Number 24

WITH THE CHURCHES

Assembly Of God

We are now in the midst of a revival and God's word is being preached under the Anointing of the Holy Ghost. Rev. J. F. Eads is bringing some good messages and our hearts are made to rejoice when we hear the old story of Jesus and his love. "While we were yet sinners Christ died for us. The just for the unjust."

A hearty welcome is extended to all to come hear the word of our Lord. "Come let us reason together." The revival will continue on through next week, the Lord willing.

E. O. McElyea, Pastor.
By T. N. Sanders

First Baptist Church Jayton, Texas

Our attendance was off very much last Sunday, but those who were present heard a wonderful message brought by Bro. Littleton. He made us realize how much we need to spread the word of God throughout the world. People are lost every day because we are not telling them about the wonderful Savior who can save them if they only believe.

Our meeting starts Friday night, July 1. Your presence will be appreciated. Bro. John O'Steen will do the preaching. He is truly a man of God. You will enjoy every message so try not to miss a single one.

Our vacation Bible School starts Monday morning. Bring your children so they may enjoy every minute and at the same time learn more about the Bible. The Bible School will start at 8:00.

Marie Smith, Reporter
Bro. C. C. Beaty, Pastor

First Baptist Church GIRARD, TEXAS

Last week we held our Vacation Bible School. The school was well attended with 73 enrolled and a regular attendance of 58. The school was conducted by our pastor and local church members. The children learned of the benefits of the church and of the many pleasures that come through church work. The attendance of the school proves that our children are interested in the church and in Christianity. This interest means that the adults of tomorrow will be better informed on the subjects of the Bible and will be more qualified to help our churches, our schools and our nation.

Our pastor, Rev. Lee Hollis, is on his vacation this week and will not be back until Sunday week. However, we will have preaching Sunday at both morning and evening services.

Sunday is Father's Day, so let every father be at church with his family. Let us remember our fathers who are living and also those who have gone on before.

The Girard Baptist Church welcomes all to be in every service on each Lord's day.

—M. A. Darden, Church Reporter

Mrs. North To Give Food Demonstration

Mrs. Van North, Home Economist for the Dickens County Electric Cooperative, Inc. will give a food demonstration at Clairmont, Texas, Friday afternoon, June 24 at 2:30 p. m. The place of the meeting will be announced later. Everyone is cordially invited to attend this demonstration.

Culture Club Meets With Mrs. M. V. Jay

The Culture Club held its last meeting of the club year at the home of Mrs. Merle Jay.

Co-hostesses were Meses. Kettlett, Lane, Parker, Hancock and Jones. A delicious dinner was served on the lawn to twelve members and two guests, Mrs. Oscar McGinty and Mrs. Kelley of Spur.

After the dinner was served, the members and guests returned to the house where Mrs. McGinty brought an inspirational message on "The Club Woman."

The club will resume its regular sessions in September.

—Mrs. W. J. Garrett

Edith Jones is in the Rotan hospital with virus pneumonia.

Ollie Pugh Dies After Heart Attack

Funeral services were held Tuesday morning, June 14, at the first Methodist Church in Jayton at 10 o'clock for Mayse Ollie Pugh who passed away at his home in Jayton June 13 after suffering a heart attack.

Rev. Bryant of Loranzo, former pastor and long time friend of the family, officiated, assisted by Rev. L. B. Taylor, local pastor.

Mr. Pugh was born August 2, 1873 in Montgomery, Alabama. He moved to Texas when a small child. He was married to Miss Annie Well on May 18, 1902. To this union was born two children, one dying in infancy. Mr. and Mrs. Pugh moved to Jayton from Lubbock in 1946.

Mr. Pugh is survived by his wife, one son, Henry Pugh of Jayton, three grandchildren, Mrs. John W. Cave, Suzie and Ollie Pugh, and one great-grandchild, Cathy Anne Cave all of Jayton. Five brothers, Bud and Jim of Greenville, Texas, John of Levelland, Hill of Lubbock and Frank of Fort Worth.

Interment was in the Greenville cemetery Wednesday at 10:00 a. m.

Out of town relatives attending the funeral service were: Mr. and Mrs. H. E. Wall and George Wall of Knox City, Mr. and Mrs. Sam Cobb, Mr. and Mrs. S. G. Cobb, Jr., and Mr. and Mrs. J. D. Gillispie all of Stamford, Mr. and Mrs. John Pugh of Levelland, Mr. Johnnie Pugh of Lubbock, and Mrs. Woodree Pugh and mother of Idalou.

Wheat And Corn Show Substantial Gain

Cotton and some grains showed the most strength at generally unsettled southwest farm markets this week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Cotton advanced from 75 cents to \$2.75 a bale. Spot middling 15-16 inch ranged from 32.30 cents a pound at Dallas to 32.80 at Little Rock.

Wheat made a spectacular comeback last week with gains of 16 to 17 cents a bushel. Corn advanced 2 to 3 cents and oats 1. Barley and sorghums showed slight losses. No. 1 hard wheat closed Monday around \$2.06 to \$2.14, at Texas common points. No. 2 white corn sold around \$1.69, yellow corn \$1.60, and oats 76 to 80 cents.

Rice markets weakened slightly under pressure of large supplies, slow demand and falling prices of other foods. Most feeds also sold somewhat lower than the week before, with oilseeds and meat scraps the exceptions. Dull hay markets reflected slow demand and light receipts resulting from poor harvesting conditions. Peanut markets were strengthened by improved demand and poor conditions for the new crop.

Southwest egg markets held fairly firm during the week, and poultry remained about steady. Current egg receipts sold around 38 cents a dozen in North Texas and Denver and 40 cents at New Orleans. Fryers brought 24 to 30 cents a pound at Dallas and Fort Worth, 23 to 33 at Denver, and 31 to 34 at New Orleans.

Tomatoes still moved in large volume this week, but many late-season crops came to market. Watermelons, cantaloupes, onions, peppers, and cucumbers were included.

Cattle and calves lost around \$1 to \$2 for the week at Fort Worth, 50 cents to \$1 at San Antonio, and 25 to 50 cents at Oklahoma City. Houston held about unchanged, and Denver showed gains up to \$1 in some classes. Monday's receipts ran close to a week earlier in Texas and Oklahoma but dropped a third below in the twelve leading markets. Dressed steer beef sold \$1.50 to \$3 lower for the week at New York and veal \$3 to \$4 lower. Beef cows ranged generally from \$16 to \$19 in the southwest.

Hogs sold unchanged from a week ago at San Antonio, and gained mostly 25 cents at Fort Worth. Prices varied from steady to 50 cents lower at Oklahoma City and 50 cents to \$1 lower at Denver. Top butchers closed Monday at \$21.25 at San Antonio and Fort Worth, \$20.75 at Oklahoma City, and \$22 at Denver. Most sows brought \$16 to \$17.50. Leading markets received fewer hogs, but pork sold mostly \$8 to \$10 lower.

Sheep and lamb prices dropped \$1 to \$2 for the week. Mutton declined \$2 to \$4 at New York, best grade dressed lamb \$4 to \$5, and lower grades as much as \$10. Monday's receipts fell to less than half those of a week earlier in the southwest. Good and choice spring lambs sold up to \$29 at Denver, and good to \$25 at Fort Worth.

Average 12 months wool sold at 48 cents per grease pound in Texas where mohair brought 38 cents for adult and 58 for kid.

Kent County's Rodeo Now In Full Swing

Kent County's Third Annual Amateur Rodeo got off to a good start Wednesday night at the Davis Grounds north of Clairmont with a fair crowd in attendance and a large number of top notch cowboys performing. The show got under way with the traditional grand entry. Led by the flag bearers, Murry Rogers and Bobby Byrd, the cowboys and cowgirls of this area made a beautiful display as they paraded in front of the stands. During the grand entry announcer Bill Vencil gave a brief tribute to the old time cattlemen of this county and dedicated the first performance in their honor. These old time cattlemen, as cowboys on the ranches of Kent and surrounding counties, contributed much to the traditions and legends of the cow country.

The grand entry was followed with the introduction of the show's officials. Sheriff Robert Koonce was introduced as Arena Director; Freddie Jones, Dick Sampson and Milton Sandell, Reining Horse and Steer Riding Judges; Bibby Wallace, Tiedown Judge and Nathan Mears, starting judge.

J. Oxford set the pace for the calf ropers by catching and tying his calf in 15 seconds. He was followed by Sam Baugh with 15.8 and John Wallace with 17.5 seconds.

Harold Thomas led the Junior Steer riders for the night by scoring 280 points to lead over Dan McDonald and Tommy Riley.

In the Junior calf roping Cecil Peewee Johnson tied his calf in 38.5 for the best time. John Allen Kelley turned in a 55.4 and Don Jay 72.7 seconds.

Dick Sampson, competing in the old timers calf roping contest, showed some of his old speed with a time of 31.9 seconds. Hale Daughtery's time was 57.7 seconds.

In the sponsor's contest, Sadie Smith of Gele, Texas, had a 21.3 second time in the barrel race to 25.1 seconds for Mrs. Fred Dabst of Aspermont.

Charlie Arrington of Spur showed that he was not only a fast roper but also a fast man on foot by turning in a 15 second time in the ribbon roping contest. Buck Thompson of Girard had the second best time with 15.5 and Jeff Nash of Peacock rated third with 18 seconds. Jim Smith did a very fast job of roping and running in this event but by being penalized 10 seconds for breaking the barrier he only placed eighth with 24 seconds.

The Reining Horse Contest concluded the rodeo activities for the night. The following is the unofficial score: Murry Rogers, 245, John Wallace, 250, Nathan Mears, 245, Sadie Smith, 225, Bill Hart, 275 and J. P. Hale, 190.

After the rodeo an open air dance was held on the large dance pavilion with the music furnished by Ted Bliska and his Western Music Macks of Post, Texas.

There are three more days of this big show still in store for the people of Kent County and visitors, with each show promising to be better and faster. The final performance will be held Saturday night, June 18.

Cotton Markets Slow In Southwest

Spot cotton markets in Oklahoma and Texas were quiet again last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Sales at Dallas, Houston and Galveston totaled 22,967 bales, only slightly larger than a week ago. The slump in trading was evident at other spot markets as total sales for all 10 dropped to 55,500 bales compared to 66,300 the previous week and 40,200 during the same period last year.

European inquiries for forward shipment of cotton were numerous last week, but actual sales were small. Domestic mills made a few inquiries for specialty lots of small quantities for prompt shipment.

From Monday through Friday spot cotton prices advanced \$2.25 per bale at Galveston, \$2 at Houston and \$1.50 at Dallas. Last year on the same Friday, cotton closed around \$12 to \$24 per bale higher.

The Dallas basis was lowered 35 points this week. Houston 15 points and Galveston 30.

Heavy rains in parts of Oklahoma and the south plains of Texas will make it necessary to replant a considerable acreage of cotton, farmers report.

The new crop is making fair progress in most areas with only minor insect infestation reported.

More cotton was exported during April than any month since the war. Shipments totaled 359,000 bales.

Demonstration Set For June 22

The Jayton Hardware Company, Try-County Lumber Company, and Mr. Robert Moore will sponsor a frozen food demonstration at the Homecoming Cottage of the Jayton High School on Wednesday afternoon, June 22, at 2:30 p. m.

Mrs. Van North, Home Economist for the Dickens County Electric Cooperative, Inc., will give the demonstration. She will prepare fruits, vegetables, meats and pastries for freezing. The film "Frozen Freshness", in technicolor, will be shown.

The demonstration is free and everybody is cordially invited to attend.

Dickens Electric Co-op. Demonstration At Clairmont

A frozen food demonstration will be held at the Girard High School on Tuesday night, June 21, at 8:30 p. m. Mrs. Van North, Home Economist for the Dickens County Electric Cooperative, Inc., will give a demonstration on preparing fruits, vegetables, meats, and pastries for freezing. The film "Frozen Freshness", in technicolor, will be shown.

Elsworth Jones Named New ACA Officer

Jim Lumpkin, who has been Administrative Officer of the Kent County A. C. A. for the past year and one half, was notified this week that he will be transferred to a plains county as Administrative Officer. Mr. Elsworth Jones of Matador and former Administrative Officer of King County, was named by the Kent County Agricultural Conservation Committee to succeed Mr. Lumpkin. Lumpkin will leave Friday, June 17, and Mr. Jones will assume his duties on June 27.

Mr. Lumpkin said this week that he greatly appreciated the fine cooperation that the producers and business men have given him during his stay in Kent County. He further stated that producers and business men alike are realizing more each day their responsibility in conserving the soil. Lumpkin asked that the same cooperation be extended Mr. Jones as was given him.

Buyers And Sellers Regulate Economy

As Fortune put it, the slump in business was recently made official. This happened when Dr. Edwin Nourse, top economic adviser to the President, reported that the Federal Reserve Board's industrial production index had dropped to the lowest point since July of 1947. Dr. Nourse, who has never been regarded as a conservative in his economic views, urged the President to hold down Federal spending, and to go easy on urging increases in taxation.

U. S. News and World Report offered its view of the situation in these words: "The country, at this time, is in the middle of a tug of war between buyers holding out for lower prices and sellers trying to avoid price cuts—Business is slowing in one line after another, while this price war goes on." The magazine then forecast that, before the end of 1949, the general price level will be 10 to 15 per cent below the post war peak but still more than 80 per cent above the 1939 figure. It added: "When buyers are convinced that prices once again are firmly set, demand for goods is expected to revive and business to move ahead."

If this view proves to be the correct one, it is clear that the current slump is not the beginning of a depression. It is, instead, an adjustment of a boom condition which was based on a tenuous foundation. When the war ended, there had been four years of increasing shortages and the war-enforced cash savings of the people were at an all time high. The inevitable result was a buying spree that took in practically every kind of commodity, no matter how high the price or how poor the quality. Much of the money has now been spent, the shortages have almost all been made up, the national income is down from the peak, and the spending spree has come to an end.

During the course of the adjustment, the attitude of labor will be important—the cost of labor is a dominant factor in determining the selling price of the bulk of commodities. Some labor groups are now working for increased pay, but this is not universal by any means. A number of the top union officials are displaying considerable caution. In some lines, it is reported that productivity per manhour has been rising—when business slackens workers naturally put out more effort in order to keep their jobs. Also, the fairly substantial layoffs that have taken place in major industry have largely been confined to the least efficient workers, and the better men have remained on the job. Thus, labor costs may diminish in various fields, even though wage rates remain at high levels.

All in all, business trends are being watched with extreme care in all quarters. But there is little real pessimism.

Mrs. Jennie Wilson and Mrs. C. C. Robinson and girls of Dallas visited friends in Lubbock last Sunday and Monday.

Mrs. Jess Hall and Judie McKenzie of Lubbock are visiting with Mr. and Mrs. Dale Moore and family this week.

Mrs. Eunice Harrison and sons, Loyal, of New Mexico visited relatives and friends in Jayton last week end.

Mrs. J. H. Montgomery and John H. visited relatives in Rotan last Thursday.

Mrs. W. D. Vencil and Mrs. C. H. Meador had business in Stamford last Saturday.

"and !!

And even yet it rains in Kent County. Continuing right on from last week it rained each night excepting Sunday up until Monday night. The sky has been clear for the past two days and farmers are hoping that conditions will remain as is until the wheat and other small grain is harvested and their cotton is planted. While farmers have been sitting and waiting for the fields to dry the weeds have continued to grow and it looks as though that some of the farmers will have to use crosscut saws to fall some of the huge careless weeds and cockleburrs.

A new tractor agency opened for business this week. Jim Bolch has his new business, the B. and B. Tractor Company ready to serve the farmers of this area. Mr. Bolch tells us that he will handle all equipment, parts and offer expert maintenance of the Ferguson Tractor.

We took time out to attend the opening show of the Kent County Amateur Rodeo Wednesday night. Mr. Davis and Manuel are to be congratulated on the way they have prepared for this years show. Kent County may not have the biggest rodeo in the state but we will bet that not a rodeo in the country has better stock or a better arena or as many honest to goodness cowboys taking an active part in it. These local cowboys turned out a very good performance on their first night and it looks as though they could give mighty stiff competition to the best of them. When 24 seconds in ribbon roping is good for only eighth place in a field of twenty that is what you call 'ropin'.

Folks you won't regret taking time to attend the Kent County Amateur Rodeo. We believe that half the fun of any sporting event is knowing the contestants and as most of the boys taking part in the rodeo are from this area you can't help but enjoy this good show. Besides this you can get plenty of good country cooked food and enjoy the old time dances. . . . See you n Clairmont.

Farmers Urged To Construct Storage

Farm storage loan price for Kent County is \$1.87 per bushel, according to a statement made this week by Jim Lumpkin, Secretary of the Kent County A. C. A.

Lumpkin states that the only deduction from this price in securing a loan is one cent a bushel service fee. In those cases where wheat is kept in storage until April 30, 1950 and the wheat delivered to the Commodity Credit Corporation there will be an additional 7 cents per bushel paid to the farmer for storage upon delivery of the wheat.

The steps for the loan are simple. The farmer must provide acceptable storage for the wheat and apply at the local ACA office for a loan. After the wheat has been in storage 30 days a local loan inspector will compute the number of bushels in storage on a volume basis, secure a sample of wheat and submit it to a grain laboratory for grading. After the grade is received the loan documents are completed in the ACA office and such documents may be cashed immediately at any local bank.

Lumpkin urges all grain producers to consider the construction of permanent farm storage as the difference between the loan and cash price will cover the cost of construction and it is believed that the present cash price and loan price is likely to recur in future years.

The extension Service has made plans for a cheap temporary storage that will qualify for a loan and those farmers who are unable to provide permanent storage may secure a blue print for construction of such temporary storage from the County Agent.

For further details about the wheat loan and storage, contact the local ACA office or County Agent, Kirby Clayton.

Jim Lumpkin and Dallas Kenady had business in Vernon last Saturday.

Melvin Lee of Carlsbad, N. M., is visiting friends and relatives in Jayton this week.

Wilson Garrett and family of Itasca visited his parents, Mr. and Mrs. W. J. Garrett over the week end.

Mr. and Mrs. C. O. Fox, Sr., attended the Mail Carriers convention at Brownwood, Texas, last week end.

PUBLIC NOTICES NOW MANDATORY—Governor Beauford Jester is shown here as he affixes his signature to Senate Bill No. 375. The Bill, known as the Mandatory Publication Law, requires that all public notices called for by Texas Statutes be published, or the official responsible for such publication suffer loss of salary, or removal from office for neglect of duty. Senator James E. Taylor of Kearns, pictured on Jester's left, sponsored the legislation through the Senate. House sponsor was Phillip L. Willis of Kaufman. Covered by the law are all public officers of the state, counties, cities, and school districts. Governor Jester signed the bill into law June 8, and it became immediately effective.

THE JAYTON CHRONICLE

T. O. Wade, Editor and Publisher

Published Every Thursday at Jayton, Kent County, Texas

Entered as Second Class Matter, February 10, 1921, at the post office at Jayton, Texas, under the Act of March 6, 1879.

Subscription, One Year, \$1.50

NOTICE TO PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm, or corporation that may appear in the columns of The Jayton Chronicle, will be gladly corrected when called to our attention.

Mr. and Mrs. Ralph Brantner had business in Rotan last Monday.

Jody Black and Jeane Branch are spending a few days in Aspermont with Mr. and Mrs. Leonard Branch.

Mrs. Glover Russell and son of Turkey, Texas, spent last week in Jayton with her parents, Mr. and Mrs. Rube Grice.

Mr. and Mrs. Owen King and family of Andrews, Texas, spent last week in Jayton with Mr. and Mrs. T. L. King.

Freddie Ray and Jane Ann Jones of Abilene, Texas, are visiting with friends and relatives in Jayton this week.

Mr. and Mrs. Raymond Patton and family of Seminole, Texas, are visiting her parents, Mr. and Mrs. Bob Hamilton, and other relatives in Jayton this week.

TRY A WANT AD IN THE CHRONICLE. YOU CAN'T LOOSE.

There's nothing wrong with it that MASON CHEVROLET CO. can't fix cheaply.

EMERGENCY SERVICE

ON FARM EQUIPMENT

We will make a special effort to keep your equipment operating during this rush season.

- ... If you have a breakdown in the field
- ... If your equipment needs last-minute repair or adjustment
- ... If you need new parts in a hurry

Phone or bring in your equipment. Our factory-trained mechanics will do their best to cut your "lay-up" time to a minimum.

Dearborn LIFT TYPE

Field Cultivator really gets down and digs

Use it shallow for eradicating weeds or mulching... or set it full 9 inches deep and really churn the soil. It leaves land in shape to hold moisture and resist wind erosion.

The Dearborn Field Cultivator can be attached to a Ford Tractor in one minute. Hydraulic Touch Control means easy lifting for turns and transport. See it! And remember us for genuine parts and expert service.

Spring-actuated shanks permit points to ride over stones or roots and reset themselves automatically. Variety of points available.

BLACK & JAY TRACTOR CO.

TAKE THE SIZZLE OUT OF SUMMER— THERE'S A PARAMOUNT COOLER TO FIT YOUR POCKETBOOK!
