NUMBER 26.

ANNUAL BASKET BALL MEET HELD HERE THIS WEEK

Burk Property Owners Asked To Plant Trees Next Week

of C. Offers Plants to Local Citizens At Post For Campaign

Work Date at Fort Worth Fat Stock Show Set by Directors Mon. Night at Meeting

WOMEN'S CLUBS TAKE LEAD

The property and home owners of Burkburnett will have the opportunity to secure 500 sycamore trees to plant each next week, during the annual plan to beautify the city, and the home owner in the city has been asked to plant as many trees as possible during the week. The chamber of commerce ordered 500 trees Monday night at the directors' meeting.

The tree planting is part of the campaign to beautify the city for the centennial year. The trees will be planted this week, and will be available next Monday.

Fat Stock Show
The directors also voted to enter for recognition at the Fat Stock Show and asked for March 20 to be Burk day at the exposition. The tentative plans include a band, a large delegation, and a van of cars to attend the show.

Last year the city was well represented at the meeting and plans for future participation are being made the coming year.

The organization laid plans for the completion of the drive for funds for chamber of commerce. An initial luncheon will be held at the Methodist church at noon Friday. The luncheon will start at 11:30 a. m. Members of the drive committee have been asked to meet with chairman of the finance committee and the officials to complete reports on the drive.

Committees Appointed
The committee to investigate the possibility of building a side walk across the gully on West Main street is headed by B. F. Gilchrist, Oscar Kemp, W. A. Roberts. For investigation of the possibility of a first Monday school, Henry Grace, Leonard Mattingly and R. L. Gragg were appointed.

The interscholastic league meeting Tuesday was turned over to the entertainment committee. The entertainment committee at the fire convention and assistance of the firemen during the convention included a committee of Leonard Mattingly, Wylie Browning, and Brumley. H. S. Grace and R. Reagan were appointed to assist in including a Burk panel in the W. T. C. C. exhibit at the Texas centennial celebration.

Permanent committees appointed for the year included: finance, W. R. F. T. Felty, Paul Browning; extension, H. S. Grace, R. L. Mattingly, Wylie Browning; civic affairs, W. A. Roberts, Mrs. J. M. Mas, Mrs. W. P. Sims, Oscar Kemp; agriculture, J. F. Kelley, M. Egan, W. T. Holman, W. S. Duval; prevention, J. J. Blackstone, Geo. Bear, W. C. Kiesling; merchants, Majors, Chas. Boyd, A. B. Miller, C. Cannon, R. P. Thaxton, D. R. Peevey.

Highway, F. R. Knauth, R. C. Tevlin; P. Reagan; sport, J. R. Chatfield, Jess Griffin, R. J. Kelly, J. H. Wiley; publicity, Fred Brookman, Logan; oil and gas, B. F. Gilchrist, Glenn Bear and Phil Walcott; project committee, Reagan, F. Knauth and Butler Westerfield.

Authentication committees and messengers. Avenue D. and Wichita street, Mesdames D. R. Peevey, Kerr, I. D. Russell, F. A. Jamison, J. R. Chatham, R. P. Reagan, W. Egan, Ruby Finch, Clyde Elder, Wesbrooks, Lillie Green, C. Whitner, R. L. Mattingly, O. C. Johnson, Roy Magers, R. D. Owens, R. Gilchrist, J. M. Patterson, B. F. Christ, Ray Chrisman, J. L. Welsh, Exley, Fred Alexander, F. A. M. M. Matthews, J. M. Haynes, Johnnie Alexander, Blake King.

St. Main, Mrs. Fred Brookman, Egan, Mesdames H. R. Hayes, R. Wallace, Johnnie Foster, L. J. King, Floyd Milford, H. D. Smith, Johnson, L. N. Peyton, L. A. Mas, Jess Griffin, J. W. Pirtle, T. Hamilton, Hugh Jones, H. J. Al-

Paper Donates Six Research Pamphlets To Reference Shelf

The Star gave the research pamphlets and books to the reference shelf of the public library for those interested in specialized subjects. The six books include pamphlets from the agriculture and science departments of the state schools and publications from societies.

Studies in Yaqui Indians of Sonora, New Mexico, an interesting description of a very intriguing race of people; "Commercial Feeding Stuff"; "Progress in Study of Mechanical Harvesting of Cotton"; describing the cotton picking machines "Seasonal Variation in the Growth of School Children"; "Base Exchange of Properties of Typical Texas Soils"; "The Collapse of Cotton Tenancy" one of the most interesting thesis written on the important subjects of tenant farmers, are included in the series.

State Engineer Announces Bids For Burk Bridge

Feb. 25 Set For Limit of the Bidding on Gap Replacement Across Red River

E. C. Woodward announced Tuesday that the bids for the replacement of the gap across Red River bridge would be closed on Feb. 25, and that the probable limit on the construction would be May. The 120 foot gap in the bridge was torn out during the flood season last May and the tragedy took the lives of four prominent Burkburnett people.

The work will be a joint project of Oklahoma and Texas with the Federal government supplying \$9,000 for the building. Private contractors will replace the bridge.

The repaired portion of the bridge will be similar to the other portions of the bridge. Concrete slab over steel girders, but the gap will be bridged by two spans in the place of the former three.

A huge pier will be sunk at the middle of the span, and the gaps will be long enough to accommodate the large amounts of driftwood.

School Board To Make Drive For Delinquent Taxes

The members of the school board of the Burkburnett independent school district will meet each Tuesday night at the high school for the purpose of contacting those who are delinquent in school taxes. The members will contact every person who has not a complete payment of school tax obligations up to the present.

The campaign will start immediately, and the directors of the local school has issued a statement urging every citizen in the city to pay the taxes before it is necessary to make the contact through board action.

This campaign has been made necessary because of the rapid falling in tax payment. The tax payments this year have been less than any previous year, and the board is faced with the dire necessity of producing funds in order to carry on in the work.

Every interested and patriotic citizen of Burk should pay the taxes as a matter of self protection against the necessity of having to curtail activities by shortage of funds.

Twins Born In Burk Tuesday

Mr. and Mrs. C. L. Cochran proudly announced Wednesday the arrival of twin boys at the Russell Clinic Tuesday morning. The mother and sons are doing well according to the report of the doctor, and were carried to their home on the Speck ranch near Clara Wednesday in an Owens-Brumley ambulance.

Cashion Baptist Church Destroyed In Fire Sun. Night

Flames Wreck Building In Fire Causing Complete Loss

SERVICES INTERRUPTED

Flames starting from the flue of a coal stove completely destroyed the Cashion Baptist church in the Cashion school community Sunday night. The smoke from the fire was noticed at 8 o'clock Sunday night just as the minister, Rev. C. G. Lee, started to announce his text for the evening worship.

For a moment the congregation was thrown in to a panic as the flames spread rapidly, but the pastor and members of the group returned to the building and managed to save the piano and several church pews.

Eight members of the Burk fire department went to the fire but were unable to do more than watch the flames.

Building Insured

The church was insured for \$1,000 according to the pastor, but the building was valued at about \$4,000. "I feel confident it will be replaced in a few weeks," the pastor said, as the flames which lighted up the entire country-side died down, and the minister was conferring with members of the church board relative to calling a meeting of that body in the near future.

The stove from which the flames caught was located in the rear of the church, and the fairly large congregation had completed singing service, and was conducting the regular business session as members noticed the odor of smoke. As several turned to watch, the stove flames burst from the ceiling and the crowd rushed into the church yard to find the entire roof ablaze.

Second Fire

The fire was Rev. Lee's second successive experience of that nature. Several years ago the pastor started a service at the Dundee Baptist church only to have the fire which completely destroyed that building stop the ceremony.

The church is one of the oldest mission churches in the county. It was built 20 years ago in the heart of one of the richest farming sections in Wichita county in the Red river valley bottom. During the 20 years services have been held without interruption in the building.

Thrift Youth Found Unconscious On West Pavement

Henry Fuller Found By Two Employees of Tucker Oil Company

Henry Fuller, Thrift youth, was found at three o'clock Thursday morning on the pavement near the Bradford Supply company, unconscious with head injuries and the clothing riddled by hi-jackers. Two employees of the Tucker Oil company had come to Burkburnett to secure tools for their work Thursday morning, and noticed as they returned to the plant a body near the edge of the road. On investigation they found the boy unconscious and his head apparently injured from a blow.

The workers were G. G. Smith and Judson Hill at the Tucker plant. They brought the boy to the local hospital and Drs. Slaughter and Carpenter were keeping him under observation at the Burk Clinic. The boy apparently had head injuries and the seriousness of his condition was not known. The doctors stated that it would be several hours before developments could be predicted accurately. The case was reported to the Burk police, Mr. Harris and Turner Thursday morning, and Mr. Stapp, chief of police was investigating the case.

Iowa Park Repeats Volley Ball Habit To Win Third Meet

Hawketts Prove Superiority Tournament Here Fri. and Sat.

ELECTRA ELIMINATES BURK

Miss Zola Miller's Hawketts proved their superiority in the annual county meet for the third consecutive time Friday and Saturday when they won the county titles. The win of the Iowa Park lasses was not a surprise, but the fact that Electra gave them such a battle in the last round was distinctly a surprise.

The Tigrettes could have won with the slightest break in either game, and they forced the Iowa Park girls to the limit to win by the narrowest possible margin in the volleyball ball play of two points. The meet were 15 to 13 in each game, winning scores in the finals of the

Several cynical fans were converted to the game of volleyball because of the long rallies, almost impossible plays and tense excitement of the last two games.

Cashion had forfeited the third place title to the Clara team. Burkburnett playing the best game that they have played in several weeks, jumped ahead of the Tigrettes in the first elimination game Friday afternoon. However, the Burk girls were unable to hold their lead and saw the advantage fade before the effective service of Hogle of Electra in the final stages of the game.

Fairview was eliminated in the preliminaries Friday night when the Clara girls staged effective rallies to take the game after trailing in each contest. The Clara team won on hard drives.

Saturday afternoon the Electra squad had little trouble in disposing of the Cashion girls, and Iowa Park counted on the Clara team. Iowa Park had entered the semi-finals by defeating the Valley View team in one of the best matches of the tournament Friday night.

Business Survey Conducted Here

A business survey under the supervision of the federal government will be under way in the near future. The local supervisor has asked that all the business houses and other commercial enterprises be in readiness to answer the questionnaire which will be presented at that time.

Radio Station For Burk Is Planned

The possibility of securing a small commercial broadcasting radio station has been investigated by interested persons in Burk, and formal application for the station will be made in the near future. Since the possibility of the removal of the KGKO from Wichita Falls the demand for a small station in this area has been growing.

The application for the station will list a plan for the broadcasting apparatus to be 100 watts, sufficient strength to cover the trade territory of Burkburnett. Congressman from this district has been instrumental in receiving the application. Those persons who are interested have been asked to get in touch with the national congressman immediately.

Child—I was thinking of what you read about the wild people in Africa.

Mother—What's amusing about that?

Child—You said they beat on their tums-tums till they could be heard for miles.

Mrs. Bookbinder To Open Dress Shoppe Here Saturday

Mrs. Opal Bookbinder will open Opal's Dress Shoppe Saturday, Feb. 15th, in the location formerly occupied by the Elite Dress Shop, next to the City Shoe Shop.

She will carry a complete line of moderate priced wearing apparel for the women of Burkburnett and trade territory. Mrs. Bookbinder has recently returned from the markets and stated that she had purchased the newest styles and colors in mi-lady's ready-to-wear, and the shipments would arrive this week from Dallas, Chicago, Kansas City and New York.

Mrs. Bookbinder is an experienced sales lady, having been employed at the Freed's ready-to-wear store here for a number of years. She invites her many friends and former customers to come in and inspect her new line of merchandise.

Read her ad elsewhere in this issue.

Centennial Half-Dollars on Sale At Two Banks

Texas Centennial half-dollars, which are being sold throughout the State as souvenirs of Texas Centennial celebrations, are now on sale at the Farmers State and First National banks.

Proceeds from the sale of the coins will augment state and federal funds now on hand to build the Texas Memorial Museum on the campus at the University of Texas. The federal government allocated \$300,000 of the Federal Centennial Fund for the museum building, and the Texas Centennial Commission allocated \$225,000 for equipping and furnishing the building. A minimum fund of \$500,000 is needed from the sale of the Centennial coins to complete the first unit of the Texas Memorial Museum.

Ground will be broken for the Texas Memorial Museum at ceremonies marking the opening of the Texas University Centennial Exposition, June 7th. All exhibits and display grounds used in the University Centennial will be constructed so that they can be transferred to the permanent memorial to Texas Centennial celebrations when the Museum is completed.

Old Land Mark Is Razed Make Room For Used Car Lot

The old building located at the corner of Ave. D and Second st. is being razed this week to make room for a new and modern Used Car lot of the Cooper-McCreary Motor company.

The new car lot will be graveled and completely enclosed with a wire fence, with a modern office building in the corner of the lot. The sheds for the used cars will be made of steel and sheet iron and will be fire proof and storm proof.

The building being torn down is one of the old boom days land marks of Burkburnett and was occupied from 1925 until 1932 by Sam Cooper as a garage.

Office Hours Change Slaughter-Carpenter

Drs. Ruel Slaughter and Phillip Carpenter announced this week a change in the consultation hours at the Burkburnett Clinic. The regular daily hours are: morning, 10 a. m. to 12 noon. In the afternoon: 2 p. m. to 4 p. m. and 5 p. m. to 6 p. m.

On Sunday the hours will be: 10 a. m. to 12 noon. All other hours consultation must be made by appointment. The changes in the schedule of the doctors take place immediately.

Star Ads Bring Results!

County Teams Will Play For League Title at Burk Gym

Seven Teams Enter Competition For Right to Go to District Tournament

FAIRVIEW FAVORED TO WIN

Seven Wichita county teams will battle for the right to represent the basket ball league at the annual district tournament when the league county meet starts at Burk Gym Friday afternoon at 4:30. Cashion, Iowa Park, Valley View, Clara, Electra, Fairview and Burk will enter the tournament and the play is expected to produce the best basket ball of the year.

Burk Wins

Burk's two smashing victories over Nocona and Henrietta have added interest to the meet. The 47 to 27 victory over Nocona means that the Bulldogs are able to whip one of the strongest teams in North Texas, and should be able to give a good account of themselves Saturday. The last six or seven games the Bulldogs have played, they have lost only one game. That is a record that is hard to beat in this area.

Two teams will stand out in the tournament, Fairview and Electra, and these two teams meet in the first round of the play-off Friday night. However, Burkburnett has more than a fighting chance. The team was fortunate to draw the bye for the first round, and will play the winner of the Valley View Electra game Saturday afternoon.

Bulldog Team

Polk Robison, coach of the Bulldogs, has brought his team along slowly, and barring illness that has threatened the line-up will have a strong team for the competition Saturday. With a full strength line-up, the Burk team has a chance of entering the finals and up-setting the dope with a county victory.

The second game Friday will be one of the hottest games of the entire schedule. These two teams have fought on more or less even terms since the start of the county league, and they will be in the game with all the memories of past battles Friday.

The final game Friday night will be between two fairly well matched teams. Cashion and Iowa Park will play. Iowa Park possibly has the edge on the teams, and it is probable will emerge as victors. However, Cashion does have a chance of entering the semi-finals.

The first game Saturday afternoon will be the Burk Bulldogs and the winners of the game No. one. Either Valley View or Clara can give Burk a stiff battle. Burk has defeated each team this year. Clara has been a hard team for Burk, and the Bulldogs have been hard pushed to score victories over them.

The second game Saturday will be the winner of the third and 4th games. The losers of the two contests will play for third place in the county at 7:30, and the winners for championship at 9 o'clock.

The matches this year have developed into a chase of Fairview. The team has an impressive record, and its attack is built around a group of seasoned veterans. O'Guinn, 6 foot and 3 inch center is the main-spring of the attack. The other teams will be out to stop him. He will be a marked man during the play.

Players

The players listed eligible for Burk are Marshall Teal, Avis Finch, Wayne Rose, Miles B. Hays, Jennings Qillet, Fred McPherson, Carl Duke, John Blair, Fred Gill, Tolly McKown, D. R. Peevey. The Clara team presents a fast squad in Beavers, Good, Kaiser, Sansom, Frith, Meek, Bates, Day, D. Frith, Morris and Jackson.

The Iowa Park team registered as eligible, J. D. Craft, J. D. Furl, Douglas Smith, Earl Burnam, Howard Stripling, Clifford Honeycutt, Eugene Wigley, Elvis Sunday, Elzin

BASKET BALL

Burkburnett was unfortunate last week that in the middle of the important volley ball tournament, the most severe norther of the year prevented a full exercise of our traditional hospitality. However, we will have even a greater opportunity this week when the basket ball teams and their fans attend the annual meet at the high school.

Volney Hill and Mr. Westerfield, the official hosts of the meet, have planned the tournament for weeks, but there still remains a part for each of us as citizens and business men of Burk to carry out this week.

Over 100 visitors will be here as members of teams vieing for the county championship. The fact that these boys are on teams that are playing against our own ambitious squad should make no difference in our attitude. Rather it should cause us to emphasize our welcome and courtesy toward the group.

Of course we ought to get behind the Burk team and as many as possible attend the games Friday and Saturday. But that is only a part of our job. Such things as information, short rides to and from the school, a little treat for fans and sponsors of teams, or even a merry "Hello" each time we see a boy or girl wearing the sweater or insignia of an out of town school. These are little things, but they stack up on the ledger in our favor—and it is so little trouble to be courteous.

TURKS IN ETHIOPIA

One of the most irrepressible races in history has been the polygot race of Turks. They are hybrids of several races, and seemed to have acquired in emphasized form the best and worst of each contributing race. Most of the romance in history for the last two thousand years has resulted from some participation of theirs in world affairs.

Such glorious spectacles as the Crusades, Crimean Wars, the French Legionnaires, Renaissance, and all other such movements affecting great masses of people with few exceptions have been the result of Turkish influence. Since Mohamet gave the mixed race a religious motif to bind them together, they have never been conquered.

This strange people hate the Christian and white races with a hatred such as only a difference in religious views can inspire. Two thousand years of hatred may find culmination in another strange influence on history.

As a result of this fanatic hatred, for the last few weeks small groups of Saracens have been slipping into Ethiopia. Rome, the symbol of Christianity may find defeat, not as the result of League of Nations or economic isolation by other nations, but because the Turk and Mohamedian people are unpredictable.

The strange part of it is that the Ethiopians are Christian themselves. The strange sight of a Mohamedian and Christian fighting shoulder to shoulder will be one of the most ironic events humanity has ever been privileged to witness.

The Turks will bring two thousand years of experience with them. For 20 centuries they have been fighting the white man, and have not been conquered completely at any definite period. Add to their cleverness the modern equipment that is slipping into Ethiopia, and the Italians may have another tragic loss.

"HONOR TO WHOM HONOR IS DUE"

The most notable thing about the lives of men and women who have contributed permanent improvements to the comfort, progress, and welfare of the race, is that during their lifetime, and sometimes for centuries afterwards, they have remained obscure and unhonored. On the other hand great men who have flashed across the sky of history like blinding comets, have died only to add tragedy and suffering to the race's already unbearable burdens.

Everybody knows the names, Christ, Confucius, Buddha, Guatama, Mohamed, Socrates, Newton, Galileo, Columbus, Pasteur, Zoroaster, Aken Aten, and other immortals, but regardless of the fact that they are of that select group of a couple of dozen men who have pulled humanity above the beast, they were comparatively insignificant in their own time.

Each of them lived lives that changed the destiny of the race, and yet each died tragic deaths and appeared to be failures to their contemporaries. For no single moment did the world give them credit for the accomplishments nor honor for their daring thinking and living. But history has confirmed their greatness.

For that reason thinking people are contemptible of the petty efforts of individuals to get into the lime-light. Fame is not a synonym of worthiness. Newspaper men remember that, when they recall the recent fame won by a man that achieved front page notice because he managed to marry 20 times. (We bet Solomon would have thought him a piker.)

To the other extreme, an obscure, but scientifically minded young woman in a far-away Oriental Island discovered a cure for leprosy. Dry scientific journals read and understood by less than a thousand persons, heralded an accomplishment that will mean relief for more than 16,000,000 people, and untold suffering in its most horrible form. The name Rambo will live thousands of years. Metliff, the multimarried man will be forgotten.

This is true in our own community. We have found as an editor and observer, that those always anxious to get their names in the paper, are the ones who contribute the least to the permanent good of the community. Those who are content to allow their works to speak for themselves are the ones who have added to the permanent progress of our city.

"Dodge Costs Less to Run—

Than Small Car"—Says Noted Explorer
ROY CHAPMAN ANDREWS
American Museum of Natural History

It's hard to excel Dodge for dependability, comfort and economy... I know...

Dodge helped me blaze the way through trackless wastelands in the Far East... many times we staked our lives on the dependability of Dodge cars...

And what an economical car... I know my Dodge has cost less to run than a small car... After my experience with Dodge I recommend that everyone see and drive the big, new, 1936 Money-Saving Dodge "Beauty Winner."

Slight Interest In Liquor Election Sat.

The liquor election for Saturday in Wichita county probably will go down in the records as one attracting least interest of any election held on the subject in the history of the county. The proponents and opponents of the return of the prohibition status have failed to make any sort of interesting campaign.

The brevity of the time allowed for the vote probably accounts for the lack of interest. The organizations that are in favor of prohibition have not had time to get organized, and there is a general feeling over the county that the wet forces slipped a fast one by the prohibitionists.

A legal dispute has arisen over the status of the dry precincts in case the county votes wet. Some legal authorities state that the dry precincts will remain dry, and can become wet only by a special election in the precinct. Only No. 1 or the Wichita precinct is wet at the present time under the old laws.

There will be three voting boxes in Burkburnett. They will be 27, 28 and 29, located at the high school, city hall and probably at the office of the Kemp pipe line and supply company. The ballot in all three of these boxes is expected to be very light, and some experts are predicting less than 300 votes for the city of Burkburnett out of more than a possible 900 paid poll taxes and 300 exemptions.

Buck Jones Declares "Stone Silver Creek" Is His Best Movie

A new kind of screen drama comes to the Tex theatre on Friday and Saturday when Buck Jones will be seen as the star of "Stone of Silver Creek."

Though Western in locale, this story is a model of dramatic construction, and might as well have been laid in New York City as in the rip-roaring surroundings of a frontier town.

"I have made many pictures," said Jones as the studio, "but I have never before appeared in one which had such an ingenious and interesting plot—absolutely true to nature. Though I always enjoy my work, I can truthfully say that I never before had such pleasure in filming a picture knowing as I did

that the picture contained nothing forced or improbable. There is no reason why the glorious scenery of a Western picture should not furnish the background of a story so plausible."

Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood
YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained. Then you may suffer nagging headache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes; feel nervous, miserable—all upset.
Don't delay? Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users of the country over. Get them from any druggist.

PEEPS AT POLITICS
By J. C. C.

Politics is a strange game, and only nationally important contests that is played without rules and official umpires. Can you think of anything more inconsistent than Pont and Al Smith on the same side, or Ed Howard and B. D. Saroyan and working for the same side. Those two cases are typical of the strange things that happen in the rotten game.

It is just like a Burk football game, playing half of the game for Burk high school, and then turning around and playing the last half with Olney—or vice versa.

The rotten part of the game is all those ethics involved in the ideals of loyalty that we have taught all our life mean exacting nothing in politics—then they try to teach us to respect our government. The only respect we have is which we have developed in the of the system.

Hypocrites
Several different county officials had on us during the last eight or ten days, and every one of them said, "We have been so busy doing our job over at the court house, that haven't had time to get around to do much campaigning." I am getting tired of that line. What the hypocrites ought to say is "I have been so busy building political machines during the last two years that I haven't had time to pay any attention to small fry like you." I believe I would vote for a man that would be just that frank.

Burk Precinct
The officers of justice of peace constable for Burk may propose an interesting race this year, because either of these offices is attractive financially at the present, but because of the possibility of each being placed on a salary in the near future. The county board definitely refused to agree to a salary this year, but the future will sing a different song.

City Politics
I look forward to a very merry time in city offices this year. There is one thing I do wish. I hope that some of our doesn't degrade the town of ours doesn't degrade the county seat, has in its political propaganda. In my words I hope each side (if the contest develops) will run on the basis of merit, and not base criticism. Bitterness that comes from such campaigns sometimes break life-long friendships and incur bitterness that will never be forgotten.

State Representative
Probably the county will have its annual crop of young law students try to get publicity by running for state house and senate this year. There ought to be some way to limit the persons who run for position to men of proven ability. It is a shame for the important representation be reduced to a try-ground for young lawyers who can't find enough to secure private practice or state-wide publicity. I personally think Tennyson has won this year. He has proved to be an intelligent and able representative. The Ver-Ver-Wichita district remains uncertain, and 111th, held by McFarland probably will provide the heaviest competition. The Townsend plan will probably be an embarrassing question asked

each candidate. Although for the life of me, I can't see what a state legislature has to do with a national pension.
Who will take Oneal's place. In running for national legislature, Oneal leaves vacant the state senatorial post. It will be a wide open race for the state toga.

Shrouts
Probably the national being medical award should have been delayed until after the political campaigns. GOP must mean "Grab Our Post-offices".
We would like to see some other vice-president, and let Garner go back to the house. He is a very valuable man there.

Miss Allen Hostess of Jr. U. Club Mon.
The Junior University Study club met in the home of Miss Ethyl Virginia Allen, Monday evening, Feb. 3rd. In the absence of the president, Miss Erna Schwegler, Miss Evelyn Felty, vice-president, was in charge of the meeting.

The secretary read the minutes of the last meeting and they were approved. Mrs. Florence Foster gave a very interesting story, "The Other Wise Man" by Van Dyke. Mrs. Eileen Bear was unable to attend and sent her paper on "The Greatest Thing In The World" which was read by Miss Norene Kirby.
The club was very happy to have as guests Miss Carrie McCreary of San Angelo, Mrs. Helen Awalt of Dallas and Mrs. Maude Morrison, all former members. After the program a social get-together was enjoyed by the following: Mesdames Estelle Morris, Mary Bess Strong, Florence Foster, Evelyn Felty and Misses Alice Morgan, Norene Kirby, Pansy Mills, Bennie Lee Gates, Alice and Gladys Wesbrooks and the guests and hostess.

Rev. Manross Speaks At Local Revival
Rev. Manross of Gladewater, will speak at the revival of the Burk-burnett church during the next two weeks, according to the announcement of E. P. Akins, local pastor. The meeting started Monday night and will be in session every night at 7:30. The meeting over Sunday was excellent, according to the pastor's announcement.

Children Warned About Flying Kites Near Electric Wire

The danger of flying kites in the vicinity of electric wires was explained today by officials of the Texas Electric Service company, who are appealing to parents to warn youthful kite-flyers to keep away from wires.
"Several fatal accidents already have occurred this spring as a result of boys flying kites too near electric wires," according to L. N. Peyton, local manager of the electric company, "and we want to impress on parents and children the dangers of letting kites and kite strings come in contact with wires. Above all, children should be cautioned never to use metal wire in the place of string when flying kites, for if the wire should fall across an electric line, the current would flash to the person holding it."

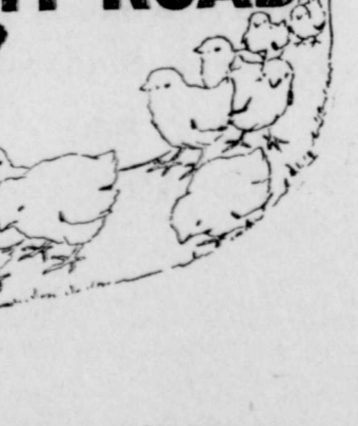

"Whenever kites become entangled in electric wires, don't climb poles or use long sticks to remove it. Call the company and a lineman will be sent to get it down, if possible. Another wise precaution is not to fly kites during a rain, as a wet string is almost as dangerous as a wire should it come in contact with an electric line. Kites with metal frames, or wood frames, braced with wire, should not be used.
"Employees of the company will visit local schools within the next few days and make a further explanation of the dangers of flying kites near electric wire."

An average of 82 pounds of fish per person is consumed by the Japanese annually.
I doctor myself by the aid of medical books.
Yes, and some day you'll die by misprint.

Own Career Basis of Lily Pons Film

Lily Pons, who knows the answers from experience, gives them to the public in RKO Radio's "I Dream too Much", her first motion picture to be seen at the Palace theatre Sunday and Monday.

Miss Pons plays a role that resembles in many respects the one she has played in real life. The world renowned diva portrays a little French girl bound by the fetters of fame which her glorious voice has created. But Annette Monard, the heroine of the new picture, finds an avenue of escape and wins the freedom to realize her one great ambition of being just wife and mother.

Elsie Finn, who with David G. Wittels co-authored the original story admits that the idea for the drama was inspired by a newspaper interview she once did with Miss Pons. Impressed by the price a singing career demands, the co-authors developed the story of Anette Monard, intending it as a vehicle for Miss Pons.
Henry Fonda plays the romantic lead in "I Dream too Much." Others featured are Osgood Perkins and Eric Blore.

Mrs. Maney Honoree At Shower Friday 7th

Mrs. Odys Mayne was honoree at a lovely shower given at her home Friday, Jan. 31, with Mesdames D. Maney, Ben Givens, and R. L. Gragg as co-hostesses. After the guests had arrived several games were played with Mrs. Gragg winning the first prize and Mrs. Baker winning the second. The prizes were then presented to the honoree by the winners. The lovely gifts were brought into the room by four small girls who set them before the honoree, Mrs. Maney.
Refreshments were served to Mesdames Virgie Stevens, H. L.

Lawson, G. L. England, Jim Cheney, M. O. Swan, Callie Dunnaway, A. L. Scott, Kenneth Baker, Fred Elliott, Lee Garner, the hostesses, and Misses Mozelle Wise, Cordie McPherson, Marie England, Myrtle Cheney, Dorothy Garner, and Valie Virginia Andrews, and the honoree. Those sending gifts were Mesdames Akins, E. L. Nichols and Hudspeth.

Lockett Circle Meets At Mrs. Logan's

The Lockett Circle of the Baptist missionary union met at the home of Mrs. E. H. Logan Feb. 10. The meeting was opened with the song, "Make Me a Blessing". Prayer was led by Mrs. M. B. Hays. Devotional was given by Mrs. H. S. Van Cleave and Mrs. O'Neill. Mrs. John Brookman had charge of the program on "Faith". Mesdames Pinkston, O'Neill, Hays and Yearly gave topics. Mrs. Stuckey dismissed the group. Those present were: Mesdames Hunt, Hays, Van Cleave, Hullum, O'Neill, Bundy, Brookman, Yearly, Stuckey, Pinkston, and Logan.

The Lockett circle will meet Feb. 24 at the home of Mrs. M. B. Hays. All circles will meet next Monday at the church, Feb. 17 for Bible study.

Husband—Did you sew a button on my coat?
Wife—No, I couldn't find the button so I sewed up the button hole.

**Teams, Your Schools Are Backing You---
and Burkburnett is backing its Light Plant**

The citizenship of this community is loyal in its support of the Hardin Municipal Light Plant, just as the student bodies of your schools are backing the teams competing in the interscholastic meet.

Why such loyalty? Because the municipal plant is providing low rates to electric light and power consumers. Contrary to a recent statement that a residence rate for 50 KWH in Burkburnett is higher than in Wichita Falls, 50 KWH for a residence here cost \$2.79. Rates in Burkburnett were reduced twenty-five to forty per cent when the municipal light plant was established.

Revenue which formerly found its way into financial centers now remains within the community to benefit citizens, to improve and extend local investment, and to advance civic enterprises.

Big Rabbit Creek

February 9, 1936.

Well, this part of the sunny south was visited again early Saturday morning and all day Saturday with a norther—blue norther. So far this has been the coldest winter since 1929. That year Oklahoma as well as other states employed air planes to fly over and drop grain for the quails and other birds. It was over 6 weeks that snow was all over the ground.

Jess Kinnard is able to be up and around after having a bad case of the mumps.

W. H. Martin's little daughter, Winnie June, who has been quite sick for over a week is much better and improving fast.

Well, the good old stork still has the Big Rabbit Creek in mind as he called at the home of Mr. and Mrs. John Williams' home a few days past and left them a big bouncing baby boy. Both mother and son are doing fine at this writing.

Mrs. Martha Nails and her son Charlie and their friend, Edgar Harris, called at the Owens family Sunday afternoon.

It will be several days before the farmers will be able to do any more plowing in their fields due to the ground being frozen too hard. It will be several days before the ground is thawed out. If it comes a norther, one of those things we have been having, it will be spring before much farming is done.

Tobe Hardin and Charlie Nails is chopping wood over on Deep Red for K. D. Vadin. It is no trick at all for the boys to chop 4 or 5 ricks of wood in a day and then get home way before sun down. Mr. Vadin states these are the best wood choppers he has of the 10 or 12 others. They drive about 15 miles every day to the Deep Red bottoms.

On account of last Saturday being such a rotten day, it kept a lot of Rabbit Creek farmers from going to Burkburnett. It was so cold and disagreeable that only a few ventured out.

Jess Kinnard, who owned the Red River Corner store for several years has sold his store, lock, stock and barrel, to Mr. Dillbeck. He took possession last week on the same corner where he run a store several years ago. The Rabbit Creek community is glad to have Mr. Dillbeck back in our community again.

Mr. Wood and family, who for several years farmed over on Deep Red, has rented Tom Lee's old place for this year, and have moved to their new home. Mr. Wood comes to our neighborhood highly recommended as a good farmer and a good neighbor.

Tobe Hardin and Mrs. Martha Nails and her son Charlie, motored down to the Owens family Friday evening to visit a few hours and were warmly welcomed.

Hawk Eye can't help but believe that last Friday's and Saturday's freeze got all of the oats sown last fall, and maybe the wheat. Oats, especially, looks very bad. It is Hawk Eye's opinion that the fall oats crop went up Salt Creek.

Mrs. Ed Owens and her brother-in-law John are recovering slowly from their 10 days or more sick spell. They are able to be up and around again.

Yours truly,
HAWK EYE

Mother—Eat your spinach, child. Don't you know it puts firm white teeth in your mouth?
Child—Then why don't you feed it to grandpa?

WARNING!

Several years ago the Texas State Board of Medical Examiners drove out of Texas a gang of "Eyesight swindlers", who had collected large fees—\$7,400 in one case—for the pretended removal of cataracts from the eyes. We captured four of them, who were turned over to sheriffs on requisition—for prosecution in other states, Arkansas, California, Minnesota and others. They are wanted in many states for perpetration of such swindles.

We are advised that some of these swindlers have returned to Texas, having pulled a job recently at La Grange, another at Fort Worth. They pose as noted specialists who remove the cataract with a wonderful radium preparation of their own discovery. The operation consists of instilling a few drops of Murine in the eye, pinching off a tiny piece of rubber tissue or "fish skin" (the cataract), which is secretly dropped on a pad; the pad is bandaged over the eye, with instructions that it must not be removed under 4 days. On the fifth day, when the pad is removed, the "cataract" (the rubber tissue) will be found in the pad.

These men also have a worthless "electric belt", which they allege cures every disease, even cataract, and which is so valuable (only four in the world—we have three of them) they will not sell, but which they lease for a period, provided a deposit of \$2,500 is put up for its safe return, at so much per month for its use. But they never return for the belt; never intended to do so.

When we captured one of these gangs, we found among other things blank certified check forms, needing only the insertion of the amount to be paid and the signature of the cashier; made on bank paper, numbered, etc., on the First National Bank of Buffalo, N. Y., First National Bank of St. Louis, First National Bank and Trust Company,

A Pyramid Is Most Stable of Structures

Financially it can be built up by slow but absolutely sure accumulation of money in an account here.

FARMERS STATE BANK

A. A. KUEHN, Pres. — W. R. HILL, Active Vice-Pres.

tional Bank of Chicago and the Man of New York City. Adding the amount to be paid and the signature of the cashier is a short, easy job for a swindler.

Another type of offender, equally culpable, is the "free lecturer", who poses as an expert dietitian or food specialist, or who has the secret of longevity, rejuvenation, or some other attractive lure and who, after his lectures teaches privately to his dupes the wonderful secret, system or formula for from \$25.00 to \$150.00 per pupil.

Sheriffs, district attorneys, chambers of commerce, better business bureaus and newspapers should warn the people of their respective sections to be on the lookout for such characters, and not only refuse to deal with them, but to notify their local officers of their presence, as they are wanted in many places. We have photographs, descriptions and finger prints of many of the "eye men", which may be had temporarily for identification.

The people of this state should know that the board of Texas State Medical Examiners issues on January first each year a "permit" to practice in Texas during the current year, which permit bears its number and the number of the practitioner's license; that any person who is without such permit is practicing in violation of the law, and he or she should be prosecuted as any other type of violator should and probably would be prosecuted. The Texas State Board of Medical Examiners, Dallas, T. J. Crowe, M. D., Secretary.

"Your wife is a very systematic woman, isn't she?"

"Yes, very! She works on the theory that you can find whatever you want when you don't want it by looking where it wouldn't be if you did want it."

Thousands Enjoy Oldsmobile Knee Action Easy Ride

Thousands of motorists this winter have discovered the full benefits of the knee action for the first time, it was pointed out today by D. E. Ralston, Oldsmobile vice-president and general sales manager.

These drivers are those who rarely if ever drive off pavement. Their driving is limited to city street or smooth paved highway.

But the cold winter, which has seen ruts and bumps of ice and snow formed on all heavily traveled roads, has demonstrated the advantages of knee action wheels, which move up and down independently of each other and soak up shocks through big coil springs.

"Knee action definitely gives an improved ride on even the smoothest streets," Mr. Ralston pointed out. "This has been proved to motorists all over the world who have driven a car with knee action and one without over the same route under the same conditions and compared the comfort."

"But the rougher the road the more noticeable this difference is. And the cold winter, producing bumps of ice and snow on even the smoothest highways, has accentuated the difference between the ride in a knee action car and the car without this improvement."

"Owners of knee action Oldsmobiles have discovered that even over the roughest of these roads their cars ride smoothly because the independently acting front wheels absorb the shock without transmitting it to the car and passengers."

"And, in addition, center control steering, possibly only with knee action, has made the 1936 Oldsmobiles much easier and safe to handle on icy, snow hummocked streets."

To Make A LONG TAIL SHORT

There are probably as many accidents from faulty brakes as any other one cause—if not more. Poor brakes and steering gear makes it dangerous to drive because most anything can happen at any time. Have you had your brakes inspected lately, and can you stop NOW if necessary? Better say it with brakes that save the flowers.

Barrow-Grace Chevrolet Company
Burkburnett, Texas

FACING THE FACTS

On Saturday, February 15th, the voters of Wichita County, Texas, will decide whether the sale of liquor shall be legalized. In the light of past experience, it can be truthfully said that this County will be actually wet next week even though it is voted officially dry.

Do You Believe In Old Age Pensions?

If so, you will be interested in knowing that 75% of all revenue collected by the state for liquor permits goes to the Old Age Pension Fund.

Would You Enlarge The School Fund?

Of all revenues collected by the state for liquor permits 25% goes to the Available School Fund.

Would You Secure Additional Revenue For Wichita County?

If so, the county can levy one-half of all sums collected by the state.

BURKBURNETT will remain dry regardless of the results of the election unless a precinct election is later called and voted for such change. We, therefore, appeal to its citizens to be fair and generous and vote for legalization.

The new law is strict. Liquor cannot be sold except in unbroken packages and cannot be consumed on or near the premises where sold. It cannot be sold to students, minors, or habitual drunkards. It cannot be sold on Sunday or on any election day nor within 300 feet of any church or school.

A Vote For Progress

Vote for legalization Saturday, Feb. 15th

And let us have Government control, strict regulation and high license

Wichita County Committee For Repeal, Regulation and Revenue.

OFFICIAL BALLOT

For legalizing the sale of all liquor
Against legalizing the sale of all liquor

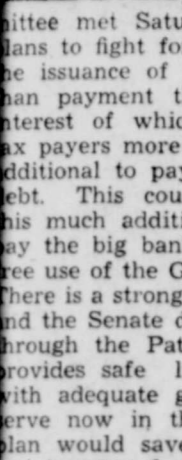

Dallas, home of Southern Methodist University,
Fort Worth, home of Texas Christian University,
Waco, home of Baylor University, Austin, home of the State University, have all voted for legalization within the last 90 days in order to protect the student body of these great schools from bootleggers who have no respect for law nor for boys and girls.

Capitol News Letter

By W. D. McFarlane, M. C.

Monday the Senate by a vote of 19 to 19 overrode the President's veto on the Adjusted Service Certificate bill, which veto had been overridden by the House on Friday by a vote of 324 to 61.

On Wednesday the President transmitted to the Speaker of the House the Bureau of Budget's recommendation for an appropriation of \$2,237,000,000 with which to pay the bonus baby bond issue. The President has repeatedly stated that new taxes must be levied in case payment is made. Congressman Patman and his steering committee met Saturday to formulate plans to fight for payment through the issuance of new money rather than payment through bonds, the interest of which would cost the taxpayers more than \$2,000,000,000 additional to pay the \$2,000,000,000 debt. This course would require this much additional new taxes to pay the big bankers who have the free use of the Government's credit. There is a strong block in the House and the Senate demanding payment through the Patman plan which provides safe limitations, backed with adequate gold and silver reserve now in the Treasury which plan would save the \$2,000,000,000 in interest and eliminate any necessity for additional taxes to pay this indebtedness.

AAA Decision

It now seems assured that additional taxes must be levied with which to finance the farm program and to replace the processing tax revenues lost because of the AAA Supreme Court decision. Legislation has already been submitted in both House and the Senate to replace the AAA act and early action is promised from both Committees in reporting same for the consideration of the Congress. The Frazier-Lemke Farm Mortgage re-financing bill H. R. 2066, now has 213 of the 218 signatures required to discharge the committee and force this bill before Congress. The real friends of the farmer are earnestly working to force immediate consideration of this legislation. It is expected that this legislation will be approved in the House by a large majority as soon as same is considered. The different farm organizations are backing this legislation.

The House has spent all this week considering the Interior Department Appropriations bill. This measure was finally passed by the House on Friday and sent to the Senate. On Thursday Representative McGroarty of California made a bitter fight against appropriations for the Indians and his amendment to practically strike out their entire appropriation for this Department was approved in the Committee by a vote of 36 to 21 which action later was disapproved in the House by a vote of 305 to 28.

The Senate passed the baby bond bonus bill over the President's veto on Monday and appropriated \$7,369 additional to complete the Munitions investigation by the Nye committee on Thursday. The Senate was not in session Tuesday, Friday and Saturday.

Tentative Calendar

The tentative program of the House for the coming week is the consideration of private calendar and the Treasury and Post Office Appropriations bills. The Senate is scheduled to take up and con-

Tanner Studio To Present Pupils Mon.

Miss Margaret Tanner presents a group of pupils in a February recital of expression Monday night, Feb. 17 at the high school auditorium. The public is invited to attend. The following pupils will appear on the program: Mary Frances Boyd, Dorothy and Mamie Browning, Pauline Browning, Rosemary Burkston, Peggy Dot Busby, Janice Caffey, Geneva Campbell, Doris Whitaker, Jack Burkston, Virginia Cope, Junior Harwell, Betty Jane Hill, Marylin Harwell, Mary Jane Patterson, Lela Mae Pinkston, Vera Jean Pogue, Grace Preston, Claudia Mae Bowman, Rubynell Russell, Virginia Thurmond, Bobbie Lou Westerfield, Martha Mae White, Ed Richard Whitesides and Jean Willis.

Edmund Lowe at Palace Sat. Midnite

"The Great Impersonation", the greatest of all the romantic mysteries ever written by E. Phillips Oppenheim, comes to the Palace theatre Saturday midnight. Edmund Lowe, the star, plays a dual role in this exciting story of international intrigue and love. Opposite him are Valera Hobson and Wera Eagles.

Christian Class Meets

Young People's class of the Church of Christ, presided at the meeting Sunday night. Songs by all the members, led by Tom Montgomery, and devotional by Kenneth Whitten opened the meeting. Interesting talks were given by the following members, Gracie Bell Jones, Wayne Whitten, Billie Dudley, Tom Montgomery, and John Curry. There were 32 members present.

A special song was sung by Tom Montgomery, Kenneth Whitten, Woodrow Montgomery, and Wayne Whitten, and a quartet by Tom Montgomery, Lucille Montgomery, Ladene McNeill, and Kenneth Whitten. John T. Curry dismissed the group with prayer.

Miss Rosa Mae Oats Dies Wichita Falls

Funeral services for Miss Rosa Mae Oats, 34, who died Wednesday morning at the home of a sister, Mrs. H. O. Hughey of 1410 Sibley, Wichita Falls, were held at 3 o'clock Thursday afternoon from the South Side Baptist church. Rev. T. C. Jordan, pastor, officiated. Interment was in the Rosemont cemetery, under the direction of the Owens-Brumley Funeral home of Burkburnett.

Miss Oats had been in ill health for the past several months.

L. L. Williams Dies After Long Illness

L. L. Williams, 60, retired farmer of 101 Lincoln, Wichita Falls, died late Thursday night in a Wichita Falls hospital after a long illness.

Funeral services were held at 3 o'clock Friday afternoon from the Full Gospel mission under the direction of the Rev. W. P. Robinson, pastor. Interment was in Riverside under direction of the Owens-Brumley Funeral home of Burkburnett.

Consider the independent offices appropriation bill.

SHIRLEY TEMPLE STARS AS LITTLE DIXIE BELLE

When a little girl and her happiness are involved, the Blue and Gray are all friends—and no foes—as Shirley Temple's "The Littlest Rebel" proves.

The picture, adapted from that immortal play of the Civil War, opens Friday at the Palace theatre under the Fox banner.

As the tiniest Confederate in Virginia, the dimpled darling of the screen plays her first big dramatic role in "The Littlest Rebel."

John Boles and Karen Morley are her parents. Separated by the War, they are reunited just before Miss Morley succumbs to the rigors. Boles, though he fears apprehension as a spy, undertakes to deliver the child to her aunt in Richmond. He is trapped by a Yankee officer, Jack Holt. But Holt sur-

renders to Shirley's charms, and tries to help them through the line. When their plot fails, both Holt and Boles are in hot water.

How the little girl uses her charms on the President of the Union to save her daddy and her dearest friend, is revealed in the tender dramatic climax of "The Littlest Rebel."

The songs Shirley sings during the picture include "Polly Wolly Doodle", especially composed by G. B. DeSylvia and Sidney Clare, and "If All Thy Endearing Young Charms."

Bill Robinson, the colonel genius of tap dancing, is again Shirley's inseparable companion in this picture. Between them they manage some deft and charming exhibitions of footwork.

...Devol Flashes...

Sophomore Personalities

MAXINE AND KATHLEEN ODOM—Two popular girls of the Sophomore class were born Jan. 31, 1920. They have spent their entire school days at Devol and think there is no other school like it. They are seen on the stage lots taking parts in plays, programs, and other entertainment. With their outstanding talents they have obtained many honors. Both have been star players on the class A basket ball team for 2 years, positions as forward and 2nd center. Also in the glee club for 2 years.

Kathleen's favorites are: song, "You Hit The Spot"; actor, Dick Powell; actress, Claudette Colbert; boy friend, C. H. Dunn; sport, basket ball; hobby, dancing; ambition, eat cake with icing an inch thick.

Maxine's favorites are: song, "I'm Going to Write Myself a Letter"; actor, Fred Astaire; actress, Ginger Rogers; boy friend, Orville Mitchell; sport, dancing; hobby, being good; ambition, "to stay just as I am," she says.

Junior Personalities

Viola Maye Wright first gazed up on this old world Oct. 9, 1919, in Springfield, Colo. While still a small child she moved with her parents to Devol. Reaching school age, she started here and has continued a member of this school. Viola Maye is now a popular young lady of the Junior class. She has been faithful toward the duties of the school and has strived to do her best in everything she attempts to do. She is proving her talent in debating (arguing) this year. Her favorites are: song, "Smile Darn You Smile"; actor, can't decide; actress, Ginger Rogers; girl friend, Edna Gammill, and Eva Larue Frye; boy friend, Thorvald Adlington; hobby, stamp collecting; sport, golf; ambition, ??; teacher, Hodges, Stinson, Scott and Powell; study, history; description, 5-2, eyes of blue, blonde hair, fair complexion, weighs 112.

Popular Personalities

Ablest—Marie Hutson.
Most beautiful—"Sally" Charboneau.
Cleanest—Jimmie Frye.
Darndest—Buford Crow.
Most earnest—Orville Mitchell.
Most faithful—Kathleen Odom.
Goingest—Louise Hinkle.
Haughtiest—Edna Cates.
Most irritating—Luther Eubanks.
Most Cheerful—C. H. Dunn.
Killingest—Leighton Harrison.
Loveliest—Maxine Odom.
Meanest—Ellen Watson.
Naughtiest—Leo Shull.
Oldest—Leroy Cozby.
Prettiest—Russell Reavis.
Quietest—Betsy Davenport.
Roughest—James Eubanks.
Sweetest—Margaret Farmer.
Truest—Babe Frye.
Urgingest—Sybil Woodley.
Weariest—Edna Gammill.
Yellowest—Peyton Keown.

Teachers' Meeting

The faculty of the Devol school attended the state teachers' meeting held at Oklahoma City. Miss Bishop was unable to attend, because of a broken limb. The rest enjoyed the trip but remarked about the weather. Miss O'Guinn liked the entertainment furnished. Miss Hale liked to window shop. Miss Inman attended some very interesting departmental meetings. Mr. Landes enjoyed the trip and attended some math meetings. Mr. Durham attended the basket ball tournament and exhibits by the Oklahoma City schools. Miss Stinson liked the talk by Dr. Park, a Chinese. Miss Hodges enjoyed the basket ball tournament and athletic session. Mr. Powell found the most important thing to be the international relations meeting and liked a speech given about the Mexican Consulate.

Debate Conference

A debate conference, sponsored by the state, is to be held at Weatherford, Feb. 14 and 15. The Devol debate team is entering. Those making the trip are: Viola Maye Wright, Eva Larue Frye, C. H.

Dunn and Luther Eubanks. Mr. Powell is sponsoring the trip.

Junior Week-End News

Augdon Beasley spent the glorious holidays in Burk.

Robert Boston and Bill Smith had a happy trip coon hunting on Look-out mountain.

Lillie B. Cozby and Minnie Caldwell enjoyed a lively horse back riding Sunday.

Jimmie Frye and Amiel Miller went fox hunting.

Babe Frye and Edna Gammill visited Grandfield and Temple.

Betsy Davenport denies going anywhere, seeing anybody, or doing anything.

Thelma Mays and Helen Taylor motored to Cameron College to an invitation banquet Thursday evening. Went to Craterville on a roller skating party Friday afternoon.

Josie Dotson and Buford Crow gave the home town people a treat by staying at home.

Juniors to Sponsor Chapel Feb. 13

The students, faculty and visitors are in store for a real treat Thursday morning. The Junior, fourth and seventh grades will entertain. The program will start at 9 o'clock.

Things That Look Nice

To have the study hall quiet a passings.

Student council to be in session once a week.

To have annuals in Devol school. Devol boys' and girls' sweat suits.

Mr. Powell's black suit.

Mr. Scott in his basket ball suit.

Junior Personalities

Louise Hinkle, better known as "Hink" started to school at five years of age and she is now a Junior of great renown. She is popular because of her very sweet disposition. She has had Glee club two years and basket ball three and is one of the fastest centers for miles around. Her favorites are sport, basket ball; song, "Red Sails"; movie actors, Kay Francis and Fred McMurray; gum, Dentyne; girl friends, Marguerite and Josie; boy friend, William Nilson. Description, five-foot-two, and eyes of blue. Temper that rises quickly and cools off the same way. Is a very swell member of the Devol Hi.

Freshman News

Elizabeth Landers was born at Paris, Texas, Oct. 12, 1919. She attended school at Adams, Texas. When she was seven years of age, she moved to Oklahoma and has attended school at Devol for 7 years. Her favorite hobby is studying algebra. Fond of all her teachers, likes Dentyne gum, Dick Powell, Joan Blondell as actors. Likes all the boys and Grace Hardin is her girl friend. She is five-foot-four, light complexion, grey eyes, and blond hair. Ambition is to become a nurse in Oklahoma City.

Grace Hardin—Born at Devol, Aug. 21, 1920, and has attended the Devol school nine years and thinks it an honor to be here. This is her first year of Glee club work and is hoping to continue the next three years. Favorite subjects are home Ec., and algebra and she thinks all her teachers swell. Dick Powell and Shirley Temple are her movie favorites. Grace has brown hair and eyes, fair complexion, and is 5 feet tall. Has ambition to be a teacher of Commerce. Her girl friend is Elizabeth Landers and she thinks she is the Lilly of the Valley.

Lois Stevens was born Oct. 12, 1921 at Grandfield. She started to school at Rocky Ford at the age of 5 and attended there for 8 years. Entered Devol this year. Been going out for basket ball and glee club work. Favorite subject in algebra, teacher, Scott; actor, Warner Baxter; actress, Shirley Temple; gum, Dentyne; girl friend, Beth Wheeler; Lois is five-foot-three, blue eyes, light complexion and blond hair.

Grade News

The primaries are kept working to avoid the Z row. This is a row in which all those now making an

average grade, are seated. The name was chosen by one of the pupils.

The second grade is having a spelling contest. The winners were J. C. Cates, and Dorothy Dean Morgan. In the third grade Robert Hinkle was the winner.

Another pupil is out with an appendicitis operation, Buddy Pannel. We hope they will soon be back in school again.

The state test papers of the 6, 7, and 8 grades have been received.

Willa Mae Alford, who has been in an Oklahoma City hospital, is now back at home.

The Campfire girls are contesting to see which can attain the wood gatherers rank first. The winner is awarded a wood-gatherers ring. Their sponsor is Miss Maxine Bishop.

Visitor in School

Mr. Harris from Kansas City came to the Devol school Monday evening. His occupation is selling annuals which were one-dollar each. The annuals contained pages for each of the classes in high school, athletics, autographs, pictures and advertising. There were 30 students in high school who were sure they could buy one and each of the teachers which made more. The school seems quite interested and all are sure it will be a success. Several merchants and local people are expected to make contributions to help make this project a success.

Sophomore Girls

Looking fifteen years ahead Miss Hodges sees:

Eula Moore—Secretary for a life insurance company in Ft. Worth.

Maxine and Kathleen Odom—Movie stars in Hollywood.

Helen Goodson—Married and in Europe on her honeymoon.

Florence Porter—Dress maker in the Band Box, Dallas.

Ellamege Pannell—Going on a leisure trip around the world.

Betsie Davenport—A home ec. teacher at Devol.

Ada Muncieff—Music teacher at Wichita Falls, Texas.

Estelle Arnold—When Miss Stinson marries Estelle takes her place as basket ball coach at Devol.

Lucille Killingsworth—Nurse at the General hospital, New York.

Nora Dale Golf—Telephone operator, Oklahoma City.

Arthula Compton—Married and settled at Denver, Colo.

Morgan Circle Meets With Mrs. H. C. Ellis

The Morgan circle of the Baptist missionary union met at the home of Mrs. H. C. Ellis Monday afternoon. Mrs. B. L. Turner, assistant chairman, presided at the business session in the absence of the chairman, Mrs. W. P. Russell. Mrs. W. A. Strickland gave the devotional followed with prayer by Mrs. Will Teal. Mrs. Hattie Buchanan dismissed the society after a brief business and devotional period.

Nine members and one visitor, Mrs. James Ashmon, were present. The next meeting will be held at the home of Mrs. Murphy Dean.

Be sure you are right, then go ahead—but don't speed.

There was no vet in veto of the bonus.

Uses FREE POWER FROM THE AIR

NO MORE "RUN-DOWN" BATTERIES

50c A YEAR OPERATING POWER COST

The Wincharger keeps the battery of your Zenith Farm Radio charged by air power.

ZENITH FARM RADIO

—LONG DISTANCE—

Zenith has effected a special arrangement with the manufacturers of the Wincharger, so that every owner of a Zenith Farm Radio can reduce his operating power cost to 50 cents a year for 10 hours radio enjoyment every day. This means no more dry A, B or C batteries to buy. No more dead storage batteries to take out and recharge.

Zenith Farm Radio, Model No. 6-V-27, illustrated above, is a 6-tube receiver—tunes American stations, police calls, amateur, aviation conversations, ships at sea and Foreign Stations. Has Black Magnavision dial employing Split-Second Tuning that enables logging and relocating foreign stations accurately.

Operates from a 6-volt storage battery—kept charged by the Wincharger—

\$69.95

PAY A VISIT—YOUR BUSINESS APPRECIATED

Breckenridge Talks At Lions Club Tues.

Leland Breckenridge, Wichita Falls accountant, spoke at the Lions club Tuesday night about the importance of unobserved service. In speaking of the service rendered by people such as the teacher of Lincoln, "Sweeney", who never achieved fame, but served and passed on without fame or notice. The speaker emphasized the importance of forgetting boasting and pretending, and rendering aid to mankind in unnoticed ways.

The musical feature of the program was two piano solos played by Dorothy Hagard. Gordon Thomas of the Walters club extended an invitation to the local organization to join the club in the Charter night celebration. Eighteen members of the Burk club volunteered to assist the Walters club in the program. The Burk club will provide a stunt for the night, Thursday, Feb. 13.

Sunshine Club Meets Mr. and Mrs. Boyd

The Sunshine club met Monday evening at the home of Mr. and Mrs. Chas. W. Boyd on Ave. D. During a short business session officers for the coming year were elected. Mrs. C. R. Chambers, president; Mrs. Chas. W. Boyd, vice-president; Mrs. Robert Dunn, treasurer; C. R. Chambers, secretary; and Mrs. J. J. Blackstone, reporter.

After the business session everyone enjoyed a very pleasant evening of "42". Lovely refreshment plates carrying out the Valentine motif were served to the following: Messrs and Mesdames G. D. Stacy and Billie Jo, W. S. Boyd and Billy Edward, C. R. Miller and Bula Arlene, C. R. Chambers and Margie, Robert Dunn, Chas. W. Boyd and Mary Frances, J. J. Blackstone, Miss Ruth Bryarly and Cecil Todd.

Members will meet next Tuesday night with Mr. and Mrs. Robert Dunn for an oyster supper.

Lions Plan Ladies Night At Oyster Supper Next Tues.

The wives and the sweet-hearts of the Lions will be special guests of the members at the meeting next Tuesday night when the members stage an oyster supper. The plans for an interesting program have been made, and further plans will be completed this week. Among the features will be a vocal solo by Miss Ruth Keller, head of the music department at Fairview school, and reading by Jean Wills of Burk.

The supper will be arranged and cooked by members of the club, and all features of the dinner will be directed by members. The cooking committee is Lee Clifton, Jack Kelly, Frank Kelley, Morris Strong, Randle Watkins, Clyde Elder and Carl Pommerening. The table committee will be T. J. Blackwell, Byrne Alexander, Truman Garland and Roy Jackson. Dishwashing committee includes Roy Magers and R. D. Owens. Program committee includes Curtis Cook and Johnnie Anderson and Frank Kelley.

Ed Gossett, Vernon attorney, will be the speaker of the occasion and he will speak on "Optimism."

University Study Club Meets With Mrs. B. F. Taylor

Members of the University study club met at the home of Mrs. B. F. Taylor last Wednesday for business and study session. The short business session was directed by

Mrs. P. G. Williamson, and the leader for the afternoon was Mrs. I. D. Russell.

Mrs. Henry Prinzing gave an interesting paper on the history of the bee. Mrs. O. V. Melton told in a calendar manner the short story "Male Help Wanted."

Delicious refreshments were served to carry out the Valentine motif. Those present were Mesdames Ray Chrisman, Lee Clifton, J. H. Davis, C. J. Duncan, W. R. Hill, G. Kerr, J. M. Pogue, H. W. Prinzing, R. P. Reagan, I. D. Russell, B. Westerfield, P. G. Williamson, O. C. Wills, O. C. Melton, Raymond Wallace, R. H. Henry, Chas. Aswalt of Dallas, and Miss Carrie McCreary of San Angelo.

Mrs. Tom Boyd Is Honoree at Shower

Mrs. Tom Boyd was honoree at a lovely shower recently at the home of Mrs. Joe Slama, with the hostesses Mrs. Slama, Mrs. J. W. Boyd and Miss Ruth Bryarly.

The lovely program for the afternoon included games in which Mesdames S. E. Askins, Dudley Ellis, R. Thompson, K. Stradley, won the prizes which were later presented to the honoree. Mrs. Hugh Preston gave a reading and Little Miss Betty Jane Slama, in her usual sweet way, presented the gifts to the honoree.

Those present were: Mesdames C. E. Jones, W. K. Thurmond, Butler Westerfield, Dudley Ellis, J. W. Wingham, C. A. Vassar, R. Thompson, F. E. Cruce, F. M. Milford, A. Todd, Minnie Todd, Jess Ashton, H. Preston, M. Hrazdil, J. H. Minter, Lee Johnson, C. W. Boyd, C. R. Chambers, O. Swan, W. M. Goins, D. M. Morris, K. Stradley, W. A. Strickland, J. W. Aldridge, H. C. Ellis, E. J. Simons, M. Blauer, J. H. Cecil, W. C. Kiesling, Geo. Counter, Jr., S. E. Askins, F. R. Knauth, A. D. Doyle, C. L. Anderson, J. L. Anderson, J. R. Weidner, W. F. Browning, Geo. Kerr, B. Danforth, Rex Kolter, W. R. Hill, J. H. Brumley, W. D. Utts, Will Teal, W. S. Boyd.

Those sending gifts but not present: Mesdames Lee Clifton, J. D. Majors, L. Spillers, O. C. Wills, J. M. Pogue, F. N. Styles, A. Micka, A. Hill, Clarence Poole, W. Spray, L. G. Hagard, E. Marshall, Charles Hall, L. Weith, Ralph Brookshire, L. Coats, W. S. Bryarly, J. J. Moore, N. W. Level, S. F. Marchand, J. H. Spearman, Misses Willie Mae Ermis, Laura Justice, Edna Styles, and Marie England.

Townsend Plan Is Discussed by Leader

(Editor's note: The following article was submitted by a member of the local Townsend club. It is printed with the same fairness that every article on controversial matters is printed.)

In every historical epoch when injustice and suffering become unbearable, the people have rallied around some leader to assert their human rights, and to put an end to injustice.

The spiritual significance of the Townsend plan is renewed hope, faith, and charity that will establish a clean sanity in the administration of our social and industrial life. The wolfish greed which inflicts poverty, sorrow and suffering upon humanity, robbing them of the dynamic energy and creative power, will be driven out of the land with the realization of an abundant life as the most practical asset for the preservation of democracy.

There are problems to be solved and questions to be answered. For the voters of America in the collective struggle to relieve the social life upon a sound foundation consistent with the inalienable right

SOIL BUILDING CROPS CUT FARM COSTS AND CHECK EROSION

Gullies eat away entire farms.

These check erosion and build soil.

Three Ways to Cut Farm Costs

1. Grow Feed Crops.
2. Grow Food Crops.
3. Grow Soil Building and Erosion Control Crops.

ADJUSTMENT payments and increased income from cotton are enabling farmers to retire and build up badly eroded and worn-out land. The new cotton contract provides that food and feed crops for home use, in addition to soil-building and erosion-control crops, may be grown on land withheld from cotton production.

to life, liberty and pursuit of happiness. Each of us has a direct responsibility for the creation of an environment in which we live. We may have been heedless in the past and permitted trickery and politicians to hoodwink us in the past, or given lazy assent to the "do-as-we-please" method of the "rugged individualists", but we can redeem our past records by a wholehearted fight to win back our heritage of freedom and opportunity.

G. A. Henderson.

The members of the official board of the Baptist Men's class met at the church Friday night with the president, H. D. Smith to discuss the plans of a membership drive. All of the members of the class were urged to attend and bring some one with them at the next meeting. They meet in the auditorium of the church at 9:45 each Sunday morning. Chester Duncan is teacher of the group. A series of special programs have been planned for the class and everyone is invited to attend.

Willet, Eldon Maney, Carl Cook, Harry Elliott, J. T. McPherson, John Duke, Laverne Patton, Clifford Wells, Ocie Reed, Drew McBride, T. J. Sanders, Floyd Jackson, Kenneth England, Charley Andrews.

Burk Wins Game From Nocona

The Burk boys surprised every one when they defeated Nocona Monday night 47 to 29.

Nocona was doped to win the district, but the Burk boys changed their minds for them. The Burk boys have improved so much that they are expected to carry the county championship off with no trouble whatsoever.

Remember, boys, we are behind you 100 per cent!

The class ranking of typing students for the week ending Feb. 7. The average was taken by giving speed and accuracy tests:

Harriette Chambers, Quana Nichols, Irrilla Barton, Imogene Snoddy, Louise Bishop, Mary Lafon Alexander, Claudia Mae Bowman, Pauline Allen, Ruby Bills, Marjetta Owens, Christene Groves, Geneva Minick, Willie Etta Alexander, Margaret Turner, Pauline McGinnis, Angela Jacobs, Lester Huges, To-lover Wise, Clayton Shuffler, Helen Grady, Fred McPherson, Margarette Griffin, Wayne Rose, Othar Wheeler, Loyd Scruggs, Emmajune Garland, J. W. Kent, Myrl Cheney, Hazel Thorton, Ruth Jeffers, Modene Pinkston, Miles B. Hays, James Spearman, Helen Faye Bennett, Lois Walden, Jennings Willet, Clifford Duke, Dick Hall.

High School Library

Various students assist in the Library each day. Their duties are to stamp books with the date due and to help keep the library in order. The following are the student assistants already chosen for the second semester: first period, Ileta Freeman; fourth period, Patricia Polston; fifth period, Tempa Davis and Georgie Parker; sixth period, Doris Duval; and seventh period, Melba Clark.

"The World Almanac and Book of Facts" for 1936 is just off the press, and the high school library now owns a copy of it. This book, published by the New York World-Telegram, was first issued in 1868. Because it contains a handy compilation of statistics and much general information, it is considered the most useful reference book of its size and cost in the world.

Assembly

When something very important happens it is very hard to keep it a secret. Monday, Feb. 10, the long waited for football sweaters came in and they had to be given away the same morning. The beautiful black sweaters with large orange "B's" on the front of them are the hard earned rewards the football boys have been waiting for. As a surprise to the pep squad leaders of '35 they also received a sweater with a big orange B. If you see some big orange B's walking around with their chests out and their noses in the air, think nothing of it, because if you will just take time to think you will soon know that if anyone who received anything as important as the football sweaters you would probably be the same way.

Those receiving sweaters were: Wayne Rose, Avis Finch, J. T. Clifton, Thomas Lowery, John Blair, Tolly McKown, Carl Cook, Marshal Teal, Harry Elliott, Clifford Duke, Truett Majors, Kenneth Whitton, Jack Boulton, and managers Jack Kelly and Bobby Hayes.

Three Arrested On Pipe Theft In Burk

Three men were arrested on a pipe theft at Burkburnett Tuesday night and Wednesday morning by deputy sheriff Dick Chapman and waived extradition to be taken back to Carter county, Oklahoma. The trio will face charges of theft at the court in Healdton.

Forty four joints of four inch

pipe were recovered and officers located 40 joints of three inch pipe and a portable generator with the arrest of the men. The contraband supplies allegedly had been stolen from the Prairie Pipeline company at Healdton. The three men had a late model truck. The fourth man in the case was being held at Ardmore, Okla.

Owens Brothers Team Has Excellent Record

The Owens brothers basket ball team, composed of seven brothers, have been playing excellent basket ball together this year. In 18 games the team has won 15 and lost 3. The team came out in new uniforms recently donated by the following companies, Farmers Gin, Thaxton Bros., Boyd Bros., Campbell Gro., Bryant and Son, The Manhattan, Barrow-Grace, Burk Motors, and Majors Variety Store. The boys have expressed appreciation for the uniforms.

The teams played by the group in their 15 victories include Burk, Fairview, Magnolia, Mothers Bread, Four Way, Charlie, Boys club and several other good teams.

The team plays on the Cashion court every Monday night with the admission free and invite all fans of Burk to come and see their games. The boys are sons of E. D. Owens, who is well known in and around Burkburnett. Some of the boys are still going to school at Cashion, and there has been one of the members on the team at the school for the past ten years.

I FEEL FINE

Mothers read this:

A CONSTIPATED child is so easily straightened out, it's a pity more mothers don't know the remedy.

A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help.

This treatment will succeed with any child and with any adult. Doctors use liquid laxatives. Hospitals use the liquid form. If it is best for their use, it is best for home use. And today, there are fully a million families that will have no other kind in the house.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It is a doctor's prescription, now so widely known that you can get it all ready for use at any drugstore.

THE BULLDOGS GROWL

EDITED BY STUDENTS OF BURK SCHOOLS

Senior News

The Seniors are making a desperate effort to get every eligible man out for track. If you think they don't have the where-with, just ask the track coach how many of his men are Seniors.

The track men of this class challenged the Juniors but have not received an acceptance yet.

Remember the Senior play in April.

FRED GILL—Born Oct. 19, 1918 in Okla. Spent his childhood in Burk and started to school at Cashion. Favorites: teacher, Williamson; subject Economics, sport basket ball, movie start Dick Powell and Ginger Rogers, pastime is loafing in town, hobby reading. Likes the Senior class and goes to bed at 9:30 and gets up at 6. Best friend is Earl Thornton, most popular girl is Pauline Browning, popular boy Clifford Duke. Says he never saw a good looking boy but thinks Mildred Kemp the best looking girl.

RUBY LOUISE BISHOP was born May 2, 1919, in Bristow, Okla., spent most of her childhood days in and around Burkburnett, but started to school at Fairview.

Favorites: teacher, Miss Kirby; subject, home economics; sport, is basket ball, pastime is reading good books and playing the piano; hobby, handing lines. Says co-operation on the part of the seniors would make this one of the best classes. Her best friend is Geneva Minick; says most popular girl is Mildred Kemp, most popular and best looking boy is Clifford Duke, best looking girl is Grace Vaught.

Spring Football Starts Practice

The Bulldogs started the 1936 season off Tuesday, Feb. 4. They are having light workouts for about an hour each afternoon. A large number of boys have reported for practice. As captain, Tolly McKown, stated in assembly Monday morning, when letters were awarded to the '35 team, all of the boys have their heart and soul in winning the district this year.

The following are going out for spring football: Tom Spray, Dorace Hageman, Homer Brown, Kenneth

Basket Ball

Team record

Burkburnett Bulldogs handed Fairview Bears the title of the Valley basket ball league last night when the Burk quibbled the strong Nocona 47 to 27. Regardless of the outcome of the remaining games of the league schedule Fairview will be top ranking as the result of a decisive upset.

However, the good news from the game was also bad news for Fairview. The rapid improvement of the team indicates that the favored Bears will have tough sledding in the county meet here next Saturday.

At the start of the conference in the Valley league, Burk was granted little chance of winning, but since the first game the team has steadily improved under the direction of Coach Polk. The victory Monday night indicates that the team is one of the best in this section, and must be given credit for playing one of the very first quarter games to take complete charge of the game. The accurate goal shooting of Rose and Hays placed the team out in front, and that was never threatened.

Burkburnett continued the fine work that has won six of their last seven basket ball games when they defeated the Henrietta Bearcats 44 to 23 in a game in the Wichita league play Tuesday at Burkburnett. The successful drive of the Bulldogs, the improved team in the county, carried them from last place in league to third place and only one game behind the second place, the Indians.

Each Polk Robison's team serving warning on the other six members of the Wichita county inter-league Tuesday by an accurate shooting, varied passing, and defense that never gave the opponents a chance at the game.

The Bulldogs jumped into the lead and held a seven point margin at the half, 19 to 12. In the last quarter the Bulldogs continued the work that stacked up a series of goals that kept the Bearcats at bay. The Bulldogs uncovered a new scoring threat in the person of Avis Finch at guard, tied center, for high points with sinking seven field and one goal for 15 points.

The impressive record of the Bulldogs for the last week has created intense interest in the team. The Burk are privileged to watch their first winning combination in several years.

News Of Week

Some of the Texas high school football teams ought to import the representatives of the various European nations to the League of Nations conference. One of the qualifications of a good ball player is the ability to side step. In the last ten days the representatives have demonstrated that they can sidestep just about as well as a champion or an all star.

On the oil embargo against Italy the League council has done everything but turn flips to avoid a straight out vote on the question. Each nation wishes the other to take the lead. The oil companies are so powerful politically back home in the nations that it would be political suicide for any man to definitely propose that his nation close out Italy from the importation of oil. So the result is that they have met two weeks and have done exactly nothing.

Charles Curtis

One of the few men to attain national prominence that was a mixture of Indian and white blood, and of whom Will Rogers stated "He will be a great man 'cause he's got almost as much Indian in him as I have." Charles Curtis, vice-president under Hoover, died last Saturday. His life was a typical illustration of the old theme "from rags to riches." He rose to the second highest electoral position in the United States from the position of a stable cleaner at a race track.

He was the center of one of the most bitter social storms in the Capitol. Since he was unmarried while vice-president, the dispute over the official hostess at his home caused a near hair pulling among the dignified socialites at the national capitol.

Tax Evasion

John J. Raskob has been charged with evasion of the income tax by the national government. We think that the political importance of the man ought to be disregarded, and he be tried on the same basis as Al Capone was tried. If it is a crime to evade paying the government, then we ought to not let one group get away with murder and another group be punished.

Farm Bill

The national farm bill has taken almost every form possible since the Supreme Court threw it out of the legal code. One of the most recent developments is the revival of the export debentures. The idea is to compensate the farmer for every bale of cotton that he sends out of the United States at a fixed amount. This bonus would have a tendency to raise the domestic price, and prevent the loss of foreign markets, according to its backers.

Union Backs President

In direct conflict with much public opinion the federation of labor formally voted to back President Roosevelt in the next campaign. That is appropriate. If any man has ever really attempted to aid the cause of organized labor it has been the president. The fact that a conservative court has declared his laws unconstitutional doesn't affect the fact that he has tried to do

all that he can for the average man who works for a living—especially the organized unions.

The rare thing is that the group realizes and appreciates his efforts. It is human for the average organized portions of society to turn against those who aid them. That has been the constant history of society, but the union is to be highly complimented for standing by the one man who has really tried to give them a square deal.

Scrapping Alphabet

The letter agencies have been scraped by the president. The HOLC, FCB, and RFC have been formally abandoned to the tune of returning one billion dollars allotted to the organizations to the treasury. It is probable that the fund could have never been used, but the fact that it has been turned back is difficult for practical politicians to understand. The probable reason for the act is that the president will have to do some high financing later, and he wishes that large amount of money or credit to be out of the way.

Lutheran Ladies Meet

The monthly business and social meeting of the Trinity Lutheran Ladies Aid, of the Clara church, was held at the hospitable home of Mrs. H. C. Oberhaus. Following the customary devotional opening exercises and the transaction of routine matters, the Rev. Paul Kaiser addressed the group on the significance of ecclesiastical year which evoked some interesting discussion. A very delicious luncheon was served to the following: Mesdames A. W. Brockriede, J. Heins, Arnold Holtzen, Edd Hiesermann, Paul Kaiser, W. Kaspar, A. Lohfener, L. F. Ramming, H. Schroeder, G. B. Schroeder, I. V. Zeck, O. D. Scott, Earl Rinefeldt, Clara Schultz, H. C. Oberhaus, the Rev. Paul Kaiser and the following guests: Mesdames A. W. Wittenbach, G. R. Kramer, E. J. Torvie, G. A. Morgan, A. F. Homme, A. Mersiovsky, Otto Pohlman, W. Morris, L. W. Clark, C. A. Mingus, and the Misses Lorena Ramming, Sylvia Kaiser, Lydia Schroeder. The next meeting will be held at the home of Mrs. Walter Kaspar.

The driver, pinned under his wrecked auto was being questioned by police.

"Are you married?"

"No, this is the worst fix I was ever in."

Meetings Next Week

The Junior University club will meet with Miss Gladys Wesbrooks Monday night, Feb. 17.

Current Literature club will meet Thursday, Feb. 13 in the home of Mrs. George Kimbell.

The general meeting of the P-TA will be at the grade school auditorium Tuesday, Feb. 18, a celebration of Founders Day.

The Lions club will have an oyster fry next Tuesday night.

Circle 2 of the First Methodist church meets at the home of Mrs. C. F. Baker on Hayworth street

Monday afternoon, Feb. 17 at 3:00 o'clock.

The Lockett circle will hold its next meeting at the home of Mrs. M. B. Hays on Monday, Feb. 24.

All the missionary societies of the Baptist church will meet at the church Monday afternoon for Bible study.

Special meeting of the drive committee of the chamber of commerce at the First Methodist church noon Friday.

Students Present Texas Program At Rotary Club Tues.

Rev. E. W. Wells Describes Struggles of Ex-Convict in Living After Conviction

Butler Westerfield presented a group of the high school students in a program about Texas history at the Rotary club noon Tuesday. Other Wheeler sang an original composition of J. S. Gore of Burkburnett written on the Texas theme, and then encoored with "Beautiful Texas." Willie Etta Alexander spoke on the history of Texas before the war for independence, and Irene Evans told of the history of the state following the revolution.

The decorations for the program were in the Texas history motif, with the various flags that had been used by the state during the period of the Centennial. J. M. Thomas presented Rev. E. W. Wells of Dallas who is working on the betterment of conditions for the ex-convicts. The speaker pointed out that the struggle that the former prison men had in readjusting themselves to society was a painful and expensive process.

L. C. Messer of Kansas City accompanied the speaker. The visitors from Wichita Falls were Mack Elliott, Roy B. Jones, Dave Lebermuth, Edgar Mann, Jim Spoons, Grady England, Albert Myles and Albert Kelley.

Chas. Wayne Counter Honored on Birthday

Charles Wayne Counter was named honoree at a party given Saturday by his mother, Mrs. George Counter, Jr., assisted by Mrs. G. Counter and Mrs. C. P. Van Loh, on the occasion of his third birthday. The guests were entertained by various games, readings and piano selections by Jo Ella Morgan, Mary Frances Gamblin and others. The guests each presented the honoree with a gift.

Favors and refreshments in the Valentine motif were served to Jo Ella and Patsy Morgan, Mary Frances Gamblin, Sid Gamblin, Mary Frances and Lou Wallace Brown, Don and Jerry Brookman, Donna Laverne Browning, Carroll and Howard Cooper, L. H. Alexander, Dotty Kent, F. T. Felty, Buddy Brookshire, Jack Bostic, George Smith, Billie and Cleo Askins, Nell Grady, Joan and Marion Sandler, Mrs. Sid Gamblin. Those sending gifts were, Mary Frances Kent, Ralph Brookshire, Mamie and Sonny Browning, Mr. and Mrs. Harold Van Loh, Wilma Jean Boyd, Carolyn Rose and Dorothy Ellen Boyd, and Billie Boyd, Jr., and Paul Kenneth.

Flier Gave Film Company Accurate Weather Reports

Aviation has been added to Hollywood's list of weather guards, with prospects of huge savings in production costs through the prevention of delays from fog and rain.

The new method of weather forecasting was devised by Paramount executives for the outdoor musical, "Rose of the Rancho", which introduces Gladys Swarthout of the Metropolitan opera to motion pictures, and which will be exhibited beginning Tuesday, Feb. 18 at the Palace theatre.

Because the bulk of the picture was filmed outdoors, accurate data on fogs and clouds at the exact location sites was essential. Paul Mantz, Los Angeles aviator, was assigned the weather recording job, and was able to forecast with in a few minutes the time when the sun would shine for the cameras.

At 4:30 a. m., daily, Mantz flew over the location, climbing to the top of the clouds and diving to the bottom. He estimated by their depth and density the time the sun would filter through.

Wesley Bible Class Meets at Church

Members of the Wesley Bible class of the First Methodist church met Thursday afternoon, Feb. 6th at the church for the monthly party of the organization. In the absence of the president, the vice-president, Mrs. D. M. Morris, presided. The meeting was opened with the class song, "Blessed Be The Tie That Binds". Following the devotional and prayer offered by Rev. L. G. Hagard, a brief business session was conducted by the leader.

Readings were given by Rubynell Russell and Jean Wills. Mrs. Mamie Thompson played several piano selections while the hostess served refreshments.

Those present included: Mesdames J. L. Caffee, T. E. Cruse, W. S. Duvall, Sam Cope, L. V. Richards, L. F. Fuel, O. C. Whitaker, W. H. Preston, C. A. Vassar, A. C. Warren, G. R. Cheney, I. D. Russell, W. C. Strippling, Joe McKenzie, Wayne Goodlett, Velma Moody, Jewell Buckner, F. L. Pilkenton, J. D. Ashton, Clyde Elder, Guy L. Shaffer, S. S. Reger, R. D.
