Thirty-Eight Years Postal Career Ends Today, Thurs., for O. W. Tooley

Today (Thursday), March 31, 1966, marks the end of a 38-year postal service career for O. W. Tooley, rural letter carrier for Route 1, out of the Haskell Post Office.

Tooley, who has been carrying mail here since April 15, 1928, reached the required retirement age of 70 only a week ago, on March 24, 1966.

He began his postal service as a Postmaster in Wilbarger County. The appointment was made effective at Tolbert, Texas on Jan. 10, 1921, and he served in that capacity until the office was discontinued 13 years later and consolidated into a rural route out of Vernon, Texas.

While Postmaster, the office was located in a grocery and general store which Tooley owned and operated. He continued in the grocery business until Sept. 15, 1941, when on recommendation of Hon. Ed Cosslett, congressman of the 13th District, he was re-instated into the postal service and assumed a rural letter carrier's position at Boyd, Wise County, Texas.

He served only 11 months at Boyd before being transferred to Covington, Hill County, Tex. Eight months later, in a trade with D. J. Pierce, Tooley came to Rural Route 3 in Haskell, Okla. on June 20, 1964, that route was consolidated into Routes 1 and 2, and Tooley assumed a 94-mile route designated as Rural Route 1.

Route 1 became the longest distance in his career. Other routes were 61, 57 and 60 miles. He attributes the increased number of miles to the declining rural population and decreasing number of boxes to serve.

Like most rural letter carriers, the years have been marked by many different makes and models of automobiles from the Model A Ford, which he described as "a mud car capable of chugging through almost any mud hole," to the modern means of transportation we know today.

Weather conditions present the most difficulty to the rural carrier. "In my 25 years as a rural carrier I have been through almost all types of road conditions, rain, mud, snow, and ice, the bitter cold, and the hot summers. But now each occasion has become a sweet experience," he reminisced. He added, "I had the opportunity to retire Dec. 30, 1965 on an increased annuity, but somehow I'm not a quitter and chose to remain in the service as long

as the Postal Department would let me work."

Tooley did not expect what happened during those three extra months when he could have been retired. As he described it, "It came the worst snowstorm I was ever in, the coldest mornings, and the worst roads I ever traveled." "But, I enjoyed every minute of it," he commented.

"Sometimes my patrons did not get their mail until very late, because of hazardous road conditions, but I always tried to live up to the Postal Department's motto that 'The mail must go through.'"

Tooley explained that the many good days out-numbered and out-weighed the bad ones. "Besides," he said, "the best people in the world live on my routes. They have helped me out of those mud holes, pushed me through the hard times, and have been generous and an inspiration to me when days were sunny. They have shared their lives with me, and given from the bounty of their gardens, orchards, fields and storehouses of fresh meat. Somehow, I have never been able to express the sincere and humble 'Thank You' that is due these good people."

He served with the Armed Forces in France during World War I, is a member of the WWI Veterans Association and the American Legion, a supporter of civic affairs, and an active member of the Methodist Church.

As a member of the Rural Letter Carriers Assn., Tooley has served as secretary, vice-president and president of the Brazos Valley Rural Letter Carriers Association Local. He has been a delegate to many state conventions and attended one national convention.

At a recent meeting of the Brazos Valley RLCA he and two other retiring carriers were presented leather billfolds by the six-county organization. He plans to continue active participation as a member of the RLCA.

He and his wife live at 1301 N. L. in Haskell and will continue to make their home here.

In retirement, Tooley plans first to visit with his children and grandchildren. He has one son, Kenneth, a resident of Austin, and one daughter, Mrs. Loda Cone, of Borger.

"After the visits," he said, "I'll beautify my yard, work in my garden and then do a little fishing, catching the big ones the other fishermen have left for me."

Argentina Bishop To Speak At First Methodist Church

Bishop Uberto Sante Barbieri, of Argentina, who will be in the Northwest Texas Conference March 28 through April 10, at the invitation of Bishop O. Eugene Slater and the Conference Board of Missions, will speak in the Haskell Methodist Church Monday night, April 4, at 7:30 o'clock.

He will speak on the New Advance Special for the Northwest Texas Conference. Fifteen thousand dollars has been pledged for a church and parsonage at Gaiman, Argentina.

Rev. J. V. Patterson, pastor of the local First Methodist Church, has extended an invitation to all churches in the area and anyone interested to hear Bishop Barbieri.

Services were held at 3:30 p. m. Monday in First Baptist Church Chapel with Dr. Ray Nobles, pastor, officiating. Burial was in Willow Cemetery under the direction of Holden Funeral Home.

Final Rites Are Held For W. C. Murphy

W. C. Murphy, 87, passed away at 6:35 a. m. Sunday in Haskell County Hospital after a lengthy illness. He was a member of the Baptist Church.

Services were held at 3:30 p. m. Monday in First Baptist Church Chapel with Dr. Ray Nobles, pastor, officiating. Burial was in Willow Cemetery under the direction of Holden Funeral Home.

Born Nov. 7, 1878, near Troy, Ala., he was a retired farmer and rancher. He married Mrs. Grace Hogue at Deming, N. M., April 10, 1951. He and his wife moved to Haskell in 1963.

Mr. Murphy came to Texas from Alabama when he was 20 years old.

Survivors include his wife; three step-daughters, Mrs. Gale Farber of Omaha, Nebr., Mrs. Catherine Mungero of Hollywood, Calif., and Mrs. J. I. Sampson of Haskell; one step-son, J. H. Mayo of Houma, La.; one sister, Mrs. Annie Chesnut, of Montgomery, Ala.; 14 grandchildren and three great-grandchildren.

Funeral services were held at 10:30 a. m. Monday at the home of Mrs. Collins, Myron Beard, O. T. Johnson and Thurman Howeth.

Haskell Receives Welcome Showers

Spring-like clouds which began to form Sunday afternoon, finally opened-up Monday and by 8:00 a. m., a total of .40 of an inch had been gauged, then before the morning ended another .13 of an inch was added to that amount to bring the total to .53 of an inch for Haskell, according to Sam Herren, "the Weatherman."

Jim Norman said that over an inch was gauged in Rule.

Farmers Slate Meeting Friday At Courthouse

Haskell County farmers will meet in the District courtroom, courthouse, here Friday, April 1, at 2:00 p. m. to hear Charles W. Stenholm, executive vice-president of the Rolling Plains Cotton Growers Association, speaking on the uniform cotton planting program to control boll weevils.

All farmers of the county are invited to attend.

Deadline Nears For Inspection Of Vehicles

The Texas Department of Public Safety reminds motorists that vehicle inspection time is at hand again.

Regardless of the age of your car, it must bear the 1966 inspection sticker by the April 15 deadline.

Wanna' Grow A Beard???

For the purpose of advertising the upcoming annual Jaycee Rodeo to be held here, Thursday, Friday and Saturday, April 19, 20 and 21, the Haskell Jaycees are sponsoring a beard growing contest.

Bud Lane, chief marshal and Bobby Cass, publicity, are hoping that all Haskellites will enter into the contest, along with Jaycees to add interest to Rodeo days.

Cass said that Jaycees will award a grand prize of an electric razor in the beard-growing contest.

Jaycees will be issued a shaving permit for \$1.00 and non-Jaycee members, 50c for a shaving permit. Cass said.

Any type of beard grown will be accepted by judges, including a "full-one," a strip, goatee, etc.

Robert Starr Named Head Coach At Alpine

Robert Starr, son of Mr. and Mrs. W. H. (Dugan) Starr, Jr. and son-in-law of Mr. and Mrs. R. A. Lane, of Haskell, has been named head football coach at Alpine Public Schools and will begin his duties there, April 1.

ROBERT STARR

Starr in his four years at Haskell High School earned 10 varsity letters in four sports and was selected for five all-district teams and one all-area team. During his senior year he was invited to play in the Greenbelt Bowl in Childress. After graduation from school here he attended Baylor University on a football scholarship.

He received his BS degree from Baylor University in 1961 where he majored in physical education. He coached at Electra in 1962 and at Sulphur Springs in 1963 and 1964.

Starr began his college athletic career in Baylor in 1957, where he started offensively and defensively as one of the freshman team captains. He began his varsity athletic career in 1958 and was No. 2 quarterback behind Buddy Humphrey (Nation's No. 1 passer); was No. 6 passer in the Southwest conference and completed six of six passes against SMU in the Nation's Game of the Week. In 1960 he moved to offensive fullback, played in the Senior Bowl and Gator Bowl and signed a contract with the Baltimore Colts.

He and his wife, the former Suzanne Lane, have two daughters (Selina and Sara).

Plans Shaping For City-Wide Easter Service

Under the sponsorship of the Ministerial Alliance, a city-wide sunrise Easter service will be held Sunday, April 10, at 6:00 a. m. at the Rice Springs Park amphitheatre.

Rev. J. V. Patterson, pastor of the First Methodist Church; Douglas B. Finch, minister of the Presbyterian Church and R. D. Williams, East Side Baptist Church, pastor, will be in charge of arrangements.

Mrs. Brooks Middleton will direct the pageant and Mrs. M. E. Overton will be in charge of costumes.

Further information concerning the service will be released in next week's issue of the Free Press.

Large Crowds Flock To Ward's Grand Opening

Mrs. Johnny Medford, agent, said around 4,000 persons flocked to the Montgomery Ward's Catalog Agency's grand opening held here Thursday, Friday and Saturday of last week.

"We were elated over the wonderful reception we received... and the people came from all over this trade area to take a look at Haskell's newest business establishment, located at 415 South First," Mrs. Medford said.

Receiving the transistor radio prizes were Wayne Liles, John McMillin, Robert A. Bartley, George Fouts, Mrs. Frank McCurley, Robert Lee Parramore, A. A. Stewert, Earl Livingood, and Bob Beauchamp.

Mrs. Fred Allen was the recipient of the 12-inch portable television set and matching stand.

School Trustees To Be Elected Saturday; City Election Tuesday

Weinert School Bus Overturns; Two Children Receive Injuries

Melanie Vojkufka, age 11, 5th grade student at Weinert, the daughter of Mr. and Mrs. Melvin Vojkufka received a broken collar bone and bruises on her neck, and Donnie King, 12, son of Mr. and Mrs. Bill King, received a deep cut on his forehead which required 40 stitches, when the Weinert school bus, driven by Coach Kenneth Sanders, of Weinert, overturned about five miles northwest of Weinert at 8:15 a. m. last Thursday while enroute to school.

Melanie Vojkufka was brought to the Haskell County Hospital for treatment of injuries and Donnie King was treated by a Munday doctor. Melanie was released from the hospital Friday morning.

Highway Patrolman Jesse Priest, assisted by Haskell County Sheriff Garth Garrett, investigated the accident.

Sanders said the steering mechanism broke and the bus which carried 12 children, quit the road, rolled over on its side and then came to rest on its top with the wheels of the vehicle in the air.

Douglas Myers, Weinert school superintendent, said that slight damage resulted to the bus, with only a dented top and four windows broken out.

Coach Sanders and Supt. Myers commended Ruby Freeby, 17, occupant of the bus, very highly as she calmly talked to the younger children and quieted them down in an orderly manner, prior to their exit from the bus. Miss Freeby is the daughter of Mr. and Mrs. Ed Freeby.

Teenagers Ask For Opportunity To Work In Their Home Towns

The Haskell Rotary Club heard Pastor Allen Johannes of the Trinity Lutheran Church of Haskell report on a paper presented to the West Texas Chamber of Commerce at its Infocade at San Angelo last Thursday. The paper, which was delivered by a teenager at the request of the West Texas Chamber, cited the condition and attitude of West Texas teenagers, relating facts garnered from a survey of teenagers in both rural and urban areas.

More than 90 per cent of teenagers in both rural and urban areas felt that West Texas teenagers had a sense of civic responsibility. Young people could well be utilized in civic voluntary work—an area where adult volunteers often fall down. Teenagers should not only be given more responsibility in civic affairs, but adults should spend more time with them in good, detailed career counseling and where possible, help them get summer and after-school work that will serve as on-the-job training for future careers. Teenagers, the speaker said, need to know more about local, state and national government and feel that more preparatory courses in school would be helpful in this regard. They want to go to college, and they need all the help and encouragement they can get. Pastor Johannes reported the teenage speaker as saying that "we are making one of the greatest

resources if we do not realize that teenagers are not the generation of tomorrow, but are, in fact, the generation of today. Teenagers should be full partners in the development of Texas."

Teenagers need to be better informed about industrial development and tourism, the two areas wherein the future of West Texas lies, Pastor Johannes quoted the young speaker as saying.

Young West Texans are not asking for "a gift on a silver platter." They do not want something for nothing, the speaker said, but they do want the opportunity to work in their hometowns in West Texas and the chance to show that they are the generation of today.

Mr. Bill Skeen, manager of Lone Star Gas Company, was received as a new member, sponsored by Desmond Dulaney.

Guests for the day were Jim West, Sr., and Chief of Police B. J. Cooper, both of Stamford; Mr. and Mrs. Luther Walker, the Haskell Chamber of Commerce manager who left Saturday for his new post as manager of the Plano Chamber of Commerce; and student guests Vickie Burson and Dennis Ruef-fer.

Douglas B. Finch was elected voting delegate for the District Rotary convention held in Wichita Falls Friday and Saturday, March 25 and 26.

Social Security To Keep Midnight Hours Tonight

The social security office in Abilene will stay open until midnight tonight, Thursday, March 31, the medicare enrollment deadline, R. R. Tuley, Jr., social security district manager, announced today. But Tuley said he hopes elderly people not yet signed up for the voluntary doctor bill insurance under medicare will not all wait until late Thursday night to enroll.

In addition, post offices in the Big Country area have on hand a short form application which can be used by persons who cannot pay a visit to a district office. It is a simple, self-mailer form, requiring no envelope and no postage and will serve to establish that they enrolled before the deadline, if post-marked before midnight Thursday.

Absentee Voting In City Election Ends Friday

Tomorrow, Friday, April 1, is the last day to vote absentee in the coming city election Tuesday, April 5.

At press time a total of 18 absentee ballots had been cast. Polls will open at 8:00 a. m. and close at 7:00 p. m., Tuesday.

HERE ON FURLOUGH

Johnny Matthews, Ronnie Jeter, Jerry Hadaway and Tommy Baltz, who have been stationed at Fort Polk, La., have been visiting relatives and friends here for the past several days.

Matthews, Hadaway and Baltz will report April 2nd to Fort Gordon, Georgia, and Jeter to Fort Polk.

CITY ELECTION

Haskell In the city of Haskell election, Tuesday, April 5, a large number of voters are expected to march to the polls to elect a mayor and three aldermen.

Incumbent J. E. Walling Jr., and Douglas B. Finch are seeking the mayor's slot.

For aldermen, Raymond Davis, Otto Nanny and R. L. Stephenson, incumbents are seeking re-election. Also in the running for aldermen are Buster Gholson, Carl Anderson and Jim Sampson.

Election will be held in the annex to the City Hall. Polls will open at 8:00 a. m. and close at 7:00 p. m.

Voting by absentee ends tomorrow, Friday, April 1.

WEINERT City Election

At Weinert, incumbent Donald Griffin and H. H. Grimes, Ted Boykin and R. S. Sanders are running for aldermen, with two to be elected. E. S. McGuire, who has accepted the position as water superintendent at Weinert, is not seeking re-election.

RULE City Election

Worth Green filed as a candidate for mayor of the City of Rule to replace A. E. Ball whose term expires.

Filing to fill vacancies for City Aldermen were James Moore, incumbent, and Thomas Kutch.

Haskell Independent School District

Two trustees will be elected in the Haskell Independent School District, with only two names appearing on the ballot, those of Dr. J. F. Cadenhead and Mrs. B. B. Gilmore, seeking re-election.

Balloting will probably be light in the trustee election since no opposition is prevalent.

Election will be held in the Community Room, Haskell National Bank.

Weinert R.H.S. District No. 706

Two Trustees will be elected, with Floyd Patton, Mrs. Wanda Vojkufka and Tom Yates seeking places on the board.

Trustee Election

Two trustees are to be elected when the voters go to the polls for the Rule Independent School District trustee election on April 2.

Incumbents L. W. Jones Jr. and Norris Anders filed for precinct 1 and 4.

Incumbents Ira Hester filed for re-election for Trustee-At-Large for precinct 1 and 4; and H. E. Bland filed for re-election for Trustee-At-Large for precinct 4.

Paint Creek R.H.S. District No. 49

The names of M. E. Overton and Walter Buerger appear on the ballot, with only two trustees to be elected.

Mattson R.H.S. District No. 707

Two names are on the ballot, W. R. Hager Jr. and Milbert Opitz, with only two trustees to be elected.

Carney R.H.S. District No. 704

Three names appear on the ballot, Clyde Covey, Eddie Adkins and F. L. Middlebrooks, with three trustees to be elected.

County School Trustee Precinct 2

For County School Trustee, Precinct 2: John A. Mayfield's name appears on the ballot, with only one to be elected.

For County School Trustee-At-Large: Ira Hester.

County School Trustee Precinct 4

H. E. Bland is seeking this spot, with only one to be elected.

Ira Hester is seeking County School Trustee-At-Large, in Precinct 4.

County School Trustee-At-Large

Ira Hester is the only name on the ballot for County School Trustee-At-Large.

National Honor Society Induction Is Held In High School Assembly

A capacity crowd of the student body, faculty and invited guests filled the Haskell High School auditorium last Monday afternoon to watch twenty students recite the pledge of the National Honor Society and become its new members for the coming year. The pledge is "... to uphold the high ideals of the National Honor Society; to build a strong character in themselves and others; to further the advancement of scholarship; to carry aloft the torch of leadership and to serve their school, community and country in the interests of humanity." Ronnie Josselot, outgoing president, read the pledge and the new members repeated after him.

The new members are selected annually by the faculty and are required to have an overall high school average of no less than 85. The ones chosen this year were composed of 11 seniors and nine juniors. They are: Theresa Galvan, Elouise Watson, Jerre Sue Couch, Dean Powell, Vicki Burson, Jack Melton, Joy Bergstrom, Michael Felker, Terri Stewert, Johnnie Ray Lowe, Bonnie Howard, Riley Couch, Thornton Gilmore, Clinton Callaway, Keith Chapman, Wayne Cadenhead, Joyce Cook, Pamela Drusedow, Rita Woodard and Steve Munday.

Prior to the actual induction, a skit was performed by the outgoing members of the organization. These senior members include Josselot, Gerrie Colbert, Perry Turnbow, Charlotte Hise, Dennis Rueffer, Diane Summers, Steve Harper, Diane Cadenhead, Jennabeth Pitman, Debbie Wiseman, Doris Pace, Brenda Campbell and Sally Curtis. The skit, written entirely by Josselot and Turnbow, was conducted to a theme involving modern international spies, and led to the induction.

Immediately following the assembly, the new members and their parents were honored at a reception in the visual aids room of the high school.

Officers elected for the coming year were: Keith Chapman, president; Pamela Drusedow, vice president; Riley Couch, secretary; Rita Woodard, historian, and Steve Munday, reporter.

Week Of Services Set At East Side Baptist Church

The East Side Baptist Church will have services each evening next week, April 3-10, Rev. R. D. Williams, pastor, announced.

Special emphasis will be given to the last week of the life of Christ and His resurrection. The Sunday evening services will begin at 7:00 and the weekday services at 7:30 p. m.

Visitors are welcome to these special services in this great week in history.

Homemakers To Accept Easter Seal Donations

The Haskell Future Homemakers, in cooperation with the Young Homemakers, will set-up tables on each corner of the square Saturday, April 2, to accept donations to the Easter Seal Fund.

Saturday is National Lily Day and a plastic lily will be given each donor.

Major portions of the funds will go to the West Texas Rehabilitation Center, Abilene.

Haskell Merchants Attend Market

Mrs. Veta Furrh and Mrs. Opal Adkins of the Personality Shoppe; Mrs. Hardin Coffield of Coffield's Department Store; Mrs. R. A. Lane and Mrs. Viars Felker; Lane-Felker; Mr. and Mrs. Bob Wheatley and Robin; Lane and Mrs. S. Hassen and Rajn of Hassen's were in Dallas the first of this week attending the Transition and Knit Wear Market.

Haskell County History

30 YEARS AGO
 (March 23, 1936)
 Anticipated cost of operating the City of Haskell for the fiscal year beginning April 1, has been set at \$35,736.00.

Riley Lewellen, former deputy sheriff, is now connected with McCollum Hardware of this city as tractor and implement salesman.

Dealing a paralyzing blow to the current term of Haskell high school, fire destroyed this city's \$60,000 high school plant last Thursday night as flames gutted the handsome brick structure erected in 1922 at a cost of \$60,000.

Preliminary work is now underway in connection with the proposed installation of 40 additional street lights in the business and residential section of Haskell.

Tom Britte, farmer living south of town, made his customary visit to Haskell last weekend. Although farmers would welcome a good rain, there's no need to begin "hollering" yet, Tom says.

Jack Kimbrough is spending the week in Abilene, visiting relatives.

Misses Annabel Stanton and Audra Gayle Roberts spent Wednesday in Wichita Falls, sight-seeing.

Final report on cotton ginnings for Haskell County, as compiled by the U. S. Department of Commerce, and announced this week by County Agent W. P. Trice, special representative, reveals that 4,717 bales were produced and ginned in the county from the crop of 1935, as compared with 11,921 bales ginned from the crop of 1934.

Miss Jessie Vick spent Sunday and Monday with Mrs. John Draper of Abilene and while there visited English classes in the Abilene High School on Monday.

Clay Kimbrough, well-known farmer and resident of Haskell county for 29 years, called on Tuesday to renew his subscription for another year. Incidentally, Clay mentioned the fact that he had been reading the Free Press for 29 years.

will go toward adding a much-needed room to the pasturium.

Messrs. Earnest and Sanders had a good run at their gin Saturday.

For Sale: 300 acres good land close to Haskell at \$10.00 an acre. See O. E. Patterson.

The grading force on the Wichita Valley has reached a point about 10 miles north of town.

A string of seven teams was driven through Haskell Monday, four of them were of four horses each, pulling two wagons in a "trail," and three single teams and wagons. They were loaded with cotton and the county showed 57 bales.

Mr. F. M. Blair was in town the other day, and speaking of his crops, said he had threshed 45 bushels of seed from one-acre of sorghum.

Know Your Food Package

By Mrs. Barbara M. Elliott
 Co. Home Demonstration Agt.

Food packages can be very useful, says Mrs. Barbara M. Elliott, County Home Demonstration Agent, Haskell. Food packages protect our food, and are convenient to buy and to store. Some of the food bought in certain packages can be eaten out of or cooked in the containers. Some packages are even reusable.

But, food packages can also be deceiving. Certain colors may look larger, and the construction of certain packages makes them look larger, too. Some packages, especially those containing dry foods such as crackers or cereals, may not always be full. The wise food shopper looks for the net contents on the package even though you may have difficulty in finding it.

Price increases sometimes are misleading by use of smaller package for the same price. The color or shape of the package may make a new package look as large as the original.

You, as the consumer, can stop package deception. Anytime you find misrepresentation or any attempt to deceive, discuss it with the store manager. If enough people call this to his attention, the manufacturer will hear about it. Particularly he will get the message if you stop

DID YOU KNOW rank next to use of hand cream recently said that hands first, and arms. Among creams is one for women with Another is made ingredients that hands and help third type now hand cream, for housewives.

POSITIVE ATTITUDE

In industrial development, one of the first steps is to list every possible raw material, market, natural and human resource that you have or have ready access to. Particularly list the quality of each resource. For water, give specifications completely; for labor, list skills thoroughly; for power, list consistency of supply and arrangements for dealing with failures; and so on. For the whole community, set forth a positive attitude towards all forms of industry. Community quality comes through this way and seldom do you fool industry if you don't have this quality.

Having done this first step, the next task becomes one of SELECTIVITY. In plain words, not every type of industry is good for every community. We should determine what types are best suited for ours. Remember that the odds favor a choice from the categories of FOOD, CLOTHING AND SHELTER. If conditions warrant stepping out into additional categories, that is good. Determine what products are best made from the raw materials that we have. Above all, we are not alone in this task. If we need help, we can get help. Dedicated people of the Texas Industrial Commission, James Glenn of W.T.U. Industrial Department, Keith Summers of the Burlington Lines and Republic National Bank of Dallas stand ready to help.

Open Your Doors And Your Heart

The late President John F. Kennedy, speaking of the Crusade against Cancer, said: "I...hope that you will open your doors and your hearts to the two million volunteers in this great drive who will be calling on you."

President Kennedy spoke from profound and deeply felt compassion for people stricken with disease.

Our First Lady, Mrs. Lyndon B. Johnson, who has carried the American Cancer Society's life-saving message from door-to-door herself, has said with equal meaning: "All together, volunteers, the government, physicians and scientists, we are united in our effort to conquer cancer...Welcome your neighbor when she calls for the Cancer Crusade."

During April, a neighbor will visit you...a volunteer in the American Cancer Society's educational and fund-raising Crusade.

The volunteer will come to your door with two vital messages: 1) How to best protect your life from cancer; 2) An appeal for much-needed funds. The Society seeks these funds not only to carry on at present levels but to enlarge its research, education and service programs and give us more effective control over cancer.

The cancer problem is big. It involves all of us. Cancer is impartial when it attacks. But the cancer problem is not at all as gloomy as it was a few years ago. Modern science and education have made great inroads on the disease. There are 1,400,000 Americans alive today, cured of cancer. A quarter of a century ago there were only 250,000.

Twenty years ago only one out of four stricken with the disease was saved. Now it is one out of three. It could be one out of two, that is, if all of us exercised necessary precautions. This is why education is so important—people must know the facts and be persuaded to act in time. Action requires a health checkup by a physician every year and being constantly on the alert to cancer's seven danger signals.

Research is most important. The lives of half of those who develop cancer depend on future research. The American Cancer Society needs more research funds to support more of the projects recommended by the distinguished scientists who are on its Research Advisory Council.

So when an American Cancer volunteer calls... "Open your doors and your hearts"... and your minds.

Cotton Burs Valuable To The Soil

By F. W. Martin,
 County Agent

Every year more and more Texas cotton is machine harvested; thereby, increasing the supply of cotton burs at the gin.

Research and farm demonstrations have proved the value of the burs for maintaining soil productivity and soil condition. A four-year study at the South Plains Research and Extension Center, Lubbock, has shown the value of burs in cotton production. The research shows that lint years were the highest when burs were applied to the soil and plowed under at the rate of six tons per acre, but if bur supplies are not available for this rate of application, two tons per acre gave the greatest profit per ton of burs applied. The tests showed burs were effective under both dryland and irrigated conditions.

In order for producers to have the latest information on this important farming practice, the Texas Agricultural Extension Service has just released a new publication, MP-476, "Cotton Burs for Soil Improvement," which is now available at the offices of county agents. The publication, the county agent said, covers the four-year study at Lubbock and also points out

30 YEARS AGO

(March 23, 1936)
 Juanita Key and Anna Lou McCarty of Anson spent the weekend with Miss Lyla Ruth Key of this city.

Mr. and Mrs. F. L. Daugherty returned Monday from Graham. Mr. Daugherty drove to Graham Friday to bring Mrs. Daugherty home, who has been spending the past week with her daughter and family, Mr. and Mrs. De H. Bolin are helping look after those fine twin boys of Mr. and Mrs. Bolin's.

A very enthusiastic Regional meeting of the Texas Conservation Society met last Saturday, March 20, in Seymour with the president, Mr. Kemp of Wichita Falls in the chair. Quite a number of Haskell citizens were present. The main topic of discussion was "The Advisability of Damming the Brazos River." Mrs. J. U. Fields represented the women and spoke on "Conservation Viewed by the Women."

Following the usual procedure Haskell Lodge No. 1158 BPOE, has elected the following officers for the usual term: Emanuel Siegel, Exalted Ruler; N. G. Walker, Esteemed Leading Knight; C. M. Conner, Esteemed Lecturing Knight; Eugene Tonn, Esteemed Loyal Knight; F. N. Clifford, Secretary; Raleigh Lemmons, treasurer; W. C. Walker, Tiler; Eugene Tonn, Bert Welsh, T. C. Cahill, trustees.

T. and Eugene Tonn let the contract the first part of the week to N. G. Walker for a modern brick building on the vacant lots between the Adolphus Filling Station and Jones Cox & Company. The building will be used as a garage and general repair shop.

Judge R. P. Simmons will make his formal announcement for Justice of the Peace next week. He is the present incumbent and will seek re-election.

According to County Agent Trice many boys and girls are taking interest in the club work this year and are joining one or several of the projects being put on in the clubs.

Masonic Workshop Meeting Slated At Rochester

A Masonic Workshop meeting has been scheduled for officers and members of five Lodges at 7:30 p. m., April 8, in Rochester Lodge 1013, Rochester.

E. H. Odum, who is with the City of Odem and chairman of the seven-county Masonic Workshop Area E-1, will conduct the meeting. He said that Throckmorton, Haskell, Rule, Woodson and Rochester Lodges are invited.

Nearly 200 Workshop meetings are held semi-annually for officers of over 970 Texas Masonic Lodges.

The meetings are authorized by H. W. Fullingim of Odessa, who holds the highest Masonic position in the state as Grand Master of Masons in Texas.

The Masonic Order is the state's largest fraternal organization with nearly 250,000 members. It is noted for its activities in the field of charity and in the self-improvement of its members.

BRIDES-TO-BE, order your genuine engraved invitations, announcements, thank-you cards and napkins from the Haskell Free Press.

40 YEARS AGO

(March 23, 1926)
 Juanita Key and Anna Lou McCarty of Anson spent the weekend with Miss Lyla Ruth Key of this city.

Mr. and Mrs. F. L. Daugherty returned Monday from Graham. Mr. Daugherty drove to Graham Friday to bring Mrs. Daugherty home, who has been spending the past week with her daughter and family, Mr. and Mrs. De H. Bolin are helping look after those fine twin boys of Mr. and Mrs. Bolin's.

A very enthusiastic Regional meeting of the Texas Conservation Society met last Saturday, March 20, in Seymour with the president, Mr. Kemp of Wichita Falls in the chair. Quite a number of Haskell citizens were present. The main topic of discussion was "The Advisability of Damming the Brazos River." Mrs. J. U. Fields represented the women and spoke on "Conservation Viewed by the Women."

Following the usual procedure Haskell Lodge No. 1158 BPOE, has elected the following officers for the usual term: Emanuel Siegel, Exalted Ruler; N. G. Walker, Esteemed Leading Knight; C. M. Conner, Esteemed Lecturing Knight; Eugene Tonn, Esteemed Loyal Knight; F. N. Clifford, Secretary; Raleigh Lemmons, treasurer; W. C. Walker, Tiler; Eugene Tonn, Bert Welsh, T. C. Cahill, trustees.

T. and Eugene Tonn let the contract the first part of the week to N. G. Walker for a modern brick building on the vacant lots between the Adolphus Filling Station and Jones Cox & Company. The building will be used as a garage and general repair shop.

Judge R. P. Simmons will make his formal announcement for Justice of the Peace next week. He is the present incumbent and will seek re-election.

According to County Agent Trice many boys and girls are taking interest in the club work this year and are joining one or several of the projects being put on in the clubs.

60 YEARS AGO

(March 31, 1906)
 It now appears that quite a good percentage of the fruit escaped the freeze of the early part of last week and is now safe.

Mr. S. L. Robertson's store is being pushed south off of his lot to make room for his new concrete store building, the construction of which will be commenced soon.

Mrs. J. S. Fox, E. V. Griffin and J. F. Vernon visited Stamford Monday.

Mr. W. N. Meredith, the architect, spent several days at Knox City the early part of the week.

Mr. F. G. Alexander went to Sweetwater Thursday on business.

Quite a crowd witnessed on Monday morning the laying of the cornerstone of Judge McConnell's large building on the northwest corner of the square. It was really a matter of public interest, as marking the beginning of the erection of substantial business houses in Haskell.

The Baptist Ladies Aid Society will be hostess at the union of societies next Friday afternoon, at the Baptist church, at 4 o'clock. The free-will offering

NEW TRUDAN 2 IS HERE!

Trudan 2, Northrup King's new true hybrid sudangrass, is an exciting forage. Unlike sorghum-sudangrass hybrids, Trudan 2 produces fast growth without coarseness... the finest-stemmed, highly palatable plant yields high TDN. Trudan 2 grows back fast with lower prussic acid content. Great for grazing, hay or haylage. Trudan 2 can mean more beef or milk per acre. In tonnage trials, Trudan 2 has out-yielded sorghum-sudangrass hybrids.

Order NEW Trudan 2 now. Supplies are limited.

FACT!

STATE FAIRS

The first California State Fair in 1854 had such remarkable "home grown" food on display—a 39-inch long carrot that weighed 10 pounds, 73-pound beets and man-sized melons—that the rest of the world did not believe it.

to the world, ... Gold Medal ...

This year, California's Gold Medal for Product Excellence was given to the Schilling Spaghetti Sauce Mix. The 1300 judges that sampled the Schilling Mix agreed that the quality was excellent.

INFORMATION ON COIN-OPERATED DRY CLEANERS

Barbara Elliott, HD Agent, articles that do not require careful pressing. When coin-operated dry cleaning is to be used, one should be careful in the selection of fabrics, construction and kinds of garments when purchases are made.

process is too fast for fabrics and machine cleaning to give clothes pressed look, but good results with

Felt items may shrink, metallic yarn may tarnish, and plastic may dissolve or become stiff or soft, the specialists say. Machine cleaning also should be avoided if garments are made from flock or lacquer prints, for the pattern may disappear, or the stiffened fabric may become soft and embossed fabrics may lose their texture.

Wear wrinkles are not always removed during machine cleaning, the specialists emphasize, but the process itself does not add new wrinkles. Coin-operated dry cleaning establishments vary considerably in the services they offer.

NEWS OF INTEREST TO WOMEN

Haskell Receives Two Awards At P-TA Conference Held In Rotan

The Haskell Elementary P-TA was represented at the Spring Conference in Rotan last Tuesday by four members of the organization. Attending were Mrs. Fred Brown, Mrs. Joe Warren, Mrs. Bobby Howard and Mrs. Virgil Cobb.

Haskell received outstanding recognition for having the oldest P-TA present, (founded in 1915-16). Also the 1965-66 yearbook was awarded the highest score (99 1/2) at the meeting.

"P-TA is stressing stronger relations between teachers and parents through stronger service and communication," Mrs. Lee Ledger state P-TA president, told the district 18 conference.

Addressing the 11th annual session of the 18th P-TA district, Mrs. Ledger of Copperton, Texas said that "P-TA is first, last and always an educational organization interested in child study and adult education.

"Its membership enfolds a cross-section of the country's population and is without discrimination," she said.

The state president was presented to the conference by Mrs. M. F. Garland of Rotan, district president.

Two other speakers during the morning session were Kenneth Wyatt of Paducah and Mrs. Bill Leadbetter of Donna.

Weinert Matrons Club Has Program On "Safety"

The Weinert Matrons Club met Thursday last week in the home of Mrs. J. R. Rainey for their regular meeting, with Mrs. M. W. Pheonster, president, presiding over the business session. The club voted to donate \$10.00 to the city clean-up campaign in April.

Mrs. Henry Vojkufka directed the program on promoting safety. Roll call was answered with a "Safety Precaution." Mrs. H. W. Liles spoke on "Dial Zero," emphasizing the importance of teaching children to dial the operator, should an emergency arise.

Mrs. P. F. Weinert spoke on "Cause for Concern" and pointed out numerous safety measures for home and highway.

Mrs. R. W. Raynes gave a report of the Mesquite District Convention.

Twelve members and two guests were present for the meeting.

Mrs. Rainey served a refreshment plate to Mrs. C. G. Hammer, P. Weinert, W. C. Winchester, Fred Monke, R. W. Rainey, M. W. Pheonster, Hen-

Mrs. Leadbetter is state P-TA secretary.

Speaking on leadership, Mrs. Leadbetter said that adults owe it to today's children to guide them in developing faith, learning to get along with people and having respect for their community, loyalty to their country and love of freedom.

Wyatt, who spoke on P-TA heritage, said that "if you're going to accomplish something, do it now. You are the heritage of tomorrow."

Receiving the only individual award was Mrs. Carl Duncan of Aspermont, district historian.

Abilene and Snyder P-TA's received awards for having the largest percentage of attendance: Haskell, for having the oldest P-TA unit; Paducah, for coming the longest distance; Aspermont, for having the newest organization, and Ira, for the largest number of members present.

Afternoon sessions included three workshops on "Learning for Earning," "Accepting Responsibility" and "Administrators—Teachers and P-TA."

Evaluations were given at the conclusion. There were 141 persons representing 12 P-TA units registered during the morning session.

Aspermont will host the fall workshop. The spring conference will be in Abilene.

Josselet Club Hear Talk "Being Well Dressed"

The Josselet H.D. Club met March 22nd in the home of Mrs. Eldon Anderson, with the president, Mrs. Anderson, presiding.

Mrs. T. M. Howeth accompanied by Mrs. Virgil Ball at the piano led the group in song. Following reading of the minutes by Mrs. Perrin, the treasurer's report was given by Mrs. Layton Robertson. Mrs. J. L. Toliver gave the council report. Mrs. Toliver, Sr., resigned as council delegate and Mrs. Josselet was elected by acclamation.

Mrs. Perrin brought a lesson on "Being Well Dressed." She stated the principles of fashion are harmony, proportion, balance, rhythm and emphasis.

Refreshments were served to Mrs. Toliver, Sr., Howeth, Ball, Robertson, Trussel, Emmet, Wyche, Paul Cochran, B. F. Cobb and J. L. Toliver Jr.

Mary Circle Hold Meeting In Home Mrs. Oscar Tooley

The Mary Circle met recently in the home of Mrs. Oscar Tooley. The meeting was opened with prayer by Mrs. W. H. Pitman. "Helping College Students in Their Search for Truth," was the theme of a talk presented by Mrs. Carrie Josselet.

Mrs. Pitman discussed the "Concern and Communion of Parents and Children of College Age."

Mrs. Laura Overton talked on "What College Students Can Believe" by Billy Graham. The meeting was closed with prayer by Mrs. J. V. Patterson.

Circle members gathered around Mrs. Laura Overton at the piano and sang hymns, while the hostesses and assistants prepared refreshments.

Present were Mrs. Stella Tooley, Christine Spenny, Laura Overton, Lilli Medley, Eula Crow, J. V. Patterson, John Thomas, Lillian Spencer, Robbie Pitman, Carrie Josselet and a visitor, Miss Myrtle Kennedy.

"Texas" Theme Of Progressive Study Club

The Progressive Study Club met in the Community Room of Haskell National Bank, March 24, at 7:30 for their Texas Day program.

Mrs. Gerald McCoy, president, presided over the business meeting. Mrs. McCoy read a letter received by the club from the Haskell Chamber of Commerce, thanking the club for their beautiful decorations at the Chamber banquet recently.

Mrs. Luther Walker's resignation was accepted with regrets. Mrs. W. H. Pitman was elected to serve as secretary for the remainder of the club year.

Mrs. David Middleton gave a very interesting report of the Mesquite District Convention held recently in San Angelo. She introduced the Clubwoman of the Year, Mrs. Bailey Toliver and Club Mother of the Year, Mrs. Ed Hester.

Mrs. Abe Turner presented a beautiful film, "Texas, the Land of Contrast." She explained with an unfolded Texas map, things you could see and do in Texas.

Mrs. Bob Herren, Mrs. Lee Roy O'Neal served Texas pecan pie and coffee to club members present.

Naomi Class Meets In Home of Miss Betty Jo Clanton

The Naomi Sunday School Class of the First Baptist Church met in the home of Miss Betty Jo Clanton, their teacher, March 28th, for their regular business and social meeting.

The business session was presided over by Mrs. Stella Trice in the absence of Mrs. Opal Adkins, the president. Opening prayer was voiced by Mrs. Ruby Dent. Mrs. Buford Cox brought the devotional for the evening, using as her subject, "The Man That Jesus Saw." Scriptures were taken from Luke 19:1-9; John 1:42, 47, 51.

Mrs. Cox stated that man sees himself as he is, and in the light of the way others think about him, but God sees man in the way He can use him, for His Kingdom; when he called Zacchaeus from the Chief among the Publicans, he made him a witness for Christ. He also called Nathaniel to be his disciple. Jesus sees us in the way he has planned for us in the future.

Mrs. Cox devotional was very inspiring and heart-warming. Mrs. Louise Green led the closing prayer, and Mrs. Betty Harris presented recordings of Steve Taylor's last revival songs.

Mrs. Sadie Payne's group served refreshments of cake topped with ice cream and strawberries and coffee to the following members: Mrs. Ruby Dent, Vivian Roberson, Ina Mae Allen, Catherine Schwartz, Jerry Cox, Opal Nanny, Louise Green, Helen Oates, Betty Harris, Ruby Smith, Faye Woodson, Brucille Nellums, Clara Biard, Sadie Payne, Stella Trice, Aleene Wheatley, Ethel Lou Shelton, Misses Nettie McCollum and Betty Jo Clanton.

A CIRCUS GIRL AND HER HORSE. Beautiful Miss Dolores and "White Charger" are among the more than thirty acts in all three rings to be seen when Birnam Bros. Great 3-ring Circus comes to Haskell on Tuesday, April 19, for performances at 6:00 and 8:00 p. m. at the rodeo grounds, with special low prices in effect for this appearance.

\$523 Collected To Date In Easter Seal Campaign

The Haskell Chapter of Young Homemakers of Texas would like to express their appreciation to each person who contributed or helped in any way with their Easter Seal Campaign.

Mrs. Jimmy Browning, president of the organization, reported that to date the chapter has collected \$523.00 with several members, who have not yet turned in their contributions. The Young Homemakers feel that this indicates a successful campaign.

Anyone who might not have been contacted and would like to contribute, may do so Saturday, April 2. The FHA girls will sponsor National Lily Day on the square on this date.

A BEAUTY REIGNS: Deborah Bryant, Miss America, 1965, plans to fight disease herself, by becoming a doctor. Meanwhile, she urges everyone, everywhere, "Fight cancer with a checkup and a check."

State Executive Committee of Young Homemakers Adopt 3 Major Projects

The Executive Committee of the State Association of Young Homemakers of Texas met on March 23 and 24, at the Holiday Inn, Waco. Three major projects were adopted by the group for emphasis during 1966 at the Wednesday session. They are: 1) Family and community participation in stressing patriotism and love of country; 2) Beautification in the home, on the farm, and in the community, as a part of the national beautification program; 3) Safety in the home, on the farm, and in the community including safety on the highways.

Corpus Christi was selected as the Convention site for the 1967 State Young Homemaker convention to be held January 12-14, 1967. Convention committees were selected and preliminary work begun on plans for the January meeting.

LVN's Attend Anson Meeting

The licensed vocational nurses of Anson entertained the surrounding divisions with an enjoyable meeting in the Anson General Hospital Monday of last week.

The M.D.'s (Musical Disasters), a five-girl band of high school age, entertained the group with folk song music.

Dr. Marco T. Eugenio, M. D., neurosurgeon, Abilene, talked to the nurses and students about the work of a neurosurgeon.

Refreshments were served to the group. Attending from Haskell were Faye Jetton, Fay Fowler, Mary Kingston, Matilda Seletto, Ernestine Minor and Jerry Kirby.

Fellowship Held At The First Christian Church

On Wednesday night, March 22nd, approximately 50 members met in Chandler Fellowship Hall of the First Christian Church for a note burning ceremony.

A delicious meal, prepared and served by the men of the congregation, was enjoyed by those present.

Following the meal, hymns were sung by the men, accompanied at the piano by the minister, Royce Wood.

Dennis Rathiff gave a brief and interesting history of the church from its beginning to the present time. The notes were then burned, signifying the church is free of indebtedness.

Center Point Club Meets In Bland Home

The Center Point Club met in the home of Mrs. Essie Bland, March 17, at 2:30 p. m. Mrs. O. W. Whiteker, president, presided. Mrs. Zada Smith led the group in song and Mrs. Bland offered prayer.

Minutes were read and approved and nine members answered to roll call. Program chairman, Mrs. Bland, gave a very informative lesson on being well dressed, through and by a poster fashion and personal quiz sheet filled

ARE THE COLLEGES HERE TO STAY?

We'll always have higher education, but it must keep up with the population growth. Colleges need classrooms, facilities and teachers to educate leaders.

And America needs leaders, to make wise use of its resources at home and to advance its interests abroad.

COLLEGE IS AMERICA'S BEST FRIEND Published as a public service in cooperation with The Advertising Council and the Council for Financial Aid to Education

out by members on how many points they made as to how they were dressed that afternoon. Some scored under and some over. The quiz was known as "The Rule of Fourteen."

Cancer's Danger Signals

The American Cancer Society says everyone should know cancer's seven danger signals. They are: 1) unusual bleeding or discharge; 2) a lump or thickening of the breast or elsewhere; 3) a sore that does not heal; 4) change in bowel or bladder habits; 5) hoarseness or cough; 6) indigestion or difficulty in swallowing; 7) change in a wart or mole. If any of those signals lasts more than two weeks, see your doctor at once. The faster they come to the physician's attention - the more lives can be saved.

If your job disappeared tomorrow what would you do?

You won't get tomorrow's jobs with yesterday's skills! To qualify for tomorrow's better jobs, you'll need retraining. So get the facts. Visit the local office of your State Employment Service now. Train now for tomorrow's jobs.

Your Patronage Sincerely Appreciated

Our Dear Friends:

Haskell is a fine town! It is our desire to keep it that way.

Four men have offered for the office of Mayor and three council posts for our city. These men have no political ambitions. They seek only to serve our town in a time of desperate need.

The President of the United States, the Governor of our State, and every other informed public official has warned all of the sparsely populated counties of West Texas that an agricultural economy simply will not support a retail shopping center of any size. Cotton particularly is in trouble. We must gear ourselves for the future if we are to keep ours a fine community. We must create a better civic climate in order to do this. Here are some of the facts:

- 1. We can obtain small industry like other towns are doing in order to provide jobs for our people and to bolster our local retail economy. We can only do it, however, if the town is unified and works cooperatively to this end.
2. We cannot have a Junior College unless we vastly improve our relationship with our neighbors.
3. Haskell has been subjected to a running feud between Mr. J. E. Walling, Jr., on one hand, and Mr. Bob Herren on the other... a feud that has produced a stalemate and an unhealthy civic climate.
4. Our local hospital is not accredited because of our water condition. It is possible that we will not qualify for Medicare for our older people. Any of our local doctors will verify this possibility.
5. The four men seeking the offices in our city government agree that we might not be able to afford a surface water project with only the three smaller towns of Goree, Rule and Munday to help us; but they feel that we should not abruptly close the door on all chance of government aid and development because of personal feelings.
6. Retail business is at a new all time low in Haskell. Ask any business man confidentially. There will be a slow exodus of retail businessmen out of Haskell in the future if we do not act NOW. This is our last chance.
7. It will be said that a minister has no business in politics. We say to you that we are all ministers, each one equally so... and we are seeking to minister to our beloved community in a time of dire need.
8. The older people, who comprise 1/3 of our voters, should stop and consider what is happening when we deny our young people a future in their home town. If we persist in our present attitude, Haskell will stand as a grim, ghostly reminder of our lack of vision.

The four candidates have no intention of raising taxes that will be burdensome. We desire only to develop our potential as a going and growing town, and get in step with the twentieth century. We will either do so or we will be left behind in the march of progress.

THE AMAZING LIME

In Malaya, piercing a lime with pins will cause love pangs in one's sweetheart. Lime's supernatural powers are also recognized in India where they play a principal role in effecting cures.

In the early days of British sailing ships, the tars would die of scurvy. The consumption of limes—a scurvy preventive—was required by law on all ships. The name "Limey" became the popular slang term for English sailors.

Limes, because of their pungent aroma, were used by the Romans as a bath scent. It's not surprising that even today the lime scent is popular. Recently Old Spice has introduced a lime aftershave lotion called Old Spice Lime. Proving that the amazing lime is still useful as a cosmetic!

gas cooks cooler

There's no hangover heat with gas cooking. Turn a gas burner off and it's off—instantly. Cooking stops. Broiling is cooler, too, and smokeless. With gas you can broil with the door closed. Gas makes the big difference

because it's cool, clean, fast, safe, efficient, dependable and more economical than you-know-what. Now's the ideal time to get that modern, automatic gas range that you've always wanted—at gas appliance dealers or Lone Star Gas.

1965 TRAFFIC TOLL IS THE HIGHEST ON RECORD

A totally unexpected rash of traffic fatalities in December broke a year-long downward trend in fatal accidents and pushed the 1965 traffic toll to the highest on record, it was reported today by Col. Homer Garrison Jr., director of the Texas Department of Public Safety.

Garrison pointed out that 1964 recorded the highest number of fatalities in history with 3,008 deaths, and cited his Statistical Services Bureau preliminary estimate that the 1965 total will be 3,018 deaths.

He emphasized that the 1965 figure is incomplete, due to late reports which have not yet been received and deaths which might occur later. He said another preliminary report will be issued February 15 with the final official report on 1965 traffic scheduled for March 15.

December 1965 was the highest death toll month on record, with at least 345 persons killed on the streets and highways in 276 fatal accidents. The highest previous monthly record was in December 1963 when 312 persons were killed in 251 accidents.

"We have already recorded 85 more fatalities for this past December than December a year ago, and it could well be that this two per cent of the 1964 year total might have alone wiped out the two per cent decrease we experienced during the first 11 months of the year," Garrison said.

"There is no way to pinpoint any single cause for the sharp increase in traffic tragedy in December 1965. However, one factor involved was an increase in multiple fatal accidents—that is, where two or more persons were killed in a single accident.

"For instance, in December 1964, an average of 1.14 persons were killed per fatal accident, whereas the rate in December last year was 1.26 persons per accident. We have no way of telling whether this means increased velocity due to higher speeds, or whether there just happened to be more people in the cars destined for fatal accidents."

Some 49,000,000 Americans now living will eventually develop cancer—one in four persons at present rates. Only one out of three will be saved, but the American Cancer Society says that with present knowledge, one out of two could be saved. An annual health check-up for every adult, making possible early detection and treatment, could accomplish this.

HIGH ALOFT, Miss Shert, the Queen of the Air, headlines the aerial lovelies of the Birmah Bros. Great 3-Ring Circus which comes to Haskell on Tuesday, April 19. Performances will be at 6:00 and 8:00 p. m. for the one day only at the Haskell rodeo grounds.

Magnifying glasses now available at the Haskell Free Press.

DID YOU KNOW THAT

In 1961 the Texas Forest Service launched an extensive program in tree improvement research. It was the first Southern state forestry agency to undertake this type of research. Much credit for financing the program is due units of the forest products industry. A laboratory and greenhouse on the campus of Texas A&M University is the operations center for this program.

Figures are those of 1960 U. S. census. **THE NEW SEVENTEENTH CONGRESSIONAL DISTRICT OF TEXAS** Population 376,200

The Federal Court has finally ruled on the proposed Congressional redistricting in Texas and the new 17th Congressional District now includes 24 counties with a total population of approximately 376,200 people.

Hosp. Auxiliary Discuss Various Upcoming Plans

Mrs. Mabel Overton, president, called the meeting to order when the Hospital Auxiliary met March 22 in the community room of the Haskell National Bank, after which the minutes were read and approved.

A group of Rochester ladies, who are going to be volunteer hospital workers, attended the meeting. Their duties and hours were discussed and with their assistance more Pink Ladies will be on the hospital floor. Gifts for the hospital were discussed and the group made plans for making and hanging new drapes in the lobby. Other suggestions were made and a committee was appointed to check on the various ideas.

The Candy Strippers organization was discussed. All girls 14 years of age interested in the organization should contact their homemaking teacher.

BUSINESS HELPS

Just as the U. S. donates farm abundance, many private American food firms multiply CARE's help by contributing large amounts of their canned products—baby foods, soups, vegetables. Dollars sent to CARE Food Crusade, New York 10016, are used to deliver these Government and business donations, or to buy special foods to match the local needs of hungry people.

HELPING THEMSELVES

Foreign countries help feed their own hungry under CARE Partnership Programs, whereby local governments buy the agency's cost of delivering U. S. farm foods to 32,500,000 people. To help another 4,500,000 persons every month, Americans are asked to give a dollar-per-package to the CARE Food Crusade, New York 10016.

Don't grown-ups know?

Every litter bit hurts

Published as a public service in cooperation with The Advertising Council.

Will your job be out of date by 1968?

Could he! Times are changing faster than you think. So are jobs. And some jobs will soon be eliminated entirely by new machines and methods. That's progress. You won't get tomorrow's jobs with yesterday's skills. For information, visit the local office of your State Employment Service. Train now for tomorrow's jobs.

Published as a public service in cooperation with The Advertising Council.

American doctors sent to Afghanistan by MEDICO, a service of CARE, find that malnutrition seriously hampers their patients' recovery. CARE Food Crusade gifts go to every Afghan public hospital, enriching meals for 2,000 patients per month.

DAILY DOUBLE

In Sierra Leone, "the CARE" is the name children give to the daily school lunch the agency's Food Crusade provides for 82,500 pupils. One school-girl sent this note: "In our class, we thank all the kind people in America who send us CARE. Pray God to make them meet up their needs double."

The immediate goal of the American Cancer Society is the annual saving of 285,000 lives or about half those who develop cancer each year. This is the number that could be saved if the cancer was diagnosed early and promptly treated. "That," the Society says, "is why an annual health check-up by a physician is so important."

Hope Against Cancer

Lung cancer is increasing rapidly. Cigarettes are considered by the American Cancer Society and by the leading medical and public health organizations of the world as the cause for the increase. It says: "If you don't smoke cigarettes, don't start; if you do smoke, stop. Those who 'break the habit' gain real health benefits."

Foursquare S. S. Teachers Meeting Held Tues. Night

After much work, prayer and preparation on the part of Rev. and Mrs. John Russell, pastor of the Haskell Foursquare Gospel Church, a very interesting and informative meeting was enjoyed by the Sunday School teachers Tuesday night.

Rev. Russell gave seven laws of teaching: 1) The teacher must know that which he would teach; 2) The learner must attend with interest to material to be learned; 3) The language used in teaching must be common to teacher and learner; 4) Truth to be taught must be learned through truth already known; 5) Excite and direct the self activities of the pupil and as a rule, tell nothing that he can learn himself; 6) Pupil must reproduce in his own mind the truth to be learned; 7) The completion test and confirmation of the work of teaching must be made through review and application.

Rev. Russell said pupils retain only 10 per cent of what they hear and 50 per cent of what they see. Mrs. Russell had charge of the last portion of the meeting and stressed the point

DID YOU KNOW THAT

In October 1944, the Texas Forest Service, in cooperation with the Texas Forestry Association, the Southern Pine Association, and the East Texas Chamber of Commerce, inaugurated the Tree Farm System in Texas. It is part of a national project sponsored by the American Forest Products Industries to recognize forest landowners who are following good forestry practices.

HASKELL FREE PRESS

HASKELL, TEXAS 79521, THURSDAY, MARCH 31, 1966

NUMBER 13

Educational Assistance Available For Veterans And Servicemen

The Veterans Readjustment Benefits Act of 1966 can help you obtain Education or Training to fit yourself for a chosen career or better employment opportunities in civilian life. If you qualify, payments may be made for periods on and after June 1, 1966. The Veterans Administration will be glad to help you select a goal.

Who Is Eligible

1) A veteran who has served continuously on active duty for a period of at least 181 days, any part of which was after January 31, 1955, and who was discharged or released under conditions other than dishonorable.

2) A veteran who served less than 181 days may be eligible if he was discharged or released because of service-connected disability.

3) A person who is in service if he has served on active duty for at least two years.

The service period of 181 days does not include periods when the veteran was assigned to a civilian school by the Armed Forces for a full-time course, or service at one of the service academies, or any period of reserve active duty for training. Persons who enlisted in the Army or Air National Guard, or as a Reservist, under the reserve program, with 4 months or more of active duty for training required and subsequent transfer to the standby reserve, are not eligible based on this service.

Schools

You may pursue a course at a college, vocational, business, high school or correspondence school. The course must be approved. Under certain circumstances, a college course pursued in a foreign country may be approved.

How Much Education

The limit is 36 months. This would cover 4 school years of 9 months each for a veteran who served on active duty for at least 3 years after January 31, 1955. If you served less than 3 years, you may receive one full month of educational assistance allowance for each month or part of a month you served on active duty on or after Feb. 1, 1955. If you have previously received any VA educational benefits based on your own service or as a war orphan, the 36-month period of eligibility for educational assistance under the Veterans Readjustment Benefits Act of 1966 may be reduced.

Time Limit

VA may not provide training after eight years from the date of your last discharge or release from active duty if your discharge is on or after June 1, 1966. The time limit for a veteran whose service ended before June 1, 1966, is May 31, 1974.

Rates

Your rate may be increased if

you have a wife, child or dependent parent.

School	No Dep.	1 Dep.	More Dep.
Full time	\$100	\$125	\$150
3/4 Time	\$75	\$95	\$115
1/2 Time	\$50	\$65	\$75

Less than 1/2 time: Payments computed at the rate of the established charges for tuition and fees or \$100 per month for

a full-time course, whichever is the lesser.

While on Active Duty: Same as for less than 1/2 time.

Cooperative (School course plus business training): No dependents, \$80; 1 dependent, \$100 and 2 or more dependents \$120.

Advice

The VA has a staff of professional counselors to assist you in choosing an educational or vocational goal at no cost to you. If you need or want this help, ask the VA.

Applications

Application forms will be available about May 1, 1966.

Minnows Can Be Raised In Small Farm Pond

By: F. W. MARTIN
County Agricultural Agent

With little effort, you can raise thousands of minnows in a small farm pond. Of the more than 50 species of Texas minnows, only a few are usually used for bait purposes. A bait minnow must be hardy and easily raised. Among the most popular bait minnows in Texas are the golden shiner, red shiner (redhorse), goldfish and the fathead.

To raise good minnows, a constant water supply is important. Wells and springs provide the best water sources. City water containing chlorine should not be used for pond production of minnows.

Minnows feed on microscopic

plant and animal life, called plankton. Plankton growth may be increased by fertilizing the pond. Inorganic commercial fertilizer in a 4-4-1 ratio gives the most economical results.

It's a good plan to give supplemental feed to young minnows shortly after they hatch. Suitable feeds are tankage, poultry laying mash, hog supplement, cottonseed meal, soybean meal and wheat shorts. The minnows should be fed daily at the same time in shallow water. They should be given about as much food as they will eat in two hours.

Stock the pond with only one kind of brood fish. Stocking should be done between March 1 and May 1 at the rate of 300-400 minnows per surface acre for goldfish and golden shiner; and 500-1,000 per surface acre for fatheads. Stock should be obtained from a reputable dealer with brood fish 4-6 inches long for goldfish and 2-3 inches long for fatheads.

Visit or write your nearest VA office after that date to secure one.

Howard Sloan, Veterans County Service Officer, Room 25, Haskell County Courthouse, Box 561, Haskell, Texas 79521.

Indians 9th At Angelo

The Haskell Indian track team placed ninth last Friday and Saturday, in the annual 2000 Angelo Relays in San Angelo Stadium. The meet consisted of 26 teams, divided into two divisions. The winners were Abilene Cooper in Division I, and McCamey in Division II.

Haskell placed fifth in the 440-yard relay, behind Brady, Abilene, Woodson, McCamey and Eldorado, with a time of 44.8.

Perry Turnbow took fifth place in the 120-yard high hurdles and fourth in the 180-yard low hurdles, with times of 15.8 and 21.2, respectively.

Ronnie Jossel tied for second place in the 100-yard dash, with a 10.3 effort.

This weekend, the Indian cindermen journey to Decatur for the Eagle Relays.

Magnifying glasses now available at Haskell Free Press.

Mrs. J. R. Crane, of 1307 N. E. First St., Haskell, week winner in the Ramada Inn Weekend contest. Mrs. Guy Kennedy, of Kennedy Lumber Company, is shown presenting the winning award to Mrs. Crane (right). Mrs. Crane said she and her husband were the winners of the Six Flags.

The Good Earth

by MRS. H. F. COBB

Here's hoping the recent freeze didn't damage the fruit. As little or no foliage was hurt, I feel confident at least some fruit was saved.

Mrs. R. C. Couch has had a good display of flowers and bulbs this spring. Pansies, violets, redbud, yellow narcissus and daffodil, as well as blue and white grape hyacinth, have offered a continuation of blossoms for quite some time. Mrs. Couch is a Haskell Garden Club member. Mrs. Emmet Wyche, another Haskell Garden Club member, has enjoyed arrangements from plum blossoms and daffodils out of her yard. Pink and purple hyacinth edge the front flower beds. One yellow iris saved the recent cold to display its lovely blossoms.

Mr. Bill Blakely finds many hours of relaxation working in his yard. He is constantly mowing and trimming the lawn, digging around plants and doing all the relaxing jobs a yard equires. The Blakelys have a double row of tulips I am eagerly waiting to see bloom.

Mr. and Mrs. H. G. Hammer get many hours of enjoyment from their garden. Photinia, nandina, stonynus, red cedar and pfitzer juniper, make their yard attractive even in the dead of winter. Several bunches of fuchsia colored stock grace the front flower bed. One lone red annual phlox braved this cool weather to bloom.

Oxalis edges the flower bed. Amaryllis blades are 4 to 5 inches high. They have a promise of beautiful blossoms coming soon.

Large red wagon wheels and a red picnic table turns their west yard into a pretty picture.

Large pecan trees tower on two sides of the Hammer yard. A rose bed and a long row of iris finishes the picture.

Mr. and Mrs. E. E. Cox are fervently hoping the freeze did not kill their fruit. Mr. Cox's garden is a colorful picture with white plum and peach blossoms. English peas are already four or five inches high. Pinto beans are up. Tomato plants are already beginning to grow. Mr. Cox is protecting them with cans. Large elm trees are beginning to leaf out.

Mr. Cox has recently planted a hedge of Nandina on the south side of his house. The shrubs are beginning to grow. The place should be a dream this summer as grape vines cover the west garden fence. A grape arbor by the garage will make a shady retreat. Pecan, chinaberry, mesquite and box elder trees will shade the front and side yard.

Everywhere Haskell is breaking out in spring blossoms. We should have a good year in our gardens.

Rule Bobcats Win Rochester Track Meet

Rule's Bobcats, paced by the first-place performances in four events of Paul Cornelius, won the team championship of the 10th annual Rochester Invitational Track and Field Meet at Rochester Friday afternoon.

The Bobcats amassed 118 points in the meet to win over second place Rochester by 22 points. Team trophies were awarded to the top two teams and to Werner's Larry Cunningham, the meet's top individual point-maker. Cunningham scored 41 of his team's 73 points.

Rule captured six first places among the 14 events, including the shot put, the 440-yard relay, the 100 and 200 yard dashes, the mile and the mile relay. No records were set on this cold and windy day.

Cornelius took first places in the 100 and 200 yard dashes, the shot put and ran a leg on the winning sprint relay team. Cunningham won the high and low hurdles, the high jump and was second in the shot put.

Other first-place winners included child Strickland of Rochester in the pole vault, Bud Adams of Rochester in the discus, Charles Kidd of Goree in the broad jump, Thurman Howeth of Rule in the 880, Eddie Morsies of Jayton in the 440 and John Bagley of Rule in the mile run.

News Facts for Tax Payers

There is a lot of irresponsible talk about Haskell not being able to get water from Lake Stamford. Here is a news fact that can be verified. A group of four Haskell citizens, a member of The Texas Board of Water Engineers (presently a member of the Texas Water Commission) advised that Haskell could obtain all the water Haskell needed from Lake Stamford. That in the event Stamford failed to make a contract, the Board of Engineers would make a contract for Haskell, charging a price based on actual cost of impounding the water. This alone is only one piece of proof that Haskell can go to Lake Stamford for water.

J. E. WALLING-- MAYOR .
R. L. STEPHENSON-- ALDERMAN
OTHO NANNY-- ALDERMAN
RAYMOND DAVIS-- ALDERMAN

(PRINTED IN RULE, TEXAS BY ORDER OF MR. OSCAR E. GATES)
 MARCH 27, 1964

A STATEMENT FROM Haskell City Council

We, the City Council of Haskell, regardless of the outside pressure on us, have been and hope to continue to do the job YOU, the voters, have told us to do. — Namely: **Get out of Miller Creek project and go to Stamford for city water!**

It is hard to get a time table on a job of this kind — especially with the local opposition you know we have had. However, we have no doubt about our ability to get Stamford water in the very near future.

Mayor — **J. E. Walling, Jr.**, Councilmen — **R. L. Stephenson, Otho Nanny, Raymond Davis, John Thomas.**

NOT PAID FOR BY CITY FUNDS

The present Council have worked diligently to go to Lake Stamford and intend to use all legal means to build a pipe line to Lake Stamford to furnish us with lake water. This is the avowed intention of the entire City Council. Bonds have already been voted and a bond buyer is ready to buy.

Your Mayor and City Aldermen have labored long and hard to follow the mandate of the voters. By your votes you put them in office-- to resist the menace of Miller Creek Dam and go to Lake Stamford for water.

The job is not yet finished. Let's put them back in office to finish the job we gave them.

VOTE FOR J. E. WALLING, JR. - R. L. STEPHENSON - RAYMOND DAVIS - OTHO NANNY

These are the only candidates who will protect us from the disaster of Miller Creek and get us to Lake Stamford.

"Paid For By Citizens Opposed To Miller Creek"
 (DELIVERED BY MAIL, ADDRESSED ON CITY WATER WORKS ADDRESSOGRAPH APRIL 2, 1964)

HERE ... ARE THE POLITICAL PROMISES OF OUR PRESENT CITY ADMINISTRATION WHEN THEY RAN FOR OFFICE TWO YEARS AGO!

NOW ... JUST A FEW DAYS PRIOR TO ELECTION .. THEY PROMISE DESALINIZATION MACHINES (THE ONLY EFFICIENT KINDS WE KNOW OF ARE NUCLEAR POWERED AND COST A FORTUNE) ... AND OTHER MAGNIFICENT SCIENTIFIC APPARATUS.

••• Our city administration has declined to participate in a Planning Commission to apply for a 100% Grant (a Free Gift) from the Farmers Home Administration to conduct an Economic Survey of our region. Munday, Knox City, Rochester, Goree, Benjamin, Weinert and Rule, have elected representatives ... but NOT HASKELL. The Haskell County Commissioners Court, having the vision to see the importance of this Survey (without which Federal Funds cannot be dispensed), has elected two delegates. The Commission is working harmoniously.

••• Considerable Public Money is available (your money) for all types of Civic Improvement ... including the type of work proposed by the present City Council (i. e. storage facilities and water mains) in their newspaper ad last week. Our city council evidently prefers to have Haskell pay for it, while our neighbors spend the Federal money allotted for this area.

••• **HASKELL IS ABOUT TO LOSE AGAIN ... BECAUSE OF PERSONAL VINDICTIVENESS.**

••• The men in office, and their background supporters, are blinded by bitterness, and are locked in a personal feud. We have tried to bring the warring factions together ... and we have been rebuffed again and again. Now we ask that they be removed from office so they can feud in private ... while we go about getting in step with the 20th Century. our FUTURE Depends Upon It!

Note: We Are Committed To No Project. We Are Interested In Millers Creek ONLY If Federal Funds Will Make Such A Project Financially Feasible.

Artist Uses Modern Medium To Depict Figures From The Past

EDITOR'S NOTE: The following article which appeared recently in the Amarillo Globe Times, is about Mrs. Robert Johnson, daughter of Mrs. Pearl Holmesly, of 206 N. Sixth St., Haskell.

Successful experiments with an art form has led to two profitable ventures for Mrs. Robert Johnson of Pampa. As a student, Mrs. Johnson worked with a variety of materials to develop a medium she calls "syntage," acrylic paint applied to textured material. The interest in and sale of the large paintings she has done in "syntage," most of which depict authentic figures from the Spanish tradition, resulted in a profitable business. With the money she has earned, Mrs. Johnson has developed another rewarding activity... investing in the stock market. "And I study it and do it my-

self," she commented. "I have had good luck and investing is very exciting." Mrs. Johnson's husband, Robert, is an engineer. He is administrative assistant to the director of manufacturing for Cabot. The couple moved to Pampa from Baytown in 1962. They have two children, Grant 5, and Laurie 3. As a young bride in Baytown, Doris Johnson pursued a long-time interest in drawing with the study of art in college there. When the couple moved to Pampa, she enrolled in art classes with Dr. Emilio Caballero at West Texas State University in Canyon. In a methods class, she became interested in three-dimensional work, and Dr. Caballero encouraged her to experiment. "I owe the method to him," she said. "Three dimensional appeals to me. The more of the canvas I can cover with tex-

ture, the better I like it." In the "syntage" technique, Mrs. Johnson uses "any material I can lay my hands on." She molds the various material, paper towels, napkins, fabric, make lovely capes", braid, with liquid plastic so it will take shape and applies it to the canvas. She then paints the surface just as if it were flat canvas. Mrs. Johnson said, "Scott towels look very much like pigskin when painted." Because she had used some of the Scott Company's paper products in this unusual fashion, the artist took three small paintings with her on a trip to New York and showed them to the Scott Paper Company representatives. They bought the works for office display and since then have been negotiating with Mrs. Johnson for other possible uses of her work.

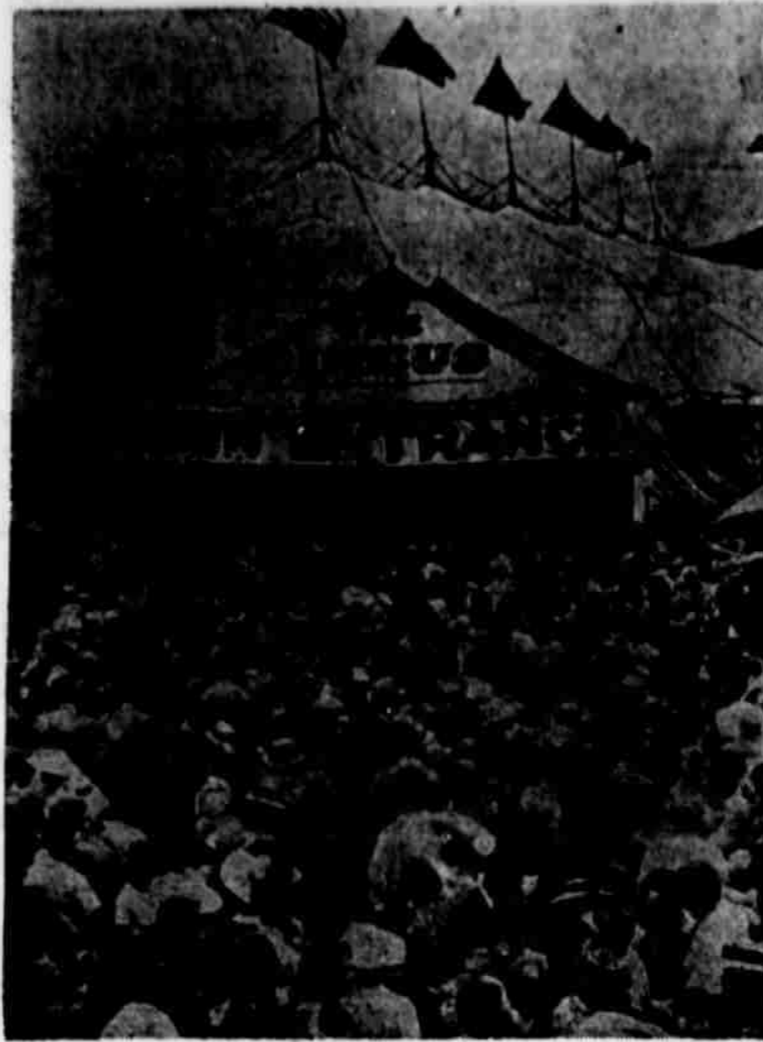

Explaining her concentration on Spanish subject matter, Mrs. Johnson said, "I thought the Spanish heritage had been overlooked. I got deeply interested in research on my Spanish characters. Most of them are of the 16th Century and are garbed authentically. I read eleven books on Coronado before I painted him. Did you know he was only 29 years old when he was in Texas? And most paintings show him as an old man." In "The Spanish Monk," an exhibition at the Canyon Art Gallery, she tried to evoke the devotion of the Franciscans, of which the first two in West Texas were martyred. She said, "The monks were dedicated to establishing colonies and converting the Indians while the Spanish soldiers were interested only in gold."

Her paintings are all Spanish in theme—long, narrow and realistic. "They are decorative objects," according to Mrs. Johnson. "I like to paint them on commission so I can suit the colors to the decorative theme of the place where they will be hung." In her compositions she includes examples of the vegetables and fruits introduced into the Southwest by the Spaniards.

Mrs. Johnson's most recent painting is "Conquistador on Horseback," a large work, 3x4 feet, which she has just completed. Though the materials required create a "syntage" are numerous, Mrs. Johnson paints in the den of her home. Usually she works at night from about 8:30 to 12:30. "I have a large closet where I store my things," she added, "but we plan to build a Spanish home where we will have more space."

Johnson is not a painter, but he encourages his wife's avocation. "Bob is so proud when I sell a painting," Mrs. Johnson said. "I am serious about painting, and I like and enjoy it. When my children get older, I would like to have it develop as a full-time career."

Her paintings have sold so rapidly that she has not accumulated enough to have a one-man show. They are exhibited at Pampa's Coronado Inn

FLAGS UNFURLED AND CANVAS BILLLOWING, one of the last of the Big Tops will be erected in Haskell on Tuesday, April 19, when the Birnam Bros. great 3-Ring Circus comes to town. A genuine old-time circus which is known as "The World's Finest Family Circus," Birnam Bros. will give performances at 6:00 and 8:00 p. m. at the Rodeo Grounds for the one day only.

and the Canyon Art Gallery. Recently, Kansas visitors to the Inn bought her "Charles V" which was on display. Then they visited Mrs. Johnson and bought two more of her works.

The paintings range in price from \$200 to \$400 and have been sold mostly in the Pampa area. Mrs. Johnson hopes to place some of her unusual art pieces in galleries in New Mexico and Dallas in the near future.

When not painting or home-making, Doris Johnson can be found eagerly studying investing magazines and the stock market.

News from Rule

HONOR ROLL
Rule students making the all "A" honor roll for the fourth six-week period were:

Second Grade: Garland Anderson, Jami Barbee, Vicki Hertel, Leonard Roads.

Third Grade: Bobby Richards, Carol Dudensing, Wanda James, Susan Lewis, Amelia Moore, Patti Self.

Fourth Grade: Lane Hertenberger, Tim Townsend, Cole Turner, Cynthia Carroll, Karla Hertel, Joni Letz.

Fifth Grade: Joe Elmore, Donald Mueller, Becky Jones, Patti Simpson.

Sixth Grade: Deborah Denson, Ricky Lehrmann, Teresa Rhoads.

Seventh Grade: Pam Wilson, Linda Bryan, Carol McCandless.

Freshman: Caron Cloud.

Sophomores: Nan Jones.

Seniors: Crawford Allison, Mildred Bell, Judy Elmore, Brenda Hisey, Lynn Richards, Ronda Stryker, Linda White.

8TH GRADERS HONORED
Members of the Rule Eighth grade and the elementary faculty were honored on Saturday night, March 26, in the school cafeteria.

The banquet theme was "Flight to the Moon" and the room decorations and table decorations carried out this theme. Colors of Blue and White were used.

Winston May welcomed the group. Cindy Pittcock gave the invocation. Music was furnished by Delle Davis, with Ronda Carroll at the piano.

Sonny Self read the class prophecy and Marilyn Moore read the class will.

Ray Fulewider, elementary principal, was the speaker of the evening.

Bill Tibbets gave the benediction.

The seventh grade girls served the meal. Mrs. Desmond Allison is the class sponsor.

SCIENCE CONTEST
Galen Peiser of Mattson placed first in the District 8B Interscholastic League Science Contest held in Rule on Friday morning, March 25.

Placing second was Mary Lou Alvis of Rochester and Mary Ann Anders of Rule placed third. Roger Leonard of

TAX MAN SAM SEZ:
The good tax folks remind us that students must file a federal income tax return if they earn \$600 or more. However, thousands of students work during the summer and earn under \$600—those students must file a return to get a refund of income tax withheld by their employer.

Students who file their own return must claim their own exemption. They may also be claimed as a dependent by their parents. You'd better check your instructions. It may save you quite a bit.

Four Product Developments By GT&E Among Significant of 1965

Four product developments accomplished by subsidiaries of General Telephone & Electric Corporation (GT&E) have been selected as among the 100 most significant new products of 1965, it was announced, General Telephone Company of the Southwest is a telephone operating subsidiary of GT&E. Cited by Industrial Research magazine were:

A revolutionary flash-cube which permits the shooting of four flash photographs in five seconds or less without changing bulbs.

A miniaturized computer that occupies only four cubic feet of space yet performs the large-scale, high-speed computations of conventional computers.

A liquid laser which is the first of its kind to produce light pulses at normal room temperature.

A semi-conductor device called an injection demodulator. The new device's capabilities were demonstrated by superimposing the entire radio-frequency channel of a TV station on a millimeter-wave signal.

The flashcube and miniaturized computer were developed by Sylvania Electric Products, Inc. The liquid laser and injection demodulator were developed by GT&E's research subsidiary.

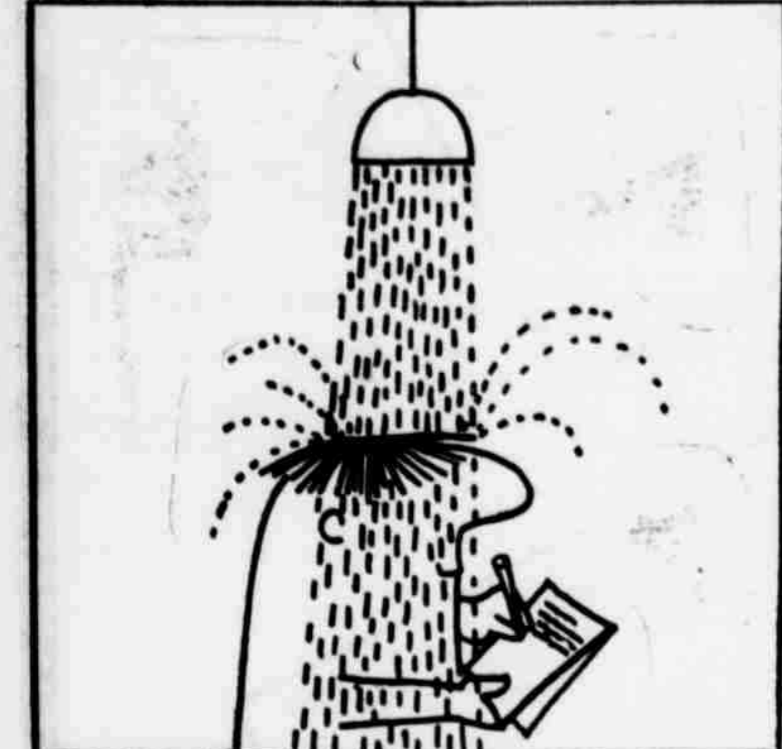

the first thing to save for your old age is you

Have a checkup every year. And, between checkups; be alert to Cancer's Seven Danger Signals:

1. Unusual bleeding or discharge.
 2. A lump or thickening in the breast or elsewhere.
 3. A sore that does not heal.
 4. Change in bowel or bladder habits.
 5. Hoarseness or cough.
 6. Indigestion or difficulty in swallowing.
 7. Change in a wart or mole.
- See your doctor immediately if any danger signal lasts longer than two weeks.

What's the best 5-letter word for fertilizer?

And for cotton—NIPAK Mixed Fertilizer

To get cotton off to a good fast start, form a sturdy root system and keep plants hardy throughout the growing season, put down NIPAK at pre-plant or at planting time. In one application you supply the necessary nitrogen for quick, healthy establishment and enough phosphorus for the entire growing season. Sidedress later with NIPAK 45 (45% nitrogen fertilizer from Urea that gives one-third more nitrogen per pound than any other form of solid nitrogen fertilizer) and you feed that cotton its most necessary plant nutrient. NIPAK mixed fer-

tilizer in the moisture-proof bags or in bulk can save you time, money and labor. Helps you produce \$6 in cotton for every \$1 invested in NIPAK (Based on Southwest experiment station tests, this is an average return. You may produce higher yields.) NIPAK mixed fertilizer is formulated to contain the amounts of key plant nutrients required by your soil after testing. So for more grow power, ask your local NIPAK dealer about NIPAK fertilizer. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service.

Woro was received in Weinert of the death of B. E. Terry, 81 years of age. He was stricken March 9 and passed away March 13, in Decatur Hospital. He was a former Weinert resident, leaving here in 1939.

Guests in the home of Mr. and Mrs. T. E. Reeves and Nan over the weekend was his aunt and uncle, Mr. and Mrs. Victor Echols of Arlington.

Dinner guests in the home of Mr. and Mrs. John Scott Sunday was Mr. and Mrs. Victor Echols, of Arlington; Mrs. Felton Jackson and two children, of Goree; Mr. and Mrs. Hoss Alexander and children of Munday; Mr. and Mrs. T. E. Reeves and Nan of Weinert.

Mr. and Mrs. Cecil Jones had their children and grandchildren home Sunday, Mr. and Mrs. Cecil E. Jones and LaChreshia, Abilene, Mr. and Mrs. Truett Parsons and two children of Haskell.

Mrs. Preston Weinert spent Saturday night and Sunday in Seymour visiting her sister-in-law, Mrs. Claud Farr.

Mr. and Mrs. M. S. Walker had their son, Mr. and Mrs. Bob Walker and two children of Fules home over the weekend; also their daughter, Mr. and Mrs. Royce Standlee and daughter of Seymour was with them on Sunday.

General Telephone Co. Construction Program Calls For Huge Expenditure

The construction program for General Telephone Company of the Southwest during the next five years calls for gross expenditures of \$141-million with over \$25-million scheduled in 1966," according to E. H. Danner, president.

San Angelo is headquarters for General Telephone Company of the Southwest which serves over 420,000 telephones in 260 towns in the five state area of Texas, N. Mexico, Oklahoma, Louisiana and Arkansas. Danner pointed out that the constantly changing needs in communications as well as the rapidly growing communities we serve, compel us to look from five, ten or even twenty years into the future. "Our current construction programs must be compatible with future developments," Danner said.

A highlight of 1966 will be the completion of a 90,000 square foot addition to the present 59,000 square foot general office facilities in San Angelo. Occupancy of the expanded building costing \$1,730,000, is scheduled to be phased in beginning this month. The expanded quarters will serve as headquarters for consolidated operations of General Telephone of the Southwest and Southwestern States Telephone Company which now has headquarters in Brownwood. E. H. Danner heads up both companies which are subsidiaries of General Telephone & Electronics Corp. in New York.

Plans for major expenditures through 1970 include replacing 45 central offices because of growth and obsolescence; providing Direct Distance Dialing facilities to customers in four long distance centers; and making improvements and refinements to existing DDI services in the Sherman area. Forty-six new exchange buildings, and five warehouse buildings also are scheduled for construction. Twenty additions will be made to existing exchange buildings to provide for equipment expansion.

Six microwave routes will be established during this five-year period at a cost in excess of \$750,000. The routes will improve service where weather conditions have been a perennial hazard to communications and also will provide additional message channels for increased long distance usage.

Extended Area Service which permits calling between certain exchanges without a long distance charge will be established in several areas including some of the larger exchanges served by General.

The company-wide expansion program also includes the installation of 131,000 lines and 118,000 terminals of central office equipment which will permit upgrading programs and to provide for anticipated growth. Plans call for the eventual elimination of urban four-party and rural eight-party lines.

Some \$35-million will be invested in new central office switching equipment, \$60-million in outside plant (cable, poles, etc.) and approximately \$8-million for new buildings and building additions during the next five years. Included in the

cal advancements and improve operating efficiency.

In summary, Danner pointed out that while gross expenditures are generally an accepted measurement of progress and economic well-being, General Telephone also has included in its plans, programs to develop employees to their fullest potential. Along with self-development, he said, we are also attempting to improve our techniques in communicating with our employees so that we better understand today's industry and the vital link each of us as employees plays in serving our customers.

HAPPY HOURS AT THE HENSHAW HOME THE PAST FEW DAYS

Mrs. G. H. Henshaw and three sisters have had the pleasure of being together in the Henshaw home for the past several days. The sisters were: Mrs. Tom French of Grapevine, Mrs. Edwin Fisher of Longview and Mrs. Richard Sherrill of Abilene. Mrs. Sherrill is recuperating from a broken arm received when she slipped and fell in her kitchen several days ago.

RE-ENLISTS

Sgt. Glenn R. Storey, 26, son of Mr. and Mrs. Lonnie C. Storey, 1800 N. Ave. G, Haskell, re-enlisted for six years in the Regular Army, March 11, while serving with Headquarters Battery of the 42d Artillery Group near Giessen.

Sergeant Storey, an aircraft-maintenance supervisor, entered the Army in March 1963 and arrived overseas the following October. He completed basic training at Fort Polk, La.

Storey is a 1957 graduate of Monterrey High School in Lubbock. His wife, Sandra, is with him in Germany.

Care For Skin

KEEP SMOOTH—With newest fashions highlighting skin, it is more important than ever to be smooth from fingers to toes. For women who want soft, youthful skin, Pacquin specialists recommend new skin-care habits. Try these: Use a hand and body lotion nightly. Keep bottles of lotion handy in kitchen as well as bath. Whenever you wash hands, dry them thoroughly. Apply a non-sticky lotion like the new Silk'n Satin in the mornings and before bedtime, as faithfully as brushing teeth.

Sponsored by the American Legion

THE COLD FACTS

When the heat's on

In ancient Rome, dwellings were warmed by slaves who held smoking firebrands under buildings to heat the circulating air. Because the heat was often dry and uncomfortable, many nobles used it only on the coldest occasions.

In 1742, Benjamin Franklin invented the Pennsylvania fireplace which gave off tremendous amounts of heat. To keep the room air comfortable, he had his servant place a pan of water on top of the pot-bellied stove.

Today our centrally heated homes give off the same dry heat that plagued our forebears. But we can alleviate the resulting dry itchy skin by adding a cap-full of Alpha-Keri, a therapeutic bath oil, to our bath water. Alpha-Keri adds a fine film to the skin locking in the moisture.

VA Questions And Answers

Editor's Note: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—I was discharged three months ago after serving three years, all during peacetime. I now require immediate medical treatment for a chronic condition which was incurred during my enlistment. May I receive outpatient treatment or hospitalization from the VA even if I have not yet filed a claim for disability benefits?

A—Yes, but you should apply immediately to establish the fact that your condition was incurred in service. The Veterans Administration can now authorize emergency hospitalization and outpatient medical treatment for such a condition. You must apply to the VA for such treatment within six months from the date of your discharge or release from service.

Q—I am the widow of a World War I veteran. I would like to know if I am eligible for benefits from the Veterans Administration.

A—The widow of a World War I veteran may be entitled to a nonservice-connected pension if her income from all sources, including Social Security payments, is less than \$1800 per year without dependents, or under \$3,000 with dependents. You can apply for his nonservice-connected pension at the nearest VA regional office immediately.

Q—If I apply for release from liability on my GI home loan how long is required to obtain such a release?

A—Three to four weeks, depending upon how quickly credit information and employment verification can be obtained on your purchaser.

NOTICE

In accordance with the Texas Liquor Control Act, notice is hereby given that C. M. Owens, Box 643, Haskell, Texas, has applied for a package store permit, under the name of Mutt's Drive-In No. 3, Haskell, to be located 5.5 miles south of Haskell County Courthouse on the east side of Highway 277, Haskell County, Texas.

W. W. Reeves,
County Clerk, Haskell County, Texas 12-13p

the cause is known

Cigarettes cause lung cancer — the number one cancer killer of men. If you don't smoke, don't start. If you smoke, stop now. The damage is often reversible.

RULE NEWS

(Delayed from Last Week)

RULE PHILADELPHIAN CLUB MEETS

"Gaining Knowledge of Texas" in commemoration of Texas Day, was the theme of the program when the Rule Philadelphian Club met on Thursday, March 10, at 3:00 p. m. at the Philadelphian Club House.

Mrs. Ed Cloud was program director. Mrs. O. Cole gave the federation news.

Mrs. J. A. Lisle, Sr., led in the salute to the Texas flag.

Mrs. T. E. Simpson gave a

book review "Life Was Simpler Then," by Luella Grace Erdman.

Mrs. Vernon Mahler sang "A Prayer," the club collect. Mrs. Frank Campbell was pianist.

Members brought books for the school library.

Hostesses for the social hour were Mrs. C. O. Davis, Mrs. John Behringer and Mrs. W. D. Payne.

MRS. SAFFEL HONORED

Mrs. Gerald Saffel of Abilene was honored with a miscellaneous gift tea on Saturday afternoon, March 19, in the home of Mrs. A. V. Townsend of Rule.

Mrs. Townsend greeted guests at the door and introduced the recent bride; Mrs. Raymond Saffel, Mrs. C. R. Inman of

Sherman and Mrs. J. E. Brazier of Abilene, aunts of the bride.

Mrs. Bill Yarborough registered the guests.

Mrs. Ollie Kittle, Mrs. LeRoy Casey, Mrs. Melvin Miller and Mrs. Delma Williams, served. The refreshment table was laid in pink and white.

Mrs. Audie Verner showed the gifts.

RULE CLUB RECEIVES HONORS

The following ladies attended the Mesquite District of Study Clubs convention in Snyder on March 17 and 18: Mrs. Clyde Grice, Mrs. J. A. Lises, Sr., Mrs. Oswald Cole, Mrs. C. O. Davis, Mrs. Frank Campbell, Mrs. J. E. Geer, Mrs. W. D. Payne and Mrs. Claude Norman.

Mrs. Oswald Cole and Mrs. C. O. Davis were honored as the clubs jewels at the dinner on Thursday night. They are both charter members.

Rule received the following honors as a club: First place on their yearbook; first place in cultural heritage division; 2nd place on the president's report; 3rd place on the Nationalities division and third on Gardens and Beautifications division.

RULE CHAMBER SCHEDULES BANQUET

The Rule Chamber of Commerce will have its Twelfth Annual Banquet on April 5, 1966, at the school cafeteria.

Mr. Oliver S. Grote of Mason will be the featured speaker of the evening. He is a graduate of Texas A&M college. He ranches, raising Black Angus reg-

istered cattle. He is president of the Mason Chamber of Commerce and past president of the Lions Club. He is active in church and civic organizations.

Bro. Mike Herrington, pastor of the First Baptist Church, will give the invocation. Novis Ousey will lead in group singing. Frank Campbell will introduce guests.

Bruce Ayers of Hardin-Simmons University will entertain with music and singing.

Malcolm Herttenberger, outgoing president, will introduce the new officers. Connor Horton, school superintendent, will give the awards. John Greeson, pastor of the Rule Church of Christ, will give the benediction.

Tickets are on sale by members of the organization.

TEXAS CO-OP ELECTS OFFICERS

The following officers were elected for the Texas Co-Op Ginners Association at their yearly meeting in Corpus Christi.

Rosa Hargrove of Colorado City was elected president. Bob Griffith of Prosper was elected vice president and A. R. Eaton of Rule was elected secretary-treasurer.

Mr. and Mrs. Lonnie Martin have gone to Cincinnati, Ohio to be with their daughter, Mrs. Bobby Moore, when she has surgery. Mrs. Martin will remain with them for a time.

Capt. and Mrs. A. K. Dunnam and sons have left for Pease AFB in New Hampshire where he will be stationed.

Bro. and Mrs. Mike Herrington and son went to Odessa Sunday afternoon where he was to preach a dedication sermon for a new church at his former pastorate.

Mr. and Mrs. Jack Kelley and daughters of Tulsa, Okla., have been visiting his grandparents. Mr. and Mrs. John Behringer.

Mr. and Mrs. Jack Deval and baby of Concord, New Hampshire have been visiting her parents, Mr. and Mrs. Tom Stryker.

DALLAS VISITORS

Visitors in Haskell over the past weekend included Mary Grindstaff, Wynelle Hellums and Wanda Dolaney, all of Dallas. They were guests in the homes of Mrs. Frankie Atkinson, Mr. and Mrs. George Neely and Mr. and Mrs. V. C. Dolaney.

In Haskell to celebrate the birthday of Mrs. O. E. Patterson this week were her sons, Tom and David, of Dallas, and their families.

HERE SUNDAY

Larry Hinds, of Texas Tech, Lubbock, visited here Sunday with his parents, Mr. and Mrs. Al Hinds.

April Draft Call Lowest Since August

State draft boards will be called upon to furnish 979 men for the armed forces in April, the lowest monthly quota since August, 1965, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

Monthly calls in the period from September through March ranged from a low of 1,068 to a high of 1,523.

Colonel Schwartz also announced that 3,005 men would be sent for draft mental and physical examinations in April, a reduction from 5,515 in March.

He also said state Selective Service had received a quota for 105 physicians to enter the Army, Navy and Air Force in July, August and September.

A call for 31 male nurses to enter the Army and Navy in April, May, June and July arrived at the same time as the quota for physicians.

The state draft director pointed out that the number of men in the state's 1-A pool was reduced from 100,000 at the end of August, 1965, to 51,000 at the end of February, 1966.

During the same period, he said, the number of men classified as students rose from 85,000 to 104,000. At the end of January, there were 106,000 men classified in 2-S as students, the first material reduction in the pool since October, 1964, when the number was 74,000.

"From October 1964," Colonel Schwartz said, "to January 1966, the student pool rose steadily from 74,000 to 106,000. Then, this pool was reduced by 2,000 in one month."

OIL NOTES

Dixon Oil Co. of Abilene contracted No. 1 John Kimbrough four miles northwest of Haskell as a prospector.

The location is 467 feet from north and 2,000 feet from east lines of Section 6, Coryell School Land Survey No. 72, and a 220-acre lease and is an east offset to a 5,397 foot dry hole. A Strawn Sand field is 1 1/2 miles south of No. 1 Kimbrough. Contracted depth is 5,000 feet with rotary to test Strawn Sand.

VISIT IN GRAND PRAIRIE

Mr. and Mrs. Barney Frazier were visitors in Grand Prairie recently in the home of their son, Wayne Bradford, Mrs. Bradford and children.

Buford Abeltd Initiated Into Tau Kappa Epsilon

Buford Abeltd, son of Mr. and Mrs. Vance Abeltd, of Haskell, was initiated recently in the Southwestern State College Chapter of Tau Kappa Epsilon, the largest international social fraternity with 218 chapters in the United States and Canada.

Buford, a graduate of Haskell High School, entered Southwestern State College at Weatherford, Oklahoma, in September, 1964, as a freshman majoring in pharmacy.

The ceremonies were held at the Teke House, 701 N. Broadway, Weatherford, Oklahoma, March 22, at her home in Weatherford.

Buford's father is mechanical superintendent of the Haskell Free Press and his mother is

Rites Held At Rochester For Mrs. Williams

Funeral services were held on Thursday, March 24, at 2:30 p. m., in Rochester Church of Christ for Mrs. Margaret Jane Williams, 95, who passed away Tuesday, March 22, at her home in Rochester after an extended illness.

Abe Martin, minister, officiated. Burial was in Rochester cemetery, Smith Funeral Home in charge.

Born in Floresville Jan. 30th, 1871, she married John W. Williams, July 26, 1888. They moved here in 1914. Mr. Williams died in 1954.

secretary of the Haskell Chamber of Commerce.

VOTERS OF HASKELL

YOU ARE URGED TO EXERCISE YOUR RIGHTS AS CITIZENS OF THE GREATEST COUNTRY IN THE WORLD—AND CAST YOUR VOTE ON APRIL 5TH IN THE CITY ELECTIONS.

IF WE FORFEIT OUR VOTE, WE FORFEIT OUR RIGHT TO CRITICIZE OR DECLAIM.

But Heed This Warning

For any person to use threats of economic or personal reprisal in order to impair an election is a violation of your civil rights.

BUSINESSMEN—It is a federal offense for anyone to threaten a loss of trade in order to capture your vote.

In order that no such methods will be attempted in Haskell, we invite you to report any such threats to us and we will immediately cause to be instigated an investigation to see if your civil rights have been violated.

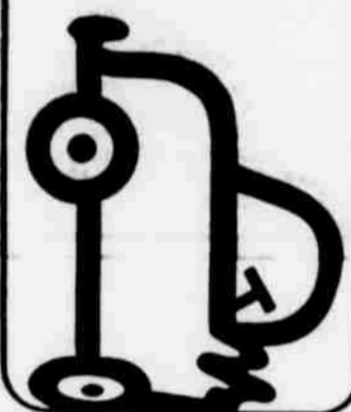

Because we love our nation and have an undying faith in American representative government, we will go to any length to see that it is kept unspoiled by persons not so nobly disposed.

Signs Point To Favorable Outlook For Beef Producers During 1966

All signs point to a favorable outlook for beef producers during 1966. Strength in the fed cattle market will be reflected in the feeder market, he said. Too, producers are likely to save additional heifers for their breeding herds and thus keep them out of feedlots, adding further strength to the feeder market. Cow slaughter last year, the economist said, was 25 percent higher than in 1964, but he expects it to drop below this level in 1966. Cow prices should continue strong throughout this year. McHaney sums up the situation this way. Cattle numbers are down slightly on January 1 as compared with a year ago. There is a growing consumer preference for beef. Population and consumer incomes will continue to rise in 1966. Grazing conditions in the nation are generally good. Cow-calf operators will likely begin to build up their herds and the smaller supply of red meats, especially

pork in 1965, is likely to continue through the first half of 1966.

It all adds up, he said, to an optimistic outlook for beef cattle producers in 1966.

Campaign Kickoff Dinner Is Set

Friday evening, April 1, is the date set for the campaign kickoff dinner being held for Eldon Mahon, Abilene businessman and attorney who is running for the office of congressman from the 17th District, it was announced today.

The dinner, which is expected to draw several hundred friends and supporters from a wide area, is to be held at 7:30 p. m. in the Civic House in Colorado City, Mahon formerly resided in Colorado City and is a former district attorney and district judge for the 32nd judicial district.

Tickets for the event are available at campaign headquarters in the Alexander Building, 106 Pine Street, Abilene, at \$2.50 each, or from any area chairman or co-chairman.
