Six Months Passes Quickly

Council Denies Oil Well Permit

Central Baptist Enters ★ New Building ★

Central Baptist Church of 814 Tidal Street, Burk Burnett, will open the doors to a new \$22,000 educational building Sunday. Included in the new building are 22 new classrooms comprising a total of 10,211 square feet. The auditorium was extended 17 feet to make room for increased attendance.

Construction began six months ago. Joe Ray McCluskey was contractor for the job and Cotton Kinnard is the building committee chairman of the church.

Actually the new building connected the auditorium with the old educational building. Before, there were six separate dwellings, but now it is all connected into one.

Central Baptist Church is 51 years old and has been one of the fastest growing churches in Burk Burnett. In the past five and a half years there have been approximately 750 new members join the church.

Pastor Max Dowling commented that while construction was being done, several classes consolidated into the auditorium. He added that when construction work was completed on Fridays, everyone doubled up and got in high gear to get the auditorium cleaned up before Sunday's services.

One interesting aspect of the construction is that all electrical wiring is underground.

Just two months ago the church purchased a new Yamaha Baby Grand Piano, which will add to the newness of the facility.

Dedication services will be sometime in February.

The Burk Burnett City Council met Monday night and discussed the possibility of increasing electric service rates.

B.J. Vincent, TESCO manager, said in a statement to the commission: "Texas Electric Service Company, in order to continue to provide adequate service in the face of fuel shortages and higher costs of construction and financing, must request approval of an increase in its rates."

"While the percent increase will vary somewhat, depending on the type and amount of usage, it will average about 9 1/2% overall."

TESCO has requested a rate increase only three times before in its history, Vincent pointed out, and has been able, through economies of scale and technological advances, to make a number of rate reductions.

"But fuel shortages are signaling an end to the days of low-cost energy," Vincent said.

He outlined the company's long-range plans for diversifying to fuels other than natural gas and oil, now in short supply.

"Years ago we joined with two other companies to build plants that generate electricity using East Texas lignite coal. One plant is now in operation and two others are under construction," the TESCO official said. "We are also progressing on schedule on a planned nuclear plant near Glen Rose."

Vincent said the higher costs of such plants, coupled with the cost of expanded storage facilities for natural gas and oil and compounded by inflation, will run TESCO's construction costs to \$230 million in 1974-75 alone, and more than \$700 million in the next five years.

"Texas Electric is in a good position today to cope with the energy situation because our financial position has been strong. Only by obtaining rate increases as they are needed can we maintain this strength and assure the investor confidence that will enable us to do our job providing good electric service in the years ahead."

Following Vincent's remarks, councilman Donald Pate asked Mr. Vincent if he was sure that the electric company would be able to get the needed fuel. Vincent assured him that they had fuel reserves and that they had fuel stored underground at Graham. Vincent noted that fuel wasn't the big cost of the operation—it was the construction of the plants that cost.

City Manager Gary Bean then stated that he has requested a whole breakdown of the city electricity from TESCO.

This information should be ready for discussion at the next City Council meeting.

Don Pate then made the motion that the council table the electricity increase issue until the next meeting.

Following further discussion, in which comparisons of rates in other towns and cities were made, Councilman Musick seconded Pate's motion.

After the second discussion proceeded concerning the number of readings which would have to be taken before a rate hike could be approved.

Gary Bean pointed out to the councilmen that there would have to be three readings before the increase could be approved. Throughout the first two readings, changes could be made in the issue at hand.

The third reading was the powerful one, since it would finalize the matter. The council then voted on the motion to table the decision. Mayor Cornelius, Councilmen Musick, Pate, McCandless, and Spinks voted in favor of the motion and Councilmen Lohofener and Lindemore voted against the motion.

Councilman McCandless made the motion that the council meet twice in March so that TESCO might have an answer by its April deadline. Lindemore seconded the motion and all approved. Therefore the City Council will meet on the 18th of Feb., and the 4th and 18th of March.

McMorries and Associates will perform the electricity survey.

Marvin Brown, who represents Chambers Trust, voiced his opposition of Sam Walton's application to drill for oil in the Burk Burnett City Limits.

The site of the proposed area for the well was in the Mimosa Heights Subdivision.

Brown argued that the application is defective because it does not comply to the city ordinance and it wouldn't promote the welfare of the community.

Walton failed to have a representative.

Forum Chorale Will Entertain

Chamber Banquet Is Friday Night

The 1974 Burk Burnett Chamber of Commerce Banquet will be Friday, January 25, at 7 p.m. in the Burk Burnett Civic Center.

Entertainment will be The Forum Chorale, who will present a patriotic program on America. Ray Davidson is the director of the group and Beverly Crenshaw the accompanist.

Awards to be presented include those for the Man of the Year, Woman of the Year, Employee of the Year, and Senior Citizen of the Year. These will be announced during the banquet.

Chamber Manager Raymond Greenwood said this week that there might possibly be 30 tickets for sale at the door, but there might not be any. He urged anyone who wants a last minute ticket to call the Chamber office before 5 p.m. before going to the banquet. If there aren't any tickets remaining, there will be places for 585 persons at the banquet and tickets are \$3.00 each.

Sixty-One Enroll For Local College Courses

Sixty-one persons enrolled for the spring semester at Burk Burnett Extension Center of Vernon Regional Junior College according to Dr. Loyd Hughes, Dean of Instruction.

Individuals interested in enrolling may do so Thursday evening, January 24, at 6 p.m. in Room 4 at Burk Burnett High School.

Some students have indicated an interest in Agricultural Economics 328, but more are needed to make the class available. Agricultural Economics is a transferrable college credit course and is offered on Thursday evening from 6:30 to 9:30 p.m.

All high school graduates and GED recipients are eligible to enroll regardless of age and anyone who is 21 years of age or older is eligible to enroll for classes regardless of past educational attainments.

High school students may enroll for college credit courses at the Extension Center upon receiving approval of Burk Burnett High School and VRJC officials. The credit high school student receives is posted to their college transcript upon graduation from high school.

Impressions
Thoughts
Of A
Newsmen
by Leon Smith

A lot of things have been labeled 50-50 recently. The public seems to be pretty well split evenly on matters such as whether or not to impeach the president, change school schedules, and others. But one thing almost everyone agrees on is that prices on oil are increasing and probably will continue to increase for awhile.

The Department of Commerce reports that the consequences of the world price of oil on the balance of payments might be fantastic.

For example they project that the drain on the U.S. balance of payments will increase from \$5.7 billion next year to \$3.4 billion in 1980.

On the other side of the coin, oil exporters will gain incredible wealth. Saudi Arabia's surplus would grow from \$19 billion next year to \$38 billion in 1985.

No wonder other nations who have monopolies on scarce metals (such as bauxite for

aluminum) are thinking in terms of blackmail like the Arabs did. I recently read an article about the control subordinate nations have on the United States and the Soviet Union. It states that the smaller nations get away with all sorts of blackmail because both the U.S. and the Soviet Union are afraid that intervention might trigger an atomic explosion on the part of the other super power.

If smaller nations were to follow the patterns set by the Arabs they would probably either find that they actually do have control, or that they are powerless. It would nearly have to be one way or the other.

Bloodmobile To Arrive In City

A Blood Program Volunteer Workshop will be in Burk Burnett January 31 at 7 p.m. in the Reddy Room. The Bloodmobile will be in Bark again on February 21.

Burk Burnett's quota is 90 units but in November the community only donated 52 units.

McDonnell Bowls Highest 3 Game Series In Nation

Doak McDonnell (son of Mr. and Mrs. Henry McDonnell of Burk Burnett) and Roy Hawkins of Oklahoma City bowled a 1928 Series which won them first place in the Coca-Cola Yuletide Tournament at Thunderbird Lanes in Lawton, Oklahoma. Doak and Roy also won the honor of bowling the highest 3-Game Series in the nation for 1973.

Doak had a 822 Series (a 298, 287, 237 game) averaging 274 per game.

Doak is a member of the Professional Bowlers Association and at the present time he is on the Winter Professional Bowlers Tour.

CERTIFICATE OF COMMENDATION - - Manager Arleigh Franklin right is presented a Certificate of Commendation by Contemporary Study Club member Mrs. Bill Wood, chairman of Business for Beauty.

The Contemporary Study Club is one of 14,000 affiliated GFWC Clubs that has adopted the Business for Beauty Program which has been conducted nationally since 1968 and is sponsored by the General Federation of Women's Clubs and Cities Service Oil Company through the Cities Service Foundation. The purpose of the 1972-1974 program is to motivate landscaping and other improvements by business firms. Programs such as Business for Beauty play an important role in fighting visual pollution in our nation.

A Certificate of Commendation is being presented by the Contemporary Study Club

to three entries in this program. They are being presented to Mr. Arleigh Franklin, Manager, Burk Sweet Shop; Mr. High Preston, Owner, Preston Dairy; and Mr. James Brown, Owner, Fun Time Skating Rink, for their participation in the program. "Before" and "After" pictures were taken of these three firms and three out of town judges will name the winner at a later date. The winner will receive a First Place Award Certificate and be entered in state competition. State and national awards will be presented in spring of 1974. A plaque will be provided for presentation to the winning business in the state. This goes to the businessman for display at his establishment. The proprietors of the winning business in national competition will receive trips to Washington, D.C. (Informer/Star Photo)

STATE CAPITAL Highlights AND Sidelights

By Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Texas media groups interested in "freedom of information" met with Attorney General John Hill this week to discuss his opinion that police officers' arrest and offense reports are confidential under an exception to the new Texas open records act.

The quasi-judicial hearing was held because legislative leaders who supported the open records law said it was not their intention to allow police departments to keep arrest and offense reports secret.

Representatives of the Texas Joint Media committee were meeting with their attorneys to prepare statements for Attorney General Hill. Members of the committee include the Texas Press Association, Texas Daily Newspaper Association, Texas Association of Broadcasters, Texas Associated Press Managing Editors, Sigma Delta Chi, American Society of Newspaper Editors and Texas Press Women.

Most police chiefs were leaving their "blotters" open to news people, because they interpreted Hill's opinion as

giving them an option on the closing.

Original sponsor of the amendment to the open records law that would close police records was Col. Wilson Speir, director of the Department of Public Safety.

"If this attorney general's opinion holds, and reports of crimes are withheld from the public, the Texas Joint Media Committee representatives will consider amendments to this legislation for the next Texas legislature," stated Glenn Sedam, Texas Press Association vice president and legislative chairman.

However, Kubiak agreed to soft-pedal talk of a special session during the Constitutional Convention.

Briscoe reportedly is continuing to push for complete data on property tax values in each school district as a basis for long-term revision of the finance system.

He may offer a tentative overall plan by November for consideration of the next regular session.

EVERYBODY'S INVITED — When witnesses were slow to schedule appearances before Constitutional Convention committees, delegates proposed to go out looking for them. One even went so far as to suggest "witness wanted" advertisements.

Citizens who have something they would like to say to the delegates about how to revise the constitution can

quests for supplementary financial aid before school opens next September.

School administrators and Texas State Teachers Association have requested emergency appropriations of \$100 million for school maintenance and operation. Another \$40 million is asked to increase teacher retirement payments an average of 10 per cent.

State Rep. Dan Kubiak of Rockdale renewed his request for a meeting of the legislature on school money matters to help districts "in desperate financial need."

He noted a \$315 million surplus is anticipated at the end of the current state fiscal period.

About 90 lobbyists for varying special interest, meanwhile, have registered with the Secretary of State to make their own efforts at influencing shape of the new constitution above board.

TICKETS DON'T COUNT — It's official: speeding tickets picked up during the next 60 days under the new 55 miles per hour speed limit won't count against insurance rates.

Insurance Board Chairman Joe Christie said a moratorium on all speeding convictions as far as insurance rates are concerned has been declared from January 20 through March 20.

AG OPINIONS — The contract of employment of the Borger school superintendent is disclosable under the open records law.

So are names and addresses of incoming university freshmen public information.

Parks and Wildlife Commission may prohibit use of seines and nets in the Gulf of Mexico only in those areas which are within one mile of a pass connecting bays and tidal waters with the Gulf of Mexico.

Neither the county treasurer nor the county auditor has any responsibility for funds of a legally organized non-profit corporation.

The legislature may not by appropriations bill rider

require the governor's approval of agency expenditures. A finding by the governor of the existence of a particular fact may be required as a prerequisite to an expenditure, however.

A county is entitled to reimbursement from sureties for reasonable and necessary costs of rearrest after a bond forfeiture or an affidavit of surrender.

Texas Animal Health Commission may prohibit admission of Mexican cattle into designated Tick Eradication Areas in an effort to prevent introduction and spread of penetic or Texas fever.

COURTS SPEAK — The Third Court of Civil Appeals ruled for the state over the federal government in a Texarkana ammunition plant sales tax suit that could mean \$50 million in back tax collections.

In other cases, the high court held:

Land owners don't have right to profit on land condemnation due to projects like the Dallas-Fort Worth Regional Airport.

Affirmed a Waco court finding that a 23-year-old man did not commit suicide, allowing his mother to collect on an insurance policy.

Upheld a negligence verdict against a man involved in an accident in which parents of a child were killed near Del Rio.

The Court of Criminal Appeals upheld a 1,000-year-sentence conviction of a Dallas man for rape of a 12-year-old girl.

APPOINTMENTS — Jim Ray,

32, of Austin was selected as executive director of the Constitutional Convention, with broad powers over the professional staff.

Briscoe named Stephen F. Cross of Borger district attorney of the 84th district.

Dick Whittington, Texas Water Quality Board deputy director, is a member of a nine-man team selected by the U. S. Environmental Protection Agency for a sewage treatment technology conference in Japan next month.

SHORT SNORTS — Attorney General Hill filed a federal court suit here to force release of \$3 billion in federal water pollution control funds impounded by the president.

Daiva Spinning Company agreed in principle to locate its new cotton spinning plant in Levelland.

Tips to help you get more efficiency from your home heating system.

Insulation is important and can pay for itself by lowering your heating (and cooling) costs. You can save as much as 20% or more on energy consumption if your home is insulated to meet FHA standards. Engineers usually recommend a minimum of six inches of insulation for the ceiling, four inches for the outside walls and, if construction is pier-and-beam, two inches under the floor. Keep the filters clean. Dirty filters restrict air flow and cause the equipment to work harder and use more electricity.

A lower thermostat setting will result in less energy use. The setting of 65°-68° has been recommended for energy conservation. If you are going to be away, turn your thermostat down to a lower setting or turn it off unless freezing weather could damage plumbing and appliances.

Weatherstrip doors and windows to help seal in the heat you're paying for. Keep the damper tightly closed when the fireplace is not in use to prevent air leakage.

A few families of the Boomtowners NCHA spent the weekend at Sultan Park in Walters, Okla. Although the weather was somewhat cold and cloudy the group was warmed by a campfire with the coffee pot always ready for a hot drink and by their various activities such as chopping, sawing, and gathering wood, and hiking. The afternoon's entertain-

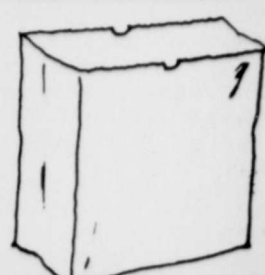

ment was provided by a couple from Walters who stopped by the campfire circle to visit. Dr. and Mrs. Scism regaled the campers with their stories of their various travels and experiences. Mrs. Scism showed handicraft items and demonstrated their making. A cookout Saturday night was followed by slides shown by Eddie and Leila Rowe. The

pictures were made in South America by Mr. and Mrs. Rowe who were with an oil company. The slides showed the laying of pipe lines and some of the difficulties encountered in the mountainous areas and the deep sea docks. Bird watching was enjoyed by all members of the group. Huge trees in the large park provided homes for scores of

birds such as Cardinals, Nuthatches, Titmice, Owls, Robins, Woodpeckers and various others.

Enjoying the wintertime campout were: Clarence and Cledella Bridges; Ray and Mary Carlisle; Nelson and Estelline Boyler; Herman and Leona Miller and guests Eddie and Leila Rowe from Electra.

United Methodist Women To Observe 'Call To Prayer' And 'Self-Denial'

United Methodist Women of First United Methodist Church of Burkburnett, Texas will hold one of their most important annual observances this week-- The Call to Prayer and Self-Denial. About 1.5 million women in 35,000 local units in all 50 states will join in the observance.

The Call, inspired by special mission needs, focuses on prayer, a deepened spiritual life, and a guided mission study. Major events of the observance include the Quiet Day and an interpretation of the mission projects in the United States and abroad for which a special offering will be made. Each woman who takes part is asked to give for others by denying herself, and to cultivate through prayer a spiritual oneness with planners, mission workers, and those served in church-related ministries.

The Call to Prayer and Self-Denial for women of the First United Methodist Church will be held at 2:30 o'clock on Sunday, January 27, 1974, at the church parlor.

The Women's Division of the United Methodist Board of

Global Ministries sponsors the Call to Prayer and Self-Denial and has designated two aspects of the large United Methodist mission program to benefit from this year's special offering.

The Division says of the 1974 Mission aspects:

In the United States the offering will be used for "Ministries to Young Children and Teen-Agers." Through this Christian service the needs of many young lives will be met in community centers, schools, homes, career development programs, and day care. Health, meaning, and purposefulness will be brought into some young lives, where special approaches will be used to reach neglected, mistreated, or hostile children or teen-agers who have already formed patterns of antagonism and resentment.

Overseas, the offering will be directed toward "Ministries and Movements for Peace and Justice." Some of these ministries in Asia, Africa, and Latin America are a part of the program of partner churches abroad. Some join

hands with religious and secular movements not contained within familiar and formal structures of the church. These efforts may range from projects in an urban community to the struggles for national independence, to the international programs concerned for change and development.

Missionaries and nationals from around the world have provided information for the Call to Prayer and Self-Denial talks to be given at the meeting. The service for the Quiet Day, THE PEOPLE'S STORY, was written by the Rev. Ms. Jeanne Audrey Powers, staff member of the Board of Global Ministries of the United Methodist Church.

United Methodist Women is the successor body to two former denominational women's groups--the Women's Society of Christian Service and the Wesleyan Service Guild, and is related to the Women's Division of the United Methodist Board of Global Ministries. Last year the Call to Prayer and Self-Denial offerings of United Methodist Women totaled \$680,144.

TLETHA HGFORD, 16-month-old daughter of Bill and Iletha Hgford, Route 2, is the granddaughter of Oletha and the late Johnnie L. Herring of Burkburnett and Mrs. L.L. and the late Mr. Hgford of Randall, Oklahoma.

Tletha has two brothers, Willie James and Johnnie Lester (both of home) and is a lover of pets. She is shown holding a kitten which belongs to her Grandmother Herring.

Finnell Named To Committee

AUSTIN--Rep. Charles Finnell of Holliday has been named to the Judiciary Committee of the Constitutional Convention and has pledged to work for continued strong local control of courts and judges.

Finnell was appointed to the post by the President of the Convention and the appointment was confirmed by a vote of the 180 House members and state senators serving as Convention Delegates.

Contemporary Study Club Elects Officers

The Contemporary Study Club met in the home of Mrs. M.D. Cheney with Mrs. Harry Elliott as co-hostess.

Mrs. Frank Miller, president, opened the meeting with the Club Collect. Members answered roll call with "A Money Saving Hint".

During the business session, several reports were given. Mrs. Bill Wood reported on the Cigo contest and stated that their business in Burkburnett will receive awards of recognition for beautification and improvement.

The club voted to head the Heart Fund Drive in February for Burkburnett. Also the club voted to enter Mrs. Harry Elliott in the General Federation "First Ladies Contest."

It was decided that the Club will use the Educational T.V. project for their entry in the C.J.P. Contest.

Mrs. M.D. Cheney gave a report from the nominating committee. New officers elected for 1974-75 are: Mrs. Tom Smith, president; Mrs. Bill Wood, vice-president; Mrs. F.T. Feltz, Jr., treasurer; Mrs. Bill Pittard, recording secretary; Mrs. Gene Anderson, corresponding secretary; Mrs. Robert Norris, reporter; Mrs. Frank Miller, historian; and Mrs. Harry Elliott, parliamentarian.

The program was presented by Mrs. Joe Boucher. Her topic was "State of the Family-Money Management". She gave many money saving sugges-

Lay-Smith Wed In Burkburnett

Miss Deborah Sue Lay and Dennis Ray Smith exchanged marriage vows Friday evening in the First Baptist Church before an altar which featured pink baskets of pink gladioli and candelabra.

The Rev. Theophilus Thompson of Wichita Falls officiated. The couple's parents are Mr. and Mrs. Odie R. Lay and Mr. and Mrs. I.L. Smith, all of Burkburnett. The newlyweds are graduates of Burkburnett High School. She is employed by Mildred's and he by Burgess Industries. They will live in Wichita Falls following a wedding trip to Austin.

The bride chose a formal gown of silk organza over peau. The bodice featured a slouette neckline with a lace stand up collar. Scalloped sequined chanti lace encircled the waist and cuffed the sheer bishop sleeves. The bouffant lace hemmed skirt swept to a chapel train in a cascade of lace edged ruffles. The veil was held by lace encrusted with pearls and handmade rosebuds. Her flowers were a cymbidium orchid, carnations, gladioli, and baby's breath.

Miss Cathy Denny of Wichita Falls was maid of honor and Misses Connie Dolan of Burkburnett and Linda Gibbs of Wichita Falls were bridesmaids. Elizabeth Key was flower girl and Jamie Wise was ring bearer.

The attendants wore princess style gowns made of cranberry and pink crepe, featuring long tapered sleeves. Their headpieces were pink circlets with flowers in different shades of cranberry and pink and they carried nosegays all in the same colors.

Richard Clark of Wichita Falls was best man with Joe Stewart and DeDe Adams as groomsmen. Guests were seated by Ed Frye of Iowa Park and Rick Reasoner of Wichita Falls.

A reception was given by the bride's parents in the Fellowship Hall. Those assisting were Misses Jan Milstead, Marilyn Koller, Kathy Brookman, and Nancy O'Rourke. Diane and Tammy Lay, cousins of the bride, passed out rice bags. The rehearsal dinner was given by the groom's parents at Ruth's Cafe.

Mrs. Dennis Smith

Burkburnett Study Club Elects New Officers

The home of Mrs. Alvin Hill was the meeting place of the Burkburnett Study Club for their January meeting. Eighteen members were present when the president, Mrs. P.A. Carpenter called the meeting to order.

During the business meeting, Mrs. Francis Feltz presented a workshop instructing membership on the procedure in writing committee reports which are to be sent to district chairman.

The nominating committee

presented new officers for the club year, 1974-75. The following officers were selected: Jane Sewell, Lt. Col. USAF, Ret., President; Mrs. F. W. Raines, Vice-President; Mrs. Herta Baber, Recording Secretary; Mrs. Joe Gillespie, Corresponding Secretary; Mrs. Glen Bear, Treasurer; Mrs. M.E. Bean, Parliamentarian; Mrs. Harold VanLoh, Historian and Mrs. Francis Feltz, Reporter. These officers will be installed in a formal ceremony

in May.

Following the business meeting, Mrs. Raymond Morse presented an interesting report titled, "Mind Relaxers--Hobbies". In her report she emphasized the need of hobbies to help relieve the mind from everyday problems and tensions. At the conclusion of her talk, each member showed her hobby and explained the value of it to her.

4 H Club Discusses Their Purpose

The Burkburnett 4-H Community Club held their January 9 meeting at 7:30 p.m. in the Burkburnett Bank.

The program was given by Hershel McDonald, who spoke on the meaning and purpose of 4-H. He said that the 4-H's stand for Head, Heart, Hands, and Health. McDonald also reported to the group, the methods of becoming a 4-H member and how to get into the various fields and projects offered by the program.

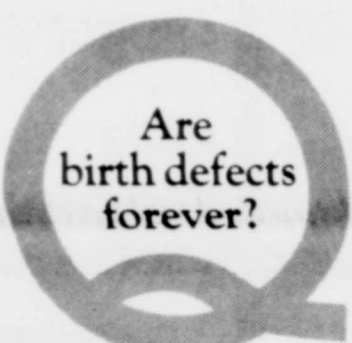

He said that the 4-H is in cooperation with Ag projects in school.

McDonald is a Texas Agriculture Extension Service Representative.

The club decided that they should meet the second Thursday each month.

They also decided to work on their record books at the next meeting, Feb. 19 at 7:30 in the Burkburnett Bank. This should win them an award at the Annual Award Banquet.

Visitors are invited to join the 4-H'ers at the next meeting in Community Room.

Schelter-Clemons Vows Are Exchanged In Florida

Candlelight and soft wedding music formed the background for the impressive double ring ceremony sitting Deborah Nancy Schelter and Otis Jeffrey Clemons in marriage on Friday, Dec. 28, at 7 p.m. in the First Baptist Church of Okeechobee, Florida.

The Rev. Lamont Champ of Burk Burnett, Texas, officiated, assisted by the Rev. Richard E. Whipple of Okeechobee.

The bride is the daughter of Lt. Col. and Mrs. Peary A. Schelter of Burk Burnett, Texas, and the groom's parents are Mr. and Mrs. Pete Clemons of Okeechobee, Fla.

Miss Janet Fulford presented a program of prelude music at the piano. Soloist Mr. James Smith, uncle of the groom, sang a tribute "To God Be The Glory, Wedding Song, and The Wedding Prayer, accompanied by his daughter, Kim. The Wedding March and Recessional were played by Mrs. Lloyd Jeffers at the organ.

The couple spoke their vows before an altar banked with red holly, palms, and cathedral tapers in wrought iron candleabra. Red poinsettias completed the setting. A large basket of white pom poms and red Anthurium centered the background decor. White lighted tapers, ferns, and pink satin bows marked the pews.

The bride, given in marriage by her father, wore a formal gown of candlelight silk organza designed by Ron de Le Vece of Piccione featuring a high scalloped Victorian neckline and full Bishop sleeves edged in a pink pleated ruffle which was repeated at the hemline of the dress. The empire bodice, sleeves, and hemline were enriched with re-embroidered lace while the high waistline was accented by pink silk organza knotted in a bridal bow and sash extending the length of the full chapel train.

The three layered cathedral length veil of imported silk illusion accented with lace appliques, seed pearls and sequins was worn with a Camelot cap of pink seed pearls and lace.

The bride carried a bouquet of pink and white sweetheart roses, stephanotis, and baby's breath on a Bible used by her mother and sister at their wedding.

Matron of honor was Mrs. Glenn C. Alexander, sister of the bride. She wore a formal empire style gown featuring a cranberry velvet bodice and a pink crepe skirt accented by a Victorian neckline and velvet

cummerbund. She carried a lighted cranberry candle in a crystal brandy snifter with pink satin streamers.

Attired identically were bridesmaids Misses Jackie Brown and Elaine Mills of Burk Burnett, and Clarissa Carter of Arlington, and Mrs. Terry Lynn Cherry of Gainesville, Fla., cousins of the groom.

Miss Jennifer Lee Alexander, niece of the bride, was the flower girl. Melissa Gaughan and Julie Ann Alexander, niece of the bride, carried the bride's cathedral length veil. Their gowns were designed in a fashion similar to those of the bridesmaids.

Todd Clemons served as his brother's best man. Groomsman were Larry Schelter, of Point Mugu, Calif., brother of the bride; Joseph Hatch of Englewood, Florida; Marshall Coker, Mose Joiner and Woody Larson of Okeechobee. Master "Buck" Durrance acted as ringbearer.

The candles were lit by Stephen Schelter of Burk Burnett, brother of the bride.

Mrs. Schelter chose for her daughter's wedding, a floor-length dress of light pink chiffon with a co-ordinated jacket. Her corsage was of pink sweetheart roses. The groom's mother wore a floor-length dress of hot pink crepe. Her corsage was of pink sweetheart roses.

Immediately following the ceremony, the bride's parents honored the couple with a reception in the church fellowship hall.

The guest book table was covered with a white cutwork linen cloth which was a wedding gift from the bride's uncle, Major Gen. Louis J. Schelter of South Korea. Attending the table was Miss Marion Little.

The brides table and punch tables were covered with green chiffon overskirts lined in white. The table was decorated with an arrangement of pink roses, red carnations and baby's breath. Serving the wedding cake was Mrs. Dave Coker.

Mrs. Steve Lamphear and Miss Dottie McKinnon of Atlanta, Georgia, cousins of the groom, and Mrs. John Hattaway of Burk Burnett, served cranberry spice punch, dainty finger sandwiches, and hot hors d'oeuvres.

The groom's table was covered with a red linen cloth centered with a compute containing an arrangement of red

poinsettias, holly and lighted candles. Mrs. Thomas Gaughan poured from a silver coffee service and Miss Kim Smith, cousin of the groom, offered fruitcake to guests.

For her going away outfit the bride chose a multi-colored floral print crepe dress and wore a corsage of white roses from her bridal bouquet. After honeymooning in Nassau, the couple will make their home at Bluefield Ranch in Okeechobee.

The Banquet Room at The Holiday Inn in Lake Placid was the scene for the formal rehearsal dinner hosted by the groom's parents, Mr. and Mrs. Pete Clemons, on Thursday following the wedding rehearsal.

Mrs. R.L. Prescott and Mrs. Mark Reynolds, aunts of the groom, honored Miss Schelter and her bridesmaids with a luncheon in the home of Mrs. Reynolds on the morning of the wedding. Twenty-six ladies enjoyed the event including the mother and grandmothers of the bride and groom and other out-of-town friends and relatives.

During this same time period, the groom and his guests were entertained at the Okeechobee Livestock Market with a Bar-B-Que Pig Roasting.

A miscellaneous shower was given recently for the bride in the National Room of the First National Bank, Burk Burnett.

Mrs. Otis Clemons

Hostesses were Mmes. Bill Ooten, Robert Carter, G. A. Musgrove, Frank Parkinson, and W.C. Rice. Another shower was given by Mrs. James Fowler of Okeechobee on Nov. 20. This was a calling shower in which Okeechobee residents had the opportunity to get acquainted with the bride and her mother.

Multiple Sclerosis Society To Have Annual Meeting

The Wichita Falls Area Chapter of the National Multiple Sclerosis Society will hold its Annual Meeting on Thursday, January 24 at the Texas Electric Service Company Auditorium at 7 p.m. in Wichita Falls, 900 Scott Street.

Dr. James Q. Simmons, Director of Medical Programs of the National Multiple Sclerosis Society in New York City will be the speaker. Dr. Simmons is a former Medical Corps Colonel and First U.S. Army Surgeon. He has served since July

1, 1961 as associate and later as acting medical and research director of the Society. He also directs programs of patient service and professional and lay education programs. He is, in addition, a member of the Society's Medical Advisory Board.

Dr. Simmons is a member of the American Medical Association and past president and secretary of the New York Chapter of the Association of Military Surgeons of the United States. He lives in Manhattan with his

wife Anita and 18 year old son Michael. He has two older sons, James, a child psychiatrist at the University of California in Los Angeles and John, a lawyer and Colonel in the Army stationed in Europe.

The Board of Directors of the Wichita Falls Area Chapter for 1974 will be elected.

At this meeting, also, awards will be presented to outstanding volunteers.

The public is invited to attend.

Cooper H.D. Club Holds First 1974 Meeting

The Cooper Home Demonstration Club met January 14 in the home of Mrs. Laura Greger, 5220 Jamaica Drive, in Wichita Falls for the first meeting of the year.

President Mrs. Mary Sue Swinford called the meeting to order by reading an article entitled, "What Is Success" by Mrs. H.A. Stanley.

Mrs. Lucile Rogers, secretary, held roll call with each

member responding with "My Favorite Flowers." She also read correspondence from several members which consisted of thank you notes.

Various committee and officer reports were given by the committee chairmen and officers and Mrs. Art Ackenbom read a safety hint article entitled, "Beware . . . Kitchen is a setting for many home accidents, especially among the

senior citizens."

Mrs. Grace Bryant gave a report on a recent council delegate meeting and president Swinford was nominated as a representative to the T.H.D.A. training meeting to be held in Electra.

The Cooper Club will host the 4-H girls on March 25.

Mrs. Lucile Miller introduced Amelia Spencer, who spoke on how to landscape lawns.

Mrs. Art Ackenbom then conducted the games, the winners being Mmes. Ellen Simpkins, Connie Lawson, and Sam Spencer.

There were 16 members and four guests present.

Refreshments were served by hostess Mrs. Mattie Clayton and co-hostess Mrs. Ellen Simpkins.

Those present were Mmes. Gertrude Barfield, Grace Bryant, Mattie Clayton, Laura Greger, Roberta Ackenbom, Anna Mae Emmerts, Ella Gill, Lucile Miller, Ethel Level, Amelia Spencer, Francenia Spencer, Lucile Rogers, Mary Sue Swinford, Loma Volmer, Ellen Simpkins, Connie Lawson, Miss Sandra Milles, Sandra Lawson, and Myrtle Argabright.

The next meeting will be January 28 at the home of Lucile Rogers in the Cooper Community.

County Agent News

B.T. HAWS

Farmers and ranchers are urged by County Extension Agent B.T. Haws to inspect their grain storage facilities to determine if stored grain pests are damaging feed and seed stock held over through the winter months. Frequent inspection of grain storage bins is a good practice even though the bins may have been properly cleaned before grain was stored during the summer months.

Stored grain pests damage grain by consuming the entire kernel or by damaging the seed germ resulting in seed that will not germinate after planting. Livestock may also refuse to eat feed stuffs that contain high numbers of stored grain insects.

Primary and secondary pests often damage stored grain. Primary pests attack whole kernel grain and complete their development inside the kernel. These pests include the rice or corn weevil, lesser grain borer, and Angoumois grain moth. Because of their "hidden" developmental habits these pests may go unnoticed and can cause large grain losses. Therefore seeds should be split open and inspected for primary grain damaging insects.

Secondary pests feed primarily on cracked or otherwise broken kernels. Some common secondary pests are the rice moth, Indian meal moth, Mediterranean flour moth, flat grain beetle, confused flour beetle, and a sawtoothed grain beetle.

All stored grain pests are characterized as being very small insects. Because of their

small size careful sampling of each lot of grain is very essential. Probe samples should be taken at various depths to determine if an unseen insect infestation is building within grain lots. If careful inspection yields one rice weevil or one lesser grain borer, or as many as five insects of the other insects previously mentioned per quart of sampled grain, then treatment is needed.

Fumigants can be effectively used to control stored grain pests. They are available in liquid, gas and volatile solid formulations. All of these materials are extremely toxic to humans and domestic animals and some fumigants also pose an extreme fire hazard and can explode due to static electricity in clothing or storage containers during fumigant application. Farmers and ranchers are urged to contact their County Extension Agent for further information on stored grain pest identification and control techniques. Bulletin (L-217) "Control of Insects in Farm-Stored Grain" is also available at the Extension Office, 304 Federal Building, Wichita Falls.

Small grain fields are suffering from lack of moisture throughout the area. Insect and mite activity was kept to a minimum during the past week due to cold weather conditions.

In fields inspected during the past week, an average of two to 15 greenbugs per foot of row was reported in Wichita County. Light infestations of oat bird-cherry aphids were observed in a few fields scattered throughout our area.

Beneficials such as parasitic wasp, malds and spiders were reported from many of the fields that were inspected during the past week. These beneficials prey on greenbugs on warmer days.

Tracie Morton then gave a report on the Burk Livestock and project show. The placings were as follows: Tracie Morton, first place; Charles Morton, fifth place; Janet Clark showed a Hampshire in the

Editors representing (from left) Good Housekeeping, Mademoiselle, and Woman's Day were among a dozen fashion writers invited to take a firsthand look at cotton "the natural wonder."

Cotton Growers Host Fashionable Field Day

They came from "Up East"—editors from such women's and fashion magazines as *Vogue*, *Glamour*, *Mademoiselle*, *Redbook*, *Good Housekeeping*, *Woman's Day* and *Seventeen*—to learn what cotton is all about "Down South."

And learn they did. Laced with liberal amounts of Southern Hospitality, the dozen editors followed cotton full-circle from a Mississippi Delta cotton field to an all-cotton fashion show staged in the Dallas Apparel Mart.

They saw cotton being picked by the newest in mechanical equipment and learned how it can be temporarily stored in the field by use of the new module builders. They followed cotton through the ginning process and examined swatches of the latest cotton knits and blends.

And, in a fitting finale, they saw fruit of the cotton industry's efforts displayed in the latest spring and summer fashions from more than 100 of the nation's leading designers during a spectacular hour-long fashion show.

The whole affair, from cottonfield to fashion show, was designed to give the fashion press a better understanding and appreciation for cotton, the natural wonder. The ultimate objective, in the minds of the sponsors CIBA-GEIGY and Cotton Incorporated, is to help cotton growers sell more cotton.

The success of the event was well illustrated by the remarks of one editor guest when asked what impressed her most during her firsthand look at the cotton industry. "The people," she said.

County ASCS Office To Administer RECP

Wichita County ASCS Office will be responsible for administering the new 1974 Rural Environmental Conservation Program. The new program

which replaces and modifies the old REAP, has several new aspects of interest to Wichita County residents.

According to Edward G. Phillips, ASCS County Executive Director, the new cost-sharing phase of the program could be extremely beneficial to Wichita County farmers. It provides for a minimum of 50% and maximum of 75% return to the user for all expenses he incurs while establishing conservation or forestry practices on his land, including labor costs. Also, under the 1974 program, an applicant can either elect to apply for a single one-year program of conservation improvement, or select a three to ten year continuing program. The extended period of time now allowed will be most beneficial to those wishing rather extensive conservation improvements on their land, but preferring to spread them out over a period of years.

All applications must be made directly to the ASCS County Office. Complete information and details on the specific programs will be available in the very near future. Phillips also said he does have the basic information on the program that has been authorized by the Secretary of Agriculture for cost sharing. Fourteen separate practices have been announced, plus two which deal with county projects affecting conservation peculiar to a particular county.

The Best Since 1961... Freeze Cuts Into Citrus Production... Sheep and Lamb Feeding Increases... Milk Production Shows Some Gain.

Even though the 1973 estimate for cotton has declined from earlier predictions, the Texas' crop will be the best since 1961. Texas' cotton crop is now estimated at 4,650,000 bales.

Yield is expected to average 429 pounds of lint per acre compared with 408 pounds in 1972 and only 263 pounds in 1971. Harvested acres are estimated at 5,200,000 compared with 5,000,000 in 1972.

Harvest of the crop is virtually complete except for a few isolated fields.

Stalk destruction and land preparation for the 1974 cotton season is active in the southern Texas. Planting of the crop in the Rio Grande Valley will begin in mid-February.

IT'S OFFICIAL: the freeze in the Rio Grande Valley of several weeks ago has cut into production of the 1973-74 citrus crop. The Texas Crop and Livestock Reporting Service notes that the crop now is forecast at 18,700,000 boxes. This is three per cent below the 19,200,000 boxes produced last season.

The January 1 estimate is down from the December 1 forecast due to the hard freeze that hit the Valley in late December.

Grapefruit production is expected to be three per cent below the production of last year.

Overall tree condition has dropped in many areas because of the low temperatures.

AN INCREASE of 19 per cent in numbers of sheep

and lambs on feed in Texas is reported by the Texas Crop and Livestock Reporting Service. Drylot sheep feeders with a lot capacity of 2,000 head or more had 108,000 sheep and lambs on feed as of January 1. This is 20 per cent above the number on feed a year ago and 19 per cent above a month ago.

Current intentions to market are January 38,000 head; February 35,000 head; March 24,000 head. The February and March intentions are incomplete since additional lambs could be placed on feed and marketed during this period.

MILK production, which has shown a steady decline in Texas and the nation for the past year, did show a one per cent increase in December of 1973 and a three per cent increase above the previous month.

Milk production per cow kept for milk averaged 755 pounds during December which is 10 pounds above a year earlier.

Nationwide, however, milk production declined three per cent during December.

STOCKS of hay on Texas farms as of January 1 are almost twice as high as a year ago. Hay stocks totaled 4,356,000 tons compared with only 2,753,000 tons as of a year ago.

AGRICULTURE producers throughout the state are urged now to get their fuel needs known to their local distributors. Federal officials in charge of the fuel allocation for agriculture recommend that farmers let their suppliers know how much fuel they will need for 1974.

County Agricultural Stabilization and Conservation Service offices are designated as the agency to handle fuel supply programs through the federal fuel program.

ASCS offices are receiving the detailed information on how the federal program will work, and should be contacted by producers having problems in getting sufficient fuel for food and fiber production in 1974.

WEEKLY MARKET REPORT

COLLEGE STATION-- To help cut food costs, thrifty shoppers compare prices and quality at several different markets, according to one observer.

"This week, they'll find pork prices up a bit, with scattered values on advertised cuts," Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas A&M University System, noted.

"Watch for good values on Boston butt roasts, shoulder roasts and steaks, end-cut loin roasts and chops, sliced quarter-joins, smoked picnics, ham portions, sausage and pork liver," she advised.

"We used to be pretty much a steak and roast country. But now we're discovering there's more to beef than just the most glamorous cuts. Whole beef prices reflect this trend."

Ground beef and beef liver are the main beef values this week, the specialist said.

"Fryer chicken specials continue in some stores despite a cost increase--with both whole birds and fryer parts featured."

Grade A large-size eggs, on the other hand, offer the best combination of quality and economy for the egg money, Mrs. Clyatt added.

Turning to fruits and vegetables, the specialist noted that January is the month for peak orange and grapefruit supplies.

"Tangerines, tangelos and

apples furnish additional good choices, with more apple stocks coming from controlled atmosphere (CA) storage.

"Other fruits and vegetables in best supply at the most economical prices include bananas, avocados, grapes, pineapples, collards, mustard, spinach and bulk turnips."

"Also rutabagas, lettuce, celery, cabbage, carrots, potatoes, broccoli and dry yellow onions."

Highlights from
B. H. S.
by Jacque Harris

What's happening at Burk Burnett High School is an area of concern for many adults--especially parents and alumni. I agree that sports are important and don't miss anything I don't have too, but what about the organizations that don't make the news with their doings?

I'm going to try to let you know what is happening and plans that are being made for spring activities.

One of the most neglected clubs is the Pep Club. Everyone expects them to be at every game and yell, but they do much more than that.

The club is about 200 strong, and is sponsored by Miss Sue Powell and Mrs. Erma Hester.

These girls start before school in August preparing uniforms and plans for the coming year.

During the season, they spend extra time after school making signs and hanging them in the halls and gym.

Nights are spent cooking, sewing, or painting things to give to team members, trying

to raise their spirits and show that someone really cares.

A special effort made during football season is to decorate each player's room at home, this year before the Iowa Park game.

To raise money to buy paper, paint and tape for the signs, and to pay for projects, this year the club sold buttons and hanging wall boards. It is a self-sufficient organization and leaves the only strain to Dad's pocketbook in the form of the uniform.

Finally, dedication to the club is enforced through a demerit system. Demerits may be earned with any of the following: Incorrect or incomplete uniform, tardiness or absence from a game, tardiness at half-time, or failure to make signs on assigned days.

Obviously disinterested members are weeded out quickly with five demerits, and a better club is achieved.

This year's officers are: President, Gail Oullison; Vice-President, Mary Grandy; Secretary, Mary Ravella; and Reporter, Andrea Orman.

CITY COUNCIL
Cont. From Pg. 1

representative present as was promised at the last meeting.

Mayor Cornelius then told the council that he couldn't see how the well would be in the best interest of the city.

Chuck Lindenberg made the motion that the well (#1) be denied in Mimosas Heights. The reason given was that it didn't agree with Section 4 of ordinance 309 which stated that in granting a permit to drill, the city council should consider the area or neighborhood's safety. All councilmen approved the motion.

During the meeting the councilmen decided not to read the minutes of the last meeting.

City Manager Gary Bean announced to the Council that expenditures went a little over the usual amount because of the cost of a sewer line last month. He also reported that sales tax was up for the month, which shows progressive growth of the city.

The council agreed to pay \$14,681.03 in accounts payable. The total deposit was \$31,429.12.

Bean reminded the council that there will be a meeting Jan. 30 at 2 p.m. to award a contract for a new jail. Bean added that nine sets of plans have been drawn on the project, so he anticipated several bidders. Seventy-five percent of the funding will come from the state and there will be a \$7,500 matching fund from the city.

The council discussed Workmen's Compensation Insurance and passed Ordinance 325, which deals with solicitors. Mayor Cornelius and Gary Bean then described a meeting they attended with the Sheppard Area Community Relations Council. Cornelius said that the SACR Committee really seemed excited about re-opening a park which is about five miles east of Burk Burnett. He said that they agreed to work with planning and with construction.

Following further discussion on the matter, the Council decided to get help from experts and then proceed in the planning of rebuilding the area.

PUBLIC NOTICES
BECAUSE THE PEOPLE MUST KNOW

ORDINANCE NO. 325

AN ORDINANCE REGULATING SOLICITORS, PEDDLERS, HAWKERS, ITINERANT MERCHANTS OR TRANSIENT VENDORS OF MERCHANDISE; ESTABLISHING A PERMIT BOARD; ESTABLISHING PERMIT OR LICENSE FEES; PROVIDING A PENALTY FOR VIOLATION; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF BURKBURNETT:

SECTION ONE: It shall be unlawful for any solicitor, peddler, hawker, itinerant merchant or transient vendor of merchandise to go in and upon private residences in the city without having been requested or invited so to do by the owner or occupant of such private residence for the purpose of soliciting orders for the sale of goods, wares and merchandise, or for the selling, peddling or hawking the same, without first securing a permit from the city clerk as herein provided.

SECTION TWO: Any person desiring to engage in the business of going in and upon private residences in the city for the purpose of soliciting orders for the sale of goods, wares or merchandise, or of selling, hawking or peddling the same, shall make an application for a permit to the city clerk, who shall, if same is in proper form, refer such application to the permit board. The members shall investigate applicants and report their findings and recommendations to the city clerk as soon as reasonably possible. The city clerk shall then either grant or refuse such permit, as recommended by the permit board.

SECTION THREE: This entire Ordinance is and shall be deemed an exercise of the police power of the state and of the city for the public safety, comfort, convenience and protection thereof, and all of the provisions of the Ordinance shall be construed for the accomplishment of that purpose. Even with a permit granted to a person by the permit board, it shall still be unlawful for all persons to solicit sales at all private residences from 5:30 p.m. to 9:00 a.m., except at the request of the resident of such private residence or by appointment with such resident of such private residence.

SECTION FOUR: For the purpose of this Ordinance, an "itinerant merchant" or an "itinerant vendor" is any person who goes from house to house or from place to place in the city soliciting, selling or taking orders for or offering to sell or take orders for any goods, wares, merchandise, services, photographs or magazines.

SECTION FIVE: There is hereby established a permit board of the city, the name of which shall be the Permit Board of the City of Burk Burnett. The permit board shall be composed of the city clerk, the chief of police of the City of Burk Burnett, and the tax assessor and collector of the City of Burk Burnett.

SECTION SIX: It shall be unlawful for any itinerant merchant or vendor to engage in any activity mentioned in this Ordinance without first having applied for and having obtained a permit to do so from the city.

SECTION SEVEN: Any person desiring a permit required by this Ordinance shall make written application therefor to the city clerk for a permit so to do, which application shall show the following:

(1) The full name and post office address of the applicant.

(2) The state, county, town or city in which the applicant permanently resides.

(3) The age, height, weight, complexion, color of hair and color of eyes of the applicant.

(4) The occupation in which the applicant desires to engage and for which he desires a permit.

(5) A full and complete description of the goods, wares and merchandise or other articles or tokens which applicant desires to sell, which description shall give in detail the grade and character of the property to be sold. Further description as to grade and quality may be required by the permit board.

(6) Whether the applicant has ever been convicted of a felony or a misdemeanor involving moral turpitude.

(7) The permit board may, upon good cause, waive any or all of the foregoing requirements, and may, upon good cause, waive the investigation fee and permit fee.

SECTION EIGHT: There shall be attached to each application for a permit the following:

(1) Two (2) recent photographic likenesses of the applicant's face, which photograph shall not exceed one inch (1") square in size.

(2) A certificate or letter from the president, a vice president, general manager, sales manager, assistant sales manager or district or area manager of the company for which the applicant works, sells or solicits, stating that the applicant is an employee and/or agent of such company.

(3) A reference to a recognized financial rating publication, which reference shall show the page on which the company's or firm's financial standing can be found; or a letter or a certificate from an association or organization which has as its purpose the protection of citizens of the United States against illegal or unsavory business practices stating that the firm or company is a member in good standing of such association or organization.

In the event that the applicant is an individual who is not working, selling or soliciting for any firm or company, letters of recommendation from two (2) citizens of the applicant's permanent residence shall be submitted.

SECTION NINE: Upon the filing of an application for a permit under this Ordinance, it shall be the duty of the city clerk to retain the application and have the permit board consider the application as soon as it is reasonably possible.

SECTION TEN: Each applicant for a permit under this Ordinance who furnishes references shall be charged an investigation fee of Fifteen Dollars (\$15.00).

Each person engaging in the business covered by this Ordinance shall be required to have a permit. The fee for such permit shall be as follows: For permits with a term from one (1) day to six (6) months, One Dollar (\$1.00) per day; for permits with a term from six (6) months to one (1) year, the fee shall be fifty dollars (\$50.00) plus One Dollar (\$1.00) for each day over six

(6) months; for permits with a term of one (1) year, the fee shall be One Hundred Dollars (\$100.00).

SECTION ELEVEN: If, upon hearing, it shall appear to the permit board or a majority thereof that the statements contained under this Ordinance are true, and that the applicant has the right, under the Constitution and laws of this state and under the Ordinance of this city, to engage in business, and that the applicant has not been convicted of a felony or a misdemeanor involving moral turpitude; the permit board shall issue such permit to the applicant.

SECTION TWELVE: Each permit issued under this Ordinance shall contain the following:

(1) The name of the applicant and his address.

(2) A physical description of the applicant.

(3) A photographic likeness furnished with the application.

(4) The date the permit was issued.

SECTION THIRTEEN: It shall be unlawful for any itinerant merchant or vendor to engage in any activity for which a permit is required by this Ordinance, unless he carries such permit on his person while so engaged.

SECTION FOURTEEN: If, after the permit provided for in this Ordinance has been issued, the permit board or other agency or official of the city finds that the permit was obtained by false representation in the application, such permit may be revoked by the permit board. Such permit may also be revoked, if it shall appear to the permit board that the holder of such permit has violated any Ordinance of the city or any law of the state in connection with any soliciting by such holder or in connection with the collection, or attempted collection, of any account due to such permit holder or his employer, or in connection with the repossession or attempted repossession of goods sold by such permit holder or any other person employed by the employer of such permit holder.

SECTION FIFTEEN: If the applicant for a permit under this Ordinance or the holder of such a permit is dissatisfied with any holding or finding of the permit board, he shall have the right to appeal to the board of commissioners by filing a written notice of such appeal with the permit board within ten (10) days from the making and filing of such decision of the permit board. Upon the filing of such notice of appeal, the application for the permit and all papers possessed by the permit board in connection with such application and such permit shall be delivered to the board of commissioners, and such matters as may be in controversy shall be heard by the board of commissioners at its next regular meeting after the filing of the notice of appeal. The board of commissioners shall have the same powers and authority as is vested in the permit board by this Ordinance.

SECTION SIXTEEN: The provisions of this Ordinance shall not apply to the sale or soliciting of orders for the sale of milk, dairy products, bakery products, vegetables, poultry, eggs, and other farm and garden products which have been raised or produced by the vendor; daily deliveries of milk and bakery and other food products; newspaper distribution; sales made to dealers by commercial travelers or sales agents in the usual course of business; sales made by distributors of any merchandise; or sales made under authority and by order of law. Also, the provisions of this Ordinance shall not apply to local high school students residing in the City of Burk Burnett for their fundraising sales and shall not apply to non-profit organizations located in the City of Burk Burnett for any sales made by them.

SECTION SEVENTEEN: Any person violating the provisions of this Ordinance shall be subject to a fine of not more than Two Hundred (\$200.00) and each and every day's violation of this Ordinance shall constitute a separate offense.

SECTION EIGHTEEN: The fact that there are presently no adequate provisions regulating solicitors, peddlers, hawkers, itinerant merchants or transient vendors of merchandise in the City of Burk Burnett creates an urgency and an emergency in the immediate preservation of the public peace, health, safety, comfort, and general welfare, and requires that this Ordinance shall take effect immediately from and after its passage and publication.

I HELPED HER CRY

A learned man was being installed as president of a noted theological school. He categorized his ministry by telling these two stories:

Pablo Vargas, sixteen years ago, climbed to the bell tower of a church in Mexico and has never come down. His food is brought to him and raised by rope. He rings the bell for every need. "No one bothers me up here," he said recently. "I will live here and never leave here until I die."

A little girl went to the store and stayed longer than her mother expected. When she returned her mother asked, "What kept you?" "I saw a friend whose doll was broken," she said. "Did you help her fix it?" asked her mother. "No, I helped her cry," was the little girl's answer.

These represent two conflicting views alive in our world today as to the involvement of God's people in world need. How involved are you?

SHEPPARD-BURK CHOIR--The Sheppard-Burk Choir sang various selections from popular movies and musicals to the Lions Club Tuesday night. The choir was directed by Mrs. Patty Milford.

LION INSTALLATION--The Lions Club had its installation of new members recently. Shown are some of the sponsors and the new members. Top row (from left) includes Howard Locklin, Larry Walker and Claude Reid. Front row from left are Dick Galvin and Donald Rutledge.

Lions Club Has Two Programs

Two programs were presented to the Lions Club Tuesday night. The first was the Sheppard-Burk Choir under the direction of Mrs. Patty Milford. The choir sang various selections from popular movies and musicals.

The second program was the installation of new Lion Club members. They are Don Rutledge, whose sponsor is Roy Majors; Dick Galvin, who sponsor is Gary Ballis; and Larry Walker, whose sponsor is Wylie Browning.

Burk Boxing Club Wins Three Trophies

Of nine entries in the Sunrise Optimist Club's Boxing Tournament, January 17-19, Burkburnett Boxing Club, coached by Robert Nixon and sponsored by the Lions Club, brought home three first place trophies and four seconds.

Those winning firsts were Timmy Cornelius, Tony Padron and Bret Neher.

Second place winners were Glen Sutton, Calvin York, Mickey Padron, and Ernie York.

The club plans to travel to tournaments in Ardmore, Walters, Lawton, and Altus, and Burk will sponsor its own tournament March 14-16.

Anyone interested in boxing for the club is welcome to come to practice Tuesday and Wednesday nights and Sunday afternoon at the Burk Youth Center. High School age boys are especially needed for the team.

MRS. KIRCHOFF

Mrs. Kirchhoff Announces Candidacy For State Senator

PLAINVIEW-- A Plainview school teacher who has been active in area and state Republican Party circles for many years has announced her candidacy for nomination as the Republican candidate for state senator from the 30th Senatorial District in the May primary.

Mrs. Mary Virginia Kirchhoff, who presently serves the 30th District as state committeewoman for the GOP, made the announcement in her hometown of Plainview.

Having lived in Texas 40 years, Mrs. Kirchhoff is a nat-

ive of Missouri and a graduate of Texas Christian University in Fort Worth, and has attended Wayland Baptist College and Texas Tech University. Mrs. Kirchhoff is an instructor in Speech and English at Coronado Junior High School in Plainview. She will take a leave of absence to campaign for the state post.

Discussing her candidacy on the Republican ticket, the 47-year-old Mrs. Kirchhoff said, "I don't believe party lines really make any difference if the candidate is someone the people can trust, who has their confidence, who is interested in our area, and who will speak out for us in Austin."

The first woman elected to serve on the board of directors of the West Texas Chamber of Commerce, she organized and served as chairman of the Woman's Activities Committee of the WTCC, which covers 132 counties in the western half of Texas.

Mrs. Kirchhoff also assisted in organizing the West Texas "Small Towns task force" for the WTCC. Her instructional material is used on the local, state and National level.

A steady worker for the GOP since the early 1960's, Mrs. Kirchhoff has been a delegate to the state convention six times since 1964, attended the 1964 national convention as an official guest, and served as a delegate to both the national and state Federation of Republican Women since 1971.

She also has served as campaign chairman for numerous GOP candidates, and her daughter, Karen, seems to be following in her footsteps. Karen, a sophomore at Texas Tech University in Lubbock, served as a page representing Texas in the 1971 National Federation meeting in Washington, D.C.

Her husband, John, is a farmer, stockman and investor, and her son, John E., is also a farmer and stockman.

Burk Comes Back To Defeat Weatherford 69-66

Burkburnett Bulldogs, led in scoring by sophomore Chris Berg, defeated the Weatherford Kangeroos Friday night in 4-AAA battle, 69-66.

First half scoring showed the 'Roo's leading 41-35, but the 'Dogs came back in the third quarter to tie the things up.

Fourth quarter and final scores pulled the 'Dogs ahead to win 69-66 in last second efforts.

Four players led the 'Dogs with double figures. Chris Berg sank 22 points, Paul Dean gained 13, Larry Martin scored 11, and Terry Thompson added 10.

Martin led in free throw points with three.

Paul Taylor fouled out for Burk and Hinkle for Weatherford. Top scorer for the 'Roo's was Chuck Moughn.

Burkburnett Wins Over Vernon In Overtime Play

Burkburnett Bulldogs took another win in overtime play against the Vernon Lions Tuesday, January 15 as varsity cagers beat the Lions 57-55.

The 'Dogs jumped out to a 19-14 lead in the first quarter, but fell behind to 29-21 at the half.

In the third quarter Burk started its comeback. The 'Dogs had a chance to win in regulation time as Jimmy Koulovatos stole the ball from Vernon, but missed a two foot jump shot.

Burk went on to win in overtime, outscoring Vernon 5-3 in the period.

Top scoring player for the 'Dogs was Skip Dean with 18 points, followed by Chris Berg scoring 14, and Larry Martin making 10.

TOP BOXERS . . . Nine youngsters entered the Optimist Club's Boxing Tournament Jan. 17-19 from the Burkburnett Boxing Club. They brought home three first place trophies and four second place ones. Mobil Credit Union Annual Meeting Is Held

Mobil Credit Union Annual meeting was held Friday night, Jan. 18, at 6:30 p.m. from the Electra Community Center.

A banquet was held in conjunction with the meeting. Members and guests registered 102. Thirty-three were from Burkburnett, two from Gainesville, and 67 from Electra.

Tullie Holbrook, president, gave the board of directors report. The Credit Union had reached the maximum required of Guaranty-Funding; recorded a record year on earnings; and the directors had voted to pay semi-annual dividends for 1974; and approval has been granted for an additional 1/4% BONUS dividend in addition to the 6% dividend approved.

In the business session of the meeting a 10% interest refund on 1974 loans was voted approval. The same board of directors were re-elected as follows: Tullie Holbrook, Harvey Hodges, Kenneth Lewis and Bob Stroud, all of Electra; from Burkburnett were Glenn Parker, Cotton Kinnard and Jack Cullison.

Mrs. Bill Collins, Mr. and Mrs. Hadley McDaniel were re-elected to the audit committee.

Door prize winners of Silver Dollars were Mrs. Donald Givens, Mrs. Bill Sargent, Miss Kimberly Mason, Ray Hyde, John Horton and Larry Holtzen.

It was voted to hold the annual meeting next year in Burkburnett.
