Albert Elected President

Marilyn Albert, CTA, Chief Appraiser, Sherman County Appraisal District was elected president of the Texas Association of Assessing officers on September 22, 1987 at its TAAO Annual conference in Fort Worth.

Texas Association of Assessing officers is the largest professional Tax association in the State of

Texas with over 4,000 members and offers the only complete education program for Tax office personnel. The purpose of this organization is progress in assessment administration and its objectives are to establish and maintain standards of performance and provide education for its members.

Marilyn joined TAAO in

1974 and earned the professional designation of certified tax administrator in 1978. She also holds the designation of registered professional assessor from the board of tax professional examiners. Both designations are recognized by the Texas legislature.

She has served on the TAAO board since 1983 as trustee of Region 1, treasurer, vice-president, and president-elect. She is active in the North Plains Chapter of TAAO and has served in many offices and on many committees throughout her fifteen years of tax office administration. She is also a qualified TAAO tax course instructor, approved by the State property tax board.

Stratford Police Department & SPS Company

Institute Program To Aid Elderly

Stratford Police Department and Southwestern Public Service Company (SPS) have instituted a program to identify vulnerable elderly citizens in Stratford who may need help, but are unable or reluctant to ask for it.

The Gatekeeper program, as it is called, locates and trains "Gatekeepers" to "open the gates" between isolated older people and local organizations that can provide the assistance these people may occasionally need.

"The Gatekeeper concept is remarkably simple," says SPS's Stratford manager, Eugene Griffin. "SPS employees with day-to-day customer contacts, such as meter readers and servicemen, are asked to watch out for elderly customers on their routes. If these Gatekeepers see any of several warning signs that indicate an older customer may be experiencing difficulties, they simply report the situation to their local service organization."

This organization then is responsible for contacting the elderly person, assessing the situation, and matching that person with the community services or resources they may need.

SPS employees involved in the program have been trained to look and listen for certain warning signs—a change in appearance or behavior, signs of confusion or disability, a normally well-kept yard that is left unattended, even an accumulation of newspapers or mail—that may indicate an elderly person in distress.

The program will be administered by Stratford Police Department with Southwestern Public Service Company employees serving as the program's "eyes and ears" in the community.

Similar programs are being instituted throughout the SPS service territory by SPS and local community organizations.

to battle the Elks. We need you to be at the game to help us achieve our goal of bringing our community a championship. Remember game time is 7:30 p.m.. You may want to come early as an over-flow crowd is expected.

KALEIDOSCOPE

Work on our Talent Revue is under way. Marihoward Engelbrecht is selling ads for the programs, and Joyce Ann Lasley and Barbara Bouldin have selected a name for our show, "Kaleidoscope". Committee chairmen are being selected and called on. We all have to pull together to make this show a success.

Our goal for the show's proceeds is park improvements that everyone can use. Steve Griffith estimated the number of people who use the park facilities for the six weeks of Little League and Pee Wee baseball at 800 alone. For the week of invitational tournament play, between 1600 and 2000 people use our park. Don't forget the July 4th celebration, the Easter egg hunt sponsored by the Retail Merchants, church social functions, folks from town using the park for picnics, as well as, travelers and line riders who use the park to relax in during lunch. This is a community project we can all get behind and support. Be looking for a letter to be sent out shortly informing you that you have been chosen to help with this worthwhile project.

The "Meet the Director" party is scheduled for October 18th, giving everyone the opportunity to meet Jim Hughes and to decide what we want to do to help make this show a success.

Director: Jim Hughes; General Chairmen: Joyce Ann Lasley and Barbara Bouldin; Ad Sales: Marihoward Engelbrecht; Publicity: Gennell York; Art: Mary Hill and Cindy Russell; Music: Jim Talliaferro, Ineta Chesher, Lorraine Mehner, Janie Kirkpatrick and Shari Kliever; Ticket Sales: R. GO ELKS

The world's most sensitive natural gas detection device.

If you have a nose and a normal sense of smell, you have all the equipment you need to detect odorized natural gas leaks.

Here are some simple, common sense steps to take if you ever smell gas:

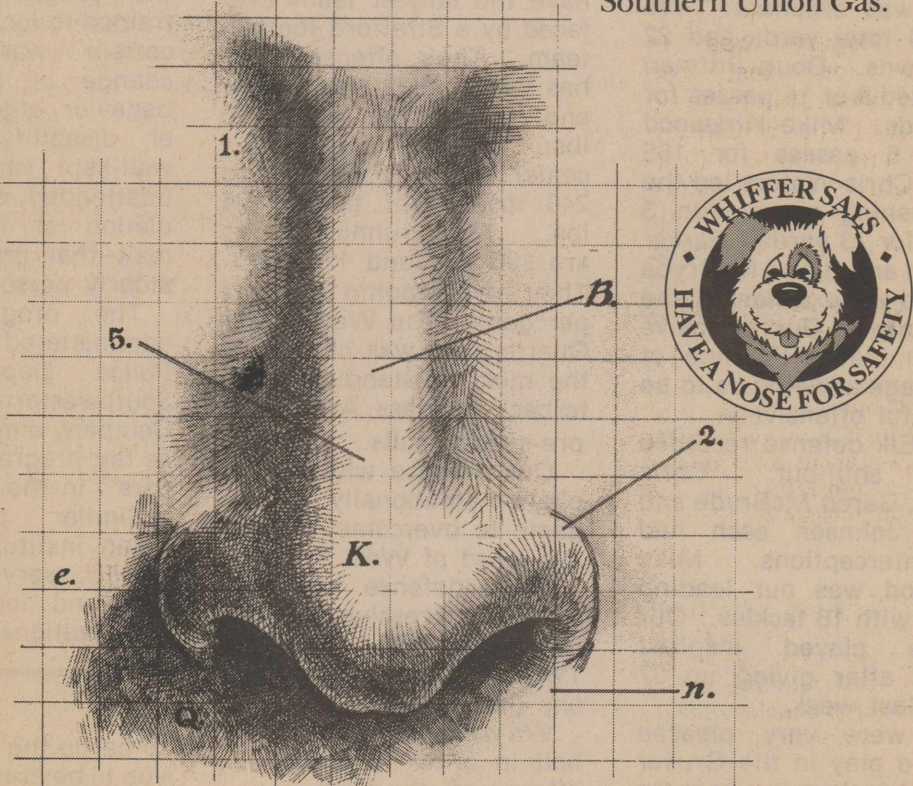

• Don't use the phone, flip any electrical switches or strike a match.

• If you smell the odor of gas indoors, quickly check to see if a pilot light has gone out or if a burner valve is partially turned on. If you cannot readily locate the source of gas, leave the house immediately. Don't light a match

or switch anything on or off. Call us from a neighbor's telephone at once.

• If you happen to smell gas outdoors, keep your distance from the area, don't smoke, and don't start up your car.

It's simple: Just use your nose first. Then use your head. A safety message from the people at Southern Union Gas.

SCOT Notes 4-H News

by Timmie Brown

Greetings Sherman County Older Texans and friends this Oct. 5 morning! What did your thermometer register yesterday? Pretty warm, wasn't it? Wonderful harvest weather and it seems there was lots of harvesting going on.

Delightful weather for SCOT folks to be out and about. Quilting goes on at SCOT Hall for folks who love to quilt. On Tues. afternoons at 3 p.m. SCOT sitting room is open for games and visiting. Seven folks came by Tues., Oct. 27.

A hard fought game of 42 lasted until 6:00 p.m.. Participants were refreshed. SCOT notes do not get out in print in time for a weekly reminder-so just trust us-and come to SCOT Hall at 3:00 p.m. on any Tuesday.

October is full of birthdays among SCOTters. Our list names Elsie Pickens, Geneva Bell, Oline Caraway, Evelyn Cooper, Martha Mitts, Bernice Christian, Geneva Haile, Emma Naylor, Maurine Plunk, Ione Reed, Lucille Phillips, Bas-in Brown, Arthur Judd and Jewel (Mrs. Chester) Guthrie whose birthday is Oct. 12. She isn't able to "party" out SCOTters are able to send cards and telephone-So let's be busy. Note that Bernice, Oline, Martha, Baskin and Arthur are among folks who keep Scot's wheels oiled and running. Members, let's be on hand to wish them well.

The dance on October 3 (Saturday) was well attended and enjoyable. A number of out of town guests were present. A welcoming hand and friendliness encourage folks to attend.

Delbert Michaels of Calif. is planning a visit to Texas in Oct. We invited him to include Stratford in his tour.

SCOT people on the go that we know of include Opal Bryant and Wanda Riffe visiting Opal's sister in Kansas. Lorely and Geneva Haile and Lorelyn Powers attended graduation exercises for Mike Powers at Ft. Sill, Ok.. Congratulations to Mike and his "squad" for trophy and honors they won. Supt. and Mrs. Bass and Leigh visited Mike also. The Hailes and Lorelyn drove on to Bartlesville to visit Marian, Ronnie and Elizabeth Williams. Dean Smith and Sharon Brown visited Blair and Carrie in Lubbock. Stratfordites said goodbye to Ione and Kenneth Kendricks. They returned to their home in Sun City. Judy White visited the Ken Campbell's in Liberal. Thanks to her thoughtfulness, Timmie Brown and Joy Powers enjoyed a lovely visit with Judy and the Campbells.

Welcome home, Robbie Yates. SCOT's continued love and support as you recuperate. Glad you are home Bernice Stubblefield. Trust your long visit was all you hoped it to be. Our love and prayers are with Juanita Bolster who is in the hospital and Dick Diehl as he returns to Houston for treatment. We love and support the families of these sick ones, too.

Hank Rogers was in Amarillo for test on Thursday. Was able to be up and about Friday at Kerrick. Best Wishes, Hank. Congratulations to Trisha Tillery and Kristi Blake, their parents and grandparents,

on the honors they have received noted in last weeks 'Star'.

To Dr. Wm. Dean Meek (Billy) we read of your professional honors in last weeks 'Star'. SCOT's and personal congratulations to you, Billy, your wife and parents Leo and Garnet Meek. Helps you feel better too, doesn't Garnet?

Scotters are faced with the beautiful month of October. Some communities allow for a few 'sore heads' in their Chamber of Commerce ads. Thank the Lord, our SCOT community is an understanding, loving one, where we are interested in each other. So this week let us make a special effort to spread contentment, pats of encouragement and luv 'U'S'. Remember SCOT organization is what 'you' and 'I' make it.

TRTA To Meet

The Dalham, Hartley, Sherman & Moore Chapter of the Texas Retired Teachers Assoc. will meet Friday Oct. 9, 2:00 P.M. at the Community Room in the First National Bank in Dalhart, enter on 3rd St. entrance.

There will be information from local hospitals and from Southwestern Public Service on special care and services of older people.

Special reports by community chairman, reports on legislation and the district executive meeting will be given by Evelyn Brannon of Dumas. There will be musical entertainment and refreshments.

All retired educational personell including teachers, administrative, cooks, custodians and bus drivers are urged to attend. The public is cordially invited.

The Sherman County 4-H Council had their monthly meeting September 29, 1987, at 6:00 p.m. at the County Extension Office. The meeting was called to order by Wes Allison and the minutes were read.

The County 4-H Achievement Banquet is set for Tuesday, October 13, 1987. Council will need to come and decorate Sunday, October 11, 1987 at 2:00 p.m. The theme for this year's Achievement Banquet is "4-H for Youth for America." We hope the banquet will be a success as always.

National 4-H Week is October 4-10. Suckers will be taken to the 3rd graders in Stratford and Texhoma. Placemats will be set out at the restaurants in town. We hope that 4-H Week encourages lots of little ones to get involved.

The District 4-H council meeting is set for October 10 and all council members who would like to go need to go by the office and get more information.

CONGRATULATIONS to Susie and Wesley Spurlock on their recent arrival of their son. We hope that little Walter Alexander is healthy and we send our best to your new family. We Love You!!

More To Life Than Education

David Jones

Calvary Baptist Church

Eccl. 1:13 "And I gave my heart to seek and search out by wisdom concerning all things that are done under heaven: this sore travail hath God given to the sons of man to be exercised therewith."

To search means to investigate from all sides. Solomon wanted to know everything, wanted to learn as many things as he could possibly learn. He was on a continual search to enlarge his intellect, he wanted to learn, he wanted to know.

In America today we worship the God of education. We have expected education to bring satisfaction to people. But if serenity and peace came from education, then the most peaceful places in the world would be college and university campuses. But sometimes they are in the most turmoil. Don't expect things from education that education cannot produce. That is what Solomon's problem was. When he looked at the flowers and the grass, he didn't just observe them; he became a botanist. When he observed the animals, he didn't just watch them move about; he became a zoologist. If there was ever a man who had studied and knew everything it was Solomon. All this knowledge and quest for knowledge made Solomon a pessimist, someone down on life.

Eccl. 1:17, 18 "And I gave my heart to know wisdom, and to know madness and folly: I perceived that this also is vexation of spirit. "For in much wisdom is much grief: and he that increaseth knowledge increaseth sorrow." Now time and time again God says in his word "I would not have you ignorant brethren." I don't mean to say that happiness and fulfillment and satisfaction comes from being ignorant, but I believe God is telling us we should not be ignorant and at the same time knowledge or education is not all there is to be desired in life. We will look at another area next week.

NOTICE OF NEW TARIFF OFFERING CENTRANETSM SERVICE

General Telephone Company of the Southwest gives notice of its proposed new tariff offering, CentranetSM Service, which is to be offered in all company wire centers where such facilities exist to provide the service.

Centranet is a central office based service which provides PBX type features to multi-line business customers. Basic operating features include Direct Inward Dialing (DID), Direct Outward Dialing (DOD), Station-to-Station Dialing, Automatic Identified Outward Dialing (AIOD), and Touch Calling. The tariff is designed for Centranet customers with a minimum of 2 and maximum of 100 main station lines.

Effective with this tariff, ECENTREX Service will be limited to existing installations only.

The proposed new tariff offering has been assigned Docket No. 7652, and will become effective upon approval of the Public Utility Commission of Texas.

Rates for service will be applicable to customers who subscribe to the service, therefore, there will be no effect on any other rates of the company. The new offering will increase the company's gross annual revenues by approximately \$423,013 or less than one percent annually.

The proposed rates are on file with the Public Utility Commission of Texas, and are available for public inspection at the offices of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission within fifteen (15) days of the date of this notice. The deadline to intervene in this docket is November 9, 1987.

A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

Several relatives and friends of Bob Burgess helped him celebrate his "85th" Birthday Wednesday, September 30 at his home. On hand were Bobbie and Cathy Corbitt, Stratford; Betty and Leo Ledbetter of Amarillo; Rex and Jean Burgess of Spearman; Rusty and Judy Horn and children Carmen, Kelly and Christy; Rex and Bernice Christian; Lane, Donita and Kayla Robertson; Shari and Brittany Hudson; Duane and Marty Robertson, all of Stratford. Steven Pickens also stopped in during the evening.

Judges Attend Seminar

Ninety-five justices of the peace from region 10 attended a 20-hour seminar Sept. 8-11 in Amarillo conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos. The seminars are held in compliance with Article 5972, Section B of the Texas Revised Civil Statutes. Topics covered include a review of new legislation impacting the justice court system passed by the 70th Legislature, Civil Law, Code of Judicial Conduct, Criminal Trial Procedure, Forcible Entry and Detainer and Lease Agreement Laws,

Contracts and Torts, Justice Court vs Small Claim Court Jurisdiction, Regulatory Law Review, Inquests, Autopsies and a review of the Penal Code. Attending were, left to right, Yvonne Whiteaker of Dalhart, Hartley County, Prec. 1 Place 1; E.M. "Mickey" Williams of Dalhart, Hartley County, Precinct 1, Place 1; E.M. "Mickey" Williams of Dalhart, Dallam County, Prec. 4; Robert W. Pierce of Texhoma, Sherman County, Precinct 3, Place 1; and John S. Woods of Stratford, Sherman County, Precinct 4, Place 1

Girl Scout 007 Having 10 Year Reunion

Girl Scout Troop #007 is having a 10 year reunion. The theme is "The Best Part is The Fun" and will be at the St. Joseph's Parish Hall Tuesday, October 13, 1987 at 7:30 p.m. It is for all the former girls in Troop #007 and all previous leaders.

Only two girls are registered for this 1987-88 Girl Scout year, they are Juanita Presley and Jenny Fedric. This year's leader is Darla Rhoden. We will look back at the last 10 years and ahead to the future.

The skin is the largest organ of the body, accounting for about 16 percent of total weight.

Yucca Girl Scout Council joined the Kansas State-wide Girl Scout 75th Anniversary celebration sponsored by Wichita Area Girl Scout Council. The celebration focused on Girl Scouts from all over the state visiting Fanta Sea Water Park with girls working on proficiency badges and meeting and making friends from around the state. Boating, Swimming, Water Fun, Water Wonders and Dabber badge were earned by many girls attending the event. Wichita Area Girl Scout Council provided Camp Seikooc for those attending the celebration. A visit to the Omnisphere

and Science Center, Sedgewick Zoo and Old Cowtown was educational as well as entertaining.

Ruth Danner, Cadette-Senior Advisor commented that the group learned how to read a map very well because they got lost so much. Yucca Girl Scout Council Representative, Mary Ann Blue, reported the Cadette-Senior girls have adopted the name WOW as their name. Women of Wonderings represents their desire to explore the many worlds around us.

Girl Scouts attending from Stratford were Juanita Presley and Leonda Fedric.

The Importance Of Fiber

Why all the fuss about fiber? It's simple—fiber has health benefits and we need to include more of it in our diets.

Dietary fiber helps relieve constipation problems and aids in the prevention and treatment of diverticular disease, a condition of outpouching of weak areas in the intestinal wall.

Research has identified other values of dietary fiber, as well. It may help lower blood cholesterol levels, regulate blood sugar levels of some diabetics, help prevent colon and rectal cancer, and promote weight loss.

How much fiber is enough? Generally, nutritionists recommend 15 grams of fiber for every 1,000 calories eaten. For the average person, that means about 30 grams of fiber per day.

Thirty grams of fiber may

seem like a lot, but it is available in a variety of foods. Most people automatically think of bran and cereal, but fruits and vegetables are also high in fiber, especially if you eat the skins and edible seeds too.

Fruits and vegetables provide about 65 percent of the fiber in the average diet. Good sources of fiber include: cabbage, carrots, peas, apples, bananas, prunes, wheat, oats, corn, and legumes such as dried peas and peanuts.

Eating a minimum of four servings of fruits and vegetables, and whole grain breads and cereals every day will give you enough fiber. Special cereals or supplements aren't necessary and can increase the excretion of some important vitamins and minerals, or cause diarrhea and other digestive problems.

Art Show

Tri-Corner Art Association has set October 18 for the annual arts and crafts show. Time will be 2 to 5 p.m. at the County Exhibit building.

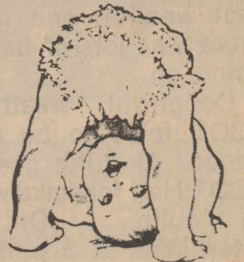

Many types of art work will be shown and some items will be for sale.

Refreshments will be served and small paintings or crafts will be given as door prizes each hour.

Everyone is invited and there is no admission charge.

October Designated As Crime Prevention Month

Governor Bill Clements has signed a proclamation designating October as Crime Prevention Month in Texas. This is a national as well as a statewide observance.

In 1983, October was established as Crime Prevention Month by the national Crime Prevention Coalition and has become a major annual event for the National Citizen's Crime Prevention Campaign.

"Crime and the fear of crime adversely affect the well-being of all citizens and institutions," the Governor "Crime prevention is an important means to control the financial loss, personal injury and community deterioration resulting from

crime."

Crime Prevention activities continue to grow in Texas as evidenced by the many city and county law enforcement agencies now funding crime prevention units.

The Criminal Justice Division of the Governor's Office provides funding to many of these units.

"Citizen awareness and participation have proven to be a successful force in reducing crime," Clements said. "I urge all citizens, government agencies, businesses, schools, and civic organizations to recognize this observance, and participate actively in crime prevention efforts."

Extension Homemakers

Sherman Co. Extension Homemakers Council met in regular session on Friday, Oct. 2, 1987 at 2:00 p.m. in the Extension meeting room. Club reports were given by four clubs. All were involved in the Fair and Jamboree, community activities and preparing for Christmas in November. Council will provide postage and cards to notify members of monthly council meeting. Wednesday, October 21st at 1:00 p.m. there will be a training meeting on Ways To Reduce

Holiday Stress. The instructor will be Irene Keating, Potter Co. CEA.

Southwest Public Service will be presenting their Festive Food '87 program at 2:00 on Wed. Oct. 21st in the old County Barn. The public is invited.

Members from each club will meet on Thurs. Oct. 29 at 2:00 p.m. at the Extension office for the purpose of selling luncheon tickets for "Christmas in November". Luncheon ticket will be \$5.00.

Football Season Signals Time To Prepare Lawn For Winter

Fall in the air and the sounds of football throughout the area signal the need for a close look at your game plan to help your lawn go into the winter season, says a specialist with the Texas Agricultural Extension Service.

Fall is a critical period for both warm and cool season turf, but treatment that is good for one type may be bad for the other, notes Dr. Michael Hickey, Extension soil chemist at Lubbock.

Fall may reduce the curb appeal of bermudagrass and zoysia, but it allows the turf to get ready for winter, Hickey said. "Such warm season grasses require a three-to-four-week hardening period to prepare for winter. In our area, this occurs at the end of September and into October.

During this period, shoot growth will decrease and the essential carbohydrates necessary to carry the turf through dormancy accumulate. Practices that promote lush growth prevent the hardening process and increase susceptibility to low temperature injury or possible winter-kill, the Extension specialist said.

"Application of nitrogen-containing fertilizers and mowing too closely are two practices to avoid at this time of year," Hickey said.

Cool season grasses, such as fescue and Kentucky bluegrass, tend to suffer from heat stress during High

Plains summers, the soil chemist said. "As fall approaches, their growth will increase through November."

"These grasses will respond nicely to a nitrogen fertilizer application in late September," Hickey said. He cautioned that care should be taken to apply no more than 5 pounds of ammonium sulfate per 1,000 square feet. Applying higher amounts will leave the grass susceptible to damage by very cold weather.

Both warm and cool season turf will benefit from an application of potassium in late September, The Extension specialist said. Potassium can improve winter-hardness, wear tolerance and disease resistance in turf.

For bermudagrass and zoysia, the suggested rate is one to two pounds of potassium per 1,000 square feet. This should be applied as a potassium-only fertilizer and nonnitrogen or phosphorous should be applied, Hickey said.

"For the cool season grasses in West Texas, a complete fertilizer such as 10-10-10, containing nitrogen, phosphorous and potassium, can be used only if a soil test suggests the application of phosphorous. Otherwise, the individual elements are best," the Extension soil chemist said.

Business Spotlight

Ellie's Enterprises is owned and operated by Martha and Don Ellison. In 1978 Martha and Don purchased a Floral Shop from George Oakley then located on Highway 54. The business offered a green house and sold bedding and green plants wholesale, and also offered catering and wedding arrangements. In 1986 Martha decided to move the business to Main Street, adding a restaurant and renaming the shop to Ellie's Enterprises. Martha said she always wanted to open her own restaurant because she loves to cook. Ellie's Meet n Eat, open 7:30 a.m. to 8:30 p.m., offers home cooked meals as well as baked goods. Ellie's Enterprises specializes in a full line of floral goods, wire service, a Bridal register, complete wedding service, including catering. Ellie's also offers gifts for every occasion, baby gifts, specialty baskets and catering for special occasions.

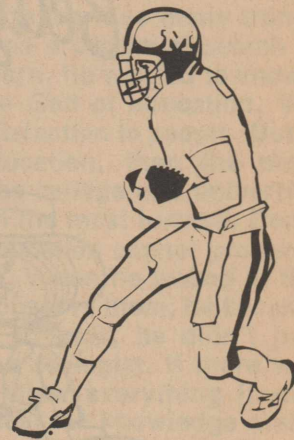

Employed at the Floral Shop are Kay Mires and Tina Brooks and at the restaurant are Brenda Keener, Cindy Smith, Kay Keener, and occasionally Terry Kennedy and Sheryl Hayworth. Ellie's Meet 'n Eat can be reserved for special occasions, just call for reservations. Martha and her husband, Don, have three children, Glenanna Craig, Verlie Norris and Ernie Ellison, and six grandchildren, Christopher, Bethany, Shannon, Katie, Laurie and Brenna.

Martha and Don are members of the Stratford Chamber of Commerce, Retail Merchants Board and the First Baptist Church. Martha says they enjoy fishing, but don't have enough time to do much. They love to travel and this year took off and went to Alaska. Martha attends floral workshops as often as possible to keep up on the latest trends, and goes to Market in Denver, Kansas City, or Dallas to keep up on the latest in home decorating.
