## Tick Problem

I understand that some areas of Stratford have been infected with ticks. Ticks are blood suckers on warm blooded mammals therefore they love people and pets. We need to watch our children very close for these pests, because they can cause problems. Examine your children very closely when you bathe them for these pests.

Ticks are flat, usually brown and about one-fourth of an inch long; they have eight legs. In some cases they can transmit germs of several diseases, including Rocky Mountain Spotted Fever, which occurs in the East as well as the West. They adhere tenaciously to the skin or scalp. There is some evidence that the longer an infected one remains attached, the greater is the chance that it will transmit the disease.

First Aid: Removal of ticks by using tweezers or by applying heat to them, as with a lighted cigarette, may leave tick parts in the wound or may injure the victim's skin. A better method is to cover the tick with heavy oil (mineral, salad or machine)

to close its breathing pores. It may disengage at once; if not, allow the oil to remain in place for half an hour. Then remove the tick carefully with tweezers, taking time so that all parts are removed. Gently scrub the area thoroughly with soap and water, because the tick may have left disease germs on the skin. If you find a tick in the ear, I would suggest that you do not try to get it out, but have a doctor remove it.

Sunday a special guest was Chris Waldstein of Staffanstrom, Sweden, Chris is a cousin of Donna Baker, who brought him up. He is a teacher of French and English. Brenda Taylor and Patti were also there for the weekend.

Include Bill Thurman in special thanks for keeping the village of Kerrick mowed this summer.

And speaking of Bill, he has just attended the wedding of his son, Gary Paul to Melissa Benson. The couple married Saturday, Aug. 8, 3 p.m. at Faith Tabernacle Church at Granite Shoals, Tx. Also present were Gary's brother, Billy, his sister Melissa and mother, Portia Casey.

Why "Christians?"  
By Derrel Lewis

Acts 11:26b "And the disciples were called Christians first in Antioch."

From the time of Jesus birth until Paul's ministry at Antioch some forty to fifty years later, Jesus followers had not been referred to as Christians. Jesus had taught those who walked with him, the ways of God. Many had experienced persecution for their faith but until Antioch none had been called Christians. Why all of a sudden were they given that name?

The word Christian is from the Greek words Christoians, which properly translated means "Little Christs". Barnabas and Paul had taught the church there for a year. They had learned so well and their lifestyles reflected so much of Jesus that their advisories in derision called them "little Christs". In Romans 9 Paul tells us the redeemed are predestined to be conformed to the image of God's son. The Christians at Antioch were fulfilling that plan to the extent that even those who mocked them could recognize they were like Jesus.

God's plan has not changed. It is still his intent that we who are redeemed should be like Jesus. Are we? Years ago I read in the newsletter of Central Baptist Church in Pampa, the following question: "If you were arrested and put on trial for being a Christian, would there be enough evidence to convict you?" We use the word Christian often and without a great deal of serious thought. It is not a label to be worn without giving it meaning and honor.

## Welcome Wagon Greeting

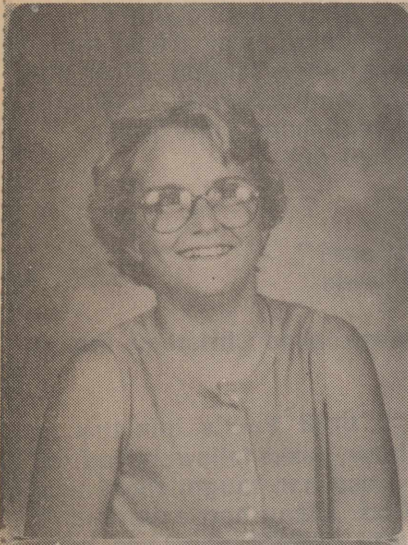

The Chamber of Commerce will again sponsor a Welcome Wagon greeting for all newcomers to Stratford. In the past we have tried a Newcomer's Coffee, but didn't receive the response we had hoped for. Making all of our new residents feel welcome is very important. To do this properly the Chamber needs volunteers to help. The

visiting would be done on a quarterly basis, and a welcome packet would be provided with small gifts (from local merchants) city maps, lists of Churches, Clubs, and all services offered in Stratford. If your Club or Organization can help us please contact Sharon McCarver at the Chamber Office (396-2260).

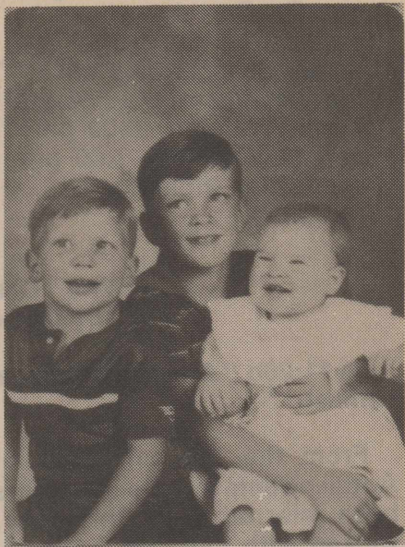

## Collector Show And Sale

Many and varied dealers from a wide state area have reserved space for this years Collector Show and Sale, however there are still spaces available. Persons from Stratford and Texhoma who might have items for sale are urged to call and reserve a table. Contact Sharon McCarver at the Chamber Office at 806-396-2260. The annual Collector Show always provides many

unique items for sale for gift giving for any occasion and don't forget "Early Christmas shopping." The Collector Show and Sale is not only a lot of fun but is good for Stratford, bringing in many people who spend money for motel rooms, gas, meals, groceries and many other items here in town. So plan now to attend August 29th and 30th.

## Cards of Thanks

### PRAYER OF THANKSGIVING

As each of you read this, please help me offer this prayer of thanksgiving to our Heavenly Father. Thank you.

Thank You, Lord, for all our wonderful friends who, in our loss of Clois, cared so deeply.

You gave us a community that suffered with us, prayed for and with us, and encouraged us throughout our years in Stratford. Through Your example of love, many of our friends visited Clois at home and in the hospital, not just during his last stay, but all during his long illness.

You had Pat Johnson at the hospital for me the morning You took Clois Home. Only You can know what that meant to me. You had Juanita Donelson, Marty Robertson, Gail Presley, Carole Gibson, and others at my home to greet and comfort me when I came home from the hospital that day. Then, once again, through You, Lord, we were showered with the love from friends, like Becky Asher, Audriene Olson and the countless numbers who visited, phoned, brought food, sent flowers, memorials, and cards, prayed for us and thought of us in our need.

Bless Linda Keener and all the ladies who tried to make order of my kitchen and in the confusion and saw that all my family was fed. And Lord, Thank You for Cone & Juanita, LeRayne and B.A., Peggy and Dwayne, Margie Bryson & Bobbie Corbitt for opening their homes to my family and to the many others who also offered beds. Thank You for Pat and Jerry Johnson for taking me by the hand to lead me through the necessary steps for the funeral arrangements and for arranging to get Brother Evans here.

Thank You for the ministry of Boyce Evans and allowing Clois to meet him. The service he performed was a blessing to all of us. And thank you for giving Clois the talent to express his thoughts and feelings in poetry. His poems have been a joy to us.

Lord, especially bless all the special friends who cared enough to stand outside on the lawn at the church during the funeral. It is an honor to call those people friends. Thank You also for the young people, Soren, Jennifer, Ronna Jo, Chuck and all the others, who gave of themselves to be very close to Clois and me. We love them dearly. You have blessed us beyond my imagination.

Lord, there are so many people who are not named here. Please let them know that I love them and appreciate everything they have done for us. I know you will reward them.

Thank You, Lord, for Linda Keener, my boss at the county, and for all the people in the Texas Agricultural Office in Austin who were all very understanding and supportive through these 3 1/2 years. Thank you for the enumerators over the state who are so kind and helpful to me. Thank You for allowing me to supervise my wonderful crew-Janet, Sondra, Willma, Mary, Alfred, Deanna, and Donna-who carried on without me during this time. They are very special to me.

Thank You, Lord, for both our families who are always there for me. And only You, Lord, can know my feelings of thankfulness for the three lovely children You blessed me with. Without them, I would never have made it.

And finally, Lord, thank You for giving Clois to me, for our love, our sharing and caring. Thank You for the hardships and trials we faced together. And thank You for making Clois the person he was and for letting him enrich my life. Forgive me for my failings. In Christ's name I pray. Amen.

Anita Osburn

Thanks to everyone who brought food to our house, sent cards, prayers and called to check on me while I was in the hospital and at home.

Without friends the world would be a sad place and we have some of the best friends in the world.

We love you all  
Keith, Carolee, Malcolm & Chris

Thanks to those wonderful people of Stratford for their prayers, understanding, consideration and love when we needed them most.

God Bless You  
Jack, Carol & Michele

We want to express our appreciation to the Stratford EMT's, the Fire Dept. and others who assisted Lori and Dirk at the scene of their accident. A special thanks to Linda Spurlock, Terry Flores, Ricky Reed, and Don Ellison. Stratford is very fortunate to have so many dedicated individuals who volunteer their time to provide such an efficient service for our community. Also, thanks to those that called or came by. We appreciate the love and concern you showed for Lori.

Raymond and Betty Wiley

This is to Thank everyone for every consideration shown me during my stay in the hospital and after coming home. All the good food and visits, and prayers, Thank you.

Children from households that meet Federal Income guidelines are eligible for free meals or reduced-price meals at 40 cents for lunch and 20 cents for breakfast. To apply for free or reduced-price meals, complete the enclosed application, sign it and return it to the school.

**FOOD STAMP/AFDC HOUSEHOLDS:** If you currently receive Food Stamps or "Aid to Families with Dependent Children" for your child, you only have to list your child's name and food stamp or AFDC case number, print your name, and sign the application. Since you have already given income information to the welfare office, the school can confirm your eligibility.

**ALL OTHER HOUSEHOLDS:** If your household income is at or below the level shown on the enclosed scale, your child is eligible for either free or reduced-price meals. To apply for meal benefits, you must provide the following information and sign the application: (1) list the names of everyone who lives in your household. Include parents, grandparents, all children, other relatives and unrelated people who live in your household, (2) list the social security number of each adult age 21 or older. If an adult does not have a social security number print "None", (3) list total monthly income and amount of income (BEFORE deductions for taxes, social security, etc.) each person received last month and where it is from, such as wages, retirement, or welfare. If you have a household member for whom last month's income was higher or lower than usual, list the person's expected average monthly income.

**VERIFICATION:** The information on the application may be checked by school officials at any time during the school year.

**REPORTING CHANGES:** If you list income information and your child is approved for meal benefits, you must tell the school when your household income increases by \$50 or more per month (\$600 per year) or when your household size decreases. If you list a food stamp case number or AFDC number, you must tell the school when you no longer receive food stamps or AFDC for your child.

**FOSTER CHILD:** Your foster child may be eligible for meal benefits. If you wish to apply for meal benefits for a foster child, contact the school for help with the application.

**NONDISCRIMINATION:** Children who receive free or reduced-price meal benefits are treated the same as children who pay for meals. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or handicap. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

**FAIR HEARING:** If you do not agree with the school's decision on your application or the result of verification, you may wish to discuss it with the school. You also have the right to a fair hearing. This can be done by calling or writing the following official:

Odes R. Brown, Superintendent, P.O. Box 709, Texhoma, Texas 806/827-7322.  
(Name, Address, Telephone Number of Hearing Official)

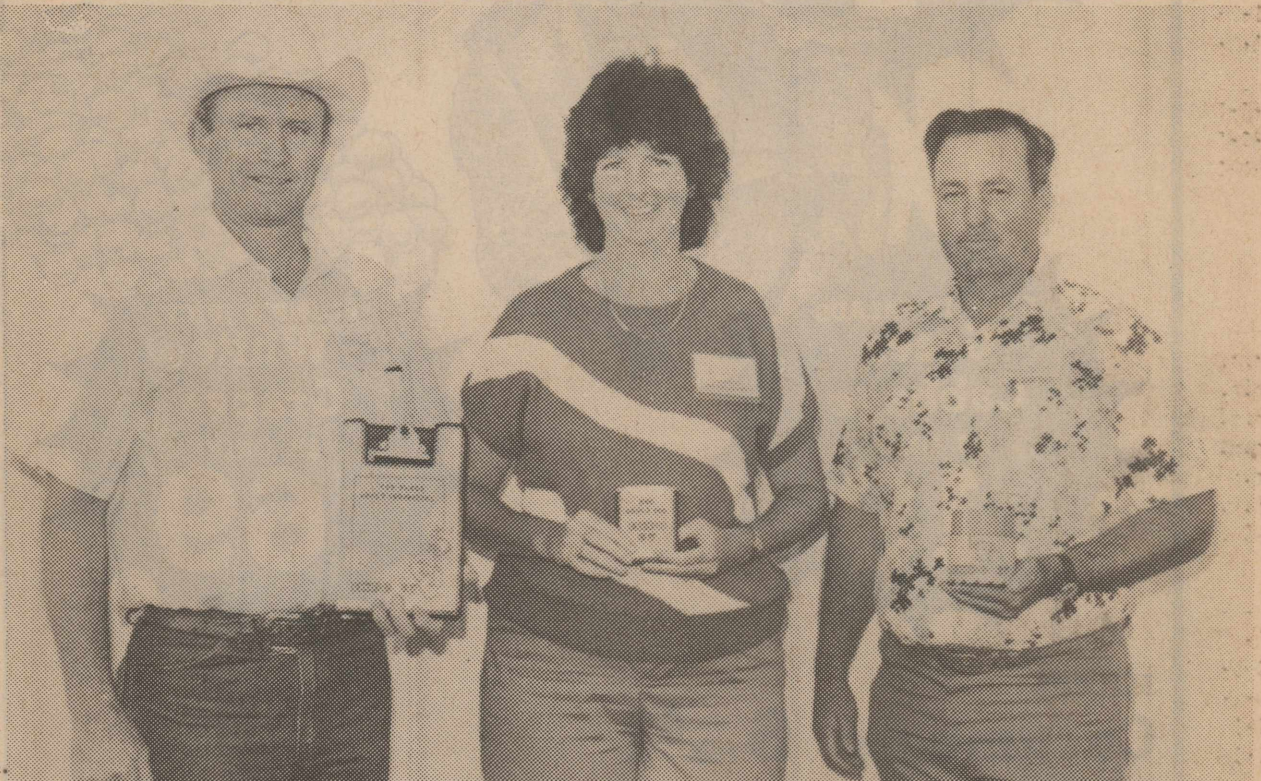

**CONFIDENTIALITY:** The information you provide will be treated confidentially and will be used only for eligibility determination and verification of data.

**REAPPLICATION:** You may apply for benefits any time during the school year. If you are not eligible now but need to apply later in the year, please fill out an application at that time.

You will be notified when the application is approved or denied.

Outstanding judging scores earned these three individuals recognition in the live animal evaluation contest at the All-American Hereford Expo in Bloomington. Placing first through third in the adult individual division were, left to right, Wayne Haygood, Canadian, Tx., first; Carol Grieves, Otterbein, Ul., second; and Richard James, Kerrick, Tx., third. ## Letter To Editor

Dear Editor:

November 3, 1987 Texas voters will say "YES" to pari-mutuel horse racing in the Lone Star State. Pari-mutuel horse racing is the world's most popular spectator sport. Forty-one states, including every state surrounding Texas, have pari-mutuel horse racing. Pari-mutuel horse racing would be more than an exciting sport for our state, it would be a \$2 Billion a year industry and...

There will be Jobs for Texas: 11,000 new jobs for Texans in all job categories; 8,000 construction jobs; 7,000 new farm related jobs; unlimited new jobs for the tourism industry, restaurants, hotels, motels, horse breeding and training facilities, veterinarians, real estate sales personnel, insurance agents, manufacturers, suppliers, retailers and on and on.

There will be Tourism for Texas: Millions, millions and millions of Texas dollars go out of state each year to New Mexico, Oklahoma, Arkansas and Louisiana as Texans take their dollars to watch pari-mutuel horse racing. Texas would enjoy a halt of Texas dollars leaving and new dollars coming into Texas from out-of-state tourist (after all, the best racing would be in Texas.)

There will be Taxes for Texas: 11,415 each hour in new tax revenue; \$274,000 each day; \$100,000,000 annually in pari-mutuel taxes paid to the Texas Treasury (according to Bob Bullock, Texas Comptroller of Public Accounts). 5 million in sales taxes from concessions sales at the race tracks; and \$7 million annually in race track property taxes.

There will be industry for Texas: With pari-mutuel horse racing in Texas comes an increase in horse breeding and training farms, farm land use and requirements for agricultural products. Over \$112,000,000 will be spent for improved and new horse breeding and training facilities.

There will be agriculture for Texas: Pari-mutuel horse racing in Texas will require more Texas grown corn, feed, hay, oats, alfalfa, milo, soybeans and forage seeds.

More than \$500,000,000 annually would be put into our Texas farm economy (according to Texas Department for Agriculture.

Dear Editor,

In order to settle an estate, we are attempting to contact all known heirs of George T. and Dicey Bilyeu Whaley. We hope descendants still live in your community and can help us.

George T. and Warren, his son, lived in Canyon, Tex. in 1926. Dappie Whaley Sloan and husband, Warren, Bertie Whaley Steele, and husband, Charles, and Clause Whaley, daughters and son of George T., lived in Stratford, Tex. in 1926. Lizzie Whaley Roberts and husband, Campbell, and Annie Whaley McGee/McKee and husband, Babe, lived in Conlen, Tex. in 1926. Georgea Whaley Allen and husband, Tom, lived in Fort Worth.

We have the heirs of Warren Whaley and that he died in Logan Co., Ky, and left 6 sisters, to wit, Mrs. W.A. Sloan, CA, Mrs. Ralph Journey, Mrs. Parker Graham, Mrs. Herbert Cecil, Mrs. Campbell Roberts, and Mrs. Babe McKee, all of Texas, and one brother, Claude Whaley, of Minnesota.

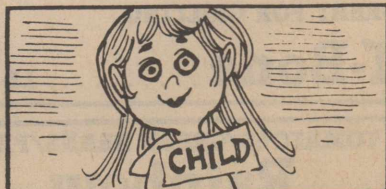

Yours,  
Carolyn Garrett

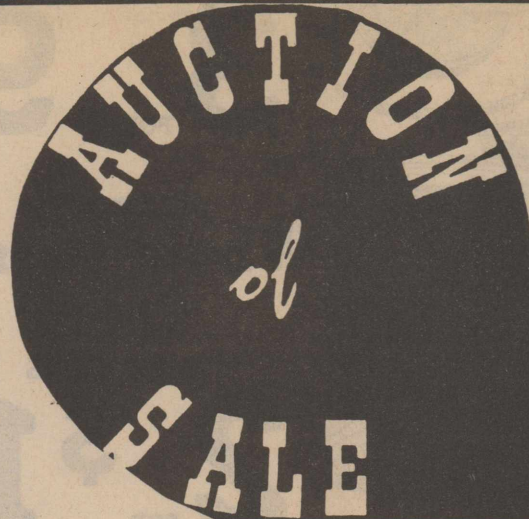

There is no single cat called a panther. The name is commonly applied to the leopard, puma, and the jaguar.

A kangaroo cannot jump if its tail is lifted off the ground. It needs its tail for pushing off.

In old England, the word "child" referred only to a girl.
