**ACTION IN MERKEL GAME**—No. 40 Allen Tatum Scampers in for Baird's first TD, extra point was good bringing score to 7-6 Baird.

## Bears Lose Close One to Merkel, Take on Albany Friday

The Baird Bears lost a hard fought game to the Merkel Badgers, Friday night at Merkel, to give them a 15-14 homecoming victory.

Merkel jumped out to a 6-0 lead in the first minute of the game when Merkel's Jimmy Mendez recovered a Baird fumble on the first play from the scrimmage. Merkel scored two plays later. The extra point was no good.

Baird determined to show Merkel they meant business got on the scoreboard only two minutes later. Baird's own Ronnie Casey ran for five yards, then for 43 to our own three yard line. Alan Tatum took it in for the touchdown.

Ben Mendez kicked the extra point to give Baird the lead.

Merkel came right back with a 70-yard drive to give them their second touchdown of the night. The extra point failed leaving Merkel ahead, 12-7.

With only two seconds left to play in the Quarter Bill Dell scored on a 14-yard run. The five-play, 33-yard drive was set up by a Merkel fumble.

Then with only 1:41 left in the game Merkel's Keith Beddingfield kicked a 42-yard field goal to give Merkel the victory.

## Four Towns in Callahan County Received 142,743.76 In Refunds

Towns in Callahan County have received \$142,743.76 in refund checks from Comptroller's office in Austin for the first half of 1982, of these funds Cross Plains had the biggest refund for the six month with 60,671.68. Clyde was next with \$51,253.55, Baird received \$21,022.52 and Putnam received \$9,796.01.

State Comptroller Bob Bullock Thursday sent the biggest check ever for a single month's tax collections—\$49.2 million—to 967 Texas cities as their share of the one-percent city sales tax for September.

The statewide total is up 20 percent over last September's payment of \$41 million. The payment reflects taxable sales made in July and reported to the state by the end of August.

"Sales in several major South Texas cities declines in July, even before the latest Peso devaluation. But as a whole, out state economy keeps growing strong," Bullock said.

Bullock predicted further South Texas declines when merchants report their taxable sales for August, the month of the latest devaluation, and pointed out the border economy has bounced back within three months after past devaluations.

## Callahan County Man Receives Life-Term In Prison

Bobby Williams of Dudley diagnosed as having terminal cancer plead guilty to the murder of a 9-year old girl in exchange for the state dropping a charge alleging he also murdered the girl's mother.

42nd District Judge Don Lane gave Williams a life sentence for the murder of Nicky Young, who was shot to death with a .22-caliber rifle at her Dudley home August 17.

In exchange for Williams guilty plea to the murder of the girl, the state agreed not to prosecute Williams on a murder charge stemming from the shooting death of 32-year-old Linda King. Ms. King was killed during the shooting incident in which her daughter was shot

to death.

Houston received the biggest share of the one-cent local sales tax with a check for \$11.6 million. So far in 1982 Houston's payments are up 15.3 percent over 1981.

Dallas got \$5.3 million, up 30 percent from last September's check. The City of San Antonio received a check for \$2.5 million, up 17 percent from last September's payment of \$2.2 million.

Fort Worth received a check for \$1.6 million, up 34 percent over last September.

El Paso received a \$1.1 million check for a total of \$12.6 million so far in 1982.

Bullock also forwarded September rebates to the state's two Metropolitan Transit Authorities. The Houston MTA received \$12.4 million, bringing the total received this year to \$127.5 million, up 12 percent over last year. The San Antonio MTA got a check for \$1.4 million, bringing the 1982 total to \$15.7 million.

The city and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

### Summer Showers Bring Little, But Some Rain

## Trevino to Play at Fairway Oaks Foller Takes 10 Day Trip

Lee Trevino, Andy Bean, Scott Hoch, and Fuzzy Zoeller head the latest list of pro golfers who have committed to play in the 1982 LaJet Classic, October 7-10, at the Fairway Oaks Golf and Racquet Club, according to Tournament Director Steve Threlkeld.

Threlkeld also announced today that former U.S. Open champion Lou Graham and gallery favorite Chi Chi Rodriguez will be in the field for the \$350,000 tournament that benefits the West Texas Rehabilitation Center.

Back surgery has curtailed Trevino's playing time on the pro tour in 1982, he ranks only 108th on the current money list. But he's determined to make a comeback to the level of golf that has made him one of the all-time leading money

winners in the history of the sport.

Trevino won the original "icebreaker" in 1979 when he shot a three-under-par 69 in a one day exhibition. He is always a gallery favorite wherever he plays.

Robert Foller has returned from a 10 day trip to the coast and other places. He went with J.D. and Lila Sprawls to Houston, Galveston, San Marcos, New Braunfels and Kingsland Lake.

# Rowden Area News

By Mrs. N. V. Gibbs

Only sprinkles have fallen in the area from seemingly rainless clouds. Farming is at a standstill.

One thing common throughout the community is the roaring coyotes and their piercing cries as they hunt for food at night. Mr. and Mrs. Nolan Mauldin were sleeping in their camper vehicle while spending the night at his brothers place, the Gene Mauldins. They were not used to such activity and were startled by the closeness of the coyotes. One group talks to a neighboring group with howls and barking and some venture near homes. A Sunday morning breakfast of one white hen was picked up by one coyote before she had time to cry for help.

Those visiting in the Raymond Gibbs home during the week were Olin English of Free Port, who still owns a farm in the community. Also Mr. and Mrs. Robert Martin of aird.

Mr. and Mrs. Don Harrell had a weekend trip to Fort Worth while little daughter, Leigh spent the time with grand parents, Mr. and Mrs. Ted New-

berry in Abilene.

Pansy Johnson of San Antonio was home with her mother, Emma Johnson over the weekend. On Monday, Boots and Elsie Burks of Abilene stopped for a short visit and to report on Mrs. O.C. Burks who is a patient in a San Antonio hospital. The two were enroute to visit O.C. and Faye.

Mr. and Mrs. Gene Mauldin visited in the Roland Mauldin home last Monday. On Friday, Gene's brother Nolan and his wife arrived from Fort Worth for an over night visit.

Mr. and Mrs. Merrill Goering and young daughter of Pleasantville, Iowa came for a five day visit in the Tony Steele home. The two men were renewing their acquaintance of military days when they were in the service in California. The two families toured parts of Texas including Old Mexico from Del Rio.

Mr. and Mrs. Tommie Harris along with Mr. and Mrs. Cliff Harper of Coleman were honored guests on Grandparents day Sun-

day in the Jimmy Harris home.

## Garden Club Marks 46th Year

The Baird Garden Club began its 46th year with a salad luncheon at the Presbyterian Church Annex on September 7. Hosting the assembly meeting were members of the Yearbook Committee: Mrs. A. A. Manion, Mrs. Gaston Wylie, and Mrs. Frank Cunningham.

Mrs. R.D. Williams gave the invocation, and fifteen members answered roll call by reading a favorite recipe.

Mrs. Cunningham welcomed the members, following which Mrs. Williams, as president, gave her plans for the club year. Mrs. F.L. Burlison, Chairman of the Projects Committee, offered several suggestions for projects the Club might use.

Mrs. Manion distributed the yearbooks, which are dedicated in memory of Mrs. B.H. Freeland, a longtime faithful member of the Club.

General theme of the programs for 1982-83 is "The Gamut of Gardening: Foods to Fancies." On February 1, 1983 the Club will have a guest speaker

Mrs. Elgie Robbins of Abilene, who will show slides of Texas Wildflowers for a program titled "A Gamut of Wild Flowers."

Another special event of the club year will be the annual flower show called "Moods in Flowers" to be held on April 29, 1983 at the Presbyterian Church Annex, with Mrs. Dee Young as general chairman.

The Baird Garden Club has had Cemetery Beautification as its chief project for 25 years. It also encourages garden beautification by placing the Yard of the Month Plaque in local gardens.

The meeting was closed with the reading of the Garden Club Pledge, led by Mrs. Williams.

Others present at the luncheon were Mrs. I.E. Warren, Mrs. J.W. Shelton, Mrs. R.W. McKennon, Mrs. J.T. Loper, Mrs. Helen Langley, Mrs. W.F. Lane, Mrs. Lee Ivey, Mrs. W.A. Hunt, Mrs. B.O. Brame, and Miss Isadore Grimes.

Table decorations featured the club colors of

red and white, with blooms from red crepe myrtle, the club shrub.

Next meeting will be on October 5, in the home of Mrs. Warren with Miss Grimes as co-hostess.

# Wheat Program Affected By Current Legislation

The 1983 wheat program signup period is rescheduled to begin on Oct. 1, instead of Sept. 7 for pro-

ducers in Callahan County, and farmers may receive advance diversion and deficiency payments at signup

time, according to Scott Odom, County Executive Director.

Signup will end March 31, 1983, for the program which has provisions in the Omnibus Reconciliation Act. The legislation allows a combination 15 percent acreage reduction and five percent paid land diversion. A new provision replaced the 20 percent acreage reduction program announced on July 14.

Odom said that at the time producers sign up for the program, they may receive an advance of 50 percent of the diversion payment and of any projected deficiency payment. The advance deficiency

payment rate will be 32.5 cents per bushel.

The new wheat program encourages converting highly erosive cropland to permanent conservation acreage. He said, "Cost-share payments for carrying out conservation measures are available through the Agricultural Conservation Program (ACP). This provision will permit farmers more management flexibility and assist their future program participation."

The land diversion payment is based on \$2.70 per bushel times the farm yield times the acres diverted. Acres planted for harvest must be no more

than 80 percent of a farm's wheat base, and the bases will be the same as established for the 1982 program. Farmers must also devote to conservation uses an acreage equal to both the acreage reduction and land diversion requirements.

The target price for wheat will be \$4.30 per bushel. The loan rate will be \$3.65 per bushel under regular loan. Reserve provisions will be announced later.

Neither cross compliance nor offsetting compliance will apply to the 1983 wheat program.

## CRIME: IT'S THE VICTIMS WHO ARE LOCKED UP

I want to talk to you this week about an issue that troubles me greatly and which I know is of great concern to Texans. It seems that whenever I have spoken about crime in the past 12 months I have gotten a strong and troubled response. No matter where I am—Jewett, Roma or Dalhart—people tell me they are angry and afraid about crime in our state.

This anger and fear concerns me for two reasons. First, because this kind of anger and fear serves as a sort of "jail" for innocent people. They are the ones locked in their homes at night while criminals go free. The second reason I am concerned is because unless something is done to stop the crime epidemic, people will be ripe for the kind of politician who will play on citizens' fears. The result could be that Texans lose their liberty in return for their "safety". In that sense, the crime problem is like a cancer gnawing at democracy.

The incumbent Lt. Governor's response to the crime issue has been shameful. While

he has been in office the crime rate has risen 131%. He has done nothing to attack crime in a substantial way. In fact, he has fought stronger anti-crime measures. He openly opposed the new wiretapping law designed to catch drug dealers. He openly opposed the Governor's anti-crime package by putting it in a legislative committee run by a hostile Senator, who promptly bottled it up. Much of the package passed anyway and now Mr. Hobby has the gall to go around the state taking credit for it!

His sympathies in the fight against crime are evident. Not long ago he allowed the American Civil Liberties Union (ACLU) to hold a fundraiser in his Houston mansion and he proudly defends it. The ACLU has consistently opposed laws that would make it easier to deal with the crime problem.

I think such two-faced maneuvering is disgraceful. It is obvious that if we are going to attack the crime problem, if we are ever going to give law officers, judges and prison guards the tools they need to make us safer, Bill Hobby will have to go.

If you have thoughts about this, I'd like to hear from you. Please write me at 1213 W. 34th, Austin, 78705.
