Art Classes To Be Offered At Town Hall Soon

Mrs. Daniel T. Sheriff, who recently moved to Burkburnett from Cheyenne, Wyoming, has offered to open classes here for those interested in basic art training; appreciation of art, and self expression in art.

It is Mrs. Sheriff's belief that visual education, through demonstration, tends to strengthen each individual's appreciation of art, and in due course allows them the privilege of expressing his or her own graphic presentations.

Portraiture is the phase of art in which Mrs. Sheriff has made a name for herself. In this field she has exhibited her work twice a year in the Western States.

She is a charter member of the Wyoming Art League, and a student of John Scott Williams, University of Wyoming educator, who is widely known for his works both in the architectural and mural field.

Mrs. Sheriff will be at the Town Hall, from 2 P. M. till 3:30 P. M., Friday, August 19th, to enroll those interested in the course. Her ad appears on another page of the Star this week.

Engagement News Announced Here

Mr. and Mrs. Ray Mills of Burkburnett announce the engagement and approaching marriage of their daughter, Betty, to Mr. Joe F. Anthony of Wichita Falls.

The couple is to be wed in rites which have been scheduled for 7 o'clock P. M. at the First Baptist Church with Rev. James H. Landes, pastor of the First Church in Wichita Falls, officiating.

FISH, CHICKEN DINNER

Mrs. Mamie Long was doubly surprised one evening this week, first with a lovely dinner (fish and chicken) prepared at the home of her brother, Buford May and family. After the bountiful meal, Mamie returned home to find some of her neighbors and friends engaged in painting, waxing and fixing the house up in general.

RELATIVE ILL

Ray Mills received word this week of the serious illness of his brother-in-law, James Lucas of Kiefer, Okla. Mr. Lucas, who had a stroke last January, suffered another a few days ago. A retired Gulf man, he is the father of Aaron Lucas, Gen. Supt. for the Skelly Co., who is a frequent visitor in Burkburnett.

FRIDAY GUESTS

Good Sale At Livestock Barn Last Saturday

One of the biggest and best livestock sales was held last Saturday at the Burkburnett Livestock Sales Barn on East Third Street.

High price paid for fat calves was \$24.80 per hundred. High for hogs was \$22.25.

Sales are held at the barn each Saturday, beginning on the dot at 1:30 P. M. Last Saturday more than 300 head of stock went through the ring for the spirited bidding of buyers. This sale is establishing a reputation for its high prices being paid, many times topping the market at Oklahoma City and at Fort Worth.

Johnny Powell Injured When Thrown by Horse

Johnny Powell, 13 year old son of Mr. and Mrs. Ivan Powell of Burkburnett, was injured about 5:30 P. M. Tuesday when he was thrown from a horse while riding on the East pavement near Campbell's store.

Johnny was taken to the Wichita General Hospital for treatment and at present time today had not regained consciousness. The extent of his injuries has not been determined, but there appeared to be no fractures. His condition is not believed to be serious.

Youth Revival at 1st Baptist Church August 21st-28th

The Young People of the First Baptist Church announce a Youth Revival the week of August 21-28. Services will be held daily at 8:00 P. M. on the church lawn under the direction of the young people. Everyone is invited to attend these services. Prayer meetings, breakfasts and fellowship meetings will be announced later.

A Youth Team of two young men and a young woman will be here to lead in the revival. The preacher will be Huber L. Drumwright, Jr., of Dallas. He was one of the preachers in the Youth Revival of last year and is a student in Southwestern Baptist Seminary in Fort Worth.

He is recognized as one of the strongest young preachers in the state. William (Bill) Tanner of Houston will lead the singing. He is a student in Baylor University and is preparing for the ministry. Fellowship and Visitation will be directed by Miss Billie Russell of Fort Worth. She is a student in the Seminary and a Foreign Mission Volunteer. According to T. Lynn Stewart, pastor, this is one of the best teams of young people a church could possibly secure.

Regular services will be held at the First Baptist Church this Sunday, 9:45 A. M., the Church in Bible Study. Good crowds are attending this school of the church, 10:50 A. M., and 8:00 P. M., preaching services. Training Union meets at 7:00 P. M.

The pastor will return from vacation Tuesday and will teach the officers and teachers of the Sunday school Wednesday at 7:25 P. M. He has a special message in Hour of Power Service Wednesday at 8:00 P. M.

Sloan's Panhandle Station Entered Here Wed. Night

Thieves entered Sloan's Panhandle Station on West Main late Wednesday night. Access to the Station was gained through a back window. The cash register was abandoned on a vacant lot, completely demolished. It contained only a few pennies at the time of the robbery.

Geo. Willingham, deputy sheriff, took the register to Wichita Falls, but no finger prints were found, only a few smudges.

New Pastor Honored With Reception Friday

The Ladies Missionary Society of the Grace Lutheran Church welcomed their new pastor, Rev. R. L. Young, at the Parish Hall Friday evening with a reception. The hall was beautifully decorated with summer flowers.

Loy Nichols introduced Rev. Young, welcoming him into his new church, and also introduced Rev. Frerking, of Wichita Falls and Chaplain Mehringer of Sheppard Field.

From the beautiful lace covered table, punch and cookies were served throughout the evening. Mrs. Arthur Ramming played intermittently during the affair.

Inch Moisture Added by Rains

Showers Sunday, Monday and Tuesday added almost one inch of moisture to this city. Drying lawn grass has a new lease on life. Undesirable weeds and grasses also responded to cool moist days.

PAINFUL CUT

Little Darlene Pemberton, 16 months old daughter of Mr. and Mrs. J. Wilson Pemberton, received a painful cut on the forehead late Tuesday afternoon. The child was sitting on a box and toppled over, striking her head on a piece of tin. She was taken to the Burkburnett Clinic for treatment which required approximately seven stitches to close the gash.

Pre-Game Football Practice to Start Monday, Aug. 15

Calling all foot ball players! Coach Don Short announces the first pre-game practice session will be held Monday morning, August 15, beginning at 6:00 A. M. That's right, 6:00 A. M. All boys who wish to play foot ball are requested to come out for this first gathering.

From now until school opening, there will be two practice sessions each day. It won't be long until the first game of the season and every minute counts. The first game of the season will be played at Bulldog Stadium September 9th, with the local boys tangling with the lads from Henrietta.

Soap Box Derby Akron, Ohio, 14

The 12th annual All-American Soap Box Derby, the great racing classic of the boys' world, will be run in Akron, Ohio, on August 14th, it was announced today by the Chevrolet Motor Division, national co-sponsor of the event.

More than 75,000 spectators are drawn every year from all parts of the country to see the 150 youthful contestants—each a champion from his home town—guide their gravity-powered, hand-made racing cars down the specially constructed track at Derby Downs.

Since early June Derby races have been held in 150 participating communities, each co-sponsored by a local newspaper or civic organization. During the week before the race, Akron is transformed into "Derbytown" as merchants, industrialists and civic organizations participate in some phase of the work of entertaining the champions and guests.

The national champion will win a \$5,000 scholarship to the college of his choice. Second prize is a Chevrolet automobile. Other valuable merchandise prizes and trophies go to the top five place winners, and to the drivers whose cars win special awards for construction and design.

Lutheran Ladies Have Meeting

The Ladies Missionary Society of the Grace Lutheran Church met in the Parish Hall for their regular monthly meeting with Mrs. Fred Binges as hostess.

The meeting was opened with singing of the hymn, My Faith Looks Up to Thee, and a special prayer by Mrs. Paul Kaiser. Mrs. Arthur Ramming of Wichita Falls presided as chairman over the business meeting. A special collection was made instead of a chicken noodle supper at this time.

We would like to thank Mrs. Ramming of Wichita Falls for the Piano and Miss Clara Schultz for the bookcase.

Program chairman, Mrs. Loy Nichols introduced Mrs. John Enderli for a short reading on "Hope," from the book, What Jesus Means to Me. Mrs. Nichols also presented Chaplain Mehringer of Sheppard Field who gave a very interesting talk on his experiences over seas, especially on Christmas and Easter.

A refreshing plate was served to: Mesdames John Enderli, A. A. Evert, John Hines, Paul Kaiser, H. A. Mills, Loy Nichols, A. Ramming, Louise Schriebe, Norma Marten, Fred Minick, U. S. Hill, C. H. Hemme, Miss Clara Schultz, Mrs. Mehringer and son Johnny and the hostess Mrs. Binges.

The next meeting will be at Mrs. Norma Marten's home at 1923 Ninth street in Wichita Falls.

Soft Ball Play-off Double Elimination To Start Monday

Winners of the Soft Ball Tournament will be decided by a double elimination contest to begin next Monday night at the High School diamond. Six teams will participate in the play. In case of rain or other cause for postponement, a game will be played the next night or as soon as possible. All will move up, with no forfeiting.

Monday night will bring together the Gas House Gang and Byerly-Owen teams.

Tuesday night, Palace Theatre and the Airmen.

Wednesday night, the Bald-Heads and Wortham will battle it out.

Interest in soft ball games this summer has been good. All games drew large crowds of spectators, with fans boosting their favorites, whether small boys, girls or the Bald-Heads.

Who's Kwazy?

Camas, Wash., Aug. 15th Hello Burk Star: I can't figure out if you are crazy or I'm seeing double. We have been getting TWO papers since I sent in my renewal. Now I get an expiration notice. This inflation is sure bad. Didn't take long to use up that two bucks did it? Enclosed find evidence of renewal, and check to cover balance due on 1948 and 1949. Don't get mixed up on the checks. I never noticed that I was short changing you. Excuse it please. I knew the old Appeal to Reason was two bucks, and it compared favorably with the Star. So excuse it please.

Work here is scarce, but fishing is good and the weather is cool. Thanks, E. V. Thornton.

We get a kick out of E. V.'s letters, but the only time he writes is when we send him a renewal notice on his paper, so he must excuse us if we send them often. Since he moved with his family from Burkburnett, he has been very particular about the home town paper. The subscription price 'way up in his neck of the woods is \$2.50 . . . hence his reference to a balance on '48 and '49. Thanks, E. V. Whoever corrected the mailing list must have reasoned that if you enjoyed one paper a little, you would really get a bang out of two. This mild complaint has been duly attended to — but, wonder what would have happened if you hadn't received ANY paper? Wow!

Devol Alumni to Hold Annual Banquet Sept. 3

According to J. C. Hinkle, president, the Devol, Oklahoma Alumni Association will hold their annual banquet Saturday, September 3rd, at 8 o'clock in the High School building.

This week cards are being mailed out to graduates whose addresses are known. The president and secretary are endeavoring to get in touch with every member of the association, but as the known addresses are so few, it is impossible to contact everyone. If you know the whereabouts of any of these graduates, J. C. would appreciate your letting him know and a card will be sent them.

Otis Weaver, who is with the Agriculture Department in Washington, D. C., will be Master of Ceremonies for the event, and Judge Floyd Jackson of Lawton, Oklahoma, will give the welcoming address.

Girls' Ball Team At Wichita Friday

Burk Boomers, girls' base ball team, will go to Wichita Falls Friday night to meet the Miller & Miller team, probably the best in Wichita Falls.

The game is called for eight o'clock at Bridwell park, 11th street and Harrison.

The Burk girls have defeated other teams from Wichita Falls, but this is their first game with the Miller & Miller players.

SNIFGLE AND SNUFF

The flowers, bless them, flourish and thrive, offering to the friendly, inquisitive bee, the pollen for propagation. The bee sips the honey, the pollen sticks to its hairy legs and, as the insect buzzes from flower to flower, spreads this fertilizing pollen over gardens and fields. However, there are some flowers which have pollen that doesn't attract bees and this is left to be carried by the wind. Millions of these tiny particles are cast into the air we breathe and cause a chemical reaction in many humans. It is the well-known and unpopular hay fever. Ragweed is the worst offender and does its most devastating from about August 15 until the first frost.

When you deal in medical sciences perhaps hay fever seems a trite and prosy kind of ailment, compared to the more serious diseases that afflict man. But there is enough misery and suffering that comes with this summer complaint to lead to campaigns to eliminate the ragweed or other such noxious growths from city lots, farms and country roadsides.

The pollen count will grow from now until perhaps middle October and the respiratory system of those allergic will bring about discomfort. Folks with hay fever are unhappy about their appearance during this time, too. Although science has produced certain drugs that are effective in controlling the symptoms, county highway departments should continue to use scythes and mowing machines, and Burkburnett citizens to use hoe and sickle. Let us try to get rid of the cause while the laboratory works on the effect.

NOT KEEPING UP

Seems we've outdone ourselves in automobile construction. The car is improved for better riding, faster driving, less gas consumption, safer manipulation. All the outpouring of mechanical brains has gone into making the auto the last word. But, its progress so far has left the roads it travels far behind. There are not enough roads or no roads, to accommodate all the cars that are hitting the highways and by-ways. Road building, road improvement, hasn't kept up with motor building, motor improvement. Don't forget there are 40 million motor vehicles. Perhaps the auto was born 30 years too soon for the builder and the taxpayer.

WE AREN'T SECURE

We sometimes feel, here in Burkburnett, that our youth is not offered the temptations for waywardness as in the large city. In thinking our children are more sheltered, more protected, it might result in our becoming careless. There is no geographical line to crime. Small neighborhoods can have it breeding within its confines. In many places marijuana smoking is a fad. The danger is greatest because it appeals to the youngsters who think it is "smart". Teen-agers, for some reason, take to marijuana more than any other form of narcotic. We realize its effects upon health and morals.

Marijuana is a weed, easily grown in numerous localities, sometimes unrecognized as such. Even though the Federal Government has imposed penalties on selling fertile seed of the plant which has helped curtail production, the marijuana trade still flourishes. Let us not live in a shell and neither hide our head in the sand. The youth of our town are no different than in other towns. They are mighty fine and we love them and so we want to keep them fine.

Do Profits Rook You?

Profit is a word that folks must utter today only in whispers. In fact, it is a nasty word, the way most people use it. And this is a pity. Actually, the word has in it a great measure of progress and once meant the results of that which was "proficient," or usefully productive. But folks today have twisted their ideas on profit around so that the word indicates to them the ability of business to take advantage of somebody, especially the worker.

Our economic processes are interesting and exciting when you understand them. Without properly understanding the ways of money, trade, and commerce, an unthinking person can become a dupe for every ISM that Dr. Utopia has to offer. It is amazing to me that I find young people and a few old ones, too, so taken in by glamorous ideas that have no basis in fact. Some of these folks dream that profit is loot. They look at profit as lacking in morals and as the worst kind of sin.

Work and Progress

The thing that is directly responsible for human progress and human welfare is work. Work is human energy. Without work, and without the pay that people get for their human energy, progress would be at a standstill. But, there is something else. The tools, the factories, the land, the buildings—all the things men use, in drawing upon their human energy—these things are simply human energy stored up for use.

Workers Like Profit

Payrolls and profits: these two items are vital to the well-run business enterprise. Nearly everybody understands already how important payrolls are to the welfare of our economic community. But not nearly so many people understand that profits also are necessary. In fact, it would be impossible to have good wages without correspondingly high profits. Then, a worker whose company makes a profit is well-blessed indeed.

Why is that so? Only a business that makes healthy profits can offer steady, good-paying jobs to the community. Only a company that makes sufficient profit can buy modern tools and replace worn-out ones. What worker does not like to operate good machinery? Only a business that makes good profits can afford to plan and to expand its facilities. In other words, all workers who think right about it would want an employer to make good profits.

How to Prosper

Many workers think that wages are paid out of profits. This is not so. Money for the work comes right out of sales and goes directly to payrolls, just as money for profit comes out of sales and goes for the use of tools and the replacement of tools. When profit is high, the chances are that wages will be good. This is nearly always true unless taxes come in and take too large a chunk, or unless the company is so much in debt that profits cannot be used for new tools.

If I were an employee of a company or working in an industry, I would be very much concerned that my employer makes a profit. I would do all I could to make a profit for him. Knowing that my chances of having a good job and of growing with the company would depend upon the success of the whole enterprise, I would work hard to keep my employer "out of the red." Then I would know that my efforts really are building a greater America.

First in Fashion

A glance at the new Ford and you'll agree with New York's famous Fashion Academy . . . it certainly is the "Fashion Car of the Year"! But its looks are only the cover of Ford's book of "firsts". Ford alone in its field offers you a 100-horsepower engine . . . an 8 cylinder engine . . . a V-type engine. Ford alone offers your choice of this V-8 or the new 95 "horse" Six.

You'll find Ford first in safety, too. Its heavy-gauge "Lifeguard" Body and 5 cross-member, box section frame make Ford 59% more rigid . . . its big "Picture Windows" give you 19 square feet of vision area . . . more than any other car in Ford's field.

First in "Feel"

Drive a Ford and you'll feel the difference right away. You'll like the "feel" of that "Mid Ship" Ride . . . the "feel" of those bump-erasing "Hydra-Coil" and "Para-Flex" Springs . . . the 35% easier acting "Magic Action" Brakes . . . the easy "Finger-Tip" Steering. G. C. Henson Home From Hospital

G. C. Henson, who has been a patient in a Wichita Falls hospital for the past several weeks, has been returned to his home in Burkburnett. Mr. Henson is greatly improved and able to receive visitors at his home.

Card of Thanks

I wish to express my thanks and deep appreciation to my many friends for their kindly interest, and the many beautiful flowers and cards I received during my stay in the hospital and since returning home. I am indeed grateful to those who furnished blood for the transfusions. Your kindness will always be remembered.

G. C. HENSON 3-1tp

Mrs. D. D. Vaughn and daughters, Barbara and June are home after spending several weeks in Texhoma, Oklahoma, and in Ashland, Kansas, visiting Mrs. Vaughn's parents, Mr. and Mrs. Floyd Clark.

Mr. and Mrs. Chas. Kirsh are visiting relatives in Mansfield and Shreveport, La., this week.

1st Grade Students Required To Have Birth Certificate

All students entering the 1st grade in September are required to have birth certificates. If your child is among the First Graders, look up his birth certificate in order to have it on hand in September.

R. M. Davis, Sept 2-2t

Note of Appreciation

I would like to express my heartfelt thanks and appreciation to my many friends and neighbors of the entire community for their kindness to me during my recent illness. Your cards, beautiful flowers and visits have truly been a comfort to me.

Sunday School at ten A. M. with all classes studying Judges, chapter 17, "Corrupt Religious Conditions in Israel During Time of Judges." We study the Bible only, chapter by chapter. A class for every age. Two adult classes: Young Married People and Pastor's Auditorium Class. Come sit in with us. Jimmy Jaggars is S. S. Supt.

Preaching service at eleven, with pastor preaching on "The Lord's Supper." Before the message the Lord's Supper will be observed.

Young People meet at 7:15 P. M. under the direction of Mr. and Mrs. Fred Clync. All the Youth invited.

Song and preaching service at 8:00 P. M., with the pastor preaching on this subject, "The Social, Political, Economic and Religious Conditions of Today Which Spell Out the Soon Coming of the Lord Jesus Christ."

Will you dare hear such a message? Can it be scripturally sound? Isn't the world getting better? Come and hear. You always have a warm, friendly welcome at this Bible teaching church.

Sunday School, 9:45 A. M.

We are thankful for our attendance, but are not content just to count people for the number. We do want big numbers because the more that are present, means more to receive teaching from God's Word. Parents encourage your children to attend by going with them. A child given half a chance will attend Sunday School.

Worship Service, 11 A. M. Sermon by Evangelist Noel Brooks.

Evangelistic Service, 8 P. M. The revival continues with services each evening at 8:00 o'clock. Boosters sing at 7:45. The attendance has been good and truly we can say we are in the midst of an old time revival. If you want to hear some good preaching in the old time way, come out to the meeting and hear Bro. Brooks. Remember you are welcome.

Mrs. W. C. Norris and daughter, Mrs. Howard Vurver and her daughter, Sharon of Duncan, Okla., and Mrs. Bert Covv of Oklahoma City, visited Mrs. Minnie Blum last Thursday and Friday. Clara Stofor

Eight guests in the D. Patrick home last Wednesday. Mr. and Mrs. Gertrude and their children, their daughter, Glenda, and their son, Donald, and their daughter, Ruth, were enroute to Houston for the summer. The Turley family will be home for the summer. Mr. and Mrs. John E. Epling, nephew of Mrs. Watson, Mrs. Epling and two sons visited in the Watson home last week. The Eplings' home is at Muleshoe, Texas.

Mrs. Albert Freeland, daughter of Mr. and Mrs. E. Miracle, Mr. Freeland and their daughters, Glenda and Marla Ann, of Frederick, visited in the Miracle home last Friday.

Mrs. Vess Burleson of Wichita Falls, Mrs. Paul Carr and Sandra and Beverley Carr of Graham, Texas, visited in the Woodley home Friday.

Mr. and Mrs. Lawrence Oxford and son of Geronimo were Sunday dinner guests of Mrs. Oxford's parents, Mr. and Mrs. O. Nolls.

Mr. Bruce Hopkins, stricken with virus pneumonia several days ago, was taken to a Wichita Falls hospital. Though his condition was very serious, he is reported improving Wednesday.

Mr. and Mrs. Thorvald Addington and son Jimmie of Palestine, Texas, are spending a part of their vacation time with Mrs. Addington's parents, Mr. and Mrs. Ross Wright.

Mrs. Clara Henifen and daughter, Miss Sally Reynolds of Kingman, Arizona, arrived Sunday for a visit in the Stofor home. They went to Lawton Tuesday to look after property interests. They will return to Devol later in the week.

Mrs. John Coker, delegate to the Oklahoma State Farm and Home week at Stillwater, Oklahoma, returned home Monday evening. Mrs. Coker attended the Seventh Day Adventists Convention at Oklahoma City Saturday and Sunday.

Mrs. Pauline Watkins of Ft. Worth, daughter of Mr. and Mrs. Coker, spent the week in the Coker home. Mr. and Mrs. Don Coker and daughter are stopping with Don's parents at present.

Mrs. Joe O. Whitehead of Lawton is visiting in the Earl Palmer home this week. Mr. and Mrs. Palmer attended the Rodeo at Lawton. They visited Mr. and Mrs. Cecil Taylor in Wichita Falls Sunday.

Mr. Hobart Hale, Mrs. Hale and daughter, Jan of Kilgore; Miss Donna Glenda James of Burkburnett; Mrs. J. W. Hale and her granddaughter, Kay King of Duncan, Oklahoma, enjoyed a family picnic at Craterville Park Sunday. The Hobart Hales returned home Monday after a two weeks vacation spent with his parents and a trip through Western States. Sunday being Miss Kay's 12th birthday, she was the honoree at a birthday party after reaching the park.

Mr. and Mrs. Bill Monson of San Benito, Texas, and children are visiting Mr. and Mrs. Cliff Monson and other relatives.

Mrs. Betty Cozby left Saturday morning for Ulysses, Kansas, to join her husband, Walter Paul Cozby who is employed with a pipeline crew there.

Charles and Kay Bridges of Wichita Falls are spending the week with the grandparents, Mr. and Mrs. C. O. Woodley.

Mrs. Lisle Heniffen, Miss Sally Reynolds and Mrs. Oles Stofor visited with Mrs. R. R. Lavender, Grandfield, Monday.

Work preparatory to opening school is going forward, rooms will be ready for use with their new paint and decorations. And

other outside work may have to be completed later.

Our City, though small, has developed a spirit of civic pride which showed up in the weeds and Johnson grass along the streets being mowed down by arrangements of the town officials. We have complained about the condition of the outside of the property, but there are some things owners could do to appearance and comfort of the locality—if they only had time.

The Devol Demonstration club met in regular session, August 9th, at the Club house. All officers were present. Meeting with singing "The Lily of the Valley," followed with the Lord's Prayer. The secretary gave her report on expenses for trip to Stillwater, and brought the club a full, interesting report of the Farm and Home Week meetings. The secretary was instructed to contact and hire (if possible) someone to clean up the Club House grounds.

Mrs. Bill Stevens was also a member to the Farm and Home Week and gave a good report on the meetings. Both Mrs. Coker and Mrs. Stevens are members of the Cotton Co. Choral Club and attended practice each day while there. The Choral Club of this County presented two numbers at an evening meeting. Their report, (briefed) was that there was any kind of program one would want to attend on ways to help in planning and making better homes and living conditions around farm homes.

They attended all the Health, Clothing, Poultry, foods and nutrition, preparation of canning and frozen foods; Safety in the home, and Good Government meetings they could sandwich in between practicing singing. There was so much to be absorbed in that length of time, they made the request they be allowed to go next year, but 16 more go also that our club be able to get it all.

The Devol Alumni Banquet will be held at the Auditorium September 3rd. Mr. J. C. Hinkle of Burkburnett, president, and Miss Toy King of Devol, secretary. Mr. Otis Weaver of Washington, D. C., will be the principal speaker of the evening. The banquet will be served by the Devol Chapter of the Eastern Star.

Mrs. Ray Mills, Mrs. Donald Mills, Mrs. Al Lohofener and Carol attended a bridal shower at the Bethania Nurses' home in Wichita Falls last Friday night in honor of Miss Betty Mills.

Mr. and Mrs. Curtis Cook of Wichita Falls visited in the H. L. Ivey home last Sunday.

How Much Government?

It's 2,272 miles from New York to Salt Lake City, Utah. Yet, if all the civilian employees in the executive branch of our federal government were six feet tall (they're not), and you placed them head to toe on U. S. Highway 30, they'd reach the distance easily with 1.4 miles to spare. This comparison is conservative. It was based on an estimate of 2 million government workers in the executive branch alone.

Perhaps nobody can ever know just how many there are. During the first four months of this year, they increased at a rate of more than 450 a day. Use another comparison. There is one executive worker in the federal government for every 21 income taxpayers. In other words, these 21 taxpayers are paying the salary of the 22nd man. And that's just in the executive arm of the federal government.

Paying the Piper

Each and every American citizen must not fail to be interested in this problem of mushrooming government. As long as we fool ourselves into the habit of asking for more government, we'll see more and more added to the payrolls and we'll pay higher and higher taxes. We need to decide how much government we want. Certainly the more of it we set up the more we have to pay for. At the rate we have been going in the last decade, most of us will be working for the government in a few years.

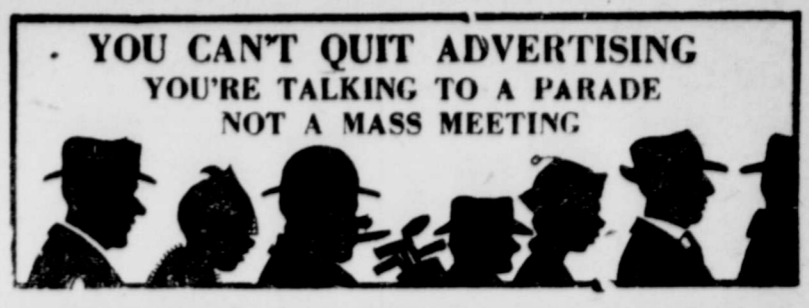

That would be one of the simplest ways to take the country into socialism. Let most of us be drawing paychecks from the government, in salaries and various benefits, and we would have socialism right here without voting for it. What we need constantly to remember is that the government has not a cent to spend except what it collects from you and me and from our neighbors.

It's Up to Congress

Our next Congress will have a real test, and a real opportunity. Last year, the 80th Congress provided this historic opportunity by establishing a commission to study the reorganization of the executive side of our government. Membership of the Commission includes some of our most public spirited citizens. These experts are giving the structure and functions of many a government agency a thorough going over. They are also studying expenditures, with the idea of proposing changes that will bring both economy and efficiency.

Must Say: "No!"

The 81st Congress will have the job of acting upon whatever recommendations the Commission may present. It is not an easy task. Any executive finds it hard to lop off an office here, and an office there. When the government starts a service, it is hard to find a stopping place. Moreover, each and every department will fight to the finish for increased personnel and more money.

What every party-line telephone user knows...

EVERY PERSON WITH A PARTY-LINE telephone at home knows at least three things about the service.

He knows the line must be shared fairly to be useful to everyone—just as a street is shared by those on it.

He knows he appreciates courtesy from others on the line—such as not interrupting, and recognizing his emergency needs for the line now and then.

He knows whether party-line service meets his needs. About half our customers have always preferred party-line service, even before the war, when they could have had individual lines.

Today, out of each four families with telephones, about three have party-line telephones and one of them has asked for a different type of service.

We'd like to be able to give it to them. We are working toward that, and are making some progress despite the continuing heavy demand for telephones from those still without any service.

We have on file thousands of requests for some other type of service. Wherever local conditions permit, we are meeting these requests, and are keeping a careful record of all requests, to act on at the first opportunity.

OUR DEMOCRACY — by Mat
FRUITS OF THEIR OWN LABOR

"If we can prevent the government from wasting the labors of the people under the pretense of caring for them, they will be happy."
—THOMAS JEFFERSON.

THE WISDOM OF THAT PHILOSOPHY, TO WHICH WE IN AMERICA HAVE ADHERED, IS EVIDENT IN THE HISTORY OF THE WORLD OVER THE LAST 150 YEARS.

THE EXPERIENCE IN THOSE COUNTRIES WHERE THE GOVERNMENT HAS ENDEAVORED TO DO FOR THE PEOPLE WHAT THEY COULD BETTER DO FOR THEMSELVES, IS IN SHARP CONTRAST WITH THE EXPERIENCE IN AMERICA AND THE OTHER DEMOCRACIES.

WITH FULL FREEDOM OF CHOICE AND ACCEPTANCE OF INDIVIDUAL RESPONSIBILITY, WE IN AMERICA HAVE BEEN ABLE TO ATTAIN THE HIGHEST STANDARD OF LIVING AND FAMILY SECURITY IN THE WORLD, FAR HIGHER THAN ANY COUNTRY HAS BEEN ABLE TO ESTABLISH FOR ITS PEOPLE THROUGH STATE PROVISION.

FARM FACTS WORTH KNOWING

1. How much water will growing turkeys consume?
An easy figure to remember is that turkeys consume about two pounds of water for every pound of feed. A quick calculation shows that 100 turkeys 24 weeks old will consume about 15 to 20 gallons a day, depending upon the weather.

2. How often should eggs be gathered?
During warm weather they should be gathered 4 or 5 times daily and less often during cool weather. As soon as the eggs are gathered they should be cooled to remove all animal heat.

3. Someone told me that a calf should hold its head up when drinking milk. What is the reason for this?
The Research Farm of the Rabston Purina Company has found that making a calf stretch its neck while drinking milk helps prevent scours. The milk bucket should be placed 1 ft. above the floor and tipped toward the calf so that the calf must keep its head up and neck stretched in drinking. This is nearer the natural position for the calf in nursing and tends to force milk past the first three stomachs to the fourth or true stomach where milk should be digested. When milk goes into the first three stomachs, it may sour, causing scours.

Youth Recreation Summer Program Declared Success

Those in charge of the Youth Summer Recreation Program at the High School have declared it a success in every way. This summer an average of 60 boys attended the sessions each day. Under the direction of Coach Don Short, the boys enjoyed base ball and others sports. In three age groups, boys from the smallest to the largest participated in the fun. The first age group, 6 to 8 years, were there early in the afternoon. After the little ones had their fun, a group, 9 to 12 years gathered. Last, the boys from 13 to 15 yrs. took over.

Short reports enthusiasm for the program among the boys was at an all-time high this year. The boys enjoyed competitive sports and enjoyed every minute of the program.

Mr. and Mrs. Grady Harrison are the proud parents of a baby girl, born Monday in a Wichita Falls hospital. (Not a boy, as reported last week).

Mrs. W. C. Gage's Sister Dies In Big Spring, Texas

Mrs. W. C. Gage was called to Big Spring last Friday due to the death of her sister, Mrs. Lee Eddy.

Mrs. Eddy died quite suddenly of a heart attack. Funeral services were held in Big Spring Saturday.

Note of Appreciation

To the members of the Masonic Lodge, I would like to extend my thanks for the many kindnesses shown me during my illness. The beautiful flowers, cards and visits were deeply appreciated.

Mrs. Ira Hardcastle has returned from Artesia, New Mexico, where she visited in the home of her sister, Mrs. D. G. Winkles.

Miss America Sews Her Own

Bebe Shopp, known to millions as Miss America, is as clever as she is beautiful. Making her own clothes is a favorite hobby. Miss America's schedule includes fashion shows, sports events and state festivals. She found that stitching her own wardrobe pieces helped keep a smart and glamorous appearance.

Retiring from her reign this fall, she enters Northwestern University, and is planning college clothes. "By sewing, I can have wardrobe variety and stay within my clothes budget," says Bebe.

Here you see Miss Shopp in one of her off-to-school outfits. Simplicity Designer's Pattern #5032, the dress has a roll-type collar, high Empire waistline and cape. Bebe chose a duck print by Everglaze. It launders and is wrinkle resistant, too!

If you're planning to sew-your-own fall wardrobe take a few tips from Miss America. Proper fit is a most important requirement for a well-made garment. Almost every feminine figure has definite variations. One of the easiest ways to detect figure faults at once is to follow Miss Shopp's example and use a thermoplastic dress form that is an exact duplicate of your figure. Then it's easy to adjust patterns accurately and turn out perfectly fitted garments. It also eliminates need for countless try-ons.

At your local Singer Sewing Center, where the thermoplastic dress form is molded to you curve for curve, experts will give tips to aid in dress-making projects. Select proper shoulder pads along with pattern and fabric. Pin to dress form for all fittings. When fitting back bodice, allow one-inch slack in pattern from neck, down center back, to waist. This allows for arm movement. Allow a little slack around armeye. Tapes on the thermoplastic dress form indicate shoulder line, center back, center front, waistline and left and right sides. Follow closely and make generous seam allowances at these points.

Wanda Kinnaird On Honor Roll

Shawnee, Oklahoma (Special)—Wanda Faith Kinnaird, of Devol, Oklahoma, was listed on the Dean's Honor Roll of Oklahoma Baptist University for the 1949 Spring Semester, according to information released this week by Dr. L. E. Solomon, registrar.
To earn this honor a student must have been enrolled in at least 12 hours academic work and have made a grade of "B" in at least half of all work with no grade below "C".
Miss Kinnaird is classified as a senior at the University.

Mr. and Mrs. Johnny Jones and children, J. Richey, Carol Dean, Duane and Sandra Kay of Corpus Christi, spent the past week visiting Mrs. Jones' parents, Mr. and Mrs. J. L. Smith in Burkburnett and with Mr. Jones' sister, Mrs. Cliff Jackson at Walters, Oklahoma. They left Saturday to visit a few days with Mrs. Jones' sister, Mrs. L. W. Southerland in San Antonio.

Walter E. Blackwell and family of Santa Maria, California, are in Burkburnett visiting with his parents, Mr. and Mrs. J. W. Blackwell and meeting old friends. He says Burkburnett has made quite a few changes since he was here last.

Mr. and Mrs. S. J. Moreman and son, S. J., Jr., of Palestine, Texas, are visiting in the home of Mr. and Mrs. C. A. Moreman.

"Aid" or Waste?
Suppose your doctor should say, after having drained off about three quarts of your blood: "Why, my poor man, you look anemic. I'm sorry for you. Out of my well-known generosity I am going to give you a half-pint of blood." You wouldn't consider his reasoning to make good sense. Yet, the backers of federal aid to education, arguing that "poorer" states are not able to support adequate educational programs within their borders, fall back on that sort of thinking.

For the federal government to take from Arkansas \$98 million a year in income taxes and then offer back \$6 million in "aid" because of Arkansas poverty, just doesn't make sense. If the federal government would eliminate its present wasteful spending and reduce income taxes by only 10 per cent, that alone would be worth more to the "poorer" states than passing back to them this proposed "aid."

Operation: Wasteful
It must be remembered that Washington has no money to give anybody. The federal government can hand out only that which it collects. It can only tax the states to get money with which to "aid" the states. We should remember, moreover, that such aid will always be weighted with bureaucrats and political hangers-on, to be paid for by the same states that get the "aid." The local way is not only the responsible way, it is also the economical way.

The federal government has no record for the economical operation of anything. Should our public school system become federally controlled, I would definitely expect it to become a wasteful operation. (Most of our Indians are educated in federal schools. The cost per student is several times greater than in our regular schools.) A federally operated school system would show the same waste and inefficiency that is typical of federal operations in general.

How to Become Poorer
We have a national debt so monstrous already that there is mounting concern whether we shall be able to meet present obligations and maintain economic stability. Therefore, I look upon federal economy and efficiency as an issue of prime importance. The same thinking that begs for federal aid to education can be allowed to wreck the government by adding financial burden upon financial burden, when the treasury has more debt than anything else.

As an Arkansas citizen, I am fully aware of our own educational problems, in one of these "poorest" states. Yet, we have tripled our per capita income since 1939. Scores of new industries have been started in the state, and our agriculture is prosperous. We can support an adequate school system. What Arkansas needs most is a suitable reorganization of our outmoded system, not federal aid as a crutch for all present weaknesses.

What America actually needs today is deep moral purpose in her education, rather than a more extravagant system. Our educational advantages have increased greatly in the last 40 years, but the juvenile crime rate has increased just as fast. There are those who would make federal aid the answer to juvenile delinquency, a problem which goes back largely to home and parents. Yet, the moral purpose that America needs so much suffers a real set-back every time we hand individual freedom to federal bureaucrats.

Salvation Through Obedience of Faith

To receive the blessings of God an individual must be obedient to the commands of Christ in the Word of God. Paul speaking of Christ said, "And being made perfect, He became the author of eternal salvation unto ALL THEM THAT OBEY HIM," Heb. 5:9. On the other hand those who refuse to obey the faith will receive eternal condemnation: Paul said, "In flaming fire taking vengeance on them that know not God, and that obey not the gospel of Our Lord Jesus Christ." I Thes. 1:8. "So then faith cometh by hearing, and hearing by the word of God." Rom. 10:17: Therefore "obedience to the faith" is an obedience to the Word of God. To know how to obey Him, we MUST SEARCH the Word of God diligently, in order to LEARN HOW to be among those "obedient to the faith." The first few chapters of the Book of Acts will help us much to understand how to be "obedient to the faith". The apostles through the direct guidance of the Holy Ghost (spirit) preached the "death, burial and resurrection of Christ" and later put the teaching in writing, which is the New Testament, that we today might have the same opportunity to be saved. "... with the washing of water by the word," Eph. 5:26. Paul said, "For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that He was buried, and that He rose the third day according to the scriptures." I Cor. 15:3-4. Too many people today are trying to be saved by a faith that does not work, a faith in which there is no obedience; a dead faith. Evidently, God expected such teachings to rise, as the inspired James declares, "What doth it profit, my brethren, though a man say he hath faith, and have not works? can faith save him?" James 2:14; "Even so, faith, if it hath not works, is dead, being alone." James 2:17; "Ye see then how that by works a man is justified, and NOT BY FAITH ONLY." James 2:24. In the wonderful chapter on faith, Hebrews 11, where a list of heroes of faith are recorded, notice the accomplishments and triumphs of faith and see that in every case from righteous Abel on down that faith brought the blessing only when the individual responded in OBEDIENCE TO THE WILL OF GOD. Therefore, trust no longer in a dead faith.

SERVING the Gulf South

**... by providing MORE JOBS
AND MORE PAYROLLS**

Jobs and payrolls are important to you and your family and are equally important to all other residents of your community... to the grocer who shares in your spending, to the doctor, the hardware or department store. They all get a share of your pay check.

United Gas, with more than 5,000 employees (over half of whom are in Texas), is one of the major employers of the Gulf South, and through its payroll helps to create MORE JOBS and MORE PAYROLLS. This is another example of the way the American Business System works to bring better living to your community.

THE City Grocery & Market SAYS

IT IS IMPORTANT TO KNOW MORE ABOUT A
THING THAT MEANS SO MUCH

Unless you live in a part of the world where you shoot
your own meat, you do like everybody else

You go to the store and take your choice of a wide
variety of meats in fine, wholesome condition.

THAT IS WHERE THE CITY GROCERY AND
MARKET DOES ITS PART

Actually, we who eat at Uncle Sam's boarding house
are pretty lucky. Just as you take it for granted that
you will get light every time you flip a switch
you expect to find the Pork Chops, the Hamburger,
the Frankfurters, or whatever else you want, any
time you shop. AND YOU USUALLY DO.

NOT JUST THE FINEST OF MEATS, BUT THE
MOST COMPLETE, HIGHEST QUALITY OF
GROCERIES AND VEGETABLES IN TOWN

Wardie McConnell Celebrates Eighth Birthday Friday

To honor her little daughter, Wardie McConnell, on her 8th birthday, Mrs. Buddy Bean entertained a group of girls Friday, August 5th.

After attending the movies in the afternoon, the girls returned to the Bean home to witness the opening of the lovely birthday packages.

A beautiful pink birthday cake was served with punch to Mur Ann Elliott, Beverly Netherlain, Patsy McNeill, Margaret Franks, Judy Hofacket, Carolyn Clement, Mary Carolyn Mayes, and Donna McConnell and the little honoree. Clever plate favors, little rubber dolls dressed in lace, were given each guest.

What's Under the Hood?

Machine loving, curious Americans, we are. If we buy a new car, most of us want to know first what it's got that makes it go. Many a lad, since grown up but still curious, remember's papa's razor-strop or mama's rage because he tore up the Big Ben alarm clock. He just wanted to see what made it tick! The genius of young America today, for understanding things and machines and gadgets, shows a quality of mind and spirit that is distinctly American. May we never lose it.

To want to know what's under the hood is a mighty fine thing. But about America itself; the story of our enormous growth, the foundations for our freedoms and prosperities—these things we have not looked into. We know that America is the best land in which to live, but we don't always have the answers why. That's not fair to America, nor fair to the future we all have a right to expect. We ought to know the How's and Why's of the American Miracle.

Seeing Is Believing

Ever since I came back in 1936 from a ten-year stay in China and a look-see at dozens of other nations both ways around the world, I have been plugging for real understanding of America. When we steamed into New York harbor that time, my wee daughter thought Heaven would be wonderful if it were half that nice. She didn't mind saying so. She was born in China. But I found a nation full of confused people, and I felt that many of my fellow Americans were faint-hearted. I do not regret having since devoted so much time and energy to the job of reselling everybody I meet on the idea of America. It's not that Americans are against the American way of doing things. We've been so free, and so busy, that we just haven't paid much attention to the reasons for our well-being. Then, when some Johnny Commie happens along to tell us: "Down with capital and hate your boss!"—we fail to have answers ready for him. Such a misunderstanding of America can be serious.

Know Your Land

I am happy to see that the Advertising Council, Inc., a non-profit organization made up of men in the advertising profession, will dramatize the story of America in magazines, newspapers, and on billboards. Many companies and publications will sponsor the advertisements prepared by the Council. The American Federation of Labor, the Congress of Industrial Organizations, and other groups are helping. If you see any of the ads in November and later months, please read them.

A Greater America

You will also want to read "The Miracle of America," a booklet which will be offered free in the advertisements. Two full years of work were put into preparations for this educational campaign by the most talented story tellers in the land: America's advertisers. They are doing a fine job telling the story of our nation and the benefits of the American system. Let us echo the story and pass the word around!

You bet, America's going ahead. If we all pull together. If we count our blessings, and at the same time view our glorious future, it'll not be possible for a single American to fall for anybody's false ideas. There's no country with a past like America's nor any with as great a future. If we inform ourselves, and determine that our way is the best, we can settle down and get going toward the goal of an even greater America! What's under the hood will take us places!

Farm Bureau News

By Mrs. John Wesley

The directors of the Wichita County Farm Bureau met in the office in Iowa Park Tuesday night, with the president, Geo. Lewis, presiding. Reports of the Texas Farm Bureau Institute held in College Station, July 24-29, were made by Mrs. John Wesley, Mr. and Mrs. Loys D. Barbour. The directors were instructed to select leaders in their surrounding communities who will come together on August 30 to map out definite plans of work for the county membership round-up which will take place in October.

Mrs. A. A. Evert, Queen Contest director, urged that girls who have not sent in their registration cards to do so at once. It was announced that Prof. A. F. Edwards of Hardin College will be guest speaker at the county-wide meeting which is being held in connection with the Queen Contest on August 18. Entries so far include Juanita Klinkerman, Iowa Park; Therese Celene Irby, Electra; Jo Ann Jenne, Wichita Falls; Fern Louise Siber, Lorene Schroeder and Frances M. Crane, Burkburnett.

The president appointed to serve as resolutions committee,

Arthur Evert, Herbert Detmer, and Gale Lowrance. This committee is to work on resolutions to be passed on by the county as a whole and taken to the state meeting.

In the very near future Farm Bureau members will have their own notary. Notary services will be free to all members.

The Wichita County Farm Bureau will participate in the informational program to be conducted state-wide in Texas by the Farm Bureau to better acquaint farmers and ranchers with the activities and services of the Farm Bureau in promoting, protecting and securing agriculture, it was announced by George Lewis, president, who attended the district officers' meeting at Wichita Falls on August 9, 1949.

Facilities of the press and radio will be used to bring the

problems of agriculture toward the people to stimulate rural roads program will be two of the main items approached by the

Those in attendance District officers' meeting Wichita County were: Evert, Fred Minick, Lewis, Mrs. John Wesley, Catherine Sands, Mrs. Ine Sue Banks, who is group in singing, accompanied by Mrs. Otis Gay.
