MORE THAN A NEWSPAPER... A WICHITA COUNTY LEGEND SINCE 1908

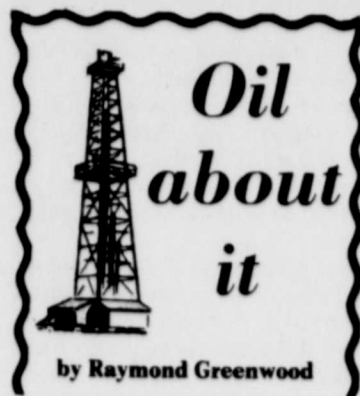

Price 10¢

VOLUME 67

BURKBURNETT, WICHITA COUNTY, TEXAS 76354

THURSDAY, OCTOBER 24, 1974

NUMBER 8

It's that time of the year again, when man and wife can fight over which way to move the hands of the alarm clock. Saturday night we will change from Daylight Savings Time to Central Standard and we'll have the chance to find that elusive hour of time that we lost months ago. I'll not try to explain how it works, but just do the opposite of what you did the last time.

Bulldog fans are urged to come out for a number one game tomorrow night as the 'Dogs tangle with the Graham Steers in Bulldog Stadium. Our team has suffered some major setbacks this year in terms of injuries and "just bad breaks." They are a good bunch of kids though and they are not about to give up. You'll get your money's worth if you go to the game tomorrow night.

There's two kinds of news in a newspaper—the good news and the bad.

To many citizens of Burkburnett there will be bad news in this edition as readers learn of Rev. Wayne Glazener's resignation from the local JanLee Baptist Church. Bro. Wayne and his family have done some great things, not only for his church, but for our community. We'll sure miss them.

But what we consider our bad news, will be great news to Baptists in Hutchinson, Kansas as he will become their pastor there.

Bro. Wayne, thanks, for all your efforts and for coming our way.

Informer/Star readers and reporters for the various clubs are asked to keep in mind the news deadline of the newspaper. We must have all news in by Tuesday at noon in order to get it in Thursday's paper.

We would like to ask those that can to bring their news items in earlier than that if at all possible. I think you can imagine what Tuesday mornings are like when most wait until then to get their item to the editor.

So please get your reports in as soon after the meetings as possible. Both your article and our newspaper will be better for it.

We have placed a news drop box by our front door for your convenience. If you come by either before we open or after we close, just drop your news or photos in this special news deposit box.

Those of you that have to provide a program for your particular club might be interested in the following.

Dallas/Ft. Worth Airport - a servant to the individual and to the community as a whole; that is the subject of a new film being produced by the Airport Board and due for release in the very near future.

The film, entitled "The Field" is about 15 minutes in length. It is available to civic and business groups and for other public showings.

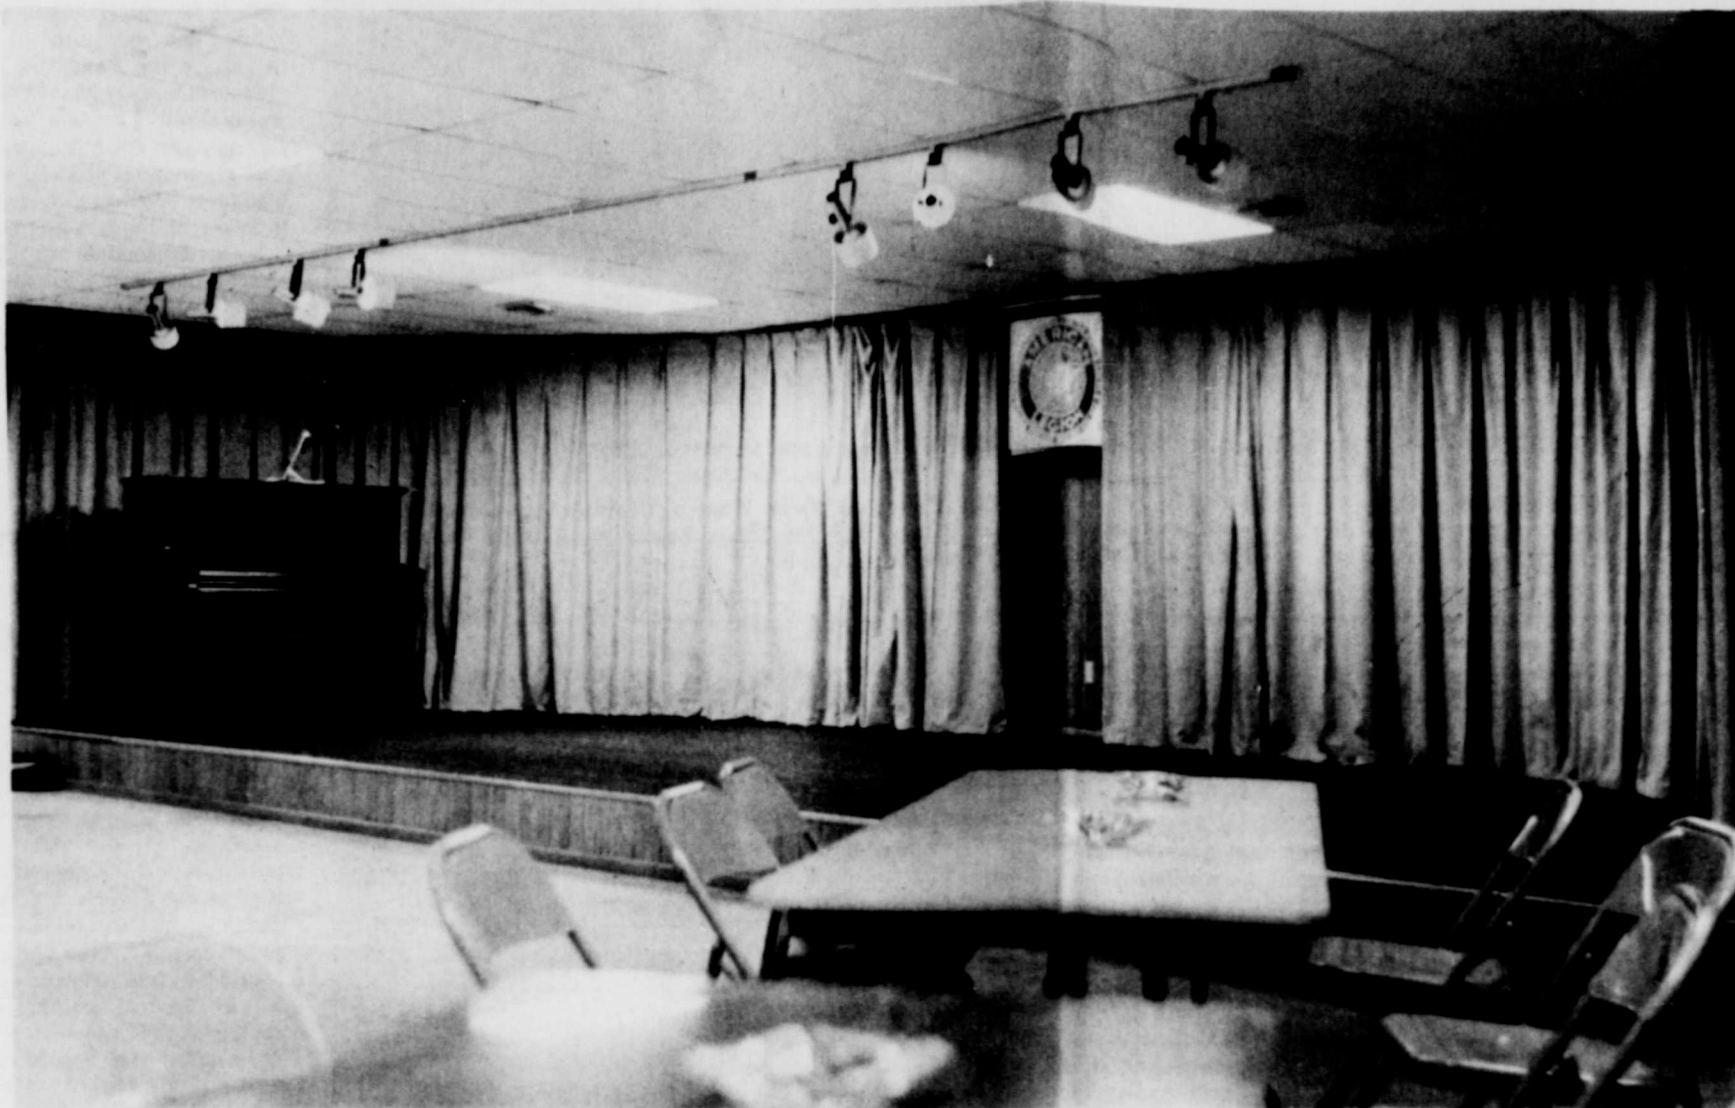

For information, call the Airport Communication Department at (214) 574-6702.

Enrollment Rises Here

The Vernon Regional Junior College Burkburnett Extension Center enjoyed considerable growth this fall. Figures from the Office of the Registrar show a total of 114 registrations in nine classes.

Enrollment is as follows: Introduction to Business:7; Office Machines:16; Beginning Typing:11; Intermediate Typing:8; English:12; Government:18; History:14; Psychology:17 and Spanish:11.

Dr. Loyd Hughes, Dean of Instruction at VRJC indicated See VRJC, Page 2

A VIEW OF THE STAGE IN THE NEWLY EXPANDED AMERICAN LEGION POST

INCREASE AVERAGES 30%

City's Commercial Garbage Rates Upped

Commercial garbage collection in Burkburnett is expected to get on a break-even basis this next month as city commissioners approved an average 30% increase in the commercial garbage rates.

In their regular monthly meeting Monday night, council members voted to bring the total monthly commercial garbage receipts up to \$1,800 from its previous total of only \$1,255 per month.

The residential garbage rates will remain unchanged.

Throughout this past month a city employee had been timing

the commercial garbage truck as it makes its pickups from each business. From this time schedule and considering the amount of garbage collected from each business, the new rate has been constructed.

City Manager Gary Bean stated he felt the new rates were the minimum the city could charge and be on a break-even basis with the commercial garbage. He further reported, "We have been operating for a long time with the commercial truck at a loss."

He also pointed out that only \$1.50 to \$2.00 per hour was

figured in the garbage rates for the burying of the garbage at the city's sanitary landfill.

Earlier Bean stated that it took a \$40,000 dozer at the landfill and a \$16,000 garbage truck to haul the commercial garbage.

Some local businessmen will notice no increase at all, while others will have rate increases that will amount up to 300%. "We have tried to bring all the rates in line and to keep all similar type businesses on the same rates," stated Bean.

In other action the council gave approval for construction

for 24 lots of the Plat Section C-1 in Mimosa Heights Addition between Charlotte and Kramer Rd. Development is expected to begin immediately.

Also approved at the meeting was renewal of Gold Cross Ambulance Service with a base rate increase to \$40 for emergency calls and \$30 for convalescent calls.

The council accepted a bid from Mathis Chevrolet for \$4,357.52 for a new police car.

Corporation court fines for September totaled \$1,009.50 for 53 violations, of which 42 were for traffic violations.

Councilmen also heard the report that local sales tax income received recently was for \$22,000 which is almost double the amount received when the sales tax first began in 1971.

Youths Top All Entries

One didn't heed his friend's advice and the other young man just did his own thing, and both were richer for it.

Gary Dodson didn't pay any attention to a friend's advice as he entered the Informer/Star football contest and Gary walked away with the \$15 first prize. He had a total of 17 winning teams picked.

John Cardin, a fourth grade student at Southside Elementary, tied with three others for second place, but was awarded the \$10 prize money for his prediction on the tie breaker score.

Cardin had entered the contest several times before, but with each entry his parents had offered their suggestions. This time he said he wanted to pick all the teams by himself. He did just that, and now he can boast as the number one sports authority at his school.

Thurman Allison, Melody Boren and Kenneth Schroeder each tied with Cardin for the second place honors.

Ten other persons predicted a total of 15 winners, while 18 predicted fourteen correct games.

Steve Tournay with a prediction of Brownwood over Burk by 35-10 and Bennie Hodgson with his prediction of Brownwood by 35-13 had the closest to the correct prediction on the tie-breaker game. Burk lost to the Lions by the score of 37-12.

United Way Campaign Looks Great; Gibson's Reports 100%

Entering into its last week the greater Wichita Falls-Burkburnett United Way Campaign locally has been declared a great success with additional money coming in daily.

The Burkburnett portion of the campaign received another huge boost Tuesday as Gibson Discount turned in their employees' 100% pledge.

The employees at Gibson's began pledging to the United Way when the store opened last

year. A full year ahead of the local drive, but in anticipation that a drive would be held in Burkburnett. The 100% employee contribution for last year totaled \$1,140 and in addition to this store manager Cornell Evans also at the same time turned in to United Way workers the employee's 100% pledge for the current campaign.

Ray Smart, United Way campaign worker who contacted

the Gibson store, and Jack Aaron, local campaign chairman, both related they felt that this type of participation by the Gibson employees was indicative of the firm's attitude of always trying to be a part of the community.

At a United Way campaign report meeting for the Burkburnett workers held Monday it was learned that almost all workers have made their contacts and their results have

been great.

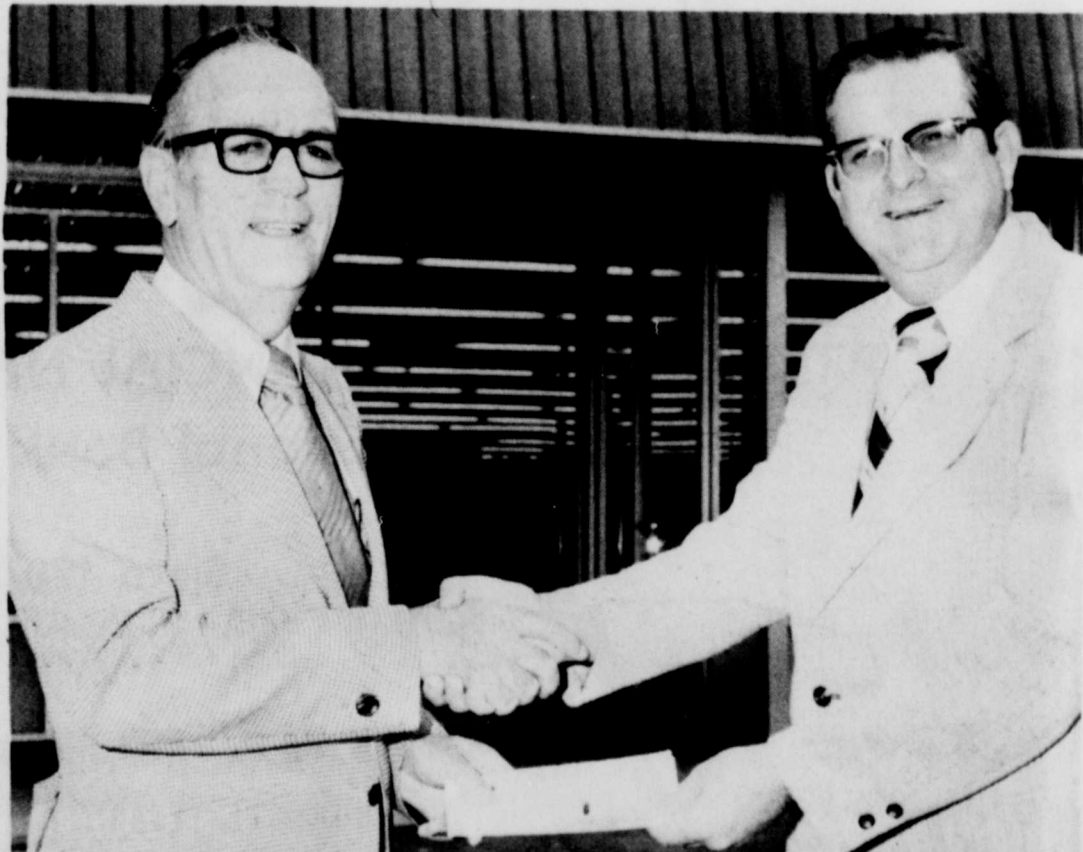

Jeep Elliott, co-chairman of the campaign, in the meeting reported, "This has been a community effort. I think we had no idea we'd be this far along some six weeks ago. It has really been great and the people here have supported it very well."

An anticipated \$4,000 to \$5,000 is expected to come in this week from the advance gifts division of the campaign.

Aaron told those present for the meeting, "I would like to thank each of our workers for their efforts. Being our first campaign, I think we have done quite well."

"I feel that it is very important that results from this campaign can be seen, and that dividends are returned back to the community. This will be very important for the continued growth of the United Way."

He went on to add, "Workers are asked to send me suggestions on improvements we could have made in order that next year we can have even a better drive."

PRESENTS EMPLOYEES 100% PLEDGE--Cornell Evans, right, store manager of the local Gibson's, presents their employees' 100% pledges to the United Way to campaign worker Raymond Smart.

AMERICAN LEGION

Dedication November 2

The newly enlarged and redecorated facilities of the American Legion Frye-Vaughn Post #264 in Burkburnett will have formal dedication ceremonies of the new facility on Saturday, November 2.

The dedication is made in remembrance of all World War I Veterans and the founders of the American Legion.

The National Vice Commander of the American Legion, Jack W. Flynt will deliver the keynote address at the dedication.

A large number of important Legion and Auxiliary members from the two state area are

planning to attend the event. Local Mayor T.M. Cornelius will give the welcome address. A special table will be reserved for all World War I Veterans and their wives as special guests of the local Legion Post.

The activities will get underway at 5:30 Saturday with a reception, followed by the ribbon cutting at 6:40. A dinner is scheduled for 7:00 with a dance to follow.

On Sunday there will be a breakfast beginning at 7:30, for out-of-town guests. Public Open House tours will be Sunday afternoon between the hours of 2:00 to 4:00.

Rev. Wayne Glazener Resigns At JanLee

Wayne S. Glazener, pastor of the JanLee Baptist Church for the past three years submitted his resignation to the church Sunday, October 13th, to become effective Sunday, October 27th. Rev. Glazener announced that he had accepted the pastorate of the Westbrook Baptist Church of Hutchinson, Kansas.

Since coming to Burkburnett December 5, 1971 the church has seen an increase in several areas. There have been 309 additions to the church with 148 of these coming for baptism and 161 joining the fellowship by letter. The Sunday School average attendance has increased from 72 the first month of his ministry to an average attendance of 174 for the past year. The Sunday School enrollment increased from 143 in 1971 to 335 at the present. The church budget has more than doubled, from \$22,000 in 1971 to \$52,000 this year. Over \$10,000 has been spent on building improvements. Gifts for missionary causes has increased from approximately \$500 in 1971 to over \$2,200 at present in 1974.

One of the highlights of his ministry at JanLee was this past summer when 20 people from the church went on a missionary trip to Old Mexico. They went to a village of 2,500 that had never heard the gospel preached before and held a Vacation Bible School each morning and a Revival Service each evening for 5 days. They saw 81 people accept Christ as Saviour. The church is now in the process of

Rev. Wayne Glazener

setting aside funds to purchase land in this small village of San Ignacio, Mexico, so a church building can be built and a year-round work can be established.

Rev. Glazener said JanLee has been the most enjoyable church he has ever had the privilege of pastoring. He said, "JanLee Baptist Church has the greatest future of any church I know of anywhere and God is truly blessing it." He also stated that Burkburnett has been a real pleasure to live in and be a part of. "It is the friendliest town that I have ever had the pleasure of living in," said Rev. Glazener.

Rev. Glazener's last Sunday with JanLee Baptist Church will be this coming Sunday.

SPELL THAT WITH A CAPITAL "G"--Informer/Star typesetter Marsha Warf has a visitor Monday as she sets type for the story concerning the local spook house. The Eastern Star will again have a Haunted Spook House at Avenue B and First Street on October 30 and 31 during the hours of 7:00 p.m. to 10 p.m. Lots of scares are promised the brave souls that enter the house as there are live devil's, witches, a wild woman, and dracula all inside. There will be a 50 cent admission charge which will go to the organization's welfare project.

Open House Set At Local Public Schools

The week of October 28 thru November 1 has been designated as American Education Week, and during this week everyone is encouraged to visit your public schools. Open house has been scheduled on October 28 and 29.

Burkburnett High School and the Junior High School will be open Monday night, October 28, from 7:00 p.m. to 9:00 p.m. All elementary schools will be open Tuesday, October 29, from 7:00 p.m. to 9:00 p.m.

Patrons are invited to visit the local schools at any time during this week, but especially during the open house. Schools will be closed Friday, November 1, for District TSTA Meeting in Vernon.

Cowboys and Electra accounted for the most trouble dealt contest entrants.

Results of last week's contest were: Rider 49, Trinity 14; Bell 24, Hirschi 0; Haltom City 33, Mineral Wells 0; Weatherford 35, Graham 7; Vernon 33, Stephenville 27; Electra 16, Quanah 12; Henrietta 14, Seymour 8; Bowie 20, Decatur 0; Windthorst 6, Holliday 6 (tie); Dallas 31, Philadelphia 24; Oklahoma 49, Colorado 14; Texas Tech 17, Arizona 8; Texas 38, Arkansas 7; Oklahoma State 31, Missouri 7; Washington 24, New York Giants 3; Cincinnati 27, Oakland 30; Denver 27, San Diego 7; Buffalo 30, New England 28; Detroit 20, Minnesota 16, and Brownwood 37, Burkburnett 12.

NORTEX Awards Contract For Control Center Equipment

The NORTEX Regional Planning Commission, representing 12 counties in Northern Texas, has awarded a half-million dollar contract to General Electric Company to provide new control center equipment and new mobile and portable radios as NORTEX adopts a new, unified communications system for its participating law enforcement agencies.

VRJC

Continued From Page One

his pleasure at the increase in enrollment. "The Burkburnett Center is very special to us at VRJC since it was our first venture into the area of extension centers. The school officials at Burk have been very helpful and we look forward to even better things at the center in the future. We feel the increase in enrollment this fall is a good indication of the need and desire for college level courses in the community," said Dr. Hughes, "and we plan to do everything we can to see that the need is fulfilled."

All courses being taught at the Burkburnett Extension Center this semester carry college credit and are transferable.

Courses for the spring semester will be announced in the Informer/Star when the schedule is finalized.

Obituaries

Huey Long

Services were held at 2 p.m. Friday in Central Baptist Church for Huey Long, 37, senior vice president of Parker Square Savings and Loan in Wichita Falls.

He died Tuesday at University of Colorado Medical Center in Denver while awaiting a liver transplant.

The Rev. Max Dowling, pastor, officiated. Burial was in Burkburnett Cemetery under the direction of Owens & Brumley Funeral Home.

Pallbearers included John Bekendam, Edgar Wood, Billy Fuller, Ray Menn, Fred Hayes and Donnie Park.

Long had been at the hospital since June and was next in line to receive the transplant at the time of his death.

Born January 20, 1937 in Atoka, Oklahoma, he had resided in Burkburnett 17 years and was employed by Parker Square Savings and Loan 8 1/2 years.

A graduate of Grandfield, Oklahoma High School he married Margaret McDonald January 1, 1958, in Burkburnett. He was a member of Central Baptist Church.

Survivors include his wife; three sons, Huey Paul, Stephen and Mark, all of the home; his mother, Mrs. Eunice Long of Grandfield, Oklahoma; four brothers, J.C., Vernon and Ted, all of Honolulu, Hawaii and Roy of Roanoke, Texas; and four sisters, Mrs. Maxine Matthews of San Diego, California, Mrs. Jerildeen Crook of Huntington Beach, California, Mrs. Betty Garza of Frederick, Oklahoma, and Mrs. Nita Burke of Grandfield, Oklahoma.

Jim Lemley Named To Second Legion Post

Jim Lemley, local Chamber of Commerce Manager, was notified Tuesday by James M. Wagonseller, National American Legion Commander, that he had been appointed as Vice Chairman of the National Distinguished Guests Committee of the American Legion.

Lemley, whose appointment was confirmed by the National Executive Committee, will serve until the close of the 1975 Fall Meeting of that committee.

In making the appointment Wagonseller stated, "This appointment is offered in recognition of your service in furthering the principles and programs of the American Legion. Membership on the Distinguished Guests Committee is honorary, and there are a few occasions when you could be called upon for specific service within the committee."

"In your acceptance of this appointment, I am asking you to stand with me and 'Be Counted Again for America.' With all of us working together as a team we can make this a meaningful year of service for our country."

This is the second national appointment for Lemley this year. Earlier he was appointed to the National Security Commission of The American Legion.

PPG Reports High Earnings

PITTSBURGH, PA. - PPG Industries today reported record sales and operating earnings for the third quarter and first nine months of 1974.

Operating earnings for the third quarter were \$30.1 million, or \$1.45 a share, on sales of \$468.1 million, compared with \$21.2 million, or \$1.02 a share, registered on sales of \$371.3 million for the same period a year ago.

Operating earnings for the nine-month period ending Sept. 30 rose to \$75 million, or \$3.61 a share, an increase of more than 8 per cent over the \$69.3 million, or \$3.34 a share in the record first nine months of 1973.

JACK HIGHTOWER

JACK HIGHTOWER was born and raised in the Panhandle and Northwest Texas. He understands this area and its people, offering voters the choice of a Congressman—for a change—who can represent everyone in the 13th District. He is extremely well qualified to serve as your new and effective voice in Washington.

JACK HIGHTOWER knows how to trim budgets and work hard for the best government services at the lowest possible cost. He will work to halt inflation, high interest rates, and bring down the high cost of living.

JACK HIGHTOWER will fight for tougher criminal laws, supplemental water supplies, better educational opportunities.

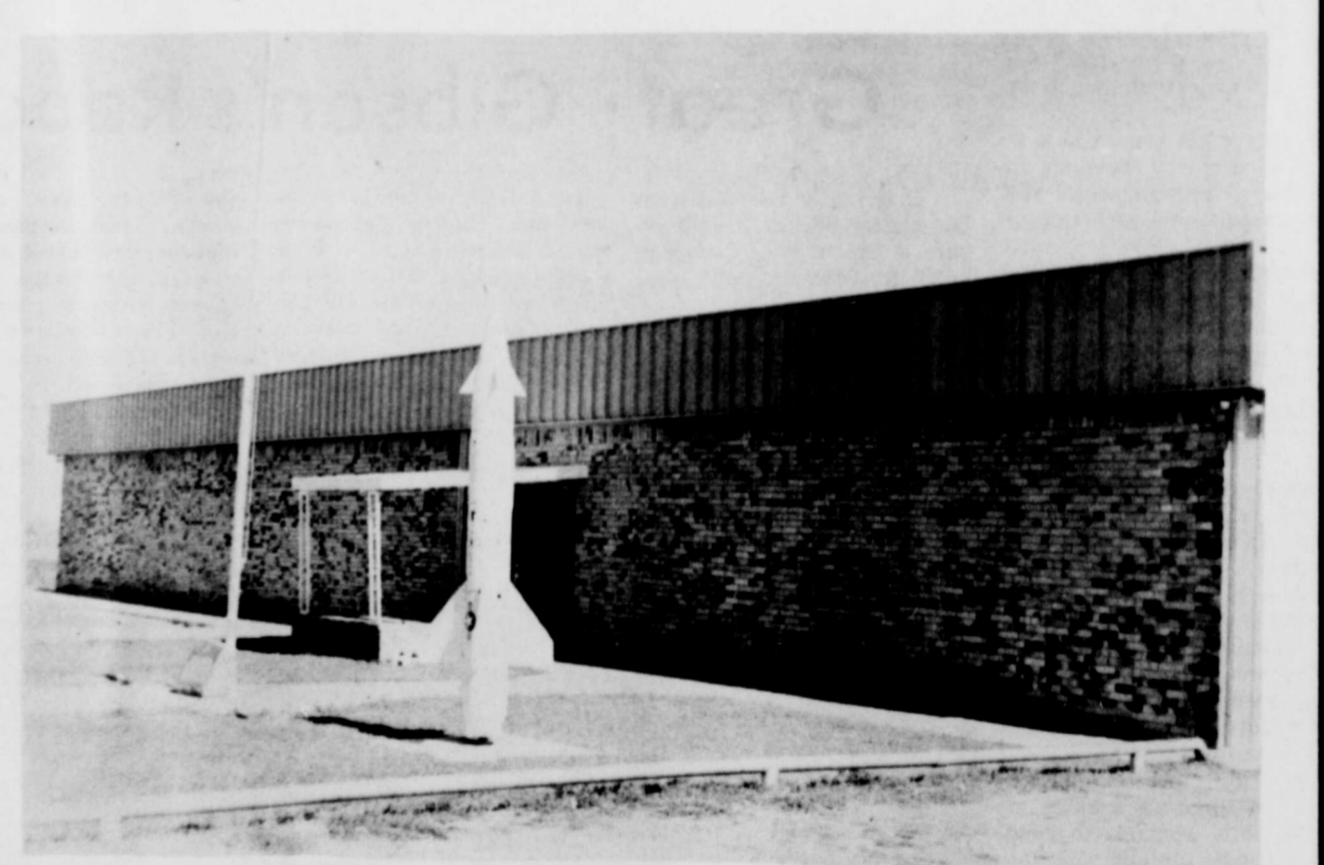

JACK HIGHTOWER recognizes needs and responds quickly to constituent problems. He can handle tough jobs with fairness and integrity. Elect him to help you get things done in Washington... for a change.

Paid Pol. Adv. by Jack Hightower for Congress Committee, Cieddie Palmer, Chairman, Box 1973, Vernon, Texas 76384

'100% Interest In You'

Home Demonstration News

By Dee James
County Extension Agent

Homemakers, not more than a generation ago, didn't have supermarket shelves full of super cleaning solutions to choose from. Instead they used a few basic ingredients from the hardware and drug store to create some very effective cleaning products.

Many expensive cleaning products available today are really nothing more than these same basic ingredients that have been perfumed and packaged in aerosol cans and attractive bottles.

Local homemakers will learn how to create and use low-cost cleaners during this week's "You Can Do It" television program at 1:00 p.m. Saturday, Oct. 26 on KFDX-TV Channel III.

Featuring hostess Cindy Kidwell, the educational program will teach viewers how to make cleaning products for windows and mirrors, porcelain, furniture, and general household uses.

"Cleaning on a Shoestring," this week's lessons, also will feature ideas for cleaning marble, tile, aluminum, and chromium. The program will show how to take the expense

and drudgery out of cleaning with workable ideas on making effective, low cost cleaning products that compare favorably with commercial items. You will learn many time-saving tricks to use in cleaning.

"You Can Do It" is a 13-part educational television series, which will run through January 11. It is sponsored locally by the Wichita County Family Living Committee and KFDX-TV.

It was created and produced by home economics specialists with the Texas Agricultural Extension Service, The Texas A&M University System, through a special United States Department of Agriculture grant.

Programs in upcoming weeks will include lessons on repairing leaky faucets, toilet repairs and adjustments, caulking and weatherstripping.

Bulletins on any of the projects taught during the series are available at no charge through the County Extension Office, at 766-0131 or 1626 Midwestern Parkway, Wichita Falls, Texas.

Next week's program will teach leaky faucet repairs.

Cooper HDC Meets With Mrs. Swinford

Cooper Home Demonstration Club met October 14 in the home of Mrs. Ralph Swinford. The president opened the meeting by singing the club's song, "Smile A While". She welcomed the visitors, Mmes. Evelyn Cole, Gladys Bailey, Ethel Levell and Dee James, County Extension Agent.

Mrs. Lucille Rogers read the minutes and held roll call. Each member answered with "My Favorite Color". Dee James described the characteristics of the members by listening to their choice of colors.

Mrs. Frances George read the treasurer's report, which was approved. The Safety Hint was presented by Mrs. Ella Gill. She said, "Don't burn Poison Ivy with other rubbish or trash. It can be very dangerous if you are exposed to the smoke or fumes." Mrs. Grace Bryant gave the THDA report of the last meeting in the new club room.

Mrs. Anna Mae Emmert, who is a member of the 4-H Committee, told the club about the awards 4-H members won at the Dallas Fair.

Mrs. Dee James presented the program on "Individuality in Decorating." She told how to select colors to blend in with the room and furniture and how to

choose decorative paper and carpet.

Winners of recreation games were Mrs. Dee James, Laura Creger and Lucille Miller.

Mrs. Ralph Swinford was assisted by Mmes. P.S. Swinford and Connie Lawson. They served refreshments to 17 members and 4 guests.

Present were Mmes. George Bryant, Gertrude Barfield, Mattie Clayton, Laura Creger, Lucille Rogers, Frances George, Francenia Spencer, Amelia Spencer, Lucille Miller, Lola Vollmer, Anna Mae Emmert, Juanita Huddleston, Ella Gill, Cherry Kolter, Connie Lawson, Gladys Bailey, Evelyn Cole, Ethel Levell, P.S. Swinford, Ralph Swinford and Dee James.

The next meeting will be October 28 in the home of Mrs. Loma Volmer. Mrs. Lucille Rogers will present the program on Citizenship.

Texas Department of Agriculture home economists recommend deciding how beef will be cooked before buying it. Many tougher, less expensive cuts have an excellent flavor when prepared by moist cooking.

GOVERNOR DOLPH BRISCOE AND RAY FARABEE, Democratic nominee for the Texas Senate, take time out to look over the platform of the Texas Democratic Party. They discussed the importance of rural development and expansion of water resources as they campaigned together in the 30th district recently.

PRESENTS BIRDS TO BE SHOWN AT POULTRY SHOW--Local 4-H club secretary Joy Klinkerman, right, is shown with Howard Wayne Bentley, and T.F. Hensley, left, as the three present birds to be shown in the first annual Top of Texas Poultry Show. Over 1,000 birds are expected for the show which will be held Nov. 1, 2 and 3 at the 4-H barn in Wichita Falls. There will be classes in large fowl, Bantams, turkey and water fowl. In addition there will be a Jr. Division for junior exhibitors. The Burkburnett 4-H Club will have the concessions at the event.

Bill Lucas Reports Extension Director Walters

Peach tree borers do as much damage and kill more trees than any other peach tree insect. By applying recommended treatments this month, you can control peach tree borers.

This pest works under the bark at the base of the tree. You may locate it by a mass of waxy material at the ground level.

Spraying the trunk and main branches during the summer is the standard control recommendation for peach tree borers.

If you have not followed the summer spray program, apply paradichlorobenzene (PDB) by Oct. 15th in northern Oklahoma and by the end of the month in southern Oklahoma. PDB is usually available from drug stores, insecticide and seed dealers.

Apply the crystals in a ring--completely encircling the trunk, but not closer than 1 inch to the bark or further away than 3 inches.

Crystals applied in warm soil quickly change into a heavy gas which penetrates through the soil crevices and into the burrows of the borers and kills them.

If using PDB on young trees or on those less than 3 years old, remove the chemical within two weeks or the trees may be injured.

When applying this chemical, clear trash away from the base of the tree and level the soil. Be sure the chemical doesn't directly contact the tree.

Cover the crystals with several shovelfuls of soil, free of trash, and pack lightly with the back of the shovel. When placing the first shovels of soil, be careful not to shove crystals against the tree.

For trees 4 to 5-years-old, use 1/2 ounce of PDB and for older trees, 1 ounce to 1 1/2 ounces. For trees 1 to 3 years old, use 1/2 ounce.

Treat all trees showing borer damage. If more than half the

trees are infected, treat all trees even though you can't see borer damage.

You can remove borers by digging them out with a sharp knife or probing them out with a flexible wire by first removing soil from around the base of the tree to a depth of about 3 inches. But this method is slow and in most cases you can't get all the borers.

All businesses in the book have been inspected by a Texas Department of Agriculture inspector before a license was issued.

Cotton Countians Going To KC

"Going to Kansas City" may well be the theme song of two Cotton County Countians who are planning to do just that. The two guests from Cotton County for the American Royal, Kansas City Chamber of Commerce, and numerous businesses will be Lana Driskill and Craig Thompson from Temple.

Local 4-H Delegates are among some 600 youths selected to represent Oklahoma at the annual American Royal 4-H Club Conference on October 19-21.

"The educational work experience provides our young people a chance to enjoy cultural art and business opportunities of a major metropolitan area, remarks Bill Lucas, Cotton County Extension 4-H Agent.

Although educational and cooperative work are major thrusts of the program, much more is planned. Conference theme will be "Television--Past, Present, and Future."

After a Saturday afternoon welcome, delegates will be off to the Nelson Art Gallery, Truman Library and Museum, or Kansas City's Swope Park Zoo. A "D-J" mixer is scheduled Saturday evening.

Joining 4-H'ers from Kansas, Missouri, and Iowa, Oklahomans will attend worship services Sunday morning, followed by educational assemblies and the American Royal Livestock and Horse Show, the largest show in the world.

TDA Issues '74 Nursery Directory

AUSTIN--The Texas Floral and Nursery Directory for 1974, listing all the licensed growers, dealers and florists in the state, has been issued, according to Agriculture Commissioner John C. White.

All businesses in the book have been inspected by a Texas Department of Agriculture inspector before a license was issued.

"The license insures that businesses and individuals are dealing with a reputable firm," White said. "This greatly reduces the chance of diseased or poorly cared for plants and flowers."

Copies of the book are available by writing to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711.

"THIS LAND OF TEXAS" Lights, Music, Action!

AUSTIN--"This Land of Texas," a 20-minute sound and slide show on Texas agriculture, is available for showing at public gatherings, Agriculture Commissioner John C. White has announced.

The show tells the tale of Texas agriculture from its pioneer beginnings to its modern technological achievements.

"This is actually a show about all Texans and the role agriculture has played in

of tastes." The show employs five screens, music and narration to tell its story. Produced for the 1974 State Fair, it is suitable for showing at service clubs, high schools or any public gathering.

For further information write to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711, their lives," White said. "It is educational, entertaining and will appeal to a wide variety

Ray Farabee Confers With Governor On Issues

Rural development and the need for conservation and expansion of water resources in the 30th senatorial district were two of the topics discussed recently when Ray Farabee conferred with Governor Dolph Briscoe.

Farabee, a businessman and attorney, is the Democratic nominee for the Texas Senate

from this district which includes Wichita County. Recently Farabee and Briscoe have campaigned together in Haskell, Snyder, Vernon and Wichita Falls.

Experienced in working with businesses and industries seeking to locate in this district, Farabee advocates increased appropriations for rural devel-

opment under the Texas Rural Industrial Development Act.

Throughout his campaign Farabee has talked with citizens of Wichita County about the need to develop and maintain a favorable business climate. He is opposed to corporate and personal income taxes and favors the continuation of the right-to-work law in Texas.

According to Farabee, other important ingredients in achieving economic diversification are strong vocational education programs and broad based citizen activity to encourage and attract new businesses.

Conservation and expansion of water resources must occur if the 30th district is to expand its agricultural production to keep pace with growing consumer demand states Farabee. Briscoe and Farabee agree that efforts must continue to secure imported water for West Texas.

County Agent News

B.T. HAWS

Inflation boosts the value of Texas farm and ranch land, but it takes its toll of agricultural profits through skyrocketing production costs. Inflation also affects the demand for agricultural products, with a higher demand for lower cost items requiring less processing and a lower demand for high cost, highly processed items. Prices received by farmers will continue to respond to supply changes and such changes will affect producers more rapidly than the effects of inflation.

Lamb and sheep production in both Texas and the United States is on a common trend--down. Prices also continue under pressure. Sheep and lamb slaughter in the United States this year should be about 14 per cent below the 1973 level of 9.6 million head. Even with production down, prices have not increased due to the limited demand for lamb and large beef supplies, which also push lamb prices down. Producers have little incentive to expand production, as their costs are increasing while prices they receive have remained

stable or even declined.

The personal limitation under 1973 REAP has been raised to \$2,000. This means that many of you are eligible for additional cost-sharing. Please call or come by the ASCS Office in Iowa Park. Money is available for practices that can be completed before the end of the year. These include: Ponds, terraces, waterways, brush control, raking, winter cover crops, lining irrigation ditches, shaping and leveling.

Two clinics devoted to teaching artificial insemination and pregnancy testing to the beef cattle producer in our area will be held soon. The clinic in San Angelo is being held Oct. 21-25 and the Lubbock clinic will be held Nov. 4-8.

The clinics are jointly sponsored efforts of American Breeders Service and the Texas Agricultural Extension Service. Advance registration can be made by contacting Jimmie Travis, ABS District Sales Manager, P.O. Box 232, Weatherford, Texas 76086. Telephone 817-594-5711.

There is certainly no "shortage" of beef cows in the United States today. Beef cow numbers increased by six per cent during 1973 and five per cent in 1974. As a consequence, feeder calf prices have declined to less than one-half the record prices in mid-1973.

A producer should make every effort to reduce production costs. Cows should be pregnancy tested and open cows sold, poor producers should be culled, winter grazing should be provided for lactating cows and yearling calves where possible to reduce supplemental feed costs.

Blackleg in cattle is an ever-present problem in Texas and the southeastern states. Raising calves without immunization is hazardous. Most cattle owners realize the danger of blackleg and have their calves routinely vaccinated. Some become complacent because they do not hear of outbreaks of blackleg and neglect to vaccinate, frequently with disastrous results. Cases of blackleg also occur when calves are vaccinated too early; calves up to three months of age fail to develop a lasting immunity. The vaccination should be repeated at the age of four months and annually thereafter until the animal is past two years of age. There are vaccination combinations presently available that will protect calves from a series of diseases at little increase in cost.

DISPLAY FUN NIGHT POSTER—Mary Schmidt and Mark McClurkan, display a poster advertising the upcoming Fun Night activities at Southside Elementary School. The students are fifth grade students at Southside.

Southside Fun Night Begins Saturday At 5

Southside School is the place to be Saturday, October 26, from 6 to 9 p.m. as the fun begins for this year's annual Halloween "Fun Night."

The refreshment booth will open at 5 p.m. for those wishing to eat, with other booths opening at 6 p.m. There will be

numerous booths in the class rooms with fun for all ages and delicious food and drinks.

The proceeds will be used for future PTA projects, so let's all go out and make this another successful "Fun Night," says Shirley Schmidt, publicity chairman of the event.

Karen Smith FTA President Hopeful

Saturday, thirty-one members of the Future Teachers of America will be driving to Graham in order to finish off a 2-week campaign project.

Karen Smith, a second year FTA member, winner of the most valuable FTA sophomore award and present chapter secretary, will be running for District President. This is an office that possesses a great deal of responsibility since she will be directly responsible for

all the FTA activities in 13 District area schools.

She is a junior, a member of the National Honor Society, a 3-year member of the Spanish Club, Pep Club and Choir.

Presently the Burkburnett High School Chapter has a District Officer, Kim Aaron who has acted as District Historian for the 1973-74 school year. With luck, the honor of District President will also be Burkburnett's FTA Chapter's Honor.

Former Bulldog Great

OU's Henderson In Impossible Situation

Consider family background, team tradition and the facts of football life and there's no way it could have happened. But it did. There on Saturday, starting at safety, was freshman Zac Henderson.

Zac shouldn't even be at Oklahoma. His dad played at Texas Tech. His mom was homecoming queen at Baylor. And he's from Burkburnett, Texas. "It just seemed like Oklahoma was where I fit in best," he said.

But no freshman has ever started defensively for the Sooners. And the most unlikely position for one to start is safety. "That's right next to impossible," said defensive coach Larry Lacey.

To beat those odds, to start as a freshman safety, one would need all the practice time he could cram in. Right?

Well, maybe for most folks but not for Henderson. He lost two and a half weeks of practice time because of a displaced coach and a misplaced stairway.

During two - a - day drills, Henderson was involved in punt-blocking practice. Instead of the football, he ran into assistant Don Duncan. He sprained an ankle. About the time the ankle healed, Zac stumbled down some steps.

So Henderson had to overcome both physical and mental hurdles to start. It surprised him, too. He didn't find out he was starting until he wound up working with the first unit in pre-game drills.

"I was scared," he said.

One of the more comforting sights to a scared freshman safety, he allowed, is to look over and see senior Randy Hughes at the other safety.

"I knew if I made a mistake,

he'd cover it up," said Henderson. He grinned sheepishly as he said it. Zac did make a mistake. Hughes did cover it up.

Zac was burned on a 47-yard pass completion, virtually the only sizable gain made by Utah State. "I was out of position," said Henderson.

Coaches were kinder to Zac than he is to himself. Part of the responsibility for the pass could be traced to a cornerback who failed to bump the receiver and force him inside.

Zac graded well enough that he has remained No. 1 for several weeks. Of course, he'll be No. 1 every game. That's the number on his jersey. It sort of matches his frame (6-2 and 179). That could be a dangerous number. Excited fans may hoist him up some day and fling him into the air while chanting, "We're No. 1."

Of course, they might have trouble catching Zac. He runs the 100 in 9.7 and has run the 40 in 4.6. That's one asset. Another is his quick mind. Son of a junior high coach, Zac absorbs those Xs and Os readily.

"He's got great football knowledge for a freshman," said secondary coach Bobby Proctor. "We started him out at the right corner and, after a week's time, he was ready to play. Then he got hurt and we moved him to safety. In a matter of three days, he was ready. He does a heckuva job of reading and seeing."

There's no assurance

Henderson will remain No. 1 in the depth chart. He's running neck and neck with Scott Hill, a former quarterback who also has oodles of savvy. Both, says Proctor, are doing an excellent job.

Falling almost into the category of forgotten men is Jerry Reese, a sophomore who started at the free safety position in the first game. An injury cost him four days of practice time.

"That's the kind of competition we have there," said Proctor. "Miss a few days of practice and you're back to the third team. It's a healthy thing. It will make all of them better football players."

EDITOR'S NOTE: The above article, by Bob Hurt appeared in a recent issue of an Oklahoma daily newspaper.

Bulldogs Fall To Brownwood

by Cindy Lee

The Brownwood Lions kept their march towards the District 4-AAA title alive as the Bulldogs fell 37-12. As the game first got under way, the Bulldog's offense was going strong. They drove 63 yards in 11 plays after the opening kickoff with quarterback Tim Kormos going over from the #3 to give Burk an early 6-0 lead.

Brownwood's quarterback Sam Harrell hit end Johnny Skeen with a 26-yard pass and Rodney Roby added the conversion kick to get the Lions on top 7-6. Curtis William's punt was blocked a few moments later, and the Lions scored when it fell into the end zone.

Brownwood chalked up 14 more points in the second quarter with Harrell throwing to Brad Rowen from one yard out for one TD, and Scottye Ratliff

scored on a 51-yard strike. Harrell hit wingback Ricky Holmes with a 10-yard pass to up the lead to 30-6 before Kormos trimmed it to 30-12 with a 7-yard run.

The reserve fullback, Freddy Rainey, ran 23 yards for a touchdown to end the night's scoring: Burkburnett 12, Brownwood 37.

Brownwood is now 3-0 and Burkburnett is now 0-3 in the district race.

Rowdies Top Frosh, JV

by Joe Bryan

The Burkburnett freshman played an extremely hard defense game last Thursday against the Wichita Falls High School Rowdies, but bit the dust 12-6 in Coyote Canyon.

Junior Barrera scored the only points for Burk with a slashing run for the score.

The loss drops the frosh's record to 3-4. W.F.H.S. won the first encounter in Boomtown 22-0. The Bulldog freshmen play Graham in Burk next Thursday at 5:30.

The Wichita Falls High JV team went with a 26-point first half and two touchdowns by

Steve Gray to defeat Burk's team 32-6, Saturday in Coyote Stadium.

Gray ran four yards and 40 yards for two TD's and passed to Tommy Casteel for a third. Bobby Thrasher, on a 55-yard punt return, and Joe Tragnham, on a four-yard run, put more points on the scoreboard for the Rowdies.

Burk's only score was by Robert Hawkins on a three-yard run.

The win gives the Rowdies a 4-3 record for the season, and Burk's loss drops them to 2-5. Wichita Falls: 12 14 0 6 - 32 Burkburnett: 0 0 6 0 - 6

SCHOOL Lunch Menu

- October 28-31 MONDAY**--Hot dogs with mustard relish, potato chips, seasoned mixed greens, bun, milk, fruit cobbler.
- TUESDAY**--Hamburger, bun, onion, pickle, mustard, french fries, lettuce, milk, fruit.

- THURSDAY**--Fried chicken, hot bread, whipped potatoes, seasoned green beans, butter, milk, ice cream.
- FRIDAY**: NO SCHOOL.

Oilers Record Now At 2-3-1

The American Oilers of the Midget Football League will host the Lions Tuesday night at 6:00 p.m., according to Hubert Smith, the team's head coach.

The Oilers, who have a season record of 2-3-1, in their last three games defeated the Falcons 16-6, but lost to the Leopards 26-0, and to the Vikings 20-0.

Thirty-six boys are listed on the team's roster and four assistant coaches which include Ed Chavis, Clem McClurkan, Bill Pittard and Ken Youngblood.

Auxiliary Unit 264 Reports Busy Schedule

The American Legion Auxiliary Unit #264 held their monthly business meeting Monday with President Dorothy Hinoite presiding.

Secretary Sandy Hubbard read the minutes of the last business, social and executive board meeting. There were 32 members present including two new members.

Fourteen members attended the 13th District Convention held at Unit #169 in Wichita Falls over the weekend. Unit #264 won the attendance prize.

All committee chairmen gave their monthly reports. Social chairman Nona Lemley reminded members about the Building Dedication and Dinner Dance to be held at the Legion Hall Nov. 2. The reception is 5:30 to 6:30 p.m., dinner is 7 to 8 p.m. and the dance is 9:00 p.m. to 1:00 a.m. Tickets are \$5.00 per person and are now on sale. This dance is open to the public.

Mrs. Lemley also announced the Legion and Auxiliary will hold their annual Veterans Day Dinner Nov. 11 for all members. Several members volunteered to help prepare these two dinners.

Poppy Chairman Lillie Neal announced that the Mayor of Burkburnett will proclaim the week of November 9 through 16 as Poppy Week. Many Auxiliary and Junior Auxiliary members will be selling poppies on the street this week. It was emphasized that all funds donated for poppies are directed toward rehabilitation of veterans and welfare of children.

On Oct. 9, several Auxiliary members held a ward party for the patients at the State Hospital. Those participating were Joy Kimball, Chairman; Earline Broadway, Nora Holland, Betty Stewart, Alex Missman, and Bea Pauley. Another ward party will be held Nov. 13.

Geneva Cozby was named to help on the Child Welfare Committee and Ann Darland was appointed as the new Ways & Means Committee Chairman.

It was announced that it is time to start the Christmas box for the Veteran's hospital. The box must be ready by Nov. 20 as the gift shop at the hospital opens Dec. 1. Jean Carr will be in charge of this project.

EVEN THE YOUNG HEAR LIONS' SALES PITCH--Young and old alike were contacted Saturday by the local Noonday Lions Club as they held their annual broom sales from the Caravan for the Blind. One-year-old Andy Greenwood is coaxed to hang on to his broom by Lion Hugh Preston and Lion Billy Ray Mize, right. Mize reported the broom sales went very well and that the Lions Club wishes to thank all who helped them by purchasing the brooms, mops, etc. All proceeds from the event will be spent in youth projects in Burkburnett.

Study Club Collects Toys For Children

The Modern Study Club collected toys from club members Wednesday. The toys will be donated to the children's ward of Wichita General Hospital. A total of 65 toys were collected. An assortment of puzzles, Fisher Price toys, stuffed animals, trucks and cars were among some of the toys collected.

Fifteen black wooden frames were also donated. Hospital rules for each room will be placed in these frames on the children's ward.

Club members feel this is a very worthwhile contribution.

Displaying the articles are Mrs. Betty Davey, Mrs. Maude Bohner and Mrs. Alexina Missman. The event will be held at the Burk Burnett Community Center.

Fall Festival Saturday By Local Catholic Church

A Fall Festival will be held at the Burk Burnett Community Center Saturday between the hours of 9 a.m. and 10 p.m. This special event is being sponsored by the women of the St. Jude Thaddeus Catholic Church of Burk Burnett.

A whole host of things are in store for those attending the Festival. There will be an old fashioned Country Store, arts and crafts and a delicious bar-be-que dinner.

The bar-be-que dinner will be held between the hours of 4:00 p.m. and 7:00 p.m. with prices

set at \$2.50 for adults and \$1.50 for children under 12 years of age.

The women have been working and preparing for this big event for over a year. They have been making various crocheted items, stuffed animals and dozens of other things that will make excellent Christmas gifts.

Local citizens are invited to come to the Fall Festival Saturday, have a day of fun, and do some of their Christmas shopping early.

Committee members working

on the special event include: Country Store, Mrs. Jack Reed and Mrs. Vern Getstner; Arts and Crafts, Mrs. Joe Slama and Mrs. T. Hastings; C.Y.O., Kathy Crowder; Publicity, Mrs. James McIlrath; White Elephant, Mrs. Alex Koulovas; Bar-be-que, Ed Simons and Dean Rivard; Food, Mrs. Ed Simons, Mrs. A. Missman, Mrs. J. Slama and Mrs. K. January; Tickets, Mrs. J. Davey; Sales, Mrs. Studebaker; and Lamp, Mrs. M. Bohner.

Shirley Spinks
Hosts Theta
Epsilon Chapter

Members volunteered to assist with transportation to the polls on November 5.

Mrs. Edgar Fulcher was in charge of a program in recognition of "United Nations Day". Members took a spelling test and for each word missed, donated five cents to UNICEF.

Mrs. Gad Garland spoke on "Innovations in Our School -- Plan A". Mrs. Garland, who works with the Plan A program in the public schools, gave a summary on how it operates and some of the more important aspects of the program.

Members selected states to work into a quilt square that the club is making for a Bi-Centennial program.

Mrs. Tom Brumfield won the door prize.

The next meeting will be Nov. 4 with Mrs. Brumfield. All members will be dressed in period fashion of 100 years ago.

Jr. University Study Club October Meeting Held

The October meeting of the Junior University Study Club was held in the home of Mrs. C.D. Landrum, with Mrs. Robert Briscoe and Mrs. Finis Taylor acting as co-hostesses.

Roll call was answered with "My Favorite Food Is..."

A report was given on the final arrangements for the program to be presented at the

regular business meeting of Theta Epsilon Chapter of Epsilon Sigma Alpha was held in the Texas Electric Reddy Room Monday night, Oct. 14 with Shirley Spinks serving as hostess.

President Romona Vaughan called the meeting to order and read the opening ritual. Chaplain Joy Howell gave the devotional.

Clodella Bridges presented the program on Texas. All officers and committee chairmen gave their reports. Final plans were made concerning the District VI meeting to be held in Fort Worth October 26-27.

Following the closing ritual refreshments were served by Shirley Spinks to Mmes. Clodella Bridges, Helen Eaton, Nona Lemley, Jeanie Luney, Romona Vaughan and Joy Howell.

Federated Banquet in November.

Plans were made to participate in this year's money raising project sponsored by the Texas Federation of Women Clubs.

With Mrs. B.H. Alexander, Jr. acting as auctioneer, the members took part in a White Elephant Sale, the proceeds from which will go to aid the Fowler Home in Wichita Falls.

The hostesses presented the program, which was a demonstration on the art of Chinese cooking, with the preparation of Chinese Fried Rice. At the conclusion of the presentation, each member was served a bowl of the rice and two other oriental dishes on individual bamboo trays.

Those members present were Mesdames B.H. Alexander, Robert Briscoe, Howard Clement, John Dennis, E.H. Hancock, Ray Hatcher, Zac Henderson, Barbara Kelley, Walter Koller, C.D. Landrum, Wayne Lax, A.L. Loyd, Floyd Marten, Bill McLean, Stan Owen, James Pearson, J.B. Riley, Gene Robertson, P.A. Schelter, Ralph Shipp, Irv Smith, Marvin Taliaferro, and Finis Taylor.

Contemporary Study Club To Aid Local Voters

The Contemporary Study Club, a member of Texas Federated Womens Clubs, is working to encourage all registered voters to go to the polls and vote. Call Mrs. Katy Miller at 569-3641 for transportation or to keep children while you vote.

Only 28% of the registered voters went to the primary in May. The club is working together with other Federated Clubs in Texas to bring the

percentage to 75%. The Girl Scouts Senior Group will be contacting people in this area by phone.

If each person in Burk Burnett will ask one person to go and vote, Burk Burnett will show other areas what can be done with Poll Power.

This is a non-partisan activity. Just vote!

Any questions on this poll power will be answered by Mrs. Rene White, 569-2572.

Local BYW Serve Three

The Morning BYW Group of the First Baptist Church met October 10 in the Church kitchen to prepare the "Meal on Wheels" for three area residents. Plans were also made for a Visitation Luncheon next week. The group will meet at the Church and go out visiting prospective members and return to have a Salad Lunch.

Those present were Irena Smith, Oleta Moore, Lucy Creger, Diane Hooper, Linda Miller, Shirley Wade, Twila Olds, Jan Breundle, Alana Greenwood, Charlotte Battista, Pam Brown, Judy Flory, Virginia Pribble, Jennette Stevenson, and one guest, Ginette Lindsey.

University Study Club Members Attend Meeting In Vernon

Fourteen members of the University Study Club drove to Vernon Wednesday for a special meeting with Mrs. Jonita Johnson, daughter of Mrs. J.D. Majors and niece of Mrs. J.B. Morris, both members of the club. Having grown up in Burk, Mrs. Johnson is a lifetime friend of the other members.

Mrs. Johnson lives in one of Vernon's noted homes which she showed the club women. The two-story, 5-gabled granite stone block home was built in 1939 by Dr. A.L. Borchardt, uncle of Vernon's present Dr. Borchardt. The large rough blocks of brown granite were brought from Granite, Okla. Large granite fireplaces are on both floors. The hall and kitchen floors are of gray slate, highly polished. The house contains a number of antiques including a pump organ. The spacious lawn

has an enormous amount of rock work--walls, patio, benches, outdoor fireplaces, fish pond, bird baths, etc.

"We are often told, sometimes by people who actually did some of the construction work on the place, that Dr. Borchardt had an unusual way of letting his patients settle their accounts," said Mrs. Johnson. "Times were still hard and money was not plentiful in '39. When a patient could not pay a large bill, Dr. Borchardt would tell him to go to his home and help build until he had worked enough to cancel his debt."

After viewing the home, a brief business session was presided over by Mrs. B.N. Cauthorn, president. Mrs. A.R. Bustine was presented a birthday gift. The members were then entertained with a musical program.

Mrs. R.D. Burdette

Burdette-January United In Marriage

Celene Anet January and R.D. Burdette were united in marriage Thursday evening before an altar setting of candelabra and yellow mums in the St. Jude Thaddeus Catholic Church.

Rev. Harry W. Fisher officiated the double ring ceremony.

Parents of the couple are Mr. and Mrs. Kenneth January, 404 East First Street, and Mr. and Mrs. Robert M. Burdette, 305 South Holly Street.

Given in marriage by her father, the bride wore an heirloom gown belonging to her mother. It was designed with nylon lace over satin and featured a chapel train. An open lace cap held the tiered, lace trimmed veil and the bridal bouquet was a white gamelia.

Starla and Alexis January served their sister as maid of honor and bridesmaid. They wore identical princess style gowns of lime green and carried longstem pompom mums.

Steve Loveless was best man and Randy Holland served as groomsmen.

Ushers were Mark Burdette and Phillip January, brothers of the groom and bride, Shannon Hopkins, sister of the groom, and James January, brother of the bride, served as candle-lighters.

Traditional wedding select-

ions were played by Tracey Jancke.

Following the ceremony the parents of the bride hosted a reception in the Parish Hall. The serving table, covered in white linen, held a tiered cake decorated with lovebirds and wedding bells and carrying out the bride's chosen colors of yellow and green. Assisting with the serving duties were Mmes. Mark Burdette, Steve Loveless, Misses Cheryl Guillary and Belinda Moffitt.

After a wedding trip to Dallas, the newly married couple will reside at 619 East Sixth Street.

Both are graduates of Burk Burnett High School. The bride is employed by Herbs Discount Foods and Burdette is employed by Allis Chalmers.

A rehearsal dinner, hosted by the groom's parents, was held in the Parish Hall of St. Jude.

Out-of-town guests at the January-Burdette wedding included Mr. and Mrs. Floyd Shafer of Wakita, Okla.; Mr. and Mrs. Billy Kneeb of Wichita Falls, Mmes. Robert Lanier of Houston, Jess Oliver of Texas City, and Bill House of Lamarque.

Agriculture Commissioner John C. White reported that the average protein content of dry beans is 25 percent.

Poll Power Heard By Local Club

The Contemporary Study Club met in the home of Mrs. John Brooks recently. Mrs. Jack Zumwalt was co-hostess.

Mrs. Tom Smith opened the meeting with the Club Collect. Roll call was answered by naming a famous educator.

Members brought a display of old text books.

Members turned in reservations and discussed duties for the annual Federated Banquet.

Mrs. M.D. Cheney gave a report from the Community Service Council. Members decided to bring canned goods to the next meeting for a needy family on Thanksgiving.

Mrs. Joe Boucher was appointed as Volunteer Services Representative and Mmes. Gad Garland, Zack Zumwalt and Tom Brumfield were appointed to the Scholarship Committee.

Mrs. Dan White presented a brief program on "Poll Power".

Mrs. VanLoh Hosts Burk Study Club

The monthly meeting of the Burk Burnett Study Club was held in the home of Mrs. Harold VanLoh.

Words of Unity were given by Lt. Col. Jane Sewell (Ret.), president of the club.

"It's A Small, Small, Small World!" was the topic of the program given by Mrs. Truman Garland. Roll call was answered by current news items concerning foreign countries.

A report was given by Mrs. P.A. Carpenter concerning money raising projects sponsored by the Texas Federation of Women Clubs.

Mrs. E.D. Potter gave a report on the Community Service Council.

Mrs. H.C. Preston, chairman of the Finance Committee, announced the time and place for the annual Garage Sale. Proceeds from the sale will be utilized for club projects during the club year.

A special thank you was given to volunteers who helped with the Red Cross Blood Mobile who were Evelyn Felty, Madelyn Hill, Mildred Garland, Marie Raines, Mary Hicks, Nadine Bowles, and Kathryn Potter.

Members present were Lois Bean, Jo Beard, Nadine Bowles, Virginia Carpenter, Jackie Ellett, Mildred Garland, Carol Gibbs, Anne Gillespie, Mary Hicks, Jean McBeath, Beulah Morse, Kathryn Potter, Beverly Preston, Marie Raines, Helen Reasoner, Jane Sewell, Gloria Skelton, and the hostess Guinn VanLoh.

Devol Doings

The Baptist Out Reach Prayer Service is continuing to meet at 9 a.m. each Monday. This week the Service met in the home of Mr. and Mrs. Lin Harms with 9 members present.

The next regular meeting will be Monday, October 28, at 9 a.m. in the home of Mr. and Mrs. J. Turner.

A revival is in progress at the First Baptist Church in Devol and will continue through Sunday. Walter Evens of Dallas is the evangelist and Rodney Kotneynovich of the North Side Baptist Church in Wichita Falls is music director. Services begin at 7:30 p.m. nightly. Pastor Laine Crowe extends a cordial welcome to all.

Mr. and Mrs. Richard Anderson and children Karen, Richie and David of Burkburnett were Sunday guests of Mr. and Mrs. Frank McClendon.

Mr. and Mrs. Sam Bishop, former residents of Devol who are now living in Bowie, Texas were visitors here last week.

Claude Doty underwent surgery at Wichita General Hospital recently and is now at home and feeling much better.

Mr. and Mrs. Lin Harms returned home last Wednesday from Lubbock, Texas after spending several days visiting Mrs. Harm's sister and family, Mr. and Mrs. H.E. Phillips.

Recent company of Mrs. Maud Green were her daughter and family, Mr. and Mrs. Fred Fewin, Jr., Miss Tressa Fewin and Mrs. Jeff Mott and her son, Ryan, all of Lubbock, Texas.

Mr. and Mrs. A.D. Green returned home last Wednesday after visiting their daughter and family, Mr. and Mrs. Tom Thol in Great Bend, Kansas.

Mrs. Ida Green and Mrs. Grace Uthe visited Mr. and Mrs. Lynn Green in Lawton Friday.

Mrs. Lillian Hutson is spending this week in Hollister in the home of her daughter and son-in-law, Mr. and Mrs. Charles Moran.

News From Hickory Elm

Sunday School on Oct. 20 was attended by 29 residents. Our thanks go to Glenn Epps, Frank Mallory and Doris Hodges for sharing their time and service every week.

Singing was enjoyed Tuesday night by the youth group known as the Singing CA's and Thursday night service was held by Cashion Baptist Church with many of their members in attendance.

We are happy to welcome Mrs. Calude Reed and Mr. Joseph Gloger to our home.

Our director, Mr. John Arthur, and his son, Larry, attended the State Fair last week, where Larry showed a lamb.

Margaret Strahan, social director, attended a workshop this weekend for Activity Directors from the North Texas area.

Our thoughts are with Mrs. Swan, who is in Wichita General Hospital, Room 424, and we look forward to her return.

Mrs. Snodgrass enjoyed a visit to Grandfield where she spent a couple of days with her niece and family.

Mesdames Sam Spencer, Ella Gill, Gertrude Barfield and H.E. Clayton visited Mrs. Kennedy, Mrs. Rutledge and Mr. and Mrs. O.J. Cooper on Thursday.

Mrs. Leo Foster visited with

Mrs. Kennedy, Mrs. Cooper and Mrs. Reed on Thursday.

On Friday, Ella Brown of Petrolia visited Mr. Boyd while Peggy, Jimmy and Cindy Marshall visited Mrs. Wallace.

Mrs. Lula Prescott visited Mrs. Cooper, Mrs. Reed and Mrs. Rutledge on Sunday.

We would like to thank Madell Ellis, daughter of Mr. Gloger, for the delicious cake she brought for the staff.

Members of Theta Epsilon are busy making Halloween decorations for the rooms of our residents. Our thanks go to Clodella Bridges and Edith Holland for their help with games last Wednesday.

Cub Scout Pack 156 will have their monthly Pack meeting at 7 p.m. Thursday at the Fellowship Hall of First Baptist Church. Awards will be given and a

Locals Daughter U.S.A.F. Graduate

WICHITA FALLS, Texas - Airman First Class Debra Pugliesi, daughter of Mr. and Mrs. Joseph J. Pugliesi of 305 Buckner, Burkburnett, has graduated at Sheppard AFB, Texas, from the U.S. Air Force electrical power specialist course conducted by the Air Training Command.

The airman, who was training to operate and maintain electrical power generating equipment, is being assigned to Tinker AFB, Oklahoma, for duty with a unit of the Air Force Communications Service.

Airman Pugliesi attended Burkburnett High School.

Pack 156 Slates Meet

Cub Scout Pack 156 will have their monthly Pack meeting at 7 p.m. Thursday at the Fellowship Hall of First Baptist Church. Awards will be given and a

special Halloween Party is planned. All boys ages 8 to 11 and their families who are interested in joining scouting are invited to come and join in the fun.

Bob Hope Tickets Available

Tickets are now available for the YMCA's 25th Anniversary party celebrating a quarter century of service to the community. Bob Hope, possibly the world's best known comedian, will headline the celebration with his wit and humor. "This will be Hope's second appearance in our city on behalf of the YMCA," said Bob Lindsay, YMCA President, "and we feel fortunate to have him return."

Hope is possibly best known for his annual Christmas trips to entertain the Armed Forces wherever a man might be stationed around the world. These trips and the television shows of them have made him loved and admired by Americans of every age. His humor is contagious and he will give us his best for over an hour.

As a special guest attraction, Shirley Cothran, Miss America 1975, will also be on the program. Shirley literally will be coming home as she is from Denton. In addition to these two stars, there will be local artists representing Midwestern University, Sheppard, and the High Schools. All in all, a full evening of fun is planned.

"We have priced the tickets as reasonably as we could," continues Lindsay, "as we want everyone to have the chance to see these two celebrities and join in the YMCA's Celebration."

Tickets are available at the following locations:

OTASCO in Burkburnett; Max Kreutz House of Music; Sheppard AFB Bldg. 395; North Texas Federal Savings; Midwestern University Book Store; GEICO - 4116 Old Burk Road; McClurkans in Parker Square; and the YMCA - 1010 9th Street.

Both reserved and general admission tickets are available at all locations and firms or groups desiring blocks of tickets are urged to get requests in early while there are plenty of good seats still available. General admission tickets are \$3.50. Reserve tickets are \$4.50.

Potential Is Great For Conversion To Solar Energy

Solar energy should be used in all new homes and 20 million existing homes a year should be converted to solar energy.

This is the opinion of Terrence Caster, president of Energy Systems, Inc., San Diego, Calif., speaking at a recent International Solar Energy Conference.

He said it costs an estimated \$3,500 to convert a home to solar energy. Multiply this by 22 million homes and the potential of the industry is \$77 billion annually.

"In a decade, the solar energy industry in home building could equal the entire U.S. automobile industry," he said.

"THERE IS A TIME FOR EVERYTHING..." Ecclesiastes 3:1, The Living Bible, Tyndale House

GOD'S FIVE MINUTES

Rome

THE CROSS AND EMPTY TOMB ARE FOR YOU

All the immensity of the universe is focused on the cross of Christ. The crucifixion of Christ, and His resurrection are the central facts of all of history, for God cast this entire universe along redemptive lines. "And I, if I be lifted up from the earth, will draw all men unto me."

When we feel dwarfed by our solar system, when insignificance overwhelms us to the point where we begin to think or feel that either God doesn't know or he doesn't care, read the 19, 20 and 21st chapters of John. The cross and the empty tomb are for you!

ATTEND CHURCH THIS WEEK

This column belongs to our readers. We will accept printable items and pay \$1.00 for each item published. In the case of quotations, the name of the author and the title and publisher of the book must be given. Address items to "God's Five Minutes," Box 12157, Fort Worth, Tex. 76116

SHEPPARD AFB, Texas--AND SLOWLY TIGHTEN--Master Sergeant Gary L. Newingham shows his son, Airman Robert L. Newingham how to adjust a teleprinter. Both are instructors at the Department of Communications and Missile Training of the School of Applied Aerospace Sciences at Sheppard Air Force Base, and are Burkburnett residents.
[U.S. AIR FORCE PHOTO BY SERGEANT BILL BONFIGLIO]

Sheppard Notes

LOCAL IS HIGHEST GRADED WOMAN AT SAFB
SHEPPARD AFB, Texas--Mrs. Faye Bolinger, one of the 10 women at Sheppard Air Force Base, who works in the higher grade of General Schedule (GS)-11, is now training for a GS-12 position and will become the highest graded woman at Sheppard when she is promoted.

She recently became traffic management officer in the Transportation Division of 3750th Maintenance and Supply Group.

The new traffic management officer first came to Sheppard in 1944 and remained until 1946. She came back in 1950 and will complete 26 years in federal service in November 1974.

Her positions have been both

as military and civilian pay clerks and she has worked with outboard household goods and as traffic manager.

A native of Burkburnett, she stated that her new job is a challenge and is one in which she can never learn everything she wants to know.

"We have so many nice customers and the majority are very patient and understanding; however we work with their household goods and these are their cherished possessions," she stated. "Sometimes when the household goods are damaged or lost, they get short-tempered."

About 50 people are assigned to traffic management. "They are an excellent group to work with," Mrs. Bolinger said. "We are working toward having the best traffic management office in the command."

Mrs. Bolinger, whose husband, Warren is employed in the 3750th Civil Engineering Squadron, has a daughter, Mrs. Jerry Shaffer of Pond Creek, Okla., and a son, Bobby of Burkburnett and four grandsons and one granddaughter.

"**LIKE FATHER-LIKE SON**" SHEPPARD AFB, Texas--Two people at Sheppard Air Force Base proved the old adage "Like Father-Like Son" to be true at Sheppard Air Force Base by becoming instructors at the School of Applied Aerospace Sciences.

Master Sergeant Gary L. Newingham is an instructor supervisor in the digital subscriber terminal equipment repairman course and his son, Airman Robert L. Newingham teaches electronic fundamentals. Both are with the Department of Communications and Missile Training.

Sergeant Newingham entered the Air Force in 1955 and attended technical school at F.E. Warren AFB, Wyo., where his son was born. He plans to retire in December.

The Newingham's have been in the local area since 1968 and Robert graduated from Burkburnett High School in 1973.

"I have been around the Air Force all my life," Robert said, "so it seemed natural to enlist. They asked for volunteers for instructors while I was going through the teletype maintenance course, so I applied and was accepted."

He added that he wanted to be an instructor because as a student he saw things that he felt could and should be changed such as the approach to the subject. "I saw things from the student's point of view and heard all gripes. I felt I could teach what the students wanted to know," he said.

Sergeant Newingham said that he gave his son one piece of advice on teaching. "Everyone approaches their subject slightly different," he said, "but the important thing is that there are no dumb questions. What is crystal clear to the instructor might be confusing to the student. If there are any dumb questions, they're those that are not asked."

Robert is no stranger to electronics as his father has been a ham radio operator for 14 years and owned and operated several television repair shops.

Robert completed the teletype equipment repair course before attending the technical instructor course.

"I get the students first," the airman said, "all students entering the electronic field attend the basic course and after they finish it, they go into their speciality. Dad teaches a specialized course and I figure if I don't do my job right, he'll let me know about it."

Sergeant Newingham, son of Mr. and Mrs. Floyd T. Miller of Whitehall, Ill., and his wife Audrey, also have a daughter, Cynthia, who is a student at Burkburnett High School.

Robert is married to the former Anita A. Mallory, daughter of Senior Master Sergeant (retired) and Mrs. Frank Mallory of Burkburnett.

"I'm proud that my son enlisted in the Air Force and became an instructor," Sergeant Newingham said, "and I know he made a good decision."

THREE RETIRE IN BURKBURNETT

SHEPPARD AFB, Texas--Twenty-one people with a combined total of more than 450 years active military service retired at Sheppard Air Force Base September 30.

Of the retirees, eight will remain in Wichita Falls, three in Burkburnett, and four in other towns and cities in Texas.

Burkburnett retirees are Master Sergeant Ronald E. Goodrich and Technical Sergeants Stephen Kocis and Paul D. Lang.

Sergeant Goodrich was a medical services technician with the USAF Regional Hospital. Sergeant Kocis was an automatic flight control systems technician with the 3750th Consolidated Maintenance Squadron (CMS), and Sergeant Lang was an instructor in the electronic and cryptographic equipment systems technician course, SAAS.

Local's Sons On Tour Publicizing New Album

Chris and Dan Pierce, sons of Dr. and Mrs. Carl L. Pierce of Burkburnett, Texas are on tour of the Eastern states publicizing their new album. Guitarist's with the group Kegbely, they have been making personal appearances on stage in Chicago and the surrounding area. They recently played with Elvin Bishop, popular recording star.

Chris plays bass guitar and Dan sings, plays harmonica, piano, organ and is the lead guitar player for the group. The brothers graduated from Rider High School in Wichita Falls and majored in music in college. Dan has been playing professionally since he was 13 years old, for church groups and in various bands around the Wichita Falls area. He was a member of Avalanche, a Blue Ribbon Talent band from Colorado Springs, Colorado. Chris started playing bass guitar at about 16 to fill in when Dan's bass player was ill and they have either played together or filled in with the other's group ever since.

They have two brothers and a sister who play guitar well. All were honor students while in high school. Their sister is Mrs. Johnny Divine of Burkburnett.

Her husband is bass guitarist with Our Contribution at the Abbey in Wichita Falls. Mark is a Journalism major at the University of Texas at Austin, Texas and Keith is a junior at Burkburnett High School.

The Pierce brothers have collaborated with others on composing and arranging all the songs in their album, which consists of country and western, jazz and blues.

The group will be in the Dallas and Austin area during November and December making concert appearances.

Hardin PTA Skate Days Announced

The Hardin PTA has announced their Skate Day schedules for the remainder of the school year. The events will be held on the Saturdays of Oct. 26, Nov. 30, Dec. 28, Jan. 25, Feb. 22, March 29, April 26, and May 31.

The events will be held at the Funtime Roller Rink from the hours of 2:00 p.m. until 4:30 p.m. Price will be 60 cents with a skating pass.

Skating passes will be given out at Hardin School or they can be obtained at the door on the last Saturday of each month

from Cay Clark or Ginger Smith, skating chairmen.

Employment Agency Optimistic on Jobs

General Employment Enterprises, a company that specializes in finding jobs for people, reports that it sees no signs of a depression in the offing. "Looking at our placements, there's no current evidence of a business slowdown, no matter what many experts are saying," Herbert F. Imhoff, chairman and president, said in a recent interim report of the company's finances.

Cattle graze on reclaimed land near FESCO's lignite coal operation near Fairfield, Texas. The dragline used for recovering the lignite can be seen just over the hill.

Ten months ago this peaceful Texas pasture was a coal mine.

The lignite coal found here is being used to generate electricity for Texas Electric Service Company in our Big Brown plant near Fairfield, Texas.

Our main fuels are natural gas and oil, and they will continue to be for several years. But new supplies of these fuels are increasingly difficult to obtain.

Using lignite, and by the 1980's nuclear fuel, will help us reduce our dependence on natural gas and oil.

One advantage of using lignite is that it isn't being used extensively for any purpose other than the generation of electricity.

After removing coal from the land you see here, it was reclaimed — the soil was replaced, tilled, fertilized and a variety of grasses planted — to make its productivity equal to or better than before. Now it is used for raising crops or cattle.

At Texas Electric, we're continuing the orderly development of our power system so that you'll continue having the electricity you need.

And we're doing it with full concern for the environment.
