Number 10

WITH THE CHURCHES

Assembly Of God

We are glad to report the presence of the Lord in our services each time we come to the house of the Lord. We should be glad for the privilege of going to the Church of our choice. Let us ever keep these words in our heart, "I was glad when they said unto me, let us go into the house of the Lord."

We had a wonderful young peoples' service Saturday night. A good crowd was present and each one had a mind to do something for the Lord. We are surely proud of our young people and do pray that the Lord will keep them from the power of the tempter.

Our services Sunday morning and evening were exceptionally good, although there were several absent. Nevertheless, the Lord was there to bless our hearts.

Wise is the congregation who seeth the good in their pastor and speaketh of it, instead of talking of his shortcomings for verily they will increase the attendance.

Thoughtful are the ministers and his members who taketh not the best parking space at the Church, but leaves it for the aged and feeble and infirm or possibly for visitors to occupy.

Precious in the sight of the Lord (and to the pastor also) is a congregation who sitteth toward the front of the Church.

He that refuses to pay his tithes not only causes his pastor to suffer but also cuts his own throat. Let us be thoughtful and considerate of others and life will be worth living.

A strange little boy came to Sunday School today, he seemed so shy and out of place. I think he must have been very sad. I gently stole up to his side and placed my arm around him. He smiled, and I asked his name. "My name is John," he whispered as he squeezed my hand. Then I asked him if he would like for me to be his pal; he smiled again and said, "I'd be mighty glad." Each time he caught my gaze he rewarded me with a beautiful smile. I came home and it seemed that I could hear my heart singing, "Life was worth living today."

You are always welcome at the Assembly of God Church. Go to Church somewhere Sunday.

E. O. McEvey, Pastor
By T. N. Sanders

The Methodist Church

March 20, 1949

Sunday School at 10 A. M.
Services at 11 A. M.
Sermon: "Is Christ Dissatisfied In Me?"
Sunday Night Services at 7:30 P. M.
Sermon: "Can A Child Of God Fall?"
(Acts, 8 - 9 - 26 - 1 John 1 - 10)
Young People and Juniors at 6:15 P. M.

There will be a film on China, "My Name Is Han" after the services are over Sunday night. Everyone is invited to attend.

The W. S. C. S. will meet Monday night, March 21, at 7:30 P. M. with Mrs. Floyd Hall. They will begin their Foreign Mission study which is on China. The main topic for the discussion will be, "How Important Is China?"

Ten Doctrines of Grace
I believe that all men are sinners.

I believe that God the Father created all men and hates all sin.

I believe that Jesus Christ died for all men to make possible their salvation from sin, and make sure the salvation of all who believe in him.

I believe that the Holy Spirit is given to all men to enlighten and to incline them to repent of their sins and to believe in the Lord, Jesus Christ.

I believe that all who repent of their sins and believe in the Lord, Jesus Christ, receive the forgiveness of Sin. (Justification)

I believe that all who receive the forgiveness of sin are at the same time made new creatures in Christ Jesus. (Regeneration)

I believe that all who are made new creatures in Christ Jesus are accepted as the Children of God. (This is adoption)

I believe that all that are accepted as the Children of God may

First Baptist Church GIRARD, TEXAS

There was a short attendance Sunday morning, some attended the revival at Jayton, some were ill and could not come and others were not interested enough in the cause of Christ and the Church and the teaching and training services to attend. However, there was one soul saved and added to the Church at the evening service. All who attended were made to rejoice. Not only did the ones who were present rejoice, but there was rejoicing by the Angels for the soul that repenteth and trusted in Christ for eternal life.

This reporter believes those rejoicing in Heaven were the loved ones who had gone on, who were redeemed by the blood of our Lord. You may want to know why this belief is expressed. The rich man in Hell knew about his brethren back here on earth and did not want them to come to that place of torment and he talked to a saved man in heaven and wanted some one to go warn his brethren, in the same manner, our loved ones who have gone on before know when one is saved here on earth.

Is the Church, Sunday School, the Prayer Meetings and the other works of the Church, worth anything to our community, our nation or the whole world? All will answer, "Sure it is." How can we prove what we say? Of course we as men will take our women and children to Sunday School and to Church saying, by doing so, that we want our children to learn about Christ and to be Christians, but to weaken their faith in the works of the Church when we turn our cars around and go down town or some where on business until the services are over. Maybe the good wife and children are made better and, while the children are small, they will believe that you are sincere about what you say, but when they get older they will say that Dad does not think there is anything to the Church and what it stands for, or he would have taken a part in the work of the Church. What we need is men who will prove by their deeds that there is something to the religion of our Lord, and show that they believe his word enough to study to show themselves approved unto God that they are workmen not ashamed of His cause and His kingdom.

God is calling to us, both young and old, to stand for the Church. Will we do it?
—M. A. Darden, Church Reporter

FIRST BAPTIST CHURCH Jayton, Texas

The Revival, which closed Sunday night, was a great success. Although we did not quite reach our goal of Sunday School, which was 141, we did have 138 present with an offering of \$65.96. Someone did a lot of visiting during the week, the results of which were visible in our increased attendance. We had 106 present for Training Union. We were very happy to have a great number from other Churches with us at both services.

The Revival was well attended at every service. There were 23 additions to the Church with 13 coming for baptism, the remainder by statement or by letter. Rev. O'Steen did a great job proclaiming the word of God.

Sunday at 2:30 there will be an Associational Singing at the Jayton Baptist Church. Everyone is invited to attend.

We should like to express our appreciation to everyone for attending our Revival, and for the offering you gave. We sincerely hope that you got a blessing from every service.

Attend Church somewhere Sunday.

C. C. Beaty, Pastor.
Marie Smith, Church Reporter.

receive the inward assurance of the Holy Spirit to that fact. (Witness of the Spirit)

I believe that all who truly desire and seek it may love God with all their heart and soul, mind and strength, and their neighbors as themselves. (Entire Sanctification)

I believe that all who persevere to the end, and only those, shall be saved in Heaven forever. (This is the true, final perseverance)

We are always happy for you to come and worship with us. The Church doors are always open to you. If you are not enrolled in Sunday School somewhere we would like for you to enroll this Sunday. There are four Churches in Jayton and classes for you and all the members of your family. Why not enroll in one of them? Go to Church and Sunday School somewhere Sunday.

Won't you?

L. B. Taylor, Minister

Oil Lease Taken On Beggs Ranch

Seaboard Oil Company of Delaware and Republic Natural Gas Company have taken an oil and gas lease on the George Beggs of Fort Worth ranch of approximately 35,000 acres in east Garza County and in west Kent County.

Consideration for the lease is reported to be the payment of \$1 per acre to the landowner each year for ten years. No initial bonus payment is called for by the transaction, and no annual rental is called for.

This contract does not include any drilling obligation.

It is understood that the two companies are equal partners in the deal.

J. A. Scofield To Judge Local Livestock Show

The Kent County FFA and 4-H Spring Livestock show will be held in Jayton on Saturday, March 26, 1949; judging will begin at 1:30 P. M. Mr. J. A. Scofield, District Extension Agent from Vernon will do the judging. The show will consist of approximately 12 fat steers, class of fat barrows, class of open gilts, class of boars, class of sow and litters and a class of bulls. The 12 fat steers will be weighed early Saturday morning and divided into two classes according to weight. The 6 heaviest steers will go in one class and the remaining 6 in another class.

Livestock breeders who have breeding stock which they would like to exhibit should contact John H. Montgomery at the earliest convenience so that he may make arrangements for your entry in the show. There will be no prizes for breeding stock (except for 4-H and FFA boys) but ribbons will be given.

The 4-H boys and girls plan to have a tent set up near the Barfoot Hotel for selling drinks and hamburgers. This is the clubs plan for making money which is to be used for summer educational tours. The people of Kent County are urged to cooperate in this effort by eating with the 4-H Clubs.

A 4-H and FFA musical program is planned and will begin at 1:00 P. M. from the Veranda of the Barfoot Hotel, providing the weather permits.

Funeral At Snyder
For Ex-Cowboy

Funeral services for Frank Newby, 75-year-old retired cowboy who died Sunday, were conducted Tuesday, March 15, at 2:30 at the Odom Funeral Chapel in Snyder.

Austin Varner, minister of the Snyder Church of Christ, officiated. Burial followed in the Snyder Cemetery under direction of Odom Funeral Home.

Newby, who was one of the few remaining old time cowmen of this vicinity, was born Sept. 30, 1873, in Coryell County. He spent the younger years of his life on the open range and was a cowboy with several major ranch outfits.

He was an employee for many years of the O Bar O and other ranches in Kent and Stonewall Counties and he had made his home in Snyder for a number of years.

Survivors include the widow, two sons, three daughters, one sister and three brothers.

Cerebral Palsy Clinic To Be Held At Lubbock

A clinic for the examination of Cerebral Palsied children will be held Monday, April 4 at the Cerebral Palsy Treatment Center, 1317 Tenth Street, Lubbock.

Orthopedic specialists from Amarillo and Plainview will be present to examine patients.

Cerebral palsy is sometimes referred to as spastic paralysis or birth injury and may be evidenced by the child's inability to sit alone, stand alone, walk or hold objects at the age these things are accomplished by the average child. Research has shown that treatment is most effective if started within the first few months of the child's life although children respond to treatment begun at a much later age.

Parents planning to bring children to the clinic are requested to register the children at the Center prior to the date of the clinic. Information regarding the clinic may be obtained by writing Dr. Esther Snell, Director or calling Lubbock 6541.

Nonnie Lauderdale, H. D. Duncan and L. H. Mason attended the Allis-Claimers factory service school at Lubbock last Friday.

Mr. and Mrs. Fred Cochran of Monahans were visiting friends and relatives in Jayton last week end.

115 Miles Of REA Lines For Kent County

The Annual Meeting of the members of the Dickens County Electric Cooperative, Incorporated was held February 26, 1949, in the Spur High School Gymnasium.

The following men were elected and will serve as Directors for a period of one year: Joe M. Rose, S. L. Benefield, Melvin Thacker, C. P. Witt, W. L. Buckelew, Bill Wyatt, A. L. Smith, Elmer Cade and Ward Gardner. Mr. Gardner will be serving as a Director for the first time. The other eight Directors were re-elected.

At a called meeting, the following Directors were installed as officers: Joe M. Rose, President; W. L. Buckelew, Vice-President; and S. L. Benefield, Secretary-Treasurer.

Due to a large load of hay turning over on the highway near Humlin, our principal speaker, J. Walter Hammond, who is President of the Texas Farm Bureau, was detained and did not arrive in time to address the assembly of more than 900 members and visitors. We are now serving more than 1100 members in the counties of Dickens, Motley, Crosby, Garza, Kent and Stonewall.

Construction of more than 300 miles of line will start in the very near future; Dickens County 93 miles serving 80 members, Motley County 8 miles serving 15 members, Crosby County 9 miles serving 10 members, Garza County 43 miles serving 43 members, Kent County 115 miles serving 90 members, King County 15 miles serving 7 members and Stonewall County 89 miles serving 70 members.

16 Present For
Lions Club Meeting

The Jayton Lions Club met Monday night in the basement of the Methodist Church with 15 members and one visitor present.

After a musical program presented by four high school students and a very nice meal prepared by the ladies of the Methodist Church, a rather lengthy business session was held.

Boss Lion Allen presided over the business session and discussed the ways that the District Governor had suggested that the Jayton club might increase its membership and be of more service to the community. A report was given by Lion Jay on the proposed Rural Roads Bill that is now before the State Legislature, and the results of the Committee Hearing of March 7.

Before closing the meeting a committee was appointed to represent the Lions Club at the P-T A meeting at the school auditorium Friday night when the question of a Teen-Age Canteen will be threshed out.

Governor Endorses
Birthday Week

"It is a pleasure for me to extend my warmest greetings to Camp Fire Girls during this, their organization's Birthday Week, and to congratulate them on the choice of their 1949 birthday project — 'Make Mine Democracy'."

"In the midst of the uncertainty and suspense of the world today, it is refreshing to hear about a group of young people who are re-dedicating themselves to the ideals of democracy."

"Camp Fire Girls across the country, in carrying out this challenging project, will see, do, tell about democracy. 'Make Mine Democracy' which is a part of the overall Camp Fire educational, character and health-building program, emphasizes citizenship training vitally needed in both our State and our Nation today."

"Any such program must inevitably produce the finest type of womanhood and citizenship. So it is to Camp Fire Girls—the homemakers and citizens of tomorrow, that I offer my full support and best wishes for the success of the 'Make Mine Democracy' project."

Signed: Gov. Beauford H. Jester

Bobby G. Rodgers Serving On Destroyer

Bobby G. Rodgers, seaman apprentice, USN, son of G. W. Rodgers, Jr., of Jayton, Texas, is serving aboard the destroyer USS Brinkley Bass with Destroyer Division 11, based at San Diego, Calif.

Rodgers, who entered the Naval service April 15, 1948, received his recruit training at the Naval Training Center, San Diego, Calif.

Before entering the Navy he attended Girard High School, Girard, Texas.

F. H. A. Girls Attend Area Meeting March 5

Saturday, March 5, the F. H. A. girls went to the Area II meeting at Whiteface. Those who went were Sue Cave, Lou Cave, Jonell Gallagher, Peggy Chisum, Jannell Harrison, Edith Jones, Alma Koonce, Patsy Duboise, Lavina Boland, Helen Abercrombie, Mickey Herman, Beth Harrison, Mrs. E. M. Jones and Mrs. Harrison.

There were 40 chapters present with a total of 532 members.

The welcome address was given by Supt. H. P. Clemons. "Views on F. H. A." was given by Mrs. Pearl Parramore, Supt. J. S. Bridges, Clyde Norris, Jamie Warner, Salley McAssee, Ann McCauley and Mrs. James Gammill.

The afternoon entertainment was furnished by the chapters from Wilson and Meadow.

New officers were elected. They were: President, Malta Evans, Olney; Vice-President, Patsy Marrow Munday; Corresponding Secretary, O'Neil, Rule; Reporter, Annett Lee Spur; Parliamentarian, Beverly Moore, Roosevelt; Recording Secretary, Nancy Burkhardt, Archer City; Historian, Elaine Hohn, O'Donnel; Treasurer, Paula Maxey, Slaton; and Song Leader, Jo Ann Wright, Aspermont.

The local Chapter will be hostesses to the fall meeting. Two meetings are held each year.

Livestock Prices Strong In Southwest Markets

Firm to strong livestock and poultry markets partly offset dull to weaker trends on most other southwest farmproducts during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Most sheep and goats registered net gains of 50 cents to \$1 for the week. Good fresh shorn lambs cashed at \$22 at San Antonio Monday. Good and choice grades with No. 3 nets made \$24 to \$24.75 at Fort Worth. Most good and choice woolskins turned at \$26 at Oklahoma City. Denver sellers asked a top of \$27.75.

Cattle averaged slightly higher, although all classes at Houston and some kinds at other southwest markets showed little change from a week ago. Inferior and common stocker cows changed hands at \$15 to \$18 at Houston Monday, as common kinds brought \$17.50 to \$19 at San Antonio. Fort Worth and Oklahoma City sent stocker cows back to the country at \$17 to \$20. Denver paid \$22 for good stocker heifers.

Hogs recorded only slightly up and down variations from a week ago in the southwest. Top butchers sold Monday at \$21.25 at San Antonio and Oklahoma City, \$21 at Fort Worth, and \$22 at Denver. Sows ranged generally from \$15.50 to \$17.50. Good and choice pigs brought \$19 at the Texas markets, and \$19.50 in Oklahoma City.

Southwest poultry markets strengthened during the past week, and eggs held steady. Heavy hens ranged from 30 to 35 cents a pound in North Texas, 40 to 43 at New Orleans, and 24 to 35 at Denver. Fryers brought 30 to 32 cents at Dallas and Fort Worth, 30 to 36 at New Orleans.

Carlot movement of strawberries from the Hammond, Louisiana area started the regular season over the weekend. Fair to good quality Klondikes in good condition loaded at \$6.50 for 24 pint standard and display crates. Beet and cabbage shipments from the Lower Rio Grande Valley drew toward a close, and car lots found slow demand. Spinach held steady in the Eagle Pass, and Winter Garden Districts at \$1.15 a bushel for best Savoy type and \$1.20 for best cutleaf for packaging. Light demand brought dull markets for Colorado potatoes and Louisiana sweet potatoes.

Wheat showed a net decline for the week of around 7 cents a bushel, white corn 5, yellow corn 4, barley 3, oats 2, and sorghums 2 cents per hundred pounds. No. 1 wheat closed Monday at \$2.39 to \$2.44 at Texas common points. No. 2 white corn sold at \$1.70 to \$1.74, yellow \$1.55 to \$1.57 1/2, oats 87 to 91, and milo \$2.68 to \$2.73.

Slow trade in milled rice brought lower prices on short grained varieties last week. Wheat millfeeds and corn byproduct feed gained in price, but most other feedstuffs continued downward trends. Hay developed a weaker undertone in unsettled trade. Demand for seed peanuts increased as peanut planting got under way in South Texas. Little business was done in southwest wool or mohair.

W. O. Casey of Haskell visited Ivey F. Murdoch last Tuesday.

"and!!"

There will be a meeting of the Parent-Teachers Association at the High School Auditorium Friday night. All clubs organizations, and churches are requested to have representatives present at this meeting in order that the question of whether or not it is possible for the community to sponsor a Teen-age Canteen. We understand that the Teenagers will present their plea, stating what they would like to have and how such a proposed organization will operate. All parents are urged to attend this meeting for they will be the ones to make the final decision on such a proposal.

Piano Concerto Tour To Include Spur

Nine piano students of Dr. Silvio Sciolti will be presented in Spur at 4:15 P. M. Sunday, March 20. They will be accompanied by a 35-piece chamber orchestra from North Texas State College directed by Dr. Sciolti.

Many of the Sciolti pupils who will be included in the tour program have recently received national recognition. Monte Hill Davis of Naacoches recently won a \$250 prize and an appearance with the Houston Symphony Orchestra in a contest sponsored by the State Board of Education. This competent pianist, only 16 years old, is the soloist of the 17-piano ensemble which Dr. Sciolti directs at NTSC.

Jim Bob Floyd of Tyler was recently judged one of the five finalists in the national young artists division of the national young artists division of the National Guild of Piano Teachers contest. He will enter the final competition at Towner Hall, New York, this spring.

The Harmony Club of Spur is sponsoring the appearance of this talented group. Tickets will be on sale at the High School auditorium in Spur, where the concert will be held.

Reserved seats may be purchased in advance by writing to Mrs. J. E. Berry of Spur. Tickets are priced at 60c for students and \$1.20 for adults.

Parents Urged To Attend P-T A Meeting

The Jayton Parent-Teachers Association will meet Friday night, in the High School Auditorium.

We expect a large crowd due to the fact that we have not had a business meeting for some time and there are a number of things to be discussed. These problems pertain to you, so make plans to be present. Friday night is 'Father's night' and the men will have charge of the program.

—Mrs. Ben Boland, President

Mr. and Mrs. Walton Davis went to Seminole, Texas, last week end to visit with Mr. and Mrs. R. C. Patton.

Democracy At Work

Camp Fire Girls across the country more than 360,000 strong are sending tens of thousands of cans of food to children in war-torn lands. Pursuing the organization's 1949 birthday project "Make Mine Democracy" the girls are aiding their friends abroad with gifts and cheering messages.

Through the idea of 1948 "Hello World, Let's Get Together", the Camp Fire Girls helped establish one of the strongest links in making world peace and friendship.

THE JAYTON CHRONICLE

T. O. Wade, Editor and Publisher

Published Every Thursday at Jayton, Kent County, Texas

Entered as Second Class Matter, February 10, 1921, at the post office at Jayton, Texas, under the Act of March 6, 1879.

Subscription, One Year, \$1.50

NOTICE TO PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm, or corporation that may appear in the columns of The Jayton Chronicle, will be gladly corrected when called to our attention.

For years, Brown had talked about the trip to Europe that he was going to take. He was a bachelor, had no close kin, had a fair amount of wealth and there was really no reason for not taking the trip. But he kept putting it off and time flitted by until he was 80.

Not long ago, I saw him and he said something about the trip to Europe; he was going to take it pretty soon, he said.

But he won't make the trip to Europe, ever; he is dead.

His heirs can take the trip that he was too busy to get around to making.

If you are planning to see the Grand Canyon or Yellowstone Park or Alaska or Mexico—go.

Or you may have the same fate that Brown had.

The first year that Col. Ray Leeman was head of the South Texas Chamber of Commerce—it was the first year of that organization's history, he sat down and wrote the annual report. All the progress—the new industries, the new oil fields, the new highways—just about every

thing constructive that had happened anywhere in South Texas during the 12 months went into the document. A copy was sent to a friend, who wrote back:

"There was only one thing wrong with that report; you didn't claim credit for building the Great Wall of China."

Saturday, March 12, 1949 the Tawanka Camp Fire Girls met in the basement of the Methodist Church to discuss the activities of Birthday Week.

All of the group plan to carry out all of the projects so that they might finish their third rank which is the Fire Makers Rank.

The group also plans to attend their first Grand Council Fire and banquet which is to be held at Haskell on Friday the 18th.

The program is to be "Make mine Democracy." Each group is to take one letter of the word democracy and have a short program on it. The Tawanka Group chose the letter O for opportunity.

We were very glad to have back one of our old members, Shirley Goodall and receive a new one, Barbara Kay Davis.

We would like to extend an invitation to all girls of the age of 10 and up to join our group.

Economic Highlights

The dramatic non-stop, round-the-world flight of an Air Force bomber can be viewed from several perspectives. It was a technical achievement of high magnitude. It indicated the peak quality of the military equipment we are now producing. And, above all, the flight was undoubtedly planned to dovetail with our present international policy.

About a year ago, according to reports, a similar flight was projected, and was abandoned at the insistence of the State Department, which then felt it would further annoy the Rus-

ians and make an amicable settlement of U.S. - U.S.S.R. disagreements even more difficult. This time, significantly, the State Department took another view, and either endorsed the venture or did nothing to stop it. That in itself is a good example of the change in American diplomatic thinking that has taken place in a very short time. Our policymakers have clearly come to the conclusion that anything resembling appeasement of Russia can only result in more Communist aggression. Along with this, they feel the need to strengthen the resolve of the Western powers, particularly the smaller ones, which run the greatest potential risks when they throw in their lot with this country and Britain.

The flight, in effect, served notice on the world that American power exists in fact as well as in theory—and that the entire globe is within reach of our military arms. What

one plane has done, swarms of others could do in the future if the need arose. But the fact that the flight required several refueling contacts enroute again demonstrates forcefully the need of a balanced military establishment including a navy capable of defending and supplying bases.

Western Europe has long wanted definite demonstrations of this country's military strength. The Western military alliance, if it is to succeed, must have its material base in the United States. Unpleasant as the fact may be, the most sincere pledges of mutual purpose are meaningless unless there exists a huge reservoir of armed force to give the documents meaning. At present, there is a question of just how far this country can or will go in supporting that alliance. The European countries, very naturally, would like an outright guarantee that we would go to war if they were attacked, or

their independence seriously threatened. That point of view also has many sincere adherents here. But there are equally sincere opponents, who believe that it might be disastrous to commit ourselves in advance of the fact. The search is being made for an acceptable compromise between extremes.

Someone has said that the "cold war" is turning into a "cold peace." But no one can now see an end to the saber rattling on either side.

Liberty has never come from the government. Liberty has always come from the subjects of it. The history of liberty is a history of resistance. The history of liberty is a history of limitations of governmental power, not the increase of it. —Woodrow Wilson.

Mrs. Tenie Wilson and Harold Kenady of Aspermont were Jayton visitors the past week end.

Mr. and Mrs. L. H. Mason, Mrs. Johnie Millwee, and Bes Porter went to Temple Sunday, Mrs. Mason is to have a check up at the hospital.

Receiving treatment at Callan Hospital in Rotan, last Saturday was Mrs. J. B. Overton of Jayton.

Arthur Rose and Beryle Muebach visited Mrs. W. N. Lansdown in Stamford last Friday.

Adults Suffering From "Child Diseases"

Austin, Texas — Measles and chickenpox have been widespread throughout the State during the past few weeks, and in the week ending March 5th measles reached a total number of cases, 3909, that was the second highest in history. Chickenpox was almost twice the seven year median, and Dr. Geo. W. Cox, State Health Officer, has stated that there is an unusual number of adults suffering from this so called "childhood" disease.

"Both these diseases are extremely contagious," Dr. Cox said, "and the strictest isolation and sanitation precautions are necessary to halt their spread. Dishes, toys, towels, or anything that has been around the patient can carry the germs to other members of the household, and all such articles should be thoroughly disinfected before being handled by others susceptible to these diseases."

The State Health Officer recommended that a physician be called immediately when a child shows any beginning symptoms of chickenpox or measles, and that his advice be followed implicitly until complete recovery. Dangerous complications often accompany or follow measles, and a child may have his entire future health endangered unless he receives competent care during his illness.

"It is not advisable to treat these childhood diseases too lightly," Dr. Cox said. "They are sometimes responsible for nothing more than a few days discomfort, but we cannot count on that. They should be taken seriously, and receive a competent doctor's supervision and attention."

IRIDESCENT

A pretty miss wears a sun dress designed in one of the season's brand new fabrics, iridescent denim. Glazed gold threads shoot through the dark fabric, the National Cotton Council says. The cotton play dress was created by Stephanie Koret.

Weekly Cotton Market Review

Most trading took place this past week in Oklahoma and Texas cotton markets than the week before, reports the Production and Marketing Administration, U. S. Department of Agriculture.

Sales at Dallas reached 22,029 bales, a fourth or more larger than the previous week. Also, Houston-Galveston sales ran about 15 per cent higher at 19,363 bales. Total sales at the country's ten spot markets climbed to 126,800 bales, larger than the previous week and a year ago.

Demand continued to center around export needs with most sales

to Japan and other countries under ECA. Domestic demand sagged with few sales reported. Some of the qualities of cotton desired were in rather scarce supply and prices offered were not attractive to local merchants and shippers.

Demand in cotton markets was steady for the lower grades of spotted and tinged cotton.

Spot quotations at Dallas, Houston and Galveston declined 75 cents to \$1 per bale from Monday through Friday with the close the lowest price so far this month. Last year at this time, cotton at these markets was \$2 to \$2.75 per bale higher than now.

Differences in the Dallas market widened on all gray cotton.

Save The Soil Says R. M. Boswell

Austin, Texas. — During the next 12 months, 798,746,000 tons of topsoil will wash and blow off Texas.

It would cost a billion, 250 million dollars to ship this amount of soil from Temple to Galveston in 16,000 hundred-car Santa Fe freight trains.

Lukes Brothers Steamship Lines would charge 95 million dollars to move the soil from Galveston to Havana in 8,967 ships.

These figures were given today by Representative J. A. Luedemann of Brenham, sponsor of legislation in the House that appropriates 10 million dollars as a capital fund for soil conservation work in Texas.

The money will be allocated by a five-man state soil conservation board to 175 soil conservation districts, there to be administered by district supervisors.

Supporting the appropriation measure is the Association of Texas Soil Conservation District Managers.

R. M. Boswell of Kenedy, representing the association in Austin, says that every penny of the 10 million dollars will go into actual work on the land, inasmuch as the state has already provided for payment of administrative costs.

Boswell emphasized that the money will be used as a revolving fund, to be kept intact as farmers pay for work done on their property.

"In other words," Boswell said, "the fund is of a permanent nature; it will not be necessary to ask the legislature for additional appropriations at every session."

The fund, Boswell asserted, is intended to round out the present soil conservation program by making equipment and supplies available at a reasonable cost to operators of

small farms.

Farmers who have limited resources frequently cannot themselves buy the equipment and supplies needed to do the soil conservation work on their land; nor is it economical for private contractors to bring in heavy machinery for a small operation, Boswell said.

By grouping small farms, however, and working out mutual problems on a watershed basis in each soil conservation district, it is possible to carry out the program efficiently, the association's representative added.

He urged the necessity for speed in getting the work under way, pointing out that:

"This proposed legislation will expedite the soil conservation program in Texas to the extent that \$10,000,000 made available to the districts now will be more effective than ten times the amount if delayed another ten years."
