## WITH THE CHURCHES

### First Baptist Church GIRARD, TEXAS

There was a large crowd present for Sunday School and Church last Sunday morning but not so many for the evening services. There were 70 in Sunday School.

During the morning services one was added to the Church by statement and the Lord's supper was commemorated. Our Pastor brought a good message on the broken body and the spilled blood of our Lord and how without the shedding of blood there was no remission of sin. Our prayer service last Wednesday night was very good. Our subject for the evening was "We are workers together with God."

Our spring revival will begin Friday night, April 15.

Wouldn't it be fine if each Christian would feel that we are workers TOGETHER with God and join hands as one band, to advance His cause, humbly doing our best to lead men to see that there is a reality in the religion of our Lord and Master?

The Brotherhood of the Church and the W. M. U. of the Church will meet Friday night, April 8. Every Church member and any friends that desire to, are urged to be present as we want to make plans for our revival. Cake and ice cream will be served.

Let every Christian who prays, and that means every Christian, pray for a great revival in our Church and community. David, a man of God's own heart, prayed for the joy of salvation to be restored and that his heart might be cleansed so that he might teach transgressors and that sinners might be converted. Do we not need that cleansing as much as any others might? Have we not grieved the Holy Spirit by our words, our deeds, by breaking the Sabbath by failing to attend God's services and by many other ways far too numerous to mention? Oh, how we that profess to be Christians need to give Him our best all the days of our lives. Let us work and pray to that end, and then we will see a great difference in those who are influenced by our works.

Come to our services and feel welcome.

### The Methodist Church

April 10, 1949

Sunday School at 10: A. M.  
Services at 11:00 A. M.  
Sermon: "The Higher Patriotism"  
Sunday Night Services, 7:45 P. M.  
Young People and Juniors 7:00 P. M.

Young People each Wednesday Night.

We had 71 in Sunday School and 35 for the evening services. Our revival services begin Thursday night, April 21. Bro. Tilden B. Armstrong of Throckmorton will do the preaching. Let us begin now for this revival. Our motto: "Come Praying, Stay Listening" And Go Away Serving Your Lord."

Here are some facts and figures: There are more criminals than college graduates; more bar-maids than college girls; sixty thousand Churches in America went last year without a single convert; nine thousand spiritual churches closed their doors. Why? Come to the reason: Seven thousand trying to get one dollar given to someone find Christ as their savior. These are the facts given me. Let me say again—what ever we do, let us read God's word and then pray about it. Then what ever we build will be a stepping stone—not a stumbling block. May God help us to do that which is right. Not our will but His.

You are always welcome at the Methodist Church. Go to Church and Sunday School somewhere Sunday.

Our Vacation Bible School at the Methodist Church begins June 6, and will close June 10. Plans for the school are already in the making. A meeting of teachers for these schools will be held at Rule Friday night, April 8. We plan to have a worthwhile school—a study of the Bible—vigilous films—a practical workshop—and worship services.

Bobby Healer of Sweetwater visited in the home of Mr. and Mrs. O. V. Healer Tuesday of this week.

### Farm Development Loan Made At Spur

An insured mortgage loan to Doyle E. Cagle, Glehn, Texas, was closed March 31, 1949. This loan was made by the Spur Security Bank and insured by the United States of America through the Farmers Home Administration. The loan is the second insured mortgage loan made by the Spur Security Bank and represents the first Farm Development loan made in this section of the state.

The purpose of this insured mortgage program is to extend the benefits of farm ownership to as many families as possible and to encourage private enterprise to make the loans. The insured farm mortgage program affords an opportunity to work with farm families. Since borrowers make their own choice of a lender for an insured mortgage loan, many of the families will continue their relationship with the lender in regular credit.

Mr. Cagle's loan was made to enlarge and remodel his house, build a new barn, new poultry house and develop his existing water supply. The loan is repayable in 40 years at 4 per cent interest, but may be paid at any time after 5 years.

### W. M. S. NEWS

The W. M. S. met Monday afternoon at 3:30 for a business meeting. There were five ladies present.

We need some of you young ladies in W. M. S. We need your plans, your opinions, your aid in working together in the service of our Lord. Come let us reason together.

—W. M. S. Reporter

Pfc. Texie Gene Myrick, who has been visiting his parents, Mr. and Mrs. Weldon Myrick, for the past week, returned to his base at Savannah, Georgia, Wednesday.

### Assembly Of God

Another week has come and gone and our services have been good. The Lord has met with us and blessed our hearts as we gathered in the Church to worship Him.

Bro. McElvea was sick over the week end and Sister McElvea preached for us at both services Sunday. We missed Bro. McElvea but enjoyed her messages as she brought us God's Holy word. We had a number of visitors Sunday night. Our crowds are larger for the evening services for so many people have other things to do on Sunday morning other than going to church and Sunday School, but "The Life You Live Is What Counts."

I'd rather see a sermon,  
Than hear one, any day;  
I'd rather one should walk with me  
Than merely show the way.  
The eye is a better pupil  
And more willing than the ear;  
Fine council is confusing  
But examples are always clear.  
The best of all the preachers  
Are the ones who live this creed.  
For to see good, put in action,  
Is what everybody needs.  
If soon can learn to do it,  
If you let me see it done,  
I can watch your hands in action,  
But your tongue too fast may run.  
And the sermon you deliver  
May be very wise and true;  
But, I'd rather get my lesson  
By observing what you do.  
For I might misunderstand you,  
And the high advice you give;  
But there's no misunderstanding,  
How you act and how you live.

Let us all revere God more and be humble that he may exalt us. Often the branches which hang the lowest bear the best and most fruit God help us to be humble.  
A hearty welcome awaits you at the Assembly of God Church.  
E. O. McElvea, Pastor  
By T. N. Sanders

### First Baptist Church

We had a very good attendance at both morning and evening services last Sunday. There were 84 present for Sunday School and a large number of visitors and regular members attended the morning worship hour. There were 84 present for B. T. U. Sunday night and several more for the evening worship hour.

Friday night the brotherhood will meet in the Church at 7:45. All the men of the Church are urged to attend.

The days are getting longer and warmer. You will have time, even if you sleep late, to attend Sunday School and Church. Try going to Church next Sunday and see if you don't feel better all next week.

The Lord loves to see his people attend Church.

Pray for your pastor and for yourself, that you might be a better and more deserving servant of God.

**KENT COUNTY GRAND CHAMPION**—Harold Dean Thomas, Jayton 4-H Club boy, is shown holding "John", the Grand Champion steer of the annual 4-H and FFA Junior Livestock Show held here recently. In addition to the regular prize Harold Dean received \$25 from the Ded Chain Feed Mills of Abilene.

### Many Families Support Proposed Plan For Community Center

At a meeting held last Thursday night, April 3, at the high school auditorium, the idea of a Community Center for the people of this area received sound approval. Of those present, some 23 families pledged support to such an organization and since that time, according to Mrs. M. V. Jay, Chairman, 30 other families have pledged support and have paid their membership fees.

The proposed Community Center was an out-growth of the idea the Teen-agers had presented, and is being formed primarily for their benefit. However, it was decided that since financial assistance and a building must be provided, it would be far more practical to provide a Community Center that people of all ages groups could benefit from.

It was agreed that the Center would be organized on a family membership plan and would operate on the democratic principal of majority rule. All officials, directors, rules and regulations, types of activities and entertainment will be voted on by the members and that in all cases the will of the majority respected. Every member will have a vote and a chance to voice his or her opinion on all matters.

There will be a meeting held Monday night, according to Mrs. Jay, April 11, at the Malouf building and all families and individuals who have pledged their support, and all others who are interested in such an organization, are urged to attend. Mrs. Jay stated that there will be many things to discuss and ironed out.

### Stinnett - Hunnicutt Vows Read April 1

Wedding vows were exchanged Friday, April 1, by Wanda Stinnett, daughter of Mr. and Mrs. C. W. Stinnett, and Dale Hunnicutt, at the home of his parents, Mr. and Mrs. W. T. Hunnicutt of Girard. Rev. Les Hollis, pastor of the Girard Baptist Church, read the ceremony.

The room was decorated with bouquets of Iris and Peach blossoms. White candles provided the only light during the ceremony.

The bride wore a lovely Nu-grape, crepe dress. Her corsage was of white gladiolus.

Pat Bural, cousin of the bride, was her only attendant. Bernice Goodall of Girard, served as best man.

Following the ceremony, a buffet supper was served to the wedding party and guests.

The couple plan to make their home in Dumas, Texas.

Those present for the occasion were: Mr. and Mrs. C. W. Stinnett and family; Mr. and Mrs. W. T. Hunnicutt and family; Mr. and Mrs. Ollie Bural and family; and Miss Tommie Windham of Girard.

Mr. and Mrs. J. M. Johnston, grand-parents of the groom, and Mr. and Mrs. J. M. Johnston, Jr., of Jayton.

Mrs. J. T. Edwards, grand-mother of the bride, and Becky Johnston of Anson.

## "and!!"

Dear Editor:

I am enclosing a check for the paper. I hadn't kept up with how you and I stood, I didn't know just when it was due.

We do enjoy reading it and look forward to getting it each week. I sometimes think we should get two copies and then we could both read at the same time. You do have a good little paper and I believe if you keep boosting Jayton it is going to be a town of some size yet. Seems like the oil prospect looks pretty good. I sure hope you get it.

How is your dad getting along? I have enjoyed talking to him a lot of times. I always felt like I knew more after talking with him.

Best regards to you all, and thanks for everything.

Sincerely yours,  
W. H. Porter

(Thanks for the letter Bill. L. F. W)

Shown above is a large reproduction of the "Be Thankful You Can See" seals the Jayton Lions have sent to many people of this area. The Lions are attempting to create a fund whereby they can provide glasses for the visually handicapped, and provide necessary aid to those who are blind. Don't ignore their request. "Be Thankful You Can See" and do what you can for those less fortunate.

The 20 year old Negro was charged by the State with Assault with Intent to Rape after entering the home of a white woman here in Jayton on Feb. 14. He is being held in the local jail until his fine is paid or he serves a sufficient number of days in jail.

### Girard To Hold Annual Singing Convention

The people of the Girard community are making plans to hold their annual singing convention Sunday, April 17.

This will be an all day session with dinner on the ground.

The singing will be held in the high school auditorium. The morning session will begin at 11 o'clock. Lunch will be served at 12:30 p. m. The afternoon session will begin at 1:30 p. m. and last until the convention is over.

We are expecting all the singers of Kent, Dickens and Stonewall Counties to be present, together with many outstanding singers from throughout this section of West Texas.

Church services will be held one hour early in order to get through before the convention starts. Make plans to spend the day in Girard. Bring your basket well filled, so to church and then to the singing. Bring your group of sinners and your song books. The people of Girard are looking for you. Don't fail us.

Probably as odd an excuse as a driver ever gave for driving fast is a distinction this commentator can lay claim to.

It was a good many years ago, when I was a reporter for the Fort Worth Star-Telegram and I was halted by a motorcycle officer who wanted to know, "Why the rush?" My reply was, "I have only 20 minutes to see a man on the way to the South Pole!"

Weird as it sounds, it was the truth, Lincoln Ellsworth, the ex-

plorer, was lost in the ice at the bottom of the world and a plane was being flown from Chicago, to enable Sir Hubert Wilkins to search for the lost man. I was on my way to the airport to interview the pilot of the rescue machine.

But I can still see the goggle eyes of that officer at the incredible excuse, "I have only 20 minutes to see a man on the way to the South Pole." On how frail a thread fate sometimes depends.

James G. Blaine and Grover Cleveland were the opposing candidates for president. It looked as though the man of magnetism from Maine, "the plumed knight" as Bob Ingersoll had called him, was "in".

Just a few days before the election, a group of ministers called or written to pledge him their support. The preacher who was to have been the spokesman had gone to Philadelphia the night before to perform a marriage ceremony and he missed the train back to New York. The delegation waited almost an hour and when he did not arrive, they selected

the Rev. Samuel Burchard to speak in the speech he declared.

"We are Republicans and do not propose to identify ourselves with the party whose antecedents have been rum, Romanism and rebellion."

This utterance was given wide publication and antagonized enough support that Blaine lost New York State by 1,149 votes out of a total of 1,160,00 cast—and the loss of New York cost him the presidency.

Mr. and Mrs. Fletcher Rich and Mr. and Mrs. E. R. Cox visited in Abilene, Texas last Saturday and attended the singing convention at Anson Sunday.

Mr. and Mrs. Mabrey McAteer and Mr. and Mrs. Ned Cox of Stamford visited friends and relatives in Jayton last Sunday.

Bobbie Hamilton spent last week end in Lubbock with friends.

Mrs. E. R. Cox and Mrs. L. E. Browning had business in Spur last Tuesday.

George Ed Deahl of La Junta, Colorado visited Johnnie Davis last week.

Mr. and Mrs. Gene Spicer and daughter visited friends in Rochester last week end.

Mr. and Mrs. J. M. Johnston and Mr. and Mrs. Jimmie Johnston are fishing in Corpus Christi this week.

Mr. and Mrs. Lee Parker and children went to Crosbyton last Monday. His mother returned home with them to visit for a few days.

Rachel Maybin, O. J. Milkins, and Robert Castleberry of Fort Worth visited Mrs. J. H. Montgomery and John H. last Sunday.

Mr. and Mrs. W. D. Cave had business in Aspermont Tuesday of this week.

James P. Lumpkin spent last week end in Clarendon, Texas with his parents.

Mr. and Mrs. Roy Fuller and Renell had business in Rotan last Thursday.

Visitors in the home of Mr. and Mrs. L. F. Wade last week end were: their sons, F. H. Wade of Mobile, Alabama, H. C. Wade of Lubbock, and grand - daughter, Mrs. Joe Michiel and husband of Morton, Texas.

Mr. and Mrs. S. M. Newberry and family and Miss Sue Newberry of Lubbock spent last week end in Jayton with their parents, Mr. and Mrs. Sam Newberry.

Mr. and Mrs. George Hall, and Mrs. Doyle Clark of Lubbock visited J. O. Lee and Mrs. Weldon Myrick in Jayton last Thursday.

plorer, was lost in the ice at the bottom of the world and a plane was being flown from Chicago, to enable Sir Hubert Wilkins to search for the lost man. I was on my way to the airport to interview the pilot of the rescue machine.

But I can still see the goggle eyes of that officer at the incredible excuse, "I have only 20 minutes to see a man on the way to the South Pole."

On how frail a thread fate sometimes depends.

James G. Blaine and Grover Cleveland were the opposing candidates for president. It looked as though the man of magnetism from Maine, "the plumed knight" as Bob Ingersoll had called him, was "in."

Just a few days before the election, a group of ministers called on Blaine to pledge him their support.

The preacher who was to have been the spokesman had gone to Philadelphia the night before to perform a marriage ceremony and he missed the train back to New York. The delegation waited almost an hour and when he did not arrive, they selected

the Rev. Samuel Burchard to speak. in the speech he declared:

"We are Republicans and do not propose to identify ourselves with the party whose antecedents have been rum, Romanism and rebellion."

This utterance was given wide publication and antagonized enough support that Blaine lost New York State by 1,149 votes out of a total of 1,100,000 cast—and the loss of New York cost him the presidency.

Mr. and Mrs. Fletcher Rich and Mr. and Mrs. E. R. Cox visited in Abilene, Texas last Saturday and attended the singing convention at Anson Sunday.

Mr. and Mrs. W. D. Cave had business in Aspermont Tuesday of this week.

James P. Lumpkin spent last week end in Clarendon, Texas with his parents.

Mr. and Mrs. Roy Fuller and Renell had business in Rotan last Thursday.

Mr. and Mrs. S. M. Newberry and family and Miss Sue Newberry of Lubbock spent last week end in Jayton with their parents, Mr. and Mrs. Sam Newberry.

**WTUC To Operate New Power Plant**

Abilene, March 31—West Texas Utilities Company yesterday completed negotiations for installing a new 20,000 horse-power turbo-generator at the Abilene power plant. Construction work has been going on for more than two years getting ready for this 170 ton precision machine whose output of electricity will more than double the plant's generating capacity—a capacity which only last July was doubled by the installation of a 10,000 horse-power unit.

The first of five freight cars needed to transport the monster machine from the factory has already arrived. Two more cars loaded with component parts are now in transit. The generator itself will arrive in the next few days.  
Two special factory erection crews will work ten hours a day, six days per week in order that the machine-concretes will be ready for tests and put into operation early in June.

This generating unit was ordered April 1, 1947 and company plans and work for the expansion provided that order by many months. When the unit goes into operation this summer it will have taken more than four years overall to complete the project.  
This generator will provide additional power for the industrial and agricultural development of West Texas," said Price Campbell, WTUC president. "The Abilene plant expansion is a basic part of the Company's \$20,000,000 construction program to provide more and better electric service for the area we serve."

"The installation of the new generating unit is but a small part of the necessary work," Campbell pointed out. The addition to the Abilene plant building constructed to house the 10,000 horse-power unit installed in 1948 and the 20,000 horse-power unit now being installed is equal to a steel framed masonry and concrete building 4 stories high. Acres of concrete had to be poured and millions of pounds of steel set in place preparing the foundation for the generating units.

Two 115,000 pound-per-hour steam boilers have been installed to run the unit.  
"One of the most difficult jobs a utility company faces," said Campbell, "is predicting future power needs. The current industrial expansion and growth of West Texas makes the accurate forecasting of anticipated power the number one fact of our Engineering Department."

**Many Children Receive Aid From Health Dept.**

Almost four thousand Texas children from more than 225 counties have received beneficial services and aid to happy, normal living under the Crippled Children's Division administered by the State Health Department during the calendar year 1948. This information is shown by the annual report issued by Dr. Geo. W. Cox, State Health Officer.

According to Dr. Cox, the most commonly treated conditions are late effects of acute poliomyelitis, cerebral palsy, osteomyelitis, tuberculosis of joints, cleft palate, hairlip, and club feet. Although the services are provided for children from birth to 21 years, the largest group treated were from the age bracket of 5 to 14 years.

The help given these crippled children represents 3,747 clinic visits, 43,433 days of hospital care, 2,897 days of convalescent home care, and 4,936 doctor's visits.

"As long as sufficient State funds

are available, any crippled Texas child of normal mentality, under twenty-one years of age, whose parents or guardians are unable to pay for proper care, is entitled to the help of the Crippled Children's Division," Dr. Cox said, "if his doctor believes that it is reasonable to expect that the child can be improved through hospitalization, medical or surgical care, artificial appliances, or through a combination

of these services." Parents of crippled children should make application for this assistance by completing application forms, which should be signed by the physician and approved by the County Judge. The application is then mailed to the Crippled Children's Division, Texas State Department of Health, Austin, Texas.
