Forty area citizens turned out Saturday morning to give Burk Burnett's Boomtown Oil Park a good going over with mowers, shovels, muscles, and plenty of sweat in an effort to give the park a good general cleanup.

Four main groups furnished help, including the 3753rd Student Squadron of Sheppard Air Force Base, Burk Burnett Boy Scout Troop 154, Frye-Vaughn American Legion Post 264, and the Current Literature Study Club.

Chamber of Commerce manager Jim Lemley stated after seeing the work, "The park looks great. Plans are being made for another work day to occur there soon." Lemley said that work done Saturday was aimed more at cleaning up the park and removing obvious safety hazards. The next work day will be more in the area of construction or repairs.

People working from the 3753rd Student Squadron included William Via, James Thrush, Terry Suschinski, Winfred Ashford, Dave

Engelhaupt, Robert Webb, William McCarthy, Bunny McCarthy, Carl Limrick, Rick McGee, Richard Todd, Rick Newman, Allan Meiers, Jim Gazafi, Robert Reeves, John Hart, and Jess Carlile (supervisor).

Burk Burnett Boy Scout Troop 154 included workers Doug Carlile, Scott Carlile, Ken Youland, James Daniels, Vernon Hinoe, Mike Strahan, Clint Youland, Jason Wiles, Terry Kiner, Ricky Kiner, and Monty Kiner.

American Legion Post 264 helpers were Jess Carlile, Jim Avera, Pete Patman, Cecil Gann, Art Arduengo, and Randy Story.

Others helping were Walt Doerre, Mrs. Fred Hunt, Mrs. Ralph White, and Mrs. John Clements, Mrs. I.R. Reagan, Mrs. C.E. Mallet, and Donna White (Ft. Worth).

Further park improvements will be discussed at the Community Service Council meeting May 23 at 7:30 p.m. in the Texas Electric Reddy Room.

HARD AT WORK--Pictured are three of the 40 clean-up volunteers who helped at the work day in the Burk Burnett Oil Park Saturday. The men are removing a support post from which a false front wall once leaned. The wall has been so loose it would sway back

and forth in heavy winds, thus making it extremely dangerous to be around. Other work included picking up trash, cutting weeds, and giving the park a general clean up.

Industrial Committee Discusses Labor

The Burk Burnett Chamber of Commerce Industrial Committee, headed by Jack Aaron, met Friday at 7 a.m. in the Community Room of The Burk Burnett Bank for an informal discussion session dealing with labor availability in the Burk Burnett area.

Chairman Jack Aaron opened the meeting by saying, "I feel we have a great deal to offer in this area." He then asked members to offer suggestions concerning possible methods which might be used to draw potential labor into the area.

One member said, "There are better opportunities here now than there were several years ago."

Another suggested that recreational-type facilities should be increased to "give young laborers something to do when they have off hours."

Many of the 20 members present agreed that Burk Burnett would benefit greatly if a two-year college or trade school was stationed in the community. One member said, "We need a first class trade school in this area. If we could build one it would be one of the best things we could do." He added that it not only would help keep potential labor in the community, but would also draw laborers from the surrounding area.

It was pointed out that there was an abundance of trainees, but not enough skilled persons to work in this recently industrialized area.

Also discussed was middle-income housing and the

possibility of planning a vo-tech school program.

Members were asked to contribute any other suggestions as they are prepared in the future so that further planning can develop.

Events will include the 50 yard dash, 100 yard dash, long jump, high jump, baseball throw, and the 440 yard relay.

Contestants will be divided into midjets (ages 8-9), junior (ages 10-11), and intermediate

The Boomtown Jaycees will hold their annual Junior Sports Jamboree May 25 at the Burk Burnett High School track field for all boys and girls ages 8 through 13.

Registration forms may be picked up from any Burk Burnett school principal for early registration. Any individual who wishes to participate and has not previously registered may do so on Saturday, May 25, between 8:30 a.m. and 9 a.m. at the high school track field.

In order to participate, approval must be given in writing by the individual's parents or legal guardian. For

further information, contact any of the Burk Burnett school principals.

Local Residents Donate \$1,239.50 To Cancer

During the month of April residents of Burk Burnett were visited by American Cancer Society Crusaders. Because of their efforts and the generosity of the people of the community, C.J. Lippard and Wanda Pierce (chairmen of the Crusade in Burk Burnett) are proud to present the district office of the American Cancer Society a check for \$1,239.50.

Cancer is a disease that is characterized by abnormal growth and spread of cells. It affects children as well as adults, but it strikes with increasing frequency with ad-

vancing age. This year more than one million Americans will be under medical care for cancer. Of every six deaths from all causes in the United States, one is cancer.

Cancer's seven warning signals include the following: a change in bowel or bladder habits, a sore that does not heal, unusual bleeding or discharge, thickening or lump in breast or elsewhere, indigestion or difficulty in swallowing, obvious change in wart or mole, nagging cough or hoarseness.

Newcomer's Coffee Set

A Newcomer's Coffee has been scheduled for Saturday, May 25, at 10 a.m. in the National Room of the First National Bank.

Newcomers to Burk Burnett and local business people are urged to attend and get acquainted.

BHS Bands, Choir To Perform

The Junior High and High School Bands and High School Choir will hold their Spring Concert on Thursday, May 23, at 7:30 p.m. in the High School Gym.

There will be an admission charge of 50 cents for adults and 25 cents for students. The proceeds from this concert will be used for the Arion Award to the Outstanding Senior band student.

Antique Car Show Will Be Saturday

The Wichita Falls Antique Automobile Club is sponsoring a show of antiques, street rods and special interest automobiles on Saturday and Sunday, May 18 and 19, 1974 at the Burk Burnett Junior High football field. Hours on Saturday will be 12 noon until dark and Sunday 12 until 5. Cost will be 50 cents for adults and 25 cents for children under 12. Cars

entered will be judged and prizes awarded in several categories.

There will be a section of exhibition cars not included in the judging. This show will feature something of interest for everyone as it will include such vehicles as a 1929 Ford AA truck, a 1938 Rolls Royce, hot rods and late model street machines. Anyone having a car

in any of the categories who would like to enter or exhibit it are invited to bring it on Saturday morning.

A new category of cars that has become popular in recent years is what is known as "special interest". These are cars that are not old enough to be considered antique, yet have interest and value as a collectors car. These are the vehicles that

are now coming into their own as older cars become less obtainable and more expensive. Viewers will have an opportunity to see several nice examples of these such as a 1955 Thunderbird, 1949 Cadillac and a 1956 Mark 11 Continental.

The 1938 Rolls-Royce is a 6 cylinder model with a custom built aluminum sports limousine body. It was imported from England 11 years ago and thus has right-hand drive. It has many luxury features including built-in jacks, chassis lubrication operated by a pedal in the front compartment, division window, intercom system, etc. Original cost in 1938 was about \$10,000.00. The car still drives very smoothly and has the original leather interior and black lacquer finish. This car and the others on view will give the younger generation a chance to see cars with "running boards" and give the oldsters a chance to reminisce and say, "I used to have one just like that."

Pilot Troop Holds First Court Of Awards

Junior Girl Scout Troop 84 held their first Court of Awards and a Pot Luck Dinner Tuesday evening in the Community Room of Burkburnett Bank.

Attending as a special guest was Mrs. Don Whan, President of the NorCenTex Girl Scout Board of Directors.

Troop 84 is composed of Third Grade girls and was organized in September as part of a pilot program being tried in Burkburnett to test the ability of third grade girls in Junior Scouts.

The troop is led by Mrs. Keith Hubbard and Mrs. Lawrence Holcomb.

Scout in Charge for the evening was Miss Sharon Moschgat. The color guard was Sherilena Wonderlin, Bearer, Carolyn Baker and Gina Lakey, Honor Guard. Welcoming guests and parents were Linda Baker and Tina Swaim.

Robin Dunn explained the badge work and Brenda Dunham, Armeta Pierce and Karla Groves led the grace.

Entertainment was provided by Wendy Bonkowski, Amber Eaton, Regina Dingmon, Larri Sue Holcomb, Robin Howard, Kellie Hubbard, Anja Wilburn, Ramona Bryant, and Kim Dunn.

Square Dancers Entertain Nursing Home Residents

Since this is Nursing Home Week, Burkburnett dancers of the Swinging Star Square Dance Club invited several of the members and guests from other PRVA Clubs to join them to dance for the residents and staff of the two local nursing homes.

The group performed at 7:30 p.m. Tuesday for the residents of Evergreen Manor and 8:00 p.m. for those at Hickory Elm Convalescent Center.

Doing the calling was E.B. Thompson and his wife, Betty, from the "Swinging Star" Club. Several teen-age dancers joined in the dancing to help with the entertainment.

Oil Industry To Spend \$1.3 Trillion

Findlay, Ohio--(HK)--A trillion dollars is a lot of money. Yet, over a 15 year period from 1970 to 1985, a New York bank estimated that \$1.3 trillion will be the financial requirement to keep this nation's oil industry in operation.

Approximately \$800 billion of this amount will be used for capital expenditures and exploration, said Elmer A. Graham, financial vice president for Marathon Oil Company. "For this money the industry depends on profits. Those critics who refer to our high profits and recommend a tax on what they call 'excess' profits are either ignoring or don't know the facts," Graham explained.

This year Marathon alone plans to spend \$265 million for capital development and exploration. This reflects a 57 percent increase over last year's expenditures. About \$155 million of the total is planned for lease acquisition, exploration, drilling and production activities.

Thoughts

From The Living Bible

When Moses saw that the bush was on fire and that it didn't burn up, he went over to investigate. Then God called out to him, "Moses! Moses!" "Who is it?" Moses asked. "Don't come any closer," God told him. "Take off your shoes, for you are standing on holy ground. I am the God of your fathers -- the God of Abraham, Isaac, and Jacob." (Moses covered his face with his hands, for he was afraid to look at God.)

Two BHS Seniors Are Honored

Two Burkburnett High School seniors, Misses Kris Aaron and Susie Dennis, were honored at a dinner recently in the home of Mrs. B.H. Preston, Jr. with Mrs. Bill Vincent co-hostess.

Approximately 30 guests registered including special guests Mesdames Jack Aaron and John Dennis, mothers of the honorees.

The serving table was centered with a floral arrangement in school colors, black and orange carnations, and individual tables also had smaller floral centerpieces in school colors. Following the dinner a gift was presented to each honoree by the hostesses.

Miss Aaron was editor of the Derrick Staff, attended Girls State, is a member of Who's Who, Quill and Scroll, National Honor Society, Pep Club, and was chosen FTA Sweetheart.

Miss Dennis was assistant editor of the Derrick Staff, 1973 Basketball Queen, member of Quill and Scroll, National Honor Society, Pep Club, FTA, was nominee for Senior Favorite, All-School Favorite and Football Queen.

RANCHER INSPECTS HIS HERD--Cattlemen are caught in a squeeze of high production costs and low returns, reports Agriculture Commissioner John C. White. Glenn Raney is no exception. The Garland rancher reports he lost \$20 a head this spring on stocker cattle.

Fuel diversification is important to you and your family.

But what is it?

Fuel diversification is the key to our being able to supply the electricity you'll need in the years ahead.

It means using several kinds of fuel to generate electricity. Making the best use out of the fuels available to us. And reducing our dependence on fuels in short supply.

At Texas Electric, natural gas is our major fuel, with oil used on a standby basis. We foresaw shortages of these fuels and several years ago developed long-range plans to diversify to lignite coal and nuclear fuels.

We now have one lignite plant in operation and two others under construction. A nuclear-fueled plant is planned for operation by 1980.

One advantage of using lignite and nuclear fuels is that neither is being used extensively for any purpose other than the generation of electricity. A disadvantage is that it costs considerably more to build plants that use these fuels than gas-fired plants.

Even though it will cost more to provide electricity in the future, the cost will be less with lignite and nuclear fuels than with the alternatives available to us.

We're continuing the orderly development of our power system so that you'll continue having the electricity you need.

County Agent News

Grain producers throughout Texas now have up-to-date market news at their fingertips. By simply placing a long distance telephone call to any one of four locations, they can obtain daily grain price information. The statewide telephone recording system is being provided by the Texas Department of Agriculture and is directed to the four major grain producing areas of the state; the High Plains, Rolling Plains, Central Texas and South Texas. Recorder locations and numbers are: Amarillo (806) 352-7441; Lubbock (806) 763-3285; Vernon (806) 552-7541; and Corpus Christi (512) 884-0911.

Producers can call the location and number nearest their county for a three-minute recording which will contain a brief summary of the market for that day, including prices being paid to the farmer, elevator selling prices and futures market prices. Additional items of interest such as crop production reports and the world agricultural situations will also be included as reports are received.

This new grain market news service will be valuable to producers since effective marketing of crops is vital to the overall management system. By keeping abreast of the current market situation, producers can affect their income considerably due to widely changing prices.

Home vegetable gardens could actually be a boom to the fresh vegetable industry in Texas. The taste of fresh homegrown vegetables will "turn on" many homeowners and cause them to buy more fresh produce. In recent years the trend has been away from purchasing fresh vegetables, to increased buying of canned, frozen and instant produce. Home gardening will also give consumers a much better appreciation of the commercial vegetable industry, as they have to contend with the weather.

insects and diseases; plus additional expenses and labor.

Buying beef wholesale for the home freezer can be a money-saving experience if it's done wisely. Deal with a reliable firm. If your family enjoys hamburgers, steaks, and pot roasts, buy a complete side of beef. If broiled steaks are preferred, a full loin may be the best buy. A fore quarter provides plenty of pot roasts, and the price is much less than a hind quarter. Buy the "choice" grade of beef for steaks and roasts to be broiled or dry roasted, as it has more marbling (fat scattered throughout the lean).

Farmers and ranchers may be a little reluctant to apply adequate amounts of expensive fertilizers to their pastures this spring; yet, there are some good reasons for fertilizing. Fertilizers improve the quality and amount of forage produced on pastures. This, in turn, leads to more nutritious grazing for livestock and better livestock performance. Fertilizer also helps pasture grasses to better tolerate dry weather.

The 4-H Club program in Texas has grown from an organization of farm boys and girls to one that has something to offer all youth between the ages of 9 and 19. And much of the change that has come to the program has been due to strong support from the Texas 4-H Youth Development Foundation.

In our rapidly changing economy and society, 4-H is broadening its programs to meet the needs of the youth it serves. Programs now include leadership and citizenship training, and such skill-oriented projects as automotive care and safety, electricity, horses, photography, dog care and training, horticulture and clothing to name only a few, are becoming increasingly popular.

Big Pasture FFA Holds Banquet

Last Saturday the Big Pasture Chapter of the Future Farmers of America held its annual Parent-Son Banquet.

After the meal, the first order of business was the drawing for a set of portable corral panels built by the Ag Department. Lynn Postelwait, of Randlett drew the winning number.

The second order of business was the presentation of the Chapter Farmer Degree to

thirteen sophomore boys that met the requirements for the award.

The next order of business was the presentation of the Honorary Chapter Farmer Award. This year's recipients were Joe Miller and Carl Turner, both of Randlett.

The fourth order of business was the presentation of the Foundation Awards to the FFA members. The winners were

Gary Doty, Beef Production; Ricky Griffin, Swine Production and the Best Set of Records Award; Berfon Mossley, Home Improvement; Terry Josefy, Ag Mechanic and Wheat King. Bud Dulworth was named Star Greenhand, and Darrel Adams received the Star Chapter Farmer Degree. Gary Doty received the DEKALB Award. After the awards were presented, the new FFA Queen,

Kari Clark was presented with the Queen's jacket by the President, Gary Doty. The new Sweetheart, Janet Martin, was recognized.

The speaker for the evening, Faye Odell, head football coach of Drumright High School, delivered an inspiring speech.

An appreciation trophy was presented to the out-going Queen, Debbie Bowles.

Bryan Wins County Tryouts

Joe Bryan and Randy Keck were named winners of the Wichita County Farm Bureau High School Citizenship Seminar tryouts May 7 at the A.S.C. Building in Iowa Park.

Joe Bryan, 16, son of Mr. and Mrs. Joe F. Bryan of the Friberg-Cooper Community, is a Burk Burnett Sophomore. Keck is a junior at Iowa Park.

Winners will be sponsored by the Wichita County Farm Bureau to the Texas Farm Bureau High School Citizenship Seminar to be held on the campus of Baylor University July 15-19. The winners were selected from a field of five, including Jamie Reed of Iowa Park High School, Mark Schroeder of Burk Burnett High School, and Don Davis of Rider High School.

Friendly Hardin Club

The Friendly Hardin Club entertained the Merry-makers Club of Wichita Falls with a salad luncheon in the Texas Electric Reddy Room in Burk Burnett on May 8.

After lunch, games were played with gifts given to each guest. Seven members from the Merry-makers Club were present as were nine from the Friendly Hardin Club.

The next meeting will be held on May 22 in the home of Pearl Draper, with the county extension agent presenting the program.

Cotton Going To Japan Has Priority

AUSTIN—Japan is receiving top priority for delivery of committed purchases of Texas cotton which are currently running about three months behind, Agriculture Commissioner John C. White has assured Japanese textile leaders.

Faced with a record year in processing cotton, Texas cotton compresses have been unable to keep up with export demands.

Farmers Cooperative Compress, the largest single compress operation in the state, exports around 20 percent of its cotton to Japanese industry. Cooperative production this year jumped to a record 970,000 bales from a normal average of 600,000 bales annually.

White said the cooperative's work has fallen 300,000 bales behind and smaller compresses throughout the state are facing similar delays.

WEEKLY MARKET REPORT

Egg prices skidding downward should make consumers happy this week, one authority predicts.

"Grade A, large-size eggs offer the best combination of quality and economy," according to Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

"Other economical poultry products are fryer chickens, with an increased supply of three to five per cent, chicken hens, turkeys and turkey parts.

"At beef counters, many markets are featuring round steaks and roasts, ground beef, chuck roasts, beef liver, and perhaps rump and rib roasts.

"Pork values include shoulder roasts and steaks, hams, picnics, end-cut loin roasts and chops and pork liver. Features may offer center chops, quarter-loins cut into chops—and some brands of

bacon." Fresh fruit and vegetables in good supply at economical prices are oranges, bananas, grapefruit and pineapple, the specialist said.

"Also, cabbage, carrots, broccoli, celery, mustard greens, dry yellow onions, green onions and radishes. Asparagus is available at moderate prices, and watermelon supplies are heavier, but prices vary considerably. Since weather affects strawberry quality and price, select them carefully."

Turning to processed vegetables, Mrs. Clyatt noted that supplies are "quite small and prices have slowly increased on many items. This trend is likely to continue, since processors probably will pay more for upcoming crops and increased packing costs."

Consumer Watchwords: If there's a seven cents—or more—price spread between egg sizes, the smaller size will give you more egg for the money.

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — With the primary elections out of the way, the race for House Speaker is getting hotter by the day.

At least three candidates for the speakership claimed legislative races May 4 turned out in their favor, and they are now in the lead.

One, Rep. Fred Head of Troup, contended he already has the speakership won with 80 votes. During the last week, he released names of 19 representatives backing him.

Rep. Carl Parker of Port Arthur laid claim to having

gained seven votes in the primaries — enough to give him a total of about 55.

Rep. Bill Clayton said his pickup in the primaries "clearly established" him as the leader.

Rep. David Finney of Fort Worth hit all the claims as "phony bandwagon publicity," and urged support of his candidacy as a modern compromise.

Rep. Jim Nugent of Kerrville said he doubts outcome of the first primary appreciably changed the order of the candidates, and he maintained the race remains wide open.

The big four candidates — Head, Parker, Clayton and Finney — already have received more than \$100,000 in contributions and spent about \$62,000 on their campaigns.

Head raised and spent the most, \$38,875 in contributions and \$32,045 in expenditures. Clayton is second with \$30,000 in donations and \$10,208 in expenditures. Parker has raised about \$20,000 and spent about \$10,000. Finney \$13,000 and \$10,000.

INCUMBENTS FAVORED — The May 4 Democratic primary was a great day for incumbents.

Not only did Gov. Dolph Briscoe win a landslide victory over Frances "Sissy" Farenthold (by nearly 70 per cent of the disappointingly-light vote of 1.5 million), but there were no upsets of any officials in statewide or congressional primaries.

Further, only three state representatives and a single state senator were

defeated in 77 House and eight Senate contests.

Republicans will make their most-determined statewide bids in the governor's race, with Dr. Jim Granberry, 41, of Lubbock as the nominee. Ex-Prisoner of War Nick Rowe is the GOP nominee for comptroller who will take on Democrat Bob Bullock. **CRIME FIGHT PLANNED** — Gov. Briscoe announced a public information campaign to draw neighborhoods together to prevent burglary and other crimes.

The project is part of a continuing crime prevention program in Abilene, Amarillo, Beaumont, Corpus Christi, Odessa and Waco. Goal of the pilot program is to reduce incidence of burglary by 18 per cent in each of six participating cities.

Publicity used in the campaign suggests that police crime-prevention specialists be invited into citizen's homes to demonstrate crime-prevention

techniques and teach them to recognize potential criminal activities and report them to police. Texas ranks second in the nation in the number of trained crime prevention officers, with 57 graduates of the National Crime Prevention Institute.

About 220 officers will be trained in new preventive techniques about the end of the summer.

AG OPINIONS — Atty. Gen. John Hill held state funds can be spent to publicize the proposed new state constitution.

In other recent opinions, Hill concluded: *The Parks and Wildlife Department can spend money to feed and house young people working in parks and contract for reimbursement with the Department of Community Affairs.

*The Board of Pardons and Paroles has authority to recommend a prisoner for an indefinite medical reprieve, emergency reprieve or parole, though the con-

stitution has not been reviewed by the Court of Criminal Appeals.

*A second cousin of a La Joya School District trustee may not be reappointed migrant director for the district (though paid from federal funds).

*Counties and incorporated cities may be considered multi-purpose human resource delivery organizations for purposes of distributing appropriations to the Texas Department of Community Affairs. But a requirement of compliance with guidelines established by the governor is invalid.

*An act of the legislature creating Harris County Youth Village Independent School District is an unconstitutional local law.

*Community Centers for Mental Health and Mental Retardation Services must provide workmen's compensation benefits for employees, when a new law becomes effective, and may do so earlier.

*The only sanction

available to a county tax collector for failure to pay the motor vehicle sales tax is to refuse registration.

*American Revolution Bicentennial Commission members may receive 10 cents a mile reimbursement for auto use on official business.

*County judges, county commissioners, county attorneys and general managers of conservation districts created under the state constitution do not have to register under the lobby control act to communicate directly with lawmakers on legislation.

*Henderson County junior college must allow a dismissed teacher to see personnel records giving reasons for firing.

COURTS SPEAK — The State Supreme Court turned down a damage suit arising from the electrocution death of a Navarro High School football coach during goal post raising.

company which does not do engineering work to stop using "engineering" in its firm name.

A mother is entitled to collect on death insurance policies covering her son who drowned in a bathtub after an epileptic seizure, the high court held.

A paint fume sniffer didn't violate terms of probation in a theft conviction, the Court of Criminal Appeals held.

APPOINTMENTS — Cloyd D. Young of Dallas was appointed to the board of regents of East Texas State University, succeeding the late E.G. Pharr of Lubbock.

Briscoe appointed Kenneth Decker of Austin and reappointed Dr. Bobby Gene Smith of Arlington to the Crime and Narcotics Advisory Commission.

B. L. Parker of Bastrop has been named chairman of the arrangements committee for the Texas delegation to the national Democratic mini-convention in Kansas City, Missouri, next December.

State Rep. Pike Powers of Beaumont has been picked as president-elect of the Texas Junior Bar.

WHEAT CROP OFF — Texas wheat production will drop off 29.3 million bushels from 1973, Agriculture Commissioner John White predicts.

White said most of the decrease is due to failure of the dry-land wheat crop in the Texas High Plains. Recent rains came too late to help much, White said. Production estimates have been revised downward from 78.4 million bushels to 69.3 million. Texas produced 98.6 bushels in 1973.

Karla Mullens

It's A Girl
Mr. and Mrs. Leroy Mullens of 624 East Third, Burkburnett, announce the birth of a daughter, Karla June Mullens on March 15, 1974. The baby weighed 7 pounds and 12 ounces, and was 20 1/2 inches long. Grandparents are Mr. and Mrs. C.D. Mullens of Durant, Oklahoma, and Mrs. Elsie Rollings of Randlett, Oklahoma.

Energy Concerns Buyers

For years, prospective homeowners often based their purchases on such criteria as cost, design, appearance, convenience, neighborhoods, transportation and schools.

With the energy crisis upon us, many of those factors are getting less attention than a close inspection of the energy conservation qualities of housing. Both builders and buyers now realize that energy conserving homes will be the best sellers in the future.

The energy saving potential in housing is also drawing the attention of lawmakers on local, state and federal fronts. Legislation requiring specific insulation levels has already gone into effect in some parts of the country and the federal government has increased its insulation standards on FHA-insured homes.

Since windows can take up to 30 percent of the exterior wall surfaces of a home, it's more important than ever that they meet the new requirements for reducing heat loss.

Once a home is fully insulated, 30 percent of the remaining heat loss can be eliminated by the selection of proper windows. An owner of an existing house with single-glass windows will have to add storm windows and weatherstrip and caulk the windows and doors to meet the new FHA insulation standards.

GUIDELINES FOR A PERFECT PREACHER

Did you ever have roast preacher for Sunday dinner? It happens in the best of homes sometimes.

Ah, if we could only find the perfect preacher.

Working hours: 6 A.M. to 10 P.M. 7 days a week

Preaches: 18 minutes. Is against sin and never hurts anyone

Habits: Drives a good car. Buys the latest books. Gives generously to the church. Contributed to every charity and carries insurance with every agent in his church

Age: He is 20 and has been preaching for 25 years.

Ministry: Has a burning desire to work with teenagers and spends all his time with older people

Attitude: He smiles all the time with a straight face. He has a glowing personality and absolutely unshakable faith in every deacon in his church

But, we have a perfect God who forgives preachers and laymen alike for whatever small transgressions they may incur!

News From Hickory Elm

Approximately 150 people attended Open House Mother's Day, May 12, which was the first day of the National Nursing Home Week. The 46 women residents were presented beautiful corsages by the Administrator, John E. Arthur and Mrs. Arthur, and were dressed appropriately for the occasion. Sunday School Services started the day with Gene Breeden as speaker and Frank Mallory song leader. There were 27 present. Several guests and members of resident families stayed for the noon meal. During the hours of 2 to 4 p.m., Mr. and Mrs. Arthur and Mrs. Lange greeted the visitors. Mrs. O.J. Cooper, Sr. presided at the guest table. A beautiful flower arrangement was placed on this table, presented to Hickory Elm by the Church of God. Mary Lou Reed was in charge of refreshments. Cookies and punch were served during the afternoon. A group from the Church of God provided the entertainment. Other entertainment has been scheduled for the rest of the week with Rosey Roark Square Dancing Group on Tuesday night, a Domino Tournament starting Wednesday between Hickory Elm Convalescent Center, Burkburnett and the Highland and Parkway Nursing Homes in Wichita Falls. The first meeting of the tournament will be held at Highland Nursing Home in Wichita Falls. Friday there will be a picnic in the backyard at 2:30 for all Hickory Elm residents.

Jehovah's Witnesses Return From Convention

Delegates to the two-day convention of Jehovah's Witnesses in Abilene this past weekend returned home, according to Dennis Ott, one of the Burkburnett Congregation's overseers. "strengthened in our resolve to do the divine will." In addition to Mr. Ott, Ed Harrison and Don Brantley were among the many volunteers whose assistance make such assemblies possible, according to information supplied by a convention representative. Mr. Ott said, "1745 were in attendance for the highlight discourse Sunday afternoon, "Be Confident of Divine Victory." This information, presented by H.A. Fetzik, of Brooklyn, New York, helped us appreciate the nearness of the much-needed divine victory, and of the subsequent blessings soon to come for those who align themselves on the side of the Divine Victor, Jehovah God."

and travels with his wife to each congregation twice a year, in addition to serving two Circuit Assemblies a year.

"Our Troubled Times, What Do They Mean?" is the title of the special Bible talk to be delivered by Mr. Billy. This will be given at 6 p.m. Sunday, May 19, at the Wichita Falls Central Kingdom Hall, 1601 Bluff Street, where the local congregation continues to meet pending completion of the Hall here in Burkburnett. "We encourage all persons who respect God's word to come and hear this fine material," concluded Mr. Ott.

NEW OFFICERS--Pictured are new Theta Epsilon Sorority officers who were installed at a ceremony recently. They are (from left) Clodella Bridges [education]; Shirley Spinks [treasurer]; Helen Eaton [recording secretary]; Colette McKinnis [vice-president]; and Ramona Vaughn [president]. Not shown is corresponding secretary Frankie McClurkin.

Theta Epsilon Officers Installed

Outgoing Theta Epsilon Sorority president Nona Lemley installed officers for 1974-75 at the Texas Electric Reddy Room Monday evening, May 13. New officers include Mrs. Ramona Vaughn, president; Colette McKinnis, vice-president; Helen Eaton, recording secretary; Frankie McClurkin, corresponding secretary; Shirley Spinks, treasurer; and Clodella Bridges, educational director. The new president appointed her committee chairmen for the new year, and outgoing president Nona Lemley presented Sandy Hubbard an outstanding first year award. Colette McKinnis received an award for Girl of the Year and Sandy Hubbard was notified that a poem she submitted for the ESA State Song Contest has won fifth place. Mrs. Lemley presented gifts to each member and she received a gavel wall plaque from the members. The members enjoyed a salad supper with 15 members present. Also attending were guests Miss Terry Sheppard and Mrs. Ladonna Sheppard.

Study Club Holds Mother's Day Dinner

The Modern Study Club held its annual Mother's Day Dinner and installation of officers last Monday night, May 6. Guests and members were entertained by a style show, "Fashions for Fun", from Shirleens. Modeling the latest fashions were Mrs. Bob Carpenter, Mrs. Sammie Cash, Mrs. Shellie Skidmore, and Mrs. Willie Lacy. The annual awards for Best Worker and Best Program were given to Mrs. Jimmy Lindsey and Mrs. Ben Martin, respectively. Each guest received her personal terrarium.

Contemporary Study Club Has Meeting

The Contemporary Study Club met in the National Room with Mrs. Frank Miller as hostess and Mrs. F.T. Felty, Jr. as co-hostess. Mrs. Miller, president, opened the meeting with the club collect. During the business session several committees were heard from. Mrs. Bob Rogers gave a report for the scholarship committee and Mrs. Tom Smith gave a report on the awards won at the state TFWC convention in San Antonio. Mrs. Miller announced plans for the club to host the

Bloodmobile May 30 at the National Room. The club voted to support the Community Service Council on the pavilion project and also voted on best member and best program. Winners will be announced at the Installation Dinner. Mrs. Felty had charge of the mini program entitled, "Today's Youth and Their Music." Mrs. Joe Boucher had charge of the program, "History and Demonstration of Papier Toile." She had each member make a

Moore Receives Scholarship

ENID, OKLA.--Shelly Moore, daughter of Mr. and Mrs. Thomas Moore of 210 Mesquite, Burkburnett, has been named to the first President's Leadership Class at Phillips University and will receive a \$2,000 scholarship. The Leadership Class was formed of the top 83 applicants for the 1974-75 freshman class at Phillips University. The members, who receive academic scholarships, will represent the university at special events and advise the administration on university matters from a student's point of view. Phillips University is a four year liberal arts institution supported by the Christian Church (Disciples of Christ). Miss Moore is a senior at Burkburnett High School and was co-valedictorian.

Study Club Wins Environment Award

The Contemporary Study Club of Burkburnett won a \$100 third prize among Texas clubs last week as a result of doing the most to improve the environment of the community in 1973. The presentation was made during the state convention of the Texas Federation of Women's Clubs which was held in San Antonio. The local study club also won first place in health, mental health, and welfare at the convention. Projects which resulted in the Shell Oil Company Environmental Conservation Program awards included "Operation Mash", an aluminum recycling project for Boy Scouts. This project was promoted by an aluminum pop-art show. Another project was that of planting 500 seedling trees on Perkins Scout Reservation, with the aid of Boy Scout Troop 155. On this project one boy earned his Eagle Scout Rank for helping. Four others earned their forestry badges. The Club also supported the "Save the Eagle" campaign which consisted of sending labels donated by school children to purchase land for eagle nesting areas. Several other projects were also completed. The Contemporary Study Club has 18 active members. Mrs. Frank Miller is president.

CLUB WINS--Pictured are Mrs. Tom Smith and Mrs. Bill Pittard of the Contemporary Study Club of Burkburnett with awards their club won at the TFWC State Convention held in San Antonio Wednesday evening. The club won first place in Health, Mental Health, and Welfare; and third place [winning a \$100 prize] in Environmental Improvement. See related story. [Informer/Star Photo]

Misc. Wedding Shower Honors Carolyn Farris

A miscellaneous wedding shower for Carolyn Farris, daughter of Mrs. Evelyn Farris, Burkburnett, was held Saturday, May 11, from 7 to 9 p.m. in the National Room of the First National Bank. Miss Farris is the bride-elect of Jody Southerland, son of Mr. and Mrs. J.D. Southerland. Guests were greeted by Mrs. Farris and the groom's mother, Mrs. J.D. Southerland and were registered by Mrs. Don Armstrong. Refreshments of punch and angel finger cookies of assorted spring colors were served from crystal and silver appointments. Mrs. Jimmie Owens, sister of the honoree, served. The bride-to-be wore a blue and white sleeveless dress with a corsage of yellow carnations. Hostesses were Mrs. Cliff Southerland and Mrs. J.D. Southerland.

Sr. Citizens Celebrate Sixth Birthday

At the last regular meeting of the Senior Citizens' Club, held in the Community Center, about 90 were present to celebrate the 6th birthday of the Club. Guests of honor were Rev. and Mrs. Lamoin Champ, Jack Aaron, Alvin Hill, Gary Bean, Lee Anderson, Mrs. John Strayhorn and Mr. and Mrs. Paul Browning of Los Angeles, Calif. Special recognition was given to Mr. R.B. Henry, Mrs. Lula Neal and Miss Toinette Weaver, the three oldest members. Entertainment was furnished by Mrs. H.R. Jefferis, Mrs. C.J. Lippard, Mr. Ted James, Mr. Charles Gregory and Mrs. Cora Lee Harmon. The next regular meeting will be held in the Community Center on Thursday, May 23. A Memorial Service will be held and the Rev. Max Dowling, President of the Ministerial Alliance will be the speaker. All members are urged to be present and new members are welcome.

Hardin PTA To Meet Tuesday

Hardin PTA will meet Tuesday, May 21, at 2:30 p.m. in the Hardin School Auditorium. Officers to be installed are Mrs. Patti Smith, president; Miss Judy McSpadden, 1st vice-president; Roberta Crawford, 2nd vice-president; Carolyn Paskus, 3rd vice-president; Marlene Davis, 4th vice-president; Zora Nieto, secretary; and Mary Lou Fields, treasurer. SUMMER SKATE PASSES (preschool age through 18 year olds) are now on sale at the principal's office--children may check with their teacher. These passes will be available at the PTA meeting Tuesday, also. Passes cost \$3.00 each and are for a three-month period (June 1-Sept. 1) at the Funtime Roller Rink at 909 Bishop, Burkburnett, and can be used during any regular session. The pass pays for itself after only three uses. Skating could be considered free after that. Students are urged to purchase their passes by May 24.

Grace LWML Has Meeting

Fifteen members and two guests attended the recent meeting of the Lutheran Women's Missionary League at Grace Lutheran Church. The meeting was opened with the hymn "Stand Up, Stand Up, for Jesus". Gussie Lasley, hostess, led in prayer. Joreen Ludeke led a discussion on Tender Loving Care of the elderly--a timely subject since this was Texas Nursing Home Week. It was pointed out that we should not try to run their lives, but must be available when help is needed. Proceeds from the bazaar will be used to obtain dust covers for the chancel furnishings. Tentative plans for Vacation Bible School were discussed. Joreen Ludeke agreed to chair the refreshment committee. Mrs. Ina Roark and Mrs. Vi Lindemann will represent the group at the LWML Convention at Beaumont in June. A Pot Luck Supper, to honor this year's confirmands, will be next Sunday, May 19. The meeting was closed with the Lord's Prayer. Refreshments were served by Mrs. Lasley. All ladies of the congregation are invited to attend the next meeting at 2 p.m. on June 4th. Babysitting is provided.

Punch Party Honors Three BHS Seniors

Misses Kris Aaron, Susie Dennis, and Sherry Key, seniors at Burkburnett High School, were honored at a punch party last Saturday afternoon in the home of Pat Zimmerman and Mr. and Mrs. W.T. Zimmerman. The party was centered around a Spring theme with decorations of spring flowers and table decorations of green and yellow. Special guests were the honorees' mothers, Mrs. Jack Aaron, Mrs. John A. Dennis, Jr., and Mrs. Bryon Key. Miss Aaron was active in the Pep Club, National Honor Society, FHA, Student Council, and Quill and Scroll. She was also named to Who's Who, a delegate to Girls State, FTA Sweetheart, and the Editor of the DERRICK. Miss Dennis was chosen 1973 Basketball Queen, and was nominated for 1974 Football Queen, Senior Class and All-School Favorite. She was active in Pep Club, FHA, Student Council, FTA, National Honor Society, Quill and Scroll, and was Assistant Editor of the DERRICK. Miss Key was active in Pep Club, FHA, Office Education Association, Student Council, and served on the DERRICK staff and treasurer of the Student Council her Junior year. She was also a nominee for 1974 Basketball Queen. All three girls plan to attend Midwestern University.

Sheppard AFB Notes

A Sheppard sergeant will soon be flying with the elite 89th Military Airlift Wing Special Air Mission at Andrews AFB, Md. He is Sergeant Edward Nunez who is a flight steward on a T-29 aircraft at flight operations, 3750th Air Base Group at Sheppard Air Force Base.

In his new assignment, he will serve in the same capacity on C-140s, C-137s and C-135s on which the President, Vice President, high government officials and foreign dignitaries fly.

Sergeant Nunez, who will report there by June 5, applied for the assignment in April 1973 while at Wright-Patterson AFB, Ohio. He has served at Travis AFB, Calif., and was trained in the transportation career field at Sheppard's School of Applied Aerospace Sciences early in his military service.

Five civilian employees retired at Sheppard Air Force Base in April.

They are Richard R. Brunson, James M. Childers, Jack T. Bailey, Gibson Dudley Jones and Arthur O. Ackeborn.

Two members of the 80th Flying Training Wing at Sheppard Air Force Base were honored in ceremonies Thursday.

Captain George K. Tesar, a T-37 instructor pilot with the 88th Flying Training Squadron, was presented the first Oak Leaf Cluster to the Air Force Commendation Medal. He earned the medal for meritorious service as an instructor at the Special Air Operations Course of the Inter-American Air Force Academy, Albrook Air Force Base, Canal Zone.

The award was presented by Colonel John E. Cadou, deputy commander for operations of the wing.

The Colonel also named First Lieutenant Donald E. Teague, Jr., instructor pilot of the month for April. The Lieutenant is an instructor pilot with the 89th Flying Training Squadron of the wing.

Four people were named to monthly honors in separate ceremonies at Sheppard Air Force Base Friday.

Airman First Class Ronald S. Neal was named the Consolidated Base Personnel Office (CBPO) Airman of the month for April. Airman Neal was presented the award by Lieutenant Colonel Peter Kehoe, chief, CBPO, where the airman is a records clerk. The unit is part of the 3750th Air Base Group.

Airman First Class Ronald P. Malveaux, a bench stock clerk, was named Airman of the month for the 3750th Maintenance and Supply Group.

Airman Michael S. Hunter was named Airman of the month for the 3780th Student Squadron. The airman is a student in the communications center and relay equipment repair course at the School of Applied Aerospace Sciences (SAAS).

Airman James J. Gazafi, a student in the loadmaster course of the Department of Transportation Training, SAAS, was named airman of the month for May, for the 3753rd Student Squadron.

Winners of the essay contest held by the chaplains at Sheppard Air Force Base in observance of the 25th anniversary of the Air Force Chaplain Service read their entries during the banquet Thursday night in observance of the event.

Winners were Arvella DeWhitt, civilian secretary in the Fire Department, 3750th Air Base Group, and Staff Sergeant Patrick Flanagan of the 372nd Instructor Squadron of the School of Applied Aerospace Sciences. The topic of the contest was "What I Expect from the Air Force Chaplaincy." Both received \$25 bonds.

Brigadier General David W. Winn, vice commander of Sheppard Technical Training Center, discussed the importance of the Air Force Chaplain anniversary. Chaplain (Colonel) Walter N. McDuffy Jr., was the project officer.

The banquet climaxed the observance from May 5-10.

Chaplain (Major General) Roy M. Terry, Air Force chief of chaplains, stated concerning the observance, "We've come a long way since the days when the symbol of chaplaincy was a suitcase altar on the hood of a jeep. Today, chapels and chapel centers throb with activity day and night, as chaplains seek to meet the varied needs of the Air

Force community. However, we are concerned in this anniversary with more than a birthday celebration. We are honoring the corporate witness and service of the communities of faith, the men and women of our chapels who have been partners with us in the religious ministry to persons."

Sports Afield

By Ted Kesting

For the past 100 years more fires have been started with kitchen or wooden matches than by any other means, and these are the best conventional fire starters. There is no question that these conventional fire makers are the best, day in and day out, for starting a campfire. However, John Jobson, Camping Editor of *Sports Afield*, points out in his February article, they are useless if wet.

To overcome this disadvantage some people dip the head (and about a half-inch of the wooden stem) in melted paraffin, which, incidentally can become hazardous. Others paint the matchheads with fingernail polish or clear lacquer. Don't paint the whole match, as the flame will race toward your fingers, causing you to drop the light and waste it. Waterproof matches are on the market.

Waterproof matches are on the market. However, for years I have recommended that in addition to always having a supply of wooden matches on your person afield, you should have a windproof lighter. Have a spare flint along and a can of fuel in camp," Jobson advises. "Recharge the fuel each day before leaving camp."

Always have plenty of large candles around camp. Some have a bug-repelling substance which discourages insects. A good short-but-thick candle, on the order of long-lasting religious ones, has many uses. It will light and even slightly warm a tent. It won't fail you. It can keep a pot of coffee hot and bubble a stew.

The wax has other uses around camp, such as temporarily repairing leaks in canvas. But the main purpose of a candle is fire starting. Its relentless heat will even dry out and ignite wet kindling. With a supply of dry matches and a candle, you are admirably prepared to build fires, under any and all reasonable, conventional circumstances.

Many campers have their own methods for producing "fast fire starters." One fellow soaks sawdust with oil, but if you're in a heavyweight camp where you can go in with 4WD or pickup, why not just take in safe diesel oil? This is a safe starter for shepherd stoves or campfires, if weight is no problem.

Canned Sterno is excellent, but the can makes an undesirable bulge in a down-jacket pocket. However, in a rucksack or saddlebags this is no problem. The old army heat tabs are preferred by some, and then there is the commercial "BBQ"

starter called fire sticks. But when you get right down to the heart of the matter remember the common kitchen match. Pacons should be sung in its praise. Statues should be erected in its honor. It is the best fire starter the world has ever seen.

Birth Rate Slows As Affluence Grows

The more developed the country, the more likely it is to have low population growth rates, according to the World Population Conference.

Most of the world's highly industrialized nations, including Western European countries, Canada, Japan and the United States have low growth rates. They are expected to maintain an overall downward trend.

The USSR, Eastern European and Scandinavian countries have government policies encouraging family planning, with resulting lower birth rates.

In the U.S., birth rates reached the lowest rate ever in 1972, with an average number of children per couple at 2.03 and population growth rate of .7 per cent per year.

Inflation Rated Worse Than Energy Crisis

Worldwide inflation in 1974 may present a greater danger in slowing economic growth than the shortage of energy according to the First National City Bank of New York.

Throughout the world, inflation is slowing the growth of real money stocks to the point where businesses and households may respond by reducing expenditures. Citibank economists warned in a recent issue of the bank's economic letter.

"To prevent inflation from making the slowdown or recession even deeper in the United States, but abroad: accept a full-blown recession or pump up the money supply and boost prices even further, the letter noted.

Citibank economists also pointed out that one of the effects of the oil shortfall has been a cutting back in the "dollar overhang"—dollar assets held by foreign central banks.

Balance of Trade Records Big Surplus

The U.S. balance of trade ledger moved \$1.7 billion into the black in 1973, compared with a record deficit in 1972.

The swing from deficit to surplus amounted to \$8.1 billion, the largest one year change in history.

U.S. exports grew at a rate nearly twice that of imports in both agricultural and manufactured products.

All Share Blame For Energy Crisis, Oil Executive Says

All segments of U.S. society have contributed to current energy shortages, and all must cooperate to work out a solution, according to John Swearingen, chairman of the board, Standard Oil Co. of Indiana.

"For generations, unlimited supplies of low-cost energy have been taken for granted in this country... the whole economy has been geared to provide ever-larger and more luxurious vehicles, more heat in the winter and more air-conditioning in the summer, and a range of power-consuming appliances that staggers even sophisticated Europeans," the Standard Oil executive told a Congressional committee.

He emphasized the oil shortage is real "for both the short and long term" and warned, "ex post facto attempts to assign culpability for what has happened will do nothing to get the nation back on the track."

Devol Doings

Friends and neighbors of the Devol Community, your help is needed now. If you were missed in the door-to-door fund raising campaign held Monday by members of the Big Pasture Ambulance Service, it is not late to make a contribution to this non-profit organization. Every effort is being made to keep the ambulance service in the community, but it takes money to operate and your donation, be it large or small will help to make the service available when you need help. Checks may be made payable to Big Pasture Ambulance Service and may be mailed to given to The First State Bank in

Grandfield. Put these phone numbers by your phone and when needed call (405) 479-5258 or (405) 479-5244 for ambulance service.

News From Evergreen Manor

by Artie Mullins
Mrs. Ruth Woods from Wichita Falls visited her mother, Bertha Matthews.

Mr. and Mrs. Howell from Randlett, Okla. visited her sister, Della Urban.

Mr. Wallace's daughters and grandchildren visited her over the weekend.

Mike Germany from White Deer, Texas and Mr. and Mrs. Bill Copher from Pampa, Tex. visited their grandparents, Mr. and Mrs. C.D. Mullins, for Mother's Day.

Mrs. Browning from Calif. visited Winnie Austin and Artie Mullins Thursday.

Mrs. Wallace's daughter, Mrs. Irene Grant, of Durant, Okla. visited her this week.

Artie Mullins visited her son, Mr. and Mrs. Harlan Mullins, for Mother's Day.

Evergreen Manor held open house for Mother's Day. A large crowd attended. Cookies and punch were served. Mrs. Mary Joy Hagstrom and Mrs. Ruth Beldon read poetry.

Attending the Senior Citizens meeting Thursday for dinner were Jeanette Osborne, Activity Director; Gwen Yutzy, Nurse's Aide; and patients attending were Mr. Walker, Mr. Dickson, Bea Burrows, Artie Mullins, Mrs. Chambers, and Mrs. Reed. Everyone enjoyed the

lunch and singing.

We regret losing Mrs. Susie Brown, Administrator, who resigned last week. Mrs. Velma Tucker from Iowa Park will take her place. We welcome Mrs. Tucker.

We had 26 in Sunday School. Mr. Wortham brought a good lesson assisted by Mr. Kinnard. We regret very much losing Mr. Kinnard, who is being transferred to Midland, Texas. He has been coming to the home for several years.

C.D. Mullins has been sick. Mr. and Mrs. R.W. Germany, his daughter and son-in-law are here to help take care of him.

Miss John Bonner was taken to General Hospital last Friday for tests. We hope she will soon be back with us.

Mrs. W.H. Woods brought lap robes to the patients. We thank you; the patients are always proud of the lap robes.

Mrs. Cook of Wichita Falls spent Mother's Day with her mother, Mrs. Ivey.

Mrs. Pruett spent Mother's Day with her children.

The patients have planted a garden. I think we will soon have beans, okra, and tomatoes.

Mr. and Mrs. Harold Whatley from Pampa, Texas visited Mr. Eller Sunday.

Mr. and Mrs. A.A. Austin of Lawton, Okla. visited his mother, Winnie Austin, Sunday.

FATHER-SON--Winning the 6 and under flight of the Lions Club golf tourney held at Hidden Valley Golf Center were Mickey and Scott Cornelius. (Staff Photo by Ricky Stevens)

Father - Son Golf Tourney Held

A total of 48 players competed in the "Father-Son" type golf tournament sponsored by the Burkburnett Lions Club Saturday, May 11, at the Hidden Valley Golf Course in Burkburnett.

There were four flights, with entrants in each flight divided by the age of the young partner. Flights were divided as follows: 6 and under, 7-9, 10-12, and 13-16.

Mickey and Scott Cornelius won the 6 and under competition, with second place going to Gene and Brad Franklin of Henrietta, and third going to Jim and Jimmy Lee Phillips of Burkburnett.

Gene and Randy Franklin of

Henrietta won first in the 7-9 competition, with second going to Cliff and Chris Sutherland of Burkburnett, and third to Greg Williams and Jason Martin of Burk.

The 10-12 age group was won by Bob and Bob, Jr. Mataska of Henrietta with second going to Ken and Kenny Covington of Henrietta, and third going to Dan and Mark Brookman of Burkburnett.

The oldest, 13-16 group, was won by Jay and Brad Darland of Burkburnett, with second going to Bruce and John Brookman and third and Odell and Steven Kilcrease of Henrietta.

See related photos.

'73 Statistics Show Pecans, Peaches Off

AUSTIN--Production of Texas peaches and pecans declined considerably between 1972 and 1973, according to figures in the recently published 1973 Texas Fruits and Pecans Statistics.

Peach production fell from 604,000 bushels to 312,500 and pecans went from 75 million pounds to 23 million.

Agriculture Commissioner John C. White blamed the peach drop on bad weather, including two freezes, hail and excessive rainfall. He said this year's crop is expected to be better, despite a March freeze that caused estimated losses of \$1 million.

"The freeze didn't hurt peaches in Gillespie County where raisers are expecting a big season or trees in the Seminole area of West Texas which has more trees of fruit-bearing age than any other place in the state," White said.

Figures from past years show that pecan crops generally drop after a high production year.

The leading pecan coun-

ties in 1973 were El Paso, Bowie, Maverick, Comanche and Pecos. Gillespie was the leading peach producer with 88,000 bushels. Closest followers were Upshur with 28,800 and Camp with 28,000 bushels.

The 1973 Texas Fruits and Pecans Statistics is a joint effort of the Texas Department of Agriculture and the Texas Crop and Livestock Reporting Service. It also contains information on citrus and small-crop fruits grown in the state.

Texas Department of Agriculture home economists report that cured meat such as ham or bacon can be stored in the coldest part of the refrigerator up to two weeks.

Burk Girls Break National Record

The Burkburnett girls 440 yard relay team broke the old national record for school girls Saturday evening at the class AA state meet in Austin. West Columbia's team out did them though, and finished first to set a new record of 47.1.

The Burkburnett team con-

sists of Paula Crumpler, Marilyn Koller, Gayla Wheeler, and Cheryl Hicks. It broke the old record with 47.5 over the Columbia last year.

Cheryl Hicks placed fourth in the 60-yard dash with 7.4 at the state meet.

The annual Lions Club father-son tournament was the feature event held at Hidden Valley Golf Course during the past week. A good time was had by all. It just proves that all age groups can enjoy the game of golf. Results of this tournament will be found in a special column. Highlights were featured by chip-ins, long putts, and a near hole-in-one. A play-off was required in the 6 and under group with the team of Scott and Mickey Cornelius winning in sudden death over Chris and Cliff Sutherland.

Other winners were Jim and Brad Darland, Bob Mataska Jr. and Bob Sr., T.C. Parker and Randy Franklin. Ladies day is becoming popular. The girls have a "Ringer" tournament in progress which will continue thru July. Any of the ladies wishing to enter may sign up for the tournament at any time before July 1st.

Congratulations to Bob Carpenter and Bill Darland on their victory in the Olney Golf Tournament last Saturday. I understand that the 17th hole was a real test of skill. Let Bob and Bill tell you about that one.

Several teams from Burkburnett are participating in the "Buddy Tournament" at Frederick, Oklahoma this weekend. The staff at Hidden Valley Golf Course wish you all the best of luck in this event.

Tip for the week: Chip from the fringe using a putting stroke. A 4-5-6 iron will produce the necessary action to roll the ball close to the hole.

from **JOE GILLESPIE**
Two research doctors, study-
ing the effect of smoking on
body reflexes found the
reflexes reduced by as much
as two-thirds within four
minutes after healthy young
men began smoking
high-nicotine cigarettes. The
reflexes usually were not
back to normal until 20
minutes after smoking
ceased. The obvious con-
clusion from these U of
Michigan tests is that mental
and physical reactions are
hampered by cigarette
smoking. It is good to note
that teenage smoking has
greatly reduced during
recent years.

CARD of THANKS

CARD OF THANKS
Words seem so inadequate
in a time like this to express our
gratitude, but I do thank each
and every one who were so kind
and thoughtful in our bereave-
ment. For the lovely flowers, the
food and the many words of
encouragement. Especially do I
wish to thank Brother Wilhoit
and Jimmy Kinnaird and Owens
and Brumley. May God's richest
blessing rest on each of you is
my earnest prayer.

Mrs. C.O. Wilson
Mr. & Mrs. Jas. Smith
Mr. & Mrs. Irvin Smith
Oran Wilson
Lanelle Miller

CARD OF THANKS
We wish to thank our
neighbors for the food and all
acts of kindness shown.
Especially the Church of Christ,
Brother Morris and those who
acted as pallbearers. Also the
ones who made the necessary
arrangements for the military
rites at the graveside.

Your cards and prayers were
very much appreciated.

Mrs. Jewel Hickerson
The Hickerson Family
The Clement Family

CARD OF THANKS
I'd like to thank everyone
for the many cards, flowers,
visits, and phone calls I received
during my stay in the hospital,
and since my return home. I
especially appreciate the
prayers for my recovery. May
God bless each of you.

Mary Adams

NOTE OF THANKS
The First National Bank of
Burkburnett paid all the entry
fees for our band students to
attend all the UIL Contests this
year.

We of the Burkburnett Band
Parents Club would like to
gratefully acknowledge this
financial aid to our students.

We are very proud of the
showing all our bands made this
year at the contests and hope
they will continue to do as well
in the future.

Thank you,

**Spring Mohair
Quality Good,
Says White**

AUSTIN--Mohair quality for 1974 looks good and prices are running close to last year's high average. Agriculture Commissioner John C. White reported at the close of spring mohair clipping in mid-April.

Prices have been averaging around \$1.40 a pound for adult goat hair and \$1.54-\$1.70 a pound for young goat hair.

Last year's average was \$1.87 a pound, jumping from 83 cents in 1972. It was the first year in the history of the National Wool Act that no price supports were paid because growers' returns exceeded government money.

Texas raises 97 percent of U.S. mohair. The state also produces 20 percent of the country's wool, more than any other state. Sheep shearing is underway and will continue to the first part of June.

White said he believed sheep and goat raising is again on the upswing in Texas. In recent years the number and size of ranches have declined because of labor costs, predator problems and alternate uses of land which have brought a higher return.

"Higher prices and increased demand for wool and mohair are bringing sheep and goat raising back into the realm of profitable business," White said. He added that sheep and goat raisers should get some relief from predators through an experimental M-44 sodium cyanide ejector program for the control of coyotes.

Goats and sheep are an important part of the Texas economy in areas other than mohair and wool production. During 1974, 80,000-100,000 slaughter sheep and goats are expected to pass to Mexico via the Texas Department of Agriculture (TDA) export pens in Del Rio.

Mowers Use 6 g.p.y. (Gallons per Year)

During these days of fuel shortages and higher fuel prices, homeowners who regard their lawn mowers and other outdoor power equipment as essential home appliances will

find it reassuring to learn that the amount of gas normally required to operate a rotary lawn mower during a normal season's use is approximately six gallons.

How to READ a Tire

New York--(HK)--A tire contains much information to help a motorist select the proper one for his automobile. Pictured is a typical tire with some seven blocks of information. Included are (A) the manufacturer's name and the fact that it is a steel belted radial; (B) the name of the tire, and in this case the mileage guarantee (40M = 40,000 miles); (C) the new size designation; (D) the type of cord used in the sidewall and tread plus the number of plies in each and the load range; (E) the maximum load and inflation specifications; (F) a ten-digit Department of Transportation code showing who the manufac-

turer is, the location of the producing plant, the type of construction, and the week the tire was produced; and (G) the manufacturer's serial number.

NorCenTex Girl Scouts Plan Resident Camp

The Girl Scouts will have a resident camp to be held at the Chaparral Baptist Assembly. Girls who will be in the Junior through Senior levels of Scouting in the fall will be attending. Registration is now being taken with the session to be June 10 through 14, according to Mrs. Joe Gaines, Jr., Camp Director.

The girls will live in the dormitories and have hot meals served in the spacious cafeteria. There is an area for those who plan to sleep out in tents one night.

Activities will include swimming, hiking, canoeing, archery, cook-outs, star gazing, crafts, camp housekeeping and other sports.

Any girl that will be in the fourth grade through high school may make application to attend Resident Camp at the Girl Scout Office, 4005 Seymour Highway, Wichita Falls, Texas. Non-Scouts as well as Scouts may attend.

There is a qualified First Aider at camp at all times with a doctor on call. The swimming pool is supervised by a Red Cross Water Safety instructor. Campers are required to have medical examinations before attending camp. Examination cards are to be brought to camp with the camper.

Mrs. Joe Gaines, Jr., NorCenTex Girl Scout Council Field Advisor, is Camp Director.

Girl Scouts Plan Bridging Activities

Nine Burkburnett Girl Scout Troops from Brownies through Seniors will participate in Bridging activities Saturday at 1:00 p.m. in the High School Cafeteria.

Bridging occurs when Girl Scouts advance from one level to another. Each girl passes over a bridge signifying their journey through scouting.

Brownies will receive their Wings, making their Girl Scout Promise and move into Junior Troops.

Juniors bridging into Cadettes will reaffirm their Girl Scout Law and receive the Cadette Cockade.

Cadettes will receive their First Class Badge and Senior hat. They will explain the eight Indispensables.

The program, directed by Mrs. Tom Brumfield, Service Unit Director, will open with an all level Flag Ceremony. The invocation will be delivered by the Reverend Albert Lindemann from Grace Lutheran Church.

Guests will include local ministers, representatives from the NorCenTex Girl Scout Council and families and friends of the Girl Scouts.

Refreshments will be provided by the troops.

BIG COLLECTORS--Pictured are E.S.A. Million Dollar Bike Ride winners who collected the most money locally for St. Jude's Children's Research Hospital. From left are Dave Schroeder, who won first prize--a bicycle contributed by the First National Bank; Lawrence Snyder, who won second place-- a \$25 savings bond donated by The Burkburnett Bank; and Michele Gilbert, who won third place--a \$5 gift certificate donated by Famous Dept. Store. According to Mrs. Clodella Bridges (chairman of the ride), the riders enjoyed the ride very much and are anxiously awaiting next year's drive. (Staff Photo by Ricky Stevens)

From American Legion Post 264 were Jess Carlile, Jim Avera, Pete Putman, Cecil Gann, Art Arduengo, and Randy Story.

Other persons helping included Walt Doerre, Mr. Fred Hunt, Mrs. Ralph White, Mr. and Mrs. John Clements, Mrs. I.R. Reagan, Mrs. C.E. Mallet, and Donna White.

Two From Burk Are Amarillo Graduates

Commencement exercises at Amarillo College were held Monday, May 13, for a record number of 595 candidates.

Included in this number were two graduates from Burkburnett High School. Roland Charles Leon Vance, Jr. was awarded a certificate from the School of Vocational Arts in vocational nursing.

Noah Lester Scrimpher received a certificate from the School of Vocational Arts in automotive mechanics. Scrimpher was a spring graduate and Vance a summer one.

Ceremonies were held in the Civic Center Auditorium in Amarillo, Texas.

6th Grade Band Wins

The Burkburnett 6th Grade Intermediate Band journeyed to Iowa Park Saturday, May 11, to participate in the annual Iowa Park Band Festival. The band was awarded a "Sweepstakes" trophy for a 1st division rating in Concert and Sight Reading. The Burkburnett band was the only 6th Grade Band to win a "Sweepstakes" trophy.

Members of the band also participated in solos and ensembles. Out of 33 students, 23 received first division ratings. Other students received a division 11.

There are 52 members of the 6th Grade Intermediate Band. The Iowa Park festival is for 5th grade, 6th grade, 7th grade, and 8th grade students and is designed for beginning, intermediate, and advanced 7th and 8th grade bands.

Over 700 students participated in the contest, with bands appearing from Wichita Falls, Childress, Jacksboro, Graham, Seymour, and other nearby areas.

Band director of the 6th Grade Intermediate Band in Burkburnett is Charles Gregory.

Barnes Receives Presidential Scholarship

ENID, OKLA.--Twenty-two high school seniors from six Midwestern states have been named the first Presidential Scholars of Phillips University, including a Burkburnett student.

Dennis Barnes, son of Mrs. Mary Barnes, 207 Wigham, is among those students who will receive a \$1,400 full tuition scholarship to Phillips for the freshman year.

Each scholar will also receive the regular academic scholarship for which he qualifies on the basis of grade point average during his remaining three years at Phillips. This provision makes the Presidential Scholars program at Phillips surpass the scholars program at state universities which offer only the first year of tuition as the award.

The administration in university matters from a student's point of view.

The scholars were chosen on the basis of scholarship, leadership and outstanding character. More than 95 students from 60 high schools in eight states were nominated for the award which will be the most prestigious scholarship Phillips University offers.

A profile drawn up by Phillips showed that the group grade point average of the scholars is 3.88 on a 4.0 grade point scale. The group includes five student body officers, three Boys' and Girls' states, five organization presidents, including a state FTA, and 20 members of state or national honor societies.
