WHERE YOU LIVE

WHERE YOU SLEEP

WHERE YOU WORK

When summer weather gets hot as blazes, let low-cost electricity cool you off. No need to swelter day or night if you have a modern, single-room, electric air conditioner. You can put one in any room of your home or office and you'll feel better ... sleep better ... work better.

This compact unit fits any window and can be quickly and easily installed. It cools, filters, dehumidifies and circulates the air. Put one in your bedroom for cool, restful sleeping; one in your living room brings cool, quiet relaxation for the whole family; a single-room unit in your office will make worlds of difference in increasing your efficiency and lessening fatigue.

The single-room, electric air conditioner assures you of cooling relief from hot weather. You'll appreciate it every day and night all summer long and for many summers to come.

Ask your dealer to show you the new window air conditioners for any room in your home.

HUMBLE

For Texans ...the Best of Everything

Every day many Humble dealers thank a number of their customers for recommending Esso Extra gasoline to their friends. These bona fide recommendations have spread the good name of Esso Extra from one end of Texas to the other: this fine gasoline is noted for extra quick starting, extra anti-knock performance, extra power, and for the exclusive, patented solvent oil that keeps engines extra clean. Users say, there's extra value in every gallon of Esso Extra.

See for yourself. Stop at the Humble sign in your neighborhood and fill up with Esso Extra, the gasoline that gives you something extra for your money . . . Humble service is something extra, too.

Prepare your car for **Summer Driving** under the

Before you start your summer travels, make certain that you'll enjoy every pleasant mile.

Take your car to the Humble sign in your neighborhood for Humble Charted Lubrication. Be sure the front

wheels are repacked. Have your oil filter element checked and,

maybe, changed. Let a trained Humble salesman go over your spark-plugs, your bat-tery, your fan belt, your

tires - even your wind-shield wipers. And if the oil is 1000 miles old, be certain to change to Esso Extra.

You'll enjoy your trip more, you'll enjoy your car more, if you stop for service under the Humble sign-now.
