

Along The Waterfront

Fishing in the bay area this week has been good and many nice catches have been reported. Some of the larger catches ran as follows:

Mr. and Mrs. George Forman of San Antonio went out with Fred Christilles Thursday and brought in 135 trout.

Mr. Anthony and party of six of Houston fished with Christilles Friday and landed 185 trout.

Saturday Christilles took Otto Boerner and son of San Antonio to the Gulf. They came back with a big ling, 14 huge kingfish, 10 large macherel, and a four pound pompano.

Mr. Boerner tried his luck again on Sunday with Christilles, but Guy Griggs made the only catch, a 25-pound king.

Dave Williams and party of Austin landed 90 large trout while fishing with Christilles Tuesday.

Mrs. J. Lee Wilson and Mrs. Jefferies of San Antonio fished with Christilles Wednesday and caught 155 trout.

C. P. Swenson had a party of 10 out on the Lila Jo for a half day fishing trip Monday, and they brought in 235 trout.

Tuesday a party of 10 caught 153 trout while fishing from the Lila Jo.

Wednesday a party of 8 caught 83 trout with Swenson on a half day trip.

Jim Willamson had his boat the "Hurricane" in dry dock most of the week, but he took a party of 9 out Wednesday and brought in 164 trout.

Elmer and Earl Crumrine of San Antonio fished with Henry Ballou on the Lola Jean Thursday, and Mr. Allen and Mr. Carter of Mineral Wells went out on the Earline B. The two parties brought in 167 trout and four large redfish.

T. A. Roper and party of Trailer Oaks went out on the Lola Jean, while A. H. Chambers and party of San Antonio fished from the Earline B. Friday. They landed 175 trout and 11 reds.

T. A. Lambert of San Antonio fished on the Lola Jean Saturday, and Mr. Smith and party of San Antonio went out on the Earline B. They totaled 140 trout.

Monday Seth H. Steele and party went out with Ballou on the Lola Jean, and Dr. E. A. Sadler and party of Fort Worth fished from the Earline B. They brought in 111 trout.

Mr. and Mrs. Edward Barnard, Mr. and Mrs. Leonard LeBlanc and Mrs. Roy Woods caught 84 trout with Ballou Wednesday.

B. A. Stringer and party of Houston went to Cedar Bayou with Herb Mills Thursday and brought in 78 trout and redfish.

Mr. Sloan and party of Houston fished with Green Fleming and caught 47 trout.

Mr. Keesler and party of Cuero landed 47 trout Friday, while fishing with Herb Mills.

W. B. Allen and party of San Antonio brought in 57 trout while fishing with Harry Mills Friday.

J. A. Sparks and Charlie Newman of Cuero fished with Green Fleming and caught 47 trout.

Jack Lawler took out J. H. Allen and Paul Parter of Mineral Wells, and they landed 61 trout.

H. G. Purdy and party of San Antonio went out with Harry Mills Saturday and caught 64 trout and five big reds.

Mr. Castle and party of San Antonio fished with Jack Lawler Saturday and caught 107 trout. The trip was made more exciting when Joe Arthaud of San Antonio joined the Perch Club, by falling off the back of the boat.

J. H. Phillips of Midland fished with Herb Mills and landed 45 trout.

Russell Medeen of Dallas caught 37 trout while fishing with Green Fleming.

A. B. Green and party of Houston landed 34 trout with Fleming Sunday.

J. M. Roberts and party of San Antonio went to Cedar Bayou with

3 New Deep Tests Reported In County

Testing continued over the weekend at Union Producing Co. No. 2 Virginia Tatton, deep Aransas County wildcat four miles north of the Lamar Field, and the same distance south-west of the St. Charles Field.

Elsewhere in the county, two new tests have been started by Phillips Petroleum Co., and the Mud Flats Field has a new test running and a deep hole coring.

Union's No. 2 Tatton, perforated at 11,040-71 feet, Friday still had tool open on drill stem test of that section. The test was begun last Sunday, and at the end of the week, the well was flowing 4 to 5 barrels of fresh water with a slight trace of oil hourly. Total depth is 11,135, and 5 1/2-inch casing is set at 11,122 feet.

The company's No. 1 Tatton, completed as a big, high gravity oiler at 10,505-20 feet, early this year, now is a rework job and Friday was drilling at 10,293 feet in sticky shale and in sidetracked hole.

Both of the Tatton tests are in the John Durst Survey, A-51.

At the Mud Flats Field, Hewitt and Dougherty No. 2 F. G. Gabriel, Lot 8, Section 48, Sixth Addition, Taft Farms, was coring in shale at 9,557 feet Saturday morning. No drill stem tests have been attempted in the past couple of weeks, operators said.

George W. Graham and Ryan, Hays and Burke have another new test running in the Mud Flats Field at their No. 2 Margaret Davis, which Friday was drilling at 4,000 feet. It had set 10 3/4-inch surface casing at 1,999 feet. The same operators' N. A-2 F. G. Gabriel was drilling at 7,502 feet Friday. Both tests are contracted to 10,000 feet.

The No. 2 Davis is 660 feet from the southeast line and 560 feet from the southwest line of Lot 7, Block 48, Fifth Addition, Taft Farm Lands, and 100 feet southwest of the No. 1 Davis, Mud Flats gas-distillate discovery, which is producing from the 8,900-foot and 9,245-foot zones. The No. 2 is aimed at a sand around 8,585 feet.

The No. A-2 Gabriel is 660 feet from the southwest line and 760 feet from the northwest line of Lot 6, Block 48, and is 100 feet southeast of the No. A-1, which is producing gas and distillate from the 9,100-foot sand. The No. A-2 is aimed at a formation around 9,700 feet.

In Copano Bay, about 9 miles northeast of Rockport, Phillips No. A-1 Pano, State Tract 33, spudded Friday on a 7,350-foot project. This is about 2,900 feet southeast of Phillips No. 1 Copano, oiler in State Tract 34.

Western Natural Gas Co. No. 12 St. Charles Ranch, in the St. Charles Field, was spudded Friday and was drilling at 1,818 feet Saturday on a 12,000-foot project. Longhorn Drilling Co. of Three Rivers is contractor. The test is in R. D. Blossman Survey 199, A-31, about 2,000 feet northeast of the No. 9, and the same distance northwest of the No. 4, both of which are gas wells.

Also spudded Friday was Phillips No. 1 F. G. Huffman, Joseph Hollis Survey, A-76, Salt Lake Field. This test is contracted to 8,000 feet.

In the Fulton Beach Field, Atlantic Refining Co. No. 6, State Tract 71, which is in Copano Bay, was drilling at 4,347 feet Friday on a 7,500 foot contract. Surface casing is set at 1,506 feet.

Renwar Oil Corp. No. 11 State Tract 106 (Copano Bay) Fulton Beach Field, flowed 142.26 barrels of oil on potential test through X-31 choke, under 980 pounds tubing pressure. Perforations, with 40 shots, were at 7,386-96 feet. Gravity was 42.6 degrees and gas-oil ratio was 898 to 1. Total depth was 7,400 feet and 5 1/2-inch casing was set on bottom. This well was drilled directionally from a surface location in Lot 27, Copano Village.

Halanicek Found Guilty Of Aggravated Assault

Frank A. Halanicek entered a plea of not guilty to the charges of aggravated assault at the case tried Monday at the session of county court.

The jury found Halanicek guilty, and County Judge D. R. Simmons fined him \$25 and costs as punishment.

Norvell Jackson Selected as Director Of Texas Shrimp Ass'n

Port Lavaca has been selected as the headquarters of the Texas Shrimp Association, which completed formal organization there Aug. 10.

Norvell Jackson was elected one of the seven directors of the association. Other directors are John Mehos, president, Galveston; Billy Konon, Brownsville; John Nelson, Aransas Pass; John J. Faubion, secretary-treasurer, Port Lavaca; and J. R. Clegg, Port Lavaca.

The Texas Shrimp Association was organized primarily for the purpose of working together to raise still further the high standards of quality and sanitation in handling and packing shrimp and for the promotion of shrimp throughout the nation.

Commercial Fishermen Advised to Apply for License Before Aug. 31

Commercial fishermen are again advised by the Game, Fish and Oyster Commission to protect their priority under the commercial fishing boat license quota by applying for permit renewals before the end of the fiscal year on August 31.

The chief clerk explained that renewals must be formally applied for by all owners of commercial fishing boats registered by the federal government and used in the tidal waters of the Gulf Coast. The annual fee is \$6.00 per boat.

The commercial fishing boat license law applies to all such boats 16 feet in length or over and to all boats powered by inboard motors regardless of length. Commercial fishing boats less than 16 feet long and powered by outboard motors are subject only to the general \$3.00 boat license law.

Rotary Speaker Outlines World Situation

General J. Lewis Thompson, speaking at the Rotary Club meeting Wednesday, outlined his military power and what he believed that of Russia to be, explaining that our reserve components, the organized and unorganized reserves and particularly our National Guard, was the backbone of our military establishment.

It was explained that a war with Russia was not inevitable, but practically certain because Russia has the capacity to make war and has been the advocate of the destruction of capitalistic society.

General Thompson urged that all civilians use their influence to see that our government stops playing politics with defense plans, and that our government stop spending funds on price support and social relief projects which do not contribute to the defense effort.

Col. Clark Wren was in charge of the program and introduced the speaker, who as a civilian is the president of the Southern Industrial and Marine Supply Company in Houston.

Visitors at the meeting were J. B. Green of Houston, Rev. Vern Swartzfager of Bryan, W. W. Cottle of LaMarque, Wallace Witt of Aransas Pass, and James Bracht,

Duck Season Date Choice Made

The executive secretary of the Game, Fish and Oyster Commission said Saturday that the annual fall waterfowl season in Texas will open Friday, Nov. 3, and probably last 45 days.

This is not the date preferred by the commission for the whole state since it voted at its May meeting for a zoning plan to benefit the widely separated north and south parts of the state. It proposed Nov. 10 for the opening date should the zoning suggestion fail.

The Fish and Wildlife Service, which sets the shooting periods, rejected the Texas proposal and then gave the commission the choice of either Nov. 3 or Nov. 17 as the opener for the entire state.

Since liberalized central fly-way regulations are in prospect, a slightly higher bag limit on ducks is considered likely. The limit on ducks last year was four per day per hunter and eight in possession. The commission at its July meeting requested that both the daily bag and possession limits be set at eight ducks. It is believed that the limit may be placed at five per day and ten in possession.

The limit on geese has not been indicated. Last year Texas hunters could bag five geese a day but could have no more than five in possession.

At its May meeting, the commission voted for a zoning system whereby the hunters in the Panhandle would be permitted to shoot earlier in conformity with the seasons in Oklahoma and New Mexico which frame the extreme northern area of Texas. But the federal authorities ignored this proposal. The apparent theory was that having two seasons in one state would place an extra burden on the waterfowl since the hunters themselves might become migratory, moving from one part of the state to the other to take advantage of the varied season dates.

In 1949, Texas had a split duck season of 36 days, dating from Nov. 4 to Nov. 21 for the first half and from Dec. 21 to Jan. 7 for the last half. The executive secretary explained that this arrangement did not suit most of the hunters because of the full-month's spread between the shooting periods.

"It's the same old problem," said the executive secretary. "In a state as big as Texas, which really covers as much area as the average three states, we have extreme difficulty adjusting our hunting needs to the restrictions applied by the Fish and Wildlife Service."

"An early winter in the north that sends the ducks and geese down sooner could give all Texas hunters a break. Always we must keep the ducks' angle in mind. The birds must be safeguarded or else we will have no duck hunting at all."

T. Houston Foster returned to Rockport Wednesday, after receiving his Master of Arts degree at the University of Oklahoma.

Cub Scouts to be Reorganized at Tuesday Meeting

There will be a meeting to reorganize the area Cub Scouts at the scout hut Tuesday, Aug. 29, at 4:00 p.m.

All mothers who have boys of Cub Scout age, that is 8-11, and who are interested in their boys becoming Cubs or continuing Cub Scout work are urged to meet with the leaders and talk over the program.

Unless sufficient interest is shown in this work, there may be no Cub Scouting.

Aransas County Schools To Open Tuesday, Sept. 5

Tuesday, Sept. 5, is the date set by the school board of the Aransas County Independent School District as the opening of the 1950-1951 school term.

This will be an all day session with initial classes following the registration. Buses will make their regular runs at the regular time.

The initial faculty meeting will be held Sept. 1 at the Rockport school.

Contrary to a rumor that has been circulated, Sept. J. F. Harbin will not move his office to the home economics building. One of the rooms in the cottage has been converted into a classroom, in order to avoid having one-half day classes. At Fulton it will be necessary to use the old Fulton school building in order to provide adequate space there.

The next issue of The Pilot will carry a complete list of the faculty for the new school year.

Fulton P.-T. A. To Purchase Fans For Classrooms

The Fulton P.-T. A. met Wednesday afternoon at the Fulton Lions Club building. Mrs. Herbert Mills, first vice-president, presided.

The vacancy of the office of the president was announced. Mrs. Herbert Wells resigned from this office when she moved to Sinton. A new president will be elected at the next regular meeting, Wednesday, Sept. 6.

It was decided to purchase fans for the classrooms at the Fulton school. Mrs. R. A. Johnson was appointed chairman of this committee.

The room mothers for the coming year are: First grade, Mrs. W. B. McElwee and Mrs. Skeet McHugh; second grade, Mrs. Robert Madden and Mrs. Harry Wilson; third grade, Mrs. Francis Rouquette and Mrs. Herbert Mills; fourth grade, Mrs. R. A. Johnson and Mrs. Mary Goff; fifth grade, Mrs. G. V. Mitchell and Mrs. L. E. Casterline; sixth grade, Mrs. J. R. DeForest and Mrs. Wofford; seventh grade, Mrs. John Teegerstrom and Mrs. Sadie Owens.

Mrs. E. S. Crow, Mrs. R. W. Zowarka and Mrs. R. T. Dittfurth and son Slick from Alice, visited here with friends. Slick stayed over for a visit with his grandparents, Mr. and Mrs. Joe Smith.

Petition for New Bond Issue Election Not Yet Received by Board

Two petitions calling for another bond issue election are being circulated in Aransas County, but neither have been presented to the school board of the Aransas County Independent School District.

Hugh Morrison, president of the school board, said Wednesday that the board will be happy to receive such petitions and will give them attention when received.

There has been considerable discussion as to how soon a bond election can be held after it has previously failed. The attorneys for the school have advised them that a new election can be held any time after the legal procedure of an election has been finished. That is, the election may be held not less than 10, nor more than 30 days, after the board acts upon the petition ordering the election.

Prior to the previous bond issue election, it was said that the present school buildings and grounds were not being taken care of. Morrison replied that the funds for maintenance of the present school plant have been lacking up to the present time. When Aransas countians voted down the bond issue, they also voted down funds for repairs on the present school buildings. The board had planned to spend \$30,000 painting all the buildings and repairing the present high school building.

Run-off Primary Scheduled for Saturday, Aug. 26

Voters of Aransas County will go to the polls Saturday to cast their vote in the second Democratic primary for precinct and state officers, who will be named for the general election ballot in November.

Of local interest is the run-off between F. Iansen, incumbent, and W. S. Steede for Justice of the Peace in Precinct No. 3.

In the state races Ben Ramsey of San Augustine County will oppose Pierce Brooks of Dallas County for lieutenant governor. Fagan Dickson of Bexar County and Will Wilson of Dallas County are running for the Associate Justice of the Supreme Court (Place 1), while Meade F. Griffin of Hale County opposes Geo. W. Harwood of Dallas County for Place 3. In the run-off for Judge of the Court of Criminal Appeals, W. A. Morrison of Milam County meets Robert L. (Bob) Lattimore of Dallas County. John C. White of Wichita County will oppose J. E. McDonald for Commissioner of Agriculture.

Fred Booth, Aransas County Democratic Chairman, this week called voters attention to the Texas election laws. He stressed the fact that all voters must have their poll tax receipt with them or sign an affidavit at the time they vote. As a reminder, he added that to qualify a voter must also be over 21 years old, have resided in the state one year, and in the county for six months.

Mr. Booth urged that there be no loitering about the polling places. All ballots must be marked and deposited by the voter at once, he said. No ballots can be taken from the polls for any reason. Judges or clerks are not permitted to leave the polls from the opening to the closing of the voting. He pointed out that no voter shall be allowed to have a marked ballot or memorandum showing how or for whom to vote when he enters the polls.

The polls will open at 8 a. m. Saturday, Aug. 26, and remain open until 7 p. m. Voters in the four precincts will cast their votes at the following places:

Precinct 1-A: Aransas Pass, election judge, Glen Ellis.

Precinct 1: Fire Hall, Rockport; judge, Gordon Terry.

Precinct 2: Aransas County courthouse; judge, Mrs. T. H. Ratliff.

Precinct 3: Fulton School; judge, W. J. Moss.

Precinct 4: Concession Hall at Goose Island State Park; judge, Otto Key.

City Clears Grass and Debris from Austin St.

HIGH SCHOOL CURRICULUM NEEDS TO BE EXPANDED

This week it was brought to our attention that the Rockport High School does not offer any foreign language to its students; nor does it offer a course in shorthand. However, this has not always been the case. Several years ago both of these courses were offered but were dropped from the curriculum because there were no teachers in the system for these subjects, and the students lost interest in them. But that was several years ago.

Thirty, or even twenty, years ago a person was considered educated if he could read and write with a normal degree of intelligence. But, today society demands more of a person than the "Three R's."

First, let us deal with the foreign language. Not only will it help a student with his study and understanding of the English language, but the student who goes to college will be placed at a disadvantage if he does not have some previous knowledge of Spanish, Latin, or some other foreign language. In most accredited colleges two language courses, one being English, is required for an academic degree. Also, if we are to live as neighbors with the Latin American people in South Texas, we should have a better understanding of their language and culture.

As for a more extended commercial course, it seems like a waste of money for a student to go to a business college, when he could have received that education in high school.

It has been argued that not enough students want to take these courses. This is because the students do not understand the benefits that they can derive from these electives.

We are not trying to tear down the present school system. In fact, we think that the school board has done a fine job in improving the schools in this county. But the more electives that are offered, the better school we will have.

Men Born Prior to Aug. 30, 1922 Are Not Required to Register

AUSTIN—Some men registered under the World War II draft act, now past 40 and 50 years of age, are attempting to advise old local boards of changes of address and status, although these draft boards have been out of existence for years.

As a result, these cards and letters are flooding present local boards and Selective Service headquarters.

Brigadier General Paul L. Wakefield, state director of Selective Service, advised today that "these men no longer have to advise of any change of address or status, as the law under which they registered was terminated by Congress in 1947."

The only men who are obligated to keep local boards advised are those registered under the Selective Service Act of 1948, which became law on June 24, 1948, the state director pointed out.

"Any man who has registered with Selective Service in 1948, 1949, or 1950 is obligated to advise his local board of address and status changes," General Wakefield said. "Any man who registered with any local board prior to those years is not required by law to do so."

The state director said that every man should ask himself the question: "Should I be registered under the Selective Service Act of 1948?"

The answer, says General Wakefield, is simple. If the man was born on August 30, 1922, or after,

PYF HONORS COLLEGE MEMBERS AT PICNIC

The senior group of the Presbyterian Youth Fellowship entertained its college members with a picnic at Goose Island State Park Wednesday night.

The college guests were Miss Patti Ballou, Bob Morrison, Travis Smith, Jim Morrison, Jimmy Hayden, Jimmy Hash, John Cron, and Sammy Hash.

Following the wiener roast, the evening was spent in playing games and a sing-song.

Liquefied Gas Team Closes Season Here Saturday Night

The Liquefied Gas Co. softball team closed its season Saturday night by winning another game from Portland at the local ball park.

The team had a successful season with 23 wins and 6 defeats. Seven of the victories were no-hit games. Home runs hit this season totaled eight. They played games with Dickson Drilling Co., Alice Hardware Co., City Taxi of Alice, Clasco of Corpus Christi, Port Lavaca, Refugio, Austwell, Beeville, Ingleside, Taft, and Goliad.

The team roster included Irene King, catcher; Opal Warden, pitcher; Myrl Wright, first base; Bessie Atwood, second base; Louise Wright, third base; Lola Bonner, shortstop; Mary Wright, left field; Ruth Ann Crawford, center field;

Laverne Wright, right field; Kathryn Atwood, Evelyn Hoehne, and Elzona Etheridge, substitutes. Dr. R. S. Blackburn and H. J. Marshall were the managers. The group plans to have another team next year.

Mrs. Adelaide Fallin, her son and daughter, Mrs. Bobby Fallin and Miss Addie Fallin, with her mother, Mrs. Louise Hoffman of Corpus Christi, have recently returned from a month's trip through six of the Southern States.

Mr. and Mrs. S. F. Jackson have returned after a ten day trip to Colorado Springs and Boulder, Colo.

Miss Ruby Casey returned home Monday after a two week visit in Wimsboro with her sister, Mrs. Ernest Russell.

Funeral Services for John H. Kroeger Wed.

Funeral services were held Wednesday morning at the Stella Maris Chapel in Lamar for John Henry Kroeger, pioneer rancher, who died in the Spohn Hospital in Corpus Christi Tuesday. The Rev. A. Otto, pastor, officiated.

Mr. Kroeger, who had been ill for several months, was born April 12, 1866 in the old town of Lamar. In 1880, he moved with his family to the Salt Creek ranch, twelve miles north of Lamar in Refugio County, where he made his home until his death, except for the short time in the early 1880's when he attended St. Mary's College in San Antonio.

On Feb. 25, 1897, Mr. Kroeger married Mary Fox of Victoria. They had three children, Mary Delisle of Salt Creek ranch, Reginald J. of Corpus Christi, and John Henry, Jr., who was killed in Africa in 1944.

He is survived by his wife; two children, and one grandson, John Henry Kroeger, III, of North Hollywood, Calif.

Burial was in the Lamar Cemetery under the direction of the Dunn Funeral Home of Corpus Christi. Pallbearers were James C. Herring, Orin Linney, John J. O'Brien, Dennis O'Connor, and Long Tom Heard of Refugio, and Roger Williams and Clarks Adkins of Tivoli.

Miss Kathryn Atwood returned home Thursday after a visit to San Antonio and San Marcos.

Mrs. Ethel Hawks and sons, Keith and Larry, of Austin are visiting Mr. and Mrs. Norvell Jackson.

Mr. and Mrs. Buddy McElveen visited Mr. and Mrs. Richard McElveen in Wharton Sunday.

Miss Mildred Wilkinson returned Friday from a visit with Mr. and Mrs. A. D. Wilkinson, Sr., in Baytown.

Miss Sissy Rowe spent last week in Houston with Mrs. Rex Littleton, the former Wilma Rouquette of this city.

Bobby Morrison spent the weekend in Waco, where he enrolled as a junior in Baylor University.

Mrs. Charles F. Cron and Miss Bonnie Cron visited Mr. and Mrs. Frank Lockhart in Corpus Christi, Tuesday.

Business Leader With Great War Record Tells How Hadacol Has Rebuilt Him Physically

Was run-down, weak, after service in South Pacific due to deficiencies of Vitamins B₁, B₂, Iron and Niacin

Mr. Donald Hedburg, who resides at 1812 Parker in the fashionable Riverside District of Wichita, Kansas, has been an up-and-coming executive member of the staff of the great Wichita Eagle newspaper for over four years.

Mr. Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in civic affairs. And just as he was anxious to pitch in and do a job during the war—he now wants to help his fellow citizens who (like he was once), are physically run-down and weak due to lack of Vitamins B₁, B₂, Iron, and Niacin in their systems.

Here is Donald W. Hedburg's witnessed statement: "When I returned from service, I faced the problem of rebuilding myself physically. I was in a general run-down condition.

"In my present capacity of advertising salesman for Kansas' greatest newspaper, The Wichita Eagle, it's absolutely necessary that I have plenty of vitality—'get up and go.' I had real cause to worry. Nothing seemed to rebuild me constitutionally. Then a friend of mine on the national staff told me about HADACOL—he asked me to try at least five bottles. I'm on my fourth bottle and already I feel like my old self. I look forward to a day's work and go home—play with the children—in the yard—fish until midnight! Thanks again to HADACOL, energy and vitality once again course through every fiber of my body. You bet, I too, am now a missionary for this great new HADACOL."

Get That Wonderful HADACOL Feeling Everyone is Talking About

HADACOL gives such wonderful results because it not only supplies deficient, weak run-down systems with more than their daily needs of important

Vitamins B₁, B₂, Iron, and Niacin—but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness.

If you are a victim of neuritis pains, certain stomach and nervous disturbances, constipation, insomnia or a weak, run-down condition due to such deficiencies, HADACOL will start you on the road to feeling better often within a few days. Thousands upon thousands of records of grateful men, women and children proved this to be so.

Many Doctors Recommend It
HADACOL is recommended by many doctors not only to their patients but to members of their own families who have such deficiencies. Before giving up hope you, give HADACOL a chance to help you. Why keep dragging yourself around feeling "half-alive" when it's so easy to have that wonderful HADACOL feeling that everyone is talking about! Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes.

Awards Made At Art Exhibit

The third Art Colony, sponsored by the Victoria Art Guild, closed Saturday in Rockport, after the students produced 140 paintings.

Studies in landscape, portrait, and marine scenes were made, and judged by the instructor, Simon Michael.

Prizes were awarded to Mrs. Horace Watson of Houston for first place in landscape, to Mrs. L. R. Hatterman and Miss Ruth Ashberry, both of Victoria, and to Mrs. L. A. Weatherly of Yoakum for second, third and fourth places, respectively. Honorable mention for landscapes were awarded to Mrs. W. S. Higgins, Mrs. Lorna Greenway, Mrs. W. L. Piper, all of Victoria, and Dalhart Windberg of Goliad.

In portrait painting Mrs. G. M. Adecock of Nursery took first place. Miss Ruth Ashberry and Mrs. Piper took second and third respectively.

Windberg won first for marine scenes; Mrs. H. F. Ball of Victoria took second; Mrs. G. M. Clemons of Huntsville, third; Mrs. W. S. Higgins, fourth. Honorable mention was given to Mrs. Lorna Greenway, Miss Ashberry, Mrs. L. A. Weatherly, and Mrs. Ted Crone of Collegeport.

Plans were made for another art colony at Rockport in October, when the Houston Art Group will come down for and take instruction from Mr. Michael.

Mrs. H. F. Ball, president of the Victoria Art Guild, served as house hostess to the group in their large studio, dormitory, and house here. She explained a typical day in the art colony. Two students did "KP duty," while the others all went to the locations dressed in blue jeans and straw hats.

The group took trips to Ingleside, Aransas Pass, and Goose Island.

The only local member of the school was Miss Joy Roe.

Miss Frances Henry of Mercedes visited Mr. and Mrs. Norman McLead Sunday.

Rockport Rotary Club Invited to Rotary Day At State Fair of Texas

The Rockport Rotary Club has been invited to participate in a gigantic Rotary Fellowship Day on Friday, Oct. 20, at the 1950 State Fair of Texas.

Dallas Rotarians have mailed out about 15,000 invitations to members of some 255 clubs over the state. Members of the nine Dallas County clubs are hosts for the occasion.

A Rotary Friendship House in the Foods Building will be headquarters for the Rotarians. Rotarians will receive attendance credit by registering at the Friendship House or at box luncheon to be served at the picnic pavilion at noon. Following the luncheon, transportation will be provided to the auditorium where an impressive program will be given.

Mr. and Mrs. Bruce Davis and baby of Corpus Christi and Mr. and Mrs. Evans Corbin and children of Ingleside spent Sunday with Mr. and Mrs. S. F. Jackson.

IT'S TIME for BROOKS! Because...

Something must be done now about the runaway cost of our state government—a cost which has increased more than 500 percent in the period between 1935 and 1950. Aside from the cost of World War II, the cost of the Federal government did not increase that much during the same period.

With the State plunging wildly towards a financial crisis, the Lt. Governorship is a business rather than a political office. It needs a business man with a business viewpoint.

Only by the election of a business man can the people of Texas be assured of a direct and vigorous attack on this runaway cost, useless waste, and needless extravagance in our State government.

Only a business man who has not been a part of the system which spawned this era of waste and extravagance can give the problem that searching inquiry and impartial analysis needed now. Pierce Brooks is that man.

The next Lt. Governor of Texas should be above any internal friction, beyond all cross currents of politics, and completely judicial when clashes of personalities arise among members of the Senate. He must be in a position to treat them all alike, to be fair to each, and also to be true to his obligations to the people. Pierce Brooks meets these tests.

Pierce Brooks is the only candidate completely free from the entangling alliances, political obligations, cliques, clans and groups which grow up when men stay in office too long.

The Lt. Governor to be elected in 1950 should not come from the confused atmosphere of the State government, but direct from the people with a program for the people. Pierce Brooks is such a man.

In these crucial times the next Lieutenant Governor should be answerable to the people of the State and not to any group of special interests that has made millions of dollars off the taxpayers.

Two Local Women To Receive A&I Degrees

Miss Myrtle Lee Bell and Mrs. Ruth N. Hayden of Rockport are candidates for Master of Science degrees at the summer commencement exercises of Texas A&I College Aug. 25. Mrs. Hayden majored in secondary education and minored in English.

The commencement will mark a new high in the number of degrees conferred in the summer session. The office of Dean Otto R. Nielsen has reported the names of 341 candidates for degrees, 88 of this number being applicants for master's degrees. Another record is set by the total number of degrees conferred in one year, the August commencement bringing the 1950 total to 643 as compared with 523 last year.

Rogers Kelley of Edinburg, senator from District 27, will deliver the principal address at evening exercises to be held in Jones Auditorium at 8 o'clock. Degrees will be conferred by Dr. E. H. Poet, president of the college.

Mrs. Nell Webb Receives Master of Arts Degree

Among the sixty-two candidates for master's degrees at Sul Ross State College is Mrs. Nell Webb of Rockport.

Today 205 degrees were conferred by Dr. R. M. Hawkins, president. This is the thirtieth commencement for Sul Ross and this is not only the largest graduating class as a whole, but it also has the largest number of students to receive the master's degree in the history of the college.

Dr. Matt L. Ellis, president, Hendrix College, Conway, Ark., addressed the graduates.

Bobby Joe Hewitt, who is attending summer school at the University of Texas, was here last weekend.

Pete Sprinkle, who is employed in the advertising department of the Corpus Christi Caller-Times, spent the weekend here with his family.

Mrs. Ada McNatt Buried in Arkansas

Mrs. Ada McNatt, 71, died at the family residence here Saturday morning. She had been a resident of Rockport since 1943 and was a member of the First Presbyterian Church.

Survivors include her husband, A. M. McNatt, and one daughter, Mrs. Jean Griffin of Fort Smith, Ark.

Funeral services and burial was held in Fort Smith. Cage Funeral Home of Arkansas Pass was in charge of local arrangements.

"I'm at home in this kitchen!"

Your dealer has many modern electrical appliances to show you.

OF COURSE, IT'S ALL-ELECTRIC! It's a modern workshop that's planned to save you time, labor and steps. In it you can enjoy automatic, fast, clean cooking with an electric range; safe food protection with an electric refrigerator; more kitchen freedom with an electric dishwasher and garbage disposal unit and plenty of work surfaces.

Only electricity can give you such a convenient time and labor-saving kitchen because it can do so many jobs quickly, efficiently and economically. Plan now to make yours a modern kitchen—let low-cost electricity run it.

COOKING CENTER:

The electric range gives you accurate, cool cooking. All the cooking heat goes directly into the food instead of the kitchen. Automatic time and temperature controls on the oven allow you to "set it and forget it."

DISHWASHING CENTER:

This boon to housework handles pots and pans as well as dishes and silver—dries without wiping. An automatic disposal unit takes care of the garbage chores.

REFRIGERATION CENTER:

The electric refrigerator has the capacity to make and hold the low temperatures necessary for safe food protection even in the hottest weather. It's economical, too.

PRESBYTERIAN CHURCH CIRCLES HOLD MEETINGS

Circle 1 of the Women of the Presbyterian Church met Thursday, Aug. 10 at the assembly room of the church with Mrs. Mollye Davis as hostess.

Miss Lillie Fahr led the Bible study and Mrs. Ted Atwood gave the Cause, a survey article on the Women of the Presbyterian Church in other lands.

Twelve members were present and the guests were Mrs. Hugh Morrison, Mrs. Elliot, and Mrs. Ralph Matern.

Circle No. 2 met last Thursday afternoon with Mrs. T. H. Ratliff at her home.

Mrs. Norvell Jackson, a guest from the other circle, led the Bible study, and Mrs. Earle Thomas, the circle chairman, gave the Cause.

There were 14 members present and two guests, Mrs. Roscoe Adkins of Denton and Mrs. R. S. Merrill of Austin.

The Women of the Church will hold their monthly meeting this afternoon at the church, Mrs. Hugh Morrison, president, announced.

SLUMBER PARTY AT KOEHLER HOME FOR SKIDMORE VISITOR

Miss Mary Lee Koehler entertained her cousin, Joyce Duge of Skidmore, with a coke party and slumber party Saturday night at the Koehler home.

The guests were Miss Norma Lou Roe, Miss Marjorie Jarboe, Miss Dorothy Baker, Miss Alma Jean Ratliff, Miss Shirley Rivers, Miss Judy Albin, Miss Fayenell Cole, Miss Doris Belle McLester, and Miss Ro Jean Mikeal.

Miss Duge returned to Skidmore Sunday after a week's visit with the Koehlers.

The Rockport P.-T. A. will honor all the faculty members of the Aransas County Independent School District with a welcoming party at the Woman's Club building Sept. 5.

The P.-T. A. members will be hostesses for the party. Any adult interested in meeting the new teachers is cordially invited. Mrs. Chas. A. Roe is the chairman for the event.

MISS ANN JOHNSON RETURNS TO SUMMER HOME AFTER SCHOOL

Miss Ann Johnson, daughter of Mr. and Mrs. E. A. Johnson of Refugio, has returned from a Presbyterian Young People's Leadership School held July 22 to August 4 in Montreat, N. C.

Miss Johnson is the editor of the Tex-Eyn News, Presbyterian young people's publication in the State of Texas, and is a student at Austin College at Sherman.

She reports that 275 young people from 16 southern states attended the school. Twenty of these were Texans. Miss Johnson and the group from this state made the trip by chartered bus.

Miss Johnson joined her family at their summer home at Lamar, where they will stay for another week.

OPEN HOUSE HONORS D. P. SABO ON HIS BIRTHDAY MONDAY

An open house was held at the D. P. Sabo home Monday evening honoring Mr. Sabo on his birthday. Acting as hostesses were Miss Mary Sabo and Miss Joan Sabo.

An arrangement of assorted flowers centered the serving table, from which the birthday cakes and punch were served.

The guests were Mr. and Mrs. Henry Camehl and Tamera, Mr. and Mrs. Richard Fox and Julia, Mr. and Mrs. Lloyd Lassiter, Mrs. Bonnie Townsend, Mrs. Mary Alice Gray, Mrs. Mollye Davis, and Mrs. Lottie Gunter and son of Aransas Pass.

W.S.C.S. MEETS AT J. A. YOUNG HOME

The W.S.C.S. of the First Methodist Church met Tuesday afternoon at the J. A. Young home.

Mrs. John Haynes led the program and was assisted by Mrs. C. G. Raulerson, Mrs. E. G. Cooke, and Miss Lucille Haynes.

A short business meeting followed the program. It was decided to change the meeting date from Tuesday to Thursday of each week. The group decided to continue sponsoring the covered dish suppers at the church on Wednesdays at 6:30 p. m. The supper is followed by a short prayer service.

Refreshments of homemade cookies and punch were served to the 14 members and guests, Mrs. Harold Townsend of Texas City and Mrs. Mary Alice Gray. The hostesses were Mrs. J. A. Young, Mrs. Leroy Young and Mrs. Curtis Harrist.

The next meeting will be held Aug. 31.

All of the children of Rev. and Mrs. T. H. Pollard were here last weekend. The guests were Mr. and Mrs. Marvin Pollard of Denton, Mr. and Mrs. Roscoe Adkins and daughters of Denton, and Mr. and Mrs. Shelby Pollard of Los Angeles, Calif.

Mr. and Mrs. James B. Jackson and family returned to Rockport today after a trip to Kerrville.

MALE BAIT — Hollywood film actress Marie Wilson, often and accurately referred to as "the Body," was picked by a bathing suit manufacturer as the girl best qualified to model the newest addition to his line, a suit labeled "Male Bait." Marie is plenty used to new lines—but not of bathing suits.

Mrs. Ben Dupnick and daughter, Patsy, spent the weekend with Mrs. Ashley and other friends in Franklin, La.

BAYTOWN COUPLE SPENT WEDDING TRIP HERE

Miss Mildred Fleischman, daughter of Mr. and Mrs. William Fleischman of Baytown, became the bride of A. D. Wilkinson, Jr., son of Mr. and Mrs. Adrian Wilkinson, Sr., of Baytown, in a quiet ceremony at the First Presbyterian Church in Baytown last Wednesday night.

The bride wore a beige suit with green accessories and a corsage of pink roses.

Mrs. Wilkinson is a graduate of Robert E. Lee High School in Baytown. Mr. Wilkinson attended Robert E. Lee High School and Junior College and the Rice Institute.

After a trip to Rockport, the couple will be at home in Baytown. Out-of-town guests included Miss Mildred Wilkinson.

Mr. and Mrs. D. P. Sabo will return to Dallas Sunday, and their daughters will make arrangements to return to respective colleges. Miss Joan Sabo will begin her sophomore year at Arlington State College, and Miss Mary Sabo will enter Marquette School of Medicine as a junior.

Miss Nancy Ingersoll, Miss Addie Fallin and Mrs. Adelaide Fallin have returned from a week-end visit on the Bar S ranch at Bandera, Texas. Miss Ingersoll stayed in San Antonio for the remainder of the week.

Federated

**Founders Day Observed
By Order of Eastern Star**

Founders Day was observed by the Order of the Eastern Star Monday night at Masonic Hall when Mrs. Mamie Hooper and Mrs. Mabel Bryant presented a program based on the life of Robert Morris, sketches of which were given by the members. Several of his poems were also read and piano numbers

given by Mrs. Mary Cooke and Mrs. Ellen Crossman.

In recognition of a recent act of heroism performed by the secretary and a Past Matron of the order, Mrs. Gertrude Allemang, the following resolutions of commendation and appreciation were offered:

Whereas, our beloved sister, Gertrude Allemang, has performed a deed of inestimable value in saving the lives of a woman and her child under most difficult and trying circumstances; and

Whereas, she modestly requests that no publicity be given these facts;

Therefore, be it resolved that this chapter give her a unanimous vote of commendation and appreci-

ation for the wonderful deed she has done;

Be it further resolved that a copy of these resolutions be spread on the minutes of our chapter and a copy given to Sister Allemang as a testimonial of our love for her and our appreciation of her unselfish and untiring effort in the accomplishment of this act.

"A rose to the living is more than
Sumptuous wreaths for the dead,
In filling love's infinite store
A rose to the living is more
If graciously given before
The lingering spirit is fled
A rose to the living is more than
Sumptuous wreaths for the dead."

Respectfully submitted,
Mabel Bryan
Mamie Hooper
Bertha Harper.

Mrs. Hooper then read a clipping from the Houston Post dated Jan. 24, 1881, wherein an account of a similar act of heroism was performed by the late Miss Ella Evans, also a Past Matron of the Rockport Chapter. Miss Evans, at the age of 16, rescued two men from a capsized boat in Galveston Bay in a storm and for this act was heralded through the press as the "Grace Darling of the Texas Coast." Miss Evans taught school in Rockport for about 40 years and her memory is revered by two generations of school children.

Mrs. Sara Brundrett gave the account of Mrs. Judy Sorenson Collier's rescue of Verna Brundrett and Anne Ruth Jackson from the channel in Aransas Bay about 22 years ago, carrying the children separately to shallow water where artificial respiration was required to revive Verna. It was pointed out that Mrs. Collier is also a Past Matron of the order.

Following the program, cold drinks were served.

**Area Shrimp Catches
Show Increase of 71%**

Shrimp catches in the vicinity of Rockport and Aransas Pass during July amounted to 2,355 barrels — somewhat more than the 1,673 barrels taken during the same month last year, according to the Fish and Wildlife Market News Service.

In the Port Isabel and Brownsville area the July shrimp catches amounted to 5,278 barrels. The catch for July, 1949, in that area was 6,283.

The 1950 shrimp catch in the Port Isabel and Brownsville area thus far has amounted to 36,393 barrels as compared to 17,539 barrels caught during the same period last year. The year's catch in 1949 was 52,238 barrels.

No oyster catches were reported for the Port Isabel-Brownsville area, but in the Rockport and Aransas Pass vicinity the 1950 catch was 351 barrels during the first seven months, as compared to 4,001 barrels during the same period last year. Total catch of oysters last year was 4,141 barrels.

The Rockport and Aransas Pass area salt water fish catch in July this year was 5,830 pounds to bring the year's total to 46,060 pounds, as compared to 31,050 pounds for the first seven months of 1949.

Salt water fish catches in the Port Isabel and Brownsville area in July 1950 amounted to 60,150 pounds to bring the seven-month total to 761,480 pounds, as compared to 634,070 pounds during the same period last year.

Mr. and Mrs. Ed Critcher had Mr. and Mrs. Jim Taylor and Mr. and Mrs. Jack Critcher of Kansas City, Mo., as overnight guests Monday.

**Whitewing Hunters
Aid Survey in Valley**

Austin, Texas. — Conservation conscious Texas sportsmen will be given an opportunity this fall to help compile vital information during the whitewing dove season, according to Howard D. Dodgen, the executive secretary of the Game, Fish & Oyster Commission.

The cooperative project will center around reports by hunters, through facilities on the scene, of the annual shoot, September 15, 17 and 19, from 4 p. m. to sunset.

The executive secretary said P. B. Uzzell, wildlife biologist specializing on whitewings, will be in charge of the detail in the Rio Grande Valley hunting region.

Uzzell will place distinctive data boxes, shaped like bird houses, and briefing signs along entrance and departure routes of the areas to be hunted. The signs will provide the preliminary guide. Paper sacks inside the boxes will contain final instructions as to how the sportsmen may cooperate.

Each sack will be designed for the occupants of one car. One of the party will be expected to fill out the enclosed blank showing the number of hunters in each party and the number of whitewings killed, the number of mourning doves taken and the number of whitewings wounded or killed and not recovered. One leg from each whitewing should be placed in the sack since the age of the birds are determined from studies of legs.

The data thus obtained will be blended into the number of cars on the hunting grounds as determined by an aerial census. The ultimate results for the wildlife biologist will be a fairly accurate picture of the whitewing population as well as trends and consequent knowledge which will be used to avoid a recurrence of the near extermination of this popular game bird.

KHAN THIS BE RITA'S ALY?—The desperado wearing the white mask is none other than the fabulously wealthy Prince Aly Khan. Along with movie producer King Fidor, at left, Aly donned the menacing disguise to thwart a photographer. The impromptu gangster drama took place at a cafe table in Cannes, France, where Aly's Rita Hayworth played "gun-moll" a less mask-uline role.

Short Time Remains to Prepare Children For Next School Term

By this time next month school will be in full swing and the summer vacation only a memory.

In the time that is left parents and school officials will be busy getting everything ready for opening day. Clothing, notebooks, pencils, and other items will be bought or made ready for the use of budding geniuses, future presidents, etc., and their teachers.

However, the most important part of any school is the pupil. His state of physical fitness for the coming school term is of paramount importance, for if the child is not up to par physically the best of equipment, supplies, clothing, etc., will not avail much. No child can do his best work in the classroom while his body energy is being consumed by the stresses and strains that are produced by a body framework that is out of proper alignment.

The child's posture is an excellent index as to his physical condition. The following are some posture checks that parents can make at home. With his outer clothing removed and the child standing with his hands at his sides and his back toward you, check the following:

- 1. Is the head tilted to one side?
2. Is one shoulder lower than the other?
3. Is one shoulder blade more prominent than the other?
4. As he walks does one foot turn outward more than the other?

(Other members of the family should be given this simple examination also).

If the answer to one or more of the above is "yes", a medical examination should be made; be-

cause there is evidence of distortion which will produce energy-consuming stresses and strains within the child's body which will be reflected in his classroom performance and general health.

Dickson Softball Team Ends Season With 14-3 Record

The Dickson Drilling Co. softball team finished their season with a fine record, having won 14 games and losing three. They won games with teams from Corpus Christi, Beeville, Refugio, Goliad, Taft, Portland, and Ingleside.

The proceeds from all their games were turned over to the City Park Board for the improvement of the park.

The players wish to express their appreciation to Cotton Dickson of Houston for his efforts in making this ball team possible. Mr. Dickson plans to sponsor another team next year.

The team included: Jerry Worthington, catcher; Pearl Ivey, pitcher; Tony Dietrich, first base; Mary Frances Bell, second base; Alice Bell, third base; Baby Hunt, shortstop; Marjorie Schafer, right field; Nancy Juergens, center field; Lois Townsend, left field; Elizabeth Harvey and Sis Moore, substitutes. The team coach was Julius Malchar.
