

eson Speaks; Officers Are Called At Jacye Banquet

Busy Schedule On Agenda For Sheriff's Posse

Following a week's rest, the Haskell County Sheriff's Posse faces a busy schedule in the coming weeks.

Today, Thursday, May 30th, the posse will head for Olney to ride in the parade this afternoon and the grand entry of the rodeo tonight.

On Thursday, June 6th, the posse will go to Wichita Falls to participate in the parade and the grand entry of the rodeo that night, and on June 12th will be in Vernon for the Santa Rosa Round-Up parade and rodeo.

The Haskell County Sheriff's Posse has made four trips this early season and has brought home four trophies, having placed second at San Angelo; first at Paducah; third at Bird and first at Throckmorton.

Many Services Are Rendered By Local Firemen

"Haskell Volunteer Firemen render many other services to the community other than just fighting fires," E. J. Stewart said. "Our greatest weapon is public opinion; we must speak out and take action on the things we know to be right. Poverty has existed from the beginning of time, but it does not necessarily create or breed crime," Congressman Burleson said.

Billie Jack Ray who MC'ed the evening's activities, kept the program moving at a fast clip; welcomed and introduced the guests.

Special music during the dinner hour was presented by Alexia Mayfield and Mrs. Jerry King.

Officers Installed: Fred Smith, of Abilene, State Director, installed the following new officers: President, Charles Thornhill; vice-president, Jerry Sorrells; second vice-president, Albert Roberts; secretary, David Conner; treasurer, Gaston Tidrow; directors, Von Marr, Tommy Matthews, Jerry Camp.

Awards Presented: Jessie Priest presented the following outstanding Jacye awards: 100% attendance, Albert Roberts, David Conner, Gaston Tidrow, Ben McGee, T. J. Ballard, Frank Jenkins.

The "speak-up" awards went to David Conner, Ben McGee, Gaston Tidrow, Charles Thornhill, Albert Roberts, Tall Texan award: Gaston Tidrow, Spark Plug: Charles Thornhill, Ben McGee, Jacye of the Month: David Conner, Jerry Sorrells, Key man: Albert Roberts, Jacye of the Year: Gaston Tidrow.

Retiring president, Ben McGee, presented certificates of appreciation to T. J. Ballard, Jerry Sorrells, David Conner and Jessie Priest. McGee reviewed the many projects the organization had accomplished the past year; expressed thanks and appreciation for the fine cooperation of Jacyees, and to all citizens of Haskell who helped to make the past year a successful one.

Newly installed president, Charles Thornhill said that service to humanity is the greatest challenge to Jacyees and pledged his full support as head of the organization for the coming year.

Invocation and benediction was given by Troy Culpepper.

Ernest James Hunt, 74, passed away at 9:55 p. m. Friday, May 24th, in the Rice Springs Care Home, where he had resided since May 9, 1967.

Funeral was held Sunday in the First Methodist Church, Haskell, at 4:30 p. m., with Rev. J. Lennel Hester, pastor of the First Methodist Church in Seymour; Rev. J. V. Patterson, pastor of the First Methodist Church, Haskell, and Rev. Walter Copeland, retired Baptist Minister, officiating. Burial was in Willow Cemetery, Haskell, with Holden-McCauley Funeral Home in charge of arrangements.

Born November 5, 1899, in Gurdon, Ark., he was a retired farmer. He was a member of the First Methodist Church here, the IOOF Lodge No. 525 and the Haskell American Legion. He was married Sept. 2, 1919, in Rule, to Carrie Nell Seruggs.

He was a veteran of World War I, and a member of the World War I Barracks here.

He moved to Haskell County with his parents, the late Mr. and Mrs. J. S. Sloan in 1901, coming here from Gurdon.

Survivors include his wife, Mrs. Nell Sloan of Haskell; one daughter, Mrs. Lennie Ruth Blankenship of Haskell; two sons, Howard Sloan of Rochester and Daniel Sloan of Munday; four brothers, Emory Menefee of Clint, George Sloan of Spur, Jim Sloan of Haskell, and Frank Sloan of Miami, Fla.; four sisters, Mrs. Willie Adkins of Chickasha, Okla., Mrs. Eula R. Reeves of Kermitt, and Mrs. Margaret Reeves of Bloomington, Texas; nine grandchildren and one great-grandchild.

A large crowd was present for the eleventh annual Haskell Junior Chamber of Commerce banquet held Saturday evening in the Elementary School Cafeteria to hear Congressman Omar Burleson from the 17th Congressional District speak.

Incoming president, Charles Thornhill, introduced the speaker.

Congressman Burleson told the attentive group that "we are charged with responsibility of the future for our children and we must become involved as citizens against lawlessness and crime."

"Love of country is the blue print to living. We live in a great nation, but history teaches us that nations fall from weaknesses within, rather than from external enemies," the speaker said.

"Our great country is being threatened with lawlessness, and crime is running rampant on the streets of America."

"Our greatest weapon is public opinion; we must speak out and take action on the things we know to be right. Poverty has existed from the beginning of time, but it does not necessarily create or breed crime," Congressman Burleson said.

PATTI JEWELL

MARSHA SHAVER

Haskell Will Be Represented In Miss Texas Pageant Preliminaries

Sponsored by the Haskell Chamber of Commerce, Miss Patti Jewell, daughter of Mr. and Mrs. Harold C. Jewell, of Haskell, and Miss Marsha Shaver, daughter of Mr. and Mrs. R. A. Shaver, Jr., of Rochester, will represent Haskell County in the Miss Texas Pageant preliminaries to be held at the Throckmorton High School Auditorium, at 8:00 p. m., Saturday, June 1.

These two young ladies were chosen on the basis they were the winners in the Haskell County "Hex-Day" Queen contests in 1966 and 1967. Both are freshmen at Texas Tech, Lubbock.

The winner at Throckmorton will compete in the State finals at Fort Worth.

There will be four counties, Haskell, Throckmorton, Shackelford and Young, included in the preliminary contest.

Mrs. Viars Felker, Haskell County chairman, said that each of the four counties is setting up a scholarship fund for the girls who enter the contest. Haskell Countians desiring to donate to the fund may mail their contributions to the Haskell Chamber of Commerce, earmarked "Scholarship Fund."

Continuing, Mrs. Felker said: "The main purpose for Haskell entering contestants in the pageant is to offer the young ladies an opportunity for scholarships, and also to help them gain poise and confidence from their participations."

Tickets to the pageant may be purchased at the Chamber of Commerce office here or at Lane-Felker.

Fire Destroys Acre of Wheat

A fire which broke out in a wheat field some six miles north of Haskell, Monday, shortly before 2:00 a. m., destroyed about one acre of the golden grain.

Haskell Volunteer firemen answered the call and soon had the blaze under control. The wheat was insured and belonged to Mrs. Frank Spencer.

A spokesman of the fire department said the blaze originated from burning trash.

Lions View Film At Tues. Noon Session

Since this is beef country, members of the Lions Club viewed a timely and educational film, produced by the Charlaise Association at the Tuesday noon-day luncheon meeting at Fekler's Restaurant dining room.

Troy Culpepper was program chairman for the day and introduced C. A. Thomas, who showed the film.

The film pointed out that cattle breeding is highly technical today and the Charlaise cattle meets the demand of larger, faster growing animals.

In appreciation of her loyal service, Lucy Kennedy, club sweetheart and pianist for the past four years, was presented a gift from Lions. Lucy, a '68 graduate of Haskell High, will enter West Texas State University, Canyon, to further her education.

Trinity Lutheran Sets Vacation Bible School

"Serve the Lord," will be the theme for this year's Vacation Bible School to be held at Trinity Lutheran Church on the Throckmorton Highway. The school will begin Monday, June 3, and continue through June 7 daily from 8:30-11:30 a. m.

Each day's activities will include an opening program, two study periods, a song time, craft period, and a short recess when refreshments will be served and there will be supervised play.

No advance registration will be necessary, and visitors are welcomed to attend the school. There is no charge for the Bible School.

The closing exercises for the Vacation Bible School will be held at the screened pavilion of the Lake Stamford Marina on June 9th beginning at 10:00 a. m. in conjunction with a church picnic sponsored by Trinity Lutheran of Haskell, and Christ Lutheran of Stamford. Eunice Koehler is Superintendent for the week-long school.

Rev. Abbott New Pastor Of Meth. Church

Rev. H. O. Abbott, 35, newly-appointed pastor of the First Methodist Church of Haskell and Paint Creek Methodist Church, will arrive here, today, Thursday, with his family and will preach his first sermon, Sunday from the pulpit he will occupy.

The new Methodist pastor came to Haskell from Seagraves, where he had a three-year tenure. Prior to coming to Seagraves, Rev. Abbott was pastor of the Roby Methodist Church and comes to Haskell highly recommended. He succeeds Rev. J. V. Patterson who has gone to Amarillo where he will pastor the Kingswood Methodist Church.

Rev. Abbott and his wife, Sue, have three children, two daughters ages 11 and 12 and a son, 4.

Rev. Abbott attended Texas Tech, Lubbock; TCU, Fort Worth, and is a graduate of the Perkins School of Theology, SMU, Dallas. He also is very much interested in flying and holds a pilots license.

Rev. Patterson, in addition to his heavy work load of pastoring the Haskell and Paint Creek Methodist Churches, has also been very active in many projects for the betterment of the community, and has been active in the Lions, Rotary Club and the Ministerial Alliance.

Mr. and Mrs. Wallace Cox Jr., of the Haskell First Methodist Church, and Mable Overton of Paint Creek Methodist Church, were delegates to the Northwest Texas Annual Conference held last week at the Polk Street Methodist Church in Amarillo.

Dist. Supr. Dr. Marshall Rhee, pastor of the Plainview Methodist Church for the past five years, replaces Dr. S. Duane Bruce as District Superintendent of the Seymour District. Dr. Bruce will move to the conference headquarters in Lubbock as program director.

Dr. Bruce headed the Seymour District, formerly known as the Childress District for three years.

Rev. Aubrey Headstream was returned to Rochester, and Rev. Manuel Reynolds to the Rule Church.

Danny Amerson will serve as pastor of the Weinert-Dumont churches. Dist. Supr. Steve Harper, who has been serving as pastor of the Weinert Methodist Church, asked to be relieved of his pastoral duties, as he will hit the youth evangelistic trail again this summer.

Short Ballot Faces County Voters In Second Primary

Final Rites Are Held For H. R. Collins

H. R. Collins, 82, retired farmer and resident of Haskell County since 1914, passed away at 3:00 a. m., Tuesday, May 28th, in the Haskell Memorial Hospital, where he had been a patient one day. He had been in failing health for about two years.

Funeral was held at 3:30 p. m. Wednesday, May 29th, in First Baptist Church with Rev. Troy Culpepper, pastor of the First Baptist Church and Rev. R. D. Williams, East Side Baptist Church, pastor, officiating. Burial was in Willow Cemetery, under direction of Holden-McCauley Funeral Home.

Born October 14, 1885, Falls County, Texas, he was married to Mary Stovall, February 15, 1904, at Belton, Texas. Mr. and Mrs. Collins moved to Haskell County from Ellis County in 1914 and settled east of Haskell in the Rose Community, where Mr. Collins was engaged in farming.

He was a member of the Baptist Church.

Survivors include his wife, Mary, of Haskell; four daughters, Mrs. R. E. Tidwell of Haskell, Mrs. Norman Howell of Temple, Mrs. Ed Hargraves of Cisco and Mrs. Jeff Fletcher of Knox City; four sons, O. P. Leslie, Marvin and E. C., all of Haskell; five sisters, Mrs. W. O. Lewis and Mrs. Jeff Smith of Goree, Mrs. Pearl Lackey of Haskell, Mrs. Ada Blackstock of Plano and Mrs. G. C. Brockett of Munday; 21 grandchildren; 16 great-grandchildren.

Pallbearers were George Turner, Loraine Johnson, James Adkins, A. D. May, Clarence Taylor and Garth Garrett.

Baccalaureate And Commencement Services Held for 51 Haskell Seniors

The 1968 senior class members of Haskell High School were presented diplomas Monday evening, May 27th, in Commencement Exercises held at the First Baptist Church, following Baccalaureate Services the preceding night. This marked the eighty-third annual graduation held by Haskell High School.

Baccalaureate Service Sunday, May 26, 8:00 P. M. The processional and recessional were played by two members of the graduating class, Dana Bland at the piano and Randy Wiseman at the organ.

Juniors leading the processional were Scott McDonald, Sheila Gilleland, Jim Smith and Debbie Darnell.

Following the processional, the invocation was given by Rev. Kenneth Blair, minister of the Trinity Baptist Church. David Fischer read the scripture, Seniors Thomas Williamson, John Love, Randy Wiseman, Bill Shaw, Gloria Patterson, Lucy Kennedy, Carolyn Rhoads, Theresa Abbott, Peggy Blair, Judy Epley, Patricia Hilliard, and Kathy Burson sang, "Born Free."

The sermon was delivered by Rev. Troy Culpepper, minister of the First Baptist Church.

After the sermon, Rev. J. V. Patterson, of the First Methodist Church, gave the benediction. The recessional followed.

Commencement Service Monday, May 27, 8:00 P. M. The evening's activities were begun with the processional, played by seniors Jo Nell Anderson at the piano and Anita Powell at the organ. The invocation was given by Rev. J. V. Patterson.

Following reading of the minutes, a motion was made by L. L. Kuenstler to pay all approved bills; Brock seconds. All eyes.

Brock makes motion to approve bond of Claire Halliburton Kuenstler seconds. All eyes. All members were present with the exception of E. C. Collins, who was absent due to the death of his father.

BETTER THAN QUARTER INCH RAIN FRIDAY "Stormy" clouds rolled into Haskell late last Friday and 29 inch of rain fell here between 7:30 and 8:00 p. m., according to Sam Herren, "The Weatherman."

A light sprinkle early Monday morning left only a trace of moisture.

City Council Session Held Tuesday Night

In a meeting of the City Council Tuesday night the Equalization Board for 1968, composed of J. B. Gipson, Guy Kennedy and H. C. King was approved.

Other matters coming before the council at the Tuesday night session consisted mostly of routine business, including reading of the minutes of the last regular session and presenting bills from May 14th to May 28th, 1968, were presented.

First Wheat Of 1968 Received Here Tuesday

First load of dry wheat from the 1968 crop was received here May 28th when Jackie Sonnemaker brought in a load of 10-240 pounds to the Nine-Point Grain, Inc., Feed & Seed Division. The golden grain was cut from land belonging to Carl Bailey, located just North of Haskell.

The wheat had a weight test of 61 pounds; moisture content of 14 per cent and averaged around 25 bushels per acre.

Due to the wet weather the first grain of the 1968 season was brought in almost three weeks later than in 1967, as the first load of wheat was brought in last year on May 9th.

Nine-Point Grain Company presented Sonnemaker with a new Stetson hat for bringing in the first wheat of '68.

If the warm, sunny days continue the wheat will be rolling in to local grain dealers at a fast clip by this week-end.

Marking Ballot

Voters are again reminded that the check method will be used in voting in the second primary, Saturday.

It will be necessary for the voter to place an X or check mark in the square beside the name of the candidate for whom he wishes to vote.

Absentee Voting Voting by absentee in the second primary to be held Saturday, June 1, closed Tuesday and County Clerk W. W. (Bill) Reeves reported that 101 votes had been cast in his office and 18 ballots out, a record for a second primary.

All ballots requested by mail must be returned by 1:00 p. m. Saturday, election day.

Election judges did a good job in calling in their returns in the first primary and Haskell County was first in reporting to the Election Bureau.

Mr. Reeves is again urging election judges to call in their returns to his office, Saturday, as soon as possible after the polls close.

Steve Harper Is Beginning New Ministry

STEVE HARPER

Steve Harper, former pastor of the Weinert Methodist Church, is beginning a new ministry as associate evangelist of the Ed Robb Evangelistic Association in Abilene, Texas.

Harper said, "Although I leave many wonderful friends and a most enjoyable pastorate in Weinert, my new ministry will enable me to share the gospel with people of all ages and all denominations."

His new ministry will send him into all parts of Texas and the Southwest. In Texas, he is already engaged to be in Weatherford, Waxahachie, Abilene, Midland, Graham, Denver City, and Slaton. He will also hold meetings in Colorado and Kansas in the fall. A highlight of his new ministry will be when he represents the Ed Robb Evangelistic Association at the San Antonio in June.

Harper, who is a junior at McMurry College in Abilene, was a 1966 graduate of Haskell High School. He is the son of Mr. and Mrs. Joe Harper of Haskell.

Reading Club Registration Set Saturday

All young people are reminded to register for the Texas Reading Club sponsored by the Texas State Library in cooperation with the Haskell County Library.

You must read twelve books on your own age level by the end of August to complete requirements for a certificate.

Please register with Mrs. Elsie McGee, Librarian, from 9:00 to 5:00, Saturday, June 1, 1968.

VOTE SATURDAY

for

D. L. [Jack] Speer

CONSTABLE PREC. 1

Please come out and vote Saturday and help elect the man you want to represent you.

I will sincerely appreciate your vote and influence in Saturday's election. If your candidate is not in the run-off I want to solicit and will appreciate your help.

My retirement has been mentioned but contrary to rumors it is a small amount, not near enough for our existence. That is why I drive a truck or do other odd jobs when they are available.

If elected I assure you devotion to duty, fairness and courtesy to all. I will put forth every effort to do a job that will give you no reason to regret having supported me.

If I have failed to see you please accept this as a personal solicitation.

RUGGED TENDERNESS

Youngsters can be rugged yet touchingly tender. But they're always real—no doubt about it. That's why cotton is a natural for children. Cotton things can be as durable as a dimpled cheek—as gentle as a freckled face. Cotton comes out like new when you wash it. Even after repeated launderings, cotton bounces back bright and fresh—without dinginess or odor build-up. Cotton things look good and feel good on grownups, too. So call for cotton—for the entire family.

Stitching And Stewing

By Ruth Ann Fansler
County H. D. Agent

As warm weather arrives, store your winter clothes carefully so they will be in good condition next fall.

Store only clean garments. Spots and stains will be harder to remove if they stay on the garment all summer—and moth damage is more likely on soiled clothes, too.

Wash and dry thoroughly all washable garments—don't use starch. Send other soiled garments to the dry cleaner, and call his attention to spots and stains and to any care instruction given on the garments' hang tags.

All the garments should be free of moths. Dry cleaning or washing will kill moths in all stages of growth. Brushing and sunning garments also rid them of moths, as well as moth eggs and larvae (the larvae do the damage to clothes).

For added protection against moths you may want to spray the clean garments with DDT, methoxychlor, chlordane, stroband or Perthane before storage—following directions and observing the cautions given on the container label. Directions for "moth balls," paradichlorobenzene crystals or naphthalene flakes or crystals, on the container suggest the amount to use.

Remove plastic buttons, buckles and other plastic ornaments before storing garments and avoid using plastic hangers. The plastic may cause a stain or melt into the fabric, especially if the garments are stored in a warm, dry place such as an attic or if "moth balls" are put in with the clothes.

If space is available, store hangable garment bags on rust-proof hangers. Put sweaters and other knitted garments in garment bags or boxes.

Tightly-wrapped paper packages, air-tight boxes or chests, or garment bags are the best storage places. Cedar chests are old favorites for winter clothing storage, but all garments must be moth-free before they are put into a cedar chest. Cedar oil vapor does kill small moth larvae but not older, larger ones and as a cedar chest gets older, there is less cedar oil vapor.

Other winter garments need the proper storage, too. Furs usually should be cleaned professionally and stored in fur storage vaults where the temperature is low. Summer heat in home closets tend to dry the skins.

Felt and yarn hats should be brushed thoroughly and the

head bands should be cleaned with spot remover. Be sure to follow the manufacturer's directions on the remover's label and use it in a well ventilated room.

Stuff the crowns of the hats with tissue paper and place them, uncrowded, in boxes. You may want to add one of the moth preventatives to the boxes.

Clean and polish leather shoes and bags, using a leather cleaner or saddle soap. Protect them from dust by wrapping or placing them in boxes. Since leather is subject to mildew, check leather items periodically during storage and provide plenty of air circulation if the storage area is damp.

SIX FLAGS REVUE SALUTES THE RED, WHITE AND BLUE

Faces of American Youth—Ten Texas collegians appearing in SIX FLAGS Over Texas "Red, White and Blue Revue" are bringing audiences to their feet in patriotic acclaim for the rousing ways these youngsters romp through a fast-moving series of familiar tunes ranging from American folk music, spirituals, musical comedy, and western to popular music.

Arlington, Texas—Performances of SIX FLAGS Over Texas' new musical show, the "Red, White and Blue Revue," with a cast of ten talented collegians, are being greeted by enthusiastic audiences with standing ovations of approval.

The annual show is one of the featured highlights of the popular theme park's 80 rides, attractions and shows.

The general musical approach to the "Red, White and Blue Revue" does not hinge on a plot, but rather on a fast-moving series of familiar tunes from American folk music, spirituals, musical comedy, Western and popular music.

Robert Douglass, Music Critic for the Fort Worth Star Telegram, reviewed the show, saying in part: "Nostalgia is a major force at SIX FLAGS, but somehow it was timely and heartening to hear these youngsters romping their way through patriotic and regional songs with convincing fervor. It brought goose pimples, too. The grand finale with "It's a Grand Old Flag" backed by a tremendous 40- by 20-foot flag brought a standing roar from the crowd."

The "Red, White and Blue Revue," written by C. R. Meeker, Jr., and produced by David Blackburn and Michael Jenkins with David Bright conducting the orchestra and ensemble, is staged in the Park's new 1,200-seat, air-conditioned Southern Palace Music Hall. Shows are scheduled for six or seven performances each operating day.

SIX FLAGS, 140-acre, \$16,000,000 theme park located midway between Dallas and Fort Worth, is open during the Spring on weekends only but commences daily operations from May 25 through the 7th of September.

Services Held Wednesday For Fisher Miller

Fisher Miller, 62, commercial manager for Community Public Service Company of Breckenridge for 25 years, and brother of Mrs. Lee Webb of Rule, passed away at 4:00 p. m. Monday in Stephens Memorial Hospital, Breckenridge, after he collapsed in front of his office in downtown Breckenridge.

Mr. Miller, who had been employed by Community Public Service Company for 40 years, had been in ill health for some time.

Born December 11, 1905, in

Rule, he moved to Breckenridge in the early 1920's. He was a member of the First Christian Church, the Chamber of Commerce and the Lions Club.

Survivors include his wife; two daughters, Mrs. Don Striegel and Mrs. Patricia Batross, both of Fort Worth; three sisters, Mrs. J. B. Perry of California, Mrs. Minnie Stanfield of Littlefield and Mrs. Lee Webb of Rule; one brother, I. D. Miller of Hamlin; and two grandchildren.

Funeral was held Wednesday at 3:00 p. m. in the First Christian Church, Breckenridge, with the Rev. Richard Russell, pastor, and Rev. John Taylor, pastor of the First Methodist Church, Breckenridge, officiating.

Interment was in Breckenridge cemetery.

Commencement Exercises Are Held For Weinert Junior High

Weinert Eighth grade graduation exercises were held Thursday night, May 23, at 8:00 o'clock in the high school auditorium.

Joan Caddell, with an average of 92.24, gave the salutatory address. Linda Owens, with a grade point average of 92.27, gave the valedictory address. Brenda Boone received a certificate of award for maintaining an "A" average, after being absent for 59 whole days and 31 half-days due to severe illness.

Speaker for the occasion was Mrs. Irene Earle, wife of the Weinert Paymaster Gin manager.

Mr. Mrs. Earle encouraged and challenged the graduates to hitch their wagon to a star, keeping in mind their motto: "Labor Conquers All Things."

Professional and Recessional was played by Mrs. Jerry King. Invocation was given by Valene Bredthauer and benediction by Jerry Sanders.

Immediately after the awards and diplomas were presented by Mr. Willie Grimes, a reception was given in the homemaking cottage by the eighth grade mothers.

Graduates included Brenda Boone, Dorothy Freeby, Rodney Dutton, Rueben Jimenez, Walene Bredthauer, Joan Caddell, Jerry Sanders, Linda Owens, Sue Hager and Nan Reeves.

The Good Earth

By Mrs. B. F. Cobb

I went with Mrs. Ed Hester last week to watch the ground-leveling at the Depot Museum.

Ed Hester and his sons-in-law, . . . Waymond McBroom and Jimmy Browning, were as busy as three bees.

Mrs. C. G. Burson loaned his leveling machine and Melvin Norman loaned his tractor. Ed, Jimmy and Waymond took turns at using the leveler and the scraper, pulling dirt to the lowest point and leveling it.

After the grounds were leveled, Waymond went over it with a disc plow, so the ground would be rough enough to hold the Bermuda grass seed. Mr. Conner was to sow the next morning. But before Mr. Conner could plant the seed, it rained. Ed had to replot the grounds the next day with his own tractor and plow.

Mrs. Hester (Juanita), Jimmy and I picked-up several five-

gallon cans of rocks, sticks and cans that the plows had uncovered. It seems the museum grounds were once a dump ground. The Hesters' have picked-up and carried off several pick-up loads of debris from the grounds.

Mrs. Charlie Conner donated one hundred and fifty petunia plants and Mrs. Hester brought 50 canna plants. . . Mrs. C. B. Rhea and Mrs. Hester set out the plants. They have also been watering the newly-seeded lawn.

Mrs. Ed Fouts gave 50 Iris and 18 double day lilies. Not only did she give the plants, but she washed and trimmed each plant.

Many other Haskell Garden Club members took trees, shrubs and plants as did many private citizens, but I do not have access to their names and what they gave.

If everyone had worked as long and hard, on the yard, as have the Hesters and sons-in-law, there would be little left to do.

If you have something real old, and of interest to Haskell's history, please present it to the museum so that everyone can share its interest.

There are several cases yet to be filled with treasures of the past, and lots of wall space to display things of interest.

Dr. T. W. Williams, or Mrs. J. G. Vaughter will be glad to assist anyone wishing to present an article to the museum.

Play Night Set Tuesday At 8:00 At Powell Arena

The second in a series of "play night" activities will be held Tuesday evening, June 4th, at 8:00 o'clock at the James Powell Rodeo Arena located just south of the outskirts of Haskell.

No admission will be charged and the public is invited to attend.

Events will include Jr., Sr. and open barrel racing; Jr., Sr. pole bending; Jr., Sr. and open calf roping.

Cowboy Reunion Dates Are Set At Stamford

Final arrangements are being completed for the Texas Cowboy Reunion Quarter Horse show to be held in Stamford on July 2, 3 and 4, according to Charles Stenholm, chairman of the annual event. The American Quarter Horse Association approved show is one of the nation's finest shows. A Youth Activities Day with open competition will precede the two days of registered entry competition.

A play-day type competition open to both registered and unregistered horses will get underway at 8:00 a. m. on July 2nd.

There will be three divisions: children 12 years of age and under, 13 to 15 years of age and 15 to 18 years of age. Events will include show at halter and in performance classes there will be Western pleasure, reining, barrel racing, pole bending and flag racing. Trophies and ribbons will be awarded winners.

In the registered AQHA competition which begins at 8:00 a. m. on July 3, registered halter classes will show in the morning and Youth Activities in the afternoon. Registered performance classes will begin at 7:30 a. m. on July 4th. This will also include reining, Western pleasure, barrel racing, pole bending and cutting horse competition. Trophies will again be awarded in Youth Activities.

Jackpots of 80-90% of all other entry fees will be given to winners in other events in addition to trophies and ribbons.

John Trimmer of Hale Center, Texas will be the judge and will be assisted by Frank Davis of Throckmorton in the cutting horse events.

All entries and applications should be addressed to Charles W. Stenholm, Box 1147, Stamford, Texas 79553.

Cousin of Haskell Resident Is A Walking Miracle, Physician Says

According to a story appearing recently in an Amarillo newspaper, under the by-line of Anna C. Thomason, a 36-year-old Amarillo woman's heart stopped for 40 minutes 10 weeks ago.

Today she is in "A-No. 1 condition," hospital officials say.

"She is a walking miracle," her physician adds.

She is Mrs. D. T. (Geraldine) Holloway, a former resident of Stamford and a cousin of Mrs. C. W. McKelvain of Haskell.

Mrs. Holloway lived without measurable pulse or blood pressure while five physicians worked to restore her heartbeat.

Mrs. Holloway underwent surgery on March 8 at Northwest Texas Hospital. Her heart stopped as she was being moved from the operating table, her physician said.

A Code 99 Message (which means "bring the cardiac team and the machine") was issued, and an \$8,000 cardiopulmonary resuscitation unit arrived in surgery within two minutes.

The unit, which officials say was a major factor in saving the woman's life, was a gift from the hospital auxiliary.

"And if it saves one life, it has paid for itself," said Mrs. K. M. Bosley, auxiliary president, who adds that she is sure it played an important part in saving Mrs. Holloway's life.

Mrs. Holloway had checked into the hospital for elective surgery the day before the operation. She said she had worked several years as a nurse aide, and had no fears about her surgery.

"I remember very little about it," she said, except that when she regained consciousness about five hours later and told the doctors that she hurt, one said: "That's the best news I've heard today."

To him it was an indication that the patient was coherent and had suffered no brain damage from the stoppage.

An Amarillo physician said that most patients who survive and are normal following a cardiac arrest have gone no longer than five minutes without measurable pulse, blood pressure and heartbeat.

Mrs. Holloway's physician said several factors were in her favor including the fact that few cardiac arrests occur with three physicians in attendance.

He said the physicians began working immediately to restore the patient's heartbeat.

Two heart specialists drove from their offices within minutes to join the team. They are

PRESTON SMITH for GOVERNOR

VOTE SATURDAY JUNE 1

TO: The Citizens and Voters of Texas FROM: Preston Smith, Candidate for Governor

The purpose of this message is to ask for your support and vote in the Second Democratic Primary Saturday, June 1.

As your Lieutenant Governor for the last six years, I believe I have qualified myself to seek the high office of Governor. You know I finished second among 10 candidates in the First Primary, about 29,000 votes behind the leader with 1,750,000 votes cast.

With your help we can win this runoff against an opponent who has no public record of any kind . . . one who is aligned with groups that want to reject the progressive, constructive programs built by John Connally and his predecessors and replace them with so-called "liberal" ideas of their own.

I want to continue and improve on the start we have made in education, pollution control, law enforcement, highways, water conservation, promotion of industry and tourism, and many other vital areas.

I am proud to have been a part of Texas government for 18 years. Opponents may harp about what is wrong in Texas; I happen to think there are a lot of things RIGHT in Texas. I am proud of my state and its people.

Things can be even better, and I want to work with you in that direction.

It's more or less in the political tradition to lambast your opponent and say a lot of ugly and cutting things about him. I don't want to engage in personalities; my opponent has no public record to criticize. Therefore I am running for Governor on my own merits.

It may be pretty ambitious for a farm-born, farm-raised Texas boy, who worked his way through Texas Tech and spent his adult years in business activities in Lubbock, to aspire to be Governor. You will be the judges as to whether my experience and proven qualifications entitle me to be elected. I will accept your judgment with real gratitude for your past support and friendship.

Please remember that if I am elected, my door will always be open to any Texan who has any problem whatever that the Governor can help with. I will always be interested in good government. I will always be interested in you.

Capital Credit Checks Will Be Mailed To Members Electric Co-Op

Capital Credit checks totaling \$315,484.51 will be mailed to members of Stamford Electric Cooperative on June 1, according to C. M. Lester, Manager. These checks represent the retirement of 1954 and 1955 capital credits.

All such retirements of capital are made in the order of priority according to the year in which the capital was furnished and credited, the capital first received by the Cooperative being first retired.

The capital credits plan is one aspect of Stamford Electric Cooperative's non-profit operation under which members and patrons agree that all amounts paid for service in excess of operating costs and expenses are furnished as capital.

The Board of Directors of SEC is charged with making decisions on financial policies of the Cooperative. It has been the policy of Stamford Electric over the years to retire REA loan capital as rapidly as feasible.

This has been done to the extent that members of SEC now own 95.3% of the total electric plant.

It is now possible to begin refunding members capital investment on a regular yearly basis.

CARD OF THANKS

Our sincere appreciation to our friends for their words of consolation, the beautiful floral offerings, the food, cards and visits in the loss of our loved one, Mrs. Carl Lee. Thanks to the doctors and nurses while her stay in the hospital and then to the staff at Clearview Lodge after leaving hospital. May God bless each of you is our prayer. Mr. Carl Lee and Family. 22p

Jesse Priests' Are Moving To Graham

Mr. and Mrs. Jesse Priest and sons, Ricky and Niki, will leave Friday, May 31, for Graham to make their home. The Priests' have resided in Haskell for almost nine years, having moved here in August 1959.

Mr. Priest, who has been with the Department of Public Safety for more than 12 years, was transferred from the Highway Patrol to the Motor Vehicle Inspection Service, September 1, 1967.

Priest has served as president of the Haskell Jaycees and has received recognition for outstanding service in that organization. In 1957 he served very successfully as Haskell County Crusade Chairman for the American Red Cross.

The Priest family have been active in the First Baptist Church here, and for the past

Baptist Foundation of Texas Holds Annual Directors Meeting

Last week the Baptist Foundation of Texas held its annual directors' meeting at the Carr Collins farm just west of Irving. Mr. Collins, president of the body, extended an invitation to R. C. Couch, Sr., of Haskell, to be in attendance.

The board consists of twelve businessmen whose selection is made by reason of their ability and business record. Each director has his separate and individual duty. None of the directors are paid for their services and they agree to make this job come ahead of their own financial duties. Each one of the directors, or their assistants make their own report. The meetings covered about three hours the first evening and about four hours the next morning. Everyone attending could stay over, night with free lodging if they cared to.

Some of the men attending were R. L. House, lawyer from San Antonio, brother of efficient pianist, Mary Martin; Dr. Gordon Clinard, of the FBC, San Angelo, president of the State of Texas Baptist General Convention; Bro. James Landes, who was for awhile president of Hardin-Simmons; Bro. John Hurt, Editor of the Baptist Standard; Earl Hankamer, an oil man from Houston who has given large amounts to Baylor University; W. D. Presley, a former director who is now president of the FNB, Dallas. He has just returned from New York, where he received the Horatio Alger Award; Ben Woolen, one time president of the FNB, Dallas, and a man of many duties; George W. Hawks, of Arlington, a director of the Baptist Standard and who has six papers of his own and prints 26 other papers for other owners; Dr. Chas. Pitts, president of the Dallas Baptist College; Chas.

five- and-one-half years, Mrs. Priest has served as church secretary. Prior to that time she was secretary for some three years to County Agent Frank Martin.

Mr. and Mrs. H. T. Wilkinson and six were in Graham Wednesday, May 29th, to attend funeral services for Mrs. Jack Cotes.

Mrs. Cotes, long-time Young County resident, was an aunt of Mr. Wilkinson.

To The Voters of Com. Prec. 1

Lewis Hester

With the second primary coming up Saturday, June 1, I would like to extend this final reminder that I solicit and will sincerely appreciate your vote and influence.

I have worked part time for Precinct 1 the last 3 years. This work gives me much knowledge of road work and the condition of Precinct 1 roads.

I am aware of the fact that the county's business is a very large and complicated one. The demands on a commissioner are many and varied. To be a good administrator, able to handle the finances in a business-like manner, supervise the work and employes of the precinct, pay careful attention to buying and properly care for the other details that arise.

This is a full time job and takes a full time man to properly fill it. Since I am a retired farmer, I will devote my full time to those duties, thus giving you a good, economical administration.

DOWN SLIGHTLY

Traffic deaths and injuries were down slightly in 1967, but, according to a spokesman for The Travelers Insurance Companies, "52,200 deaths and 4,200,000 injuries in one year is small cause for rejoicing."

Sister Of Mrs. G. B. Baggett Passes Away

Mrs. Finis C. Tibbs, 67, sister of Mrs. C. B. Baggett, of Haskell, passed away Saturday, May 18th, in a Big Spring Hospital. She had been in failing health for the past six years.

Funeral was held at 2:00 p. m. Monday, May 20th, in the West Side Baptist Church, Big Spring, with Rev. Franklin Rodcliff officiating. Burial was in Trinity Memorial Park, under direction of River-Welch Funeral Home.

Born in Gorman, December 15, 1900, she was married October 9, 1927, in Rochester. They moved to Big Spring from Rochester in 1942.

Survivors include her husband; one son, Weldon of Big Spring; two daughters, Mrs. Ray Thomas of Big Spring and Mrs. Raymond B. Falk, of Corpus Christi; eight grandchildren; three sisters, Mrs. A. B. Cox of Old Glory, Mrs. C. B. Baggett of Haskell and Mrs. Lucille Dacy of Houston; one brother, Russell Bradley of Stamford.

A daughter passed away in December 1934.

Speed... The Greatest Killer

Trying to beat the odds has been the nemesis of many gamblers and many pedestrians, too.

According to a survey by The Travelers Insurance Companies, odds are eight-to-one a pedestrian will get killed while crossing streets between intersections rather than with a signal. And, twice as many pedestrians were injured crossing between intersections than crossing with a signal.

These statistics are but a small percentage of the data contained in "Attitudes and Platitudes" the 1968 edition of The Travelers annual booklet of highway accident information. The statistics are compiled from records of state motor vehicle departments.

The booklet shows that 52,200 persons died on the highways in 1967. More than 4,200,000 persons were injured. More than 40,000 persons were killed on clear, dry roads. The 20 to 34 age group stands the greatest chance of being killed in auto accidents. Speed is still the greatest killer.

A Travelers spokesman said there are many ways in which motorists can help try to break the long chain of events that lead to a traffic accident. They include: update driving skills; practice defensive driving; maintain the car in good mechanical condition; limit driving when tired, ill, emotionally upset and under medications; don't drive under the influence of alcohol; adjust speed to highway, weather, traffic and other conditions; and support better law enforcement, highway improvement, improved driver licensing, etc.

CARD OF THANKS

I would like to express my sincere thanks to all my friends for their many deeds of kindness while I was in the hospital in Abilene and since returning home. Words cannot express what your visits, gifts, cards, letters and telephone calls, etc., have meant to me, also thanks to the boys for mowing my lawn. Mrs. Lara Sellers. 22p

OIL AND GAS WELLS BOOST ECONOMY OF HASKELL COUNTY

Oil and gas wells provide approximately \$10.1 million a year of Haskell County's economic output, according to statistics released this week by Texas Mid-Continent Oil & Gas Association.

Based on most recent U. S. Bureau of Mines production figures, the Association compilation showed that Haskell County produced crude oil valued at \$10.1 million in 1966 and natural gas worth \$60,000.

Texas oil production in 1967, responding to demands for more domestic crude as a result of the Israeli-Arab conflict, totaled 1,050,000,000 barrels, a statewide increase over 1966 of about 5 percent. Production last year varied widely among state Railroad Commission districts, however, ranging from 3.5 percent below 1966 to 16 percent above.

"Production from Haskell County last summer helped prevent any oil scarcity for U. S. consumers at a time when one-third of the world's supply was cut off," said Corbin J. Robertson, Houston, Association president. "We must keep in mind, however, that it may be difficult for Texas fields to sustain production in future emergencies if the discovery of new reserves continues to lag, due to lack of exploratory drilling."

The annual study showed that Haskell County ranked 94th among Texas counties in total value of its production of some 3.4 million barrels of oil and 467 million cubic feet of natural gas.

Texas oil men, according to Rinehart's yearbook, drilled 93 wells in the county, risking some \$1.6 million. Sixty-one percent of them were dry holes, costing about \$917,000.

County landowners and others with mineral interests cashed

year in production by producers and ers to the state... Reports from the employment Commission some 72 persons employed by the industry in the annual payroll of...

OIL NOTES

Haskell County has gained site for a new wildcat. A confirmation well has been completed in the county.

The wildcat is Sojourner Drilling Corp. of Abilene No. 1 Clyde Langford, et al, two miles west of O'Brien.

The planned 4,999-foot rotary Strawn Sand test is on a 158.6 acre lease. It spots 2,288 feet from the south and 330 feet from the west lines of Section

21, Block 14, H&TC Survey.

The confirmation is in the new Strain (Middle Barson) Field five miles north of Haskell. It is Harding Bros. Oil & Gas Co. of Dallas No. 4 E. H. Grindstaff, 3,089 feet from the north and 1,772 feet from the west lines of J. Montgomery Survey 2.

Daily potential was 109 barrels of 41 gravity oil. Flow was through a 16-64 inch choke with 220 pounds casing and 230 pounds tubing pressures. Production is from perforations at 4,627-37 feet. Operator set the

medical accomplishments, technical knowledge and advice which helped to improve the facilities at the hospital.

Outstanding achievement during sustained aerial flight as a combat crew-member earned Dr. Nelson his two awards of the Air Medal.

He is now serving as an aerospace medical officer at England Air Force Base.

A graduate of Lake Charles High School, Dr. Nelson received a B.A. degree in chemistry from Baylor University in 1961, Baylor College of Medicine conferred his M. D. degree in 1965.

The doctor's wife, Glenda, is the daughter of Mr. and Mrs. Robert G. Walton, Rt. 2, Haskell.

Monahans Girl Scouts Honor Former Leader

Members of Girl Scout Troop 10 of Monahans, recently presented three books to the Ward County Library in memory of their former troop leader, Mrs. W. E. (Yvonne) Green, Jr., who was their leader from 1965 through the 1967 summer.

Books donated were: The American Girl Book of First Date Stories; The American Girl Book of Teen-Age Questions and Cooking Out of Doors.

The late Mrs. W. E. (Yvonne) Green Jr. was the daughter-in-law of Mr. and Mrs. W. E. Green of Haskell.

New Form For Correcting Ins. Premium Errors

Taxpayers who misinterpreted the medical insurance premium deduction provision in preparing their Federal income tax return should use the new, specially-designed Form 1040-X in filing an amended return, Ellis Campbell, Jr., District Director for northern Texas, said today.

The yellow-colored 1040-X, introduced by IRS earlier this year for a mending individual income tax returns, is especially suited for correcting errors such as those made in reporting medical insurance premium deductions.

Mr. Campbell said that reports from the Southwest Service Center, which services Texas taxpayers, indicate that on their original return many taxpayers overlooked changes in the law relating to the medical insurance premium deduction.

For 1967 itemized tax returns, the law provides that one-half the cost of premiums paid for medical insurance, up to a maximum of \$150, may be deducted without regard to the three per cent of income limitation.

It is no longer necessary for a taxpayer to file another complete 1040 or 1040-A to correct errors on tax returns already filed. Mr. Campbell pointed out. Furthermore, Form 1040-X not only simplifies the filing of an amended return, it also speeds up processing of additional refunds that may be due on 1967 returns.

Copies of Form 1040-X and instructions may be secured from any IRS office.

LIFE'S WORK BEGINS

School is out, the report card taken home with pride or disappointment and a veritable army of young people are looking about for summer's change of pace. To some, the summer will be a time of relaxation, sports and rest; to others it will be a time to sample the world's work, to earn some coveted possession. To the graduates, who will turn their backs on schools, it will be a time to meet the responsibilities they will face the rest of their lives.

As the measure of the school system is the degree of eagerness and preparation with which the graduate comes to the adult work-a-day world, so the measure of the community is the understanding and enthusiasm with which he is greeted. If the truth of the old American concept of opportunity for all is to be preserved, then those opportunities must exist and the newcomers must be helped over the rough spots to find them.

Not every graduate will be qualified for the job he wants, or opportunities may be limited in the area he has chosen, but all must be greeted with encouragement rather than rejection, and rather than disinterest, as they seek their place in the world of today to do their part to create a better world of tomorrow.

The community of business and industry needs the constant infusion of youth and fresh eagerness if it is to find the answers to problems created by the great number of technological changes.

HASKELL COUNTY HISTORY

30 YEARS AGO
(May 31, 1938)

Announcement was made on Monday that Dr. Ernest Kimbrough, son of the late Dr. W. A. Kimbrough, of this city, and who is now completing his internship with Hermann Hospital in Houston, would locate in this city July 1 for the practice of surgery and medicine. He will be connected with Payne Drug Company.

Mr. and Mrs. Perry Mason left Friday for Lubbock where Ms. Mason will spend the summer with her parents, Dr. and Mrs. G. C. Brewer. Mr. Mason will go to Nashville, Tenn., and enter George Peabody University for the summer.

Mrs. Bob Herren and children have returned from Wolfe City, where they spent the past week with relatives and friends. Mr. Herren, accompanied by Mr. and Mrs. Jess Collier, drove to Wolfe City Sunday to return with Mrs. Herren.

A Tonn, well-known Haskell blacksmith and mechanic, announces this week that he has opened up the old Carlisle Shop just south of the square. Mrs. Cliff Chapman and

daughters, Anita and Juanita, returned to their home Sunday after several weeks visit with her parents, Mr. and Mrs. Seagar in Rosenberg. She was accompanied home from Buffalo Gap by Mr. Chapman.

Mrs. Ben Charlie Chapman and Mrs. Clay Smith were in Breckenridge, Friday.

Honor students of Haskell High School in the class of 1938 were Ruby Sue Persons, valedictorian, and Elizabeth Huckabee, salutatorian. Miss Persons is the daughter of Mr. and Mrs. Dave H. Persons, and Miss Huckabee, the daughter of Rev. and Mrs. R. N. Huckabee, of this city.

Postal receipts for Haskell continued on a substantial upward trend during the first two months of the second quarter, according to an announcement by Postmaster, J. M. Diggs.

40 YEARS AGO
(May 31, 1928)

Howard Wilson, son of Postmaster and Mrs. J. T. Wilson, of this city, left last week for Mankins where he will spend the summer with his brother, Tad, who is a telegraph operator for the Wichita Valley R. R. at that place.

Menard Field and family spent Sunday in Coleman, returning last night in the rain.

Virgil Reynolds has returned from a visit to friends in Dallas and to see his uncle, Mr. M. D. Hudson and family in Fort Worth.

Miss Hassie Davis, daughter of Mr. and Mrs. R. H. Davis, of this city, received her degree with the largest graduating class in the history of the West Texas State Teachers' College at Canyon, Texas. Miss Davis is a very fine singer. She has been one of the soloists in the cantatas given by the chorus this year. She presented her senior vocal recital May 17 in the College Auditorium. Miss Davis is a member of the Girls Glee Club, College Chorus, Orchestra, Madrigal Club, Scholarship Society. She is also an active member of the Sesame Literary Society.

Mr. and Mrs. R. J. Reynolds and son, Virgil, will go overland in their car to the biennial at San Antonio and will later visit in Houston and Galveston.

Mr. and Mrs. A. H. Golden were here the past week from Borntown visiting their daughter and family, Mr. and Mrs. D. P. Ratliff, of this city.

Jack Baldwin made a business trip to Stamford, last Monday.

B. M. Whitaker, exhibit manager of the West Texas Chamber of Commerce, spent a few days in Haskell with his family last week and greeted friends.

John Banks was in Fort Worth last week consulting with those in authority about entering Texas Christian University in the fall.

60 YEARS AGO
(May 30, 1908)

The Spring term of district court for Haskell county convened Monday with Judge C. C. Higgins, presiding, and District Attorney Hodges, Sheriff Park and Dist. Clerk Meadors in attendance. Judge Higgins empaneled the following grand jury for the term: J. R. Capt. W. L. Cason, G. J. Clough, B. P. Davis, J. M. Ferrell, T. J. Head, J. W. Hester, J. C. Lewellen, J. E. Cloud, A. B. Carothers, Lewis Howard and John Lowe. W. L. Cason was chosen as foreman. D. H. Bell, J. E. Stevenson, W. E. Coburn and S. Edwards were appointed bailiffs for the grand jury.

A daughter was born to Mr. and Mrs. Hardy Grissom on Thursday, the 21st instant. Miss Louise Goodlett left on Wednesday for Brenham where she will spend the summer with her family and then return to Haskell in time for the opening of the fall term of school.

Misses Annie Lida and Mary Hughes spent several days the early part of the week with their grandparents, Capt. and Mrs. W. M. Wood, near Weinert.

Mrs. J. F. Armstrong, one of the old settlers in the Sagerton community, was in the city a day or two this week. He gives a good report of crop prospects

and says wheat and oats will make a good yield.

The Weaver school will have a big picnic at the mouth of Spring Branch on Mule Creek, about four miles from town, on June 6th.

The working team and some other members of Haskell Camp or W.O.W. attended a meeting of the Rule Camp Monday night and assisted in some initiations and drill work.

Davidson Hill Stock Company will present a beautiful drama in four acts, entitled, "The White Slave," Friday night, June 20th.

Mr. F. L. Burris, Constable at Sagerton, was in attendance in district court this week.

COTTON PICKIN'S

Rolling Plains Cotton Growers, Inc.

The cotton insect problem in the Rolling Plains counties this crop year could very well be the worst in some years, entomologist of the Texas Agricultural Extension Service believes.

Above normal winter rains that have continued into spring could result in a substantial increase in the population of insect pests to plague not only cotton farmers but producers of all kinds of agricultural crops in the Rolling Plains, according to observers.

In the absence of cotton insect survey teams in the Rolling Plains area, which previously were jointly sponsored by the Rolling Plains Cotton Growers in cooperation with the Texas Agricultural Extension Service, weekly checks on cotton insect populations will be made under the supervision of county extension service agents. Those in the Rolling Plains area will make their reports to Emory P. Boring III, area entomologist of District 3, Texas Extension Service, Vernon.

Boring's office will tabulate the results and send the information to county agents, newspapers, radio and TV stations serving the RPLG area.

Entomologist Boring said this project will begin around June 1. He said his office hopes to be able to keep farmers advised of insect buildups in plenty of time so that they can map plans for an effective control of the pests.

Capt. Smith Helps Direct Strike Against Enemy Trucks In Vietnam

WITH U. S. COMBAT AIR FORCES, Vietnam — Captain Charles H. Smith, son of Mr. and Mrs. Henry W. Smith of Weinert, helped to direct a successful strike against enemy truck parks in Mu Gia Pass recently.

Captain Smith and a fellow forward air controller (FAC), flew F-100 Super Sabres as members of the 37th Tactical Fighter Wing's Commando Sabre Super FAC unit.

Proceeding to the target area, the FACs immediately discovered several enemy truck parks and called in air strikes.

After fighter-bomber pilots hit the position, they passed the coordinates of other enemy positions to the FAC's, who called in a flight of F-4 Phantoms to attack the area.

The strikes directed by Captain Smith resulted in the destruction of 11 enemy trucks, 7 trucks damaged, 56 secondary explosions and numerous secondary fires.

The captain, a 1956 graduate of Mattson High School, attended McMurry College, Abilene. He received his B.B.A. degree in 1962 from Texas Technological College.

CLIFFORD THOMAS

CALLING ALL VOTERS OF Precinct 1

To those who voted for and supported me in the first primary, please remember the race is not over until the last vote is counted in the second primary. So we need your continued support and influence for the second primary. To those whose candidate did not get in the run-off, I want to solicit and will sincerely appreciate your vote and influence.

I want to assure you that I realize the time consuming duties of the office, how varied they are, how large the county's business is and the great responsibility the office carries. The question has been raised about a full-time commissioner . . . Just what is meant by a full-time commissioner has never been defined, but there are only 24 hours in a day and any time the job requires more than the average 8 to 10 hours a day I will be available up to the full 24 hours.

Your commissioner should give you a good administration, see that the taxpayer gets full value for every dollar spent, carefully supervise work, employees, equipment, road maintenance of the precinct and give proper attention to other details that arise. The precinct's business should be run as efficiently as a well managed private business. This I believe the taxpayer has a right to expect of the man they elect. I feel I am qualified to give you this type of administration and will put forth every effort to do a job that will give you no reason to regret having supported me.

I will welcome suggestions or the discussion of any matter at any time by any person interested in the affairs of the county.

If there is any question about my candidacy you would like to have answered, please feel free to ask.

PAINT CREEK . . . COMMUNITY NEWS

Mrs. Gene Overton
Paint Creek Community has never been so lush and green. The wheat is waist high. Pasture grass is green and tall. Weeds and wild flowers are everywhere. Stock tanks are full of water. Some of the cotton

only on a terrace here and there that had drained and dried enough. If the hail, and the weeds, and the bugs just let us, we are going to make some of the best crops this community has seen in years.

Some wheat farmers think they may be able to begin combining next week. It all depends on the weather between now and then. Several days of hot winds will finish ripening and drying the wheat. It ripened a great

deal last week on those sunny, hot days.

Danny Isbell is home for the summer with his parents, Mr. and Mrs. Allen Isbell. He finished his freshman year at Hardin - Simmons University. Danny has an appointment for a job interview with Stamford Radio Station KDWT next week. Good luck, Danny.

Mrs. Tom Pritchard has been elected to teach the fourth grade at Paint Creek Elementary School next year. She fills the vacancy created when Mrs. Lilla Heflin retired after 14 years at Paint Creek. At the final assembly program the first week in May Mrs. Heflin was presented a plaque in appreciation of her years of service to the school.

Li. Mike Overton, Lt. Ron C. Middleton of Nixa, Missouri and Lt. Tony Geiger of Coralville, Iowa spent the week-end recently with Mr. and Mrs. Gene Overton and Wallar. The three officers are stationed at Ft. Sill, Oklahoma. Meeting Mike here was Jim Smith of Irving with whom he shared an apartment when he taught in Dallas. Jim teaches history in Irving High School.

Mr. and Mrs. Bud Casselberry and boys moved last week from the Karl Fischer home place to the Wayne Perry place on the farm-to-market road.

The seniors arrived home last Monday after a wonderful senior trip. They left by bus on Friday night, May 10th, right after graduation. Mr. and Mrs. Tom Horton, senior sponsors, made the trip with them. They first went to Presidio where they took a train to Chihuahua City, Mexico, and spent Sunday there. Monday they went by train to Los Mochis, Mexico and spent the night. Tuesday they went by bus to Mazatlan, Mexico which was their real destination and is sort of a resort town. Leaving there Thursday, they returned the same way they went to Presidio, then by school bus to El Paso where they spent Saturday and Sunday. They attended the bull fights.

Making the trip were seniors, Jeannine Isbell, John Palacios, Phil Coleman, Elaine Marr, Linda Griffith, Ricky Perry, Brenda Griffith, Dudley Cockrell, Roland Branch.

Mr. and Mrs. Charles McCain of Austin are spending the week with his parents, Mr. and Mrs. Bruce McCain at their home at Lake Stamford. Charles is a law student at the University, and his wife teaches in a school near Austin.

Mrs. Paul Fischer returned home last Tuesday from Midland where she visited several days with her daughter, Mrs. Sam Chafin and Mr. Chafin and granddaughter, Kelly. Bill Cockrell is a patient at

the Veteran's hospital in Big Springs.

Coach James Ross Miekler and Mrs. Miekler were in Van Horn last week and helped her parents, Mr. and Mrs. Joe Bailey Chaney move to their home in Abilene. Mr. and Mrs. Chaney are both retiring from teaching this year. Mr. Chaney has coached and taught for many years. You may remember him in the '30s when he was coach at Howard Payne College.

Mr. and Mrs. Boyd Cathey, of Grand Prairie, spent last weekend at their Paint Creek home.

Mr. Tom Pritchard spent last week at his peanut farm near Weatherford.

Mrs. Jess Miekler took her grandson, Monty Williams, home last Friday. Monty is the son of Mr. and Mrs. Phil Williams of Lubbock and had spent a week with his grandparents.

Mr. and Mrs. Tom Cole and sons of Dallas spent Mother's Day week-end with her parents, Mr. and Mrs. W. S. Cox.

Following the 8th Grade graduation exercises the Paint Creek High School auditorium was dedicated to the memory of Pat Morrison, and named the H. P. Morrison Memorial Auditorium. A life-sized portrait of Pat was presented to the school by his friends, and was unveiled at the program. Willie Lee Medford made the memorial address. Special guests for the

program were Van Morrison and sons, Buddy and Ricky of Mesquite, and Pat's daughters, Vicki and Janay, of Hardin-Simmons University.

Mrs. Martha Ezell and Mrs. Ed Jones of Stamford visited with the Allen Isbells Sunday afternoon.

Mr. and Mrs. Charles McBeath of Amarillo were guests in the home of her sister's family, Mr. and Mrs. Gene Overton and Wallar, Sunday. They were here for the graduation exercises in Rule Friday night of Mrs. McBeath and Mrs. Overton's niece, Nan Jones, and for the McMurry graduation exercises Monday night in which Mr. McBeath's niece, Mrs. Don Welch of Avoca receives her degree.

Mr. and Mrs. Homer Livengood are grandparents! Their son, Edwin and his wife of Lubbock, have a baby boy, named Robert Lee. Mrs. Homer Livengood spent last week in Lubbock with the new parents and their new baby.

Mr. and Mrs. Allen Isbell were in Throckmorton Saturday afternoon to visit his mother, Mrs. Ben Isbell, who is a patient in the Throckmorton hospital.

Jim Bob Miekler, Jodie Miekler, Ricky Brazell and Mike Brazell worked at the sale barn at Breckenridge last Friday.

Mrs. V. P. Morrison returned

to her home in Mineral Wells on Friday, May 19th, after spending almost two months with Mrs. Pat Morrison and Jo.

Superintendent Bill Gibbs spent last week-end in Iraan visiting his parents.

Mr. and Mrs. Jodie Earles attended graduation exercises at West Texas State University in Canyon, Friday, May 21. Their daughter, Margie, was an honor graduate.

Mrs. Gene Overton attended the Northwest Texas Methodist

Conference in week with Mrs. Lilla Heflin. Conference was alternate Paint Creek and signed pastor Rev. H. and their coming from

Why it pays to control early-season cotton insects

Here's why it pays you to apply only 4 to 8 ounces of Malathion ULV* Concentrate to achieve ultra-low-volume control of thrips, fleahoppers and leafhoppers:

- gets cotton off to a fast start
- cotton fruits faster
- produces a larger, higher quality, early yield

This year, use Malathion ULV Concentrate, the only insecticide registered for ultra-low-volume control of early-season insects.

Place your order with your dealer today, and arrange with your aerial applicator to apply it.

Before using any pesticide, stop and read the label.
