

Burkburnett Dogs Devastate Demons

Last Friday night the Bulldogs upped their record to a 3-0-0 unblemished chalk - up by beating the Duncan Demons by a score of 13-10.

Burk kicked off and the Demons got the ball on their 32 yard line and on the second play, Jay Smith made a 67-yard run to make the score 7-0, Duncan.

But the Bulldogs came back on a Wilkinson run of 37 yards and a Barrett kick to tie the ball game at 7-7. Before the half ended, Duncan's Gary Morgan made a field goal to make the halftime score 10-7, Duncan.

Benny Wilkinson and Zac Henderson ate up the clock and the ground in the first half, and in the second half, Chris Strayhorn was added to put another pain in the Demon Defense.

The final score came in the

game when Zac Henderson ran 19 yards for the winning tally. The extra point was blocked. This made it 13-10, Burk.

Burkburnett had a total of 10 first downs to Duncan's 9. This goes to show you that this was a game of defense.

Burk's defense stopped Duncan all the way in the game. And when the defense got the ball back, the 'Dogs offense got it on.

Burk's kicking game went beautifully with Barrett and Henderson. Zac booted away a 51-yard punt and another 45 yards.

Tomorrow night the Bulldogs will be open. This gives them a week to get ready to group forces and heal injuries for the next big game with Graham. The 'Dogs travel to Graham next Friday to take on the Steers at 8:00 P.M.

VO-ED PROGRAMS POPULAR

A total of 564 students are enrolled in vocational education programs in Burkburnett High School for the 1973-74 school year. There are nine vocational programs that serve the students at the high school this year.

The program involving the most students is Home Economics which has an enrollment of 217 students. The largest segment of that enrollment is composed of 111 freshmen. Instructors for Homemaking are Dorothy Faulk, Sue Warren, and Jo Ann Duke.

Cooperative Homemaking is a vocational course designed to offer practical on-the-job experience in related occupations. Supervisor for the program is Doris Hutchison.

Vocational Agriculture is a dominant figure in any vocational program at the high school level and at Burkburnett it is no different. A total of 121 students scattered throughout six different courses of study comprise the program at the high school. James Easter, Jake Fite, and Rick Cunningham are the instructors for this particular program.

In the area of business, Zell Schmidt and Wanda Smith serve as instructors for Vocational Office Education. There are twenty-eight students employed in office related occupations and thirty-three students functioning in pre-employment lab which is a training device for those who wish employment during their senior year.

Distributive Education offers job opportunities for those in-

terested mainly in selling and marketing activities. There are thirty-three students enrolled in D.E. which is supervised by instructor-coordinator Bob Carpenter.

In technical vocational education, Leon Pace serves as instructor of automobile mechanics. There are thirty-six students enrolled in his program this year which serves as a stepping stone for those interested in a career in mechanics.

Building trades offers a program of instruction in those activities related to those occupations concerned with the construction industry. David Breuer is the instructor of this program which has an enrollment of thirty-three students.

A new program in the high school vocational program this year is Cosmetology. Mrs. Carter of Carter's School of Beauty located in Wichita Falls, instructs some twenty-three

students from Burk in the skills of cosmetology.

A well-rounded vocational program seems to be the key for those students interested in an occupation after graduation from high school. The vocational education departments at Burkburnett High School certainly feels the students' needs in this respect for those interested in a career immediately after their high school requirements have been completed.

SAFB Vice Commander Featured Speaker

Brig. Gen. David W. Winn, Vice Commander of Sheppard Technical Training Center was the featured speaker at the noon Rotary Club luncheon Tuesday.

Gen. Winn, who was shot down over North Vietnam in 1968 and held in prison until last March, stated that most reports of the P.O.W. situation were accurate.

He then outlined the program which was set forth in the North Vietnam prisons.

First, a program of military

exploitation to get as much military information as possible from the prisoner, which Gen. Winn thought to be a rather clumsy method.

Second, was the unexpected, the method in which North Vietnam used the prisoners in every way possible as political tools.

Third, the prisoners were geared to maintain a punishing environment at all times.

The General further stated conditions were very bad at times and painful at other times. It seemed that in many cases

the weak became weaker and the strong became stronger.

Gen. Winn also stated that the main keys of survival were ways and means of setting up some sort of communication system among the prisoners, which they always managed to do.

Only during the last six weeks of captivity was there open communication among prisoners.

The General personally thought that what we were doing in Vietnam was right. He stated that we gave the people

of the south a chance at freedom, training in many areas and the capability to run their own country.

General Winn in closing expressed his faith in the youth of this country, and stated that the older generation must learn to communicate with our youth.

Peter and Frank Winn, the General's sons who attend Burkburnett High School, were also guests at the luncheon. J.B. Riley presided at the luncheon and T.M. Cornelius introduced General Winn.

PP&K Competition Set For September 29

This is the final week for youngsters in Burkburnett to register for the local Punt, Pass & Kick Competition.

Wolfe Ford Co., sponsoring the popular youth activity in this area, said that registrations would be taken through Friday, September 28. The Burk PP&K Competition is scheduled for 3 p.m. on Sept. 29 at the Junior High School.

"Although time is growing short, any youngster eight through 13 years of age can still compete," said Joe Wolfe.

"All a contestant need do is come into our showroom, accompanied by a parent or guardian, and fill out the PP&K registration form. There's no entry fee or charge of any kind, and that goes for all six levels of competition, up to and including the National Finals."

The Ford Dealers pointed out that trophies will be awarded for 1st, 2nd and 3rd place in the local competition in each of the six age groups. Increasing the youngster's chances of winning one of the 18 trophies is the

fact that each contestant competes only against others of the same age. And since there is no body contact, an entrant's size is not as important as his ability to punt, pass and place-kick for distance with accuracy.

"Winners can continue on up through the Zone, District, Area and Division contests to the National Finals," the Ford Dealer said. "It's possible that one or more of our Local winners can wind up in the Finals."

Mustang II, the most changed car in the auto industry this year, made its debut along with other new 1974 Ford cars and trucks at Wolfe Ford Company, in Burkburnett on September 21. The Mustang II is a small, sporty and luxurious car that Ford expects to be the forerunner of a new class of cars. It is 19 inches shorter than the 1973 Mustang and seven inches shorter than the original Mustang introduced in April, 1964.

The top-of-the-line Chevrolet Caprice Classic coupe offers a new colonnade-type roof design with a styled center pillar extending into the roof panel. Rear quarter windows are nearly 50 per cent larger. In 1974 the Caprice Classic line offers five basic models: a coupe, convertible, sport sedan, four-door sedan and both two and three-seat wagons. Introduction date at Mathis Chevrolet, Pontiac, Oldsmobile in Burkburnett for all Chevrolet models was Thursday, September 20.

Obituaries

John Netherlain

Services were held at 2 p.m. Saturday in the Burkburnett Church of Christ for John Netherlain, 84, who died Thursday afternoon in a Wichita Falls hospital of burns received in a fire at his home at 507 East Second.

Burial was in the Burkburnett Cemetery under the direction of Owens & Brumley Funeral Home.

According to the police reports, Netherlain was apparently cooking on his kitchen range and caught fire from the burner. A relative, Junior Underwood, discovered Netherlain.

A resident of Burkburnett since 1919, Netherlain was born in Wise County, Dec. 20, 1888. He was a retired upholsterer and a member of the Church of Christ.

Survivors include three sisters, Mrs. John Crowder of Burkburnett, Mrs. Bessie Cope of Wichita Falls and Mrs. Emma NeSmith of Zephyr, Texas; two granddaughters, Mrs. Anita Robertson of Lubbock and Mrs. Beverly Maddox of Burkburnett; and three great-grandchildren.

Mrs. Charles Templeton

Mrs. Charles Templeton, 49, died Sunday in a Wichita Falls hospital.

Funeral services were at 2 p.m. Tuesday in the Owens & Brumley Funeral Home Chapel here. The Rev. Lamoin Champ, minister of the First Baptist Church of Burkburnett, officiated.

Interment was in the Burkburnett Cemetery under the direction of Owens & Brumley Funeral Home.

Mrs. Templeton was born Sept. 10, 1924 in Ardmore, Okla. She is survived by her husband; a daughter, Tina Louise of the home; and two sisters, Mrs. Rose Lee of Ardmore and Mrs. Ola Tolte of Belen, N.M.

PP&K Competition

which will be held at the Super Bowl Game in Houston on January 13.

"Registering for PP&K right now in our dealership could mean all that for some youngster or youngsters here in Burkburnett, but they should register right now," the dealer concluded.

When contestants register, each entrant gets a free PP&K Tips Book. It contains helpful pointers from the pros on punting, passing and kicking. In the 1973 edition are suggestions from NFL stars Jerrel Wilson, Norm Sneed and Chester Marcel, plus Head Coaches Don Shula and Dan Devine. Complete PP&K rules and suggested conditioning exercises for contestants are also included.

This is the 13th anniversary year for PP&K. From its inception, the youth activity has been sponsored by the Ford Dealers of America and the National Football League. In that time more than 9,350,000 youngsters have taken part in PP&K, making it the largest and fastest growing activity of its kind in America.

Quanah Book Fair Slated For Saturday

Noted authors, historians and poets from over Texas and Oklahoma will be in Quanah Saturday, September 29 for a Southwestern Book Fair to be sponsored by Nortex Press, Quanah's new book publishing firm.

The all-day affair will take place in the new Quanah Community Building.

The Book Fair, to include history and poetry symposiums, will feature six new books to be published in September by Nortex Press including the first four of a new "Mesquite Collector Series."

In the field of poetry new books are being published for William E. Bard of Dallas, former Poet Laureate of Texas and long-time president of the Poetry Society of Texas; and Violette Newton of Beaumont, the current Poet Laureate of Texas.

Authors of the new Mesquite Collector Series include Glenn Shirley, noted western writer and assistant director of the Oklahoma State University Press, "The Life of Texas Jack"; George Turner, art editor of the Amarillo Globe-News, "Murder in the Palo Duro"; Jerry Sniise of Amarillo, well-known western

writer and magazine editor, "Pink Hugging, The Reluctant Gunfighter" and John Rotanson, professor of history at Abilene Christian College, "David Lipscomb, A Journalist in Texas, 1872."

Scores of other authors of Nortex books along with noted poets and historians from over Texas, will be in Quanah to take part in the two symposium programs.

Jack Murphy of Dallas, current president of the Poetry Society of Texas, will be here to moderate the poetry symposium during the morning while Dr. Kenneth Neighbors, professor of history at Midwestern University, Wichita Falls, will be here to moderate the history symposium during the afternoon on "Gathering, Writing, and Preserving Local History."

Some fifty books produced by Nortex Press during the past three years along with other area history books, including books by Clarendon Press, will be on display during the day. Book dealers will be invited to Quanah to take part in the fair along with area book stores.

Tickets for the luncheon and dinner may be obtained by writing Southwestern Book Fair, P.O. Box 120, Quanah, Texas 79252.

The Book Fair will open at 9 a.m. with registration in the Community Building followed by the Poetry Symposium at 9:45 a.m. The autograph party for the two noted Texas poets will be at 11:30 a.m., also at

the Community Building, and the Poetry Society of Texas luncheon will be at 12 noon at Dutch's Restaurant.

The afternoon session will open at 1:30 p.m. with Nortex authors on hand to autograph copies of their books.

Registration will again be at 1:30 p.m. with the History Symposium to begin at 2 p.m. The autograph party for the four Mesquite Collector Series books will be at 3:30 p.m. with the Book Fair to close with the Texas Historical Association dinner at 5:30 p.m. at Dutch's Restaurant.

"Boomtown: A Portrait of Burkburnett" written by Burkburnett's own Mrs. Benton, will be one of the many publications printed by Nortex Publications, that will be represented at the Book Fair.

Rotary Chili Supper Tickets On Sale Now

Tickets are now on sale from local Rotary Club members for the Burkburnett's Club's Chili & Stew Supper.

The annual event will be held prior to Burkburnett's Homecoming game October 12. The supper will be held in the high school cafeteria from the hours of 5:30 - 7:00 that afternoon.

Local citizens are invited to eat with the Rotary Club that night before going to the football game.

Proceeds from the supper will go into the Rotary Club scholarship fund. Tickets are \$3.50.

 Chamber Manager

The first of the month is just around the corner and so is our monthly Chamber Luncheon. Monday is October 1st and the day for the luncheon so don't let it slip up on you.

This month the program will be brought by the Tourist Promotion Committee with Walt Doerre as chairman. A most entertaining film on travel in Mexico will be brought by Charles Thomas of Otis Thomas Sales, the Airstream Travel Trailer dealer for Wichita County.

Make plans to attend --- you'll be glad you came.

The Directors will hold their monthly meeting at their new time. Directors have voted to meet for a breakfast meeting on Tuesday following the general luncheon. So, Tuesday morning at 7:00 a.m. all directors are urged to be at the Community Center for the monthly meeting.

The Sonic Drive-In is nearing completion according to its manager Dalton Rogers. He expects to open the doors sometime during the early part of next week, if the finishing work continues as it has in the past few days. Watch for his opening day and try to go by and visit with him, or better yet I'm sure Dalton would rather have you come by and eat with him.

Construction continues on the OTASCO Store and Herb's Discount Foods as they have now received their shipments of steel where a noticeable amount of progress can be seen each day.

The little boy went home from Sunday School and told his mother about Moses and the Red Sea crossing.

"Moses got behind the enemy lines," the lad said, "and he had his engineers built a pontoon bridge across the Red Sea. Moses' people crossed over. When his spies told him a corp of Egyptian tanks was about to cross the bridge, he got on his walkie-talkie and ordered his Air Force to blow up the bridge. The Air Force blew it up and the Israelites were saved."

"Are you sure that's the story the Sunday School teacher told you?" the mother asked.

"No," said the boy, "but the way she told it, you wouldn't believe it!"

And along the same lines: Nine-year-old: "Why does your grandmother read the Bible so much?"

Ten-year-old: "I think she's cramming for her finals."

See you at the luncheon Monday.

Now, more than ever, electricity is worth using wisely.

Electricity, like all forms of energy, should be used wisely — especially now, with growing shortages in supplies of natural gas and oil, the basic fuels used to generate electricity in Texas.

At Texas Electric, natural gas is our major fuel supply with oil used on a standby basis. To reduce our dependency on these fuels, we have well developed, long range plans to diversify our fuel sources.

We have joined with Dallas Power & Light and Texas Power & Light in acquiring long range supplies of east Texas lignite. We now have one lignite plant in

operation and two others under construction. The three companies have also announced plans to have a nuclear fueled plant in operation by 1980.

One big advantage of lignite and nuclear fuels is that neither is being used extensively for any purpose other than the generation of electricity. A disadvantage is that generating plants that use these fuels cost much more to build. And, because of the long lead time required to plan and build these plants, it will be many years before natural gas can be replaced as our major fuel supply.

Barring difficulties with our existing natural gas supplies or delays in the development of our lignite and nuclear generating capability, we will be able to provide the electricity our customers need. However, the much higher cost of diversifying our fuels and inflation make it inevitable that the price of electric service will rise.

As rising costs and the energy squeeze make electricity increasingly valuable, we will continue to encourage its efficient use. Now, more than ever, electricity is worth using wisely.

Hayes Field will be alive with football activity Wednesday, September 26 when Burk Burnett's Oilers midget football teams meet the Falcons from Wichita Falls. Watching the young boys is a treat for all who attend the games. Admission is free. A concession will be open.

The two Eagle teams from Burk will play the Rams at Kiwanis Park in Wichita Falls Thursday, Sept. 27. Kiwanis Park is located on the north side of Southwest Parkway between Hughes and Fairway.

All games for the American League (ages 8-10) begin at 6:00 p.m. 7:30 p.m. is starting time for the National League (ages 11-13).

Burk's four teams will participate in the Boy's Club Midget Football "BOOSTER BUTTON PARADE" Saturday, September 29 at 10 a.m. in Wichita Falls. All football teams are required to sell booster buttons to give financial support to the program. All money received from the sale will go directly into the Boy's Club football program to defray expenses for referees, equipment, field supervisors, etc.

Give your support by buying a booster button from an Eagle or Oiler player when they knock on your door.

JUNIOR VARSITY FOOTBALL

Thursday night, September 20, the Burk Burnett Junior Varsity took on the Vernon J. V. Lions in an easy game. Tim Kormos scored on a 75-yard run on an option. The second touchdown came on a 30 yard option by Burk. Burk scored the third touchdown on a 75-yard sweep and Bill Lindem put the last 6 points on the scoreboard.

Vernon had a big team but the Bulldogs had a good effort. The final score was 25-0, Bulldogs.

The Junior Varsity team takes on Iowa Park Hawks J.V. in Bulldog Stadium tonight at 8:00 p.m.

FRESHMAN FOOTBALL

The B.H.S. Freshman team saw a bad game last Thursday evening. Vernon played hard to beat them 40-8.

"We weren't ready to play," says Coach Dave Keller. "Junior Cox didn't play. He is out with the flu. This is going to hurt us on offensive speed." Some of the outstanding players were Matt Horn at nose guard and Jeff Buckley at halfback and cornerback.

Buckley scored the only touchdown of the night for Burk. Marty Ray played in Junior Cox's place, showing great promise.

The Frosh take on the Iowa Park Frosh in Bulldog Stadium at 6:30 p.m. tonight.

MU BASKETBALL

If you are interested in seeing that baseball returns to Midwestern University in Wichita Falls this spring please attend the first meeting of the MU Baseball Booster Club Tuesday, October 2 at 7:30 p.m. in the Midwestern Physical Education Building.

A special invitation is extended to all Midwestern University Exes, students, coaches and area or local high school students and coaches.

DISCUSS NEW CONSTITUTION -- (Austin, Texas)-- Mrs. Marguerite Peters of 705 Pecan, Burk Burnett (left) and State Rep. Dave Allred of Wichita County discuss provisions of the proposed new constitution for Texas. Mrs. Peters, Wichita County Co-Chairman of the Citizens Advisory Commission on Constitutional Revision, has been in Austin attending meetings of the Constitutional Revision Commission. The Commission is preparing a proposed constitution which will be considered in a convention in Austin beginning next January. Allred will be a delegate to the Constitutional Convention.

Cops, oops!! If you missed my column last week here in the Burk Burnett Informer/Star, let me kinda recap some of the things we talked about.

First, let me tell you that this ole boy was just a bit late in "going to press" as they say and when I got the written word to this paper's office, it was too late! Groan, missed it!!!!

Do you like to bowl? Do you like to help others in a charitable way? Well, friend, you can do both when you go over to the Boomtown Bowl and 1101 Wichita Highway here in Burk Burnett. It's kinda get acquainted situation, and you can get personal bowling passes at a discount and youngsters will be selling "good sport" bowling passes for a dollar and the money will go to the North Texas Rehabilitation Center. Soooo, you can help the handicapped and at the same time be having some fun by getting more information about this activity. Why not give Larry a call at Boomtown Bowl, 569-3340 today?

We also want to thank all the good folks in Henrietta for making us so welcome to their big centennial celebration. Boy, we had a great time riding in the "cowboy parade" and the grand entry for the first rodeo show. Thanks also go out to H.P. Jones, owner of the Lazy J Stables for the loan of two well-trained horses that carried Jim O'Keefe and I through it all.

We also used one of the horses when we headed up the horse section of the Mexican Independence Day parade in Wichita Falls the Saturday fol-

lowing the Henrietta doings'.

There doesn't seem to be a lot going on at this time. I guess everyone is just getting settled into the rut that they'll be in til next summer. School's back in session, vacations are basically over for most of us working types, tho some smart folks saved a little of their vacation time for the fall season! Those rascals!

Football and the new season television shows seem to dominate everyone's conversation these days. . . High school football seems to be the biggest item, and those Burk Burnett Bulldogs are really going after it!! Hey, hey!!!!

Television offers some new things but, under close examination, the people may be new the ideas are old. Situation comedies are making a comeback again this year. Westerns are virtually a thing of the past except for the old standby, Gunsmoke!

Some good movies are lined up at the Palace Theatre in Burk Burnett. Check them out. We went out on a tangent a couple of weeks ago about movies if you remember, and I still feel that way. Movies are truly an American art form and, good or bad, they are still something to be proud of!

These days that are a bit cooler and less sunny are great days for going to a park. Take some time to take the family or, if you are alone, yourself to one of our many park areas and enjoy, enjoy!!

New Arrivals

A baby son, Jeffrey Allen Parton was born August 4 to Mr. and Mrs. Charles V. Parton in Mannheim, Germany. He weighed 6 pounds, 8 1/2 ounces. Mrs. Parton is the former Beverly West.

Maternal grandparents are Mr. and Mrs. George West of Burk Burnett. Paternal grandfather is William H. Parton of Whitnire, South Carolina. Great grandmother is Mrs. Maude Scrivner of Reydton, Oklahoma.

Emma B. Baker Donates 5th Gallon Of Blood

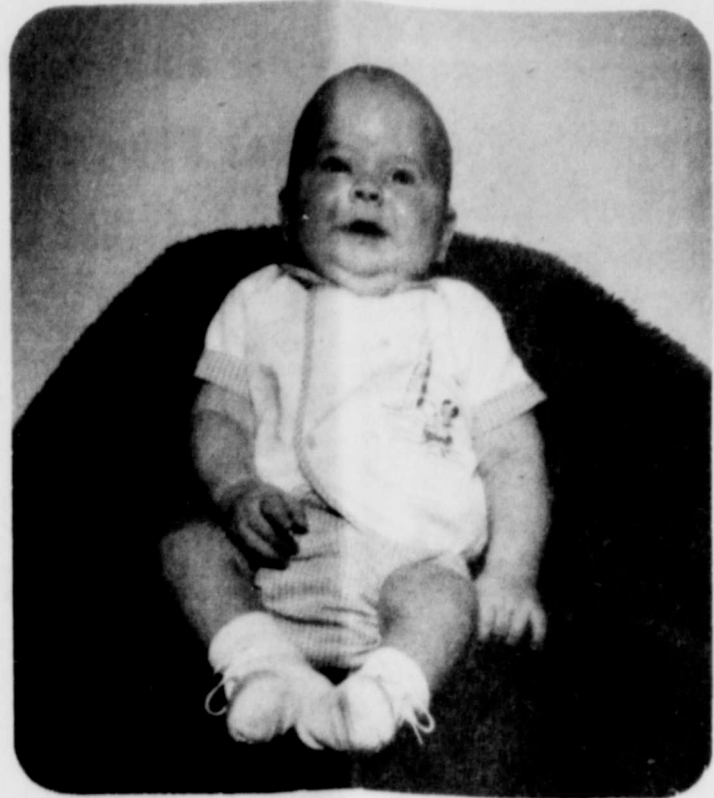

Emma B. Baker of Burk Burnett has donated her 5th gallon of blood to the American Red Cross.

Mrs. Baker resides at 505 Rosewood, with her husband George and daughter Linda. She is employed as a Math teacher at Burk Burnett High School. She was presented a gold drop of blood pin and decal from the Red Cross Center.

Little Britches rodeo on tap later this month, as a matter of fact, this weekend coming! The Dean Riding Club is putting one on for youngsters 13 and under at the riding club's arena on Highway 79. Should be pretty interesting, all those young cowboys and cowgirls vying for trophy buckles to be given by the Dean riding group. The buckles come from my friend, Hugh Cruse, Cruse Western Wear in Wichita Falls. Rodeo times are Friday and Saturday night at the arena.

Again, I'd like to remind you to give me a call at KLUR, 322-3127 if you have any items that you would like me to pass along to the reading public on things that we would consider as along the entertaining lines. Whether its school plays, rodeos or what, let me hear from you! O.K.?

This week I'm going to be smarter and get this column to the paper on time! So that means I'm going to have to wrap it up a bit shorter and not be so long winded! You have a good week and we'll see you the next go-round!! So long everybody!!!

INTRODUCING
JOSEPH ANTHONY KURSEWSKI, 8-week-old son of Mr. and Mrs. Robert Kurszewski of 1007 Bishop Road. He is the grandson of Mr. and Mrs. Forrest Whitney of Grandfield, Okla., Mr. Robert Kurszewski of Burk Burnett, and Mrs. Kitty Pieper of Gresham, Wisconsin.

Moore Receives Degree From NTSU

DENTON--North Texas State University, the fifth largest state supported university in Texas, awarded degrees to 1,134 graduates at summer commencement in the NTSU Coliseum August 18.

Some 36 doctor's degrees, 470 master's degrees and 628 bachelor's degrees were awarded. Of the bachelor's degree recipients, two were graduated summa cum laude, 23 magna cum laude and 57 cum laude.

Curtis Charles Moore, son of Mrs. Nina R. Moore, Preston Street, Burk Burnett, received a bachelor of science degree in physical education.

Energy, Environment - Subject For Texas Electric Tour

Two of the most heard of things these days are "The Energy Crisis" and "The Environment". Well, Texas Electric Service Company gave a local group of business and professional men a first hand look at how private enterprise can cope with the situation.

Hill Vincent, local Texas Electric manager hosted the group on a bus tour to the Big Brown Steam Electric Station at Fairfield, Texas, last week. The tour originated in Wichita Falls and included groups from Henrietta, Archer City, Holliday, Seymour, Iowa Park, Electra and Burk Burnett.

Making the trip from Burk Burnett were: Reid McCandless, Gary Bean, Donald Pate, A.H. Lohofener, T. M. Cornelius, Gene Bankhead, Syl McBeath and Vincent.

Big Brown is a jointly owned venture by three of Texas' largest power companies: Texas Electric Service Company, Dallas Power and Light Company and Texas Power and Light Company. The plant is operated by Industrial Generating Company.

The interesting thing about the venture is that instead of using natural gas or other petroleum products, lignite, a form of coal is strip mined near the plant, and is the fuel used in the furnace.

After the lignite is removed from the ground, the displaced earth is redistributed, the topsoil is restored as near to its original form and elevation as possible. Then trees, wild flowers, grass and other vegetation is planted. The land's productivity is then equal to or better than its original state.

Air pollution is rigidly controlled with the furnaces being carefully monitored. All ash from the furnaces passes through special filters. Water, used for cooling purposes comes from Fairfield Lake

which the power companies built. In the cooling process at the plant the water is not chemically changed, therefore the lake is a favorite recreational spot in that area. Every part of the venture is company financed, there are no government subsidies of any kind.

The three power companies now have two other plants similar to "Big Brown" under construction and in 1980 a nuclear power plant is scheduled to start operation near Glen Rose, Texas.

23 Attend Jr. University Study Club Breakfast

The Junior University Study Club held its first meeting of the 1973-74 year of study at the Holiday Inn East on Saturday, Sept. 22 at 9:30 a.m.

A delicious breakfast was served to 23 members. Mrs. Zac Henderson, president, presented yearbooks and also reported the club has fulfilled its blood bank duties by serving as attendants for the month of August.

Members in attendance were Mmes. E.H. Alexander, Robert Briscoe, Joe Dennis, Robby Hancock, Ray Hatcher, Zac Henderson, Barbara Kelley, Walter Koller, C. D. Landrum, Wayne Lax, A.L. Loyd, Floyd Marten, Reid McCandless, Bill McLean, Stan Owen, James Pearson, J.B. Riley, Gene Robertson, Ralph Shipp, Irv Smith, Marvin Talliferro, Finis Taylor and Bill Vincent.

GUIDELINES
by Lamoin Champ, pastor, First Baptist Church

Sometimes we feel that one individual or one church doesn't count for much in a big world of multitudes of people. The place of the individual and the local assembly of believers was emphasized in my experience recently.

A couple, former residents of our community, called me from a distant city. The man said, "You are the one person in all the world I knew I could talk with." The woman said, "At this moment, I had rather be in your community, in your Church house, talking with you person to person, than anywhere I can think of in all the world."

What a rewarding experience to be thought of and to be available when there is a need!

YOUR life and witness are important. The life and work of your local church are so very valuable in the work of God's Kingdom.

Jesus has a word for YOU and YOUR church: "Let your light so shine before man, that they may see your good works, and glorify your Father which is in heaven."

by Artie Mullins

Mr. Vernon Rankins from California is here visiting his sister, Mrs. B.F. Rush this week. He also visited his old friends, Mr. and Mrs. C. D. Mullins.

Mrs. Bentley fell last Sunday and broke her hip. She is in Wichita General Hospital. We hope she will soon be back in the home.

The home bought a piano last week. All the patients are very proud of it.

Mrs. Jeanette Osburn took four patients for a ride Wednesday evening to a drive-in for cokes and ice cream. We all enjoyed it very much.

Mrs. Scotten and Mr. Elner have been on the sick list this week.

Mrs. G.C. Howell from Randlett visited her sister, Della Urban, Saturday.

Mrs. Hurst, who has been a patient in the home for 7 years, fell and broke her hip Saturday. She was taken to Wichita General Hospital. We hope she will soon be able to be back with us.

Mr. and Mrs. R.W. Germany from Pampa, Texas returned home Tuesday after spending a week with her parents, Mr. and Mrs. C.D. Mullins.

We had 24 in Sunday School. Mr. Worthem, assisted by Mr. West, taught a good lesson. Mr. West played the piano and sang several songs. Rev. Morrow of Calvary Baptist Church was in charge of evening ser-

VICES. He brought a good lesson and the patients enjoyed it very much.

Mr. and Mrs. Doyl Rush of Ft. Worth visited his mother, Mrs. B.F. Rush in the home.

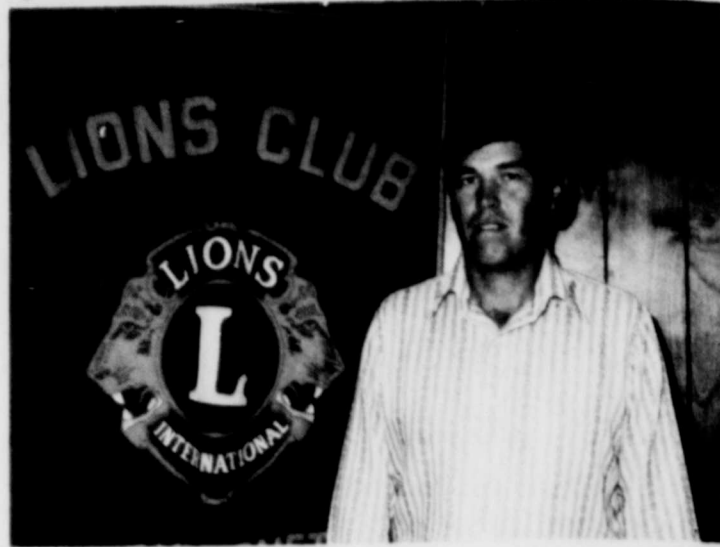

Mrs. Della Urban's son of Oklahoma visited her last Sunday.

Mrs. Wallace has spent the week visiting her son, Sam Wallace and family in Okla.

Our social hour is held every morning and is improving. The patients all like to come. Mrs. Osburn and Mrs. Boydsonteach the class.

A.J. Ramsey and Mrs. Ela Ramsey visited Walter Preshel.

Mrs. Lorrene Harve visited Mrs. Mays.

HEAD COACH PAT SMILEY was the guest speaker at the Evening Lions Club last Tuesday night. Coach Smiley also showed films of the game with Lawton Eisenhower.

Year Activities**

The Forum Study Club met September 20 in the National Room in the First National Bank for a salad luncheon. Hostesses for the first meeting for the new year were Mmes. Gene Bankhead, Tom Burnett and Charlie McCullough. The vice-president, Mrs. Don Halton presided at the meeting. The new year book was presented to the nine members present and plans for the new year were discussed.

Devol Doings

A post-nuptial wedding shower honoring Mr. and Mrs. Kenny Garvin was held Friday evening, September 21, in the Devol Community Center. The couple were married August 31.

A lace covered table decorated with a pink rose in a vase held the book to register guests. The refreshment table was covered with net over green and held a crystal service from which punch was served to 20 guests.

Special guests were the honorees' mothers, Mrs. Gene Taylor and Mrs. Ray Garvin.

Mrs. A.L. Mays has returned home after a two-week visit with her niece and family, Mr. and Mrs. W.J. Caurthers of Duncan and her sister, Mrs. Mattie Sanders of Walters.

Donna McGill spent the week-

end at home with her parents, Mr. and Mrs. Donnie McGill. Donna is attending the Ranger Junior College.

Mr. and Mrs. Cecil Palmer, former Devol residents and now of Wichita Falls visited Mrs. Pearl Cates last week.

Mrs. Ethel McCasland, accompanied by her father, C. C. Hawhee, visited her son and family, Mr. and Mrs. Andy McCasland on Arrow Head Lake Sunday.

Rev. and Mrs. Laine Crowe of Wichita Falls were Friday night supper guests of Mr. and Mrs. Lin Harms.

**Hears Program
From Dr. Hill**

The Hardin PTA met Tuesday, September 18, in the Hardin Auditorium.

The devotional "Where Hope of the World Lies" was given by Mrs. Emilee Rooney.

Mrs. Donna Cost, program chairman, introduced Dr. T.V. Hill, Chairman of the Department of Education, Midwestern University. Dr. Hill emphasized the importance of parents working with their child to encourage and stimulate their learning abilities and to listen to their child.

The date for Hardin Fun Nite was set for Saturday, October 20, from 6:00 p.m. to 9:00 p.m. Funds from this project will be used to purchase equipment which is not being furnished by the school. All classes will benefit from this equipment.

Mr. Overton Ray, Hardin Principal, introduced the teachers and the school nurses.

The door prize was won by Mrs. Bretina. Attendance Awards were given to Mrs. Ray, Mrs. Perkins, and Mrs. Smart. Parents are encouraged to support their children, their school, and PTA by regular attendance and participation.

**Gibson Stores
Give \$1 Million
Endowment**

WACO -- Baylor University has been designated to receive \$1 million endowment fund to be used in establishing an H. R. Gibson Chair in management development in the graduate division of Baylor's Hankamer School of Business.

Announcement of the gift was made at a recent banquet in Dallas. Baylor President Abner V. McCall was a special guest at the banquet, which was attended by several hundred Gibson Discount owners, managers and employees.

Contributions to the endowment fund will be donated by owners of Gibson store franchises and other Gibson business associates who wish to honor and perpetuate the name of H.R. Gibson, founder of the discount chain.

**Cat Club Slates
Meeting October 9**

Tex-homa Cat Club will be holding a meeting in the Reddy Room of the new Texas Electric Building, 900 Scott Street in Wichita Falls on Tuesday, October 9 at 7:30 p.m.

Dr. J.F. Hubbs, Jr., veterinarian, will be the guest speaker. The talk will be on medicine and care for your cat. There will be a question and answer session.

The club is for cat breeders but is open also for all cat lovers or people who do not even have a cat yet.

Peggy Darter, Burkburnett, is president of the Club.

Mr. and Mrs. I.R. Reagan of Burk and his brother and wife, Mr. and Mrs. Royce Reagan, of Ryan, Oklahoma, had a wonderful scenic trip through the southwest area of U.S. They visited their son, Robert and family in Lubbock, Tex. one night and then drove to Durango, Colorado, Las Vegas, Nevada and then to Salt Lake City, Utah, the Grand Canyon and Boulder Dam in Arizona. Also they visited many other points of interest on the way home.

O.D. Wortham and wife, of Burk, and his brother, E. H. Wortham of Holliday, Texas attended the funeral services of R. B. (Bud) Fox, 72, in Skelleytown, Texas Thursday afternoon. Mr. Fox was a former resident of this community and was employed by the Skelley Oil Company, from which he retired several years ago.

Mrs. Bertha Lynch entered the Wichita General Hospital last week for tests and treatment.

Mr. and Mrs. Dennis Sisk and family, formerly of Iowa Park, spent a few days over the weekend here with his grandmother, Mrs. J. W. Crowder. They were enroute to Chicago, Ill. where they will make their home.

Among the out-of-town relatives attending the funeral services of Mr. John Netherlain here Friday were: Mrs. Lovera Higgerstaff and daughters, Beverly and Anita, of Lubbock; Mr. and Mrs. Edgar Cope of Ft. Worth; Mrs. Emma Nesmith of Zephyr, Tex.; Mrs. Bessie Cope, Mr. and Mrs. Aubrey Cope, Mrs. Cordie Long, Gene Todd, Etta Belle Fields, all of

Wichita Falls; and Jr. Underwood, Mr. and Mrs. Leon Underwood, and Mrs. Maude Underwood, all of Randlett.

Mrs. A.R. Bunstine returned home last week from Ft. Worth where she had spent several days with her daughter, Mrs. Maxine Holland, and other relatives.

Mr. and Mrs. Arthur A. Starling of Burk have been informed that their son, Ariman Arthur R. Starling, has been assigned to Sheppard AFB for specialized training as a computer systems specialist.

Mrs. E.R. Burns (Hattie) now lives at the Woods Convalescent Center, 4511 Coronado, in Wichita Falls. Mrs. Burns spent several weeks in Medcenter in Wichita Falls. She is doing very nicely now.

A beautiful surprise birthday dinner was given Saturday night of last week, honoring Mrs. Jesse Hageman, by her daughter, Carol Ann Roderick and a brother, Wesley Fenley.

When Mrs. Hageman (Johnnie) returned from work Saturday evening she was greeted by her four brothers and wives, Mr. and Mrs. A.T. Fenley of Dallas, Mr. and Mrs. J. B. Fenley of O'Keene, Okla., Mr. and Mrs. E.G. Fenley of Wellington, Wesley Fenley of Burk, her niece and husband, Mr. and Mrs. L.B. Morris of Wichita Falls and her daughter Mr. and Mrs. James (Carol) Roderick and family of this city.

Bobby Alan Wilkinson of Pomona, Calif. spent a few days here this past weekend with his mother, Mrs. Weida Wilkinson, and other relatives.

Mrs. Cordie Lawrence and son, Fred, spent several days this week in Dingerfield, Tex. visiting her daughter and husband, Thelma and Walter Allen.

Mrs. H.S. (Gayle) Butts had a bad fall in her home this past

week injuring an ankle and her back. She received several bruises and sprains and is unable to get around yet, but is feeling somewhat better at this time.

Judge and Mrs. Floyd Jackson of Oklahoma City visited her brother and wife, Dr. and Mrs. Carl Morrison, here Thursday.

Mr. and Mrs. Lee Cauthorn of Edmond, Okla. were guests in the home of his brother and wife, Bill and Mildred Cauthorn, here a few days this week.

Mrs. Carl Miller recently spent a week in Bronte, Texas with her brother and wife, Mr. and Mrs. C.E. Barton. She also visited friends in Abilene and San Angelo a few days.

Mr. and Mrs. Fred Hunt and Mr. and Mrs. Floyd Coppenbarger returned last week from a most delightful vacation trip. The Hunts visited their son and wife in Las Vegas, then on to St. George and Durango. They visited Mr. Hunts brother and wife in Muleshoe, Texas enroute home.

Word was received here of the death of Mrs. J. Frank (Swanee) Armstrong in Ft. Worth Thursday. Funeral services and interment were held in Ft. Worth. Survivors are her husband, Dr. Armstrong, a sister, Miss Oma VanCleave, a brother, Pharon VanCleave and a nephew, Clayton Foster, Jr. in California. Mrs. Armstrong was the daughter of the late Dr. and Mrs. H.S. VanCleave, formerly of Burk, who was a long-time practicing physician here.

News From Hickory Elm

Visitors this past week at the Nursing Home included Mrs. C.J. Bowman to see Mrs. Annie Pannell, Sept. 18. Also the same day, Mrs. J.H. Spivey visited Zela Mae Holman.

Visiting Mr. and Mrs. O.J. Cooper, Sr. during the past few days were Mrs. Joe Stacy of Garland, Texas and Mrs. R.L. Opperman of Wichita Falls, Tex.; nieces, Mr. and Mrs. O.J. Coover, Jr. and Jay Berger (son and daughter-in-law of the Coopers great grandson); Mr. and Mrs. W.A. Minick of Burk Burnett; Mr. and Mrs. E.L. Wineinger and Dr. and Mrs. A.O. Ackenbom.

Mrs. Kate Kennedy had as visitors Dr. and Mrs. A.O. Ackenbom and Mr. and Mrs. Minick. Ed Hair, who is recuperat-

ing from pneumonia, was visited by his daughter, Jeanene Fox and Alice M. Hintner. Also visiting were his daughter, Judy Boydston and his granddaughter Janice Boydston, of Decatur, Texas. During his illness he was visited by Sherry Wonderlin, Beverly Green and Dee Kirkpatrick.

Mary Kwas and Alma Garner surprised Jackie Bentley, social worker, with a beautiful birthday cake and gift last Friday.

Opal Mathews brought a cake for the employees to enjoy last week. Many thanks Opal. It sure was good.

Youngest visitor to the nursing home was James Cecil Mooney III, 4 weeks, to see his grandmother, Helen Mooney. Accompanying him, of course, was his mother Dianne.

Mr. and Mrs. Bruner (Ed and Edna) celebrated their 53rd wedding anniversary Sept. 25. Visiting them during the day were Arnold H. Bruner of Conroe, Texas, their son; and Mrs. Iona Moore of Wichita Falls, their daughter. Mrs. Moore brought an anniversary cake and took Mr. and Mrs. Bruner out for lunch.

Neal and Amos Hollis of Decatur visited their mother, Mrs. Paul J. Turnbow Sept. 25th.

Marie Wells visited her sister, Mrs. Gladys Adkins of Wichita Falls over the weekend.

Visiting Mr. and Mrs. J.A. Hanks were their daughter and son-in-law, Mr. and Mrs. Don Howard, from Lawton, Okla. and their grandson and his wife, Mr. and Mrs. Bob King from Abilene, Texas.

The Clara Fairview Home Demonstration Club will sponsor the games each third Wednesday for the next nine months. The Club furnishes their own workers and had about 7 women last Wednesday and brought all kinds of prizes and cookies.

Gene Breeden brought the message Sunday, Sept. 23 for the Sunday School Class. Ruby Nalls played the piano. Thirty-seven attended the class.

Some folks think that hunters and fishermen are the nastiest things on the face of the earth, while others think that snuff dippers are even worse. My wife thinks that the combination of the two is just about the bottom of the barrel. The combination of these three things just about drives her up the wall. My wife neither smokes, drinks, dips, chews, fishes, hunts, or does the time honored profession of oldtimey "cussin'". Don't get me wrong, she is not a saint by any means. She has more faults than I do; I just haven't had the courage to point them out, because winter is coming on and I don't like to sleep on the roll-a-way bed during cold weather.

What I'm trying to point out is that chewing, dipping, hunting, and fishing go together. I have many friends that chew, dip, cuss, nip a little, and it doesn't seem to affect their hunt' en and fish' en any.

Bill Naylor smokes cigars and chews Beech Nut tobacco. Ed Oglesby smokes Camels and uses a little top lip snuff. Don Holtzen mixes cooc and sugar together, puts it in a clean snuff box and gets away with it. Dink Lawson did everything for fifty years, and he had to

quit because of orders from headquarters. Gads Garland smokes used cigars and apparently either chews or dips because it runs down his chin onto his shirt, and thru the grapevine while researching the story I learned that Art Lavine has a tendency to hide a pinch of snuff under his tongue, and Jack Alexander (no relation) I understand does it all. All of these fellows are top hunters and fishermen in this area. I don't consider them nasty like some folks.

I really like to see a man or gal have a good time when they go outdoors. Snuff, chewing tobacco, cigars, and cussin' were made before automatic dish washers and power steering, so if dipping, chewing, spitting, smoking, or cussin' is your bag while out of doors my recommendation is just watch where you spit, blow your smoke, leave your empty bottles, and who is around you when cussin'.

The new Texas Parks and Wildlife Information Officer has now officially moved to Wichita Falls. Tate Pittman, a well known Wichita County game warden for many years, and his wife Mickey are now settled in their home, and Tate's

office is open in Fre-Mar Valley for your visits. Tate's primary function will be to educate the public (meaning you) on the functions, activities, laws and schools of instructions that will be available to you. This area can certainly be proud of having a man of Tate's caliber working for them. First chance you get, drop by his office and say "Welcome".

Dove hunting has been rated poor this past week with just about everybody I visited with. Reports from good to no doves sifted across this ole desk, and after much thought the poor rating was given. It is a fact that most hunters are having a hard time bring home 10 birds to show the little woman.

Fishing has rated along with dove hunting this past week, and most anglers were griping about the wind, but I guess this would not be West Texas without it.

Frank Brown, the bird dog man stopped and visited with me for a while and gave me an outstanding quail report. Frank tells me that he is seeing more birds than normal for this time of the year. If any one would know Frank should, because he just had his 50th birthday, and he has been training bird dogs for 44 of those years. Frank has produced some of the finest bird dogs money can buy. He says that he is cutting back, only starting 10 dogs this year, but he still has 2 weeks to go until training season opens and even money says that he will leave town with a full dog box which is 30.

MRS. ZELPHA BROWN, 514 South Hilltop, Burkburnett, caught this 4 lb., 1 oz. Trout on cheese in Richie Shoals. She was fishing out of Lil Red River Trout Dock, Heber Springs, Arkansas.

Buying a side of beef? Do you know what to look for? Do you understand beef quality grades, and the difference between buying beef in bulk and in the supermarket?

If you're uncertain, here are some tips from the U.S. Department of Agriculture:

--Look for the USDA Quality Grade. Be sure of the eating quality. The USDA quality grade is a good guide.

There are eight USDA grades covering the entire range of beef quality--Prime, Choice, Good, Standard, Commercial, Utility, Cutter and Canner. Federal graded beef will be identified by a shield-shaped stamp enclosing one of these eight grade names.

Not all beef is federally graded, but the first three grades--Prime, Choice, and Good--are readily available. USDA Prime is the highest quality. USDA Choice is very high in quality and is the one most commonly found in supermarkets. USDA Good is quite satisfactory to most beefeaters.

--Know what you're paying for. Carcass beef is sold by its "hanging weight", meaning you pay for the whole thing, including the fat and bone that is trimmed away when it's cut up. Here's an average example: If you bought a 300 pound side of beef, you'd probably receive about 225 pounds of retail cuts to take home, but you would pay for the entire 300 pounds including the 75 pounds of fat and bone that were removed. This makes the actual cost per pound of take-home beef considerably higher than the listed cost per pound. And remember that a

side of beef is not all steak. A rule of thumb is that the average carcass or side will yield about 25 percent steaks, 25 percent roasts, 25 percent ground or stewing beef, and 25 percent waste.

--Look for the USDA Yield Grade. Some carcasses have much more waste than others--and this is very important in determining their value.

To determine about how much waste you'll have to pay for, refer to the USDA yield grade. The highest--Yield Grade 1--will yield about 80 percent or more retail cuts to take home, compared to the lowest--Yield Grade 5--which will yield about 66 percent or less retail cuts.

Bulk beef buying usually involves a considerable amount of money. Learn all about it before you buy.

Plans for converting to the metric system of measuring and weighing things are taking shape in the United States and making appearances in grocery stores.

Labels on some processed foods give a measurement in liters or grams--in addition to usual information using quarts, ounces or pounds.

Some labels use the metric system because the product is exported to other countries, or imported to the United States--but other labels carry metric system figures because food processors have begun the changeover.

Considered simple and consistent, the metric system of weights and measures has been lauded by some educators, who believe that children learn it more quickly and easily than the system now in use.

Texas livestock producers will be faced with new regulations on brucellosis control following a statewide public hearing in Austin on October 1. The changes are being proposed by the Texas Animal Health Commission so that Texas will be able to move toward a "certified-brucellosis free status" and thereby be able to comply with the standards of other states to which cattle are shipped.

The major changes in the brucellosis testing program are as follows:

1. Testing of all animals two years of age and over at local auction markets rather than at slaughter.
2. Maintaining cattle in groups until they are tested and found clean or are quarantined, with testing expense to be paid by the seller.
3. Herds found to have the disease will be tested until they have two negative tests, not to exceed 120 days apart.
4. Retesting must be done within 60 days.
5. Animals may move from ranch to ranch owned by the same individual within a county or similar certified area without testing.
6. Animals may move and change ownership but must be tested again. Numerous other procedures and conditions are also specified in the proposed changes.

All livestock producers are invited to attend the public hearing in Austin on October 1. At this time they can obtain further information on the program and voice any concerns they may have about the proposed changes.

A Texas Animal Agriculture Conference has been set for January 21-23 at Texas A&M University. The conference will feature programs on all segments of animal industries, including beef cattle, dairy production, horses, swine and pasture and forage.

The latest developments in brush control and range improvement will be viewed and discussed at the 5th annual Statewide Brush Control and Range Improvement Field Day at Vernon on October 4. The event will feature a tour of the historic Waggoner Ranch in the morning and a research-in-progress report in the afternoon at the Wilbarger County Auditorium. Tours will begin at the auditorium at 8 a.m., 9:30 a.m., and 10:30 a.m.

Texas A&M University will host high school seniors at its annual Career Day on September 29. The day-long event is sponsored by the Colleges of Agriculture, Engineering and Science and will begin at 8 a.m. Its purpose is to illustrate to high school seniors some of the challenging and exciting

fields in agriculture, engineering and science, according to Dr. R.C. Potts, associate dean of agriculture.

Harvest season is a good time to evaluate the success of weed control practices used during the year. Weeds that escaped control by herbicides and cultivation are obvious during harvesting operations.

A little time spent in making some notes on the location and identity of weeds present and the herbicides used in a particular field will be well worth the effort next spring. I would suggest making a map of each field showing where the problem weeds appeared. This will be an asset next planting season when crop rotations are planned and herbicides are selected. If a particular weed was not controlled by a given herbicide, it may be advisable to rotate to another crop so that other herbicides may be used. Johnsongrass control in grain sorghum is usually a losing battle, but by rotating to cotton, a preplant incorporated herbicide coupled with directed postemergence sprays can keep Johnsongrass under control.

A weed map and a field by field record of herbicide usage are valuable aids in planning next year's crop and weed control program.

MARKET REPORT

Although the "thaw" on meat prices in retail markets hasn't resulted in immediate high price levels expected by some, price fluctuations are likely for a few weeks, Mrs. Gwendolyn Clyatt predicted.

The consumer marketing information specialist, Texas Agricultural Extension Service, Texas A&M University System, termed it "wishful thinking" to believe food prices will ever go as low as they were.

"However, if the supply and demand system is allowed to work, food should be as low as anything in our consuming lives," she added.

"Pork loin roasts and chops--and quarter loins sliced--offer good values this week. Hams, picnics, shoulder roasts and steaks also make good pork buys."

In general, look for best beef values on round steaks and roasts, ground beef, and arm and blade pot roasts and steaks, the specialist continued.

"Chicken remains one of the better buys at meat counters--with whole birds the most economical choice."

Mrs. Clyatt reported the egg market about steady--with supplies adequate for demands.

"Tokay and white seedless grapes continue in ample supplies with prices unchanged to slightly lower. Prunes also carry attractive price tags this week."

"In addition, apples, bananas, plums, cantaloupes, watermelons, nectarines and pears deserve consideration."

Potatoes, sweet potatoes, dry yellow onions, lettuce, celery, cabbage, carrots, collards, rutabagas, green peppers, squash and cucumbers are the most economical vegetable selections, she concluded.

A&M Career Day Slated September 29

COLLEGE STATION--Texas high school seniors are being urged to attend A&M University's annual Career Day Sept. 29 sponsored by the College of Agriculture, Engineering and Science.

Dr. R. C. Potts, associate dean of agriculture, said exhibits will illustrate the many programs in the Colleges. Activities start at 8 a.m. and end at 4 p.m.

Faculty and student representatives from each college will be available to answer questions.

Potts said agricultural and engineering exhibits will be in the Zachry Engineering Center. Science displays can be seen in the Biological Sciences Building.

"We look forward to visiting with you during Career Day," he said. "We plan to have many attractive exhibits which will show the exciting and challenging fields of agriculture, engineering and science."

The dean added that Texas A&M and Boston College will play an inter-sectional football game that evening, starting at 7:30. End zone tickets will be available at \$1 each for visiting high school seniors and their sponsors.

Carry more cattle per acre for more return per acre
FEED PURINA GRASS STRETCHER

Cattlemen growing calves and yearlings on grass have one thing to sell... pounds of beef. The more pounds produced per acre, the greater the return--as long as you can sell extra weight for more than it costs you to add it.

Purina Grass Stretcher helps cattle on spring and summer grasses and temporary winter pastures do just that... gain extra pounds at low cost. By supplementing feeding Grass Stretcher you can carry more head per acre since the cattle will eat less grass.

Increased carrying capacity and improved average daily gains... that's the Purina Grass Stretcher story. Stop in or call us soon to find out how Purina Grass Stretcher can help you produce more beef per acre. We're at the store with the Checkerboard sign.

Oct. 18-21 Fiesta Amistad, Del Rio and Ciudad Acuna, Mexico. Mexican foods, music, dancing, a charreada (Mexican rodeo) and Grand International Parade will highlight this 19th annual festival of friendship. For information write: Del Rio Chamber of Commerce, Box 1388, Del Rio, Tex. 78840.

Oct. 28 Confederate Air Force Air Show, Harlingen. From Rebel Field, headquarters of the CAF's flyin' colonels, World War II aircraft take to the air Sunday afternoon for another of their crowd pleasing performances.

"Fire Prevention!" What's That?!"

Lives may be lost in a fire-precious family jewelry, keepsakes, pictures and clothing may be lost. The wise family will check that newspapers and rubbish is removed, that heaters and chimneys are in fireproof condition, that flue pipes cannot ignite combustible walls. Be sure any space heater is ventilated against the poisonous monoxide gas.

Weekly Health Tip

from JOE GILLESPIE

Parents should be sure to caution children against the dangers of fire. In case of a clothing fire, warn them not to run or remain standing, but to drop down and roll on the ground. If indoors, drop to the floor and roll into a rug to smother the flames. If no rug is handy, a heavy coat or wool blanket will do. Jumping under the shower or spraying with a garden hose is effective. It is wise to keep a garden hose attached and coiled both indoors and outdoors, for emergency fire use.

Copies of the documents may be obtained by depositing \$50.00 with the Architect for each set of documents so obtained. Such deposits will be refunded on return of the plans, specifications and other documents in good condition within 10 days after bid opening. A certified check or bank draft, payable to the Local Authority, U.S. Government Bonds, or a satisfactory bid bond executed by the bidder and acceptable surety in an amount equal to five (5%) percent of the bid shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment bond or bonds.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the specifications must be paid on this project, and that the contractor must perform with his own forces at least the construction branches of structural concrete and carpentry. The Local Authority reserves the right to reject any or all bids or to waive any informalities in the bidding.

No bid shall be withdrawn for a period of (60) days subsequent to the opening of the bids without the consent of the Local Authority.

CARD of THANKS

I wish to thank everyone for all the prayers, flowers, cards, gifts, and food I received while I was in the hospital and since my return home.

WORD OF THANKS
 I have had many friends in our city to ask about my son, Eldon Maney, who was shot in his grocery store in Odessa, Texas March 7th.

To our many friends I would like to take this opportunity to thank you for all you answered prayers of those here in Burk Burnett, Odessa, all the way to California in behalf of Eldon.

Surely this should be a testimony for our Lord and Saviour for with the help of Eldon's good doctor, Dr. Meek, Eldon has wonderfully recovered after being shot twice in the head. Two brain operations were necessary to remove blood clots and then later a more serious operation below his lungs and heart to tie some veins, for his Doctor said there were blood clots forming around his heart and lungs, which would take his life. By trusting God and the doctors, his mind began to recover and Eldon got well by leaps and bounds. The most important thing, I feel was how God intervened when he was shot. God gave Eldon strength and mind to walk to the back of his store in his own blood and call the police and a son living there in Odessa, for help. If he had not had a sound mind to call for help surely he and his clerk, who was also shot twice in the head, would have bled to death, it being early in the morning and no one else was in his store.

I will never be able to thank God enough for the prayers of the people of this community and others who were faithful to pray. God is such a good God. God not only spared the life of my dear son but the life of Eldon's clerk, Susie, who is also recovering from a terrible experience. My prayer is that God may bring PEACE to this nation so we might not live in fear for our dear families who we love so dearly.
 Mrs. H. D. Maney & family

CARD OF THANKS
 My son, Ed and I would like to express our gratitude and thanks to Brother Champ, Dr. Carpenter and many, many friends for their prayers, visits, thoughts, and kindnesses while I was confined in the hospital.

Boom Country Report

Let's here it for the BOOM COUNTRY JAMBOREE regular stage band members! Hey! Hey! Hey! Ever faithful and ever present to lend their talents providing background music for the stage performers. JAMBOREE goes had a real fiddling and picking treat this past Saturday when two youngsters from Gainesville - Dennis and Jonathan got on the state. Their renditions of "Cotton-eyed Joe", "Bolling That Cabbage Down" and "Black Mountain Rag" were really tops. We hope to be welcoming these boys back again real soon!

Pat Patterson was back this week with the all time favorite "Maiden's Prayer". Here is one man that doesn't need the assistance of a "mike" to carry across his songs. Bozo's number three son, Reuben favored the Jamboree crowd with a Merle Haggard favorite, "Branded Man". In the American tradition, Reuben did a "Tribute to Hank Williams". Even though he has been dead some 20 years, his music still lives in the hearts and memories of all country music fans.

KLUB's Jim O'Keefe and the JAMBOREE mascot took turns riding in their little red wagon. O'Keefe is getting just a little too big as was apparent when he toppled over during his turn in the wagon. Jim Hill was on hand to give aid to Bozo on stage. Their comedy add much movement to the program each week. Hill made the announcement that October has been designated COUNTRY MUSIC MONTH and that a parade will be held in downtown Wichita Falls ushering in the special month, Monday, October 1 at 3:00 p.m. Bozo took a little stage time to assure the JAMBOREE audience he was still very much up on his country music and that his talent is never dying. His fiddling is unsurpassed for quality and when he sings, it's from the heart. Doing the Vern Stovall number, "One More Memory" and the Wynn Stewart song, "Cheating Is In Style" only goes to show Bozo's versatility. Jim Barnes, recently acquired regular to the JAMBOREE stage, is rapidly becoming a real crowd pleaser. He does a fine job vocally, but

The Rexall Ranger, Jim O'Keefe, rides again. Emcee Jim Hill looks on in wonderment.
