

County Fair Is On Launching Pad; Countdown Is 21 Days

Jim Kemp Lions Speaker Tuesday Noon

Using as his subject, "Changing Times In A Troubled World," Jim Kemp, son of Dr. and Mrs. William J. Kemp, spoke to members of the Lions Club at the Tuesday noon luncheon meeting at Felker's Restaurant dining room, C. O. Hoyt was program chairman for the day and introduced the speaker.

"Limited freedom is all that is possible in a Democracy," Kemp told attentive Lions.

In conclusion Jim read an "Essay on Liberty," written by John Stuart Mills, telling of the condition of the world in 1783, which had a lot of similarity of problems we face today.

Bud Herren presided over the meeting, Wallace Cox, Jr., led the singing, with Judy Therwanger at the piano and invocation was given by Rev. H. O. Abbott, Jr.

In a short business meeting, following the program, officers and directors voted to give \$25.00 to a scholarship fund for "Miss Texas" contestant winners from Haskell County. The first scholarship fund will go to Marsha Shaver who was named "Miss Throckmorton" in the Miss Texas preliminaries held last June 1st at Throckmorton.

Rotarians Hear Facts About The Burns Institutes

Pete Spoons, of Wichita Falls, Recorder Maskat Temple, showed slides and spoke to members of the Rotary Club last Thursday noon at Felker's Restaurant dining room on the operation of the Shriners Burns Institute of the Shriners Hospitals for crippled children.

Bob Philpot was program chairman for the day and introduced the speaker.

Spoons said that Shriners designed their Burns Institutes to:

- (1) Save the lives of severely burned children and restore their bodies through extensive care;
- (2) Undertake research to advance medicine's ability to care for and treat children who have been burned;
- (3) Instruct medical personnel in the care and treatment of burned children.

"The Burns Institute at Galveston was opened in 1966 for treatment of patients, research and teaching. The Institute has all the latest and modern treatment and research in the burns field. The hospital has the most unique air conditioning system ever designed, with six different types of filtration. No one person shares the same air with another patient, because the air is exhausted over each individual patient's bed," the speaker said.

"In addition to repairing burned tissues of the skin, the patient is taught the use of artificial limbs," Spoons said.

Spoons pointed out that Shriners hospitals are open to all children under 15 years of age, regardless of race or religion, whose parents are unable to pay for the needed surgical, medical and hospital facilities. He emphasized that if we know of any child that has been burned and needs treatment to contact any local Shriner or physician.

In the interest of raising funds for a scholarship in the "Miss Texas" pageant, Mrs. Viars Felker spoke to Rotarians during a short business session. The matter was referred to the directors for consideration.

Guests noted at the meeting were C. A. Thomas Jr. and Haskell High School Senior guests, Hal Spain and Ray Acosta.

Eldon Anderson presided over the meeting, H. V. Woodard led the singing, with Mrs. Henry Withers at the piano and Charles Thornhill gave the invocation.

J. R. Gleaton, of Stamford, vice-president of the Rolling Plains Production Credit Association, will be the speaker.

Mrs. Clay Smith will be in charge of the morning service and will introduce the speaker, as Mr. Harper will be speaking at the Stamford Methodist Church Layman's Day Service.

The 1968 model of the Haskell County Fair is on the launching pad and the countdown is 21 (days) until October 31st when it will take off with a colorful downtown street parade scheduled at 4:00 p. m. that day. ...

A final meeting of officers, directors and division superintendents was held on Monday night of this week in the Corral building at the fairgrounds with C. A. Thomas Jr., president, in charge. Numerous items on the agenda were discussed by those present and with only three weeks left until opening day, indications are that it will be much larger in scope than any produced here within the past twenty years or more.

A full three days and nights program is in store for all comers with the entertainment features tailored to fit the desires of both young and old in every walk of life. This will include: two nights of western activities in the fair ground rodeo arena where boys, girls and oldtimers alike will vie in the various contests planned by James Powell, veteran rodeo producer of the Haskell County Livestock Auction.

Other special attractions will be the gospel singing scheduled for Thursday night under the direction of Hallie Chapman and Tom Watson. A large tent will be erected on the grounds for the benefit of spectators, choirs and quartets who will present the program for music lovers of a wide area of Texas.

On Saturday night the same tent will be the setting for Western music and an oldtime fiddling contest which is drawing entries almost daily. Clarence Meier of Haskell is in charge of this special feature of the three-day county fair and interested persons should contact him about entry.

Saturday, November 2nd at 10 a. m., boys and girls from the age of nine to 19 will have the opportunity to show their horses in the fair ground rodeo arena in various classes set up for both registered and grade mares and geldings. James Miekler of the Haskell High School coaching staff and veteran rodeo performer, rodeo judge and announcer, will be in charge of the show.

The corral building with approximately 3500 square feet of floor space will be filled to capacity with exhibits which will include art, antiques, flowers, 4-H club work in several categories, educational, farm products and many others.

The livestock barns will be utilized to house the cattle, hogs, sheep, rabbits and poultry which will be judged by capable judges engaged especially for the fair, with cash, ribbons and rosettes to be awarded.

A general face lifting of the fair ground facilities is under way to include paving of much of the area, new fences and an imposing sign over the entrance and also ample provision of parking space for many visitors expected to attend the fair.

Carnival rides and concession stands erected on the midway will lend a gala and festive atmosphere for all comers to the Haskell County Fair which includes our neighboring counties of Jones, Knox, Stone, Wall, Shackelford and Throckmorton.

Former students, teachers and patrons of the Weinert School, converged on Weinert Saturday, October 5th, for the biennial homecoming.

Tiffen Mayfield, 1968 Homecoming president, said that 350 persons registered for the event and between 750 and 1000 persons were on hand for the day-long activities, with 10 states represented.

Major James Randall, of Fort Sill, Oklahoma, a graduate of the Weinert school class of 1950, was the principal speaker and was introduced by Douglas Myers, of Munday, former school superintendent of Weinert. H. L. Guess, gave the welcome address and Arch Mayfield, the response.

Mrs. Mable Derr, who has taught at Weinert since 1945, and prior to that time had taught in some of the schools that were consolidated with Weinert, was presented a plaque and given a standing ovation.

Talented Alexia Mayfield, daughter of Mr. and Mrs. John Mayfield, favored the homecoming crowd with a song, "Impossible Dreams."

Donna Adams, 17, daughter of Mr. and Mrs. L. J. Adams, was crowned homecoming queen during half-time activities of the Weinert-Moran football game Saturday night.

The 1970 homecoming officers elected were Jerry Jetton, president; Mrs. Melvin Vojtkufka, vice-president; Mrs. Glenn Caddell, secretary-treasurer and directors, Tiffen Mayfield, H. L. Guess and R. N. Mathison.

Invocation was given by Rev. Ross Anderson, and benediction by Rev. Harold Durham.

Absentee voting begins October 16

Voting by absentee in the General Election November 5th, begins Wednesday, October 16, and will end November 1.

Persons that are registered in Texas for the current voting year, but have lived in Haskell County less than six months may vote during the absentee period at the County Clerk's office.

Regular absentee voting gets underway October 16, and those persons who may be out of the county on election day should cast their ballots between October 16 and November 1.

Country Club Stockholders Slate Meeting

There will be an annual stockholder's meeting of the Haskell Country Club members, next Tuesday, October 15, at 7:30 p. m. in the community room of the Country Club.

All members are urged to be present and help support their club.

Refreshments will be served and door prizes given.

Bob and Ollie McGary announce the purchase of the Bluebonnet Cafe from Mr. and Mrs. Lamar Casey, and the business in the future will operate under the name "City Cafe."

Mr. and Mrs. McGary are experienced in the restaurant business and both have been employed at the Bluebonnet during the time the Casey's owned and operated the cafe.

The cafe will be open from 5:00 a. m. to 10:00 p. m. daily and complete dinners and a la carte orders will be served.

Mr. McGary said.

Mr. and Mrs. Casey expressed their thanks and appreciation for the fine patronage they had received and solicited the continued patronage to the new owners.

Parks Announces Purchase Of Barber Shop

Sam Parks announced this week the purchase of Roy Cook's Barber Shop, south side of the square and solicits the continued patronage of present customers, friends and general public to visit the shop for all their barber needs.

Leslie Jones, who has been barbering at the shop for a number of years, and Mr. Parks, will be on duty to serve the customers of this area.

The business will operate in the future under the name of South Side Barber Shop.

Elsewhere in today's paper will be found an advertisement concerning the change in ownership of the barber shop.

Former County Tax Assessor Is Commended

Norma Childress Winton, former Tax Assessor-Collector of Haskell County, now residing in Bowie, received a letter from Robert S. Calvert, State Comptroller, Austin, stating that the Haskell County Tax Assessor's records during her tenure of office were audited and found to be correct and in balance.

Mr. Calvert commended Mrs. Winton for keeping such an excellent set of records, therefore helping the State Office in auditing the books.

Large Crowd Present For Haskell County Farm Bureau Convention

Approximately 150 members attended the Haskell County Farm Bureau Convention held Monday, October 7th, in the Elementary School.

President Dale Middlebrook greeted the group and presented T. J. Richards, Dist. 3 Director of Texas Farm Bureau. Mr. Richards introduced H. L. "Hub" King, Dist. 2 Director from Brownfield, who was the principal speaker. King told the audience that the greatest challenge we have as citizens and farmers is to keep this country free—that we often take too much for granted and that by binding ourselves together we will get things done to help ourselves and our neighbors.

Weldon Norman presided as Resolutions Committee Chairman and read 15 resolutions that had been previously discussed by the committee—all 15 were passed by the membership—one of which pertained to our Farm Program. The group voted to go on record as feeling we need some kind of a farm program—"inasmuch as we are living in a controlled economy and must sell our products on a regulated market, we need some form of a govern-

ment program to protect our interests."

Due to the increase of cost of supplies, postage and equipment, it was voted to increase the membership dues to \$15.00, effective Nov. 1, 1968. It was explained that this was the first and only increase in dues since 1950.

Willie Peiser served as nominating committee chairman and the following changes were made; and officers installed: John Paul Perrin as president; Lewis Thomas, as first vice president, Marvin Phemister as 2nd vice president, Wallace Dudensing for Sagerton; Gene Wells for Paint Creek; Jerry Hester for Weinert; Wilson Bean was re-elected for Rochester; and the holdover directors are: J. W. Aycock, Mattison; Justin Puschel, Irby; Clinton Kimbrough, Haskell; John Hisey, Jud; Weldon Norman, Rule.

Dale Middlebrook thanked the board and members for their help during his term and the new president, John Paul Perrin, urged continued support.

Prizes were presented, refreshments served and the Paint Creek Play Boys furnished music during the evening.

Changes Made In Work Areas Of Haskell-Knox City Work Units

Jack Idol, Benjamin, Chairman of the Board of Supervisors of the Wichita-Brazos Soil and Water Conservation District, and J. C. Yeary, Jr., Work Unit Conservationist, USDA Soil Conservation Service, Haskell, announced this week, changes made in the work areas of the Haskell and Knox City Work Units within the District.

The Haskell Work Unit will serve all of the Wichita-Brazos SWCD within Haskell County. The Knox City Work Unit will continue to serve all of Knox County within the District.

Farmers and Ranchers, and District Cooperators, whose land borders or lies across the Haskell-Knox County line, will let their County ACP Farm Number govern their conservation programs, Yeary pointed out.

The Knox City Work Unit will furnish conservation assistance to units with Knox County ACP Farm Numbers while the Haskell Work Unit will furnish conservation assistance to those units with Haskell County ACP Farm Numbers.

W. L. "Knott" Ballard of Rochester and Henry W. Smith of Weinert will continue to serve as SWCD District Supervisors in Haskell County. Idol said.

The Haskell SCS Work Unit is staffed by J. C. Yeary Jr., WUC, Hinds A. McGowen, Jr., Soil Conservationist, and Harry G. Koehler and Milton L. Christian as Soil Conservation Technicians. The Work Unit offices are located at 102 North Ave. E. in the same building with the Haskell Chamber of Commerce.

Funeral Services Today, Thursday, For Joe Wallace

Joe Wallace, 85, of Haskell, retired blacksmith and welder, passed away Tuesday, October 8th, at 9:40 p. m. in the Haskell Memorial Hospital where he had been a patient for two days.

The Haskell Indians, suffering from Stamford Bulldog bites, and trying desperately to come from behind to play "catch-up" all during the game, were nose-out 13-7 in the first conference game for both teams here Friday night.

The Bulldog's opening tally came on a three-yard plunge up the middle by Rene Alvarez in the opening minutes of the first quarter. Roy Vasquez's kick for extra point was good.

Halfback Mike Brown found daylight around right end for 20 yards and another Bulldog score in the third quarter forging the lead to 13-0. Vasquez's try for the extra point fizzled.

Lanny Ivy, Indian Quarterback, connected with Gary Felker on a 46-yard aerial in the final quarter for Haskell's TD. Ivy's kick for the extra point was good.

Vasquez led Stamford's ground efforts with 74 yards, while the visitors held fleet-footed Indian Charles Franklin to 51 yards.

Clifford Campbell, Sam Stone and Terry Lowrey turned-in some fine defensive plays for the Indians.

Ivy completed 11 of 22 passes for 177 yards for Haskell's top offensive endeavors, and had a number of tosses dropped.

Statistics

Stamford	Haskell

Meet Merkel Next

The Indians hit the road to Merkel Saturday night, October 12, to take on the Merkel "11," a team in class A last year which moved-up this season into the "big-time," TAA.

A large delegation of fans is expected to follow the team to Merkel.

Rogers-Cox Post Honors 50 Year Members

"Nearly one-hundred persons were on hand for the Rogers-Cox Post 23, American Legion supper and awards program Saturday night at the American Legion Hall," Bob Philpot, Commander said.

Dr. Harry Sarles, minister of the Presbyterian Church, spoke to the group on the organization and history of the American Legion and the following young men, J. F. Cadenhead, Hal Spain, Gary Felker, James Kerpekia, John Martinez and Ray Acosta, who attended Boys State in Austin last June, under the sponsorship of the American Legion, told of their participation in the organization of political parties, campaigns, elections and the enactment and enforcement of their own laws in a mythical state.

The Boys State representatives said that Boys State affords young men an opportunity to learn the functions of governments.

Another highlight of the evening was the awarding of fifty-year pins to Virgil M. Meadors, Mack Williams, Dennis Ratliff, Arthur R. Lee, George Neely, Charles M. Conner, E. F. Bosse, William F. Bosse, W. E. Skains, Charley Moeller, Wallace Cox, Sr., Hardin Coffman, John P. Payne, W. H. Pittman, John W. Brock, J. H. Montgomery, and Dave H. Persons.

Rogers-Cox Post also kicked-off the 1969 membership drive Saturday night.

Youth Revival At Foursquare Church Underway

With Crusader Evangelist, Sam Oppenheim, delivering the messages, the youth revival which began Tuesday evening at the Foursquare Church will continue through Sunday, October 13th, according to Rev. Roy Herriks, pastor.

Special emphasis is on the youth in each service, but Rev. Oppenheim's messages appeals to both youth and adults.

Services are being held each evening at 7:30 o'clock, with an invitation to all to attend.

ANYONE LIKE RATTLENAKE STEAKS?

Sgt. David (Mike) Martindale of Worksouth Air Force Base, Michigan is here on leave visiting his parents, Mr. and Mrs. David Martindale.

While bird hunting the first of the week, Sgt. Martindale and his father killed six very large size rattlesnakes in the southeast part of Haskell County.

"Sew It With Wool" Entry Blanks Available At H. D. Agent's Office

The "Sew It With Wool" entry blanks are now available at the Home Demonstration Agent's office, Miss Fansler encourages the public to participate in the contest. A county-wide elimination contest will be held to pick the top ten contestants. These top ten will then compete at Lubbock on December 7 for the selection of regional winners.

The entry blanks must be received by Lubbock headquarters not later than November 14, 1968. No matter what your age whether 10 or 70, do enter the contest because there are ten chances to win.

To be eligible to enter the contest a contestant must qualify according to these rules:

Age and Garments
(No pants, slacks, ensembles, costumes)

Junior, 14-16 inclusive, may make dresses, coats, capes or two-piece suits.

Seniors, 17-21 inclusive, may make dresses, coats, capes or suits.

Sub-Debs, 10-13 inclusive, may make jumpers, skirts or ponchos.

Adults, 22 and over, may make dresses, coats or suits.

Entry must be made in the correct age bracket determined by the age of the contestant on January 1, 1969.

1. Garments must be made of 100% wool or fibers accepted as wool, such as mohair, camel, cashmere, alpaca, llama, guanaco, and vicuna. This allows 5% (no more) of other fibers. **WOOL MUST BE LOOMED, KNITTED OR FELTED IN AMERICA.** No hand-knit garments are acceptable.

2. Garments must be ENTIRELY CONSTRUCTED BY THE CONTESTANT.

3. The contestant is eligible for state contest only after she MODELS HER OWN GARMENT before judges at District

and models in a District Fashion Show.

4. All garments must be made after January, 1968.

The County "Sew It With Wool" contest will be held on Nov. 18th, at Rule, Texas. More information concerning the contest will be in news articles to follow. Start sewing on that wool dress now for the fair and wool contest.

The Haskell County Library is open Monday and Wednesday afternoons and all day Saturday.

Stitching And Stewing

By Ruth Ann Fansler County H. D. Agent

With school season comes study time, I would like to stress the importance of good lighting in study centers. A well-lighted desk makes it easier to concentrate and avoid eyestrain and physical tension.

To study, use a lamp correctly placed and fitted with a 300-watt bulb. If you do not have a diffuser on the lamp, use a white bulb to reduce glare.

Place the lamp so the center of the lampshade is about 15 inches to the left of the work center and the lamp about 12 inches back of the front edge of the table for a right-handed person.

Several lamp manufacturers now are making specially designed higher-wattage study lamps which produce nearly twice as much light as other lamps and spread light over a wider area. They also reduce glare.

Tags attached to these lamps say "This is a Better Light-Better Sight Bureau Study Lamp."

Some other suggestions to improve light in study center: Choose a desk with a light-colored, nonglossy finish. Use a light-colored blotter or desk pad.

Paint walls in neutral or light colors or select a plain wallpaper or one with a small, quiet design.

Make sure that the desk does not face a window.

For the third recipe in our series of Mexican Food recipes, I have chosen this one for Mexican rice:

1 medium onion
1 clove garlic
2 tbs. salad oil
1 cup rice
3 cups stock
1 cup tomato sauce
2 tsp. salt
1/4 tsp. pepper
1 tsp. chili powder (optional)
Mince onion and garlic. Stir them into hot oil and saute until golden brown. Add rice and cook, stirring frequently, until almost amber in color. Pour in stock (4 bouillon cubes may be dissolved in three cups boiling water) along with tomato sauce, salt and pepper. Cover and cook over low heat for 25 or 30 minutes or until rice is tender and all of the liquid is absorbed. (4 to 6 servings)

and working on the float. Club members were reminded of National 4-H Club Week, October 6-12. They were also reminded about the fair entry deadline, and fair books were distributed at the meeting.

The club selected Tommy Miller and Alexia Mayfield as candidates for county 4-H King and Queen.

Refreshments were served by Melanie Vokufka and Jerry Sanders. Games and songs were led by Paula Wilfong and Joey Yates.

Mrs. Alton Sanders served as leader for the meeting.

Yearbooks Presented At Meeting Of The Progressive Study Club

Yearbooks were presented at the Progressive Study Club meeting Thursday, October 11, at 7:30 p. m. in the Community Room of the Haskell National Bank.

Mrs. Kenneth Lane, vice president, presided in the absence of Mrs. C. T. Everett, president of the club. In the business session resignations from two members, Mrs. Robert Schumann and Mrs. E. M. Powell, were accepted.

Mrs. R. A. Lane asked mem-

bers of the club to consider supporting a scholarship fund for Miss Texas winners from Haskell County. Haskell county has already participated in this area program, designating the two past Misses Hey-Days to represent this county, since there had been no opportunity to select a Miss Texas representative.

A special club project this year is the sponsoring of bridge lessons for beginners at first, later to expand into a refresher

course. Mrs. Ira Hester will be the teacher for this project, to commence every other Thursday night beginning October 10 at 7 p. m. in the Community Room of the Haskell National Bank.

Mrs. Kenneth Lane presented the yearbooks for the 1962-63 club year. Theme for programs is "It Pays to Advertise." The year will be highlighted by a trip into Marlboro Country, West Texas' own "6666" Ranch in the Guthrie area. Husbands will be guests for this occasion, which will include a side trip to the historic old courthouse in Old Glory.

The club was honored to have Terry Kay Diggs, Sue Wilkinson and Jim Smith as special guests, accompanied by their English instructor, Mrs. Terry M. Diggs. Terry Kay presented an assignment from her English class on patriotism entitled "Snoopy will not make a good president!" A clever commentary on this year's frustrated voter, Sue Wilkinson, in her presentation, showed clearly the predicament the U.S.A. may be in should the popular vote fail to elect a president, this event having been predated in 1823 when John Quincy Adams was elected by electoral processes over Andrew Jackson.

Jim Smith changed the subject completely by bringing an excellent reading of Peter Ustinov's "Frontiers of the Sea." An old man sitting on a sea wall in Spain speaking little because he has nothing to say, yet able to evoke sympathetic response in the listener because silence will not hide the depth of soul, brought a sense of quiet delight to Jim's audience also.

Mesdames W. E. Woodson, Joe Warren and Jim Sampson hosted the evening, serving miniature birthday cakes in honor of Mrs. C. T. Everett's birthday.

National FFA Judging Contest

Fifteen FFA members from Texas will compete with winners from the other 49 states in the National FFA Judging Contest in Kansas City, Missouri during the National FFA Convention, October 15-18.

Representing Texas will be the Livestock Judging team from Abilene. Team members are: Ronny Allen, Danny Brown, and Rod Edwards. Bill Scott is the Vocational Agriculture teacher.

The Meats Judging team representing Texas is from the Fredericksburg chapter. Team members are: Robert Ellenbracht, Bryan Bierschwale and Allen Eckhardt. Team advisor is Joe L. Tatum.

Poultry Judging team members from the Hays FFA in Kyle are: David Domsch, Russell Simon and Glenn Whitaker. Elbert Steele is team advisor.

Future Farmers from the Lorena Chapter who won the State Dairy Products Judging Contest last May to compete in the National are: Wayne Poehls, Clint Sutton, Marvin Lankford, and alternate Danny Cook. Advisor to the team is William Woody, Vocational Agriculture teacher at Lorena High School.

The State Dairy Judging team members from the Corsicana Chapter to compete at National are: Ken Jones, James Wheeler, Tim Heifner, and alternate, Jerry Harris. Team advisor is Sonny Jamison, Vocational Agriculture teacher.

The National Judging Contests are sponsored by the Future Farmers of America Foundation Incorporated.

SAGERTON NEWS

MRS. DELBERT LEFEVRE

Delbert LeFevre, a member of the Rule School Board, accompanied Supt. Conner Horton, and Doc Jones, another member of the Rule School Board to a School Meeting at Austin last week-end.

Several members of Faith Lutheran Brotherhood and their pastor, Rev. Gary Bruns, attended a meeting of their organization at Wilson Sunday afternoon.

Mr. and Mrs. Reginald Crabtree, formerly of Sagerton, now living at Plainview visited here with old friends recently, in the homes of Mr. and Mrs. Oscar Gibson, Mrs. Ben Hess and Mrs. John Clark.

Mr. and Mrs. Joe Clark and Peggy and Mr. and Mrs. Leon Stegemoller, and family and Mr. and Mrs. Leslie Baitz and daughters and Mr. and Mrs. Herman Raphael of Stamford visited to Ozona on the week-end of September 15 for the dedication of a new Lutheran Church there. They also visited with Mr. and Mrs. George Olson and sons there. They were surprised to find that the Olsons were about to move into a brand-new home. The Olsons formerly lived in Stamford before he was transferred to Ozona.

We are happy to report that Vicki Tichelman, who was injured in a two-car accident about two weeks ago, was able to go back to school on Monday of this week. Although she is supposed to take it easy, she is doing fine.

Whit and Reece Clark returned home last week from a very successful hunt in Canada. They each killed a moose. It was their first time to hunt moose. Their Indian guide told them that not many white men went back into that country near Slave Lake, Canada to hunt. The only way they could get back up into the country was on horse back, but they were able to bring back their horns.

The women of the L.O.C. Home Demonstration Club entertained their husbands and children at an ice cream supper Monday night at the Community Center. Those attending were: Mr. and Mrs. Herbert Stremmel, Mr. and Mrs. Herbert Nierdieck, Roy and Melissa, Nancy Kainer, Mr. and Mrs. John Tichelman, Mr. and Mrs. Eugene Tichelman and Billy, Mrs. Delbert LeFevre and Kent and Jill, Mr. and Mrs. Clarence Tichelman and Ronnie and Arlene, and Mrs. Hubert Klose.

Mr. and Mrs. Glen Schronerstedt and daughters, Kami and Kristi, of Lovelland, were here the early part of last week and they and Mr. and Mrs. Fred Schronerstedt went to Euless to visit with Mr. and Mrs. Lawrence Schronerstedt and sons.

Mr. and Mrs. Keith Whiteaker and their friends from Austin visited in the home of Mr. and Mrs. F. A. Ulmer last week-end.

Mrs. Delbert LeFevre and Kent and Jill visited with Mr. and Mrs. Mike Bailey and Rob at Spur Sunday afternoon.

Kenneth Neimast, a student at San Angelo State, was home last week-end visiting his parents, Mr. and Mrs. Edward Neimast. Ray Clark of West Texas State, was also home last week-end visiting his parents, Mr. and Mrs. Joe Clark.

Gary Spitzer, a student at McMurry College in Abilene, spent the week-end here with his parents, Mr. and Mrs. Johnny Spitzer.

We received about one-half inch of rain here last weekend. It was badly needed for the wheat that had been sowed, but it stopped cotton harvesting, which has just begun in earnest here.

Mr. and Mrs. Larry Cornelison of Marshall visited with Mr. and Mrs. August Balzer Sunday.

Mr. and Mrs. J. W. Wells of Harts Camp and their friends visited with Mr. and Mrs. Edward Neimast last Monday evening. They were on their way home from a fishing trip.

Mr. and Mrs. Reece Clark and Mrs. Ted Terrell and children of Stamford visited with Mr. and Mrs. Whit Clark in Rotan Sunday.

Mr. and Mrs. Norvell Lehmann and family visited with Mr. and Mrs. Jan Fouts and daughters in Lubbock Saturday. They also attended the Texas Tech game.

Mr. and Mrs. August Angerman visited Carlsbad Caverns, New Mexico recently and also visited at Bovina with Mr. and Mrs. Frank Pesch and other friends there.

Stitch And Chatter
The home of Mrs. Oscar Gibson was the meeting place of the Stitch and Chatter Club on Wednesday afternoon of last week.

L.O.C. Club Meets
Mrs. John Tichelman was hostess at the meeting of the L. O. C. Home Demonstration Club at the Sagerton Community Center Thursday, October 3. Miss Ruth Ann Fansler, Haskell County Home Demonstration Agent, brought the program on "What We Want Our Homes to Be" and "The Goals We Set for Ourselves."

Mrs. John Tichelman presided during the business meeting and Mrs. Eugene Tichelman gave the council delegate's report. Mrs. John Tichelman, Mrs. Lewis Corzine, and Mrs.

B&PW Members Hear History Of China Painting

The Haskell Business and Professional Women's Club met in the community room of the Haskell National Bank building, Tuesday evening, October 8th at 7:30 p. m.

Miss Nettie McCollum, president, presided over a short business session, and heard special committee reports.

The program, "The Magic of

Time," was presented by the personal development committee, Edna Mae Lyles and Leone Pearsey.

Mrs. Lyles introduced the speaker for the evening, Mrs. Roy Johnson. Her subject was "China Painting", and she gave a very interesting history of the beginning of China Painting in England and the different kinds of china. She started her painting as a hobby, and now uses it to some degree more than that. She loves it, and enjoys every minute she devotes to it.

Four tables were dressed in appropriate colors, and set with a place setting of her china, showing the different occasions for its use. Mrs. Johnson also displayed many more pieces of

Macon's At Home Following Wedding Trip

After a trip to Nassau, Bahama Islands, Mr. and Mrs. Carol Reece Macon are living at 4023 Rawlins St., Apt. 101 in Dallas.

The bride is the former Phyllis Jean Bounds, daughter of Mr. and Mrs. Pat Bounds of Paris. Mr. and Mrs. W. Otis Macon are parents of the bridegroom.

Rev. Rolin Chaney, minister of South Beckley Baptist Church in Dallas, officiated at the ceremony in the home of Mr. and Mrs. Joe Nicol in Irving.

Mrs. Diana Terry was her sister's only attendant. She wore a turquoise sheath dress with matching accessories, and a cream-colored orchid corsage. Given in marriage by her father, the bride wore a brocade suit with orchid corsage. Joe Nicol was best man.

The bride is a graduate of Rio Hondo High School and attended Paris Junior College. She is employed with the U.S. Civil Service Commission in Dallas.

The bridegroom is a graduate of Haskell High School and attended Hardin-Simmons University and Texas Technological College. He is employed with Thomas E. Stanley Architects and Engineers in Dallas.

Jr. 4-H Record Book Winners Are Announced

Joan Caddell and Sue Hager of the Weinert 4-H Club and Melissa Roberson, Rochester 4-H Club, all submitted record books for competition on the District level.

Miss Caddell won a blue ribbon on her record book. Sue Hager and Melissa Roberson won red ribbons.

Helping to judge the Junior Record books in Vernon were Lorina Caddell, Kathy Hager, Debbie Campbell, all members of the Weinert 4-H, and Ruth Ann Fansler, Haskell County Home Demonstration Agent.

Rainbow Sewing Club Installs New Officers

Mrs. John Larned was hostess to the Rainbow Sewing Club on Tuesday evening, October 1, at which time new officers were installed. Committees were appointed by the new president, Mrs. Sallie Patterson.

Several songs were sung by the group and various games furnished diversion.

Present for the meeting were Mesdames W. E. Johnson, Tony Patterson, Jim Fouts, Dick Andrews, John Larned, Walter Rogers and Jim B. Edwards.

CARD OF THANKS
We wish to thank all who helped in any way to make our sorrow easier to bear during the loss of our darling baby, Owen Darnon. May God bless you and be with you in your time of need is our prayer. Mr. and Mrs. Wesley Darden and families. 41p

For Pete's Sake To Be Shown At Texas Theatre

Haskell will be privileged to have another fine movie to see. "FOR PETE'S SAKE" presented by World Wide Pictures, endorsed by Billy Graham and sponsored by the Billy Graham Evangelistic Association. The Reverends Dick Williams, H. O. Abbott and Troy Culpepper are working hard already to make sure everyone in Haskell and surrounding areas will have heard of and decide to come and see on October 27, 28 and 29. Showings on Sunday will be 2:00 and 8:30 p. m.; Monday and Tuesday features will be seen at 6:15 and 8:30 p. m.

Life, Love, Laughter and Action are the themes in this superb artistry, and Pete Harper, a fellow described as a "meat and potatoes" guy, is the central character, a man who dares to take on big questions about Christianity today and comes up with even bigger answers!

Top Drivers To Perform At Big Country Raceway

Eight of the fastest AA/fuel dragsters in Texas, one of the nation's top women drivers in the nation and an NHRA National Meet and a quality qualifier will spice the quality field Sunday (Oct. 13) in the giant monthly drag racing meet at Big Country Raceway, Abilene.

The AA/fuelers, vying on an invitational basis, will be after a \$1,000 first prize as well as m.p.h. and elapsed time marks at the modern Big Country track.

Sharon Nichols, one of the four best women pilots in the country, will enter her record-holding C-gas Dodge Charger, "Shay's Rebellion," which claims both national m.p.h. and E. T. standards in its class.

Gene Wheeler of Abilene will be the favorite in the E-stock division with his auto — which has qualified for the prestigious National Hot Rod Association finals in Tulsa, Okla.

State Library Workshop Held At Seymour

Miss Katharine Ard of the staff of the Texas State Library conducted a workshop Tuesday, October 1st, in the new Public Library in the new Baylor County Court House at Seymour for the northern section of Public Library District III.

Mrs. Joe W. Cloud, a member of the Friends of Haskell County Public Library, attended, along with Librarians, Board Members, and Friends of Libraries from Crowell, Vernon, Seymour, Munday and Throckmorton.

Miss Ard was assisted by Miss Laura Wisdom, Librarian in charge of Interlibrary Loan in the Fort Worth Public Library, which has for some three years been serving its district in several ways under Federal Title I and II funds. Similarly, Abilene Public Library has been serving District III.

The workshop was designed to explain new legislation which will be proposed by the Texas

Library Association during the next session of the Texas State Legislature. The proposal is concerned with a state-wide network of Public Library Systems with the ultimate goal of improving public library service throughout the State.

The Texas Library Association has studied and worked out the plan over a period of some six years and its aim is to have the State accept some responsibility for state-wide library service. A copy of the proposal is available for your examination in the Haskell County Library.

The measure will need your support in the form of letters to your State Legislators. If passed, Texas should see improvement in its public library service and in time reach a level comparable to some of the other great features of this great state.

School lunch menus for week of October 14-18.
Monday: Hamburgers, lettuce, tomatoes, onions, pickles, pork and beans, potato chips, apple cobbler, milk.
Tuesday: Pizza, blackeyed peas, cabbage slaw, rolls, butter, apricot cobbler, milk.
Wednesday: Hot dogs, pinto beans, buttered greens, cornbread, butter, peach halves, milk.
Thursday: Salmon croquettes, mashed potatoes, buttered corn, tossed green salad, rolls, butter, jelly, milk.
Friday: Roast beef, gravy, green beans, baked potatoes, hot rolls, butter, chilled fruit cup, milk.

CARD OF THANKS

We find words inadequate to express our sincere appreciation to our friends for their prayers, memorials, cards and every kindness shown during our sorrow for our loved one. May the Lord bless each of you. Mrs. Lula Crow and family. 41p

Governor John Connally, by official memorandum, has designated the period from October 6-12 as 4-H Club Week in Texas. The dates are the same as for National 4-H Week proclaimed by President Johnson.

In his greetings the Governor said, "The development of responsible citizens and leaders for America is the high purpose of 4-H Club work."

"The 4-H program stresses the four-fold development of youth: their head, heart, hands and health. Members of 4-H Clubs learn by conducting projects and participating in 4-H activities. By putting into action what they learn, club members improve their home and communities."

"Since the 4-H program was inaugurated by the United States government in 1914 the 4-H movement has spread across our nation and to 76 foreign countries."

"More than 18,000 voluntary adult leaders work with club members in Texas and contribute to the success of 4-H. Parents and friends of 4-H give support and encouragement to club members. The 4-H club program is directed by the staff of Agricultural Extension Service of Texas A&M University."

"The opportunities offered to 4-H Club members to grow in citizenship, leadership and practical skills are especially valuable to them, the State of Texas and the Nation. The 4-H Clubs are a proving ground for future leaders."

In carrying out the "high purpose of 4-H," Texas members on the local and county levels will be participating in observances which emphasize citizenship and leadership programs, say the state 4-H club leaders. These observances will also feature a drive to greatly expand 4-H membership in Texas. The state leaders point out that local county Extension Service agents will welcome visits from parents and their children for discussions on 4-H programs and how the youth-serving organization might fit into their plans.

A special invitation is extended to all citizens to participate in the 4-H Club Week observance in their county.

PAINT CREEK . . . COMMUNITY NEWS

Mr. and Mrs. Gene Overton
Cotton defoliation has begun in the community. Roy Medford, a real good kill on his place west of the Methodist Church. Several farmers are defoliating this week, and others are rigging strippers, and trailers, and sprayers and getting ready. This weather is so like late fall that it makes one ready for harvest. The cotton is opening real well.

Dr. Arvie Bergstrom of Los Angeles, California left last Monday for a three-week visit in Europe. He will visit friends in Hof and Garmisch, Germany, in London and Paris. Some of his army friends are still stationed in Europe, and he wanted to visit while they were.

Mr. and Mrs. Allen Morris of Seymour spent Sunday with her parents, Mr. and Mrs. Eric Bergstrom.

It would only rain enough to bring up all the volunteer wheat and we could plow that under when sowing would begin. Men hate to sow with all that volunteer seed still in the ground. Wheat will be too thick if they do. It has rained from half an inch to an inch all over the community, and in the Cobb and Ericksdahl communities they have had an inch and over.

Mr. and Mrs. I. W. Jones of Rule spent Sunday afternoon with their daughter's family. Mr. and Mrs. Gene Overton and Waller.

Rickey Perry of Texas A&M, College Station, spent the weekend with his parents, Mr. and Mrs. Ray Perry.

Mr. and Mrs. Harvey Terrell of Paint Creek, Mr. and Mrs. Jerry Terrell of Stamford and Mrs. E. A. Howard of Post attended the funeral of Mr. Ernest McWilliams in Bowie Tuesday afternoon. Mr. McWilliams was a brother-in-law of Harvey Terrell.

Velton Middlebrook came home from the Stamford Memorial Hospital and is convalescing nicely following surgery.

Mr. and Mrs. Raymond Davis,

Mr. and Mrs. Harvey Terrell, Mr. and Mrs. Vernay Howard, all of Paint Creek, and Mr. V. P. Terrell of Haskell attended the funeral of Lee Roy Terrell in Floydada Friday afternoon. They also visited an uncle, Randolph Terrell and the father of Lee Roy, who is a patient in the Floydada Hospital.

Danny Isbell of Hardin-Simmons University spent last weekend with his parents and sister, Mr. and Mrs. Allen Isbell and Janice.

Mr. and Mrs. Paul Fischer had as their guests last weekend Mr. and Mrs. Sam Chaffin and Kelly of Midland, Mr. and Mrs. Jerry Jones of Leland, Mrs. Ray Jones and Gary of Tokyo, Texas.

Honoring Mr. Sam Chaffin who recently became a CPA, and Mr. and Mrs. Gaylan Peiser, who returned from Germany last week, and each received his or her discharge from the Air Corps, Mr. and Mrs. Paul Fischer entertained Saturday evening with a barbecue. Guests were Mr. and Mrs. Willie Peiser, Mr. and Mrs. Payne, Mrs. Benny Nanny and daughter, Mr. and Mrs. Ernest Peiser, Mr. and Mrs. Alton Peiser.

Gaylan's parents, all of Mattoon, Mr. and Mrs. Frank Mueller and children, Mr. and Mrs. Herbert Fischer, of Haskell; Mr. and Mrs. Sam Chaffin and Kelly of Midland, Mr. and Mrs. Jerry Jones of Leland, Mrs. Ray Jones and Gary of Tokyo, Mr. and Mrs. Gene Overton, the Gaylan Peisers and the host and hostess.

Mrs. E. A. Howard and son, Brent of Post spent Tuesday night with her parents, Mr. and Mrs. Harvey Terrell.

John Kuenstler is improving following surgery at Stamford Memorial Hospital.

Mrs. Roddy Kuenstler was a patient in the Stamford Memorial Hospital three days last week. She is at the home of her parents, Mr. and Mrs. Toots McCown in Stamford now.

Punt, Pass And Kick Contest For Boys 8-13 Set Saturday, October 12

Boys, ages 8 through 13 of Haskell County, will display their football talents in punting, passing and kicking in the annual Nationwide PP&K competition to be held on the Indian football practice field just back of the high school gym, beginning at 1:30 p. m. Saturday, October 12.

Bill Wilson Motor Company will award 18 trophies, one to each of the top three boys in each of the six age groups between 8 and 13. Local winners will go on to higher level competition sponsored nationally by the Ford dealers of America and the National Football League.

For each succeeding win in zone, district, area division and national competition, handsome trophies are awarded in addition to the 18 given local winners by Bill Wilson Motor Co. J. B. Gipson and Dee Larned, of the Bill Wilson Motor Company, explained that punt, pass and kick involves no body contact and that every boy has an equal chance to win since each competes only against boys his own age.

There is no charge for entering the contest, with registration at the Bill Wilson Motor Co. Entrants will be judged on distance and accuracy of their punting, passing and kicking, with points awarded for each foot of distance the ball travels on the fly. Points will be subtracted for each foot the ball lands to the right or left of a center pin.

Problem of Drinking While Driving Involved In Many Fatal Accidents

The problem of drinking while driving, which Texas Department of Public Safety experts say is involved in many fatal accidents in the state, is soon to come under increased enforcement pressure as the Texas Highway Patrol begins use of breath analysis instruments.

Colonel Wilson E. (Pat) Speir, director of the Department of Public Safety said that 450 highway patrolmen and sergeants last week completed training in use of the "breathalyzer" which analyzes a suspect's breath to determine the percentage of alcohol in his bloodstream.

The DPS recently secured a Federal grant of \$114,627 to launch the breath testing project. Funds obtained under the grant were matched with State funds and used to buy 90 breathalyzer instruments, to hire six additional chemists for supervision of the program, and to train the DPS personnel in use of the equipment.

"We plan to locate breathalyzers in about 80 of the state's most populous counties where the drinking while intoxicated problem is greatest," Speir said. "Trained personnel will use the instruments under rigidly controlled scientific conditions," he added.

Driving while intoxicated suspects who consent to the test will accompany the highway patrolman to an office where an instrument is located. There, the suspect will blow into a

tube attached to the breathalyzer and the percentage of alcohol in his blood will register on an indicator on the instrument's face.

"The test will be of special value to persons suspected of being drunk, but who are driving erratically due to illness or other reasons," Speir said.

DPS officials believe the program will establish the value of breath testing by contrasting its effectiveness with contiguous areas which do not have it. And they hope the project will ultimately delineate the need for a chemical test law and implied consent law for control of the driving while intoxicated problem in Texas.

The magnitude of the problem is reflected in studies conducted by the DPS. It is believed that—depending on area—the use of alcohol figures in from 40 to 50 per cent of the traffic deaths in the state. Based on the 1967 traffic death toll of 3,367, the use of alcohol may have accounted for 1,347 to 1,684 fatalities.

Nationwide, an equally alarming pattern was uncovered by the U. S. Department of Transportation. In an August 1968 report to the Congress, the Secretary of Transportation said, "The use of alcohol by drivers and pedestrians leads to some 25,000 deaths and a total of at least 800,000 crashes in the United States each year."

The Department of Transportation report went on to say that "through research conducted over the past 35 years alcohol has been found to be the largest single factor leading to fatal crashes. Drivers with very high concentration of alcohol in their blood—one to four per cent of drivers on the road—are accounting for about 50-55 per cent of all single vehicle crashes in which drivers are fatally injured."

Studies indicate that a driver with 0.10 per cent by weight blood alcohol is six or seven times as likely to be involved in an accident as a non-drinking driver, and at 0.15 per cent by weight, he is 25 times as likely to be involved.

Speir said, "It is hoped that the Department of Public Safety's breathalyzer project will

Springer heifers brought \$250-\$400 per head and baby calves, \$85-\$125 per head.

Weinert Topped By Moran, 32-30

Weinert had a touchdown called back with less than a minute remaining in the game on a penalty and visiting Moran escaped with a 32-30 victory in six-man football action at Weinert Saturday night.

Trailing by that same margin, quarterback Tommy Miller threw a 60-yard TD bomb to Fred Horan, only to have an offside penalty nullify the score.

Joey Yates, Miller, Danny King and Horan each scored touchdowns for the losers and Horan added three extra-point conversion kicks.

Moran won his first game in three tries and Weinert dropped to 0-3.

Trent Trounces Rochester Steers

Trent's Gorillas limited Rochester's Steers to two first downs and minus five yards total offense as they topped their season record to 3-0 at Rochester Friday night with a 22-0 win.

The Gorilla defense pushed the Steers for minus 11 rushing and allowed only six yards passing.

Trent opened the scoring by blocking a Rochester punt and receiving two points on a safety as the ball bounced out of the end zone. The play came in the second quarter.

The Gorillas tallied their first TD in the same period, when Tim Riggan plunged over from the one-yard line. Stan Hicks kicked his first of three extra points.

The Gorillas scored single six-pointers in the third and fourth quarters. Gaylon Broock scored on a seven-yarder in the third period and Gaylon Frazier ran in from 34 yards out in the

Davis-Carroll Opponents In Freshman Game

It was Derrel Davis versus Ronnie Carroll (two Haskellites) who saw action in the Arkansas and SMU freshman game played at Texarkana, Thursday of last week.

Derrel is the son of Loudell Davis, of Abilene, formerly of Haskell, and Ronnie is the son of Mr. and Mrs. D. L. Carroll of Haskell.

Davis, an outstanding all-around athlete for Haskell High during his high school days, is attending SMU.

Carroll starred at Spring Woods, and is a freshman this year at the University of Arkansas.

FIRE PREVENTION

Fire prevention is the year-round concern of many citizens of our community. Under the direction of the officers and men of our fire department, individuals and organizations have taken a personal interest in the elimination of fire hazards from our town.

The youngest of these anti-fire campaigners are the Junior Fire Marshals, an organization of elementary school youngsters sponsored as a public service by The Hartford Insurance Group. The program, administered locally by the Hartford Insurance Agency, teaches children to look for and then eliminate the causes of fire in their homes and schools, and to influence the adults in their neighborhoods to do likewise.

During National Fire Prevention Week, this year celebrated October 6-12 by Presidential Proclamation, our attention is drawn to this concern for community safety and to those dedicated to keeping us alive. We salute our town's Junior Fire Marshals!

COTTON PICKIN'S

Rolling Plains Cotton Growers, Inc.

Two rather significant events took place last week at meetings in Dallas of Texas Cotton Producer Association Organizations, according to Charles G. Bragg, executive vice president of the Rolling Plains Cotton Growers, Inc.

For the first time in recent history of Texas agriculture the head of Texas Farm Bureau, Sidney Dean, and the head of Texas Farmers Union, Jay Naman, sat in on discussions of problems facing cotton producers. Also at the two-day meeting, RPCG was able to effect the election of four of its member producers to national cotton industry boards, bringing to seven the number of RPCG members filling places of responsibility in the nation's agriculture. Bragg pointed out.

First consideration at the meeting was given to the kind

of cotton program for 1969 that Texas producers could agree on and recommend to the Secretary of Agriculture.

The secretary has little discretion as to the kind of cotton program in 1969, since it is established by the Farm Act. The cotton men reviewed his alternatives and decided on recommendations to be made to the secretary.

The various units in TACPO agreed to call area meetings and discuss the matter with their members. Another meeting will be held prior to October 15, the date specified by law for the secretary to announce 1969 cotton market quotas.

Representatives of the state's six chartered agricultural production organizations discussed the kind of recommendations to be made concerning the 1969 program.

"This is a culmination of action taken when TACPO was organized recently, prompted by repeated requests of Texas congressmen that leaders of the state's agriculture get together and reconcile their differences before going before Congress and asking for help on specific problems," Bragg said.

Mr. E. Bivins has purchased Mr. McPhersons residence and will move to Haskell.

Miss Gertrude Cummings left

the early part of the week for her home at Van Horn. She was accompanied by her aunt, Mrs. L. M. Garrett, Mrs. Lemmon and Mrs. Bud Smith as far as Abilene, by Miss Ruby Fitzgerald as far as Sweetwater, and by Miss Bess Lemmon, who will spend a few weeks visiting Miss Cummings at Van Horn. Miss Fitzgerald is visiting relatives in Sweetwater.

TAX MAN SAM SEZ:

The growing group of rural residents who earn their living in the nearby city or town are an important part of the economy in most rural communities. A good part of these farm dwellers farm on a part-time basis—some commercial, but many purely for personal family use. The tax folks point out that an expense for hog feed to produce meat for personal use is no more a deductible farm expenditure than an expense for bacon at the supermarket. Any farmer can deduct his expenses for produce if the produce is sold but the suit the store owner takes from his stock for his personal use is not a business expense—neither is the food you grow and eat on the farm.

October Dollar Day Will Offer Bargains Galore

Harvest time brings a "harvest of values" from the friendly Haskell merchants, during their big "Sidewalk Sale" Specials, Dollar Day, next Tuesday, October 15th.

For unusual bargains, residents of this wide trade area should plan to be in Haskell, "D-Day."

Here it is almost Halloween... Thanksgiving is coming soon, and Christmas is just around the corner. Dollar Day would be an ideal time to get some of that Yuletide shopping underway.

The big four-page Dollar Day circular will be mailed and distributed this week-end, so watch for it. "Eyeball" the many bargains then make plans to be in town, come "D-Day."

Thanks
To the Patrons of The
BLUE BONNET CAFE

We want to express our sincere appreciation for the patronage and wonderful hospitality we enjoyed while operating the above business in Haskell.

However we do not feel that we can live in Rule and do a satisfactory job of operating the cafe in Haskell, so we have sold the business to—

Bob and Ollie McGary

And want to solicit your continued patronage for them.

We Invite You to Rule

We want to invite you to stop by the Blue Bonnet in Rule for a cup of coffee or a good meal. We serve cafeteria style each day at noon and want to invite you to come over and eat on Sunday with us or at any time.

THANKS AGAIN
THE LAMAR CASEYS

Rites Held At Anson For Mrs. W. T. Priddy

Funeral for Mrs. Margaret Isabel Priddy, 76, of Anson, former Haskell resident, was held Sunday, September 29, at 3:00 p. m. at the First Baptist

Church, Anson, with Dr. Jack Terry of Abilene and Rev. Walter Capeland, retired Haskell minister, officiating.

Mrs. Priddy passed away at 6:30 p. m. Thursday, September 26th in the Anson General Hospital following a lengthy illness.

Survivors include her husband, Rev. W. T. Priddy, of Anson; two sons, C. O. of Abilene and Troy of Hurst; two daughters, Mrs. C. E. Taggart of Abilene and Mrs. Jack Hornsby of Anson; two sisters, Mrs. C. C. Toney of Stamford and Mrs. Ruby D. Price of San Angelo; 12 grandchildren; and 15 great-grandchildren.

Rev. and Mrs. Priddy resided in Haskell from 1939 to 1951, at which time Rev. Priddy was pastor of the East Side Baptist Church.

Burialbearers were Harry Howell, Chester Hodgen, Bill Marr, Thurman Rhodes, Woody Wilson, Larry Holmes, Bud Holland and Theron Bingham.

SFC Billy F. Oman landed in Vietnam September 16 and is stationed at Chi-Loi, 250 miles north of Saigon. His wife and children, Charles and Danila, are making their home in Huntsville, Alabama, while he is overseas.

22 Farmers And Ranchers Receive Fish

Fish! Fish! And More Fish! was the scene in front of the Haskell Post Office last Friday.

Twenty-two farmers and ranchers received fish for their farm ponds, according to J. C. Yeary of the Soil Conservation Service of Haskell. These fingerling catfish were furnished by the USDA Fish and Wildlife Service's National Fish Hatchery at Fort Worth.

Fishing remains one of the favorite sports of many people. Yeary reported, and farmers and ranchers of Haskell County are no exception.

Each body of water located on private lands stocked with fish has the potential of producing 300 to 400 pounds of edible fish annually. The pond must be properly stocked and fertilized. But this is not enough, Yeary stated. To produce large edible fish, the pond must be fished regularly to prevent overstocking.

Fish were delivered to E. C. Collins, R. F. Costin, Raymond Couch, David Frierson, John Grand, Leon Jones, Willard Mullins, Lynn Pace Jr., Carl Rastetter and W. W. Weise, all of Haskell; J. B. Dunnam and Tiffon Mayfield of Weinert; A. R. Eaton of Rule; Raymond Ratliff and Dwight Key of Munday;

ler of San Antonio visited in the home of Cecil Jones Saturday and attended homecoming. He and Cecil are oldtime friends and were class mates in the first school at Weinert.

Frank Dutton and Rocky Sanders were home for the weekend from Waco where they attend college at Callie Tech. They attended the homecoming.

Children of Mr. and Mrs. Russell Rainey here for the weekend and homecoming were Mr. and Mrs. Luther Rainey and children, Floydada, and Mr. and Mrs. Don Timberlake of Rising Star. They took Tammy home after a week's visit with her grandparents and Janice.
