## Small Turnout Expected Tues.

Although this could possibly be the year most noted for its political happenings, a small number of voters are expected to make their way to the polls for the General Election Tuesday.

The only real contest on the ballot seems to be the race for U.S. Representative, 13th Congressional District between the incumbent Bob Price (Rep.) and seat hopeful Jack Hightower (Dem.).

Ray Farabee (Dem.) and Mrs. Mary Virginia Kirchhoff (Rep.) are both vying for the local State Senator, District 30 seat. This is the seat formerly held by Sen. Jack Hightower (Dem.) of Vernon.

Local citizens living in Precinct 28 will vote in the Council Room of the Burk Burnett City Hall where F.T. Felty will be the presiding

judge. Voters in Precinct 27 will vote at the Civic Center located at Davey Drive and Kramer Rd. where C.M. Archer will be the presiding judge. Precinct 29 citizens will vote at the Burk Burnett High School Library where James Roderick will be the presiding judge.

Local citizens needing transportation to the voting polls may contact Mrs. Katy Miller at 569-3641 who is heading a non-partisan Poll Power project by the local Contemporary Study Club. Also local Civic students at the high school are working to provide transportation to the voting polls. A person may call the local high school at 569-1411 and leave word and transportation to the polls will be provided. After 4:00, persons may call 569-2376 and request transportation.

In other races, Gov. Dolph See ELECTION, Page 2

## Students In Campaigns

"They are involved in a true learning experience. They will get the inside view of what politics really is, and how a campaign works," stated Mrs. Alecia Nemecek as she spoke of her 31 students involved in the various campaigns for the Nov. 5 general election.

The students are the top from the 118 enrolled in the local civic classes.

With the help of high school principal Bill Darland, who is given credit for making the program possible, the students will be working in the various republican and democratic campaigns in lieu of their six weeks tests.

The students will be graded for the number of hours they work in the campaign with a minimum of five hours being required for a grade of 70. They will be given 10 points for each additional hour they work in the campaign. This score will comprise 75% of their six weeks test score.

The other 25% of the test will involve the students' courteousness, efficiency, sincerity, and being energetic and well groomed. The grade points from this portion will be given by campaign officials.

In class one day the students reviewed the platforms, etc. of the various candidates and elected whom they would like to campaign for. Twenty-four picked democratic candidates while seven picked republicans.

Two students will be representing Mary Kirchhoff, three representing Jim Granberry, four representing Bob Price, six representing Gov. Dolph Briscoe, fifteen representing Jack Hightower and two are representing Ray Farabee.

The students have worked in various phases of the campaigns for their candidates including addressing mail outs, telephone canvassing and putting up posters. Earlier this week they heard Jack Hightower.

Once again it's time for the spooks and goblins to invade our fine city. There are several things planned for today and tonight that should provide some entertainment for the youngsters.

The Chamber of Commerce will have their annual Halloween Costume parade this afternoon at 4:30. Some 400-500 local children are expected to meet at the intersection of Ave. D and Third St.

Then the Eastern Star will have their Haunted House in full swing, which will provide some scary fun for old and young alike.

I would hope that these type activities would keep some of the trick-or-treating, or at least the tricking, down to a minimum.

It's a shame that our children can't feel safe and have the type of fun we did when we were their age, but facts are facts. I would urge all parents to accompany their children on the trick-or-treat missions. In addition, only call on the homes of people you know and can trust.

And above all, whether you're trick-or-treating, or just driving about the city—Please Be Careful.

I've really never understood how it happens, but somehow between the time the proof-reader reads the copy for a newspaper and the time it comes off the press, errors seem to creep in. Or maybe it's just in how you read the newspaper.

Take for instance the head of a story that stated "Thief Enters Grade School." Of course it was a story concerning a theft at a local elementary school, but the next morning it sounded like the thief thought he needed some more education.

The Columbia Journalism Review recently collected and published a few unusual headlines that have appeared in newspapers lately. Following are a few of those heads.

The Sarasota Herald's gem was "Teacher's Head Goes Off To Jail." The Flint Journal contributed "Linden

## Downtown Costume Parade

All local children in grades 1-5 are reminded of the Halloween Costume Parade this afternoon at 4:30 in downtown Burk Burnett, sponsored by the Burk Burnett Chamber of Commerce.

An estimated 400 children are expected to turn out for the parade and to show off their Halloween costumes. Those entering the parade will meet near the old ice house at the intersection of Avenue D and East Third Street.

Prizes will be given to the best costumes in the parade. Chamber officials selected the winners Tuesday in the Halloween Poster contest. The teachers and students in each class selected the three best posters from their class to compete as finalists in the poster contest. Each class competed with the other classes in that same grade. There wasn't any competition between the grades.

Chamber officials served as the judges to select three winners for each grade from the finalists posters. First place poster in each grade was awarded \$5, second place \$3, and third place \$2.

**ERA IN LOCAL HISTORY COMES TO END**—An unforgettable era in Burk Burnett's history came to a close Monday as workers pulled the rods and tubing from the last oil well in the city limits of the old original oil boom days. F.T. Felty Well #1 pumped its last barrel of oil last week as workers began pulling the well Monday morning. The well was drilled in 1918 and produced

thousands of barrels of oil per day when it blew in. In the last few years the well produced only a barrel a day. Long-time oil field workers J.R. Tyler and Z.M. Milstead, with the help of the younger Jimmy Martin operated the pulling unit. The well will be capped in the next few days.

## Italian Kitchen Opens In Burk

Burk Burnett gained another major addition to its business services Saturday with the opening of Buck's Italian Kitchen.

Although small in area, it fulfills a needed area in the food business in Burk Burnett. Buck's Italian Kitchen will offer quality pizza, spaghetti, ravioli and lasagne.

Owner Bert Buckley emphasized the importance of quality as he stated it would be a few days before the Italian Kitchen could offer ravioli. "Our ravioli will be shipped in from Chicago. The ravioli that we received from suppliers from this area is the same ravioli that you can buy on the shelf at the food store. I will NOT serve it. When you come here you expect quality and that's what you will get. And that's why we are having our ravioli shipped all the way from Chicago where we can add our own special sauce."

Specializing in carry-out service, Buck's Italian Kitchen will be open from 5:30 p.m. to 10:00 p.m. Tuesday through Sundays. "Just give us a call and then

come by in about 20 minutes and pick it up," stated Bert. Pizzas will be available in the 9 inch, 15 inch and 19 inch sizes at prices below the

specialty houses in nearby towns. Helping Bert with his new business will be his sons.

## Formal Dedication Saturday For American Legion Post

The National Vice-Commander of the American Legion, Jack W. Flynt will deliver the keynote address Saturday at the formal re-dedication of the local American Legion Post. The Frye-Vaughn Post #264 has undergone a great expansion and a complete redecoration of the original building.

The new portion of the Post includes 60' x 96' main Assembly Hall with a stage that measures 12' x 36'. The existing portion has been remodeled into an attractive private club room, game room, kitchen and conference room.

Following a 5:30 reception, the official ribbon cutting will be at 6:40 with dinner and a dance to follow.

Giving the welcoming address to the huge attendance expected will be Burk Burnett Mayor T.M. Cornelius, Lynn Stewart,

immediate past Department Commander of Ft. Worth, will give the response.

On Sunday there will be a breakfast beginning at 7:30 for out-of-town guests. Public Open House tours will be Sunday afternoon between the hours of 2:00 to 4:00.

A large number of important Legion and Auxiliary members from the two-state area are planning to attend the event.

Keynote speaker Jack Flynt, who is a 16-year member of the American Legion, is a past Department Commander in Corpus Christi and has served on numerous committees for the Legion.

A native of Tulsa, he is a graduate of Texas A&M University and the American Legion Institute. He is self-employed with farming and ranching interests and is

a special agent for the Farm Bureau Life Insurance Co.

In addition to being a member of the First Methodist Church, he is a member of La Societe 40 Hommes des et 8 Chevaux;

Scottish Rite Body, York Rite Body and Shriners. He is a former secretary of the Castro County Activities Committee and a former county chairman for the Salvation Army and the American Red Cross Drive.

'Dogs Travel To Iowa Park Fri.

"They're big and open up even bigger holes in their opponents' defense. They average well over 200 lbs.," stated Bulldog Assistant Football Coach Bill Branum as he looked over the scouting reports of the Bulldogs next opponent - Iowa Park.

The Bulldogs will travel to Iowa Park Friday to take on what has been described as

one of the best Hawk teams in a long time. They've lost only one district game and that to the powerful Brownwood Lions in a 17-0 contest. Last week they ran over Weatherford 34-19 on the Kangaroo home field.

"Weatherford had only lost to Brownwood earlier in the season, and they have a fine ball club, but Iowa Park

## Several Awards Won Recently By Local Painter

"I entered my first art show in June at Graham, then in August I entered shows at Holliday and Decatur. I'm real happy to have won six ribbons, a nice trophy, and two cash awards," said 16-year-old Kermit Olson, son of Mr. and Mrs. Ray Olson.

Kermit is a senior at Burk High and plans to attend Northwestern University. "I'd

Kermit Olson

wanted to major in art, but I wasn't sure I could make it. Winning the ribbons gave me a bit more courage. In fact," he laughed, "winning gave me enough confidence to let it be known to some of our friends that I had some paintings (both water color and oils) for sale."

"I've sold several paintings and now have my work in private collections in Texas, New Mexico, Oklahoma and Minnesota. One of my best sellers is different views of the old outhouse on my grandparents farm at Lone Grove," he said.

"When the Burkburnett Art Association first organized about four years ago I started going to it," Kermit explained. "George Crowell, our leader, gave me a good start. Last year I took art at school. Mrs. Gary Bean was my teacher. She's great."

Kermit submitted entries at Frederick Art Festival. Born in Burkburnett, Kermit has never lived anywhere else. However, he has done extensive traveling. His father, a civilian who works at Sheppard AFB, came from Minnesota. "Each summer we go see my grandmother, but last Christmas we went for our first winter trip. I want to go back again this Christmas. I

never knew how much fun you could have snowmobiling and ice fishing. I have lots of relatives up there -- all Norwegian. They think I talk funny - but my relatives all think it is 'yob to make yelly and put in the yars'."

"We tried to find relatives when we went to Norway in 1971. We had entertained a Norwegian officer from Sheppard several times and he had tried to establish relationship for us in the town my Grandmother's parents came from. There are sure a lot of Olsons in Norway," Kermit smiled, "but none of them wanted to claim us."

For the past three years Kermit has had parttime summer employment making bulletin board displays for area teachers. He has been a member of the Burk Band for eight years - playing a baritone horn. He went to Austin for state competition as a member of an ensemble last year.

## Koulovatos Wins \$15 In Contest

Alex Koulovatos with a football contest entry with 18 correct games and an almost perfect tie-breaker prediction edged out Walt Doerre to win the Informer/Star football contest this week.

Tied with Koulovatos and Doerre were Mrs. M. Nixon and Homer Shaffer. Koulovatos' tie-breaker pick of Burk 20, Graham 13 topped the other entrants as Doerre picked Burk 18, Graham 14. Mrs. Nixon picked Burk by the score of 24-7 and Shaffer went with Graham by the score of 19-13.

Almost a dozen other entrants had entries with 17 correct picks.

Results of last week's contest games included WFHS 26, Castleberry 6; Rider 28, Bell 14; Richland 28, Hirschi 12; Iowa Park 34, Weatherford 19; Brownwood 40, Vernon 0; Henrietta 35, Olney 6; Seymour 25, Elcitra 6; Decatur 20, Jacksboro 12; Archer City 21, Windthorst 6; Knox City 20, Crowell 3; Texas A&M 20, Baylot 0; Texas 27, Rice 6; Texas Tech 20, S.M.U. 17; Dallas 21, N.Y. Giants 7; St. Louis 23, Washington 20; New England 17, Minnesota 14; Detroit 19, Green Bay 17; Kansas City 44, San Diego 14; Nebraska 7, Oklahoma St. 3; Missouri 30, Colorado 24; and the tie-breaker was Burkburnett 21, Graham 14.

## C-C Ballots Now Out To Members

Ballots have gone out this week to members of the Burkburnett Chamber of Commerce for the election of five new directors to serve a three-year term.

Eleven names appear on the ballot and Chamber officials are urged to select only five and return the ballot to the Chamber office no later than Nov. 18. Those included as nominees for Chamber Directors include Chuck Lindenborn, Dorothy Bryant, Jack Aaron, Robbie Nelson, Randall Hudson, Greg Williams, Jacky Cornelius, Randy Clement, Ben Martin, Jim Phillips and Jeep M. Elliott.

Members of the nominating committee were the outgoing directors, Walt Doerre, Gary Owen, Bob Carter, Bob Carpenter and Loretta Hunt who served as chairman.

Chamber Manager Jim Lemley also noted that Monday will be the regular monthly luncheon for the Chamber membership.

The High School Choir will provide the entertainment for the meeting.

## Magee Returns To Norfolk

Navy Seaman Michael R. Magee, son of Mr. and Mrs. Billie R. Magee of Route 2, Randlett, Okla., has returned to Norfolk, Va., aboard the destroyer USS Harold J. Ellison after a cruise in the Mediterranean.

He helped provide training to more than 450 reservists who were embarked aboard the ship to fulfill their annual active duty requirements.

Magee also visited Naples, Italy, and Barcelona, Spain, while in the Mediterranean.

A graduate of Big Pasture High School, Randlett, he joined the Navy in September of 1972.

## Greer Leaves On Tour

Marine Lance Corporal Johnnie C. Greer, son of Mrs. Lessie M. King of Grandfield, Okla., has left the Marine Corps Base, Camp Lejeune, N.C., for a six-month deployment in the Mediterranean as a member of the 32nd Marine Amphibious Unit.

During the cruise he will participate in various training exercises involving other NATO forces. Greer is also scheduled to visit several Mediterranean countries.

A 1972 graduate of Grandfield High School, he joined the Marine Corps in May 1973.

## ELECTION

Continued From Page One

Briscoe (Dem.) will be opposed by Republican Party candidate Jim Granberry; Razada Unity Party, Ramsey Muniz; Socialists Workers Party, Sherry Smith and American Party candidate S.W. "Sam" McDonnell.

Another important race to rural Texans will be between Commissioner of Agriculture incumbent John C. White (Dem.) and hopeful Zack Fisher of the Republican Party.

### Burkburnett Bluebirds Visit SAFB

The "Burk Bluebirds", who are part of the Campfire Girl's organization, visited Sheppard AFB Hospital October 23 and went through the Pediatric, X-ray, and Occupational Therapy clinics. Captain Rardin, the hospital information officer, escorted the group to each clinic. Air Force nurse, Captain Pat Mack, showed the girls eye charts, various X-ray pictures, and let each child listen to her heart beat through a stethoscope. The girls were then taken to an X-ray room and shown how the pictures were taken, by technician, Sgt. St. John. This was informative as none of the girls had been X-rayed before.

Captain Bojarski, an occupational therapist, showed various crafts done by patients, a weaving loom, and special devices used by handicapped patients to help care for themselves. When asked what was the most interesting thing they did, the First and Second graders all agreed--the snack bar visit!

Those attending were Leader, Mrs. Gilbert Wasserzieher; Mrs. Howard Stubblefield, Mrs. Beuron Lewis and Bluebirds Rhonda Lee, Cheryl Lewis, Robin May, Cindy Schaffner, Pamela Shaw, Kim Watson, Karen Wasserzieher, Tona Stubblefield and her little sister, Dale Stubblefield. There is room for two more girls in the Bluebird group. Please call 569-2703 for information.

## County Agent News

The income tax season is fast approaching. With this in mind and the possibility of several tax changes forthcoming, an Income Tax Clinic for practitioners has been scheduled for Dec. 3 and 4 at the Texas A&M University Research and Extension Center at Vernon. The meetings will start at 9 a.m. and run until about 4 p.m. There will be no registration fee.

The clinic will be co-sponsored by the Texas Agricultural Extension Service and the Internal Revenue Service. The Internal Revenue Service will furnish the instructors. The topics covered will emphasize farm tax situations but will not exclude other topics that need to be discussed.

Wichita County farmers should begin getting their records in shape for the 20th nationwide Census of Agriculture which will be conducted during the first part of 1975 by the Bureau of Census. Accurate and detailed records will make it easy for farmers to comply with the federal agency's request. The important thing is to keep good records of your farming operations this year.

Farmers will receive their report forms by mail early next January. These should be completed and returned promptly. Questions will ask for acreage of cropland harvested, quantity and market value of major crops produced, acres irrigated and means of irrigation, acreage treated with pesticides, lime and other chemicals, acreage fertilized by kind of fertilizer (dry, liquid, gas). Questions on livestock and poultry will cover the number of each kind on the farm as well as the number sold and the sales value.

farm programs. The two types of report forms being prepared include one for farms with sales of \$2,500 or more and a less detailed form for farms with sales of less than \$2,500. However, regardless of the form a farmer receives, he need answer only those questions that apply to his operation. By federal law every report is confidential and may be used only for statistical purposes. \*\*\*\*\*

This year's State 4-H Rabbit Show is scheduled for October 26 in the Agricultural Center in Temple. About 350 entries from throughout Texas are expected. Registration will be from 8:00 a.m. to 10 a.m. with judging starting at 8:30 a.m. The judge will be H.M. "Red" Spence, past president of the Texas Rabbit Breeders Association. \*\*\*\*\*

A special Agricultural Credit Analysis Workshop will be held at College Station February 12-14, 1975. This special two-day in-depth session will be held after the conclusion of the 23rd Annual Farm and Ranch Credit School for Commercial Bankers which is scheduled for February 10-12. The Agricultural Analysis Workshop will begin at 1:30 p.m. on Wednesday, February 12. It will be over at 11:30 a.m. the following Friday. Pre-registration is necessary and a \$50 fee will be collected. For further information and registration forms, write Wayne A. If your coffeepot makes bitter-tasting coffee, it may not be caused by the brand of coffee you're using. An oily residue from previous brews builds up inside the coffeepot causing the bitter taste. To prevent this buildup you should wash the coffeepot with detergent after each use. Rinse and dry it well.

Use a long, narrow brush to scrub the spout and basket stem. An occasional special cleaning also helps keep the appliance from making bitter coffee. If it is lined with aluminum, fill the pot with a solution of one tablespoon cream of tartar for each two cups of water. Then perk this solution through.

If the coffeepot lining is glass, stainless steel, chrome or Pyroceram, fill the pot with a solution of a tablespoon and a half baking soda to each six cups of water. Again, perk for a short period of time. Another method of cleaning is to use a commercial coffeemaker cleaner. Follow the directions carefully and be sure to rinse the pot well after any cleaning method you use.

This week on the television series "You Can Do It" local do-it-yourselfers will learn how to repair leaky faucets. "You Can Do It!" with hostess Cindy Kidwell will be aired Saturday at 1:00 p.m. on KFDX-TV, Channel III.

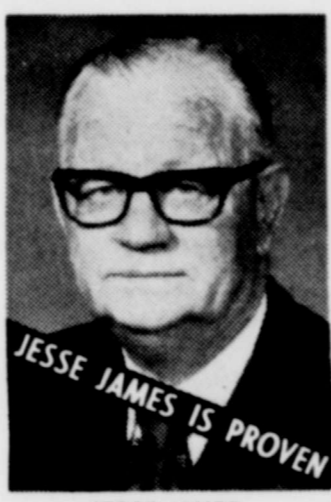

The 13-part educational television series of 30-minute programs is sponsored locally by the Wichita County Family Living Committee and KFDX-TV.

It was created and produced by home economics specialists with the Texas Agricultural Extension Service, The Texas A&M University System, through a special United States Department of Agriculture grant. Bulletins on any of the projects taught during the series are available through the County Extension Office, at 766-0131, or 1626 Midwestern Parkway, Wichita Falls, Texas 76302. There is no charge for the bulletins.

A good way for housewives to exercise their imagination is to create new soups for cold winter meals. Mixing two or more different kinds of prepared soups and adding herbs, spices and garnishes makes an almost limitless variety available. You can choose from canned, frozen, dehydrated, or the newer freeze-dried soups and make any flavor you desire. Mix them together--or add

your own variety of vegetables, meat stock or fish. Canned soups, one of the original convenience foods, are double rich and condensed nowadays. Dry soup mixes differ in the new methods for freeze drying ingredients like the original nutrients of texture hold better. This tips retain that 'just made' taste.

## NO SUBSTITUTE FOR ENTHUSIASM

Above the fireplace in Henry Ford's home is this motto: "Enthusiasm is the yeast that makes your hopes rise to the stars. It is the sparkle in your eye, the swing in your walk, the grip in your hand, the surge of your will, and the energy to execute your will."

Show me a man without enthusiasm for life and I'll show you a man filled with alibis and excuses.

There is no substitute for enthusiasm in God's work. Jesus said, "Zeal for thy house hath eaten me up." No wonder He set about His ministry with excitement. No wonder His enthusiasm for God's plan of redemption is still so contagious, tens of thousands swing in behind Him every day.

"Follow me," He said, "And I will make you..." What an enthusiastic, believable, life-changing challenge!

## Boomtowners Hold Campout

The Boomtowners, local camping club, spent a pleasant weekend at Lake Arrowhead. After setting up camp on Friday evening, the group enjoyed fireside activities.

The members spent Saturday fishing, boating, and hiking. Everyone pitched in and cooked a delicious stew for their supper together on Saturday evening.

The group returned to Burkburnett Saturday with a good catch of fish, after having thoroughly enjoyed

their weekend.

Those attending the campout were Mr. and Mrs. Glen Montgomery and son, Mr. and Mrs. Bill Halsey, Mr. and Mrs. Clarence Bridges, Mr. and Mrs. Herman Miller and guest, and Mr. and Mrs. Lyle Eaton, all of Burkburnett. Also attending were Mr. and Mrs. A.L. Richardson of Iowa Park, Mr. and Mrs. A.J. Reynolds of Wichita Falls, and Mr. and Mrs. George Works of Wichita Falls.

# STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams  
TEXAS PRESS ASSOCIATION

AUSTIN—Previews of debate expected before the legislature next year on the key objective of revamping public school finance formulas already are being offered in Austin.

A legislative sub-committee last week was told state philosophies of education and funding methods must change if there is to be real equality in learning opportunities.

The same House interim sub-committee on public school finance heard differing opinions on whether the so-called "weighted pupil plan" will help correct inequities.

Dr. Jose Cardenas of Texas for Education Excellence and former superintendent of Edgewood School District, San Antonio, said the present Minimum Foundation Program must be scrapped and the "weighted pupil" plan substituted.

Dr. Lawrence Haske, University of Texas at Austin education professor, conceded the "weighted pupil" approach may be a small step forward, but he said he could not see it as correcting all inequities.

The plan would place state school aid on the basis of need for various-level programs rather than on average daily attendance. Apparently, it figures in Gov. Dolph Briscoe's proposals for education assistance.

A Texas Advisory Commission on Intergovernmental Relations public finance committee, meanwhile, suggested levying school taxes on a countywide basis as a

Health, Education and Welfare agency guidelines, and that "fiscal sanctions established by the feds a year ago lagged years behind Texas efforts to rid its rolls of error in welfare payments."

**PAROLEES AIDED** — A group of Houston lawyers are aiding parolees from state prison in their adjustment to life outside penitentiary walls.

They will help find jobs, meet parole requirements and generally assist them in finding their place in society.

The project is financed by Texas Criminal Justice Council.

**COURTS SPEAK**—The State Supreme Court ordered a hearing November 20 on whether the Railroad Commission has power to apportion in the public interest natural gas of Lo-Vaca Gathering Company to Austin and San Antonio.

In other cases, the high court:

Held Bellaire General Hospital of Houston was responsible for the death of a patient housed in a room without oxygen.

Refused to schedule a hearing on Coastal States Gas Corporation's effort to disqualify an Austin lawyer from a breach of contract suit against the firm on grounds the attorney helped negotiate the contract in question.

The Court of Criminal Appeals reversed a five-year prison sentence assessed a Dallas man in the accidental slaying of his wife.

**AG OPINIONS**—A Commissioners Court lacks authority to call for a referendum at public expense on a proposed dam project, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

- It is legal to prescribe different salaries for constables of separate county precincts.
- Residents of a commissioners precinct shifted to another have no vested interest in money assigned their old precinct.
- The Open Records Act does not require the Board of Pardons and Paroles to reveal its files on an inmate to an individual legislator.
- Governmental bodies holding sales tax permits must also furnish a bond or other security to the controller when they collect. So must individuals who sell taxable items from facilities on government property.
- A county clerk is not authorized to record an assumed name certificate for a business entity until full information required by law is provided.
- City of Selma budgets are public records.
- A female employee's right to pay for time she was off her state job due to pregnancy depends on whether any others would have collected for disability caused by illness during the same period. (The opinion applied to an employee who claimed extended sick leave several months after returning to work).
- Laws don't prevent design of a public facility which may amount to a barrier to a handicapped person unless the design was drawn intentionally for that purpose.
- Names and addresses of Dallas water department customers are subject to disclosure under the Open Records Act.

**ELECTION CODE "WORST"** — Texas election code is among those most in need of revision, Secretary of State Mark White Jr. told a legislative committee.

He strongly recommended overall recodification in a single bill.

Aranas County Democratic Chairman Loa L. Bonner testified that out-of-date voter registration lists (containing names of dead persons and those who have moved elsewhere) are hampering the selection of juries.

## How Much Wheat In A Loaf Of Bread?

**Editor's Note:** Bread, because it's so universally consumed, often commands center stage as an economic barometer. One of the jobs of the Economic Research Service, a branch of the U.S. Department of Agriculture, is to keep a close watch on its cost. The following is an analysis of the price of bread by the ERS.

In the midst of the \$1-a-loaf controversy, Economic Research Service economists took pen in hand to see just what effect the price of wheat has on a loaf of bread.

And for most consumers—and wheat producers, the results might be surprising.

For one, the price of a bushel of wheat would have to go up about six times from the March level to raise the cost of a pound-and-a-half loaf of bread to \$1. That would put the farm price of wheat at about \$30 a bushel.

**Wheat Adds 4 Cents**

Even if the farmer had donated his wheat last year, consumers would have to pay better than 23 cents for a 1-pound loaf of white bread. The cost of wheat added only 4 cents.

In all, farmers supplied ingredients that accounted for about a fifth of the cost of a pound loaf of bread. This includes wheat, lard, shortening, sugar, and dried milk.

Normally, farm price fluctuations have little effect on the price of bread. Up until last year, increases at the farm level had added only slightly to the cost of bread over the past quarter of a century.

**Record Set**

But for 1973, average farm value increases added 1.7 cents to the price of a pound loaf of bread. Along with marketing cost increases, this sent bread to a record annual jump of 2.9 cents.

Actually, the changes within the year—January to December, were much sharper than indicated by the averages. The farm value rose from 4.3 cents in January to 7.2 cents in December—an increase of 2.9 cents just in farm value. Thus, with the rise in marketing costs at 4.1 cents, the retail price of a

pound loaf of bread rose 7 cents from the first to the end of the year.

The rise in wheat prices and the farm value is mainly attributable to a world situation of tight grain supplies that has brought unusually strong export demands for the past 2 years.

**Only Sixth Time**

The sharp rise in farm prices drove up the farmer's share of the price of bread for only the sixth time in the past quarter of a century. It went down in 12 years and remained the same in others.

Bread prices in 1947-49 averaged 13½ cents for a pound loaf. Prices in 1973 were up 14 cents to 27½ cents a loaf. Twelve cents of this increase went for marketing and 2 cents to the farmer.

Here's a look at how the 1973 average price of 27½ cents was accounted for:

**Farmer**—He got on the average about 5½ cents from a 27½-cent pound loaf last year. For the previous 6 years, he received from 3.3 cents to 3.8 cents. Still, farmers got a smaller share of the price of a loaf of bread than in the 1947-49 period—20 percent compared with 25 percent.

**Miller**—The miller's share has bounced around over the past quarter of a century from 0.5 cents as recently as 1970 to its high of 1 cent as recently as last year.

Over the years, the miller hasn't played as big a role in price increases as the baker or the retailer. In fact, his 3½-percent share of the price of a pound loaf of bread last year was 1 percentage point less than it was in 1947-49.

**"Other"**—ERS lumps the cost of several minor nonfarm ingredients and charges for relatively minor functions under "other spreads." These charges have fluctuated over the years, but reached a high last year of 1.7 cents. They represent the difference between the cost to the baker for all ingredients and what the miller and farmer get.

**Baker**—The baking industry last year got a little better than half the price of a loaf of bread—14 cents. Back in 1947-49, bakers were receiving

a little less than half the total. About half of the baker margin goes for wages and salaries, including fringe benefits.

Over the years, output per man-hour in bakeries hasn't kept up with wage increases, resulting in higher labor costs per loaf. Hourly earnings for production workers in bakeries in 1972 were about \$3.70 or about triple the \$1.15 average in 1947-49.

In general, the costs of baking and selling bread are trending up. With costs increasing, the baking industry has increased mechanization to raise output per hour of production labor used. For example, bulk methods of handling flour have largely replaced bag handling methods. Bread can now be delivered in bulk by train or truck and moved by air pressure through tubes into storage bins where, in many instances, it's moved into an automated bread production line.

Profits after taxes per dollar of sales have trended down slightly over the years, according to a large sample of bakery firms. In 1955, they were nearly 3 percent and have gradually declined to 1.3 percent in 1973.

However, profits after taxes as a percent of stockholders' equity have trended up in the industry much of the time since 1961. For example, returns to equity were at the rate of 8.4 percent in 1961 and rose to 12 percent in 1967. But the rate of return dropped sharply in the first half of 1973 to an unusually low 6.5 percent.

**Retailer**—Over the past 25 years, the retailer has taken a slightly larger share of the price of bread. Last year, he received 5.4 cents, more than double the 2.2 cents he averaged in 1947-49. His share of the total rose to 20 percent.

Indications are that the retailer's share is smaller for bread sold under a store's own label than for wholesale bakery brands. This would be attributed to lower prices, the volume sold by supermarkets and the streamlined distribution system of bakeries serving them.

## Sheppard Notes

**SHEPPARD-BURK PTA HEARS FIRST GRADERS**

Sheppard AFB, Texas—First Grade students presented the program for members of the Sheppard Elementary School Parent-Teacher Association in the school cafeteria last week.

They were dressed as Halloween characters and sang musical numbers with finger play actions.

Mrs. Wilma Searles, president, conducted the meeting. Mrs. Frenya Snyder stated that a party had been given for Mrs. Ruth King's room for the highest percentage of members enrolled. Room attendance count was shared by Mrs. King and Mrs. Fannie Blow.

**CONTRIBUTIONS HIT 183.9 PERCENT**

Sheppard AFB, Texas—Sheppard and affiliated Federal agencies blew the top off the Combined Federal

Campaign thermometer!

Against a target of \$115,000, they contributed \$220,716, or 183.9 percent of the target.

"We are tremendously elated," stated Joe Keese, CFC vice chairman. "Everyone has pitched in to put us way over the top and we are going to do much good for many people."

Sheppard members contributed the largest share of the CFC total. Base-wide it amounts to \$213,538 or 185.7 per cent of Sheppard's target.

Every organization on base, with the exception of the Defense Property Disposal Service, surpassed its individual target. Some more than doubled their targets.

Other Federal agencies in the area contributed \$4,013, which is 80.3 per cent of their total target.

Gifts from agencies on Sheppard amounted to another \$3,265.

CFC funds will eventually be divided between agencies of the United Way, the National Health Agencies and the International Health Agencies, according to pre-established percentages.

At a United Way meeting in Wichita Falls Tuesday, Mr. Keese announced that CFC would provide at least \$98,114 to the United Way. "We'll do even better," he vowed.

**Holiday Transportation Tickets On Sale Nov. 4**

Sheppard AFB, Texas—Year-end holiday bus and airline tickets go on sale Nov. 4 at the Scheduled Airlines Ticket Office (SATO) at Building T-31 at Sheppard Air Force according to an announcement by Mert Jessel of Sheppard's plans division.

Mr. Jessel says that SATO has reserved a large block of tickets for flights through the

You know, the worse inflation gets the more we need somebody like Briscoe. He's created a lot of good jobs and he knows how to get things started.

In times like these when the economy is so shaky, I'm going to stay with Governor Briscoe.

It's quite refreshing for me to know that we have a man like Dolph Briscoe... a man who puts integrity before all things...

Dolph Briscoe's proved he has the contacts and the know-how to bring new business to the State of Texas. We can't afford to lose him at a critical time like this.

We need new jobs and more income in this state and Governor Briscoe is helping us get them.

Briscoe's kept pace without adding new taxes—I voted Republican in 1972, but I'm voting for Briscoe this time.

They all promised no new taxes. Dolph Briscoe kept his promise.

I think Dolph Briscoe is a Governor you can believe in. I'm looking forward to voting for him in November.

### Convention Set By Local Church

Mr. George E. Harrison, an overseer of the Burk Burnett congregation of Jehovah's Witnesses reported that those associated with the congregation will be invited to attend the Circuit convention being held this next weekend at Snyder, Texas, and that local meetings will not be held.

"What Sort of Persons Ought You to Be?" will be the theme of the 2-day semi-annual assembly," related Harrison. "The Witnesses will be reminded of the need of proper Christian conduct especially in the face of the growing trend to denounce or belittle the Bible's high moral standards," he continued.

According to assembly spokesman, J.E. Jackman, Dennis Ott, Ed Harrison, Randy Cogburn and Judy Meier all will participate in portions of the Saturday program, which will follow the theme, "Being the Kind of Person Jesus Christ Was."

"The highlight of the assembly," said Mr. Harrison, "will be the public discourse entitled 'What the Near Future Holds,' delivered Sunday afternoon at 2 p.m. at the Scurry County Coliseum." The talk will be given by the Witnesses' district overseer P.D. Moske, of Watchtower headquarters, Brooklyn, New York.

Harrison stressed, "that, as are the local meetings, all sessions are free and open to the public."

WINNERS OF THE RED RIVER RIFLE & PISTOL CLUB Metallic Silhouette Rifle Match held on October 20 are (left to right) High New Shooter, Paul Cornelius; Third Place, John Cox; Second Place, Doyle Elder; and First Place, Jimmy Warf.

### Monthly Silhouette Matches Set By Local Club

The Red River Rifle & Pistol Club announced today that it will hold its first in a series of monthly Metallic Silhouette Pistol Matches on Sunday, November 3. The match will be held at the gun club range located just west of Burk Burnett on F.M. Road 368, and is scheduled to begin at 1:00 p.m. An entry fee of \$3.00 per shooter will be charged and trophies will be awarded to First, Second, Third and Fourth Place shooters.

A complete match will consist of 30 rounds and will be broken up as follows: 10 Rounds--25 Yard Rapid Fire; 10 Rounds--50 Yard Slow Fire; and 10 Rounds--75 Yard Slow Fire. The targets are made of heavy plate steel and are fashioned after various animals. The target must be knocked over to score a hit and your final score will be based totally upon the number of hits you receive during the match. Any caliber pistol or revolver may be used but the 22's are not recommended because of the size and weight of the targets.

In addition the club also announced the results of the Metallic Silhouette Rifle Match held on October 20 at the gun club range. Winners at this shoot were First Place, Jimmy Warf of Burk Burnett; Second Place, Doyle Elder of Wichita Falls; Third Place, John Cox of Wichita Falls, and High New Shooter Paul Cornelius.

The Silhouette Rifle Matches are also held on a monthly basis so whether your interest lies in rifle or pistol shooting, the Red River Rifle & Pistol Club has numerous activities that will interest you.

### Goose Season Opens

AUSTIN - - Texans living west of U.S. Highway 81 had the first crack at geese as the season opened Oct. 19 and runs through Jan. 19, 1975.

The season to the east of U.S. 81 opened Oct. 28 to Nov. 24 and then again from Dec. 7, 1974 to Jan. 19, 1975.

Officials at the Texas Parks and Wildlife Department remind goose hunters that bag and possession limits vary between East and West Texas.

In the west, the bag limit is two geese and the possession limit is four. The daily bag and possession limit may not include more than one Ross' goose.

This should be no problem for Texas waterfowl shooters since the Ross' goose is an infrequent visitor to the state.

Bag limit in east Texas is five geese; possession limit is also five. The daily bag limit may not include more than one Ross' goose and no more than one Canada goose or one white-fronted (speckle-billed) goose. The possession limit may not include more than one Ross' goose and no more than either two Canada geese or one Canada goose and one white-fronted goose.

These and other migratory waterfowl regulations, plus a duck identification sheet, will soon be available at Parks and Wildlife Department offices and license sales deputies in the "Migratory Game Birds Hunting Digest, 1974-75."

Three department-owned areas will be open to the public for the Oct. 28-Nov. 24 and Dec. 7-Jan. 19 goose seasons: Pat Mayse Wildlife Management Area near Paris, Dam B Unit of the Angelina Area and the Angelina-Neches Scientific Area, both to the west of Jasper.

Hunting is free on all three areas. A federal waterfowl stamp is required for any person 16 years of age or older. A valid Texas hunting license is also required for anyone 17 years of age or over who is hunting out of the county of their residence.

As is the case with hunting on other department-owned lands, only those 12 years and older will be admitted. The hunter under 17 years of age must be sponsored on a one-to-one basis by someone at least 21 years old.

GOES TO DALLAS IN PP&K--Tommy Darland, son of Mr. and Mrs. Bill Darland withstood the elimination of some 30,000 other contestants as he competed recently in Dallas in the District competition of the Punt, Pass and Kick Contest. Tommy won the local contest and then won the zone competition held in Wichita Falls. His best score of 278 included 92' for his best punt, 95' for pass and 91' for his top kick.

### News From Hickory Elm

There were 29 residents present for Sunday School last week. Glenn Epps was the speaker. Mrs. Bo Bryant and Frank Mallory led the singing with Doris Hodges assisting at the piano. Part of the services Sunday morning included a choir from the Providence Baptist Church. The residents enjoyed them very much and hope they will come again.

Tuesday evening, hymns were sung by the C.A.'s and service Thursday night was held by a group from JanLee Baptist Church.

Thanks to Theta Epsilon Sorority for the festive Halloween atmosphere. Members made decorations for every room. We are looking forward to Halloween visits by youngsters from the First Baptist Church.

Also, thanks to Clodella Bridges and Edith Holland for helping with the games last Wednesday.

We are glad to have Mr. John Crater as a new resident and hope he will enjoy his stay with us.

Mr. Ed Blair is in the Wichita General Hospital, Room 405. We hope he will be back with us soon.

Among visitors this week were Russell Muller and Pam Starling, Mrs. Lula Prescott visited Mrs. Cooper, Mrs. Reed and Mrs. Rutledge.

Mr. and Mrs. W.R. Carswell visited Mr. Crater and Mrs. Kennedy.

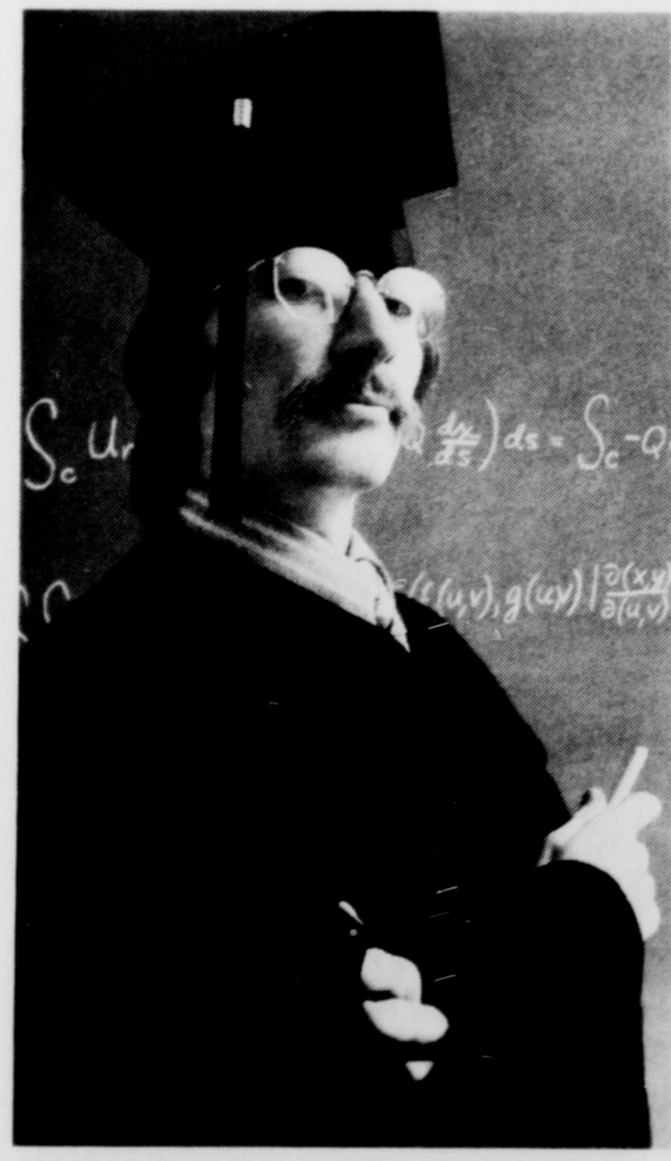

Mr. and Mrs. Earl Howard visited Mr. Howard and Mr. and Mrs. O.J. Cooper, Sr.

Others visiting Mr. and Mrs. Cooper were their son, Gilbert Cooper and children from Garland, Texas and Mr. and Mrs. Wendell Hale.

Mr. and Mrs. Lee Wineinger visited Mr. Howard and Mr. and Mrs. Cooper.

Brandi Doreen Lewis, 10-days-old, and great-granddaughter of Mrs. Audrain, was here this past week with her mother.

## A little simple arithmetic about a Math major.

The cost of a higher education is getting higher. In fact, you could end up spending close to \$20,000 to put your child through college.

So maybe you should consider U.S. Savings Bonds. They're one of the most dependable ways to build funds for an education.

All you have to do is join the Payroll Savings Plan where you work. Then an amount you specify is set aside from your paycheck and used to buy Bonds.

Say your child is 3 years old now. If you buy a \$75 Bond a month through Payroll Savings, by the time he's 18, you'll have \$16,048 tucked away. A solid sum to get him started. See? A little simple arithmetic can add up to a lot.

Make the chances of your child's college education more secure. Join the Payroll Savings Plan now.

U.S. Bonds pay 8% interest when held to maturity of 5 years. Are 8% the best deal? Bonds are insured by the U.S. Government. When needed, they can be cashed at any bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

### 7th Graders Lose 6-0

The Burkburnett 7th grade team, plagued by the flu, lost a squeaker to the B-team of Graham's 8th grade team last week by a score of 6-0.

Burkburnett beat Graham's 8th grade B-team earlier in the season by 20-6.

Burk's season record against 7th grade foes remains unblemished and could be that way at the end of the season. Burkburnett is expected to win their last game of the season when they travel to Vernon next Tuesday night.

Against 7th grade teams, Burk has defeated Iowa Park 14-0; Vernon 30-12; Quanah 24-0, and Iowa Park again by 24-0 for a perfect 4-0 season record.

### National Oilers Treated To Party

Monday, October 24, the National Oilers Midget Football League Team, coaches and cheerleaders were served punch and a cake decorated with all of their names and an oil derrick, by fans at the park before practice for their last conference game this season.

The Oilers will be participating in an Extravaganza this Saturday at the Central Boys Club in Wichita Falls.

They will also be competing against the Eagles Nov. 9 at the high school stadium for the City Championship.

## Bulldogs Win First District Game, 21-14

by Greg Liffick

The returning of injured players Phil January and Larry Lamer and the fine running ability of David Ray were three leading factors to Burk's 21-14 victory over the Graham Steers.

Burk kicked the game into play and after a steady drive, led by David Pratt, the Steers scored with less than six minutes ticked off the score board. Brad Yages was the back who scored from three yards out. John Bettis kicked

the extra point and Graham led 7-0.

Glenn Locklin retaliated by returning the touchdown kickoff 15 yards to give Burk a good offensive position. The running assaults of David Ray and Tommy Rushing ended with quarterback Tim Kormos passing 30 yards to Rushing to put the Bulldogs on the scoreboard, 7-6. Mike Varner's conversion kick was good and the Steers and Dogs ran tied 7-7.

Burk drove again the second quarter and Tim Kormos, with 1:26 left in the half raced four yards untouched to place the Bulldogs in the lead 13-7. The kick failed but Burk still held by six points.

The Bulldogs began to run into trouble with less than a minute left to play in the first half. Two 15-yard penalties on the Bulldogs gave the Steers the needed field position. With four seconds remaining, quarterback David Pratt hit receiver Mike Lisle from 14 yards out to tie the halftime score 13-13. John Bettis' kick was good and Graham led at the half 14-13.

The second half was mainly a defensive battle and Burk was the only team to score. With good field position and the offensive line moving well, Kormos again entered the end zone from the five yard line to assure the Bulldogs their

first district win. The two point conversion was completed with a pass to Rushing and gave Burkburnett the final victory score, 21-14.

The Bulldog's record for district is 1-3-0 with two games, Iowa Park (there) and Weatherford (here), left in the district race.

### JV Win By 28-14

by Greg Liffick

The Junior Varsity outplayed Graham on the Steers home ground last Thursday amidst the rain and mud.

The JV team couldn't seem to unite the first half and left the field at halftime with the Steers leading 14-0. Defense stopped the attempt by the Steers to score while offense joined the ranks.

Mark Langenbach, Jimmy Edwards, and Robert Hawkins all put points on the board to give the JV team a 28-14 victory over Graham.

### Oilers Set Bake Sale For Saturday

American Oilers Midget Football Team will have a Bake Sale Friday, Nov. 1 beginning at 9 a.m. in front of the First National Bank.

### 8th Grade Loses Close Game, 16-14

"It really wasn't any contest; we just gave it to them," stated 8th Grade football coach Tex Yeager.

Yeager's team suffered their second defeat of the season last week as Graham eked by them 16-14. "Our mistakes killed us," related Yeager. "We fumbled six times, and one of them was caught in mid-air by a Graham boy and he raced for 70 yards and a touchdown. We gained 242 yds. rushing to their 150. We out played them all over the field but the breaks of the game killed us."

The 8th grade team supports a season record of 4-2-1.

They have had big wins over Iowa Park, 20-0; Graham, 22-18; City View, 36-0; and Quanah, 34-6. They have lost only to Vernon by 22-8 and last week's Graham game 16-14.

Their lone tie came also in a mistake-filled game the first game of the season with Iowa Park.

Only two games are left on the eighth grade schedule, both will be played at the opponents' field.

On November 5 they will travel to Vernon and on November 12 they will travel to City View.

### Frosh Lose To Steers

by Joe Bryan

The Bulldog's freshmen journeyed to Graham last Thursday, only to fall to the Steers 22-20.

Mistakes played an important role in the game as Graham's first points came on a blocked Burkburnett punt and the second score was set up by a fumble.

The Bulldogs came back for two touchdowns by quarterback Joe Horn and running back Charles Lewis, but by then the deficit was too great to overcome.

The game was originally scheduled to be played at Bulldog Stadium but was moved to Graham because of bad weather.

The loss moves the frosh's record to 3-5 with two games left on the schedule.

## BHS Students Tour Europe

Last summer six area students and Teacher/Counselor Ferne Bloodworth spent three weeks in a program of overseas study and travel in Europe.

The American Leadership Study Group was so exciting and unique that a return trip has been scheduled for next summer.

Everyone who would like to hear about the trip or who might be interested in learning how to join the group planning to return next summer is invited to attend a meeting Monday night at Burkburnett High School at 7:30 in room 53 (the old band hall).

Mr. Danny Taylor, history teacher at BHS is also accepting a Teacher/Counselor assignment with ALSG and will accompany the students.

The film, "A Young Look at Europe", will be shown Monday evening. Mrs. Bloodworth and Mr. Taylor will have information available and answer questions about the program.

Burkburnett students participating in last summer's trip were Leilani Dow, Laura Bloodworth, and Terry Waller. Area students were Lisa May, Lawton; Ladise Richardson, Olney; and Gary Gibson, Electra.

The group visited London, Paris, Lucerne, Florence, and Rome, staying in University dorms, touring surrounding areas. ALSG also provides students an innovative learning and seeing experience through "walking tours" in conjunction with specially produced cassette tapes.

Each student receives high school or college credit upon

completion of the program. The public is invited to attend the meeting and hear about the experiences the group had last summer. Those who cannot attend but would like further information may contact Ferne Bloodworth or Danny Taylor at the high school.

### Garden Club Meeting Held At Grandfield

The Burkburnett Garden Club met at Grandfield, Oklahoma Oct. 23 with Mrs. Grady Fuqua.

Mrs. Virgil Mills, president, welcomed one new member, Mrs. Seth Brown.

The business meeting was conducted and reports were given.

Mrs. J.C. Adams presented the afternoon lesson on "Pruning Plants by Picture" and "Garden Tools and How to Use Them."

A Halloween plate of refreshments were served to Mesdames J.C. Adams, Glen Bear, A.R. Bunstine, J.L. Caffee, B.N. Cauthorn, N.T. Crane, D.C. Dodson, Virgil Mills, Walter Riley, Joy Sessums, Sam Shrum, and one associate member, Mrs. J.B. Riley.

The next meeting will be November 27 with Mrs. Joy Sessums.

## It's that time again...

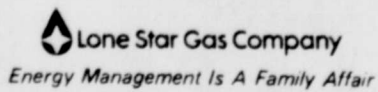

...time to start getting your home ready for the winter months ahead. By starting now and checking your home for those energy leaks, you'll stay warmer this winter and conserve energy.

Take a few minutes and check the following items to make sure your home will be winterized.

- 1 Insulation is most important... and can pay for itself in energy consumption savings. The usual recommendation is 6 inches of insulation for the attic and 4 inches for outside walls. Check FHA requirements for further information.
- 2 Weatherstrip doors and windows, and caulk cracks and crevices to prevent drafts and the loss of heated air.
- 3 Maintain heating equipment for maximum efficiency by having it checked by a competent serviceman.
- 4 Dirty filters cause heating equipment to work harder and use more fuel. Check your filters every 30 days. If they're the permanent type, clean them according to the manufacturer's directions. If they're the disposable type, replace them at least every 90 days.
- 5 Don't be a "thermostat jiggler". Turning the thermostat up or down doesn't cause the equipment to heat or cool faster. It simply works longer to satisfy the setting. The national conservation program calls for settings of no more than 68°F. in heating weather. If you are going to be away for several days, lower the temperature to 60°F.
- 6 Don't place curtains, furniture or other objects in front of heating registers or return air openings. This blocks the flow of warm air.
- 7 Open blinds and draperies on sunny days to help heat your home during the day but close them at night to help reduce heat loss.
- 8 Keep the fireplace damper closed when the fireplace is not in use.
- 9 Storm doors and windows are not customarily used in this part of the country, but they do reduce heat loss. As a temporary substitute, a sheet of clear plastic stapled or tacked over screen doors or windows works well.
- 10 Keep the opening and closing of doors to a minimum to reduce the loss of warm air.

## Group Makes Foliage Tour

A foliage tour through southern Oklahoma and Arkansas was made by a group of residents from area towns this week. The trees in their autumn colors of red, gold, and crimson were beautiful.

The first day of the tour led through Tishomingo, Boggy Depot Recreation Area, and

McAlester to Robber's Cave State Park. Before departing from the park the next morning, the group visited Robber's Cave.

The second day continued over the fifty-five mile long Tallima Skyline Drive into the Quachita National Forest. The beautiful vistas of autumn led on to Queen Wilhemina State Park near Mena, Arkansas and then to Beaver's Bend State Park, where the group spent the night.

Broken Bow Dam and Lake and Raymond Gary Recreation Area were the itinerary for the third day. Broken Bow Lake is a 14,240 acre lake on Mountain Fork River in the Quachita Mountains. The group returned home late that evening, tired but enthusiastic, with the recommendation that all who could take this tour should not miss it.

Those joining the tour were Mr. and Mrs. Glen Montgomery, Mr. and Mrs. Bill Halsey, Mr. and Mrs. Herman Miller, and Mr. and Mrs. Nelson Boyle, all of Burkburnett.

Also Mr. and Mrs. Alvin Roberts and daughter of Bowie, Mr. and Mrs. A.L. Richardson of Iowa Park and Mr. and Mrs. George Works of Wichita Falls.

## Mrs. Doten Hosts W.M.U.

The Florence Pinkston W.M.U. group of the First Baptist Church met in the home of Mrs. Robert Doten Monday evening, Oct. 28.

After a call to prayer by Mrs. I.C. Evans, a short business meeting was conducted by the group leader, Mrs. Larry Pribble. The minutes of the September meeting were read by Mrs. Doten and a financial report was given by the treasurer, Mrs. Quattlebaum. It was voted to give \$20.00 to a needy family in October and to give a Thanksgiving basket to the same family in November.

Mrs. Hal Mabry presented the Bible lesson from Acts 1 and 2. She stressed spiritual preparation in the service of Christ in the same way that Christ instructed his disciples. Mrs. Pribble dismissed the meeting in prayer.

Those present and enjoying quaint Halloween refreshments were Mesmes, Seth Brown, Raymond Smart, W.A. Lambert, Larry Pribble, John Brookman, Ida Kerr, H.S. Butts, I.C. Evans, R.P. Thaxton, Ola Quattlebaum, Hal Mabry, Howard McCrary and the hostess, Robert Doten.

## Geraldine Cook Named Best Loser

TOPS Tx 636 met at the Central Baptist Church Oct. 28.

Linda Goehring and Kay McCurdy, new members, were introduced.

Geraldine Cook was named Weekly Best Loser. It was announced that a

Thanksgiving contest will begin November 4 and will end November 25.

The evening concluded with games and fellowship. To obtain information concerning TOPS (Take Off Pounds Sensibly) call 569-2703.

## Miller-Lawson United In Double-Ring Ceremony

Diana Miller and Larry Lawson were united in marriage in a double ring ceremony Saturday at the Central Baptist Church by Rev. Max Dowling, pastor of the church.

The bride is the daughter of Mr. and Mrs. Bobby Miller of Burkburnett. The groom's parents are Mr. and Mrs. Joe L. Lawson of Vernon.

Given in marriage by her father, the bride wore a formal gown of silk organza. The sleeves and bodice were made of imported French lace with an overlay of silk. The bodice was trimmed in seed pearls. Her Juliet cap was trimmed with pearls and held an illusion veil. She carried white and red roses and carnations.

Miss Pat Zimmerman of Burkburnett was the maid of honor. She wore a formal dais blue crepe gown trimmed with candlelight lace and carried a bouquet of carnations, roses and baby's breath.

Bridesmaids were Miss Eain Mills, Mrs. Shari Lovell, sister of the bride, Miss Becky Kennedy of Wichita Falls and Mrs. Kathy Aston of Tucson, Arizona. Flower girls were Tracy Nuckles of Irving and Miss Gina Warren. Ring bearer was Cody Barnett of Iowa Park.

Ronnie Lawson, brother of the groom, was the best man. Ushers for the wedding included Mac Knight and Ronnie Woodard, both of Wichita Falls, Tom Bruton of Vernon and Steve Loveless of Burkburnett.

Other attendants included groomsmen Steve Scott, Larry Taylor, Rick Kinnebrew, Jackie Hanners, all of Wichita Falls. Candelighters included Miss Terri Taylor and Jan Lindsey of Burkburnett.

Spiral candleholders trimmed with flowers and greenery, an arch of candelights in the back, and aisle candelights trimmed with flowers and ribbons provided the decorations for the occasion.

The bride is a graduate of Burkburnett High School. The groom is a graduate of Vernon High School and a 1972 graduate of Wichita General Radiology Technology School. He also attended West Texas State at Canyon. He is currently employed with the Wichita General Hospital and is president of the Wichita area Radiologic Technologist group.

A reception was given by the bride's parents in the National Room of the Burkburnett Bank. The bride's table was covered with a blue tablecloth and held a centerpiece of fresh flowers. The groom's parents hosted a rehearsal dinner at Luby's Cafeteria.

After a wedding trip to New Orleans, La. the couple will make their home in Wichita Falls.

Mrs. Larry Lawson

REV. AND MRS. JOHN HOCKER

## Rev. and Mrs. John Hocker Honored On Anniversary

Rev. and Mrs. John W. Hocker were honored on their 25th Wedding Anniversary Saturday afternoon with a reception in the Texas Electric Reddy Room.

The daughters of the couple, Marilyn Hocker and Karolyn King were the hostesses.

Rev. and Mrs. Hocker were married Oct. 22, 1949 in Seminole, Oklahoma. The couple has served as pastors of the local First Assembly of God Church for nearly nine years.

Among those attending from out-of-town were their

parents, Mr. and Mrs. John W. Hocker, Sr. of Homing, Okla., and Rev. and Mrs. Ted Stephens of Sunset. Also from out-of-town were Naomi and Ann White of Newcastle, Okla., Mr. and Mrs. Monroe Martin of Comanche, Okla., Mr. and Mrs. Bobby Slate of Heaton, Okla., Rev. and Mrs. Bobby Radke of Iowa Park, Rev. and Mrs. H.E. Allen of Wichita Falls, Rev. and Mrs. James Gilbert of Wichita Falls and the Bill McCalip family, also of Wichita Falls.

Some 45 local citizens attended the reception.

## Local Senior Citizens Dress Tacky For Halloween Dinner

The Senior Citizens of Burkburnett met Thursday at the Community Center for their regular monthly meeting. Games of Forty-Two and Dominos were enjoyed before the noon meal.

The afternoon meeting was called to order by the

vice-president, Mr. McGill, in the absence of the president, Mr. Foyce, who is on vacation. There were 47 present. Members were dressed tacky as it was a fun day.

Mr. Ted James, director of the Junior High Band, was in charge of the program. Everyone enjoyed the music very much. There were 70 girls and boys in the band.

The next meeting will be Nov. 14 for the Thanksgiving dinner.

## Texas is full of surprises. Like coal.

In certain areas of Texas there are sizeable deposits of a soft coal called lignite.

Several years ago Texas Electric, along with two other companies, began acquiring rights to some of this lignite because we saw that new supplies of natural gas and oil, our basic fuels, could become increasingly expensive and difficult to obtain.

Today, Texas Electric is using this lignite to generate electricity in our Big Brown plant near Fairfield. Two more lignite plants are under construction.

Using this lignite will help reduce our dependence on natural gas and oil. And one other advantage of using lignite for the generation of electricity is that it isn't being used extensively any other way.

But plants that use lignite cost a lot more than gas/oil plants.

While this means electricity will have to cost more in the future, the cost won't be as much with lignite as it would be with natural gas and oil, even if we could get adequate new supplies.

At Texas Electric, we're continuing the orderly development of our power system so that you'll continue having the electricity you need.

**Weekly Health Tip**  
from Joe Gillespie

The fungus of "athlete's foot" is widespread in locker rooms. But the danger of contracting the infection is almost nil if the skin of your feet is healthy and unbroken. Blisters open the door to athlete's foot, as does scraped skin. Avoid blisters and damaged skin and you usually avoid the lingering infection of athlete's foot. It is best to avoid places of likely infection until the blisters and scrapes are thoroughly healed.

really out-played them last  
week," related Branum.  
The big gun offensively for  
the Hawks is 201 lb. senior  
tailback David Ross. He is  
described as one of the best  
backs in the state because of  
his size and strength. He's  
gained 100 yards or more  
every game of the season,  
including a 225 yd. romp last  
week.

Two other offensive stand-  
outs for the Hawks are senior  
quarterback Daryl Frazier  
and split end Barry Spruiell.  
Frazier weighs 185 lbs. and  
runs and throws well. He  
weighs 185 lbs., has  
good hands and good speed.  
Occasionally he will be  
moved to the fullback spot.  
Spruiell also plays well at  
his defensive linebacker spot  
along with Donnie Dowell,  
185 lb. junior. Mark Carter,  
a 235 lb. senior defensive  
tackle and defensive guard  
Stuart Greenwood at 185 lbs.  
also add a great amount of  
strength to the Hawk  
defense.

Bulldog coaches are opti-  
mistic about Friday night's  
game as this will be the first  
time in weeks they will be  
able to start the same boys  
that played in the previous  
Friday night's game.

Injuries to key players  
have greatly hampered the  
Bulldogs this year. However,  
coaches are quick to add that  
the underclassmen have  
come on and done a fine job  
filling the ranks of the  
injured players.

Phil January will be back  
at his defensive tackle spot  
and Larry Lamar at his line  
backer post, both playing for  
the first time in weeks last  
Friday night.

The Bulldogs have had as  
many as six starters injured  
at one time during this  
season. January and Lamar  
bring the list of injuries down  
to four.

The Bulldog offensive line  
played a much improved  
game Friday night and  
tailback David Ray showed  
an outstanding performance  
as he raced for over 100  
yards. Ray also played an  
outstanding defensive game  
against the Steers.

Quarterback Tim Kormos  
in the last two weeks has  
scored four touchdowns and  
last week threw passes for a  
touchdown and PAT to  
Tommy Rushing.

Friday night is predicted to  
be a typical Burk-lowa Park  
football game with plenty of  
hard hitting and heavy  
action.  
Next week Burkburnett  
will host Weatherford for the  
'74 season.

Woman, Aided by Fund  
Drive, Dies." A headline in  
the Dessert News sounds like  
it is on the same subject, but  
is not: "Glass Eye Is No Help  
in Identifying Corpse." The  
Washington State University  
Daily Evergreen probably  
told more truth than in-  
tended with the headline,  
"Suicide More Common  
Than Thought."

The Minneapolis Tribune  
omitted needed commas  
and came up with this one:  
"Parolee Indicted for Killing  
Flees." The Philadelphia  
Bulletin offered a clue to a  
mystery with the headline  
"Skelton Tied to Missing  
Diplomat." He should be  
easy to find.

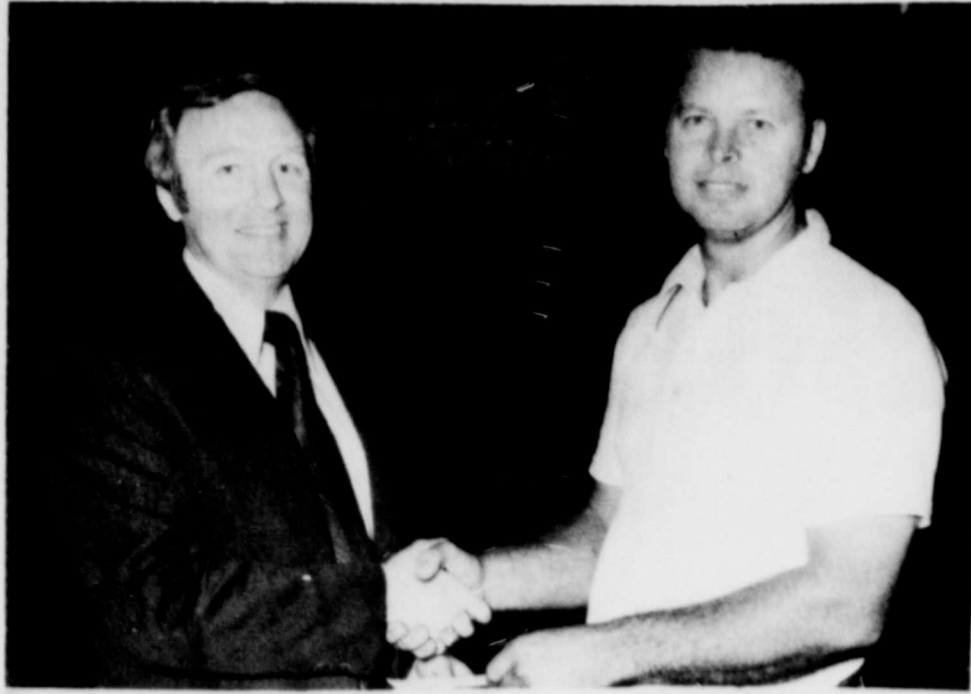

A headline in the  
Indianapolis Star provides a  
hint on how Richard Nixon  
was able to withstand public

clearly implied: "Nixon to

It's all in how you read  
them. Here at the Informer/

our readers won't think that  
we are perfect. Besides many  
would be greatly disap-

### Sonja Green Attends Session

Sonja Green, a licensed practical nurse (LPN) from Evergreen Manor, Burkburnett, attended a training course for LPNs employed in nursing homes, Oct. 15-18 at General Hospital in Wichita Falls.

The course was sponsored by the National League for Nursing (NLN), which recently was awarded a \$247,000 government-sponsored contract to provide short-term training of 1,250 licensed practical and licensed vocational nurses employed in nursing homes throughout the United States. The contract was made possible through the Department of Health, Education, and Welfare, Health Resources Administration, Bureau of Health Services Research, Division of Long Term Care.

The project will enable licensed practical and vocational nurses to help meet the nursing needs of growing numbers of geriatric patients throughout the country.

As part of the first phase of the project NLN established an advisory committee which has provided assistance in the design and development of the pilot training course and the necessary teaching materials.

The National League for Nursing is composed of registered and licensed practical nurses, other professionals working in the health field, concerned citizens, and agency members such as hospitals, schools of nursing, and nursing service agencies. These members work together to help meet community nursing needs and assure quality nursing education.

Evergreen Manor is an I.C.F. III Facility in Burkburnett, one of M.L.S. Industries, Inc. nursing homes.

SEE YOU  
IN CHURCH  
SUNDAY

Revival services begin this Sunday, November 3 with the 10:40 A.M. worship service. Rev. Leroy Meyer, pastor here from 1955 to 1962, will bring the message each service. His wife, Hazel, and son, Bruce, will accompany him and will present a concert each night. Bruce will also direct the music for the revival.

Monday night is Fellowship Night with every member when Bro. Meyer was pastor here invited to the services and to a fellowship afterward. Tuesday night is special Youth Night. Wednesday is Sunday School Buddy Family Night, and a Deacon Family breakfast is scheduled for Saturday morning at 8:00. Saturday night will feature a special Hot Dog Supper for the Booster Choir members and all bus riders. Services will begin each night at 7:30 P.M., except Sunday and Friday nights at 6:30 P.M.

Morning services are scheduled for 9:30 A.M. on Tuesday and Thursday, with noon luncheons on Wednesday and Friday followed by services at 12:20. All of our community is invited to attend these revival services.

## Church Sets Goal Of 815 As High Attendance Sun.

The Sunday following our Revival has been set as High Attendance Celebration Sunday with a Bible study attendance goal of 815. This goal has been set as a part of the church's REACH OUT emphasis. Reaching this goal would be the highest attendance for the past twelve years. Departments and classes have determined to reach their goals for the glory of God. We

believe that Bible study is very important, and a great number of people will achieve greater results for our Lord. We are expecting everyone enrolled in our Sunday School to be present, with many visitors also attending. First Baptist Church is planning for a big Celebration on November 17 beginning at 9:30 A.M. Won't you be a part of it?
