

Along The Waterfront

Strong south winds—then north winds—continued to discourage the fishermen this week. Charter boatmen stayed close to the shore. However, persons who ventured out to fish along the shore were frequently rewarded with a few nice size trout.

Mrs. Jim Phillipot landed a trout which weighed over four pounds while fishing off the pier at Beacon Court this week. Mrs. B. W. Rose of Pampa, Texas, also landed a few trout there.

Saturday was a fair day for fishing. Mr. and Mrs. Ronald Lee and children of Houston went out with Fred Christilles and caught 38 large trout.

Sunday Emil Christilles of San Antonio fished with Fred Christilles and landed 42 trout.

Mr. and Mrs. C. M. Spires of Sharon Springs, Kans., and Jerry Pleas of Omaha, Neb., caught 37 nice trout while fishing on the flats south of Rockport Saturday.

Voting Light in School-City Elections

Mayor Travis Bailey was re-elected here Tuesday in the city election which brought few voters to the polls. Only 39 persons turned out to cast their vote for the mayor and two councilmen who had been petitioned to fill their respective offices for another term. Only 39 persons made an effort to get to the polls. There were no write-ins, it was reported.

Dick Picton, incumbent councilman, received 15 votes in Precinct 1. Arley Shivers, also incumbent councilman, received 24 votes in Precinct 2. The election was held at the city hall with Mrs. A. L. Brundrett as election judge.

The voting was equally as light in the school election which was held Saturday to name the entire board of the independent school district as well as two members of the county board. It was reported that only 36 votes were cast in Rockport, 22 in Fulton and eight in Lamar.

The board for the Aransas County Independent School District will be composed of Steirly Rozzell, J. B. Jackson, Dick Fox, Hugh Morrison, A. F. Dervage, Harry Wilson and Green Fleming, all of which were unopposed in the election. W. G. Harrist was re-elected to the county board from Precinct 1 and Walter Heldenfels was re-elected to the county board from Precinct 4.

P.T.A. Spring Round-up at School Tuesday

The Spring Round-up of students and pre-school age children will begin at the Rockport and Fulton Schools Tuesday, April 11. Plans are nearly completed for the health project, Mrs. Chas. Ankele, Child Hygiene chairman of the Parent-Teacher Association, announced Wednesday.

Dr. Fred Chastain and Dr. H. A. Thomas, dentists from Aransas Pass, will be at the Rockport school Wednesday morning from 9 to 10 o'clock, April 12. Dr. L. G. Wood and Dr. H. F. Elliot will be at the school from 1 to 3 o'clock Wednesday afternoon. Parents of children who will start to school in the fall are asked to bring the youngsters to the school during these hours for their check.

Besides the examinations by the doctors and dentists, an eye examination will be given. Assisting with this procedure will be Mrs. J. P. Hanway, Mrs. Gordon Terry, Mrs. Chas. Roe, Sr., Mrs. Mary Alice Gray, Mrs. J. F. Harbin and Mrs. J. W. Wilkinson in Rockport, and Mrs. Jack Sanders and Mrs. Herbert Mills in Fulton.

The Spring Round-up of the children is a health project sponsored by the P.T.A. to arouse the interest of parents in improving the health of children entering school for the first time. It also aims to bring about continuous medical and dental supervision of children of all ages, especially those who are apparently healthy. It is carried out in cooperation with the community medical, dental and nursing professions.

The round-up was inaugurated by the National Congress of Parents and Teachers in the belief that the home, which is responsible for the health of the pre-school child, can make no greater contribution to the school than to send a pupil physically ready to take full advantage of the opportunities that education has to offer. The round-up not only brings about correction of defects and immunization against communicable diseases, but it provides a medium for giving parents valuable instruction in child health.

Easter Bunny Busy Hiding Eggs In Preparation for Traditional Search

The Easter bunny will have to work overtime this week in order to distribute his brightly colored eggs over the lawns of Rockport for the multitude of youngsters anticipating the egg hunts scheduled for them this weekend by various church and school groups.

Many of the school youngsters are busy with the search this afternoon at parties planned for them before school dismisses for the Easter holiday.

Students of the first and second grade and pre-school age children in Fulton will gather at the home of Monte Rouquette this afternoon to rescue the eggs deposited for them and enjoy refreshments. Students at the Fulton school in the third through the seventh grade will enjoy their party on the school grounds. Room mothers assisting with arrangements are Mrs. Rob Johnson, Mrs. Jas. Jarboe, Mrs. O. B. Reed, Mrs. Green Fleming, Mrs. Monte Rouquette, Mrs. Harry Wilson, Mrs. Robert Madden, Mrs. Arthur Bracht and Mrs. Harold Teegstrom.

Mrs. T. H. Ratliff, Mrs. Roy Court, Mrs. W. A. Jones and Mrs. Bertha Harper will give an Easter party for the third grade pupils of the Rockport school this afternoon.

Students of Mrs. Edna Hollis' first grade enjoyed a picnic at 12 noon today. At one o'clock they gathered at the DeWilton Jeffries residence for the egg hunt, after which refreshments were served.

MAYOR'S PROCLAMATION

WHEREAS, the 17th Decennial Census of the United States is now being conducted; and
WHEREAS, all the inhabitants of the City of Rockport are to be enumerated in this census; and
WHEREAS, the information collected in the census serves many useful purposes, among which are apportionment of representation in Congress and other legislative bodies, measurement of markets and purchasing power of communities and their inhabitants, allotment of certain Federal and State tax revenues and other financial aid to cities, determination of future needs for public utilities and services, and other useful purposes; and
WHEREAS, the accuracy and completeness of the census for the City of Rockport will determine its population rank among the other communities of the country;

I DO HEREBY call upon every citizen of Rockport to give his or her fullest cooperation to the census enumerators when they call at our homes in April 1950.

DONE UNDER MY HAND and seal, this 6th day of April, 1950, in the City of Rockport, Texas.
(Signed) TRAVIS BAILEY, Mayor

Room mothers who arranged the social were Mrs. DeWilton Jeffries, Mrs. Robert Key, Mrs. W. E. Beasley, and Mrs. Floyd Smith. Mrs. Hollis assisted.

Saturday morning all children of the Sacred Heart parish of ages 2 to 10 will gather at the school at 10 o'clock for the annual egg hunt. Refreshments will be served. Arranging the party are Mrs. Richard Fox, Mrs. Ed Barnard, Mrs. Wm. Johnson and Mrs. Julius Malchar.

Youngsters in the nursery and beginner groups of the Methodist Church will be entertained with an Easter egg hunt Friday afternoon at 3:30 at the church. Rosa Faye Hamblin, Ernestine Jordan (Continued on last page)

Rockport Lions Receive Charter At Banquet Tues.

The newly organized Rockport Lions Club was presented its charter at a banquet held at the Rockport community building Tuesday night. One hundred and five persons attended the banquet and members from Lions Clubs in Fulton, San Antonio, Beeville, Aransas Pass, Corpus Christi, Sinton, and Woodboro were present.

The Fulton Lions Club was the sponsoring club. The charter was presented by District Governor Robert E. Price of San Antonio. Club President Arley Shivers accepted the charter.

A & M Student Discusses College With Seniors

Joe Johnson, Jr., junior at A & M College, held a round-table discussion with high school seniors this morning regarding the advantages and disadvantages of attending A & M. The college sends its students back to their home town to answer questions regarding higher education which high school seniors are interested in.

Johnson told the students that the payroll of the advanced ROTC students for classroom attendance this academic year will total about \$306,000. Uniforms now on issue to the Cadet Corps have a total value of about \$438,076. Purchased from commercial sources it is estimated that these uniforms would have cost \$691,223. The uniform is worn on the campus at a great economy to students and provides the greatest possible leveling influence in personal appearance.

The freshman and sophomore student is issued \$122.43 worth of uniforms which the government maintains in serviceable condition.

The advanced contract student is issued \$130.85 worth of uniforms and in addition, under current allowances, receives 90 cents per day for a maximum of 570 days, totalling \$513.00. The six weeks summer ROTC camp attendance is compensated for by a payment of \$105.00, plus travel allowance of 5 cents per mile from home to camp and return.

Schools Close Friday-Monday for Easter

Students at the Rockport and Fulton schools will enjoy a long weekend this Easter season. School will be dismissed Thursday afternoon and convene Tuesday morning.

Youngsters at the Sacred Heart school dismissed Wednesday afternoon and will return Monday morning.

Judge D. R. Simmons announced that the courthouse will close Friday in observance of Good Friday.

DUST STORM AFTERMATH—Albert Brabander digs out a culvert on his father's farm near Shawnee, Kan., after recent dust storms swept over the land. When the winds abated, loose soil like this was deposited like minor snowdrifts over many Midwestern farms, causing damage to crops which is still not fully estimated. Weather Bureau and Department of Agriculture officials admit that nature may be setting the stage for storms which could match the disastrous "Dust Bowl" days of the Thirties.

SELF CONTROL—The facial expression of "Tiger," owned by Wendell Hansen of Atlanta, Ga., is that of a cat who didn't eat a canary. Tiger exercises almost perfect will power as Hansen's three pet canaries stroll by under his nose. He wouldn't touch one of them for the world, but can't quite resist licking his chops.

Chosen Miss Touch and Glow

SAN DIEGO, CALIF.—"A smooth complexion equals high voltage" according to Sergeant James L. Justus, speaking for himself and his buddies at the Marine Corps Recruiting Base here. The enviable asset won for Gail Robbins, beautiful movie actress, the title of "Miss Touch and Glow" in a contest at the Marine Corps Base. The balloting was conducted with the cooperation of Revlon, world-wide makers of cosmetics, to determine the actress with the smoothest complexion and who radiated the greatest amount of personality.

Social Security Office Gives Personal Service To Local Residents

The Corpus Christi office of the Social Security Administration renders personal service on a part time basis to the larger towns in its service area. This is one of the seventeen counties which is served by the Corpus Christi office, according to H. M. Cleveland, office manager.

"On the regular trips through the territory, a representative will arrange to see any interested person who has business with the office, which cannot be transacted by mail," Cleveland said.

"Old age and survivors insurance, based on wages received for work done on Social Security jobs, may be paid to retired workers," he stated.

Cleveland added that applications for Social Security numbers can be secured from the post office here. The applications and inquiries about Federal Social Security insurance payments should be sent to the Social Security Administration, 424 Taylor Street, Corpus Christi, Texas.

Local Lady to Attend Ceremony in S. Carolina

Mrs. J. C. Williams will leave for Lancaster, South Carolina, next week where she will attend the unveiling of a monument at the birthplace of Dr. James Marion Sims, her great uncle.

Dr. Sims, known as the "Father of Modern Gynecology," received world-wide acclaim for his work and became one of the leading medical figures in his day.

Dr. Seale Harris of Birmingham, author of the forthcoming biography of Dr. Sims "Woman's Surgeon," will be the principal speaker at the Lancaster County exercises. The unveiling will take place April 25.

June Haver, Stevens Are Big Hit in Musical

That fabulous era just after the turn of the century when Jazz was the rage and song-pluggers infested Tin-Pan Alley where hit tunes sold millions of copies, is recounted tunelessly and with Technicolor trimmings in "Oh, You Beautiful Doll," which shows at the Surf Theatre next Thursday and Friday. Here is a slick musical made by Twentieth Century-Fox, the company that has set the pace in fashioning nostalgic song-and-dance stories for the screen ever since "Alexander's Ragtime Band."

The stars, June Haver and Mark Stevens, sing and dance their way blithely through the proceedings and Director John Stahl has kept a swift pace.

The frame-work of the picture is built around the life story of Fred Fisher, whose song hits were on every piano of the nation in the early 1900's. A dozen of his tunes add melody and life to the film, among them being "Peg O' My Heart," "Ireland Must Be Heaven," "Come, Josephine, In My Flying Machine," and many others. Curiously, the title song "Oh, You Beautiful Doll," is the only one not composed by Fisher.

Students Learn About Birds and Shells

Mrs. Jack Hagar visited the third grade pupils and their teacher, Mrs. Bertha Harper, Wednesday morning and discussed birds and shells.

Mrs. Hagar has given three volumes of American Natural History and a book, "Interesting Birds of Our Country," to the third grade which have made these subjects interesting to the children.

B. T. Hardeman went to Wichita Falls, Texas, last Friday to attend the funeral services for his mother-in-law, Mrs. Lucie Anderson, who died there last Thursday night. Mrs. Hardeman went to Wichita Falls to be with her mother a few weeks ago. Mrs. Anderson had been in poor health for several months.

BRIDAL SHOWER FOR JEAN FAYE JOHNSON

Miss Jean Faye Johnson, bride-elect of Norman McLead of Portland, was honored at a bridal shower Thursday night at the Recreation Hall of the First Baptist Church. Women of the church were hostesses.

The spring theme was emphasized in table appointments. Serving were Mrs. Shelley Roaten and Mrs. A. O. Freeman. Miss Loyce Mae Shults was in charge of the bride's book.

About 50 guests attended. Among the out-of-town guests were Mrs. J. D. Kinsey and Mrs. Bob Cherry of Corpus Christi.

WOMEN OF CHURCH INSTALL OFFICERS

The Women of the Presbyterian Church met at the manse last Thursday afternoon at which time newly elected officers were installed. Hostesses were Mrs. Jas. G. Hooper, Mrs. George Lee Brundrett and Mrs. J. B. Jackson.

Mrs. Hugh Morrison was in charge of the program.

The Easter theme was featured in table decorations. A cake in the shape of a rabbit set in a nest filled with Easter eggs and surrounded by spring flowers centered the table.

Refreshments were served to 20 members.

CONGRATULATIONS

Mr. and Mrs. Harold Picton are the proud parents of a daughter, born at the Spohn Hospital in Corpus Christi, last Thursday. The infant weighed 6 pounds, 9 ounces at birth and has been named Kathryn Denise. Mrs. Picton and daughter returned home Tuesday.

Mr. and Mrs. T. J. Johnson are the proud parents of a son born at Memorial Hospital in Corpus Christi Monday morning. The infant weighed 6 pounds and 12 ounces at birth and has been named Mark King Johnson.

VISOR LIGHT NEW BEAUTY AID

In a new spring costume topped off with the latest thing in millinery, Pat Lance deftly administers the final touch with a lipstick in front of the newest Chevrolet accessory, an electrically lighted vanity mirror mounted on the sun visor of a 1950 Chevrolet. The light above the mirror gives a soft glow, makes the mirror instantly usable day or night.

PRESBYTERIAN MEN MEET AT CHURCH

The men of the Presbyterian Church held their first dinner meeting at the new church Monday night. A social hour followed the dinner and business meeting. About 30 were in attendance.

The men decided to furnish ping pong tables for the young people's group.

Ladies who served the dinner were Mrs. N. F. Jackson, Mrs. Floyd Smith, Mrs. Hugh Morrison, Mrs. Roscoe Adkins and Mrs. Fred Cloberdants.

ANNOUNCEMENT

The Woman's Club of Aransas County will meet at the community building Tuesday afternoon at 3:30, April 11. The annual election of officers will be held at this time. All members are urged to attend.

In Appreciation

As chairman of the charter night committee for the meeting of the Lions Club of Rockport last Tuesday night I wish to express my thanks and appreciation to all the members for their hearty cooperation in making this program a success, also the Lions Club of Fulton, together with the Armstrong sisters, and all others who assisted in this program.

And last but not least I especially wish to thank the ladies of the Woman's Civic Club for the nice banquet which was so nicely prepared and well served, and I am sure, enjoyed by everyone present.

D. R. SIMMONS,
Charter Night Committee
Chairman Rockport Lions Club.

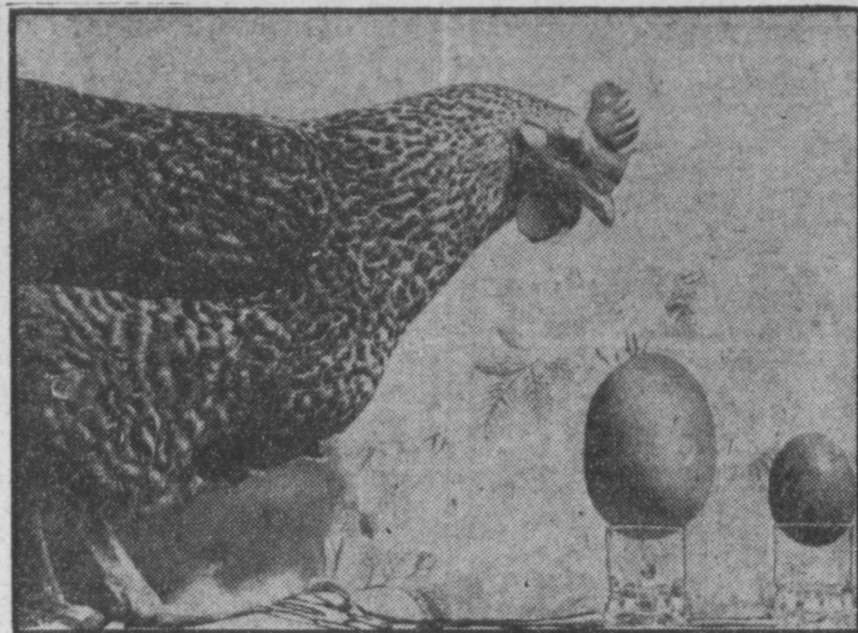

April Fool Royalty Reign at Dance

Judy Collier was crowned April Fool Queen and Orval Gibson was crowned King at an assembly held at the school last Friday.

The king and queen presided over the "Tacky Dance" held at the school Saturday night.

THE EGG AND I—Emilie, a Plymouth Rock hen that believes in doing things in a big way, proudly contemplates her crowning achievement—a double-yolk "super" egg which tips the scales at an even half-pound. Shown beside the one-egg omelet is one she produced when not trying so hard. Her owner, John Mashkow of Elmont, N. Y., is considering presenting her an award for egg-celence.

ICY SHOULDER—What looks like rhinestones on a rampage turns out to be Paris designer Christian Dior's latest fashion note on bare shoulders. The man who fathered the New Look a few seasons ago now recommends that the lady who wears a strapless evening creation also don a pendant necklace which allows sparkling rhinestones to cascade across her shoulders, back and throat.

The friends of Mr. and Mrs. Jim Ferguson will be happy to know that Jim, who was badly injured in an accident December 28, 1949, at Baytown while supervising some repair work on the Humble Refinery, is able to be back in Rockport.

Mr. and Mrs. Hal R. Juergens of Cheyenne, Wyo., returned to their home Wednesday after attending funeral services for his father here Wednesday.

Student Reform Stressed By Contest Winner

The following article won first place for Miss Glenda McShan and Rockport high school in the ready writing division of the U.I.L. district contest which was held at Taft Wednesday:

A Needed Reform In My School

A reform, which is much-needed in my school, rests not with the teachers but with the students themselves. The young people there are forever breaking things.

For instance, there is a big clock placed above the fountain in the hallway. On October 31, as a result of recent repairs, that timepiece was running perfectly. Then followed the usual pranks of Hallowe'en night. We returned the next morning to find the hallway dressed in brown wrapping paper which had been woven in and out around the posts of the corridor by some energetic young soul. It seems that whoever performed that deed just couldn't leave without breaking something,

so he threw a tin can through the face of the clock! The next morning what a pitiful sight! As I looked at her she seemed to say with drooping hands, "Just look what they have done to me! They have broken my shining new face and battered and scarred my numbers until I'm not fit to be seen!"

Indeed that clock wasn't fit to be seen. What poor advertisement for the children of that school as citizens of our community. Of course that is only one example, but because of it the bells don't ring punctually. In fact, they usually ring right in the middle of an important class or lecture. As a result of the clock incident the Civic Club or the Rotary Club absolutely refuse to give the school another thing until we learn to take care of it.

Not only do the students destroy school property given us by community organizations but also things given us through the state by the taxpayers money. Our text books are in one big mess! About 1/3 of all of them are lost and the rest are so badly torn that it is almost impossible to learn anything from them. Besides that, you can't see the print for the pic-

tures drawn across the pages.

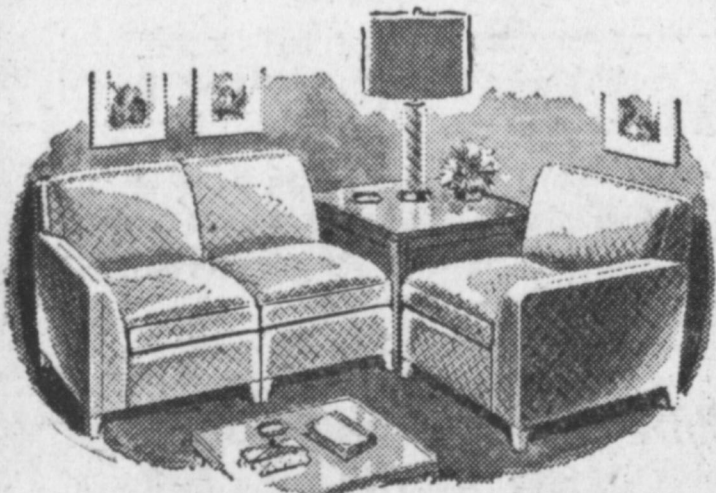

In our school, even the playground equipment is broken. In my own P.E. class I saw four different girls kick a volleyball across the court, causing the air to be forced out of it. Once it hit a light suspended from the top of the gymnasium and almost broke it. In case it had broken the light, what would that have meant to her? "Oh, just a little more work for the janitor," she would state and go merrily on her way. Poor man! He works from daylight until dark cleaning up after just such people as her anyway.

And where did all this start? I would say that this trouble is a lack of good discipline. The students blame it on the teachers. The teachers blame it on the parents. They, in turn, get mad and blame it on the teachers and the school system as a whole. In this endless cycle they seem to overlook the fact that their little darlings aren't the angels they expect them to be. The grade school students don't mutilate things the

way we do. They are still under direct authority and are impressed by its greatness. As soon as they are able to think for themselves in our school they begin to rebel against authority by breaking things. That in itself isn't a lack of discipline on the part of the parents or teachers but merely a lack of self-discipline, which is our own fault. I'm afraid that these people will find that after a time it will be impossible to blame their actions on anyone but themselves. If they consider restrictions in our school too harsh, there is provided in our school paper a "gripe" column for just such things. Why do people show their discontent in subversive ways when freedom of speech is so easily obtained in our school? As a student I believe we can solve this problem and start a reform in our school by first teaching ourselves discipline and civic-minded alertness. The solution cannot rest with the teachers or our parents but only in our own conduct.

Fulton Students Name King and Queen To Preside at Festival

Students of the Fulton school will enjoy a Spring Festival May 12 and will present a play "Wedding of the Flowers" at this time. Recently students at the school named a king and queen and members of their court to preside at the festival. Canya McElwee was named queen and Leslie Cole will be the king. Twelve youngsters were named to the court. From Mrs. John Haynes' room were Linda Mills, princess; Monte Rouquette, prince; Margie Hankins, duchess, and Donald Hankins, duke. From Mrs. C. O. Lowery's room Karen Casterline was named princess; Phillip Albin, prince; Loretta Wilson, duchess, and Jim Teegerstrom, duke.

Cancer Cure in 15 Years Predicted

Baltimore, Md. — Cancer cure within 15 years? A Johns Hopkins Hospital scientist and leading authority held out that prospect today. Dr. Perrin H. Long, professor of preventive medicine, predicted that medical men will gather enough information on cancer in the next 15 years to "alter completely the outlook" for anyone who develops the disease.

He declared at a luncheon touching off the annual Cancer Society campaign here yesterday that research in that field now stands about where the fight against infectious diseases stood in 1936.

Since then antibiotics such as penicillin, aureomycin, and the sulfa drugs have aided in practically wiping out "the fear of infectious diseases in this country," said Dr. Long, himself an antibiotics expert.

"Leads towards a cure of cancer are turning up at laboratories all over the country," Dr. Long asserted.

"We need something," he said, "which can be taken by mouth to cure cancer the way antibiotics and sulfa drugs cure infectious diseases."

"That's not as far-fetched as it sounds, and I have a hunch we'll see something like that when the ball starts rolling in the chemical treatment of cancer."

When you give a dollar to the American Cancer Society's drive for funds this month, a quarter of it will pay for nationally planned research projects. Sixty cents remains within Texas to support our state's programs of education, service and medical projects. The remaining 15 cents pays for the production of pamphlets, movies, exhibits and other national services, including fund raising.

36,000 Telephone People Will Get Raises This Year

Under existing contracts, which the company has offered to continue, 36,000, or three out of every four telephone people, will get raises this year. Averaged over all employees, these raises will amount to \$2 a week per employee.

Unlike most industries where an employee must wait for a vacancy to get a higher-paid job, telephone people receive regular, scheduled raises from the day they start until they reach the top rate for their jobs.

Basic wage rate increases have more than kept pace with increased costs of living. Since January, 1941, telephone wages have gone up 94 per cent... while the cost of living has increased only 66 per cent in the same period.

The company's Benefit and Pension Plan, long recognized as one of the best, was improved in November to provide pensions of at least \$100 a month, including social security, at age 65 after 20 years' service. Actually, many employees will get substantially more.

The Plan also includes liberal sickness benefits—up to a year's full pay depending on length of service—plus disability, accident, and death benefits of as much as a year's pay. The plan doesn't cost employees a dime.

Telephone people enjoy one to three weeks' paid vacation. Also, they get seven holidays a year with pay.

Telephone rate increases so far in this state have lagged far behind rising operating costs and have even failed to cover the current cost of wage increases already granted.

This has been a big factor in pulling down the company's rate of earnings to the lowest level in its history.

Obviously, any further increase in wages beyond those already provided in existing contracts, will have to come from pockets of telephone customers.

HOW DO THESE EARNINGS LOOK TO YOU?

The real test of telephone wages is how they compare with those paid in the same communities for jobs requiring similar skill and experience. Here are average weekly and annual earnings of telephone people.

Plymouth Oilers Play Victoria Rosebuds Apr. 11

Sinton, Texas.—The Plymouth Oilers entertain one of their bitterest rivals, the Victoria Rosebuds, champions of the Guadalupe Valley semi-pro League last year, next Tuesday night, April 11, in Oiler Park. The game will be the first between the two clubs this season.

Like the Oilers, the Buds also acquired a new skipper this year. Former Chicago Cub and San Antonio Mission pitcher, John Miller, is the Victoria pilot. In addition,

the Rosebuds have strengthened their roster considerably and should be stronger this season than in 1949 when the Oilers won four of the six games played between the two clubs.

As of Monday, The Plymouth club had won two and lost two. Last week the Oilers dropped a 12-4 decision to the Greenville Majors of the Big State League, while winning 3-1 and 18-6 from Abilene and Lubbock, both members of the West Texas-New Mexico League.

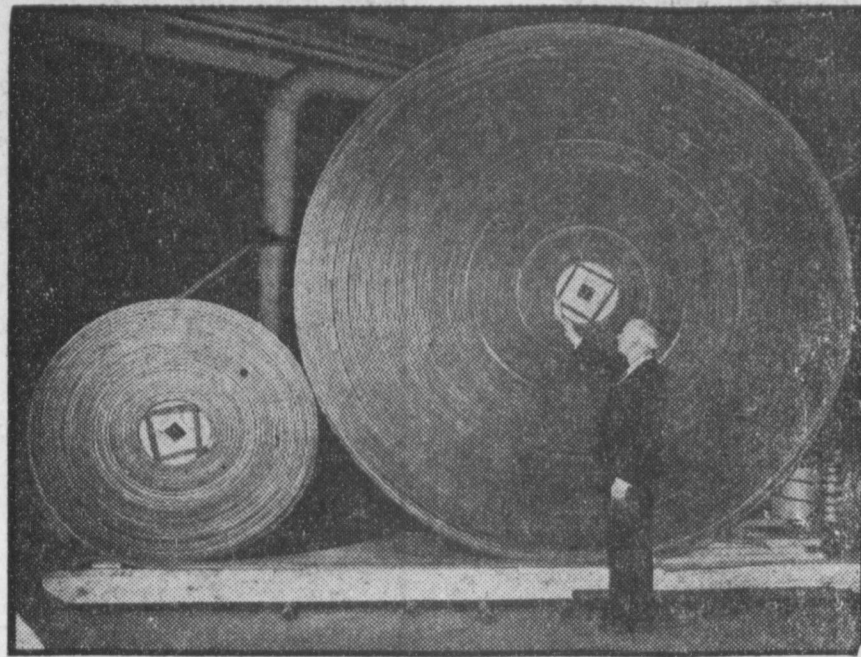

Other games on tap for next week include two to be played against the Austin Pioneers, another Big State League club, on Thursday and Friday, April 13 and 14.

Rev. T. H. Pollard and N. F. Jackson will attend the Presbytery of Western Texas meeting which will be held at the Highland Park Church in San Antonio Tuesday.

A HITCH IN THE BELT—How to convey a conveyor belt posed a problem for the shipping department of the Goodyear Tire and Rubber Co. in Akron, O. It was also necessary to secure special permits to transport the two-roll unit over Ohio and Pennsylvania highways.

Shellfish Landings At Texas Ports On Increase

During the first six months of the State fiscal year (beginning Sept. 1), landings at Texas ports totaled 29,677,200 pounds—35 per cent more than the poundage taken in the same period the previous year, according to information compiled by the Fish and Wildlife Service in cooperation with the Texas Game, Fish and Oyster Commission.

Receipts of finfish were nearly 1.5 million pounds less than in the first six months of the previous fiscal year. However, landings of shellfish were 9.2 million pounds greater. The gain in the landings of shellfish resulted from an increase of 85 per cent in the receipts of shrimp. The major portion of the shrimp taken during the first six months of the State fiscal year was landed in the Laguna and Aransas areas, which

accounted for 31 and 30 per cent of the receipts, respectively. The Galveston area received 22 per cent of the shrimp catch; and the Matagorda area, 17 per cent.

Landings in the Gulf waters accounted for 97 per cent of the Texas catch during February. The major portion of the production was landed in the Laguna and Aransas areas. The former accounted for 46 per cent of the total landings during the month; and the latter area, 37 per cent.

Landings of fishery products at Texas ports during February amounted to 2,908,513 pounds, compared with 1,037,947 pounds in the same month the previous year. The production of shrimp alone totaled 2,606,286 pounds—nearly 2 million pounds more than the receipts in February, 1949. Landings of finfish amounted to only 298,869 pounds, compared with 324,465 pounds in the same month the previous year.

C.Y.O. Again Loses to Taft 8 to 3

The C.Y.O. traveled again to Taft and lost by a score of 8-3. The Sharks started off o.k. with their hitting but couldn't manage to score. The C.Y.O. scored the same amount of scores in the first inning as they made the first time the C.Y.O. played Taft. Five runs were scored off the first pitcher who was George Nava. It was his first game for the C.Y.O. but proved that he can improve by the next game.

The second inning saw the first score come in for the C.Y.O. as U. Chupe hit a hard line drive through short stop and second base. Two runs came in. The C.Y.O. also scored two runs in this frame. The other lone score for the C.Y.O. was made in the fifth inning when G. Falcon hit a good ball to bring in the first score. The rest of the game was in favor of the C.Y.C. with them scoring three runs in the sixth inning. The game didn't go the full nine innings because of clouds and threatening rain. The game ended in the top of the seventh inning

when the C.Y.O. couldn't score—so the game ended with Taft being the victor. The winning pitcher was Fred Galindo and the losing pitcher was George Nava. The team was lacking the spirit to play ball. Bobby Garcia showed some fine pitching. The C.Y.C. scored only three runs off Garcia in the rest of the innings. The C.Y.O. has cancelled their

game with the Refugio Bluebirds for this Sunday. —Contributed

'Bride For Sale' Comedy Hit at Surf

A sprightly contender for the season's laugh honors at the Surf Theatre Sunday and Monday April 9 and 10 in Crest Productions' "Bride for Sale," with Claudette Colbert, Robert Young and George Brent in the stellar roles of the comedy-romance distributed by RKO Radio.

Miss Colbert has long been one of Hollywood's finest comedienne, and in this offering she has a tailor-made part as an ultra-efficient career woman who decides to pick a husband by way of his bank account, instead of by romantic selection. This unconventional behavior shocks her boss, who sets out to teach her a lesson, but winds up battling with his best friend for the privilege of marrying her.

Mr. and Mrs. R. A. Laughlin and daughter of Dallas visited in Rockport over the weekend.

Fisheries Research Discussed at Lions Meet at Fulton

J. L. Baughman, chief marine biologist, discussed fisheries research work on the Gulf Coast, including what is being done here and in other states, at the Fulton Lions Club meeting Monday night.

Other guests of the club were Mrs. J. L. Baughman and Mrs. Jas. A. Jarboe.

It was reported that in correspondence with Stan Bell, district manager of the Southwestern Bell Telephone Co., he said "At Rockport I have approved expenditure of a substantial amount of money to cover the placing of additional cables throughout the city. Most of the money will be spent to reinforce the north part of Rockport including Fulton. Due to the size of this job it will take a few months to complete it. However at that time you may be assured that those of you who want a better grade of service will be given an opportunity to have it." Lions Harry Wilson and Wm. Winslow were named as delegates to go with the Chamber of Commerce committee to meet with the Navigation Board regarding improvements for the beaches in the county.

Mrs. Chas. T. Picton is visiting at the home of Mrs. David M. Picton, Jr., in Houston.

Mrs. M. W. Cochran, Mrs. Inga Steele and Mrs. E. J. Albin are vacationing in Mexico this week.

Lions and Cub Scouts Win Double Header

J. E. Smith to Construct T-Head Wharf in Aransas Bay at Third Street

J. E. Smith proposes to construct a timber T-head wharf and dredge an L-shaped area adjacent thereto to a depth of 4 feet below mean low tide in Aransas Bay adjacent to the foot of Third St. The wharf, 264 feet long and 12 feet wide, with the T-head portion 18 feet long and 14 feet wide, would consist of 2-pile bents spaced 10 feet on centers and would have a deck elevation of approximately 5 feet above mean low water. The dredged area, 264 feet long and 40 feet and 70 feet wide, would be located adjacent to the south side of the wharf. The dredged material would be placed in the bay adjacent to the south side of the dredged area.

Mrs. Albert Collier, Miss Iris Sorenson, Mrs. M. W. Cochran, and Mrs. Edna Hollis are planning an egg hunt for the primary group of the Episcopal Church which will be held at the John C. Sorenson home. The senior group will enjoy their Easter party next week.

Mrs. Chas. Roe's first grade will enjoy a picnic lunch followed by an Easter egg hunt at the Chas. Roe, Sr. home Thursday afternoon. Mrs. C. D. Prophet has arranged an egg hunt with refreshments to be held at the Scout hut for the fourth grade students. Mrs. Fred James and Mrs. Simon Lee Sorenson scheduled a picnic lunch at noon today which was followed by the search for eggs at the Scout Hut.

Miss Charlotte Cron entertained students of her first and second grades with the traditional Easter party at her home. Mrs. Falba Brown arranged for a party for students of the third and fourth grades.

The Junior Girls Auxiliary of the Baptist Church will hold a party at the church Friday afternoon at 3:30. Mrs. W. A. Jones is in charge of the affair.
