Card of Thanks

To the Editors of the Free Press: Will you please allow us, through strangers, till a few days ago, to express a few words of sincere appreciation to the many people who have shown such unbounded kindness to us in our late sorrow. Such kindness overwhelms us, and while it heals our wounded spirits, it leaves us helpless to express our emotions. We would all avoid such sorrow, yet it has its compensations, it makes us all akin, and in our deeper nature we feel that we are brothers to the race.

To Rev. Sams, the singers, the pall bearers, the kind neighbors and the host of friends from the various churches and outside the churches, we wish to express, as far as mere words can express our thanks, for the beautiful sympathy and helpfulness shown us in laying away our dear boy, Henry, on your sacred hill. We leave his body to sleep with a people strange of face but wonderously close in spirit, feeling that this is the Divine will, and that these new friends, as well as his own kin, will with us cherish his memory. God will bless you as you exalt these tender ministries and help you to banish any sources of unhappiness among you, till you make your fair little city the home of all the good and the beautiful.

To Shell Pecans

The meats of pecan nuts may easily be removed if they are first placed in a pan and boiling water poured over them. Allow them to remain in the water for 20 or 30 minutes. When the nuts are cracked, the meats come out without trouble and are usually whole.—Western Christian Advocate.

ETERNAL VIGILANCE THE PRICE OF SAFETY

The people of two continents were thrilled with admiration for the orchestra of the ill-fated Titanic that played their own funeral dirge as they sank beneath the icy waters of the Northern Atlantic two years ago next month, and their courage and bravery will go down in history.

Last week at Atlanta, their example was followed on a smaller scale by a little school girl twelve years old who calmly played Dixie on a piano while five hundred of her school mates marched from the burning school building. It took exactly two minutes to clear the entire building and there was no loss of life.

The million school children who attend Texas schools and their teachers would do well to follow the example of the Georgia school and practice fire drills at regular intervals. Self preservation is the first law of nature, and eternal vigilance should be the watchword of every school in Texas.

Yeomen.

Smudge Pots Save Peach Crop.

The recent cold spells have not damaged the fruit crop around Mineola. The local commercial organization conducted an investigation of Wood County farmers and found that smudge pots are being used freely in the orchards around there. Many farmer claim that it is not yet too late for a freeze to come and every precaution will be used to save the crop.

CLEAN-UP DAY WAS OBSERVED

March 10th was named as "Clean-up Day" for Texas by Ralph Steiner, State Health Officer, and was observed as such throughout the entire state. Practically every town in the state had large forces employed in clean-up work and according to reports received the results were gratifying. The plan used by the majority of the cities in getting rid of the rash and rubbish was to have the residents place it in the alley from where it was hauled and burned by the trash men. The principal cities of the state were given a thorough cleaning and placed in a sanitary condition, alleys were given special attention in these places and at the end of the day were free from all filth.

UNCLE SAM AND THE FLY

Uncle Sam is waging a relentless war on the deadly house-fly and in late bulletins prepared by the Department of Agriculture valuable information is given on the best means of combatting this deadly pest. The most effective way of exterminating the fly, according to the bulletin, is to eradicate his breeding places. The breeding season in Texas begins early in March and continues throughout the spring and summer months. All dirt should be removed from the premises, stables cleaned and decaying vegetables destroyed. The fly has rightly been called the undertaker's traveling salesman, and in addition to his regular line of "typhoid bugs", he carries a side line of tuberculosis Asiatic Cholera and other disease germs. Now is the time to "swat the fly."

ADVERTISING SUGGESTIONS

By W. Holt Harris

Advertising has kept Sarah Bernhardt young for sixty-seven years.

Men have accumulated fortunes by the persistent use of printers ink.

Every business that is worth advertising is worth advertising well.

The true aim of all advertising should be to attract permanent buyers.

Newspaper advertising is one of the greatest forces in the business world today.

To conduct a business without advertising is like trying to have a meal without food.

Late to bed and early to rise, hustle all day and advertise, is a saying frite and true.

ABOUT GOOD ROADS

By Homer D. Wade.

Be a builder. Good roads advocates are builders, not blunderers.

Good roads builders are civilization's greatest benefactors.

It takes more than agitation to construct good highways. It takes action.

The greatest achievement in human life is to assist in building a good road.

Better roads mean a more intelligent, a more prosperous and a more patriotic citizenship.

Improved highways mean improved boys and girls who will eventually develop into improved men and women.

In America Every
Man is a King.
—Andrew Carnegie

In America, a King is a man who lives right, thinks right and dresses right—a self-respecting, clean-looking American.

We have a host of these Royal men in our town. And this week we are holding a reception for them—devoted to their wearing apparel for this Spring.

For no man can be a Royal man who doesn't give his body and his looks a square deal. To succeed in America—where ability and brains take the place of birth and pedigree—a man must dress the part of success.

If you want Royal clothes on your back this Spring—a Royal smile on your face—and a Royal confidence in your heart—come in and attend—

Royal Reception Week

March 14th to March 21st

This special Royal week is being held to feature the Royal Tailors of Chicago and New York—and their resplendent line of Spring and Summer woolsens.

The Royal Tailors are clothes makers by appointment to the Crowned Heads of America. To get the Royal Tailored Look means to get that imperial American appearance that bespeaks prosperity, health, a host of friends and a Double "A" Personal Credit Rating.

are aggravated during climatic changes because the impure blood is incapable of resistance and ordinary treatment seems useless—but the fame of Scott's Emulsion for relieving rheumatism is based on logical principles and scientific facts. This oil-food promptly makes active, red, life-sustaining blood corpuscles and its body-building properties regulate the functions to expel poisonous acids.

Scott's Emulsion, with careful diet for one month, will relieve the lame muscles and stiffened joints and subdue the unbearable sharp pains when other remedies fail.

HASKELL, TEXAS, March 14, 1914.

The Free Press is in receipt of a statement of the Houston Post with reference to its daily circulation for the past three months. The average daily circulation of the Post for February was 33,543, a gain over December of 2,000, and over January of about 1,400. The Post is one of Texas' leading dailies. It is a great newspaper, full of live, readable news, and its editorial policies are clean-cut, tolerant, yet candid. Its loyalty to Democratic principles have been a very noticeable feature, and the management is to be congratulated upon the great achievement of the paper.

The country editor has many things to encourage him. We had a conversation with a farmer Monday who reads and thinks, and during the conversation, he said

substantially that he was a great admirer of the country press. He said he had neighbors who would borrow his copy of the Free Press, and who would also state as a reason for not taking it, that it was sorry, and not worth taking. He said we ought to write an editorial and roast such characters. He also said the country press had more influence than the city papers with the people. We were very much gratified by the implied compliment to the editorial management of the Free Press. It has been our observation that those who belittle the local paper are people whose lives will not stand a close investigation. In social controversies such people always get on the wrong side. They are wrong on political questions and invariably vote for the sorriest men for office. You can go over the record in the lives of such people and will find that they hate cultured people. Their family government is all wrong; they form the wrong conclusions on all questions, and are always traducing the best and most cultured people in the presence of their children, and as a result of association with such parents the children become moral and social delinquents.

The anti-prohibitionists met at Dallas the 7th of March and called precinct conventions for April 4th, county conventions for the 6th, and a state convention for the 14th of April. Most of those who were prominent in the convention have given out statements and interviews. Jim Ferguson said the anti's were just as undemocratic as the pros, and he was not going to quit running. Now all the fellows who said the pros had put themselves out of the democratic party will just have to support Ferguson, or acknowledge they were not sincere. But we imagine they will, most of them, convict themselves of insincerity. We do hope the sheep and goats will be separated, anyway, during this campaign. The time is coming when moral questions will be the line between parties. It is here now. The moral side will be represented by the sane, business, refined and cultured element. This condition is already nationwide and this is the time to make it state-wide. The future looks bright for the educated and cultured classes in this country. It is also bright for the more unfortunate element in society. The work of the public schools, universities and churches will lighten the burdens of the more ignorant classes. In many places an educated, honest citizen can not be elected to office in this country. This condition is passing.

LET'S GET BUSY ON THAT TABERNACLE

Haskell has many things of importance to look after, but none at present of more importance, especially within our reach, as that tabernacle. There is a greater need for this building now than ever before, and sooner or later we will have to build one. Why not now? The cry of hard times is abroad, we admit, but the town has no place large enough to accommodate a big crowd comfortably. Why not see about a lot and effect some arrangement to buy it? Then arrange for the lumber and appoint a day to erect the building, and ask everybody to give one day's labor toward the erection of the building? Down at Waco a few years ago, a church building was erected in one day, and services held in it that night. No section can beat West Texas in doing things, so why not the citizenship meet and do the work of erecting the building themselves? Let some good contractor have the management of erecting the building, after agreeing on the plan. If every man would do his duty, it could be finished in a couple of days, and each and every citizen, no matter how poor, could have a hand in it. The people living in the country would gladly contribute toward the building, we feel confident. Nothing was ever accomplished by an inactive citizenship. Neither will this tabernacle be built unless some one that is interested will take the initiative. Who will assume that responsibility? Don't all speak at once, but be sure that someone speaks. Let's get busy before we get in absolute need of it.

Just a Little Patience

Whether or not discretion be the better part of valor, according to the ancient saw, there can be no doubt that the precaution and full understanding of all the facts are immensely superior to passion and impulse at all times, and more especially when war and peace are delicately balanced in the scale.

There should, therefore, be no weakening or abandonment of the almost unanimous public support given President Wilson in his Mexican policy at this time when his position is most trying and difficult, nor should he be attacked indirectly by and through excited and hasty denunciations of Mr. Bryan.

History is replete with incidents that would have certainly precipitated expensive and disastrous wars if the radicals and hotshirts had not been curbed by the safer counsel of reason and self-restraint.

Even admitting that the President has not been able to foresee and guard against all the unfortunate features, and contingencies of the Mexican situation—and what wisdom short of divine inspiration could have done so?—and admitting, likewise that the secretary of state has committed serious blunders; yet it seems the better and more truly patriotic way out of the tangle lies through calm and unprejudiced examination of all the facts and circumstances, and not through hasty and violent action based on the heated declarations of mass meetings that may judge largely by one side of the case and part of the facts.

In rhetoric two negatives are said to make an affirmative, but two mistakes in calculation never bring out the correct answer to a knotty problem.

The American people can't afford to take up the role of rough riding their own President and the constituted authorities in order to get at Pancho Villa a few days sooner.

If we will all exercise patience reason and as much calmness as possible, no doubt Villa and the other high binders across the border will in due time be compelled to render a full account of themselves.

In the meantime, let Woodrow Wilson continue to be President of the United States and all good citizens be his consistent supporters, with full confidence in his patriotic desire to avoid armed invasion of Mexico if possible and a like confidence in his wisdom and judgment to do the right thing in the right way, if that course should become unavoidable.—Fort Worth Star-Telegram.

The Goree Herald, by Geo. M. Hill and C. C. Hairston, comes to our exchange table. It is a neat four-page, all home print paper, and shows up to good advantage. The Free Press hopes for the promoters a full measure of success.

The Vital Question.

A Chicago business man, with many relatives, some of whom were well-to-do but grasping, recently sought the services of his lawyer to draw up his will. When, after much labor, the document was completed, the client asked: "Have you fixt this thing, as I wished it, tight and strong?" "I have done my best," said the lawyer.

"Well," continued the client, "I want to ask you another thing—not professionally, however. As a friend, and man to man, who do you think stands the best chance of getting the property when I am gone?"—Harper's Magazine.

Quattlebaum to Pitch in White Sox Banker Game

When the Chicago White Sox play the Abilene Bankers here April 2, there will be the best line-up that has ever been sent on the diamond, probably with no exception, to represent this city. One commendable fact will be that the majority of the players will be local men, and there will be more of a local interest than if too many outsiders were secured.

Warren W. Quattlebaum, premier twirler of West Texas is not strictly speaking an Abilene boy, but he has visited here so often and appeared on the diamond with local teams more often, that he might rightfully call Abilene his home. Quattlebaum is known all over this section, having played with a number of teams. During the time he was attending Britton Training School, Cisco, he held the record of being the best pitcher in the West Texas College League, and his team won the pennant. He has an unusually good record here, and the announcement that he will be in the White Sox-Bankers game will be welcome news.—Abilene Reporter.

Census Bureau Gives out Telephone Data.

Director W. J. Harris, of the Bureau of Census, has given out a report showing detailed statistics of the Bell Telephone Company and other systems operating in the United States. There were 20,248,000 miles a doze ago.

This is an increase of 15,348,000 miles, or 813 per cent. The total number of telephones in use is 8,730,000, while ten years ago the number was 2,371,000. During the year 1912 there was 13,735,658,000 conversations held over American telephones. The Bell Company owns approximately 85 per cent of the wire mileage of the United States. There are approximately 800,000 telephones in use in Texas.

We Have Faith In This Stomach Remedy

A woman customer said to us the other day, "Say, you ought to tell everyone in town about Rexall Dyspepsia Tablets. I would myself if I could." That set us to thinking. So many people have used them and have so enthusiastically sounded their praises both to us and their friends, that we had an idea you all knew about them. But, in the chance that some of you who suffer from indigestion, heartburn, dyspepsia, or some other stomach complaint, don't know about them—we are writing this.

They contain Bismuth and Pepsin, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, promote the secretion of gastric juice, help to quickly digest the food and convert it into rich, red blood, and improve the action of the bowels. We believe them to be the best remedy made for indigestion and dyspepsia. We certainly wouldn't offer them to you entirely at our risk unless we felt sure they would do you a lot of good. If Rexall Dyspepsia Tablets do not relieve your indigestion, check the heartburn, and make it possible for you to eat what you like whenever you like, come back and get your money.

Sold only in the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes, 25c, 50c, and \$1.00.—Jno. W. Pace Co., Haskell, Texas.

A Home-Thrust

"All sorts and conditions of men have excellent explanations for their position in life," said the Senator, "A tramp, however, came under my observation who had no illusions about the cause of his own condition.

"A fine-looking and fashionable dressed woman had just alighted from her limousine at the hotel entrance, and was suddenly approached by this shabbily dressed man who requested a dime.

"No, I have no money to spare for you. I do not see why an able-bodied man like you should go about begging."

"I s'pose, ma'am," replied the lazy tramp, "it's fer about the same reason that a healthy woman like you boards at a hotel instead of keepin' house."—Harper's Magazine.

Rev. H. R. Best arrived Friday evening, and was present at the funeral of his son, Henry, who was buried in the Haskell cemetery Saturday. His mission was indeed a sad one, but the bereaved family have found in Haskell many christians, who deeply sympathized with them. Rev. Best preached at the Baptist church here, Sunday at eleven and at night, and has preached several times during the week. We have heard those who heard him, quote some splendid passages from his sermons. He is a Texan, and a self-made man, and has served one church in South Dakota for ten years. His church had given him a vacation and he was preparing to make a trip to Europe, when called to Haskell on the most sad mission.

A Sad Death

One of the greatest shocks this community has ever received, was the news that came by wire Monday, that Norman Hancock was in the Missouri Athletic Club building, destroyed by fire in St. Louis the night before. He was the son of Mr. and Mrs. T. H. Hancock of this city, a brother of Marvin Hancock, and a member of the dry goods firm of Hancock & Co. of this city. Marvin Hancock left Tuesday for St. Louis, and arrived there Thursday morning. Up to going to press, the bodies in the ruins have not been recovered.

The deceased has been a member of one of the leading clothing firms of St. Louis for several years, and traveled for his firm, and was one of the best salesmen on the road. He was a young man of splendid personal and business qualities, and was the idol of his aged parents and brothers and sisters. He was a most dutiful son and brother, and his death involves a terrible loss to the family.

The best houses in St. Louis, New York and Cincinnati contribute to the selections we offer this spring. We have a style becoming to you and we want you to see it.

Falling Hair Means Dandruff is Active

Save your hair! Get a 25 cent bottle of
Danderine right now.

Thin, brittle colorless and
scraggy hair is mute evidence of a
neglected scalp; of dandruff—that
awful scruff.

There is nothing so destructive
to the hair as dandruff. It robs the
hair of its lustre, its strength and
its very life; eventually producing
a feverishness and itching of the
scalp, which if not remedied causes
the hair roots to shrink, loosen
and die—then the hair falls out
fast. A little Danderine to night—
now—any time—will surely save
your hair.

Get a 25 cent bottle of Knowlton's
Danderine from any drug store or
toilet counter, and after the first
application your hair will take
on that life, lustre and luxuriance
which is so beautiful. It will
become wavy and fluffy and
have the appearance of abun-
dant; an incomparable gloss and
softness, but what will please you
most you will actually see a lot
of fine, downy hair—new hair—
growing all over the scalp.

OINTMENT

Headachy, Costive, Bilious,—"Cascarets"

Liver and bowels are clogged—Clean them
to-night! Feel bully!

Get a 10-cent box.
Sick headache, biliousness, diz-
ziness; coated tongue, foul taste
and foul breath—always trace
them to torpid liver; delayed, fer-
menting food in the bowels or
sour, gassy stomach.

Poisonous matter clogged in the
intestines, instead of being cast
out of the system is re-absorbed
into the blood. When this poison
reaches the delicate brain tissue it
causes congestion and that dull,
throbbing, sickening headache.

Cascarets immediately cleanse
the stomach, remove the sour,
undigested food and foul gases,
take the excess bile from the liver
and carry out all the constipated
waste matter and poisons in the
bowels.

A Cascaret to-night will surely
straighten you out by morning.
They work while you sleep—a 10-
cent box from your druggist
means your head clear, stomach
sweet and your liver and bowels
regular for months.

To Cure a Cold in One Day
Take LAXATIVE BROMO Quinine. It stops the
cough and headache and works off the cold.
Druggists refund money if it fails to cure.

Mother If Child's Tongue Is Coated

If cross, feverish, constipated, give "Calif-
ornia Syrup of Figs."

A laxative today saves a sick
child tomorrow. Children simply
will not take the time from play to
empty their bowels, which become
clogged up with waste, liver gets
sluggish; stomach sour.

Look at the tongue, mother! If
coated or child is listless, doesn't
eat heartily, full of cold or has
sore throat or any other children's
ailment, give a teaspoonfull of
"California Syrup of Figs," then
don't worry, because it is perfectly
harmless, and in a few hours all
this constipation, poison, sour bile
and fermenting waste will gently
move out of the bowels, and you
have a well, playful child again.
A thorough "inside cleansing" is
oftimes all that is necessary. It
should be the first treatment given
in any sickness.

Beware of counterfeit fig syrups.
Ask your druggist for a 50-cent
bottle of "California Syrup of
Figs," which has full directions
for babies, children of all ages and
for grown-ups plainly printed on
the bottle. Look carefully and see
that it is made by the "California
Fig Syrup Company." Don't be
fooled!

Overlooked.
A lawyer for a railway company once had to defend his employers from the charge of negligence in the case of a farmer whose produce cart was demolished at a grade crossing, not without bodily injury to the farmer himself, who was driving.

The accident happened at night and the principal witness was an old colored man who was on guard armed with a lantern to signal the approach of trains.

"Now, John," said the lawyer, "did you swing your lantern when you saw the cart coming?"

"Yassir, I sut'nly did, suh, I done swung dat lantern right crost d road."

On the strength of this testimony the lawyer won his case. He took occasion to thank the witness.

"Much obleeged to yo', Marse Tom," replied that worthy. "I'se pow'ful glad I could he'p yo'. But I was plum scairt dat other lawyer was gwine ax me ef dat lantern was lit."—New York Evening Post.

A small boy had been given a penny with a hole in it. Handing it to a still smaller companion, he said:

"Jimmie, I dare you to go into that store and buy something with this penny."

"Here," said the clerk, "this penny has hole in it."

"So has the doughnut," announced Jimmie, triumphantly holding it up.—Delineator.

Our Home Women Have Beautiful Hair

Next time you go to the theatre or to the "movies" just notice, if you please, how many of our home ladies have beautiful hair—glossy, lustrous, and well-dressed. Brains Duller By Constipation

Some People are Only Half Alive: Dodson's LiverTone Cleans You Out and Wakes You Up

When constipation is having its evil effect on your body and brain, Nature is doing her best to effect them and overcome the cause itself. But usually Nature cannot do this unaided.

In the past, many sufferers at such a time used to turn to dangerous calomel in hope of relief. For some people calomel does appear to give a temporary benefit, but as a matter of fact it is a poison that proves to be injurious and even dangerous to many. If you have ever taken calomel you probably have suffered from evil conditions following its use.

But nowadays great numbers of people have learned how to feel better, brighter and healthier by taking Dodson's Liver Tone instead of calomel. Indeed, this harmless vegetable liquid is recommended and guaranteed by The Corner Drug Store who will refund the purchase price to you without question if you are not completely satisfied with it.

Get a bottle of Dodson's Liver Tone for only 50c and learn for yourself how easily and naturally it assists Nature in getting rid of and correcting constipation and biliousness, how it clears away the sick headache and coated tongue sets you right without any interference with your regular habits. Fine for the children. They like it

Touching.

A teacher trying to impress on her children the rightness of kindness toward all animals, took them for a walk, to bring it home to them.

Hearing a scream from little Johnny, she asked: "What's the matter, Johnny?"

"I've been sitting on a hornet," was the tearful response, "and I'm afraid I've hurt the poor thing."—Delineator.

NEWS AMONG THE CHURCHES

Missionary Society.

Nineteen ladies responded to roll call Monday with a quotation from the lesson—the 7th and 8th chapter of John.

The president made some announcements and presented the invitation from the Baptist ladies to meet with them on the fifth Monday in March, in a bible study. The auxiliary voted unanimously to accept the invitation. Mrs. Turrentine took up the lesson. We got many helpful lessons from this study. We find Christ did seek publicity and notoriety in his life's work.

We should give the best that is in us for the work of our Master, and not seek to do the big things only. May we, with love in our hearts do the things our hands find to do. Even be pleasant at each meeting and have a well prepared lesson.

Our next meeting, Monday, March 16, we have the fifth chapter in the new American, Mrs. Graham, teacher.

Publicity Supt.

The B. W. M. Workers.

Monday was a business meeting and 36 of our members showed special interest in the work by being there promptly at 3 o'clock. Thanks were voted to the year-book committee for the neat little books gotten up.

The society decided to begin the Saturday Market, Saturday March 21st. Anyone wanting to give in an order will please phone Mrs. Murphey.

A motion was made and carried to invite all the different mission societies of the town to meet with us in a devotional service the fifth Monday evening at 3 o'clock in the Baptist church. We will be glad indeed to have all come who can. God is ever ready to bless us, let us never grow weary laboring for His cause.

The Saturday market will be held in the new building at the S. W. corner of the square.

Reporter.

Guy O. Street for Tax Collector.

To the Democratic Voters of Haskell County:—

I am running for Tax Collector of Haskell County because I want the office and need the salary. I want you to vote for me because I have the ability to fill its duties and to serve you.

I rest my claim upon my record as District Clerk of Haskell County for the past four years. If I have been a success there it follows that I will be a success as Tax Collector. Ask the witnesses as to my record as District Clerk. Have I been competent? Ask the lawyers. Have I been punctual at all times? Ask the District Judge. Have I been faithful to every duty and trust? Ask anyone. Have I been courteous? Ask the jurors and witnesses who have been in the District Court for the past four years. Do I pay my debts? Ask the banks and business men.

If you desire to know whether there is any good in me ask my friends. If you desire to know how bad I am ask those who oppose me. If you want the exact truth about me, please ask me and I will tell you.

Yours to win and them to serve.
Guy O. Street.

S. M. Rike.

S. M. Rike authorizes us to announce him as a candidate for reelection to the office of County Commissioner, for Precinct No. 3. For the past 18 months, Mr. Rike has been redeeming his promise to give his constituents the best roads and bridges in the county. No one can travel in his precinct without being struck with the many new bridges, with concrete abutments, and both the abutments and bridges have stood the test of high waters. Competency in road building is a rare quality, and a competent overseer can save many thousands of dollars to the tax payers. Millions upon millions of dollars have been sunk in bridges in this state that would not stand a flood. Mr. Rike has shown that he knows how to spend the county's money when it comes to building a bridge. In other matters he has shown equal executive ability. The people should show their interest and appreciation by giving him a candid and fair consideration.

Suffered with Throat Trouble.

Mr. Barnes used to be sheriff of Warren County, Tennessee. From exposure to the elements he acquired throat trouble. He supposed that his health was entirely ruined, in spite of all the treatment he could procure.

MR. B. W. D. BARNES, McMinnville, Tenn.

After using four bottles of Peruna he claims that he was entirely restored to health. Catarrh of the throat is not only an annoying disease of itself, but it exposes the victim to many other diseases. We are constantly breathing into our throats numerous atmospheric germs. Disease germs of all sorts. This cannot be avoided. If the throat is healthy the system is protected from these poisonous germs. But if the throat is raw and punctured with numerous little ulcers, by catarrh, then the disease germs have easy access to the system. Keep the throat well and clean. This is the way to protect yourself against contagious diseases. Gargle the throat as explained in the new "Illa of Life," sent free by the Peruna Co., Columbus, Ohio.

Mr. Barnes says: "I had throat trouble and had three doctors treating me. All failed to do me any good, and pronounced my health gone. I concluded to try Peruna, and after using four bottles can say I was entirely cured."

A Real Nerve and Body-Building Medicine

We believe Rexall Olive Oil Emulsion is the best remedy made for toning the nerves, enriching the blood, building up wasted tissues, renewing health, strength and energy—the best medicine you can use if you are run-down, tired-out, nervous and debilitated, no matter what the cause. It doesn't depend for its good effect upon alcohol or habit-forming drugs, for it contains none. It may not make you feel better in a few hours, but it will make you feel better, we are sure, just as soon as the tonic and food properties it contains have a chance to get into the blood and, through the blood, into the rest of the system. Pure Olive Oil and the Hypophosphites have long been endorsed by successful physicians, but here, for the first time, they are combined into one preparation which, as a nerve-food and a builder of strength and health, we believe has no equal.

If you don't feel well, begin taking Rexall Olive Oil Emulsion today, and build your health and strengthen your system against more serious illness. To convalescents, old people, puny children and all others who are weak, run-down or ailing, we offer Rexall Olive Oil Emulsion with our personal promise that, if it doesn't make you well and strong again, it will cost you nothing. If we didn't have the utmost faith in it, we wouldn't offer it with this guarantee, nor even recommend it to you. We are sure that once you have used it you will recommend it to your friends, and thank us for having recommended it to you. Sold only at the more than 7,000 Rexall Stores, and in this town only by us.—Jno. W. Pace Co., Haskell, Texas.

Chronic Stomach Trouble Cured

There is nothing more discouraging than a chronic disorder of the stomach. It is not surprising that many suffer for years such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by All Dealers.

Unappreciated.

Katherine's uncle had come to pay them a visit. After the first greetings were over and he was comfortably seated with little Katherine on his knee, added, as uncles often do, if she were "a good little girl."

"Yes, but nobody knows it," was Katherine's prompt answer.—Delineator.

CHILDREN ARE OFTEN LIVER LAZY

Give Them Liv-Ver-Lax Instead of Bickory Oil

Spare the rod and put the child in good physical condition. He or she will then perform the natural duties in a natural way. Too many children are given credit for laziness when their parents should be blamed for inattention to the child's physical condition.

Over eating or malarial conditions, which induce laziness in the child can be quickly overcome by eliminating the poisons from the system—from the liver and bowels.

Calomel used to be the only way. Medicine science has produced a better remedy in Grigsby's Liv-Ver-Lax, a purely vegetable compound that does better work than calomel without any after effects or unpleasant conditions.

Sold under absolute guarantee of money back by All Drug Stores, at 50c and \$1.00 a bottle.
