Austin April 2 - Deaths from

To date, statistics apparently have of human life.

Somehow motorists must be made ally. to realize that a high-powered machine rolling along even at legal speed thing. A clearer conception on the dacy in this race, I am part of the driver that the other fellow is likely to disregard the rules

of the road also must be generated. imagine that he owns the highway. He is not held down to warning signs and highway regulations, that pedestrains are pests, and causes the operation of a car as though the driver is the only one on the road, such egotism is frequently fatal. But fortunately, in manf instances, the innocent and law abiding motorist pays the supreme penalty for this type of folly.

When to this appaling loss of life we add the million others who in the same period have been hurt more car, the problem assumes vital impeople, but to the medical profession whose members are fundamentally interested in the conservation of human life. Let us all cooperate.

In announcing my candidacy for the office of County Attorney, I make my first bid for public office. To those of you who do not know me, I want to supply the following facts: Born: Erath County, Texas; moved to Rule, Haskell County, Texas, at an early age; education: Rule Public School; McMurry College; Southern Methodist University; ad-

mitted to the Bar in 1931. During the past five years, I have been actively engaged in the practice of law. It is my blief that the train-

perience that I have acquired, qualify me for the office I now seek.

The duties of a County Attorney are two-fold in nature: Civil and operation shown by the other denom- "detecative," Bee Hardin. Criminal. In performance of the duties of office, as your County Attorney; ing baptism. Two others were saved should you favor me by electing me and three young people re-dedicated to this office, I shall constantly strive their lives to Christ. Last Sunday was to apply that degree of diligence honor day for our Sunday School which is required to discharge these with 133 present. Come next Sunday duties to the best of my ability. In and worship with us for the last matters that are civil, in character, time in our old building. - Reporter. I propose to be thorough so that no error may retard progress. In the ad-

intend to be fair and impartial. I want to know all of you personally, if possible, so that you may know me and know my views on questions that affect you. Should you elect me to the office

of County Attorney, I will keep my features of her work she has been looking after has taken up all her Respectfully submitted:

GIRARD PRODUCE HOUSE

Remember we sell Mebane Cotton seed, sure crop corn, cane, and sudan seed. Still have a few sacks of H. D. Mebane Estate Triumph State Certified seed. Also some good Mebane seed at \$1.00 per bushel.

Cull your old hens out and exchange them to us for baby chicks, any kind you (want. Place your order now as they are selling fast.

We pay Lubbock prices for cream, eggs, and poultry. Sell us your products for cash, trade where you please. We have some good Barred Rock and White Wyndott Hens we will exchange for your mixed Heavy Hens. Bring them in Saturday.

We buy, sell or exchange and try to keep the good stuff in the country. Help us make in home market.
