

Fulton Harbor Contract Awarded Victoria Company

Work on Concrete Wall To Start Immediately; 90 Days Required for Completion

BAASS BROTHERS, OF VICTORIA, PRESENTED LOW BID OF \$48,218 FOR WALL, BULKHEAD

The Navigation Board awarded the contract for the Fulton Harbor improvements to Baas Brothers of Victoria on a low bid of \$24,225 for the concrete wall and \$23,993 for the timber bulkhead Saturday.

The high bid was \$53,295 for the concrete wall and \$38,827 for the timber bulkhead. Next lowest bid on the concrete wall was by Bauer-Smith Dredging Company whose bid was \$34,770. They did not bid on the timber bulkhead.

Spraying Request Is Made For Relief From Mosquitoes

Acting mayor Arlie Shivers has had many requests during the last several days for spraying of the area from the air with DDT. Since the rains last week the mosquitoes have become a major pest and a health menace.

The Naval Air Station was contacted and reported that it was necessary to have the need for the spraying authorized by the Secretary of the Navy. The Navy Secretary put his approval on the project on the condition that the city would release the Navy of all liability and that the state declare an emergency exists beyond their control.

Dr. M. A. Rich, county health officer, contacted Dr. Geo. Cox, State Health Department, this morning and Dr. Cox agreed to call the Naval Air Station and take care of all the red tape required to get the spraying underway.

Dr. Rich said that after talking with Dr. Cox, he feels confident that the area will be sprayed by the Navy as soon as the weather clears up.

A. O. Freeman Awarded \$65,000 Project

A. O. Freeman was awarded the contract to carry out the Port Lavaca First State Bank's building program by the bank directors there last week.

Construction was scheduled to start immediately. Cost of the project is estimated at \$65,000. Completion is expected after 90 working days.

The building will be located on the corner of North and Guadalupe Streets in the building where Guidry's Dry Goods and Wasserman Bros. Grocery were burned out early last year.

The walls of the present structure will be used except for a completely new front and roof.

Week-end guests at the home of Mr. and Mrs. A. L. Bruhl were Mr. and Mrs. J. G. Millar and three children of San Antonio. Labor Day visitors included Dr. and Mrs. C. K. Bruhl and Chas. Jr., of Houston, and Mrs. Gladys Gibson and son, Charles, of Corpus Christi.

141 Registered With Local Board; 21 Year Group Due Friday and Saturday

Fifty-seven young men have registered with Local Board 107 during the past week, which brings the total number registered for the peace time draft up to 141. Persons born in 1927 will register on Friday, Sept. 10 or Saturday, Sept. 11. Young men over the 21 age group should have been registered, prior to this time.

Those who registered this week are: Billy Gene Caldwell, Belton, Texas; Charlie Fritz Wall, Marble Falls, Texas; Tony Joseph Peres, Rockport; Leopoldo Huerta, Rockport; Ambrosio Solis Gonzales, Rockport; Jerald Leonce Brundrett, Rockport.

Seismic Work Proposed For Aransas Bay

The Rogers-Ray, Inc. of Houston has applied to the Department of the Army for a permit for work to conduct seismic explorations in Aransas Bay, within an area between Mud Island and St. Joseph Island and central to a point approximately 9 miles southeast from Rockport.

The work would be done along the northern boundaries of State Tracts 233, 234, 235, 238, 239, 262, and 268 and along the western boundaries of State Tracts 233, 239, 262, and 278 by drilling holes to depths varying from 20 to 50 feet below the bed of the waterway at intervals of 1200 feet, and placing therein casing to extend from the bottom of the holes to an elevation of 3 feet above the surface of the water. After the casing has been placed, charges of explosive would be detonated near the bottom of the holes and seismic recordings made. All obstructions would normally be removed immediately after seismic recordings have been made. If not removed promptly, the casings would be marked by flags during the day and by lights at night. No casing would be placed within 500 feet of dredged channels, bridges, wharves or other improvements in the waterway. The work would be conducted in accordance with regulations issued by the State General Land Office.

The applicant has been authorized to perform the survey by Sid Richardson, Fort Worth, Texas, who has been granted mineral leases on the above state tracts by the General Land Office of the State.

C. of C. Discusses Area Advertising

Thirty-seven members and guests of the Chamber of Commerce met at the Fulton Cafe Wednesday night for their monthly dinner meeting.

Plans of the tourist bureau were outlined by Jack Horton, chairman of the bureau, and discussed by the membership.

Horton pointed out the necessity for advertising and reported that the new folder should be ready for distribution by October.

Advertising will be carried out this fall in much the same manner as last year. Ads will appear in the Sunday issue of large daily papers throughout the mid-west. It was suggested that an ad be placed in "Field and Stream" this year since that is a major sporting magazine and should be the best way to reach hunting and fishing enthusiasts.

The membership voted to appropriate a sum of money needed to put over an effective advertising drive. The amount will be specified by the directors at their next meeting.

The Chamber of Commerce has gained three new members. They are Shady Grove Trailer Park, Patio Court and Las Casitas.

Guests of the Chamber at the meeting were Rev. Herbert H. Bockholt and Col. Kautz of the Jane Ellen Motel.

141 Registered With Local Board; 21 Year Group Due Friday and Saturday

Rudolf Peres Garcia, Rockport; Enrique De Carbajal, Rockport; Robert English Baker, Jr., Bay City, Texas; Domingo Soto, Rockport; Naleo Joel Sanchez, Rockport; Tommy Walford Shafer, Rockport; Jack Leroy Aury, Rockport; L. C. Huff, Rockport; Isaac Edward McLester, Rockport; Gerald Charles Henckel, Jr.; Roy Norman Mullinax, Rockport; Lauriano H. Falcon, Jr., Rockport; Raymond L. Zirkel, Jr., San Antonio; John Marvin Pollard, Denton, Texas.

First Wax Polishing In 500 Years

ST. AUGUSTINE, FLA.—Look at the shine on the shell of this 500-year-old Galapagos Island tortoise. It's the first cleaning and polishing the old boy has received in his lifetime. Note the dull shells in the foreground as contrasted to the one which has been polished with liquid wax. These tortoises are believed to be the oldest in the world. The Galapagos tortoises are desert dwellers in their native islands and do not care for water.

A. C. Glass No. 2 Heavy Distillate Producer

A. C. Glass No. 2 is a heavy distillate producer. On a 24-hour test where 3,200,000 cubic feet of gas was used by the drilling rigs, the well made 240 barrels of distillate.

Placid-Graham Spencer, et al Unitized Tract No. 1 is setting 7-inch casing at 7,180 feet and preparing to complete.

Spencer-Kent-Crane No. 9 is drilling at 4,500 feet. The well is located 1,320 feet south of Walker et al No. 1 and 1325 feet east of Spencer-Kent-Crane No. 1.

Standolind No. 1, State Tract 70, is drilling at 7,500 feet. 14 feet of saturated oil sand was cored in the 5,300 foot horizon.

V. G. Gwynn No. 1 ran a Schlumberger at 8,500 feet and are setting a protection string of 7-inch casing at that depth. Contract depth on this well is 10,500 feet.

Sullivan and Garnett No. 2 Shelley, is coring below 7,200 feet, the pay sand in No. 2.

Western Natural Gas Co. No. 9 St. Charles Ranch, wildcat 20 miles south of Austwell, which has 7-inch casing set at 11,263 feet, is drilling below 11,494 feet.

Rev. H. H. Bockholt New Catholic Church Pastor

Rev. Herbert H. Bockholt arrived in Rockport last Thursday; he will be the permanent pastor of the Sacred Heart Catholic church here. Benedictine fathers from the Corpus Christi College academy have been in charge of the church since Rev. J. H. Kelly left the parish because of ill health.

Rev. Bockholt comes to Rockport from George West where he was pastor for four years. However, he is not new to this area as he worked with Rev. Kelly during the war in Rockport, Aransas Pass and Port Aransas with army and navy contingents.

Rev. Bockholt stated this week that he is very pleased with the warm reception which has been extended him by the people of Aransas County.

School Enrollment Nearly 600

Five hundred and seventy-five students are enrolled in the Rockport schools, according to Supt. J. F. Harbin. There are 431 students enrolled in the grade school which is a slightly larger figure than last year's enrollment showed. High school enrollment is 143.

The number of students in each class is: First grade, 46; second grade, 46; third grade, 43; fourth grade, 43; fifth grade, 40; sixth grade, 44; seventh grade, 43; eighth grade, 50; Latin-American building: first grade, 38; second grade, 38.

Mrs. Herbert Wells has been employed to teach girls physical education in the high school this year. Mrs. Wells attended Colorado State where she majored in physical education with a minor in dramatics. She has lived here for the past 1 1/2 years. Mr. Wells is employed by the State Highway Department.

Names of home room teachers for each class were released this week. They are as follows: Seniors Bill McGrath; juniors, Therman Jackson; sophomores, Mrs. Raymond Morris; freshmen, Mrs. Herbert Wells; eighth grade, Miss Mary Louise Hilderbrand and Mrs. Charlyne Hunt; seventh grade, Mrs. Roy Lee Hart; sixth grade, Miss Katie Lee Clarke. Natural gas is being installed in all of the school buildings. Hot water is now available in the boys' locker rooms to enable them to take hot showers following workouts.

Cure For Mosquitoes Results In Rattle-Snake Bite

W. Dietrich decided that the mosquitoes might be better than the cure when he tried to get rid of them at his place of business out by Wells Court one night last week.

While he was gathering brush and pulling grass to start a bonfire so that the mosquitoes would not drive away the customers, he was bitten by a small rattlesnake. Dietrich was prepared to apply first aid however, as he cut the flesh on his hand at the place of the bite and applied a suction cup. As a result there was no swelling.

The snake was killed and examination determined it to be a rattler. While the tail was broken off and no rattlers were apparent, the fangs led Dietrich to believe that it was not a harmless snake that had bitten him.

Mr. and Mrs. J. D. Ammons and children visited at the home of Mr. and Mrs. Ceylon Ammons last Thursday.

Scout Building Nears Completion

The Boy Scout meetings will be resumed Monday night. The first fall meeting will be held in the new scout hut which is completed except for some details of plumbing. The scouts will meet in the new building for the first time Monday night at 7:30.

Raymond Roberts will be the Scout Master this year.

Arrangements are being made for the dedication of the new building.

Grand Jury Gives One True Bill

The Grand Jury of the September term of the District Court returned one true bill of indictment after being in session Monday and Tuesday of this week. Details of the case have not been released.

The trial for the A. C. Scott vs Jewell Fulton et al suit for debt was set for September 13. Trial of the Nana Holden et al vs B. I. Dalberg et al suit for damage and trespass was set for Monday, November 8 at 9:30.

The Emma Huddlestone vs Ellis L. Dentler and Nellie Dentler case was dismissed. The Henry M. Holden vs L. Carleton suit for damages and for permanent injunction was passed for trial.

Divorces were granted Otilia Esquinel Guevara and Fraileen Guevara, Lottie Wood Wilkinson and Alfred L. Wilkinson, Jimmie Clinton and J. W. Clinton, Anna Mae Williams and Dan Williams, Arnold W. Rowe and Betty Haynes Rowe.

Cases on the criminal docket are scheduled to be heard Monday, September 13. These include Fred James, perjury; Jess Akers and Fred James, paying of poll tax of another; Roy Hinton and Fred James, paying of poll tax of another.

The appeal of Chas. E. Ussery to the District Court for an application for a wine and beer retailer's permit was heard Tuesday. The court upheld the judge's decision and denied the permit.

Rotarians Hold Weekly Meet

Shelley Roaten gave a classification talk on the subject of pharmacy at the regular weekly meeting of the Rotary Club held Wednesday. Guest were Ruel McDaniel of Port Lavaca, Ira Cundiff of Aransas Pass, John Nolan, Houston, John Harris, Houston, John Miller, Sinton and Raymond Sparks.

Along The Waterfront

Fishing in Copano Bay was reported to be very good Saturday, poor on Sunday and improving on Monday, all directly connected with the breezes, of course. Fishing has generally been good at Redfish Point, reefs near the radar screen and Lap Reef.

Jimmie Ligan, sports writer for the Houston Chronicle, Dr. A. R. Garrison and Felix Stagno caught 8 reds weighing from 4 to 10 pounds while surf fishing on Redfish Point at the Jolly Roger Camp. The reds were hooked on spoons.

Mr. and Mrs. C. C. Albritton, of Dallas, Miss Flora Lowry, of Dallas, Mr. and Mrs. Geo. K. Jowers, Sr., of San Antonio, Mr. and Mrs. Frank Saunders and Mrs. DeHate fished on the Jolly Roger party boat, owned and operated by A. C. Wolk. They reported that fishing was poor.

Other Labor Day visitors who enjoyed fishing here over the week-end were Fred Y. Hansen, of Beeville, R. A. Tayloe and Patsy Lou, of Beeville, Charles W. Lindholm, of George West, Mr. and Mrs. Roy O'Neal, of Corpus Christi, Mr. and Mrs. Paul Gelsheimer, of Corpus Christi, and Mr. and Mrs. Earl B. Cravens, of San Antonio.

T. A. Lambert fished with Henry Ballou Monday. They fished for reds and Lambert landed one in the 5-pound class. They also got about 33 smaller reds and drum.

The wonder fisherman from Gonzales was back for another (Continued on last page)

Walter Bell Dies At Home Wed.

Walter D. Bell, 71, died at his home at 5:45 Wednesday morning. Mr. Bell had been in poor health for several years and his condition became progressively worse during the past few weeks.

Funeral services will be held at the Cage Chapel in Rockport at 4 o'clock Friday afternoon.

Mr. Bell was born in Cowley County, Kansas August 6, 1877. He attended Congregational School in Oklahoma. In 1898 he joined the American Army and served during the Spanish-American war. Later he enrolled in the Rush Embalming School in Chicago and was a licensed embalmer in Oklahoma. He came to Rockport in 1917 and started to work in the shipyard. After the war he entered the undertaking business here which he followed until he was prevented from doing so because of poor health.

Mr. Bell belonged to the Watson McManus Company of Spanish-American War veterans of Corpus Christi.

Survivors include his wife, Mrs. Annie McLester Bell; four daughters, Mary Frances Bell, Anna Mae Williams, Alice Bell, all of Rockport, and Myrtle Lee Bell of Alice; one son, M/Sgt. Walter D. Bell Jr., Harmon Field, Newfoundland; two sisters, Mrs. Blanche Sprading, Wichita, Kan., and Mrs. Clara Kilbourn, Hugoton, Kansas; two brothers, C. W. and C. F. Bell, both of Hugoton, Kansas.

You Are Invited—

Mr. and Mrs. J. H. Mills to be the guests of the Rio Theatre to see "The Bishop's Wife" Sun. or Mon., Sept. 12th or 13th. This notice clipped from The Pilot will serve as your pass.

Pirates Play In Aransas Pass Fri.

The Rockport Pirates are rated the underdogs as they face the Aransas Pass team Friday night in a game to be played there.

While the Pirates won their game last Friday night from the Fallurians Jerseys and Aransas Pass lost to a strong Donna team, the Aransas Pass team is rated the strongest. It is reported that there is no doubt in the minds of the Aransas Pass team that they will win and the Pirates are over prepared to give them a real fight.

Star of the game last Friday night was the Pirate player, Gene Smith, who performed exceptionally well. Smith not only called a good game but showed deceptive handling of the ball and played an aggressive game all the way. The only touchdown was scored by Smith in the second quarter, when he carried the ball to pay territory from the two-yard line. Smith made several other outstanding runs. According to Coach Chas. Roe, Jr. he is one of the best T formation quarterbacks in South Texas.

However, it took team work and good play on the part of the other 10 players to win the game. Glenn Owens showed some good line play as guard and Frederick Close, Camillo Delgado and Tim Haynes displayed some good work as endmen.

The first quarter was nip and tuck but after that the Pirates had the game in the bag. The second team played the majority of the second half of the game.

The Aransas Pass team played Donna, one of the better teams in the Valley, Friday and were beat 20 to 7, but the team looks good in spite of the loss.

WEATHER REPORT

Instruments are read at the marine laboratory each at 3:30. Monday: Max. temp. 91, min. temp. 77. Barometric pressure 29.80 inches. Tuesday: Max. temp. 85, min. temp. 81. Barometric pressure 29.75 inches. Wednesday: Max. temp. 86, min. temp. 74. Barometric pressure 29.78 inches. PPT. .02 in. Thursday: Max. temp. 76, min. temp. 70. Barometric pressure 29.87. PPT. 1.73 inches. Tide 2.5 feet.

Let's Stop Fooling Ourselves

The Board of Equalization has met, city property has been re-assessed, and with the mailing of the notices to the interested property owners, a flood of protests have begun to inundate the city hall.

This is short sighted and selfish. The men on the board have not put excessive valuations on any home or lot. They are men who have been in the community a long time, who are thoroughly conversant with property values and who have honestly tried to do a fair and equitable job. Nevertheless they are being criticized and the assessments protested because people don't want to pay more taxes.

For ten years the city government has been trying to operate on a budget that even prior to the war, was inadequate for horse and buggy days. Since the war it has been inadequate for ox wagon days. Nevertheless people have no hesitancy whatever in coming in and asking for anything and everything. Let us take the case of pipe for instance. Before the war it could be bought for 5 or 6 cents a foot. Now it is worth anywhere from 35 cents up. Salaries that used to be \$60 to \$70 a month are more than doubled in these days because no one will work for that. Every bit of material, every service, everything that the city buys has doubled and tripled in price and we are not getting a bit more money into the treasury than we did in the good old days when grandpa and grandpa used to go courting in the buggy.

The very people that are protesting these raised assessments will go to town and pay two to three times more for their daily necessities than they used to, and think nothing of it. However, let their assessment be raised to the point where they have to pay \$10 to \$20 more a year in taxes and you'd think that the heavens had fallen in.

The reason that Rockport doesn't have a better water system, better streets, better sewage, better sanitation and all the other things that are needed in a modern town, is because the city has no money to pay for these things. The reason that the city has no money to pay for these things is because people won't pay a fair amount of taxes.

No man in the Mayor's office or on the city council has money enough to furnish these things free to the city of Rockport, yet that is practically the attitude that many of us take in protesting these raised assessments. We want all these things, but we are not willing to pay our fair share towards getting them. And we have been most unfair to the members of the city council, to our town and to ourselves in refusing to recognize this.

Anything worth having has to be paid for somehow. Once upon a time it was possible to pay your taxes by furnishing a man and a team to work on the county roads. Those days are gone but even if they were still here, 99 percent of us would find some reason for not doing it, because of the work and trouble involved. Through the course of the years it has become possible to pay our taxes in money instead of actual physical labor and that money goes to pay other people to do the things that we are too lazy to do ourselves. If there is no money the things are not done. And that is the reason that 9/10 of the things the city council is asked for are not done.

We won't pay taxes and because we won't there isn't any money. It is no worse to refuse to pay our taxes than it is to evade paying our fair share of them by turning in an assessment that is unquestionably too low. A house that is worth \$10,000 certainly should not be turned in at a \$100 valuation for taxation purposes. A vacant lot that may only have been worth \$50 a hundred years ago has increased in value in many instances until it may be worth from 5 to 10 times that much. There is no reason that it should remain upon the books of the city and pay taxes on the basis of its original valuation.

It is perfectly possible to go out in Rockport and attempt to buy property which will be quoted to you anywhere from \$6500 up, and which the owner wouldn't sell for less than that, and find that this same property has been assessed on a basis of less than \$1000. For instance there is one 50 foot house and lot in this town with an assessed valuation of only \$100, and it is a good house. There are lots on which the selling prices runs into the thousands and on which the assessment is so small as to be pitiful. These things the board of equalization has tried to rectify in as fair and honest a manner as possible.

In living in America, whether we like it or not, we as citizens have certain obligations which we must meet of our own free will and accord. We must support our government and we must do it voluntarily. There is where the difference lies between us, as free men and women, and the countries of Europe, where people are slaves. If this were Germany or Russia for instance we wouldn't even be con-

UNCLE SAM'S SELECTIVE SERVICE

(EDITOR'S NOTE: Below is one installment of a series of questions and answers on the second peacetime military training program. It has been prepared under the direction of the Texas Director of Selective Service, Maj. Gen. K. L. Berry)

Q: How many men will be called for training under the Selective Service Act?

A: Enough to keep the Army up to an average daily strength of 837,000, the Navy up to 666,892, and the Air Force up to 502,000. Each of these services will be allowed to enlist respectively 110,000, 36,000, and 15,000 one-year enlistees (18-year-olds).

Q: How many men will be inducted per month?

A: The armed forces have indicated they can use about 30,000 inductees a month for the first year.

Q: How many will be inducted from Texas?

A: It will depend on calls, but probably about 1,500 per month.

Q: When will the first group of men report for training?

A: The armed forces probably will desire to levy a call for men during October.

Q: How will the number to be called from each state be determined?

A: A quota system will be established to make sure that each state and each section of a state furnishes its fair share of the men called for training.

Q: How will this quota system work?

A: After all registrants are classified, each state will report the number of men available for immediate training. For example, Texas may have 5 per cent of the total number of men in this class. If so, Texas will be expected to furnish 5 per cent of the men for each call. Thus each state and local area will not be called upon to furnish more than its proper share.

Q: Where will the inductees' training take place?

A: Men will be sent to training stations of the armed forces, where regular staffs of the armed forces will conduct the training.

Q: Who will pay for the cost of transportation for these men?

A: The federal government will pay all transportation, maintenance, and any medical costs while men are enroute to armed forces training stations.

Q: After a man has passed the armed forces physical exam, how long will it be until his date of induction?

A: At least 21 days after the date upon which he was mailed a notice that he had been found acceptable. He will be advised of the date of reporting for induction.

Mrs. E. R. Blaylock, Bonnie and Billie, will move to Austin this week, where they have purchased a home. Bonnie and Billie will enroll at the University of Texas. Mr. Blaylock, owner and manager of the Beacon Court, will remain here for the present.

Mrs. J. L. Baughman and Port vacationed in Rockport over the week-end.

Mr. and Mrs. Jerry Shivers of Waco, Texas, spent the week-end with Mr. and Mrs. Arlie Shivers and family.

sulted about the matter. We'd simply be told what taxes and where we were going to pay them and we would pay them. If this were Russia we wouldn't even own any property. For it is only within the last three months that the wonderful Russian government has given the people permission to build and own their homes. The thing that has made America the great and wonderful place to live in that it is today, is the fact that our forefathers accepted these responsibilities, realizing that the thing that you get for nothing in this world is worth nothing. We, selfishly, and shortsightedly, are unwilling to do this. We don't want to pay an extra \$10 or \$15 in taxes a year to give our city the things it needs and the things for which we clamour to the City Council. We want these things but, we don't want to pay for them. Where we expect the money to come from, heaven only knows.

Let's stop fooling ourselves. Let's make up our mind that things cost more, even city governments, and let's make up our mind that we are going to have to face that situation and that each man should bear his proportion of the cost. We have tried for years the system of each person writing out his own assessment and it has not worked. We don't have any money and we won't have any money under that system. As long as we don't have any money we are not going to have the things we want. Let's get the idea out of our heads that Bill Jones or John Doe should pay for the things we want. If we want a better city we have to pay for it. And the work of the Equalization Board is one of the fairest and most just ways of deciding what each man's share shall be.

Shrimp Raised In Jars Simplifies Feeding Of Fish

While the shrimp fleets of the Texas coast put in day in and day out attempting to bring in enough shrimp to make a living, Tommy Blackwell of the marine laboratory staff, has developed a new and better racket. He has started a shrimp farm, and raises his shrimp. Of course, they are not very big, because it would take a thousand of them laid end to end to reach an inch, nevertheless Tommy makes his living by it, and his entire stock in trade is 2 quart jars full of sea water and some shrimp eggs which look like brown dust.

The entire shrimp farm occupies a space about six by ten inches but in it Tommy raises enough shrimp to keep the fish in the laboratory aquariums happy.

The shrimp are brine shrimp, one of the few animals that live in the Great Salt Lake of Utah. They are so incredibly hardy that they have been found in the laboratory to be able to withstand temperatures of 360 degrees below zero. Certain companies gather the eggs of these shrimp, dry them, pack them in little cardboard boxes, and sell them all over the world as fish food. All that is necessary to do when you get them is to take a quart jar of salt water, spread some of the eggs on the top of it, and within 48 hours a tiny shrimp will appear ready to be eaten by the fish. Tommy is of the opinion that this is the proper way to go shrimping, as there is hardly any work to it at all, and he feels that if some such method could be worked out for the shrimp we eat, that it would certainly save the fishermen a lot of time, trouble and headaches.

Accidents Leading Cause Of Children's Deaths

AUSTIN—A state-wide effort to reduce Texas' child accident toll of about 900 lives yearly through participation in the national child safety campaign in September was set forth by Dr. Geo. W. Cox, State Health Officer, as an immediate public health objective calling for concerted cooperation by all public health and medical authorities and interested civic organizations within the state.

"The needless loss of a single life, or the crippling of even one child, is an exorbitant price to pay for any neglect of this problem," said Dr. Cox.

The importance of such a campaign is evidenced by the fact that accidents are now the leading cause of death among children more than one year old. Among children 5 to 9 years old, the death rate from accidents was 24.7 per 100,000, as compared with a rate of 4.6 for rheumatic fever and organic heart disease, the next cause; and among children from 9 to 14, the accident death rate was 20.8 and that for rheumatic fever and organic disease 7.2.

The outstanding improvement in the death rates from all non-accident causes during recent years is the result of the advance in medical science and concentrated efforts in the field of child health. The premise of the child safety campaign is that efforts now must be intensified to bring about a somewhat comparable reduction in the number of child accidents.

Too Many Insurance Payments Are Lost

"Last year, one out of every six persons who became entitled to the retirement or family insurance payments under the Social Security Act, lost some money because they failed to file their applications in time." This statement was made by H. M. Cleveland, Manager of the Social Security Administration in Corpus Christi.

Since so large a percentage of those who did file lost payments through delay, Cleveland believes that some persons who are otherwise eligible are still losing the insurance because they have not yet applied for it.

He explained that the law specifically states that payments cannot be made for more than 3 months before the month in which an application for the benefits is filed. One who delays his application longer than that after he first becomes eligible for the payments will lose a part of what should rightly be his.

"A total of more than 14 million dollars was lost last year by beneficiaries who were slow about asking for their benefits," according to Cleveland. "Although the insurance is paid to those who qualify whether they need it or not, many of those who lost payments did need the money. Some didn't know about the payments, and others just put off claiming them."

To prevent the loss of old-age insurance, workers who are over 65 should apply promptly when they retire. The family of an employee who dies at any age may be eligible for the survivors insurance. In every case, the payments are based on the wages a worker receives for employment on social security jobs.

All inquiries concerning the insurance in this area should be directed to the Social Security Administration, 425 Wilson Building, Corpus Christi, Texas.

Mr. and Mrs. Gus Engeling and children were in Austin last week where they attended the marriage ceremony for Mrs. Engeling's brother.

Sailboat Entries Place First But Not According To Handicap Rules

Three Rockport boats took part in the sailboat races at the Labor Day Celebration in Port Lavaca Sunday and Monday. Boats entered and their crews were the International 110, owned by Travis Bailey, with Mr. Bailey and Jim Jarboe in the crew; another International 110 belonging to George Francisco, with Francisco and George Jarboe in the crew; and the Lightning captained by Roy Lassiter and David Herring.

Travis Bailey brought his 110 in first in two of the races but according to handicap rules the race was won by a Corpus Christi boat. The 110 entered by Francisco also came in first in one of the races, but handicap rules named the Corpus Christi boat winner.

Benjamin Franklin wrote the old rhyme, "Early to bed and early to rise, makes one healthy, wealthy and wise."

Why Mountain Valley Water is Recommended for

Arthritis-Kidney and Bladder Conditions

This natural mineral water from Hot Springs, Arkansas, helps to—

1. Stimulate kidney functions.
2. Soothe bladder irritation.
3. Neutralize uric acidity.
4. Discharge wastes.

P.-T.A. TO GIVE ANNUAL PARTY WED.

The Parent-Teacher Association will hold their first meeting of the school year at the school auditorium Wednesday afternoon at 3:15 p.m. September 15.

The topic of the program for the coming year is "Evaluation of Home". This program is set up by the state association and is followed all over the state. This topic will present an opportunity for the discussion of the contributions that our homes are making to the health, economics, independence and spiritual development of our youth. Mrs. W. L. Patrick, Mrs. Simon Lee Sorenson, Supt. J. F. Harbin, Mrs. Clyde Hayden and Owen James will take part in the program Wednesday.

The meeting will be followed by the annual party which will be held in the home economics building. Mrs. Weldon Cabaniss is in charge of the affair. She will be assisted by Mrs. Arlie Shivers, Mrs. Raymond Morris, Miss Katie Lee Clarke and Mrs. Judy Collier. The girls in the home economics department will prepare and serve the refreshments.

Mrs. Wm. Patrick, president of the P.-T.A. reminded members and those interested in joining the P.-T.A. that it is time for payment of fall dues. Annual dues are 75 cents per person. Every civic minded adult is invited to join the organization.

Dues are paid in the fall or spring of each year. Annual dues for active members shall be all inclusive for membership in National, State and local congress unit. Fifty cents of the dues per member is for the Rockport Association and 25 cents goes to the State and National Congress of Parent and teachers.

Dues should be paid to Mrs. Somer Smith, membership chairman for the local association.

NEARLY 200 ATTEND HOMECOMING PARTY

Nearly 200 attended the homecoming party sponsored by the room mothers of the high school for the high school students and the faculty, which was held at the school gymnasium Tuesday night.

Following the singing of "School Days" by the entire assembly the members of the faculty were presented with corsages by Mrs. W. L. Patrick, president of the Parent-Teacher Association. The seniors were presented by Mrs. T. H. Ratliff, chairman of the affair, following addresses by Owen James, principal of the high school and Houston Foster, grade school principal.

The program was as follows:
 Dance number by Joy Roe, Carroll Sparks and Sue Blevins
 Vocal duet by Miss Lucille Haynes and Mrs. Howard Kinsey
 Vocal solo by Houston Foster
 Tap dance by Jane Kane
 Spanish song by Guadalupe Garcia

Clarinet solo by Glenda McShan
 Vocal solo by Shirley Rivers
 Several numbers on the solo box by Mrs. Fred Bracht.

Vocal solos by Chas. Marvin Davis accompanied by Mr. Dutton on the guitar.

The program closed with the group singing "Auld Lang Syne". Refreshments of punch and cake were served from a lace-covered table over green. The table was centered by an arrangement of asters and flanked by green and white crepe paper decorations were used throughout the gym.

Mrs. Somer Smith poured and cake squares were served by Mrs. Henry Ballou.

The remainder of the evening was spent dancing.

REBEKAH TEAM WILL GIVE PARTY

The Rebekah's recently sponsored a contest in the unwritten work of the lodge. When results were tallied last week, the team led by Mrs. Sally Beety won 12 to 11. Certificates of perfection will be issued to members.

The losing team headed by Annie Mae Evans will entertain all members and their guests with a party to be held Tuesday night, September 13.

The organization is planning a food sale to raise funds to purchase new regalia.

Mr. and Mrs. L. W. Davis were notified this week by Mayor O'Dwyer of New York City that the body of their son, Pvt. Luther W. Davis, Jr., had arrived in the United States. Mayor O'Dwyer sent a card of sympathy to the family. Pvt. Davis will be buried in Weslaco.

ROBERTS-ADAMS WED AT ODESSA, TEXAS

Mrs. Lillian Rotramel Adams, of Corpus Christi, daughter of Mr. and Mrs. J. H. Rotramel, of Sulphur Springs, Texas, and Mr. Frederick Gordon Roberts, son of Mrs. G. E. Roberts, of Corpus Christi, formerly of Rockport, were married Wednesday, September 1, in St. John's Episcopal Church at Odessa, Texas. The Rev. MacCallum performed the ceremony.

The bride was dressed in a street length aqua blue crepe dress with a lace bodice and a draped skirt. Her accessories were black. Her corsage was a large white gardenia surrounded with Stephanotis. Mrs. G. E. Roberts, mother of the groom, and Mrs. M. H. Long signed the registry as witnesses. Close friends and members of the family also attended the wedding.

A reception followed at the home of Mr. and Mrs. M. H. Lang with Mr. and Mrs. B. Brewer and Mr. and Mrs. M. H. Lang as hosts.

The bride and groom left for a short wedding trip to Carlsbad, New Mexico, after which they will be at home in Odessa, Texas, where Mr. Roberts is employed by the Standolind Oil Co.

The bride formerly lived in Corpus Christi and was with the State National Bank.

BAPTIST CHURCH GIVES PARTY FOR COLLEGE STUDENTS

Triple Oaks, the home of Mr. and Mrs. D. R. Simmons, was the scene of a going away party Monday night, which was sponsored by the First Baptist Church honoring the young people of the church who are going away to college.

Fifty-two guests wandered at will through the home, enjoying an evening of pleasant and joyous fellowship. Refreshments of punch and cake were served throughout the evening. Before departing the pastor, Rev. G. T. Cunningham, on behalf of the church, made an address of appreciation for the inspiration and service the young people have been to the church and bidding them God-speed as they enter new fields of learning and service.

Honor guests who will enter colleges this fall were Loretta and Iletta Townsend, Baylor University at Waco; Mr. and Mrs. Elmer McLester, Mary Lou McLester and John Robert Barber, A & I College, Kingsville; Elizabeth Freeman, University of Corpus Christi; Alva Freen, Texas School of Mines at El Paso; and Mary Ruth Dervage, Southwest Texas State Teacher's College at San Marcos.

Mr. and Mrs. Dee Lancaster, of Dallas, spent the week-end here visiting friends in Fulton.

WOMEN'S CLUB MEETS TUESDAY

The Women's Civic Club will meet at the Fire Hall next Tuesday afternoon at 3:30, September 14, for the regular monthly meeting.

The membership committee of the Women's Club met at the home of Mrs. Roy V. Rogero Monday afternoon. Those on the committee headed by Mrs. Rogero are Mrs. Leonard LeBlanc, Mrs. DeWilton Jeffries, and Mrs. L. E. Sanders.

The committee will make an effort to contact everyone who is not a member of the club and invite them to join. Everyone interested in the work of the club is invited to attend the meeting Tuesday, whether they have been contacted by a committee member or not.

WED. BRIDGE AT L. M. BRACHT HOME

The Wednesday Bridge Club was entertained by Misses Mabel Bracht and Genevieve Bracht at the L. M. Bracht home Wednesday afternoon.

Mrs. J. H. Mills won high score. Mrs. James Sorenson claimed second high and Mrs. J. F. Harbin was third.

Four tables of bridge were in progress. Those playing were: Mrs. Fred Booth, Mrs. A. L. Bruhl, Mrs. A. R. Curry, Mrs. Fred Christilles, Mrs. J. P. Hanway, Mrs. J. F. Harbin, Mrs. Fred B. Hunt, Mrs. J. H. Mills, Mrs. Chas. Picton, Mrs. L. E. Sanders, Mrs. James Sorenson, Mrs. L. M. Bracht, Mrs. C. C. Fowler, Mrs. C. F. Rozzell and Mrs. Fred Bracht.

Mrs. Henry Bailey returned to Rockport with Judge W. G. Gayle Monday from Beville where she attended the wedding of Miss Lena Mae Connally, daughter of Dr. and Mrs. L. D. Connally.

Reiter Will Conduct "I Traci Amanti" With NBC Symphony

Max Reiter will present two important premieres, when he appears as guest conductor of the NBC Symphony in New York, Sept. 18 and 25, in the regular coast-to-coast broadcasts. The broadcasts may be heard Sept. 19 and 26, at 10:30 p.m. over WOAI.

These are the Overture to "I Traci Amanti", by the 18th century Italian composer, Domenico Cimarosa, to be heard for the first time in America at the Sept.

18 concert, and the radio premiere of Richard Strauss' orchestral fantasy, "Die Frau ohne Schatten" on the Sept. 25 program.

Reiter will conduct the "I Traci Amanti" from a photograph of the original manuscript of the long-forgotten opera which rests in a collection of rare Cimarosa scores in San Pietro a Majello Conservatory in Naples. The San Antonio Symphony conductor arranged for the only two existing photographs through a friend at the Milan Conservatory. He will present the second copy as a gift to Arturo Toscanini.

Named to Head March of Dimes

E. S. STEWART

Mr. E. S. Stewart, prominent Abilene business and civic leader, has been appointed Texas State Chairman of the 1949 March of Dimes, Basil O'Connor, president of the National Foundation for Infantile Paralysis, announced recently.

The March of Dimes, conducted nationally each January, is the sole support of the National Foundation and its 2,800 local county chapters. Funds contributed to the annual drive pay costs of medical care and treatment for polio victims and finance the scientific research and professional education programs sponsored by the National Foundation. The 1949 appeal will be held January 14-31.

Corpus Christi Symphony Season Tickets On Sale

CORPUS CHRISTI — Season tickets which will admit the holder to the six scheduled concerts of the Corpus Christi Symphony Orchestra will be placed on public sale September 13 at \$9.90 each, Mrs. Mary Jo Selby, ticket chairman, announced yesterday.

Payments for tickets may be sent directly to the Symphony Office, c/o Del Mar College, Corpus Christi, Texas. All seats are reserved and requests will be filled in order of receipt.

Mrs. Selby pointed out that each concert will be held first on a Monday evening and then repeated on the following Tuesday evening, so that the season ticket purchaser should specify whether he wants a Monday or Tuesday evening reservation as well as the general location of the seat. All concerts will be presented in the Roy Miller High School auditorium, formerly known as Corpus Christi Senior High School.

The season will open October 18 and 19 with the guest appearance of Lauritz Melchior, famous heroic tenor of the Metropolitan Opera, stage, screen and radio. Other special attractions included in the six-concerts will be the piano playing of Amparo Iturbi, the presentation of the complete opera, La Traviata, and the world premier of "Corpus Christi Suite," with words by Clement Wood and music by Gordon Binkerd. Other plans include an evening of ballet music with a ballet troupe directed by Mrs. Evelyn Lee, an organ concerto with orchestra and a harp concerto featuring Miss Bernice Flanagan of the Del Mar College School of Music.

Blanco Baptist B'hood To Meet In Ingleside September 13

WOODSBORO — The regular quarterly meeting of the Blanco Baptist Brotherhood will be held at the First Baptist Church in Ingleside, Texas on Monday evening, September 13, featuring Clifton W. Brannon of Longview, Texas as the principal speaker of the evening.

According to an announcement made early this week by Brett Hargrove of Woodsboro, president of the Blanco Baptist Associational Brotherhood, Baptist men in this section of the state have an unprecedented opportunity of hearing an inspiring address by Mr. Brannon, widely known lay leader who has spoken in more than 54 Texas cities during the past year and delivered more than 160 addresses. Mr. Brannon has gained the reputation of being a man's man with God's message for men and his audiences are held spell bound by his zealous evangelistic messages.

Mr. Brannon was elected vice president of the Baptist Brotherhood of Texas at the Amarillo Convention last fall, and is also vice president of the District One Brotherhood. He is an active churchman and a deacon of the First Baptist Church, Longview, Texas and has been active as a Sunday School teacher in his church.

Mr. Brannon is secretary and general counsel for R. G. LeTourneau, Inc., internationally known builders of earthmoving equipment. He has been affiliated with the LeTourneau industry for eight years as head of the legal department, and is vice president and director of the Texas Casualty Insurance Company. Mr. Brannon attended the Georgia School of Technology and Woodrow Wilson College of Law, Atlanta, Georgia where he obtained his LL.B. degree. He was admitted to the Georgia Bar in 1932. Prior to his affiliation with the LeTourneau Corporation he was attorney for four years for the Sinclair Refining Company southeastern division legal department headquartered in Atlanta. He is a member of the American Bar Association, Texas Bar Association, Georgia Bar Association, a Master Mason and a Shriner holding membership in Yaarab Temple, A.A.O.N.M.S., Atlanta, Georgia. He also holds membership in the Kiwanis Club.

President Hargrove stated that the Ingleside meeting would be one of the outstanding Brotherhood meetings of the year in the Blanco Association, and urges every Baptist layman to avail himself of the opportunity of hearing Mr. Brannon bring a great message.

The activities at the meeting will open with a fish supper on the church lawn at Ingleside at 6:30 p.m., on the above date, and more than 200 Baptist laymen, pastors, and guests are expected to attend the meeting.

Mr. and Mrs. Robert Marx, of Houston, visited at the home of Mr. and Mrs. Fred Christilles over the Labor Day week-end.

Trumanite

Howard Dailey heads a Dallas delegation loyal to Truman and the party, which will contest seating at the Democratic state convention in Fort Worth of a Dixiecrat group, which was officially seated at the Dallas county convention. Dailey, one of the state's most able lawyers, believes, he said, that the Truman-Barkley ticket will win in November.

PARTY HONORS 11th BIRTHDAY

Nancy Hayden's eleventh birthday was the occasion for a party given by Mrs. C. C. Hayden at their home last Saturday afternoon. Mrs. Fred Clobertants assisted Mrs. Hayden.

The youngsters spent the afternoon playing games on the lawn.

Refreshments of ice cream and birthday cake were served to Mildred Davis, Clydene Sparks, Joe Herring, Oscar Stelzig, Joe Earl Hunt, Kane Lassiter, Bill Harmon, Jimmy Clobertants, Chas. Garrett, Chas. Smith, Shirley Faye Harrell, Dorothy Baker, Leon Barber, Frances Lee Deason, Joan Smith, Iva Ann Shaver, Culley Roberts, Lola Jean Ballou, Gerald Huffmann and the honoree, Nancy Hayden.

Chas. Davis Appears On Labor Day Programs

Charles A. Davis, son of Mrs. Mollye Davis, spent a busy Labor Day week-end. He sang over the KWBU Jamboree program Saturday afternoon and at the Golden Triangle, Saturday evening, Monday, at the Refugio Labor Day Reunion, he was with Bill Barr and his Sons of Pioneers and had a number with the Texas Plainsmen at the dance.

Charles is especially happy because T-Texas Tyler, the well-known star and western singer gave him a spot on his Saturday evening program at the Golden Triangle. One of Charles songs was "Filipino Baby" which was written by T-Texas Tyler, and is

a current record hit. Mrs. Davis, who was on the radio quiz show at the Rialto Theatre broadcast, Monday in Refugio, won a table mirror by giving the right answer to a question.

From where I sit... by Joe Marsh

One Great American Trait

I always think it does a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the tolerance which reconciles those different points of view.

I mean the tolerance of a Penn-

sylvania farmer for the habits of his city cousin; the tolerance of folks who vote one way towards those who vote another; the tolerance of those who prefer spring water towards those who enjoy a moderate beverage like beer.

From where I sit, it's that great American trait of tolerance—respect for individual tastes and liberties—that makes this country strong. Let's never lose it!

Joe Marsh

'THIS PICTURE WILL CHANGE!'

THERE'LL be a large, new electric generator in this CPL power plant soon...making more kilowatts for you. This is only one part of CPL's power expansion program. By next summer, we will have 41 per cent more power capacity than we have today. Fact is, in the five-year period since 1946, CPL will more than double its power supply.

Such an increase will mean plenty of power for South Texas' farms, homes, and industries...more reserve power for the protection of your electric service. You can be assured CPL folks are constantly working, planning and building to serve you well...both now and in the future.

ARANSAS COUNTY AIRPORT

Ten planes carrying 25 passengers and their pilots arrived and departed from the Aransas County airport during the past week. The storm in the Gulf and strong winds which hampered fishing kept many fishermen away who ordinarily wait for the word of good fishing and flock to the coast via air on the holidays.

Planes that arrived included a Stinson Station Wagon, owned by L. A. Farrior and piloted by L. A. Farrior, Jr., from Wichita, Kans. There was one passenger. E. M. O'Haven of Brownsville arrived last Thursday in an Aeronca.

T. L. Wynne of the American Liberty Oil Company came in from Dallas Thursday in the DC3 with 15 friends bound for the ranch on Matagorda Island. The pilot was Ernie Blagg.

C. A. Fisher piloted a Swift plane in from Cuero Thursday. The plane is owned by Brantley and Fisher and carried one passenger.

Oscar Traveland of Beeville, piloting his own plane, a J5 Cub Cruiser, arrived Friday with one passenger.

An Aeronca owned by the Hughton Aviation Inc. of LaPorte, Texas, came in Sunday with one passenger.

R. R. Cowden of Midland, Texas arrived Sunday in his Bonanza Beach plane. Mr. and Mrs. H. J. Phillips were passengers. All were guests at Palm Village.

A Bonanza owned by Joe Jayne of Corpus Christi arrived Sunday with two passengers, Ray Hargrove and G. E. Duke.

A Cessna from the San Antonio Air Academy, piloted by Mowers, came in Tuesday.

Jack Seward piloted Sid Richardson's Gruman Mallard in Saturday. The \$135,000 amphibian ship is the most elaborate one to arrive at the airport, according to M. G. Taylor, manager.

J. M. Dykes returned Thursday from Weslaco where he attended the funeral of his sister-in-law, Mrs. Sanders Dykes.

Misses Iletta and Loretta Townsend left today for Houston where they will spend a few days with their sister, Mrs. George R. Crook and then continue to Waco to enter Baylor University. Both girls were awarded scholarships from Baylor.

Blocks 19, 20, 21, 22, 23, 24, 25 and 26 of the Abernathy Tract of Farm lands from Lula A. Barber et al to W. L. Scheig.

Lot 9, block 7 and lot 5, block 8, North Bellview and lots 8 and 10 in block 3, North Rockport Division, from Mrs. Evelyn Snapp Thompson et vir to Margaret Snapp.

Lots 1, 2, 3, 4, 5, 6, and 7, block 2, Hotel Reserve of Smith and Wood from W. R. Rundlett to Earl Thomas.

All of surface rights only in the East 1/2 of outlot 39 and all of 40, according to Wm. H. Jones map of the town of Lamar, from G. S. Bissett to Eugene Bissett.

Lot 56, Copano Village subdivision from F. G. Huffman et ux to George E. Adams.

Lots 25, 26, 27 and 28 in the Tripsis Division from Eugene Nava to Gavino Garza et ux.

Joe Caldwell, attorney of San Antonio and Somerset, spent Friday and Saturday in Rockport. Mr. Caldwell is a former resident of Rockport and recently opened an office in San Antonio. The Caldwell owns the Somerset Lumber Company, which Mrs. Caldwell manages. Bobby Caldwell, the younger son, a sophomore, is playing on the Somerset High School football team this year. Joe Caldwell, Jr. is a radio announcer at Hamilton, and does not plan to return to school this year.

The Henry Camehl's guests for the Labor Day week-end included Mr. and Mrs. Howard White and daughter, Judy Kay, and Zeph Roberson, all of Dallas. Mrs. Roberson who has been visiting here for the past month, returned with her family. Mr. and Mrs. Roberson, and Mrs. White are Mrs. Camehl's parents and sister.

Rockport visitors at the Regugio Labor Day Reunion were Miss Dorothy Bissett, Mrs. Roy Hinton, Mr. and Mrs. Fred Hunt, Mr. and Mrs. J. F. Harbin, Mr. and Mrs. Porterfield, Mrs. E. W. Townsend, Mrs. Mollye Davis and Charles A. Davis.

Mr. and Mrs. Fred Mueller of Fort Worth are visiting in Rockport, arriving Friday for an indefinite stay. Mrs. Mueller was surprised with a birthday dinner Friday evening at the Thomson's Cafe. Guests included Mrs. Thelma Ratisseau, Mrs. Elizabeth Johnson, Mrs. E. W. Townsend and Mrs. Mollye Davis.

Mr. and Mrs. Jimmy Miller returned to Kingsville Monday after spending the week with Mrs. Miller's parents, Mr. and Mrs. Rufus Casterline. Mr. Miller will enter his senior year at A and I.

Mr. and Mrs. R. E. McBride, of Houston, visited Mrs. McBride's parents, Mr. and Mrs. A. G. Collier over the week-end.

W. W. Harrison and 'Corkie' Taylor, of Lindsay and Oklahoma City, are spending a week here fishing.

Along The Waterfront

(Continued from Page 1)

trip with Mr. Ballou Wednesday. Mr. and Mrs. Fred Brown and Mr. Brown's parents hooked 6 large reds in the 6 1/2-pound class. They also brought in 40 smaller reds and 10 drum and trout.

Mr. Biddle and party of Gonzales fished with Fred Christilles Monday. They caught 20 reds and 1 trout.

Buddy Sinclair, of Fort Worth, went out with Mr. Christilles Wednesday and got 16 trout.

Gus Engeling is becoming quite an expert at gar fishing. He became interested last month when he hooked a 4 1/2 foot one while fishing in the basin. So when trout and red fishing isn't at its best, Gus fishes for gar in the basin. Over the week-end he provided an extra attraction for tourists, who gathered to watch him land another 4 1/2 foot one. Wednesday he landed a 5 1/2 foot gar. Gus claims that it is quite a sport.

The Louryn, 40-foot Chris Craft express cruiser (custom built), which belongs to Tom O'Connor Jr., of Victoria, is one of the hand-somest boats in the yacht basin. The cruiser, just recently purchased, was docked at Morrison's boat house Monday after an extended cruise to Port O'Connor and fishing in Copano Bay. The cabin of the boat is beautifully lined with bird's eye maple. It is equipped with shower, bathroom, two bunks, and kitchen. It also has a radio direction finder and radio telephone. Mr. O'Connor plans to repower it with two 316 Scripps engines in December, replacing the two 160 Chris Crafts it is now powered with.

Strictly Rumored

By IMA GOSSIP

There is one young man in Rockport that you will have a hard time convincing that "wishing on a star" does not bring results.

Some time ago Mrs. Dick Fox noticed her young son, James Richard, gazing out at the stars at night and asked what he was doing.

James Richard replied: "Mother, see that bright star up there? I've been making a wish every night I see that star and one of these days my dreams will come true."

Mrs. Fox asked what his wish was and when she was told that he was wishing for a pony, she just smiled and said: "Well, maybe some day."

Well, dreams do come true. Tuesday at noon when James Richard went home to lunch from school there in his yard was a cream-colored pony, somewhat smaller and maybe a year or so older than Roy Rogers' Trigger, or the Lone Ranger's Silver, but just as fine a cow pony as there is. And the pony is all James Richard's.

So, you see dreams do come true. Of course, when you have a couple of friends like Travis Johnson and Floyd Huffman to help a little they come true lots quicker.

(From latest reports, Mrs. Fox is trying to locate the same star and attempt to solve her problems of increase in James Richard's little friends who spend most of their spare time helping him with the pony.)

I heard that Herb Mills has been broken of the habit of smoking in bed. Notice to mattress dealers: I think he is in the market for a new mattress. A fireproof one, that is.

There is many a sad young feminine heart in Rockport and vicinity this week. Two of Rockport's most eligible young men-about-town left for Louisiana after spending some time here. Don't take it too hard girls, there will probably be some one to take Freddie White and Buddy LeBlanc's places.

Mr. and Mrs. Kenneth Cox and children of Amarillo, Mrs. J. A. Hunt and Mr. and Mrs. M. K. Hunt, of Corpus Christi, were Sunday visitors at the home of Mr. and Mrs. Fred M. Hunt.

Mr. and Mrs. D. P. Sabo and daughters, Mary and Joan, returned to Dallas Saturday after spending the summer in Rockport. Joan will enter L.G.S. and Mary will attend the Marquette School of Medicine, Milwaukee, Wis. Mary has her B.S. and pre-med work finished, having four more years to complete her M.D. The Sabos built a summer home here and plan to make Rockport their home when Mr. Sabo finishes his business in Dallas. Bill McGrath has rented their home for the winter.
