings or fancy collars that require hand work. Raglan or kimono sleeves are less time consuming than set-in sleeves. Conventional zippers are faster than bound buttonholes. Learn basic construction techniques beforehand to economize time.

Avoid hand work whenever possible. Pin baste at notches and at the beginning and ending points of seams. Do as much as you can while the garment is still in its flat stage. For example, apply pockets and trim to the front- and zipper to the back-before joining side seams. Fabric selection is also critical in speeding construction time. Choose a fabric that doesn't need underlining or lining. Designs which require matching or special cutting procedures take more time. Unusual fabrics never seen before, while a challenge, frequently require extra time. As a rule, a medium width, firm fabric is faster or easier to work with than one that's fragile, slippery or extra stretchy. Utilize short cuts that save construction time-but don't sacrifice quality methods.

MARKET REPORT

Optimists in consumer nutrition ranks these days point to the fact that most people eat more meat than they need for good nutrition anyway. "Combine meat and vegetables to make a little meat go a long way--beef stew, hearty hamburger soup and group meat extended with grated potatoes and onion are a few familiar examples. "Teams of vegetables, such as zucchini, tomatoes and onions with a small amount of ground beef, ham or cheese make appetizing main dishes." In poultry sections, fryer chickens took a small price dip with turkeys showing no change, this week. "Russet potato prices are on the high side. Carrots, cabbage, cucumbers, bell peppers, corn, squash, okra, corn, collard greens and celery are among the most economical items currently on the market.

B.T. HAWS

County Agent News

Recent prices of cotton, wheat and grain sorghum have been the highest in over 100 years, according to B.T. Haws, County Extension Agent. Farmers concerned about marketing this year's crop can use one of two methods to take advantage of these high prices even for crops that are not yet harvested. One method is to hedge on the futures market. The other method is to forward contract with a buyer.

Hedging on the futures market is taking a futures market position equal to and opposite the producer's cash market position. For example, a farmer planning to sell wheat in December will sell December futures contracts to cover his inventory. In December, the farmer would then cancel this commitment by repurchasing the futures contracts and deliver his grain to his normal market. A forward contract is a written agreement between the producer and the buyer to deliver a certain quantity at a specific future time for a particular price. Usually, these contracts are only fulfilled through actual delivery of the crop.

Both of these ideas have some advantages and disadvantages, and which method to use depends on how much you plan to produce, availability of local buyers who contract and several other factors.

"To explain both hedging on the futures market and forward contracting, we have some new publications available at our office prepared by agricultural economists of the Texas Agricultural Extension Service," says Haws.

Large numbers of boll weevils can be expected within cotton fields the next two to three weeks, according to B.T. Haws, County Extension Agent-Agriculture. Many larvae and grubs can now be found in squares and small bolls on the ground beneath the cotton plant. These larvae and grub develop into adult boll weevils by the last week in August or the first week in September. Increased square damage will be evident at about the same time.

A good fruit load is being set on cotton plants in most fields, but most of the square and small bolls are still susceptible to boll weevil damage, and effective control of the boll weevils can greatly affect the amount of cotton produced this year. The cotton crop in the county is a little later this year due to the planting dates and weather conditions; this makes the crop even more susceptible to boll weevil attack. Producers should begin inspecting their fields weekly to determine when damaging population levels of boll weevils or bollworms are present. Control measures should be applied when 15 to 25 percent of the squares are damaged by bollworms. Besides insect populations, producers should also evaluate population of beneficials which feed on bollworms, maturity of the bolls and the yield potential. It is too late to try to set a cotton crop this year if a good fruit load is not present in the field at this time. Once control measures are started for boll weevils or bollworms, at least four or five applications will be required to mature the crop and keep boll weevil pressure down. When bollworms are causing excessive damage, five or more applications will probably be required at five to seven day intervals to keep this pest under control until bolls get hard or control until hard or cold weather slows pest activity. If difficulty is encountered in obtaining control of bollworms, the application interval should be cut to three days. Further

information on cotton pests and their control is contained in L-508, "Suggestions for Controlling Cotton Insects in the High Plains, Rolling Plains and Trans-Pecos Areas. This publication is available at the County Extension Office, 304 Federal Building, Wichita Falls, Texas.

A Small Grain Production Seminar will be held in the ASCS Agriculture Room in Iowa Park on Monday, September 10. The meeting will be held from 10:00 a.m. to 3:00 p.m. This will be an outstanding program and one I think you will want to attend. The schedule is as follows: 10:00 a.m. to 10:45 a.m. -- Small Grain Varieties for this Area. 10:50 to 11:30 a.m. -- Fertilizer for Small Grain. 11:35 a.m. to 11:55 a.m. -- Hybrid Small Grain. 12:00 noon to 1:00 p.m. -- A Dutch lunch will be available at the meeting catered by Underwoods Pit Barbecue. 1:00 p.m. to 1:30 p.m. -- Small Grain Insect Control and the Results of a Tri-County Small Grain Insect Demonstration. 1:30 p.m. to 2:00 p.m. -- Common Sense Approach to Production Hedges. 2:00 p.m. to 2:30 p.m. -- Comparing Small Grain Grazing with Production Marketing. Both men and women are invited to attend.

Texas is expected to produce an abundance of feedgrains this year, but for the nation as a whole, production will be somewhat lower than estimated a month ago. Both increased production and increased yields should boost Texas' crops. Grain sorghum production in the state should be up 30 percent from 1972 with a record yield of 61 bushels per acre expected. Corn production is expected to show a 54 percent increase, and a record yield of 95 bushels per acre is in the making. Soybean production estimated at more than 11,475,000 bushels would be more than double that of 1972. Harvested acres should also about double last year's figure.

The state's wheat crop is estimated to be more than double the 1972 crop, with a record yield of 29 bushels per acre in the offing. Oat production will almost triple, boosted by a record yield of 41 bushels per acre. Across the nation, however, the picture is not quite so rosy. The latest USDA estimation on the wheat crop is 2 percent lower than forecast last month, but a record crop should still be harvested, 11 percent larger than last year.

A Stocker Calf Management Seminar will be held September 11, 1973, in the Empire Room, Wilbarger Auditorium, 2100 Yamparka, Vernon, Texas. This is an outstanding program, and farmers are urged to attend the program which starts at 9:30 a.m. The program is sponsored by the Rolling Plains Economic Program, Texas Agricultural Extension Service, and Wilbarger County Beef Producers.

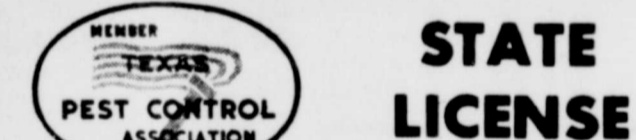

Consult with Ask Reelford and Peggy Darter. About this question: 'The outboard motor dropped on my husband's foot, breaking several toes. His fishing tackle was stolen while we were getting medical help. Would Trip Accident and Baggage insurance, costing less than \$10, have paid both the medical costs and the theft loss?'
