NUMBER 28.

ala Party Friday For Football Team At Collier's Bldg.

ed Entertainment Will Be Fea-
tured For Fans At Special
Event

KINDS OF GAMES PLAYED

featuring a varied program of
entertainment with every type of
and domino game, the fans
committee will present a party for
benefit of the football team at
old Collier building Friday
at starting at 7:30. The pro-
gram will present readings, music
and other show numbers.

bridge, both auction and, con-
st, dominos, "42", checkers or
game that the public enjoys
be provided for the players.
special arrangement in the build-
ing will be made so that the indi-
vidual parties can have special con-

The high school set will have a
party of their own. The party will
be arranged for the pep squad,
will be under the direction of
Jeanne Chatham.

The money that will be raised by
the sale of tickets will be used to
pay for buying better training fa-
cilities for the Bulldog football
team. The team next year has
chance of winning the district 9B,
and will be in the running the en-
tire season. Two new games were
added to their schedule. Nocona
will be played Oct. 18 and New-
castle here Oct. 25 to complete a
schedule of 8 games. Newcastle
is the regional champs last year,
and the practice season game with
champs will be the opening
game for the Bulldogs.

The sponsors are attempting to
sell 500 tickets for the party and
sales indicate that the
may be easily reached. Every
in town is planning to attend
function for a while during the
coming.

The committee includes: Mes-
srs. R. D. Owens, H. R. Hayes,
G. Brazel, R. W. Wallace, Mil-
ly Howard, J. H. Brumley, Har-
van Loh, Alvin Hill, A. E.
Miller, J. R. Chatham, J. L. Welch,
P. Sims, John Webb, and R. D.
Wills, H. R. Hayes, Wid Phillips,
k Kelly, R. W. Wallace and
E. Willis.

Contract For Burk Bridge Is Granted

The Burk Burnett Red River
bridge contract was let in Austin
Tuesday afternoon with the John
C. Kerner contracting company, of
burne, Texas, winning the con-
tract job. The bid considered
and within specifications re-
quired was \$12,641.00. The bridge
located on Texas highway No. 30
was washed out last May in a
faster which took the lives of
four Burk citizens.

The new plans call for the sink-
ing of double piers of steel cylin-
ders, filled with concrete and about
or 30 feet deeper than the form-
er cylinders that the state bridge
board placed under the bridge.
Two solid spans with a single
of piers in the center will give
water and silt greater flow dur-
ing flood stages. The bridge was
destroyed when floating timbers
and trees jammed into it last May.

Local Pipe Line Co. Gets Contract

The Wichita Pipe Line contrac-
tors, A. Kriss and P. A. Wiggins,
associates, have won the contract
for taking up and repairing the
inch line of the Texas company
between Burk Burnett and Wichita
falls. The work started on the
project Monday morning, and 50
men were put to work on the
line. It will take about 30 days to
complete the work.

The company just completed re-
pairing a 50-mile line for the Texas
company near Mexia, Texas. The
work required 100 men and 40 days
of completion of the work. There
are 20 Burk Burnett men working
with the crew on the contract. The
company has the work on the Wich-
ita-Burk line well under way, and
promise rapid completion on the 8-
inch line.

For Congress

Ed Gossett of Vernon, Texas, re-
cently announced for the race in
the 13th district for national house
of representatives. Mr. Gossett
made his formal announcement in
this paper a few weeks ago, and
has continued his campaign for the
office since that time. Mr. Gossett
is at the present district attorney
of the Vernon district of the state,
and during his term in that office
has achieved an excellent record as
a prosecutor. He has developed a
wide reputation as a speaker in
this area, appearing on several pro-
grams of various clubs. His most
recent appearance in Burk Burnett
was at the annual Lions club din-
ner.

John Ashton Injured Seriously Last Fri.

John Ashton was seriously in-
jured last Friday when his horse
fell with him. Monday Ashton was
reported as having a concussion of
the brain and possible internal in-
juries. At first it was not thought
that the man was injured serious-
ly, but after a few hours he be-
came unconscious, and remained in
serious condition through the week-
end.

Ashton was riding alone at the
time of the accident and it was pre-
sumed that his horse stepped into
a hole where a post had been re-
moved from the ground and flipped
forward. After examination at the
Russell Clinic, he was placed under
observation, and later carried to
the Wichita Clinic. The doctors
stated at the Wichita hospital that
he would probably be in the care of
the doctors for two weeks or more.

R. H. Rogers Opens Skating Rink Here

R. H. Rogers will hold formal
opening of the Burk Skating Rink,
next door to the Burk Milling com-
pany, next Saturday evening, Feb.
29. Skating will be directed under
the direction of courteous attend-
ants, and the ladies are invited to
attend the evening recreation. A
popular price for the skating has
been set for admission, and expert
instructor will assist those who are
learning to skate.

The American Legion will sponsor
a special night every Thursday,
and will share the proceeds of that
evening. Every legionaire is in-
vited to assist the legion funds by
attending and enjoying a delightful
evening of recreation.

Interesting Series Sermons At Clara Lutheran Church

Clara Lutheran church will ob-
serve the Lenten season with two
interesting series of sermons for
both the morning and evening ser-
mons.

(Continued on page 4)

Slaughter-Carpenter Office Hours Change

Drs. Ruel Slaughter and Phillip
Carpenter announced this week a
change in the consultation hours at
the Burk Burnett Clinic. The regu-
lar daily hours are: morning, 10 a.
m. to 12 noon. In the afternoon: 2
p. m. to 4 p. m. and 5 p. m. to 6
p. m.
On Sunday the hours will be: 10
a. m. to 12 noon. All other hours
consultation must be made by ap-
pointment. The changes in the
immediately. 25-4tc.

BURKBURNETT TO VOTE ON LEGALIZATION OF LIQUORS NEXT MONTH

Ministers Plan Intense Battle On Liquor Vote

The ministers of the various
churches of Burk Burnett are plan-
ning to wage an intense battle
against the return of the legalized
liquor traffic in Burk Burnett pre-
cinct, according to the sentiment
expressed at a semi-official meet-
ing Tuesday afternoon.

The ministers met in the study of
Rev. Miles B. Hays at the First
Episcopal church and planned the
start of their active opposition to
the return of the liquor in oper-
ations. The preliminary plans
were made, and each minister
agreed to carry the fight through
his pulpit and to use personal in-
fluence in securing a big vote
among those opposed to the amen-
ment.

Later in the month still other
plans will be used. Advertising
and personal contact, the spreading
of literature, and the canvass for
voters will be planned. More defi-
nite plans will be made in the near
future.

The statement of the ministers
condemned the indifference and
inertia of the voters who believe
in prohibition. The fact that the
difference of only 30 votes in the
precinct between winning and los-
ing the last election with only 494
votes out of a possible 1,300 were
cast was emphasized.

The ministers have the goal of
bringing every voter in the terri-
tory to the polls the date set for
the election. They further de-
scribed the tendency of indiffer-
ence in law enforcement, and urged
the citizens to vote and use in-
fluence in getting others to vote.

To the citizens of Burk Burnett
and Precinct No. 2:
In reference to the petition for
return of legalized liquor traffic,
as ministers of the churches of
Burk Burnett, we would like to
urge the citizens and voters of the
area to consider seriously the vote
that will be placed before you
some time during the month of
March.

One of the most serious situa-
tions possible arose in the recent
county election. We have been in-
formed that by far a large majority
of the best people failed to go to
the polls and cast a ballot either
way. In a democracy such a situa-
tion of indifference is always
regrettable.

Especially do we regret that the
people who are against the liquor
traffic as a principle, failed to be
sufficiently interested to go to the
polls and cast their vote. As min-
isters we wish to go on record as
definitely opposing return of the
legalized liquor traffic.

We do urge every Christian citi-
zen in the precinct to not only
vote against the return of liquor
traffic but also to use his influence
to get others to vote against the
return.

We do further urge that all who
love their home and children, and
are interested in the welfare of the
schools and other institutions for
the welfare of the community to
vote against the legalization and
work to influence others to vote
against legalization.

Foster Trial Will Be Transferred To Jacksboro Courts

County officials revealed Tues-
day that the Foster murder trial,
involving Burk Burnett citizens, will
probably be transferred to the
Jacksboro courts when it is set for
the second trial. The request will
be made of Judge Allan D. Mont-
gomery when the trial is arranged
before him in the near future, and
intimation was made at the court
house that the judge would grant
the transfer. 25-4tc.

(Continued on page 4)

COURT STUDIES NAMES OF PETITION SIGNERS

Petition Submitted By Burkburnett Citizens Monday Has Required Number of Voters.

With a petition containing 95
signatures, R. S. Ragsdale, in be-
half of the signers of the writ, ask-
ed the county court, assembled in
Wichita Falls Monday afternoon, to
grant the right to hold an election
for legalization of the sale of liquor
in the Burk Burnett precinct (pre-
cinct No. 2.) The petition was cir-
culated quietly in Burk, and pre-
sented without warning to the com-
missioners. The commissioners
and county judge, deferred action
until next Monday afternoon, Mar.
2, in order that the signatures could
be checked for authenticity and
qualification.

The duplicates of the petitions
were seen by the reporter of the
Burk paper and other officials of
the staff, and it was verified by
these observers to have contained
more than the required 50 signers
who are qualified to vote this year
in the state of Texas.

Court Must Act
If the official check of Arthur
Howard, county assessor-collector,
affirms this check of qualification,
the county commissioners are re-
quired by law to call the election
within not more than 20 days and
not less than 10 days. There was no
doubt whatever in the minds of the
reporters or officials that the re-
quired number would be qualified
that had signed the petition.

The petition demanded that the
election be called at the earliest
possible date. The legal limit for
the earliest date would be ten days
after the petition was presented at
the court—or on March 5, the latest
possible date would be March 12.
However, the court may hold that
the limit is 10 to 20 days after that
body acts on the petition. Such an
opinion would throw the election
between March 12 and March 22.

Regardless of what date is set,
the election must be held in Burk-
burnett on or before March 22.

Interesting Fight
In light of the recent election
which carried this precinct wet by
only 30 votes, one of the most in-
teresting fights that has ever de-
veloped along this line is expected
in this precinct.

In the county vote three boxes
went dry for legalization. The
vote was 262 to 232 for the entire
precinct. Two boxes in Burk went
wet and one box went dry.

The vote by boxes is as follows,
with (w) indicating wet and (d)
dry in the county election.

	Votes For	Ag.
Cashion school (d)	36	11 25
Burk h. school (d)	154	63 86
Burk City Hall (w)	139	76 63
Burk Welding Co. (w)	110	77 33
Fairview (w)	55	30 25

There are 1300 qualified voters in
the precinct, and less than a third
of these voters bothered to go to
the polls at the last election. On
the next vote more than three
fourths of the actually qualified
voters are expected.

Just what the plans are that will
be undertaken to fight against leg-
alization are not known at the
present, but the city and entire pre-
cinct is promised a very interest-
ing fight. The pastor contacted
personally Tuesday morning ex-
pressed affirmation that each plan-
ned a personal campaign in their
own churches.

Bruce Barton says that "big
men have almost always refused
to poison their spirits with vindic-
tiveness and hate. Big men are too
busy for this."

Read our adv. Beaver Bros. 28-1tc

For Commissioner

F. R. Knauth, county commis-
sioner, announced recently his formal
application for re-election to the
position of commissioner of pre-
cinct No. 2. Mr. Knauth has
served in this position for more than
a decade, and during the last year
has, according to the announcement,
brought a large amount of project
work to the area.

In the project that was deman-
ded most seriously in the area, the
widening of West Main street, the
work has employed approximately
50 men for several weeks, and the
pouring of the cement started early
this week.

Several other projects have been
applied for and approved in the
Burk area. The sanitation project,
the planting of trees along the
cemetery road, and the widening
of the right of way for the entire
system of precinct state highways,
have been under the supervision of
the present commissioner.

In making the announcement, Mr.
Knauth recalled that the supervi-
sion of these projects have been of
utmost importance to the citizens
of the precinct. In addition he sub-
mitted the excellent record of finan-
ces at the court house as an
example of the efficiency of admin-
istration during the last few years
of the courts work.

127 Veterans Apply For Bonus Through Burk Legion Office

According to the report of J. T.
Brady, service officer of the Ameri-
can Legion of the Oscar Frye Post,
127 Legionaires and ex-service men
have applied for the bonus through
the local organization. The total
amount of certificates adjusted up to
date is \$133,385.00 and the average
has been well over the \$500.00 mark.
The amount to be received in baby
bonds will be \$70,510.00 for Burk-
burnett service men.

There probably were 25 who ap-
plied through other offices for
Burkburnett, and will be about 50
more to apply locally. The soldiers
service organization estimates that
the amount locally will be well over
the \$125,000 mark set early in
the campaign for local applications.

Albee Services To Be Held Here Friday Afternoon

H. J. Albee funeral will be held
at the First Baptist church of Burk-
burnett, at 2:30 p. m. Friday, with
the pastor, Miles B. Hays, in charge,
assisted by Rev. L. G. Hagard, of
the Methodist church.

The following will serve as pall-
bearers: Dr. Arthur Stipe, D. J.
Littleton, Nich Oeschner, of Wich-
ita Falls; H. D. Smith, A. C. Har-
ris, and B. H. Preston of Burkbur-
nett. Owens-Brumley have charge
of the services. The interment will
be at the Burk Burnett cemetery.

Albee died in a Wichita hospital
Wednesday after a brief illness.
The death came after frantic at-
tempts to save his life with blood
transfusions. Several Burkburnett
residents volunteered as donors for
the operation.

H. J. Albee was born at Sedg-
wick, Kansas, Sept. 19, 1884, died
Feb. 26, 1936. He came to Calif.
with his parents in 1901, and lived
in that state until 1917, when he
came to Oklahoma. In Oklahoma
he lived until 1924, and moved to
Wichita Falls, living in that city
until three years ago when he moved
to Burk Burnett.

Rotary Club And Ladies Celebrate Birthday of Club

Leland Breckenridge Speaks At
Meeting On Service By
Obscure

SCHOOL PRESENTS PLAY

Members of the Rotary club and
the Rotary Anns celebrated the 31st
birthday of the organization at the
First Methodist church Monday
night. The program featured the
speech by Leland Breckenridge,
who spoke on the service rendered
by people in obscure positions. The
speaker urged the members to serve
in a quiet place, and forget the
honor achieved by spectacular posi-
tions.

The members of the Margaret
Tanner expression class presented
a one-act play, "The First Dress
Suit". The characters were: Moth-
er Harding, Willie Etta Alexander;
Fred Harding, G. L. Shafer; Peggy
Harding, Lucille Kemp; Johnny
Clark, J. T. Clifton. The play was
humorous and the organization re-
sponded with continuous laughter
and applause. The thesis presented
the trials of a young man achiev-
ing his first full dress suit.

Faul Browning was toastmaster,
and O. C. Willis presented the pro-
gram. The visitors included Mr.
and Mrs. Breckenridge, Miss Ruth
Cummings, James Guest, and the
persons appearing in the one-act
play.

Trees Ready For Planting in Burk

The office of the chamber of
commerce has ready 500 trees for
planting in the city, and each prop-
erty owner has been urged by the
beautification committee to buy and
plant the trees. There are plans
under way to contact each house
in Burk for property improvement.
The trees are Sycamores and sell
for cost at 20 cents each. The trees
planted on the highway between
Burk and Wichita Falls came from
the same plot and are approximat-
ly the same size as used in the high-
way planting program.

At the same time the citizens
have been asked to plant flowers
and shrubs necessary to make the
property presentable for the cen-
tennial campaign this summer.

The parks on the roadsides will
be improved by the state highway
department, and park-ways are
planned for each mile of the pave-
ment. More than 30 boys under
the supervision of the NYA have
started the tree planting along
state roads. The trees are planted
in a stagger system that will retain
the natural appearance of the sur-
rounding environment.

Damage Suit Filed In Wichita Falls On Burk Accident

N. L. Hudgens, Burk Burnett, asked
for \$12,350.00 damages at the
district court house in Wichita
Falls Thursday, following the ac-
cident of a year ago last January,
which took the life of Bettie Lou
Hudgens and seriously injured Dor-
is Lee Hudgens. The suit was filed
against the Harkrider-Keith-Coog
company. The petition alleged that
the truck of that company was
parked so as to obstruct the view
of the two small children ventur-
ing across the highway, and was
therefore cause for the death.

The two children had ventured
across the street to buy candy as a
store, and on returning were hit
by a passing truck. As they hesi-
tated, according to witnesses at the
time of the accident, they looked
across and then darted from be-
hind the parked car into the path
of a passing motor.

At the time of the accident, the
investigation by officials vindicated
the driver of the car which crash-
ed into the children, and stated
that he was proceeding at a mod-
erate rate of speed. The driver told
the reported that at that time that
he had not seen the children until
they had dashed into the side of
his car.

The date for the trial had not
been set this week, but it will prob-
ably be placed in the March or
April calendar of the court.

THURSDAY, FEBRUARY 27, 1936

"WET" VOTE

Several people have been trying to explain the wet vote in this precinct in the recent election for county prohibition. There are two reasons why the majority in the precinct can not be truly called a "wet" sentiment.

In the first place there was not really any test as to whether or not we would have whiskey and other alcoholic drinks in the county. It was merely a question of whether or not we would tax the drinks that were now being sold. For that reason, many votes that normally would have gone "dry" went for legalization. It was impossible to enforce under the present set-up, with public opinion against the enforcement.

Second, the tie-up between the old age pension and the legalization caught many voters that would have normally voted dry. We watched one of the Burk boxes almost all day long, and we saw a large majority of the voters marching to the poll to cast a wet vote for the first time in their long lives. Most of these voters were old persons who would benefit from old age pensions.

That bait was used to gather in large numbers of votes. It did the trick. In one Wichita county box, only fifty people voted, and 40 were old age exemptions. The folks were voting for the money to pay their allotment later in the year.

So the vote wasn't an out and out test of wet and dry sentiment. It was rather a test of the pension and tax provisions of the law.

RIGID ENFORCEMENT

This paper endorses without any mental reservation the announcement made by the city administration last week that the speed and reckless driving statutes of the state would be rigidly enforced. This city has had too many "unavoidable" accidents. Of course under the conditions the accidents could not be avoided, but we are very glad to see the city definitely taking action to abolish those conditions that represent potential danger.

We have the state license law just for that very purpose, and City Judge Ross Reagan issued the announcement that the law would be rigidly enforced so far as Burkburnett was concerned. If there are any smart alecks in the city that think they can get away with the stupidity they have been trying the last few months, they will have a rude awakening. They will first find themselves without the right to drive a car. Then if they are silly, they will find a jail sentence staring them in the face.

The law is imperfect, and it should have included a test for the body and eyes, as well as ability to drive in traffic, but it is a huge step in the right direction. If the city officers enforce the law regardless of person or privilege, we do not believe there will be any accidents the next year as we had the last year.

The law has done one thing that ought to have been done many years ago. It defines driving a car as a privilege and not a right. Not everyone has the right to fly an airplane, practice medicine, or manufacture dynamite. Only qualified persons can do these things. The privilege to do them is earned by trial and study. It should be the same way with driving a car. At the steering wheel the driver has in his hands the life of several persons—those walking, those in his car and those in every car he meets. We think pressure should be exerted to add tests for eyes and body to the present law—meanwhile the law must be rigidly enforced.

TEACHER RETIREMENT

The Fort Worth and Dallas papers recently commented at great length on the proposed "teacher retirement" fund. The voters of Texas will have the opportunity to vote on the proposed amendment to the state constitution next November. In order to keep the records straight, it is necessary for us to look at the submitted amendment.

The proposed law does not offer to pay a pension. It is not, as most people think, a drain on the state treasury. The law merely asks the right for the school to create a system whereby the teacher may establish their own retirement fund. That means that each teacher will deposit a portion of his or her salary, and from the fund created by this deposit, draw in the future a retirement allotment.

Therefore, it will not be a pension, rather it will be a guarantee both to the teachers and to the state that the teachers will never become pensioners.

The proposal has been advanced with a double purpose. The most important purpose is that it will make it possible for the local school to retire teachers who have rendered fine service for long periods of time, but who are no longer able to do efficient work. So it is not to help needs teachers, but to aid the community to maintain a more efficient system.

In addition to aiding in retiring older teachers, the idea will increase the professional standards of the teaching profession. The teaching position will be more attractive to young people who feel that it offers a solid future, and not a political uncertainty. For that reason we recommend that the voters study with seriousness the proposals. Here is a chance to secure increased efficiency without the cost that usually accompanies improvement.

News Of Week

It was only a matter of time until Italy and Germany announced publicly that they had joined hands in an alliance. The fact that these two nations have been making eyes at each other ever since Hitler rose to power in Germany was well known in diplomatic circles. However, the leaders of France, England and Russia hoped to prevent Poland and Austria's entering the entente.

Take a map of Europe and you will find a strange line-up among the nations. Almost every major nation has buffer states lined up to make invasion from a neighbor a dangerous proposition for that neighbor. France can not invade Germany if Italy stands armed on the South, and Poland on the East. Nor can France invade Italy if she is aware of the fact that Germany stands ready to march in from the North.

Russia's Stand

However, it is just about the same way on the other side. Russia is definitely committed to France. If Germany or Poland gets smart, then the Russian hordes, including the best trained and heaviest army in the world, would sweep across the Zanic into the two nations. With such a line-up ready, a war in Europe would look like a fight in the city dog pound in a few days—with every nation fighting in every direction.

Perpetual Romance

That every mystic appeal of the unknown has captured the fancy of the race for thousands of years. When ever an unanswered question or idea stared the race in the face, a few hardy adventurers have gone ahead to defy the challenge. One of the few places left in the world where the white man has not penetrated and conquered is the area of central South America.

Party after party of adventurers have disappeared into the yawning depth of those vast dark jungles only never to be heard of except in vague rumors about Indian tribes as white as the whitest race, and with great wealth of untold gold wealth, stored in vast secret temples of unimagined beauty.

Among those who disappeared was Paul Redfern. Now an unverified report states that he has been found after his plane fell in 1927 ruling as a God from the skies. The charming romance still has a poignant appeal to the race.

No Primaries

The Townsendites have decided to not enter the primaries this spring, and that is about the wisest political move that they have made since the start of their organization. As a large group of voters they can throw their support in the direction of the strongest candidate in their favor and hold the balance in most districts. Just as labor has done for many years.

Hero Flies West

It takes a brave man to sacrifice his career and reputation for the benefit of persons who will soon forget him. A dozen or more men in history have been willing to do that on a large scale. They have become immortals in each case. General William Mitchell saw the rottenness and corruption in the aviation circles, and in spite of traditional and rigid discipline of the army, he spoke his little speech. What appeared to be a small speech, proved to be the

Rid Yourself of Kidney Poisons

Do you suffer burning, scanty or too frequent urination; headache, dizziness, loss of energy, leg pains, swellings and puffiness under the eyes? Are you tired, nervous—feel all unstrung and don't know what is wrong?

Then give some thought to your kidneys. Be sure they function properly for functional kidney disorder permits excess waste to stay in the blood, and to poison and upset the whole system.

Use Doan's Pills. Doan's are for the kidneys only. They are recommended the world over. You can get the genuine, time-tested Doan's at any drug store.

most startling revelation of the century.

Like other men who have told the truth, he suffered. Disgraced he was kicked out of the army. A man that had time after time risked his life, a man that was as fearless as a human can be in defense of his nation, had become an outcast in his profession because he dared to criticize his superior officers. Now resting in a grave in the mid-west when he ought to be in Arlington, under the biggest memorial we are able to build.

"Eyes of Texas"

We have heard of some silly and selfish things in our life, but for the two idiots who have stolen the state song, "Eyes of Texas" with their copyright, ought to be ostracized from the state forever. Selfish and self-centered these persons have invaded a sacred temple of the state and carried off one of our little Gods.

Current Literature

It may be that we are dreaming, but we read the announcement recently that "The Life of Louis Pasteur" was being produced as a movie. There is not a single person in the history that I have personally worshipped more than Pasteur. Cursed and berated by society, ridiculed by his own profession, Pasteur did as most scientists do, went right ahead and added to the human knowledge benefits that will live forever, saving more than 5,000 lives every day that passes. A life like that ought to make a brilliant drama. The picture will be released soon. We sincerely hope that it will be exhibited locally.

All this fuss about producing "It Can't Happen Here" is just another clever publicity campaign, that the public is falling for very rapidly. The objection of Germany and Italy ought to be disregarded just as those nations disregard our protests about domestic matters.

Mr. Kent left a copy of the world famed "Weekly News" from Australia in our office this week. It is an excellent paper that has produced interest among the profession all over the English speaking world. The pictures in the Christmas issue are the best that we have seen in that type of paper. One strange thing about the paper that we noticed was the lack of automobile advertising. A paper of that type in America would have had every other page screaming the praises of some car.

We do not often recommend current magazines, but Channing Pollock's "5200.00 A Month" appealed to us as a delightful and humorous short story. As light as it was intended to be, it held a great deal of philosophic analysis of human nature. We recommend it very highly to both those who believe in and those who are opposed to the Townsend plan.

Read "Prosperity". It will delight you, in spite of the occasional affliction of "statistitis" that the author suffers in several places. We have come to the conclusion that a few laughs of the serious nature might help us recover our economic sanity.

For those who are interested in writing at this time, we would like to say that the market is better at the present than it has ever been before in the last ten years. We are not sure whether it is because there has been a decrease in the class of the stories, or whether it is the result of a large number of new magazines and publishing fields. However, the market is sound, and the demand for good stories on the increase.

If there is any one that has any

NO UPSETS

The proper treatment for a bilious child

ANY mother knows the reason when her child stops playing, eats little, is hard to manage, Constipation. But what a pity so few know the sensible way to set things right!

The ordinary laxatives, of even ordinary strength, destroy all hopes of restoring regularity.

A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help.

This treatment will succeed with any child and with any adult.

Doctors use a liquid laxative. Hospitals use the liquid form. If it is best for their use, it is best for home use. The liquid laxative they generally use is Dr. Caldwell's Syrup Pepsin. Any druggist has it.

sort of a plot that can be dug up, brushed off and remodeled for a story, it is now time to do such things. It probably will be ten or twelve years before such a demand appears the next time.

C. A. Morris Dies in Sleep Burkburnett

C. A. Morris, 75, pioneer of North-west Texas, and Southwest Okla., was found dead in bed at his home here Friday morning. Mr. Morris had been in apparently good health when he retired Thursday night.

Funeral arrangements were in charge of Owens-Brumley Funeral home.

Mr. Morris was a retired farmer and lived in Duncan, Okla., for a number of years before moving to Burkburnett seven years ago.

He is survived by his widow, five daughters, Mrs. E. E. Russell, Burkburnett; Mrs. Joseph White, Oklahoma City; Mrs. C. W. Eckhart, Lawton, Oklahoma; Mrs. Coleman Hodges, Dexter, N. M.; and Mrs. R. C. Russell, Napa, Calif.; two sons, H. T. Morris, Englewood, Calif.; and E. F. Morris, Frederick, Okla.; and two sisters, Mrs. Sallie Chafin, Frederick, Okla.; and Mrs. Mollie Whitten, San Angelo.

Heart Attack Ends Life F. M. Nott, 81

F. M. Nott, 81, died suddenly at his home, 2412, Holliday, Wichita Falls, Friday afternoon at 4:30 of a heart attack.

Mr. Nott, who lived in Burkburnett before moving to Wichita Falls, had been a resident of the city for 16 years. He lived with his son, J. A. Nott. His wife, well known to Burkburnett pioneers, died about a year ago.

Arrangements were in charge of Owens-Brumley Funeral home of Burkburnett.

Surviving besides Mr. Nott of Wichita Falls are C. C. Nott of Dallas and Ward Nott of Gainesville, sons; C. W. Nott of Temple, a brother; 13 grandchildren and six great-grandchildren.

Circle Three of M. E. Church Meets

Members of Circle 3 of the Methodist church met at the home of Mrs. F. L. Pilkenton Monday afternoon for business and social meeting. The devotional was given by Mrs. Pilkenton, and the features talk of the program "Life of David" by Mrs. J. M. Thomas. After a short business the members were served refreshments in the social hour. The next meeting will be at the home of Mrs. J. L. Caffee, on Ellis street the 3rd Monday in March.

The world's largest gold nugget, weighing 630 pounds and valued at more than \$60,000, was discovered in Australia in 1872.

 don't experiment
 with your
 Child's Colds

VICKS VAPORUB

Often, "mere colds" have serious consequences. It is dangerous to neglect a cold—equally dangerous to experiment with half-way measures.

Feel safe! Use Vicks VapoRub—the proved external method of treating colds. No risks of constant internal "dosing", which so often upsets delicate digestions and lowers resistance when most needed.

DOUBLE DIRECT ACTION
 Just rubbed on at bedtime, VapoRub fights a cold direct—two ways at once—by stimulation and inhalation. This combined poultice-vapor action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion. Often by morning the worst of the cold is over.

Milled In BURKBURNETT

Big Rabbit Creek

February 23, 1936.

The Big Rabbit Creek community is deeply grieved to hear of the death which happened to one of its esteemed pioneers, Mr. John Terry, last Friday afternoon as the news was informed through a Mr. Royals, one of Mr. and Mrs. Ashton's staunch friends, how the death happened. Mr. Ashton got his saddle horse to drive a herd of his cattle out of one field into another. While running the cattle the horse stepped into a post hole and wasn't filled up, throwing the horse and rider violently to the ground. In a short while Mr. Ashton was taken to the Burk Burnett hospital where an examination was made. It was found that his left elbow was dislocated, not broken and a slight head injury over the left eye. Mrs. Ashton took him home and about 8:30 p. m. he became unconscious and still unconscious at 9:30 a. m. Saturday morning. Saturday afternoon he was taken to the General Hospital at Wichita Falls. The writer was informed while Burk Burnett that Mr. Ashton was still in a critical condition and his writing no reports have been received from the hospital. It is believed by his host of friends all over the southern part of the county that he will have a speedy recovery and will soon be able to come back with his wife and daughters.

having him fit a pair of glasses to work in, as Hawk Eye believes that Dr. Peevey ranks one among the best eye specialists in Northwest Texas. Well, it took Hawk Eye several minutes to get back to the Dr.'s office from the front of the building as the place of business was crowded with people. Finally he got to see the Dr. but as he was testing a young lady's eyes and 3 others were waiting for work the Dr. said he was sorry but it would be 5:30 or 6:00 o'clock before he could get to Hawk Eye. He could not wait that long so he had to come back without having his eyes examined. It matters not what business place you are in or go in and see customers waiting to be waited on, you can just put it down in your cocoanut that those places are doing a good honest business and are just making a small profit, enough to get by on. Their motto is "Live and Let Live."

One of our leading farmers, Cap. R. L. Baldwin, who owns a fine bottom farm in the Red River bottoms 6 miles south of Randlett, and another good farm 1 1/2 miles east of Randlett, was one of the lucky ones to draw the \$15.00 Saturday on Trades Day. By some cause his good helpmate, Mrs. Baldwin, didn't accompany the Cap. to the city, and as it happened, Hawk Eye was near the truck and saw Mr. Brown's hand over the \$15 to Cap. He was so excited over drawing the dough that if Hawk Eye hadn't called his attention to pay the little boy for drawing the lucky number, The Cap. paid him and straightway he went to his car and out for Randlett he went. They say he was going better than 60 to spring the good news to Mrs. Baldwin that he had drawn \$15.00. He drove so fast that he almost burned his car up. He never stopped for water or anything else. Hawk Eye says if he had drawn the \$15.00 or even the \$10.00 he would have done worse than R. L. did.

While the writer was going down to the largest business place in

Burkburnett, Boyd Bros., Saturday evening, who did he meet but his friend I. F. Bogy who is the head agent for the Zenith company. He had one of the company's radio motors on display and was demonstrating it. Mr. Bogy is an expert along that line of business and he showed a large crowd that had gathered around, just how this fine motor performed. He said it would do your churning, light up your house, run your windmill if you had one, and I am sure it would do your milking if you had several head to milk, and would furnish light in your hen house to make the hens lay more eggs. He stated that 2 gallons of gas per week would do the job. He is selling and installing a great many all over the country and is giving perfect satisfaction. Price for motor and Zenith radio is very small.

Captain Myers informed the writer that one of his eldest sons had been very sick for several days with a bad attack of the flu, but was able to be up and around again.

Jess Kinnard has moved down on the L. Willis (alias Cyclone) Red River bottom farm and is getting ready to commence farming.

The Empire State of The South Empires rule when Kings guarded, By the forces of their land Where a crown is golden chasing Jeweled with a diamond hand.

But the Empire State of glory Is united with the rest, In America of freedom Crown is but a golden crest.

Sol, resplendent in the morning, Shines all through caroled day, Pouring beams along the pathway Sinking troubles in the bay.

Moon appears while dusk is falling Gulf streams ripple shining waves Flash of fins in playful leaping In amongst the wave made caves.

The flight of birds in marveled colors,

Wave of branches near the shore Empire State in golden glimmer, Gives to man roselet door.

Yours truly, HAWK EYE

P. S.—Sunday evening at 6:30. Mr. A. L. Willis and his house-keep drove over in the Rabbit Creek neighborhood Sunday afternoon to look about his farm which Jess Kinnard is farming this year. On their way home they drove by the Owens family residence and visited awhile. Mr. Willis informed the writer that he was told that Mr. Ashton had been operated on at the Wichita Falls hospital in his spine to find his ailment and was unable to find his trouble there and it was stated that the next operation would be in his head. At this writing it is reported that Mr. Ashton is in a serious condition. It's true let's all hope for the best. H. E.

Christian Class Elects Officers

Sunday evening, February 23, 33 members of the Young People's class of the church of Christ held a business session to elect new officers for the class. Some of the old officers were re-elected. The new executive body now consists of president, Clark Jacobs; vice-president, Palmer Shores; secretary-treasurer, Ellis May Oualline; reporter, Cordie McPherson; song leader, Kenneth Whitton, and sergeant-at-arms, J. T. McPherson. The program was begun with songs led by Kenneth Whitton, and prayer by Woodrow Montgomery. "The Letter to Smyrna," was the subject for discussion. Interesting talks given on the subject were: "Exhortation" by Kenneth Whitton. "Praise," Clark Jacobs. "Prediction," Clodella Posey. "Promise," Ellis May Oualline. The meeting was concluded with songs by all, and devotional led by J. T. McPherson.

"I Count Costs to the Penny!"

I KNOW—

Plymouth

COSTS LESS TO RUN"

Says Plymouth Owners

Records kept by Plymouth users show that Plymouths cost less to run. Records show that a car making an average of 15 stops a day gets an average of 19.6 miles per gallon. And they all say that they would not own a car without GENUINE Hydraulic Brakes.

Check your tire marks on a wet road and you will find them perfectly straight. Do not be misled by these so-called Perfected hydraulic brakes. There is only one kind of Hydraulic Brake and that is GENUINE.

Albee Services—

(Continued from page one)

Mrs. Florence Cockerham, August 5th, 1935. Besides his wife and Bonnie Jean, he leaves a son, W. B. Albee and a daughter, Mrs. Violet Vaughn, both of Los Angeles, Calif., also one brother, W. W. Albee of Arkansas City, Kansas, and a sister, Mrs. Isabel A. Hall, Up-land, Calif.

Mr. W. W. Albee and wife are here to attend the funeral. He also leaves the following step-children: Mrs. J. C. Ambry, Byers, Texas; Mrs. Johnnie Ausums, Brookston, Texas; Mrs. A. J. Gwinn, Electra, Texas; Glenn Cockerham, Electra, Texas; Mrs. Ruel Hanby, Burkburnett; and M. C. Cockerham, of Burkburnett.

He was converted and joined the First Baptist church about two years ago, and had been a very active member of that church since that time.

Foster Trial—

(Continued from page one)

the change of venue.

The reasons for the change was said to be that the prosecution felt that a jury would not be secured to give a fair and impartial trial in Wichita county. Foster is being tried the second time for the murder of his wife. The state alleges that his wife, found dead at their home in Burk, was killed by the defendant.

C. C. McDonald, defense attorney, stated that an exception would be taken to the moving of the trial, and that he would fight the transfer and prevent such move if possible.

In a statement issued Wednesday, McDonald stated that he thought that the second trial ought to be held in Wichita Falls. The first trial which revealed sensational evidence, ended in a 6 to 6 deadlock of the trial jury.

The second trial started in January, but it was declared a mistrial when the jury was nearly complete, due to the illness of the district attorney.

The state alleged that Foster killed his wife in the cellar of the home, and the defense pleaded that the wife had committed suicide. The first trial was extremely short. The defense did not present a single witness, content to establish only cross examination of state witnesses.

Interesting Series—

(Continued from page one)

services. Lent in the Lutheran church is observed chiefly by centering the attention upon the redemptive work of Christ, with special reference to His suffering and death.

The series for the morning services include the following topics: Jesus' Suffering in Gethsemane, Jesus Prayer in Gethsemane, The Sleeping Disciples and The Betraying Disciple.

A series of special interest is that arranged for the evening services, beginning next Sunday night, the pastor will deliver six sermons on the familiar text recorded John 3, 16. The general theme of these sermons will be: Our Great Salvation. The messages will treat the plan of salvation in detail. The topics for this vitally interesting series will be: Its Author, Its Motive, Its Scope, Its Price, Its Appropriation, Its Purpose.

Clara Lutheran church extends a cordial welcome to all visitors.

Application Blanks For Radio Station Received in Burk

Persons who are interested in the starting of a radio station in Burkburnett have been asked to list their names and interest with the Burkburnett Star. The sponsors have received applications for a radio station for broadcast of programs in Burkburnett, and are interested to know how many persons would like further information about the proposition.

Burk Graduate Has Part In School Meet

Saturday was Freshman day at Mary Hardin-Baylor and every activity gave way to the big collegiate tour that the class took that night for their annual reception. Hundreds of young men from nearby colleges and hometowns were on the campus and all things indicated this as the biggest day of the freshman year. Miss Virgie Lee Skipwith, Burkburnett, is one of the freshmen who, eluding the sophomores, introduced her escort to the take-offs on other campuses which was the feature of the evening. Returning to Hardy parlors, she introduced her guest to her own college, and in that way presented the most representative freshman, Miss Sally St. John of Harlingen.

Say Pete, could you loan me \$3? On what security? Well, I'm getting married tonight and tomorrow I'll give you mah wife's watch.

Hardin Demo Club Studies Foundation Patterns, Wardrobe

Miss Bennett Illustrates Lecture With Miniature Models at All-Day Meeting

Members of the Hardin demonstration club held one of the most interesting meetings of the current year at the home of Mrs. J. C. Muller, president, as they met in an all-day session to study foundation patterns and wardrobe storage, Wednesday. Miss Leta Bennett, county demonstrator, started the study by an examination of the foundation patterns, which she checked and rechecked during the morning meeting. Each of the members' special pattern problems were analyzed and suggestions for perfection of the basic models were given by the demonstrator.

At the noon hour a covered dish luncheon provided by the members and illustrating the versatility of the club members food study, was held. The president, Mrs. Muller, presided at a short business session in the afternoon, and the club transacted the essential business, making future plans, and disposing of current questions.

Afternoon

In the afternoon session Miss Bennett continued her very interesting demonstrations by a clever series of illustrations on the problems of the wardrobe. As a subject she chose "The New Deal in Wardrobe Storage."

Miss Bennett pointed out the purpose of storage as a saving factor in keeping clothes presentable and increasing their value, and period of service to the owners. She advanced the demonstration by listing the minimum requirements for adequate storage for a wardrobe. As a climax to the discussion the lecturer pointed out things that every woman can do to improve the storage spaces. This portion of the lecture was cleverly illustrated with miniature models of closets shoe racks and hat racks. The miniatures made the problem seem simpler to the members and guests of the club.

New Members

The well planned program attracted a large number of visitors and guests. There were several new members, including Mesdames M. C. Chapman, Oscar Hickman, J. E. Rogers, and E. J. Simmons. These new members were formally welcomed into the club.

The second Wednesday in March the club will meet with Mrs. Artie Whitesides for a demonstration of the uses of the foundation patterns, and the discussion will point out the practical application of the study made last week.

Those present included: visitors, Mesdames M. C. Chapman, Oscar Hickman, J. E. Rogers, Carl Mertins, Edd Hiesermann, A. J. Muller, E. J. Simmons, H. K. Klinkerman, F. R. Knauth; members: F. O. Minick, J. A. Johnson, Artie Whitesides, Fred Brockman, J. C. Muller, and the county agent, Miss Leta H. Bennett.

Fort Worth Man Buys Interest Unique Cafe

Harry Kithas of Fort Worth, cousin of Sam Dasis, has bought the interest of John Hoose in the Unique Cafe in Burkburnett. Mr. Kithas has moved his family here and will make Burkburnett his residence, and will assist in the management of the local popular cafe. Mr. Hoose did not announce what he planned to do in the future. He has been in Burkburnett for the past four years.

Meetings Next Week

The University Study Club will meet Thursday, Mar. 5 at the home of Mrs. Utts, hostess.

The Current Literature club will study radio and plays Thursday afternoon, Feb. 27.

The study group of the Parent-Teachers Association will meet Tuesday afternoon at the Central Ward school for a study of "Citizenship."

The Junior University club will meet Monday, March 2, Mary Bess Strong, hostess.

The Young Matrons class of the First Baptist church will meet with Mrs. J. C. Adams Tuesday.

Lions club will entertain the basket ball team Tuesday night.

New Salesman At Barrow-Grace Co.

Chester Roberts has accepted a position as salesman with the Barrow-Grace Chevrolet Co. Chester is the son of Mr. and Mrs. W. A. Roberts, and is a graduate of the local high school and University of Texas. He has made a good start, having sold several Chevrolets and Oldsmobiles since starting to work, and Chas. Grace, sales manager, predicts success for him in his new undertaking. Chester invites his friends to come in and see him and make him an offer.

To Appear Palace Theatre March 3 and 4

The Jeffries Sisters, "The Sweethearts of Hollywood" screen, stage and radio stars, will appear here Tuesday and Wednesday at the Palace Theatre. These sisters present singing, dancing and violin specialties. These entertainers have recently appeared in motion pictures in "Our Gang Comedies." Mr. Logan stated this was undoubtedly one of the best stage shows this year. There will be plenty of singing and dancing.

BEAR TRACKS

Edited by the Students of Fairview School

(Edited by students of Fairview school)

Y. C. Paschall Re-elected

Y. C. Paschall was re-elected for a two-year period as superintendent of the Fairview public school at a meeting of the board Monday night. Mr. Paschall has served in this capacity for five years and the school has made much progress under his very able guidance, so this act on the part of the board is very heartily endorsed by the entire community. Mr. Paschall took his Bachelor's Degree from East Texas State Teachers College at Commerce, and he received his Master's Degree from University of Missouri at Columbia.

The principals of the school were also re-elected at this board meeting. R. D. Watkins, who has served as principal of the high school five years and as coach also the last four years, was re-elected for the coming year. The board also decided to send Coach Watkins to the State Basketball Meet at Austin on March 6 and 7, in appreciation of his hard work with his basket ball team this year. Watkins is a graduate of North Texas State Teacher's college, and he took his Master's Degree from the University of Southern California. Erwin Brand was re-elected as principal of the grade school in which capacity he has served for five years. Mr. Brand is a graduate of North Texas State Teacher's College and he is doing his Master's work with the same institution.

Fairview Adds New Faculty Member

Miss Addie Brawner, a graduate of North Texas State Teacher's College has been elected to teach the second grade at Fairview, and will begin her duties Monday.

Athletic Banquet to be Held in Fairview Gym March 16, 1936

The Fairview pep squad is sponsoring the athletic banquet this year and tickets of 50c each may be purchased now from any member of the squad. The banquet is to be held in the school gym on Monday night, March 16, at 7:30. A good program and a delicious feed is promised. There is a limited number of tickets to be sold, so buy yours now so you won't miss those impromptu speeches by the basketball boys and volley ball girls.

Operetta

The Fairview Home Economics club will present the operetta "The Suzanne Shop" March 10, 1936. This operetta is directed by Mrs. Roy Woods and the admission will be 10c and 20c.

Spanish Club News

The Spanish club met Monday, February 24. Each member answered roll call with the name of a Spanis town or province. The following program was given:

The club sang old Spanish songs and learned "Senreta Pierrot".

El Pulque by Bennie Frances Spencer.

El Dramatico Desarralo De Mexico by Evelyn Thompson.

Los Indigenos by Ruby Jewel Williamson.

The club has planned to have a Mexican supper March 5, at the Mexican Inn in Wichita Falls.

Fairview Bears Close a Successful Season

When the Fairview Bears went down in defeat in the semi-final district game with the defending district champions, the Nocona In-

Leroy has meant a lot to the team this year, not just because of his enviable height, but also because of his accuracy in goal shooting and his ability to take care of his man on the defense. His place will be mighty hard to fill next year and it is doubtful if any one ever does just exactly fill his place. (Any-way we know for sure no one will ever be able to fill his shoes—they are so big!)

With the exception of these two men, which is a great loss, the Fairview Bears' line-up will be the same.

Scotty McCall, the best guard in the entire region, is a three year man and will be back on the team next year for his last year, and if he improves as much next year as he has every year for the last three, he will be a most dangerous man to any opposing team. Scotty is one of the neatest ball handlers ever seen on the court and is one of the smoothest players ever seen

in action. He is a mighty valuable man to his team and it is a mighty grateful community that he is to be back next year.

Tommie West, a freshman, has proved to be quite a valuable man to the team this year, playing guard. This was Tommie's first year out for basket ball and he made an un-

Tom Boyd Starts New Business At Henrietta, Texas

Tom Boyd, prominent Burk business man, has opened a new business at Henrietta Feb. 15, and Alton Hanes was appointed general manager of the mercantile establishment. Mr. Hanes has been with the Parker Bros. organization for eight years, and enters the new venture with complete experience in the line. Three additional clerks have been employed for the store. The store will have the exclusive right for entire Clay county on electric, gas and kerosene fixtures, Philco radios and Zenith radios, and ABC washers. The store will carry a complete line of appliances and parts for each of these special products. The store will be known as the Boyd Appliance company, and was established in the thriving Clay county community.

Basket Ball Boys To Be Guests Of Lions Club Tues.

Reagan Makes Classification Talk At Meeting Last Tues. Night

Coach Polk Robison and the basket ball team of the Burk Bulldogs will be the guests of the Lions club at the regular meeting of the organization next Tuesday night. The banquet will be held in the basement of the First Methodist church at 7:15. Plans for the program include a speech by Coach Robison of the Wichita Falls team and musical features. The boys will be introduced to the members of the club and their record analyzed.

The Bulldogs had an unusually successful season this year, going to the finals to the county meet, and winning the large majority of their games the last half of the season. Starting off with a group of experienced players, the coach produced a winning combination by the middle of the season.

Reagan Speaks
The feature of last Tuesday's meeting was a classification talk by Mr. Reagan. Mr. Reagan, city manager of Burk, discussed the problems and complications of government facing the executive officer of the town.

Mamie Browning and Janice Caffrey gave two numbers on the program. The first was a skit or play. Then each of the readers gave an individual reading. The club planned to make a drive for the collection of old shoes to be used in providing the students at the grade schools with footwear. Lee Clifton, Chester Duncan, Roy Maders and Curtis Cook were appointed to arrange the campaign.

The members of the program committee for the basket ball meeting next week are Curtis Cook and Lee Clifton. All the basket ball boys are urged to remember the date and come to the meeting as honor guests. The club appropriated \$10.00 at the request of Fred Knauth for trees on local streets.

Mrs. L. H. Gilbert Honoree at Shower Wednesday, 19th

Mrs. L. H. Gilbert was honored at a lovely shower given at the home of Mrs. Frank Simmons, February 19th, with Mesdames I. E. Riddles, D. C. McCullough and Miss Zelma Riddles as co-hostesses. After the guests had arrived, a large basket of lovely gifts was placed before the bride by Mrs. I. E. Riddles and Miss Edna Styles.

The program for the afternoon included games, in which Miss Marie England won first prize, which she later presented to the honoree. Refreshments were served to Mesdames J. G. Cheney, H. J. Brown, B. L. Turner, R. A. Beezley, A. A. Gilbert, T. W. Bennett, D. E. Woodard, H. E. Warn, John Harris, I. E. Riddles, D. C. McCullough, and H. L. Gilbert, the honoree, and Misses Bernice Smith, Marie England, Myrl Cheney, Pauline Rhoton, Pauline Bennett, Thelma McCaig, Edna Styles, Zelma Riddles and the hostess, Mrs. Frank Simmons.

Move Waterfront On to Studio Set!

Entire Fishing Village Is Reproduced in Scene of "Riff Raff"

Autumn fogs that swirl about the Southern California waterfront during the morning hours and sometimes are not dissipated until midday were not allowed to interfere with the production of Metro-Goldwyn-Mayer's "Riff Raff" starring Jean Harlow with Spencer Tracy, and opening Sunday at the Palace theatre.

For the waterfront was moved into the studio! It was one of the most ambitious set-building projects essayed by the studios in recent years, an exact duplicate of an actual waterfront setting on the Pacific near the port of San Pedro, California.

House for house, door for door, window for window, painted sign for painted sign, the actual setting was duplicated by the studio technicians. The docks and the fishing village stand in the studio just as they appear along the waterfront.

The unusual feature is accentuated by the fact that scenes were filmed actually at the waterfront whenever the weather permitted. But when the autumn fogs came in, the company moved into the studio and continued work in exactly the same setting.

Marchand Finishes New Safety Course

Steve Marchand, engineer for the Texas Co., returned from Fort Worth this week after completing a safety and first aid course for emergency treatment. As one of the 27 representatives of the Texas company from the state of Texas, Marchand received his certificate for the efficiency in the safety work, and has become a full-fledged instructor in the course. At the present Marchand is conducting a safety course for the Bell Oil and Gas company, and offers his services to any club or organization that would like to sponsor a course for workers and citizens in Burk Burnett. Marchand is a qualified and certified teacher and will offer his services free to any club that wishes to conduct the school locally for greater safety and emergency Red Cross work.

Your name, said the officer at the station. Sam Jones replied the army trombonist. Your rank said the officer. I know it, sighed Sam. Adding Machine Paper.—Star.

Cantor Stops Gagging To Explain What Makes a Gag a Gag

By Eddie Cantor (Star of Samuel Goldwyn's "Strike Me Pink" released through United Artists and showing at the Palace Theatre Friday and Saturday).

What makes people laugh? Anything that's funny. It might be a line, a joke, or a gesture. The ways of a comedian with a laugh are as varied and mysterious as the ways of a maid with a man. No two successful comedians use the same methods to evoke laughs, just as no two women use the same methods to capture a man. Each comedian is distinctive. While one may rely purely on jokes, another's forte may be a silly elevation of the eyebrow. I know comedians who merely have to move their lips convulsively or shake their bodies like jellyfish to get laughs.

Comedians are divided into several classes. The gag comedian predominates in this country because the gag is the simplest and most direct route to a laugh. Since each joke is a distinct story, this method is the best because it is almost certain to please. If one gag doesn't amuse, the other invariably does. Then there is the method, or situation comedian. This is by far the most difficult type of fun-making, since the laughs come not from pointed jokes, but from movements physical and vocal, and situations humorously built up by the talent of the comedian. The personality comedian relies, as the name implies, on his own individualism. He explodes his sure fire gags right under your very nose. The dialect comedian enjoys a place all his own in the theatre. Either you like a dialectician wholeheartedly, or you pass him up altogether.

The clown, the grotesquely arrayed comic, also falls into a class of his own. The success or failure of this type of comedian depends in the main on his ability to amuse, rather than on the grotesqueries of his attire and facial makeup. Personally, I prefer the one true type of comedian—the pantomimist. He relies solely on his own comedy gifts—not on jokes or written material. My own favorite comedian is Charlie Chaplin.

Knauth Secures Trees To Plant By Streets

F. R. Knauth has raised several subscriptions for the planting of trees by the streets in Burk Burnett. The Lions club, Rotary club and several other organizations as well as private individuals have joined in the project. The chamber of commerce furnished the plants at a below cost price. The trees by the cemetery that were planted last year are being replanted on the north side in several spaces. The other streets will be lined with trees 50 feet apart and Tramarix or Salt Cedar in between each tree. The ground is fertile and expected to retain most of the trees alive.

Legion Rents Hall From Labor Union

The American Legion, Oscar Frye Post, of Burk Burnett has arranged to rent the hall of the Oil Field Workers Union on each second Monday night. The hall is located over the Betty Ann Bakery. Meetings will be held each first and third Monday nights. The next meeting will be Monday week. An important business schedule will be held at that time and the members have been urged to attend the meeting. The location is more convenient than the former location and will make it possible for all Legionnaires to get to the meetings.

Plans For Auction Held Each Month In Burk Are Made

The chamber of commerce and other business men and farmers are making plans to hold a monthly auction in Burk Burnett, and a committee has been working on the details of the scheme for the last two weeks. The plans remain indefinite, but exact date will be published later.

The committee has been visiting various other auctions held in this area during the last two weeks, and gathering information for the staging of a successful meeting here each month. The plans are to have the farmers and citizens of the area bring to a common buying and selling center such stock and goods as they wish to sell. These will be sold to the highest bidder in open market. Livestock, implements, household goods, crops, fowls, and all kinds of salable merchandise will be offered in the monthly meetings.

The committee that visited the Temple sale last week included Leo Dudley, R. L. Mattingly, Henry Grace, Fred Brookman, H. D. Smith, Herman Brown, secretary of the organization is working ex-officio with the committee.

Albee Services—

(Continued from page one)

Mrs. Florence Cockerham, August 5th, 1935. Besides his wife and Bonnie Jean, he leaves a son, W. B. Albee and a daughter, Mrs. Violet Vaughn, both of Los Angeles, Calif., also one brother, W. W. Albee of Arkansas City, Kansas, and a sister, Mrs. Isabel A. Hall, Upland, Calif.

Mr. W. W. Albee and wife are here to attend the funeral. He also leaves the following step-children: Mrs. J. C. Ambry, Byers, Texas; Mrs. Johnnie Ausums, Brookston, Texas; Mrs. A. J. Gwinn, Electra, Texas; Glenn Cockerham, Electra, Texas; Mrs. Ruel Hanby, Burkburnett; and M. C. Cockerham, of Burkburnett.

He was converted and joined the First Baptist church about two years ago, and had been a very active member of that church since that time.

Foster Trial—

(Continued from page one)

the change of venue.

The reasons for the change was said to be that the prosecution felt that a jury would not be secured to give a fair and impartial trial in Wichita county. Foster is being tried the second time for the murder of his wife. The state alleges that his wife, found dead at their home in Burk, was killed by the defendant.

C. C. McDonald, defense attorney, stated that an exception would be taken to the moving of the trial, and that he would fight the transfer and prevent such move if possible.

In a statement issued Wednesday, McDonald stated that he thought that the second trial ought to be held in Wichita Falls. The first trial which revealed sensational evidence, ended in a 6 to 6 deadlock of the trial jury.

The second trial started in January, but it was declared a mistrial when the jury was nearly complete, due to the illness of the district attorney.

The state alleged that Foster killed his wife in the cellar of the home, and the defense pleaded that the wife had committed suicide. The first trial was extremely short. The defense did not present a single witness, content to establish only cross examination of state witnesses.

Interesting Series—

(Continued from page one)

vices. Lent in the Lutheran church is observed chiefly by centering the attention upon the redemptive work of Christ, with special reference to His suffering and death.

The series for the morning services include the following topics: Jesus' Suffering in Gethsemane, Jesus Prayer in Gethsemane, The Sleeping Disciples and The Betraying Disciple.

A series of special interest is that arranged for the evening services, beginning next Sunday night, the pastor will deliver six sermons on the familiar text recorded John 3, 16. The general theme of these sermons will be: Our Great Salvation. The messages will treat the plan of salvation in detail. The topics for this vitally interesting series will be: Its Author, Its Motive, Its Scope, Its Price, Its Appropriation, Its Purpose.

Clara Lutheran church extends a cordial welcome to all visitors.

Application Blanks For Radio Station Received in Burk

Persons who are interested in the starting of a radio station in Burkburnett have been asked to list their names and interest with the Burkburnett Star. The sponsors have received applications for a radio station for broadcast of programs in Burkburnett, and are interested to know how many persons would like further information about the proposition.

Burk Graduate Has Part In School Meet

Saturday was Freshman day at Mary Hardin-Baylor and every activity gave way to the big collegiate tour that the class took that night for their annual reception. Hundreds of young men from nearby colleges and hometowns were on the campus and all things indicated this as the biggest day of the freshman year. Miss Virgie Lee Skipwith, Burkburnett, is one of the freshmen who, eluding the sophomores, introduced her escort to the take-offs on other campuses which was the feature of the evening. Returning to Hardy parlors, she introduced her guest to her own college, and in that way presented the most representative freshman, Miss Sally St. John of Harlingen.

Say Pete, could you loan me \$3? On what security? Well, I'm getting married tonight and tomorrow I'll give you mah wife's watch.

Hardin Demo Club Studies Foundation Patterns, Wardrobe

Miss Bennett Illustrates Lecture With Miniature Models at All-Day Meeting

Members of the Hardin demonstration club held one of the most interesting meetings of the current year at the home of Mrs. J. C. Muller, president, as they met in an all-day session to study foundation patterns and wardrobe storage, Wednesday. Miss Leta Bennett, county demonstrator, started the study by an examination of the foundation patterns, which she checked and rechecked during the morning meeting. Each of the members' special pattern problems were analyzed and suggestions for perfection of the basic models were given by the demonstrator.

At the noon hour a covered dish luncheon provided by the members and illustrating the versatility of the club members food study, was held. The president, Mrs. Muller, presided at a short business session in the afternoon, and the club transacted the essential business, making future plans, and disposing of current questions.

Afternoon
In th afternoon session Miss Bennett continued her very interesting demonstrations by a clever series of illustrations on the problems of the wardrobe. As a subject she chose "The New Deal in Wardrobe Storage."

Miss Bennett pointed out the purpose of storage as a saving factor in keeping clothes presentable and increasing their value, and period of service to the owners. She advanced the demonstration by listing the minimum requirements for adequate storage for a wardrobe. As a climax to the discussion the lecturer pointed out things that every woman can do to improve the storage spaces. This portion of the lecture was cleverly illustrated with miniature models of closets shoe racks and hat racks. The miniatures made the problem seem simpler to the members and guests of the club.

New Members
The well planned program attracted a large number of visitors and guests. There were several new members, including Mesdames M. C. Chapman, Oscar Hickman, J. E. Rogers, and E. J. Simmons. These new members were formally welcomed into the club.

The second Wednesday in March the club will meet with Mrs. Artie Whitesides for a demonstration of the uses of the foundation patterns, and the discussion will point out the practical application of the study made last week.

Those present included: visitors, Mesdames M. C. Chapman, Oscar Hickman, J. E. Rogers, Carl Mertins, Edd Hiesermann, A. J. Muller, E. J. Simmons, H. K. Klinkerman, F. R. Knauth; members: F. O. Minick, J. A. Johnson, Artie Whitesides, Fred Brookman, J. C. Muller, and the county agent, Miss Leta H. Bennett.

Fort Worth Man Buys Interest Unique Cafe

Harry Kithas of Fort Worth, cousin of Sam Dasis, has bought the interest of John Hoose in the Unique Cafe in Burkburnett. Mr. Kithas has moved his family here and will make Burkburnett his residence, and will assist in the management of the local popular cafe. Mr. Hoose did not announce what he planned to do in the future. He has been in Burkburnett for the past four years.

Meetings Next Week

The University Study Club will meet Thursday, Mar. 5 at the home of Mrs. Utts, hostess.

The Current Literature club will study radio and plays Thursday afternoon, Feb. 27.

The study group of the Parent-Teachers Association will meet Tuesday afternoon at the Central Ward school for a study of "Citizenship."

The Junior University club will meet Monday, March 2, Mary Bess Strong, hostess.

The Young Matrons class of the First Baptist church will meet with Mrs. J. C. Adams Tuesday.

Lions club will entertain the basketball team Tuesday night.

New Salesman At Barrow-Grace Co.

Chester Roberts has accepted a position as salesman with the Barrow-Grace Chevrolet Co.

Chester is the son of Mr. and Mrs. W. A. Roberts, and is a graduate of the local high school and University of Texas. He has made a good start, having sold several Chevrolets and Oldsmobiles since starting to work, and Chas. Grace, sales manager, predicts success for him in his new undertaking.

Chester invites his friends to come in and see him and make him an offer.

To Appear Palace Theatre March 3 and 4

The Jeffries Sisters, "The Sweethearts of Hollywood" screen, stage and radio stars, will appear here Tuesday and Wednesday at the Palace Theatre. These sisters present singing, dancing and violin specialties. These entertainers have recently appeared in motion pictures in "Our Gang Comedies." Mr. Logan stated this was undoubtedly one of the best stage shows this year. There will be plenty of singing and dancing.

BEAR TRACKS

(Edited by students of Fairview school)

Y. C. Paschall Re-elected
Y. C. Paschall was re-elected for a two-year period as superintendent of the Fairview public school at a meeting of the board Monday night. Mr. Paschall has served in this capacity for five years and the school has made much progress under his very able guidance, so this act on the part of the board is very heartily endorsed by the entire community. Mr. Paschall took his Bachelor's Degree from East Texas State Teachers College at Commerce, and he received his Master's Degree from University of Missouri at Columbia.

The principals of the school were also re-elected at this board meeting. R. D. Watkins, who has served as principal of the high school five years and as coach also the last four years, was re-elected for the coming year. The board also decided to send Coach Watkins to the State Basketball Meet at Austin on March 6 and 7, in appreciation of his hard work with his basket ball team this year. Watkins is a graduate of North Texas State Teacher's college, and he took his Master's Degree from the University of Southern California.

Erwin Brand was re-elected as principal of the grade school in which capacity he has served for five years. Mr. Brand is a graduate of North Texas State Teacher's College and he is doing his Master's work with the same institution.

Fairview Adds New Faculty Member

Miss Addie Brawner, a graduate of North Texas State Teacher's College has been elected to teach the second grade at Fairview, and will begin her duties Monday.

Athletic Banquet to be Held in Fairview Gym March 16, 1936

The Fairview pep squad is sponsoring the athletic banquet this year and tickets of 50c each may be purchased now from any member of the squad. The banquet is to be held in the school gym on Monday night, March 16, at 7:30. A good program and a delicious feed is promised. There is a limited number of tickets to be sold, so buy yours now so you won't miss those impromptu speeches by the basketball boys and volley ball girls.

Operetta

The Fairview Home Economics club will present the operetta "The Suzanne Shop" March 10, 1936. This operetta is directed by Mrs. Roy Woods and the admission will be 10c and 20c.

Spanish Club News

The Spanish club met Monday, February 24. Each member answered roll call with the name of a Spanish town or province. The following program was given:

The club sang old Spanish songs and learned "Senreta Pierrot".
El Pulque by Bennie Frances Spencer.

El Dramatico Desarralo De Mexico by Evelyn Thompson.

Los Indigenos by Ruby Jewel Williamson.

The club has planned to have a Mexican supper March 5, at the Mexican Inn in Wichita Falls.

Fairview Bears Close a Successful Season

When the Fairview Bears went down in defeat in the semi-final district game with the defending district champions, the Nocona In-

Leroy has meant a lot to the team this year, not just because of his enviable height, but also because of his accuracy in goal shooting and his ability to take care of his man on the defense. His place will be mighty hard to fill next year and it is doubtful if any one ever does just exactly fill his place. (Any-way we know for sure no one will ever be able to fill his shoes—they are so big!)

With the exception of these two men, which is a great loss, the Fairview Bears' line-up will be the same.

Scotty McCall, the best guard in the entire region, is a three year man and will be back on the team next year for his last year, and if he improves as much next year as he has every year for the last three, he will be a most dangerous man to any opposing team. Scotty is one of the neatest ball handlers ever seen on the court and is one of the smoothest players ever seen

in action. He is a mighty valuable man to his team and it is a most grateful community that he is to be back next year.

Tommie West, a freshman, proved to be quite a valuable member to the team this year, playing basketball and he made an excellent basket ball and he made an excellent (Continued on last page)

Tom Boyd Starts New Business At Henrietta, Texas

Tom Boyd, prominent Burk businessman, has opened a new business at Henrietta, Texas, Feb. 15, and Alton Boyd was appointed general manager of the mercantile establishment. Mr. Hanes has been with Parker Bros. organization for many years, and enters the new business with complete experience in the line. Three additional clerks have been employed for the store. The store will have the exclusive right for entire Clay county on kerosene, gas and kerosene fixtures, Philco radios and Zenith radios, and ABC washers. The store will carry a complete line of appliances and parts for each of these products. The store will be known as the Boyd Appliance Company, and was established in the thriving Clay county community.

Basket Ball Boys To Be Guests Of Lions Club Tues.

Coach Polk Robison and the basketball team of the Burk Bulldogs will be the guests of the Lions Club at the regular meeting of the organization next Tuesday night. A banquet will be held in the basement of the First Methodist church at 7:15. Plans for the program include a speech by Coach Polk of the Wichita Falls team, musical features. The boys will be introduced to the members of the club and their record analyzed.

The Bulldogs had an unusually successful season this year, going to the finals to the county meet, winning the large majority of the games the last half of the season. Starting off with a group of experienced players, the coach produced a winning combination by the middle of the season.

Reagan Speaks
The feature of last Tuesday's meeting was a classification talk by Mr. Reagan. Mr. Reagan, city manager of Burk, discussed the problems and complications of government facing the executive officer of the town.

Mamie Browning and Janice Caffrey gave two numbers on the program. The first was a skit or play. Then each of the readers gave individual reading. The club planned to make a drive for the collection of old shoes to be used in providing the students at the schools with footwear. Lee Clifton, Chester Duncan, Roy Martin and Curtis Cook were appointed to arrange the campaign.

The members of the program committee for the basketball meet next week are Curtis Cook and the Clifton. All the basketball boys are urged to remember the date and come to the meeting as major guests. The club appropriated \$10.00 at the request of Fred Knauth for trees on local streets.

Mrs. L. H. Gilbert Honored at Shower Wednesday, 19th
Mrs. H. L. Gilbert was honored at a lovely shower given at the home of Mrs. Frank Simmons, February 19th, with Mesdames I. E. Riddles, D. C. McCullough and Miss Elma Riddles as co-hostesses. After the guests had arrived, a large basket of lovely gifts was placed before the bride by Mrs. I. E. Riddles and Miss Edna Styles.

The program for the afternoon included games, in which Miss Marie England won first prize, which she later presented to the honoree.

Refreshments were served to Mesdames J. G. Cheney, H. J. Brown, B. L. Turner, R. A. Beezley, A. A. Gilbert, T. W. Bennett, D. E. Woodard, H. E. Warn, John Harris, I. E. Riddles, D. C. McCullough, and H. L. Gilbert, the honoree, and Misses Bernice Smith, Marie England, Myrl Cheney, Pauline Rhoton, Pauline Bennett, Thelma McCaig, Edna Eyles, Zelma Riddles and the hostess, Mrs. Frank Simmons.

Those sending gifts but not present: Mesdames P. A. Wiggins, Odys Maney, C. J. Melton, Charlie Phillips, Lee Garner, J. J. Nichols, J. D. McCaig, Sam Cooper, Biddy Smith, F. N. Styles, R. W. Kent, H. E. Ellis, W. E. Riddles, and R. L. McCaig; Misses Ruth Bryarly, Fern McCaig, Luella McCaig, Alla Mae McCaig, and the Y. W. A. girls of the First Baptist church.

Move Waterfront On to Studio Set!

Entire Fishing Village Is Reproduced in Scene of "Riff Raff"

Autumn fogs that swirl about the Southern California waterfront during the morning hours and sometimes are not dissipated until midday were not allowed to interfere with the production of Metro-Goldwyn-Mayer's "Riff Raff" starring Jean Harlow with Spencer Tracy, and opening Sunday at the Palace theatre.

For the waterfront was moved into the studio! It was one of the most ambitious set-building projects essayed by the studios in recent years, an exact duplicate of an actual waterfront setting on the Pacific near the port of San Pedro, California.

House for house, door for door, window for window, painted sign for painted sign, the actual setting was duplicated by the studio technicians. The docks and the fishing village stand in the studio just as they appear along the waterfront.

The unusual feature is accentuated by the fact that scenes were filmed actually at the waterfront whenever the weather permitted. But when the autumn fogs came in, the company moved into the studio and continued work in exactly the same setting.

Cantor Stops Gagging To Explain What Makes a Gag a Gag

By Eddie Cantor
(Star of Samuel Goldwyn's "Strike Me Pink" released through United Artists and showing at the Palace Theatre Friday and Saturday).

What makes people laugh? Anything that's funny. It might be a line, a joke, or a gesture. The ways of a comedian with a laugh are as varied and mysterious as the ways of a maid with a man. No two successful comedians use the same methods to evoke laughs, just as no two women use the same methods to capture a man. Each comedian is distinctive. **Lowest Fire Loss
History of Burk**

The Burk fire department received the official rating for premium losses in Burkburnett during the past year Monday, and comparison with the record since 1929 revealed the \$1,275.00 loss for last year was the lowest in the history of the department. This amount was \$707.38 less than the official losses for last year.

The report released by J. J. Blackstone showed credit to the volunteer department and indicated a steady decrease for several years, the result of this decrease has been the granting of a 15 per cent credit to the Burk insurance customers. The new rate will go into effect the first of March. All property insured after that time will receive the compensating credit for the low loss period.

**Old Age Pension
Blanks Available**

Contrary to the report that gained wide notice, the old age pension blanks are still available in the local office of the chamber of commerce. The office at Wichita Falls released notices that the blanks had been exhausted, but would be replaced in a few days. The Burk office had sufficient supply to make arrangements for all the applicants in this territory.

The blanks can be secured at the office, but must be filled out and affirmed before a notary public. The proof must be submitted with the application in regard to age, and residence in the state and citizenship of the United States.

**Spring Training For
Football Team Starts**

The Bulldog football team started the spring training for a brief period each day recently with workouts under the direction of Coach Hill and Coach Robison. The practice is at the same time as the track practice, and the boys are getting in physical shape for a heavier session as soon as the county meet is out of the way.

The Bulldogs have been working hard for the goal of championship next year. The local lads have a better chance than a Burk team has had in many years. The withdrawal of Olney from Class B will have a merry scramble behind for the vacant throne of the Cubs.

Burk will have a much better team than they had last year. The boys will improve a lot between now and next year, and championship dreams of the fans are not a far-fetched possibility.

It will be McKown that the teams will watch next year. The loss of Rose and Majors, two good ends will give the coaches a job of finding wingmen to replace the veterans. However, Teal, McKown and Finch will be back in the backfield. Around this nucleus the coach is expected to produce a winning combination.

The first game of the season will be an opener at Nocona. The two teams have played annually. Last year Nocona invaded the local grid iron and humiliated the Bulldogs. The Bulldogs will be out for revenge in the opening game.

Newcastle

The game with Newcastle will open activities at Burk at home for next year on Oct. 25. This game with the region champs for 1935 will be the biggest feast for the local fans in the grid iron menu.

This game was secured with difficulty and the fans have been promised in the contest one of the major athletic attractions of the year for this section. The Newcastle team will be one of the best in the section next year, and the local team will have a hand full of trouble when they tackle the team.

**Fairview Goes To
Semi-Finals Fri.**

The Fairview Bears went into the semi-finals of the district meet at Wichita Falls last Friday when they defeated the Jacksboro quintet 27 to 13. In the semi-final round, the Thrift team fell before a quintet which they had defeated four times this year, Nocona. The Indians won the tournament with ease by defeating the Wichita Coyotes.

Fairview's first game started with the Jacksboro team leading for the first quarter, and then the Bears took charge of the game and played the usual deliberate game to win without much of a struggle. The tournament was full of upsets. Harold won from Vernon, Wichita from Harold, Nocona from Fairview and then Nocona from Wichita Falls. All of these victories could easily be classified as upsets by any expert.

The Fairview team was without the services of the sparkplug of their defense, Scotty McCall. McCall was ill and in the hospital at the time of the game. McCall was the leader of the team and kept them fighting throughout every game in which he played. Reports indicate that he was seriously ill early this week.

Burkburnett Representative

**Drivers Asked To
Get License As
Soon As Possible**

The persons who intend to get drivers license in Burkburnett have been asked to secure the blanks and make application as soon as possible at the office of the chamber of commerce. A special deputy has been hired by the tax collector's office to assist in the filing and issuing of the certificates, and later in the month of March the office will be so busy with regular license that little time will be available for the issuing of drivers tags.

Up to Monday morning more than 200 of the license had been issued and probably more than 2,500 more will be required for this immediate territory. It will be impossible for the drivers to secure the tags without great delay if they wait until the last few days before April to qualify.

Persons making application should be prepared to state exact height, age, weight, color of eyes, driving experience, physical disabilities, and previous experience with license.

All persons who are minors under the age of 18 will have the parents or guardians to sign the statement of liability. Persons under 14 must secure special permit from county judge to show cause for necessity of driving.

Every member of the family must have license in order to drive and the license must be secured by April 1. The certificates must be on the person of any driver at any time he drives regardless of the car that he is driving.

A person always pays for what he says when he is angry.

**Bulldog Track
Team Preparing
For County Meet**

Under the direction of coaches Jess Johnson and Culpepper, the Bulldog track team has been working for several weeks in preparation for the annual county meet that will be held in Burk March 23. The team has developed a contest between the juniors and seniors of the school, and an intramural meet is planned before the interscholastic meet.

The team is ambitious to end the long domination of Electra in the county and district. Since the organization of the interscholastic league in this district, the Tigers have walked off with the majority of the honors in the county and repeated the victory in several district meets. The team holds the best record in the state of Texas.

This high class competition has kept the teams in the county under the constant domination of the team. This year the Bulldogs are attempting again to stop the parade of the Tigers in the meet.

**Softball Fans And
Players Make Plans**

All persons interested in the game in Burk this year have been asked to get in touch with the secretary of the organization in order that preliminary plans can be made for the formation of a league in this district. The actual organization will not take place until the middle of March, but several items of business can be worked out previ-

ous to organization meeting.

The league this year faces several major problems. Suggestions have been advanced for the admittance of Randlett as a team, for the division of the strong and weak teams into a class A and B league, and other revisions of last year's rules.

The formation plans will involve three motor company teams, according to advance information. Some of the players and managers have already started signing contracts for the season. The signing is a little premature, but there is no way to check an enthusiastic softballer.

**Burk People Asked
To Enter Historic
Relics Contests**

Sixty-two cash prizes ranging from \$100 to \$10 will be awarded Texas high school and elementary grade students in a contest for the location of Texas relics, documents, and pictures which is sponsored by the Historical Exhibits Department of the Texas Centennial Exposition.

Students are not required to send in the relics, documents or pictures, but merely to nominate them for the prizes by giving a history and description, as complete as possible, together with a photograph or accurate drawing of the thing entered. Under no circumstance will the committee accept the originals as entries. If full text of document is quoted, no photograph will be necessary.

Districts

The state has been divided into 10 districts within each of which five prizes will be awarded to high school students and the same number to elementary grade pupils. There will be a grand award of \$100 in each division. District prizes in each division are first \$50; second \$20; and third \$10; fourth and fifth prizes, medals. An appropriate certificate will be awarded cash winners also. Each school from which a winner is chosen will receive a handsome plaque for the school's trophy case. Each student entering the contest will be given a lapel pin indicating membership in the Centennial Historical Club.

Everyone Eligible

Prizes are to be awarded on the importance to Texas history of the relic, document or picture or the merit of its significance in some event or incident prior to 1900. Items entered in the contest need not be owned by the entrant. It has been said of the contest "It is a sort of 'Easter Egg Hunt' for Texas relics."

Entries might be chosen from guns, furniture, toys, dolls, portraits, clothing, maps, wills, utensils, handwork of a number of kinds, implements, paintings. These are just a few of the items which would qualify. Chief requirement in the contest is that entries can not be made from things already in museums or other public exhibitions. They must be owned by individuals.

Information about the contest may be obtained from principals of high schools or grade schools or by a written request to: Historical Exhibits Department, Texas Centennial Exposition, Dallas, Texas.

**Sore Throat
Eased Quick**

In 15 Minutes Thoxine Brings Comforting Relief—Without Gargling

Time it! Take one easy swallow of pure, soothing Thoxine. 15 minutes is all that's needed to make you

realize you've at last got the remedy for common sore throat.

Good and safe even for children. Get Thoxine right away and keep always handy. Sold on money-back guarantee. 35c, 60c and \$1 bottles.
Heine's Drug Store.

**Firemen To Attend
Vernon Meet Mar.**

Several members of the Burkburnett fire department will attend with members of the executive committee of the Panhandle firemen's convention district at Vernon Saturday, March 8, to secure a better organization of the convention. At the present, eight members of the local organization have expressed willingness to attend the meeting at Vernon.

The plans for the meeting on May 4 and 5 will be submitted to the president and other members of the executive committee for approval. As soon as the plans are approved, the committee in Burk will start to work in the execution of the program.

At the present the tentative plan call for the holding of a two day meet with every possible educational and entertaining feature crowded into the program.

THE BULLDOGS GROWL

EDITED BY STUDENTS OF BURK SCHOOLS

Senior News

Seniors have been checking credits to see that all is well the remaining few weeks of school career.

OBSERVATION

It is obvious that the certain Junior mentioned in last week's column prefers brown heads.

Who will be the foot ball queen?

Sophomores

Everyone knows that LaNelle is sick, but we're putting this in here just to let her know we wish she'd "pep it up" and get well.

Verses written by a Latin student after emerging from the middle of the second paragraph of an assignment in Caesar:

I work and study
Til I'm sleepy
I know no more,
But I get weepy.
And my eyes

Just beg to close
But I must study,
Heaven knows.
I think about my bed,
Its sheets all fresh and clean
But I know that if I yield
I'll mar my recitation's sheen.
So I just go on and work
Tho' my bed be so inviting
So that I can get a G
On my next recitation.
Then when I finally quit
And go to my nice bed
I find my studies, always hard,
Still dwelling in my head.
I try to make myself forget,
But my worries just won't go,
You ask the reason I'm still sane,
But, goodness, I don't know.
P. H.

Who will be the foot ball queen?

According to all reports Polly W. has a new boy friend. And Mildred says, "Is he cute!"

Miss Norene Kirby was a delegate to the mid-winter conference of business and professional women held in Shreveport, La., Feb. 22 and 23. She represented the business and professional women's club of Wichita Falls.

The outstanding speakers on the conference program were Mrs. M. L. Hogsett who stressed the importance of good mental health, its symptoms and influence upon going business women.

Dr. P. Pierce Cline, president of Centenary College, spoke on "The Constitution as a Character of Human Rights in a Developing America." He stressed the fact that the world has changed but human nature remains the same; therefore, will the constitution remain the same?

Dr. M. E. Dodd spoke on "Personal Standards in a Changing World." In this address he emphasized the fact that the fundamentals of life have and will forever remain the same—that it is the incidental or the means of attaining the fundamentals that change.

Dr. Dodd was the speaker at the conference banquet for which Miss

Kirby was toastmistress.

Who will be the foot ball queen?

Assembly Program

Thursday, Feb. 20, a most interesting program was given by Eben G. Fine. He gave a lecture on "Rambles through the Rockies", which was very instructive as well as entertaining. Photography is Mr. Fine's hobby, which he has developed to a high degree of perfection, of which he has found much of educational and inspirational value that he has been able to bring back to his friends through the medium of lectures, illustrated with his beautiful lantern slides made from his own photographs.

Candidates for Foot Ball Queen

Coach Volney Hill and his football boys, Wednesday morning, had the privilege of picking the candidates for foot ball queen. The coach told the boys to write the names of three girls that they had in mind on paper. The names were written on the board, 9 of them. They were: Pauline Browning, Mildred Kemp, Polly Wiggins, Doris Ruth Barnes, Mary Margaret Browning, Margaret Turner, Bernice Berringer, Marilyn Harwell, and Marjetta Owens. The names were voted on. Pauline Browning and Mildred Kemp tied for votes and Doris Ruth Barnes and Marilyn Harwell tied. It was a close race and the winner of the crown will not be known until sometime in May when a centennial pageant will be held followed by a football game between the two squads.

Director Himself Sings With Choir

"Didn't de Lord deliver Daniel Out ob de lion's den?"

Two hundred trained voices, singing this early American spiritual, one of the songs from which Stephen Collins Foster derived his musical genius, raised themselves at the Mascot Studios during the making of "Harmony Lane," which comes to the Palace theatre Tuesday and Wednesday. On the set, the famous Shaw Choir was singing the number while scores of microphones recorded the fine strains of the beautiful old melody.

Sitting on a bench with them, Director Joseph Stantley, with hands raised, helped to sing, so that all of the characteristic gestures could be photographically recorded, to make one of the most impressive scenes ever shown in a picture.

The part of Stephen Collins Foster, father of American folk songs, is played by Douglass Montgomery, and among the songs featured are "My Old Kentucky Home," "Come Where My Love Lies Dreaming," "Oh! Susanna," "Old Black Joe," "Beautiful Dreamer," "Old Folks At Home," (Swanee River), "Massa's In The Cold Ground," "Camp-town Races," "Louisiana Belle," and scores of others.

Morgan Circle Meets

The Morgan Circle members met Monday afternoon at the home of Mrs. Murphy Dean. The meeting opened with music and prayer led by Mrs. B. L. Turner. Mrs. A. W. Salter gave the devotional and made an impressive talk on personal service. The chairman, Mrs. W. P. Russell, presided during the brief business session. The members of the various circles have been urged to attend the meeting at the Baptist church Feb. 28 at 1 o'clock for the study of mission book "Who Is Your Neighbor", taught by Mrs. H. S. Van Cleave.

The meeting closed with prayer for the revival soon to be held at the Baptist church. There were 8 members present. Refreshments were served by the hostess.

Real Steel Mill Used As Setting For Film Scenes

An air of reality that will prove convincing even to factory employees pervades the mill scenes in the First National picture, "Man of Iron," which comes to the Palace theatre Saturday mid-night.

The scenes were taken in a real bolt and nut mill and the men in the background shown working at the different machines are the same men who daily operate them.

The mill is the plant of a big steel company in Burbank, Calif., and a hundred employees were paid as movie actors for appearing in the picture as well as receiving their regular checks. None of the actors operated any of the machinery except Barton MacLane and three other principals who were carefully coached in the few operations they had to perform. Other players are seen however in the background.

"Man of Iron" is a stirring comedy drama with many thrilling sequences based on a story by Dawn Powell.

"Where did you get the plot of your second novel?"
"From the film version of my first."

...Devol Flashes...

School Gossip

Haggie is taking advantage of Leap Year and made a date but stood him up.

C. H. has learned to stay off of ladies feet.

Kathleen got plenty of practice driving a new '36 Chevy Saturday. Estelle followed the footsteps of Kathleen and fouled out of the game Saturday.

James E. simply refused to sit by a good looking Temple gal. Hink and Josie can really "gin" down the road when a dog is after them.

We hear the elopers are well on their way to Calif., and good luck to them.

Wonder why the A basket ball boys didn't enter the tournament? Edna C. prefers to remain in Devol. Is it the barber shop?

Dannie goes places in a little pick-up.

Devol Plans Tournament

The Devol B team is planning on a tournament for Feb. 29 and 30. No definite information is available yet but in the event it goes over, many teams are expected to enter.

The Devol girls are going to the district tournament held at Walters on March 5, 6, 7. The boys did not enter.

Sophomore Personalities

JOEL INMAN—Classmate of '36, has returned home after spending the winter in Brownsville, Texas. He is a Sophomore and is taking history with the Juniors. We are glad to have him back with us and hope he remains. We have missed his smiles and jokes. Once more out class has "the ole gang".

The Biology class is apparently taking taxidermy. This morning there was a live 'possum in the laboratory, and this afternoon there was a smelly hide. Luther Eubanks became the hero of the class and captured a perfect specimen of the lovely 'possum for his classmates. Some parts of the deceased animal are preserved in alcohol and may be viewed by anyone who wishes to do so. The meat of this poor creature was cooked to a nice tender brown by some of the senior boys, and partaken of freely by the Juniors.

Burk Police Arrest Oklahoman Theft

The Burkburnett police arrested Owen T. Ledford of Lawton, Okla., in Burkburnett Tuesday for the charge of theft of 150 bushels of wheat from a farmer in Lawton, Okla., and the boy was returned to Oklahoma Wednesday. The investigation and arrest was conducted by Bill Stapp, N. H. Harris and Jim Turner of the Burk police force. The young man charged with the theft waived extradition and was returned in the custody of the sheriff of Lawton.

The man was arrested in Burk when the police found him Tuesday. When he started to escape the police commanded him to halt. Noticing that the police were armed, the young man stopped and was lodged in the local jail overnight. The Lawton sheriff came to Burk for him early Wednesday.

"There's no difficulty in this world that cannot be overcome."
"Is zat so! Say, did you ever try to push the tooth paste back in the tube?"

Band Club Starts Drive For Funds

The band club for the Burkburnett cowboy band and the training organization started the drive for funds in Burkburnett early Monday morning. The band submitted a record to the chamber of commerce recently that proved the wide range of activities of the organization during the past year.

The band has played for 81 public concerts and made trips to various centers of population in the interest of trade and publicity for Burkburnett. Among the trips that the organization sponsored was the tour through the Fat Stock Show in Fort Worth, Texas. A large number of the members of the organization attended the exposition last year under the direction of E. L. Nichols, and played a regular schedule program for the fair.

During the entire year the organization played at the Trades Day events every Saturday in the city. At all the football games, and various other events of importance the band has presented pre-program concerts. At the regular community night the organization contributed an hour's concert with each program.

During the Harvest Festival that drew many thousands of persons to the city the band appeared several times on the program of the celebration. The concerts and other individual solos added much to the entertainment features of the week. The contest for the popular queen of harvest originated with the band, and on the night of the coronation, of the queen, the organization provided the musical features for accompanying the presentation.

For the background of the pageant of the history of Burkburnett the appropriate music of each period was played by members of the group.

The civic band was organized in Burk to give the pupils of the city free training for the first two years of instrumental music. Many of the members have taken the lessons of the organization and then graduated into bands and musical groups of importance all over the state.

The band has during the last five or six years entered many contests over the state of Texas and of Oklahoma. In these contests it has managed to bring back many prizes for first and second places. In addition other members of the group have carried off individual prizes for best performance in several high class contests.

The members of the committee that is working on the fund includes J. M. Alexander, chairman, Mrs. J. C. Adams, Mrs. P. G. Williamson, Henry Prinzing, R. L. Gragg, Mozelle Wise, and others that will be named later. The group is attempting to secure more than the 83 subscribers that assisted in the financing of the band last year.

Mrs. Chas. Burleson Father Dies Monday

James T. Godfrey, 56, of Wichita Falls, died early Monday morning at his home, 1307 Austin street.

Funeral services were held Tuesday morning at 10 o'clock, with Rev. J. L. Walters, officiating. Burial was in Rosemont.

Survivors include three daughters, among them Mrs. Chas. Burleson of this city, and one son.

Mr. Godfrey had been a resident of Wichita Falls for four years, moving there from Olney, Texas.

The following letter was received recently by a concern that manufactures corn syrup: "Dear sirs: Though I have taken six cans of your corn syrup, my feet are no better now than they were before I started."

Freedom laughs at him who is the servant of a slave.

Governor Allred's Proclamation!
 To early Americans, the word "Tejas" meant friendship. Today the word "Texas" still means friendship, and more. It means opportunity, a land of fabulous natural resources, of rolling prairies, of loamy black farmlands, of unsurpassed climate, and—**BEAUTY.**
 This year, Centennial Year, Texas is entertaining millions of visitors from every part of America. They're coming to see the Texas they've heard and read about. They will travel every part of our state. The favorable impression Texas and Texans make will result in a priceless asset for the Lone Star State.
 Let each of us do everything possible to see that our visitors not only remember Texas as an empire of friendly people but as a land of **BEAUTY**, as well. This can best be accomplished by each citizen seeing that his or her premises is free from unsightly rubbish, made attractive with flowers or green lawns. In brief, let us all cooperate to the end that visitors will be impressed with the cleanliness and beauty of Texas as well as with our far-famed reputation for friendship.
James Allred

 (March 1 through May 3, Revised to February 15.)

MILLIONS TO VISIT TEXAS THIS YEAR!
 Celebrations Will Bring Vast Crowds Into State!
 If early indications are a criterion, a goodly portion of the population of the United States will be traveling toward Texas during 1936. Centennial Year, since announcement of the year, has been coming in by the thousands. Statisticians now estimate more than 12,000,000 people will attend the Centennial and it is reasonable to expect that more than half of these will be from other states.
 Texas is on parade! Millions of citizens from other states have accepted our invitation to see and know Texas! They'll be traveling through every part of the state!
 The impressions our guests take home with them will depend upon individual Texans! Clean premises! Growing lawns! Colorful flowers and landscaping! New paint! All these efforts by individual citizens will make the impressions favorable to your town and to Texas!
 Join in this state-wide crusade for a cleaner, more beautiful Texas! Let's every one of us do our part!
TRAVEL TEXAS Know Your State
 Make your plans to attend the various celebrations over the state. You'll find Texas offers every vacation pleasure—and it's all right here in your own state. See the calendar at right. Write the Chamber of Commerce at the various cities for information on events you are interested in.

T. E. L. Class Meets With Mrs. Riley
 Members of Group one of the T. E. L. class of the First Baptist church met at the home of Mrs. M. B. Riley as hostess of the entire class Feb. 11. The meeting was opened with the song "What A Friend" and "Onward Christian Soldier". The prayer was led by Mrs. H. S. Van Cleave. Devotional period was under the direction of Mrs. H. A. O'Neill. After a business session Mrs. M. B. Hays dis-

Lockett Circle Meets With Mrs. M. B. Hays
 The members of the Lockett circle met in the home of Mrs. M. B. Hays Monday afternoon, Feb. 24. The devotional, opening the meeting, was read by Mrs. H. S. Van Cleave from Luke's story of the Good Samaritan, and prayer was by Mrs. Fred Brookman. The interesting mission program was given by Mesdames Martha Pinkston, and Kent. Mrs. Pinkston dismissed with prayer. The following were present: Mesdames H. S. Van Cleave, Bundy, Kent, Pinkston, Fred Brookman and M. B. Hays.

County Voiture To Meet Electra Fri.
 The members of the Wichita county voiture, 939, will meet at Electra as guests of the Electra Post of the Legion Friday night, Feb. 28. Each neighboring legion post is expected to send a delegation to the meeting. The business session will be at the Legion post at 7:30. There will be a dance for all old timers for the benefit of the Electra S. O. T. A. L. A. small charge will be made for the dance, and the visitors will be served coffee, etc. ? ? ?

The visitors have been asked bring their wives, and if not married to make other arrangements. The members are asked to wear chapeau and smock. The sponsors promise a real party and a get-together for all ex-service men.

PEEPS AT

POLITICS

By J. C. C.

PEERS CROSSED—"Keep Your Peers Crossed". Don't take any seriously said by "great" men the next six months. This season for politics. The big has opened, and it will have bands of rings, and all kinds downs—to say nothing of elephants, donkeys, and various other of the hybrid type. Watch the campaign this year will be about as confusing as watch stage with six magicians, and up of acrobats performing at same time. If you fall for all tricks, by balloting day you'll be dizzy that you won't be able to find the ballot box.

FLY—One of the chief arguments used against Al Smith was he and his wife did not have the prestige enough to be hosts of the White House. The reports from Florida last week indicated Smith and frau were special of the elite. By losing he had been denied him and his had been president.

FISH—"Big Fish" Fisher, candidate for governor of Texas, opens his campaign last week with a wide broadcast. If the speech by example, Texas is in for its bitter gubernatorial campaign. Some political experts call it a whale, others say he's just a blow. Any way it'll be interesting to watch, if you are not too busy interested personally.

IN A MINUTE—It is impossible in a political comment column to make somebody angry in a while. Talking about acts that are so important to us involved is bound to strike our note often. So let's have understanding right now. What is said in this column represents only the personal opinion of the writer and not the editorial opinion of the paper.

OFFICES—The one pertinent question in Burk is "Who will be the next postmaster?" Two positions are open to the Congressman from this district. He appoint whoever he thinks will be the greatest vote and offend the least people of the three persons have qualified. On the other hand, it is a strong possibility that representative may play a wise of politics and wait until after the first primary and even possibly second primary.

The election in the 13th district is going to be hard enough without making enemies. As long as three feel they have a chance will be three persons and all friends and relatives working the congressman.

SIDE LIGHT—An interesting light developed in reference to congressional race. The Foster which is scheduled to be held in Wichita court in the near future, entered the congressional race a strange way. The district attorney of a nearby district was approached to try the case, and it is officially reported that he refused. And why? Well, he is in the for congress. This report has been verified, but has gained circulation. The case held too dynamite for the aspiring candidate.

ING VOTERS—About eight persons will vote for the time in this election for president. The winner for the last 20 has been the person able to balance of votes represented in the "first vote" group. Fortunately, for the Democrats, Roosevelt has a strong appeal to the younger generation, and he has for present a tag on the majority group.

Card of Thanks

We would like to take this means expressing our appreciation for many kindnesses of our friends and neighbors in the recent death of our loved one, T. A. (Dad) Morris. Especially would we like to express our thanks to Rev. Hays, the members of the staff of Owens-Brumley Funeral home, all those who helped us in our bereavement. We sincerely appreciate your thoughtfulness.

Mrs. Mary Morris and family.

Westerfield Will Direct Curriculum Meet In Wichita

Butler Westerfield will be chairman of the study group which will draw more than 1,000 teachers to the one day session at Wichita Falls March 7. The district 4, session will have representatives from Wilbarger, Wichita, Clay, Montague, Archer, Young, Jack, Stephens and Palo Pinto counties.

The meeting will be for the purpose of studying the revision of the course of study in the public schools. The State Teachers Association and the department of education started a revision of the courses two years ago, and the revision will be completed in another two years.

The objectives are to revise the courses so as to co-ordinate and unify the subjects into a more comprehensive relationship in the class work of the students. The meeting March 7 is to acquaint the teachers of this area with the work that is being done and instruction in the unit system.

Chairmen

The chairmen of the various divisions are: W. J. Stone, Nocona, language arts section; Joe B. McNeil, Wichita Falls, social relation arts section; H. B. Boswell, Breckenridge, home and vocational arts section; F. W. Richardson, Henrietta, creative and recreational arts section; Know Kinard, Oklahoma, math and science section.

The committee met Wednesday afternoon at Reagan Junior high school to complete the arrangements. The program was mailed to the member schools of the district.

This is the second year of the program that is attempting to achieve greater efficiency in the school. The first year was the orientation program, the second year production program, next year will be experimentation, and the final year will be construction of the program and course in actual practice.

Origin of Program

The program started several years ago in the meeting of the state teachers association. The teacher society recommended that it be adopted by the state, and now has become a state-wide movement. It grew out of the demand for unifying the course of instruction so that the study in school would be more purposeful.

In the past the course had tried to segregate each subject into a separate course. The objective now is to bring together the instruction so as to unify the child's knowledge.

At the Grand Canyon of Yellowstone National Park, Wyo., near one of the bear feeding grounds, the United States department of the interior has established an amphitheatre with a seating capacity of 450 persons. At the theatre the only actors are the bears which come to feed.

He is a coward who imposes only on those who do not resist.

Don't Guess But Know

Whether the "Pain" Remedy You Use is SAFE?

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

You can get Genuine Bayer Aspirin at any drug store—simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this—and see that you get what you want.

Bayer Aspirin

Program Complete For County Meet

The formal program for the interscholastic meet of the county was announced last week by the director general, Butler Westerfield. The contests will start with the one act play tournament at the high school auditorium March 24, and the schools entering the dramatic test will be under the direction of Oran Freeman of Valley View.

Declamation preliminaries will start Friday night, March 26, and the finals will be completed the following day along with other activities of literary nature. Debate, extemporaneous speech, ready writing and spelling will start Saturday morning, and go through the finals the same day.

All divisions of track and field will start Saturday morning, and the finals will be held Saturday afternoon. The tennis finals only will be held Friday afternoon. The preliminaries will be played before the county tournament proper starts.

The softball meet has been postponed until April 25. The cold weather has prevented completion of the schedules in the past three years, and the directors voted to hold the meet later this year.

The meet is expected to bring 1,200 contestants to Burk during the two days. The contestants will be accompanied by a large number of teachers and judges. The track meet favorites this year will be Electra as in years past. The Electra team has dominated the tournament for so many years that they have become established favorites to win each year.

Mrs. Thompson Is Honor At Lovely Shower Thursday

Mrs. V. O. Thompson was honored at a lovely surprise shower at her home Thursday afternoon, when a group of her friends invited to join the hostess, complimented Mrs. Thompson. The hostesses of the af-

fair were Mesdames H. C. Thompson, W. E. Thompson, and Misses Dorcas and Opal Thompson.

Several games and contests were played and the winners of the contests were Mesdames Earl Apple and Blanche Hayes. Those present were: Mesdames J. O. Donohue, C. R. Chambers, Harry Wilshire, Joe McKenzie, Blanche Hayes, Guy Gilbert, Bill Watkins, Riley Bloxum, Raymond Holland, Dave Jordan, O. H. Buzbee, Tom Williams, Floyd Gladden, F. R. Knauth, B. N. Cauthorn, F. O. Minick, L. W. Clark, D. M. Morris, C. A. Jordan, Louise Writer, F. E. Grace, Scott Morris, F. M. Milford, Jack Hamner, Miss Babbeta Ruth Holland.

Out of town visitors included N. E. McKinney and Bessie Waldrop, Iowa Park; Mrs. F. O. Smith, Electra and Miss Juanita Andes, Electra.

Rumor Change Of Venue In Foster Case Persistent

The rumor that the venue for the Foster case has been changed in spite of the denials of the attorney of the state and defense still persists. The reporter for the Star learned last week that the district attorney at Wichita Falls, Mike Anglin, had made formal request for the change to the Vernon district attorney. The results of the request had not been released, but it was rumored that the Vernon attorney had not agreed to take the case at the present.

The Foster case is a murder trial developing around the alleged murder of Mrs. Ralph Foster. Mrs. Foster was found dead in the cellar of the Foster home last June. The officials first called the death a suicide, and then Foster was arrested and held for grand jury.

The grand jury indicted Foster for the death of his wife and the first trial developed sensational testimony. On circumstantial evidence the jury was tied 6 to 6. In the second trial a mistrial was declared after the 11 jurors had been chosen to serve. The county at-

torney became seriously ill during the trial, and then at the request of the assistant attorney, the judge declared the trial a mistrial.

If the case is transferred to either Vernon or to Graham and be tried under the supervision of the states attorneys of one of those political divisions. The witnesses will not have to be summoned again except by formal notification by publication or letter.

In the first case the defense plead-

ed that Mrs. Foster had committed suicide.

Entire alphabet, except "J" is contained in the Bible verse of Ezra 7:21.

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

ually good hosing for it to have been his first year. If he continues working as he has this year, Tommie will develop into one of the most outstanding basket ball players in the history of Fairview school.

Ralph Winkles, out for the Senior team for the first time this year, developed into nothing short of a stellar player! Ralph had his off and on nights, but his "on nights" made up for his "off nights" because on these nights he played the most beautiful basket ball you ever saw! It really gave you palpitation of the heart to see him leap high up in the air and snatch that ball right out of the hands of an opponent! Ralph is a valuable man and he'll be an asset to the team next year.

Albert Zink, the "Little Bubba" of the Zink twin combination, did not seem to get started off on the right foot in the early part of the season, but he really snapped out of it and ended the season by playing like a whirlwind. He proved an invaluable man on many occasions, and helped his team to many victories in the later season. It is hoped that he plays the whole season next year just as he ended up the season this year—if he does, we might as well make room in the trophy case for the county trophy!

These men were backed by some powerful and loyal reserves, Wilson Robison, James Sullivan, Clayton Owen, Harold Wright, Wendell Ray Goins, Clarence Williams, Claude Strickland, Woodrow Robison, Arvell Morris. All these reserves except James Sullivan will be back next year and it is expected that they will form a mighty battery for the 1936-37 basket ball team.

Junior Class Wins P-T A Fernery Permanently

The Juniors were again awarded the fernery by the P-T A Monday night for having the most parents present. This is the fifth consecutive time this class has won this award, making it the majority of times to be won, thus making it the permanent property of the Junior class. This class wishes to express their thanks to the loyal Junior parents who made this award their permanent property.

Burk Persons In Gregg County Deal of \$650,000

Several Burkburnett persons were involved in an oil lease involving \$650,000 concerning sale and transfer of 82 acres of land and 20 flowing wells in Gregg county, according to announcements made last Thursday. The sale was made by the Burk Royalty Company, Ruth Kimbell, J. W. Win, C. J. Bohner and C. J. Johnson.

The property was known as T. & P. Railway & Kirkman and is located in the Dillard survey. The deal was for \$175,000 and \$475,000 worth of oil. The deal was one of the largest of that type in the section, and indicated the interest in that area of the development sponsored by the Burk persons.
