Area Towns Represented At Meeting In Munday

Around 150 persons from Haskell, Goree, Munday and Rule were in attendance at a meeting held at the Elementary school in Munday, last Thursday night, to hear James R. Nichols and Joe Paul Jones of Freese, Nichols and Endress, outline some of the important things these area towns must do to be eligible for a Federal Grant of \$1,600,000 to provide an approved municipal water supply.

Mayors from all four area towns were present, including Haskell's Mayor J. E. Walling and members of the city council. Sixty-two Haskellites motored to Munday for the meeting, which was presided over by L. B. Patterson of Munday, president of the Board of Directors of the North Texas Municipal Water Authority and Tom W. Bullington of Munday, Knox County Attorney.

Nichols pointed out the avenues to finance the construction of Millers Creek in Baylor County, which included Farmers Home Administration and the Department of Housing and Area Development Agency.

The Millers Creek project would cost some 3 1/2 million dollars and the Federal Grant from the Community Administration would take care of one-half of the cost. Under the FHA, 100 per cent of the cost of the planning program for the survey, etc., would be taken care of by a grant from that agency.

However, before the grant can be made, some evidence of planning must be made by the interested towns indicating that the project would fit into the overall projected planning of the area.

A meeting will be called sometime in the future at which time a sponsoring agency would be set-up to outline a joint regional planning program for the whole area.

The Comprehensive planning would take-in the study of the climate, culture, geography, recreation, economics of the area, population, growth and the projected population, five, ten and twenty-five years from now, land use, parks, schools, public buildings, etc.

The interested area towns must show a realistic planning program... not to overbuild, nor underbuild.

Mayor J. E. Walling said the City Council had not had a meeting since the presentation by Jim Nichols of Freese, Nichols and Endress, at the meeting last Thursday night in Munday, but if the tax could be eliminated and if we could get good water at a reasonable cost, he was sure the Haskell City Council would be in favor of the project.

Filing Deadline Is Saturday In City Election

Saturday, March 5, is the deadline for filing for a place on the city election ballot, and absentee voting begins March 15. Last day to vote absentee is April 1.

Date of the city election is Tuesday, April 5, at which time a mayor and three aldermen will be chosen.

The election will be held at the City Hall, with Jessie L. Collier, as Judge and T. A. Rhoads, assistant judge.

School Trustee Election
Deadline for filing in the school trustee election was Wednesday, March 2, Mrs. B. B. Gilmore and Dr. Frank Cadanhead have filed for reelection.

Clay Smith will serve as election judge and Maurice Gannaway, alternate.

"All-Sports" Banquet Slated Next Thurs. Nite

Claude (Chena) Gilstrap, athletic director at Arlington State, will be the speaker at the "All-Sports" Banquet, to be held here next Thursday night, March 10, 7:30 o'clock at the Elementary school auditorium.

Plans for the banquet are at this time being completed, Harold Spain, president of the Booster Club, said.
Several awards will be presented at the banquet including the Booster club award to the most sincere player; the Dick Gaines award and the Jaycee sportsmanship award for football, boys and girls basketball.
Further information concerning the banquet will be released in next week's Free Press.

Woodson Radio And Electric Open House Sunday

In celebration of moving back in their completely remodeled building at 512 North First Street, Woodson Radio & Electric will hold "Open House" on Sunday, March 6, from 2:00-5:00 p. m.

In speaking of returning to the old location, Mr. C. P. Woodson, owner-operator, said: "We have been in business in Haskell for 41 years. The fire back in November almost wiped us out, but by the fine work of the Haskell Fire Department and help from friends and customers we were able to set-up and keep going without interruption."

"We have had our building completely remodeled and modernized and are looking to a brighter and better future. It will take time to get everything back to normal... the last three months seem like a nightmare. Some of our merchandise will not arrive in time for our opening, but we are anxious to get back home. We have put a lot of extra work and material into our service department to make it one of the best in the country."

Top Selling Bull Is Consigned By Justin Pueschel

The top selling bull at the second annual consignment sale held at the K. S. (Bud) Adams Jr. Ranch at Waller, Texas, February 26, was consigned by Justin Pueschel, of Haskell County. The 23-month-old bull weighed 1,510 pounds and sold for \$1,550.00. Second high sold for \$1,425.00.

Pueschel's bull was a fourth generation... the only fourth generation that has ever been offered for sale. He also had the top selling bull at the 6th annual Brangus sale held at Sealy, Texas last December 3, which brought \$1,750.00. There were 115 bulls sold at this sale.

Mr. and Mrs. Pueschel attended the San Antonio Livestock Exposition February 14th through 17th. At the Texas Brangus Breeder's Association, Pueschel was one of the newly elected directors.

They also attended the International Brangus Breeder's Association convention in Houston, February 22 through 24. Mr. Pueschel serves on the Research committee of the International Association. He is also one of the inspectors of Brangus cattle approved by the directors of the International Association.

On February 24th the International Association held its first sale. Mr. Pueschel said there were 16 bulls and 22 females and the top selling bull brought \$12,500, with the second high selling for \$10,600. The top female brought \$1,500 and the second high \$1,400.

While in Houston Mr. and Mrs. Pueschel attended a performance of the Houston Rodeo held in the Astrodome.

GRAND JURY RETURNS 11 FELONY INDICTMENTS

Eleven felony true bills were returned by the 39th District Grand Jury, conducting a session here Monday and Tuesday of this week:

Tommy Duvall for removing mortgaged property from the county on or about October 8, 1965, when property was mortgaged to Haskell National Bank, without its consent. (Not in custody).

Willie Ferguson for removing mortgaged property from county on or about December 1, 1965, when property was mortgaged to Thomas E. Kent, without his consent. (Not in custody).

Robert C. Royals, 28, Rochester, for burglary of house belonging to Pete Raynes, on or about January 9, 1966.

Jeff Penny Jr., 28, of Rochester, for burglary of house belonging to Pete Raynes, on or about January 9, 1966.

VOTER REGISTRATION WILL BEGIN TODAY, THURSDAY

The Haskell County Tax Assessor-Collector office begins today, Thursday, March 3, voter registration, under an emergency two-week period approved recently by the State Legislature. Deadline for registration will be midnight, March 17.

The Legislature was spurred by a federal court decision ruling the state's poll tax is unconstitutional as a requirement for voting.

Tax Assessor-Collector Norma Childress predicts that the voter registration could affect around 1,000 Haskell Countians.

Some 2,251 Haskell Countians have already qualified to vote this year by obtaining a poll tax receipt or exemption certificate and will not be required to apply for a conditional voter registration certificate. Persons over 60 years of age do not need to register.

Rotarians Hear Reverend Harry Vanderpool

"Man is a child of God and was made for greatness," Rev. Harry Vanderpool, pastor of the First Methodist Church in Pampa, told members of the Rotary Club at their luncheon-program meeting last Thursday noon.

Rev. Vanderpool was in Haskell last week conducting evangelistic services at the local Methodist Church. Rev. J. V. Patterson was in charge of the program and introduced the guest speaker.

"What we want from life will be ours when we find out we are a child of God," Rev. Vanderpool said.

"Man oftentimes is called a machine, a bundle of natural resources, and sometimes an animal... but man is a child of God whether he is a somebody or a nobody," the guest speaker said.

"To find peace in our heart and in the world we must first ask ourselves the important question of Who Am I?" the speaker said.

Bob Herren led the group in the singing of "Rotary Blue and Gold" and "The More We Get Together." Ed Hester read a report of the nominating committee which was accepted and voted upon.

Nominated for Rotary offices, which will become effective as of July 1, 1966 were: President, Douglas Finch; vice-president, Bob Herren; Secretary-at-Arms, Bob Greenroy; secretary-treasurer, Desmond Dulaney and two new directors, Ferrell Coston and Eldon Anderson.

Guests introduced at the meeting were Rod Ezell, Rotarian from Rule; Royce Wood, minister of the First Christian Church; Al Hinds, Editor of The Free Press, and student guests Gerre Colbert and Gene Hester.

School Trustee Election Slated At Mattson

School board election will be held at Mattson High School on April 2. Two members are to be elected.

Terms of W. R. Hager and M. E. Opitz will expire, but both have filed for re-election.

Joe Davis and Herbert Kretschmer have been named election judges and Alton Peiser, alternate.

Fire-Arms School Begins Here Monday

Haskell County Sheriff Garth Garrett announced today that everything had been set-up and in readiness for a 5-day school of firearms instruction to be held here beginning Monday, March 7 and continuing through March 11.

All law enforcement officers from 14 area towns have been invited and invitation letters have gone out, Garrett said. Robby Robinson of the FBI, Dallas, will be in Haskell to conduct the firearms instruction school.

Enforcement officers will gather at the Sheriff's office, courthouse, in this city at 1:30 p. m. Monday, March 7th, and classes will get underway.

Roy Cook Is Injured In One-Vehicle Crash

Roy Cook, 55, Haskell barber, was rushed to the Haskell County Hospital shortly after 6:00 p. m. Friday in a Holden Funeral Home ambulance, suffering from injuries received in a one-vehicle crash.

The accident occurred on North Avenue II, in front of the Viars Felker residence as Cook was enroute home from work.

Cook, alone in his 1958 Chevrolet Pick-up, apparently lost control of the vehicle and crashed into a light pole. He received a crushed chest and a collapsed left lung.

Mr. Cook showed considerable improvement at press time.

Munday Man Is Picked-Up Here On Theft Charges

Merrell Cotton, 30, of Munday, was taken into custody here Sunday afternoon and was indicted Monday by the Haskell County Grand Jury, for the theft of property over the value of \$50.00 from L. L. Huckabee on or about February 25, 1966.

Sheriff Garth Garrett said that three car batteries were taken north of Haskell and two batteries from a tractor, well, and three radiators off irrigation motors, all northwest of Weinert.

Several of the stolen articles have been recovered. Investigating officers were Sheriff Garth Garrett, Knox County Sheriff H. C. Stone, Deputy Kenneth LaMascus, Texas Ranger Homer T. Melton and Haskell Police Chief Tom Paul Barnett.

Lion Members Hear Facts On Physical Fitness

Coaches Sonny Everett and Carlos Berry, with the assistance of Paul Hiebert and Glen Smart, presented the Lions program at the Tuesday noon-day luncheon meeting. Bill Reeves was program chairman for the day.

Haskell High School head coach, "Sonny" Everett, during his talk on physical fitness was assisted by Hiebert and Smart who went through the various exercises.

Coach Carlos Berry gave a report on track outlook at Haskell High. He announced that 24 boys (not including freshmen) had reported for track, but due to inclement weather which has slowed down practice, he said he could not say at present, just what kind of a track squad Haskell would field, but the boys had a lot of desire.

Jim Sampson, president, presented a check for \$50 from the Lions Club to W. P. McCollum, with the Haskell athletic department as recipient.

Guests noted at the meeting, other than those appearing on the program, were Bob Beauchamp, F. A. Dickerson, R. A. Hollabaugh, Lee Roy Schooke, Jimmy Turner, Gene Olson, Charley Henry, Warren Miller, all of the Stamford Lions Club; Jerry Vaughn, Fort Worth; Howard Sloan, Haskell County Veterans Service Officer, and Mrs. Sonny Everett, pianist for the day in the absence of Lucy Kennedy.

SPECIAL AWARDS: In recognition of their outstanding work, Abe Turner, Carl Anderson, Opal Adkins, Dr. T. W. Williams and Reverend Douglas Finch received special awards at the Chamber of Commerce Banquet Friday night. Incoming president, Raja Hassen, made the presentation.

Hassen Urges Haskellites To Think Positive And To Work

Two Plays On Agenda In Observance Of Public School Week March 6-12

The Haskell High School will present two plays in accordance with Public School Week, March 6-12. The plays will be given Monday, March 7, at 7:30 p. m., in the high school auditorium.

Between the plays, the Lon Pate Chapter of Quill and Scroll Society will award sweaters for scholastic achievement in English, history, science and mathematics.

The classic folktale of Hansel and Gretel has been given a new twist in "The Bad Children." It promises to be a de-

light to the children. The second play is E. P. Couckles' biography of Lincoln, "A China-Handled Knife." It deals skillfully with Abraham Lincoln's childhood, an inspiration for many of Carl Sandburg's works.

An investment of 50c per ticket in the double feature, "The Bad Children" and "The China-Handled Knife," Monday night, March 7, will pay off handsomely in entertainment dividends.

Reserved tickets are now on sale by members of the speech class.

"Think big, think positive, be willing to work and be loyal to your community," if you want Haskell to grow and prosper," Raja Hassen, incoming president, said in his key-note address to more than 300 persons gathered here Friday night in the elementary school cafeteria for the 30th annual Chamber of Commerce banquet.

In a straight-forward address, Hassen told how Haskell had slipped backward in economy and in population during the past few years, but pointed out that conditions could be changed if we find local resources that can be developed.

He emphasized the importance of obtaining industry and pointed to the success of a number of West Texas towns in obtaining plants of various kinds the past few years.

He said that Haskell needs the civic climate, needs to make a survey of its advantages, needs to point-out to industry the Texas right-to-work law, the city's cheap utility and tax rates, its available labor and the lack of any racial problem.

"Any town becomes the kind of town the people want and what we want in Haskell can and will become a reality if we have the proper attitude, think big, think positive, are willing to work and are loyal to our community."

Theme of the banquet was "Blue Print of Progress."

Five Haskell citizens were given certificates of awards for outstanding work for Haskell during the past year and their names will be added to the honor roll in the chamber of commerce office.

Recipients of the awards, presented by Hassen, were: Mrs. Opal Adkins, of the Personality Shoppe, for the work she has done on the Chamber's retail committee; Carl Anderson, owner of the Anderson Construction Co. of Haskell, for the work he has done with the baseball club, park work, presentation of the annual Hey-Day event, and work with the Jaycees.

Also, Rev. Douglas Finch, pastor of the First Presbyterian Church, for the series of Town Hall meetings he sponsored in

Telecom Cable Company, Inc. New Owner of Haskell Cable Vision Co.

Effective Tuesday, March 1st, Telecom Cable Company, Inc., of Amarillo, purchased the Cable Vision Company of Haskell, according to Mr. William A. Clarke, president of the company.

John Darnell, of Haskell, will remain with Telecom Cable Company as manager here.

Mr. Clark said that in the near future a 24-hour weather service will be added to the cable system and R. H. Tyler, the inventor of Weather-Scan will be in Haskell to install the necessary equipment. The cable viewer will see the time, temperature, barometric pressure, rain gauge, wind direction and wind velocity on the music

channel. Plans are to make FM music available as soon as an FM modulator can be installed.

The Telecom Cable Company, Inc., is requesting the FCC grant them permission to bring into Haskell by microwave WFAA, Channel 8 ABC, in Dallas and KTVT, Channel 11, the independent station from Fort Worth. It should take three to six months for the FCC approval.

"Our purpose is to provide the cable viewer the sharpest picture in color as well as black and white, along with the most variety of television entertainment," Mr. Clarke said.

Judy Boone To Head Haskell's 4-H'ers To The Angelo Show

Haskell County 4-H Club's delegation to the 33rd annual San Angelo Fat Stock Show March 9-13 will be headed by Judy Boone, 16, Weinert 4-H'er, and her champion yearling Hereford heifer.

Judy, daughter of Mr. and Mrs. Wallace Boone of Weinert, and her sister, Brenda, will each show a Hereford heifer and a Hereford steer at San Angelo. Ricky Perry will show two steers and Andy Gannaway will show one steer.

The youngsters feed and exhibit under the supervision of Frank W. Martin, veteran agronomist agent who has had a number of 4-H steer feeders who have won major show titles on steers.

First Heifer
But Miss Boone represents his first 4-H'er to move into the championship circle with a heifer. Judy's heifer, calved Sept. 1, 1964 and purchased from Paul Murphy of the Circle M. Ranch of Meridian, was named grand champion Hereford heifer at the recent Wichita Falls Junior Beef Calf Show and then went on to win the overall female championship of the show.

County Agent Martin describes the heifer as his idea of what a Hereford female ought to be. He said that the only reason Rancher Murphy was willing to sell her was because he quit the show circuit and he wanted someone to take the

calves and show her in competition.

Two Great 'Families'
The heifer, Martin stated, represents two great Hereford families in her pedigree. On the sire's side are the Silver Dominoes and on the dam side the Princess Dominoes.

One of Judy's rewards for winning the Wichita Falls show was another Hereford heifer, presented to her by Hillis Diekey, a registered Hereford breeder from Oklahoma. Her newest heifer is out of a T-Bone cow and sired by a Hull-Dobbs-bred bull.

County Agent Martin, unable to witness Judy's win at Wichita Falls on account of illness, hopes to be able to attend the judging of the junior beef classes at San Angelo next week.

Haskell National To Begin 5-Day Week On March 5

Beginning Saturday, March 5, the Haskell National Bank will operate on a five-day week... Mondays through Fridays, according to an announcement by officials of the bank.

The Drive-In window will be open on Saturdays from 9:00 to 10:00 a. m., for the convenience of merchants needing change.

Night Depository Facilities available 24 hours a day.

Moisture Below Normal Here In February

According to Sam Herren, "The Weatherman," Haskell fell below normal in moisture during the month of February. Normal precipitation for February is 1.34; however only .66 of an inch was registered for the month.

Despite five snowfalls, sleet, light showers and drizzle since the first of the year, Haskell is running below normal for 1966 as only 1.81 has been recorded here during January and February. Normal rainfall for date is 2.25.

Here is how the moisture came during February:
February 10, .10; Feb. 20, .01; Feb. 21, .10; Feb. 27, .40; Feb. 28, .05. Total 0.66.

Highest temperature reading for the month was 69 on February 7 and 8, with the lowest reading a cold 17 degrees on February 23.

Haskell County History

30 YEARS AGO
 (February 27, 1936)

Ralph Duncan this week assumed duties as secretary of the Haskell Chamber of Commerce. He announced that some person will be given an award of \$5.00 for the best slogan adapted to the use of the Chamber of Commerce.

F. G. Alexander, Haskell resident over 52 years announced his candidacy for mayor this week.

To encourage spring planting of fruit and shade trees and other nursery stock, Conner Nursery and Floral Company has announced a special nursery sale.

Virgil Reynolds was elected president and Roy Killingsworth as secretary of the Haskell Golf Club.

The Haskell High School girls basketball team defeated Weinert 30 to 18 last Saturday to win the county championship honors. The team is composed of Bonnie Lee Gregory, Ruby Stodgill, Bessie Patterson, Maggie Lee Piland, Phoe Riley, Edna Tidwell and Nannie Patterson.

Thrilling experiences of veterans of World War I and the Spanish-American War were humorously recalled last Thursday night when the Press Rogers Post, American Legion, convened in one of the most interesting and well-attended meets in years. Among the veterans who accounted interesting episodes were Dennis P. Ratliff, District Judge; County Judge C. M. Conner, Elmer Turner of Rule, R. I. McElroy of Knox City; C. C. Gibson of Amarillo, E. O. Morgan and O. R. Cooper of Rule, and J. T. Finley of Haskell. Mr. Finley was the only veteran of the Spanish-American War present for the occasion.

Mr. and Mrs. John W. Pace left Tuesday morning for Dallas to visit their daughter, Mr. and Mrs. Jordan Ownby and family. They were accompanied to Fort Worth by Mrs. Jno. Couch who will go to Waco to visit a few days with her daughter, Mr. and Mrs. Edward G. Barleson and son before going to Temple where she will stand a physical examination at Scott and White Sanitarium.

Leo Duncan made a business trip to Throckmorton last Tuesday. He also went to Breckenridge to accompany Mrs. Duncan and children home, who had been visiting with her parents, Mr. and Mrs. Carter Rogers.

60 YEARS AGO

SCHOOLS IN TRANSITION

Public Schools Week in Texas will be observed March 7-11 and parents and citizens should visit their community schools to see what is going on in education.

The visitor to a school today may not see it at first glance but the public schools in Texas are in a period of critical transition.

The visitor will see bright new equipment in the science labs. But he should keep in mind that new achievements in science and space research are outdistancing the textbook writers and the schools must race to keep up.

The mathematics classroom the visitor sees may contain new and ingenious teaching aids. But the visitor should realize that educational research is moving so fast that the schools must continually re-evaluate their curriculums lest they fall behind current developments.

The school principal can point with pride to the expensive new language laboratories. But the visitor should remember that more and more expensive equipment will have to be purchased and from somewhere, somehow the money to buy it will have to be found.

A teacher may tell a parent about a summer program being planned for disadvantaged pre-schoolers. This should be hint enough that the American school system is rapidly becoming a major vehicle for social action among poverty groups. Poverty areas overlap other areas and all the rich and the poor, will be affected.

Another teacher may talk about good attendance at his school. But every school is troubled by the dropout problem. The factors which cause a child to drop out of school before graduation are primarily rooted in the home but the schools are being expected to solve the dropout dilemma.

The visitor to a school may be attending an open house in a brand new school building. But the population growth in Texas is so great that many more schools are needed than can be built. This is a problem the local community must solve strictly at the local level, from a severely strained, inadequate local tax base.

The teacher a visitor encounters during Public Schools Week is the best qualified teacher in the state's history. But each year Texas needs from between 9,000-9,500 new teachers. About one-third of this number is needed to take care of increasing enrollment. The remainder is needed to replace teachers who are retiring or who are seeking employment in non-teaching jobs. At this time there is inadequate financial promise offered to new teachers in order for Texas to continue attracting well qualified young people into the teaching profession. And there is inadequate financial promise to hold them there to become career teachers.

The visitor to a Texas public school can take pride in his state's educational progress. But he should take note that a society which is demanding more and more from the schools must in return furnish increased financial support and increased moral support for the professionals in charge of the schools.

GIRL SCOUT WEEK

Some of the innumerable "Days" and "Weeks" which we are supposed to celebrate each year in this country are without any notable significance and importance. Some are unconsciously silly. Some are highly specialized and are of interest only to a few. But there are some which have earned and which deserve the recognition and support of us all.

That is true a dozen times over of Girl Scout Week, which is to be observed this year during March 6-12 period.

The Week's stated purpose is: "To celebrate the birthday of Girl Scouting in the United States." That birthday took place on March 12, 1912, in Savannah, Georgia. In the intervening years, the movement has spread across the nation, bringing life-long benefits to legions of girls. They learn the arts and crafts and domestic virtues which are particularly suited to feminine temperament and inborn talent. They learn of the wonders of nature. They learn how to get along with each other, and to show respect and understanding and tolerance for the thoughts and aspirations and ambitions of others. They learn the disciplines and attitudes that are vital to a happy and useful life in society.

Above all—and this was never so vital as today...the Girl Scouts build character. They are the enemies of delinquency and the firm and dedicated friends of the moral standards which are the real strength of any nation and its citizens. Let all salute them during the forthcoming Week . . . and let all help their cause in any way he can.

ERICKSDAHL WATER SUPPLY CORPORATION IS COMPLETED

According to information released by the California Creek Soil and Water Conservation District, the Ericksdahl Water Supply Corporation has recently been completed. The Ericksdahl community is in the southwest part of Haskell County.

This water supply consists of 31 miles of pipeline composed of 4-inch down to 2-inch pipe. There are 85 members with 112 meters connected. The pipeline goes from the Stamford Airport to the Hendrick Ranch. The water supply system has been approved by the State Health Department.

The corporation will secure their water from the City of Stamford. They have a contract to use a minimum of 300,000 gallons of water and a maximum of 900,000 gallons of water monthly.

This project was made possible by an FHA 40-year loan. There have already been sev-

eral dishwashers, washing machines and other plumbing supplies purchased as a result of the construction of this water supply system. It is a blessing to the families being served by the water system to know that the water they are drinking is safe and there is an abundant supply.

But is there an abundant supply of water? There will always be an abundant supply of water as long as there are progressive thinking people who know and understand the value of water. Without water there is not a town, nation or community that can grow.

Through the continued effort of the California Creek Soil and Water Conservation District, a sound soil and water conservation program will be carried out in this district to insure an abundant supply of good, clean water to help in the growth and prosperity of farm families in the district.

The Good Earth

by MRS. B. F. COBB

Mrs. W. P. Trice receives poinsettias as gifts from year to year. The plants are allowed to rest after their blossoms fall. Then they are transferred out in the yard to spend the summer. Just before frost comes, Mrs. Trice moves the poinsettias back into the house. Mr. Trice showed us his wife's flowers. He took great pride in showing blossoms the second week in February. Some were on two to three foot stems. Mrs. Trice is the school nurse, but still takes time to enjoy her many house plants.

When one must use city water on house plants, it is wise to set the water up over night before using. Chlorine is hard on plants and almost every trace will disappear from water in 12 hours after it comes from the tap.

I cut the last Amaryllis bloom this morning. We had blossoms for one and a half months. Twenty-nine large blooms gave us many hours of pleasure.

The amaryllis didn't run true to form in two ways this year. First, each bloom stem should have had four blossoms; there were two to three to each stem but never four. Second, the rule of thumb is to plant the bulbs the first or second week in January for Easter blooms. Some of our bulbs were blooming in a week. I think the reason for the odd way the bulbs behaved was because of such a long hot season before frost. I let the bulbs stay in the ground until after frost killed the foliage.

We were out at Sam Scott's yesterday and had the pleas-

ure of eating frozen watermelon. It was really delicious. Mr. Scott (Sam) said they would freeze lots more melon next year. They raise many 50 and 60 pound melons each year.

We put up several packages of cantaloupe in the deep freeze last fall. I cut them into bite size pieces and froze them in trays so each bite would be separate from the others. Eaten half thawed, the melons taste like fresh ones, just from the garden. Once the melon is completely thawed, it is no longer good.

Haskell Garden Club has set the last Saturday in April as the day to stage their flower show. Please keep this date in mind. We hope to have a very interesting display.

James Oxford Proffitt Rites Held Friday

Funeral services were held on Friday, February 25, at 2:30 p. m. in the First Baptist Church, Rochester, for James Oxford Proffitt, 74. Mr. Proffitt passed away at his home in Rochester Wednesday of last week from a heart attack.

Rev. E. B. Brooks, pastor, and Rev. Johnnie Smith, pastor of the First Baptist Church of Knox City, officiated. Burial was in the Rochester Cemetery with Smith Funeral Home in charge.

Mr. Proffitt was married to Edith Massingale on May 7, 1914, at Hico. He had been a resident of Haskell County since 1938 and was a member of the Baptist Church.

He is survived by his wife, Edith; two sons, Neal and Billy of Baron, Calif.; two daughters, Mrs. H. L. Posey of Knox City and Mrs. C. R. Posey of Rochester; five brothers, Charlie of Carlton, Texas, Colbert of Hico, Claude of San Angelo, Ray of Cleburne and Ras of Tahoka; and one sister, Mrs. Bessie Hickman of Gustine; 12 grandchildren and six great-grandchildren.

Palbearers were Felton Mitchell, Carl Goode, Pete Tanner, B. O. Roberson, Billy Mullins, and Virgil Mitchell.

TAX MAN SAM SEZ:
Do you know what the three most common errors made on income tax returns are? The good tax folks say they are:

- 1—Forgetting to sign the return.
- 2—Omitting social security number, and
- 3—Mistakes in arithmetic.

A word to the wise—be careful.

Neinast Issues Statement To Voters Prec. 4

To the people of Haskell County and voters of Precinct No. 4: As you know, I am a candidate for Commissioner in Precinct No. 4. I wish to take this opportunity to solicit your vote and influence in the election to be held May 7, 1966.

I am 46 years old and I was born in Haskell County. I have lived in Haskell County for 40 years, and in Precinct No. 4 for 36 years. I have also been a lifelong Democrat.

I married the former Mary Annycy Brown of the Paint Creek Community. We have two children, Kenneth is a senior and Judy is a freshman.

We are all members of St. Paul's Lutheran Church in Sagerton. I serve on the church council. I am also a member of the American Legion.

I am a Veteran of World War II. I served in the Air Force from May 2, 1941 to October 17, 1945. I served for 23 months of this overseas.

I feel that I am capable of taking care of the county and precinct business. If I am elected, I will serve everyone impartially and I will deal with all matters fairly and honestly.

I realize that our county and precinct business is a very large and important business and is concerns us all as citizens and taxpayers of Haskell County.

I firmly believe that we should have good roads. If I am elected as your commissioner, I will strive to do the best that I can to see that we have as good roads as we have means and ways to provide them.

You will find that I am the type of person that you will be able to speak to and discuss any business matters that may arise.

I should like very much to see and talk to everyone of you before the election. However, I may unintentionally miss some of you in my rounds. Therefore, I would like to take this time to ask for your support and influence and ask that you take this as a personal solicitation.

Thank you for your time and consideration. Edward J. (Sam) Nienast

then joined them here for a three weeks' visit before being transferred to Pease AFB, New Hampshire.

Haskell Co. Hospital

Announces

CHANGE IN RATES

Haskell County Hospital has announced change in the daily service charge—

MARCH 1st, 1966

The daily service charge includes linens, meals, special diets, housekeeping, maintenance of grounds. It also includes general nursing service, medical records, business administration and the use of many hospital supplies, such as stethoscopes, heating pads, otoscopes, pressure apparatuses, tongue blades, cotton balls, the use of hot and frozen bags, simple X-rays. All of these items are included in an overall daily service charge and are not charged separately. Over the past two years the cost of these services has risen by 35 per cent. The last increase in this daily charge was in January 1963. Due to these same rising costs that every hospital has experienced in food and other necessities, it has become necessary to increase this charge.

Effective March 1st, 1966, the daily service charge will be as follows:

Those Requiring Private Accommodations, \$16.00 Per Day.

Non-Private Accommodations, \$14.00 Per Day.

These charges are still below the comparable service charge being made in the area and it is hoped that the hospital can continue to maintain this position.

Another area of concern is the pending legislation which will put all hospitals under the 24-hour law, since hospitals are a 24-hour a day, seven days a week operation, this legislation will place all hospitals in a very difficult situation.

In addition Medicare will most certainly create both financial and space problems for all hospitals. Also, there was a big increase in our social security beginning this year.

These coming situations are of much concern to hospital authorities, since from every angle both the wage and hour law, Medicare and social security are going to cause hospital operating costs to rise in the future.

We trust every one will understand the necessity of this act.

Signed by the Hospital Board
Alfred Turnbow, Administrator

Turnbow Speaker At Hospital Auxiliary Meet

Alfred Turnbow, Haskell County Hospital Administrator, spoke to members of the Hospital Auxiliary in a meeting held February 23 in the community room, Haskell National Bank.

The Weinert ladies were in charge of the program. Mrs. Phemister serves as Weinert's chairman.

Mrs. Fred Monke introduced the speaker.

Mr. Turnbow told the group how much the hospital means to the community, of its needs and some of his problems as administrator; of his pride in the hospital and his love for it.

The Hospital Administrator complimented the Auxiliary for the fine work they have done and are doing for the hospital. The business session was called to order and Mrs. Frazier

read the minutes of the last meeting.

Mrs. Mable Overton displayed a sample of the booklets the auxiliary is working on to be placed in each hospital room. These booklets outline what the "Pink Ladies" can do for you.

The auxiliary will have a "Candy Strippers" organization working locally this summer called "The Nibs." Nibs must be 15 years old. Any girl wishing to become a "Nib" this summer may contact their economic teacher.

Mrs. B. L. Ross Jr. Honored With Shower

The Sagerton Community Center was the scene of a bridal shower Saturday, March 26, in honor of Mrs. B. L. Ross, Jr., of Abilene.

Mrs. Charles Clark registered the guests and Mrs. John L. Brooks and Mrs. John Clark greeted the guests. The bride's colors, yellow and white, were used in the table decorations. Mrs. Harvie Jordan and Mrs. F. A. Ulmer ladeled punch and served cake. Mrs. A. C. Knippling displayed the gifts.

Hostesses were: Mrs. Charles Clark, Mrs. Reece Clark, Mrs. Cliff LeFevre, Mrs. Delbert LeFevre, Mrs. Harvie Jordan, Mrs. F. A. Ulmer, Mrs. A. C. Knippling, Mrs. John L. Brooks and Mrs. Melvin New.

East Side Baptist Church W.M.U. Hold Meeting

The W.M.U. of the East Side Baptist Church met Monday, February 28th, for a business and social session, with the president, Mrs. W. W. Quattlebaum, presiding and reading the calendar prayer. Mrs. Raymond Milton led in prayer.

During the business meeting it was voted to provide refreshments for the Sunbeams and G. A. S. Items for the kitchen are to be brought by the ladies of the church. Minutes were read by Mrs. Dede Gay.

Mrs. H. Russell, program chairman, presented the program of work and prayer for Home Missions, Sunday March 6-13.

Refreshments of glazed cake, coffee and tea were served to Mmes. Jess Roberts, Albert Address, Dede Gay, H. Russell, Raymond Milton and hostesses, Mrs. W. W. Quattlebaum and Mrs. Norman Bevel.

Banquet Honors King And Queen At Eastside Bapt.

W. O. Elmore, son of Mr. and Mrs. Otis Elmore and Deborah Shelton, daughter of Mrs. Bill Shelton, were presented as king and queen at a banquet held Friday night for the young people and intermediates at the East Side Baptist Church.

"Sing Along With Us" was the theme carried out throughout the fellowship hall and the program.

Rev. W. D. Williams, pastor, was the speaker and Jess Kreiger led the group in song. Jerry Jettson served as Master of Ceremonies. Rev. Williams and a quartet rendered several numbers.

The W.M.U. and ladies of the church were hostesses.

SOME DO SOME DON'T

A few weeks ago the Free Press appealed to club reporters to get their reports to this newspaper while it was still news.

A number of the reporters heeded this plea, while others did not.

The Free Press wants your reports...but please get them in immediately following your meetings.

Naomi Class Meets In The Youth Center

The Naomi Sunday School Class of First Baptist Church met Monday night, February 28, in the Youth Center for their regular monthly business and social meeting.

Mrs. Opal Adkins, president, presided over the business meeting and Mrs. Stella Trice was in charge of the program for the evening. Mrs. C. V. Schwartz brought the devotion, using as her theme the right way to use the tongue in expressing our words.

Mrs. Schwartz read various passages from the Bible on how the tongue can be used to speak words of wisdom, for the advancement of God's Kingdom, or it can be used to hurt many people. It was a very touching and inspirational devotion.

Mrs. Wendell Gideon rendered two vocal numbers, accompanied at the piano by Miss Betty Clanton at the piano. Mrs. Schwartz voiced the closing prayer.

Refreshments of cherry pie topped with whipped cream and toasted nuts, mints and coffee were served to the following members: Mmes. Sadie Payne, Claudia Mae Eland, Nettie McCollum, Ruby Smith, Helen Oates, Stella Trice, Opal Adkins, Louise Green, Ethel Lou Shelton, Dewie Wester, Rae Scarborough, Della Medford, Aleene Wheatley, Catherine Schwartz, Miss Betty Clanton and special guest, Mrs. Wendell Gideon.

BETROTHED—The engagement of Miss Sandra Jean Gaines to Curtis Weldon Murphy is being announced by her parents, Mr. and Mrs. H. L. Gaines, 1412 N. Country Club Circle, Carlsbad, New Mexico. Murphy is the son of Mr. and Mrs. E. D. Dunlap of 607 N. 3rd Street, Haskell. The couple plans a June 10th wedding. Miss Gaines has been employed at St. Francis Hospital as a nurses aid. Her fiancé is employed by Central Motor Co., Carlsbad.

Sagerton News

Several people from this community went to Canyon for the class B regional basketball playoffs Friday night and Saturday. Those attending were: Mr. and Mrs. Delbert LeFevre and family, Whit Clark and Reece Clark and many from the Old Glory community. Mr. and Mrs. LeFevre and family and Reece and Whit Clark also visited in the home of Mr. and Mrs. Mike Bailey.

Guests in the Bill Hertel home Sunday for a birthday dinner in honor of Karla and Vicki Hertel and their uncle, George Martin of Midland were: Mr. and Mrs. Kenneth Hertel and children of Stamford, Mr. and Mrs. Will Hines and Mr. and Mrs. Lynn Martin and Monty of Rule, Mr. and Mrs. George Martin of Midland, Mr. and Mrs. J. A. Hertel, Norva and Marla Lehmann of Sagerton, and Sandra, Sam and Shirley Henderson of Old Glory.

Girl Scout Week To Be Observed March 6th-12th

A new kind of Promissory Note is in circulation...a promise of service to the community. Issued by the West Texas Girl Scout Council, this note indicates the intention of more than 4,000 Girl Scouts, ages 7 through 17, to provide a variety of services.

As an example...in Haskell, Junior Troop No. 464, Mrs. Buddy Lane, will help the Cancer Society.

This action is part of a nationwide Promise of Service that is being made by more than three million Girl Scouts across the country in honor of Girl Scout Week (March 6-12) and the 54th birthday of Girl Scouting in the U.S.A. (March 12). Theme of the celebration is "Girl Scouting...A Promise In Action."

Last fall each Girl Scout decided on one or more projects which would demonstrate and put into action the Girl Scout Promise to do their duty to God and country, to help other people at all times, and to obey the Girl Scout Laws of loyalty, honesty, courtesy, cheerfulness, kindness and thrift.

Some of these projects involve service to other groups in the community and some concern personal attitudes or troop self-improvement. All truly represent "A Promise In Action" and will be fulfilled during the troop year.

Patterned Fabrics Affect Figure, H. D. Agent Says

Many seamstresses fail to realize that a patterned fabric can change their apparent shape, advises Mrs. Barbara M. Elliott, County Home Demonstration Agent.

The larger the pattern in the fabric, the more likely it is to increase the size of the figure. Designs that are large, round, or in squares or checks seem to enlarge a figure more than do vertically arranged patterns such as stripes or florals.

Vertical lines repeated without interruption within a rectangular silhouette will emphasize height. An unbelted sheath dress in a stripe fabric worn by a tall, thin person will accent the height and thinness.

The same belted sheath on a short stocky woman, on the other hand, will exaggerate her weight and shortness. The vertical lines, uninterrupted, cause the eye to follow them across the figure instead of up and down.

Small, dainty patterns look well on small figures. They are especially attractive on fragile, delicate women.

Contrasting colors of equal area compete for attention when you use them for trim. Consider using a contrast around your face for center of interest.

Use patterned fabric in a garment to contrast with solid colors, making certain the pattern adds to the lines of the dress.

When you select a patterned fabric, consider when and where you plan to wear it. Choose a fabric and dress design that are becoming to you.

Soil, Water Conservation Have Exciting Challenge

Agriculture Free-Soil Conservation Districts are facing a new challenge in the form of soil and water conservation. The challenge is to provide greater opportunity for more people.

When wise use of natural resources is combined with the programs of health and education to improve human resources, we see more clearly that conservation is concerned not with nature alone but with the total relation between man and the world around him, Freeman said.

"The objective is to raise the quality of life and to give it new dimensions."

ON DISTINGUISHED STUDENT LIST

Mrs. Jan H. Gannaway, 303 Park Place, College Station, daughter of Mr. and Mrs. Bob Herren of Haskell, has earned the right to be designated "Distinguished Student" at Texas A&M University, for the fall semester, 1965.

The "Distinguished Student" designation is granted only for exceptional scholastic achievement.

Paint Creek To Hold Boll Weevil Control Program

There will be a meeting of all people interested in growing cotton at Paint Creek School on Tuesday night, March 8, at 7:00 p. m. All cotton growers in the Paint Creek community are invited to attend.

Chief purpose of the meeting will be to organize a program to help control the boll weevil. It is hoped that everyone will make a special effort to be present. Everyone in the school community as well as any others interested in controlling the boll weevil, are invited.

Special guests have been invited to appear on the program. They include: Mr. Charles Stenholm, of the Rolling Plains Cotton Growers Assn., and Mr. Roland Kelly, president of the Texas Cottonseed Crushers Association. They will present some timely information and be able to help answer any questions that you might have concerning the boll weevil control program. Each of you are to be reminded that this is a voluntary program presented in the interest of cotton growers.

Please make every effort to be there and tell your neighbor about the program and ask him to attend.

FRANK W. CALHOUN

Calhoun Asks Election To Legislature

Frank W. Calhoun, 33, Abilene attorney, has formally announced as a candidate for State Representative, District 62-F. The district is composed of Haskell, Jones and Taylor Counties and is one of the florid districts created last year by the 59th Legislature.

Calhoun has been a resident of Abilene for seven years and is a partner in the law firm of Byrd, Shaw, Weeks, Calhoun and Bradshaw. He has long been active in Democratic Party affairs, is a member of the Taylor County Executive Committee, was County Campaign manager for Lt. Governor Preston Smith in the 1962 and 1964 elections and was a member of the Taylor County Steering Committee for Johnson-Conally last general election.

Calhoun was born in Houston but reared at Moody in McLennan County. He graduated from high school at Moody in 1950 and attended Texas Tech for one year before entering the U. S. Navy for two years service during the Korean War. While in the Navy he served as an enlisted aircrewman on various types of naval aircraft.

He returned to Texas Tech and graduated in 1956. At Tech he was very active in student affairs. He earned his law degree at the University of Texas and came to Abilene in 1959. Calhoun served in 1965 as president of the Texas Tech Students Association, is a director of the Abilene Chamber of Commerce, director of the YMCA, Merit Badge Counselor, Chisholm Trail Council, Boy Scouts of America and immediate past president of the Southwest Abilene Rotary Club.

Funeral Services Held Sunday For Nora McClain

Mrs. Nora McClain 63, former Haskell resident, died at 12:15 p. m. Friday in an Austin Rest Home following a lengthy illness.

Mrs. McClain was born Sept. 22, 1902, in Washington County. She had lived here until a year ago.

Services were held Sunday afternoon at Hopewell Baptist Church, with the Rev. L. T. Jackson, pastor of Solomon Temple Baptist Church in Stamford, officiating.

Burial was in Willow Cemetery under direction of Holden Funeral Home.

Survivors include four brothers, John, Walter, Albert, and J. D. McClain; four sisters, Mrs. Emma Thompson of Oakland, Calif., Mrs. Lula Gant of Haskell, Mrs. Ada Thomas of Sartin and Mrs. Carrie Dawkins of Midland.

Indians Begin Training For Track Season

The Haskell Indians have taken to the track field in preparation for the coming track season.

The first meet will be at Iowa Park on March 5th, and there are openings for 25 competitors per team. Three boys will compete in each event.

Among the returning lettermen are Ronnie Jossel, who won third in district in the 300-yard dash and the 220; Perry Turnbow, who won second in the high hurdles and third in the low hurdles.

Also last year, Thornton Gilmore placed 5th in the district broad jump and J. B. Ozuna won 5th in the mile at district. As a team the Indians won second in district competition last year behind Winters.

Among the events open for the 28 competitors are the high jump, pole vault, shotput, 440 yard dash, mile relay, discus and the hurdles.

Back From Cancer Meet In Abilene

H. C. King, county chairman, has just returned from the Bi-District meeting of the American Cancer Society in Abilene. Representatives of the 40 counties attending the meeting discussed their fund-raising records from last year and what their goals for 1966 were. Mr. King estimated that Haskell County estimated its total amount raised in April would definitely be over the top of the 1965 amount, \$3600.00.

PAINT CREEK ... COMMUNITY NEWS

BY MRS. GENE OVERTON

At the Eagle Scout Court of Honor Sunday at the Paint Creek Lanchatorium two Explorer Scouts from Post 48 received Eagle Scout Badges. Benny Young, scout executive of the Northern District of the Chisholm Trail Council presided and Wallar Overton, Scoutmaster of Troop 48, served as secretary.

Beginning with the first step in Scouting, Mr. Young introduced the Den Mother and Cubs of Neighborhood Den No. 48 of Paint Creek, and introduced their parents who pinned the Bobcat badge on their son, Cub Eddie Baker, son of Mr. and Mrs. Alfred Grand, Jamie Mickler, son of Mr. and Mrs. Twain Mickler, Ricky Morrison, son of Mr. and Mrs. Van Morrison, Phil Cockrell, son of Mr. and Mrs. Lee Cockrell, Joe Bal-

lard, son of Mr. and Mrs. Randy Ballafred and Danny Bruggeman, son of Mr. and Mrs. Louis Bruggeman, were introduced. Mrs. Twain Mickler, Den Mother and Mrs. Rody Kuentler, assistant Den Mother, were presented.

Buddy Morrison, Den Chief of Den 48, was presented with his Den Chief's Cord and Den Chief's Book.

The next step in scouting is to join a Boy Scout Troop. The first rank to be earned is Tenderfoot. Three tenderfoot scouts were introduced and presented their badges, Dale and Glen Casselberry and Kenny Cockrell.

There were no First Class, or Star badges to be awarded. Jeff Cadenhead, son of Dr. and Mrs. Frank Cadenhead was introduced and presented his Life Scout badge. Merit Badges were presented to Jeff and Bill Lane.

The climax of the Court of Honor was the introduction of the two Explorer Scouts, Thornton Gilmore and Phil Coleman. With them were their parents, Mr. and Mrs. Brax Gilmore and Mr. and Mrs. Ira Coleman. They were conducted to the stage by Explorer Scouts Bob Earles and Senior Scout Wayne Cadenhead. Mr. Young gave the Eagle Badges to the mothers to pin on their sons, and then the boys pinned miniature Eagle Badges on their mothers. Ira Coleman and Brax Gilmore tied the Eagle neckerchiefs on their sons. The Scoutmasters of Troop 48 when the boys were working on their Eagle rank, Gene Overton and Roy Wiseman, were introduced on stage, and each commented on their pride in these two boys. Roy Wiseman is Explorer Advisor of Post No. 48.

From a refreshment table with appointments in crystal on a red, white and blue cloth accented with blue eagles, the parents of the Eagle Scouts served punch, cookies, doughnuts and coffee to the large group of relatives and friends of the boys.

This was one of the most impressive Eagle ceremonies that Troop 48 has had and the community is so very proud of these two new Eagle Scouts.

George Free suffered a broken foot week before last when he was dragging his back yard and the tractor struck a guy wire. It pulled a pole down and the pole hit his tractor. George's foot was caught and badly broken. He was rushed to Stamford Memorial Hospital Thursday of last week and his foot put in a cast.

Curtis Bittner sprained his ankle in the game with Mattson Thursday night and is on crutches.

Mrs. Sam Chaffin returned home to Midland Wednesday after spending several days here and in Wichita Falls with her sister, Clara Fischer, who underwent surgery recently.

Mr. Ed Welch was moved from the hospital in Haskell to the Rice Springs Nursing Home. Mr. and Mrs. Roy Overton spent last weekend in Bronte

with their daughter's family, Mr. and Mrs. James Raughton and children.

Ann McLennan, a senior home economics major at North Texas State, is doing her practice teaching at the Carrollton High School. She will receive her degree in June. Ann is the daughter of Mr. and Mrs. Alex McLennan.

Mr. and Mrs. Raymond Bounds spent week before last with their daughters and families, Capt. and Mrs. Harry Logan of Lubbock and Mr. and Mrs. Ray Gressett of Dumas.

W. C. Hughes and Jerry were in Fort Worth last week where Jerry had an appointment with a doctor.

Mrs. Van Morrison underwent major surgery at Hamlin Hospital Monday. Mrs. V. P. Morrison of Mineral Wells is spending this week and next with her son, Van, and her grandchildren.

The Paint Creek Methodist revival is this week. Rev. Oland Butler, pastor of the White Deer Methodist Church is conducting the services.

Mike Overton represented Texas A&M at the Southeastern Physical Education convention at Louisville, Kentucky, last weekend. The University paid Mike's expenses to fly to the convention and he decided he and two buddies could drive through and all three attend the convention for the same money. Vic Burnette of Caldwell and another senior PE major made the trip with him.

Mrs. Russell Grand of Paint Creek was a winner of a door prize, a \$25.00 dress, at the formal opening of Cofield's new Department Store.

The community is proud of Margie Earles, daughter of Mr. and Mrs. W. J. Earles, who was on the honor roll of West Texas State for the fall semester. If we win the ball game with Jayton and get to go to Canyon, Paint Creekers can tell her so in person. She is majoring in physical education and the PE department hosts the Regional basketball games.

Mrs. John Pace purchased the house just east of the Pat Morrison home and has moved it to her farm. It has been repainted and looks so nice. Mr. and Mrs. Eddie Swamer live on the place.

Buddy Russell, manager of the market in one of the M-System stores in Midland, was chosen one of M-System's men in his district to attend a workshop in San Antonio last week. His wife visited his parents.

MRS. VOJKUFKA

Weinert Native Files For School Trustee Post

Mrs. Melvin Vojkufka, a native of Weinert, has filed for school trustee at Weinert. Mrs. Vojkufka is a graduate of Weinert High School with the class of 1952, and served as deputy County Clerk for approximately four years. At present she is serving as secretary for the Kelly Grain Company, Weinert.

Mr. and Mrs. Vojkufka have one daughter, Melanie, a fifth grade student at Weinert.

Mrs. Vojkufka stated if elected she would attend all school board meetings.

Mr. and Mrs. Cub Russell here while he was gone. Mrs. Cub Russell returned home with them and visited them and her daughter's family, Mr. and Mrs. Bill Wallace at Seminole several days.

Long-Time County Resident Passes Away

Funeral services were held Saturday, February 26, at 3:00 p. m. in First Baptist Church of O'Brien, for D. T. Elmore, who passed away Friday morning, February 25, in Knox County Hospital at the age of 88.

Services were conducted by Rev. Preston Manley, pastor of First Baptist Church of Petrolia, and Elder Afton Richards of Jayton, a Primitive Baptist minister. Burial was in the Rochester Cemetery with Smith Funeral Home of Knox City in charge.

Mr. Elmore was born July 23, 1877, in Hawk Point, Missouri. He came to Texas in 1899 and moved to Haskell County in 1907. In 1917 he moved to O'Brien where he had lived since. He married Vonna Maud Armstrong, April 19, 1911, near Sagerton. He retired from farming several years ago. He was a member of the Primitive Baptist Church.

Survivors are his wife; eight sons, Mason of El Paso, J. B. of Carlsbad, N. M., Truman of Johnson, Ark., Woodrow of Black Canyon, Ariz., Ray of Rule, Otis of Abilene, Burton and Bill, both of O'Brien; and three daughters: Mrs. Preston Manley of Petrolia, Mrs. Lawton Self of Wichita Falls, and Mrs. Ken Williams of Fort Worth; 23 grandchildren and 7 great grandchildren.

CARD OF THANKS

We wish to thank our many friends and the general public for the many ways in which you helped us during our bereavement. We deeply appreciate your kindness.—The family of Cotton Foster. 9p

25th Annual Convention of Oilbelt Teachers Set March 11th in Abilene

More than 3500 teachers and administrators from 23 West Central Texas counties will gather in Abilene Friday, March 11, for the 25th annual convention of the Oilbelt Teachers District 7, Texas State Teachers Association.

"American Education... The Silver Lining" is the 1966 convention theme. A dinner meeting of the House Delegates is scheduled for Thursday night in Abilene High School.

General session are to begin at 10:30 a.m. with Lois Edinger, immediate past president of the National Education Association, addressing the secondary teachers and administrators at Cooper High School Auditorium and Judge Harold Sam Kessinger of New Jersey meeting with the elementary teachers and administrators at Abilene High School.

Durward Grubb, classroom teacher at Lincoln Junior High School in Abilene is president of the Oilbelt TSTA. Other officers include C. A. Jolly, principal of Alamo Elementary School in Wichita Falls, vice-president; Walter Cyperl, principal of Throckmorton Elementary School, secretary; and Mrs. Mildred Bauscher, teacher in Wichita Falls High School, treasurer.

Association will host the District 7 classroom teachers in a 9:00 a.m. session, Friday, March 11 at McMurry College's Radford Student Memorial Center. U. S. Senator John G. Tower will bring the keynote address to the assemblage. Wayne Pistol of Abilene is president of the Abilene Classroom Teachers Association.

Taylor County Teachers Association, Abilene Classroom Teachers Association and the Abilene Chamber of Commerce will host visiting teachers with a reception at Starlite Inn Restaurant, Thursday, March 10, at 4:30 p.m.

RETURNS HOME

Mrs. Temple Williams and children, Holly and Tim, returned to their home in Houston Friday following a visit here with Mrs. Williams' parents, Mr. and Mrs. Jetty V. Clare, and also with Dr. and Mrs. T. W. Williams. Mrs. Clare accompanied them to Houston for a visit.

Williams, West Texas Chamber of Commerce director, for Haskell, who has done a great deal at his own expense in trying to obtain industry for his home town.

Herring Speaks Lee Herring, Grand Prairie banker, was principal speaker of the evening and kept the large crowd from Anson, Midland, Munday, Rule, Weinert, Stamford, Abilene, Seymour, San Antonio, Wichita Falls and Haskell in a good humor for an hour.

Herring's talk was filled with humor but he also said the citizens of Haskell must take a positive approach to their problems. He advised them to be proud of their Chamber of Commerce and work at its various projects. It is not necessary to be knowledgeable to work at a Chamber of Commerce job, but hard work is a must, he added.

Special music by the Nineteens, presented music for the occasion. They are under the direction of Mr. and Mrs. Herbert Bell.

Abe Turner presided at the banquet, gave the address of welcome and introduced the new officers: Hassen, Mattie Felker, 2nd vice president; Bob Wheatley, treasurer; Luther Walker, manager and Dr. Williams, WTCC director.

The Rev. George Fischer of the Korner Presbyterian Church has called several times. During his ministerial studies in Austin Seminary, Rev. Fischer preached in Haskell on different occasions and remembers the Belton Duncans, Ira Hester and others with fondness.

Early in February, the Person's daughter, Mrs. Charles Hunter, and Mrs. Richard Hudson of Slidell directed an area conference of the League of Women Voters in Alexandria. Both women are members of the state board of the League of Women Voters of Louisiana. Mrs. Hudson describes Jetty Clare as her favorite uncle.

This past week Mrs. Hunter conferred with local league leaders in Lafayette. The incoming president there is Mrs. J. A. Standridge. Dr. Cadenhead delivered her son in Haskell 18 years ago.

ON DEAN'S LIST

Melissa Patterson and Dennis Ray Opitz, McMurry College students, have been selected to be on the Dean's list, a list of those students who have shown academic excellence, for the Fall semester of 1965.

To be on the Dean's list, a student must have a grade point average of at least 3.5 or a B-plus average, and be in the top 10 per cent of the student body. A Junior at McMurry, Miss Patterson had a grade point average of 3.56. She is the daughter of Mr. and Mrs. J. V. Patterson. At McMurry she is active in Theta Chi Lambda social club, Daakonia service organization. Her major is sociology and her minor is religion. Opitz, a freshman at McMurry, had a grade point average of 3.76. He is the son of Mr. and Mrs. Milbert Opitz. He is an accounting major.

ON DEAN'S HONOR ROLL

Neida Faye Gibson, a Cisco Junior College student from Haskell, earned a place on the Dean's Honor Roll for the first semester of the school year, according to announcement this week by Leland Willis, acting president.

Neida Faye is the daughter of Mr. and Mrs. Norris Gibson, Haskell.

Gipson Receives Recognition In Safety Program

J. B. Gipson of Bill Wilson Motor Co., Haskell, has qualified for special recognition in Ford Motor Company's first National Dealer Traffic Safety Award Program.

The dealership this week received a plaque and commendation from Fletcher N. Platt, manager of Ford's Traffic Safety and Highway Improvement Department.

"Ford Motor Company is proud of your achievements and of the achievements of the entire dealer body, in promoting traffic safety," Mr. Platt's commendation read. "We appreciate the time, energy and other resources you are devoting to this vital subject and hope that you will continue and intensify your efforts."

Ford began its program last fall as an annual means of recognizing Ford and Lincoln-Mercury dealers who help improve traffic safety in their communities.

Dealers were urged to act in four specific areas: assure that customers are fully informed about the benefits, operation and maintenance of safety equipment on vehicles; provide cars for driver education; support sound vehicle inspection programs; and encourage adoption of better local and state traffic laws.

County Savings Bond Sales Off To Good Start

R. W. Herren, chairman of the Haskell County Savings Bonds Committee, announced today that the 1966 Savings Bond goal for Haskell County is \$190,000. January sales in the county totaled \$10,164 which represents 5 per cent of the 1966 sales goal.

"Our County Savings Bonds committee was delighted to learn that the interest rate on U. S. Savings Bonds has been raised to 4.15 per cent. The interest rate is effective as of December 1, 1965 and applies to all Series E and H Savings Bonds outstanding for their remaining period to maturity as well as those to be purchased in the future. We are confident that with this new higher interest rate our 1966 sales goal will be surpassed," chairman Herren commented.

18-Year-Olds May Be Ordered To Fill March Call

State draft boards are scheduled to forward 5,515 young men for preinduction mental and physical examination in March. Colonel Morris S. Schwartz, state Selective Service director, announced Tuesday.

This compares with a scheduled 8,540 being forwarded in February.

The March induction quota, 1,570, previously announced, is the biggest monthly draft quota received for the armed forces in Texas since June 1963.

The March induction quota of 1,570 compares with a February call of 1,372.

induction unless he has reached his 19th birthday, except as a volunteer. The March quotas for induction will be filled with single and

childless married men 19 through 25 years old. No married man with children, or an expected child, will be selected to fill the March call, if information about the children, or unborn child, has been furnished the draft board. The Selective Service regulations demand that an unborn child be certified by a physician.

They attended the Farmers and Ranchers Flying Convention in El Paso on the 18th and 19th of February and flew on to Arizona for a short vacation and came by Haskell on their way home.

Local board quotas for induction and preinduction examination in March already have been figured and sent to the state's 137 local boards.

Men as young as 18 years and 11 months may be ordered to fill the March call for examination. No man can be ordered for

childless married men 19 through 25 years old. No married man with children, or an expected child, will be selected to fill the March call, if information about the children, or unborn child, has been furnished the draft board. The Selective Service regulations demand that an unborn child be certified by a physician.
