After 3 Meetings, Deadlock Vote

School Board Awards Fieldhouse Contract

The Burk Burnett School Board held three meetings last week in an effort to decide whether or not to build a proposed 6,000 square foot field house.

At the Thursday, April 25 meeting, bids were opened and Virgil Mills Construction Co. had the low base bid of \$85,706 with the completion deadline being set at Jan. 15, 1975.

Other bidders were F&W Construction with \$86,957; Hatcher-Hirschi with \$88,024; and Texoma Construction with \$108,456.

After taking into consideration the low bid, the board unanimously approved a motion made by Charles Chittum that negotiations be investigated by the low bidder, architect, superintendent, and athletic director to attempt to lessen the cost. A meeting was scheduled for Friday, April 26, at 7 p.m. to reach a decision on the alternated bid.

At the Friday meeting Charles Harper and Associates, the architects, told the board that the deletion of all cabinets, lockers, and millwork would lessen the bid by \$9,400; but that materials for these would cost \$7,000 should the school decide to build these necessities. The board would also save \$1,043 by not having a pella wood door installed, and could possibly save \$1,000 should the

city approve the use of plastic sewage pipe instead of the usual cast iron. It was also pointed out that with the deletion of chalkboard and bulletin board, and A/C duct in the film room, a total of \$353 could be saved.

Later the board decided to leave the cabinet work in the contract, but went along with

the other alternates.

The final base figure totaled \$83,310. Adding other fees extended that amount to an estimated \$107,000 for the completed facility.

Board member Chittum asked the superintendent, "What other things do we need that we're letting go?"

Pearson answered, "We'd like to increase our vocational programs; mechanical drawing; auto mechanics; vocational trades in body shop, refrigeration, electronics; and enlarge our VOE facility."

Then Chittum stated, "If you See SCHOOL BOARD Page 10"

Community Service Council Plans July 4 Celebration

The Community Service Council met Thursday at 7:30 p.m. in the Texas Electric Reddy Room to discuss plans for the July 4 Celebration.

The meeting began with a report by Mrs. Ralph White about the 1974 Multiple Sclerosis Hope Chest Campaign which will be held May 13 in Burk Burnett. It was followed by a MS film entitled, "Julie and Tomorrow", which described the disease as being one of the most complex known to man.

Chamber Manager Jim Lemley then reported on several plans which had been discussed concerning Heritage Week, the Fourth of July, and the Bicentennial Celebration. Lemley suggested to the group that a parade would be perfect for Burk Burnett as part of the

approaching Fourth of July Celebration. He said that there could be band concerts in the park, choir groups singing, club booths, and a barbecue. He added that all this could be made to tie in to the Burk Burnett Oil Park plans.

Lemley urged the group to build enthusiasm since Burk Burnett is growing. He suggested that the Heritage Week program work in conjunction with the July 4 plans.

Al Lohofener suggested that a huge flag be displayed on Sheppard Road with an American Legion member guarding it to help illustrate that a celebration was occurring. Lemley added to this idea that a flag burning ceremony should take place also.

The council voted to follow

through with the celebration plans, set committees, and abide by prescribed procedure See SERVICE COUNCIL Page 15

Million Dollar Bike Ride To Be Saturday

Theta Epsilon Chapter of E.S.A. International will sponsor a local bike ride Saturday, May 4. The ride is a benefit for the St. Jude Childrens Research Hospital of Memphis, Tennessee. The hospital is seeking cures for leukemia and other cancers in children.

The ride starts from the Burk Burnett Royalty Park at 8 a.m. Local riders will be in competition with the Iowa Park chapter, Epsilon Eta. Riders from both towns will meet at the end of 10 miles for a rest stop and then return to Burk Burnett.

Prizes will be awarded to various riders. The rider who turns in the most money will receive a bicycle donated by the First National Bank, which is on display now in the front window. Second prize will be a \$25 savings bond donated by the Burk Burnett Bank. Third prize will be a gift certificate for Famous, and other favors will be given to each rider.

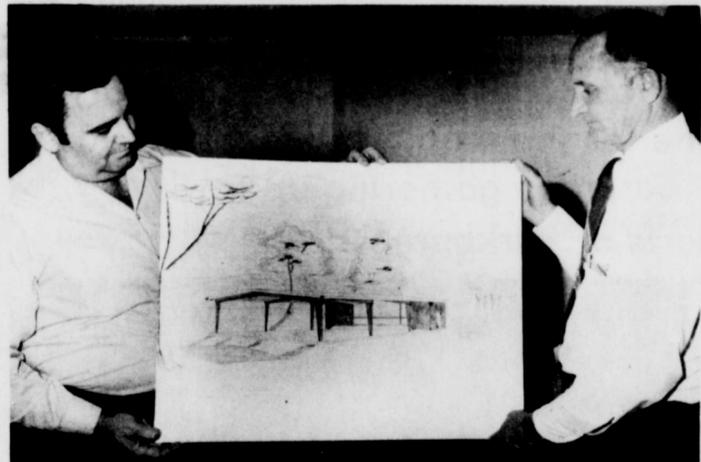

If weather is bad the ride will be postponed until May 11 at the same time and place. Sponsor blanks may be obtained

Lions Club Queen To Be Chosen

Lions Club queens from 24 clubs will participate in the District 2E-1 Queen's Contest to be held on the Tarleton State University campus in Stephenville Friday, May 3. The contest will be a part of the two-day Lions district convention and will be held in the TSU cafeteria.

Nominees for the contest include La Velda Norriss, representing the Burk Burnett Lions Club, and Robin Wampler, representing the Burk Burnett Boomtown Lions Club. There will be approximately twenty other girls from area Lions Clubs also competing for queen.

The queen will be crowned by Dr. Tom Lindsey of Vernon, governor of District 2E-1. She will also be eligible to participate in the state Lions Queen Contest.

OUTDOOR PAVILION--Larry Di Marzio (left) presents a drawing of an outdoor pavilion to Chamber Manager Jim Lemley at the Thursday meeting of the Community Service Council. The drawing shows a pavilion with steel construction and a large concrete

floor. It will be displayed in the Chamber of Commerce office for interested persons to see. Di Marzio told the council that the construction of the pavilion will depend on the amount of support local clubs and organizations offer. Informer/Star Photo

Goal Is \$1,000

MS Hope Chest Campaign Committees Appointed

Chairmen of the 1974 Multiple Sclerosis Hope Chest Campaign in Burk Burnett are members of the Current Literature Study Club and the Student Council of Burk Burnett High School, according to Hal Yeager, Jr., chairman of the Board of Directors of the Wichita Falls Chapter of the National Multiple Sclerosis Society. The drive will be held Monday, May 13.

Mrs. Ralph White is president of the Current Literature Study Club, and Mrs. Donna Perkins is Counselor of the Student Council whose president is Dennis Barnes.

Because multiple sclerosis, a crippling neurological disease of the central nervous system, most often attacks young adults between the ages of 20 and 40, this year's campaign is built around an "Athletes vs MS" theme.

Since it was organized in 1946, the National Multiple Sclerosis Society has allocated more than \$22.5 million in research grants and fellowships to study MS. 60 per cent of

every dollar raised will remain in the area for patient services and public and professional information and education.

Last year \$811.00 was raised in the Burk Burnett Hope Chest campaign. This year the goal will be \$1,000.

Dr. Foster Opens Full-Time Practice

Dr. Eugene Foster, who last fall opened a medical practice on a part time basis at 219 N. Ave. D, Burk Burnett, recently announced that his office here is now open full time.

Office hours are Monday through Friday, from 11 a.m. to 7 p.m. and until noon on Saturday.

Foster stated in an interview last fall that his main area of interest is that of general practice or family physician. He was team physician for the Burk Burnett football team last year and has received several humanitarian citations for his dedicated work in medicine. He has practiced medicine at Meridian, Gorman, and Wichita

Falls and is a member of several medical associations (including the American Medical Association and Texas Medical Association).

Humane Society Will Hold Rummage Sale

The Humane Society of Wichita County will hold a rummage sale at 1405 Bluff May 23-25, from 9 a.m. to 6 p.m.

A volunteer will be at the sale site to accept donations between 2 and 5 p.m. on May 18, and from 6 to 8 p.m. on May 20-22. Mrs. G.C. Cottle at 569-1908 will accept donated items in Burk Burnett.

Coach Needed

Burk Burnett Little League Association has an opening for one Minor League Coach.

Anyone interested should contact Dan Mills at 569-2342.

Youth Fair Is Saturday

The Wichita County Youth Fair will be May 4, in the National Guard Armory and will be open to all Wichita County school-age youths, grades 1 through 12.

Students may enter one exhibit per class in each division, with all entries receiving a first, second, or third place ribbon. All entries must have been made within the last year.

There will be several divisions, including Art, Bicycle, Child Care, Clothing Collections, Crafts, Dog Show, Dramatics, Food Show, Home Improvement, Horticulture, Industrial Arts, Needlework, Photography, Poster Contest, Public Speaking, Science, and Small Animals.

There will be no pre-registration and entries should be brought to the Armory May 3 between 4 and 6 p.m., with the exception of the bicycle, foods, dogs, small animals, horticulture, and public speaking entries. The dramatic division will also hold group skits and puppet shows.

For additional information call 322-0721, extension 38.

from Spinks Texaco, S&L Barber Shop, or by calling 569-3688.

Sponsor sheets and money are to be turned in no later than May 10 to Mrs. Sandy Hubbard of 215 Beech, Mrs. Louise Newton of 513 Rosewood, or S&L Barber Shop.

Chamber To Hear Choir

The Burk Burnett High School Choir, under the direction of Ted James, will entertain Chamber of Commerce members at the monthly luncheon Monday, May 6, at noon in the Civic Center.

The choir will sing several selections.

SENIOR CITIZENS' MONTH--The month of May has been declared Senior Citizens' Month in all fifty states of the United States. Pictured are Mr. and Mrs. R.H. Henry of Burk Burnett inspecting several books designed for senior citizens which are on special display in the Burk Burnett Library. In the smaller inset photo city councilman Al Lohofener (left) is presenting a proclamation signed by the Burk Burnett mayor to Senior Citizens Club President James Foyce. The proclamation states that May is Senior Citizens' Month and urges each citizen of

Burk Burnett to pay special recognition to the organization.

Senior Citizens' Clubs are non-profit, non-political organizations seeking to establish a new image of aging. Ten per cent of the entire population is composed of people 65 years of age and older.

The Burk Burnett Senior Citizens' Club was organized in May, 1968, and the membership is composed of people who are mostly citizens of Burk Burnett who have lived here for forty or fifty years. Many came here during the oil boom. Informer/Star Photo

School Age Children Should Be Immunized

Parents whose children have been notified by the Burk Burnett ISD school nurses that booster immunizations are needed should secure it and bring the record in for verification.

Students over 12 years of age require a Diphtheria-Tetanus Booster every 10 years. Those who will need boosters prior to September 1, 1974, will have enrollment held until the record is shown.

In preparation for pre-school enrollment to be held in May, it will be necessary for all prospective kindergarten and first grade children to bring the official birth certificate (not the hospital) and the official

immunization record at the time of enrollment.

The state regulations for immunizations are as follows:

OVER 12 YEARS OF AGE: Diphtheria-Tetanus--a series of 3; one of which or a booster within the last 10 years.

Oral Polio--a series of 3; one of which or a booster since the age of 4 years.

UNDER 12 YEARS OF AGE: Diphtheria-Tetanus--a series of 3; one of which or a booster since the age of 4 years.

Oral Polio--a series of 3; one of which or a booster since the age of 4 years.

Rubeola--a history of the disease or one dose of the

vaccine.

Rubella--one dose of the vaccine.

Parents who will need to

obtain the official record for

birth certificates or immuniza-

tions should begin now to get

Fire Closes High School Cafeteria

Extensive smoke damage closed the Burk Burnett High School cafeteria several days due to fire which started Thursday evening at 6 p.m. Burk Burnett firemen had the blaze under control by 6:30

p.m., but not before \$7-9 thousand of damage was done.

According to Superintendent James Pearson, much would have to be cleaned and painted and several appliances replaced.

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Pressure on Gov. Dolph Briscoe to call a special legislative session increased with an appeal by inflation-hit state employees for a \$62 million a year emergency pay raise.

Forty-five thousand state employees signed a petition addressed to Briscoe requesting a special session on these pay matters:

A 10.2 per cent (three step) increase for classified and hourly workers immediately.

An additional 6.8 per cent (two step) boost for 1974-75 benefiting all employees.

An increase in the per diem travel allowance from \$18 to \$25 a day.

An increase in the mileage rate paid for use of personal cars on state business from 12 cents to 20 cents a mile.

Texas Public Employees Association represents more than 70,000 state employees.

TPEA President Walter H. Looney said the raises are needed to help keep up with the inflation spiral and catch up with last year's zooming living cost.

If inflation continues at present rate until September, said Looney, soaring prices will have nullified 98 per cent of the wage raises given state classified employees in the last seven years.

Governor Briscoe said he is "concerned" about the employees' problem and will consider it "along with the other priority matters in state government."

The Governor is weighing demands for a special session to provide \$200 million in emergency school finance aid to help hold down local property tax increases.

COURTS SPEAK — The Texas Court of Criminal Appeals held both criminal and civil penalties can be exacted for water pollution.

A divided State Supreme Court concluded an Abilene fireman, who was fired for declining to take a lie detector test concerning a stolen truck, must be reinstated.

A new trial was ordered by the Court of Criminal Appeals for a 23-year-old man sentenced to 101 years imprisonment for stabbing a drinking companion to death near Brownwood in 1970.

MANUFACTURING FIRMS WIN — Five manufacturing firms won the annual governor's Industrial Expansion Awards for 1973.

Winners were Hi Pro Feeds Inc. of Friona, Datapoint Corporation of San Antonio, Superior Continental Corporation of Brownwood, Owens-Corning Fiberglass Corporation of Waxahachie and the Beaumont Shipyards of Bethlehem Steel Corporation.

Local Chambers of Commerce nominated the winners. Selections were made by the Texas Industrial Commission for civic and economic contributions to communities.

COTTON DEADLINES SET — Agriculture Commissioner John C. White ordered cotton farmers from the Winter Garden area to the coast to complete planting by midnight May 10.

The area is ahead of last year's planting schedule, and some of the counties have reached 99 per cent completion, according to the Texas Crop and Livestock Reporting Service.

White said cotton planting statewide is 16 per cent complete, compared with nine per cent this time last year.

Estimated total acreage for Texas is 5,933,000 acres, up 10 per cent from 1973. Planting deadlines are fixed as part of the Texas Pink Bollworm Act control program.

White said probability of bollworm infestations is greater this year due to delay in cotton stalk destruction and a mild winter.

FEDERALS HELP — A \$195,000 federal Economic Development Administration grant has been awarded to Laredo and Mineral Wells for industrial site development to offset shutdown of U.S. military installations.

WINNING TWIRLERS—Pictured are Cindy [left] and Debbie Rutledge, daughters of T/Sgt. and Mrs. Charles Rutledge of 616 Gayle Drive, Burkburnett, with several trophies and awards they won at the "Miss Majorette of Texas" pageant and "Texas State Twirling Competition" held recently at El Paso, Texas.

Cindy, who has won a career total of 101 trophies, is nine years old. She won the Advanced Military Championship in the Juvenile Division; placed fourth in the Advanced Solo Championship; was fifth in the Advanced T-Strut Championship; and was fourth in the Advanced Basic Championship; all in the nine-year-old division. She also placed in the top 10 in both Solo and T-Strut in the Advanced Juvenile Division and was named as one of the top 10 in the Miss Majorette of Texas, juvenile division pageant.

Seven-year-old Debbie, who has won a career total of 95 trophies, won the Advanced T-Strut Championship, the Advanced Basic Championship, and the Advanced Solo Championship, all of which were in the seven-year-old age division. She was also in the top 10 of the Advanced Basic Juvenile Division.

The girls' instructor is Mrs. Sharon Arber of Fort Worth.

Backyard Pool Clinic Will Be Presented

The Wichita County Red Cross Chapter will conduct its annual Backyard Pool Clinic at 7:30 p.m. Thursday, May 2, at Midwestern University to instruct owners, users, and prospective owners of private and non-commercial pools in safety practices and maintenance of swimming pools.

Presented by the Chapter Water Safety Committee, with the Midwestern Biology Club as co-sponsor, the clinic will be held in Room 100 of the Midwestern Science Building. Participants will be issued certificates of completion by the continuing education division of

the university. Recognized authorities in each field will present detailed instructions and discussion on four subjects: safety in and around the pool, legal responsibilities and liabilities incurred by pool owners, operation and maintenance of filters and other equipment, and water hygiene and management.

Interested persons throughout the area are invited to attend the clinic, for which there is no charge.

Additional information may be obtained by calling the Red Cross Chapter House, phone 322-8686.

Midwestern University's top students were recognized during Honors Day ceremonies Thursday, April 25, in Hardin Auditorium at 8 p.m. and an informal reception following in Clark Student Center formal lounge.

Dr. Robert Campbell presided during the awards ceremony in which recognition was displayed to students, including listing outstanding students, scholar-

ships and monetary awards recipients, and membership in honor societies.

Outstanding student in psychology was Laura B. Asbell of Sheppard Air Force Base. Robert Sturges of Burkburnett received the Jereme Lee Price merit scholarship in drama.

Robert A. Welch Foundation chemistry research scholarships went to David Doerre and Betty McCrary, both of Burkburnett.

Of the total, \$89,000 will go to Laredo to help offset loss of jobs through closing of Laredo Air Force Base. The funds will be concentrated on development of industrial sites and transportation and to improve tourism.

Another \$90,000 EDA money to ease closure of Fort Walters at Mineral Wells will be used to conduct a water development study and develop industrial sites in Mineral Wells and Weatherford.

Word of the allocation of the grant came from Al Rodriguez, head of the Technical Assistance Center for the Texas Industrial Commission.

The Industrial Commission also reports that 37 industrial start-up training programs now operating in 29 Texas communities are expected to provide 5,320 new jobs in the state.

APPOINTMENTS — Governor Briscoe has named 12 citizens to a special interim committee to study reorganization and modernization of agencies which administer public education.

They are: Dr. Charles E. Bounds, Austin; Dr. Oliver H. Brown, Austin; Will Davis, Austin; Mrs. Clarence L. Ervin Sr., Lubbock; Dr. L. Harlan Ford, Austin; Dr. Lawrence D. Haskew, Austin; Dr. Irvin A.

Kraft, Houston; Mrs. Elza McKnight Jr., Dallas; Rev. Al Moser, Austin; Mrs. Luci Johnson Nugent, Austin; Miss Teresa Pena, El Paso and Dr. Alberto C. Serrano, San Antonio.

CONVENTION DELEGATES TO RETURN — Delegates to the 1974 Constitutional Convention will resume their efforts to draft a revised document May 6, in Austin.

During the convention recess members of the Style and Drafting Committee have been meeting in Austin to polish language in the constitutional articles thus far tentatively approved.

Delegates have until July 31 to finish the constitutional rewrite. That's the date the convention automatically self-destructs.

NEW PUBLICATION — After seven years of research the Texas Water Development Board has published a book discussing application of computer-age technology to the planning of water supplies.

CHARLES FINNELL... A SENATOR FOR ALL 29 COUNTIES
Paid for by Finnell for Senator, Leslie Finnell, Holliday, Texas

Fuel diversification is important to you and your family.

But what is it?

Fuel diversification is the key to our being able to supply the electricity you'll need in the years ahead.

It means using several kinds of fuel to generate electricity. Making the best use out of the fuels available to us. And reducing our dependence on fuels in short supply.

At Texas Electric, natural gas is our major fuel, with oil used on a standby basis. We foresaw shortages of these fuels and several years ago developed long-range plans to diversify to lignite coal and nuclear fuels.

We now have one lignite plant in operation and two others under construction. A nuclear-fueled plant is planned for operation by 1980.

One advantage of using lignite and nuclear fuels is that neither is being used extensively for any purpose other than the generation of electricity. A disadvantage is that it costs considerably more to build plants that use these fuels than gas-fired plants.

Even though it will cost more to provide electricity in the future, the cost will be less with lignite and nuclear fuels than with the alternatives available to us.

We're continuing the orderly development of our power system so that you'll continue having the electricity you need.

RANDLETT, Oklahoma--Valedictorian of the senior class at Big Pasture High School is Vicki Kinnaird, daughter of Mr. and Mrs. James H. Kinnaird, Randlett. Salutatorian is Gary Doty, son of Mr. and Mrs. Harvey Doty, Devol.

Vicki, who has a grade point average of 3.85, is a member of the Oklahoma Honor Society, was listed in Who's Who Among American High School Students 1972-73, and is on the newly formed National Who's Who Student advisory committee. She is class secretary, co-editor of the Ranger Yearbook, Pep Club president, Beta Club secretary, and 4-H Club president. She is Cotton County 4-H vice president, Southwest District 4-H Secretary, and a candidate for State 4-H Secretary. A member of the Church of Christ at Randlett, Miss Kinnaird has been accepted for admission to Oklahoma Christian College, Oklahoma City.

Gary Doty, who has a grade point average of 3.76, was listed in Who's Who Among American High School Students 1972-73,

and his biography will also be published in the 1973-74 edition. He is FFA president, captain of the Ranger basketball team, and a member of the Beta Club and baseball team. This year he was voted Mr. B.P.H.S. and All-School Handsome by the student body. The faculty voted him Most Studious and Most Athletic. He is a member of the Devol Baptist Church.

Other members of the 1974 Big Pasture High School senior class include Darrell Adams, Bonnie Biggs, Debbie Bowles, Vickie Hayes Bradford, Lanny Daugherty, Ricky Ellis, Terry Fisher, Gayle Hopkins, Ronny Howard, Terry Josefy, Richard Motley, Parker Sanders, Odis Scarbrough, Becky Dorton

Stewart, and Toni Underwood.

Graduation Set

Baccalaureate will be Sunday, May 12, 1974, at 8 p.m. with Rev. Carl Turner, Randlett Assembly of God, speaking. Commencement will be Thursday, May 16, at 8 p.m. with Mrs. Viola Grady, Dean of Student Life at Midwestern University, speaking. Immediately following graduation, the class will leave on a week-long chartered bus trip to Nashville, New Orleans, and Houston. Accompanying the group will be class sponsors Mr. and Mrs. Buck Clem and Superintendent and Mrs. James Howard.

Burkburnett Day Camp Offered To Girls

Registration is now open for Camp Running Fun. Sponsored by the Girl Scouts, the camp is open to all girls ages seven through seventeen and any adult interested in assisting in camp activities. Day camp will be held August 5 through 9 in Permian City Park from 9:00 a.m. to 3:00 p.m. First registration must be in by May 23. Camp fees are \$3.75 for Girl Scouts, \$4.00 for non scouts and \$3.00 for scouts of volunteer workers. This fee covers swimming, program activities, insurance, supplies, food for a cookout and three drinks per day.

Day camping offers a camping opportunity to girls in an outdoor setting on a site near

home for a minimal fee. Activities include swimming, hiking, cycling, outdoor skills, nature study, crafts, sports and special projects.

Volunteers, scout leaders, Girl Scout troop committee members and mothers of scouts staff day camp. Each camp is supervised by trained volunteer directors and there are qualified first aiders on the site at all times. Senior scouts serve as camp aides.

Camp directors emphasize that a girl does not have to be a Girl Scout to attend camp. Registration forms and further information may be obtained by calling Mrs. Roberta Crawford, 569-1584 or Mrs. Betty Holcomb, 569-0668.

New Class At B.H.S. To Conduct Poll

Ever tackled a world problem, explored a fresh resource, or sensed a solution to the unsolvable?

The standard school classroom is presently undergoing a revolution, and one of the results is a new course offered at Burkburnett High School called "Modern World Problems."

What is done in Modern World Problems?

Unlike most classrooms, Modern World Problems has a casual atmosphere that allows the student to analyze any issue being discussed without feeling pressured or inhibited.

Using the daily newspaper as a text, the class discusses, investigates, and presents information on world events such as capital punishment, the population increase, Patricia Hearst kidnapping, and a citizen's right to privacy.

Because too much of the grade is based on class stimulation and individual participation, the students try to make each presentation interesting and creative.

For example, a recent report on the "Funeral Racket" consisted of a half-hour dramatization of senate investigation hearings, including on-the-spot TV reporting, audience interviews, and a brief recess during which the "senators" voted on the emergency energy

Jehovah's Witnesses Begin Local Congregation

Jehovah's Witnesses announced today the start of construction this past weekend on the "Kingdom Hall" for the newly formed Burkburnett Congregation, located at 510 West First Street.

According to James E. Jackman, presiding overseer,

the local Witnesses had previously associated with the Wichita Falls Central Congregation, but the congregation here was necessitated by the continued increase in the number of Witnesses in the Wichita Falls Metro area.

"Not only will it be more

convenient for Jehovah's Witnesses and others who attend our meetings," Jackman said, "but we will be better able to serve the people of the community interested in our free Bible studies conducted in the convenience of their own homes.

"Our new building will be quite modest in size and appearance but nonetheless adequate for the needs of the congregation," continued, Mr. Jackman, "all of the labor, from the slab to the roof, has been volunteered by Jehovah's Witnesses. Help will be provided

locally and from other Texas and Oklahoma cities, as well as by an area contractor and tradesmen, although we haven't yet made arrangements for the electrical work."

Until Jehovah's Witnesses' new Kingdom Hall is ready, they will continue to meet in Wichita Falls at the Central Congregation Kingdom Hall, 1601 Bluff Street, where all

meetings are open to any person interested in the Bible. Information concerning the new congregation or their home Bible study activity can be obtained by writing or calling Ed Harrison, 117 Smith Street, 569-1245.

New Protein Substitutes Inadequate

AUSTIN--Textured vegetable protein products are satisfactory protein supplements but inadequate substitutes for meat, poultry, eggs and fish, Agriculture Commissioner John C. White said recently.

White said research has indicated that vegetable proteins do not contain an ideal balance of amino acids and all the minerals and trace minerals essential for good health.

Recent predictions have said that by 1980 as much as 20 percent of all processed meat items could be made of vegetable protein. The big push has been toward soybean extenders which are low in cost and can be added to processed meat.

Marian Bently Is Outstanding Student

Austin-Miss Marian R. Bently of Burkburnett was named on March 18th as an Outstanding Student at the University of Texas. Cactus Yearbook Editor Liz Daily announced the awards. She explained that the award is given annually to 21 University of Texas students and is based upon participation and leadership in University organizations, campus committee service, previous honors and awards received, and scholarship. A

Marian Bently

five-member committee made the final selection from a group of 203 nominees. Ms. Bently was initiated in Alpha Lambda Delta, Honor Society in her Freshman year. She was selected and served as an Advisor in Littlefield Dormitory during her Sophomore year. She was also named to the Dean's List. She helped organize the Texas Public Interest Research Group and has served as its Co-chairperson. She has served as a member of the Texas Union Student-Faculty Committee as well as the Union Ideas & Issues Committee. She was also named a member of Mortar Board, organization of Outstanding Senior Women.

Ms. Bently was a 1970 graduate of Burkburnett High School. Her parents are Mr. & Mrs. James H. Bently of Burkburnett. She is currently working as a Legislative Aide to State Representative Joseph Sage of San Antonio. Ms. Bently will graduate in May this year and she has been accepted at the University of Texas Law School.

Matherly Is A&M Graduate

Dana G. Matherly, son of Mrs. Ray Matherly and the late Mr. Matherly, received his master degree in industrial engineering April 17 from Texas A&M University. He is a graduate of Burkburnett High School, attended Midwestern University, and got his bachelor of science degree from the

University of Texas at Arlington.

Mr. and Mrs. (Carol Potter) Matherly and children, Trevor Ray and Kathy Dee, plan to move to Dover, N.J. in June where Mr. Matherly will be employed as a maintainability engineer at Piccatenny Arsenal.

SERVE LEFTOVERS WITH FLAIR—Leftover roast beef and barbecue sauce make a tasty filling for homemade turnovers. The recipe, created by Texas Department of Agriculture home economists, is a great way to serve yesterday's roast.

BARBECUED BEEF TURNOVERS

Make a two-crust recipe for pastry and store in refrigerator while making this sauce.

- | | |
|------------------------------------|------------------------------|
| 2 cloves of garlic | 1/2 tsp. dry mustard |
| 1/2 green pepper | 1/2 c. catsup |
| 1 small onion | 1/2 c. cold water |
| 2 Tbsp. butter | 2 Tbsp. vinegar |
| 2 Tbsp. brown sugar | 2 Tbsp. Worcestershire sauce |
| 2 cups chopped leftover roast beef | 1/4 tsp. black pepper |
| | 1/2 tsp. hot pepper sauce |

Chop garlic, pepper and onion finely and cook in skillet with melted butter until wilted. Add remaining ingredients and cook slowly for 15 minutes. Put 2 cups chopped leftover roast beef in bowl and add enough sauce to moisten well. Preheat oven to 400 degrees. Roll pastry on floured board to thickness 1/8 inch. Cut into 9-inch squares and put mound of filling in center of each. Brush edges with water, then fold into triangles and seal edges together with a fork. Bake on cook in sheet for 15-20 minutes or until brown. Serve with remaining sauce.

For additional beef recipes, write John C. White, Commissioner, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

PTA Elects Officers

The Hardin School PTA met Thursday afternoon for its monthly meeting. New officers were elected as follows: Patti Smith, president; Judy McSpalden, 1st vice pres.; Roberta Crawford, 2nd vice pres.; Carolyn Paskus, 3rd vice pres.; Marlene Davis, 4th vice pres.; Zora Nieto, secretary; and Mary Lou Friells, treasurer.

District awards were presented to Lisa Gray for second place poetry at the District meeting held Friday at Bowie, Texas.

The fourth grade classes gave a program called "The Hardin Corral", under the direction of the music teacher, Mrs. Alma Richardson.

Misses Brenda Smith and La Velda Norris were honored with a graduation party at a Wichita Falls restaurant Friday night.

Graduation Party Honors Two Seniors

A cake decorated with orange and black (school colors) was served as dessert to Miss Shannon Dwyer, Terry Sheppard, Sue Ann Hutchinson, Vickie Gibson, Kathy Fidalio, Jacque Harris, Dana Bennett, Terrie Doten, Karen Grimes, Pam Cooper, Kathy Graves, Mrs. Tom Smith, Mrs. Robert Norris, and Mrs. C.E. Norris, Sr.

Gingham daisy flowers in clay flower pots decorated the table and daisy place-cards were used. Mrs. Albert Dillard assisted with decorations and each girl was presented a graduation plaque as a memento.

Miss Smith will attend Midwestern University and Miss Norris will attend Wayland Baptist in Plainview.

DONATES BOOK—Y.C. Paschall, 80, author of "Things I Remember," visited Burkburnett Friday to donate two copies of his book to the Burkburnett Library. Pictured from left are Librarian Mrs. Strayhorn, Norman Roberts (who was a student at Fairview School when Paschall was superintendent there from 1931-1943), Mrs. Paschall, and Mr. Paschall. The book recalls Paschall's life as teacher, businessman, and

rancher; and tells of his tragedies and romances. Norman Roberts, who is now president of the Fairview Alumni Organization, described Paschall's book as "down to earth" and good reading. Paschall and his wife reside in Brownwood and plan a trip this summer to Alaska. Copies of the book are available at Robbies House of Hallmark. [Informer/Star Photo]

Dave Allred Is Guest Of Senior Citizens

The last regular meeting of the Burkburnett Senior Citizens' Club was held in the Community Center. Mr. James Foyce, President, conducted the business meeting after which he introduced Mr. Dave Allred, State Representative.

Mrs. Vernon Duke furnished the entertainment. She read some poems by Edgar Guest and then played some of the popular songs of years gone by. Members sang as she played.

The month of May has been declared Senior Citizens' Month in all 50 states. The Burkburnett Club will also celebrate their 6th birthday at their regular meeting on Thursday, May 9th beginning at 10:30 A.M. at the Community Center. Special music and a speaker have been planned. Charter Members will be recognized and all members are urged to be present. New members are always welcome.

Baptist Revival Set For Deval

The Deval Baptist Church will conduct a one week revival starting Sunday, May 5th and continuing through Saturday, May 11th with evening services starting at 7:30 p.m. through the series, according to Rev. Laine Crowe, pastor.

Evangelist J.P. Booth, a Layman from Northside Baptist Church in Wichita Falls, will be bringing the message. There will be a special song service each night under the direction of Bro. Booth. Special recognition will be given to singing groups. Everyone is invited to attend.

Appreciation Banquet Slated For Employers

Dr. Don Newbury will give the keynote address at the Seventh Annual Employer's Appreciation Banquet slated here Monday evening May 6, at the Burkburnett Civic Center.

Dr. Newbury is head of Community Relations, Tarrant County Junior College, Ft. Worth, Texas. He has held similar positions at Howard Payne College and Sul Ross University. Dr. Newbury is listed in several books of Who's Who and has in recent years

become a favorite afterdinner speaker. The banquet is given by the students in Vocational Office Education who have been employed this year in local businesses. The students honor their employers with this token of appreciation.

FINNELL

— EXPERIENCED and RESPECTED

Charles Finnell has the best attendance record. The Chief Clerk has certified that he has never been absent on a day when a recorded vote was taken, including both regular and special sessions.

Charles Finnell has served on the Agriculture and Livestock Committee for 8 years, and on the Oil and Gas Committee for 6 years. He has also served on the Elections Committee as Vice Chairman and on the Aeronautics Committee as Vice Chairman.

Everyone is for "ethics" in the legislative process now that there has been a scandal in Austin; however, Finnell has consistently advocated a strong Code of Ethics since his first term when he supported such a bill in 1967.

Clark-Ingram Vows Exchanged

Double ring wedding vows were exchanged by Anita and Karrel Ingram in a ceremony at 8:00 o'clock Saturday evening April 27th in the First Baptist Church in Devol.

Rev. Laine Crowe, pastor, officiated at the ceremony before a background that featured an archway of greenery entwined with daisies in shades of yellow and white. Baskets of white gladiola with white satin tapers decorated the altar. The pews were marked with white satin bows.

Becky Bracey, niece of the groom played traditional wedding music and accompanied Sherrell Oniel, sister of the groom, who sang, "It's Only Just Began".

Escorted and given by her father, George Clark, the bride wore a formal gown of yellow silk organza featuring a high neckline with a natural waist and full, long sleeves with lace cuffs. Her shoulder length veil of net was secured with a rosette bow. She carried a bouquet of yellow and white daisies.

Mrs. Eva Wade, sister of the bride was maid of honor. She

wore a formal gown of Nile green crepe and carried a bouquet of daisies with white ribbon streamers. Best man was the bridegroom's brother, David Ingram. Flower girls were Judy and Jennifer Bales, and ringbearer was Jeff Ingram.

For her daughters' wedding, Mrs. Clark wore an orange colored double knit suit. Mrs. Ingram, mother of the bridegroom, chose for the wedding, a powder blue timmed in white double knit suit. Both mothers received a white carnation corsage.

Following the wedding, a reception was hosted by the bride's parents in the fellowship hall of the church. The bride's table was covered with a white cloth and held a large, four-tiered wedding cake decorated in white with yellow roses and topped with a miniature bridal couple. A crystal punch service completed the arrangement. Assisting with the reception were Gay Thompson and Karen Josefy.

After a wedding trip to Run-away Bay, the couple will be at home in Devol.

Lisa Gray

Lisa Gray Wins PTA Trophies

Lisa Gray, daughter of Mrs. Carolyn Gray of 205 S. Ave. B, Burkburnett, and Mr. L.A. Gray of Dallas, recently won first place awards in poetry and music in a contest held at Hardin Grade School, sponsored by the Hardin PTA.

Friday she received a first place trophy in music at the District PTA workshop held in Bowie for her presentation of "Freedom's Paradise" (of which she wrote the words and music). She received a second place trophy in the poetry contest.

Lisa's first place in music qualifies her for state competition. Her music teacher, Mrs. Alma Mae Richardson of Hardin School, assisted Lisa in preparing "Freedom's Paradise".

Lisa is the granddaughter of Mr. and Mrs. W.H. Clement and Mr. and Mrs. L.P. Gray, all of Burkburnett.

Garden Club Make Flower Bouquets

The Mimosa Garden Club met Thursday evening in the home of Mrs. Ralph White. President Mrs. Doris Hodges called the meeting to order.

Mrs. Artie Whitesides read the minutes and roll call was answered by members giving "A Happy Memory of Easter." The program for the evening was learning fresh flower arrangements. After a discussion from Mrs. Walter Riley, each member tried her hand at making an arrangement.

Refreshments were served by Mrs. White in honor of Mrs. Artie Whiteside's birthday.

Members present were Mmes. Ralph White, Artie Whitesides, Seth Brown, J.C. Gay, Doris Hodges, Walter Riley, Bertie Smith, and D.E. Moorehouse; also attending was guest Miss Penny Moorehouse. The next meeting will be at the home of Mrs. J.C. Gay.

Jody Hull Wins County Young Designer Contest

The Wichita County Young Designer for 1974 is Jody Hull of Burkburnett High School. Jody is the daughter of Lt. Colonel and Mrs. G.G. Hull. Jody receives a \$100 savings bond provided by the participating stores. Jody's vignette is set up at Popular Furniture Company. Jody used modern furnishings in colors of brown and tan.

The Young Designer Event was open to county senior high school age youth. They entered by completing "room preparations" which were then judged and the top eleven selected.

The eleven then set up living room vignettes in space set aside for them using what was available in the participating furniture store. Judges visited each store and judged the vignettes on creativity shown, furniture selection and arrangement, use of available space, and use of accessories. Each store presented the young person representing their store with a prize. Judges for the event were Mrs. P.J. Parkey of

Vernon and Mrs. Gerlad Holeman of Denton.

Second place winner is Debbie Garrison, also of Burkburnett. Debbie set up her vignette at Lippard's Furniture and Appliances in Burkburnett, and receives a \$25 savings bond from the Burkburnett Bank. Third place winner is Joyce Bodine of Burkburnett who set up her vignette at Spears Furniture Company. Fourth place winner is Julie Pappas of Iowa Park who set up her vignette at Parkway Furniture Company.

The "vignettes" will remain set up for a week, and the public is encouraged to view the work of the young people.

The Young Designer Event is conducted by the Wichita County Extension Service under the direction of Mrs. Dee James, County Extension Agent, and Mrs. Jean Anderson, Assistant County Extension Agent, in cooperation with the participating stores.

YOUNG DESIGNERS--From left are Misses Jody Hull, Debbie Garrison, and Joyce Bodine, who won first, second, and third places respectively, in the recent Wichita County Young Designer contest. All three girls are from Burkburnett High School, and designed their "room presentations" at Popular Furniture Company [Jody], Lippard's Furniture [Debbie], and Spears Furniture Co. [Joyce] to be judged among eleven other girls' vignettes at other area furniture stores. The local girls are pictured in Lippard's Furniture in Burkburnett beside Debbie's vignette. Susie Dennis Is Luncheon Honoree

Miss Susie Dennis, Burkburnett High School senior, was honored at a luncheon April 27 at the Wichita Club.

Hostesses were Mrs. Weldon Nix, Mrs. Ben Martin, and Mrs. Mickey Cornelius. Mrs.

John Dennis, mother of the honoree, was a special guest.

School colors of orange and black featured in a bouquet of spring flowers. Each guest was presented a gingham-checked key chain. Each key chain was shaped in the form of a mushroom and was personalized with the guest's name.

Miss Dennis was Basketball Queen, 1973; Assistant Editor of the Annual Staff; member of the National Honor Society; and member of the Pep Club. She plans to enter Midwestern University in the fall.

TFWC Annual Convention Set

SAN ANTONIO--Burkburnett delegates from the Contemporary Study Club, Current Literature Club, Forum Study Club, Burkburnett Study Club, and University Study Club will be attending the 77th annual convention of Texas Federation of Women's Clubs which will be held at the St. Anthony Hotel in San Antonio, May 7 through 9. More than 500 club women from all parts of Texas are expected to attend.

"Our American Heritage-Reverence" is the convention

theme and speakers will include a TFWC officer, a woman judge, and a historian.

Preliminary meetings of state and district officers, committees, and the board of directors, and workshops for juniors will be held on Tuesday, May 7.

The general sessions will open at 9 a.m. May 8 and conclude Thursday evening, May 9, with the installation of new state and district officers. The election will be held by secret ballot Thursday morning from 8 a.m. until noon.

VIA Group Installs Officers

A VIA meeting was held last Tuesday evening in the home of Chris Smith. Two additional officers were elected: DeEtte McKinnis, Chaplain, and Trenna Brammer, Telephone Chairman.

It was announced that the First National Bank offered to donate a girls bike and the Burkburnett Bank would donate a boysbike to be displayed in the

bank windows. These bicycles will be given to the girl and boy who raise the most money during the E.S.A. Million Dollar Bike Ride.

Officers were installed Saturday, April 20, by Mrs. Helen Eaton. New officers include Karen Smith, president; Rhonda Weatherford, vice president; Chris Smith, secretary; DeEtte McKinnis, treasurer; and Trenna Brammer, advisor.

Persons attending were Mrs. Ramona Vaughn, Mrs. Colette McKinnis, Mrs. Clodella Bridges, Mrs. Anita Weatherford, Mrs. Sammie Smith, Mrs. Zelma Sutherland, and Barbara Sutherland.

Contemporary Study Club Discusses Installation

The Contemporary Study Club met in the Orchid Room of the Orchid Branch in Wichita Falls for its regular business and social meeting recently.

Hostesses were Mrs. Harry Elliott and Mrs. Bill Pittard. Mrs. Frank Miller opened the meeting with the Club Collect, followed by roll call. Mrs. Miller then appointed Mrs. Harry Elliott and Mrs. Tom Smith as delegates to the State TFWC

Convention in San Antonio which will be held May 5-9. The club also voted to allow officers to serve a two year term in office.

It was announced that the club will be in charge of the May 30 Bloodmobile. Committees were then set up to work on this.

Mrs. Tom Smith reported to the group that the Installation Dinner will be at the "Frontier

Steak House" on May 27. Afterward the club voted to renew membership in the "Friends of the Library" for 1974-75.

Mrs. M.D. Cheney brought the program on "Americanism", telling about what America means to her and the freedom it allows.

Mrs. Cheney won the door prize and Mrs. Tom Brumfield became a new member of the club.

The next meeting will be held May 13 with Mrs. Frank Miller as hostess and Mrs. F.T. Feltz Jr. as co-hostess.

Alma Jackson Circle Meets

The Alma Jackson Circle of the First Baptist Church met in its regular monthly meeting with Mrs. Fred Hunt recently. After the business meeting, led by chairman Mrs. Hunt, reports were given and discussed. The sick and bereaved were acknowledged and cards were signed to send to the ones mentioned.

Miss Hazel Wagner gave the meditation and scripture from Luke 4. The Missionary Birthday Calendar was read and Mrs. Helen Smith led in prayer. A poster was displayed pertaining and leading up to the Bible Lesson on "Jesus Announces His Ministry," which was given by Jewel Reed.

The next combined Royal Service Meeting with the other night circle will be in the Burk

Bank Community Room, May 13.

Miss Lois Reed reported on the box of clothing, hats, gloves, jewelry, and various Easter gifts, which were taken to the patients at the Wichita State Hospital for Easter.

Mrs. Hunt, assisted by Mrs. Nomie Wilkison, served "goodies" to the following: Mmes. and Misses Lena Hinkle, Jim Myrick, Lena Houser, Helen Turner, Velma Wolfe, Helen Smith, Artie Whitesides, Ruth Beldon, Hazel Wagoner, Grace Anderson, Carl Miller, Florence Nichols, Sylvia Lohoefer, Viola Reynolds, and Lois and Jewel Reed.

The next meeting of the Alma Jackson Circle will be with Lois and Jewel Reed.

Bluebonnet Garden Club Has Flower Show

The Bluebonnet Garden Club of Burkburnett had a Flower and Horticulture Show, Tuesday, April 23rd, in the Reddy Room of the Texas Public Service Co. The theme of the show was "Memories in Flowers".

In the Horticulture Division, there were exhibits of perennials, annuals, roses, iris, potted plants, flowering trees and shrubs; and tuberos, bulbous, and rooted plants.

In the ten classes of the Artistic Arrangements Division, Mrs. R.C. Gilbow, Mrs. J.T. Brady, and Mrs. Jimmy Johnson won the most first-place awards. Mrs. Gilbow also won the Award of Distinction for her entry using

all dried material. Mrs. James D. Taylor served as general chairman of the show. Mrs. H.K. Landes is president of the club.

Four Track Girls Qualify For State

The Burkburnett Girls Track Team placed second at the Region II-AA meet held in Abilene April 26 and 27.

The Burkburnett 440 relay team consisting of Marilyn Koller, Cheryl Hicks, Paula Crumpler, and Gayla Wheeler placed second and qualified for the state meet. Cheryl Hicks placed second in the 60 yard dash which also qualifies her for state. Hicks was third in the 100 yard dash and fourth in the long jump. Burk's Karen Carter placed third in the discus.

Softball League Elects Officers

The Burkburnett Women's Softball League held its first meeting recently and elected 1974 officers, including Cindy Egenbacher, president; Debbie Rine, 1st vice pres.; Judy Mallone, 2nd vice pres.; Laurie Lewis, secretary; Karen Lewis, treasurer; Nancy Malone, publicity chairman; Beverly Burden, parliamentarian; Karen Drake, scorekeeper; Shirley Goode, assistant scorekeeper; Jodie Howell, ways and means;

and Sandi Dodson, park chairman. The next meeting will be at 6 p.m. Thursday, May 2, in the Civic Center. Discussed will be bi-laws, whether to play fast or slow pitch, and game nights. The group asks for help of adult assistance and volunteer scorekeepers. Entry fee is \$3.00 and all ladies 14 and over are encouraged to attend. For more information call 569-0278.

Roundup Plans Set

The 29th Annual Santa Rosa Roundup Rodeo will be held May 1 through May 5 at the Santa Rosa Arena in Vernon, Texas.

Miss Jody Miller, talented star of television and recordings, will headline this year's Santa Rosa Roundup. She will appear at all performances of the rodeo.

Also on hand will be the cowboy's Cowboy, Mr. Walt

Garrison—as much at home as a steer wrestler as he is as a running back. Garrison will be participating in the rodeo's first and final performances.

A giant rodeo parade will start the festivities on Wednesday, May 1, commencing at 3 p.m. Tickets are available by writing to P.O. Box 2190, Vernon. For ticket information call 817-552-6868.

Duffers' Corner by 'Putsey'

Forty players participated in the selective shot tournament held at the Hidden Valley Golf Course on April 28th. The team of John Brookman and Willy White won low gross. The teams of Cox-Slaten and Boddy-Callaway from Henrietta tied to low net with the Henrietta team winning in sudden death play on the second extra hole. Sean McBeath and Bruce Brookman finished third. Phil Taylor was closest to the pin on number nine. The door prize was won by Landrun.

On Saturday morning May 11th, the Lions Club will hold its annual Father-Son tournament. This year may combination of father-son, mother-daughter, father-daughter, and mother-son will be able to compete. Contact Mickey Cornelius for additional information or call 569-8133.

A ladies golf league is being organized with Tuesday mornings being designated as ladies day. Contact our assistant pro, Peg Newhall for details.

The annual Chamber of Commerce Golf Tournament is scheduled for July 13th and 14th. Several teams from surrounding cities have already indicated their intentions to participate in this outstanding event. Last years championship was won by a strong team from Henrietta.

Tip for the week: To avoid rolling the weight to the outside of the right foot on the backswing place a ball under the outside of your right foot, just forward of the heel. This technique will stop swaying.

Wilbarger Tennis Tourney Slated

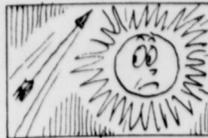

The Wilbarger County chapter of the American Cancer Society is sponsoring an open tennis tournament May 11 and 12, 1974. Entry deadline is May 6.

Entry fees are five dollars for adult singles, four dollars for junior and senior high singles, and eight dollars for all doubles.

Players may enter four events and first and second place trophies will be awarded in each category. Entries should be sent to Greg Ferris, 2619 Crescent Dr., Vernon, Tex. 76384.

Hawks Slip By Dogs 2-1

The Iowa Park Hawks slipped by Burkburnett 2-1 last Tuesday in a District 4-AAA North Zone baseball game there. Burkburnett scored in the second inning and Iowa Park scored in the first and ninth. Burk's score came on a double by Zac Henderson, knocking in Benny Wilkerson who singled earlier.

Arrows were shot into the air by South American Indians during an eclipse to frighten the sun into shining again. (It always seemed to work, too!)

PEANUTS BY THE SACKFUL

East and Central Texas peanut growers recently participated in a Texas Department of Agriculture (TDA) disease and insect survey, one of several TDA services to peanut growers. The department's laboratory in De Leon runs nematode samples on peanuts, recommends treatments for diseased plants, advises farmers on the proper use of chemicals and runs irrigation checks to make sure the water's mineral content is suitable for peanuts. Alvin Ashorn, left, assistant director of TDA's Agricultural and Environmental Services Division, checks sacked peanuts before they go to the shellers.

LOVE

The title of this picture is love. We know Jesus loves children. Their childlikeness was urged upon all of us by the Master when He said, "Except as ye shall become as little children, ye shall not enter into the kingdom of heaven."

Remember that He is condemning "childishness" even as He is praising "childlikeness." There is a vast difference. One is petty, touchy, selfish, pouty and sad while the other is humble, innocent, pure in motive and trusting. A child is all of these and more, but when childishness takes over an adult, it is a sad and painful sight.

Jesus said it all when He described His generation in Matthew 11:17:

"We have piped unto you, and you didn't dance. We have mourned unto you and you have not lamented."

Let us be described by His words to the disciples, "In following me, you will be made . . ."

SCHOOL BOARD

Cont. From Page 1

stack these things up against the field house, the field house comes up on the short end." Trustee Norman Roberts stated that the field house is something the school is going to need. He added that the school does need more vocational programs, but the cost of expensive equipment was too high to consider at the present time because per-student use would be too low. He also urged that the board follow the building committee's priority list and build according to its carefully planned schedule.

Trustee C.J. Lippard said, "If we can get by without this facility now for two or three years, I'd be for waiting." Board member Thurman Allison voiced his opinion that the facility should be built as soon as possible. He said, "In the past 40 years building costs have been going up." Ira Schroeder said, "We're going to have to improve our school. We're not going to accomplish a thing putting it off."

John Gill said that he felt other programs in the school might have higher priority at the present time, since the field house bids were higher than anticipated. He added that the money could possibly be better spent on other needy programs such as vo-ag, and that he would go along with the superintendent's opinion that the board wouldn't justify the taxpayers at the proposed bid.

Thurman Allison then stated, "I wouldn't say we need this above other things, but I don't see how this would hinder other things we might decide to do." Norman Roberts commented, "We need to do what the school needs now. We must do what is best for the students."

Ira Schroeder then made the motion to accept the bid for the field house with alternates included. Allison seconded it and the vote was deadlocked at 3-3, with Roberts, Allison, and Schroeder voting for and Gill, Chittum, and Lippard voting against the motion. Trustee Frank Morton was not present for the meeting.

The board agreed to have a meeting Saturday morning, April 27, at 8:30 a.m. to break the tie vote.

At the Saturday meeting the board members recapped their opinions stated the night before and Schroeder made the motion to accept the bid. It was again seconded by Allison. The vote was 4-3, with trustees voting the same way they did at the Friday meeting; but with the addition of Frank Morton voting for the fieldhouse.

Morton stated before the vote was taken, "I don't think anything (cost) is going to go down. I think we could probably do both of them--the fieldhouse and the vo-ag. I don't see why we can't go both ways. If we need the room, let's get it."

Therefore, the motion to award the contract to Virgil Mills Construction Company was approved.

YOUNG ENTERTAINMENT--A group of young people from Sheppard-Burk Elementary School, under the direction and accompaniment of Patti Milford and Carolyn Gray, entertained the Burkburnett Evening Lions Club at a recent regular meeting.

Sheppard Notes

Area Boy Scouts, Girl Scouts and Campfire Girls were busy cleaning up Saturday as part of the national Keep America Beautiful Day.

This was part of Project SOAR (Save Our American Resources) which was launched in 1971 to focus attention on the litter problem across the United States and to stimulate participation by all Americans in a nationwide cleanup drive.

On the local level Sheppard's Cub Scout Pack 232, under the direction of Technical Sergeant Samuel Montgomery, cubmaster, cleaned up litter on the base Little League field and picnic area and removed litter from the fence surrounding Wherry housing.

Twenty-five Cub Scouts were scheduled to take part in the cleanup which begins at 10 a.m. Saturday.

Sheppard's annual U.S. Savings Bond Campaign began May 1 and continues to June 1, offering all base people to "Share a Common Bond."

Soon red-white-and-blue posters will be seen around base depicting the "Spirit of '76" and military and civilian workers joined by a ribbon of patriotism.

These posters are to remind everyone of the personal and national benefits derived from buying bonds or increasing allotment plans.

Project officers under the direction of Lieutenant Colonel Joseph Navarre, are assigned for every organization on base. Key workers will be contacting all Sheppard people to offer them the opportunity to sign up for bond purchases.

In announcing the 1974 campaign, Major General Robert L. Petit, Sheppard Technical Training Center commander, stated, "Savings Bonds are a sound and lucrative method of financial investment. They yield six percent interest when held to maturity and they mature in five years."

"Coach!" is a call responded to by Airman First Class Beverly Jean Harr, team coach for the 3762nd Student Squadron all-male softball team at Sheppard Air Force Base, Tex.

Tow does a trim 5'4" girl from North Carolina manage to fill the role attributed to rough, tough, muscle-bulgin' men?

With plenty of experience, "With four brothers who love to play softball, you play ball or do nothing," said Airman Harr.

Beverly is an administrative specialist in the 3762nd Student Squadron of the School of Applied Aerospace Sciences during duty hours, but after work softball is her game and she plays it very well.

Softball has been her game for 13 years now, and since arriving at Sheppard August, 1972, she has played or coached on four separate teams.

"The 3762nd needed a coach, and since I knew how I got nominated," she said.

Last year she played on the Burkburnett woman's fast-pitch team, which took first place in their league. Then she coached a little girls (8-12 year-olds) slow-pitch team in Burkburnett.

This season, besides coaching for the 3762nd Student Squadron, and the little girls teams, she plays on the Sheppard Federal Credit Union woman's slow-pitch team in the city league.

Three officers and 18 noncommissioned officers retired from the Air Force at Sheppard AFB Tuesday after at least 20 years of service.

The officers are Lieutenant Colonels Richard N. Mead, base open mess manager at the Officers Club, 3750th Air Base Group; Johnny B. Cooley, education and training staff officer, and Major Wernes B. Neumann, executive support staff officer with the 3775th Student Squadron, both of the School of Applied Aerospace Sciences (SAAS).

Colonel Mead will retire in Burkburnett; Colonel Cooley, in Wichita Falls, and Major Neumann, in Houston.

Captain Judith L. Hunt, a native of New York, was recently selected Nurse of the Quarter for January through March at the USAF Regional Hospital, Sheppard Air Force Base, Tex.

Charge nurse of the coronary care unit, Captain Hunt was selected because she exhibited a high degree of specialized nursing knowledge and skill in human relations with patients.

Captain Hunt has been in the Air Force 10 years. She became a registered nurse following her graduation from St. Mary's

Hospital School of Nursing in Rochester, N.Y., in 1967.

Recently Captain Hunt attended a workshop on electrocardiography and she is now planning a teaching program in coronary care nursing for others.

Her patient teaching programs are designed to assure continuity of care into the patient's home environment from the hospital.

As an active member of the

hospital procedure committee and the coronary committee, she works regularly to improve nursing service, according to Lieutenant Colonel Cynthia Youtzy, Assistant Chief of the Department of Nursing.

The military working dog section of the 3750th Security Police Squadron at Sheppard Air Force Base will sponsor an "open house" Wednesday from 2 to 4 p.m. in observance of Law Day.

It will be at the patrol dog kennels, on 19th Street at Sheppard across from the skeet range.

The patrol dog demonstration will be presented at 3 p.m. and will consist of basic and advanced obedience, obstacle/confidence course, agitation, attack, gunfire, drill and some extra special performances.

The narcotics detector demonstration will be at 3:30 p.m. and will consist of demonstra-

ting the dog's ability to detect narcotics. At the conclusion of both demonstrations Staff Sergeant Robert Gantz, noncommissioned officer in charge of the military working dog section, and the assigned dog handlers will hold a question and answer session.

All military, civilian and dependent personnel at Sheppard who desire to get a first hand look at how patrol and narcotics dogs are trained are invited to attend.

Know Hazards Of Home Lawnmower

The lawnmower should be regarded with respect, advises the Texas Safety Association, because it is probably the most dangerous piece of common household machinery.

According to TSA, a basic knowledge of the principal hazards involved in the use of mowers could prevent

many painful and disabling injuries each year.

If you are not thoroughly acquainted with the instruction manual accompanying your machine, be sure to read it through when you take the machine out of storage this spring.

Before starting to mow, check for cracks, loose nuts or bolts and parts that need replacing. Most rotary mowers are equipped with a

shield in the back. If the shield is damaged or missing, replace it before using the machine.

Also check to be sure a "catcher" is installed over the grass exhaust to reduce the force of objects thrown by the machine.

Fill the gasoline tank before beginning a mowing job—never during operation or when the engine is hot. Stones, sticks, wire and

other debris should be cleared from the lawn before the mowing job begins. These objects can become deadly projectiles when propelled by the mower blades.

When starting the mower, stand firmly and make sure your feet are well away from the blade.

Attempts to adjust the blade often lead to injury. Attempting an adjustment while the blade is rotating is

asking for trouble. Always make sure the motor is at a dead standstill with the ignition wire removed from the sparkplug before tinkering with the blade.

Save Gasoline While Driving This Summer

AUSTIN--"With hot weather now upon us, we are all tempted to reach over and turn on the air conditioner while driving, but we need to consider what comfort means in terms of fuel consumption," Agriculture Commissioner John C. White said.

Use of air conditioners has often been pointed to as one of the culprits in gasoline-powered highway vehicles. In a study conducted by the USDA, it was found that test cars moving at 30 mph with the air conditioning turned on traveled an average of 18.14 miles per gallon while 20.25 miles per gallon was the average with the air conditioning off.

At faster rates, consumption was only slightly more with air conditioning than without. At 60 mph, the test cars averaged 15 miles per gallon with air conditioning and 16.25 without. The reason for the slighter difference from consumption at slower speeds is that the power required to operate air conditioning remains nearly constant, regardless of speed and other motor changes.

"The difference of 1.25 miles per gallon doesn't seem like much when considering each unit, but with a 20 gallon tank, driving without air conditioning could mean 25 more miles traveled," Commissioner White emphasized.

White commented, however, that the greatest savings in fuel consumption can be made if motorists do without air conditioning while driving in the city since rates of fuel usage are most affected at lower rates of speed.

"We must all develop driving habits that help conserve energy in every possible way if we are to continue to have the fuel we need," White concluded.

Tornado Alert: What To Do

When spring blows into Texas, so does the threat of the tornado, one of nature's most violent storms. With the peak tornado period upon us, the Texas Safety Association advises a review of the life-saving precautions that should be taken when a tornado is sighted.

Seek inside shelter, preferably in a storm cellar. Other safe bets are caves, basements or underground structures such as parking facilities. The interior hallways of modern, steel-reinforced office buildings also often offer adequate protection. But wherever you are, stay away from windows.

In homes with no basement take cover under heavy furniture in the central part of the house. Covering yourself with a rug will provide added protection against flying glass and debris.

If there is time before the storm hits, open doors and windows on the side of the house away from the storm. This will help to equalize pressure inside and outside the house.

In schools go to an interior hallway on the lower floor. Avoid auditoriums, gymnasiums or other structures with wide, free-span rooms.

At a shopping center, stay clear of large windows and parked automobiles. Take shelter in a lower floor store, beneath a counter if possible.

A car is generally an unsafe place to be during a tornado. However in some cases, it is possible to escape by driving at right angles to the tornado's path. In flat, open country staying in the car can be better than no protection at all.

If you are caught in open country afoot, take cover in a depression such as a ditch, ravine or excavation and lie absolutely flat. Avoid culverts that may suddenly fill with deep rushing water.

Each year one ton of food is shipped in the U.S. for every man, woman and child. Modern roads and transportation systems are one reason uniformly high quality food is available in every corner of the nation.

Did you know that Britannica has just completely re-written their set for the first time in 47 years. It is truly a \$32,000,000 marvel. The reviews have been terrific, and the public response, has been overwhelmingly enthusiastic, however, most people don't know we have come out with our first all new set, three months ago. Selling could be easy if you were telling your friends about a traditionally great, all new product. Contact us TODAY!

Weekly Health Tip

from **JOE GILLESPIE**

Smarting, itching and inflammation of the eyes and eyelids often are caused by bacteria and viruses or by sensitivity to dust, pollens, or air pollution. Virus infections of the eyes can occur a few days after swimming in natural water or a pool even though chlorinated. Most bacterial infections of the eyes can be cured promptly by a physician, using sulfa or antibiotic drops or ointments.

FFA Slave Auction Raises \$1,260

More than 200 persons attended the Burkburnett High School FFA Slave Auction Monday night. A total of 104 "slaves" were sold for \$1,260. A chili and beans supper was also served.

Each FFA member was auctioned off for one day's labor. Proceeds will be used for the FFA chapter, since it is the only means of raising money.

Cooper H. D. Club Has 'Show & Tell'

The Cooper Home Demonstration Club met in the home of president Mrs. Ralph Swinford Monday, April 22, at 2 p.m.

The meeting opened with the singing of "Home on the Range" by all club members and roll call, followed by the reading of the minutes of the April 8 meeting.

After reports by the various committees, secretary Mrs. Lucille Roger read correspondence and invitations.

Mrs. Lola Volmer reported that she had many medical uses in her safety hint program entitled "ice is nice".

It was announced by the decoration committee, consisting of Amelia Spencer, Mattie Clayton, and Frances George, that plans have been made for the club to entertain the Village Flora Club on May 2 at the Burkburnett Bank in a luncheon.

In the program "Show and Tell", each member exhibited an item she made and explained how it was done.

After delegate Mrs. Ralph Swinford reported on her trip to Anson, Texas to attend the THDA Seminar, recreation and games were conducted by Mrs. Doris Owen, Lucille Miller and Laura Creger won prizes.

Those present were Grace Bryant, Gertude Barfield, Mattie Clayton, Laura Creger, Lucille Roger, Francenia Spencer, Lucille Miller, Loma Volmer, Anna Mae Emmert, Ella Gill, Cherry Koltter, Madge Spencer, Connie Lawson, Sandra Lawson, Juanita Huddleson, Amelia Spencer, and Doris Owen. Hostess were Mrs. Ralph Swinford and Connie Lawson.

The next meeting will be May 13 at the home of Frances George in the Thornburg Community. Mrs. Dee James, County Extension Agent, will be present.

A great change.

so that the city and state might recognize the Bicentennial. Larry D Marzio showed the council a drawing of an outdoor pavilion which he said, "would be ideal for Burkburnett." He said that after discussing the cost with professionals, the total would probably be from \$15-18,000. This would include the roof and concrete slab at a size of 60x72. A more elaborate building would cost more.

He described the proposed pavilion as being constructed of steel and concrete so that vandalism would be at a minimum. He added that this would make it easier to clean also.

Di Marzio urged clubs to organize projects to help raise money for the pavilion. He said that church participation would be welcome also.

The pavilion drawing is being displayed in the Chamber of Commerce office.

Scoutmaster Jess Carlile reported to the group that 25 Legion members and 15 boy scouts have volunteered to work on the Oil Park. He said, "We're anxious to get this thing on its feet and get it rolling."

Cotton is king again. After years of oversupply, low demand and low prices, cotton became king again in 1973. And the picture again looks bright for 1974. Demand appears strong and the new farm program is encouraging plantings at near capacity. Prices for lint cotton should generally average about 55 cents a pound. Only a fraction of the 1974 crop has been contracted to date so mills will be competing strongly for the crop. The shortage of petrochemicals for synthetic fiber production has also been a "plus" for the cotton industry.

Texas pork producers will soon decide by referendum whether or not a check-off program will begin for their community. The check-off is not to exceed 10 cents per head for all slaughter animals at the first point of sale.

Voting on the referendum will begin May 14. Ballots will be sent to all producers by the Texas Pork Producers Association. Producers who do not receive a ballot may obtain one from the County Extension Office.

In addition to voting on the referendum, producers will also be electing a board of directors from 15 districts which will be called the Texas Pork Producers Board.

If the referendum is approved, the board of directors will be responsible for handling

Producers who do not wish to contribute to the program through the check-off may ask for a refund on paid-in assessments. A written request must be made within 60 days from the date of the check-off payment on a form provided by the Pork Producers Board.

The check-off program may be terminated at any time by a simple majority vote of qualified producers.

Farmers and ranchers may be a little reluctant to apply

adequate amounts of expensive fertilizer to their pastures this spring. Yet, there are some good reasons for fertilizing.

First of all, fertilizer improves the quality of forage produced and the amount of forage produced. This, in turn, leads to more nutritious grazing for livestock and better livestock performance. Livestock prefer to graze fertilized pastures, so forage consumption is increased along with the amount of beef produced per acre.

Fertilizer also helps pasture grasses to better tolerate dry weather. Where rainfall is limited, this is especially important.

Grasses that receive proper fertilization develop better root systems and can thereby compete favorably with weeds for moisture and nutrients. Weeds tend to infest those pastures where fertilization is inadequate.

I would encourage farmers and ranchers to develop long range plans for their pastures. Such plans should include investments in fertilizer, hay harvesting, livestock and other inputs. Budgets should show estimated expenses and returns for each acre of pasture. In developing these long range plans, producers should study the results of numerous tests and demonstrations on pasture and hay production, weed control and grass varieties. Many of these are conducted each year throughout the state and published results are available at the County Extension Office.

With summer coming, the key phrase should be "safety first." Bicycles are bicycle equipment—baskets, horns, non-standard seats and handbrakes—head the hazardous consumer product list.

The list, compiled by the National Electronic Injury Surveillance System (NEISS) for the Consumer Product Safety Commission, was based on injuries treated in hospital emergency rooms.

Stairs, ramps and landings rank second on the list, followed by non-glass doors, including garage doors.

Next, in rank order, are cleaning agents and caustic compounds, non-glass tables and beds.

Sharp edges inflicted injuries from tables, while bed-caused injuries came from falls against or off beds and ignition of box springs fabric.

Football is ranked seventh on the list, and mostly involves protective equipment inadequacy. Swings, slides, seesaws and climbing apparatus ranks eighth.

Finishing out the "top 10 hazardous products" list are liquid fuels, kindling or illumination fuels, and architectural glass—including doors, windows, tub and shower enclosures.

With 271 animal rabies cases in Texas reported during 1973, residents across the state are being urged to take specific steps in dealing with animal bites or scratches.

If a person is bitten by a healthy domestic dog or cat, it should be captured, confined and observed by a veterinarian for ten days. If signs suggestive of rabies develop, the animal should be sacrificed, the head removed and shipped, under refrigeration, to a qualified laboratory designated by the local or state health department for examination.

Any bite, including that of a human, should be examined by a physician for treatment in order to prevent possible side-effects caused by trauma and the introduction of infection or disease-causing microorganisms.

Reliable interpretation of early signs of rabies in wild or stray animals cannot be made. Any such animal that bites or scratches an individual should be killed at once and the brain examined for evidence of rabies. The largest source of rabies in Texas is the skunk, followed by livestock, foxes, bats, cats, other wildlife and dogs, respectively.

Pack 155 Receives Awards

Cubscouts of Pack 155 held a pack meeting April 25th at the Civic Center in Burkburnett. Opening flag ceremonies were conducted by the Webelos.

Cubmaster Mr. Don Lawrence announced that Cub Country Days will be held five times this summer. There will be three pack meetings in conjunction with Cub Country Days. The first one will be held June 15th, from 9 a.m. to 4 p.m. Perkins Scout Reservation. Starting in September the pack meetings will be held the second Thursday of each month.

Scout-A-Rama '74 will be taking place May 3 and 4 at the Fed-Mart Building on the Jacksboro Highway. Pack 155 invites everyone to come and see what scouting is all about. Tickets are \$1.00 and admits one adult or two children under 12 years of age.

Mrs. Donald Lawrence presented an "action" skit called "Johnny" and Mr. Lawrence reminded everyone about the annual Sustaining Membership Enrollment now taking place in our community.

Mr. Edward Utter, assisted by Mr. Fred Disney, presented the following awards: Webelos-Dennis Hurst-Engineer, David Lawrence-Outdoorsman, Douglas Hassell-Outdoorsman, Wade Hutchinson-Scientist, James Riccitello-Athlete and Outdoorsman, Bruce Wasserzieher-Athlete and Outdoorsman.

Curtis Curry-Aquanaut, Artist, and Sportsman, John Aaron-Athlete, Artist, Outdoorsman, Scholar, and Traveller, Perry Curry-Recruiter.

Two new cubscouts receiving their Bobcat badge were Marc McAllister and Wesley Williams.

Boys from Den 2 receiving awards were Wally Reed-2 Silver Arrow Points, Jimmy Phillips-Wolf badge and Gold Arrow Point, and Jerry Hayes-Gold Arrow Point.

Mrs. James Riccitello was thanked for being a Den Mother and was given a humorous plaque by Den 2. She will be moving away soon. The attendance award for having the most parents there was won by the Webelos.

Den 4, led by Mrs. Utter, presented the closing ceremony. The invocation and benediction was given by Father Fisher of St. Judes Catholic Church.

Twenty one boys are new cubscouts in Pack 155. They need volunteer adult den leaders. To help please contact Mrs. Disney at 569-0124.

Pancake Feed Successful

Receipts totaled \$220.10 from the pancake feed sponsored by the American Legion Ladies Auxiliary on behalf of Boy Scout Troop 154 Saturday.

Scouts who helped the Auxiliary included scoutmaster James Carlile, assistant scoutmaster Jim Seibert, Ken Youland, James Daniels, Andrew Daniels, Cedric Daniels, Mick Strahand, Robert Thiboudeu, Scott Carlile, Doug Carlile, Steve Robinson, and Vernon Hinoti.

Poppy Day Set For May 11

May 11 has been set as Poppy Day in Burkburnett.

The poppy became the Memorial Flower of the American Legion and the American Legion Auxiliary as a result of poppies blooming in the spring of 1919 on the battlefields in France amidst complete devastation, as many American men had fallen in battle.

At the time when the American Legion Auxiliary adopted the poppy it pledged the profits from the poppy sales 100 per cent to welfare relief for service men and women and their families to fulfill the true meaning of the poppy--an emblem of faith.

The memorial poppies are made of red crepe paper (by hand) by disabled veterans. The workers receive pay for each poppy made and materials are furnished free by the Department in the state where the hospital is located.

Two From Burk Will Graduate From Tech

LUBBOCK--The Texas Tech University spring 1974 commencement exercises will be held in Jones Stadium, weather permitting, at 9:30 a.m., May 11 when more than 2,000 candidates from the six colleges and the Graduate School will receive degrees. In the event of inclement weather, the exercises will be conducted in the Lubbock Municipal Coliseum.

Of the total, 1,641 are candidates for bachelors degrees, 303 for masters degrees, and 74 for doctorates.

From Burkburnett two Bachelor's Degrees will be awarded. Accepting will be Glenn Utts Gilberts of P.O. Box 636, who majored in management and Marc Dee McBeath of 521 Rosewood, who majored in history.

40 VOLUNTEERS--Scoutmaster Jess Carlile announced Thursday night at the Community Service Council meeting that 40 persons have volunteered to work on the improvement of the Boomtown Oil Park. Twenty-five of these are from the American Legion and fifteen are boy scouts. Carlile is pictured [left] with Chamber of Commerce Manager Jim Lemley. [Informer/Star Photo]

Keep Dogs Confined, Warns Police Chief

The Police Department has recorded 8 dog bites in the past ten days; although this is the season of the year when more and more bites are reported, the number could be greatly curtailed if only those of you who own dogs would keep them confined, as City Ordinance #250 demands.

Our dog catcher is, at present, a part time man and the most he can do is to pick up the strays; he should not have to pick up those dogs which are owned and cared for, since we do have a leash law on the city books. Be advised that you are liable for fines up to \$200.00 for each day that you allow your dog to run loose.

We hope that this warning will be sufficient to rid our streets of loose dogs; if not, we will have to take more drastic action.

An Important Look at The Record

Dave Allred and Vernon Stewart opposed each other in the election May 6, 1972. The voters chose Dave Allred after comparing the two candidates' records.

THE RECORD

1971 Legislative Session - Stewart Absent 113 Roll Call Votes
- Allred Absent 19 Roll Call Votes

	ALLRED	STEWART
MARCH 15, 1971 - Investigation of stock fraud scandal	Allred was one of the first to vote for full investigation.	Stewart Voted Against. (In a public statement, Stewart favored letting then House Speaker Mutschers pick the committee to investigate Speaker Mutschers, who has now been convicted of conspiracy to bribe.)
MARCH 29, 1971 - Investigation of Sharpstown Bank Scandals and Frank Sharp Banking Bills which were hurried through a special session.	Allred consistently voted for full investigation.	Stewart cast numerous votes against any investigation of these scandals. On May 11, Stewart signed a scroll praising Speaker Mutschers. (Allred refused to sign.)

The Candidates:

	ALLRED	STEWART
Address:	1608 Hayes, Wichita Falls, Texas	Although voted out of office May 6, 1972, Stewart has continued to maintain a double listing in the phone book as "State Representative" (White Pages, p. 136, Yellow Pages, p. 122). The address shown is at 2606 Jacksboro Highway, Wichita Falls, which is a Trailer Sales Lot.
Marital Status:	Married 14 years, 3 children. Wife, Patricia, is a teacher of handicapped children in Wichita Falls.	Single (twice divorced).
Past Occupation:	Newspaper Reporter, College Teacher of Journalism, Salesman for Sears-Roebuck.	Unknown. (He has never named an occupation on his Legislative biography cards, which he has filled out 10 times in a 20-year period. The cards are on file with the House of Representatives.)
Present Occupation:	State Representative (Salary: \$4,800 per year); Free-lance writer.	As required by the new lobbyist registration law, Stewart registered March 6, 1973, as State Lobbyist for the pawnbrokers. As State Representative in 1971, Stewart sponsored and passed a new law, Article 5609, letting pawnbrokers charge an annual interest of 240%.
