Public School Week March 2-8

Governor Allan Shivers has officially designated March 2 through March 8 as Public School Week in Texas. The Texas Education Agency believes that the public education system can be efficient and effective only to the extent that local citizens in every Texas school district desire to make it so.

Every citizen should keep himself acquainted with the changing educational needs of the students and other problems confronting the school officials and teachers. The board of education urges every citizen to visit a public school during this period, that he may become acquainted with the proublic school system.

The trustees and all the teachers of the Aransas County Independent School District extend an invitation to each person in the county to visit any school in the county next week or at any other time. You will be welcome.

"Estrogenic **Hormone Cream** makes over-30 skins look younger"

"My advice to every woman over thirty: Use ESTROGENIC HORMONE CREAM daily. Why? Because science shows that estrogenic hormones can smooth out fine lines and wrinkles...make a noticeable difference in the look of your skin. I tested and experimented until I found a formula that would bring you the fullest benefits of these amazing substances. Use ESTROGENIC HORMONE CREAM faithfully, and see how much younger your skin can look." 3.50
