DEMOCRATS UNDER LEADER-SHIP OF ROOSEVELT AND GARNER SWEEP NATION

Sweeping every state in the union with the exception of Maine and Verment, into the Democratic fold, Roosevelt and Garner have led the nation thru a historic campaign and made history that will be read about by the school children of the nation 100 years from now.

Never before since this government was organized has the Democratic party and democratic leadership been so unanimously endorsed. The republicans have only 8 electorial votes against 523 for the Democrats. Kansas not only went for Roosevelt over Landon, but at the same time elected a democratic governor. The Republicans lost every former republican stronghold, but the two small states in North New England. The Democrats made a gain in the house of Representatives and in the U. S. Senate.

The election in Jayton was very quiet and the vote cast was far below what it would have been had it not been so cold. Most of the votes cast were by parties living close in.

The count was as follows:-Robsevelt and Garner 228

Landon and Knox, 28. Roosevelt and Garner carrying the box with a majority of even 200 the other candidates for president did not receive a single vote.

# Expanding GROWING!

We take pleasure in announcing to the public that we have this week purchased the entire grocery business and stock of the Bryant-Link Company of Jayton, and added it to our already large stocks which is perhaps the largest and most complete stock of groceries in the county. As it fills our big store to overflowing we desire to dispose of lots of it quickly to our old and new customers.

We invite the regular Bryant-Link customers to come in and make this store their grocery buying center. We will take care of you and treat you the same as our old standbyes.

We are making many red hot specials such as the following.

### SATURDAY SPECIALS SPUDS, 100 lbs. \$2.35 YAMS, bushel, \$1.00 APPLES, bushel, \$1.00 HAMS, cured, half or whole, .... lb. 25c LARD, 8 lb. carton, ...... \$1.04 PINTO BEANS, 100 lb. sack ....... \$6.00

Many other staple and fancy groceries going at equal bargain prices. Come on with the crowds and buy your groceries.

POT-O-GOLD distributed at 4:00 P.M. Just outside of the building. We Will Be Looking For You

Come early for this big treasure hunt. How about a fine fat roast for that Sunday Dinner?

# Landers & Gardner

# Important Announcement

For more than a quarter of a century the two firms, Bryant-Link Company, and Robinsons have been selling Groceries in Jayton. - This week, the first named firm is closing out their Grocery business and we are preparing to enlarge and improve ours. We now have workmen engaged in modernizing our North Store Room, formerly occupied by the Parker Variety and with in the next two weeks we hope to move into the building for the purpose of launching one of the most modern Grocery and Markets to be found in this section of the state.

This is a day of progress and change and it will be our honest effort to keep up with the trend of the times and go forward carefully but continually.

Until we get our business opened in the new quarters we remind you that we are prepared and ready to supply all your grocery needs at our old location where we have been serving you with the best for the least cash cost to you for many years. -More Later. . .

#### Correct Posture Held Essential

AUSTIN, Nov. 5, - Correct posan important part in winning the espect of others," said Dr. John W. Brown, State Health officer.

"Many of the ills of childhood ture acquired during child rood," he children are born in good physical this will not happen again soon. condition and yet examination of arge groups of school children low a high per cent to be sufferion and fatigue are productive of in Hamlin Anson and Abilene Wedor posture. These lessen the size f the chest and decrease the lung

Abdominal organs may also be hich may seriously interfere with Black Motor Company. heir action. These conditions must e corrected before the body is able o attain normal weight and nutriional standards.

"School children who have poor posture are said often to average lower in attendance and in school mental and physical activities than those who have good posture.

A child may be forced to hold his body in an unnatural position by a desk that is too high or too low. Desks and work tables should be at high enough to allow the feet to rest on the floor and the forearms and hands to rest upon the tops without the shoulders being hunched up.

" egin early in life to teach you children to stand straight and sit straight for health and confidence, and they should grow strong into well-built men and women."

The election went off quietly in Jayton. Not a fist fight nor a drunk. Not even a hair pulling contest by the female voters.

COMING TO JAYTON NOV. 18-19

TO MAKE FINAL

Final payment to depositors of ture in school children, and adults the old First National Bank of Jayas well, is necessary to proper phy- ton will be made to the depositors sical and mental development, says Saturday at the First State Bank a warning from the Texas State De-partment of Health. "Good posture building in Jayton. We understand the payment will amount to a fracis a sign of self respect and plays tion over 12 per cent. A former payment of 8 per cent having been made more than a year ago, the two payments bringing the total up to a little over 20 per cent. Parties and the deformities of adult life interested are asked to come prehave their beginning in poor pos- pared with proof of claims. Personally we are glad to see this business said, "and it is particularly im- settled at the same time we are sorportant that the child's posture ry indeed that total payment is so conform to nature's dictates. ### PAYMENTS SATURDAY RED CROSS HIGHWAY **POSTS AID INJURED**

1,000 Function At Key Points To Give Emergency Care To Traffic Hurt

Highway first aid stations, set up by the Red Cross to give emergency care to victims of traffic accidents, are saving lives, according to James L. Fleser, vice chairman in charge of domestic

"More than 1,000 of our emergency posts are already operating in 47 states and thousands of others will soon be established at key points along America's highways," Mr. Fieser stated.

The Red Cross highway posts are concentrated at danger spots in rural areas where medical aid 's not readily available. The importance of this coverage of the open road, the Red Cross holds, is given sharper emphasis by the fact that there has been a 150 per cent increase in rural traffic fatalities during the past twelve years.

The project was initiated last year on a national scale as a practical approach to the highway accident problem. The Red Cross felt that it could best apply its strength by succoring those who continue to be 'njured pending a reduction in the highway accident rate through legislation and rafety edu-

"Our program brings first aid skill to the scene of accident in an effort to reduce the number of persons killed and maimed in automobile mishaps." Mr. Fleser said. "Our highway first aid- ber 11 to 26.

ers are not medical men in any sense, but it is their job to turn the injured over to the medical profession in the best shape possible."

The Red Cross highway posts are esproaches to the station.

The attendants of these roadside accept pay for caring for the injured.

hundred trucks are already operating.

"The highway police of eight states who have finished first aid training will join this army mobilized to cut accident fatalities and prevent complication of minor injuries through mishandling at the roone of accident," Mr. Fleser said.

"We receive reports from our first aid stations daily, telling of essential care given to traffic casualties on the

tablished at gasoline service stations, tourist homes, rural police and fire de-partments. The personnel of the posts are trained by the Red Cross in first aid, standard first aid equipment is installed at each station, and identifying signs for the benefit of motorists are erected beside the highway at both ap-

units who qualify as first aiders volunteer their services through the Red Cross and may under no circumstances

To complement the highway first aid stations, the Red Cross has announced formation of mobile units. Several thousand trucks which regularly ply the highway in the course of routine work will be equipped with first aid kits. Drivers and crews will take courses in both standard and advanced first aid. and each truck will be identified as a Red Cross mobile unit. More than a

spot and of lives actually saved." This and many other Red Cross programs of equal value are supported by the people of America during the annual Roll Call for members. This year the Roll Call will be held from Novem-
