

Duck, Goose Season Opens Fri., Conditions Good

Gunners Ready for Opening, Local Clubs Expect Crowds To Fill Them to Capacity

Indications are 1954 Should Be As Good as 1953, Rains and Good Feed Should Hold Ducks and Geese, Clubs in Area Expect Many Out-of-town Hunters

Friday, Nov. 5, at noon, the gunning fraternity of Texas will be out with blood in its eye, determined to take home the makings of a duck or goose dinner, and, from all indications, a lot of them may do it.

Jimmy Silberisen says that out that way there are plenty of redheads, and that sprigs, which were pushed out of the bay by recent high tides are beginning to come back, as the water level drops and they can feed again. The club is full for the first three or four days of the season, mostly with Houston hunters.

At Mill's Wharf they are booked practically solid for the first week, with the majority of their crowd from Fort Worth.

Peden's as usual, will be full on opening day, mostly with members of the firm and their guests.

St. Charles Bay expects their usual opening day crowd.

Snow and sleet has hit Alberta, Saskatchewan and Manitoba, causing a big pileup of ducks on southern grain growing provinces. Ducks and some geese are pulling out daily for the South. There are large rafts of lesser scaups and mallards on Lake Manitoba and Lake Winnipeg.

Migration is in progress in central Alberta where there is a big buildup of ducks and geese. Ducks are plentiful in the Saskatchewan, especially in the prairie area around Big Quill Lake, near Wynyard, Sask, where every pond and slough is full of ducks. Especially surprising number of pintails. Canvasbacks are late and now moving into big waters.

Large migration of redheads, lesser scaup and cans into northern Wisconsin, Minnesota and North Dakota, which should make up for the poor opening season in these states. Big buildup of geese in Central Manitoba and southern Sask and Alberta. Only 45 per cent

Best Letters on Fire Hazards Chosen

The five best letters on fire hazards and prevention, written by students of the Aransas County School system in connection with National Fire Prevention week have been chosen by the judges, Fire Marshal Carl Osborn announced recently, and suitable prizes will be awarded in the near future.

Winners were as follows: Sacred Heart School—Barbara Barnard; Fulton Elementary School—Lajuan Spivey; Rockport Elementary School—Francis Gilmore; Aransas County High School, Jo Helen May.

The winning letters will be found in next week's issue of the Pilot.

Along The Waterfront

Travis Oliver at Good Luck Pier on Fulton Beach says that red fish are now being caught consistently. Prior to last week, catches had been rather spotty, with only a few fish being caught, but last week everybody caught fish—trout still heading the list, and red fish running a close second.

Snug Harbor reports that trout fishing has been very good, and that some reds are being caught whenever fishermen can get out.

At Mills Wharf Friday, Mr. Hyans and party of Houston, fishing with Herb Mills, caught 183 trout. Mr. Dennis, fishing with

Rozzell Plays Warren for Club Honors

Steirly Rozzell defeated Dr. Neil Kirkham 2 and 1 Wednesday in the semifinals of the Club Tournament being played at the Live Oak Golf Country Club. Rozzell's score for the back nine was 34, one over the course record of 33 which is held by Dr. Kirkham. Rozzell and Homer Warren, who defeated Chink Taylor, will meet Sunday in the Championship Flight finals.

Jimmy Maddox defeated Chick Roberts 2 and 1 in the First Flight finals.

The winner of the Ed Barnard and Billy Reneau match, being played today, will meet Bill Wylie to decide the Second Flight winner. Dr. J. M. Auten will meet the winner of the J. G. Richards-Bob Hayward match to decide the Third Flight winner.

Ronald Campbell will meet the winner of the Dale Hagy-Joe Caldwell match in the Fourth Flight.

Rockport Art Show Outstanding Success Many Paintings Sold

The art exhibition held by the Rockport School of Fine Arts was an outstanding success, according to Simon Michael, who said that attendance was far beyond that anticipated.

Over 150 marines, still life, figures, and landscapes were exhibited, and the overall quality of the work was higher than it had been in previous exhibits here, showing, said Mr. Michael, that the students are making satisfactory progress.

First prize of \$25.00, donated by Emory M. Spencer, went to Kathryn Faber, of Corpus Christi, for her painting of seagulls. Ruth Ashberry, of Victoria, won the second prize of \$15, donated by the First National Bank, for her painting of the old bridge at Palm Village, and fourth prize of \$10, donated by Ran Wilde, for her still life of fish. Nancy Sue Everett, of Beeville, won third prize of \$10, donated by James Sorenson, Jr., for her picture of an old seaman, and Aida Ihle, of Schulenburg, won fifth prize of \$5.00, donated by Mayor Seth Steele, for her harbor scene.

There were a number of paintings sold. Margaret Foster of Tulsa, herself a student, bought one; Mr. and Mrs. Emory Spencer bought several; Mr. and Mrs. Seth Steele bought a pair; another was purchased by Mrs. Byron Bushart; and Miss Foster had sold one of hers to Dr. Charles Eitel, of Tulsa.

There was also an exhibit of sculpture that had been produced in Lincoln Borglum's class, which was held in connection with the school this past summer.

Plans are being made for the Woman's Club to sponsor this as an annual affair, the paintings shown each year to be those produced by Simon Michael's class during the preceding season.

Pirates Annihilate Premont 45-0

Friday night at Premont, the Aransas County Pirates blasted their way to a 45-0 district 31-A football victory.

After the Pirates had scored 25 points in the first quarter of play, Coach Borchert called upon his reserves who played a large portion of the ball game.

Half-back Ernest Camehl had the best night of his career as he ran for six touchdowns, scoring all but nine of the Pirates' points. Camehl personally accounted for 250 yards rushing with touchdown gallops of 30, 70, 42, 55, 20 and 3 yards.

Although the Pirates were penalized for a total of 25 yards, this was more the result of over-anxiousness than of roughness.

Two Pirate touchdowns were called back. A 30-yard run by Pete Haynes was nullified because of a clipping penalty; one of Eddie Morrison's touchdown passes was wiped out because of offensive holding.

The Pirate line, playing fine ball from end to end, outcharged Premont and held them to a scant 41 yards rushing.

The defensive secondary played heads up ball, grabbing 4 of Premont's passes for interceptions.

The Pirates struck early when J. D. Spencer ran the opening kick-off back to the opponents 30-yard line. On the first play from scrimmage, Camehl went off tackle for the 30 yards and a touchdown. Bradshaw's extra point attempt was wide. A few plays later, Morrison found Bradshaw with a 30-yard pass, tallying the second touchdown. Try for point was blocked.

Still in the first quarter, Camehl took a pitch-out from Bracht, and raced 70 yards to pay dirt. Bradshaw made this try good. (Continued on page 8)

Presbyterians Elect New Deacons Wednesday Night

Members of the first Presbyterian Church, after a covered dish dinner Wednesday night, went into an official congregational meeting, and elected seven new deacons. These were: Ted Atwood, Joe Caldwell, Charles Roe, Jr., Travis Bailey, and Sommer Smith, to take office immediately, and Ellis L. Clark and Robert Little, to be installed later.

A report on church finances was made by James B. Jackson, who also presented the 1955 budget for approval. This was adopted unanimously.

The Reverend A. Arnett Ward presided over the meeting. Clyde Hayden was temporary clerk.

Jarboe Elected Surveyor By Two-to-One Majority County Race Quiet

James Jarboe was elected County Surveyor in the election November second, by a two-to-one majority. No candidate being given on the ballot for this office, two citizens at Fulton wrote Jarboe's name in, as against one for Floyd Huffman, the incumbent.

A total of three votes was cast for the office.

Otherwise, all county officers were re-elected.

Winners in C. of C. and School Decoration Contest

Winners in the Chamber of Commerce, School Halloween Decorating Contest came both from Rockport and Fulton, and produced a number of interesting and original designs. Judging, by a three-man committee, consisting of Col. James W. Porter, Vernon Kleypas, and J. L. Baughman, was done on a point basis. Thirty-three and a third points were given for originality, 33 and 1/3 were given for artistry, and 33 and 1/3 for execution. Each judge graded the windows independently of the others, then all grades were added and averaged, and the window with the highest average was the winner. Second highest average was second, and so on.

In the first to third grade division, the winner was the Rockport second grade, with the picture on the right side of Roaten's Drug

Girl Scout Permanent Council Set Up at Sinton, Local Officials Attend

A meeting of the development committee of the Tri-County area, Girl Scouts of America, was held Monday night, Nov. 1 in Sinton, to complete plans for setting up the first permanent council. The first council meeting will be held Dec. 6 at 7:30 p. m. at the Sinton High School with Sinton as host. All registered adults are invited to attend this first council meeting. An interesting program is being planned and officers will be elected and installed at this time.

A budget of \$6,000 for the year 1955, prepared by the finance committee was adopted and proportioned to the neighborhoods as follows: Beeville, with approximately 255 scouts, \$1,900; Sinton, 85 scouts, \$1,200; Taft, 132 scouts, \$900; Aransas Pass, 132 scouts, \$800; Rockport, 130 scouts, \$800; Mathis, 50 scouts \$400.

The finance committee is composed of Emory Spencer, Rockport, chairman; Lincoln Borglum, William McCarty, Beeville; W. T. Henry, Sinton; Dr. John Tunnell, Taft; Howard Brookshire, Aransas (Continued on page 8)

PIRATE-SUNDEEN GAME TO BE PLAYED HERE FRIDAY NIGHT

The Aransas County Pirates play host to the Sundeen Eagles tomorrow night in a district 31-A football game.

The Pirates will be without the services of Tommy Bradshaw, sophomore end, who will be out for the remainder of the season. Bradshaw broke a bone in his leg in scrimmage Tuesday afternoon. His absence will definitely be felt, but Coach Borchert hopes he will have a replacement in Billy Shaver.

The Sundeen Eagles will bring one of the heaviest teams the Pirates will face. Coach James Moore's "T" offense will be centered around 210-pound fullback J. Henderson. They also boast a couple of 175-pound tackles, guards at 200 and 168 pounds, a 155-pound center, and a 150-pound quarterback. The ends weigh 175 and 160 pounds with two 140-pound halfbacks. They will have a decisive weight advantage in the line.

The Eagles will be out to make it two wins in a row, having beaten the Flour Bluff Hornets last Friday night 25-0. The Pirates won over the Eagles last year by a score of 24-0, and will be a slight favorite tomorrow night to make it two in a row over the Sundeen eleven.

Ray Longino, 175-pound tackle, was out for practice Wednesday after having been out with the flu for two weeks.

Bradshaw's injury may call for a change in attack. He, along with

What Duck Is That, Frequent Hunters' Question

On November 5, at exactly 12 noon, some 300,000 Texas hunters will rise in their blinds with a thunder of guns, hoping to take home the makings of a duck dinner. Among the ducks killed will inevitably be a couple never before seen by the hunters or even the local "authority" on ducks.

Only about 30 species winter here regularly. These include six different geese, 11 species of river and pond ducks, five sea and diving ducks, three mergansers or fish ducks, two ruddy or masked, and two tree-dwelling species.

There are three members of the teal family. These are the blue-winged, green-winged, and cinnamon. All of them are small and brilliantly colored. The cinnamon duck, is easily distinguished by the brilliant reddish cinnamon of its body. However, females of the two species are very hard to distinguish.

Blue-winged teal are early migrants, reaching here in August

and going on to Central America before the shooting season begins. They have an undeserved reputation for speed, being credited by some writers with 130 miles per hour, when actually they rarely exceed 50 except when hard pressed.

Green-wings are, next to the cinnamon, probably our smallest ducks. Migrating later than the blue-wings, they are quite common on the fresh waters of the state, although occasionally they are found in salt marshes and tidal estuaries.

Shovelers are unwary, decoying easily, but most sportsmen consider them trash. As speedy as the teal, they do not swerve so much in flight. They are among the last ducks to leave Texas in spring.

Gadwalls and baldpates are most common along the upper coastal marshes where they feed in company with mallards and green-winged teal.

Baldpates, or widgeon, are strik-

ingly handsome, very active, and noisy. Their approach to a blind is often heralded by their characteristic peeping whistle.

Pintails, while not so large as the mallards, are another favorite of the sportsman. The gray body, dark brown head, and long, white neck of the drakes form an easily recognizable livery.

There are a number of members in the mallard group. The big green-heads, largest of all, are too familiar to need any comment, but the other four species—black ducks, Florida ducks, mottled ducks, and New Mexican ducks—resemble one another very closely.

Mallards, including the various species mentioned, are the most popular of all among sportsmen. Most numerous on the fresh to slightly brackish marshes of Jefferson and Chambers counties, they also spread over the adjacent rice land. During the winter, especially when acorns are plentiful, (continued on page 8)

Chamber of Commerce Directors In Dinner Meet Advocate United Fund

Rockport Chamber of Commerce directors met Tuesday night at a dinner, held in the Del Mar Cafe, and discussed business for the year. One of the most important matters brought up was the matter of a United Fund to replace the many charity drives which have been handled separately in the past, and which would include funds for such organizations as the Boy and Girl Scouts, the Red Cross, the various polio and TB drives, and similar worthwhile projects.

Mrs. Mary Juergens, chamber secretary, pointed out the fact that more and more small communities were using this method to collect for charities. Mrs. Juergens read a letter from the Premont Chamber of Commerce which stated that in this, their first year of United Fund work, they were eminently satisfied with the results. They stated that collections had been as large as those obtained by the various individual drives in the past, and that the time and effort necessary to obtain this end had been much less.

Dick Pieton reported on the progress made in the harbor projects; Seth Steele reported for the industrial committee; and Tom Roper, reporting for the tourist promotion committee, said that the recently formed South Texas Association, which has its headquarters here, had been obtaining some excellent results through the work of its secretary, "Tiny" Rowand.

A report was given on the window decoration campaign sponsored by the chamber, and arrangements were made for awarding the prizes tomorrow.

The dinner was excellent, and everyone present enjoyed it immensely.

From where I sit ... by Joe Marsh

Our Town Makes Good in New York City

Couldn't place a new subscriber named Clark, but I found out who they were last week when they dropped in *The Clarion's* office.

"We're native New Yorkers," Mrs. Clark said, "and all our friends there are originally from other places. We always felt left out when they talked about things 'back home.'"

"That's why we 'adopted' your town and to get all the news we subscribed to *The Clarion*. Now we have a 'back home' to talk about—and we think it's the most wonderful town there is!"

From where I sit, just about everyone thinks his own home town is best. Picking your town comes natural. The right to do this "picking," though, is what really counts. Whether it's a favorite town, a favorite cut of meat, or even a choice of a beverage—say between beer and buttermilk, it's respecting the right to this freedom of choice that makes a good neighbor. I hope you subscribe to that!

Fulton Lions Hear About Brownies

At their regular meeting Monday night Fulton Lions entertained as guests Mr. Adams of the Capt. Davis Drive In and Mr. McCord of Phillips Petroleum Co., with Mrs. McCord and daughter, Sally. Mrs. McCord talked to the club about Brownies. Some of the members were of the opinion Brownies were little cookies good to eat. Mrs. McCord advises Brownies are little cookies all right but we buy uniforms for them and send them to camp each year. Any way the talk was enjoyed.

W. E. Robison was installed as a club member and the secretary was instructed to send flowers to Lion Jim Sorenson, who is ill. The club voted to hold a joint meeting with the Rockport Lions to hear Rep. Bell. This meeting will be Tuesday night, Dec. 7.

Homemakers' S. S. Class Meets at West Home

The Homemakers' Sunday School class of the First Baptist Church, met at the home of Mrs. Grady West on Tuesday evening at 7 o'clock. After the business of the meeting was transacted, Mrs. West served refreshments to Mrs. Pat Boyd, Mrs. Jessie Williams, Mrs. Paul Ramsey, Mrs. John Roaten, Mrs. Mary McHugh, and Mrs. Judy Thompson.

High School P-TA Meets in Cafetorium

The Aransas County High School P-TA met Tuesday, Nov. 2, at 7:30 p. m., in the high school cafetorium, Mrs. M. A. Cannon, president, in the chair. Plans were made for a number of the organization's members to attend the state meet which will be held in Corpus Christi Nov. 17-19.

The chapter received its charter. After the business meeting, Mrs. M. J. Bearden presented the program on legislation. Dave Coleman then gave a short talk.

The civics class then held a debate and a panel discussion. Subject of the debate was "Lowering the Voting Age to 18." Those who took part were Joy Roe, Billy Mitchell, Ramsey Bearden, and Bob Martin. The panel discussion which followed was led by Sally Fields, Buddy Robbins, Ramsey Bearden, Billy Mitchell, and Billy Puhl. Moderator for both the debate and the panel was Carol Sparks Keller.

Mrs. J. F. Miller and two sons of Houston, are visiting her parents, Mr. and Mrs. Rufus Casterline.

M. E. McElveen and son Isham McElveen, attended a family reunion at Maryville, La., this past weekend.

Mrs. Seth Steele and Mrs. Mary Juergens will attend a district Red Cross meeting at the Naval Air Station, Corpus Christi, on Friday.

W.M.U. Meets

Members of the W.M.U. Society of the First Baptist Church met Thursday morning, Oct. 28 for their regular monthly business meeting. Mrs. Reid Simmons, president, presided at the meeting. Mrs. Grady West, Jubilee chairman, led the group in singing after which Mrs. Ed Beasley gave the devotional. Mrs. Davenport, secretary, read the minutes of the previous meeting.

After reports from each officer and chairman for present and future plans of their works, Mrs. Davenport read a letter from Mrs. Pearce inviting the W.M.U. to a meeting which will be held in Alice on Nov. 8. Foreign missionaries will be guest speakers. A turkey dinner will be served. Some seven or eight people from the local society have made reservations to attend.

The next meeting will be a missionary program, followed by a covered dish supper at the home of Mrs. John Roaten, on Nov. 11. Mrs. Bill Clark, program chairman, is planning an interesting session. Mrs. J. V. Ferguson, social chairman, will arrange the lunch.

Rockport Lions Meet

Rockport Lions met Tuesday, and had as their luncheon guest Bob Martin, senior class representative from Aransas County High School, who was one of the winners in the Halloween decorating contest sponsored by the Chamber of Commerce and the school. Coach Borchert showed some football pictures.

Canal Association To Hold 1954 Meet in Victoria

The Intracoastal Canal Association of Louisiana and Texas, organized at Victoria in 1905, will stage its 50th annual meeting there next year.

The site was chosen by delegates to the annual convention held at New Orleans, recently according to area men who attended, including Carlton Crawford of Palacios and Morgan Daniel of Port Lavaca, seafood dealers.

Col. William P. McCrone of the Corps of Engineers told the association that reports will be sent to Washington in January on the proposed deep-water outlet from the Matagorda Bay area into the Gulf of Mexico.

Three locations being considered for the pass are Green's Bayou, the mouth of the Colorado River on Matagorda Peninsula and Pass Cavallo, a natural pass which has shoaled up between the peninsula and Matagorda Island.

Army Engineers must approve field surveys for dredging the proposed channel from the Intracoastal Canal to the Gulf. Obtaining the deep-water outlet is the main purpose of the Texas Mid-Coastal Water Development Association, organized in March by citizens of six counties in the area.

School Band Gets Around Says Leader

This year the A.C.H.S. band will have traveled 2,200 miles by the end of the school year. Eight hundred and eleven of these miles were to football games played by the Pirates, and the balance is accounted for by various trips to contests and events like band day at Rice and Texas.

Members of the band attended two university games, the Rice-Florida game, and later, the Texas-Arkansas hassle, at Houston and Austin, respectively.

Band director Jerry Hoffman says that he has long observed one event on these trips with fascination. Come meal time, it's a very common event to see over a hundred sandwiches disappear completely in less than fifteen minutes: Another interesting feature of the trips, he says, is the way that three or normal men and women can become neurotic in less than ten miles of travel. Chaperones, although older, and presumably stronger and better adjusted, are frequently unable to stand the pace set by the youngsters.

Mr. Baldwin has been known to tear his hair; Mr. Barre has been heard to say something besides "Slowly"; and Director Hoffman has been seen when he lost his temper and really told someone off on these trips. However, it's all fun, say youngsters and adults alike, even when you're so tired you can hardly hold your head up.

One of the fascinating parts about one of the trips is the puzzle that always comes at the end, when ties, coats, caps, soft drink bottles, and, once, even a pajama top must be picked up from the bus and returned to their proper owners.

Despite all these things, the trips make up for 7:30 marching practices, where wet feet and mosquitoes are part of the hazards encountered by band members.

Rockport P-TA Carnival Huge Success Clears Over \$800

The Rockport P-TA Hallowe'en Carnival was a huge success, clearing nearly \$800 for the P-TA treasury, according to Mrs. Lillian Sorenson, who wishes to thank everyone concerned for their help. "Without the wholehearted cooperation we received," she said, "the party would not have been nearly so successful."

The parade started at 6 p.m., and after that prizes of \$2 each were awarded for the costumes. Best boys' costume for Hallowe'en was that worn by Willie Vega. The best Hallowe'en costume for girls was modeled by Janis Clark. The most comical boy's costume was worn by Steirly Rozzell, Jr. Linda Clark was the most comical girl, and the cutest Tiny Tot prize was awarded to Becky Baldwin.

At the Tiny Tot Circus and the Men's Style Show there was not even standing room available, according to Mrs. Sorenson. Nancy Courts was crowned Queen of the Carnival; Ronnie Boequet was princess, and the ladies in waiting were Carolyn Munnerlyn, Sandra Spencer, Betty Johnson, Shirley Loessin, Emily Dominguez, Joan Hutton, and Georgetta Roberts.

Texas in Review

Six Southwest Conference teams will be seen in action next week on Humble Oil & Refining Company's TV program, Texas in Review. The program will feature outstanding plays filmed during the Rice-Arkansas, Texas-Baylor and SMU-Texas A&M games. Kern Tips will deliver a commentary on the plays.

Besides the football feature, the program will include other items of interest to Texans. There will be films about Texas Beef Week, the East Texas Yamboree in Gilmer, and a house being built in a day in Abilene.

Texas in Review can be seen Monday (November 8) on WOAI-TV, San Antonio, 10:15 p.m.

31-A FOOTBALL

The Sundeen Eagles Friday night defeated the Flour Bluff Hornets, 25-0, in a District 31-A game at Sundeen Stadium.

Larry Bland made the first two touchdowns, from the two yard line in the first quarter and from the 11 in the second. Both tries for extra point were unsuccessful.

Jack Henderson went over left tackle from the 14 to score in the third, and Bland returned in the fourth after a 60 yard drive and a quarterback sneak set up by Henderson on the 35. Joe Penick scored the extra point.

Good defensive play was turned in by Hornets Fred Harris and Bob Hardaway for the crowd of nearly 3500.

The undefeated Hebronville Longhorns last Friday night beat traditional rivals, the Benavides Eagles, 45-14, at their Homecoming game in Hebronville Friday. Longhorn Melecio Garz scored three touchdowns for Hebronville, running 83 yards in the first quarter, 66 in the second and 11 in the third.

Quarterback Rode Gonzalez passed for the three other Longhorn scores: to Rene Ramirez for 25 yards in the first, Anibal Hinojosa in the second for 35 and 40, and Mede Llin for 10 in the fourth. Three of Joe Cantu's six tries for extra points were successful.

The Eagles scored twice in the second quarter. Billy Garrard went over from the two yard line and Pable Alaniz passed to E. Canales for a 34-yard run.

The Woodsboro Eagles Friday night defeated the Bishop Badgers 41-0 in a hard fought homecoming game at Woodsboro.

Guy Meissner ran 59 yards to score in the second quarter and then made the extra point on a rush. Robert Duncan ran from the nine in the fourth to gain the Eagles' second score. Meissner again ran for the extra point.

Woodsboro lost the ball five times on fumbles and was kept off balance by 11 Bishop punts. Bishop had no fumbles.

The game was the Eagles seventh straight win after losing their opener to Ingleside.

Outstanding for the Badgers were Robert Bull, halfback, and A. Shafer, end.

MOTHER'S SOUP

Remember when mother made soup? Starting with a soup bone, she kept adding vegetables and seasoning until by supper time it was a meal in itself. Today, most soups are made with a can opener, but they lack the flavor and stick-to-your-ribs quality of the soup mother used to make. Lickin' good. Remember?

What's new with Chevrolet? everything!

Wonderful new Glide-Ride Front Suspension — New spherical joints flex freely to cushion all road shocks. You glide over the bumps! New Anti-Dive Braking Control, exclusive with Chevrolet, assures "heads up" stops.

Great new V8—two new 6's—New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. Two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

Easier steering, stopping, clutching—The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.

And look what you see from the driver's seat—New Sweep-Sight Windshield curves around to vertical corner pillars. And you can see all four fenders from the driver's seat!

New Outrigger Rear Springs—Rear springs are attached at the outside of the frame for greater stability in cornering.

Tubeless tires as standard equipment — On all models at no extra cost!

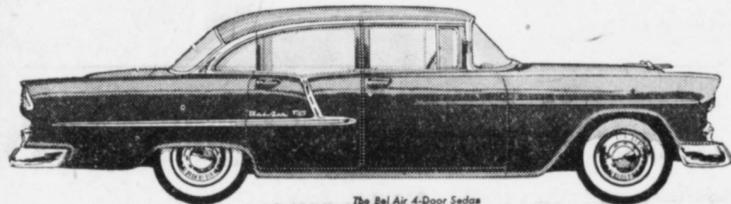

A ventilating system that really works—New High-Level Ventilating System takes in air at hood-high level, away from road heat, fumes and dust!

Even Air Conditioning, if you wish — Air is heated or cooled by a single unit that requires no trunk space! (V8 models only.) It's just one of the wonderful extra-cost options Chevrolet offers!

Three drives, including Overdrive—Powerglide with the new V8 or the new "Blue-Flame 136." New Overdrive with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

... and Chevrolet's got that long, low "let's go" look—It's a show car from the word go! Glamorous interiors have more room for hats, hips and shoulders!

**Aransas Gets
Discovery and
High Point Wildcat**

An Aransas County oil discovery and the staking of a new wildcat in the general area highlighted South Texas operations at the end of the week.

The No. 1 Stanley and others has had gas shows up the hole. It is a little over one mile southwest of Atlantic No. 1 Barber, which opened the Aransas East Field in July for 1.9 million cubic feet of gas plus 40.8 barrels of 59 gravity distillate from perforations at 7,014-22 feet.

High Point Oil Co. of Fort Worth has scheduled 9,000-foot wildcat 3 1/2 miles southwest of Rockport.

The firm's No. 1 High Point Oil Co. is 495 feet from the northwest line and 165 feet from the southwest line of the 7.5-acre lease in Block 2, Wheeler Subdivision, John H. Phillips Survey, A-175. The test is about one mile southwest of Atlantic No. 1 Barber. Stanolind holds the fee to the northwest.

This project is commanding a lot of attention in that a new deep section was understood to be in line for extensive testing. This project is on a 5,760-acre lease.

Platform and derrick are complete in State Tract 794.
F. William Carr of Corpus Christi has filed application for permit to drill a 10,500-foot Aransas County wildcat three miles southeast of Rockport.

His No. 1 Crow & Martin, which will be an exception to spacing rule 37, is 189.5 feet from the northeast and southwest lines and 300.5 feet from the northwest line of Lot 1, Block 224, John H. Phillips Survey, A-175.

The test, which is on a five-acre lease, is 3/4-mile west of Atlantic No. 1 Barber, opener and lone producer in the East Aransas Pass Field from perforations at 7,684-91 feet. Atlantic holds the Mrs. L. McClure fee to the northwest. The Grubbs fee to the northeast; Skelly has the J. R. House fee to

the southeast, and Stanolind holds the J. S. Collins fee to the southwest.

Shell Oil Co. Saturday announced a joint operation of five oil companies in a tidelands operation off Galveston Island, east of San Luis Pass.

Shell will use the new C. G. Glascock Drilling Co. mobile barge to drill the deep wildcat try in State Tract 249, 17 miles northeast of Freeport, in about 90 feet of water.

Participants, besides Shell, will be Pure, Humble Ohio and Melben. Others were being awaited at 7,504 feet in C. G. Glascock No. 1 State Tract 2, Aransas County wildcat 9 1/4 miles north of Rockport in Copano Bay.

Working pressure was 1 1/2 pounds and recovery was 100 feet of oil and 900 feet of sale water on a drillstem test through 3/4-inch chokes from 6,792-95 feet under a 1,000-foot water cushion. Bottom-hole flowing pressure was 1,330 and 1,095 pounds, with shutin pressure 2,040 pounds.

Test from 6,853-54 feet and from 6,900-03 feet yielded water. Location is on a 535-acre lease.

Plymouth Oil Co. No. 1 State Tract 124, wildcat five miles west of Rockport in Copano Bay, was awaiting orders after recovering half oil and half salt water from perforations at 7,684-91 feet in 7-inch casing at 9,018 feet, with total depth 9,025 feet.

Drilling below 5,960 feet on a 9,250-foot permit was underway at John W. Mecom No. 2 State Tract 127, wildcat in the Copano Bay area 4 1/2 miles west-northwest of Rockport.

Humble Oil & Refining Co. No. 1 State Tract 692, Aransas County tidelands wildcat 14 1/2 miles northeast of Port Aransas in the Gulf of Mexico, recovered lost tubing and was preparing to perforate and test through 5 1/2-inch casing which was set on bottom at 15,000 feet.

A slated 11,000-foot Nueces County tidelands wildcat seven miles south-southeast of Port Aransas, Gulf Oil Corp. No. 1 State Tract 889 was making hole below 4,010 feet.

Commissioners' Court

Minutes of the commissioners' court of Aransas County for meetings on Sept. 13 and subsequently show the following actions taken:

Sept. 13, current bills examined and approved; county clerk's report and county treasurer's report examined and approved. Sept. 15, the court canvassed votes on the Aransas County Navigation District election. The following tax rates were also adopted: Jury fund, 2c, road and bridge fund, 13c, road and bridge special fund, 15c, general fund, 40c, permanent fund, 25c, mosquito control fund, 5c. This made the total county-wide tax rate \$1.00 per \$100 valuation. Navigation District tax rate was set at 45c.

Sept. 17, merely routine business was transacted. Sept. 30, the map of the Mary Lambert Addition to Rockport Cemetery was accepted. It was ordered that a high lift be purchased for a dual wheel tractor. \$468 was ordered paid out for mudshell used in Precinct 1. A county dumpground for Lamar was designated.

Oct. 11, the issuance of \$415,000 in Navigation District bonds was authorized. A pipeline easement was accepted, and jurisdiction over the water line to Palm Village from Rockport was discussed. An order was issued to purchase a jeep for the county from Chester Johnson. Personal tax on automobiles was ordered dropped from 1955 rolls.

Oct. 15, certain properties in the Smith and Wood Addition were reassessed. F. G. Huffman was ordered to be paid \$300 for preparation of a map on the Rockport-Fulton area.

Oct. 30, a board was appointed to canvass the absentee ballots in the general election of Nov. 2. A model 43 "Rapid Fire Heater" was purchased for \$4,801.00 from the Contractors' Machinery Co. of San Antonio.

Santa Claus Already In Demand In Rockport

Santa Claus is already in demand in Rockport, if the advice from the North Pole is to be trusted. Santa says, in his latest news release, that he received the following letter this week:

Dear Santa Claus:
I want a play high chair, tricycle, I want.

Love,
Judy Torres.

The good St. Nicholas made no comment, other than to say that Christmas demands were going to be unusually heavy this year, and that he hoped that he would be able to get to every little boy and girl that had been good, and deserved presents.

Mrs. Lena Cole, of San Antonio, returned home Saturday, after an extended visit with Mr. and Mrs. W. F. Close. Mrs. Cole came down to attend the blessing of the new Sacred Heart Church, and then stayed on.

GIRL SCOUTS

The Intermediate Girl Scout Troop met Monday afternoon at the Methodist annex with eight members present. A new set of officers was elected. They include Georgia Kresta, chairman; Patsy Conner, treasurer; Marie Benavides, secretary. The girls worked on tenderfoot requirements and made plans for an investiture service next week. They also worked out plans for making Christmas gifts. Joan Hutton was hostess and served refreshments to the group.

Mrs. G. P. Wetzel, leader of Intermediate Girl Scout Troop No. 6, held the weekly meeting of the troop at the home of Mrs. Leonard LeBlanc, Tuesday afternoon. Answering roll call were Barbara Barnard, Miceal Rivers, Marcia Wetzel, Margaret Pena, Mary Frances Weaver, Maxine Clinton, Barbara Wright, Frances LeBlanc, June Knippa, Patricia Zadwaski,

Sue Armstrong, Martha Hanna, Winona Roope, Linda Clark, Kathy McClellen. After collecting dues, the hostesses, Marcia Wetzel and Patricia Zadwaski, served refreshments. Plans were made for the next meeting and a discussion held on some projects to be undertaken in the next few weeks. Songs were sung and the friendship circle formed by the girls and leaders just before adjournment.

The third grade Brownie Troop of Fulton had a tea honoring their mothers at the Fulton Lion's Club building, Thursday afternoon. After the meeting was called to order, the girls gave the promise and pledge of allegiance to the flag. All of the 12 members were present and all helped to serve the 12 mothers who were their guests.

The second grade Brownie Troop of Fulton met Monday afternoon at the Fulton Elementary School. After a program of games and songs, plans were made for an investiture ceremony on Nov. 8. Mrs. R. M. Campbell served refreshments to the ten members present.

The third grade Brownie Troop met at the home of Mrs. Henry Camehl, Monday afternoon. After attending to routine business, the girls enjoyed a story, "The First Thanksgiving Day," read by their leader, Mrs. Tom Conner. The hostess, Carla Lee, served refresh-

ments to 10 Brownies and two new members, Beverly Jane Coverdale and Jean Miller.

Brownie Troop No. 4 met at the home of the leader, Mrs. C. L. Grant, Monday afternoon with 8 members present. The girls worked on handing flower baskets for their rooms. The hostess, Dolores Etheridge, served refreshments. The scribe, Virginia Holland, took notes of the meeting.

The second grade Brownie Troop met Tuesday, Oct. 26 at the home of Mrs. Gerald Brundrett. The meeting opened with the Brownie promise. Sue Taylor called the roll and Joy Hoffman collected the dues. Good deeds were reported. A story, "The Witches Choice," was read and the Hallowe'en project completed. After playing some games, refreshments were served by the hostess, Mary Lou Johnson. The Brownie Smile Song closed the meeting.

Girl Scout Troop No. 5 met at the Scout Hut, Friday afternoon, Oct. 29 with 11 members present. The girls recited the Girl Scout laws and rehearsed their flying up ceremony. Refreshments were served.

Girl Scout Troop No. 5 met at the parish house of St. Peter's Episcopal Church, Wednesday afternoon, Oct. 27, with eight members present. Refreshments were served to Irma Rita Young, Peggy

HEADIN' FOR THEIR FIRST ROUNDUP—Girl Scout Poster Girl Kathy Iverson, right, and Mrs. George S. Dunham, chairman of the Girl Scout National Camp Committee, discuss the poster which heralds the first large-scale camping event ever sponsored by the Girl Scouts. Williams, Terrie Ankele, Dirapage Wood, Shirley Loessin, Jackie Deason, and Luina Moore and the leaders, Mrs. Catherine McLester and Mrs. A. E. Wood.

The second grade Brownie Troop met Thursday afternoon with the leader, Mrs. Roy Court Jr. and assistant leader, Mrs. William Nelse Johnson Jr. The meeting opened with a song and the Brownie promise was given by each girl, then given by the group. The girls finished their Hallowe'en noise makers and Jack-o-lanterns. Lola Jean Lewis served refreshments, hot chocolate, Hallowe'en candies and cookies, to Terry Thomas, Sherill Hayes, Jill Roope, Linda Lou Eller, Pamela Court and Susie LeBlanc. The meeting closed with a Brownie song.

Rockport Presbyterian Men Hear School Talk

Twenty-four men attended the regular meeting of the Presbyterian Men of the Church, Monday night.

Patrolman Robert Schole of the State Highway Patrol, Corpus Christi district, was the speaker. Sheriff A. C. Shivers was a guest. Hostesses for the dinner were Mrs. Joe Caldwell, Mrs. Jimmy Little, Mrs. James Cruser, and Mrs. Floyd Smith.

Rice is the principal food for one-third of the world.

Woman's Club Members To Meet at Bruhl Home

The Woman's Club will meet Tuesday, Nov. 9 at 3:30 p. m. at the home of Mrs. A. L. Bruhl. At this time, the club will present in piano recital, Miss Nancy Miller of San Antonio, junior piano student at Trinity University. Miss Miller, the great-niece of Mrs. Bruhl, and the great-granddaughter of the late Dr. J. E. Harrison, has given several recitals in San Antonio. She is the recipient of the Frederick's Foundation scholarship and the Harold Bauer award. The meeting will be limited to the membership of the club and all club members are urged to attend.

Council of Churchwomen To Meet at St. Peter's

The annual meeting of the Council of Churchwomen will be held Friday, Nov. 12 at 3 p. m. in the rectory of St. Peter's Episcopal Church. Annual written reports will be given, and new officers elected.

NOTICE

All Aransas County High School Pirate football fans are asked to buy their tickets from Dr. H. F. Elliot. Attend the game at Flour Bluff on Nov. 19. Your support is needed as they want to finish cutting down the "Old Pine Tree."

In the run-off: Most Beautiful Girl, Sally Fields and Roanna Roberts; Most Likely to Succeed Boy, Bobby Bracht and Bill Buckley; Best Girl Personality, Sissy Mundine and Betty Edmunson; Senior Favorites, boy, Pete Haynes and Jackie DeForest, girl, Carol Keller and Gloria Dye; Junior Favorite Girl, Carol Breashears, Sissy Mundine and Deanna McNorton.

Correction

Last week on the honor roll we missed someone. Due to the fact that she was absent and could not speak for herself, Ann Williams' name was left off the list. Ann made all A's but one.

Student Council Meets

It was decided at the Student Council meeting, Wednesday, Nov. 3, that the juke box the P-TA rented for the Halloween party will be purchased through the Student Council. It will be left in the cafeteria to be played during the noon hour and for dances.

The National Honor Society will be started for students who have an 85 average or above, for which they will receive a pin. The chapter fee will be \$5.00, but there will be no dues.

Hunting

It is about time to begin another hunting season. This is a favorite sport among most men today, but in the early days it was a way of getting food. The first articles made by man were spears and axes to be used for

Aransas County Exceeded Only by Kenedy County In Bond Purchases

Aransas County continues to hold its lead in the purchase of U. S. Savings Bonds, Fred Bracht, local chairman said today. As a matter of fact, only one county in the state has exceeded its quota farther. Kenedy County exceeded its quota by 4000% with the purchase of \$20,092 worth of bonds, and has remained at that point for some months. Bond purchases in Aransas County have continued, however, and have crawled from 115% of the quota last month to 141.12% this month, the total amount of bonds purchased being \$84,671.

killing game. In the Middle Ages hunting became a sport for the wealthy people, but to the poor man it was still a way of getting food.

Most hunters get satisfaction in killing game, because they feel they have outwitted the animal. Today's sportsman has the advantage over animals. No animal can run faster than a bullet. On the other hand it can run faster than man, knows the woods better, and can hear and smell better than men. A good hunter must learn the habits of the beast he is hunting, so he can put this knowledge to work, and trick his quarry. Some enjoy hunting because it gives them a chance to study nature and the habits of wild creatures. Others like it for the out of door exercise they receive.

In this part of the country duck, deer, and dove hunting are important sports. Take it easy and be careful. If you like to hunt don't make this year your last one!

Students See Movie

The movie of the recent football game between the Premont Cowboys and the Pirates was shown to the students Tuesday, Nov. 2. Each one paid 25c admission in advance to help buy the film.

Seniors Take Prize

The seniors took the \$15.00 Halloween prize, with the sophomores \$7.50 prize following and the juniors came in last to win the \$5.00 prize.

The seniors window was at the Mobile Gas Station. It was a scene of witches making brew and Ichabod Crane saw this and was frightened away. The idea was made up by Bob Martin, and the window was also painted by Bob.

The sophomores had their window at West's Red and White, while the juniors had Ankele's window.

Pep Rally Held

A small pep rally was held Friday, Oct. 29, after the Student Council assembly. The cheer leaders led the yells. Immediately following the pep rally the boys left for Premont.

P.-T.A. TO HAVE CORPUS CHRISTI MEET

The call of the Texas Congress of Parents and Teachers to its membership to attend the 46th annual convention in Corpus Christi November 17-19 has been issued from the state office in Austin.

Highlights will include addresses by Dr. Kenneth McFarland of Topeka, Kan., educator and lecturer; Dr. John Carroll of Lubbock, head of the department of education, Texas Tech, and chairman of rural service of the National Congress.

There will also be a youth panel, composed of international students, and led by Joe W. Neal, director of the international office of the University of Texas.

Program demonstrations will take up the second day, the subjects to include mental health, international relations, legislation and community-school relations.

Mrs. Leon S. Price of Dallas, state president, will preside, assisted by the state vice-presidents, and will present the administrative theme, "Concerted Action; Richer Dividends—for Every Child."

The following nominees for state vice-presidents will be voted on: Mrs. C. D. Beard, Vernon; Mrs. T. W. Whaley, Kosse; Mrs. J. C. Stewart, Brenham; Mrs. Stanley Erskine, Midland.

Greetings will be brought by Miss Waurine Walker of Austin, president of the National Education Association; Dr. J. W. Edgar of Austin, state commissioner of education; Mrs. Kate Bell of Houston, president of the State Teachers Association, and local city and P-TA officials of Corpus Christi.

Special features will include song fests, special music, a council luncheon, delegates' banquet, a breakfast honoring life members, district get-togethers and a cruise on Corpus Christi bay.

General sessions will be at Memorial Auditorium, with headquarters at the Nueces Hotel.

Delegates from Rockport are: Mrs. A. R. Griffith, Mrs. S. F. Jackson, Mrs. Grady West, Mrs. Shelley Roaten, Mrs. N. F. Jackson, Mrs. Floyd Smith, Mrs. B. W. Hamblin, Mrs. Earle Thomas, Mrs. Malcolm Boquet, Mrs. Lillian Sorenson and Mrs. Ellis Clark.

Tourist Group Plans Appeals

The Coastal Bend Tourist Association have made plans to spend \$75,000 next year advertising this area as a tourist spot.

The money will be spent in newspaper, magazine and movie advertising, participation in sport shows and on colored brochures which will be distributed through various channels, such as tourist agencies and airlines.

The plans were made at a committee meeting attended by Jack Creveling, president, Herbert Morrison, Oscar Koepke, Lon C. Hill, Jeff Wakefield, Leland Ross, Heyward White, M. S. Lichtenstein and Jerry Cates, of the Corpus Christi Chamber of Commerce, and Bill Brown, managing director of the association.

A membership drive is scheduled to begin Nov. 15.

Apparel Mart Seen By Mrs. Clyde Townsend

Mrs. Clyde Townsend was in San Antonio Sunday, to attend the three-day San Antonio Spring Apparel and Holiday Market at the Gunter Hotel.

Everything from toys for the youngster's Christmas stocking to Bikinis for milady's summer-time wardrobe was displayed.

A total of 193 area and local retailers were on hand to view the wide variety of merchandise exhibited by 128 representatives of nationally advertised fashion houses and clothing manufacturers, E. L. Edge, chairman of the sponsoring manufacturers and wholesalers committee of the San Antonio Chamber of Commerce, reported.

Edge said 70 cities in the south and southwest Texas area were represented, including Aransas Pass, and Rockport.

B. & P. Women's Club Hears Mrs. Poole

Miss Iris Sorenson presided at the Monday meeting of the Business and Professional Women's Club. Mrs. Critcher then read the Collect. The program for the evening was in charge of Mrs. Seth Steele, program chairman, who introduced Mrs. Ruby Poole, of Corpus Christi, immediate past state president of the Business and Professional Women's Club. Mrs. Poole gave a very interesting talk on jury service for women.

Visitors from Corpus Christi were Misses Reba and Bern Cahill; from Aransas Pass were Mrs. Mozelle Mitchell, Mrs. H. C. Mills, and Mrs. Florence Mercer. Rockport visitors were Mrs. Paul Wilhelm and Mrs. Paul Reese. After the meeting the group adjourned to Captain Davis Drive-in for coffee and conversation.

Hunters Sunrise-Sunset Tumbles Important to Those Who Want to Obey Law

To those who wish to keep out of the clutches of law enforcement officers during the duck and goose season, the times of sunrise and sunset are important. Shooting begins each day (except Nov. 5) at one-half hour before sunrise, and ends at sunset. This means the official sunrise and sunset, not the one that you eye may dictate.

The season on brant, coots, ducks, and geese opens at 12 o'clock noon on Nov. 5, closes at sunset on Jan. 3. Shooting hours, one-half hour before sunrise to sunset. Season closed on black-bellied tree duck. Limits: 10 coots per day or in possession; 5 ducks per day, 10 in possession, including not more than one wood duck and one hooded merganser, and excepting American and red-breasted mergansers, for which bag limit is 25 per day with no possession limit after first day; geese and brant, 5 per day or in possession, including not more than 2 Canada geese or subspecies, or 2 white-fronted geese, or one of each.

For the convenience of those interested, The Pilot gives here-with the official sunrise and sunset times that will be observed during the season:

What Duck—

(Continued from page 1)

mallards are found by the thousands along the Sabine, Neches, Trinity, and Brazos rivers bottoms. Two duck "aristocrats" are the red-heads and canvasbacks, both of them divers.

"Cans" are distinctive afloat, ashore, or in flight. The white-backed males, with their red heads and black breasts, exhibit a striking color combination. The gently sloping line of the bill and forehead is different from that of any other closely related duck and of a good means of distinguishing the female from the similar female redheads. However, canvasbacks have black bills, redheads, light blue. Redhead drakes are finely barred on the back with black and white.

Ringnecks, or ringbills, are easily distinguished by a prominent white ring at the base of the bill. American goldeneyes are frequently mistaken for redheads. However, there are a number of markings by which they can be distinguished, the most prominent of which is the golden eye from which they take their name.

There are six species of geese that commonly occur in the state. The Greater Canada, or honker, the Lesser Canada, and the Hutch? ins all look very much alike. Size is one of the easiest means of differentiation. Honkers average in excess of six pounds even when immature. Lesser Canada average between five and six, and Hutchins are not much larger than a mallard. The other three species are the white-fronted, or speckle-bellied, the lesser snow, and the blue goose.

U. S. O. Campaign—

(Continued from page 1)

hopes of a decent future may be assured, so they may return to us as good and useful citizens.

The great instrument which the American people have created to provide these home ties is the USO — United Service Organizations.

As long as Texas boys and girls in growing numbers continue to serve in the Armed Forces, there will be a need for the "home away from home" service that USO provides.

Right now we are in the midst of a fund campaign to support the activities of the USO, both at home and abroad. Our Texas goal is \$775,000. Actually it is a nominal goal, for it means we are asked to give so little that means so much for the morale and well-being of our own folks.

This is a responsibility we must assume—an investment in our young people we cannot refuse to make.

These boys and girls, though many of them are thousands of miles away, are still ours. Contributions can be sent to the United Fund c/o Vernon Kleypas, Box 1245, Rockport, or may be given to men of the soliciting committee.

This consists of: E. G. Brooks, Aransas County High School; H. T. Durbin, Walker's 5 & 10 Store; E. H. Olsen, ABC Trailer Park; L. T. Cannon, Ankele's Hardware; Jack McCready, Western Auto; and Bill Clark, Hunt Oil Company.

Duck Season—

(Continued from Page 1)

of the grain is harvested in three western provinces, which means mallards will stay as long as they have feed. Water conditions in all three western Canadian provinces are the best in many years.

Present indications are that this season should be as good, if not better, than 1953.

Over around Port Bay, on the road to Bayside, there are lots of sprigs.

In the Rockport area ducks and geese have been coming in pretty steadily ahead of the recent northers. The ducks are stopping over, but the geese seem to be heading for the Valley.

General rains all along the Coastal Bend, and plenty of feed should hold the flocks, so that shooting, at least until the birds become frightened, should be better than average.

J. R. Singleton, Game and Fish Commission biologist, said that the rains had arrived just in time, as it had been so dry that there had been a good chance of waterfowl jumping Texas and going on to Mexico and Central America.

Up in Colorado County water and feeding conditions have improved in an area noted for its winter concentrations of ducks and geese. Around College Port and Palacios snow geese have begun to come in in numbers, but Canadians are passing on by. There are, however, plenty of ducks, teal, pintails, and redheads.

South of Corpus Christi flights are about equal to the same time last year. The lower Laguna Madre has the largest concentration of redheads and pintails.

Decoration Contest—

Store. Second place in this division was taken by Fulton first grade, with the picture they put on the window of Furlong's Drug Store in Fulton. Third prize went to Fulton second grade, for their window at the Fulton Red and White.

In the fourth and fifth grade division, the winner was Rockport fifth grade, with their window at the Prophet Furniture Co. Second place went to Rockport fourth grade, who did the window on Bill's Sporting Goods, and third went to the Fulton fifth grade, for their window at Wilson's Sporting Goods in Fulton.

In the sixth, seventh, and eighth grade division, Rockport 7A was winner, with the window on the side of Roe's Piggly Wiggly. This window received the highest grade of all, as far as originality of concept was concerned. Second place went to Rockport 8A, who painted the right side of Sorenson's, and third was awarded Rockport 6B, who painted Lassiter's window.

The high school division produced some outstanding examples of Halloween art. First place went to the pictures on the windows of Taylor's Magnolia Station. Second place went to the sophomore's windows on the front of West's Red and White, and third place went to the juniors, who decorated Ankele's.

Windows that the children did themselves, with a minimum of supervision were preferred to those where they had considerable help from older people, inasmuch as the program is primarily for the children.

Prizes were awarded the winning classes by Mrs. Mary Juergens, secretary of the Chamber of Commerce, this morning. First prize in each division was \$15; second prize was \$7.50; and third prize was \$5, making a total of \$110 in all. This was donated by merchants of the town.

Pass; Mrs. D. C. Brown, Mathis. The Rockport-Fulton neighborhood will carry a local budget of \$400 this year, making a total of \$1,200 for the Rockport-Fulton Girl Scout fund.

A report from the acting registrar, Mrs. Frank Boyd of Beeville, showed a total of 68 troops in the council. New troop numbers were distributed to each neighborhood numbering 1 through 68 by a plan which has enabled each neighborhood to retain a few of its original members. Intermediate Troop No. 3, under the leadership of Mrs. Roy Hinton, won the council name contest which has been running for the past month. Troops were asked to submit a new name to identify the three-county council. The name voted on at the meeting Monday night was "Whooping Crane Girl Scout Council," which will particularly identify the council since this is the only section of the United States which can use it. A prize of \$5 was awarded to Troop 3, Rockport.

The development committee also voted to allow each troop to carry on one project a year in selling cookies, peanuts or something similar to pay for camp expenses. This means each troop may conduct one sale to help pay for camp equipment to furnish the established camp, or to pay for individual girl's expenses at camp.

Attending the meeting Monday night were Emory Spencer, Mrs. A. L. Holland and Mrs. James B. Jackson.

The Girl Scout Little House is now ready for occupancy, and if anyone has any discarded furniture which they are willing to donate for use by the scouts, please contact any of the scout leaders, says Mrs. James B. Jackson.

WATERFRONT—

(Continued from page 1)

Harry Mills caught some nice fish, but no count was kept on them. Saturday, Don Haworth and party, of Houston, fished with Morris Gregory and strung 91 trout. The Woods party of Houston had two boats out. They fished with Harry Mills and Red Bell, and caught 320 trout, redfish, and drum. The Johnson party, of San Antonio, fished with Jean Gregory and caught 53 trout. Lewis Barzilla and party fished with Harry Mills and Morris Gregory, and caught 170 trout on Sunday. Mr. Johnson fished with Red Bell, and caught 140 trout. Charlie Hill, of San Antonio, fished with Jack Lawler, and although they came in early, before the wind hit, had managed to catch 78 nice trout.

Bill Crist had Mr. and Mrs. Roy Temple of Dallas out last Wednesday and they came in with 74 trout. Friday, Mr. and Mrs. Howard Hackney, and Mr. Parker, of Dallas, stopping at South Beach Lodges, fished with Bill and caught 209 trout, all of which would run over 15 inches. Sunday, Mr. and Mrs. Williams, of Dallas, caught 84 trout. Monday Frank Sackse, Mr. Carr, and Mr. Stevenson, all of Dallas, tallied 99 trout.

Fishing with Fred Christilles, Mr. F. Smith, of Houston and party caught 150 trout, rat reds, and 11 drum, last Wednesday. Friday, Howard Hackney, of San Antonio, caught 139 trout.

At Carly Floyd's the fishing on Monday was tops. Jimmie Frazier, Tommy Martin, Melvin Clary, and Kenneth Jackson, all of Lampasas, caught 141 trout, redfish, and flounders. Mr. and Mrs. Boyd, of Dallas, strung 40 trout; Mr. and Mrs. Uhl, of Dallas, caught 20. A bunch of clergymen from Oklahoma did some fancy fishing also, so maybe there is something in the old saying "about paying the preacher. They were the Rev. Robert E. Goggins and Rev. John Grace, of Oklahoma City, the Rev. Claud Davis and Rev. J. L. McQueen, of Lawton, and the Rev. Joe Stumbaugh, of Winoka. Between them they caught 200 trout.

They have pink and green rattlesnakes in the Big Bend, and they don't come out of bottles, either.

The Rockport Chamber of Commerce says that Texas sunshine is so invigorating that caretakers in the cemeteries go around saying, "Lie down! Lie down!"

U. S. oil reserves are at an all-time high, 34.3 billion barrels, despite the greatest consumer demand in history.

According to tradition, a former somewhat stuffy president of the University of Texas was quite annoyed by student frivolities. At chapel one morning, after an especially wild evening, the old gentleman leaned forward, shook his finger in the student's faces, and in melodramatic tones announced: "Young men and women of the University, the eyes of Texas are upon you." The students took up the chant, singing it to the tune of "I've Been Working on the Railroad." Lines were added, and the song was sung in mockery. However, when he died, his widow asked that the song be sung at his funeral, and, with the tempo slowed down to that of a hymn, it has remained as the Alma Mater of the University.

In states which produce oil and gas, the income from these resources and the taxes paid by the petroleum industry support hospitals, schools, and other public institutions.

Premont Game—

(Continued from Page 1)

fourth touchdown came just before the quarter ended. Camehl again made a touchdown jaunt, this one for 42 yards, and the Pirates led, 25-0.

Reserves played the most of the second quarter with some of the first string boys coming in just now and then. Camehl took a hand-off from a fake punt and went 55 yards untouched, making four for him at the end of the half.

In the third quarter, Camehl took another pitch-out and went 20 yards for his fifth touchdown. Bradshaw faked a kick and ran around end for the extra point.

Midway in the fourth quarter, Camehl, running from the tailback position, slipped around his left end for three yards and a touch-down. The extra point attempt was blocked and the game ended with the final score Pirates 45, Cowboys 0.

Winston Weber and Martin Pena did some nice running during the night. Bobby Close, freshman guard, looked very good in his ball carrying chores. The Pirates entertain the Sundeen team at Pirate Stadium tomorrow night.
