THANKSGIVING 1965

How swiftly the years and the seasons pass! That may be the truest of truisms, but it is one that frequently enters the minds of all of us. And, probably, it is felt with the greatest weight each fall and winter, as the holiday season approaches. Now another Thanksgiving is almost here. This, with the 4th of July, is the most thoroughly American of all holidays. It celebrates the very beginnings of this nation. And, when properly observed, it honors the courage, skills and dedication of long-gone men and women who faced and conquered dangers and difficulties of an unbelievable scope.

This is a year of plenty. Most dinner tables will be piled high with the traditional Thanksgiving feast. There will be, inevitably, an emphasis on the material aspects of the day. Speakers will dwell on the abundance that is known so generally throughout the land.

But abundance is not enough. The strength of peoples and powers lies in the qualities possessed by those who celebrated the first Thanksgiving... independence, a profound sense of individual responsibility, a deep spiritual belief, and dedication to freedom for all.

That is what we should remember Thanksgiving day... and every day of the year.

CHEMICALS FOR LIFE

Periodically, news stories are broadcast that pesticides have polluted our food, or environment in some manner or caused injury to a person using them. It is important to realize that except where a pesticide has been used for committing suicide, the ingestion of poisonous doses have been accidental and has resulted from the incorrect use of the material involved.

Pesticides can be dangerous when people fail to follow instructions as to their proper use. But without these products to counteract the ravages of man in wearing out the land, and insects and diseases in destroying nature's production as well as man's plantings, our abundance of food and greenery would be so depleted that we would now be facing the same famine conditions that plague so much of the world. Food of all kinds in the U. S. is not only in abundant supply but, by any comparison, of unparalleled quality and purity. Exhaustive food and drug administration tests have shown pesticide residues in our foods to be inconsequential from a health standpoint.

Understanding of foods and the products that promote their production and preservation is more important than ever before as world population outpaces food production capability. It would be as foolish to outlaw certain foods because they affect some persons adversely as it would be to condemn agricultural chemicals or pesticides because careless use of them may cause toxic conditions in certain cases.

Pesticides and chemicals must be used for their life-promoting properties. The people must be made aware of how to profit by their correct use.

64 Crashes; 3 Killed; 33 Injured Rural Highways In Haskell Co

The Texas Highway Patrol investigated five accidents on rural highways in Haskell County during the month of October, according to Sgt. Frank Jircek, Highway Patrol Supervisor of this area.

These wrecks accounted for three persons injured and an estimated property damage of \$5,175.00.

The rural traffic accident summary for this county from January through October of 1965 shows a total of 64 crashes. As a result of these, there were three persons killed and 33 persons injured. The estimated property damage amounted to \$52,640.00.

November and December are noted as dangerous months in traffic and especially for pedestrians. During the last two months of 1964 in Texas there were 80 pedestrians killed and 726 injured in collisions with motor vehicles. There are many reasons for this: longer hours of darkness, bad weather, pedestrians not visible to drivers, holidays and lack of driver's and pedestrian's concentration.

The Sergeant stated, "To aid both the pedestrian and drivers, always wear something light colored when walking after dark. If possible, carry some kind of light, walk on the left side of the road facing traffic day or night so that you can see approaching traffic. If you have a dark colored raincoat or overcoat, put a strip of reflectorized material across

the back and front of your coat when on the highway."

TO VISIT HERE The D. H. Persons as their guests during giving holidays their and granddaughter, M. Hunter, and Margaret Orleans, La.

ANNUAL SCHOOL FESTIVAL AT MATTSON IS WELL RECEIVED

Mattson School held its annual "Harvest Festival." Saturday night, Nov. 13. Various games of fish pond, cake walk, pick-pocket, sugar walk, dog show, dart throw and others furnished diversion for the large crowd present.

Delicious short orders and home-made ice cream were sold by the seniors.

After the closing of the many varied booths, a coronation ceremony was held in the high school gymnasium.

To set the mood for the coronation event, a musical program was presented under the direction of Mrs. Ruth Ann Klose.

Among the participating students were high school girls, the "Tenettes," who sang "Memories," "Shine On Harvest Moon" and "On Moonlight Bay." These songs tied in with the theme decorations of autumn leaves and a large harvest moon which beamed from the stage. The "Tenettes" include Carol Guess, Susan Hale, Diana Davis, Janice Moeller, Debra Struck, Linda Klose, Debbie Campbell, Susan Weise, Deborah Grogan and Kathy Hager.

To add emphasis to the musical program, the Junior High group sang two songs for which the words were written especially for the harvest festival. The Elementary grade students presented a very lively action song about the harvest-time pumpkins.

The musical program preceded the evening climax which was the lovely coronation of Harvest Queen and King. Royal ushers were Miss Kathy Hager and Susan Hale. Prince and Princess were: first and second grades, Rita Gay Campbell and Timmy Weise; third and fourth grades, Margie Kretschmer, Mark Seelig; fifth and sixth grades, Vonnice Ray and Steve Guess; freshman class, Susan Weise, Gary Ray; sophomore class, Janice Moeller and Harold Kretschmer. The reigning king and queen

of grade school were the seventh and eighth grade candidates, Carol Guess and Ronnie Ray. The senior class candidates, Linda Klose and Roger Leonard were crowned king and queen. Royal crown bearers were Kimberly Hager and Keith Watson.

Gaylon Feiser, Mattson High Senior, served as Master of ceremonies.

Total profits from the Harvest Festival for all classes, amounted to \$775.00, and the school wishes to thank everyone who attended and helped make the event so successful.

KAYE ALVIS

Kaye Alvis Is Nix-Hall Choice

Kaye Alvis, daughter of Mr. and Mrs. Jim Alvis, of Haskell, has been elected Dorm Sweetheart for the year 1965-66, of Nix-Hall, Hardin-Simmons University, Abilene.

Miss Alvis is a sophomore and is a member of Tri Phi Women's social club.

Fashion News: "Granny" Is The Teenage Rage

If you think teen-age girls have been wearing their skirts too short, you can stop worrying, says Mrs. Barbara M. Elliott, County Home Demonstration Agent. Hemlines have dropped to the ankles in the newest teen-age fashion fad, the "granny gown."

These styles are long cotton shifts, with high Empire waists and old fashioned trimmings of ruffles and lace.

The fad originated with teenagers on the West Coast. One report indicates that the master of ceremonies at a dance commented on the extremely short dress worn by a young performer. At the next program, the girl came in ankle-length attire—and the gag turned into a fashion rage.

Girls who could sew copied the demure-looking cotton dress and the style became a favorite after-swim cover-up for feminine surfers. Granny gowns became so popular that ready-to-wear styles quickly appeared on the market. Now, teens from coast to coast wear "grannies."

The garments are favorites for lounge wear and party outfits. They come in soft and feminine cottons like dotted Swiss, dimity and tiny floral prints. Granny gowns are "in" with pre-teens and children, too. One style for little girls, in a quaint provincial print, features long ruffled pantaloons. With the younger set going back for the old-fashioned look, who can predict what type of fashion will be popular next? The hoop skirt may be on its way back.

Friendship Center Opened In Brazil

Registration at the recently-opened Friendship Center in one of the poorer suburbs of Aracaju, Sergipe, Brazil, has topped the 300-mark, according to its director, Miss Maybelle Taylor, Southern Baptist Missionary.

Miss Taylor is the daughter of the late Doctor and Mrs. L. F. Taylor. The following article appeared recently in the Florida Baptist Witness:
"Ninety-eight persons came the first day, and in less than a month's time the figure soared to 304. Classes are held each day in Bible and handicrafts, with night classes for those who wish to learn to read and write."

"Friendship Center was dedicated on August 17, with the mayor of Aracaju and representatives of the governor of the state of Sergipe and the state secretary of health among those in attendance.

"The following night an open house was held. Many people of the neighborhood came to view the clinic with the fine Christian nurse in her white uniform, the children's classrooms with birds, flowers and butterflies on the walls, the rooms for mothers' clubs and young people's groups, the kitchen where each day milk and cookies are served, and the office where those with spiritual and material problems may have private conferences.

"The center is operated by the Sergipe state Baptist board. The staff includes an assistant director, who is a graduate of Baptists' Seminary of Christian Educators, in Recife, Pernambuco, Brazil, and 20 volunteer workers, representing the three

Weinert Throttles Central Catholic

The Catholic Chargers were thrashed 62-34 by the Weinert Bulldogs Friday night at Memorial Stadium, Abilene.

Cunningham, the big Larry Bulldog fullback, spelled the difference. With one hand, he was fast, elusive, and always depending on his cutting and reversing with his amazing speed on hand being laid on

Chargers' big offensive was halfback Ralph Christy who played the best ball of the year with electric runs of 42, 39, 40 and 65 yards for touchdowns with the Charger tally coming on a quarter pass from quarterback Jimmy Kucholtz to end

win. Morally, Ronny Adams of Weinert scored 8 points with four touchdown kicks, while kicker Mike Gonzales scored 4 points on two kicks. Both teams were pretty even in the half with the score 26-22 in favor of Weinert with both teams scoring TDs equally in the first and second quarters. In the third quarter, Weinert outscored Central by virtue of two conversions with touchdown scoring being equal, both teams two apiece, but the 4th quarter spelled doom to the Chargers who ran out of steam, missing once, and losing the game twice on the on-side kick. During this time Weinert scored 3 touchdowns.

Many deserving youngsters were a chance to attend summer camp at the Salvation Army's Camp Hoblitzelle. This beautiful campsite, situated on acres of gently rolling hills, is located between Waxahatchie and Midlothian.

Linemen And Back of the Week:

Bill Perry Lineman, Kenneth Glass Lineman, Bobby Watson Back

Watson, Back; Perry And Glass Linemen of Week

Bobby Watson was elected back of the week, and Bill Perry and Kenneth Glass, linemen, at the meeting of the Booster Club Monday night.

Coach Everett reported that Coach Bridger of Baylor could not be here on February 25th, but would be able to be here in April to be the speaker at the "All Sports Banquet." It was agreed by those present to authorize Everett to arrange for a speaker with the understanding that the banquet would be held at such time as a speaker was available.

Upon motion made by Mrs. Bill Ratliff the club voted its appreciation and thanks to the band and its leaders; the pep squad and leaders, and all other organizations which contributed their help in making a successful football season. Spain announced that such meetings of the Booster Club, or its directors and officers, would be called from time to time to take care of any business that might be necessary in arranging for the all sports banquet to be held early in 1966.

Paint Creek Jars Jayton

The Paint Creek girls defeated Jayton, 50-27, at Paint Creek Tuesday night. Jayton won the girls' B-team contest 28-18.

Leading scorer for Paint Creek was Janay Morrison with 32 points. Dortha Robertson had 16 for Jayton.

44th..... NATIONAL 4-H CLUB CONGRESS Showcase of America's Youth

NOV. 28 — DEC. 2

THE National 4-H Club Congress opens for the 44th straight year in Chicago, on Sunday afternoon, Nov. 28, but the young delegates start checking into the Conrad Hilton Hotel headquarters on Friday and Saturday. Activities begin at once, and never stop until the final banquet on Thursday night, Dec. 2. The Congress theme is "Young America and World Affairs," announced Norman C. Mindrum, director of the National 4-H Service Committee which arranges the annual event in cooperation with the Extension Service of the land-grant universities, and more than 55 business firms which support the 4-H program. The 1,500 delegates—all winners—will represent 50 states, Puerto Rico, and for the first time an "official" delegation of 10 Canadian 4-H members, one from each province. The 4-Hers will devote the better part of two days to forums on world problems. During the action-packed week more than 200 youths selected for superior achievement will be designated national winners of educational scholarships.

Haskell "A" Girls Topple Albany 45-19

Jennabeth Pitman paced Haskell's "A" girls to a convincing 45-19 basketball victory over Albany here Tuesday night as she netted 18 points. Also hitting in double figures for Haskell was Kathy Barsen with 10. Linda Riley hit eight for Albany.

Weinert To Meet Talpa-Centennial In Bi-District

Weinert and Talpa-Centennial will play in Coleman, Nov. 25, at 7:30 p. m. to decide the bi-district champion of six-man Districts 5 and 6-B. Officials of the two schools met in Abilene Tuesday afternoon. Talpa-Centennial, represented by Supt. D. H. Grounds and Coach Phil Burroughs, chose Coleman's Bluecoat Stadium as the home site after winning the toss of a coin.

Arch And Evelyn Mayfield Speak To FTA Members

Arch and Evelyn Mayfield, son and daughter of Mr. and Mrs. John A. Mayfield of Weinert, who attended the Attorney General's Youth Conference on Crime held in Austin the past summer, spoke to the Future Teacher's Association at a meeting held Monday night, October 15, at Haskell High School.

Arch explained the aims of the Attorney General's Youth Conference was to help youth become a part of the solution of the problem and not just a part of the problem itself. He also told of the various programs and activities while attending the conference.

Evelyn said at the "Operation Teenager" assembly at the conference, four convicts, all in their 30's from Huntsville, told of how they became delinquents and rebelled against authority. The convicts pointed out that some of the things they missed most was home cooking, family life, attending church, and some of the simple things of life.

Burning Of Cotton Burs Is A Waste

"Burning of cotton burs is a shame and a waste," said Joe W. Cloud of Rule. Many tons of burs are disposed of this way in Haskell County each year. Cloud further added that each ton of burs contained about 35 pounds of nitrogen, 10 pounds of phosphate and 35 pounds of potassium. Burning of burs is not only a loss of organic material, but also a loss of valuable plant food which should be returned to the land.

Cloud, a cooperater with the Wichita-Brazos and the California Creek Soil Conservation Districts, stated that he has not found any practice which will beat mulching of burs on his land as a means of soil improvement. "My experience through practice and observation has proved burs to be beneficial in numerous ways," said Cloud. "Average plowing can be done with one gear higher when working land at normal plow depth, as the soil breaks up better. This lowers cost of operations and reduces wear on equipment. By maintaining burs on top of the soil, erosion is prevented, the soil takes up water better, the soil will not run together and the nitrogen in the soil is not drawn upon in decomposing the burs."

According to Hinds A. McGowan Jr., Soil Conservation Service technician of Haskell, Cloud plans on spreading 5 to 6 tons of burs per acre on about 50 acres this year. Cloud further stated that in future years he hopes that facilities will be available to spread burs on every farm where they are wanted and needed.

According to McGowan, there will be considerable acres of cropland in Haskell County which will be mulched with burs this fall and winter. In all instances it is desirable to put down approximately 10 pounds of nitrogen fertilizer with each ton of cotton burs applied to aid in decomposition, McGowan stated.

Thurman Melton, of Corpus Christi, visited his sister and brother-in-law, the Clarence Taylors, last week and also other relatives. Mr. Melton is Assistant Manager of Productions at Columbia-Southern Chemical Corp., in Corpus Christi.

Large "Turn-Out" for American Legion Program And Barbecue

One-hundred and sixty persons were present last Thursday night for the American Legion Veterans Day barbecue and program, at the Legion Hall, honoring Veterans of World War I, II and Korea.

Fred Boon, Commander of the American Legion Post 221, officially got the activities underway. Joe Williams introduced the guest speakers. Herbert Ray, Haskell County Service Officer since 1955, who has resigned that position effective as of December 1, 1965, also spoke briefly. Rev. Douglas Finch, minister of First Presbyterian Church, gave the invocation.

Seven members of the 1965 Boys' State, and two representatives from Girls' State presented their summation speeches at the Veterans Day program. Steve Harper, sponsored by the Lions Club, informed the group of the schedule and everyday affairs at Boys' State. He is the son of Mr. and Mrs. Joe Harper.

Ronald Hilliard, son of Mr. and Mrs. E. L. Hilliard, who was sponsored by Carl Anderson, spoke on entertainment at Boys' State. Ronnie Josselet, son of Mr. and Mrs. J. R. Josselet and sponsored by the Rotary Club, followed with a detailed account of the recreational facilities offered at Boys' State.

Mike Felker, son of Mr. and Mrs. Viars Felker, sponsored by the American Legion, gave an interesting description of various lectures and tours at Boys' State. Bobby Watson, son of Mr. and Mrs. Bob Watson, sponsored by the Haskell Bar Association, told of how the various parties campaigned.

Dennis Rueffer, son of Mr. and Mrs. Martin Rueffer and sponsored by Conner Floral and Roy Pitman, described the tour of the Capital building in Austin. Perry Turnbow, son of Mr. and Mrs. W. W. Turnbow, sponsored by the Haskell Jaycees, closed the speeches of the boys by pointing out the purpose of American Legion Boys' State.

Representatives, Gerre Colbert and Diann Cadenhead told of activities at Girls' State. Miss Colbert, daughter of Dr. and Mrs. R. L. Colbert, sponsored by the Ladies' Auxiliary, shared with the group her ten days at Bluebonnet Girls' State.

Miss Cadenhead, daughter of Dr. and Mrs. Frank Cadenhead, who was sponsored by the Ladies' Auxiliary and Mr. and Mrs. Charlie Conner, revealed just what Girls' State meant to her. Following the talks, the "Starters" and "Legionnaires" shared a festive barbecue, alongside parents and guests, then various games furnished entertainment. The food, fellowship and program was a tribute to the nine students representing Haskell High and a noble act by Rogers-Cox Post 221.

Football Banquet Held Saturday Night, Nov. 13th

"Football, Indian Style" the theme of the 1965 football banquet held Saturday, November 13, in the Elementary School Cafeteria. The was sponsored by the booster pep squad.

Entertainment was provided by the "Nine-Teens" and "Singing Sixes," and by Smith, who gave a sultry monologue.

Coaches Everett, Berry, Cleton and Bennett introduced the football teams, and coaches were presented gift the boys.

Highlight of the evening came when Miss Doris was presented as football sweetheart, and J. B. Ozuna, as ball hero of 1965.

Sagerton News

By MRS. DELBERT LEFEVRE

Mrs. Etta Leach entertained the Stitch and Chatter Club in her home Wednesday of last week. Plans were made for their annual Thanksgiving sup-

per at which they entertain their families. The Thanksgiving Supper was held Monday evening, Nov. 15, at the Sagerton Community Center.

Mr. and Mrs. Bob Clark of Lubbock visited with Mr. and Mrs. Charles Clark and Steve and Mr. and Mrs. T. E. Simpson at Raie over the weekend. On Sunday they were supper guests of the Simpsons, and other guests were: Mr. and Mrs. M. Y. Benton, Mr. and Mrs. Charles Clark and Steve, Mrs. John Clark, all of Sagerton.

Mr. and Mrs. Ernest Nugent of Sundown visited with Mr. and Mrs. Clif LeFevre over the weekend and also in Ahilene with Mrs. Van Laughlin, who is a patient at the Hendricks Memorial Hospital.

The Sagerton Methodist Women met in the home of Mrs. Glyn Quade Wednesday night of last week for their monthly meeting. Mrs. Frances Clark presided during the business meeting. A Christmas party was planned for the church members and their guests for Wednesday night, Dec. 8, at the Sagerton Community Center. The next regular meeting will be in the home of Mrs. Harvey Jordan in January.

Guests of Mrs. Ben Hess on Sunday were: Mr. and Mrs. H. W. Littlefield, Mrs. Ed Littlefield and Mrs. Maureen Probst of Anson.

Vanessa and Bill Tabor of Fort Worth spent the weekend with Mrs. John L. Brooks, their grandmother, and Boehia Mae Summers, while their father, Jack Tabor, went hunting.

This weekend many residents of Sagerton left on their annual deer hunts to South Texas, or the hill country. Among those going were: Mr. and Mrs. Norvell Lehmann, Leo Monse, Sr., Mr. and Mrs. Johnny Spitzer and family, Joe Swofford, Loll Young, Mr. and Mrs. Zeno Summers and Mike, Jack Tabor of Fort Worth.

Oscar Nienast celebrated his birthday at his home Sunday, Nov. 7. Guests included: Mr. and Mrs. William Scharff of Gunter, Mrs. H. C. Nienast and Mrs. Paul Dick and daughter, Paulette, of Haskell, Mr. and Mrs. P. C. Nienast, Mr. and Mrs. August Balzer, Mr. and Mrs. Bill Stanhope and Phyllis of Stamford, Mr. and Mrs. Audra Vee Nienast and Kathy of Hamlin, Mr. and Mrs. Ted Conalley and Dwayne of Stamford, and Mr. and Mrs. Will Stegemoller. It was also Mr. and Mrs. Stanhope's 20th wedding anniversary.

Mr. and Mrs. Mike Bailey of Canyon visited with Mr. and Mrs. Delbert LeFevre and family over the weekend. Mr. and Mrs. Delbert Le-

Fevre and Kent and Jill and Reece Clark were supper guests in the home of Mr. and Mrs. Steve Jameson and sons at Matador before the Raie-Matador game last Friday night.

Mrs. Adolph Ender is a patient at the Hamlin Hospital.

Mrs. Emil Kainer and Mrs. Gene Bounds and son visited in the home of Mr. and Mrs. William Barnett and son in Stamford Saturday.

Mr. and Mrs. Melvin Lewis of Aspermont visited in the home of Mrs. Emil Kainer Saturday evening.

Guests of Mrs. Emil Kainer Sunday were: Mr. and Mrs. Gene Bounds and son, and Judy and Tony Freeman of Stamford, Bob Kainer of Stamford, Mr. and Mrs. J. D. Kupatt and family of Raie, and Mrs. Rosie Stremmel.

Mr. and Mrs. Werner Tiechelman, Mr. and Mrs. Bill Vahlenkamp and Frank Lowack, went pecan-hunting near San Saba Saturday.

Mr. and Mrs. Werner Tiechelman, Frank Lowack, Mr. and Mrs. Rudolph Ramm, and Mr. and Mrs. August Angerman attended a birthday party in

honor of Bill Vahlenkamp at his home near Old Glory Tuesday night of last week.

Mr. and Mrs. August Angerman visited at Waco from Thursday through Saturday of last week with relatives and were there for Mr. Angerman's mother's birthday.

Mr. and Mrs. Henry Schmidt and Buster of Old Glory visited with Mrs. Hilda Koch Sunday night.

Jana Gail Spitzer was honored with a birthday party at her home Wednesday of last week, given by her mother, Mrs. Johnny Spitzer. Her guests were: Loy Bahn of Old Glory, Jay and Susan Swofford, Melissa Nierdieck, Vicki Hertel, Norma and Maria Lehmann, Jill LeFevre, all of Sagerton, and her classmate, Ann Oliver, of Stamford. Others present were: her aunts, Mrs. Roy Herbenberger of Aspermont, and Mrs. Harvey Hahn, Old Glory, Mrs. Herbert Nierdieck, Mrs. Joe Swofford, Mrs. Norvell Lehmann and her mother. She was 8 years old on Thursday, November 11. Mr. and Mrs. A. L. Holle

ROTARIANS HEAR REPORT OF APPALACHIAN POVERTY AREA

Mrs. J. E. Pumpfrey, well-known and widely-loved rancher of the Old Glory community, was guest speaker at the Haskell Rotary Club at its regular meeting at Felker's Restaurant on Thursday, Nov. 11. Mrs. Pumpfrey was introduced by Douglas E. Finch, program chairman for the day.

Mrs. Pumpfrey was the Texas representative of a delegation of Presbyterian women who visited the poverty sections of Appalachia, an area in Kentucky seriously depressed largely because of the decrease in demand for coal as fuel, coupled with the mechanization of the coal mining operation, which left thousands jobless. The area is the center of con-

cern in the poverty program of the Johnson administration.

The charming speaker described in graphic terms the plight of the people of Appalachia, and told of the need for help. This remains true, the speaker asserted, even though we see poverty all around us. The degree of want in the "hollows" of the Kentucky mountain country is greater than any we can experience in our own area.

Guests of the day were: Mrs. Ed Hester and Mrs. Douglas Finch, all guests of their respective husbands; Nancy Marie Finch; Pete Tanner, Rotarian from Rochester; K. K. Francis, guest of Henry Withers; Pastor Al Johannes, minister of the Lutheran Church in Haskell, guest of Douglas Finch; and student guests Joy Bergstrom and Steve Harper. H. V. Woodard, President, presided at the meeting. It was

announced that this Thanksgiving day, Nov. 18, would be the last opportunity this month to obtain the attendance record. There will be no meeting Thanksgiving day.

Watch for these signals of "below-par" tractor performance

What can be the cause? Could be worn bearings, excessive carbon in the engine, poor ignition timing.

Our skilled mechanics are equipped with precision tools to correct poor compression, leaky valves, worn rings.

Lack of power may be due to excessive carbon, an obstruction in the fuel system, or sluggish engine speed.

Our Service Department can quickly determine whether off-color exhaust smoke is due to improper carburetor adjustment, clogged air cleaner, or other malfunction.

High oil consumption can be traced to one of several sources—worn piston rings... too much oil pressure... worn connecting rods.

Ignition out of time, improper carburetor adjustment, and improper valve clearance are a few of the reasons for poor fuel economy.

The Haskell County Cancer Society, with Mrs. Bob Herren, Educational chairman, has shown the film, "Who, Me," three times in Haskell County to date. The film, which concerns the problem and dangers of smoking, with emphasis on cigarette smoking has been shown to the Rotary Clubs in

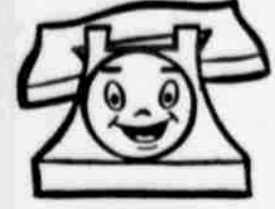

Haskell, Rochester and Rule, to a total of 91 persons.

The filmstrip, "To Smoke or Not to Smoke," has been shown by Junior High Principal Hubert Bell to a total of 150 Haskell Junior High students.

The film, "Is Smoking Worth It?" has been shown 11 times by Mr. Bell and David Middleton to a total of 345 Haskell students.

Any club, organization or school desiring the film may contact Mrs. Bob Herren.

How to make a holiday last all year long

"How often do you call Long Distance to friends or members of the family?"

"Well, I expect to make some calls on Thanksgiving and maybe on Christmas."

"Why wait for a holiday or special occasion to call — that's the old fashioned way!"

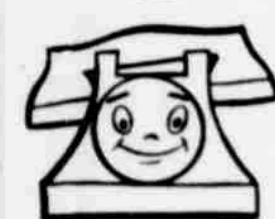

"How come? Is the phone company having a sale just now?"

"No, not that. New low-cost long distance rates are now in effect all day Sunday and every night after eight — so now for a dollar or less, you can keep in touch more often."

"Say! That's a good idea! Tonight I'll make some important calls I've been putting off."

"Fine! Thanks to new low rates you can call anywhere in continental U. S. station-to-station and talk three minutes for \$1.00 or less. This is the big communications bargain — the modern way to keep in touch at all times."

Final Rites Are Held For J. G. Pace

A memorial service was conducted from the Gause-Ware Funeral Home, Fort Worth, on Wednesday morning, Nov. 10, for J. G. Pace, 87, of Fort Worth, who passed away in a Dallas Hospital, Monday, Nov. 8. B. F. Hearne, minister of the Christian Church, Jacksboro, a long time friend of Mr. Pace, conducted the service.

Mr. Pace was born in Collin County, and was a brother of the late Mrs. L. D. Ratliff of Haskell. He was the last surviving child of the 14 children of Mr. and Mrs. D. W. Pace, early day colonists in Texas. He was a retired school teacher, having taught in the public schools of Amarillo and Fort Worth for many years prior to his retirement, and was a member of the Christian Church.

Survivors are his wife, and one son, Allen Pace, of Washington, D. C.; one daughter, Mrs. Dan Yarbrough, of Fort Worth, and eight grandchildren. One son, Sam Pace, preceded him in death.

Interment was in Laurel Land Cemetery, Fort Worth. Sen. David Ratliff, of Stamford, Dennis P. Ratliff, of Haskell, and Mrs. C. T. West of Goree, attended the service.

TAX MAN SAM SEZ:

Every year the tax folks send out a lot of letters asking taxpayers to come in for an audit. It scares the very bristles off of most taxpayers to get one of these letters. It does not pay to get scared. The folks down at Internal Revenue are trained to be reasonable. If you get a letter calling you in for an audit, calmly gather up all your records and settle your affairs with the tax man in a calm, businesslike manner.

CHRISTIAN SCIENCE SERVICES SUNDAY

What is the relationship between God and man? How does it help us overcome sin and disease? These are some of the questions to be explored at Christian Science churches throughout the world this Sunday. The subject is "Soul and Body."

Golden Text: "Glorify God in your body, and in your spirit, which are God's" (1 Cor.)

Explanatory passages in the Bible lesson will include these lines from the Christian Science textbook: "The divine Mind maintains all identities, from a blade of grass to a star, as distinct and eternal. The questions are: What are God's identities? What is Soul? ... The understanding of his spiritual individuality makes man more real, more formidable in truth, and enables him to conquer sin, disease and death" (Science & Health with Key to Scriptures by Mary Baker Eddy, pp. 70, 317).

Cotton Classing Report

Cotton harvest was delayed again by damp weather but carryover and receipts were sufficient to total 8,358 samples classed for the week ending November 12 at the USDA Cotton Classing Office in Munday. According to A. D. Peebles in charge, this brings the season's classing total to 37,534.

Grades remained mostly unchanged with 89 per cent classed as Light Spotted, 5 per cent white and 6 per cent spotted. The predominant grade percentages for the week were: Strict Low Middling 4 per cent, Middling Light Spotted 55 per cent, Strict Low Middling Light Spotted 32 per cent and Middling Spotted 4 per cent.

Staple lengths for the same period were 16 per cent 7/8 of an inch and shorter, 43 per cent 29/32, 32 per cent 15/16, 2 per cent 31/32, 7 per cent one inch and longer.

Micronaire readings showed 94 per cent in the 3.6 through 4.8 category, 1 per cent 3.2 and below, 3 per cent 3.3 through 3.5, 2 per cent 4.9 and higher.

Market price averages showed some decrease compared to the previous week.

Rolling Plains Cotton Insect Survey Report Is Released

Entomologists, Texas Agricultural Extension Service

During the summer of 1965, four insect survey teams, consisting of two men each, worked in the Rolling Plains area. Funds for three of these teams were furnished by the Rolling Plains Cotton Growers, Inc., and funds for one team were furnished by the Texas Agricultural Extension Service, Entomologists. Texas Agricultural Extension Service supervised these teams and issued a weekly report on the cotton insect situation.

The objectives of this survey were rather general and involved obtaining such information as distribution of various insects, first appearance and build-ups, hot-spot areas and seasonal populations.

Each team covered a seven or eight county area with a total of 31 counties surveyed. The teams inspected a minimum of four fields per county at weekly intervals. These fields were selected with the aid of county agricultural agents on the basis of past history and heavy insect populations. These fields were inspected for all insects and not limited strictly to boll weevils. Inspection began the first week of June and continued through August.

This year's survey showed that early season pests such as thrips, aphids, spider mites, cutworms, garden webworms, and yellow-striped armyworms were rather widespread over the area. Almost every county reported these pests, but the degree of infestation varied considerably. Grasshoppers were present early and caused considerable damage in some areas, particularly in Shackelford, Throckmorton and Foard counties. Fleahopper counts began to increase during the week of June 29th over the area as a whole. Activity continued over a rather widespread area; however, populations were generally light to moderate with counts varying considerably. Baylors, Haskell, Schleicher, Custer, Callahan and Tom Green counties showed highest infestations.

Bollworms were generally light; however, several areas reported heavy locally damaging infestations particularly in irrigated cotton. Irrigated cotton in Cottle, Hardeman, Baylor, Knox and Haskell counties received the heaviest damage.

Boll weevils were first observed during the week of June 14 from early cotton in

Boys And Girls, It's Time To Write Santa!

Attention, Children of Haskell and Haskell County... It's that time of year again, so better get out your pencil and paper and write that important letter to Santa Claus.

A look at the calendar reveals that Santa will soon be loading up toys and gifts, getting ready for that all-important trip on Christmas Eve.

Santa Claus will appreciate it if all the good little boys and girls will write him and tell him what gifts they want most this year.

Cooperating with Santa, The Free Press will publish these letters in the annual Christmas edition of the newspaper.

Letters should be sent in as soon as possible, so we suggest you write Santa today. Just address it to Santa Claus, in care of the Haskell Free Press.

The Free Press is already assembling copy for the big, annual Christmas edition, so be sure to write your letter to Santa!

Funeral Services Held Monday For Bill Shelton

Bill Shelton, 41, of Haskell, was pronounced dead about 1:30 a. m. Sunday at Hendrick Memorial Hospital in Abilene, after he suffered an apparent heart attack while driving back to Haskell with his family about five miles north of Abilene on the Anson Highway.

A passing truck driver notified North's Funeral Home of Abilene shortly after 1 a. m.

Funeral services were held at 2:30 p. m. Monday from the East Side Baptist Church of Haskell with the Rev. William T. Priddy of Anson and Rev. F. R. Cole of Abilene officiating. Burial was in Willow Cemetery under direction of Holden Funeral Home.

Born May 4, 1924, at Breckenridge, he was a veteran of World War II and a member of the East Side Baptist Church. Mr. Shelton had lived in Haskell for the past three years, moving here from Fort Worth where he had owned and operated a grocery business. He married Bonnie Anderson on March 7, 1943.

Survivors are his wife, one daughter, Debra R., and three sons, Jerry D., Mark E. and Melvin T., all of the home at Haskell; one brother, Bob, of Granbury; three sisters, Mrs. Gerald McAllen of Breckenridge, Mrs. J. B. Hancock of Weatherford and Mrs. R. M. Keil of Fort Worth; and his father, W. H. Shelton Sr., of Fort Worth.

Fallbearers were Chester Hodgins, Otis Elmore, Shelby Johnson, Paul Warner, Bill Marr, Howard Reding.

the high shooter taking home the turkey, the majority of who are lucky enough to end up as "flight leaders" at the close of the day.

Explaining the system, Assistant Fire Chief Joe Don Barnard said "the way our shoot is planned, the amateur shooter will have as much chance to win a turkey as a skilled marksman will. Each shooter's score will be posted according to value and at the end of the day each fifteenth shooter will be a winner. In other words, the top score of the day will win a turkey, the 16th place score will win, the 31st place, the 46th place, etc."

"We used this system last year and it was very well received because a person could enjoy the competition even though he or she had little or no shooting skill. In fact, a good percentage of our turkey winners last year were women and children and we hope they will come out again this year," Barnard continued.

In addition to the regular match, the Volunteer Firemen plan to conduct matches for women and for children, as well as skill matches for those top marksmen who want to compete against other skilled shooters. Pistol competition will also be conducted.

Each shooter will receive five rounds of ammunition for firing at a standard "B" target located approximately 30 feet away. Ammunition and rifles will be furnished, however weapons brought by contestants may be used as long as they are not equipped with telescopic or peep sights. Special matches will be shot for those who wish to compete, using peep or scope sights.

Proceeds of the Turkey Shoot will be used to purchase much-needed fire hose for the Department.

Ballinger Bearcats Bop Indians 29-0

The Ballinger Bearcats, with the championship of District 5AA on their shoulders, remained unbeaten and untied, as they overpowered the Haskell Indians by a score of 29 to 0, in the final game of the season for both teams. Ballinger's season record now stands at 10 wins and no losses, as they meet Alpine in the bi-district playoffs this Friday. The Indians completed their season with a record of 6 wins and 4 losses.

The Bearcats started their scoring early in the first quarter. They recovered a Haskell fumble on the opening kick-off and drove 12 yards in four plays, with halfback Philip Mata circling left end for the final 4 yards. Halfback Johnny Keel kicked the extra point, and the visitors led 7-0.

Ballinger scored again in the second period, on a 5-yard run by quarterback Tommy Selby, climaxing a 53-yard drive. Keel's kick was blocked, and the score remained 13 to 0 until the half.

In the third quarter, the Bearcats sent fullback Milford Wiley into the end zone on an 11-yard run for their third TD, and halfback Lynn Walden went over for the extra points, to give Ballinger a 21-0 lead.

They climaxed their scoring in the final period, as Selby passed to end Charlie Simpson for the touchdown. Selby then passed to end Royce Drennan for the extra points, and the score stood Ballinger 29, the Haskell Indians 0.

Putting forth the greatest effort on defense for the Indians were Bill Perry, Bobby Watson, Tim Everett, Johnny Josselot and Ray Herren. The Indians were unable to gain any yardage on the ground to start a severe drive, and barely missed on a group of long passes from Watson to ends Jack Melton and Herren.

HASKELL BAGS WINNERS in Miniature Car Racing. Shown receiving trophy of the month, from J. E. Jones, is Charles Address, son of Mr. and Mrs. Vernay Address. His points for the month were 259. Competition was close. Looking on, on his right, is Jim Nebhut, with 257. At left is David Hammack with a 254. Races are held each Monday night with trophies given in each race on points toward large trophy.

The Good Earth

by MRS. B. F. COBB

One day recently I visited the spacious home of Mr. and Mrs. Virgil Bailey.

Fashion and cameo roses of pink, with tall tube roses peeping out among the bushes, greets one as they approach the front door. Red crepe myrtle and fashion roses flank the left side of the front door.

Cushion mums of orchid, border beds down the south side of the front yard. Also along the fence dividing the front and back yards. Running roses cover the fence. Pink radiance roses make a pretty picture as they tower over the border of orchid mums.

Banks of yellow mums, iris and bell peppers form an attractive bed in the backyard. Many mums of various kinds bloom throughout the yard. Pink oxalis edges the patio flower beds. This pretty plant also edges a bed of daisies along the south fence. Violets peep their saucy faces out from dark green heart-shaped leaves.

A lady from Mexico gave Mrs. Bailey a vine that blooms long spikes of red blossoms. Although the vine is a native of Mexico, it readily adapts to this climate. The vine makes an inviting contrast to a row of French marigolds that reach the full length of the backyard. Mrs. Bailey and I chatted about flowers as we sat in their attractive den. Double glass doors overlook the lovely backyard. Several pot plants rested on a table near the doors. One of which was a pepper plant whose fruit so resembles an

orange; I thought them miniature oranges.

The Baileys not only keep a neat yard, they keep their alleys clean and fresh mowed. It would be nice if Haskell would follow the Bailey's example, and keep our alleys neat and clean. Not only is a weedy, trashy lawn unsightly, it is a fire hazard as well.

Mrs. C. T. Jones' yard is covered with banks and banks of chrysanthemums of every hue. So thick are the flowers, the foliage hardly shows. The front flower bed is called Mrs. Jones' "friendship" garden because it is filled with plants loving friends have given her. She cut off large dry mums flowers two years ago and

covered them with plastic. The flowers that came from these seed are out of this world. There are yellow, red, bronze, orchid, purple and blends. Some are double, some single. All are amazingly pretty.

Mrs. Jones shares her flowers with friends and furnishes arrangements for the church she attends. She says many hours of pleasure come from working in her yard. Haskell Garden Club members: Do not forget to plant bulbs for our spring show. There is still time to do so.

TIME MARCHES ON!

Upon reaching our 75th Anniversary, we express our sincere thanks and appreciation to each and everyone of you for the fine patronage which has made our continued growth possible these past 75 years—and we want to assure you that as we begin our second 75 years of service, every effort will be put forth in the future, as it has in the past, to merit your continued patronage!

“Bank With Us . . . Your Neighbor Does”

It Is With Pride...

that we point to this step of progress. Because it is the loyalty, support and confidence of our many friends and customers we have been privileged to serve throughout our seventy-five years of banking service that has made this progress possible.

The Haskell National Bank was organized in 1890 by M. S. Pierson, father of A. C. Pierson, present president. He and his associates felt that a bank founded upon the principle of honest service and sound banking would be appreciated, accepted and patronized by the people of this trade area, and the wisdom of their judgment has been proven many times over by our loyal and fine patrons.
