Thomas Colley, owner of Tom says of "the number one photographic studio in Burk" and I keep a constant battle running between the two of us as to who is the best photographer.

In last week's paper there was a fine action picture of Pam Baber participating in the pole bending in the Quarter Horse Show held in Burkburnett. Tom Shot and printed the picture and I was going to give him a credit line on the photo when it appeared in print. Somehow the credit line got left off and Tom says it's just because I was jealous of his professional ability.

Really, Tom, the credit line just failed to get set. I always want your pictures identified 'cause I don't want people thinking that's the best I could do!

Out of fairness, someday when I go on a vacation or something I should let Colley have the honor of writing this column where he can get back at me for my numerous kind, complimentary remarks concerning his cameras and his abilities with them.

I'm sure all the farmers in America are elated over President Ford's speech stating farmers could plant all the cotton they wanted too. I believe they have been able to do that for a season or two now. In addition I'm sure they are glad to know that they can use all the fertilizer they want. I'm not real sure from where the fertilizer is to come. What's more I wonder how much of that \$200 a ton (or what ever it's selling for these days) fertilizer a farmer will be able to use on his land to produce 30 plus cent cotton? Anyway I hope all of his suggestions work out for the best.

There was a group of men and their wives that received special recognition at a banquet in their honor Monday night. I can think of no other group that I have more respect for and appreciate more than I do the Burkburnett Volunteer Fire Department.

I've been with these men in some of the most trying circumstances, yet I've never heard them complain of their work in the department.

I wonder just how many of us just regular citizens would leave our paying jobs and rush out the door to risk our life or at least injury to fight a fire for someone else?

Late one winter about two years ago a fire alarm came in and the men in our department responded. The wind was blowing about 30 mph and it

Chamber To Sponsor Halloween Parade

A Chamber-sponsored Halloween Parade and a poster contest were approved by the Burkburnett Chamber of Commerce directors in their regular monthly business meeting Thursday.

The parade and the poster contest will involve children in grades 1-5 in Hardin, Sheppard-Burk and Southside Elementary Schools.

As in the past, teachers and students in each class will select the three best posters from their class to compete as finalists in

Oil Park To Undergo Discussion

All citizens in Burkburnett interested in the Boomtown Oil Park are urged to attend a meeting Tuesday night at 7:30 p.m. in the Texas Electric Reddy Room. The meeting will be held and conducted by local Chamber of Commerce officials.

The purpose of the meeting is to get the public's opinion on what the Chamber should do with the Oil Park Museum.

Some of the major questions that will be brought before those present will be "Should the park be kept at all, or destroyed?" and "If the park is to be kept, what should the Chamber do in order for it to become something beneficial to Burkburnett?"

All interested persons are urged to attend the meeting.

the poster contest. Each class will compete with the other classes in that same grade. There will not be any competition between the grades.

Chamber officials will serve as the judges to select three winners for each grade from the posters that were selected as finalists from each class. First place poster in each grade will be awarded \$5, second place \$3, and third place \$2.

An estimated 400 children are expected to turn out for the annual Halloween Parade which will be held at 4:30 Halloween Day. Those entering the parade, which will also be first through fifth graders, will meet near the old ice house in the 500 block of East Third Street.

Several prizes will be given to the best costumes in the parade.

In other action the directors voted to sponsor the All-Around Trophy for the Quarter Horse Show to be held in Burkburnett March 2, 1975. The show, which is sponsored by the Burkburnett Riding Club, will be coming back to Burkburnett due to the tremendous success of the first show held here some two weeks ago.

Paul Drake, representing the Riding Club, explained to Chamber directors the operations of the show. Directors also voiced approval of the Riding Club contacting individual merchants for their sponsorship of a first place trophy and ribbons for each of the 34 classes in the show.

LEE ANN THOMAS CROWNED 1974 HOMECOMING QUEEN--Queen Lee Ann Thomas leaves the field following her crowning Friday night as the 1974 Homecoming Queen. Looking on are queen nominees Kim Ridgway, left, and

Joyce Bodine, right. The annual ceremony took place during half-time activities of the burkburnett-Stephenville football game.

PRESENTS LARGE CONTRIBUTION--Bob Monaghan, right, personnel manager of CIBA-GEIGY presents Jack Aaron, local United Way Campaign Manager, the firm's contribution to the local United Way campaign.

FROM CIBA-GEIGY CONTRIBUTION

United Way Gets Big Boost

The United Way Campaign in Burkburnett received a huge boost Tuesday as CIBA-GEIGY turned in their company's pledge of \$1,100. An active employee campaign is now underway at the plant and a fine report is expected from the employees contributions.

R.E. (Bob) Monaghan, personnel manager, in presenting the contribution in behalf of Thomas Batson, local plant manager, stated, "CIBA-GEIGY feels the community of Burkburnett and the leaders of this fine community have gone out of their way to make us feel like a neighbor."

"We are trying to reciprocate this feeling and are proud to be able to support Burkburnett and particularly the United Way."

In accepting the pledge, Jack Aaron, local campaign chairman stated, "This large contribution is indicative of the kind of good neighbor CIBA really is. In the seven years that they have been a part of this community, they have played a very important roll in the economy of

Burkburnett and will continue to play an even more important roll in the future.

"The employees of CIBA should be proud their firm has

taken such an interest in Burkburnett."

The Burkburnett - greater Wichita Falls United Way campaign is entering its final

two weeks. Participation locally has been generally good with workers' reports to be studied at a workers' meeting the latter part of this week.

Bulldogs Plagued With Injuries; Face Brownwood

The Burkburnett Bulldogs and the Dallas Cowboys seem to have a lot in common these days--both have exceptionally close games in the past few weeks.

Questionable decision calls and mistakes plagued the injury riddled Bulldog squad Friday night as the Stephenville Yellowjackets pulled out a 27-19 win before the Burkburnett Homecoming crowd.

Burk, who trailed 9-6 at the half, fumbled on the opening series of downs the second half to give the Yellowjackets the ball on Burk's 27 yard line and an easy six points.

Burk's offense rallied and added two touchdowns to give the "Dogs a 19-15 edge in the conference tilt. The Bulldog defense seemed to let up a little in the final period and the Yellowjackets drove down field to take the lead 21-19.

The Bulldogs had to give the ball up on downs deep in their own territory following their reception of the kickoff and Stephenville added another score just before the end of the game.

That's how it's been in Burk's losses this year--a close parallel to the famed professionals of the Dallas Cowboys.

As mentioned earlier, the Bulldogs are riddled with injuries this year. Currently they have two tight ends, a split end, center, safety and a defensive end all out with injuries.

Phil January, Ricky Mason, and Jay Lippard are out for the season. Larry Lamer has been out for the past three weeks and is a doubtful for the remainder of the season. Injured in Friday night's game was Bimbo

Davis, starting center and defensive starter, who sustained a knee injury and may be out for the remainder of the season. Also Curtis Williams, split end and defensive safety suffered a sprained ankle in the Stephenville game and is a very doubtful starter for Friday night's contest.

In speaking of his team's injuries Coach Smiley related, "Losing team leaders hurts the entire team. These boys went both on offense and defense and did a fine job for us."

The Bulldogs are playing five underclassmen on offense and six on defense to replace the injured starters.

The Bulldogs have competed well in all games and Duncan was the only team that really

totally outplayed them. The Bulldogs are still the only team that has defeated powerhouse Bonham this year.

"We will compete," stated Smiley. "We aren't going to give up. We'll play in these last four games."

Burkburnett travels to Brownwood this week to face what Smiley says could well be one of the best Brownwood teams ever.

Brownwood is reported to be bigger than in the past and has more kids that can play good football and therefore few players play both offense and defense.

Brownwood has had only three touchdowns scored on them this year. Abilene Cooper

AFTER 28 YEARS Henry's To Retire From Bakery

MRS. WINFORD HENRY

"It's been the shortest 28 years of my life," said the man who first moved to Burkburnett because of Burk's water. His name is Winford Henry, but to most in Burk he's just Mr. Henry.

Mr. Henry and his wife will retire from their local bakery, Henry's Pastry Shop, this week after over a quarter of a century of providing fresh baked bread and pastries to local residents.

Originally the Henry's are from Louisiana and moved to Wichita Falls in 1937 and then to Burkburnett in 1947.

When he first moved to Wichita County Mr. Henry was working in the oil fields in Cotton County, Oklahoma. "I'd stop every day at Duke's Filling Station and pick up a jug of water. I never liked the Wichita water and thought there was nothing better than a jug of fresh Burkburnett water. I had

always noticed how the grass always seemed greener in Burk and I fell in love with the town and made up my mind that someday I would move over here. The main street at that time looked like an old ghost town from one of Zane Grey's books."

Prior to moving to Burkburnett, Mr. Henry was working at the Old Mother's Bakery in Wichita Falls. The bakery had the contract for all of Sheppard Field's goods when it first came in, stated Henry. "We would make 22 doughs each day for tea rolls. Each of the doughs would weigh 900 pounds and you could actually feel the ground move as we mixed the hugh doughs."

Mr. Henry received his training in the baking field in his youthful days in Louisiana. He held his first job in a bakery there for eight years and

Broom Sale Saturday By Local Lions Club

Members of the Burkburnett Noon-day Lions Club will be sweeping the town Saturday, according to Billy Ray Mize, chairman of the annual Broom Sale.

Club members will be in downtown Burkburnett beginning at 8:00 Saturday morning and remaining until around 2:00 p.m.

The annual broom sale from the Caravan for the Blind serves a two fold purpose. First it helps support the blind and disabled persons who actually make the brooms and mops, etc. through various organizations like the Opportunity Workshop. Secondly, all the proceeds from the sale go into local projects for the

youth.

Earlier this year the club sponsored a junior golf tournament and a tennis tournament. In addition to this, numerous other activities are sponsored each year from the local Lions Club from money derived from such activities as the Broom Sale.

Brooms, mops, aprons and numerous products related to the energy shortage that can't be found at any area business will be on sale from the Lions Club.

Local citizens are urged to come out and help the blind and the local youth by supporting the Lions Club in the Broom Sale Saturday.

PREPARE GALLONS OF CHILI AND STEW--Rotary President Joe Gillespie, left, and James Easter are shown as they check on the gallons of chili, stew and beans served the homecoming crowd by the Rotary Club Friday night. The event was a gigantic success and the Rotary Club expresses their thanks to all those that came out and supported the annual feed. Also a big thanks goes to the many that helped with the food. Proceeds from the event go to the local Rotary Club's scholarship fund.

Central Baptist Church Starts Revival Sunday

The Central Baptist Church, 814 Tidal Street will hold its Fall Revival Services October 20-27. Rev. Max Dowling, Pastor of the church, announced this week. The evangelist for the meeting will be Rev. Joe Cunningham, who is pastor of the Allendale Baptist Church in Wichita Falls. Rev. Cunningham served as pastor of the First Baptist Church, Archer City, during 1964-68, and the Southside Baptist Church, Wichita Falls, during 1968-73. He served in the United States Air Force for 14 1/2 years and resigned to enter the full-time Gospel ministry. Leading the revival music will be Brother Jerry Mowery from Oklahoma City. Brother Mowery is a powerful singer who has led revival music in many churches in Oklahoma and Texas. Services will be held at 7:30 p.m. Monday-Thursday and Saturday. The Friday revival service will begin at 6:30 p.m. Sunday services will be held at the regular time--10:40 a.m. and 6:30 p.m. Everyone is invited to attend these services.

Local's Son Hired As Woodlands Inn Manager

WOODLANDS--Jack Bryant has been named manager of The Woodlands Inn, an executive conference center in The Woodlands -- a 20,000-acre new hometown being built north of Houston. Robert Faulk Cited For Outstanding Work

Robert Faulk, formerly of Burkburnett, has been cited by Edwin M. Crawford, chairman of the American Alumni Council/American College Public Relations Association (AAC/ACPR) for his work on several television announcements for the association. The announcements will be shown nationally during the weekly Saturday NCAA football games on the ABC Television Network. The announcements promote higher education in all the nation's colleges and universities through the benefits available from AAC/ACPR. Faulk, who directed the spots, is assistant production manager for WRBT Television 33 in Baton Rouge, Louisiana. He worked closely with Nick Kalivoda of Louisiana State University in the video tape productions. The three announcements are the initial part of a pilot program of AAC/ACPR in obtaining additional interest from prospective college students. Faulk joined the staff of WRBT in July following his work at KAUZ-TV in Wichita Falls. He has previous work experience in Austin and Houston.

Although grass-fed beef supplies are up and continuing to increase, the long-range picture still points to the return of grain-fed beef. More grass fed beef and veal is available today because of large numbers of feeder animals and calves and a slack in demand from feedlots. Yet, this will only be a temporary condition that should change by the end of next year. From there on, cattle feeding and fed beef production should once again move upward.

Why the contention that cattle feeding will once again come into prominence? The cattle feeding industry is based on the production of high quality beef and not simply to use up excess supplies of grain. The oversupply of cattle on pasture should be used up within the next 12 months or so. Low prices for calves, in turn, should ease the breeding herd expansion. This would bring supplies back in line with feedlot demands.

By 1976 feeding should be back at a high level and grain will again be cheap.

With the high cost of fertilizers, it is important to take full advantage of nutrients already in the soil. Most soils contain some of all the essential nutrients needed for plant growth. But, to determine just what nutrients are available, a soil test is the answer.

Information on taking and submitting soil samples for testing is available at the County Extension Office as well as at most fertilizer dealers and local agricultural agencies. It is important to study the sampling instructions and obtain representative samples.

The first step is to use a map or sketch and divide the farm and fields into sampling units or areas. If the area represented by each sample is too large, the information obtained may not be much better than a general fertilizer recommendation. A major objective should be to identify those soils with nutrient

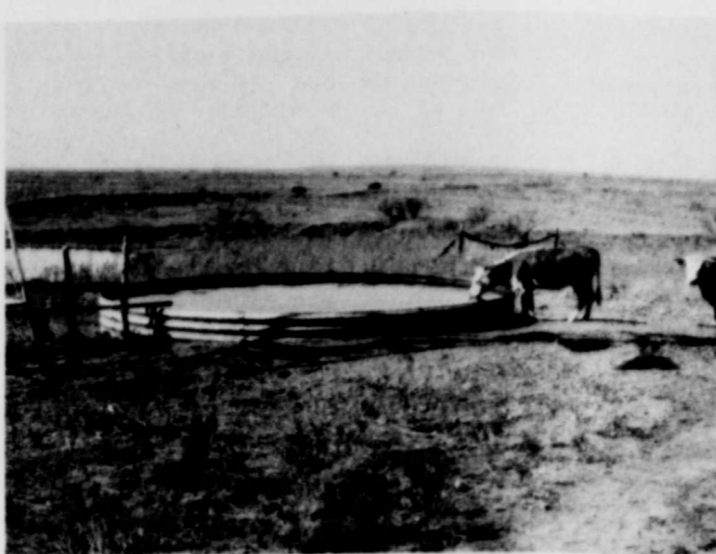

levels adequate to meet the crop requirement so that fertilizers can be selected that will supplement the soil supply and provide enough for top yields.

Soil test results for phosphorus are especially valuable for fields that have received regular applications of phosphorus for several years. The residual from row applications of phosphorus may be difficult to measure until it is thoroughly mixed with the soil. In addition many soils are high in potassium but most soils are low in nitrogen. The rate of nitrogen and time of application depends on the crop, soil and other conditions.

This means that consideration of the level of each nutrient in a soil is important in selecting the most profitable fertilization practice.

Texas county banks appear in good shape to serve farmers and ranchers. A survey of the state's agricultural lending institutions showed that 61 percent of the Texas banks were actively seeking new farm and ranch accounts compared to only 19 percent that were curbing loans because of fund shortages. Thirty-one percent of agricultural lenders reported more farmers and ranchers were borrowing this year than last and 73 percent reported average loan increases. Loan payments were also up compared to last year, except for cattle loans.

A drive through the country during the fall may provide a glimpse of certain colorful trees and shrubs that might fit into your landscape. Native deciduous trees such as Shumard Oak, Sweetgum, Bald Cypress and Blackgum are among the most colorful, with their leaves changing color almost daily. Two trees not native to Texas also provide bright fall color - The Chinese Pistachio and the Chinese Tallow.

"A well and water storage facility similar to the one above can be the solution to stock water problems some stockmen along Red River have," reports Bill Lewis, Soil Conservation Service, Iowa Park.

Ponds in the sandy Red River soils are almost impossible due to loss of water through seepage. Yet, we do find good well water along the River bluff which we can pump through a one inch plastic line to a trough in one or more pastures.

Having water in each pasture in one or more locations will permit a rotation grazing program which will provide highest yields.

For more information, contact the local Soil Conservation Service Office.

Price Introduces Bill To Amend Wire Tariff

WASHINGTON - Cotton farmers may pay less for baling wire if Congress enacts legislation U.S. Rep. Bob Price introduced today.

The Price bill would amend tariff regulations so that baling wire for cotton will be considered "bale ties" whether they are in cut strips or in coils. Currently, wire imported in coil form is considered strip steel and is thus subject to an 8.5 percent import tax, while bale ties cut in strips are taxed only .02 cents per pound.

Price said he realized he was offering the bill late in the session but he expressed hope the House Ways & Means Committee would act quickly on the measure as it often does on tariff matters.

"Due to the current baling wire shortage, the industry is now changing from American standard cotton ties in cut lengths of 11 feet 6 inches, to using coiled baling wire as well," Price said. "Machinery has been set up at a number of mills to cut the coiled baling

wire into ties of standard lengths, but the law was written prior to this practice," the veteran legislator reported.

"When the 8.5 percent import tax is applied to coiled baling wire the difference between the .02 cents-per-pound tax for cut ties is massive," Price said. "For example, on 5,000 coils of cotton ties the duty at .02 cents per pound would be under \$100, while a duty of 8.5 percent would exceed \$3,000."

"This higher tariff is adding to the expense cotton farmers must pay in harvesting their crops. At the same time it runs counter to the intent of the Congress in passing the existing measure which provides the lower tariff for cotton ties in standard lengths," Price noted.

Bill Brockriede Re-elected Director

Bill Brockriede was re-elected to a five-year term as the Director of the Wichita Soil and Water Conservation District. Bill will represent Zone 1 which is made up of the northwest portion of Wichita County. Bill conducts a farming operation near "Punkin Center" as well as being a partner in a larger farming operation with his father, Albert Brockriede and a brother, Carl Brockriede.

Other directors of the Wichita Soil and Water Conservation

District are Fred Dwyer of Wichita Falls; Donald Hill of Iowa Park; Jack Stevens of Kamay and Roy Thompson, Jr. of Iowa Park.

These directors represent many years of soil and water conservation experience and welcome an opportunity to assist you with your conservation problem. The Wichita Soil and Water Conservation District is interested in all phases of conservation both urban and rural.

Discussion Next Week On Livestock Market

Problems relating to the depressed livestock industry will be discussed at the Oct. 24 public hearing of the House subcommittee investigating agricultural shortages and livestock marketing. The hearing will be held at 9:30 a.m. in the Graham Chamber of Commerce Conference Room.

Rep. Charles Fennell of Holliday has announced that Agriculture Commissioner John

C. White will participate in the hearing.

This is the last in a series of statewide public meetings concerned with the farmers' problems in obtaining sufficient supplies of baling wire, fertilizers and other agricultural materials.

The hearing is coordinated through the Graham Chamber of Commerce Agriculture Committee.

Texas Grain Producers Oppose Restrictions On Exports

In the aftermath of the government's halt of a proposed 125 million bushels grain sale to Russia, Grain Sorghum Producers Association has spoken out against what it calls "inconsistent and unfair" government policies toward U.S. grain producers.

Elbert Harp, executive director of the Lubbock, Texas-based national organization, expressed the GSPA position by telegram to President Ford, Treasury Secretary William Simon and Agriculture Secretary Earl Butz.

"We consider export restrictions of grain without similar restrictions on fertilizer, machinery and other essential farming ingredients to be an inconsistent and unfair policy," Harp said, urging that further restrictions of grain exports be halted "unless you impose similar restrictions on other

essential farming inputs."

The GSPA executive director added that farming costs are rising as much as 300 percent this year and "restrictions on U.S. sales of grain will break the market and bankrupt producers."

President Ford stopped the proposed grain sale to Russia last weekend, saying he feared it would raise domestic prices and add to a continuing inflationary spiral.

Friberg-Cooper Organization Hear Economists

The Friberg-Cooper Community Organization met Monday night at the Community Building. The opening prayer was given by Mrs. Mary Sue Swinford.

President Bee Bryant presided for the business session and heard reports from Mrs. Cecil Jarvis and Mrs. Loma Volmer. Three important plans were turned in by the members and discussed.

Mrs. Cecil Jarvis introduced the speaker, Mrs. Sheryl Mahaney, with Texas Electric. Her topic was "Electricity: There is more to it than turning a switch". She told of ways to save energy.

The next meeting will be Nov. 18 at 6:30 p.m. for a covered dish Thanksgiving Dinner. Refreshments were served by Mmes. Pete Rogers, Cecil Jarvis and Leroy Barfield.

Candymaking Workshop To Begin Soon

by Janice Duncan Extension Home Economist Walters, Oklahoma

Area residents are reminded to make reservations for the Candymaking Workshop, sponsored by the OSU Extension Service. The workshop, to be held October 24, will be in the Cotton Electric Civic Room.

Janice Duncan, Extension Home Economist noted, "Many people have told me they want to attend, but they have not made reservations. This makes it difficult for us because we must have a required number of reservations in order to have a workshop. If you are planning to attend, please don't delay registering."

The cost of the day-long workshop is \$5.00, which includes the candymaking manual. Candy which is made during the day will also be divided among the participants.

To make reservations or for more information, contact the OSU Extension Center in the courthouse, phone 875-3136.

Home Demonstration News

By Dee James
County Extension Agent

A weekly television series for local and area "do-it-yourselfers" will premiere on KFDX-TV Channel III at 1:00 p.m. Saturday for residents of Wichita County and surrounding counties.

"You Can Do It", featuring hostess Cindy Kidwell, is a 13-part, educational series on home care and maintenance, according to its producers.

Viewers of the first program will learn how to do simple electric repairs.

The program is called "Shock of Your Life" and will include safety precautions for electrical repairs and challenges viewers to try some simple ones. Demonstrations will include repairs of a wall switch, a percolator plug and an outlet.

Other programs include how to make and use low-cost cleaners and how to repair leaky faucets.

Also, viewers will learn how to make toilet repairs and adjustments, how to caulk and weatherstrip, paint interiors and exteriors, repair walls and care for wood finishes and carpets.

In addition, the series explains care and maintenance of ranges and refrigerators, and how to make storage space.

"You Can Do It", a 30-minute program, will be aired each Saturday for 13 weeks.

Sponsored in each county by the County Family Living

Committee and KFDX-TV the series was created and produced by home economics specialists with the Texas Agricultural Extension Service, The Texas A&M University System, through a special grant from the United States Department of Agriculture, for airing throughout the state.

Viewers are urged to check local program listings during the series for any changes in programming. For additional information call the Wichita County Extension Office, 766-0131.

Cong. Bob Price Named To "Honor Roll"

Congressman Bob Price has been named among 29 U.S. Senators and 167 U.S. Representatives to the "Small Business Honor Roll" by the American Federation of Small Business for their voting records during the current Congress.

"The 196 Members of Congress on the Small Business Honor Roll have voted against the corrupting delegation of unlimited power to unelected bureaucrats," said Ira H. Latimer, Executive Vice President of the Federation.

The Federation applauded its honorees for voting "for economic and political liberty and against a depression caused by deficit spending and corrupting government regulation."

It also noted that Price is among Congressmen on a "target list" prepared by the national AFL-CIO.

Bond Sales

Series E and H United States Savings Bond sales in Wichita County during the month of August totaled \$198,375, according to County Bond Chairman J.W. Martin. Sales for the eight-month period were \$1,681,332 for 58% of the 1974 sales goal of \$2,910,000.

During the month, Texans purchased \$18,667,526 in Savings Bonds, while sales for the same period last year totaled \$17,913,390—an increase of 4.2%. Year-to-date sales amounted to \$154,751,211 for 65% of the sales goal of \$236.8 Million.

Devol Doings

In a nuptial ceremony performed Saturday evening, October 5 in the First Baptist Church in Devol, Miss Shanay Burdette of Burkburnett became the bride of Gayle Hopkins, Rev. Laine Crowe officiated at the ceremony. The bride is the daughter of Mr. and Mrs. Bob Burdette of Burkburnett and the groom is the son of Mr. and Mrs. Robert Hopkins of Devol, and is a graduate of the Big Pasture School.

The couple will make their home in Burkburnett.

A wedding shower was held Thursday, October 10, in the Community Center honoring Mr. and Mrs. Gayle Hopkins. The refreshment table was covered with net over a floral cloth and was decorated with red roses. Punch was served from a crystal service to about 30 guests, by the hostesses, Robbie Hopkins, sister of the groom, registered guests.

Special guests were the bride's mother, Mrs. Bob Burdette and the groom's

mother, Mrs. Robert Hopkins, who assisted with opening the gifts.

DO IT YOURSELF

Without a doubt, this is the era of the Do-It-Yourselfer. Everywhere you turn, you see the evidence: the articles in every magazine, new projects your neighbor has completed, shops offering hand crafted gifts. Yes, and your own urges for making things—haven't you been thinking of crocheting an afghan, or making a quilt, or antiquing that chest of drawers?

Our country's early settlers learned to make-do, for of necessity many of life's essentials and all luxuries had to be created from the materials that came to hand.

Today's swing back to handcrafted items seems doubly significant: first, stretching

that budget, and second, filling the deepfelt human need for creativity. There's a special satisfaction in saying to a friend, "Look at this. I made it myself!"

The principle applies to religion, too. You want to be a Christian? You've thought of it, dreamed of it, wanted it above all? Others can pray for you and encourage you, but no one else can do it for you. It's the supreme project of a lifetime... and you've got to Do It Yourself.

Nazarene Church Revival Begins Tues.

Dr. Frank Beckett, evangelist from Roland, Oklahoma and Tommy and Dorothy Nelson, song eevalgists of Midland will

be ministering in a revival Tuesday through Sunday at the Church of the Nazarene in its new location at CIBA and Kramer Rd.

Dr. Beckett is known for his forceful and persuasive preaching in many sections of the denomination.

The Nelsons are participants in special singing on the Gardens Gospel program aired weekly over KMID-TV, Midland. Both sing solos and duets and have an appreciated ministry in song. They have three children who will be featured during the revival.

The meetings are scheduled for 7:30 p.m. nightly and both services on Sunday. The public is invited to attend all the services. A nursery will be provided.

Country Music Show Wedding Site

With the familiar strains of the "Wedding March" played on an electric steel-pedal guitar, two Wichitans slowly climbed onto a stage Saturday night and said their "I do's" in front of about 200 people.

Gale Bender, 26, and Clyde Mayfield, 29, decided they wanted to get married and the occasion they chose for the ceremony was the Boom Country Jamboree at the Burk Burnett Community Center.

Though the couple kept the crowd of toe-tapping country music fans waiting until almost 9:30 p.m., the large group didn't seem to mind as a constant stream of singers and musicians paraded to the microphones and twanged such familiar favorites as "Love Me" and "Let Me Be There." Justice of the Peace R.L. "Pee Wee" Stewart, also proved he could lay bow-to-string for a mean rendition of "Orange Blossom Special."

Asked before the ceremony why they chose the jamboree for their marriage vows, the couple blankly looked at one another and shrugged their shoulders. "Well," said the bride finally. "It will be an unforgettable wedding!"

A friend of the pair explained that both love country music; she is a drummer in an area band, and their decision was akin to a skydiver getting married in the air. "Country music is in his soul," the friend beamed.

The groom wore the obligatory cowboy boots, blue jeans and jean jacket, while the bride was dressed in a floor length red gown and white blouse.

Of course there were the expected bad jokes, such as one wag who observed that "Married men don't live longer—it just seems that way." But the couple looked happy, as did the audience who gave them a long round of applause following the ceremony.

However, the kicker of the evening was provided by a smiling drummer, who in fun, produced a shotgun, to which the announcer blurted, "I didn't know it was that kind of wedding!"

The wedding date has been set for Saturday, January 18, 1975 in the First Baptist Church of Burkburnett, with the Rev. Lamoin Champ performing the ceremony.

Flower Arranging Shown At Unity Garden Club

Mrs. A.L. Gilbow presented the program for the Unity Garden Club's October meeting with a demonstration on flower arranging with fresh plant material at the home of Mrs. Lee Beckham.

Mrs. Roy Magers showed the members a new method of drying flowers, which helps them retain their natural color and beauty.

It was announced that there will be a workshop on Elementary Flower Arranging led by Mrs. A.L. Gilbow at her home on Wednesday, Oct. 16 at 1:30 p.m.

At the business meeting, conducted by Mrs. Jesse

Roebuck, President, plans were made for several members to attend the District II Meeting at Denison on Nov. 6.

It was reported that the Unity Garden Club is contributing to World Gardening, which furnishes seed, implements and fertilizer to young people in foreign countries for use in planting, cultivating, and raising food and has Care for a sponsor.

Members present were Mmes. Jesse Roebuck, H.E. Clayton, Lee Beckham, B.H. Alexander, Sr., A.L. Gilbow, Roy Magers, Nelson Boyle, Oscar Rich, Bertha Vanderburg and Wilma Maloney.

Hardin PTA Kicks Off '74 Membership Drive

The October meeting of the Hardin Parent Teacher Association was held Tuesday afternoon in the Hardin School Auditorium.

Monday, October 14 was the first day of the P.T.A. Membership Drive. The drive will run for two weeks with a prize given to the room that registers the largest number of parents. A percentage of the membership fees collected will remain in the school to be used for special projects.

Skate Day for Hardin students will begin the last Saturday in October. Chairmen of the event are Ms. Gay Clark representing the teachers and Ms. Ginger Smith representing the parents. One fourth of the paid

admission to Skate Day is given to the P.T.A.

Fun Night for Hardin School has been scheduled for Nov. 15 and preparations are currently underway. Profits from fun night will go toward the purchase of chairs for the auditorium, the installation of a public address system and individual home rooms.

Parents and teachers at Hardin are becoming increasingly concerned with juvenile vandalism, dangerous driving, unlicensed driving and the breaking of local ordinances regarding disturbing the peace and other misdemeanors. The P.T.A. has voted to write an open letter commending the local police department for their efforts in controlling juvenile offenses and assuring the police department of parental and teacher support in a strict enforcement of law.

The program for the P.T.A. was presented by the fourth grade under the direction of Ms. Richardson.

Opening flag ceremony was presented by Girl Scout Jr. Troop 84.

Federated Council

Discusses Banquet

The Federated Council of Federated Clubs met Wed., Oct. 9 in the National Room. The Federated Banquet to be held Nov. 7 at the Community Center was discussed. The clubs duties are as follows: Burkburnett: Hostess; Junior University Study Club: Program; Modern Study Club: Reservations; Contemporary Study Club: Disbursements; Forum Study Club: Table, Stage and entrance decorations; Current Literature Study Club: Table Setting; and Progressive Study Club: Menu.

Burdette-Hopkins Say Vows In Sat. Ceremonies

Miss Shannan Lynne Burdette became the bride of Gayle Robert Hopkins Saturday evening, October 5. The Rev. Lane Crowe officiated at the double ring ceremony held in the First Baptist Church of Devol, Oklahoma.

The bride is the daughter of Mr. and Mrs. Robert Burdette of Burkburnett and the groom is the son of Mr. and Mrs. Robert Hopkins of Devol.

Mrs. Mona Givens, organist, played a program of nuptial music and the traditional wedding march.

Given in marriage by her father and mother, the bride wore her mother's wedding gown. The gown of white satin was fashioned with a fitted bodice which buttoned in the back with tiny satin covered buttons. Long fitted sleeves came to points over the wrists, and the bouffant skirt fell from a pointed waist line and ended in a full length chapel train.

The veil of nylon tulle, edged with wide lace, was attached to a satin covered pill-box. Her jewelry was a single drop pearl and an heirloom watch worn by her Grandmother and Mother on their wedding days.

The bridal bouquet was a cascade of white carnations, baby's breath, and English ivy with white satin streamers tied in love knots.

Miss Robbie Hopkins, sister of the groom, served as maid of honor. She wore a blue floor-length dress and carried a single long-stemmed blue mum.

Joey Morvant, of Grandfield, served his cousin as best man. Ushers were R.D. and Mark Burdette, brothers of the bride, and Steve Harrison.

The reception was held in the Community Center.

The bride's table was covered with a white linen cloth used for her parent's wedding reception. The three-tiered cake was trimmed with blue roses and white bells and was topped with a miniature bride and groom before three white wedding bells. The bride's bouquet centered the table and was flanked by double crystal candelabra.

CARD of THANKS

We sincerely appreciate the
friendship and concern which
our friends and neighbors have
expressed as a result of the loss
of our home. Your love will be
one of our treasured memories.
We wish to express, also, our
appreciation for the firemen and
the wonderful selfless service
they extended to us and to the
community. We are more aware
now how fortunate we are to
have these men who volunteer
their time and service.

defeated them in the first game
of the season 14-0. Then
Brownwood blanked Ft. Worth
Southwest 6-0, Cleburne 33-0,
Iowa Park 17-0 and last week
romped over Weatherford 34-7.

They have an excellent
passing attack as they threw
four touchdowns in last week's
game. Two of the touchdowns
were scored while the Lion
offense only ran three offensive
plays.

It's common knowledge
around Burk High that the Lions
will be trying to revenge the
defeat the Bulldogs dealt the
Lions the last time the two
teams played at Brownwood.

"We're making some defensive
changes to get ready for the
game, and we'll compete with
them," stated Smiley.

**Club Silhouette Match
Stated For Sunday**

The Red River Rifle & Pistol
Club announced today that it's
next metallic silhouette rifle
match will be held Sunday,
October 20, beginning at 1:00
p.m.

An entry fee of \$2.00 per
shooter will be charged and
trophies will be awarded to
First, Second and Third Place
shooters. In addition, a special
High New Shooter Trophy will
be awarded by L&L Garage of
Burkburnett. Competition for
this special trophy will be
limited to shooters who have not
competed in any of the club's
previous matches.

Metallic silhouette shooting is
a year-round shooting sport
designed with the hunter in
mind. Targets are fashioned
from heavy plate steel into the
shapes of various animals and a
hit is scored when the target is
knocked over. Each shooter's
score is based entirely upon the
number of hits that he receives
during the match and all ties
will be broken by a sudden

**Stephenville Slips By 'Dogs
With Aid Of Burk Mistakes**

by Joe Bryan

Bulldog halfback David Ray
gained 114 yards rushing, most
of it in the second half, but the
Stephenville Yellowjackets
spoiled the Burkburnett home-
coming by taking a 27-19 victory
over Burkburnett.
Action was slow in the first
half with the defenses dominat-
ing play. Stephenville knocked
on the door late in the first
quarter and had apparently
scored from the two, but the
officials ruled that the quarter
had ended before the play
started. After switching sides of
the field, the Burk pass rush
forced a fumble to stave off
Stephenville for a while.
The Jackets did score first on
a 43-yard field goal by Howard
Evatt. Then Burk came back to
score on a two-yard run by
Jimmy Koulovas, which was
set up by Tommy Rushing's

jaunt from his own 21 to the
Stephenville 14. Stephenville
retaliated late in the half on a
three-yard run by Mike Lewis to
make it 9-6 Stephenville at the
half.
The Jackets opened second
half scoring by taking advantage
of a Burk fumble and drove 27
for the score. Tracy Tuck bulled
over from the one to tally the
TD.
The 'Dogs got to work on the
resulting 15-6 deficit and cranked
up two touchdown
drives in which Ray garnered
much of his yardage. The first
drive culminated in a one-yard
run by Doug Garrison.
In the second drive, Ray
continued to gain good yardage
on slashing runs through the
Stephenville line. He was
especially instrumental in this
drive by converting on two
crucial fourth down situations.

Burk scored early in the fourth
quarter on a fifteen-yard pass to
tight end Randy Burke from
Koulovas. Placekicker Mike
Varner added the extra point to
put the Bulldogs ahead by
19-15.
But it was not to be for the
Burkburnett Bulldogs this night
as the scrappy Yellowjackets
turned the tide late in the final
period. Utilizing a sharp passing
attack, Stephenville moved
downfield. Finally, they capitol-
ized on an eight-yard pass from
Sophomore quarterback Bill
Parkham to Ricky Deloach to
make the score 21-19 Stephenville.
The Jackets added an
insurance touchdown late in the
game.
The loss makes Burkburnett's
record 2-4 for the year and 0-2 in
district play. Burkburnett now
must defeat Brownwood Friday
in Brownwood or be mathemati-
cally eliminated.

**Junior Varsity,
Frosh Gain Wins**

by Joe Bryan

During the past week, the
Burkburnett freshmen and
junior varsity collected wins
over the Hirschi teams.
On Saturday afternoon, the
B.H.S. frosh rallied in the
second half to edge Hirschi
22-20. Hirschi had built a 20-8
halftime lead with a strong
passing attack. Burk's scoring
had come on a safety by Joe
Horn and a touchdown by
Charles Lewis. In the second
half, the Bulldog defense
stiffened, and Lewis added two
more TD's to annex the win.
The Burk win on the astroturf of
Memorial Stadium complements
a season opening win

over H.H.S. by 20-14 in Burk.
On Saturday, the JV came
from behind to dump the
Hounds 20-17. Hirschi again
held a substantial lead at the
half, 17-6. Burk's only score was
on Mark Langenbach's two yard
run. The winning touchdown
came on a 37-yard run by
fullback Robert Hewkins.
Jimmy Edwards hit Langenbach
with the conversion pass to
make it 20-17. The win, again in
Memorial Stadium, avenges a
15-14 loss to Hirschi at the
beginning of the year in Burk.
The freshman record is now
3-3, while the JV's record is 2-4.
Each has four games remaining
on the schedule.

**A UNICEF Halloween
Does A World Of Good**

In 1974, a year of soaring food
and fertilizer prices as well as
adverse weather conditions, the
world has been forced to
recognize the spectre of
imminent famine in many
developing countries. For the
first time in its history, the
United Nations Children's Fund
(UNICEF) has felt compelled to
declare a World Child Emer-
gency. In "normal" times
civilization faces the challenge
of 10 million children close to
starvation; this year the number
has risen to a chilling 400-500
million.

Every day famine pushes its
path further around the equator.
Last year it came to prominence
after years of devastating
drought in West Africa and
Ethiopia. Already it is making
its mark in India, and in such
areas as Bangladesh, Bolivia,
Central America and the
Caribbean hunger is a way of
life-but one that cannot last
long.

UNICEF's emergency relief
combines the efficiency of long
experience and the urgency of
this unprecedented crisis. It has
been rushing high-protein food
and intravenous rehydration
fluids to children and mothers in
drought-stricken West Africa
and Ethiopia. UNICEF is also
supplying well-drilling equip-
ment to these areas to provide
the desperately-needed clean
water for drinking and sanitation.
As part of longer-range
emergency actions UNICEF will
assist governments with nutri-
tion policies and education, food
production and the monitoring
of the over-all child situation.

An estimated \$40 to \$50
million more a year will be
needed for several years to help
alleviate the problem. When
Trick-or-Treaters come to your
home collecting for UNICEF this
Halloween, remember the

HENRY'S *Continued From Page One*

received \$3 per week and a loaf
of bread for his efforts.

"In '47 I decided I wanted to
start a bakery in Burkburnett,"
related Mr. Henry. "A friend of
mine had one here for a short
time and he bet me that I
wouldn't last three months. I'd
like to talk to him now and see
what he says about it."

The Henry's first location was
near where the Burk Shoe Shop
is currently located in downtown
Burkburnett. Then the business
was moved to a location beneath
the Odd Fellows building. Then
it again moved to where the
First National Bank's drive-in
window is currently located.
Some 10 years ago the Henry's
moved their bakery and pastry
shop to its present location at
311 E. Third.

Open at 4:00 a.m. and close at
5:00 p.m. six days a week has
been the life style of the Henry's
for the past 28 years. Now they
plan to just travel and visit for
the next couple of years before

retiring in Burkburnett.
Number one on their list of
those to visit will naturally be
their daughter, Mrs. Jerry
(Julia Ann) Gee of Wichita,
Kansas, and their son, Mitchell
Earl, who is in the oceanog-
raphy research development
department in Denver, Colo.

The Henry's spend much of
their spare time gardening--
organic gardening, adds Mr.
Henry. "I could fill your entire
newspaper just talking about
the advantages and the great
results of organic gardening,
but you would really have to see
it to believe it," he relates.

After 28 years of 13 hours a
day, six days a week, the
Henry's will finally have a
chance to do some of the things
they have wanted to do for
years, but could never find the
time.

Burkburnett will miss these
pioneers from its business
district.

**Thom Bloodworth First
Student In New Program**

Phillips University has been
admitted to the Washington
Semester program at American
University in Washington D.C.
where an honor student is
selected by his or her university
to spend a semester in the
nation's capital for a study of
American government in action.

Thom Bloodworth, junior
political science major from
Burkburnett, Texas is the first
Phillips student to participate
in this program. He is presently
spending the fall semester at
American University where he
is doing research on revision of
the death penalty. In addition,
he is participating in a seminar
and taking one course from the
university's regular curriculum.

More than 140 colleges and
universities across the U.S. are
presently participating in the
Washington Semester program.

Phillips is one of two schools in
the state to participate and one
of four participating universities
in the south-western United
States.

Bloodworth has been in
constant correspondence with
the political science department
since he arrived in Washington.
His letters have been personal
as well as practical, as he uses
his home department as a
reference source and a sounding
board for ideas used in his
project, the revision and
possible re-adoption of the
death penalty on a national
basis. According to Bloodworth,
"It seems any information a
person would want is available
in the Library of Congress."

Bloodworth is the son of Mrs.
Ferne Bloodworth of 806 Easy
Street and the late Lloyd C.
Bloodworth.

was cloudy and about 40 degrees. During the process of extinguishing the house fire, most of the firemen became drenched in the water. One or two of them didn't even have their protective coats on as they dropped everything they were doing and headed straight for the fire when they heard the alarm.

You can imagine how cold and miserable they had to be. Yet, not once did I hear a complaint from any of them and they all stayed for about two hours or so until the fire was totally extinguished.

They receive no pay for their services nor compensation. I wonder how many others would be willing to sacrifice what these men (and their wives) do in order that we all might live without the fear of total destruction by fire?

I don't think we can thank them enough for the work they do and there's no way to show our appreciation enough. But believe me firemen, we do appreciate you and THANKS so much.

Residents to attend their program.

We would like to express our appreciation to Doris Owens and the Martha Class of Central Baptist Church for their gifts. Thanks also to First Christian Church for their donation of clothing.

We were saddened at the loss of a patient, Mr. James A. Hanks and we extend our sympathy to members of the family.

Mrs. Audrain had several visitors this week: Mr. and Mrs. Larry Bedford and Bennie from New Jersey, Jenny Potter and Gary Goldieri.

Mrs. Kennedy was visited by Mrs. W. Carswell, Mrs. W. Browning, Mrs. Ella Gill and Mrs. Will Teal.

Visiting Mr. and Mrs. O.J. Cooper this week were Mr. and Mrs. Jim Cooper of Shreveport, La., Mrs. Ella Gill, Mrs. W. Hale, Mrs. Gertrude Barfield and Mr. and Mrs. Arthur Houser.

Harding Dempsey visited several residents.

Mr. Read's sister and brother-in-law, Mr. and Mrs. A. McGaughy visited him here this week from Harlingen, Texas.

News From Hickory Elm

There were 34 present at Sunday School Oct. 13. Frank Mallory gave the message and the singing was led by Glen Epps and Richard Mallory with Doris Hopkins at the piano. We are pleased to have Jackie Bentley and Jessie Coburn with us. The Thursday evening service was held by the First Baptist Church and was well attended. Singing by the C.A.'s was enjoyed on Tuesday evening.

Wednesday afternoon games were hosted by the Theta Epsilon Sorority. We appreciate the gifts donated for prizes, and having Clodella Bridges and Romona Vaughan assist with the games. Thanks also to Edith Holland.

On Saturday residents enjoyed a musical program by the four Bowers sisters-Suzanne Siefkas, Janelle, Denise and Michelle Bowers. Our thanks to Mrs. Bowers and the girls for a delightful program.

On Thursday, Mr. Bruner, Mr. Howard and Mr. Woods attended the Senior Citizens meeting. We would like to thank the Senior Citizens for inviting

Mr. Don Lawrence, who will no longer be serving as the Cub Master, introduced Hugh Halpain, who will be taking over Cub Master duties.

It was also announced that there is still a need for Den Mothers and assistants.

ROUND the TOWN

By Sylvia Lohoeferer

Many relatives and close friends attended the funeral services of the much loved Mrs. Marvin (Sally) Hewell, which were held in the Church of Christ in Burk Monday.

Attending were Mr. and Mrs. Jim Hewell of Corsicana; Raymond Hewell, Charles Hewell, Dr. and Mrs. George Hewell, all of Houston; Mr. and Mrs. Richard Hinkle of Arlington, Texas; Bill Hewell of Longview; Mr. and Mrs. J.M. Johnson, Mrs. Dorothy Preston, both of Lubbock; Mrs. Dollie Hardin of Devol, Okla.; Mrs. Dollie Faye Gaston and Mr. and Mrs. Reece Hewell of Dallas; Mrs. Grace Zink of Chickasha, Okla.; Mr. and Mrs. Glen Germany of Ft. Worth; Mr. and Mrs. J.D. Mills of Archer City; Mr. and Mrs. Raymond Clement of Bowie; Mrs. Inez Rogers and Mr. and Mrs. Jerome Cargill of Drumright; Mr. and Mrs. W.H. Miller of Grandfield; Mrs. Claude Geisert and Mr. and Mrs. B.T. McKinnon of Wichita Falls; Walter Hewell and Robin Hewell of Hurst, Texas; Mr. and Mrs. Bill Rudd of Fort Worth and Wayne Nelson of Oklahoma City.

Mr. and Mrs. Leon Martin of Louisville, Ky. visited his sister-in-law, Mrs. Peggy Martin, here last week.

Mrs. Marie Breashear entered a Wichita Falls hospital Sunday and is undergoing tests and treatment.

The Past Matrons and Past Patrons of the Order of the Eastern Star held a get-together and enjoyed a supper in Electra. Those reporting a delightful time were Agnes Sneed, Joe Boucher, Birdie Smith, Artie Whitesides and Mr. and Mrs. Bill Crosley.

Mr. and Mrs. Lewis Brocker and daughter, Loretta attended the funeral services of Mrs. Brocker's mother, Mrs. Sarah Slater, Saturday in Norman, Nebraska. She had been in a rest home in Blue Hill, Nebraska for several months recuperating from an earlier hip injury and surgery. Mrs. Slater was 88 years of age, the mother of seven children, 24 grandchildren and 30 great-grandchildren. Eighty-seven of her relatives attended the funeral. She was a member of the Methodist Church.

Among the visitors in the Ray Mills home this past week were Ray's sister, Mrs. Mildred Hamilton of Tulsa, Mrs. Mae Talley of Snyder, Texas, Miss Otis Pullum of Electra, Miss Ruth Franks of Ft. Worth and her sister, Mrs. D.D. (Allie) Brown of Electra. Also Mr. and Mrs. Joe Anthony, Dick and Sarah of Tulsa.

Mr. and Mrs. H.R. Jefferis of 203 Avenue B, will have as their guest her mother, Mrs. Laura Miethamer of Silverton, Ore., for a few weeks visit. Mrs. Miethamer's nephew, wife and baby who are in the Navy at Sugar Grove, W. Va. will go to Pratt, Kansas and accompany Mrs. Miethamer here for a visit. Mr. Jefferis' mother, who is making her home here with her son will also enjoy the get-together as they are

long-time close friends.

Saturday evening, a few of the Order of the Eastern Star members held a get-together and enjoyed a supper in Electra.

Jehovah's Witnesses Hold Organizational Meeting

Jehovah's Witnesses Circuit Convention department overseers and assistants held an organizational meeting this past weekend at the Kingdom Hall in Haskell, according to Dennis B. Ott, presiding overseer of the Burk Burnett Congregation.

Circuit overseer Frank Nicholson discussed assignments and operation of the 20 departments normally required for the assemblies held twice each year by the 25 congregations comprising this area's circuit. "The departments are made up entirely of volunteers who give of their time in order that the assembly may run smoothly and to provide for the essential needs of the dele-

gates," said Mr. Ott, who serves as an overseer of the Attendant department.

"The purpose of the convention," stated Ott, "is to provide another opportunity for free Bible instruction for all in attendance and to better equip the witnesses in performing their door-to-door ministry and in conducting free home Bible courses available to everyone in their own communities." The forth-coming convention will be held in Snyder, Texas, at the Scurry County Coliseum, Nov. 2 and 3, and will feature discourses by Nicholson and District Overseer P.D. Moske, of Brooklyn, N.Y.

4 ways to make electricity work more efficiently in the laundry.

Here are several good ways to make the most of the electricity you use in the laundry. These tips may make laundry day a little easier, too.

- Sort clothes according to type of fabric, color, texture, degree of soil and garment construction. And try to accumulate a full load before you do a washing to save water.
- Choose the washing cycle that is correct for the clothes

you are washing. A "hot" setting may not be necessary. Except for white or colorfast items, most loads will come clean in either a cold or warm wash.

- If your washer has a water-level selector, choose the correct setting for the load. You'll use less hot water.

- Clean the lint filter on your clothes dryer after each load to help it operate more efficiently and reduce drying time.
