

## Local recipient of \$1,500 Carr scholarship announced

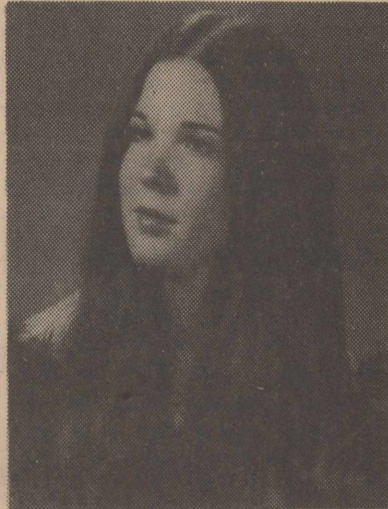

Valerie Engelbrecht, a Stratford High School senior, is the recipient of a \$1,500 Carr Academic Scholarship for 1981-82 at Angelo State University in San Angelo, Texas.

The scholarship has been awarded to Miss Engelbrecht on the basis of her outstanding academic record and personal achievements through funds provided by the Robert G. Carr and Nona K. Carr Scholarship Foundation.

Valerie has served as Student Council president, FHA president and class officer. She's also active in band and basketball activities. In addition to her school work, she also has served her Catholic Youth Organization as president.

She is one of approximately 200 distinguished high school students throughout the state and nation who have been selected to receive Carr Academic Scholarships for 1981-82. Another 250 Carr Academic Scholarships are being awarded to currently enrolled undergraduate students at Angelo State and to graduate students.

This scholarship was created by the late Mr. Carr to provide academic scholarships to assist worthy and

Valerie Engelbrecht

deserving students to pursue their education to Angelo State.

Mr. Carr bequeathed to the Board of Regents, Texas State University System, for the use of Angelo State, all of his interest in oil, gas and other minerals with the provision that these properties be held in trust for the establishment of the Carr Academic Scholarship program.

## Sheriff warns of rural break-ins in the area

The Sheriff's Department is advising that those who plan to leave their rural homes unoccupied for as little time as an overnight visit should take precautions to guard against a growing number of thefts and break-ins in the Stratford area.

The Sheriff's Department urges anyone who will be leaving his home unguarded overnight to contact the Sheriff's office prior to leaving so the home can be patrolled frequently.

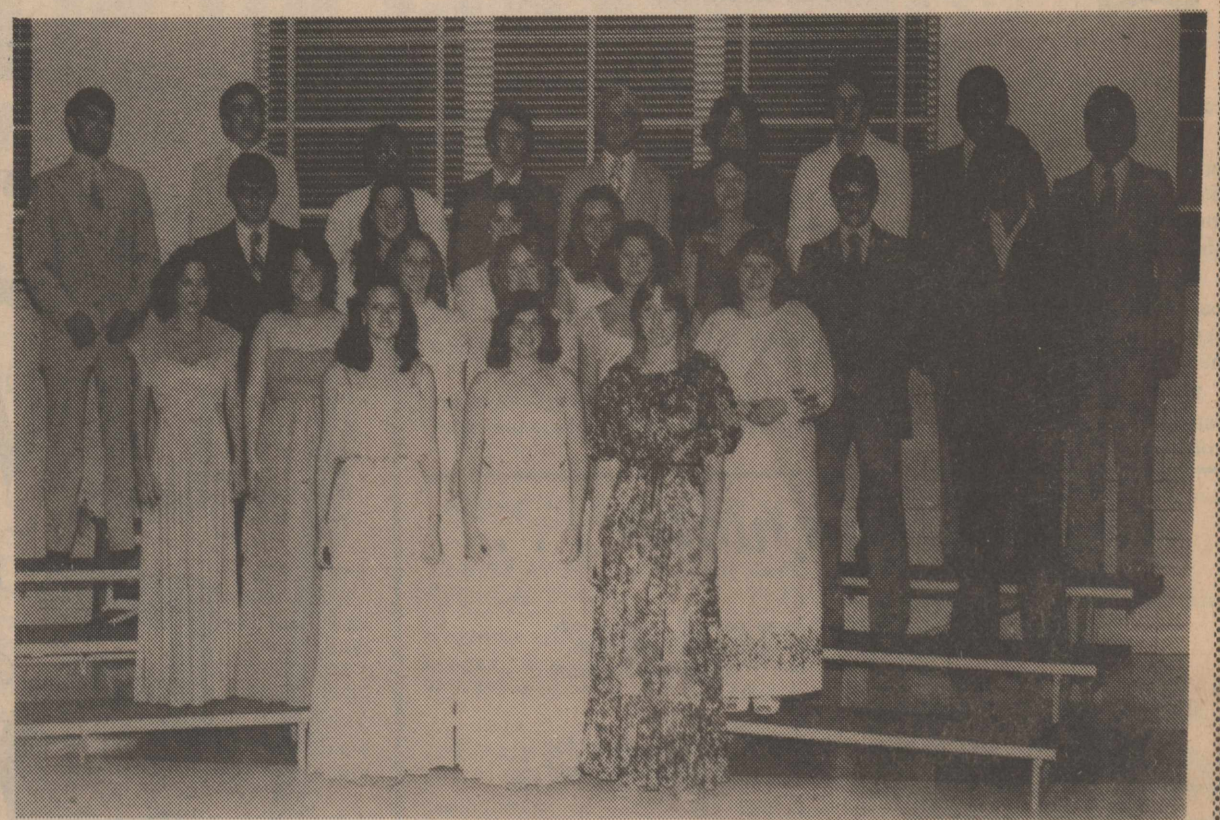

Sheriff Vaughn would also like reports from anyone who has noticed intruders or prowlers on any rural property. Vaughn said reporting the license numbers of suspicious vehicles could bring about an end to the break-ins.

## City to receive over \$12,000 in tax rebates

The city of Stratford will receive \$12,237.69 in city sales tax rebates for the month of May according to the state comptroller's office.

This represents an increase to this point last year of 31 percent. Total rebates to the city for the first five months of the year were \$27,657.91.

## Large number honored at scholastic banquet

Senior scholastic award recipients

Seventy-eight students were honored at the annual Stratford High School Scholastic Banquet held May 16 at the high school cafeteria.

The master of ceremonies for the

evening was Don Riffe and entertainment was provided by several high school musicians and singers.

This was the twenty-first time the scholastic banquet was held at SHS and

the group honored was among the largest ever with about 60 percent of the senior class attaining honors.

## To the BOE

## Property owners reminded of appeal

AUSTIN--Kenneth Graeber, executive director of the State Property Tax Board, recently reminded Texans of their right to appear before local Boards of Equalization (BOE) to appeal values assigned to their property for ad valorem tax purposes.

"The right to appear before the BOE is the single most important remedy that is available to taxpayers regarding the value which is placed on property," Graeber said.

"The board is the taxpayer's opportunity to be heard in an informal setting and without incurring expensive court costs," he added.

Each local government which collects property taxes must have a board of equalization to hear taxpayer appeals on values. Most BOEs meet during May until about mid-July, Graeber said.

Taxpayers who rendered their property to the local assessor must be notified of the time and place of the BOE meeting if the assessor increased the value rendered.

Graeber said those who did not render still have the right to appear before the BOE, but persons in this category will have to learn on their own when the board will convene.

BOE sessions are open to the general public. Time and location of the meeting must be posted in the administration

office of the jurisdiction and with the appropriate county clerk. A city BOE, however, is not required to file notice with the county clerk.

Additionally, at least 10 days prior to the BOE meetings, notices must be published in a general-circulation newspaper that serves the local area. The information is also available from each tax office by telephone.

Graeber said there are two basic situations in which taxpayers are entitled to receive an adjustment in their tax value:

--If it exceeds local market values. If the property owner finds and submits to the BOE the kind of evidence which indicates the value assigned to that parcel of property is too high, then the taxpayer would be entitled to a reduction in the valuation.

--If it is valued higher than similar property. Regardless of what other property like yours is selling for, the value of property on the tax roll should be about the same as the value for all similar properties in the jurisdiction.

Graeber added that tips on presenting an appeal are outlined in the agency's pamphlet "Taxpayers' Rights, Remedies, Responsibilities!" which is available to local taxing units.

He reminded taxpayers that BOE's sole authority is over the value of property. "The board must limit the taxpayers' discussion only to matters concerning property values. Discussions regarding the amount of taxes or the injustice of taxation merely waste the taxpayer's time.

"These complaints should be referred to the appropriate governing bodies," he said.

## Hospital Board hears report on EMT's and Coldwater Manor

The Board of the Stratford Hospital District met in regular session May 14 at Coldwater Manor. Officers and members present were Ernestine Almquist, Fred Pronger, Elaine Gurley, Linda Keener, and Robert Ragsdale. Also present were Jack Gore, Janie

Kirkpatrick, and Leland Lewis.

Leland Lewis gave reports on the EMT Association and Stratford Ambulance Service. The SAS financial report was read and bills to be paid presented. Lewis also presented figures for the SAS budget for the coming fiscal year.

Jack Gore reported that the Coldwater Manor is full and there is a waiting list. Also he is operating the Coldwater Manor in the black. Gore read the CM financial report and presented the bills for approval. He also presented a budget for the 1981-82 fiscal year.

The financial report for the SHD was read, approved and filed.

It was voted to pay the bill of the Stratford Ambulance Service, Coldwater Manor, Hospital District and Indigent Care.

A new budget was proposed for the Hospital District for the coming fiscal year of 1981-82. A budget hearing will be held at Coldwater Manor, June 11, at 9 p.m.

It was voted that non-income producing vehicles are to be included on the SHD tax rolls and to raise the optional over age 65 homestead exemption aue from \$3,000 to \$6,667.

In a called meeting, held April 30, the SHD Board met at Coldwater Manor to consider bids for the paving and parking lot project at the Home. The bids submitted were: L.A. Fuller & Son Construction Co. of Amarillo, \$34,437; Lewis Construction of Dumas, \$20,435.10; and Cooper and Woodruff of Amarillo, \$44,815. The Lewis Construction bid was accepted. The project is to be completed within 60 days of date of acceptance.

## Gilley honored with reception

Jack Gilley

Jack Gilley was honored with a reception in the Mary Allen Cafeteria on Sunday, May 17, 1981. It was well attended by his friends who wished to show their appreciation for his contribution to the community and the school system since he and his family arrived in Stratford in August of 1962.

# Opinion

The Star Editorial

With the June 5 issue of the Star we will be attempting to provide a community calendar which is more extensive than the one we currently carry on the front page.

We hope that interest in this new feature will be great enough that we can provide one month of scheduled local events at a time. Obviously, this cannot be done without a great deal of help and cooperation on the part of those individuals and groups who regularly schedule community events, as well as anyone else who seeks community input.

The calendar will be put together at the Chamber of Commerce office and published as a regular feature of the Star. They have already been in contact with several people who plan events in the community, but simply because you haven't been contacted doesn't mean we don't need your help.

Both the Chamber of Commerce and I feel this feature will be beneficial in the future planning of events in Stratford, and hopefully will be of benefit to the entire community.

# Puzzled?

TRY 55...  
AND MAYBE YOU WON'T BE.

Some drivers are still puzzled over the National 55 MPH speed limit. A recent survey shows that nearly 75 per cent of the drivers say they want to keep 55 because they know it SAVES LIVES and conserves fuel. But many drivers still exceed the limit on occasion.

Speed increases the severity of injuries when a crash occurs, and often causes tension. So slow down, relax...and ENJOY TEXAS.

# Chamber Chatter

by Pinky Plunk

A large community calendar has been prepared by the Chamber Office to be used for notifying the public of special events that will be held throughout the year. This calendar will be kept at the Chamber and we are hoping that all the active organizations will list their events on this calendar and that scheduling of events will be simplified by the keeping of this calendar. In the past, we have all had to call around to the school, churches, and country club to see if a conflict would occur when trying to schedule an event--with this new calendar we will be attempting to have all scheduled events listed in one place as a community service. We urge everyone who has an event scheduled after June 1, 1981 to call us at 2260 so that we may list their event and hopefully have the calendar published weekly in the Stratford Star for your convenience. Remember your participation is the only way that this calendar of events will be successful.

I must mention again how nice the park appears over on Highway 287 and I have noticed many people using it for a rest period.

We have checked on the improvements to be made on the gateway to the cemetery by Darco Welding and have been assured that it will be in place by Memorial Day. This should add much to the appearance of our well-kept cemetery.

We also made a trip to Amarillo last week for the purpose of obtaining prices on outdoor signs and also the possibility

of leasing signs to be placed at the entrance of our fair city on the highways to promote our community. This information will be presented at our next board meeting.

The Tip Top Hobby Shop has joined the elite group of members who make the Chamber of Commerce work. We are glad to have Grady and Anna as new members. They have a fine selection of craft and art materials as well as a complete line of picture frames in their store at the mini-mall.

Sometimes I wonder what kind of a sick society we are living in. First, they tried to assassinate another president and now someone has tried to murder the Pope. This is certainly senseless but there is always someone with a chip on his shoulder. There must be a block of wood above from which the chip must fall. I sure won't be making any public appearances in the near future--because someone might decide to shoot the Chamber Manager.

The Chamber will be holding a special breakfast the week of June 8-12 for the purpose of showing a film that will be on loan to us from The Texas Historical Commission. The film is entitled, "Main Street" and will offer us some ideas and suggestions on how to improve and dress-up our business section of town. The Chamber has a committee that is headed by Karen Hart looking into possibilities for improvements to Main Street. Watch next week's paper for the date--you won't want to miss this.

## Careful driving suggested during holiday weekend

The Memorial Day weekend marks the end of school and the beginning of the long summer vacation driving season. Summer vacations increase the number of vehicles on our highways.

Major C.W. Bell, Regional Commander of the Texas Department of Public Safety, said, "Countless lives are lost each year because of drivers' disregard for their own safety or the safety of others. Carelessness, speed and the drinking driver account for a high percent of all traffic deaths."

The 55 MPH speed limit originally was instigated to conserve fuel, which it has done; but an ever great asset has

been the saving of lives and the reduction of serious injuries in traffic accidents. Increasing your speed from 45 MPH to 60 MPH doubles your probability of being killed if you are involved in an accident; going from 60 MPH to 70 MPH doubles it again. That little extra speed could cost you your life.

Major Bell stated, "The best way to keep your vacation safe and accident-free is to keep your speed down, wear your seat belt, obey traffic laws and above all, do not drink and drive. Your safety and the safety of all your passengers is in your hands."

### Physical facts:

## Shortness of Breath

Shortness of breath isn't always a sign that something is wrong. Sometimes shortness of breath is normal. For instance:

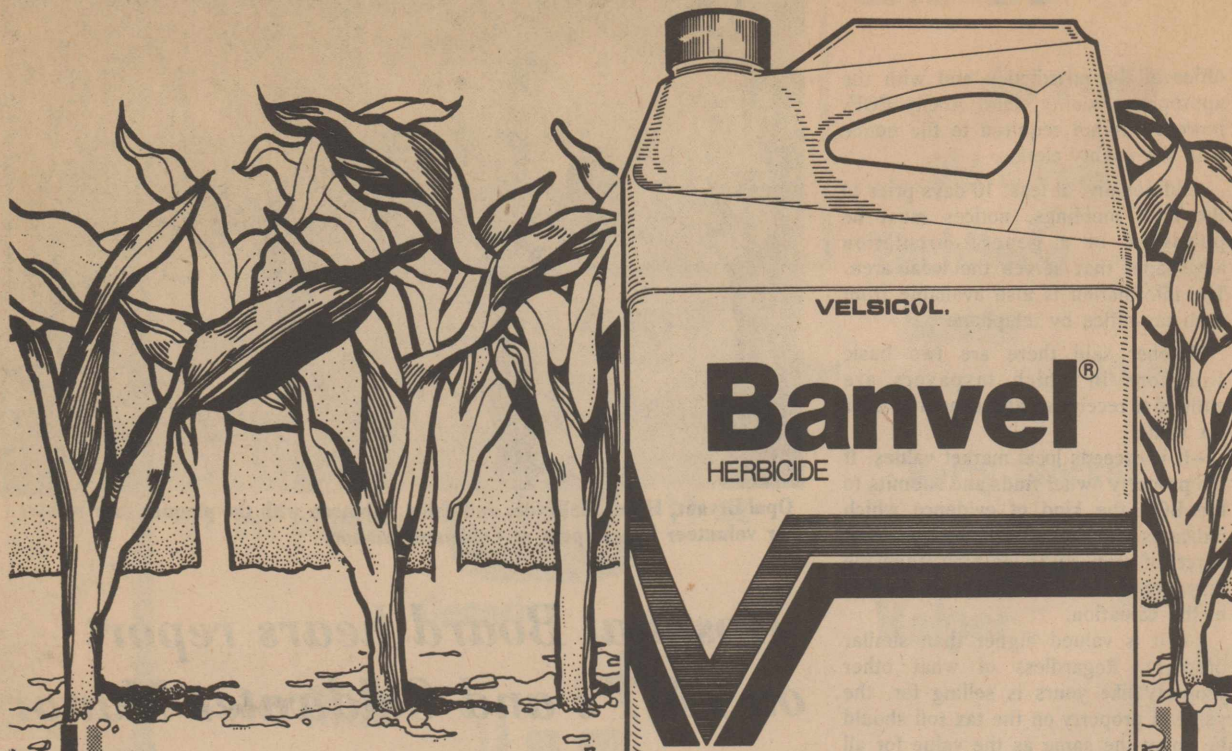

--Right after moderate exercise, if you have let yourself get badly out of condition.

--Right after sitting up exercises, mowing the lawn, shoveling snow, or any heavy exertion.

--When you hurl yourself into violent exercise--tennis, swimming--after a sit-down winter.

--When you start getting around again after serious and prolonged illness.

Normal shortness of breath disappears after a few minutes of rest. If shortness of breath persists after resting, it may be a sign of something wrong, and you should see your doctor.

## Dependable weed control in corn with Banvel herbicide

Whenever pigweed and other problem broadleaf weeds appear, ask for Banvel\*\* herbicide.

Banvel gives effective, economical broadleaf weed control in nearly every stage of the corn growing cycle. Banvel tackles your toughest broadleaf weed problems: pigweed...smartweed...cocklebur...and many more.

**Pre-emergence or early post:** Banvel, applied at rates up to one pint immediately after planting or until corn is five inches tall provides effective control of many tough annual broadleaf weeds.

**Post:** Or apply Banvel at the 1/2 pint rate anytime after weeds appear but before

corn is 36 inches tall.

For most effective, economical control, apply Banvel early! Applying Banvel when weeds are small--less than 3 inches tall--stops the weeds when they are most easily controlled and also lessens chances of damaging sensitive crops nearby.

Ask for the herbicide strong enough to control the tough to control broadleaf weeds--Banvel herbicide.

## 'Texas' to be presented beginning June 17

The musical "Texas" will be presented for a sixteenth season June 17-August 22 at Palo Duro Canyon State Park.

Each year the producers of "Texas" the spectacular musical drama in the Palo Duro Canyon, choose a western artist to illustrate the Souvenir Program. This year he is a man who knows horses, and this knowledge of their moods and their gaits, and their work and their rest, shows on every page of the program.

Born in Georgia, William Moyers of Albuquerque, New Mexico, first discovered the west when he went to the San Luis Valley of Colorado. He never lived in the south again.

He broke horses, worked on hay crews and helped out at stock auctions to work his way through Adams State College where he now serves on the Foundation Board and was named a most distinguished alumnus. He graduated in

1939.

He was already fascinated with the challenge of putting the cowboy life on paper and went to seek more training in art at the Otis Art Institute in L.A. and employment at the Walt Disney Studios where he first learned how the professionals work.

Always watching - always learning - he taught school, served from private to captain in the army and finally became involved in book illustrations. Prize Winner for the Limited Editions Club - he later wrote and illustrated "Famous Indian Tribes" for Random House and "Famous Heroes of the West" for Grosset & Dunlap.

Performances will be Monday through Saturday nights at 8:30 p.m. with a special Sunday, July 5, performance planned.

## Kerrick News

by Marylou McDaniel

Funerals were the topic of Kerrick EH Club program Tuesday, May 12, at the home of Portia Thurman. Rev. Raymond Dyess pointed out some of the things that everyone should think about before a funeral is necessary in a family and what is needed to do when a death occurs. Traditions used in funerals at various areas were discussed. All were urged to help her family by preparing a letter of instructions for a funeral with several in the family knowing where to find the letter.

Lynn Wells, president, conducted the business session. Mabel Rogers and Franny Taylor offered to furnish two chocolate cakes for Monday night's Lions' Club dinner at the Methodist Church. Marylou McDaniel assisted at the event as club representative.

No nominee was elected as TEHA State nominee for State meeting in Austin Sept. 10.

Tea and lemonade were served by hostess Portia Thurman to guests Dayle Harris, Virgie Mathews, Diane McDaniel, and Nadine Miller and to members, Mabel Rogers, Joyce Irlbeck, Jo June McDaniel, Minnie Hampton, Franny Taylor, Marylou McDaniel, Vicki Thompson, Pat Boren, Lynn Wells, and two youngsters, Jody Avent and Bethany Shepherd.

Mr. and Mrs. Herman Miller of Keyes, Okla. were surprised May 10 when a group of relatives and friends gathered at their home to celebrate their 55th wedding anniversary. Warren and Nadine Miller were among the hosts for his parents' party.

In a ceremony held Friday, May 17, Kelley Lynn Irlbeck received an Associate in Applied Science Degree from Amarillo College. Kelley is the daughter of Mr. and Mrs. Ted Irlbeck. She has been working at High Plains Hospital in Amarillo and will continue there. Her family attended the exercises which were held at the Civic Center.

Walker and Rose Taylor are home from a winter vacation in Truth or Consequences, N.M.

Happily, there were no broken bones among the nearly 75 at Kerrick's second annual skating party held Sunday afternoon from 4 to 6 p.m. at Guymon! There were a few spectacular falls--Vicki Thompson wrapped around a rail that had people calling for an instant replay! Sandy Wells was more graceful than her husband, Paul, but he says he's a pro compared to last year! A few made it through the afternoon without a fall. Warren Miller much preferred skating during the "girls only" session, the fellows went too fast!

Following the skating, most everyone went to the park for sandwiches, chips, cookies, lemonade and tea.

Todd Thurman took the occasion to invite a few friends to help celebrate his sixteenth birthday. His guests were Clint Fesler, Barry Durham, David White, Risa Adams, Lisa Drake, Nanette Boardman and Tania Wilson.

Guests of Billy Thurman were Travis and Chuck Williams and Shanda Adams was Melissa Thurman's guest.

Non-skaters were Anita Taylor,

Franny Taylor, Joyce Irlbeck, Marylou McDaniel, Nadine Miller, Whit McDaniel, Barbara and Terry Schoonover, Bill Thurman, Mabel Rogers, Lari Brandes and Ashley Wells, (who is two months old.)

Skaters were Doug and Mandy Taylor, Hank Rogers, Ian Weems, David and Joshua Rogers, Diane McDaniel, Warren Miller, Sandy, Paul and Derreck Wells, Lynn, Mark, Jennifer Wells, Brady, Brent, and Kelly Schoonover, Ralph, Minnie, Ralph James and Annette Hampton, Verlie and Katie Brandes, Lance Willard, Portia Thurman, Buddy Schertler, Dannielle Whitson, Vicki, Kim, and Matt Thompson, Alvin, Dayle, Bruce, Jay and Dean Harris.

# Here Is The Path...

"Thou wilt shew me the path of life: in thy presence in fulness of joy..."  
PSALM 16:11

We read of Isaiah's experience in the temple, when he "saw the Lord." (Isaiah 6). How wonderful such an experience must be. Have you ever "seen the Lord?"

You know, Isaiah was no doubt at worship when he realized such a high moment. When we neglect worship, both private and corporate, we no doubt miss many great opportunities for "high moments" when God is there for us to "see," and "hear," and "know."

"Come, let us sing for joy to the Lord; let us shout aloud to the rock of our salvation. Let us come before him with thanksgiving and extol him with music and song."... "Come, let us bow down and worship, let us kneel before the Lord our Maker; for he is our God and we are the people of his pasture, the flock under his care." (Psalm 95: 1, 2, 6, 7. NIV)

What great blessings there are for those who worship God!

### Garden Club hears program on flower arrangements

Stratford Garden Club met with Mary Peach Smith May 14 with members Bertha Lasley, Frances Watson, Nelle Roberts, Ione Reed, Betty Lou O'Brien, Lois Oldaker, Kathleen King, Xenia Green, Bonnie Flyr, Opal Bryant and one visitor, Irene Wakefield, present.

Mary Riffe's letter of resignation was read and accepted.

Xenia Green gave an interesting program on flower arrangements and making an arrangement with one stalk of gladioli. She also showed corsages made from colored plastic bags.

The next meeting will be June 11, 9:30 a.m., with Betty Lou O'Brien. Visitors or anyone wanting to become a member are welcome.

### Historical Commission meets and conducts interview

The Sherman County Historical Commission met Tuesday, May 12, at the home of Mrs. Bonnie Flyr. Members of the Commission present were Selma Pendleton, Millie Hacker, Audrey Gamble, Kay Williams and Harry Brown.

In a short business meeting, the possibility of acquiring another tape recorder was discussed; also the necessity for repairs on the one in use. After an interview with Mrs. Flyr, the group adjourned for the summer. The next meeting will be September 8, 1981.

### Country Club plans celebration

A full day of family fun and activities has been planned for Memorial Day May 25 at the Stratford Country Club.

Activities for the day include: Junior golf tournament at 10 a.m., mixed golf scramble at 2 p.m., swimming, volleyball, horse shoes, tennis at 2 p.m., chuck

wagon supper at 6 p.m. Sing-a-long and family "hoe-down" dance from 7 to 11 p.m. The music is by "Country Cookin'" from Dalhart.

All club members are invited to come out and enjoy the activities of the day.

### Goetz-Berry engagement announced

Mr. and Mrs. Gary C. Goetz of Texhoma announce the engagement and approaching marriage of their daughter, Tonja, to Bob Berry, son of Mr. and Mrs. Frank Berry, Jr., also of Texhoma. Wedding vows will be exchanged

Saturday, July 11, in the St. Paul Lutheran Church of Texhoma.

Tonja will be a 1981 graduate of Texhoma High School. Bob is a 1979 graduate of Texhoma High School and a 1981 graduate of Oklahoma State Tech.

### 'Gals' hear demonstration on applying cosmetics

The Giggling Gals 4-H Club met on May 14, 1981 at the home of Mrs. Joyce Hart.

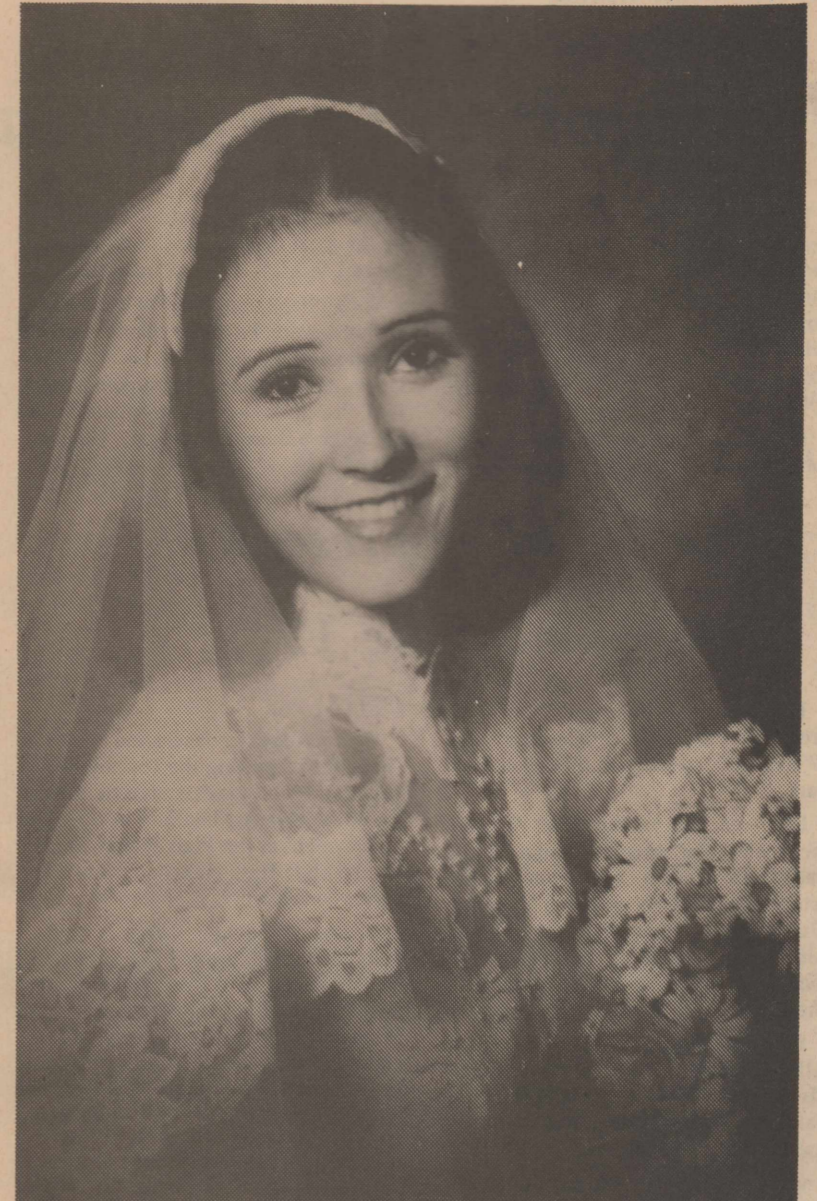

Ms. Orlanda Garoutte from Something Special presented a demonstration on applying cosmetics.

Jill Pronger led the Pledge to the American Flag. Lisa Harris led the 4-H motto and pledge.

Refreshments were served to Leslie Flores, Jill Pronger, Lisa Harris, Lisa Wiley, Kelly Campbell, Deena Lane, and Zenith Burton.

"Joey" is a common backstage name for a circus clown, chosen in honor of the first great modern clown, Joseph Grimaldi.

### Bilbrey-Pack wedding held in Lubbock, May 16

Sandra Jean Pack and Terry Ernest Bilbrey were united in marriage in a double-ring ceremony May 16 in the Lubbock Oakwood Baptist Church with the Rev. Dr. Fred Meeks officiating. Sandra is the daughter of Mr. and Mrs. Bill E. Pack of Lubbock and Terry is the son of Mr. and Mrs. Joe A. Childs of Stratford.

The bride, given in marriage by her father, wore a formal length gown of white organza and chantilly lace fashioned with a Queen Anne neckline and full length shadow sleeves. The lace empire bodice was encrusted with seed pearls. A full A-line skirt cascaded into a chapel length train. A lace ruffle formed the hemline of the skirt and train. Her bouquet was of white silk roses and yellow daisies which formed a cascade.

For the traditional "something new" was her dress; "something old", her sister's wedding slip; "something borrowed", an aunt's engagement ring; and the traditional blue garter.

The wedding music was furnished by Sheryll London at the organ and soloist, Earl Jones, who sang "I Pledge My Love," "Theme from Ice Castles," and "Wedding Song."

The matron of honor was Teresa Griffin of Borger, sister of the bride. The bridesmaids were Tammy Bilbrey, sister of the groom; Debbie Pack, sister-in-law of the bride; and Linda Garriston of Lubbock. All of the bride's attendants wore white on yellow dotted crepe floor length dresses with yellow chiffon capes caught on the left shoulder with a yellow daisy. Each carried a white and yellow silk bouquet of daisies with white streamers.

The best man was Joe Childs, father of the groom. The groomsmen were Wade Blake and Leonard Duncan of Stratford and Bruce Arriola of Dallas.

The flower girl was Adriane Cluck and the ring bearer was Cory Cluck. Adriane and Cory are cousins of the groom from Amarillo.

The candlelighters were Brett Cummings of Stratford, cousin of the groom, and Tony Pack of Dallas, cousin of the bride.

The ushers were Will Allen, Steve Coats, Blair Brown of Stratford and Wes Hightower of Dallas.

The church was decorated with brass candelabra with white candles, greenery, and white bows at the pews.

Mrs. Pack, mother of the bride, wore a floor-length gown of mauve chiffon with a corsage of white roses. Sandra presented her mother with a long-stemmed white rose as she entered the white rose as the bride left the sanctuary.

Mrs. Childs, mother of the groom, wore a floor-length gown of mist green chiffon with a corsage of white roses. She was presented with a long-stemmed white bridal cake which was topped with yellow silk daisies and white silk roses. The centerpiece was an arrangement of white silk daisies. Punch, Mints, and nuts were also served.

Following the reception, Sandra and Terry left on a wedding trip to Paradise Island in the Bahamas. Sandra was wearing a striped sundress of green and tan with a tan jacket and tan accessories. The couple will be at home at 4702 4th St. Lubbock.

The bride is a graduate of Monterey High School in Lubbock and has attended Texas Tech two years. She is a member of Zeta Tau Alpha Sorority. The groom is a graduate of Stratford High School and is attending Texas Tech University. He is a member of Delta Tau Delta Fraternity.

Out of town guests were Mr. and Mrs. Fritz Steinberger, Mrs. Dick Woolsey, Miss Karen Woolsey, Mr. and Mrs. Vernon D. Cotney, Mr. and Mrs. E.B. Summerour, Mrs. Dale Stovall, Cindy Stovall, Mrs. Ole Olson, Rick Olson, Sheronda Olson, Miss Loretta Rund, Mrs. Bill Allen, Mrs. Doug McBryde, Gared and Brad, Gregorio Ramon, Mrs. Edd Garoutte, Mr. and Mrs. Wayne Cummings, Shawna, Brett, and Sheila, Mr. and Mrs. Vince Haggard, Jana Wiley, and Eddie Duncan, all of Stratford.

Also Mr. and Mrs. Sam Pack and Todd of Dallas, Buster Whitlock of Memphis; Mr. and Mrs. Ernest Cummings, Mrs. Elaine Cummings, Cory and Adi, Mr. and Mrs. J.C. Vanlandingham and Linda, all of Amarillo; Mr. and Mrs. Roy Donaldson, Twila, Becky and Holly of Farwell; Mr. and Mrs. Max Goforth, Miles and Sherry of Hereford; Mrs. Rosie Crosby and Mrs. Debbie Watson, both of Stephenville.

Terry is the grandson of Mr. and Mrs. Ernest Cummings of Amarillo, former residents of Stratford, and the great grandson of Mrs. Edd Garoutte of Stratford.

# Griggs News

The Griggs Home Extension Club observed National Home Extension week by hosting a meeting in the Griggs Church of God last Wednesday morning. Mrs. Mace Pugh gave a demonstration on Cake Decorating and gave those in attendance an opportunity to try their hand at it. She said the weather affected the luck a person had at cake decorating. It is best to decorate cakes when the humidity is low. Later Mildred Grabeal gave a brief demonstration on making tissue covers, etc., from plastic cannas. Each guest received a gift. Guests present besides Mrs. Pugh were Shirley Devorss, Kay Aswell, Josephine Elliott, Minnie Cox, Florence Warren, Clara Durham, Agent Cathy Rogers, and members Mary Lewis, Carol Ferguson, Lois Cayton, Lana Hanes, Maurine Warren, and Mildred Grabeal.

The Marella United Methodist Women met in the home of Florence Warren Thursday for their regular monthly meeting. Myrtle Hitchings was the leader of the interesting lesson, "Growing Older--It 'Ain't' So Bad." Other members present were Audrey Kincannon, Geneva Wells, Minnie Cox, Reba Goff, Eileen Tevebaugh and Mildred Grabeal, Connie Tevebaugh.

Thursday afternoon Parker Maness of Felt visited in the Lawrence Wells home.

Mr. and Mrs. Charles Twombly were in Boise City Friday and ate dinner with the Senior Citizens.

Texhoma Seniors who flew to Dallas and Six Flags last week were Howard Henderson, Kam Smalts, Steve Lusk, and Beth Grabeal. Mr. and Mrs. Clyde Smalts accompanied them on their trip. They returned home Sunday.

Mis Shawna Smalts received outstanding Junior Band Award in Texhoma last week for the year.

Those visiting Mrs. Ruby Lowery last week were Rea Weyman McGuire, Reba Goff, Minnie Cox, Gwen Steen of Tulsa and Janie Kunselman of Spearman. She is slowly gaining strength and is able to get around some with a walker.

Mrs. Minnie Cox, Mr. and Mrs. Mike Cox and Jason, Mr. and Mrs. Bill Cox of Stratford and Mr. and Mrs. Green; Mr. and Mrs. Bill Minkley and daughters of Dumas met Mr. and Mrs. Baker Duggins, Phillip and Sharla of Friona and Mr. and Mrs. Thompson and David of Canadian in Amarillo and enjoyed a Mother's Day picnic dinner.

Mr. and Mrs. A.B. Steen of Tulsa and Mr. and Mrs. Carl Kunselman and children of Spearman were guests in the Clifford Goff home last weekend and after attending graduation at Marella, they all attended graduation exercises at Panhandle State University which included the two daughters of the Clayton Goffs, Jan and Sandra of Guymon.

Mr. and Mrs. George Twombly attended the commencement exercises at PSU Sunday.

After graduation exercises at Goodwell Sunday in which Matt Pugh was a graduate, he and Nikki hosted a hamburger fry for Mr. and Mrs. Martin Gabel, Mr. and Mrs. Johnnie Pugh, Mr. and Mrs. Bill John Pugh from Texhoma, Mr. and Mrs. Lockett and Rex Grabeal of Guymon, Mr. and Mrs. Gene Livingston from Keyes, Link and Lynn Day, Lane Smalts and Wade Pugh.

Mr. and Mrs. Lawrence Wells and Mr. and Mrs. Terry Wells and daughters from Stratford were among those in attendance at a Mother's Day Tea given by Virgie Mathews in Kerrick Sunday afternoon. The Terry Wells visited in the Lawrence Wells home later that day.

Mr. and Mrs. Clifford Hitchings ate Mother's Day dinner with Mr. and Mrs. Perry Hitchings and Mandy.

Mr. and Mrs. Richard Rhorer of Los Alamos, NM and Mr. and Mrs. Leland Barnes, Randy and Trina from Towner, Colo., visited in the Maurice and Richard Hitchings' and Ruby Lowery' homes last weekend. The above mentioned and Mr. and Mrs. Nelson Lowery were dinner guests in the Richard Hitchings' home Mother's Day.

Honoring Ethel Brown at the Ambassador Inn in Guymon for Sunday dinner were Mr. and Mrs. Buster Brown, Travis and Jason, Mr. and Mrs. Calvin Brown, Lance and Lori, Mr. and Mrs. Mike Asher, Michelle and Melissa, Mr. and Mrs. Arthur Twombly and Randy, John Brown, Mr. and Mrs. Teddy Twombly and Mrs. Billy Don Hiner and Amy. They all came back by the Twomblys and enjoyed cake.

Miss Betty Grabeal of Ulysses was home last weekend with the Joe Grabeals. Sunday they enjoyed Mother's Day dinner at the Townsman in Boise City.

Mr. and Mrs. Ray Hoover, Justin and Ryan, have completed a tour of duty in Guam and came Wednesday to her parent's home, the Earl Elliotts. He will be stationed in Little Rock and Cheryl and children will remain here until he finds a place for them to live.

An early Mother's Day supper was held in the Ralph Warren home Saturday evening honoring Mr. and Mrs. Maurice Mott of Guymon and Mr. and Mrs. Jim Adams of Colby, Kansas.

The fifth, sixth, seventh, and eighth grade students of Plainview left Thursday morning with their sponsors and teachers, Joyce Wells and Bill Shackleford, on a trip which took them to Indian City, the Capital, the Cowboy Hall of Fame, the zoo, and on the way back Saturday by the Alabaster Caverns. They made the trip in the Keyes Activity bus.

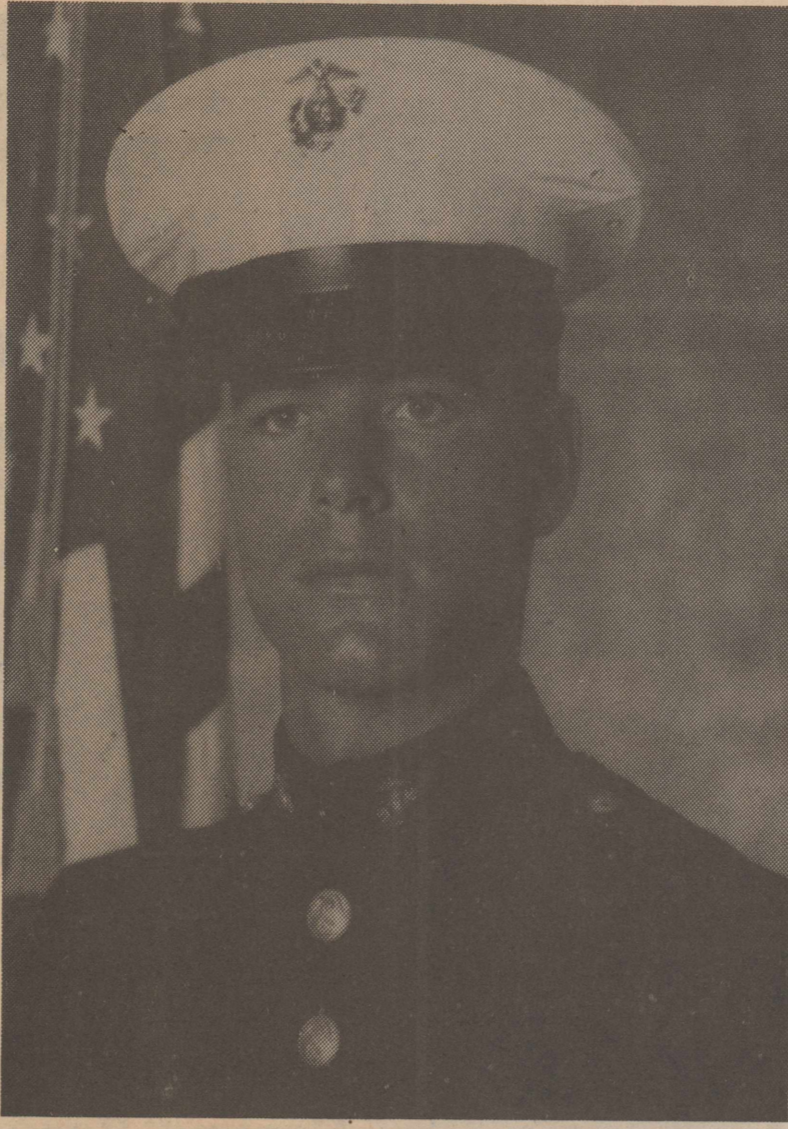

Mr. and Mrs. Howard Warren visited Mrs. Ruth Forsher and Mr. and Mrs. Jim Peters in Ordway Saturday and Sunday.

Mr. and Mrs. Bear Elliott, Eric and Janell, visited Mr. and Mrs. Bryan Elliott in Rolla Sunday afternoon.

Mr. and Mrs. Earl Elliott, Mr. and Mrs. Ronnie Elliott and children of Turpin, Carol Elliott of Dumas, Mr. and Mrs. Arnold Fraley and family of Texhoma, Mrs. Ruby White and Mrs. Bob White of Boise attended PSU graduation of Robert Elliott Sunday. After the service they all returned to the Fraley home for the afternoon meal.

Mr. and Mrs. Terry Cayton and children attended the Band Concert in Boise City Friday evening. Saturday night Lois and Terry attended the Jr-Sr Banquet. Sunday they went to PSU's graduation as did the Dan Fergusons.

Mr. and Mrs. Mike Asher, Michelle, and Melissa were supper guests in the J.O. Pulliam home Sunday evening.

## Happy Hour Club holds meeting

Happy Hour Club met May 7 with Lena McWilliams who gave the Opening Exercise. Nine members and one visitor were present. The minutes were read and approved and Eunice Buster gave the Finance Report.

Happy Hour Club will help serve Lions Club May 18.

Leland Lewis gave an interesting program on the duties of the EMT. He also showed us through the new ambulance and explained the purposes of the articles in it. We appreciate very much his taking the time for this program.

Those present were Virginia Wells, Dovie Fedric, Eunice Buster, Helen Reynolds, Myrtle Ellison, Dorothea Allen, Lena McWilliams, Elsie Pickens and Opal Springfield.

Our next meeting will be a luncheon May 21 at Headquarters, then to the Extension Club room at the courthouse for a business meeting.

## Graduation and ambulance runs highlight April EMT activities

By Leland Lewis.

The month of April was a very busy month for the Stratford E.M.T. Association. We feel that it also was a very rewarding time for us.

Friday night, April 10, was "Graduation" night for the new E.M.T.'s. We met in the new Parish Hall of St. Joseph's Catholic Church for a barbecue, cooked and furnished to us by Joe Ray Brown and Lance Harrington. The meal was most delicious, and a good time was enjoyed by all who attended.

In the month of April, the Association staffed the ambulances on 13 runs. We had five to Dumas, five to Amarillo, and three in Stratford. There was a total of 124 manhours involved in staffing the ambulances.

There will be a new article in the paper each week. These articles will be entitled "Physical Facts". There will be various writers, but the E.M.T. Association will be supplying the material for the articles, and the Stratford Star is contributing the space for the column. Thanks to the Star for their support in this effort. This column will be dealing with various illnesses and their symptoms.

The Emergency Services of Stratford has once more had a test, and I feel that everyone functioned very well. As the ambulances arrived at 203 N. 9th at the scene of a fire, the fireman already had five individuals, suffering from smoke inhalation, out of the mobile home that was on fire. The firemen brought these people to us, and we were able to give them High Concentration Oxygen and administer Racemic Epinephrine to open the bronchial passages in the lungs. We were most fortunate that only one life was lost in this incident. The firemen did a remarkable job and

deserve a pat on the back for a job well-done. The doctor, police, firemen, and E.M.T.'s functioned together in a coordinated effort in a tragic and stressful situation.

We are about to begin a new year in our Association. There will be a new slate of officers for the year of 1981-82. There will be a number of projects undertaken for the upgrading of our Emergency Medical Services. The

community has been very responsive to our needs in the past, and we trust that you will continue to remember our needs in the future.

The unaided human eye, in optimum circumstances, can distinguish 10,000,000 different color surfaces.

## Texas Wheat Producers to hold fifth elections, June 26

The Texas Wheat Producers Board formed in 1971 to support wheat research and market development will hold its fifth biennial election on June 26, 1981 according to Leo Witkowski, Hereford, Chairman. The terms of three current board members expiring at that time include: Troy Sloan, Spearman; C.L. Edwards, Panhandle; and W.R. Moore, Jr., Munday.

In 1971 when the Producers Board was formed by Texas producers as a self-help program to enhance the value of their crops, 3.5 million acres was planted to wheat that produced 31.4 million bushels valued at \$37.3 million. In 1981, just ten years later, Texas' planted acres of wheat is 7.7 million acres, producing 179.2 million bushels valued at \$700 million. All of the increased production in the ensuing years has been exported through newly developed markets. The domestic use in the U.S. has remained virtually unchanged.

Any wheat farmer producing within the 34-county commercial wheat area, is eligible to vote for a board member for that district. Counties included are: DISTRICT I: Dallam, Sherman, Ochiltree, Lipscomb, Hansford, Moore, Roberts, Hartley, Hutchinson and Gray. DISTRICT II: Carson, Potter, Oldham, Deaf Smith, Randall, Armstrong, Briscoe, Swisher, Castro, Parmer, Hale and Floyd.

DISTRICT III: Childress, Hardeman, Foard, Knox, Throckmorton, Haskell, Archer, Baylor, Wilbarger, Wichita, Young and Clay.

Witkowski points out that any person

qualifying to vote in the election may place his name in nomination for membership on the Texas Wheat Producers Board by application to the organization, signed by himself and at least ten other persons eligible to vote in the election, at least 30 days prior to the election date, in order to have his name placed on the ballot.

The election will be held by mail ballot, which will be provided to all eligible voters 15 days prior to the election, Witkowski said. He also indicates that any person qualified to vote who does not receive a ballot 15 days before the election date, may obtain one at Agricultural Extension Service offices in the 34-county area as provided by the Texas Commodity Referendum Law.

Wheat producers fund TWPB with a 1/2 cent assessment on their deliveries of wheat at commercial handlers. Proceeds from such participation supports programs of foreign and domestic market expansion, food and feed wheat technical service, insect control demonstrations and other activities designed to strengthen wheat producers income. In addition to Witkowski and the three members with expiring terms, other TWPB members are: Dwight Hamilton, Olney; Cagle Kendrick, Stratford; Otis Harman, Tulla; Robert Graves, Perryton; and Wiley Tabor, Quanah.

Applications for names to be placed on the ballot should be sent to the organization headquarters office, 600 Texas Commerce Bank Building, Amarillo, Texas 79109.

## Gem and mineral show

The Golden Spread Gem and Mineral Society of Amarillo will be holding their annual show featuring petrified wood May 23 through 24 at the Amarillo Civic Center Meeting Room.

The show will feature competitive and non-competitive exhibits, hourly door prizes, and a special grand prize. Special

exhibits will include Indian artifacts and lapidary. Working exhibits will involve faceting and marble and cabochon making.

Hours for the exhibit will be 10 a.m. until 8 p.m. on May 23 and 10 a.m. until 6 p.m. on May 24. Admission will be \$1 for adults and \$2 for children.

## The Consumer Alert

by Mark White  
 Attorney General

Geologic faults are a common feature of the topography of Texas, particularly the Gulf Coast area. Unfortunately, many homebuyers have discovered that if the foundations of their homes rest on active faults, they are in serious trouble!

One study has shown that in the Houston-Galveston area, faulting may be observed through the runways of two airports (Hobby and Ellington Air Force Base); the interstate highway system is cut at eleven different locations by active faults; railroad lines cross active faults at 28 locations; and several industrial buildings are on active faults.

Another study indicates that 51 streets in Houston are known to be crossed by one fault alone.

According to Dr. Carl Norman of the College of Natural Science and Mathematics at the University of Houston, there are nearly 300 miles of geologic faults that crisscross Harris County.

When people mention the word "fault" many of us think of faults like those in California—huge channels through the surface of the earth. We also associate them with earthquakes and since Texas has no earthquakes (at least of the California variety) we tend to discount faults as a subject for serious concern. The truth is Texas homebuyers should make every effort to insure that the houses they consider buying are not

built on top of faults. The reason for this is quite simple: If a house is constructed on an active fault, the question is not whether the foundation will fail, but when.

Faulting problems in the Gulf Coast area are heightened by the related problem of subsidence. When there are large-scale withdrawals of fluids (like water and oil) from the subsurface, the land, over time, gradually will sink. This sinking of the land is commonly known as subsidence. Faults, which on the surface resemble a line drawn across land with one side of the land higher than the other, serve as "boundaries" for subsidence. That is, the sinking of the land will occur up to the line made by the fault with the land on the other side staying at its normal level.

Because of the rapid rate of subsidence in many areas around Houston, the rate of movement along faults is much more rapid than it normally would be. As a result, a house constructed on a fault in one of these areas will have one side of its foundation nearly two feet lower than the other within the normal thirty years term of a mortgage.

It is important to know that faulting is a problem only if a structure is built on top of it. A person can build a house just a few feet from an active fault and never experience any problems.

## Coldwater Manor

By Carole Gibson

For National Nursing Home Week we invited guests to eat with us to show our appreciation for all they have done for us in the past. Guests included were the Manor Friends, Dr. Harlow and his staff, The Hospital District Board members and Pastors and their spouses.

The Methodist Church Adult Bell Choir under the direction of Mariahorw Engelbrecht came to ring bells for us. We are certainly glad the Choir took the trouble to carry all their bells out here. Thanks so much.

Our week ended Sunday with Open House which was well attended by our many friends. Cookies were made and donated by Jewel Lewis, Director of Nurses, who presided over the refreshment table. Centerpiece flowers were given by the Hospital Board. Music was provided by the Bob Boardman family and Kathy Payne. We really enjoyed them. Ernestine Almquist, President of the Hospital Board, gave an appreciation speech for Jack Gore, Administrator. Plaques in recognition of volunteers were given to Opal Bryant, Hazel McBryde, and Edith Robinson for the many, many hours of service they have given to the Manor. Door prizes were won by Esther Riffe, Jesse Riffe and Jimmie Pronger. Fresh flower bouquets for the dining tables by an anonymous donor were greatly appreciated by all here at the Manor. They came in time for Open House and are still looking beautiful.

The Katie Allen Bible Study Class from the Baptist Church gave the birthday party this month. They brought ice cream and cake and music. We all had a good time and helped Nola Brunton, Earl Smith, Mary Dietrich and Nellie Blanck celebrate. Thanks for coming.

This is one of the best known auto body repair shops in this section because of its excellent workmanship and service. These folks also are professionals at glass cutting and installation for your automobile or arm machinery.

Most insurance policies now permit you to choose the repair shop you like best. Select M&S Body Shop to do your work. Their body work as well as auto painting is among the BEST done in this section. They have the "know how" that puts their work in a class by itself.

The editors of this 1981 Consumer's Message Review recommend you see the M&S Body Shop, Inc. for all work of this type.

## Annual wheat tour set for Bushland on May 28

The Annual Wheat Tour is to be held at the USDA Conservation and Production Research Laboratory, Bushland, on May 28, 1981 at 1 p.m. It is especially designed for men and women interested in growing and marketing wheat, and those with an interest in bread baking, according to Dr. B.A. Steward, Laboratory Director.

New hybrid wheats will be shown by Dr. K.B. Porter, Texas Agricultural Experiment Station Wheat Breeder. Mr. Ross Wilson, Executive Assistant of Texas Wheat Producers Board, will discuss the current wheat situation and what the wheat producers' plans are with respect to marketing the large amount of wheat available. He will show a movie entitled, "Export Plans for the Future," which was produced by the National Wheat Producers Association. Irene Keating and Barbara Fowler, Texas Agricultural Extension Service Home Economists from Amarillo and Canyon, will make "Bread in a Sack."

The field tour and the baking demonstration will each take about 1½ hours. Those not attending the field tour, can observe the complete "Bread in a Sack" demonstration to be presented in the new livestock nutrition building at the Research Laboratory. Everyone participating in the field tour will have the opportunity to hear a short description of the baking methods at the close of the tour.

A major tour stop will be the irrigated small grain nursery. Dr. Porter says there are over 45 hybrid wheats from three companies in one yield trial. One company has developed a chemical hybridizing agent that is used to produce male sterile lines used in hybrid seed production. Barley and oat varieties will be described by Dr. Frank Petr, Texas Agricultural Extension Service Agronomist, and Dr. Wyatt Harman, Texas Agricultural Experiment Station Economist.

At another stop, Jack Musick, USDA Agricultural Engineer, will describe the effect of irrigation levels on wheat and barley production. In other tests, TAM 105 and other wheat varieties are being evaluated at different soil moisture levels. Soil fertility research on wheat will be described by Dr. Harold Eck, USDA Soil Chemist. Reggie Jones,

USDA Soil Scientist, will discuss dryland alfalfa seed production.

At another stop, wind energy research will be discussed by Dr. Nolan Clark, USDA Agricultural Engineer. The Research Laboratory at Bushland is the USDA national headquarters for wind energy research.

In addition to the tour, late afternoon side trips are planned for the dryland small grain trial and a demonstration of planting and planting equipment for no-till farming. The no-till area will be 40 acres of 1980 wheat stubble that has never been plowed. Dr. Paul Unger, USDA Soil Scientist, and other researchers plan to compare several conventional planters to special no-till seeders. The line-up includes a single disk grain drill, Noble hoe-type grain and double disk opener flex planters, along with a no-till planter. Under says, "Our previous experience shows that new equipment is not needed for no-tillage planting. We want to show people how inexpensive it is to plant in fields that have never been tilled."

The event is being sponsored by the USDA, Texas Agricultural Experiment Station, Texas Agricultural Extension Service, and Texas Wheat Producers Association.

## Collectors show and sale to be held

A Collectors Show and Sale will be held May 30 and 31 at the Cimarron County Fair Building in Boise City.

The event, sponsored by The Keyes Collectors Club will feature a flea market and arts and crafts. The show and sale will begin at 9 a.m. on both days and will conclude at 6 p.m. on May 30 and 4 p.m. on May 31.

Admission will be 50 cents for adults and will be good for both days. Children under 12 and accompanied by a parent will be admitted free. For further information, phone (405) 546-4681.
