Mr. and Mrs. J. O. Rollins of LaPorte spent the weekend with Mr. and Mrs. J. B. Oliveros and family.

Visitors in the home of Mr. and Mrs. Elmo Brundrett last week were Mrs. J. W. Neighbors, Mrs. Henry Hodges of Gonzales and Mrs. Agnes Williams of La Margue, Mrs. Brudrett's sister.

Mr. and Mrs. Carl Hardin visited in Austin over the weekend.

Dear Friends:

Thank you from the bottom of my heart for your work and help in this campaign.

Through your efforts and financial assistance, you have made it possible for me to continue as your State Representative.

I realize this wasn't a pleasant run-off campaign, but when a man's friends believe in him and show it as you have, there isn't anything we cannot accomplish.

Sincerely,

HAROLD PARISH

Have YOU Tried it Yet?

MORE TEXANS SWITCH TO LONE STAR THAN TO ANY OTHER BRAND

Lone Star Outsell Six Leading Nationally Distributed Brands Combined

SAN ANTONIO, Texas—Figures on total Texas beer sales for May 1956—the latest available—again show Lone Star beer with the greatest total sales increase of all brands as compared to the same month last year.

This is a continuation of the 1955 trend which established Lone Star as the top brand in Texas sales increases for the entire year. It is also a clear indication that again in May—as throughout 1955, more Texans switched to Lone Star than to any other brand.

Also during the month, as was the case during all of 1955, Lone Star exceeded by a wide margin the combined Texas sales of the six leading nationally distributed brands.

Deep-Well artesian brewing waters from Lone Star's own giant artesian wells—plus a perfect brewing formula for Texas tastes—have enabled Lone Star to set a phenomenal sales record and have won for the Lone Star Brewing Company a clear claim to the title 'America's Fastest Growing Brewery.'

TELEPHONE TALK

Color, Color, and More Color

Nowadays, products of every kind seem to be coming out in more colors than the rainbow. You see the advertisements for these products in magazines, and you see them in stores and shops around town. Yes, everyone is "going to color."

The telephone company is, too. Our new color telephones come in eight bright colors to blend or contrast with the color schemes in your home, office, or store.

And that means a double advantage for you. Because if you've been thinking about ordering an extension telephone, why not ask for one in color? You get extra convenience with an extension, and color adds a touch of good looks to your home or office.

You can select from among ivory, green, beige, yellow, red, blue, gray and brown.

Just call the telephone business office, or stop in next time you're in the neighborhood. The cost is \$10.00 plus a one-time installation charge of \$3.00. Extension service is \$1.00 a month.

Brighten Up Your Weekend

Summer weekends are times for mowing the lawn, puttering around the house, and relaxing a bit. Or maybe you like to golf, prune the flowers, or just keep cool. At any rate, summer weekends are always perfect for "get-togethers" with family or friends.

For many of us, family or good friends are just around the corner or up the block.

But if members of your family or old friends are miles away, you can still count them in on your weekend get-togethers — with a Long Distance call. And hearing their voices again adds to your weekend fun.

Why not call this weekend? Rates are lower all day Sunday, and after 6 p. m. on weekdays. And when you do, call by number — it's twice as fast.

Cartoons Tell A Story

We see cartoons from time to time of the man calling home to tell his wife he'll be late for dinner. As she hangs up the telephone, she races to pull dinner out of the stove.

Maybe the moral of the story is to call your wife if you're going to be late. Otherwise, you'll be eating a burnt dinner.

At the telephone company, we read between the lines and see that the telephone "saved the day" once again. Actually, the telephone "saves the day" many times each day as we count on it more and more to save us time and steps.

Call by number. It's twice as fast.
