

THE JAYTON CHRONICLE

H. D. Wade, Editor and Publisher

Published Every Thursday at Jayton, Kent County, Texas

Entered as Second Class Matter, February 10, 1921, at the Post office at Jayton, Texas, under the Act of March 6, 1879.

Subscription, One Year, \$1.50

NOTICE TO PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm, or corporation that may appear in the columns of The Jayton Chronicle will be gladly corrected when called to our attention.

While in a South Texas town recently, I was told that an argument arose at a ladies' bridge club as to whether when after one cuts the cards before they are dealt, the one making the cut should put the two stacks back together. So (according to the story) they decided to write to a famous bridge expert. He replied that, while there was no actual rule, it was courtesy for the one cutting the cards to put the two stacks together.

With that, the ladies thought the matter closed. But not quite, for at the end of the month here came a bill for \$30 from the expert. The club members consulted an attorney in their town to learn whether they had to pay the \$30 and he advised them that did as the man they had consulted was an expert in the field of bridge rules and that such advice was the way he earned his living. So they paid him the \$30.

Then at the end of that month came a bill to the club for \$10 from the lawyer!

Which reminds me of Mr. Goldberg. His friend, an attorney, said, "You look worried."

"Yes," he explained, "I have a chance to put over a big deal but there is an obstacle." He proceeded to describe the situation, whereupon the lawyer told him how the difficulty could be surmounted. Goldberg made the deal, with a profit of several thousand dollars. Soon after, he received a bill from the attorney for \$500 for professional advice. The bill was paid.

A week or so later, the businessman was walking along when he met the lawyer and said, "It's a fine day, isn't it?" Then before the attorney could reply, Mr. Goldberg hastened to add, "Remember: I'm telling you, not asking you!"

Rolling In Money

Is American industry rolling in money? On the basis of the bare statistics a "yes" answer to that would seem justified. However, as a Newsweek survey recently pointed out, there is another side to the picture. The magazine said: "The hard-to-believe fact was that business, despite record profits, was hard pressed for funds."

The reason for that is the enormous sums industry has been spending for new and better production facilities. Last year, for example, industrial profits totaled \$12,500,000,000. But in the same year industry spent \$12,000,000,000 for new plants and equipment, plus \$8,500,000,000 for inventories, plus \$5,000,000,000 in dividends. As a result, cash on hand has declined. Big industry, in many cases, has borrowed heavily from banks. The cost of essential postwar expansion and reconversion has been incredibly high.

Business would like to raise needed money with common-stock issues. However, the dormant state of the stock market has blocked this on any big scale. Both investors and speculators are wary. If the stock market ever goes up and stays up, new issues will begin to appear in quantity.

—Industrial News Review.

"Oh my! Doesn't this preacher know its time to stop now?" whispered the disgusted worshipper as the preacher went on with his sermon.

"Time!" replied his companion bitterly. "Time! why, he's finished with Time and he's converging on Eternity."

U. S. imports of honey are three times as large thus far in 1947 as compared with a year ago. Cuba, Canada and Chili are the leading exporters.

Series H-47

Renell Fuller of Dallas, Texas is spending a two weeks vacation in Jayton with her parents Mr. and Mrs. Roy Fuller.

Mr. and Mrs. Howard Kearney were business visitors in Lubbock, Texas last Friday.

Mr. and Mrs. Dick Jones of O'Brien, Texas are visiting in Jayton with Mr. and Mrs. Fred Jones.

Mrs. J. H. Montgomery is visiting her sister at Rotan, Texas this week.

Mr. and Mrs. Edd Kyle and children are spending their vacation at Buchanan Dam fishing.

Mrs. Elvie Mayo and children of Texarkana, Texas spent last week with her sister Mrs. Charles Parks.

Mr. and Mrs. W. D. Cave and girls had business in Rotan, Texas last Saturday.

Mrs. H. D. Taylor left Tuesday afternoon for Abilene, Texas to be with her father who is ill.

Mrs. C. J. Robinson left Sunday for Fort Worth, Texas to visit her three daughters Sallie, LaRue, and Lucille and son and wife, Mr. and Mrs. Harvey Robinson for a few days.

ALKA-SELZTER is unusually effective in the relief of Headache because its analgesic (painrelieving content) is made more positive by alkaline buffers. Alka-Seltzer being a combination of painrelieving and alkalinizing ingredients has gained wide usage and popularity for the relief of Acid Indigestion, Cold Symptoms, "Morning After" misery and Muscular Pains. And be sure to try Alka-Seltzer for that tired feeling following hard work or strenuous exercise.

Ask your druggist.

Farmers and Ranchmen

WE DO WHAT OTHER LOAN AGENCIES DO NOT DO.

We loan money to pay off loans held by other agencies charging higher rate of interest than we charge, also those who have restricted payment clauses in their mortgages. We loan 75 per cent of the normal agricultural value of farms and ranches.

We make the smallest loans to serve the needs of the people, also loans up to \$50,000. to buy lands, build homes, and other improvements.

We issue dividend paying stock, such dividends will reduce your interest cost down from 4 per cent to approximately 3½ per cent.

You do your business at home, with home folks, with a board of directors elected by you to manage the affairs of your association.

The Stonewall-Kent National Farm Loan Association has distributed approximately \$18,500. in dividends to borrowers over a period of the last 2½ years.

You can pay off your loan at any time you wish without any extra cost or penalty.

Feel free to discuss with us your plans or needs and we will be glad to assist you.

STONEWALL-KENT N. F. L. A.

"MICKY" AND HIS GANG

By Sam Iger

Mr. and Mrs. Melvin Taylor and family of Hawley, Texas visited his parents M. and Mrs. H. D. Taylor in Jayton last week.

Mr. and Mrs. W. W. Cave and J. C. of Hobbs, Texas spent last Sunday in Jayton with Mr. and Mrs. W. D. Cave and family.

At present prices of cotton and cottonseed, no grower can afford to low the one bale out of seven which insects normally steal.

Mr. and Mrs. George Rice and son left Monday for San Diego, California after visiting relatives and friends in Jayton last week.

Mrs. E. M. Jones, Ollie Engledow, Doris and Joyce Brantner, Jimmie T. Cave and Nancy Hall visited John Tarleton College at Stephenville, Texas Tuesday.

Mr. and Mrs. O. V. Healer, Willie Lee, Dwain, and Donna Kay visited relatives in Lubbock last Saturday.

"Dear," said Mrs. Blake, "I think I'll appear in the charity show. What do you think people would say if I wore tights?"

"They'd probably say I married you for your money," dourly replied Mr. Blake.

Mr. and Mrs. O. C. Rinehart, Earl Rinehart and son Wallace of Snyder, Texas visited Mr. and Mrs. G. J. Reed and Senta Mae last Sunday.

Mrs. Frank Barbee and daughter Frances Jo has returned from a visit with her mother in Denton, Texas.

Mr. and Mrs. Roy Powell left Tuesday morning for their home in Oro Grand, California after spending a week in Jayton visiting relatives and friends.

Mrs. David Clipper of Rotan, Texas spent Sunday night with Mr. and Mrs. D. Hall.

Mr. and Mrs. J. D. Patterson, Jr., Mrs. Mitt Patterson and Mrs. R. A. Moreland left Monday for Wilmington and Pasadena, California to visit Mrs. Minnie Veñil and Mrs. J. L. Smith and family and other relatives.

A smart practice for the poultryman is raising at least 25 more pullets than he intends to house, so he can cull out the poor birds. Poor pullets are a waste of time and money.

Mr. and Mrs. Elbert Cox left Wednesday for Alabama where she will visit her sister Mrs. Shephard for a while.

COFFEE'S ON THE HOUSE

New York.— Something new has been added to make rail trips more enjoyable for the much-traveling American public, especially during these summer vacation months. It's "coffee" on the house" served passengers on transcontinental trains of the Texas and Pacific.

Twice daily a dining car pantryman prepares fresh coffee to be served free of charge to the passengers. Dining car attendants pass through the cars with coffee, sugar, cream, and paper cups to furnish travelers these pleasant midmorning and midafternoon treats.

The famous Texas-thru-to-New York "Sunshine Special" is one of the trains featuring this unique post-war service which holds high approval by travelers especially since, "It's on the house."

Miss Ellie Mae Melton and Mr. J. P. Gaston were united in marriage Sunday afternoon at 2:30 p.m. by Justice of Peace T. N. Sanders.

This is the time of year when animals often get purssic acid poisoning when turned on grasses whose growth have been stopped or retarded by drought, trampling or overgrazing. Smart stockmen are feeding hay before turning cows on pasture.

Agriculture, with more workers than any other industry, had a death rate last year of 54 per 100,000 workers, compared to the all-industry rate of only 31.

The presence of flea hoppers in cotton can be detected by looking for small, blackened, dead squares, less than one-fourth inch in size.

Mr. and Mrs. Henry Donaldson and family of Rule, Texas visited in Jayton last week end.

Amateur wiring or overloading of electrical equipment is a big cause of disastrous fires on Texas farms.

Mr. and Mrs. Ed Springer and family have moved to Rule, Texas.

C. C. York had business in San Angelo, Texas this week.

Mr. and Mrs. Ed Lovelady and Mrs. Clyde Carr and daughter of Wichita Falls, Texas visited their sister Mrs. Bill Billingsley Tuesday and will go on to Hereford, Texas to visit their parents Mr. and Mrs. H. C. Parvin for a few days.

Rev. and Mrs. E. O. McElyea and Artie Grace Sanders attended a fellowship meeting at Crosbyton, Texas Tuesday.

Mrs. Lovell Blain and children of Seymour, Texas visited relatives in Jayton last week.

Mrs. G. W. Billingsley left Tuesday afternoon for Abilene, Texas to be with her sister Mrs. P. H. Hill who underwent an operation Sunday.

Med Wade had business in Lubbock, Texas last Friday.

Some amazing things come out of the magic bag, but nine-year-old Nancy Scott of Alvord, and Sammy Owens, 10, of Lamesa, both polio patients at the Scottish Rite Hospital for Crippled Children in Dallas, want Bob White to tell them "how." Mr. White, a Shriner and amateur magician, entertained the children at a lawn party sponsored by the Ladies Auxiliary of the Scottish Rite recently.

George and Nannie Beth Rice took their mother Mrs. Lula Rice to Stamford, Texas Friday for a check-up at the hospital.

Mrs. Grady Jones and Mrs. Harmon Meador had business in Rotan, Texas last Thursday.

Clayton Branch and daughter of Rotan, Texas visited in Jayton last Thursday.

Mrs. M. V. Jay and Don had business in Lubbock, Texas last Friday.

Mrs. W. M. Smith and daughters of Blythe, California spent a few days last week in Jayton visiting Mr. and Mrs. Cliff Miller.

Cottons Competitors

College Station. — The production of synthetic fibers, as opposed to the "natural" fibers—cotton, wool, mohair, silk, and flax—is showing a big increase.

Up until around 1935, according to the USDA Southern Regional Research Laboratory at New Orleans, rayon was the only manufactured fiber in commercial production in the United States. It is made of cellulose. After a couple of false starts rayon production got under way in 1911 and has increased so rapidly that today it runs second only to cotton as a textile fiber. Production is still climbing: 482 million pounds in 1940 to 375 million in 1946.

Before 1940 the consumption of synthetic fibers other than rayon was very small, and even in 1940 totaled only 4.5 million pounds; by 1946 the figure had increased to 53.3 million pounds and outranked silk and flax.

Some of the man-made fibers that are coming up fast in the synthetic field are:

Glass fiber; commercial production began in 1936 but the output was very limited during the first three or four years.

Vinyon, a fiber made of synthetic resin, first made in 1938. Production is still small.

Nylon; commercial production began in 1939, after a short period of experimental operations.

Aralac and saran, casein fibers, were introduced commercially around 1940.

And a synthetic fiber made of soybeans is coming up.

Rev. and Mrs. J. D. Ramsey spent last week at Talpa, Texas visiting relatives and friends.
