

Typhoid Shots and Vaccinations For Smallpox to Be Given Without Charge August 25, at School Gym

P.-T. A. Sponsors One Day Clinic This Year To Enable Those Who Took 1947 Series To Get Booster Shots for Typhoid

The Rockport Parent-Teacher Association will sponsor a Free Protective Clinic under the supervision of Rockport physicians, Drs. M. A. Rich, L. G. Wood and H. Freeman Elliot, August 25, at the high school gymnasium. The clinic will be held only the one day this year between the hours of 9 to 12 noon and 1 to 4 p. m. The doctors will be assisted by local registered nurses, to be named later.

The purpose of this clinic, according to Mrs. Simon Lee Sorenson, social hygiene chairman of the P.-T. A., is to give booster shots for typhoid fever to all children and adults in Aransas County who took the series of shots in the fall of 1947 for typhoid fever. Smallpox vaccinations will also be given to children of four years and over and to adults in Aransas County who wish to be vaccinated.

Any one who wishes to start the typhoid series may get the first shot free at the clinic August 25, but since the clinic will be held only the one day, it will be necessary for the following two shots to be given by the family physician. Mrs. Sorenson pointed out that unless a person intends to return to the doctor for the other two shots, it will be useless for them to get the first one at the clinic.

The State Health Department is furnishing the vaccine this year, as in the past, to make the clinic possible. The Nueces County Health Unit will furnish the needles again this year as they did last year. Personnel to work in the clinic will come entirely from Aransas County this year, last year several nurses from Corpus Christi were in charge of the clinic. Those in Rockport who assisted the nurses last year, will carry on August 25.

The P.-T. A. is mailing a post card to all who received the typhoid series of shots last year, to remind them that their booster shot is due. Those who did not take the series last year, will need all three shots this year. Adults need simply come to the gym for treatment. Children must be accompanied by their parent or bring a signed slip or note from their parent or guardian.

Ladies Softball Team To Enter Tournament

The ladies Liquefied Gas softball team will enter a softball tournament in Beeville which begins Aug. 16. Eight teams have been invited to participate in the tournament which will last all week. The loss of one game will eliminate a team from the tournament. Trophies will be presented to the winners.

The Liquefied team is scheduled to enter another tournament in Corpus Christi Aug. 27. The tourney will last through Sept. 4.

The Liquefied team has completed their schedule of play with the teams from Port Lavaca, Aransas Pass and Victoria. The local team won three games and lost three. It has not been announced who won the series.

Seismic Crew to Explore Mesquite Bay

The Producers Investment Corp. and Rogers Ray Inc. have been issued a permit to do seismic work in Mesquite Bay, according to County Judge Emory M. Spencer. The crews expect to start shooting within the next week.

The crew, consisting of 15, came to Rockport the middle of July. They have been doing land work on Matagorda Island. They have established an office in Rockport.

Absentee Ballots May Be Cast Until Aug. 24

According to County Clerk Jas. C. Herring, absentee ballots can be voted any time from now until Aug. 24. The run-off for the democratic primary will be held Aug. 28. Those who wish to vote an absentee ballot should go to the office of the county clerk.

COTTON FOR COLD

Well camouflaged and warm, too, these members of the 82nd Airborne Division plod through the snow during "Exercise Snowdrop" at a northern post. The National Cotton Council reports the soldiers are wearing light-weight, wind resistant cotton garments made of very tightly constructed fabric. The outer cotton uniform is used over a softer and more resilient undergarment and provides more warmth and comfort than heavy overcoats.

All-Star, Latin-Americans to Play

The All-Stars, men's team, will play a Latin-American team at the ball diamond Monday night at 8 o'clock.

All-Stars who will play are W. Hunt, E. Deason, J. Malchar, H. Pollard, D. Vance, C. Roe, B. Morrison, Buddy Gray and Roy Mullinax. Woody Hunt will pitch.

The Latin-American team will be made up of Willie Soliz, Lee Farias, John Chupe, Vicente Corpus, Rudolf Garcia, Polo Benavidez, Ramon Rodriguez, Sonny Falcon, Pete Ramirez, Camilo Delgado, Costa Soliz. Costa Soliz will pitch.

Accident On Highway 35 Wrecks Road Sweeper

Perry Malone of Kenedy, driving a truck belonging to C. G. Glascock of Corpus Christi, ran into a sweeper working on Highway 35, 400 feet north of the north end of the causeway, Saturday morning.

The highway sweeper was wrecked; the man riding the sweeper missed possible injury by jumping from the vehicle before the impact. The truck was damaged and had to be towed to Corpus Christi.

B. R. Brown, highway patrolman working with Jimmy Huntsman, filed charges with Justice of the Peace Joe Smith, charging Malone with failure to turn to the left when the highway was obstructed.

Lassiter Resigns As Fire Chief

Lloyd Lassiter handed a letter of resignation to the city Wednesday resigning his position as fire chief of the Aransas County Emergency Corps. The resignation will become effective Sept. 1.

The fire chief of the Aransas County Emergency Corps is appointed by the city council. According to acting Mayor Arlie Shivers, the matter will be considered at the next meeting of the city council.

Mr. Lassiter has been fire chief for the past three years. Since serving in this capacity, takes him away from his business much of the time, he believes that someone with more time to devote to the job would make a better chief for the department.

The largest conflagration to occur during Lassiter's term as fire chief was the Fulton brush fire which occurred last fall. The members of the fire department battled the flames for 36 hours without rest.

The highlight of Chief Lassiter's three years as fire chief occurred when the department was able to order the new fog truck. It has not yet arrived, due to inability to obtain some of the parts, according to word received from the factory.

During this period the Fulton branch of the Aransas County Emergency Corps was organized and trained with the Rockport Fire Department headed by Chief Lassiter.

New Wharf Under Construction at Yacht Basin

Construction got underway today on a wharf which will be 192 feet long and 8 feet wide, to extend from the north side of the basin out toward the middle. The wharf is being built by the navigation board to provide more dockage space. Harbormaster Floyd Smith will be in charge of the construction.

This additional space will accommodate about 22 more boats, according to Ted Little, secretary of the navigation board. The navigation board has a waiting list for dockage space about as long as the number of new docks. All available dockage space in the harbor has been full all summer and there has been great demand for more. It has been estimated that the new wharf will be finished in about three weeks.

Football Practice Starts Monday

Uniforms will be issued to football players for the 1948 season Sunday afternoon at 3:30 at the school gym. Coach Chas. Roe, Jr., has requested every boy interested in playing football to be present at that time, and he hopes to see at least 30 boys turn out.

The first work out will start Monday morning at 8 o'clock and there will be another Monday afternoon at 4:30.

Coach Roe is making every effort to schedule a game for September 3. The football schedule was completed last month except for open dates on Sept. 3 and Nov. 12, for which they hope to schedule games.

Navigation Board Advertises For Bids On Wall at Fulton Harbor

The Navigation Board is advertising for bids to build the remainder of the concrete wall in the Fulton harbor. They are also asking for bids on the construction of a wood bulkhead on the north end of the harbor and back along the west side north of Cactus St. Bids should be in by Sept. 3.

The U. S. Engineers agreed to dredge the channel to the intra-coastal canal, providing that the sea wall and bulkhead were first constructed. The engineers specified a 1,400 foot harbor, however when the seawall was completed at Fulton, it was only 1,000 feet. The engineers required that the seawall be completed to the 1,400 feet and the bulkhead erected before they would consider the dredging.

ANNOUNCEMENT

There will be a directors meeting of the Chamber of Commerce Friday evening at 5 o'clock at the fire hall. All directors are urged to be present for the meeting.

Registration for Students Begins Thurs., Sept. 2

Officially school will begin Sept. 1, according to Superintendent J. F. Harbin, but there will be no classes 'till Monday, Sept. 6.

Wednesday, Sept. 1, will be devoted to a general faculty session. Students will not be required to report. Registration will begin on Thursday, Sept. 2, when one-half of the students will report. The rest of the students will register on Friday, Sept. 3. Students will register according to the grade which they are in, the time for which will be announced later. Superintendent Harbin reports that busses will run both days to take students to register.

Two teachers are yet to be hired. Mrs. Gerald Hollis of Corpus Christi had been contracted early this month to teach social science and girls' physical education, but resigned this week due to the fact she was unable to find desirable housing.

John McLester has been hired as school janitor.

Bay Test Prepares For Completion

Phillips Petroleum Co. No. 1 Copano Bay, 9 miles northwest of Rockport, has drilled to the contract depth of 9,500 feet and are now taking side wall cores preparatory for completion. Several shows beginning at 7,000 feet have been reported for the test.

Atlantic Refining Co. No. 1 V. G. Gwynn, 4 miles northwest of Rockport, is now coring below 7,400 feet. Oil show was had from 7,312 to 7,320 but it is doubtful that it will make a well, according to a recent report.

Placid Graham has set 1,000 feet of 10 1/2 inch surface casing on the Lizzie Parr et al. No. 1 (M. Sternberger 83 acre tract).

Placid Graham E. M. Spencer et al, 80 acre unitized tract, is building the derrick.

Placid Graham Milton Jackson No. 1 set 7,071 feet of 7 inch casing and upon testing found a hole in the casing. Operators are now drilling cement plug at 6,000 feet.

Standolind No. 1 State Tract 70 is rigging up and expect to spud in over the weekend.

The roadway and T-head is now under construction on Atlantic No. 3, State Tract 71.

Western Natural Gas Co. No. 9 St. Charles Ranch, 20 miles south of Austwell, is drilling below 10,967 feet.

Sullivan and Garnett No. 1 F. W. Eichlitz, on Lamar Peninsula, was coring at 7,385 feet at the weekend.

Phones Now Available On Two Days Notice

Stan Bell, district manager of the Southwestern Bell Telephone Company, announced this week that only one person is on the waiting list for a phone in Rockport and that this phone will be installed within the next few days.

Mr. Bell stated that there are now 622 phones in Rockport compared with 211 on Jan. 1, 1941. At least 100 telephones have been installed since January of this year.

According to Mr. Bell, applicants can now have a phone installed about two days after the application is made. It was still a matter of weeks early this year before a phone could be installed since there were so many on the waiting list.

A service man, Mr. Phillips, is now stationed here to take care of installations and repairs.

Persons desiring a phone should dial operator and ask for the business office.

Three Building Permits Issued This Week

Pearson Raymond was issued a building permit at the city hall this week to add a 10 by 20 room to the present dwelling located on lots 1 and 2, block 251, S. & W., at a cost of approximately \$300.

Troop 49, Aransas County Boy Scouts, was granted a permit to construct a 20 by 40 frame stucco building, at an estimated cost of \$2,000. The building will be located on lots 9 and 10, block D, Live Oak Heights.

T. A. Jackson received a permit to build a three-room house with bath on lot 4, block 19, D. & M. The cost was estimated at \$850.

City Election to Name Mayor Scheduled For August 31

Council Appoints Board of Equalization And City Health Officer at Tuesday Meeting

The City Council set the election date for the purpose of electing a mayor for the City of Rockport, for August 31. Arlie Shivers has been acting as mayor for the city since June. However former Mayor Jack Collins did not resign from the office until he returned to Rockport in July after

Natural Gas Now Servicing Rockport Area

Natural gas started flowing through the lines of the Aransas Natural Gas Company Aug. 2, according to Major Jas. A. Jarboe, manager of the company. Forty-three thousand feet of pipe have been laid to complete the main line. Lateral lines are now being laid from the main line to houses.

There is about 100,000 feet of lateral line to be laid. Four thousand feet of service line was laid last week. According to Major Jarboe, those who have signed applications for service will be the first ones to be served.

L. N. Collins came to Rockport from Andrews May 1, to serve as superintendent of the Aransas Natural Gas Co. He has made his home here with his wife and two children.

W. G. Garrett arrived here from Houston with his family July 1. He was employed by the Houston Industrial Gas Co. Mr. Garrett will be in charge of the meter department. He purchased the home formerly owned by Coach John Ramseur.

City to Discuss Drainage Improvements

The City Council planned Tuesday night to ask Fred Percival to meet with the council at their next meeting to discuss drainage improvements for the city. It was pointed out that there is little need to improve the existing roads or to build new ones, until the poor drainage is taken care of. The council is seeking suggestions regarding this matter and propose to do something about the bad situation.

It was also agreed at the Tuesday meeting to extend the sewer line down to the three rent houses being constructed by C. C. Fowler. The council voted to transfer \$1,600 from the general fund to the water fund and another \$1,600 from the general fund to the sewer fund. These sums will be used for improvement of the existing systems and to provide for expansion of the same. The council is endeavoring to make these facilities available to all persons who desire them as soon as possible. Since 10 cents out of every 70 cents collected for the general fund is marked for use in the water system and another 10 cents marked for use in the sewer system, it was decided to take the amount which has been collected and put it to use. Over \$3,000 still remains in the general fund.

It was decided to furnish water up to the minimum at the new scout hut which the scouts propose to build. All water used over the minimum will be paid for by the scouts.

Scouts Award Contract For Hut

Boy Scout Troop 49 have awarded the contract for building the 20 by 40 scout building to J. W. Wilkinson on a low bid of \$1,899. Construction started this week. The floor will be concrete with stucco outside.

The hut will be erected on lots 9 and 10 of the city water park. The scouts have a 50 year lease from the city, taken in 1946. If the time should come when there is not a scout organization in the city, the building will be the property of the city.

The city agreed to furnish the scouts with minimum of water, which is 5,000 gallons, at no cost. All water used above the minimum will be paid for by the scouts. The scouts will also pay for the installation.

an extended vacation. He left the city after selling his business here early in June.

To date there are no candidates for the office. Persons desiring to run for the office should file their intentions with acting Mayor Arlie Shivers.

The board of equalization, named each year to equalize the valuation of property for taxing purposes, was appointed by the council. Those who will serve on the board, scheduled to meet in the near future, are Travis Bailey, Paul Clark Sorenson and Will Rooke.

The city appointed Dr. L. G. Wood as city health officer. According to state regulations, it is required that an M. D. hold the post and it is also required that he reside in the city for six months before he is eligible to hold the post. Unless the state waves this six month requirement, the appointment will not be effective until November, as Dr. Wood has resided in the city only 3 months.

Dance Sat. Night At School Gym

It was announced at the regular monthly meeting of the Women's Civic Club Tuesday afternoon that Duke Shiner and his orchestra from Corpus Christi would be back in Rockport Saturday night to play for the dance here. The dance will be held in the high school gym from 9 to 1 o'clock. Tickets can be obtained from members of the club.

The finance committee reported that the club would sponsor one more cake sale this summer, this will be held the Saturday preceding Labor Day, Sept. 4.

The club has also arranged to hold one more dance during the summer season. This will also be held Sept. 4.

The treasurer's report revealed that the club has raised a total of \$730.86 since it was organized in June. Of this amount \$605 was cleared.

It was announced that another donation was received this week. Dr. Wheeler Straugh of Refugio donated \$10 which will go into the fund ultimately designed to erect a community building here in Rockport.

Murder Suspect Picked Up Here

Charles W. Hallenbeck, wanted in Detroit, Mich., in connection with a hammer slaying there July 4, was picked up by the Highway Patrol two miles south of the Triangle on Highway 35 last Friday morning. He was apprehended by the patrol as a result of a car theft complaint.

The 24 year old murder suspect was picked up with a companion, Vertna Johnson, 19, in a car reported stolen by T. W. Johnson, Corpus Christi. The men were placed in the Aransas County jail and returned to Corpus Christi Friday afternoon. The car was reported stolen from in front of the K. Woolen Store Friday morning. Chief of Detectives Tom Matthews said that Hallenbeck would be returned to Detroit for questioning. He is wanted in connection with the slaying of Samuel Hartley. The car theft charge, police said, would be waived.

Along The Waterfront

Fishermen who heard that fishing was excellent in the bay area and came down hoping to duplicate some of the catches over the weekend must have been disappointed as the wind started blowing Saturday and the bays were too rough for good fishing 'till Wednesday. However it is calm this morning and it is the fisherman's hope that it will remain this way over the weekend.

Last Wednesday proved to be a good day to fish in the Gulf for Mr. and Mrs. A. B. Lloyd and party of San Antonio, who went out on the Rambler with Bill Gray. They made a good catch of mackerel and kingfish. Two of the kings dressed out at 18 pounds each.

Ben Holt, W. B. Holt and Cleo Phillips went bay fishing on the Rambler last Friday and caught 75 good trout.

Herb Mills took Mr. and Mrs. E. M. Cyrue and R. P. Cyrue of Fort Worth and Mrs. O. T. Cooper of Corpus Christi out on the Sonata last Friday. They landed 126 trout.

Mr. Eaton and two children of San Antonio went out with Harry Mills on the Fisherman last Friday and hooked 83 trout.

Saturday Mr. Keith and a party of five from Houston went out with Herb Mills and returned with 25 trout, which was considered a good catch for the rough bay.

H. H. Hagler and party fished with Harry Mills Saturday and managed to land 53 trout, reds and drum.

Wednesday, Ed. J. Freyer and son and party of San Antonio went out with Harry Mills and brought in 103 trout.

Mr. and Mrs. W. F. Donnelly of Little Rock, Ark., fished with Henry Ballou on the Earline B last Friday and returned with 107 fish which included a large number of rat reds and a few trout. Two of the reds tipped the scales at five pounds each.

Saturday, Mr. and Mrs. B. F. Combs of Houston and party, fished with Mr. Ballou. They also returned with 107 fish. However, this was not a repetition of Friday (continued on page 6)

P.-T.A. Leads the Way

The Parent-Teacher Association is sponsoring another free health clinic this year. Its chief purpose is to enable those who took advantage of the clinic last year to obtain their booster typhoid shot.

In the 1947 clinic every man woman and child over three years old in the county were invited to attend the clinic to receive the series of three typhoid shots and the smallpox vaccination. Over 700 took advantage of the opportunity offered, many receiving both the vaccination and the shots.

The clinic was planned chiefly for the benefit of the school children but everyone was invited to take advantage of the offer.

The large turnout indicated that Aransas County citizens were well aware that the precautionary measures were necessary for the prevention of the diseases.

This year those who are wise will make every effort to be on hand to take their booster typhoid shot and those who missed out will show up for their initial shot and go to their family physician to complete the series.

However it is not enough that citizens take advantage of these medical aids just because they are free. The clinic is sponsored as a public hygiene measure aimed at informing the public of the necessity of obtaining these health safety measures. If these persons continue to visit their family physician when shots and vaccinations are due, the program will have proven successful.

It is the plan of the P.-T. A. to expand the program and provide through some means, an opportunity for everyone to have chest X-rays taken. In the same way it is hoped the public will realize the necessity for this as a means of detecting tuberculosis and will continue to have X-rays taken at regular intervals. The P.-T. A. cannot provide facilities for all each year but they can and are showing the people the reasons and necessity for the treatments, in the belief that they will be continued when they are no longer available free of charge.

At the same time it is hoped that there will be some way to provide for those who may not be able to afford to call on their family physician for these health measures.

Like Grandma

Looking like the quaint Victorian fashions Grandma wore when she was a girl, this ruffled corduroy redingote worn by 7-year-old Maureen Mooney, of Dallas, is the latest vogue for 1948 youngsters. It was among the new fall and winter styles for grownups and children shown at the American Fashion Association meeting in Dallas Aug. 1 to 5. Three thousand visitors from over the country attended the association's five-day exhibit. Maureen's new frock was made by fashion designer Jean Durain of California.

ANNOUNCEMENT

Sunday, Aug. 15, there will be an all day social on the grounds at the Fulton church. The monthly song fest will be held at this time and dinner will be served to all. This singing convention is an annual affair. Rev. Bob Cunningham of the Fulton church reports that singers from San Antonio, Corpus Christi, Refugio and Austin are expected to be present to take part in the program.

Edward and Hershel Wheeler and Clinton Britsch of Hondo visited at the home of Rev. and Mrs. W. B. Wheeler over the weekend. The boys are attending A. & I. College.

35 Day Hunting Season Scheduled

This week the Texas Game, Fish and Oyster Commission released the dates for the hunting season and the bag and possession limits. According to the regulations ducks, geese, brant and coot may be taken from Nov. 12 to Dec. 16, both days inclusive, except shooting on Nov. 12 shall not commence until 12 o'clock noon. Shooting hours on other days shall be from one-half hour before sunrise to one hour before sunset. Hunters were given one 35-day season this year instead of the split season with 14 days in each, as was set last year.

For the first day of the open season, a person shall be permitted to possess only one day's limit of the species of game taken on such opening day.

Daily bag limit on ducks (except American and Red-breasted mergansers) is 5 in the aggregate of all kinds, including in such limit not more than one wood duck. Any person may possess not more than 10 ducks in the aggregate of all kinds, including not more than one wood duck (but not including American and Red-breasted mergansers).

American and red-breasted Mergansers: Twenty-five singly or in the aggregate. No possession limit, except on opening day.

Geese: The daily bag limit on geese and brant is 4; provided such limit shall not contain more than two Canada geese or its subspecies or two white-fronted geese, or one of each. Possession limit is one day's kill.

Rails and Gallinules, except Sora and coot: 15 in the aggregate of all kinds, and any person may possess not more than 15 in the aggregate of all kinds.

Coot: 15, and any person may possess not more than 15.

Sora: 20, and any person may possess not more than 20.

Fred Booth Declines To Serve On Draft Board

Last week Fred Booth received word from state headquarters that he had been appointed to serve on the draft board for San Patricio, Aransas and Bee counties, with Homer Easterwood of Taft and R. A. Hall of Beeville. The board would have headquarters at Sinton.

Mr. Booth immediately notified the state officials that he could not serve on the board and recommended that Col. C. M. Davis be appointed to the office. However Colonel Davis has not as yet been officially appointed to serve at the post.

Rockport Teacher Builds Own Home

It didn't take T. A. Jackson, new manual arts teacher at the Rockport high school, long to solve the housing problem when he arrived in Rockport early this month.

After looking the situation over, Mr. Jackson readily saw that it would run about \$500 for nine months to rent an apartment here. He figured that since he already had some lumber and could do the work himself, having already completed a home for his mother this summer; a small home could be constructed for the same \$500.

Mr. Jackson purchased a lot in the block back of the Sea Gull Cottages and Monday morning construction on the little room, to be 20 by 24 feet, got underway. As we go to press, Mr. Jackson, with the help of a Latin-American, has the foundation laid and the siding up. He plans to have the roof on by Saturday.

The home will be frame and finished with sheet rock. There will be three rooms and a bath.

Mr. and Mrs. Jackson are now staying at the Sea Gull Cottages. The building will be completed by September, according to Mr. Jackson, since after school starts there won't be much time for house building.

P.-T.A. Leads the Way

The Parent-Teacher Association is sponsoring another free health clinic this year. Its chief purpose is to enable those who took advantage of the clinic last year to obtain their booster typhoid shot.

In the 1947 clinic every man woman and child over three years old in the county were invited to attend the clinic to receive the series of three typhoid shots and the smallpox vaccination. Over 700 took advantage of the opportunity offered, many receiving both the vaccination and the shots.

The clinic was planned chiefly for the benefit of the school children but everyone was invited to take advantage of the offer.

The large turnout indicated that Aransas County citizens were well aware that the precautionary measures were necessary for the prevention of the diseases.

This year those who are wise will make every effort to be on hand to take their booster typhoid shot and those who missed out will show up for their initial shot and go to their family physician to complete the series.

However it is not enough that citizens take advantage of these medical aids just because they are free. The clinic is sponsored as a public hygiene measure aimed at informing the public of the necessity of obtaining these health safety measures. If these persons continue to visit their family physician when shots and vaccinations are due, the program will have proven successful.

It is the plan of the P.-T. A. to expand the program and provide through some means, an opportunity for everyone to have chest X-rays taken. In the same way it is hoped the public will realize the necessity for this as a means of detecting tuberculosis and will continue to have X-rays taken at regular intervals. The P.-T. A. cannot provide facilities for all each year but they can and are showing the people the reasons and necessity for the treatments, in the belief that they will be continued when they are no longer available free of charge.

At the same time it is hoped that there will be some way to provide for those who may not be able to afford to call on their family physician for these health measures.

Like Grandma

Looking like the quaint Victorian fashions Grandma wore when she was a girl, this ruffled corduroy redingote worn by 7-year-old Maureen Mooney, of Dallas, is the latest vogue for 1948 youngsters. It was among the new fall and winter styles for grownups and children shown at the American Fashion Association meeting in Dallas Aug. 1 to 5. Three thousand visitors from over the country attended the association's five-day exhibit. Maureen's new frock was made by fashion designer Jean Durain of California.

ANNOUNCEMENT

Sunday, Aug. 15, there will be an all day social on the grounds at the Fulton church. The monthly song fest will be held at this time and dinner will be served to all.

This singing convention is an annual affair. Rev. Bob Cunningham of the Fulton church reports that singers from San Antonio, Corpus Christi, Refugio and Austin are expected to be present to take part in the program.

Edward and Hershel Wheeler and Clinton Britsch of Hondo visited at the home of Rev. and Mrs. W. B. Wheeler over the weekend. The boys are attending A. & I. College.

35 Day Hunting Season Scheduled

This week the Texas Game, Fish and Oyster Commission released the dates for the hunting season and the bag and possession limits.

According to the regulations ducks, geese, brant and coot may be taken from Nov. 12 to Dec. 16, both days inclusive, except shooting on Nov. 12 shall not commence until 12 o'clock noon. Shooting hours on other days shall be from one-half hour before sunrise to one hour before sunset. Hunters were given one 35-day season this year instead of the split season with 14 days in each, as was set last year.

For the first day of the open season, a person shall be permitted to possess only one day's limit of the species of game taken on such opening day.

Daily bag limit on ducks (except American and Red-breasted mergansers) is 5 in the aggregate of all kinds, including in such limit not more than one wood duck. Any person may possess not more than 10 ducks in the aggregate of all kinds, including not more than one wood duck (but not including American and Red-breasted mergansers).

American and red-breasted Mergansers: Twenty-five singly or in the aggregate. No possession limit, except on opening day.

Geese: The daily bag limit on geese and brant is 4; provided such limit shall not contain more than two Canada geese or its subspecies or two white-fronted geese, or one of each. Possession limit is one day's kill.

Rails and Gallinules, except Sora and coot: 15 in the aggregate of all kinds, and any person may possess not more than 15 in the aggregate of all kinds.

Coot: 15, and any person may possess not more than 15.

Sora: 20, and any person may possess not more than 20.

Mourning or turtle dove—limit 10. Texas, mourning doves in Val Verde, Kinney, Uvalde, Medina, Kendall, Comal, Hays, Travis, Williamson, Milam, Robertson, Leon, Houston, Cherokee, Nacogdoches and Shelby counties and all counties north and west of them, Sept. 1 to Oct. 15; in rest of state not including Cameron, Hidalgo, Starr, Zapata, Webb, Maverick, Dimmit, La Salle, Jim Hogg,

White winged doves in Cameron, Hidalgo, Starr, Zapata, Webb, Maverick, Kinney, Dimmit, La Salle, Jim Hogg, Brooks, Kenedy, Willacy, Val Verde, Terrell, Brewster, Presidio, Jeff Davis, Culberson, Huds-peth and El Paso counties, Sept. 17, 19 and 21, from 4 p. m. to sunset; no open season in rest of Texas.

Mrs. Ila Nichols Atkinson, Mrs. Sam Rick and children of Kenedy and Mrs. Martin Seay of Karnes City were guests at the home of Mrs. George W. Walton last Wednesday.

Fred Booth Declines To Serve On Draft Board

Last week Fred Booth received word from state headquarters that he had been appointed to serve on the draft board for San Patricio, Aransas and Bee counties, with Homer Easterwood of Taft and R. A. Hall of Beeville. The board would have headquarters at Sinton.

Mr. Booth immediately notified the state officials that he could not serve on the board and recommended that Col. C. M. Davis be appointed to the office. However Colonel Davis has not as yet been officially appointed to serve at the post.

Rockport Teacher Builds Own Home

It didn't take T. A. Jackson, new manual arts teacher at the Rockport high school, long to solve the housing problem when he arrived in Rockport early this month.

After looking the situation over, Mr. Jackson readily saw that it would run about \$500 for nine months to rent an apartment here. He figured that since he already had some lumber and could do the work himself, having already completed a home for his mother this summer; a small home could be constructed for the same \$500.

Mr. Jackson purchased a lot in the block back of the Sea Gull Cottages; and Monday morning construction on the little room, to be 20 by 24 feet, got underway. As we go to press, Mr. Jackson, with the help of a Latin-American, has the foundation laid and the siding up. He plans to have the roof on by Saturday.

The home will be frame and finished with sheet rock. There will be three rooms and a bath.

Mr. and Mrs. Jackson are now staying at the Sea Gull Cottages. The building will be completed by September, according to Mr. Jackson, since after school starts there won't be much time for house building.

LUCKY FISH!

Fish aren't the only ones who go hook, line, and sinker for pretty Alexis Smith when she's wearing such an attractive "fisherman's outfit." Designed by Tina Leser, the three piece ensemble is made of cotton. The National Cotton Council says the short slacks and jacket are of cotton sail cloth, and the striped shirt matches the jacket lining. Miss Smith is now appearing in Warner Bros. "Woman in White."

MANY ENJOY DOLL EXHIBIT AND LAWN PARTY SPONSORED BY CEMETERY ASS'N

Prominent on the weekend social calendar was the doll exhibit and lawn party sponsored by the Rockport Cemetery Association last Friday afternoon at the home of Mrs. G. M. Hooper.

Mrs. John C. Sorenson, president of the organization, Miss Grace Smith, Miss Mabel Bracht, Miss Genevieve Bracht, Mrs. F. E. Buckley, Mrs. John Paul Reese and Mrs. T. H. Pollard greeted the guests and Miss Fannie Oerling and Mrs. H. W. Schmidt of Taft were in charge of the register. Serving as hostesses in the rooms where the dolls were displayed were Mrs. Hooper, Mrs. A. L. Bruhl, Mrs. Travis Bailey, Mrs. James B. Jackson, Mrs. C. C. Fowler, Mrs. Paul Sorenson and Mrs. Weldon Cabaniss.

Started as a hobby when Miss Carolyn Ada Hooper was a little girl collecting Kewpie dolls, the idea grew until the collection has now reached 460 and in its ranks are china dolls, rag dolls, wax grandparents from Mexico, corn cob dolls, Dixie girls, New England lassies, cowboys, pixies, fairies, Santa Claus, Charlie Chaplin, brides, officers in uniform, Catholic Nuns, sophisticated ladies of royalty, babies, sailors, debutantes in their coming-out gowns, a 99 year year old doll which belonged to the late Miss Mary Shellman, Carolyn Ada's grandmother Clark's doll and representatives of nearly every foreign country, dressed in their native costumes. Her desire now is to collect state dolls. Other hostesses throughout the house included Mrs. Ted Little, Mrs. Mabel Bryant, Mrs. Emory Spencer, Mrs. Clyde Armstrong, Mrs. Jordan Weber, Mrs. Roy Woods, Mrs. Houston Ratliff, Mrs. Travis Johnson, Mrs. Frank Casterline, Mrs. Norvell Jackson, Mrs. Joe Johnson, Mrs. S. F. Jackson, Miss Vivian Picton, Miss Velma Picton, Miss Floy Kennedy, Miss Willeen Schmidt of Taft, Miss Ruth Lipscomb and Miss Mary Augusta Dean were in charge of the sale of cook books recently compiled by the members of the association. Mrs. James G. Hooper was general chairman for the evening's entertainment.

Serving refreshments on the lawn were Mrs. Byron Baker, Miss Charlotte Cron, Miss Frances Kane, Miss Alma Jean Ratliff,

Miss Margaret Patrick and Miss Georgiana Wells.

A nice sum was realized from the door receipts which will be placed in the permanent fence fund.

A. L. Bracht returned home last week after spending two months with his daughter, Mrs. M. J. Gray and family in Beaumont. Mrs. Gray and daughter, Alice Anita, will spend the next few weeks here at the A. L. Bracht home.

Mr. and Mrs. Fred M. Hunt spent the weekend at the home of Mr. Hunt's brother in Corpus Christi, Mr. and Mrs. L. W. Hunt.

Mrs. Charlyne Hunt Receives M. A. Degree

Mrs. Charlyne Hunt will be among thirty-one graduate students who will receive the Master of Arts degree at the commencement of Sul Ross State Teachers College, August 19, according to Dr. T. H. Etheridge, Dean of the College. Eighty-five Rossonians, representing 53 towns and six states, will receive degrees at the commencement.

This is the largest number of Master of Arts graduates for a single commencement at Sul Ross State Teachers College.

On Sunday, Aug. 15, at 8:15 p. m., Rev. Stewart W. Hartfelder, pastor of the First Presbyterian Church, El Paso, Tex., will give the baccalaureate sermon.

Mr. Charles A. Guy, editor of the Lubbock Avalanche, Lubbock, Tex., will address the graduates at the commencement. Rev. F. E. Walker, Vicar, St. James Episcopal Church, Alpine, will give the invocation. The music on the program will be Preludes to Eternity, a choral arrangement for mixed voices by Rehold, based on Liszt Les Preludes, given by the college choir under the direction of Mr. Glenn F. Davis.

Mrs. Hunt is a member of the Rockport school faculty. She will resume her teaching position in the junior high school division in September.

Leroy Young and Mr. and Mrs. Howard Kinsey attended the Methodist Young Adult Assembly held in Kerrville last weekend.

Mr. and Mrs. George Crook and baby of Houston visited Mr. and Mrs. C. E. Townsend over the weekend.

District Governor Speaks to Rotarians

Bill Muttera of Corpus Christi, governor of Rotary District 125, visited the local Rotary Club Wednesday and spoke to them regarding the objects and aims of Rotarians throughout the world and pointed out particularly those connected with the local club.

Thirteen visitors were present at the meeting. They included Jay Halbert of Fort Worth; E. E. Davis, Dean of Faculty at M.T. A.C., Arlington, Tex.; Newton Gresham, Houston; J. B. Green, Houston; Stanley Bell, Corpus Christi; W. M. Goldston, Corpus Christi; Bill Coty, Corpus Christi; John Hemmi, League City, Tex.; Roy Lindsey, Corpus Christi; Raymond Sparks and W. H. Morrison.

The officers of the local club met with Mr. Muttera preceding the luncheon and following the luncheon the committee chairmen discussed accomplishments of the club and plans for the ensuing year with the district governor.

Fulton P.-T. A. Discusses Program for Coming Year

The officers of the Fulton Parent-Teacher Association met at the home of Mrs. Floyd Brown Monday afternoon to discuss plans and arrange their program for the coming year.

Officers of the organization are Mrs. Horace Hooks, president; Mrs. Harry D. Wilson, secretary; Mrs. Henry Phillips, treasurer; Mrs. Jim Poletti, program chairman; Mrs. Floyd Brown, membership chairman and Miss Hettie Weber, ways and means chairman.

The Business Situation

Austin, Tex.—Texas business in June was still at the peak of postwar boom, although the composite index of business activity compiled by the University of Texas Bureau of Business Research edged slightly below its May level.

All phases of Texas business were at boom levels, and the composite index, adjusted for seasonal variation, was 216 per cent of the prewar level (1935-39 equal to 100 per cent).

The fractional decline from May was brought about by the falling of four out of the six components of the index; however, the two series that increased receive 50 per cent of the weight in the index, and their rise offsets most of the decline in the other four components.

Those components registering declines were: department and apparel store sales, 3 per cent; crude runs to stills, 2 per cent; electric power consumption, 4 per cent; and miscellaneous freight car loadings, a fractional dip. Indexes of pay rolls and employment both increased 2 per cent.

In comparison with a year ago, all the components were up, and the composite was 14 per cent higher. The index of pay rolls rose 19 per cent in the last twelve months, while employment was up only 5 per cent. Department and apparel store sales and crude oil runs to stills both rose 16 per cent from a year earlier. Electric power consumption was up 17 per cent and miscellaneous freight car loadings, 3 per cent.

Postal receipts in Texas cities rose 7 per cent in June from the previous months, and since the bureau's index was adjusted for seasonal variation, this rise represents a fundamental increase in the volume of business in the state. In comparison with June 1947, postal receipts were up 25 per cent.

Total retail sales in Texas declined 1 per cent in June, after adjustment for seasonal variation. This month represented the second successive decline in sales from the all-time peak reached in April, when the bureau's index was 340 per cent of the prewar base. It is significant to note, however, said Dr. John R. Stockton, statistician for the Bureau of Business Research, that more of this rise has been due to rising prices than to an increase in the amount of goods sold. After eliminating the effect of price changes, the index is approximately 68 per cent above the 1935-39 base period.

Industrial production in Texas established a new postwar high in June, when the bureau's index of industrial electric power consumption reached 297 in comparison with the 1935-39 base period. The postwar industrial boom is approaching the peak of the wartime boom, which was registered in January, 1945, when the bureau's index of industrial power consumption reached 308. Industrial power consumption has increased 12 per cent since June 1947.

The building industry continued to offer major support to the business situation, with the value of permits more than five times the prewar level, stated Dr. Stockton. The bureau's index of building permits issued in Texas cities stood at 521, an increase of 11 per cent from May, after allowance for seasonal variation. This level was 15 per cent above June 1947.

X-RAY PROVES SAFETY STORY

Looking into a tube after 301 nails had been driven through both casing and tube is a new application in X-Ray photography that enabled engineers of The General Tire & Rubber Company to prove their story that the new Puncture-Sealing tube is the safest measure that can be applied to driving today. 100 days after the test the tube retained every pound of its original pressure.

With more cars than ever before on the highways, cars that are far above the prewar average age, there is a crying need for more safety. It was to fill this need that General Tire engineers designed the new Puncture-Sealing tube with its high degree of anti-blowout protection.

New Ant Killer

College Station, Tex.—"There's a new ant killer on the market, which should be good news for the homemaker now, as this is the season when they are most likely to take over in the kitchen," V. A. Little, professor of entomology of Texas A. & M. College, says.

The new killer is called chlordane, and it is a more efficient killer than DDT for ants and roaches, Dr. Little says, and directions for its use must be followed carefully, as it is poisonous.

"Of course, the best way to get rid of ants," Dr. Little points out, "is to follow the trail back to the colony or nest and put the poison there. However, this isn't always easy to do, as sometimes the insects nest in the foundation, walls or other hard-to-reach places."

If it is possible to find the ant colony, pour a small amount of a two or three percent oil solution of the chlordane in the entrance. Then check the nests about

of Texas farm products dropped 2 per cent from May, and 30 per cent below June. For the first half of this year farm income has been running somewhat below last year; for the first six months of 1947 farm income totaled \$570,845,000 in comparison with \$530,182,000 for the first half of 1948.

a week later, and if necessary, repeat the treatment.

In spraying in the home, an ordinary house spray gun may be used, Dr. Little says. Sprayer attachments on electric sweepers work fine, too. The baseboards, door and window cases, around built-in features and the drainboards should be wet almost to the running point with the spray. Give the cracks an extra dose. An oil solution of the same strength as that used for killing out ant colonies is recommended.

"Remember that chlordane is poisonous," Dr. Little warns. "Food, dishes, and cooking utensils should be taken out of the kitchen—or put where the spray won't reach them—until after the spray has settled. Follow the manufacturer's directions for its use, and it will be safe."

The chlordane works on outdoor ant colonies, too. For ants in the lawn, a dust of five percent chlordane is good, while red ant colonies can be killed out with a tea-spoonful of two or three percent solution. One treatment is generally enough to kill the nest, Dr. Little says.

Mr. and Mrs. J. E. Kimbell of Dallas were guests at the E. J. Johnson home last week.

Mrs. Robert Meitzen of Victoria was a house guest at the home of Mr. and Mrs. W. L. Patrick this week.

Texans Still Die From Appendicitis

Austin, Tex.—(Spl.)—Sixty Texans died as the result of appendicitis during the first five months of 1948, according to figures released by the Texas State Department of Health.

"This figure does not appear large when compared to the deaths from cancer, tuberculosis and heart disease," Dr. Geo. W. Cox, state health officer said, "but with the knowledge that these sixty Texans died needlessly, the figure is tragically high."

More than anything else, Dr. Cox said he would attribute fatality in appendicitis to the complacent attitude of the people concerning the disease. It is not put in its "proper perspective." Too often, the health officer said, people have the vain hope that the prolonged pain in their stomach will "wear off." He cautioned that the stomach ache which lasts more than three of four hours should be considered a serious matter.

Appendicitis killed 60,000 people in the United States and Canada last year, Dr. Cox said. He warned that young adults are especially susceptible to attacks, and that appendicitis is a leading cause of death among children and adolescents.

"Operative techniques have been improved to the extent that an unruptured appendix can be removed with great safety," Dr. Cox said. "It is therefore apparent that the negligence in appendicitis rests with the patient who fails to seek prompt medical attention."

He said it was imperative that the patient lie quiet until the doctor comes as moving about disturbs the inflamed parts. He strongly urged against taking laxatives in cases of suspected appendicitis.

Draftees Will Don Uniforms About Nov. 1

Washington, D. C.—The first men called up under the new peacetime draft probably will not actually don uniforms much before Nov. 1, selective service officials indicated this week.

That could mean that anyone turning 26 in the next 80 days very likely will escape the 21 month hitch prescribed by the new law even though they otherwise are eligible for military service.

All youths 18 through 25 must register for the draft starting Aug. 30. But the army may induct only those in the 19 through 25 age group. As soon as a man reaches 26, he no longer can be drafted even if he is at the induction center.

About 100,000 men turn 26 each month but they are replaced on the draft rolls by an equal number of youths reaching 19. That actually is a new manpower gain for the army because a far greater percentage of 19-year-olds will be available for service. Officials said the army will get only 7,000 men from the ranks of 25-year-olds.

Army Secretary Kenneth C. Royall has said the army will issue its first call for draftees about Oct. 1. But selective service officials said it will take some time to get them into uniform.

County Exceeds Security Loan Campaign Quota

Total sales of U. S. Savings Bonds in Aransas County during the Security Loan Campaign were \$28,256.25 according to Fred Bracht, county savings bonds chairman. He received sales figures today from state savings bonds headquarters in Dallas.

The county's quota was \$26,000. The Security Loan Campaign was launched on April 15 and continued through June 30, with sales through July 15 being credited to county quotas. Of the county's total sales, Series E Bonds accounted for \$28,256.25.

Final sales for the state as a whole were: Series E, \$41,404,000; Series F and G, \$24,462,000; total, all series, \$65,866,000. Total sales for the nation were \$2,798,183,000.

MORE TELEPHONE CABLE GOING IN to serve those waiting It takes more than a telephone and switchboard to provide service for people who are waiting. It also takes wire and cable to connect each telephone with the switchboard. Factories are turning out twice as much cable as before the war. And we are placing and splicing it into service as fast as we can get this cable. We're working hard, but the demand for new telephones is so great we can't put in new cable fast enough to provide service for everyone as quickly as we or they would like. If you are waiting for service, you may be sure we will connect your new telephone just as soon as we possibly can.

Winter Resident Spreads The Word In Iowa

Residents of Clear Lake, Iowa, are probably under the impression that the Rockport Chamber of Commerce has a paid representative in their midst. We are referring to A. W. Verbeckmoes, who with Mrs. Verbeckmoes spend their winters in Rockport and return to their home town, Clear Lake, for the summer.

As it happens Mr. Verbeckmoes is a member of the Rockport Chamber of Commerce and has done very well with his propagandizing while in Iowa this summer. For proof of what we say, we refer you to a letter recently received from Mr. Verbeckmoes by The Rockport Pilot.

"We want you to know that we appreciate your paper and look forward with great interest to 'The Waterfront' and 'The Weather.' Several local families meet to discuss the contents.

"Ironically during the two weeks in which our thermometer was registering up to 103 degrees, no weather report appeared and we had no comparison. On all other counts our temperatures have been above Rockport and we are far north, only 25 miles from the Minnesota line.

"The Allards report to us quite regularly and fishing seems to be good.

"The Schumachers will be there in October this year after having spent their first few months in Rockport last year. They can hardly wait to return.

"Crops here are excellent and many Iowans will spend freely in Rockport again next winter.

"Mr. and Mrs. F. J. Townsend from Phoenix, Ariz., who spent much time with us in Rockport, are visiting with us this week and we had in mind to take them to Rockport to cool off.

"Just wanted you to know that The Pilot was not waste paper here in Clear Lake.

Walter Henshaw Gets Artesian Well

C. M. Gramsuck and Son, Corpus Christi contractors, this week completed an artesian well for Walter Henshaw on the beach property where his summer home is located.

The well flows 75 gallons of water per hour. It was drilled to a depth of 209 feet and fitted with 5 1/2 inch outside casing.

The well is equipped with a one horsepower jet type pump. It is reported to be the first successful artesian well to be drilled here.

TRAILERS ON CANDY PULL

To coordinate operations at their St. Louis, Chicago and St. Joseph, Mo., plants, Chase Candy Co. last year put three insulated stainless steel trailers in service. As a result production zoomed and sales kept pace, showing an increase of 3 1/2 million dollars for the second half of the year over the corresponding period in 1946. The Fruehauf trailers are on the road night and day carrying 28000-pound payloads over the 1100-mile route. Insulation provides constant protection for the candy in any weather.

Social Security Reaches a Milestone

The Corpus Christi office of the Social Security Administration, which serves this area, observed the Tenth Anniversary of its opening, Aug. 1, 1948, according to H. M. Cleveland, office manager.

Passed in August 1935, the Social Security Act, providing for a system of federal insurance for workers in business and industry, became effective on January 1, 1937. The amendments of 1939 added protection for families to the retirement insurance, already established, and made monthly benefits payable for the first time beginning in 1940.

Field offices of the Social Security Administration process claims for old-age and survivors insurance benefits, Cleveland's report states. "And as we reach this milestone," he says, "workers are invited to check up on the benefits which they are earning for themselves when they become older and for their survivors in case of death. By doing so, families will be in a better position to plan for the future."

Cleveland was the manager when the Corpus Christi office first opened on August 1, 1938, and, except for 3 years during the war, he has been in that position ever since.

To illustrate the growth of the program, he observed that payments amounting to about \$38,000 go to more than 2,600 men, women, and children beneficiaries in this area each month. Nationally, about 2,100,000 persons receive insurance payments totaling more than \$43,000,000 a month at this time.

The retirement insurance for those over 65 and the family payments to survivors are based on the wages received for covered employment as shown by each worker's account, which bears a number corresponding to that on his social security card. Cleveland explained that since workers contribute from their wages to the fund that is used to pay the benefits, the insurance is paid as a matter of right to those who qualify. One of the requirements is that the payments must be applied for.

Those who may be entitled to the insurance include retired workers who are at least age 65; their wives when they become 65; children of retired or deceased workers until they are 18; widows of insured workers after they are 65, or at any age if they have a child who is eligible for payments; dependent parents of deceased workers can qualify after they are 65 if no other person can become entitled to the monthly payments.

The area which is served by the Corpus Christi office extends

from Victoria and Edna on the east to Laredo on the west, and from Beeville on the north to Kingsville and Falfurrias on the south. Brooks and Kenedy counties, which were formerly served by the Brownsville office, have just been added to the Corpus Christi area. This makes a total of 17 counties which are now served by the Corpus Christi office.

"Every family in this area which would like to know more about the benefits under the retirement and family insurance system is invited to send in questions," Cleveland said. "Upon request, we shall be pleased to send, without charge, a booklet, 'Federal Old-Age and Survivors Insurance for Workers and their Families.'" The address is: Social Security Administration, 425 Wilson Building, Corpus Christi, Texas.

Baseball Tryout Camp To Be Held In Houston

Buffalo Stadium will be the scene of a baseball tryout camp August 19, 20 and 21. This camp will be conducted jointly by the St. Louis Cardinals and the Houston Buffs. All boys 17 to 23 years of age who aspire to careers in professional baseball may attend.

Every boy in this vicinity who feels that he has what it takes to become a professional baseball player is invited to attend for a tryout. There will be regular drills in running, hitting, fielding and throwing. Pitchers will get their chance in games played between teams made up of players in attendance at the games.

Players are asked to bring their own gloves, baseball shoes and sweat shirt. Those who have uniforms should bring them along but they are not required. Any players signed to contracts will be fully reimbursed for all expenses incurred in attending the camp.

Tryouts will start at 11 o'clock each morning and continue throughout the day. The camp will be under the supervision of Johnny Keane, manager of the Buffs. He will be assisted by Fred Hawn and George Sisler, Jr., Cardinal scouts. This experienced staff will judge the performances of the players at their chosen position.

A JOINT RESOLUTION
 proposing an amendment to Section 28 of Article III of the Constitution of the State of Texas, so as to provide for a Board for apportioning the state into senatorial districts and representative districts in the event the Legislature fails to make such apportionment; providing for the issuance of the necessary proclamation by the Governor; and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 28 of Article III of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Section 28. The Legislature shall, at its first regular session after the publication of each United States decennial census, apportion the state into senatorial and representative districts, agreeable to the provisions of Sections 25, 26, and 26-a of this Article. In the event the Legislature shall at any such first regular session following the publication of a United States decennial census, fail to make such apportionment, same shall be done by the Legislative Redistricting Board of Texas, which is hereby created, and shall be composed of five (5) members, as follows: The Lieutenant Governor, the Speaker of the House of Representatives, the Attorney General, the Comptroller of Public Accounts and the Commissioner of the General Land Office, a majority of whom shall constitute a quorum. Said Board shall assemble in the City of Austin within ninety (90) days after the final adjournment of such regular session. The Board shall, within sixty (60) days after assembling, apportion the state into senatorial and representative districts, or into senatorial or representative districts, as the failure of action of such Legislature may make necessary. Such apportionment shall be in writing and signed by three (3) or more of the members of the Board duly acknowledged as the act and deed of such Board, and, when so executed and filed with the Secretary of State, shall have force and effect of law. Such apportionment shall become effective at the next succeeding statewide general election. The Supreme Court of Texas shall have jurisdiction to compel such Commission to perform its duties in accordance with the provisions of this section by writ of mandamus or other extraordinary writs conformable to the usages of law. The Legislature shall provide necessary funds for clerical and technical aid and for other expenses incidental to the work of the Board, and the Lieutenant Governor and the Speaker of the House of Representatives shall be entitled to receive per diem and travel expense during the Board's session in the same manner and amount as they would receive while attending a special session of the Legislature. This amendment shall become effective January 1, 1951."

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the state on the first Tuesday after the first Monday in November, A. D. 1948, at which all ballots shall have printed thereon:

"For the amendment to Section 28, Article III of the Constitution of Texas providing for a Board for apportionment of the state into senatorial districts and representative districts in the event the Legislature fails to make such apportionment."

"Against the amendment to Section 28, Article III of the Constitution of Texas providing for a Board for apportionment of the state into senatorial districts and representative districts in the event the Legislature fails to make such apportionment."

Each voter at such election shall mark out one of such clauses on the ballot, leaving the clause expressing his vote on the proposed amendment.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this state.

Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of this state not otherwise appropriated, to pay the expenses of such publication and election.

H. J. R. No. 13
HOUSE JOINT RESOLUTION
 amending Section 15 of Article XVI of the Constitution of the State of Texas, by adding thereto a provision that the husband and wife from time to time may in writing partition between themselves in severalty or into undivided interests all or any part of their community property, whereupon without prejudice to the right of existing creditors the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse; further providing that such Constitutional Amendment if adopted shall be self-operative and self-executing; providing, for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 15 of Article XVI of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Section 15. All property, both

real and personal, of the wife, owned or claimed by her before marriage, and that acquired afterward by gift, devise or descent, shall be the separate property of the wife; and laws shall be passed more clearly defining the rights of the wife, in relation as well to her separate property as that held in common with her husband; provided that husband and wife, without prejudice to pre-existing creditors, may from time to time by written instrument as if the wife were a feme sole partition between themselves in severalty or into equal undivided interests all or any part of their existing community property, or exchange between themselves the community interest of one spouse in any property for the community interest of the other spouse in other community property, whereupon the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse.

This amendment is self-operative, but laws may be passed prescribing requirements as to the form and manner of execution of such instruments, and providing for their recordation, and for such other reasonable requirements not inconsistent herewith as the Legislature may from time to time consider proper with relation to the subject of this Amendment. Should the Legislature pass an Act dealing with the subject of this Amendment and prescribing requirements as to the form and manner of the execution of such instruments and providing for their recordation and other reasonable requirements not inconsistent herewith and anticipatory hereto, such Act shall not be invalid by reason of its anticipatory character and shall take effect just as though this Constitutional Amendment was in effect when the Act was passed."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State of Texas at an election to be held throughout the State on the second day of November, 1948, at which election all voters favoring said proposed Amendment shall write or have printed on their ballots the words:

"FOR the Amendment to the Constitution of the State of Texas providing that husband and wife from time to time may in writing partition between themselves in severalty or into undivided interests community property existing at the time of partition so as to convert same into separate property of the respective spouses without prejudice to the rights of pre-existing creditors."

Those opposing said proposed Amendment shall write or have printed on their ballots the words:

"AGAINST the Amendment to the Constitution of the State of Texas providing that husband and wife from time to time may in writing partition between themselves in severalty or into undivided interests community property existing at the time of partition so as to convert same into separate property of the respective spouses without prejudice to the rights of pre-existing creditors."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have same published as required by the Constitution for amendments thereto.

H. J. R. No. 7
HOUSE JOINT RESOLUTION
 proposing an Amendment to Article IV, of the Constitution of the State of Texas, by adding a new Section to be known as Section 3a, so as to provide for succession to the office of Governor in the event the Governor elect dies, or becomes disabled, or fails to qualify, before taking his oath of office as Governor; and providing for the issuance of the necessary proclamation and publication by the Governor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IV of the Constitution of the State of Texas, be and the same is hereby amended, by adding another Section to follow Section 3, and be designated Section 3a, to read as follows:

"Section 3a. If, at the time the Legislature shall canvass the election returns for the office of Governor and Lieutenant Governor, the person receiving the highest number of votes for the office of Governor, as declared by the Speaker, has died, then the person having the highest number of votes for the office of Lieutenant Governor shall act as Governor until after the next general election. It is further provided that in the event the person with the highest number of votes for the office of Governor, as declared by the Speaker, shall become disabled, or fail to qualify, then the Lieutenant Governor shall act as Governor until a person has qualified for the office of Governor, or until after the next general election. Any succession to the Governorship not otherwise provided for in this Constitution, may be provided for by law; provided, however, that any person succeeding to the office of Governor shall be qualified as otherwise provided in this Constitution, and shall, during the entire term to which he may succeed, be under all the restrictions and inhibitions imposed in this Constitution on the Governor."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the date provided by law in the month of November, A. D. 1948, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amend-

ment providing for gubernatorial succession in the event the Governor-elect dies, or becomes disabled, before qualifying and for such succession in other contingencies."

"AGAINST the Constitutional Amendment providing for gubernatorial succession in the event the Governor-elect dies, or becomes disabled, before qualifying and for such succession in other contingencies."

Each voter at such election shall mark out one of such clauses on the ballot, leaving the clause expressing his vote on the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this State. c18

H. J. R. No. 24
HOUSE JOINT RESOLUTION
 proposing an Amendment of Section 1-a of Article VIII of the Constitution of Texas to provide that no ad valorem tax shall be levied for State general revenue purposes after January 1, 1951, and authorizing the several counties to levy additional ad valorem taxes for certain purposes, providing for a Three Thousand Dollars (\$3,000) residential homestead exemption, and providing for tax levies in counties having tax donations; providing for submission to the qualified electors and for the necessary proclamation by the Governor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article VIII of the Constitution be amended so as to be and read as follows:

"Section 1-a. From and after January 1, 1951, no State ad valorem tax shall be levied upon any property within this State for general revenue purposes. From and after January 1, 1951, the several counties of the State are authorized to levy ad valorem taxes upon all property within their respective boundaries for county purposes, except the first Three Thousand Dollars (\$3,000) value of residential homesteads, not to exceed thirty cents (30c) on each One Hundred Dollars (\$100) valuation, in addition to all other ad valorem taxes authorized by the Constitution of this State, provided the revenue derived therefrom shall be used for construction and maintenance of Farm to Market Roads or for Flood Control, except as herein otherwise provided.

"Provided that in those counties or political subdivisions or areas of the State from which tax donations have heretofore been granted, the State Automatic Tax Board shall continue to levy the full amount of the State ad valorem tax for the duration of such donation, or until all legal obligations heretofore authorized by the law granting such donation or donations shall have been fully discharged, whichever shall first occur; provided that if such donation to any such county or political subdivision is for less than the full amount of State ad valorem taxes so levied, the portion of such taxes remaining over and above such donation shall be retained by said county or subdivision."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the date fixed by law for the General Election in November, A. D. 1948, at which all ballots shall have printed thereon "FOR the Constitutional Amendment of Section 1-a of Article VIII of the Constitution of the State of Texas to provide that no ad valorem tax shall be levied for State general revenue purposes after January 1, 1951, and authorizing the several counties to levy additional ad valorem taxes, providing for a Three Thousand Dollars (\$3,000) residential homestead exemption, and providing for tax levies in counties having tax donations," and "AGAINST the Constitutional Amendment of Section 1-a of Article VIII of the Constitution of the State of Texas to provide that no ad valorem tax shall be levied for State general revenue purposes after January 1, 1951, and authorizing the several counties to levy additional ad valorem taxes, providing for a Three Thousand Dollars (\$3,000) residential homestead exemption, and providing for tax levies in counties having tax donations." Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State. c18

Yearly Report Shows Veterans Adm. Big Business

During the 12-month period ending June 30 last, the San Antonio VA office expended and obligated \$59,711,595.00 for the benefit of veterans and their beneficiaries in the 60 South Texas counties comprising this region, Leon P. Howell, regional Manager announced recently. \$49,660,302.00 of this amount was expended almost entirely as direct benefits to veterans. The remaining \$10,051,293.00 is the guaranteed portion of loans made veterans of World War II for the purchase of homes, farms, and small businesses.

"VA is the people's business, and I feel that they are entitled to know what happens to the veteran's share of the tax dollar here," Howell said in making his annual report.

Salaries paid administrative and professional employees, including part-time physicians, amounted to only 4.2% of the total spent, with an additional six-tenths of one percent going for rent, utilities, supplies, and like items.

The larger portion of the total, 51%, was spent to train veterans in schools, colleges, and on-the-job training establishments; of this amount, 33% was paid directly to students for subsistence allowance, while 18% went for tuition, books, supplies and like expenses.

Disability compensation and pension payments amounted to 42% of the total, while eight-tenths of one percent was spent for drugs and medicines, fees paid private physicians and dentists for examinations and treatments, counseling fees, prosthetic appliances, veterans' travel, and like expenses. Four-tenths of one percent went for the purchase of automobiles for certain disabled veterans, while one percent was spent for the payment of the first year's interest on guaranteed portions of home, farm, and business loans.

To expend this large amount of money, the Treasury Disbursing Office issued over 600,000 separate checks, Howell said.

During the 12-month period, 4329 loans for the purchase of homes, farms, and small businesses were guaranteed. The total loans guaranteed amounted to \$19,402,804.00; the guaranteed amount was \$10,051,293.00, as explained above. 94% of loans guaranteed were for homes, 4% for small businesses, and 2% were for farms. Only 10 foreclosures were made during the year, Howell pointed out.

At the fiscal year's end, there were 92,232 claims folders in the

rans, over 1,227,000 man hours. "These people, most of whom are veterans themselves, have established a record for unselfish service of which we are immensely proud," Howell said.

Over 1,300,000 separate pieces of mail were received, and 1,100,000 pieces were dispatched from the office, Howell stated.

126 disabled veterans were furnished automobiles at Government expense.

VA offices in San Antonio are housed in three buildings, at 307 Dwyer Avenue, 220 Dwyer Avenue and 308 1/2 S. Flores Street. Within several months the offices will be completely housed at 307 Dwyer Avenue, comprising over 74,000 net square feet of space.

Last year 5 new clinics were opened, staffed and equipped for the examination and treatment of eye, ear, nose and throat cases, tuberculous veterans, diabetics, dental, and mental hygiene clinics.

During the fiscal year period, 232,402 personal calls were made by veterans and their beneficiaries to the contact offices. This figure does not include 77,793 telephone calls requesting information, nor 9,107 "contacts" made at itinerant by contact representatives.

"The VA program is the largest social experiment ever attempted in history," Howell pointed out in closing his report. "Aside from the direct benefits to South Texas economy derived from the expenditure of such vast sums of money, by far the most important results are becoming apparent in increased earning power and self-reliance of veterans whose education and training are being paid for by a grateful people," said Howell.

Typhus Fever Still Occurs In Texas

Austin, Texas. — Statistical information compiled by the State Health Department shows a total of 182 cases of typhus fever so far this year. During the week between July 17-24, seven new cases were reported, one-half the seven year median of fourteen for the week of July 24.

The disease reaches its peak in the month of August, Dr. Geo. W. Cox, state health officer, said.

Over a five year period from 1943 to 1947, typhus fever has been responsible for 273 deaths. The death rate has been reduced from sixty-three in 1943, to thirty in 1948.

"Typhus fever as we know it in Texas is transmitted by the fleas of infected rats," Dr. Geo. W. Cox, state health officer, said. "It can be controlled by the simple expedient of consistently maintaining a program of rat poisoning, rat trapping, and rat proofing."

Typhus fever is marked by a severe headache, chills and fever. A reddish mottling appears on the skin, and a hacking cough develops. The headache is the outstanding symptom because of its severity. Illness may last from 5 to 14 days.

The greatest outbreak of typhus fever, or Brill's Disease, was in 1941, when there was a total of 733 reported cases.

The health officer added that it was a sad commentary on our position as the most health minded nation on earth if we allow the disease to flourish when the means for its control and eradication is right at hand.

A huge, new condenser for La Palma Power Station's Number 5 generating unit is shown upon arrival at the San Benito plant. This is only one part of the 20,000 kilowatt generating unit, which is expected to be in operation early next year.

It's a power-FULL big job!

We're adding more power to serve you just as fast as we can, but it can't be done overnight. It takes months and years of planning, millions of dollars and mountains of materials.

As one look at the opposite list will show, making more power is a whale of a job.

Because of material shortages, strikes and delays in delivery of vital power plant equipment, we haven't been able to expand as rapidly as we'd like. Also, record-breaking demands for electricity throughout South Texas since the war have kept us mighty busy!

But, today, work is well underway and more power is coming. Plant additions started two years ago will be in operation soon and will add 39 per cent more generating capacity.

With more power in the making, we're working hard to bring you the very best service possible... around the clock and calendar.

How Big?
 A TYPICAL POWER PLANT ADDITION CALLS FOR:

- The erection of an 8-story building
- Installation of a 220-ton turbo-generator which must be ordered three years in advance.
- Construction of a 472-ton boiler about five stories high.
- Installation of a 125-ton condenser with about 20 miles of tubing.
- Plus cooling towers, pumps, fans, ducts, piping, power cable and a vast amount of auxiliary equipment.

You are hereby notified that suit has been brought by the City of Rockport, Texas, as plaintiff, against the above-named persons, as defendants, by petition filed on the 23 day of July, 1948, in a certain suit styled the City of Rockport, Texas, versus G. D. Conner, et al, for collection of the taxes on said property and that said suit is now pending in the District Court of Aransas County, Texas, 36th Judicial District, and the file number of said suit is 2675, that the names of all taxing units which assess and collect taxes on the property hereinabove described, not made parties to this suit, are NONE.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request thereof, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 6th day of September, A.D. 1948 (which is the return day of such citation), before the Honorable District Court of Aransas County, Texas, to be held at the court house thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest, and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Rockport, Aransas County, Texas, this 23rd day of July, A.D. 1948.

Car Blaze Interrupts Business Meeting of Fire Department

Last Thursday night while the members of the fire department were holding a business meeting in the fire hall, Bill McGrath happened to glance out the window to see flames coming from the rear of a car parked behind the I.O.O.F. hall.

The men rushed out with a hand extinguisher and one of the trucks and put out the fire. The rear seats of the car were ruined and some paint was burned off the sides of the car.

The automobile belonged to Mr. Moore of Aransas Pass who was in Rockport attending an Odd Fellow meeting. It was believed that the fire was caused by a cigarette left to smoulder between the seats.

The fire department was called out Friday morning to extinguish a grass fire which had got out of hand in the Hunter Addition.

Local Trailer Parks Merit TCMA Approval

Chicago. — (Spl)—A.B.C. Trailer Park, Edgewater Trailer Park and Triple Oaks Courts and Trailer Park have merited the approval of the Trailer Coach Manufacturers Association, it was announced by TCMA officials today. They are listed in the new 1948-49 TCMA Trailer Park Guide Book, with information on available facilities.

A certificate of merit and a distinguishing road sign have also been awarded to these trailer parks, indicating that they are acceptable under TCMA standards of health and cleanliness. The approval of TCMA was received following an inspection of the park by either members of the TCMA Parks Division Staff, the American Automobile Association or local health authorities. The approval was based on 10 trailer coach spaces for the A.B.C. Trailer Park, 11 spaces for the Edgewater Trailer Park and 10 spaces for the Triple Oaks Courts and Trailer Park.

The nation-wide inspection and rating of trailer parks is carried on by the Trailer Coach Manufacturers Association as part of its effort to improve living conditions for all trailer coach residents.

John P. O. Smith Buried at Mineral Wells

John Pamy Oscar Smith, 81, resident of Rockport since 1920, died early Saturday morning in an Aransas Pass hospital after a long illness.

The body was sent to Mineral Wells, Tex., Sunday where funeral services were held at 3 p. m. Tuesday at the Beekham-Powell Funeral Home. Burial was in the Mineral Wells Cemetery.

The Cage Funeral Home was in charge of local arrangements. Survivors include his wife, Mrs. Josephine Smith of Rockport.

Miss Tilly Broeter of Alice and Mrs. Jennie C. Hatch of Corpus Christi were guests at the home of Mrs. Bertha Harper last week.

Fun In Big D

Gloria Weston, Dallas, joins her townspeople in inviting fellow Texans to come to Big D for week-end vacations this summer. A civic committee, called "Dallas Invites You" and headed by Mayor Jimmie Temple as honorary chairman, has set up headquarters in the Chamber of Commerce building to help out-of-town visitors obtain hotel reservations and plan their itinerary of sight-seeing, theatres, sports, night clubs and other recreation. The committee's service even extends to finding a baby sitter to stay with the children of couples wanting to step out on the town at night.

Women Should Be Informed of Insurance Annuity of Social Security

Many women do not know that their husbands are building up an insurance annuity for their families under the Social Security Act, according to H. M. Cleveland, manager of the office of the Social Security Administration in Corpus Christi.

"All wives should be told about the insurance that their husbands are building up as they work, because many are not familiar with their rights," he said.

Retirement insurance based on her own wage record or wife's benefits based on her husband's work can be paid to a woman after she reaches age 65. Monthly payments of survivors insurance may be paid to widows after they are 65, or at any age if they have a child who is eligible to receive benefit payments. If a deceased worker is not survived by a widow or child who can be entitled to the insurance, an aged mother may qualify. If no monthly payments can be made, the widow may receive a lump-sum death payment. In conclusion, Cleveland pointed out that an application must be filed before any type of payments can be paid.

Residents of this area can secure further information or file claims by contacting the Social Security Administration, 425 Wilson Building, Corpus Christi.

Mr. and Mrs. Babe Fenner and two daughters and Betty Jean Hart, all of Sinton, were weekend guests at the home of Mr. and Mrs. Tom Shults.

New Seafood Magazine Tells About Rockport-Fulton Shrimping Season

Conditions point to a profitable fall shrimping season in the Rockport-Fulton Beach area according to an article which appeared in the first issue of a new Seafood Business Magazine, to be published monthly for producers, packers, shippers, wholesalers, retailers, servers of Texas fish and shellfish.

The article featured new fishing boats which are making news in this area as the fall shrimping nears.

Bill Johnson, owner of the Fulton Fish Company at Fulton, was pulling out and repairing some of his 15 fish and shrimp boats. He has installed a 3-1 reduction gear (twin disc) in his "Capt. W.B.J." which is powered with a General Motors diesel engine. Mr. Johnson is said to have bought and installed the first General Motors diesel engine in the territory.

"Jack O'Diamonds" is the newest addition to the fleet fishing for Rouquette and Wendell, Fulton. She is owned by Hull & Langley and is 50 by 16 feet. She is powered by a new General Motors diesel engine and gave a good account of herself on her first run to the Gulf.

Among the new boats joining the growing Rockport fleet are the "Josephine B," owned by Capt. C. A. Schleider, and the "Sherry Lynn," owned by Capt. Alvin Brundrett and operated by him and his son Jerald. The "Josephine B" is 47 feet by 15½ feet, while the "Sherry Lynn" is 50 by 18 feet. Both are General Motors diesel-powered. Both boats fish for Jackson Seafood Company.

The Jackson organization recently installed a new General Motors diesel in its "Bibb." The company also has converted a former army launch into a fast, efficient 50 foot shrimp boat named the "Babo," powered with a 100 h.p. Buda diesel engine.

The newest vessel to join the growing fleet producing for Johnson Fish Company, Inc., is the "Teet-M," owned by Elva Mullinax, recently completed. The new craft is 50 by 16 feet, and is powered by a General Motors diesel engine.

The current season has been better than expected by the Johnson concern, according to T. Johnson, head of the company. Fish as well as shrimp have been coming in better than the season average.

In the same magazine the new marine laboratory here is praised as the pride of the Texas fishing industry. "Nothing in recent years has contributed more to the scientific development of Texas commercial fisheries or to indicate that the state at long last has begun to recognize the importance of the industry than the new marine laboratory, recently completed. Prior to the construction and equipment of the new laboratory, those trying to collect scientific data, make experiments and contribute to the knowledge and development of the commercial fisheries were sorely handicapped by lack of facilities with which to carry on their work."

The new magazine is published on the 10th day of each month at Port Lavaca, with Ruel McDaniel publisher and editor.

The 1949 Ford station wagon is new and revolutionary in every respect. It is the first to use two extra-wide safety doors; the first full-size eight-passenger wagon to employ all-steel construction. Wood panels are bolted directly to the steel frame. Extra strength built into chassis and body assure quiet, trouble free operation.

Trailers Relieve Housing Situation

Rockport's trailer parks provide accommodations for those desiring to stay permanently and for tourists. Among the permanent residents at the Stanwood Courts are Mr. and Mrs. Chas. Johnson, formerly of Aransas Pass. Mrs. R. J. Brown of Detroit is also permanent.

Fred Barner of San Antonio leaves his trailer at the court and frequently comes to Rockport to fish, always being assured of a place to stay. Mr. Barner reports some good fishing this week.

Dr. Ralph Hartman and Mr. and Mrs. A. H. Morradin from the Valley, are vacationing here now.

The Stanwood Courts provide something unique for tourists. They have recently constructed a 40 by 24 recreation hall equipped with juke box, tables and chairs, and cold drinks, to enable the trailer families to get together in one large living room and enjoy themselves. The building is open air in the summer and closed for warmth in the winter.

That one of Rockport's beauties is carrying an EAR TRUMPET as standard equipment when she goes out on blind dates. Her vocal cords got a working out last week when her blind date turned out to be a LITTLE hard of hearing.

That one of the marine biologists is thinking of getting a card in the plumber's union. It seems that while he was brushing his teeth last weekend a recently-purchased tooth fell out and went down the drain. He finally got the tooth back after tearing out most of the plumbing in the garage apartment.

Dick Fox has a new nick-name. The boys are calling him CHECK and DOUBLE CHECK.

Col. C. M. Davis is getting quite a collection of candid camera shots. You must really watch your step to avoid getting in his camera range. He has some pretty NICE shots.

Ask Floyd Huffman to tell you about the man who went bear hunting.

NOTICE TO BIDDERS

Sealed proposals addressed to Aransas County Navigation District No. 1, Rockport, Texas, will be received at the office of the Navigation Commission until 2:00 p.m., Sept. 4, 1948, for furnishing all necessary materials, machinery, equipment, superintendence and labor for constructing certain waterfront improvements at Fulton, Texas, for Aransas County Navigation District No. 1, OWNER, of Rockport, Texas.

Bidders must submit Cashier's or Certified Check issued by a bank satisfactory to the Owner, for \$1,500.00, payable without recourse to the order of Aransas County Navigation Commission, or a Proposal Bond in the sum of \$1,500.00 from a reliable Surety Company, as a guaranty that bidder will enter into contract and execute bond and guaranty in the forms provided within ten days after notice of award of contract to him. Bids without required check or Proposal Bond will not be considered.

The successful bidder must furnish bond on the attached form in the amount of 100% of contract price from a surety company holding a permit from the State of Texas to act as surety, or other surety or sureties acceptable to the OWNER.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of Ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable or unbalanced unit prices will authorize the Owner to reject any bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Instructions to bidders, proposal forms, specifications and plans are on file at the office of James A. Jarboe, Engineer, of Rockport, Texas.

Copies may be secured upon deposit of \$5.00 to be returned to the contractor on submission of a bona fide bid on the work, with such Plans and Specifications; or upon returning the plans and specifications immediately after examination of same, and advising the Engineer that bid will not be submitted; otherwise the deposit shall be forfeited.
