

Along The Waterfront

Many fine catches have been reported in the bay area during the past week. The weather cooperated with the fishermen during most of the week, however, this morning the south winds were blowing again.

Increasingly good catches of trout have been taken from Copano Bay near the "Jolly Roger" Fishing Camp.

Some of the lucky fishermen at the camp during the past week were:

Mr. and Mrs. Jack Harris and Doyle Williams of Three Rivers who fished Lap Reef for 23 trout and several drum. Mrs. Harris applauded the men by landing the largest trout, a three pounder.

B. E. Hooper, of Fort Worth, fishing near the radar tower, reeled in 14 large gafftopsail. Fishing in the same vicinity, Elwin Williams, Charles Lindholm and Kemp Janech counted in 20 fourteen inch trout on the average, with A. Herber of San Antonio dividing his luck with 7 trout and 5 gafftop.

Between showers on Tuesday morning, Jimmy Lindgan, special sports writer for the Houston Chronicle, and Mrs. Lindgan braved the weather for 18 large specks near Lap Reef. Anchored near the Lindgans, D. J. Markwardt of Robstown and R. R. Rosa of Taft caught 17 trout and 2 gafftop, making a second trip in the afternoon which netted them another 20 trout. Mr. and Mrs. Paul Clark of Houston getting a late start to the fishing grounds, nevertheless, returned with 10 speckled beauties.

Enjoying calmer weather on Monday, H. Teplicek and party of Rowena and Ben M. Halamick of Fayetteville happily iced down 61 trout, all caught on Lap Reef.

Major and Mrs. Chas. L. Smith of San Antonio, after three consecutive days fishing, are returning to the Carswell Air Base, Ft. Worth, with 80 odd trout and a dozen gafftop. The Major was delighted to have his picture taken with a good day's catch in anticipation of presenting a copy to his Colonel.

L. R. Wilkie and son, of Dallas, found good fishing at the Fulton harbor Sunday. Ten year old Alton landed a three pound pompano. They also landed 29 trout at the harbor.

Henry Ballou reported some top fishing results over the weekend. Last Saturday he took Mr. M. Bernhard and party of San Antonio out on the 'Lola Jean' and W. A. Shortal and party, of Houston, on the 'Earline B'. The parties landed 292 large trout. Ballou says this was an exceptionally nice catch of trout which ran larger than usual.

Sunday Dr. Goeth and Bill Lyons and party went out with Ballou on the two boats and returned with 311 trout.

Monday Mr. and Mrs. Harris LeBlanc and children of White Castle, La. and Mrs. Leonard LeBlanc and children of Rockport (Continued on last page)

Home Talent Presents "Aunt Silly" June 22-23

The great home talent production being presented by the Fulton and Rockport Lions will open tonight, Thursday, June 22, at the Fulton School auditorium.

The production opens with a Toyland Revue introducing Mary Scott, Valerie Wells, Caroline Walls, Brenda Brock, Kirby Jane Valentine, Becky Sue Rouquette, Tex Tackett, Monty Rouquette, Raymond Owens, Mary Frances Williams, Mary Johnson, Annabel Casterline and Frankie Casterline.

The first act of the famous play, "Aunt Silly", opens with a song by Carol Sparks, Mary Evelyn Mundine, Wanda Sue Mundine, Nancy Sue Sparks, Jerry Morgan, Barbara Schuster, Terry Smith and Jeannie Mullinax, and will end with the above girls dancing a pantomime to "The Old Millstream".

At the end of the first scene—second act, members of the Lions Clubs will do their impersonation of pin-up girls. Led by Ernest Jones of Fulton, ten men dressed in women's bathing suits will dance in a bathing beauty chorus. The second act will close with a "Beautiful Lady" number when Georgia Anne Wells, Shirley Chitenden, Eva Simmons, Fay Nell Cole, Tonya McElwee and Billy Mitchell dance in beautiful evening dresses.

Mrs. E. G. Cooke will preside at the piano and Lucille Haynes will sing for all the dance numbers. Tex Collins and his orchestra will provide musical background for the "Bathing Beauties" and Dr. R. S. Blackburn and Dr. H. F. Elliott will present a musical specialty during the third act.

At the end of the hilarious play, a grand finale to the flag will be presented by the Cub Scouts of Fulton.

On Friday night at the Woman's Club community building, the Queen of Fulton Beach will be crowned. The contestants for queen are Polly Ann Mitchell, Mary Scott, Carolyn Sue Goff, Karen Casterline, Shirley Cole, Valerie Wells and Teresa Mae Mitchell.

Religious School Will Be Held

Beginning Monday, June 26, there will be a summer religious school held each week day except Saturdays at 8 a.m. at the Catholic school.

Children and young people from 6 to 18 will be enrolled for the two-weeks' period, Father H. H. Bockholt announced.

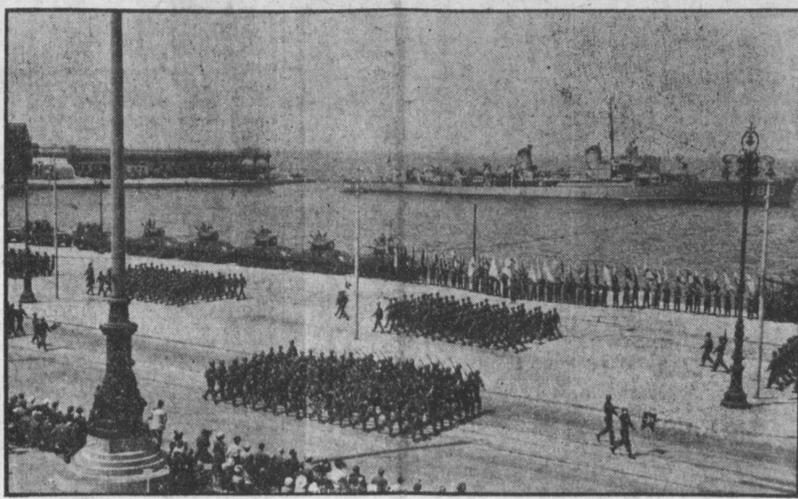

Medical Society Has Dinner Meet Here

Dr. L. G. Wood was host to members of the Tri-County Medical Association at a dinner held here Wednesday night.

Dr. R. R. Lang, Corpus Christi gynecologist, addressed 20 doctors who attended the meeting from San Patricio, Refugio and Aransas Counties. There were also several guests from Corpus Christi.

The dinner meeting was held at the Woman's Club community building.

Word was received in Rockport Tuesday that Forrest Olinger, former Rockport resident, died at his home in Davenport, Okla., Monday night.

U. S. TROOPS PARADE IN TRIESTE—Marching past tanks and the anchored destroyer U.S.S. O'Hara, units of American forces in the Free Territory of Trieste parade along a waterfront street. Five thousand U. S. troops, stationed in the European hot spot under terms of the peace treaty, took part in the display of armed strength.

City to Drill Seventh Well to Assure Adequate Water Supply

City officials announced this week that a seventh well will be drilled in the near future to assure an adequate water supply for the City of Rockport.

A storage tank, also considered, was deemed advantageous for the city but too expensive for the city to provide at the present time. An additional well will provide an adequate water supply even though something should happen to one of the pumps on the present wells.

Water Superintendent Tom Shults has reported that there is no danger of a water shortage but that pumps are going practically 24 hours a day to provide water for the city. In order to insure an adequate supply of water for the city through the summer, it is deemed advisable to drill an additional well.

More water was reported to have been used in May of 1950 than in the same month of 1949. Past records show that more water is used in July and August than during other months of the year.

It is estimated that there have been 100 water connections since last summer and additional heavy users will be connected later this summer.

To take care of this increase approximately \$12,000 was spent to provide six inch water mains and additional fire plugs for the City last year.

The City also drilled two water wells in 1949 at a cost of \$2,200.

Man Indicted by Grand Jury Returned From California

Sherman Mundine, deputy sheriff, returned Wednesday from Los Angeles, Calif., with Boyd A. Rogers who was indicted by the grand jury in February for swindling by worthless check.

Mundine left for Calif. last Thursday when it was learned that Rogers had been located there.

Rogers was returned to Rockport for trial at the September term of court, Sheriff Curry reported. According to the Sheriff's office he was indicted for giving a worthless check in the sum of \$6,000 to Western Shell of Aransas Pass.

Baptist Bible School Closing Exercises Friday

Commencement exercises for the Baptist Vacation Bible School will be presented at the Baptist Church Friday night at 8 o'clock, June 23.

Beginners, primary, junior, and intermediate departments will take part in the program. More than 100 youngsters have attended the school which has been conducted during the past two weeks.

Judge Says Property Destruction Must Cease

Judge D. R. Simmons said this week that he is making his final request to parents of children who are destroying property by shooting out window lights and causing other damage with air rifles. If this destruction of property doesn't cease immediately, he reports that he will confer with city officials in regard to passing an ordinance prohibiting the use of air rifles in the city limits.

Applications Lag For Boys Athletic Club Membership

Dr. R. S. Blackburn, chairman of the Boys Athletic Club committee, reported this week more than 50 applications for membership into the club have been distributed but that they are not being returned.

City to Drill Seventh Well to Assure Adequate Water Supply

Blackburn said that it is necessary for the parents to sign the application before the boy can return it to the committeeman with the initial fee of \$1.00.

More than 40 boys indicated interest in joining the Club when it was first discussed with them and they have since called for applications, Blackburn said. In spite of this applications are being returned very slowly.

Blackburn remarked that parents may be waiting until the club room is equipped and ready to go before they permit their son to return his application. This policy, he pointed out, is working a hardship with the club. He went on to say that it is the initial fee that will provide some of the equipment. Then too, he said, it will be necessary to seek donations to assist with the project and it difficult to seek donations without concrete evidence to present that the youngsters are interested in joining the organization.

Blackburn said the committee estimated at the beginning that a minimum of \$50 collected through registrations would be sufficient to provide basic equipment and that about \$100 in donations would be required to purchase materials with which to remodel the rear of Bill's Sporting Goods Store, which would include the installation of a shower. At the present time, he said, 4 memberships have been turned in and \$20 in donations have been received which leaves a long way to go.

It was hoped that much of the equipment could be obtained from persons having such items around their home which were no longer (Continued on last page)

Teen-Agers Dance On Sat. This Week

The Teen-Agers will dance on Saturday night this week at the Woman's Club community building, Hugh Morrison announced today.

The summer dances are scheduled to be held each Friday night but due to the fact that Lions had arranged to present their musical production there June 23, the dance was changed this week. In the future it will be held on Friday night, Morrison said.

Fulton Oaks Addition Gains Two New Homes

Construction got underway this week on two new homes in the Fulton Oaks addition.

J. W. Wilkinson will build a five room home with bath and garage. It will be of frame construction.

The second home in this addition is being built for J. R. DeForest. This dwelling of frame construction will include five rooms with bath, garage, front and back porch.

C. C. Fowler, contractor, reported that the new doctor's clinic, being constructed for Dr. McElveen and Dr. Graham of Aransas Pass, should be ready for occupancy by late next week.

Construction is underway on the six room home with 2 baths, garage and breezeway for A. C. Glass. The home is being erected on lots 1 and 2, block 306, Smith and Wood. C. C. Fowler is the contractor.

Construction is also underway on the 15 by 50 foot concrete block addition to the north side of the Modern Market building.

Fred Lohse is making a 9 by 9 foot addition to be used as a sleeping porch on lot 12, block I, Live Oak Heights.

Remodeling is underway on the 24 by 38 foot frame dwelling moved from Ingleside to lot 9, block 17, Doughy and Mathis, by Mrs. Carolyn C. Hooper.

\$300 In Fines Paid On Pollution Charges

Herbert Maxwell, tool pusher for Modsett and Graham, plead guilty to charges of polluting the waters of Copano Bay near Copano Village in connection with drilling, at County Court today and was fined \$200 plus court costs by County Judge D. R. Simmons. The charge was filed by Game Warden M. B. Mullinax. He was assisted in his investigation by biologists A. W. Anderson and F. M. Daugherty, Jr.

J. L. Deputy, tool pusher for the Dickson Drilling Corp., plead guilty and paid a fine of \$100 plus court costs at county court June 9 when he was charged with pollution of waters of Copano bay in connection with a well being drilled in the bay. This charge was also filed by Mullinax.

Girls Softball Teams Claim Three Wins For Week

The Liquefied Girls softball team walked all over Refugio at a game played here last Friday night. The final score was 26-1, in favor of the local team. Tuesday night they went to Port Lavaca and won a close game, 7 to 5. They are scheduled to meet a team from Goliad here tonight.

The Dickson Drilling Co. girls team won from Taft in a game played here last Thursday. The final score was 14-7. Friday they are scheduled to meet the Port Lavaca team here and the Waves from the Corpus Christi Naval Base will come here for a game next Tuesday.

The Humble team was rained out on their scheduled games this week. Tuesday they will go to the Naval Base at Corpus Christi for a game there.

Court Continues Unlicensed Shrimp Boat Cases

John Pichinson, attorney for the captains of two shrimping boats charged with operating unlicensed commercial fishing boats, asked that the cases be continued when they came to trial at county court Monday. The State did not object to the motion for continuance and the cases were reset for the August term of court.

Pichinson filed the motion for continuance on the grounds that the constitutionality of the law under which they are being prosecuted is scheduled to be argued before the Supreme Court late this month. He asked the court to continue the cases until the ruling is made, in order to avoid the expense of a trial which might be unnecessary.

These cases were the first of 10, which were charged Friday, June 1, by the Game, Fish and Oyster Commission law enforcement division with operating unlicensed commercial fishing boats. In these two cases charges were filed against Venice Esponge, captain of the "LaFourche", and Capt. Harry Ogeron, operating the "BFC III".

Hunt Oil Co. Well Makes 141 Barrels On Potential Test

Hunt Oil Co. No. 4 State Tract 72, Copano Bay, made 141 barrels of 42.6 gravity oil on potential test through 1/8 inch choke, under 1,125 pounds pressure on tubing, with casing sealed. Perforations, with 24 shots, were at 7,128-32 feet. Gas-oil ratio was 923 to 1. Total depth is 7,200 feet and 7 inch casing is set at 7,198 feet.

In the nearby Salt Lake Field, Atlantic No. 3, V. G. Gwynn has built roads and a drilling T-head for an 8,000 foot contract in the lake 1,320 feet north of the No. 1 C. H. Adams.

New location is Sun No. 2 Copano State 68 north outpost with No. 2-69 to the field in Copano Bay. It is 467 feet from the east line and 1,887 feet from the south line of State Tract 68. It is 934 feet west of the No. 2-69. Contract depth is 7,200 feet.

The new Mud Flats test, contracted to 10,000 feet is Hewitt and Dougherty No. 2 F. G. Gabriel, 660 feet out of the southeast corner of Lot 8 and Section 48, Sixth Addition, Taft Farm Lands. It is 1,320 feet southeast of No. 1.

George W. Graham, Ryan, Hays and Burke No. A-1 K. E. Werland, Lot 2, Block 51, Taft Farm Lands, completed as a dual distillate well.

Atlantic Refining Co. has re-completed as a gasser a depleted oiler which was completed in the Aransas Pass Field, Aransas County, in the 1930's. The test, the No. 1, L. C. Moore, now producing from the Frio at 6,600-07 and 6,655-64 feet, made 1.4 million cubic feet of gas on open flow potential. Shut-in pressure was 1,292 pounds. Condensate production was too low to measure, and the well, in lot 17, block 216, Orrick Survey, was making some salt water.

Filing Deadline Finds Primary Candidates Lined Up For Race

With Saturday, June 17, marking the last day on which candidates could file for county and precinct offices, the stage is set this week for the Democratic primary election on July 22.

A check of the formal filings reveals that incumbents in seven county or precinct offices will have competition.

Last minute filings were made by Charlie Garrett who announced his candidacy for county commissioner, precinct No. 1, and by D. E. Holloway who will seek to be constable of Precinct No. 1.

Most crowded race is that for commissioner of Precinct 1. Four candidates seek this office. They are W. B. Allen (incumbent),

Judge D. R. Simmons reported today that the unofficial census count for Aransas County as given to him in Corpus Christi Wednesday is 4,139—in 1940 it was 3,469.

Judge Simmons went to Corpus Christi to try to find out something about the census in Aransas County which has been rather slow in being completed. He said he knew of several persons who had not been counted so the figures that were given are unofficial since there are so many that are not counted.

Judging from the number he has met and the ones he has heard of that were not counted, he is sure there are enough to change these figures quite a lot.

Mr. Freeland, who is now in charge of the District office, gave him two large blank pages that have room for 60 names. If those persons who have not been counted will come to the court house or to the Chamber of Commerce office before next Friday, June 30, and answer a few simple questions, they will still have time to be counted in the 1950 census.

Possible a lot of folks don't realize the importance of having every one counted in Aransas County, he said, but should there be an emergency of any kind the needs are based on the population—so are a lot of other things too numerous to mention. So if you have not been counted, please come to one of the offices listed and have your name listed.

Benefit Card Party Wednesday

The public is invited to attend the benefit card party which will be held at the Woman's Club community building Wednesday night, June 28, beginning at 8 o'clock. The party is being sponsored by the Woman's Club.

Mrs. Fred Booth, Mrs. Roy Woods and Mrs. A. C. Glass are in charge of the arrangements. Persons attending are asked to get up their own table or tables. Admission will be 50 cents per person.

Mary Ann Close to Represent C. of C. at July 4th Celebration

Miss Mary Ann Close, Rockport high school junior, has been named to represent the Chamber of Commerce as Miss Rockport at the Aransas Pass Democracy vs. Communism Celebration scheduled to be held July 2, 3 and 4.

Miss Close has been invited by the Aransas Pass Chamber of Commerce to ride in a parade scheduled to be held the afternoon of July 3, and to attend a dance that evening, at which the Queen and her court will be honored. Miss Close has been named a duchess from Rockport.

Tuesday afternoon, July 4, she will ride with the Queen in a boat revue which will take part in the Blessing of the Fleet.

Mr. and Mrs. Clyde Crippen of Lewiston, Idaho, and Mr. and Mrs. Joe T. Bryant and children from San Pedro, California have been visiting at the home of Mrs. Mabel Bryant. They left today, accompanied by Mrs. Bryant, to visit relatives in Beaumont and will later visit at the Carlsbad Cavern in New Mexico.

Local Scouts Leave Friday to Attend National Jamboree at Valley Forge

William Hiatt and Port Baughman will be among 140 Boy Scouts from the Gulf Coast Council who will leave their homes Friday afternoon to enroll at the Scout Training Camp to be held at the Naval Air Base in Corpus Christi, prior to their departure for the National Scout Jamboree at Valley Forge.

The indoctrination period will be completed Monday night, June 26, at which time the boys will board the Texas Gulf and Alamo Scout Special for New Orleans, Washington, D. C. and finally—Valley Forge.

The area delegation, representing 73 Scout troops from throughout the council will go to the encampment in the special train. The encampment is scheduled June 30 to July 6.

Not since the winter of 1777-78 when George Washington's Continental Army shivered around their fires on the banks of the Schuylkill River has Valley Forge seen such goings-on.

Scout officials believe this will be the largest gathering of persons under canvas in the history of the world. The 1937 affair attracted 27,232 persons camping (continued on page 4)

Mrs. F. A. Alviset and daughters of Houston visited this week at the home of Mrs. W. B. Allen and Miss Mary Ferris.

Pat Smith and Tom Cron will leave Monday for Mo-Ranch near Hunt, Texas, where they will spend a week at the Presbyterian encampment.

New Taxes Would Hit Low Income Groups

If all personal incomes in excess of \$10,000 a year were confiscated by Uncle Sam, it would barely give him the additional money needed to wipe out the \$5½ billion deficit and finance the \$1 billion first year's cost of the new Federal spending programs proposed in the 1951 budget.

Since the nation faces a choice of submitting to higher taxes or reducing Federal spending if Uncle Sam is to live within his income, the Council of State Chambers of Commerce today pointed up some of the difficulties in increasing Federal revenues.

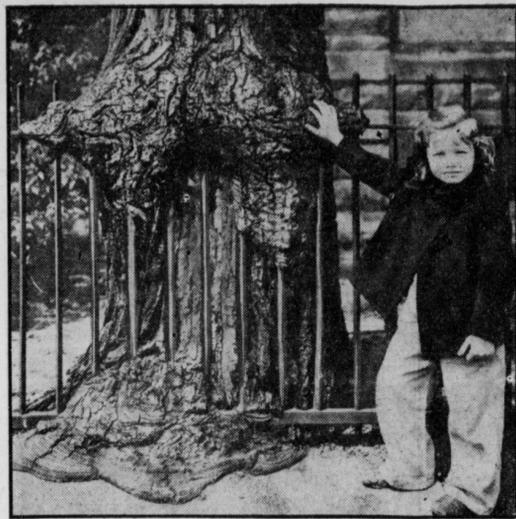

This study revealed that if, for instance, the Federal Government set \$50,000 as the maximum income that could be retained by individuals and took outright all income above \$50,000, it would get only about \$843 million more than it gets now from present taxes on those incomes. This \$843 million would be enough to run the Federal Government only one week.

Or suppose Uncle Sam called \$25,000 the most anyone could have and took everything made above that figure. That would give the Government a little over \$2 billion in additional revenue. This is just a little less than the Government intends to spend on agricultural activities and subsidies alone in 1951.

But, of course, Uncle Sam would never think of taking such a big tax bite because he knows he would destroy all personal incentives to earn that much again.

The survey showed further that in spite of the high taxes on incomes of \$100,000 and over, Uncle Sam collected only \$1.2 billion from 10,844 persons with such incomes in 1947 which is the latest year for which complete statistics are available. This total was only 6½ per cent of all income taxes paid that year. And tax rates on incomes over \$100,000 that year ranged from 67 per cent to as high as 91 per cent. On the other hand, 51 million taxpayers reporting incomes of less than \$5,000 in 1947 paid \$8½ billion which is 47 per cent or almost half of the income taxes collected that year.

The Council said, "There is no getting around the fact that any additional burden of taxes must fall on the lower income groups. They have only two choices: submitting to more taxes or demanding cuts in present spending with a halt to new spending."—Refugio Timely Remarks.

YOUR ACCOUNT NUMBER CARD

"Your social security card is the key to all of the retirement and family insurance payments which can be paid, and as such, it is one of your most valuable possessions," according to a statement by T. M. Cleveland, Manager of the Corpus Christi office of the Social Security Administration.

When asked for a further explanation, Cleveland said that the social security number corresponds to the number on a separate ledger account which is set up for each worker at the time the number is assigned. One number is all that any worker should have during his entire lifetime.

"A worker shows his card to the boss when he starts on a new job. The employer copies the name and number and reports the wages of each worker under his individual number. The Social Security Administration keeps an exact record of all the wages which are reported for each employee during his lifetime. It is the total wages in the account that determines the amount of the insurance payments which can be paid to retired workers after they are 65 or to the families of those who die at any age," Cleveland explained.

"Before a new worker starts to look for his first job, he should apply for his account number,

and a worker who has lost his card should secure a duplicate with the same number he had before," Cleveland advised. "Women should have their accounts changed to show their new names when they marry."

Application blanks can be secured from the field office in Corpus Christi or from the post offices in other towns and cities. The completed applications should be returned to the Social Security Administration, 424 Taylor Street, Corpus Christi, Texas.

Rockport Lions Re-elect All Officers

Members of the Rockport Lions Club re-elected all officers for another year at the luncheon meeting Tuesday at the V. F. W. hall. The officers were first named when the Club was organized in March. The annual election is scheduled for June.

Men re-elected to serve are Arley Shivers, president; Leonard LeBlanc, first vice-president; John A. Cox, second vice-president; Jack Sparks, third vice-president; Marion McElveen, secretary-treasurer; Roy Woods, Lion tamer; Charles Ankele, tail twister. Directors are C. R. Sparks, Dr. H. F. Elliott, Ray Lamm and A. W. Anderson.

It was announced that proceeds from the dance sponsored by the club June 10, will provide glasses needed by six school children. Dr. Elliott was named to see that these youngsters' eyes were examined and glasses provided.

EXHIBIT OF 150 PAINTINGS CONCLUDES FIRST SESSION OF SUMMER ART SCHOOL

Approximately 150 paintings were produced by student artists of the first summer art class during the two-week session of the Simon Michael Art School which was concluded here last Friday. The students returned to their homes over the week-end.

Entertainment for the students and their instructor last week included a boat trip arranged by Mr. and Mrs. A. C. Glass. Following the boat trip on Wednesday the group was honored at dinner at the home of Mrs. Charlyne Hunt. Earlier in the week the class was entertained at a tea by Mrs. E. J. Albin at her home.

Following a painting class at the United Carbon plant, Harold Teegerstrom, manager, took the group on a tour of the plant and later served refreshments. On departure he presented each with two bars of scented soap.

The two week course was climaxed by an art exhibit at headquarters located on Fulton Beach.

Prizes were awarded on the basis of votes cast by the group.

Awards in the following groups were made: Portraits, Miss Ruth Ashberry, San Marcos, first place; Mrs. Joe Linebaugh, Victoria, second; Mrs. James Huggins, Victoria, third; Mrs. E. F. Richey, Victoria and Mrs. Thelma Bedford, Bay City, honorable mention.

Landscapes: Miss Ruth Ashberry, first place; Mrs. James Huggins, second; Dalhart Windberg, third; and Mrs. B. F. Harbour, Ganado, and Miss Mary Lou Stamey, Cisco, honorable mention.

The next session of the school will begin on July 10.

Mr. and Mrs. A. J. Clarke and family of Port Arthur spent the week-end at the Chas. Roe Sr. home. Temple Ann Clarke remained for a week's visit with Norma Lou and Joy.

Members of the J. D. Porter family gathered here over the week-end for a family reunion. They stayed at the Porter summer home on the Fulton beach road and at the Norvell Jackson home.

Those who came to Rockport for the occasion were Mr. and Mrs. J. D. Porter, Madge and Bob, and Miss Riki Crezdorn, all of Austin, Jim Porter of Houston, Mrs. A. E. Miles and Mr. and Mrs. Fred Braden of San Antonio, Miss Georgia Ann Kidd of La Mesa, and Mrs. Lucy Gutenberg of Long Island, New York.

BIRTHDAY PARTY HONORS YOUNGSTERS

Mrs. Glenn Mundine and Mrs. Corinne Zowadski entertained at a party last Wednesday afternoon at the home of Mrs. Annie Evans honoring Robert Hester and Patricia Zowadski on their seventh birthdays.

The afternoon was spent playing games on the lawn. Refreshments of birthday cake and punch were served to 12 youngsters.

REUNION SAT. AT HERB MILLS HOME

A group of men who worked for Bardsall Seismograph 10 years ago held a reunion at the home of Mr. and Mrs. Herb Mills Saturday night.

Those attending were Mr. and Mrs. J. F. Crittenden of San Antonio, Russell-Reeves of Cisco, Texas, Mr. and Mrs. Warren Hastings, Corpus Christi, Mr. and Mrs. Malcolm Bollinger, Baton Rouge, La., and Mr. and Mrs. Arley Shivers.

CANASTA PARTY AT CRON HOME

Tommy Cron entertained a group of Teen-Agers at a party at the Chas. Cron home last Thursday night. Mrs. Cron and Bonnie Cron assisted with the arrangements.

A hamburger supper was served on the lawn and the evening was spent playing canasta. Lola Jean Ballou claimed high score, Joan McCabe, second high, and Judy Albin, low.

Guests were Joan Smith, Frances Lee Deason, Alma Jean Ratliff, Lola Jean Ballou, Joan McCabe, Judy Albin, Gary Smith, Chas. Hammond Smith, Cloyce Hayden, Billy Rowe and Johnny Atwood.

Mr. and Mrs. Travis Bailey returned to their home Sunday after a trip to Fort Dodge, Iowa and other points in the middle west. Mr. and Mrs. Clark Bailey of Stockton, Calif. met them in Fort Dodge and returned to Rockport with them for a visit.

MOLECULAR MISS — All matter is composed of molecules, but, according to scientifically-minded members of the Acacia Fraternity at the University of Southern California, the molecules are better assembled in some cases. The fraternity selected actress Ruth Roman, above, to prove the point, awarding her the honor of possessing "the most attractively arranged molecules in Hollywood."

FISH FRY FOR LOUISIANA GUESTS

Mr. and Mrs. Leonard LeBlanc entertained with a fish fry at their home Monday night for Mr. and Mrs. Harris LeBlanc and daughter and Guy Aemdee, Jr., of White Castle, La. who are guests at their home this week.

Guests were Mr. and Mrs. Chas. Ankele, Mr. and Mrs. Roy Woods, Mr. and Mrs. Joe Johnson, Mrs. Arley Shivers, Mr. and Mrs. Herb Mills, Mr. and Mrs. Ed Barnard, Mr. and Mrs. Roy Rogero, Mr. and Mrs. Chester Johnson, Mr. and Mrs. A. R. Curry and Floyd Huffman.

GUESTS AT COFFEE

Mrs. E. J. Albin and Mrs. R. Rice were among more than 200 guests to attend a coffee at the home of Mrs. Ross L. Allen in Corpus Christi last Friday morning.

They were luncheon guests of Mrs. Roy Miller of Corpus Christi on the same day.

YOUNG MATRONS ENTERTAINED AT ANKELE HOME

Mrs. Chas. Ankele entertained members and guests of the Young Matrons Bridge Club at her home Wednesday afternoon.

Mrs. Chester Johnson won high score. Mrs. Weldon Cabaniss claimed second high and Mrs. Harold Picton held low. The 'bingo' prize was awarded Mrs. Ed Barnard.

Four tables of bridge were in progress. Refreshments were served to Mrs. Emory Spencer, Mrs. C. F. Rozzell, Mrs. Steirly Rozzell, Mrs. Roy Rogero, Mrs. Dick Picton, Mrs. Harry Mills, Mrs. Herbert Mills, Mrs. Norvell Jackson, Mrs. Roy Woods, Mrs. J. B. Ackson, Mrs. DeWilton Jeffries, Mrs. T. J. Johnson, Mrs. Chester Johnson, Mrs. Weldon Cabaniss, Mrs. Harold Picton and Mrs. Ed Barnard.

DINNER PARTY

Mr. and Mrs. Malcolm Bollinger and children of Baton Rouge, La., left for their home Friday after a week's visit with Mr. and Mrs. Arley Shivers and Mr. and Mrs. Herb Mills.

Mr. and Mrs. Shivers entertained for them with a chicken spaghetti supper. Other guests were Mr. and Mrs. Leonard LeBlanc and children, Mr. and Mrs. Herb Mills and children.

Announcement

"Christian Science" will be the subject of the quarterly Bible lesson to be read in all Christian Science churches Sunday, June 25. Services will be held at the Aransas Pass Church at 11 a.m. Sunday school will be held at the Woman's Club building at 11 a.m. The testimony meeting is held each Wednesday night at 8 p.m.

Arley Shivers and children, Robert and Mary Martha, are visiting with his mother in Woodville, Texas, this week.

J. M. Dykes returned home Sunday after being in Brooke General Hospital in San Antonio where he was treated for a stroke and bad heart.

Mr. and Mrs. N. H. Goforth and Mildred Blair of Refugio were Sunday visitors at the Henry Ballou home.

Church Group Meets At Harry Mills Home

Members of Circle Two of the Women of the Presbyterian Church met at the home of Mrs. Harry Mills last Thursday afternoon.

The Bible study, "Hannah's and Samuel's Prayers", was given by Mrs. T. H. Pollard. A representative for church extension presented her cause.

Refreshments were served to 13 members and two visitors.

Rebekahs Hold Memorial Service

Members of the Rebekah Lodge held a special Memorial Service at their meeting last week, at the Methodist annex.

The special service was put on by the committee of the month which was composed of Mr. and Mrs. Clobardants, Mr. and Mrs. Wm. Beetley and Miss Katie Lee Clarke. They were assisted by Mrs. Nannie Deane.

Aluminum Co. Holds Open House June 25

Weldon Cabaniss announced this week that the Chamber of Commerce has received a communication inviting all of its members to visit the Aluminum Company of America's Point Comfort reduction plant near Port Lavaca, which will be open to the public Sunday, June 25, between the hours of 9 a.m. and 4 p.m.

Henry Brunner and children of Dallas are spending the summer at the Bill Crist home.

Lions Challenge Rotarians to Softball Game

The Rockport and Fulton Lions Clubs challenged members of the Rotary Club and Chamber of Commerce to a softball game, to be played in the near future. The challenge has been accepted and Rotarians are seeking a pitcher.

Members of Rotary will be out to redeem themselves after having lost to the Ingleside Rotary Club last week. The Rockport Club started out fine with about 6 runs to their credit in the first inning. After that Ingleside ran away with the game to the tune of 34-14.

The Rotarians won from the Rockport Lions Club in a close game here recently.

The Rotary Club will hold installation of officers at their noon meeting June 28.

Jack Sanders Jr., maintenance superintendent for the Padre Island Causeway and Park, discussed construction of the causeway at the luncheon meeting Wednesday.

Clark C. Wren was introduced as a new member of the club.

Other guests were Kemper Williams, Victoria, Alfred Newmeyer, Hallettsville, L. M. Chapman, Eastland, Alfred Poch, North Little Rock, Ark., Fred Booth, Gene Hunt, Jack Sanders Sr., and Clark Bailey from Stockton, Cal.

George Motor Sales Named to Handle International Trucks

George Motor Sales, the Chrysler-Plymouth dealer in Aransas Pass, has been appointed by the International Harvester Co. as their factory franchise dealer for this area. George Motor Sales will sell and service the famous International Motor trucks.

Mr. Elizondo in offering the International line of trucks to the prospective truck buyers of this area, had this to say about the nationally known line of motor trucks: "It makes no difference whether you operate the largest truck in this area or the smallest. You'll be money ahead if you come in and look at the great new heavy-duty engineered International Trucks we have for you. As International Truck dealers, we offer the most complete line of trucks in the world. There's no question that among our 87 basic models and thousands of specialized variations there's just the right truck for you. And there's no question either that, no matter what particular International truck meets your requirements exactly, you get the operating advantages of heavy duty engineering. This means lower operating and maintenance costs, longer truck life.

"This also means that it would be a profitable idea for you to visit us soon. Come in and let us show you how a new International Truck can put more money in your pocket."

George Elizondo invite all his friends to come by his place of business, George Motor Sales, on Highway 35, Aransas Pass, beginning Friday to inspect the new International line of trucks that will be on display.

George Motor Sales will also have on display the various models of the new Chrysler and Plymouth automobiles.

Wm. McGrath Honored At San Marcos

SAN MARCOS—William McGrath of Rockport was this week elected president of the Schoolmasters' Club, an annual summer organization at Southwest Texas State Teachers College.

The club, now in its third decade, is composed of school teachers and school administrators. The club's summer plans include several noted speakers, discussion groups and social affairs.

Local Scouts Leave Friday to Attend National Jamboree at Valley Forge

(Continued from page 1) lodge and three doctors. Hospital facilities for serious cases are also provided.

Police and fire protection, post office facilities, commissaries and other necessary installations are being arranged. While at Valley Forge, the Scouts will witness three huge spectacles, built around the theme, "Strengthen the Arm of Liberty." They'll be held in a natural amphitheatre larger than a football field. President Truman will speak at the first one.

All three will feature the Scouts themselves, acting in huge pageants depicting such things as World Brotherhood. One program will have 10,000 Scouts participating in a pageant. The various scenes were assigned to troops throughout the nation, who will put them together for the first time at the Jamboree.

All of the boys will be taken on an excursion to the historic spots of Philadelphia as part of the Jamboree program.

Making ready for a 47,000 person invasion is a big job. To give adequate utilities, six and a half miles of water mains, four miles of sewer lines and 12 miles of electric lines are being constructed.

In true Scout tradition, the boys will cook all their own meals over open charcoal campfires. Among other items, they'll consume will be 40,000 dozen eggs, 400,000 quarts of milk, 4 1/2 tons of salt, 48,000 cans of soup, 25 miles of frankfurters and 5000 gallons of ice cream.

In case any one Scout eats too much, each of the 35 sectional camps is equipped with a health

Navy Trainee Visits Parents

Ramon Dewey Torres, Jr., son of Mr. and Mrs. R. D. Torres, Sr., has just completed 14 weeks of training at the Navy training center at San Diego, California and is spending few days with his parents. On his return to the training center, Ramon will attend the Navy's sonar school, at San Diego, for several weeks.

Mr. and Mrs. Al Springs, of Nixon, Texas, were week-end guests at the home of Mr. and Mrs. J. R. Singleton.

Capt. and Mrs. John L. Bridges and sons, John L. Jr. and Tommy, will arrive in Seattle, Wash. Saturday morning from Japan.

13 Receive Drivers License Tuesday

Fourteen persons took driver's tests at the Aransas County courthouse Tuesday and 13 were awarded their driver's license.

Those who qualified were Mrs. Maurine Bissett Day, Mrs. Jean McLead, Alban Untermeyer, Paul McKinsey, Mrs. Frances Beard, Lee Ingersoll, Miss Adelaide Fallin, Anton V. Brown, Miss Frances McGee, Jacob L. Lanes, Reginald B. Green, Robert T. Tiner and Jessie Mae Gilson.

The Pilot is authorized to announce the candidacy of D. E. Holloway for the office of Constable, Precinct No. 1, subject to the action of the Democratic primary, Saturday, July 22.

CALM BEFORE THE STORM — In the quiet sunshine of southern Formosa, a Chinese Nationalist soldier carries rice buckets to his barracks, past rows of basins and knotted towels on the wash stand. This peaceful atmosphere, however, is charged with tension as the Nationalists engage in intensive field maneuvers in preparation for an expected attack by Chinese Communists from mainland.

Funeral Services For S. Canavero

Funeral services were held Wednesday morning at the Sacred Heart Catholic Church for Somerville Canavero, who died at the home of his nephew, Dick Simpson, Monday afternoon.

Canavero, 67 year old retired fisherman, was a life long resident of Rockport.

Burial was in the Rockport cemetery. His nephews served as pallbearers.

Survivors include three sisters, Mrs. Richard Simpson, Sr., Mrs. John Johnson and Mrs. H. G. Smith, all of Rockport and one brother, Paul Canavero, of Port Lavaca.

betes deaths in Texas," Dr. Cox said. "By comparison, that same year there were only 189 polio deaths.

"It's the family physician who is in the best position to discover diabetes or a pre-diabetic condition. That's just one more point in favor of regular medical check-ups," the doctor concluded.

Treat Diabetes Before Advanced Symptoms Appear, Says Dr. Cox

AUSTIN—Death rates from diabetes is three times as high in diabetics whose condition was not discovered until after complications developed than for patients whose illness was recognized and brought under treatment before advanced symptoms appeared.

Based on recently completed national studies, this was revealed by State Health Officer Geo. W. Cox.

"Diabetes has not always been a public health problem," the health officer declared. "It became

one when we found that the death rate is much greater when the condition is discovered late.

"Public education makes for lower diabetes death rates, and public education in such matters is a health department job."

Dr. Cox told this story about diabetes:

It used to be that many diabetic patients sought treatment only after having developed serious complications. A considerable number of all diabetics examined at autopsy showed active pulmonary tuberculosis.

The discovery of insulin gave physicians a specific treatment for prolonging patients' lives, even before it was entirely clear what the disease was and what its effects were. Thus, even after event took place with insulin therapy, eventually leading to the realization that early discovery means longer life.

"Diabetes mellitus"—called sugar diabetes by some people—is a condition in which the body cannot properly process the sugar it needs. The result is chronic thirst, hunger and weakness. Eventually, without insulin, the patient will literally starve to death. Insulin injections will correct the faulty body processes.

used there. These items are slow in coming in too. To date a pair of boxing gloves, a badminton set and a set of horse shoes are all that have been turned in. These are the type of items desired—only it was expected that there would be many more. The committee stands ready to call for these items when they are notified that they are available.

Bonnie Cron to Attend Convention

Miss Bonnie Cron will go to Galveston Sunday where she will attend the international Alpha Phi Sorority biennial convention June 26 to 30. This is the first time a panhellenic sorority has scheduled a national meeting in Texas.

Miss Cron will be a house guest of Miss Mary Pearl Stein and Miss Frances Katy while in Galveston.

At noon Thursday she will take part in the program at a luncheon. The Corpus Christi Alumnae Club will be in charge of the luncheon that day and "Coastal Texas" will be the theme. She will also take part in the Jean LaFitte Pirate Banquet program Thursday night.

Delegates from all states, Hawaii and Canada are expected to attend. Program for the meeting begins Sunday and will continue through Friday.

Social events scheduled for the delegates include a boat trip to San Jacinto monument, a visit to the Battleship Texas, dinner at San Jacinto Inn, the Corpus Christi Luncheon, and on Friday,
