

Bank Assets Climb Since July Report

Total Now \$3,009,619 Against \$2,789,671
Three Months Ago; Deposits Reach \$2,063,415
Compared to \$1,720,208 Reported In July

Assets of the First National Bank have climbed steadily during the last three months, reaching a total of \$3,009,619, \$219,947.83 more than the total three months ago. Individual deposits have also risen to \$2,063,415.08, an increase of \$343,206.72.

Government deposits increased from \$23,970.77 to \$31,587.74 but state funds have decreased slightly, falling from \$847,602.81 to \$705,154.96.

This decrease is due in part to withdrawals by the Navigation District to pay for work done on Rockport and Fulton harbors. Loans and discounts also decreased slightly, from \$457,920.91 to \$395,806.12.

Along The Waterfront

Believe it or not, fishing is picking up a little. Hugh Morrison said that he had more come in to the freezer Tuesday than he has had in any one week in the last four. Wednesday he reports that a Mr. Hutch and party brought in 83 pounds of trout, red and drum, that they had caught wading, and that's the way nearly everyone has been getting them.

Willie Close and Austin Smith have been fishing most of the week, and have been catching some reds nearly every day, enough to make it worth while to go, at any rate. Wednesday Willie had H. R. Craft and H. C. Preston, of Dallas, wade fishing, and they caught 11 nice reds and 25 trout, the largest of which would weigh four and a half pounds.

Earle Thomas had the big catch on trout this week, however. He had H. R. Craft and H. C. Preston, Dallas, on Tuesday, and they came in with 133 nice specks. Needless to say, they were delectable.

National and Texas Poetry Days to Be Observed Jointly

National and Texas Poetry Day will be jointly observed in a program at the Aransas County High School auditorium, Saturday night at 7:30 o'clock. J. D. Donaldson, regional chairman for the Texas Council for the Promotion of Poetry, is sponsor for the event with Mrs. M. J. Bearden and Mrs. W. E. Beasley, local chairmen in charge of the program. Mrs. A. C. Glass is chairman of prizes and contest awards. Pastors of the various churches in the county will give short expressions of the value of poetry in religion. Musical numbers will be given by Mrs. W. D. Broadway and Mrs. Bill Clark, also by pupils of Mrs. Neva Sorenson. The speaker for the occasion will be K. Raeburn Miller of Austin.

Mr. Miller has been the recipient of many local, state and national awards in the field of poetry. He is associate editor of Poetry Public Letter, publication of the University of Nebraska, and has contributed poems to Beloit Poetry Journal, Quicksilver, Kaleidograph, Spirit, Blue Guitar, Pegasus and American Weave.

A cordial invitation is extended to all citizens of Aransas County and visitors to participate in this occasion.

Port Aransas Toll Removal Sought

Removal of toll charges from the causeway and ferry between Aransas Pass and Port Aransas will again be proposed to the Texas Highway Commission later this month.

Rep. Harold Parish, Taft, reported recently that Mayor Ed Tarrant of Port Aransas will lead a delegation urging the commission to provide toll-free service.

Parish declared: "Port Aransas is the only city in Texas which is not served by a state highway."

Pirate Cheer Leaders

Aransas County high steppers that furnish pep for the games. The girls were trained by Miss Hope Lang in Physical Education, and their vim and verve add much to Pirate cheering. From left to right they are: Joyce Warden, Belle Geistman, Faye Washington, Sallie Warden, Sissy Mudine and Nancy McNorton.

City Ends Year Over \$6,000 In Black

According to the report City Secretary Mrs. Mary Lake Segler rendered the City Council Monday night, the general fund, at the end of the fiscal year on September 31, had a balance of \$6,932.75, which is one of the highest balances the books have shown in a number of years.

Among the oddities of city financing, is the effect of the recent rains on income. Water sales for August were more than \$800 higher than in September, when we had rain enough to take care of lawns and gardens.

Income for the month of September was \$5,456.80 from all sources. Water revenue accounted for \$3,565.61; water connection fees brought in \$172; sewer revenue was \$1,215.69; sewer connection fees amounted to \$454; inspection fees collected were \$14; and plumbing permits amounted to \$35.00.

Offsetting this were disbursements of \$5,051.73, but the city still showed a profit of \$405.07 for the month.

Missionary Family To Be At Fulton First Baptist Church

The First Baptist Church of Fulton will have a special service Saturday night at 7:00 p.m., Sunday at 10:45 a.m. and Sunday at 7:30 p.m. with a missionary emphasis. The guest speaker will be Bro. Clyde R. Simpson, of Corpus Christi. Mrs. Simpson and the family are talented musicians and will give special numbers. The Simpsons are soon leaving the U. S. to do missionary work on a small island in the Caribbean Sea. Everyone is invited to attend these services.

Member of Pioneer Rockport Family Dies

Mrs. Lillian Roberts Davenport, 51, member of a pioneer Rockport family, died in San Antonio at 5 p.m. Wednesday evening, after having lived in that city for many years.

She is survived by a daughter, Mrs. Joan Hayden, of Columbus, Georgia; five sisters: Mrs. Mary Adolphus, Mrs. Bertha Lassiter and Mrs. Sadie Curry, all of Rockport; Mrs. Corinne Homburg, Galveston and Mrs. Clara Spinney, Aransas Pass; one brother, Raymond Roberts, of Rockport and two grandchildren.

Funeral services will be held at Sacred Heart Church, Friday at 11 a.m. with a requiem Mass. Burial will be in Rockport cemetery.

Palbearers are Joe Johnson, Charles Cleveland, Fred Bracht, A. C. Shivers, Gerald Adolphus and Leonard LeBlanc.

The Cagle-Marshall Funeral Home is in charge of arrangements.

Mr. and Mrs. Jas. L. Greene and son, Clay, spent Sunday afternoon in Corpus Christi visiting Mr. and Mrs. S. W. Lull.

Will Fisher has recently returned to Rockport where he will make his home after an absence of ten years. Mr. Fisher moved here from Elgin.

Pirates Play Sundeen Friday

The Aransas County Pirates, striving for District 31A honors, take on the Sundeen Eagles tomorrow night in Sundeen.

The Eagles are smarting from a 32-14 setback from the powerful Hebronville Longhorns and will be out to get back into the running themselves.

Once again, the Pirates will go into this fracas outmanned and outweighted.

On the past record of the two teams, this game should be a toss-up. Coach Borchert isn't too happy over the physical condition of his boys. Martin Pena is still out and Billy Shaver, end, may be a doubtful starter. Shaver pulled a muscle in the Bishop game last week.

Sundeen lost their opener to a strong class AA eleven, Del Rio. Since then they have won all their games except to favored Hebronville.

The Pirates have won five games in a row and are undefeated and untied at this time. However, week after week of playing heavier opponents has begun to tell on the lighter boys.

Nevertheless the boys have shown unlimited willingness to play and hustle. This, together with their fundamental knowledge of the game has carried them to their five straight victories.

Slips At Fulton Being Marked And Water Pipe Installed

Harbor Master Jordan Weber started this week on installation of water lines at Fulton Harbor, assisted by C. L. Grant, and they expect to have water to all the piers in the near future.

Boat slips in the area will also receive numbers as soon as Weber can accomplish it, the area having been mapped by Lockwood and Andrews, as a part of the overall development plan.

Needed repairs are also being made to the harbor master's office at Rockport.

Fulton P-TA Sponsors Hallowe'en Carnival

The Fulton P-TA will sponsor a Hallowe'en Carnival on October 22 at the school. First on the program will be the judging of costumes at 6:30 p.m. Prizes will be given to the ones wearing the spookiest, the prettiest and the most original costumes.

At 7 o'clock will come the crowning of a queen, who will be chosen from among the candidates elected by each of the six grades.

Booths will open at 7:15. Among those to be featured are a Spook House, candy and popcorn booth, Country Store, Movies, Grab Bag, Fortune Telling and Dart Games. Cakes, pies, coffee and soft drinks will be sold. Come and have a good time.

A married man lives on less than a single man — cause he has to.

City Fathers Meet Decide On Audit

Seale and McCarty, Beeville, Selected for Annual Audit of City's Books For Fiscal Year Which Ended September 31

The City Council, at its regular meeting Monday night, decided to employ the firm of Seale and McCarty, of Beeville, to conduct the yearly audit of the city's books. Mr. McCarty, who was present, stated that this should take approximately two weeks before they could start on the audit.

This is the same firm that made last year's audit.

The Council also decided to erect a cyclone fence around

UNITED CARBON GRANTS WAGE INCREASE HERE

United Carbon Co. has granted wage increases from eight to 24 cents an hour, to workers at the carbon plant here.

In making the announcement Ray Torres, union public relations chairman, said relations between the Oil, Chemical and Atomic Workers Local 4-316 (CIO), representing the employees and company management was amicable throughout negotiations which started in September.

A raise of 8 cents per hour was given straight daylight workers; 12 cents to furnace plant workers and 10 cents to channel plant workers and helpers.

The shift differential for evening work was set at 6 cents increase and 12 cents was the amount increased for work from midnight on.

In addition to the above the workers were guaranteed six holidays a year with double time if worked.

The union hall was recently moved from Ingleside, in San Patricio County to a site in Aransas Pass, located in Aransas County.

Dredging In Rockport Harbor Making Good Progress; Beach Growing

Dredging in Rockport Harbor is progressing steadily, the Loyd Richardson dredge Archie being close to the turn that leads into the inner basin on Wednesday afternoon.

The sand from this has been used as fill, and now extends from the old railroad wharf to the swimming pier, running about a hundred yards offshore from the seawall.

Tidewater Oil Now Occupying Two Slips Here

Tidewater Oil Company exploration boats have recently rented two slips in the Rockport Yacht Basin, for an extended stay.

Mrs. Rufus Casterline spent last week in Houston visiting her daughter and family, Mr. and Mrs. Jimmy Miller.

U.F. Drive Nov. 14, Col. Porter Chairman

First Gift to Fund Made By Kent Interests Of San Francisco; Sent Entirely Unsolicited As Gesture of Good Will to Aransas County

In a meeting of the Board of Directors of the United Fund of Aransas County Wednesday night, Colonel James W. Porter accepted as campaign chairman; the date of the first drive was set as November 14; and the fund received its first contribution, a check for \$500 from the Kent interests of San Francisco.

In presenting the check, Emory

M. Spencer read a letter from William Kent, Jr., which said that in return for the privilege of making money in Aransas County, Mr. Kent and his associates (who own extensive royalties in the Fulton Field) wished to make a gift to the United Fund here, to be used as the directors saw fit.

Reading of the letter was followed by a discussion of drive organization, and it was decided that this should be a one-day affair. The date was set for November 14.

Spencer consented to head the committee on special gifts; James H. Sorenson, Ernest Jones and Dick Picton are co-chairmen of the committee to contact business men of the city. Other committee chairmen will be announced later.

The drive will include practically all organizations that have been soliciting funds in the area during the past few years, except the March of Dimes. This group is prevented by its own charter from participating and will conduct its own drive in January, as it has in the past.

Members of the Board of Directors present were: Dick Picton, Mrs. Seth Steele, Mrs. Roy Lee Hart, James H. Sorenson, Jr., Emory M. Spencer, Ernest Jones, Ellis L. Clark, Mrs. J. H. Slocum, and Mrs. J. B. Jackson. Also attending the meeting were Colonel Porter and Mrs. Mary Juergens, secretary of the Chamber of Commerce.

County Commissioners Meet, Discuss Routine Business Monday

County commissioners, at their regular meeting Monday, examined and approved the financial reports of the County Clerk and County Treasurer, and discussed the matter of delinquent taxes due on property acquired by the Navigation District at Fulton as part of the harbor expansion program.

It was decided that this property would be assessed at a rate of 10 cents per foot, in order to clear up the matter, and the tracts included in this were: waterfront west of Laurel Street, Cactus Street and Chaparral Street, in Fulton, and the waterfront east of blocks 50 and 27.

The commissioners also voted to pay the bill of \$219.75 for hospitalization of Sam Dennis.

Ellis L. Clark Named Director of 36th District Lawyers

Ellis L. Clark, local attorney, has been appointed a member of the governing board of the 36th District Lawyers' Association. In a letter written October 11, J. H. Flynn, secretary of the group, said:

"Mr. John N. Barnhart, President of the 36th District Bar Association, has confirmed the appointment of Ellis L. Clark, Rockport, as one of the directors for the coming year."

Officers Elected For Coun. of Church Women

Mrs. E. G. Cooke was elected president of the Council of Church Women at the annual meeting Friday afternoon at the First Presbyterian Church. Other officers include Mrs. Paul C. Sorenson, vice-president; Mrs. A. Arnot Ward, secretary and Mrs. Ted Little, treasurer.

Mrs. Harry Mills presided over the meeting and the invocation was given by Mrs. James G. Hooper. Mrs. M. J. Bearden presented the devotional preceding the reading of the annual reports of all officers and chairmen of standing committees. Mrs. Hugh Morrison greeted guests at the door and Mrs. Norvell Jackson was in charge of the music.

ROTARY CLUB MEETS

Arthur Scott, of Goodwill Industries, Corpus Christi, was the speaker at Rotary Wednesday. A. C. Glass was in charge of the program. Visiting Rotarians were: George L. Charlton of Tom Ball and J. Bernard Green, Houston.

Rockport One Of 60 Unbeaten And Untied

With its win Friday night, Rockport remained one of 60 unbeaten and untied teams out of nearly 825 schoolboy elevens in Texas, as the season rolls on towards its halfway point.

Eight teams in Class AAAA still have unblemished records; Class AAA has five unbeaten and untied teams left; there are 25 in Class AA.

Class A has 22 undefeated, untied teams left. They are Spring Lake, Ralls, Ozona, Albany, Chilli-cothe, Duncanville, Quitman, Lindale, Cushing, Fairfield, Deer Park, Missouri City, Industrial, Bandera, Pearsall, George West, Three Rivers, Rockport and Los Fresnos. Unbeaten but tied are Hale Center, Stinnett, Richardson, Hondo, Wolfe City and Carrizo Springs.

Although six members of District 31A have not yet suffered their fatal second conference defeat, the championship race has narrowed down to Hebronville and Aransas County.

The two front-runners are tied for first place, far ahead of the pack with a 3-0 district record. Nobody else has done better than break even in conference play.

Sundeen (1-1), Premont (1-1), Woodsboro (1-1), and Benavides (1-1-1) all have .500 percentages. With exceptional luck, one of them still might finish first.

Bishop (1-2), Flour Bluff (0-2) and Ingleside (0-3) all have lost two district games. They must be counted out of serious contention. Neither Hebronville nor Rockport figures to lose more than twice, and certainly both of them won't drop more than two.

This week's schedule has four conference games for Friday night. The card shows Premont at Ingleside, Rockport at Sundeen, Hebronville at Flour Bluff, and Benavides at Bishop. Woodsboro has an open date.

Hebronville and Rockport both will be favored, although Rockport should have a much tougher time winning against heavy Sundeen.

Quarterback Rene Medellin of Hebronville still will be out with a head injury. He is expected to play again about Oct. 28. Rene Ramirez has been a capable sub for Medellin.

Bishop will be favored to make a comeback after successive losses to Hebronville and Rockport. Bishop's young lineup still is a year away, it appears. The Badgers should close out the season strong and then be hard to beat next year.

Another higher-rated club already out of the 31A running, Ingleside, finds itself a slight underdog against better-than-expected Premont. But Ingleside is due to win one.

Last week Benavides handed Ingleside its fifth straight loss, 14-6. Meanwhile Hebronville and Rockport were staying in the driver's seat.

Hebronville outscored Sundeen, 32-14, while Rockport rocked Bishop, 20-7. Woodsboro overcame Premont, 23-7 and Flour Bluff had an open date.

Mrs. Chas. T. Picton flew to Houston Thursday to spend a week with her daughter and family, Mr. and Mrs. DeWilton Jeffries.

Mrs. H. E. Snyder and son of Hondo, arrived Thursday to visit with her parents, Mr. and Mrs. J. W. Wilkinson. Mr. Snyder came Saturday and they returned home Sunday.

KARANKAWA DISTRICT ADULT LEADERS MEET THURSDAY

The monthly meeting of the adult leaders in the Scouting program in the Karankawa District will be held Thursday, Oct. 20, 7:30 p.m. at the Gregory High School, it was announced today by R. D. Hatch, District Chairman. This will be the last meeting of the District before it is combined with the Copano District which is Refugio County, Hatch said. Because of the district reorganization Hatch is urging all Institutional Representatives and District Members at Large to be present. Hatch will preside at the meeting of the District Committee while E. Chas. Lewis of Sinton will direct the Roundtables for the unit leaders.

The Cub Leaders including Den Mothers and Pack Committee members will meet under the leadership of W. J. Mott for their informal training. The Boy Scout leaders will hold discussions under the direction of Joe Benson while the Explorer Leaders will meet with Cliff Mize of Sinton for their part of the program.

Hatch also announced that the Boy Scout District Camporee will be held at Benson's Nursery in Sinton on November 5 and 6 under the direction of the Camping and Activities Committee headed by J. M. Chrestman of Taft. The date for the District annual meeting has been announced for Nov. 7, Monday to be held in Sinton with the location as yet not set, Hatch added.

ROCKPORT P-TA TO HOLD MEETING

There will be a meeting of the Rockport P-TA on Tuesday, October 18, at the Rockport Elementary School auditorium. This is Father's Night, and the program will be presented by the fathers in the group. Business will include election of a new secretary and a membership chairman. An offering will be taken in honor of the birthday of the Texas Congress of Parents and Teachers. A social hour will follow. All parents are urged to attend.

METHODIST CHURCH OBSERVES LAYMAN'S SUN.

The entire morning worship service will be in the hands of laymen of the church this Sunday morning at the Methodist Church.

Among those participating in the service are: LeRoy Young, William Beetley, J. R. DeForest, Harry Wilson, John Haynes, with E. T. White delivering the sermon. Layman's Day is an annual event in the Methodist Church.

PUNGENT PARAGRAPHS

Judging by the way women drive, most of them want to be an angel.

Bars are things you go into, come out singing a few of, and get tossed behind.

Most women are affectionate only when they want money. But I guess that is often enough.

There are other things in this world besides money. But the trouble is you can't get them without it.

A woman who won't take you for what you are, will take you for what you have.

Then there was the girl who worshiped the ground he walked on until she learned that he didn't own the property.

CUB SCOUT PACK 49 PLANNING COMMITTEE MET OCTOBER 11

Philip Baldwin, Cubmaster met with Den Mothers to organize dens and plan for coming pack meetings, Tuesday, October 11.

The following dens were organized and will meet each Thursday from 4 to 5 at the Den Mothers Home:

Den 2. Den Mother, Mrs. Ernest Russell, Assistant Den Mother, Mrs. W. A. Ormond and Mrs. E. Beasley. Cubs: Billy Ormond, Bobby Borchert, Bubba Armstrong, J. C. Sanders, Dennis Davis, Delian Beasley, Gerald Sanders, Steven Russell, Charles Ray Boone, Eddie Smith and Gary Thomas.

Den 3. Den Mother, Mrs. E. F. Everitt, Assistant Den Mother, Mrs. Hugh Morrison. Cubs: Danny Zawadzki, Andy Everitt, Tommy Cassell, Hugh Morrison, Roger Carroll, Billy Wilson, Tommy Wells, William Cletcher and Ronald MaGee.

Den 4. Den Mother, Mrs. N. F. Jackson, Assistant Den Mother, Mrs. Alton Kinsel. Cubs: Alton Kinsel, Tommy Picton, N. F. Jackson, Willard Neal, Cris Sorenson, Erol Verette, Joe Alber Slaughter, Rudy Nava, Ronnie Valdez and Jimmy Jackson.

Den 5. Den Mother, Mrs. Shelley Roaten, Assistant Den Mother, Mrs. Herbert Mills. Cubs: Shelley Roaten, Jr., Herby Mills, Roy Alan Rogero, Gary Stryker, Jimmy Seawright, Kenneth Dullye, Charles Picton and Jerry Wayne McLead.

Baldwin reports they are short a den for Fulton and one more den in Rockport. Pack meetings will be held in the V. F. W. Hall the last Tuesday of each month at 7:30 p.m.

SAMUEL FRECH TO BE SPEAKER AT ST. PETER'S

Samuel Frech, lay reader of the Church of the Good Shepherd, Corpus Christi, will be guest speaker at St. Peter's Episcopal Church on Sunday, October 16, at the 9:00 a.m. service. Mr. Frech voice is familiar to many people in the area, as he gives a daily analysis of business conditions over the radio. Friends of the church are given a cordial invitation to attend.

Omitted from the list of members names attending the Bluebonnet Association meeting in Kingsville last week were Mrs. Jeane Bailey and Mrs. Betty Aki-son.

MEMORY LANE

Hitching Post Days

Remember when hitching posts, instead of parking meters, flanked Main St.? Sometimes it was as much of a trick to hitch old Nell close to the general store as it is to park your car in the downtown area today. Time marches on, and life becomes more complex. Looking back, you enjoyed the peaceful, less-hurried ways of those hitching post days. Remember?

CHANGE OF PACE—George H. Clark, 91, takes grandson Bobby for a ride behind Sally Ann, Clark's solution to the question, "What will replace the auto?" Denied a renewal of his driver's license because of his age, the North Belle Vernon, Pa., oldster, who has 47 years of driving without a serious accident behind him, purchased the pony and buggy so that he can visit his wife's grave each day.

Methodists To Begin Redecoration Of Fellowship Hall

Final plans for redecoration of the Fellowship Hall of the Methodist Church were completed Tuesday night at a meeting of Commission of Education of that church. Plans call for repairing and refitting the windows, texturing and painting the walls, adding two new doors, and the installation of a set of Modern-Fold doors to divide the large hall for class room purposes. In addition, an attic fan has been secured for the building and will be installed to improve ventilation.

Work is scheduled to begin on the building early next week. Ed Godde has been contracted for the work. Some additional work was also planned by the Commission for the children's building of the church.

CONGRATULATIONS

Mr. and Mrs. Dudley Prophet are the proud parents of a baby boy born Wednesday morning, October 12, in the Spohn Hospital in Corpus Christi. Grandparents are Mr. and Mrs. C. D. Prophet and Mr. and Mrs. Clyde Townsend. The young man weighed 7 pounds and 11½ ounces. He has been named David Neal.

Mr. and Mrs. Johnny Joe Atwood of Kingsville visited Sunday with Mr. and Mrs. Ted Atwood.

Johnny Sapp, a sophomore student at Texas A & M spent the weekend with his parents, Mr. and Mrs. Jack Sapp.

Mrs. Anna Lockridge of Dallas is spending a week's vacation with her parents, Mr. and Mrs. Gabe Townsend.

Mr. Archer Hapson of Birmingham, Alabama, is visiting in the home of his brother, W. S. Coaker for two weeks.

Nurseryman Speaks To Woman's Club

Bill Evans of the Evans Nursery of Aransas Pass, was the speaker for the Woman's Club, Tuesday afternoon. Evans, a graduate of A. and M. College, was introduced by Mrs. J. P. Hanway. He discussed fall planting of annuals and perennials and proper fertilization of beds to insure good results for spring flowering. He answered many questions from the group who stated their individual problems and gave expert information relative to our soil deficiencies and means of overcoming same.

Mrs. Norvell Jackson read "The Peppermint Tree".

In the business session, presided over by Mrs. Fred A. Bracht, Mrs. Charles Cleveland gave a report on some recent activities of the house committee. She stated that the venetian blinds had been straightened and re-taped; tables and chairs re-nailed; woodwork cleaned; floors waxed; a stand made for the flag which had previously been given by Mrs. Travis Bailey; curtains made for the front door; also, that she and Mrs. Arthur Bracht, with the help of a Latin-American girl, had given the kitchen cabinets and dishes, a thorough cleaning.

The group was reminded of the sale of fruit cakes from the Corsicana bakery and the assistance of all members was asked by Mrs. Julius Malchar, chairman.

Mrs. R. F. McKnight and Mrs. Arthur Bracht were hostesses for a social hour. Yellow hibiscus and red roses were the floral note for the tea table which was laid in ecru lace.

Mr. and Mrs. Bill Etheridge and son, Billy, Mrs. H. F. Elliot, Mrs. Charles Roe, Mrs. Lois Rozzell, Mr. and Mrs. M. L. Etheridge and Mr. and Mrs. Delotte Wright enjoyed a boat ride Monday afternoon on the "Arasco."

PHONE 32 ARANSAS PASS

New Service Station To Open Saturday On Market and Highway 35

The new Phillips Petroleum filling station on Market and Highway 35 will open Saturday, October 15, according to Denver Agler, who will manage it. There will be sets of six Anchor-Hocking drinking glasses for each customer who visits the station, Agler said, as well as bubble gum and balloons for the younger generation, and a gift certificate good for one lubrication job to everyone who purchases ten gallons or more of gas.

ONE-MAN SKI RIG—To go bounding over the billowy main on water skis it usually takes quite a crew. This new invention, demonstrated at Klagenfurt, Austria, would simplify all that. The six-foot motor tug has a 10-foot steering and control mechanism. The model will do 25 miles per hour, and the inventor hopes to have the speed up to 50 miles per hour when he markets the gadget.

Methodist Church Names Committee On Chimes

The Official Board of the Methodist Church in a recent meeting named the following persons as members of a Chimes Committee: Mrs. A. C. Glass, Mrs. Fred Hunt, and Mrs. J. R. Finstad. This committee is now receiving pledges towards the purchase of the chimes. They will tabulate the interest expressed and report to the Board at its next regular meeting.

If a permanent installation of the chimes is made, a 20 foot tower will be mounted on the peak of the church building. Such an installation would in effect double the present range of the chimes, increasing it from about 1 1/2 miles to 3 miles. The committee reports that the extra cost of such a tower has already been pledged.

Mrs. Sam James honored her sister, Mrs. H. E. Snyder, of Houston, with a coffee Friday afternoon. Coffee, cake and cake were served to Mesdames Gene Hodges, Norman McLead, Jimmy Little, Eric Freeman, John Paul Reese, Jimmy Hayden, Jim Cruiser, J. W. Wilkinson, Snyder and the host-

Mrs. Delotte Wright, Mrs. Annie Nichols, and daughter, Betty Jo, and Mrs. Joe Marshall and daughter, Barbara Joyce were in Corpus Christi Wednesday.

Girl Faces Death Or Paralysis In Surgery

Lewistown, Pa.—Faced with a decision that meant either death or paralysis for their 12-year-old daughter Mr. and Mrs. Lee E. Elder believe they have found their answer in prayer.

Marjorie Lee Elder, the oldest daughter of the Elders, will undergo major brain operation at Philadelphia Children's Hospital within the next few days.

Mrs. Elder said she was told by physicians that calcium was forming on a birthmark on the right side of Marjorie's brain and that the only way to save her life was through an operation.

"Her father and I prayed about it for a week and then we knew what we would have to do," Mrs. Elder said.

If the operation were performed, Mrs. Elder said, physicians explained the chances of survival were marginal and by the nature of the operation Marjorie would lose the vision of her left eye and suffer paralysis of her left arm and leg.

But Marjorie said: "I'm not afraid, God will be with me. I just hope I get lots of cards. I would like to make a scrapbook of them but maybe no one will send me any."

Marjorie's illness was discovered several years ago after she suffered violent headaches and seizures resulting in temporary paralysis and blindness, Mrs. Elder said.

An operation was not advised at that time on the birthmark, but since then, she added, calcium deposits have formed over the area.

The illness forced Marjorie to lose more than 70 days during some school terms. She is now in the seventh grade at Lewiston Junior High School.

Meanwhile, as the family prepared for the operation, residents of Lewiston organized a fund-raising campaign, headed by Dr. William Chamberlain, to assist the Elders, a family of modest means.

Pep Squad and Band Get Pictures In Out-of-Town Papers

The Aransas County High School Pep Squad and the drum major and majorettes of the Pirate Band had their pictures in two out-of-town papers this week. The band members were in Sunday's Houston Chronicle, while the pep squad was in Wednesday's Caller. Unfortunately this picture was credited to Bishop, instead of Rockport.

The American Indians called heaven "Happy Hunting Grounds."

Wreck On Highway Monday Noon

Monday at 12:15 p.m., a car driven by Pearson Raymond of Rockport, was struck by a Missouri-Pacific bus on Highway 35, about one and a half miles north of Rockport. Both vehicles were traveling in the same direction, and the bus knocked Raymond's lighter car into the ditch, overturning it. Raymond suffered comparatively minor injuries. No one on the bus was hurt.

There are exactly 100 varieties of cacti.

Mrs. John Minton Entertains Church Group

The Business Women of the First Baptist Church met in the home of Mrs. John Minton, October 6 for Bible study. The meeting was opened with a prayer by Mrs. Eva Coaker. The Bible study was under the direction of Mrs. Floy Rooke and was followed by the closing prayer offered by Mrs. Emma McLester. The next meeting will be held in the home of Mrs. Katie Moss, October 20, as a missionary program. Refreshments were served to Mesdames Tom Shults, Emma McLester, Katie Moss, Floy Rooke, Esther Ballou, Janie Ballou, C. W. Donald, Bert Ballou, J. P. Keith, Eva Coaker and the hostess, Mrs. John Minton.

Mr. and Mrs. Ralph Marx, of Houston, are visiting with Mr. Marx' mother, Mrs. Fred Christilles, this week.

CENTRAL POWER AND LIGHT COMPANY

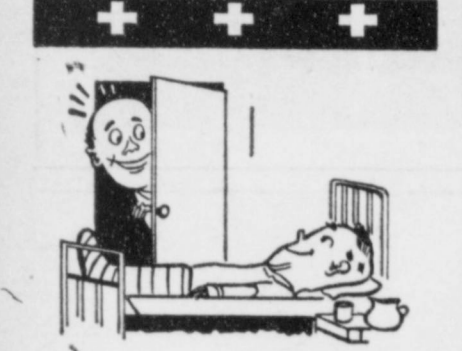

There will be a regular neighborhood meeting of leaders, assistants, and other registered adults on Friday, October 14, in the Girl Scout Little House at 1:00 p.m. Leaders and assistants are needed for a second grade Brownie troop in Rockport, and for third and fourth grade Brownie troops in Fulton. Anyone wishing to assist in this program should contact Mrs. J. B. Jackson or Mrs. A. L. Holland.

Troops 26 and 31 held their regular meetings at the Little House on Monday, under the leadership of Mrs. Leonard LeBlanc. Mrs. Ed Barnard assisted in the absence of Mrs. Katherine McLester, troop 31 leader.

The girls were entertained during the afternoon by a puppet show given by Sister Mary Hildgardis and Frances LeBlanc. After the show there was a question and answer session on puppets and puppet plays. Sister Hildgardis will instruct the girls of the two troops on how to make puppets at the next meeting, October 10.

Refreshments were served by

Representing THE TRAVELERS, Hartford

Jackie Lynn Deason to the following: Linda Clark, Margaret Pena, Barbara Barnard, Sue Armstrong, Martha Hanna, Patricia Zawadski, Frances LeBlanc, and Meccal Rivers, all of Troop 26, and to Mary Jane Benningfield, Terrie Ankele, Irma Rita Young, Sylvia Knippa, Jackie Deason, Carolyn Calvitt and Glenda Brundrett, of Troop 31.

Troop 18 held its weekly meeting at the Little House on Monday. The girls sang and played several games. They also held a round table discussion on the organization of Girl Scout troops. Officers elected were: President, Virginia Holland; Vice president, Sue Johnson; secretary, Frances Lee Williams; treasurer, Dolores Etheridge.

Virginia Holland and Caroline Clark served as hostesses. Dolores Etheridge will be hostess for the 11th of October. Leaders were: Mrs. Marie Pacillo, Mrs. Armintrout and Mrs. Douglas Hale.

Troop 32 met at the Presbyterian Church on Tuesday, October 4, at 4:00 p.m., with Mrs. Charley Grant and Mrs. Billy Lang as leaders. Reporter for the troop is Jean Miller. Hostess for the occasion was Sandy Arrington, who served: Tamara Camehl, Judy Deason, Darleen Evans, Julia Fox, Janice Garrett, Karen Goodsell, Nan Jackson, Suzanne Keith, Carla Lee, Jean Miller, Azalea Shivers, Betsy Sparks and Diana Waggoner. Mrs. Arrington and Mrs. Keith were guests.

Troop 3 met at the Little House October 6, under the leadership of Mrs. Matt Scott and Mrs. A. C. Shivers. The following officers were elected: President, Betty McMahon; treasurer, Mary Martha Shivers; secretary, Theresa Johnson. Linda Mills and Theresa Johnson were elected hostesses for the next meeting. Those present at the meeting were: Mrs. Scott, Mrs. Shivers, Robbie Bocquet, Linda Deason, Jerry Armstrong, Bobbie Kitchen, Heather Wren, Betty Armstrong, Linda Mills, Mary Martha Shivers, Mary Scott, Mary Lucille Jackson, Patti McMahon, and Theresa Johnson. Mrs. Scott acted as hostess.

Troop 43 met at the Fulton School on October 3. Chairman Lynn Campbell called the meeting to order, and the secretary-treasurer, Florence Casterline, called the roll and collected dues. Each Brownie told what she had done to be helpful the past week, then troop members collected wildflowers to decorate the table. The girls then toasted marshmallows, after building a basic A fire. Marshmallows, graham crackers and orange juice were served, with Mrs. Sivells acting as hostess. Guests present were Chris Keeler, Karen Large, and Cecelia Phillips. Mrs. L. F. McCord and Mrs. John Phillips acted as leaders. Girls present were: Lynn Campbell, Florence Casterline, Darlene Mace, Sallie McCord, Daria Utley and Carla Utley.

Mr. and Mrs. John Haynes visited their daughter and family, Mr. and Mrs. Cody Thomas in Taft, Sunday afternoon.

Capt. and Mrs. Williams Have Twin Daughters

Captain and Mrs. Buff Williams are the parents of twin girls, Carol Lynn and Karen Ann, born on September 23, in Tripoli, according to a letter received this morning by Mrs. Lloyd Lassiter and Mrs. Ed Barnard, sisters of Mrs. Williams.

The Captain and his wife were only recently transferred to Tripoli, leaving New York on the 20th of July for his new post with the Air Force.

Texas In Review

The most exciting plays from three Southwest Conference football games will be featured next week on The Humble Company's TV program, Texas in Review. Kern Tips will describe highlights taken from the TCU-Texas A & M Texas-Arkansas and Rice-SMU games.

Another feature will be films of the State Fair at Dallas, showing the construction of exhibits and booths, the official opening, and Fair activities now in progress.

Other films will include the story of rice processing from field to dinner table. Also to be shown are pictures of the 25th Anniversary of the discovery of the East Texas Oil Field, in conjunction with Oil Progress Week.

Monday, Oct. 17, Texas in Review can be seen on KPRC-TV, Houston, 10 p.m.; KVDO, Corpus Christi, 9:30 p.m. and WOAI-TV, San Antonio, 6:30 p.m.

Tarpons Defeat Ingleside Ponies 13-0

The Aransas County Junior High School Tarpons defeated the Ingleside Ponies in the initial district contest for both teams. Mike Johnson engineered the Tarpon team to both of its scores, one coming in the first quarter and the other in the last quarter for a 13-0 score.

This Thursday night there will be two games played, the first game starting at six-thirty p.m. and will consist of boys of 105 pounds and under. The regular Junior High game will follow immediately after the Pee Wee game. These games will be played at Bishop.

Bishop should be capable opponents as they won the district championship last year and have much of the same team remaining. Defense will be stressed this week as the Tarpon squad will be facing a single wing offense for the first time in several years. The Tarpon squad is determined to avenge last year's defeat and hope to bring home a victory.

Mr. and Mrs. Titus Mundine, who have been living in Rockport the past three years have returned to their former home in McDade. Mr. Mundine was employed by Sam Mundine.

Mr. and Mrs. Bill McElwee spent Thursday and Friday in Matamoras, Mexico. They visited with Mr. and Mrs. Roy Wright in Harlingen and Mr. and Mrs. Bruce Preckwinkle in Riviera Saturday.

Other 31A Football

Rene Ramirez ran for a TD, passed for another and was on the receiving end of a scoring aerial in leading the Hebbroville Longhorns to a 32-14 win over Sundeen at Hebbroville last Friday night.

E. Sweeney and Larry Blen tallied for the losers with Blen kicking two points after. Other Longhorn scores were by Billy Duncan, Arthur Alvarez and Melecio Garza. Ramirez also had two conversions.

Woodsboro beat Premont, 23-7 at Woodsboro. Premont scored in the first quarter when it recovered a fumble and converted for seven points.

Woodsboro's first touchdown came in the second quarter and then the Eagles made two more points on a safety. After that, Fred Frazier and Guy Meisner made touchdowns. Robert Klosek kicked the points on two Eagle touchdowns and Darrell Paskey on the third.

The Benavides Eagles took a hard-fought 31A district game at Ingleside Friday night 14-6 over the Ingleside Mustangs.

Ingleside scored in the second quarter with a one-yard plunge by Tommy Stewart, Mustang fullback, who set up the score with his own 40-yard run.

The Eagles fought a hard-played scoreless third quarter, before Elijio Uresti, quarterback, carried over from the eight-yard line in the fourth quarter. Fullback Eddie Canales ran over the extra point. Uresti passed to Canales for the last score. Halfback William Jarrard plunged over for the extra

WCS EVENING CIRCLE MET

The Evening Circle of the W. S. C. S. met Monday evening at 7:30 p.m. in Fellowship Hall.

The chairman, Mrs. Chester Barre, presided for the business session, during which time a report of the General Meeting was given by Mrs. Dana Green.

Mrs. Wm. Eller, program chairman, introduced Mrs. E. T. White who gave a review on the book, "The Master Calleth For Thee", by Lady Hosie.

Hostess for the evening was Mrs. R. G. Taylor. Those present were: Mesdames Chester Barre, Wm. Eller, E. T. White, Bob Hamblin, Jack Horton, Gilbert Champion, Dana Green, Edna Snyder and R. G. Taylor.

Best way for a man to stay single is never to attend his own wedding.

Ingleside was on its own three-yard line when the game ended.

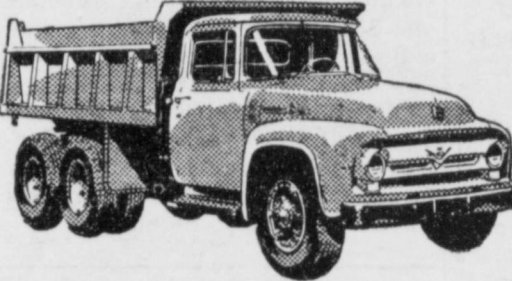

REUNION SUPPER HELD

A family reunion supper was held Tuesday at the home of Mr. and Mrs. Bill McElwee. Those present for the affair were: Mrs. Lena Budelman of Biloxi, Miss. Mrs. Katherine Burton of Port Lavaca, Henry McElwee of Houston, Clifton McElwee, Mrs. Maggie McElwee and Mr. and Mrs. Bill McElwee.

Assembly

The first assembly of this year was presented Tuesday morning. All assemblies this year are under the direction of Mrs. Horton.

The first on the program was a soft shoe dance to "School Days" by Mary Faye Clark. A pantomime to a "Purple Cow" by Flossie Lawn. Mrs. Irmalee DeForest presented a baton twirling exhibition. A monologue was presented by Jimmy Mills.

A short skit was done by Roy DeForest, Leslie Cole, Danny Adams and Loretta Wilson. Roy

QUICK RELIEF FROM MOST ARTHRITIS OR RHEUMATISM PAINS — OR YOUR MONEY BACK!

Our new "wonder-tablet" — AR-PAN-EX, QUICKLY eases most pain from arthritis, rheumatism, neuritis or lumbago or . . . YOUR MONEY BACK!

It's the HONEST truth — this new, scientific preparation has freed thousands of happy folks from pains of stiff aching muscles, sore joints and miserable days and nights. Those who TRIED EVERYTHING and had to GIVE UP are happy now — thanking heaven for AR-PAN-EX.

It's a shame — that thousands who COULD find RELIEF, but are beset by DOUBT, will continue to live in agony — look and act older than their years — be a trial to their loved ones — because they didn't have the 'get to' to use a modern pain relieving miracle. It IS true — it IS here — it's AR-PAN-EX. Use this wonder pain reliever . . . TODAY!

Test Schedule

The six weeks test will be given Wednesday, Thursday and Friday of this week.

Sixth period will be the only test given on Wednesday.

Periods one, three and five will be given on Thursday.

Friday periods two and four will be given.

Clubs to be Started

A number of clubs will be started next week in the high school under the supervision of Mrs. Taylor. The clubs were scheduled to get underway this week but due to six weeks tests were postponed till next week.

Each student will be permitted to join any two clubs of his or her choice.

Flag Raising Held Daily

The raising of the flag every morning is done before classes start. The bugle call is blown while the flag is being raised. Immediately after the raising of the flag the invocation is given.

Other News

Mr. Coleman announces that the caps and gowns for the Seniors graduation have been ordered.

Dr. J. Harvey McLaughlin, of Aransas Pass, is substituting for Mr. Brooks. Dr. McLaughlin is a doctor of plant diseases and spent four and a half years in Costa Rica. He received his degree in Iowa State College.

The Health classes have been seeing films on Community Health and Water Supply. Also they have toured the cafeteria.

PRISON RODEO OPENS WITH WILDER STOCK AND MORE SEASONED RIDERS

Huntsville—The 24th Annual Prison Rodeo opened here Sunday before an estimated 17,000 persons with one of the wildest open-day performances in the show's history.

The 1955 edition of the rodeo opened when 10 chute-crazed Brahman bulls burst onto the arena at the same time. When their flailing hoofs had carried the plunging brutes into mid-arena, riders lay scattered like carelessly-tossed toy dolls.

The remaining dates of this big show are October 16, 23 and 30. Folks wishing seats for any of the performances of this year's series of shows are urged to make reservations early while choice reserved seats are still available. These may be made by sending check or money order by letter or wire to L. W. Wright, Rodeo Ticket Office, Huntsville, Texas.

Humble Will Broadcast Football Games This Weekend

Four Southwest Conference football games are on The Humble Company's broadcast schedule this Saturday.

The TCU-Texas A & M game in Fort Worth will begin at 1:50 p.m. Announcers will be Kern Tips and Alec Chesser. Radio stations carrying the game will be KPRC, Houston, WOAI, San Antonio and KRIS, Corpus Christi.

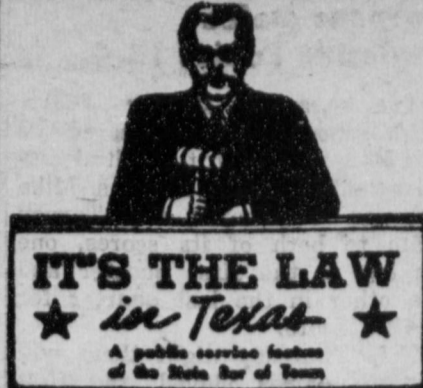

The Arkansas-Texas game will be announced from Little Rock, Arkansas, by Ves Box and Eddie Barker. Broadcast time is 1:50 p.m. This game can be heard over KTRH, Houston, KENS, San Antonio and KCBT, Harlingen.

From Seattle, Wash. Dave Russell and Coit Butler will describe the Baylor-Washington contest at 3:50 p.m. CST over KMAC, San Antonio and KWBU, Corpus Christi. The SMU-Rice game at the Cotton Bowl in Dallas will be described by Bob Walker and Dave Smith. Broadcast time is 7:50 p.m. over KPRC, Houston, WOAI, San Antonio and KRIS, Corpus Christi.

Sissy Mundine, Minston Weber, Nancy McNorton and Bubba McCabe enjoyed dinner at the Morocco Room of the Robert Driscoll Hotel and a show in Corpus Christi Sunday evening. Mr. and Mrs. Bill Johnson entertained the group in celebration of the Ingleside football victory.

Those attending the funeral of Wilburn Mundine in Galveston Thursday were Sherman Mundine, Glenn Mundine, Titus Mundine, and Mr. and Mrs. Milton Mundine and daughter, Brenda.

Miss Deana McNorton and Buddy Casterline visited Miss McNorton's grandparents, Mr. and Mrs. J. R. McNorton in Corpus Christi Saturday night.

Paid In Full

John owed Fred \$200 which he had borrowed several years back. John had been having a hard time and owed many bills. Because of his situation he thought Fred might accept less than \$200 as payment in full. He sent Fred a check for \$125 marked "In full for balance due on loan" on the face of the check. Fred cashed the check and started action to recover the other \$75. Can he collect?

Yes, he can, as a promise or agreement is unenforceable unless supported by consideration or by giving of value by the other party. John did not give Fred anything he was not obligated to give and hence there was nothing to bind any agreement to accept the \$125 as payment in full.

However, there are two variations of this situation in which

CHIROPRACTIC HEALTH SERVICE

MONDAY THRU FRIDAY
From 2 to 6 P. M.

Dr. R. H. Schultz

PHONE 529

East of Patio Courts ctf

John could accomplish his result!

First, if there was an honest dispute concerning the balance due on the loan, much as a dispute over credits allegedly agreed upon for work performed for Fred, or a dispute over the interest due, then acceptance of the check could constitute what is called an "accord and satisfaction". This may satisfy the debt in full, especially if "Paid in full" is marked on the back of the check and Fred endorses beneath it.

Second, if John should give something in addition to the check, other than money, such as a piece

of furniture or an animal, the debt would be satisfied in full if Fred accepted both the check and the additional consideration.

There is a common conception in the minds of many people that a person cannot be sued on a debt so long as monthly payments in any amount (even \$1) are made. This is not so, as once a debt is due the creditor may bring suit for the full amount, and acceptance of any lesser amounts does not waive rights of suit except as indicated above.

(This column, based on Texas law, is written to inform—not to

advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

Mr. and Mrs. Earl Bartlett and Mr. and Mrs. Johnny Bartlett of San Antonio spent the week end fishing in Rockport.

Mr. and Mrs. T. J. Johnson and children, Mark, Kathy and Russell enjoyed the weekend in San Antonio. While there they visited the zoo, Brackenridge Park, the Alamo and other places of interest.

Research Paces Oil's Progress

There are three reasons why America's petroleum industry has been able to supply the ever-increasing demand for energy called for by our mechanized way of life: 1, it has fearlessly invested its capital in the hazardous search for oil and gas; 2, it has steadily expanded its facilities; and 3, it has conducted endless research to find better, more efficient ways to make the oil products America needs.

Research! That's the key to the petroleum industry's progress. And the Humble Company assures itself a place of leadership in this field with two great research laboratories.

In the Humble Research Center in Houston scientists and engineers study all phases of finding, producing, and conserving oil and gas.

In the Research Laboratory at Humble's Baytown, Texas, Refinery, highly skilled technicians seek to develop new and better petroleum products, to improve those we already have, and to develop methods for making these products more efficiently.

Just as America's progress depends on oil, so oil's progress depends on research.

OIL PROGRESS WEEK
OCTOBER 9-15

HUMBLE OIL & REFINING COMPANY

OFFSHORE OIL MEETING

Recent offshore exploratory operations in the Gulf of Mexico have been causing considerable damage to the bottom in fishing areas along the Texas Coast. Numerous reports of damage to trawl nets and gear have been reported. The Texas Shrimp Association called this to the attention of authorities in the State Land Commission office. As a result, there has been arranged a meeting of the oil interests and the Association representative at the State Land Commission office on Monday, October 10. It is hoped that a solution to the problem will be obtained at that time.

J. M. Hissong Has Over 500 Different Kinds of Cactus

J. M. Hissong, two blocks west and a half block south of the Market Street light, likes cactus. He likes it so well that he has over 500 different kinds in his garden and greenhouse, and is constantly on the lookout for new varieties. For years he and Mrs. Hissong had collected various species whenever they were in cactus country, and recently he acquired the Tom O'Connor collection which included over three hundred different kinds, including many succulents.

Cacti and succulents, Hissong explains, are those plants which have adapted themselves to life in arid parts of the world, and are found scattered all over the globe. They are strange and very unplant-like in appearance, but they are unusually fascinating, so there are many plant hobbyists who claim them as their special love.

Succulents, he said, are usually thought of as growing in sandy soils, but there are many varieties in this area growing under trees where there is an abundance of leaf mold but good drainage, and no moisture other than that supplied by our comparatively scanty rainfall.

Sedums are perhaps the most widely scattered over the earth, often being found in high altitudes such as the mountainous areas of Mexico, Europe, Asia, Africa, and the United States.

Some of them are very compact little plants, and other are shrubby in type. Some are of the "hen and chickens" type, other have fat leaves in little clustered rosettes.

Some of them root readily from leaves, while others do better if a complete rosette is transplanted. Most of them grow well in sandy loam, with little water.

Some of the more interesting "hen and chickens" types belong

**RESOLUTION
October 15 Is Officially Designated
TEXAS POETRY DAY**

By
Senate Resolution No. 260

WHEREAS, The uplifting value of poetry is recognized by the peoples of all civilized countries; and

WHEREAS, Poetry strengthens the sympathies, lifts the imagination, and fosters spiritual values and creative qualities in mankind; and

WHEREAS, It is the desire of the Senate of Texas to encourage and stimulate interest in poetry and to call attention to the solace with which poetry stirs the soul and fires the emotions of lovers and the actions of patriots; now, therefore, be it

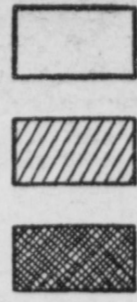

RESOLVED, That the senate recognize and set apart October 15th as "Texas Poetry Day"; and that a copy of this Resolution, under the seal of the Senate, be forwarded to the Texas Council for the Promotion of Poetry.

BEN RAMSEY
President of the Senate
I hereby certify that the above Resolution was adopted by the Senate on May 5, 1953.

LOYCE M. BELL
Secretary of the Senate
(Seal)
The Senate of Texas
Office of the Secretary

to the Echeveria family. The rosettes vary and may be made up of hairy leaves while others are metallic in appearance.

There are also succulents which belong to the lily family. The aloes are among these and vary in size from a large century plant type to others smaller and more ball-like. Some members of this group have attractive rosettes of spotted leaves, while others are attractive because of their brilliant flowers.

1955 OPEN SEASONS FOR MOURNING DOVES

NORTH ZONE—Sept. 1 to Oct. 15, both days inclusive. Shooting hours 12 o'clock noon to sunset.

SOUTH ZONE—Oct. 15 to Nov. 28, both days inclusive. Shooting hours 12 o'clock noon to sunset.

SANCTUARY—Unlawful to take chachalaca or any fowl south of U. S. Highway 83, formerly State Highway 4.

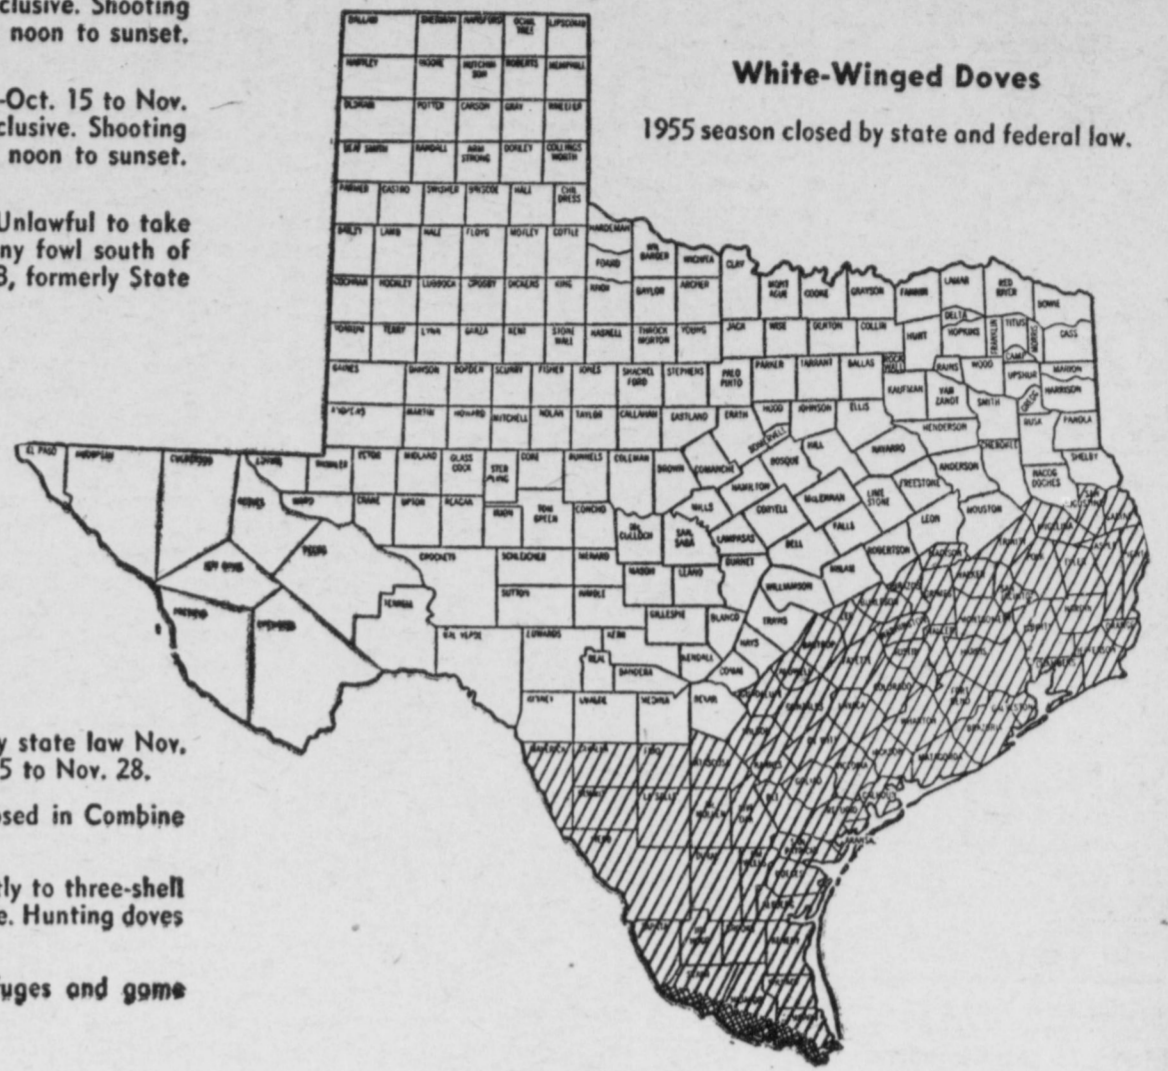

BAILEY COUNTY—No open season.

McMULLEN COUNTY—Open season by state law Nov. 1 through Dec. 15; by federal law Oct. 15 to Nov. 28.

KAUFMAN COUNTY—Dove season closed in Combine Community.

SHOTGUNS must be plugged permanently to three-shell capacity, may not be larger than 10 gauge. Hunting doves with rifles prohibited.

NO HUNTING permitted in game refuges and game reserves.

South Zone Dove Season Opens 15th

The South Texas dove season opens Saturday at noon, for a 45-day period.

Biologists' reports indicate that this should be one of the best seasons in some years, with plenty

of birds. More water and grain his year all but guarantee a good supply of doves, although a cold spell or two might change the picture, and move some of them south.

Tank and waterhole hunters should get good shooting, as mourning doves still follow their old routine when feeding and taking water, even though drinking places may be plentiful.

San Patricio, Live Oak, Jim Wells, LaSalle and Bee counties have an abundance, field men say, and the George West-Mathis-Beeville area is particularly favored.

The Rio Grande Valley also reports more birds than it has seen in the last three years.

Hunting regulations are the same. Every person over 17 and under 64 who hunts outside his own county must have a license.

A county resident is a person who has resided there for six months.

Shotguns must be plugged to a three-shell capacity, and may not be larger than 10-gauge. Rifles are prohibited.

There is no open season on white winged doves this year. The season closes Nov. 28 at sunset. Shooting hours are from noon to sunset each day. Daily bag limit is 10; possession limit is 10.

Fidelis Matrons Meet With Mrs. Beasley

The Fidelis Matrons Sunday School Class of the First Baptist Church met for their monthly business meeting and social Tuesday, October 11 at the home of Mrs. Ed Beasley.

The president, Mrs. Tom Shults, conducted the business meeting, and devotionals were brought by Mrs. Albert Ballou and Mrs. Emma McLester. After seasons of prayer and Bible quizzes the guests were served pie a la mode and coffee by the hostess, Mrs. Beasley and her mother, Mrs. L. C. Hatchett.

Those attending were Mesdames Mabel Bryant, Lillian Sorenson, Mabel Rivers, Tom Shults, Curtis Utz, Rubye Traylor, Eva Lutz, Betty Landgraff, Esther Ballou, Eva Coaker, McDonald, Emma Mc-ester and Mrs. Lota Hatchett.

When a fellow is single he runs around and gets into a lot of trouble. After he is married he doesn't have to run around.

WHOOOSH—Veteran news photographer Harry Mellon Rhoads, 74, throws light on the early days of flash photography as he puffs into air tube of an early magnesium-wood alcohol flare at his home in Denver, Colo. Before him on table are shown a flash pan and flash gun, now overshadowed by the flash bulb, first introduced into the United States in 1930.

PFC. LEON BARBER ASSIGNED TO YOKOHAMA

Pfc. Leon W. Barber called his mother and dad from Fukuoka, Japan Saturday night to let them know the big typhoon that hit Japan recently had missed him and that he was being transferred to Yokohama to go to school.

A little blurred will tell you when you have had too much to drink.

Automobile Manufacturers Say There Are 72 Million Drivers In America

The Automobile Manufacturers Association have just come out with the 35th edition of Automobile Facts and Figures. Some of the highlights are as follows:

The 72 million drivers of cars, trucks and buses for the third year in succession have surpassed the half-trillion mile mark, reaching 564 billion vehicle miles last year. This is an average of 7,800 miles per driver.

There are 3.3 persons per passenger car in the United States, or an average of one car per family; but sample surveys show that only about 71% of families actually own automobiles. Dividing the total population of the country by the total automobile registration results in the 3.3 figure, because the total car registration includes the cars owned by businesses and the government, and the extra cars which 12% of car-owning families possess.

101 billion are needed for road and street construction during the next ten years, according to surveys by state highway departments and the U. S. Bureau of Public Roads. Inadequate highways cost motor vehicle users several billion dollars a year in added fuel and repair bills and accident losses. Thousands of lives lost may also be laid to his cause.

Insurance premiums paid by motor vehicle owners exceeded \$4,165,000,000 annually. The number of traffic deaths continues too large, even though the fatalities per 100 million vehicles and per 100,000 vehicles in use reached a record low in 1954. Two out of every three passenger cars produced and three out of every four trucks made in 1954 were sold as replacements for scrapped vehicles.

20% of all motor trucks manufactured in that year were exported. One fourth of the delivered price of a car consists of taxes, and highway users coughed up \$6.2 billions for this last year.

Inventors of automobile devices took out 20.4% of all patents issued in the same period, a higher rate than the average of 18.3% since 1899.

GO TO CHURCH SUNDAY

ACHS Pirates Win 5th Straight

The Aransas County Pirates upset the dope bucket once again last Friday night in Bishop when they won their third straight district ball game, over the highly touted Bishop Badgers by a score of 20-7.

Tommy Bradshaw, hard running halfback, opened the Pirate scoring in the first quarter with a 42-yard run and added the extra point to give the AC boys a 7-0 lead.

In the second quarter, Eddie Morrison found freshman end, Eugene Satsky open down around the Badger five yard line and lofted a 20-yard pass. Satsky took it and raced across the goal line for the second Pirate touchdown. The extra point try was wide and the Pirates led 13-0 at halftime.

No score was made in the third quarter. In the fourth, Satsky recovered a Badger fumble as they attempted to play a punt on their own five yard line. Two plays later Winston Weber circled his own left end for a touchdown.

Bobby Close bucked over for the extra point to give the Pirates a 20-0 lead.

With less than two minutes remaining in the ball game, Russel Bewers, Badger halfback went seven yards around his own right end for a touchdown. Bishop added the extra point to make the game 20-7. After a successful "own side kick" when they recovered their own kickoff, the Badgers began to move the ball down the field with passes, only to have the drive broken up when Morrison intercepted one of their passes around his own 10 yard line. He was finally pulled down on the Badger 30 yard stripe after a 60 yard runback.

One of the highlights of the game was Bradshaw's prodigious

punting which backed the Badgers up to their own goal line time and again. The hard charging Pirate line kept Bishop's powerful single wing attack in check. Jimmy Mills, last week's "line-man of the week" in South Texas, again turned in a stellar performance at guard. Mills was given fine support by the entire Pirate forward wall.

W. S. C. S. Holds General Meeting

The Womans Society of Christian Service of the First Methodist Church held their general meeting Thursday, October 6th in the Fellowship Hall.

Mrs. M. J. Bearden, president, was presiding officer. The meeting opened with a prayer by Mrs. H. E. Wilson. Mrs. J. R. Finstad gave the devotional. The Scripture was read by Rev. Dana S. Green.

A business meeting followed. The minutes, which were read and approved, were read by the treasurer, Mrs. Lynnwood Eller. A rising vote of thanks was given to Mrs. John Haynes for completion of the new year books.

First plans were outlined for the annual church barbecue to be held the first Thursday in Decem-

ber in the Fellowship Hall. Mrs. Dana Green read a letter from West Grandby, Conn., thanking the W.S.C.S. and the church for the 250 pounds of clothing sent there for the flood relief. Mrs. E. G. Cook gave the 2nd study on "Indian Americans" assisted by Mrs. E. T. White Mrs. J. D. Donaldson and Mrs. B. W. Hamblin. A song "The Indian Love Call" by Martha Ballou, concluded the program.

Hostesses Mrs. H. E. Wilson, Mrs. E. D. Boggs and Mrs. H. D. Wilson served delicious apple pie topped with cheese, coffee and tea to twenty-nine members.

A scavenger hunt, given by Mr. and Mrs. W. S. Frandolig last week, complimented their daughter, Jelene Clark, on her 15th birthday anniversary.

Rockport Boys Range Far Afield During Period Spent In Armed Forces

Many Rockport boys have ranged far afield from South Texas while in the service.

For instance, Pete Ramirez put in six months at the great air base in Thule, Greenland, and another year and a half at Harmon Air Force Base in Newfoundland, a big field devoted to refueling of planes in flight to Europe, Labrador and Greenland.

This base is situated in rolling country, about five miles from the sea, and Pete says that there are lots of pine forests in the area. There are also moose, caribou and wolves, which the boys hunted occasionally. He had a chance for a shot at a moose while he was there, but got buck fever.

Near the base was a little town called Stephenville, a poor community of wooden houses, with five or six stores, and a taxi service to the base. The people here, (French Canadians and English),

were friendly, Pete said, but backward. The base offered to help them improve the town, but the help was refused. Those men who did not work at the base were fishermen, catching and drying cod for a living, and fishing for lobsters, which they sold to the base and to a big pulp mill town, called Cornerwood, about sixty miles away. Harmon base amusements consisted of skating and skiing in the winter, movies, and in summer, soft ball.

From Harmon, Ramirez was transferred to Thule Air Force Base in Greenland, flying there with one stop at Goose Field, in Labrador. The country around this field was much like that at Harmon, Pete said, although as they only stayed for four or five days, and never got off the base, they saw little of it.

At Thule, they were on Project Blue Jay, building a fighter in-

terceptor base only 600 miles from the northern borders of Russia, where squadrons of F89 Scorpion jet all-weather fighters were constantly on the alert against invasion over the icy wastes that surround the North Pole.

This base lay near the sea, and was surrounded by hills covered with glaciers, great sheets of ice that had been there almost since the beginning of time. These ice sheets were beautiful, Ramirez said, but cold—so cold that when some of the personnel went sight seeing among them their cameras froze.

On the glaciers and along the sea shore, there were seals, walrus and polar bears, and once Pete saw a whale, about 15 miles offshore.

Just north of Thule was a little Danish village of ten or twelve huts, but as this was off limits, none of the personnel were familiar with it, nor could he give any description of the way the people there lived.

Five miles to the north of the Danish village was another of Eskimos, who dressed themselves in skins and anointed themselves liberally with seal oil as a protection against the cold. They used dog teams and skin boats for transportation, and lived on fish, seals, bears and walrus.

Thule, on Greenland (which belongs to Denmark) was a completely isolated base, Ramirez said, with all supplies for it being flown in during the summertime, when the day was six months long. In winter, when there was six months night, there was little to do except go to the movies or the service club. Service there was monotonous, and thirty-day state-side leaves for morale purposes were one of the ways in which the Air Force sought to break the monotony. However, Pete said, it cost so much to take one of these that most men would rather serve their time and get through with it.

The weather was cold, much of it below zero, and the land was barren and rocky, with high hills back of the base, which were covered with snow and ice.

Blackie Chupe is another Rockport boy who served in the north land, only his service was on Project Warm Wind, in Alaska, testing out equipment such as the new parkas, boots, and sleeping bags that were later used in Korea.

As one of two hundred men picked for instructors, Blackie went first to Big Delta, Alaska, 90 miles north of Fairbanks. He stayed there five weeks, and during that time, made one hunting trip to Clearwater Lake, using an army weasel. The group he was with shot salmon in the streams running from the lake, killed grouse, and shot the big snowshoe hares, whose hind feet are fringed with long hairs, making them wide enough to support the animals on the snow. On the way back, they saw a moose, but didn't get a shot at it.

It was at Delta Lake that he saw one of the finest dog teams in Alaska, and slept in an Eskimo igloo overnight.

Blackie says the dogs were of medium size, heavily furred and very intelligent. They were extremely attentive to their driver, and seemed to understand what

he said to them very well. Incidentally, according to Chupe, the driver used few of the commands that the movies have made the public at large, believe indispensable in driving a dog team.

ELLIOT-HUGHES CLINIC

October 6: Mikeal Brooks was treated in the clinic for laceration above the eye.

October 7: Mrs. J. E. Drabb was given emergency treatment for a severely cut hand.

October 8: Robert Mundine, son of Mr. and Mrs. Glenn Mundine, was treated for a wound suffered resulting from a fish gig stuck in his leg.

Roy Allen Davis, son of Mr. and Mrs. Marvin Davis, was treated for bruises and abrasions on left arm.

Sylvia Raines, daughter of Mr. and Mrs. J. H. Raines, was treated for a fractured arm.

October 10: Frankie Jones, son of Mr. and Mrs. Melvin Jones, was treated for lacerations on his left arm.

October 11: Ricky Norris was given emergency treatment for snake bite in the clinic and transferred to the Aransas Hospital.

October 12: Mrs. J. A. Stephens underwent minor surgery at the clinic.

Hank Schleider, son of Mr. and Mrs. V. A. Schleider, was given treatment for a pulled rib received during football practice.

Mitchell Darce was given emergency treatment for a piece of steel in his eye.

CONGRATULATIONS

Mr. and Mrs. L. G. Waller are the parents of a baby girl born October 5th in the Rockport Hospital.

Local Student Enrolls At Sam Houston State Teachers College

Huntsville—One student from Rockport, Sandra Murray, has enrolled at Sam Houston State Teachers College for the fall semester.

According to figures released by the college registrar, 2066 students have registered and an estimated 100 others are expected by registration deadline. The college is in its 77th year of public service.

W. H. MORRISON RETURNS FROM NEW MEXICAN TRIP

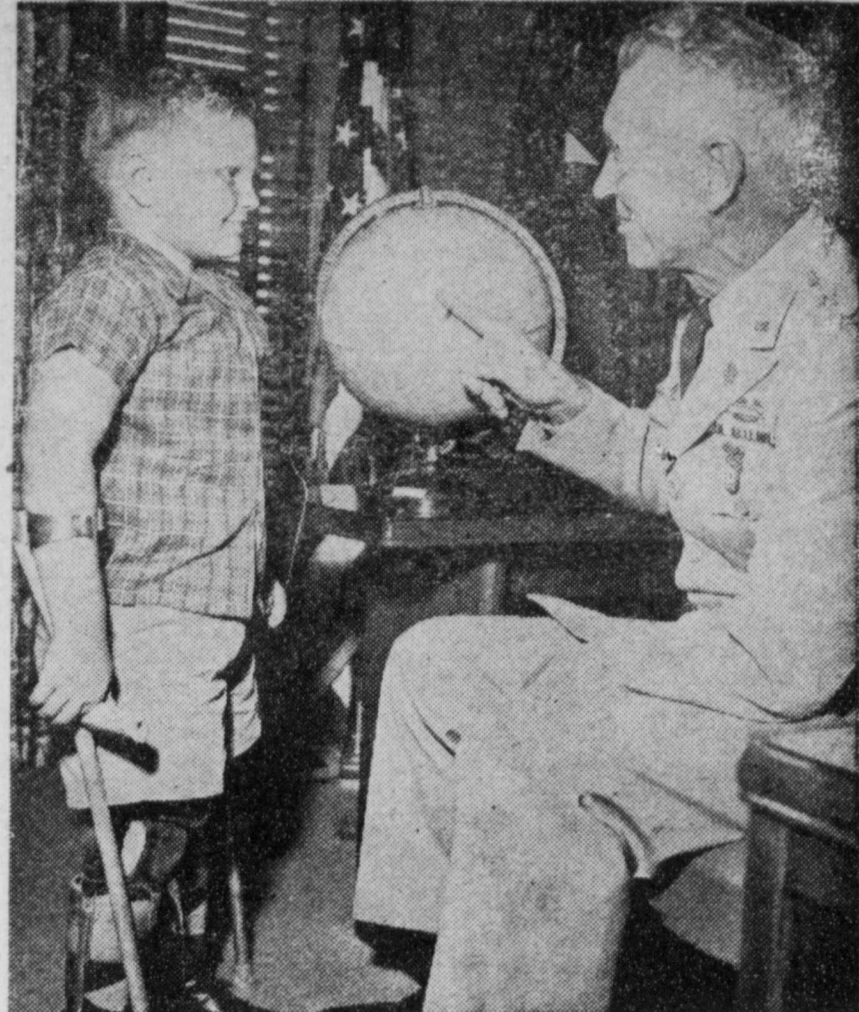

W. H. Morrison, who has been up at Cimarron, New Mexico, visiting his son Donald Morrison and family, returned the other day, stopping off at Breckenridge on his way back to visit another son, Paul.

Mr. Morrison says that Cimarron is the site of the great Philmont Boy Scout Ranch, where over 9,000 boys had a chance to camp out and enjoy the outdoors this summer.

A feature of the ranch is its game. Morrison saw deer, antelope, buffalo, bobcat, beaver and a herd of fifteen elk while visiting the ranch. This was more elk than many of the permanent residents had seen in one herd in many years.

Mrs. Buddy Warden, Mrs. Hays Atwood and Skippy Gilmore were in Corpus Christi Wednesday on business.

Mr. and Mrs. M. L. Etheridge of Stratford are spending their vacation with their son and family, Mr. and Mrs. Bill Etheridge.

General K. L. Berry, State Chairman for the 1956 March of Dimes, and Maurice Heath, veterans in the fight against polio, point the way to the 1956 March of Dimes planning for Texas. Maurice, age 7, after 5 years of treatment hopes to discard braces and crutches soon. General Berry again leads the fight against polio in 1956.

Mr. and Mrs. Marcel Hopkins, who have been living in Rockport the past three years, have returned to their former home in Overton. Mr. Hopkins has been employed here with the Hunt Oil Company.

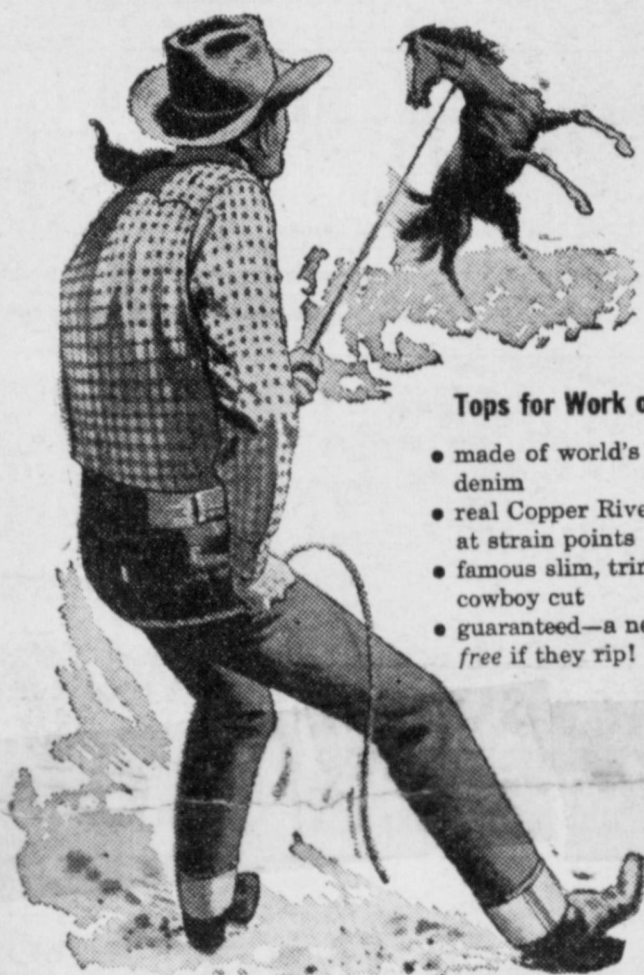

Mr. and Mrs. C. C. Rodenberry of Columbus spent two days visiting their daughter and family, Mr. and Mrs. Jas. L. Greene. While here they helped their grandson, Clay, celebrate his third birthday.

WATERFRONT—

(Continued from Page 1)

lighted. Earle had another party last Sunday—John J. Davis and party of Grandview, but they didn't do as well, only bringing in 20.

Mrs. Cantrell says that Frazier has been wade fishing off and on all week, and that Wednesday morning he, Mr. Templeton, and Joe Everett brought in 35 good sized trout.

Mills' Wharf reported that they had been building duck blinds all week, getting ready for the season.

One of the most famous guns ever to be made was the Colt Peacemaker—the gun that, along with the Winchester, won—the West.

By the time the Colt Company discontinued this model in 1941, due to pressure of war orders, it had earned a well-merited niche in American tradition.

Virtually unchanged in three generations, this famous pistol had gained increasing repute as the six-gun of the American frontier. Wherever the printed word had reached—wherever adventure appeared on stage or screen—the Peacemaker made his name of Colt known as the arm of law and order. And justly so, because never has the Peacemaker been surpassed as an all 'round gun of precision, balance, accuracy and reliability.

Since the weapon was dropped from the Colt list, gun enthusiasts all over the country have never ceased to clamor for the return of this most famous of all American six-shooters.

Because of this, the company has decided to reissue the Colt Single Action Army Revolver (to give its full name) some time this fall, essentially the same as it was originally made in 1873. It will be an item for connoisseurs, hunters, target shooters, and plinkers who love fine weapons, and for the man who just wants to own this particular Colt.

The only calibers available will be the .38 Special and .45 Long Colt, in 5 1/2 and 7 1/2 inch barrels, but other calibers are expected later, including the always popular .44 Special. Many a pistol lover will be glad to welcome this old friend back.

From the Kenedy Advance's column, Fact and Fiction in Hunting and Fishing, written by Wilbur Jones, comes the following:

"Nick Lunch reports that his friend, handsome Harry Zunker was fishing at Rockport last week when he sighted a large school of trout. He made a cast and caught a four-pounder. Then he tied a fishing cord around its neck and an empty beer bottle at the other end of the cord so as to serve as a float and put the captive fish and bottle both back in the water. The captive fish would follow the big school of fish. Mr. Zunker would drop his line down beside the bottle to where the school was and in three hours he caught 106 fish averaging from 2 to 6 pounds. After fishing three hours a big red fish came along and swallowed the captive fish and when the bottle was last seen it was headed for the Gulf of Mexico. Mr. Zunker says on his next fishing trip that he will use a gallon jug for a float.

Mrs. Sol Silverman of the Del Mar Grill says that a couple of San Antonio anglers that were in the grill Sunday had caught 330 pounds of redfish, as well as some drum, fishing at St. Joseph Island, before they ran out of bait. Unfortunately Mrs. Silverman did not get their names. However, this sounds like the catch of the week.

Monday, W. B. Allen, wade fishing along the beach north of Fulton, caught 4 trout that would average four pounds each, and 5 reds that averaged three pounds apiece, all on artificial bait.

Curly Floyd and Mr. Branham, fishing the St. Joseph Island shore Monday, checked in with 25 nice trout.

Mrs. Tom Roper has defended her title as one of the best red fishermen in Rockport, and has been bringing them in all week. Last Thursday, wade fishing, she brought in seven rats running a pound or two, and then tore up her rig on a big one. Monday she and Mrs. Lynch fished, and while they only caught one red, Mrs. Roper says they missed a bunch of good strikes that should have produced fish.

Fred Christilles had a number of parties last week. On Thursday he fished F. W. Kosterman, Captain Joe Carpenter, both of San Antonio and they came in with 41 trout.

Friday he had L. H. Burdick, H. W. Fowler, Chuck Donovan, all of Oklahoma and Ed Hudson, Houston and they pulled in 61.

Tuesday he fished F. T. and Ed Tucker and Jim Snyder, all

VILLAGE CENTER ROBBED TUESDAY

Thieves broke into the Village Center at Fulton Tuesday night, entering through a rear window which they pried loose, and made off with between \$100 and \$200 worth of goods, according to Mrs. Harrell, who, with her husband, owns the store.

The robbery was discovered Wednesday morning when she and her husband arrived to open up. The thieves had stolen meat, groceries, cigarettes and soft drinks, removing beer from cases into which the various items were loaded to carry away, and had left the doors on the big meat box open, allowing it to defrost.

Apparently the plunder was too bulky to remove through the window where they entered, so the front door had been forced on their departure.

Deputy Sheriffs Sherman Mundine and Slim Haynes are investigating.

Surest way to injure your own character is to attack that of others.

Folks who won't get down to business seldom get up in the world.

'Tis true that age brings with it wisdom — but it sure leaves little time to use it.

Splinters on the ladder of life are unnoticed until one begins to slide down.

Never trust a woman who tells her true age. That woman would tell anything.

from Waco and Kenneth James, Corpus Christi, and they caught 68 specks.

Bill Crist fished Bob and Shirley Byrnes, San Antonio, and they caught 25 last Thursday.

DO YOU KNOW WHAT DROODLES ARE?

Do you know what Droodles are? The Pirate band will present something a little different for their half time show this week. They have been working all week practicing Mass Droodles. Droodles are little drawings, made with the fewest possible lines, that don't seem to make any sense until you guess the correct title, or until someone tells you. The Pirate band will attempt to bring you a "Three D" version of this "Art Form" by forming live droodles while playing a musical clue to their correct titles.

Come see if you can guess what they're up to. Match wits with the band.

Drift Bottle Thrown Overboard In Yucatan Found By R. Rice

R. R. Rice discovered a drift bottle with a note in it last week on the lower end of St. Joseph Island. It had been thrown overboard about two years ago in the Yucatan Channel, and finally came to rest in the high tide drift on St. Joe.

The cork was rotten and water had gotten into the bottle, but the note, from the Coast and Geodetic Survey, was on waterproofed paper and still legible, Rice said. It requested the finder to notify the agency, as this bottle was one of a large number that had been set adrift to aid in charting the currents of the Gulf of Mexico.

Clever girls make good men.

PUNGENT PARAGRAPHS

Give some men three high balls and they will strike out for themselves.

It is pretty hard for a man to think straight when all he has on his mind are curves.

A stenographer is a girl you pay to learn to spell while she looks for a husband.

Chasing the girls isn't what gets you into trouble — it's catching them.

Best way to say the right thing at the right time is to keep still. If you are looking for a helping hand, you will find none better than the one at the end of your arm.

Many a girl has married some poor dope only to find out that he really was poor.

It is true that women make a dollar go farther. They will drive clear across town to spend it.

There is a bright side to everything. But in politics it is the inside.

Don't sit and wait for your ship to come in . . . give it a tug.
