CONSTRUCTION WORK ON U. S. HIGHWAY 277 IS UNDERWAY

J. H. Strain & Sons, Inc., of Tye, began highway construction work in this area, Monday, September 15. A contract in the amount of \$1,163,207.46 was awarded Strain & Sons by the Texas Highway Commission on August 26, 1969, for 6.5 miles of construction work on U. S. Highway 277 in Haskell County.

The contract work is to be completed in 200 working days and is under the supervision of Nelson Shave, Supervising Resident Engineer of the Texas Highway Department in Hamilton. This project begins at the intersection of U. S. Highway 280 north of Stamford and extends 6.5 miles north paralleling the present highway on the west side. The proposed improvement will consist of constructing two additional lanes to make a four-lane divided highway. The usual construction will consist of 2-12 ft. travel lanes with paved shoulders. Plans provide for grading, structures, flex base, and a two course surface treatment.

A conference to promote traffic safety was held in Haskell on September 10, with representatives of the Contractor, Department of Public Safety, and Texas Highway Department in attendance. The purpose of the meeting was to secure close cooperation between all departments in promoting traffic safety through the limits of the construction project.

Adequate barricades and warning signs will be prominently displayed at all times but motorists should be extremely cautious in passing through the construction area.

Funeral Services Held Sunday For Trav Everett

Trav Everett, 64, longtime Haskell County resident, passed away at 7:30 p. m., Friday, September 12, at Haskell Memorial Hospital where he had been a patient for 12 days.

Funeral was held at 3:00 p. m. Sunday at the Haskell First Baptist Church with Dr. Troy Calpepper, pastor, and Rev. Hubert Segro, pastor of the Southside Baptist Mission, officiating.

Burial was in Willow Cemetery under direction of Holden-McCauley Funeral Home. Mr. Everett was born March 20, 1905, in Hamilton County, and came to Haskell County in 1909 with his parents, the late Mr. and Mrs. J. H. Everett.

He married Iola Juanita Simmons, July 20, 1924, in Anson. He spent the early part of his life as a barber and for the past 20 years he was associated with three different firms here. He was a member of the First Baptist Church.

Survivors include his wife; two sons, Buck of Haskell and Felton of Bowie; six grandchildren; one sister, Mrs. D. O. Stephens of Rule; three brothers, C. H. of San Diego, Calif., Bill of Haskell, and Trenton of Abilene.

Palbearers were Howard Perry, Buford Cox, Mutt Bryant, Wilda Medford, W. H. Pittman, B. F. Bassing, Jack McAdoo, Sam Parks, Sonny Everett, Bud Herren.

Final Rites Are Held For Miss Crowley

Miss Florence Crowley, 89, a resident of Haskell for about 10 years, passed away Thursday, September 11th, at 10:40 p. m. in the Haskell Memorial Hospital, where she had been a patient for 18 days.

Funeral services were held at 10:00 a. m. Saturday, September 13, at the First Baptist Church, Haskell, with Dr. Troy Calpepper, pastor, officiating. Holden-McCauley Funeral Home was in charge of arrangements and interment was in Rosiland Memorial Cemetery, Dallas.

Graveside rites were conducted at 4:00 p. m., by Dr. James Carlyon, of Dallas. Born, July 31, 1880, at Council Grove, Kan., she moved to Haskell from Dallas in 1959 and resided here until 1968 at which time she moved back to Dallas. She was a member of the Haskell First Baptist Church, and T. E. L. Sunday School Class.

Rotary Members Hear Reports On Football Teams

At last Thursday's noon-day luncheon meeting, members of the Rotary Club heard reports from the Haskell football coaches concerning the 1969 season.

Bill Ratliff was program chairman for the day and introduced head coach, Sonny Everett, who in turn introduced his coaching staff, Bill Pringle, Don Mullins and James Ivy. James Miekler, Haskell Junior High Coach, was unable to attend the meeting.

Coaches Everett, Pringle and Mullins gave a short report on the 1969 Indians and James Ivy, Haskell Junior High Varsity coach, reported on the outlook of the "B" team.

Also present at the Rotary session and introduced by Everett were Haskell High School seniors, Lanny Ivy, Roy Pittman, Bob Aycock, Mike Guess, Donald Love, Bob Philip, and Terry Chapman, who will be playing their final year for the fighting Indians.

Everett praised his fine coaching staff, and stated the team's attitude this year is the best ever.

"The Indians are somewhat weak in depth, but strong in desire and ability," Everett said. Coach Everett said that fans can look forward to an exciting season this year as the Indians will be playing more of a passing game than usual, even though they will be strong in their running attack.

Guests noted, other than those mentioned above, were Garnet Gracey of Abilene and W. O. Karpenko, of Austin.

"Prexy" Eldon Anderson presided over the meeting. Bob Herren lead the singing, with Gail Barnett at the piano, and the invocation was given by Charles Thornhill.

Sheriff's Posse Places First At Albuquerque

The Haskell County Sheriff's Posse won first place honors in the parade at the New Mexico State Fair at Albuquerque, New Mexico, Saturday, September 13, and also received a travel trophy for the club traveling the second longest distance.

This makes the fourth trip to the New Mexico State Fair by the Haskell Club. In 1963, Haskell won second; copied first place honors in 1964; placed second in 1966, and won first this year.

The Haskell County Sheriff's Posse has also won a travel trophy on each trip to Albuquerque.

Headed by president, Gene Hunter, fifteen members of the club rode in the parade which saw some 16 clubs competing for parade honors.

This season, the Haskell County Sheriff's Posse has made 11 road trips and placed first at Paducah; third at Seymour; second at Rotan; first at Plainview; first at Stamford; second at Roby and first at Albuquerque.

Palbearers were Howard Perry, Buford Cox, Mutt Bryant, Wilda Medford, W. H. Pittman, B. F. Bassing, Jack McAdoo, Sam Parks, Sonny Everett, Bud Herren.

Airport Sight Is Viewed

W. O. Karpenko, of Austin, Chief Field Engineer of the Texas Aeronautics Administration, was in Haskell Thursday of last week to inspect the future sight of the city-county airport north of Haskell on the golf course road.

Jim Medley, chairman of the Airport Advisory Board, said that Mr. Karpenko was well impressed with the location and stated to the best of his ability that matching funds would be available for the future construction of the airport.

"This is about the extent of the news media available at present, but further information will be forthcoming," Medley said.

Whortons' New Owners Of The Texas Theater

Mr. and Mrs. E. B. Whorton, veteran owners and operators of the Rule Drive-In Theater, have purchased the Texas Theater in Haskell, and plans call for it to be one of the most modern downtown theaters in this area.

Cleaning and remodeling of the building inside and out has been underway for the past several days and the theater will open Saturday, September 20th, at 1:30 p. m., with continuous showing in to Saturday night, of a family-type western, titled, "Ace High", starring Eli Wallach.

Jack Whorton, son of Mr. and Mrs. E. B. Whorton, will manage the Texas Theater. Mr. Whorton said, "We plan to operate the Texas Theater each night, with the exception of Wednesdays."

Bookings of films will be announced each week in the Free Press.

Eight Rural Accidents Investigated In Haskell County During August

The Texas Highway Patrol investigated eight accidents on rural highways in Haskell County during the month of August, according to Sergeant Frank Jirick, Highway Patrol supervisor of this area.

These crashes resulted in two persons killed, three persons injured and an estimated property damage of \$3,885.00.

The rural accident summary for this county during the first eight months of 1969 shows a total of 58 accidents resulting in three persons killed, 32 persons injured, and an estimated property damage of \$34,655.00.

With the opening of school, the sergeant reminds all motorists of the state law regulating traffic in regard to school buses.

"The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

TO APPEAR IN PARADE: The world-famous Hardin-Simmons University Cowboy Band of Abilene, under the direction of Marion E. McClure, will again participate in the giant downtown parade, at 5:00 p. m., Thursday, September 25th, opening day of the Haskell County Fair.

Services Held Wednesday For Kendel Watson

Kendel Watson, 29, of 1301 South First Street, Haskell, passed away Monday, September 15, at 8:50 p. m. in the M. D. Anderson Hospital, Houston, where he had been a patient for about three weeks.

Funeral services were held at 4:30 p. m., Wednesday, September 17, from the First United Methodist Church, Haskell, with Rev. H. O. Abbott, pastor of the Haskell and Paint Creek United Methodist Church, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Born, February 6, 1940, in Haskell, he was married to the former Nancy Hollar.

He was an employee of Wilcox Well Service of Rule and a member of the Paint Creek United Methodist Church.

Survivors include his wife, Nancy Watson, of Abilene; one son and one daughter; his parents, Mr. and Mrs. Arthur Watson, of Haskell; one sister, Mrs. John L. Holcomb of Olney and a nephew, Brandon Holcombe, of Olney.

Palbearers were Bobby Jones, Jerry Jones, Jackie Sonnamaker, J. Earl Proctor, Tommy Matthews, Rodney Miller, Mike Wilcox and Jack Wilcox.

County Fair Opens Next Thurs. For Three Big Days of Activities

Old Rehab, mammoth steer belonging to Abilene Rehabilitation Center, which was on display at the West Texas Fair in Abilene last week, will also be on exhibit during the three-day run of the Haskell County Fair on September 25, 26 and 27, according to Rex Felker, fair secretary. The steer, weighing something over 3,000 pounds, 600 more than Big Mac which was used during the recent Frontier Day celebration here, will be housed in a tent with a 25 cent admission charge with all proceeds going to the Center. Fair officials believe that this outstanding attraction will add much to the annual fair.

Numerous parade entries are being turned in to the Chamber Office with the latest, being notification that both the Rochester Steer Band and the Knox City Greyhound Band will participate, bringing the total number of high school, college and military bands to seven to date with others expected to announce before parade time that they will be here.

Confirmation was received Monday that the World famous Hardin-Simmons University Cowboy Band, under the direction of Marion E. McClure, will again participate in the parade. Also H-SU will have an educational exhibit in the Corral building during the three days of the fair.

Telephone calls and letters are being received from a wide area relative to the Approved Registered Quarter Horse Show to be held on Friday, September 26th, with Royce Adkins as Superintendent. Some of the top quarter horses of the country are expected to compete in the show, which will have Bill Hedge of Salina, Oklahoma, serving as judge.

Clarence Meier of Haskell has assured fair officials that a large number of western bands and old time fiddlers will be here on Saturday night to entertain the crowds with plenty of old fashioned "fiddle down" music. This event will take place on an outdoor stage which will be erected this week at the fair grounds.

Ruth Ann Fansler, County Home Demonstration Agent, has a highly entertaining talent program scheduled for Saturday afternoon. This particular event of the 1968 fair was an outstanding contribution to the over-all program.

Float entries for the big street parade to be held at 5 p. m. Thursday are still coming in with latest additions being the Young Homemakers and the CAP Center.

The Jones County Four-H Club riders have notified officials that they will ride in the parade along with the Haskell County Sheriff's Posse and scores of cowboy and cowgirl riders.

New ticket booths have been built and new concession stands will be ready by fair time with the Center Point Home Demonstration Club manning one and the women's church auxiliary of Knox City in charge of the second.

On Saturday night at the fair grounds arena, a western activities program will be underway with Jerry and Maxine Hannsz in charge. Barrel racing, Pole bending, goat tying and other events will be on the entertainment and contest card.

Fair enthusiasts are urged to remember the sensational parachute jumps to be made by Paul Ross of Coleman, immediately after the parade on Thursday, and again at 1:00 p. m. on Saturday.

Fair board executives wish to stress that plenty of parking space will be available along the north side of the grounds and south of the carnival area where lights and a new ticket booth will be erected to facilitate the handling of expected crowds.

Tickets will be handled by Harold Spain, superintendent. Everyone is urged to be in Haskell for the three big days next week when the old time county fair will draw back the curtain for the 1969 presentation... stressing entertainment and educational features for young and old.

C of C Officers, And Directors Discuss Projects

Officers and directors of the Chamber of Commerce met at 7:30 p. m., Tuesday Sept. 16th, in the chamber office with C. O. Holt, vice-president, in charge of the business session.

Minutes of the last meeting were read by the manager and approved by the board.

The one-hour meeting time was used for a general discussion of forthcoming projects to include the County Fair, the annual Christmas program, a concentrated membership drive and a re-evaluation of present membership dues.

Present for the meeting: C. O. Holt, Bob Philip, Bud Pogue, Opal Adkins, Mrs. Luther Burkett, Bud Herren, Elbert Johnson, Wallace Wooten and manager Rex Felker.

Next meeting of the board will be held at 7 a. m., Sept. 30th.

Jaycees Attend Region Forum In Abilene

The Haskell Jaycees had nine members present at the Region II Forum at Abilene, Tuesday night, Sept. 16.

Again the Haskell Jaycees came home with two trophies for the third straight month, having won the travel trophy and trophy for the most members present percentage-wise to the club's membership.

Haskell will host the next regional Forum to be held in October.

Longtime Haskell County Resident Passes Away

J. A. Wimberly, 103, longtime Haskell County resident, passed away at 1:00 a. m. Wednesday, September 17, at Rice Springs Care Home.

Funeral services will be held at 3:30 p. m., Thursday, September 18th, at the First United Methodist Church, Haskell, with Rev. Roy Herricks, pastor of the Haskell Foursquare Church, and Rev. H. O. Abbott, pastor of the Haskell First United Methodist Church, officiating. Interment will be in the Pinkerton cemetery, with Holden-McCauley Funeral Home in charge of arrangements.

Born, December 20th, 1865, in Clark County, Arkansas, he came to Texas in 1888, settling in the east part of the state. He moved to Haskell County in 1911 and lived on a farm until about 22 years ago, when he moved to town. He was a member of the Foursquare Church, Haskell.

Miss Lees is a graduate of Haskell High School, class of 1968, and attended Midwestern University, Wichita Falls.

The prospective groom is a graduate of Haskell High, class of the H. C. Lewis Electronics School, Oklahoma City, Oklahoma.

Wedding date has been set for Saturday, October 11, East Side Baptist Church, Haskell.

Stitching And Stewing

County H. D. Agent By Ruth Ann Fandler

Do your house plants die? You may not be watering them right.

This is especially true during the winter months when plant growth is very slow because of the low light intensities.

We frequently get impatient and apply additional water and fertilizer hoping to make the plant grow large and healthy. Actually during winter periods the plant is producing very little food and can not grow rapidly.

Overwatering is the worst offense during periods of slow growth.

Plant roots must have air as well as water. If the soil stays saturated with water, little or no oxygen can reach the roots. This results in loss of the small feeder roots and eventually death of the plant.

Never water plants by rule of thumb such as every other day or twice a week. Once the soil is thoroughly moist, water them only when they need it.

In watering house plants supply sufficient water so that it runs through the potting soil into the saucer below. Always discard the excess water that drains through the pot into the saucer to prevent the accumulation of soluble salts in the potting soil.

Plants in a cold room need less water than those in a warm dry atmosphere. Flowering plants and those with much foliage require more water than those without blooms or with very little foliage.

The bride is the former Nelson Cox, daughter of Mr. and Mrs. L. B. Cox Jr. and Mr. and Mrs. W. A. Bell, of Sager-ton, are the bridegroom's parents.

The bride attended Rule High School.

A graduate of Rule High School, the bridegroom is employed in Rule by Hobbs Well Service Company.

BUTTS-THOMSON WEDDING VOWS READ AT PAULS VALLEY, OKLA.

MR. AND MRS. CRAIG HALLIE THOMSON

A home in Lubbock has been established by Mr. and Mrs. Craig Hallie Thomson, who were married at 8:00 p. m. Saturday, August 30, in the First United Methodist Church, Pauls Valley, Okla.

The bride is the former Miss Jennifer Vermelle Butts, the daughter of Mr. and Mrs. Joe E. Butts, Pauls Valley. The bridegroom is the son of Mr. and Mrs. Joe Thomson, Fort Worth, and grandson of Mr. and Mrs. Hallie Chapman of Haskell.

The Reverend Bobby Sunderland, Enid, Oklahoma, performed the double ring ceremony before an altar composed of a double kneeling bench with seven-branched candelabra and cathedral baskets of large pink asters and Seafoam statice on either side. The entire altar was flanked with Jade palm trees. Purple candles in crystal holders and pink satin bows on each pew marked the complete bridal aisle. A bouquet of pink mums, purple asters and seafoam statice in a large brass urn graced the entry way to the church.

Mrs. Beatrice Wright, organist, played the traditional wedding marches and accompanied Mrs. Charles Vann and Mr. Glenn Murray, vocalists, as they sang "Hold Thou My Hand" and "The Wedding Prayer."

Given in marriage by her father, the bride wore a caftan

gown of antique white silk Gras de lonre, designed with a bateau neckline bordered in pearls and sugar beading with seed pearl fringe outlining the cuffs of the three-quarter length sleeves. Fullness swept to the back to form a train. A matching jeweled coronet held her bouffant veil of silk illusion drifting beyond her train. The bride's bouquet was a luxuriant cascade of stephanotis, pink sweetheart roses, English ivy and a white orchid.

Miss Brenda Butts, sister of the bride, Lubbock, was maid of honor. She wore a full length sleeveless candy pink chiffon gown, featuring a cuffed bateau neckline and floating wateau panels at the back. Matching satin sashes defined the waistline and a fashioned rosette coil held the brief butterfly veil. Her flowers were a cascade of purple asters and English ivy with avacado green velvet ribbon.

Bridesmaids were Mrs. Lester Crow, sister of the bride, Beaumont; Mrs. Joe S. Butts, sister-in-law of the bride, Muskogee; Miss Cheryl Thomson and Miss Carol Thomson, sisters of the bridegroom, Fort Worth. Their dresses and flowers were fashioned identically to the honor attendants.

Lighting the candles were John David Crow, nephew of the bride, and Charles Thomson, brother of the bridegroom. Mr. Thomson served his son as best man. Groomsmen were Joe S. Butts, brother of the bride, Muskogee; Lester Crow, brother-in-law of the bride, Beaumont; Robert Pelton, Abilene, and Bill Lane, cousin of the bridegroom, Haskell. Ushers were Steve Penuel and Larry Pruitt, both of Pauls Valley.

A reception followed in the Fellowship Hall of the church. The bride's tables were covered with white satin accented with cherry candy pink and purple glamour leaves, purple grapes and garlands of smilax. The cake was decorated with pink sweetheart roses, pink stock and purple seafoam statice. Silver candelabra entwined with smilax, gardenias and gypsophelia completed the decor.

The groom's table was also covered with white satin. The groom's cake was German chocolate. The table was accented with silver appointments and a bouquet of cherry candy pink gladioli and purple asters. The memory candle, lighted by the groom with the bride's hand on his, was also on a white satin-covered table accented with English ivy entwined among pink and purple satin leaves.

The guests signed the white Moire bride's book on a white satin-covered table accented with a plume pen and a silver vase of pink cushion mums. Of special interest to the single girls were the small boxes of wedding cake decorated with the bride's colors of pink and purple.

Assisting with the reception were Mrs. Ted Pieg, Miss Melinda McElroy, Miss Terri Reid, and Miss Sharon Lee, all of Pauls Valley; Mrs. Gerald Durbin, Norman, and Miss Linda Lane, cousin of the bridegroom, Haskell. The reception servers, the organist and vocalist wore pink carnation corsages with accents of purple.

For her going-away costume, the bride chose a dress of chocolate brown voile fashioned with an overcoat of beige linen. She wore matching accessories of brown and the orchid corsage from her bridal bouquet.

The bridegroom is a graduate of Cooper High School and is a junior in the school of Finance at Texas Tech University.

The bride is a graduate of Pauls Valley High School, Pauls Valley, Okla., and is Fashion Coordinator at Hemphill-Weils in Lubbock.

New Officers Of Candy Strippers Are Installed

Installation service of the newly elected officers for 1969-70, of the Candy Strippers Auxiliary was held Sunday afternoon, September 14, at 2:00 o'clock in the community room, Haskell National Bank.

After a short business meeting, an appreciation gift was presented to the outgoing president, Gail Barnett. Mrs. J. F. Cadenhead Sr., gave a very inspiring "thought for the day."

Mrs. R. W. Herren installed the new officers with a clever and fitting service, presenting each girl a huge vitamin capsule three inches long. The officers were reminded that if they take their vitamin as prescribed it will help them to be better leaders as they help others by serving the sick and the aged. Each prescription was written in verse form.

Sue Wilkinson will be leading the Candy Strippers as president; Alexia Mayfield, of Weinert, recording secretary; Paula Wilfong, also of Weinert, treasurer; Kathy Pringle, correspondence secretary; Denise Perry, reporter; Becky Stubblefield, historian, and Gail Barnett, parliamentarian.

Refreshments of punch and cookies were served by the hostesses, Lee Ann Toliver, Paula Wilfong and Judy Blair.

Garden Club Opens New Year With Luncheon

The Haskell Garden Club opened the new club year Saturday, September 13, in the home of Mrs. Ed Hester, who was hostess for a salad luncheon.

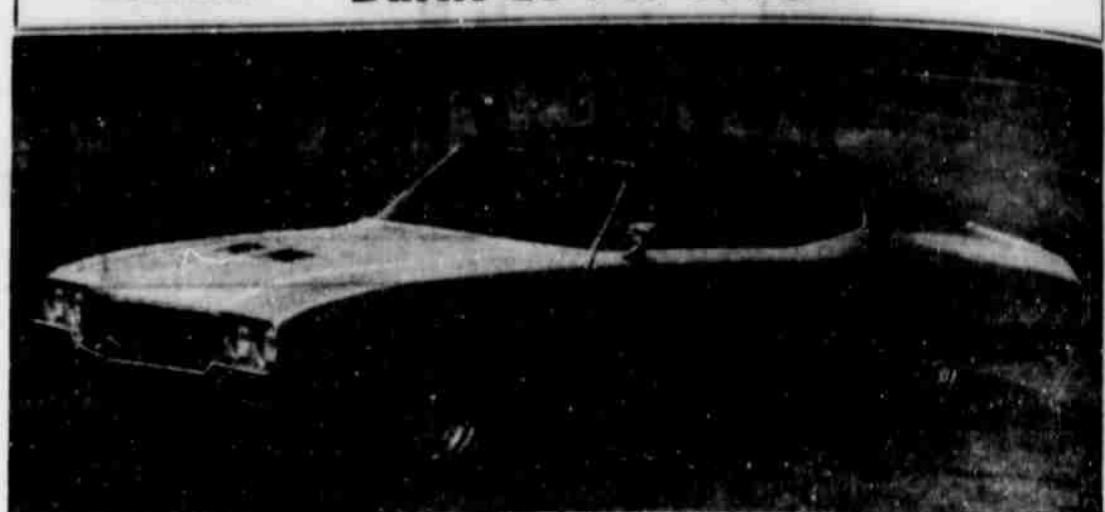

Luncheon tables were very attractive with pink cloths and centered with pink rosebuds.

Mrs. Ed Fouts, president, presided over the business session, and Mrs. Perry C. Spenny, first vice-president, presented new year books.

Mrs. Ed Hester outlined plans for a county-wide flower show at the Haskell County Fair, sponsored by Rule and Haskell Garden Clubs. Other plans for the coming year were discussed.

Answering the roll call were Mesdames E. L. Wyche, K. H. Thornton, P. C. Spenny, C. B. Rhea, M. E. Overton, S. P. Kuentler, Ira Davis, Ed Fouts, Ed Hester and Mrs. Fred Monke, associate member.

GI Forum Queen Coronation Held At The Corral Building Saturday Night

The GI Forum held their Queen Coronation activity Saturday, Sept. 13. Before the dance started, all the girls that were contestants for Queen entered the Corral Hall. There were 10 girls. Rita Sanchez, daughter of Mr. and Mrs. Victor Sanchez, Jr., was crowned Queen. First runner-up was Yolanda Cassilia, of O'Brien. Second runner-up was Rosemary Mendoza of Hamlin.

Members also wish Martin and Ray the best of luck and success and remind the boys that anything that is worth something is hard, but try with all your efforts and you will get where you want to go and what you want to be.

Lyn Fouts Is Honored With Birthday Party

Lyn Fouts, daughter of Mr. and Mrs. Ed T. Fouts, was honored with a party, Saturday, September 13, on her tenth birthday.

The group gathered at the Fouts' home at 11 o'clock and enjoyed a hamburger lunch, then played games. An added attraction was some small fish they caught in a little creek near the house.

Attending were Martha Kitley, Linda Rhoades, Pam Coker, Jill LeFevre, Ronnie Oliver, Joanne Cloud, Jerry Tomlinson, Mark Lewis, Kraig Kupatt, Nicki Hunt, Riekey Miller, and Dennis and James Cloud, and the honoree and her sister, Lori, and brother, Mike.

Happy Birthday Club Honors Janie Whiteker

The Happy Birthday Club met September 11 in the home of Mrs. W. E. Johnson, honoring Janie Whiteker's birthday.

In the absence of the president, Sallie Patterson, members answered to roll call. Committee reports were given and a report was heard on visits made and cards sent to the ill.

A sunshine box was delivered to a shut-in. The club members voted to send another sunshine box to a shut-in as one project for next month.

Doris Harnsz was in charge of the program. She gave three readings, "Life Has Been Good To Me," "The Right Time to Visit," "What I Live For."

Birthday song was sung to Janie Whiteker, and Mrs. Johnson gave a reading, "September."

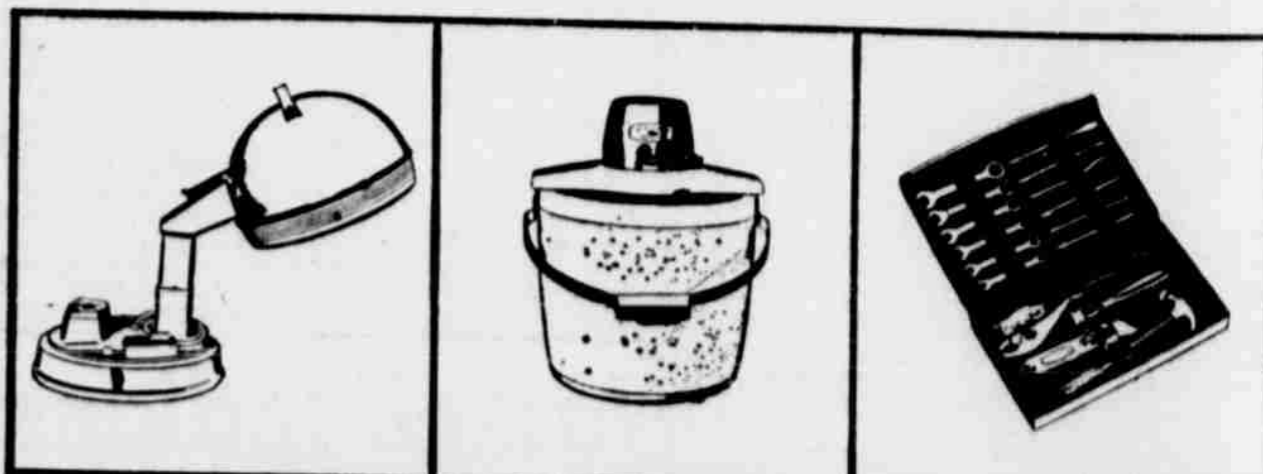

The hostess gift was presented Janie Whiteker. Refreshments were served to the following members: Janie Whiteker, Emma Bland, Lee Corzine, Doris Harnsz, Woodson, Lill Davis, Estelle Bland, Mrs. W. E. Johnson, and the hostess, Sallie Patterson.

Mr. and Mrs. Stulir hosted a rehearsal Coke party.

Emphasis On YHT Theme of Young Homemakers

The Haskell Young Homemakers met Thursday, September 11, at the Homemaking Cottage, with Mrs. Tim Burson, president, presiding.

There were five visitors and three new members: Mrs. Charles Andress, Mrs. L. E. Kitchens, Jr., and Mrs. Travis Gary.

It was voted to enter a float in the County Fair Parade entitled "Friendship for a Better World." The young homemakers will meet September 25 at nine o'clock at the fair grounds to prepare the float.

This year's area convention will be held September 27th at Abilene. Mrs. W. H. McBroom will be a graduate for area president and Mrs. David Frierson for vice-president. Mrs. Tim Burson and Mrs. Vernay Teague will be the voting delegates from Haskell.

The program, "Emphasis YHT", was given by Mrs. W. H. McBroom and Mrs. Jimmy Hannsz. Some of the high points discussed in the program were:

"What Is It?" The State Association of Young Homemakers of Texas is a chartered organization for young women interested in homemaking. "What Is Its Purpose?" The organization is formed exclusively for educational purposes with particular reference to the area of homemaking. "Who May Join?"

Active membership is open to women not enrolled in high school and who are not over thirty-five years of age. Eligible members may be single or married.

The meeting was then adjourned and the group gathered in the living room for refreshments served by Mrs. Roger Sharp, Mrs. Jon L. Jameson and Mrs. David Frierson.

Progressive Study Club Will Meet Tonight

The Progressive Study Club will open their new club year tonight, Thursday, September 18th, at 7:30 o'clock, with a "Papa 'n Mama" dinner at the Haskell Country Club.

The Club's theme this year is "The American Idea: An Individual Experience," and the opening program will consist of a book review by Mrs. T. E. Simpson of Rule. The book, "Papa's Wife," concerns the personal experiences of an immigrant family from Sweden. Hostesses will be the Social Committee.

Cadet Gilmore Enters Junior Year At AFA

U. S. AIR FORCE ACADEMY, Colo.—Cadet Braxton T. Gilmore, son of Mr. and Mrs. Braxton B. Gilmore of Copperas Cove, formerly of Haskell, is among the 740 cadets who have entered their junior year at the U. S. Air Force Academy.

As he began his third year at the Academy, the cadet was named to the Dean's List for his outstanding academic achievement.

He will be granted special privileges and wear a silver star insignia recognizing the honor accorded him by the Academy dean.

Cadet Braxton T. Gilmore

Cadet Gilmore will serve during the fall term as an administrative sergeant with the rank of cadet master sergeant. He was selected for the position because of his demonstrated leadership abilities and effectiveness ratings.

During the past summer, the cadet served as an instructor in the Academy's air base security indoctrination and training program for underclassmen and as an instructor in a combat course in infantry weapons at nearby Ft. Carson, Colo., for Academy sophomore cadets.

He also completed three weeks of special duty at Travis AFB, California, in Operation "Third Lieutenant," a program which gives cadets a first hand look at Air Force operations and provides them an opportunity to perform as junior officers.

Cadet Gilmore will be commissioned a second lieutenant and awarded a B. S. degree upon graduation from the Academy.

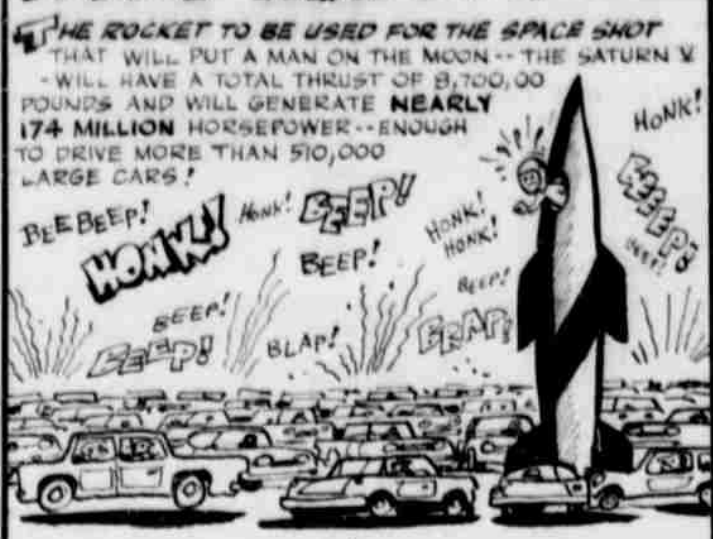

He is a 1967 graduate of Haskell High School.

TAX MAN SAM SEZ:

The Dallas District Office of Internal Revenue analyzed the effect of Internal Revenue information offered to taxpayers in North Texas through news stories, radio spot announcements, and various TV spots and programs. There were 426,000 taxpayers who called Internal Revenue offices or who walked in to ask a question. When they looked over the statistical sample of all the calls, they found that taxpayers in a very large percentage of the cases do exactly what Internal Revenue asks them to do. When Internal Revenue suggested that they might need more information, the taxpayers called or walked in and asked for the information. When Internal Revenue gave them the answer to a

simple question to save the trouble of asking the call dropped to almost nothing. The tax folks have been saying for a long time that taxpayers believed in voluntary compliance and wanted to do what was right. However, the tax folks learned what most of us already know--that some folks will listen real well. If you can just get their attention--but getting their attention is almost impossible.

The newspaper publishers have been telling businessmen for many, many years that they pay to advertise. Of course, in recent years the radio and TV boys and the advertising firms have joined in. But now the tax folks come along and prove it pays to tell your story, when it's good news or bad news. You still get results.

The new FRIGIDAIRE Home Laundry is worth looking into

Tired of the back-breaking drudgery of washing and drying clothes the old fashion way. Well, Frigidaire has the modern answer to this problem. The time-saving, work-saving washer and dryer of Frigidaire.

The JET ACTION Frigidaire washer has a different agitator that gives your clothes a deep cleaning you never thought possible. It has a different way of rinsing that jets away lint and suds, all automatically. A different design in the mechanics, no belts, no gears and no pulleys wear out. All this and as quiet as a whisper.

Couple this new Frigidaire washer with the new Frigidaire FLOWING HEAT ELECTRIC CLOTHES DRYER, and you have a wash-day pair that can't be beat. The dryer beats all out doors in getting clothes dry. One dial does all the work. You have a choice of settings, including settings for delicate fabrics and wash & wears. There's a different kind of lint screen, right on the door. And you can choose the degree of dryness you want. So, don't delay any longer. Go to WTU and see these new and different washers and dryers--the wash-day homemakers prefer! It's worth looking into!

Texas Home Demonstration Assn. Convention Will Close Today, Thurs.

Almost a thousand Texas homemakers have been meeting in Dallas, for the annual Texas Home Demonstration Association convention which will come to a close today. Heading the speaker line are: Dr. Burdine Nelson, Extension sociologist at Texas A&M University, talking on "Pressures Confronting Youth"; Dr. Alice Whitley, University of Texas, on "Continuing Education of Women"; Mrs. Florence W. Low, Assistant Extension director for home economics, on "You and the Nutrition Program"; Dr. Earle Williams, oral surgeon with Baylor Dental College, on "Enthusiasm"; and Miss Helen Poe, world traveler from Dallas. A unique part of the convention, according to THDA President, Mrs. Sam Spier, Manchaca, is the workshops on citizenship, safety, cultural arts and recreation, family life, 4-H health. Each featured experts in the area to help members carry out programs in their counties. Artists R. and E. Wesley from Austin presented the arts section. They operate Hill Country Gallery on Lake Travis and had a public exhibition of their work in the Baker Hotel during the convention. Women's defense expert, Paul Boesch, Houston, spoke at the safety workshop. He has authored two books on the art of self protection for women. A fashion show from Penny's

Paint Creek Chapter FFA Holds Meeting

The Paint Creek Chapter of the Future Farmers of America held their first meeting of the new term, Monday, September 8th. The meeting was held in the H. P. Morrison Memorial Auditorium under the supervision of the chapter's advisor, Tom Horton, in the absence of the president, Glenn Dudensing. The first item on the agenda was the election of new chapter officers. Dwight Overton was elected to the office of the president and presided during the remainder of the meeting. Other officers elected and stationed were vice-president, Alex McLellan; secretary, Larry Cockerell; treasurer, Allan McLellan; reporter, Mike Brazzell; sentinel, Eddie Howeth.

Punt, Pass, Kick Contest Set October 11

Sponsored by the Bill Wilson Motor Company, the annual punt, pass and kick contest will be held at 1:30 p. m., Saturday, October 11, at the football practice field. According to J. B. Gipson and Dee Larned, of the Bill Wilson Motor Company, there is no cost to enter the contest. Boys must register and have their parents countersign the entry form. Forms should be picked-up now at Bill Wilson Motor Company, so they will be ready on contest day, Saturday, Oct. 11. Trophies will be awarded to 1st, 2nd and 3rd places in each of the following age groups, 8, 9, 10, 11, 12 and 13. Boys, who will become 14 years old before January 5th are not eligible.

Paint Creek Community News

Mrs. Gene Overton

Paint Creek has had so much rain that things are growing. It means cotton, maize, sorghum and Hurrish grass. The clean, well hoed cotton has Johnson grass growing in it.

There are a few cotton stalks through some fields that are turning brown. There are many opinions as to what causes it. Some say it may be a result of former defoliation, some say the rain time was wrong, and others think it might be a disease or blight of some sort caused by the long, dry summer and then the fall rains just as the bolls were forming. Anyway, the cotton as a whole looks good. The hot weather may have been our salvation in that there weren't too many insects to fight this year.

Paint Creek High School Homecoming will be October 4. Class agents have been sending invitation letters to class members, and we hope to have many former students come back for that day. The evening meal will be catered.

Candidates elected for Homecoming Queen are: Senior, Debbie Weaver; Junior, Betty Fore; Sophomore, Terri Walton; and Freshman, Dianne Jasso. The queen will be crowned at half-time of the ball game with Olden. If you don't know, Olden is down near Brownwood. We have played them before.

College students have been returning to class work since the last week in August. I may not have a complete list of the college students, but here are some:

Returning to Hardin-Simmons

University are Danny Isbell, son of Mr. and Mrs. Allen Isbell, and who, by the way, was elected vice-president of the Rodeo Club which is one of the largest clubs on H-SU campus; Janay Morrison, daughter of Mrs. Wanda Morrison; Brenda and Linda Griffith, twin daughters of Mr. and Mrs. Bill Griffith, and Rev. Bob Griffith, pastor of the Paint Creek Baptist Church.

To Texas Tech at Lubbock go two Paint Creek May graduates, Steve Livengood, son of Mr. and Mrs. Homer Livengood; and Kenneth Dudensing, son of Mr. and Mrs. Clement Dudensing.

In Hendricks School of Nursing at Hendrick's Memorial Hospital in Abilene, Joy Bergstrom will begin her training to become a registered nurse.

Ricky Perry, son of Mr. and Mrs. J. R. Perry, will return to Texas A&M University at College Station as a sophomore.

May graduate Janice Isbell, daughter of Mr. and Mrs. Allen Isbell, will enter Angelo State University at San Angelo as a freshman Home Economics major, and her sister, Jeannine, will return for her work in Elementary Education as a sophomore. Jeannine will work as a dormitory student assistant.

Jerry Scheets, son of Mr. and Mrs. John Scheets, returns for his senior year to West Texas State University at Canyon; and Allen Schmidt, son of Mr. and Mrs. Valton Schmidt, will also be a senior at West Texas State. These two boys have been room mates all four years.

Milla Perry, daughter of Mr. and Mrs. J. R. Perry, will go to Baylor Hospital for her internship as a dietitian.

Jay Mickler of Fort Worth is spending several days with his grandmother, Mrs. Bill Mickler.

Carlos Montgomery of San Angelo spent last weekend with his mother Mrs. Howard Montgomery.

Mr. and Mrs. Howard Hopkins and children have moved to the Cobb home in the southeast part of Haskell.

Marcia Overton returned home from the Stamford Memorial Hospital last Monday and is hoping to be able to enter school this week or next. She was a patient in the hospital for three weeks. She will attend Stamford High School this year.

Little Miss Ursula Richards is spending this week with her grandparents, Mr. and Mrs. Fischer while her parents, Mr. and Mrs. Derrell Richards are vacationing in Big Bend country.

Mr. and Mrs. Melvin Rosenquist and children of Avoca spent Sunday with the Gene Overtons. Mr. and Mrs. Dennis Jones and Mr. and Mrs. Doc Jones of Rule came down in the afternoon.

Mr. Bill Gibbs and daughter, Sharon, spent the weekend in Monahans visiting his daughter and family, Mr. and Mrs. R. L. Sargent and baby daughter, Tayna Kay.

The junior high football team will play Benjamin tonight (Tuesday). Our high school boys have an open date this weekend, and we hope everybody gets over their injuries.

Mike Brazzell underwent knee surgery last Thursday at Hendrick Memorial Hospital in Abilene. He is at home now.

LeMans Sport

GTO

Bonneville

(We take the fun of driving seriously.)

This is the way it's going to be. Pontiac's 70's

Surprised that Pontiac's setting the style for the umpteenth straight year? Of course not.

But you may be a bit dazzled to find out that Pontiac finally outdid Pontiac.

Take Bonneville. From the strong, new bumper grille to the standard 455 under the hood, it's a rouser.

Inside: instant limousine. So luxurious some of the traditional big boys are already screaming.

One of the nicest things we could have done for Grand Prix's luxury was to leave it alone. We did. But we popped in a 455 V-8 for you to order. (It's an old Pontiac proverb that luxury should have power.)

Enter LeMans Sport. A brand-new series in the Pontiac stable. Wait'll competition sees it pull the new 400-cubes-under-the-hood trick. We'll show you that one if you check the right box on the order form.

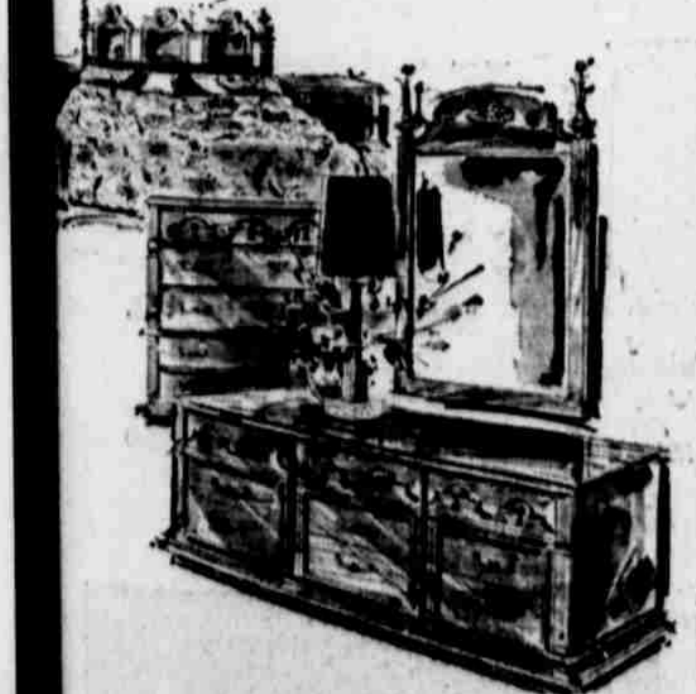

By now, you've spotted our '70 GTO. But maybe you haven't heard it. A sound so tough we've thrown modesty to the wind and dubbed GTO "The Humberler."

This is Pontiac '70. And we figure this is the way driving's going to be. So why wait?

It's at your Pontiac dealer's now.

1970 Chrysler Has A Quieter Ride

QUIETER CHRYSLER—Engineering improvements in the 1970 Chrysler line significantly reduce transmission to the body of road noise and vibration through the use of rubber insulators. Main styling changes center on front and rear and body side ornamentation.

All interiors are upgraded in the 1970 Chrysler line, which includes five series: Newport, Newport Custom, 300, New Yorker, and Town & Country station wagons. Rear track has been widened for better stability and appearance. Pictured is the Newport Custom.

AT HOME IN THE FUTURE

Home on the Range

How would you like to bake a potato in four minutes, have a five-pound roast done in 26 minutes, bake a cake in 15 minutes and fry bacon in 50 seconds flat? A dream? Not so, say today's appliance manufacturers. The microwave oven is the wave of the future.

This superspeed oven works on the principle of cooking by agitating food molecules via high frequency radio waves. Current experimental models show its potential advantages: it's fast, seals in natural juices, and is self-cleaning—a potential joy for homemakers.

Though the microwave oven is still in the distant future, today's woman is still saddled with the cleaning of her range. Luckily, new cleaning aids like Handi-Wipes, a reusable cleaning cloth, makes fast work of sprucing up a crusty greasy stove. Handi-Wipes rinse out and dry quickly, ready to tackle other kitchen chores. Z

Tax Questions And Answers

(This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.)

Q—I was billed for additional income taxes. Can I pay this off in installments?

A—Full payment is due by the date stated on the bill. There is no provision in the law for paying these taxes on an installment basis.

Q—I lost my refund check and filled out a form for a new one over a month ago. What is holding it up?

A—Before another refund check can be issued, a thorough search must be made of Treasury records, the Post Office and other sources to see if the missing check can be located. When this search is completed another check can be issued.

Q—I made an error on my 1968 income tax return and the IRS has just billed me for an additional \$22, plus interest charges. Why do I have to pay any interest since it was an honest mistake and I filed my return before the deadline?

A—Under the law, interest is required to be charged on unpaid tax liabilities at the rate

of 6 percent per annum. The interest charge is computed at that rate from the due date of the return, April 15, until the tax is paid.

Q—On the tickets I bought for a charity concert there was a note listing the amount I could take for a charitable contribution. Why was this amount less than the price of the ticket?

A—A tax deduction for a charitable contribution may be taken only for the amount in excess of what you normally would have paid to attend a similar concert. The difference between what you paid for the tickets and the amount allowable as charitable contribution reflects the value of the concert.

SWING with a 1970 Dodge Dart. Inexpensive to own and operate, the new Dart offers four engines from the 198-cubic inch Six to the 340 V-8. Hood scoops and bumblebee stripes identify the Swinger 340 above. On sale September 25th.

Saturday Night Rodeo Results Are Announced

Despite the weather conditions and the fact the West Texas Fair was in its final day, the Rodeo held here last Saturday night in the James Powell arena, was as exciting as any rodeo goes.

The bareback riders who hit the dirt said the arena conditions were great. Ken Speck of Seymour had the top score with Mike Sherley of Rochester, second.

Two Asperment girls led the barrel races. Brenda Dalby with a 17.8 and Joy Jameson turned in 18.3. Little Susan Hopkins took the junior barrel racing honors when she ran off a tie with Dana Welch of Seymour.

L. S. Cochran, of Abilene, swung a wicked loop to win the calf roping in 9.8. Bobby Tankersley of O'Brien had a 10.2. The 16-19-year-old calf roping was won by Robert Van Crowell of Seymour.

Another young future world's champ, Guy Weeks, of Abilene, won the junior calf roping with Sam Powell of Haskell, second.

Ken Speck was the only bull rider to qualify. The rodeo will be held each Saturday night with weather permitting.

Admission will be 50c for children and \$1.00 for adults.

Yarn-dyed cottons usually are deeper and richer in color, and tend to be more colorfast than dyed piece goods.

VA Questions And Answers

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—What is the difference between going to school under the new educational act and the vocational training act?

A—Any veteran who served at least 180 days any part of which was after January 31, 1955, is eligible to attend school under the new educational act provided his release from service was other than dishonorable. Only certain service connected disabled veterans can qualify under the vocational rehabilitation act.

Q—My U. S. Government Life Insurance is paid up but my wife has just died. I have no children and no near relatives. I really only need enough insurance to bury me. Also I owe money that I would like to pay off. Can I change my insurance to meet this situation?

A—Yes. You may borrow against your insurance or you may wish to cash part of it in, retaining the amount of protection you consider necessary. You may also wish to revise your beneficiary designation.

New Thread For New Fashion Fabric

TODAY the body conscious clothes in the slink cling fabrics require stitching with a special thread. Talon's Polyspun Thread is compatible to the popular crepe knits, polyester satins and crepes. Polyspun has a continuous polyester filament wrapped in cotton; the cotton sheath provides heat resistance, makes the thread sew and appear like cotton, while the polyester core provides strength and elasticity. Polyspun assures smooth seams, preventing puckering in detailed fashions, such as the banlon minidress pants shown here. The suit is Simplicity pattern 8033 in misses' sizes.

Detroit skyline is backdrop for Chevrolet's Newest Caprice Coupe

Chevrolet's top-of-the-line, the Caprice Coupe for 1970, is dressed up with a new front styling of grille, hood and fenders. Recessed vertical taillights and color-accented wheel covers are only two of the many refinements found in the Caprice this year. The new Chevrolet line of passenger cars will be in the dealers' showrooms on September 18.

VIETNAM VIEW

(As reported by Marine Corps Combat Correspondents)

By Cpl. Dick Frankovich
DA NANG, Vietnam — The keen senses of a Marine scout dog named Shadow and the combat experience of his handler, Corporal Vernon Monroe of Bayard, N. M., led elements of L Company, 3rd Battalion, 5th Marine Regiment into an elaborate North Vietnamese Army (NVA) hospital complex, 20 miles south of here.

"If it hadn't been for Shadow, I might be dead and the unit probably wouldn't have uncovered the complex," said Monroe, a member of the Scout and Sentry Dog Platoon, 3rd Military Police Battalion headquarters near here.

The scout dog team, Shadow and Monroe, was walking point through an open jungle area in mountainous terrain, when Shadow suddenly sensed the presence of enemy troops and began tugging at his leash.

There were three uniformed NVA soldiers hiding behind rocks and bushes 20 feet ahead. When Shadow "alerted," a squad was moved up and after a very brief firefight there were three dead enemy.

Shadow then led the company into a grass hut complex surrounded by bunkers and tunnels. After another brief firefight with enemy holdouts, the Marines found a hospital complex stocked with operating tables, medicines, surgical equipment, a Chinese Communist radio, and an 800-pound rice cache.

The complex, also used as a base for military operations, contained some automatic weapons, ammunition, component parts for an 81mm mortar and a .30 cal. machine gun.

The day's action netted nine confirmed NVA dead with no casualties to the Marines.

By Cpl. Hank Berkowitz
AN HOA, Vietnam — Some Marines moved up through the ranks rapidly while they are still young, but many will find it hard pressed to beat Staff Sergeant Ray J. Coffman, 20, Chauvin, La., a section chief in the 2nd Battalion, 5th Marine Regiment, S-3 (Operations and Training) section.

Coffman entered the service in January of 1966 and served his first year in the Marine Corps in an office back in the States. Feeling that he wasn't doing all he could for his country, he volunteered for duty in Vietnam as an infantryman. He arrived in Vietnam as a lance corporal and began his rapid climb.

He returned in February 1969 after spending only six months in the states, and served with "H" Company, 2nd Battalion, 4th Marine Regiment. Since returning he has served as platoon guide, platoon sergeant, company sergeant and platoon commander. He was placed in these prominent positions during various actions when his seniors became casualties.

During his second tour he made sergeant, then received another meritorious promotion to staff sergeant in June. After receiving two more Purple Heart medals, Coffman was transferred to the rear to assume the S-3 job.

When asked about receiving all his promotions in such a short time Coffman explained, "I've just been doing my job to the best of my ability."

By Sgt. Bruce Smith
DON HA, Vietnam — The old saying, "home is where the heart is," describes the feelings of many people, and for Gunnery Sergeant C. B. Maloy of Rockdale, Texas, home is the 2nd Battalion, 3rd Marine Regiment.

In the past seven years, the gunny has served three overseas tours with the battalion. During 1962 and 1963, Maloy served as an 81mm mortar section leader while the battalion was on Okinawa.

Arriving in Vietnam in January of 1966, he was again assigned to the 81mm mortar section. This time as the platoon sergeant.

Maloy considers the battalion as a good-luck piece. "About a month after I arrived in Vietnam for my first tour I was promoted to gunny sergeant."

The company gunny sergeant, as senior enlisted man in the field, is responsible for handling the personal problems of the troops and for the coordinating resupply of ammunition, chow, and the many little things required by a rifle company during an operation.

"When I received orders to 2nd battalion," Maloy recalled, "I was really happy. It never takes me long to adjust to this unit. As a matter of fact, it's just like coming home."

1969 STATE FAIR, OLE! JESSE LOPEZ ON HIS WAY
SWINGING STATE FAIR FIESTA — Jesse Lopez, who lights up the whole State Fair of Texas when he sings and swings, will be back to do his new Pearl Thing II during the 1969 fair, Oct. 4-19, in Dallas. With the Jesse Lopez Band and the Pearl Dancers, Jesse will turn on the crowds at a free daily performance on the Outdoor Stage, directly across from Big Tex.

Revival services will begin Monday, September 29th, and will continue through August 4th at the Weinert Church of Christ.

IN LABOR FORCE

In April 1969, about 30 million women 16 years of age or over were in the labor force. This means that nearly two of every five workers were women. Labor force projections through the 1980's indicate women and youth will provide the largest source of new entrants into the labor force.

community, died in Lubbock last Monday and was buried there. Mr. Hisey married the former Georgia Ketrone.

Mrs. Oden Young and Mrs. Ethel Perkins from Houston visited Mrs. C. D. Caddell last week. They are Mrs. Caddell's sisters, and they had just returned from a reunion of the five sisters at Childress the weekend before.

The community joined in sympathy for Peggy and Billy Garland Middlebrook in the loss of their baby girl who was born

prematurely Saturday, September 5. She was buried Sunday afternoon. Paint Creek needed a new baby, especially a girl. Their loss is all our loss.

Mr. and Mrs. R. V. Earles had a phone call from their son, Seaman Bob Earles, who is stationed near Da Nang, Viet Nam. He is fine and is still training. He will not begin his riverboat duty for several weeks. He said he could hear shooting, but it was a long way off.

The members of the California Creek Conservation District and their wives honored Mr. and Mrs. Garth McCollum from Mineral Wells with a barbecue supper at the home of Mr. and Mrs. Gene Overton Friday, Sept. 5th. The McCollums moved to Mineral Wells when the Stamford office was closed, and he was transferred to the District there.

Guests were the honorees, Mr. and Mrs. Elmer Bowdler, Mr. and Mrs. Ernest Cowger, Mr. and Mrs. Barger Haterius and son, Rickie, Mr. and Mrs. J. C. Yearis of Haskell, Dan Lovern, the Gene Overtons and Wallar. Mr. and Mrs. Sammy Sorenson and children returned to their home in Lovington, New Mexico following a two week's vacation visit with their parents, Mr. and Mrs. Durward Livengood and family and Mr. and Mrs. Spee Sorenson of Mattison.

Recent visitors in the Gene Overton home were Mr. and Mrs. Bill Wright of Old Glory, and Mr. and Mrs. R. L. Gosney of Fort Worth. Mr. and Mrs. Gosney are the parents of Capt. Gary Gosney who is in Viet Nam and roomed with Mike Overton at A&M. Capt. Gosney is the only Veterinarian in Saigon.

Billy Gardner and his step-brother, Billy Byrd, spent several days visiting Billy Gardner's grandparents, Mr. and Mrs. W. S. Cox and hunting during the Labor Day holidays. Mr. and Mrs. Cox returned to Dallas with them to visit their daughters, Mr. and Mrs. Byrd and Mr. and Mrs. Tom Coleman, Mr. and Mrs. Cox returned home this past weekend.

Kendel Watson, 29-year-old son of Mr. and Mrs. Arthur Watson, died in Anderson Hospital in Houston Monday evening at 8:15. Kendel had been ill for over a year. He was born and reared in Paint Creek and graduated with the class of 1968 as salutatorian. We extend sympathy to Art and Maple, his parents, and to Mrs. Sue Holcomb, his sister, and to his Aunt Onal and Uncle Fred Gilliam. Paint Creek people are especially grateful to Fred Gilliam for calling and reporting to us on how Kendel was while he was in the hospital.

Mr. and Mrs. Harvey Terrell are moving to Stamford the latter part of this month after

spending 40 of the 45 years they have been married farming and ranching in our community. They first lived on the Colbert Ranch, and then moved to the Archie Pardue Ranch 32 years ago. They have five children, and the youngest was only four months old when they moved to the Pardue Ranch. All their children graduated from Paint Creek. Harvey will manage the feed lot north of Stamford. Selma says it is hard to pull up roots after 40 years, and to leave the ranch where all her children grew up. But if they get too lonesome for Paint Creek, they can always spend some time at their lake cabin at Veda's Camp.

The Paint Creek Chapter of the Future Farmers of America held its first meeting of the year in the H. P. Morrison Memorial Auditorium under the supervision of the Chapter advisor, Tom Horton.

Officers elected for the new year were president, Dwight Overton; vice-president, Alex McLennan; secretary, Larry Cockrell; treasurer, Allan McLellan; reporter, Mike Brazell; sentinel, Eddie Howeth. Ricky Brazell and David Ellison were chosen as delegates to the district, area and state conventions. Rickie Green was chosen as alternate. Various committees were appointed and dues were set at \$3.50 a year.

The meeting closed with the pledge of Allegiance to the flag. The Chapter has planned a very active schedule for the year. People in the community really appreciate the monthly paper sent out to each family reporting on their activities.

Mrs. Ruth Seth of Stamford and her children enjoyed a get-together at Lake Stamford Saturday and Sunday. Present were Mr. and Mrs. Conner Sharp, daughter Prissy, and grandson Steve, Mr. and Mrs. Jimmy Evittes, sons Kenneth and Keith and their girl friends from Oklahoma City, Oklahoma, Mr. and Mrs. Lester Seth, Gary, Terry and Scott of Midland, Mr. and Mrs. James Hall and children of Anson, Dorene Newquest and Mrs. Seth of Stamford. Mr. and Mrs. Harvey Terrell and Mr. and Mrs. Lewis Manskie of Avoca were dinner guests Sunday.

Wallar Overton spent last weekend in Dallas visiting Jim Smith who teaches history at McArthur High School in Irving. Wallar assisted in spotting the McArthur High football game Saturday night.

Mrs. Pearl Newcomb Price, of Seabrook, died last Thursday in John Sealy Hospital in Galveston. She had been in ill health for several years. She was buried Saturday afternoon in the Rockdale cemetery. Mrs. Price was born and reared in the Rockdale Community. She was the sister of Mrs. Leo McKeever.

Mrs. Ed Welch of Haskell and her daughters, Mrs. Jo Watkins of Addis Ababa, Ethiopia, Africa, Mr. and Mrs. George Morgan of Fort Worth, and a granddaughter, Carol Hesser, and her friend Helen Marlene of Amarillo, spent last weekend at the home of another daughter, Mrs. Ellis Bean and Mr. Bean of the Rockdale Community.

Mrs. Bill Mickler and grandson, Jay Mickler, of Fort Worth, spent Tuesday with her granddaughters, Jeannine and Janice Isbell, before they left for college.

Edward Sloan Leads Austin Conference

Edward Sloan, Veterans Council Service Officer for Haskell County, attended the 22nd Annual Statewide Rehabilitation Conference for Veterans Service Officers, held at the Austin Convention Center, September 8-11.

The conference was conducted by the Veterans Affairs Commission of Texas in cooperation with the American Legion, the American Veterans, the American Legion of World War I, and the Texas County Service Officers Association of Texas. The purpose of the meeting was to discuss the needs of the State of Texas and to gain first-hand knowledge of recently enacted legislation dealing with benefits to

veterans and their dependents and survivors. Topics discussed during the four-day conference included disability compensation and pension, Government insurance, GI loans, education and training for veterans and children, hospitalization and medical treatment, and veterans employment and re-employment rights.

Conducted annually, this conference serves as an in-service course of training for all National, State, County, Post and Chapter Veterans Service Officers.

TAXPAYERS HAVE RIGHTS, TOO

Any failure on the part of law enforcement officers to follow proper procedures in informing lawbreakers of their legal rights can result in light penalties or no punishment for perpetrators of the most vicious acts. It now appears, at long last, that the poor, battered taxpayer is to be accorded a little more official concern for his rights under the law.

The internal revenue service has announced that an agent investigating alleged tax evasion must now advise the taxpayer at their first meeting that anything he says may be used against him, that he cannot be compelled to incriminate himself by answering questions, or producing documents, and that he has the right to seek assistance of an attorney before responding. Certainly, taxpayers should receive as much or more official consideration of their legal rights as do lawbreakers apprehended by the police. The Internal Revenue Service is to be commended for its action.

Miss Milla Perry Begins Internship At Baylor U.

Miss Milla Perry, daughter of Mr. and Mrs. Ray Perry, of Paint Creek, began her dietetic internship at Baylor University Medical Center in Dallas, on September 2.

Applicants for the dietetic internship must have a bachelor's degree from an accredited college or university. They must also meet the minimum requirements as established by the American Dietetic Association. Upon completion of the internship, the student earns a professional certificate, and may apply for membership in the American Dietetic Association

and register with the credential service of the Association. During the period of internship, the student is given an opportunity to put her technical knowledge to practical application through administrative, pediatric, therapeutic, community nutrition and staff relief experience.

HASKELL COUNTY HISTORY

30 YEARS AGO (September 22, 1939) Mr. A. C. Pierson accompanied her daughter, Louise, to Waco this weekend where she will be a student in Baylor University this year.

Marguerite McCollum of Grandfalls spent the weekend with her parents, Mr. and Mrs. N. I. McCollum. Her sister, Nettie, accompanied her to Abilene Sunday from which place she returned to Grandfalls.

Courtney Hunt left for St. Louis Saturday on a business trip. He was accompanied by Ethel Irby who will visit her sister, Joan, for a few days.

W. E. Welsh left for Houston and Texas City Friday where he will visit with his son, Dr. and Mrs. Hugh C. Welsh and Mr. and Mrs. Barton Welsh.

Mr. and Mrs. Ray Christian and children returned home on Friday after a vacation spent with relatives in North Texas.

Mr. and Mrs. J. M. Glass and daughter accompanied another daughter, Eula Faye and Helen Mable Baldwin to Denton this weekend where they will be students in TSCW. They also visited relatives in Dallas while away.

Mmes. Server Leon, Dennis Ratliff and Bailey Post accompanied their daughters, Madge Leon, Eva Jo Ratliff and Wynona Post to Denton this weekend where they will enroll in TSCW. Mary Jo Free also visited in Denton this weekend.

Mrs. T. R. Odell visited in Seymour this week. Alvy Couch Jr. of Big Spring was a weekend visitor with relatives and friends in Haskell.

Minnie Ann Mayer left this week for Alpine where she will be in school this year. Frances went to Denver, Colorado where she will be a student this term. Betty Oates visited in the home of her uncle, Mr. and

Mrs. O. E. Oates in Abilene this week. Mrs. Jack Mickle, John A. Willoughby and Gordon Phillips were visitors in Abilene Friday.

40 YEARS AGO (September 19, 1929)

Miss Erma Monke left Tuesday night for Canyon, where she will attend the West Texas State Teachers College during the current term. Miss Monke is the daughter of Mr. and Mrs. Fred Monke living north of town, and graduated from the Haskell High School last year.

Hill Oates, Raleigh Lemmon and Bill Collier attended the first game of the play-off series at Wichita Falls, Wednesday.

Virgil Reynolds who is only a freshman at Baylor University has been honored by being elected Junior Council Councilman of Student Government of Brooks Hall. This honor is usually bestowed upon an older student and carries with it a marked degree of esteem and confidence upon the part of students and sponsors in this college house. Virgil Reynolds had the love and respect of his contemporaries in the Haskell High School, was a star football player and captain of the team his senior year.

Six hundred and seventy-six pupils have enrolled in the Haskell Public Schools to date, according to Supt. Breedlove, who states that the work of the term is well underway, with all indications pointing toward one of the most successful school years in the history of Haskell. The enrollment in the three city schools is as follows: South Ward, 165; North Ward, 282; High School, 229. Forty-five pupils are enrolled in the Senior Class of the High School this year.

Mr. and Mrs. J. T. Threshanger of north Haskell were shopping in the city, Friday. Haskell's water supply will soon be augmented by the new city well recently completed, according to Water Superintendent H. J. Hambleton, who states that connections have already been made with the water mains, and that the water from the well can be used as soon as part of the electrical equipment for the new pump is secured.

60 YEARS AGO (September 18, 1909)

The Fire Boys met at the City Hall on Tuesday night in response to the call of the Chief, Mayor T. E. Matthews called the house to order and made the boys a short address and gave out some valuable information in regard to how many fire companies should be managed. Mr. Haynes Hamilton, Supt. of the Water works then rose and offered to assist them in any way he could. The Chief, Mr. Jack Simmons, then made a short talk urging the boys to attend all the meetings, especially until they get well organized and understood their parts. Owing to so many being absent they decided to adjourn the meeting and try it over again on Thursday night. Only the Chief, Mr. Jack Simmons, and one captain, Mr. John Russell, were present on Tuesday night with the following boys: Ollie Henderson, R. M. Craig, Brewer Norman, J. B. Smith, Jim Killingsworth, Virgil Hudson, Walter Hicks, C. M. Hunt and Dave Parnell. Two captains and twenty-one boys being absent on Tuesday night. On Thursday night the boys met again, but the crowd was so small that they decided to adjourn without attending to any business, and take in the moving picture show.

Mrs. Lee Pierson has returned from an extended visit to points in Colorado.

Hon. Morris Sheppard and Hon. O. B. Colquitt addressed a large audience at the court-house yesterday.

A. H. Alexander has returned from an extended visit to points in the north.

Mr. Hardy Grissom has returned from the Northern Markets where he has been purchasing the fall stock for his firm.

A Special Invitation

IS EXTENDED TO THE GENERAL PUBLIC TO VIEW AND DRIVE THE

New 1970 Mercury And Ford Thursday & Friday, September 18-19

Torino is completely new for 1970 with 13 models offering from hot performance to elegant luxury. For the first time, a four-door hardtop is offered in the Ford Division intermediate line.

Interior and exterior design refinements, several new comfort and convenience features, mechanical improvements and a host of new options highlight Lincoln-Mercury's Marquis line for 1970. Completely redesigned for the 1969 model year, Marquis for 1970 retains the Continental look with minimal use of bright trim.

1970 FORD OFFERS MANY MODELS TO SELECT FROM COFFEE AND COOKIES WILL BE SERVED

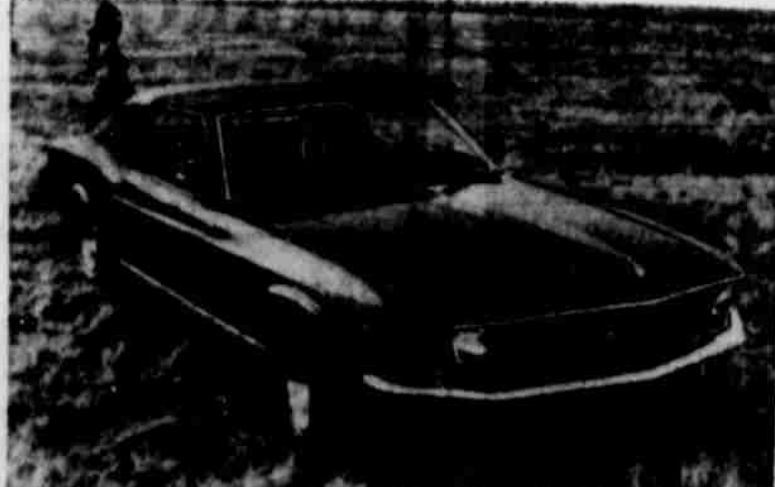

BE SURE and DRIVE the CAR of Your Choice... Demonstrators Available

Built for quiet inside and out, Ford's luxurious new 1970 LTD Brougham is offered in four-door hardtop (top), two-door hardtop (bottom) and four-door sedan models. The 1970 Fords all feature new rear and side ornamentation, new exterior colors, plus new, more formal grilles.

Ford's all-new 1970 Ranchero luxury pickup truck adds a new top-of-the-line model, the Ranchero Squire

Mustang gallops into 1970 with design changes and improvements for performance, comfort, convenience and safety.

Maverick, the most successful new car ever introduced, offers good fuel economy, low purchase price, easy serviceability and smart design. Ford's "simple machine"—introduced in April as a 1970 model—surpassed the introductory sales records previously set by its older brother, Mustang.

Redesigned grille and taillamps, standard bias-belted tires, wider seats, oval steering wheel, newly designed wheel covers, new rocker-type instrument panel switches and a full complement of new comfort and convenience options highlight the Mercury Monterey line for 1970. Freon shock absorbers—an important advancement in ride control—are standard on all models. Full-length body side molding with color-keyed vinyl insert is standard on the Monterey Custom (above). Standard power train is the 330-cubic-inch V-8 engine with three-speed manual transmission.

Mustang, the most successful new car ever introduced, offers fuel economy, low purchase price, easy serviceability and smart design. Ford's "simple machine"—introduced in April as a '70 model—surpassed the introductory sales records previously set by its older brother, Mustang.

Plans Shaping For RPCG's Annual Meeting In Abilene September 23

Plans are now shaping up for the RPCG's annual meeting in Abilene on September 23rd. When the Republicans took the U.S.D.A. last January, they realized a real shake-up was in the way. It came, one of the changes was a complete reorganization of AS. When the dust cleared, AS was split into divisions on commodity lines; for example, Cotton Division, Grains Division, Dairy Division, etc. The new boss of the Cotton Division is Joseph A. Moss. Joe is an old friend, a professional man, known around the cotton circles. Joe will be one of the speakers at our annual meeting. He has promised to "tell it like it is." You won't hear anyone who knows anything about the situation in Washington.

Peace Corps Placement Test Set Saturday

Haskell area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p. m. on Saturday, September 20, at Room 2201, New Post Office Building, Abilene.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test requires no preparation and is non-competitive; an applicant can neither pass nor fail.

Fifteen thousand Volunteers are currently serving in Asia, Africa, Latin America and the Pacific Island, working with the people of those nations in self-help projects ranging from food production to health to education. More Volunteers are needed for programs which will begin training soon.

State government, elected nine consecutive times as Commissioner of Agriculture, John C. White will address the dinner meeting at 7:30 p. m. on September 23rd.

Frank Calhoun, a real friend from the Texas House, has promised to attend. And there's more—Farmland Industries, West Texas Utilities, Geigy Chemicals, Area IV Rural Electric Cooperatives, Allis-Chalmers, John Deere, and others have indicated they would set up exhibits to show their support. If they can, you can!

son. Patricia James, senior, will serve as Business Manager. Other members of the staff are Sheila Chambers, Rhonda Carroll, Kay Smith, Peggy Clark, Pam Wilson, Dana Wood, Sue Kitlev, Marja Beasley and Debbie Plunk.

Honored On Birthday
Mrs. Bertha Yarborough was honored with a birthday party on her 84th birthday, Friday afternoon, September 12th, in the home of a daughter, Mrs. W. V. Almond. Thirty friends called and presented gifts.

Assisting Mrs. Almond as hostesses were Mrs. Gene Wood of Munday, another daughter; Mrs. Speedy Smith, a granddaughter.

Attend SMU-AFA Football Game In Dallas

Mr. and Mrs. Braxton B. Gilmore, former residents of Haskell, who now reside in Copperas Cove, Texas, attended the SMU vs. AFA football game at the Cotton Bowl in Dallas the past weekend. While in "Big D", they were host to their son, Cadet Braxton T. Gilmore, who is a junior at the Academy, and also to Cadet Chip Terrell, who is one of the senior cheer leaders from Michigan at the Academy.

Mrs. Opal Richey, also a former resident of Haskell, and now a teacher in the Public Schools at Austin, accompanied the Gilmores to Dallas. The former Haskellites stated they had a wonderful time and the Dallas Civic Center had everything worked out and well planned for the Cadets and their hosts.

Suit Contesting Legality of May 29th Haskell Election Dismissed

(From Abilene Reporter News) A suit contesting the legality of a May 29th Haskell election concerning the North Central Texas Municipal Water District has been dismissed in Abilene federal court.

The dismissal order, signed Tuesday, Sept. 9, by U. S. District Judge Leo Brewster of Fort Worth, stated the case was withdrawn at the request of both sides.

Several Haskell residents had contended that the election was unconstitutional, since only property owners were eligible to vote.

They filed suit in Abilene on June 27, opposing the election's two provisions:

—Approval of a water supply contract between Haskell and the NCTMWA.
—Authority to issue \$3.4 million in revenue and tax bonds to finance a water supply project on Miller's Creek.

Named as defendants were the water district, its president, L. B. Patterson Sr. of Munday and Haskell Mayor H. V. Woodard and the Haskell City Council.

Original plaintiffs were Sammy Joe Fought, Mary Lou Fought, Boyd Rousseau, Walter Otho Nanny and Don Garrett.

On July 2, the Foughts, Nanny and Rousseau asked the court for permission to withdraw.

That same day permission was sought for three persons to intervene as plaintiffs: Claude Payne, James T. Kirby and C. V. Langford.

Garrett asked permission on July 3rd to withdraw.

The order signed by Judge Brewster removes the case from the docket. It was filed by Austin attorneys James W. Wilson and Dan A. Fleckman. Defense attorney was John Camp of Abilene.

Service men who are within six months of discharge will be offered training as police recruits under a new Manpower Development and Training Act Program. The program, which is designed to relieve the critical shortage of police manpower, will operate until October 1, 1970. Soon-to-be-released servicemen will be trained by junior colleges and other police science institutions under a sub-contract with the International Association of Police Chiefs, Inc.

TUESDAY, SEPTEMBER 23RD

WASHINGTON
"As it looks from here"
OMAR BURLESON
Congressman
17th District

WASHINGTON, D. C. — Just 20 years ago, the then Secretary of Defense Louis Johnson, acting on his own initiative, made severe cuts in military preparedness.

The strength, balance and capability of our armed services were seriously and dangerously impaired, Secretary Johnson acted in the face of strong opposition from the Congress, which appropriated money he refused to use.

The same thing is happening today—except in reverse.

This time, because of pressure for more social welfare spending, the Congress is clamping down on funds for the military.

Defense Secretary Melvin Laird says this will result in "an inevitable weakening of our world-wide military posture."

By the actions of the Congress, over a billion dollars has already been processed from current expenditures. More than three billion dollars is being pared from the 1970 budget request.

Specifically applied, this means the mothballing of at least 100 Navy ships; a reduction of about 300,000 flying hours a year from flight training by the Air Force; the inactivation of at least one infantry division; a shave of 120,000 men in manpower in general forces and another 100,000 men in the services.

The Secretary of Defense infers that it may be necessary to close some military bases on a 48-hour notice to Congress before public announcement.

The reduction in our armed forces, decreed in 1949, left us essentially naked to the whims of our enemies at the outset of the Korean War. There is evidence that weakness at that time may have encouraged the North Koreans to launch their invasion of the South. Indeed, there is sufficient rationale to support the belief that the Germans of World War I were led to believe the U. S. would not intervene, just as Hitler thought we would hold aloof from World War II.

Recently meeting in annual conventions were the Veterans of Foreign Wars and the American Legion. The attendance totaled approximately 90,000 veterans. Resolutions were written by men who have come home from war to do the things that silent Americans want most—to finish their education, get jobs, buy homes, raise families and fervently hope their sons and daughters can grow up in a World where wars are only memories.

Out of these meetings they spoke vehemently against attempts to reduce the Nation's military effectiveness because the history of their time has taught them that aggressors respect force; that appeasement and weakness are only a prologue to new aggression.

In the resolutions passed in these conventions, they speak out in anger against a minority of dissenters who ridicule their flag, their institutions, their laws and the educational system they want for their children.

If they emphasize "law and order" and reject radical upheaval in our social fabric, it is because they believe true progress for the disadvantaged can only be achieved through reasoned programs administered through an orderly framework and based on fiscal responsibility.

The voices of these veterans are saying to America that internal dissension is a gross disservice to our Country; that it cannot be saved by international weakness nor by risking the future of our children to the whims of foreign nations which choose to remain strong while we liquidate our security.

As has been said here many times, waste and extravagance of public funds cannot be excused on any grounds. Perhaps there are too many generals, admirals and other high-ranking retired military officers in procurement positions with big industries having Government contracts. They know "the ropes" and presumably are able to work advantages for their companies. A stop should be put to practices of loose spending by Government, wherever it is. It is entirely another thing when expediency overrules a nation's prudence in matters of survival. To paraphrase a biblical line, what profiteth a nation to gain all good things for itself and to be destroyed either from within or without.

SERVING ABOARD THE USS HORNB

Navy Warrant Officer John R. Estes, of Rule, is serving aboard the USS Horn off the Southern California coast.

The ship recently participated in Operation Beef Master, a combined Navy-Marine exercise, preparing the units for conditions they will meet not only in Southeast Asia, but throughout the Western Pacific area.

The participating Fleet had to evade Navy aircraft acting as enemy surveillance planes as one of the many maneuvers included in the exercise.

In one respect, Beef Master might be compared to a graduation exercise, since each unit was evaluated and graded on its performance.

YOU ARE INVITED --- To SEE *And* DRIVE The New 1970 Chevrolet and Oldsmobile Thursday and Friday September 18-19

Detroit skyline is backdrop for
Chevrolet's Newest Caprice Coupe

Chevrolet's top-of-the-line, the Caprice Coupe for 1970, is dressed up with a new front styling of grille, hood and fenders. Recessed vertical taillights and color-accented wheel covers are only two of the many refinements found in the Caprice this year. The new Chevrolet line of passenger cars will be in the dealers' showrooms on September 18.

Constantly gaining prominent position in the popularity polls is the Chevy Nova. Advanced styling features such as simulated front fender louvers and body striping give the Chevy Nova Coupe (above) an air of action. A hide-a-way antenna built into the windshield (with all factory installed radios) is now available on the Nova. The new Chevrolet line of cars will be on display September 18.

Oldsmobile's front wheel drive Toronado, for 1970, reflects the most extensive change in appearance since the car was introduced in the fall of 1965. It is sleeker looking, with a distinctive new shape to the wheel openings, a new front end, including a new grille and exposed headlamps, and a more elegant than ever interior decor.

Offered exclusively in a Holiday Coupe body style, the 1970 Delta 88 Royale represents the top of Oldsmobile's '68' line of cars. A vinyl-covered top, distinctive grille, front fender louvers and specific exterior ornamentation easily identify the Delta 88 Royale. Standard engine on this 1970 Oldsmobile is a 455-cu.-in. V-8. A high output engine option, designated W-33, is available on the Delta 88 Royale and on all other Oldsmobile '68' models for 1970.

Rule Romps Over Hawley

The Rule Bobcats rapped the Hawley Bearcats, 40-0, Friday night in action at Hawley.

Winston May was the big gun for Rule, scoring TD's on runs of 14, 18, 7 yards. Other Bobcat scores came on jaunts of 56 and 22 yards by Jimmy Lisle and a 15-yard gallop by Jesse Galiendo.

Lisle also was successful on two extra point kicks and scored a two-point conversion.

Rule chalked up 234 yards on the ground and a tough defense limited Hawley to only one first down.

Native Of Haskell Passes Away In Calif.

Funeral services were held Tuesday, September 9, at 10:00 a. m. in the Page Funeral Chapel, Selma, California, for

Mrs. Maxine Vivian Yarbrough, 49, of Selma.

The Rev. Gregory S. Moromy officiated. Burial was in Floral Memorial Park at Selma.

Mrs. Yarbrough was a native of Haskell and had lived in Selma for 33 years. She was a member of the First Baptist Church and Rebecca Lodge.

Survivors include her husband, Leo Yarbrough; one son,

Leo Jr.; one daughter, Nancy Menefee; her mother and father, Mr. and Mrs. Herbert Barnett; two sisters, Ruth Meyers and Dorothy Patton; her grandmother, Mrs. Ophelia Cameron, and five grandsons, all who reside in Selma.

Relatives from Haskell attending services were Mr. and Mrs. Rufus Yarbrough and Mr. and Mrs. Jack Harvey.

Parallel Terraces, The Outstanding Conservation Work In Haskell County

Parallel terraces are still the outstanding conservation work being applied in the California Creek and Wichita-Brazos Soil and Water Conservation Districts of Haskell County, states Harry G. Koehler, Soil Conservation Technician of the Haskell Work Unit.

M. E. Overton, cooperater and Director of Zone One of the California Creek SWCD has completed a set of parallel terraces on his farm at Paint Creek. Other cooperators of the California Creek SWCD completing work include Glenn A. Merchant of Haskell, parallel terraces and a diversion terrace; R. G. Foote of Haskell and E. D. Rose of Rochester are in the process of completing systems of parallel terraces on their farms east of Haskell. Herbert Williams and Arthur Knippling of Sagerton have also recently completed systems of parallel terraces on their farms as additions to existing systems.

Allen Strickland of Haskell, 1969 recipient of the Fort Worth Press Outstanding Farmer Award has completed parallel terracing all cropland acres. He

has installed a total of 215,382 feet of parallel terraces.

Waterways shaped and planned to be seeded or sodded to grass were completed on the G. V. Middlebrook and E. B. Cathey farms at Paint Creek.

The following cooperators with the Wichita-Brazos SWCD have completed installing these practices: J. P. Perrin, R. A. Lane and A. W. Weaver of Haskell — parallel terraces; Guy McFarlin of Bomarton—rebuilt standard level terraces; W. B. Hill of Haskell and Jack Tankersley of O'Brien have shaped waterways that are planned to

be established to grass cover.

A farm pond for livestock water was constructed on the Hazel G. Smith farm at Mattson. Melvin Cunningham is operator. Rebus Guess of Munday constructed a farm pond on his farm at Mattson.

Scott Ranch has completed a farm pond for better livestock distribution by putting the pond in a seldom used portion of the pasture.

Cost-share assistance was furnished the above producers by the Great Plains Conservation Program administered by the SCS and the Agricultural Conservation Program administered by the Agricultural Conservation and Stabilization Service.

MRS. DELBERT LEFEVRE

Rain
I don't have an official amount to report, but around four or five inches fell in our community last week, and everyone was glad to see the sun shine Friday. Although it was a little late to help the cotton much, it gave us some much needed water in our stock tanks and gave us moisture to plant the wheat.

Mrs. F. A. Stegemoeiler had surgery at the Methodist Hospital in Dallas last week, and at last report she is feeling better. Mr. Stegemoeiler has been down there with her.

Mr. and Mrs. Delbert LeFevre and Jill went to Canyon Sunday to get Mrs. Will Stegemoeiler, who had spent the past week there with Mr. and Mrs. Mike Bailey, Rob and Russ. They are doing fine and able to get along without help now.

Covered Dish Supper
The ladies of the L.O.C. Home

Demonstration Club entertained their husbands and children with a covered dish supper at the Sagerton Community Center Thursday night of last week. It was scheduled to be a picnic, but with all the rain that was nearly impossible. After the meal, Mrs. Clarence Tiechelman and Mrs. Johnny Tiechelman led the group in playing games.

Those present were: Mr. and Mrs. Lewis Corzine and family, Mr. and Mrs. Leonard Kieke, Mr. and Mrs. A. C. Knippling, Mr. and Mrs. Herbert Nierdieck and Melissa, Mr. and Mrs. Delbert LeFevre, Kent and Jill, Mr. and Mrs. Eugene Tiechelman and Billy, Mr. and Mrs. Clarence Tiechelman and Ariene, and Mr. and Mrs. Johnny Tiechelman.

Mr. and Mrs. Harvie Jordan attended a Ginner's Convention at Quanah Thursday of last week.

Dr. Marshall Rhew, district superintendent, conducted services here at the Sagerton Methodist Church, Sunday morning, due to the illness of Bro. Marvin Fisher. Although Bro. Fisher was unable to preach, he and Mrs. Fisher were present. Bro. Fisher had surgery at the Methodist Hospital in Lubbock last week and is doing fine. He had to return for treatment this week. Mrs. Rhew was also here with her husband. They live in Seymour.

Change in Services
Services will be held at Faith Lutheran Church next Sunday, September 21, at 8:00 p. m. with Holy Communion and Sunday School will be held at 7:00 p. m. This is for this Sunday only.

Mr. and Mrs. Glen Schronerstedt and Kami and Kristi, of Levelland visited with the Fred Schronerstedts Friday of last week.

Mr. and Mrs. A. H. Tiechelman recently spent the week

with Rev. and Mrs. Winston Hold and Allen Wayne in Jourdanton.

Mr. and Mrs. Vernon Mayfield of Hamlin visited with Mr. and Mrs. Cliff LeFevre Saturday night.

TAX MAN SAM SEZ:

It's customary for a lot of housewives to take a part-time job shortly after they have bundled the kids off to school in September. This contributes to the family budget and gets mama back into the excitement of the business world and away from housewifing chores for at least a little while. Surprisingly enough, mothers who work part time create more than their share of tax problems. First, the employer figures that the housewife won't earn enough to be required to pay any tax, and he doesn't withhold. But, unfortunately for the housewife — due to community property law in Texas — has already earned enough to owe taxes — due to her half of the husband's income, and the law requires withholding regardless of the amount. The second problem comes from the housewife claiming her own exemption on her W-4 form without having her husband drop her as an exemption on his W-4. This usually results in the family owing a tax at the end of the year. It is better on a part-time or temporary job of this type for her to claim "0" as her exemptions, and let the husband's withholding continue unchanged. And, finally, some housewives happily sign the joint return with their husband on his earnings, and file a separate return and claim a refund on their temporary or part-time earnings. The computer has a program all ready to send the housewife and her husband a notice of audit. You can't file separate returns in Texas without splitting the income and the withholding and deductions for both spouses.

SEPTEMBER 21-27 DESIGNATED AS "HIGHWAY WEEK IN TEXAS"

AUSTIN — Governor Preston Smith has designated the period September 21-27 as "Highway Week in Texas."

Gov. Smith set aside the seven-day period for annual tribute to the State's highway builders and its superb 69 thousand-mile highway network. Theme for Highway Week this year is "Highways Bring Better Living."

The observance in Texas is sponsored each year by the Texas Good Roads Association in cooperation with the Texas Highway Department and the highway-building industry. The Chambers of commerce and city, county and State leaders organize community programs for the Highway Week observance.

The Texas Good Roads Association is a non-profit organization composed of individual motorists, highway builders and industry-oriented groups joined together in support of a better highway program.

In his official memorandum, Governor Smith noted that "the State of Texas through its efficient Highway Department provides and maintains more than 60 thousand miles of highways for the use of Texans and their visitors."

He called the Texas highway system "one of our great and irreplaceable assets" because of its benefits to the Texas economy and to Texas citizens.

The benefits of adequate highways exceed their cost through reduced accident and driving expenses, time savings, enhancement of property values and encouragement of industrial, commercial and residential development, the Governor said.

He said modern highways are planned and built to improve the quality of the environment and to preserve and make more

accessible the places of scenic, historic and recreational importance.

Texas motorists, the Governor said, support the highway program through highway-user taxes and should take every opportunity to inform themselves of the progress and planning in highways.

As part of the Highway Week observance, members of the Texas Highway Commission will make appearances throughout the State. Members are Chairman Dewitt Greer of Austin, Herbert C. Petry Jr. of Carrizo Springs, and Garrett Morris of Fort Worth.

In addition, many Highway Department district offices will hold open house so local citizens can learn more about Department activities. Department representatives also will address civic groups in their areas.

JOB OPPORTUNITIES

During its first 15 months of operation, JOBS (Job Opportunities in the Business Sector) program sponsors in the aircraft-aerospace manufacturing industry contracted with the Labor Department to hire, train and retain more than 5,275 disadvantaged jobless persons. A Federal investment of \$16.6 million helped to make this possible.

Greyhounds Shut Out Rochester Steers 19-0

The Knox City Greyhounds hung up three tallies in the first half and then called upon a rock-ribbed defensive to preserve a 19-0 shutout of Rochester's Steers at Rochester Friday night.

Rogers Langford took a five yard loss from Knox City quarterback Mike Newton for the first Greyhound score and Ivan Logsdon's kick dealt the hometown Steers an early 7-0 lead.

The hosts wrapped up the scoring in the second quarter when Charlie Lieb converted a nine-yard run into a touchdown and Langford later took a 40-yard pass from Newton for their second aerial marker.

The hard-fought, scoreless last half saw the visiting Steers play the hosts even but the
