Second "BIG" Meeting Held January 17

The next meeting was set for January 31, 1980.

Youth Holds Hostages In Baird Courthouse

Friday, January 18, was not a normal day for Baird. Around 3:45 p.m. a couple pulled up to the Allsup's Convenience Store and got \$6.70 worth of gas and drove off without paying for it. Carl Gunter, manager of the store had someone get the license plate number and then called the police.

The couple, a 16 year old boy and a 14 year old girl, were apprehended between Clyde and Elmdale in a yellow Ford four door with Mississippi plates. They were later to be discovered as 2 runaways from North Carolina.

The couple was brought to the courthouse and taken to the sheriff's office to await Carl Gunter to come down and file charges.

As the officers received information on the teletype, the couple took their chance and ran out of the courthouse.

The girl was quickly recaptured just outside the courthouse by Sheriff Bill Skinner but the boy escaped. Jess Henley ran back to get his car to continue the chase. Henley caught up with him in a house east of the courthouse. The boy was hiding in a closet and Henley pulled him out and reached for his hand cuffs. He had left them in the car so he jerked the boy to take him outside and the boy grabbed Henley's 45 caliber colt automatic pistol. Henley didn't grab for the gun because he couldn't tell if the safety had been removed or not.

The youth then forced Henley back to his car and made him drive to the courthouse. The boy then demanded that his girlfriend be brought to him. Henley then explained that she was handcuffed to a chair and that the keys were kept only in the searchroom at the jail. Henley kept trying to get the boy out of the car. He

finally got him out and he heard a gun shot.

Terry Addison shot and hit the juvenile on the right wrist from the top of the courthouse four stories high using only his pistol.

The slug from Addison's .357 Magnum passed through the wrist of the boy so fast it didn't even knock the gun from his hand.

The boy then threatened Henley but he was able to calm him down. They then entered the courthouse and went into the sheriff's office where dispatcher Pat Addison, Carl Gunter and the girl were. The boy told Gunter to leave and kept Henley and Mrs. Addison.

Henley kept telling the boy that he was going to have a heart attack and that he was probable going to kill him that way. The boy then had Henley sit down and held Mrs. Addison as his primary hostage. Henley did have an attack in September that kept him away from work for seven weeks.

Henley finally talked the boy into giving up the gun on the boys terms, which were to be handcuffed to his girlfriend.

The couple was then transferred to Hendrick Medical Center where the boy was treated and were both turned over to the Taylor County juvenile authorities.

Aggravated kidnapping charges were filed Saturday against the boy.

No complaint has been filed yet for the gas theft. There were no charges brought against the girl, who is being held for juvenile authorities in North Carolina.

As the boy is almost 17, and because of the seriousness of the charges, authorities are considering having him face charges as an adult. The decision will be based on several things including a psychiatric examination.

Mollasses Spill, Creates Problems For Motorists

Early Friday morning, January 18, an 18 wheeler had a serious mishap which caused at least one car accident.

The truck, carrying molasses leaked it onto the road for about five miles along the westbound lane of Interstate 20 between Baird and Clyde.

Tammy Boyd of Baird was in Hendrick Medical Center late Friday, where she was reported in satisfactory condition with lacerations after the car she was in skidded in the molasses. Her husband, Glenn Boyd was driving the car and was not injured.

The accident occurred about 7:15 a.m. east of Clyde.

The mess the molasses made was difficult to negotiate on. The conditions are similar to that of icy roads.

The molasses was the type used in cow-feed.

The truck has not yet been found and the driver evidently discovered the leak and had it repaired before driving past Abilene.

Sand was spread on the road to avoid more accidents.

PUTNAM- This has been a dreary day at Putnam. Cloudy, musty and cool. We are thankful that it is not freezing and hope we get enough rain to do some good. We talked to the New Mexico folks yesterday and they were covered with snow. Some snow here sure would help the grain that is trying so hard to grow.

Our community has been saddened by the tragic accident this past week that took the life of one of our citizens. Mr. Clinton Ivie was killed when his pickup was struck by another pickup driven by another Putnam citizen, Bill Brandon, on the access road to Cisco. Mr. Ivie was loved and respected by all who knew him and will be greatly missed. Mrs. Ivie will remain in our community. All their family and a large number of relatives and friends attended the

funeral services.

We are also sorry to state that Mrs. Lee White is still very ill at Hendrice Hospital at Abilene. Her condition is improving slowly.

One of our Putnam boys, David Eisenhower left this week for San Diego, Calif. where he will join the U.S. Navy. His wife and baby will stay with his parents, Mr. and Mrs. John D. Eisenhower while he is in Boot Camp.

Another of our Putnam boys, David Clinton, son of Mrs. R.L. Clinton of Cisco is very ill at his home at Dallas. Mrs. Clinton visited him Friday.

Mr. I.G. Mobley spent most of last week in the hospital at Cisco. He returned to his home at Baird Saturday. Mrs. Mobley spent Friday night with Mrs. R.B. Taylor.

Mr. Earl Sunderman of Ft. Worth spent the week

end with his aunt, Mrs. Ruie Sunderman.

Mrs. Edith Muzny went to Dallas this week to have a check on her eye which she had surgery on several weeks ago. Her daughter Mrs. Delores Krinke of Wichita Kansas came and took her to Dallas.

Mr. and Mrs. Hubert Donaway of Odessa spent Tuesday night with his mother, Mrs. Milton Donaway and attended the funeral of his uncle Clinton Ivie. L.C. Donaway of Abilene also attended the

Fund Started For Sisters of Eula

A fund has been set up for April and Angela Downing of Eula. They are sisters, and both have a very rare disease. It is very fatal if not treated properly. It is called Dermatomyocitis. It is a deterioration of the muscles and has to be treated in Houston.

They are the daughters of Harold Downing of New Mexico and Shirley Downing of Eula. Their grandparents are Mr. and Mrs. E.F. Downing of Potosi and Mr. and Mrs. J.A. Frazier of Abilene.

The medical expense and

the trips to and from Houston are getting very expensive. They do need some financial help to keep getting proper care. The disease usually runs a two year course, and without the right medicines it can cause death. With the right medicines it can be overcome with no after effects.

Contributions to help with these expenses can be made to The Downing Girls at First National Bank of Baird, Baird, Texas. 79504. All help will be deeply appreciated.

For more information you can contact Sharon Jones,

Baird, Texas. Phone 854-1851. Angela's and April's address is Rt. 1, Clyde, Texas, 79510. Phone 529-3287.

Lynn Nabers Seeking Re-Election

Representative Lynn Nabers of Brownwood announced that he would be a candidate for re-election to the office of State Representative for the 55th Legislative District. The 55th District is composed of Brown, Callahan, Coleman, Comanche, McCullough and Runnels Counties.

Nabers said that he had enjoyed serving the people of the District and believed that the next session of the legislature will be the most important session in the decade of the 80's.

The main issue will be re-districting. This will include the re-arranging of state legislative districts, senatorial districts and congressional districts. The decisions made on re-districting alone will mold and shape the future of our area tremendously, Nabers stated.

Nabers is serving as Chairman of the Criminal Jurisprudence Committee and has served in that capacity for the past three legislative sessions. He also serves on the Financial Institutions and the Calendars Committees.

Nabers is a member of the law firm of Day and Nabers and practices law in Brownwood. He is a member of the Brown County Bar Association, Texas Bar Association, American Bar Association and the Texas Association of Bank Counsels.

Representative Nabers was recently honored as Outstanding Legislator by the Texas Bar Association at its annual convention in San Antonio. He was named to the Top Ten Legislators by Texas Business Magazine in 1979 and was named to the Top Ten Legislators by Texas Monthly in 1977.

Nabers is married to the

former Mary Scott of Cross Plains and they have two sons, Scott, age 15, and Tim, age 10.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

MAKE IMAGINATION YOUR HOBBY

Over fifty years ago I made imagination my hobby. So far, I have never regretted that decision. The history of civilization is essentially the history of man's creative ability. Whether this talent can be enlarged in anyone's life by training is questionable. But what is not questionable is that every individual can train his or her imagination to be more productive.

My most enjoyable experience in life is to take Bible stories and relive them through my imagination. A professor in seminary introduced me to Abraham and we became fast friends at once. My roommate led me to Jesus and Jesus and I have been brothers ever since.

Now I know them both intimately along with hundreds of other real persons in Biblical history. I hope you know them too. My imagination has dramatically extended my knowledge of God and dynamically affected every detail of my ministry. Yes, long years ago I made imagination my hobby—and my hobby has made me rich—rich in the capacity to experience genuine excitement and pleasure in reading God's Word; rich in the art of reading the Bible with the mind's eye, that great, great gift of God.
