It is framed by a gold colored frame, donated by R. T. Dyess. The drawing will be held at the County Barn December 13th at 6:00 a.m.. You don't have to be present to win. The tickets are \$1.00 each. The picture may be seen in the Tri-corner Art Display.

The Tops Annual Quilt Show will be Sunday, November 9 from 1-5 p.m. at the County Barn. There will be a quilt given away, drawing to be at 4 p.m. You may purchase a ticket from any Tops 897 member. Hand painted china, antiques and dolls will also be on display plus door prizes. There will be a \$1.00 donation for tickets and refreshments will be served.

There will also be a quilt on display and for sale made by refugees Hmong people that live in Thailand. Hmong needlework is a skill that women carried out of China, the ancestral home of the Hmong more than 2,000 years ago to the primitive mountain tops of Laos,

Vietnam and Thailand. A folk art passed down from mother to daughter. The stitchery is so fine that few in the world can create it. It is needlecraft which is bold and striking to the eye. Almost always done symmetrically in a square or rectangular shape. It may be a combination of applique and applique done separately. The patterns are traditionally geometric and all of it is intricate.

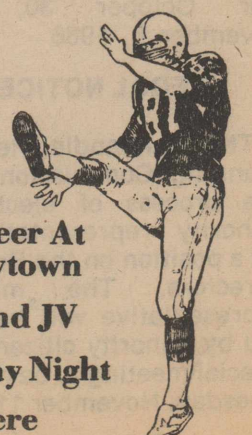

Jarunee Balasiri saw the ad in Quilters Newsletter magazine about the Fifth Texas Tops 897 Quilt Show. She contacted the club to see if they would display the quilt and try and sell it. Mrs. Balasiri is from Indianapolis, Indiana.

# Dear Readers

Dear Readers:

Let us be sure and remember our Veterans who have served and died for our country on Veterans Day, November 11.

As many of you already know I got in the way of Gared McBryde at the football game Friday night against Sudan. I would like to say how nice this young man was after he and I collided. He turned around and said I'm sorry and asked if I was hurt. I thought that was so gratifying considering I'm the one that got in the way. I apologize to you Gared. Believe me the next time I will get out of the way, or else put on a football uniform. My body is still

complaining. I would also like to mention that the Elks played a good ballgame against Sudan, who is ranked very high in the state. The last game of the season is Friday night against White Deer. 7-8-JV play at White Deer Thursday.

Christmas in November is Thursday, November 6. Go out and enjoy a delicious meal and see all of the displays.

Babes In Toyland is Tuesday, November 11 at the Country Club.

Want to say we are grateful for the rain. It has been nice.

Marty

# Make it a heat pump winter

It's what heating & cooling experts recommend.

A heat pump winter is cozy, consistent warmth and sparkling cleanliness that only electricity can give. And, with a heat pump you get low operating costs. The only thing better than a heat pump winter is a heat pump summer. A heat pump both heats and cools.

# SCOT Notes Kerrick News

by Timmie Brown

Sat. Nov. 1st. was designated as house cleaning at Scot Hall. Members were invited to come help and we learn the following persons heeded the call: Namely, Maureen Plunk, Lerayne Donelson, Ethel Hampton, Opal Bryant, Elsie Pickens, Dicy and Max Stephenson, Chuck Wilson, Martha Mitts, Alta Mitts and Our lady Friday, Lorelyn Powers, who did our work. These folks deserve a big "thank you" and we are sure each one will express their appreciation to them.

Calendar-wise, Friday, Nov. 14 is the evening for the Birthday Party. The time is 7:00 and the place is Scot Hall. We hope that Gene Foster, Alton Brewster, Dovie Fedric, Roscoe Dyess, Ben Biddy, Rowena Williams, Mr. & Mrs. Norman Malcomm Barbara Chumley, Mary Peach Smith, Ruby Garoutte, Cleve Garrison, Frank Judd, Ava Keener, Elsie Lasley, Sharon Harrington, Jerry Dyess will come visiting and give us a chance to wish them Happy Birthday. Juanita Donelson and Dr. Goad are on our birthday list. Suppose you surprise them with a card since they are gone.

We understand that Frank Judd will reach his 90th year while Ruby will "turn" 88. Happy Birthday to all of you from all "Scot people".

How many present day readers remember reading in earlier day Stratford Stars that the "Inter Se Club" met with Mrs. So-and-so? Kathleen King presented a book of minutes from said club with this inscription on it. "Inter Se Club Minutes 1909 - 1945" to Sherman Co. Depot Museum. The Book is a treasure. Ask to see it at the Museum. By the way, the Museum Board finds it expedient to keep the Museum open for a while on Friday. Ora Reynolds has volunteered to help find people to do this. So we urge folks who would enjoy helping with this community project to call Ora at number 396-2004 and offer their services. This same appeal was in last weeks Star, but repetition doesn't hurt and beside that we just want to get in our two cents worth.

We have just learned that Mrs. Jewel Peterson fell Saturday night and is in Dumas Hospital, extent of her injuries is unknown to us at present.

While attending a Stanly Products meeting in Amarillo with Lorelyn Powers we met Violey (Chisum) Roberson and learned that she is a very busy retired salesperson. At noon we chanced in where Nola Cummings and daughter, Jean Childs, were having lunch. We had a pleasant conversation about the remodeling of the Scot Buckles house since Ernest & Nola built it and T.N. Beard was the contractor-builder. Nola, Jean and families are enjoying life.

Hilda (Lavake) Naugle of Sunray has been in High Plains Hospital. We have no late report but trust she is doing well.

Rowena (McAdams) Williams has had a bout with the flu. She is fine.

Eskie Ritchey is in Boulder, Colo. with daughter, Margaret, checking with her Doctors. She hopes to be home soon.

J. A. (Bus) Brown and wife Ruth(Nichols) Brown are living in Guymon, Ok. Friend and relatives are glad to welcome them home. They lived in Cal. many years.

Geneva and Lorel Haile visited her daughter, Barbara Moon, Dallas for Geneva's birthday. They returned home via Bartlesville, Ok. spending a day or two with Marian, Elizabeth and Ronnie. All folk doing well.

John and Bea Shaw, Ariz. are guest of The Baskin Browns. The Shaws attended the National Old Timers Rodeo in Amarillo. Betty and Baskin Brown, Peggy and Jimmy Jackson and Woody Gay were John's guest at the

Rodeo. John was formerly married to Bessie Lee, Betty's mother. Bessie has been deceased a number of years.

S.C.O.Ters send Christian love and sympathy to Pat(Moon) Pentland acknowledging the death of her husband. As always we grieve with friends who lose loved ones but we also trust our Heavenly Father for a loving and Merciful gift of release from pain for those who suffer physically.

People over the area who know Rev. and Mrs. Lawrance will be glad to know they are "up and about". He is interim pastor for the First Baptist Church, Stratford. He preached for us Sunday a.m., held dedication service of a church in Pampa in p.m. and led evening services here Sunday evening. Praise and love to this retired couple who has preached for and taught in many places in the Panhandle. We love them.

We wind up this report by telling you, that the pleasant experience of visiting the "Spooktastic" business places and being with LeRayne Donelson and Ronnie Pickens in judging the "Small Frys" Halloween Costumes, was a once in a lifetime event. Thanks to the Stratford Chamber of Commerce for allowing us to do this.

Lets' be about life's business, scattering sunshine and love all around especially on "Our Dallas Cowboys" and injured Danny White.

One tablespoon is equal to 3 teaspoons.

## Chamber Chatter

by Sherri Butler

**Retail Merchants Holiday Extravaganza**-The Retail Merchants Division of the Stratford Chamber of Commerce will be hosting a "Holiday Extravaganza" from 1-4 p.m. on Sunday, November 16. Many businesses will be open that afternoon for shoppers convenience and to preview Thanksgiving and Christmas gift ideas. Be sure to visit the local businesses hosting open house. Shop Stratford First!

**Crafts and Hobbies Showing-Arrangements** have been made for a prime Main Street location to be used by individuals wanting to display/sell craft and hobby items on November 16. Individuals interested in renting tables for this one day showing should contact the Chamber office (396-2260).

**Trailways Lines, Inc. Hearing**-Those who testified at the October 2 hearing before Ronald D. Stutes, Presiding Examiner for the Railroad Commission of Texas on the applications of Trailways Lines to discontinue service through Stratford should have received a written statement with his recommendations. Mr. Stutes recommendation to the Commission is that the application be granted in its entirety. In his remarks concerning the hearing and testimony presented, he stated, "While discontinuance of this service will certainly be a substantial inconvenience to people and businesses in Stratford, and will be an unfortunate blow to the community, no hardship or difficulty was demonstrated which did not seem likely to be overcome by resilient citizens after a period of adjustment. Clearly, it would be preferable to retain bus service to Stratford, and most likely Trailways would prefer to continue such service. However, it seems unfair to require such service at the expense of the stockholders of Trailways, when the volume of business simply cannot support continuing the routes". A copy of all communications from the Railroad Commission is on file in the Chamber office for anyone who would like to review the information received.

**Membership**-Your Chamber dollar buys many things-the unity, cooperation and combined efforts of many people working together to make Stratford a better community. Welcome to Mary Wayne Spurlock, a new membership in October and thank you to those renewing their memberships in September and October-Marilyn Albert, Van B. Boston, Buckles Farms, W.E. Cummings, Hudson Farms, Rick Reinart and Horace Sneed.

## Plow Horses

By: Richie Brotherton, SCS

The same horses that pulled the ol' wagon out of the settled country back east were used to pull the ol' breaking plow through Texas sod. Pioneers plowed up the land. Some of them were used to the loneliness and long days. Their hands were calloused and hard; their muscles were knotted and strong; their skin was wrinkled and burnt by the sun. They plodded dutifully behind the old team and held

Spooks of all sizes and ages showed up Friday night at Kerrick's Halloween Party! Those in costume were judged by Jack Gilley, Mildred and Andy James. Eight and under winners were a rabbit, Brent Haken of Glencoe, Ok., and Tasha McDaniel, who was Raggedy Ann. Little Master Brent's mother improvised his cute costume. Last year when the Hakens were here to cut maize, Brent was just a babe-in-arms! Tasha was a living doll!

Nine thru high school winners were Matt Thompson as some horrible creature who lit up and Tracy Roberts with a sweet little face.

Pat Boren was nicknamed "Fanny" for obvious reasons and Hank Rogers was a really fearsome werewolf.

Games were played by all ages as well as the usual visiting. Sandwiches, chips, cookies, popcorn balls, apples, tea, coffee and koolaid were on menu for the night.

Those present in addition to those mentioned were John and Terri McDaniel, Diane, Eric, T.J. & Tasha McDaniel, Mabel Rogers, Bill Boren, Kerry Boren, Alvin & Dayle Harris, Jo June & Kayo McDaniel, Virgie Mathews, Ted and Joyce Irlbeck, Franny Taylor, Nita Taylor, Belinda, Megan, Erin, and Jason Roberts, Gary, Vicki, Kim Thompson, Mark and Kevin Haken, Max Haken, Gayla, Thea, Levi, Trew James, Ralph James Hampton, Shorty Peters.

Hosts were Ralph, Minnie and Annette Hampton, Marylou and Fred McDaniel.

Mildred and Andy James were surprised by several friends at the Halloween Party when they were presented with a crystal

bowl. Just a remembrance to celebrate their recent marriage.

Tuesday, October 28, Kerrick EH Club members met at the Community Center to make crusts for about 75 pies. Some made popcorn balls for the Halloween Party, some cleaned and decorated. Virgie Mathews brought a delicious wonderberry cobbler and there were some cinnamon pie crust strips to nibble on. Remember how good those strips of pie crust were when mother used to make them?

Workers and enjoyers were Jo June McDaniel, Gayla James, Mabel Rogers, Pat Boren, Vicki Thompson, Barbara Schoonover, Franny Taylor, Virgie Mathews, Neena Bell, Lynn Wells, Dayle Harris, Joyce Irlbeck, Minnie Hampton, Marylou McDaniel.

Barbara Avent and Emily Smith of Coldwater bowled Sunday in Amarillo tournament. The ladies league bowl in Dalhart on Wednesdays.

Little three year old Shorty Peters of Dalhart spent a couple of days with his cousin Terry and John McDaniel. He went trick or treating in Kerrick as did lots of other youngsters, then to the Halloween Party.

Barbara Schoonover and Jeannie Bennett had a booth at the Pumpkin Patch Arts & Crafts Show in Guymon Saturday.

Ken Scott, wife Gail, son Bart, who is now 14 and Kenda, 6, have moved to Richardson, Tx., recently. Joyce Scott Parramore is teaching a class for severely handicapped students at Kerrville ISD. Her husband Chuck is communications consultant for Southwestern Engineering in Comfort.

The Thanksgiving Supper has been changed to Friday, November 21st.

MILDRED AND ANDY JAMES were surprised Halloween at Kerrick's Party with a wedding gift from some of their friends.

COSTUME WINNERS AT KERRICK were from left, Pat Boren, Brent Haken, Hank Rogers, Matt Thompson, Tracy Roberts and Tasha McDaniel, being held by her mother, Diane McDaniel.

Free advice is worth every penny it costs.

## Vows Exchanged

Debra Diane Miller and Clay Randall Allen were united in marriage at Saint Stephen United Methodist Church, Amarillo, October 17, at 7 p.m. Dr. Bron Greenwood, Ogden, Utah, uncle of the bride, officiated at the double ring ceremony. Rev. Jim Smith, minister of the church, assisted.

Parents of the couple are Mr. and Mrs. Warren Miller, Stratford, and Mr. and Mrs. Charles Allen, Amarillo.

Escorted by her father and given in marriage by her parents, the bride wore a gown of sheer organza with a high Venice lace collar, molded bodice dipping to a vee in front and back and ruffled shoulders. Sleeves were trimmed in ruffled flounces and organza rosettes. The softly gathered long skirt, with Venice lace medallions and cameos, featured double ruffled flounces that swept into a chapel train. Her brim hat with Venice and Chantilly lace trim on crown and brim was turned up at the side by pearl sprays and silk flowers. A two-tiered pencil-edged veil with a pearl dotted ruffle fell from the back. She wore diamond earrings, a gift from the groom. Her bouquet of light pink and white rose buds, babies-breath, stephanotis and ivy was accented by strings of pearls.

In bridal tradition, Debra wore her late Grandmother Rhoton's wedding ring, blue garter, borrowed ruby ring belonging to her sister, and a penny in her shoe.

Bonnie Altman, Tucson, Az., attended her sister as Matron of Honor. She wore a tea-length royal blue lace over satin gown with a Sabrina neckline, fitted bodice, short sleeves. The waistline featured a cummerbund and back bow. The softly gathered skirt had a matching lace border on the edge. She carried a bouquet similar to the brides, but with royal blue ribbons.

Jay Largent, Amarillo,

served as Best Man. Ushers were Blane Davidson and Chuck Gast, Amarillo.

Wedding music was provided by Reg Brown, organist and Terry Bebermeyer, soloist, who sang, "There Is Love" and "You've Made Us For Each Other".

A reception was held at the Tascosa Country Club. Serving were Brandy Jolly, Tucson, Az., niece of the bride and Denise Miller, Amarillo.

Cliffann McCarterly, Amarillo, registered the guests.

Mr. and Mrs. Charles Allen hosted the rehearsal dinner at Tascosa Country Club the evening prior to the wedding.

After a trip to Santa Fe, N.M., the newlyweds are now at home in Amarillo.

### March Of Dimes Launches Campaign

March of Dimes launches yearlong national campaign to prevent substance abuse during pregnancy

A national day of awareness on November 12th will mark the start of a

nationwide campaign to prevent birth defects due to substance abuse during pregnancy.

"Prenatal Care--Drug Awareness Days" in Houston, Los Angeles, San Francisco, Chicago and

Washington, D.C. will kick off the campaign. In each city, government, civic and health leaders will join in publicizing the dangers posed by drug use during pregnancy.

Later phases of the campaign will concentrate on the harmful effects of alcohol and tobacco use by pregnant women and the need for early and regular prenatal care.

"The campaign title, Mommy...Don't, reflects the preventive messages--don't take unprescribed drugs,

don't drink, don't smoke--we want to get across to all women of childbearing age," Charles L. Massey, March of Dimes president, said.

"People are greatly concerned today with the damage drugs do to our communities in general," Massey noted. "But what many people don't realize is how serious the consequences can be for the baby in the womb of a mother who uses drugs."

## Winterization

With winter approaching, the Public Utility Commission reminds consumers that now is the time to "winterize" homes for energy savings.

Furnaces should be checked at the beginning of the heating season by a qualified service person to ensure efficient operation. Consumers should stress procedures for improving efficiency of the unit when requesting the service. Make sure the safety features are operating correctly and do not operate the equipment until any problems have been corrected.

Check for air leaks in your home by holding a lighted candle near windows and doorways. If the candle flutters even slightly, you probably need weather stripping or caulking. For a small investment, you can improve the comfort level of your home, and reduce your heating bills at the same time.

Heat loss through windows during the winter can be costly and uncomfortable. Movable insulation, such as thermal curtains and shades, and interior and exterior shutters, can help reduce this heat loss. It allows full benefit of the window during the day, when free solar heating and lighting are available. And at night when the insulation is in place heat loss will be reduced, which lowers heating bills and increases the comfort of the home.

To obtain more information about movable insulation and other energy-saving tips call the toll-free ENERGY HOTLINE 1-800-643-SAVE.

## Helping People Help Themselves

Helping People Help Themselves is the motto for Panhandle Community Services, a human service delivery system headquartered in Amarillo and serving the people in the 26 counties of the Texas Panhandle with a multitude of services. The agency's slogan has taken on a vital new meaning with its special new program, Project Self-Sufficiency. This demonstration project assists single men and women who are raising minor dependent children in our area. Project Self-Sufficiency aids them in living and a more meaningful and productive place in our community.

Sometimes, "Pulling yourself up by your own bootstraps", requires a little help. Panhandle Community Services, (PCS), administers the locally designed demonstration project, directly providing section 8 rental assistance funded through the United States Department of Housing and Urban Development. A vital component of this project is the identification of and referral to other community resources for which the participant may also be eligible. These resources may include; grants, loans or scholarships, child care, transportation services, job search and placement opportunities. In addition, PCS strives to utilize as many of the other possible services available through the agency in order to assist the eligible applicants in successfully attaining their goal of Self-Sufficiency.

The project is scheduled to conclude in April, 1988. All of the housing certificates awarded to PCS for this special demonstration project, which is the largest awarded nationally, must be issued by the end of January, 1987. It is the goal of PCS' Project Self-Sufficiency, staff and Task Force members to serve as many eligible participants as possible.

Throughout the entire Panhandle many men and women who are single parents with young dependent children are being

These young farmers, in a 20-35 age group, will each receive a \$500 award from the Monsanto Agricultural Products Company to help acquaint them with the organizational aspects of the Texas Wheat Producers Association and the National Association of Wheat Growers, according to Robert Graves, Perryton, President of TWPA.

The Texans earned four of sixty awards Monsanto provided nationally. Winners selected by the state and national wheat organizations were selected based on stated interest in the organizational aspects of the wheat producers and communication skills.

## Duke Leads Smokeout Effort

Dr. "Red" Duke, known best for syndicated television "Health Reports," will prescribe a smoke-free day for Texas smokers as the state's honorary Great American Smokeout chairman.

This year's Smokeout, which is sponsored annually by the American Cancer Society, is scheduled November 20. The Smokeout is a light-hearted campaign encouraging smokers to give up their tobacco for 24 hours.

Last year, a Gallup Survey indicated 23 million Americans quit smoking or cut down on the number of cigarettes smoked during the Smokeout.

Event planners expect a record number will make the attempt to abstain this year, as the Smokeout celebrates its 10th Anniversary.

"We're anticipating our greatest participation ever," said Oscar Newton of Houston, chairman of Texas' Smokeout efforts. "We feel Texans especially will respond to the supportive approach of the Smokeout and to Dr. Duke's plain-spoken advice," he said.

Duke, a nationally-respected trauma surgeon, has been a trusted source of health information for television viewers across the nation since 1982. His "Health Reports," produced by the University of Texas Health Science Center at Houston, are broadcast three times a week on 69 television stations in 30 states.

The "Health Reports" will feature segments on smoking and quitting smoking during Smokeout Week, Newton said.
